

USEF Insurance Requirements for Competitions

GR309.19

A certificate of insurance for each competition must be received by the Federation office at least fourteen calendar days prior to the competition by mail with proof of delivery or submitted electronically via e-mail, or via fax. Competitions faxing their certificate of insurance to the Federation must retain a copy of the fax confirmation. If the certificate is not received fourteen days prior to the competition, insurance coverage will be acquired through Equisure and the competition invoiced as outlined in GR309.13. Each certificate must name the Federation as additional insured for each day of the competition, including set-up and take-down days, with minimum limits of \$1,000,000 third party general liability insurance and \$50,000 on equipment and property. Competitions failing to provide proof of such coverage (or such coverage to the extent permitted by local law) will automatically be enrolled in the Equisure policy for competitions and will then be invoiced the then prevailing premium for such insurance. Competitions outside the United States must provide evidence of equivalent coverage of such insurance and will not be enrolled in the Equisure group policy. Competitions must notify the Federation in writing of cancellation of their insurance policies by their insurance provider.
