## HIGH SCHOOL EQUESTRIAN ATHLETE PROGRAM

The United States Equestrian Federation (USEF) is writing a new chapter in the recognition of high school sports — one that honors Equestrian athletes. The High School Equestrian Athlete program is open to equestrian athletes in all breeds or disciplines who are enrolled in grades 9-12, and are USEF members. The program runs June 1–May 31 of each year, and honors those who document their training and competition involvement by awarding emblems and pins. These are designed to be worn on existing high school letterman's jackets, or any jacket of the athlete's choosing, as a symbol of achievement. To complete the USEF High School Athlete Application, go to [usef.org](http://usef.org) and click on the High School Athlete Program on the right of the homepage.

## USEF HORSE OF THE YEAR AWARDS PROGRAM

Being named one of the USEF Horse of the Year champions is an honor that lasts a lifetime. The Federation salutes the hard work of each of our champions in their respective breed or discipline. From the grassroots to the national level, the USEF is proud to celebrate every award recipient. Once you become a USEF member, what is the first step to being named one of the USEF Horse of the Year winners? Simple, the first step is recording your horse. Once the horse is recorded (In accordance with USEF Rules), points from USEF Competitions will start accumulating toward the awards program. It is as easy as filling out a Horse Application, which can be found on the Horse Services section of the USEF website, at any recognized horse show, or by contacting the USEF Customer Care at 859.258.2472.
