

Leading Breeders

Welcome to USEFs new Leading Breeder Rankings. This ranking is based on points earned in licensed USEF competitions. In order to earn points, horses must be recorded with USEF and their owner must be a member. The calculations are determined by using USEFs Horse of the Year point scale. For dressage and eventing point scale click [HERE](#). All other point increments can be found in the USEF Rulebook. We welcome any correction, addition or input you have. Please forward correspondence to kball@usef.org or fax 859-231-6662.
