 - b. When an obstacle is composed of several elements in the same vertical plane, a fault at the top element is the only one penalized.

 5. After all competitors have had an opportunity to compete over a course in the Regular Working section, competitors with faults which would eliminate the competitor from the ribbons, may be excused at management's discretion, provided four more competitors than the number of ribbons awarded have completed the course. In Green Working classes riders are encouraged to withdraw after a major fault.
 6. In cases of broken equipment, the competitor may either continue without penalty or stop and correct the difficulty. *Stopping for broken equipment is considered a major fault as per HU135.2.* In case of loss of shoe, rider may either continue without penalty or be eliminated. *EC 4/20/09 Effective immediately*

SUBCHAPTER HU-7 CHAMPIONSHIPS.

HU148 General.

1. Championships must be offered in "A" and "B" rated sections.

2. A Championship may not be offered in a section unless a minimum of two over fences classes and one Under Saddle class are held (Exception: Ladies Hunter Side Saddle). If a competition offers more than one Under Saddle class in any one section, only one will count towards the Championship. (Exception: classes divided as to weight, height, age or breeding.) The prize list must specify the class to count.

a. When a Championship is offered, management must keep a score card or chart of winnings throughout the competition, which must be prominently displayed so that exhibitors may inspect it at all times. Only the first six ribbons count towards Championships regardless of the number offered.

b. Ribbons won in classes with specifications restricting horses in any manner, will not count toward any Championship unless such classes are complementary and over the same course, affording equal opportunity to all horses competing. If, however, competition management, having reserved the right to do so in the prize list, combines two or more complementary classes because of insufficient entries, thus making one open class, ribbons won in such a class count toward the Championship.

HU149 Eligibility.

1. General.
 - a. The Champion and Reserve Champion titles are awarded to the top two of the four horses that acquired the most points performing over a regulation course with obstacles at the full height required in the section in which shown, except under the provisions of HU114. In addition to these points, only these four horses, receive half points for ribbons won in Model classes (full points for Regular Conformation Model classes) and full points for ribbons won in one Under Saddle class.
 - b. The prize list must state the numbers of the full point and half point classes counting towards the Championship in each section.
2. The following classes do not count towards nor make a horse eligible for Championships: Appointment, Breeding, Local, Junior, Consolation, Maiden, Novice, Limit, Owners, Hunter Hack, Pairs, Teams and any class restricted unless complementary classes are offered. Points won in one section do not count towards nor make a horse eligible for the Championship in another section.

HU150 Ties.

1. In case of a tie score the Championship and/or Reserve is awarded to the horse that accumulated the most points over fences. If horses have an equal number of points over fences and no points under saddle, the tied horses must be shown at a walk, trot and canter. Competitors may be asked to hand gallop at the discretion of the judge. (Exception: Green Hunters.) This competition is judged as an independent under saddle class with conformation, soundness and performance to count as prescribed throughout the section. If horses have an equal number of points over fences, under saddle, and model (i.e. Regular or Green Conformation) the tie will stand as is and both horses will receive Horse of the Year Points in their respective Champion and/or Reserve position.
2. If all tied horses are declared unsound, selection of the winner among such tied competitors is left to the discretion of the judges.

HU151 Combination Hunter Championship.

All competitions with a limited number of Hunter classes, including events in more than one section (i.e., Regular or Green Conformation, Regular or Green Working), may count points won in such classes toward a Combination Hunter Championship. A Combination Hunter Championship and Reserve are awarded to two of the four horses which have acquired the most points performing over a regulation Hunter course with fences the height required in the section in which shown. In addition to these points, only these horses receive half points for ribbons won in Model, Maiden, Novice, Limit and Green classes (full points for Regular Conformation Model classes) and full points for ribbons won in one Under Saddle class or, if not held, in one Hunter Hack class, if otherwise qualified. The prize list must specify which classes count. This Championship does not count toward a Federation Horse of the Year Award except for Amateur Owners. *EC 11/16/09 Effective immediately*

HU152 Pony Hunter.

1. A competition may, at its discretion, offer a Championship and Reserve Award in each height division or a single Championship and Reserve. Separate Championships must be offered when all classes are divided into height divisions but cannot be offered unless they are divided. See HU148 – HU151 for all requirements.
2. Championships. Show Champions and Reserve Champions are selected as outlined in GR808.

HU153 Junior & Children's Hunter.

1. Separate Championships must be offered when all classes are divided but cannot be offered unless they are divided.
2. The Champion and Reserve titles are awarded to the top two of the four horses which have acquired the most points performing over a regulation course in the Junior Hunter *section*. In addition to these points only these horses will receive half points for ribbons won in Model classes and full points for ribbons won in Under Saddle classes if otherwise qualified. The prize list must specify which classes will count. *EC 11/16/09 Effective immediately*

HU154 Judges.

