**New for 2011 - "Certificate of Capability" required for Young Riders. In order to qualify for participation at the Championships, a horse/rider combination must have attained a result of at least 62% from any single FEI Licensed Dressage Judge (C, I, O) who is part of a judging panel (a single FEI judge's score, NOT overall average from the judging panel) at a CDI-Y or at any other designated Qualifying Competition during the designated qualifying period from the Team or Individual Test (Freeschools do not count towards fulfillment of this requirement). Please refer to the complete Selection Procedures. Horse/rider combinations who are listed in bold have fulfilled this requirement.**
