1. This application is for horses at competitions for which approval of Federation National Passports has been granted by the FEI. The National Passport serves as a way to identify the horse by diagram and record the influenza vaccination history. An approved National Passport can easily be upgraded to an FEI Passport as a Recognition Card once the horse reaches the level requiring an FEI Passport.
2. The horse must be Life Recorded with the United States Equestrian Federation (USEF). If your horse is not recorded, please include the current Horse Recording Application and $200. If your horse is Annually Recorded, please select **Upgrade to Life** at the bottom of this form and include the fee of $125.00.
3. The owner of the horse must be a United States Citizen. If not, please contact the Passport Department at (859) 258-2472.
4. If you are competing in an FEI International Competition, please note that FEI Registrations are mandatory and may be included with this application.
