QUALIFYING ENTRY PROCEDURE for HUNTERS & JUMPERS (exceptions) - Side Saddle, Local Hunter & Medal Finals - for which all fees must accompany entry form

Any horse applying for acceptance in a section must have shown in that section within the qualifying period, but need not have earned any points. If the qualifying list is exhausted and spaces are still available in a section late entries will be considered in the order received.

Hunter Sections restricting entries will be based on USEF National Horse of the Year points earned by horses/ponies at their best 15 shows starting on or after August 24, 2008 through shows starting on or before August 22, 2009. Exhibitors in hunter sections should submit with the entry form a list of the total points accrued during the qualification period at no more than fifteen (15) shows. Management will allow the horses who were Champions at the Pennsylvania National Horse Show in 2008 to show in 2009 in their respective sections, if entered and eligible. Point totals will be verified with USEF.

Amateur Owner Jumpers: will qualify based on prize money won at shows starting on or after August 24, 2008 through shows starting on or before August 22, 2009. Amateur Owners may claim only money won in High Amateur Owner classes.

Open Jumpers: Riders will be accepted based on their ranking on the USEF Computer List dated August 21, 2009. Two riders may be accepted as wildcards, at the discretion of management. Each rider accepted will be able to show a total of 4 horses, plus a different horse in the NAL Open Speed Final only..

Section entries are limited as follows:

	Approximate Number To Be Accepted		Approximate Number To Be Accepted
Small Pony Hunters	30	Green Conf. Hunters	35
Medium Pony Hunters	30	Regular Working Hunters	30
Large Pony Hunters	30	Regular Conf. Hunters	20
Small Junior Hunters 15 & under	30	A/O Hunters-18 to 35	30
Small Junior Hunters 16-17	30	A/O Hunters-Over 35	30
Large Junior Hunters 15 & under	30	A/O Hunter 3'3"	25
Large Junior Hunters 16-17	30	A/O Jumpers	30
1st Year Green Hunters	40	Open Jumper Riders	30
2nd Year Green Hunters	35		

COMPLETE ENCLOSED ENTRY FORM including all required USEF numbers and signatures (one horse per entry blank). Entry forms may be copied.

ENCLOSE \$125.00 (non-refundable/non-transferable) (\$65.00 qualifying fee, plus \$60.00 Office/Administration Fee); Exception, Open jumper riders send check for \$160.00, which includes a one time non-refundable/non-deductible qualifying fee of \$100.00. Hunters should include your total points won at not more than 15 shows for each section entered. A/O jumpers should include a list of money won. Do not send USEF printouts (we already have them).

BECAUSE THE PNHS USES USEF POINT TOTALS FOR THE QUALIFYING PERIOD, we urge you to send your entries early. You may update your point total by mail or fax at the completion of the qualifying period. All point discrepancies between your total and USEF total will be resolved through USEF before acceptances are issued.

FEI CODE OF CONDUCT

1. The Fédération Equestre Internationale (FEI) requires all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.
2. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
3. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
4. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
5. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.

The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

VETERINARY EXAMINATIONS, HORSE INSPECTIONS & PASSPORT CONTROLS

These will be carried out in accordance with the "Veterinary Regulations", Art. 1011 & the discipline rules. "**General Regulations", 22nd Edition, effective 1st January 2007 will apply:**

Art. 139.1 Every Horse entered for any Competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all Horses entered for other CIs, CIOs, FEI Championships, Regional, Olympic Games and Paralympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2 Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such Horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all Horses must have a valid vaccination certificate.

Art. 139.3 All passports must include the full name, address and signature of the Owner as registered by the NF. The description of the Horse and the diagram must be accurately completed, and the passport must include a record of all vaccinations and medication control

tests. Whenever the name of a Horse with a passport is changed, or any pertinent changes are made to a passport, the NF must notify the FEI.

Art. 139.4 NFs are responsible for issuing passports for all Horses required to have them and for ensuring that the passports are correctly completed, as specified in the Veterinary Regulations, prior to being authenticated by the stamp of the NF and the signature of an Official of the NF. NFs must send a photocopy of the identification page to the FEI for registration. The Person Responsible for a Horse at an Event is responsible for the accuracy of the passport and for presenting it at the Passport Control, except for Events with borrowed Horses (Art. 116) when this is the responsibility of the host NF.

Art. 139.5 A Horse may only have one passport as per paragraph 1 of this Article and one permanent passport number. If an NF is satisfied that a passport has been lost or if any section of the passport is full, it may issue a new passport clearly marked "duplicate" and bearing the same number as the original passport. The issue of a duplicate passport must be reported to the FEI (see VRs).

Art. 139.6 OCs must arrange for each Horse to be positively identified at the Passport Control during the examination on arrival, in accordance with the General Regulations, 22nd edition, effective 1 June 2007 35 VRs. Any case of misleading or inaccurate information in a passport, or if the Horse cannot be positively identified, must be reported to the President of the Appeal Committee, who must report the case to the Secretary General, giving the number of the passport and the name of the Horse.

Art. 139.8 All Horses taking part in FEI Events must be registered with the FEI.

EQUINE INFLUENZA VACCINATION, VET. REGS. ANNEX VII (except events taking place in NZL & AUS) All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES (Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CCI3*/4*, CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016) Special guidelines are applicable for events covered by the FEI Medication Control Programme (Groups I & II only).

MEDICATION CONTROL PROGRAMME (GROUP I & II ONLY) The Organizing Committees of FEI events within Groups I & II are advised to charge competitors the equivalent of CHF 12.50 per horse per event as a contribution towards the costs of the MCP programme.

\$6,250 USEF NATIONAL JUNIOR JUMPER CHAMPIONSHIP WELCOME - Phase I

This competition is run over a Table II, Sec. 1 course judged under Table III (Faults Converted into Seconds) without a jump-off in the event of equality for the first place. The scores obtained by each competitor will be converted into points by multiplying the time of each competitor by the coefficient 0.50; the score must be correct to 2 decimal places. The second decimal place will be rounded up to .005 and rounded down from .004. The competitor with the lowest number of points after this conversion will be given zero penalties, the other competitors being credited with the number of penalties representing the difference in points between each of them and the leading rider. If a competitor is eliminated or does not complete his round for any reason, he will be awarded the same number of penalties as that incurred by the competitor who has been the most severely penalized, plus 20 penalties. If the competitor concerned has himself received the highest number of penalties before being eliminated or retiring, 20 penalties will be added to his score.

Adding the 20 penalties is done after the time-difference has been converted into penalties.

\$12,500 USEF PRIX DE STATES TEAM CHAMPIONSHIP and Individual Championship Phase II

Modified Nation's Cup Format. Each team will jump one round. The six teams plus any ties accumulating the least number of faults will be required to jump a second round (best three scores per team to count). Teams will return in reverse order of first round team scores. The winning team is determined by adding together the jumping and time penalties incurred by the three best competitors of each team in each round. If, at the end of the completion of the second round, there is a tie for a medal, there will be a jump-off in which one competitor per team will participate. The Chef d'Equipe determines which member of his team will participate in the jump-off.

Phase II/Individual Championship – Each competitor will jump two rounds (Individuals to go first, i.e. before teams, in the second round).