(See HU131)

1. In "A" rated sections, at least one judge of Registered status must officiate. Recorded judges with Special judge's card may not officiate alone.
2. All judges who are assigned to a Conformation section must judge the Model class.
3. In "A" rated Hunter sections at "AA" rated competitions, a minimum of two judges must officiate. They may officiate independently or together. If judging independently, no more than 60% of the classes in the section may be officiated by the same judge. (Exception: Pony Hunter sections held on one day).

HU155 Schooling.

Schooling is permitted in accordance with GR834, GR835 and GR837.

HU156 Back to Back Classes.

No more than two rounds may be ridden back to back. In sections where three classes over fences are held on one day and the section has eight or fewer exhibitors, all three over fences classes may be held using back to back rounds with the judge's consent. Classes using this format must be jogged, if required, and pinned separately, following the last class. Management may not require back to back rounds in rated classes. Management may not require a judge to score more than three classes concurrently.

HU157 Jumping Order.

If a jumping order is established it must be posted in a conspicuous place at least one-half hour before the class. The jumping order must be legible to a mounted rider. If a jumping order is used throughout the section, a systematic rotation of the starting list must be employed so that a complete cycle is made during the competition. Failure to enter the ring within one minute after an audible signal to proceed is given incurs elimination. The time limit for entering the ring must be enforced by competition management. Management may permit a rider to compete out of order to minimize delays and in case of class conflicts.

HU158 Entry Fees.

1. No competition may require a combined entry fee in any "B" or "C" rated section. A horse that is entered in a section that requires a combined entry fee may be entered in individual classes in another section for which he is qualified. (Exception: the horse may not be entered in the stake class unless it has met all qualifications.) A horse that is exhibited in the first performance class of an "A" rated *section* must pay a combined entry fee. After the first performance class exhibitors may enter individual classes at management's discretion.

EC 11/16/09 Effective immediately

2. A Model class may not be included in a combined entry fee. It must always be offered separately as an optional class.

HU159 Scheduling.

1. "A" rated Hunter sections may be held and judged on one or more days. If held on one day "A" *sections* would be limited to four classes per division (3 over fences and 1 under saddle). If held on two or more days, four to six performance classes must be offered (Exception: Pony Hunter and Junior Hunter sections). *EC 11/16/09 Effective immediately*

a. At "A" and "AA" rated competitions a Regular Working Hunter section must be offered. Exception: competitions restricted to Juniors and Amateurs.

b. "A" rated competitions must be held and judged over a minimum of three days on the same competition grounds. A minimum of five "A" rated hunter sections must be offered and a minimum of two performance classes from two different "A" rated Hunter sections must be scheduled and judged on each of the three days. "A" rated Hunter sections must be held and judged over two or more days. (Exception: pony hunter sections). An "A" rated competition's rating may only be changed if add-backs are offered and the competition awards a minimum of \$18,001 in prize money in the "A" rated Hunter sections. In addition, the competition must meet the scheduling requirements for an "AA" competition.

c. "AA" rated competitions must be held and judged over a minimum of five (5) days on the same competition grounds. A minimum of five "A" rated Hunter sections must be

offered and a minimum of two performance classes from two different “A” rated Hunter sections must be scheduled and judged on four of the five days. “A” rated Hunter sections must be held on two or more days. A minimum of \$18,001 in prize money must be awarded in the “A” rated Hunter sections of an “AA” competition.

- d. Rated competitions which restrict entries in the rated Hunter sections to juniors and amateurs must be held on a minimum of two consecutive non-school days within the public school system, at the location of the competition, on the same competition grounds. *BOD 1/13/08 Effective 12/1/08*
2. “A” rated competitions must state their “A” or “AA” rating clearly on the cover of the prize list.
 3. Competitions cannot offer more than the required amount of classes for an “A” or “B” section rating. Model classes and Classics do not count toward the number of classes required, (Model classes must be offered in “A” rated Conformation sections in addition to the four or five required classes), therefore, they can be offered as additional classes. In addition, Model and Classics do not count towards the number of required classes to meet the rating requirement, therefore the prize money offered in Model and/or Classic classes cannot be used to determine the amount of required prize money to calculate the “AA” rating.
 4. No more than three (3) classes in any “A” rated hunter section at an “A” or “AA” rated competition may be held in one day. (Exception: Model classes in Green and Regular Conformation sections may be held as a fourth class. Pony Hunter sections at “A” rated competitions may be held on one day.)
 - a. At “A” and “AA” rated competitions, classes in recognized divisions must be run on consecutive days.
 - b. (Exception, classics).
 5. At all Regular Competitions, an Under Saddle class cannot be the first performance class held in a section. (Exception: Ladies Hunter Side Saddle and un-rated divisions).
 6. A Model class must be offered as the first class in an “A” rated Conformation Section.
 7. All Amateur Owner classes should be scheduled in as short a period of time as possible.

HU160 Cancellations.

“A” or “B” rated sections with four (4) or more entries cannot be canceled.

HU161 Prize Money.

No more than 60% of the prize money in the required classes for an “A” rated section may be offered on any one day. Prize money offered in Model classes and Classics does not count toward the minimum prize money required for a section’s rating nor is it considered for purposes of determining 60% to be offered.

HU162 Challenge Trophies.

If a Challenge Trophy for a Championship is being offered in a section that has not previously been divided it must be awarded to the horse which has obtained the most points towards the Championship in its respective section. If a Challenge Trophy for a class is being offered in a class that has not previously been divided it shall be awarded to the first place winner with the best performance.

HU163 Pony Hunter.

If a Model class is held it must be the first class held in any section.

HU164 Junior & Children’s Hunter.

1. If a Model class is offered, it must be in addition to the minimum number of classes required for a section rating.
2. If two or more sections are offered, horses cannot be entered in more than one section.

SUBCHAPTER HU-9 SPECIAL RATING REQUIREMENTS.

See also GR901.21b, GR901.24 and Chapter GR3.

The course must have two changes of direction and at least one combination. Ponies may be required to trot over one lowered fence on the course. Emphasis should be placed on turns and promptness. Each round will be given a numerical score based on performance. This class may not be used as a conformation class. Exception Green Hunter Pony Section. *BOD 1/13/08 Effective 12/1/08 EC 11/16/09 Effective immediately*

in addition to the conformation class. If a model class is held, it is recommended that all conformation classes offered in the section will be held on the same day as the model class.

SUBCHAPTER HU-10 MEASUREMENT

HU169 General.

1. Management shall not permit an animal to be shown in any Pony Hunter, Children's Hunter Pony, Junior Hunter, or Welsh performance class at a Federation Member Competition unless the person presenting the animal is in possession of a) the original or a copy of a measurement card issued by the Federation bearing the date of August 15, 1991 or thereafter; or b) certified card applied for prior to December 1, 1987; or c) a copy of a valid measurement form.

a. If an exhibitor, owner, or trainer requests a reprint of a measurement card from the USEF office after the original measurement card has been issued, there will be a \$10 fee for service charged to the requestor.

b. Competition management may, at its discretion, confirm any of the foregoing information electronically with the Federation Office.

c. At Regular Competitions, management may not give out an exhibitor's number for an animal showing in a Pony Hunter, Children's Hunter Pony, Junior Hunter, or Welsh performance class before the above requirements have been complied with, and charges of rule violations for hearing and determination pursuant to Chapters GR6 and GR7 shall result for failure of compliance with this Rule.

2. All animals presented for measurement of any kind are subject to drug testing.

3. Animals in competition in any Pony Hunter, Children's Hunter Pony, Junior Hunter, or Welsh performance class are subject to measurement. Measurements will be conducted in accordance with HU170 below.

4. Measurements must be performed by a steward with the official competition veterinarian in attendance, both of whom shall sign the measurement form.

a. Written reports of every measurement or attempt to measure must be sent to the Federation's Lexington, KY office together with the Steward's Report, or the steward will be subject to charges and penalties per Chapters GR6 and GR7.

b. The steward shall be either a steward officiating at the competition or a steward authorized in writing to conduct the measurement by the Federation CEO or Executive Director. If the official competition veterinarian is not present at the competition, or not available when on call (see GR1210.3) the measurement may be conducted by a steward and a judge officiating at the competition, or another steward officiating at the competition; however, the measurement will be for the purposes of that competition only and no measurement card will be issued. Measurement forms will be sent to the Federation, but will not be given to the owner. (Exception: For Junior Hunters, when a problem with the measurement form occurs resulting from the Official portion of the form, for which USEF steward and/or competition management and/or competition veterinarian are responsible, the measured horse will not be penalized by the withholding of points prior to the good faith error having been discovered and corrected.) *BOD 1/13/08 Effective 12/1/08*

5. Stewards who perform measurements and other competition officials present who measure animals at a competition are responsible for their true measurement and must use the Federation approved measurement stick (See HU173). The names of the measuring stewards will be printed on the measurement card and they and other measuring officials will be subject to charges of rule violations for hearing and determination pursuant to Chapters GR6 and GR7 if it is subsequently determined that a measurement is incorrect.

6. Measurements are solely for the internal use of the Federation, its Licensed Competitions and its licensed officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement information; accordingly, the Federation, its Licensed Competitions and its licensed officials make no representation and shall have no liability whatsoever for measurement errors.

7. Measurements must take place at a Licensed Competition in which the animal is entered to compete. Once the pony or horse has been measured the measurement is effective whether or not the pony or horse does in fact compete; whether or not the pony or horse competes, it is also subject to drug testing.

8. Measurement forms received by the Federation that have inconsistencies or errors may be denied a measurement card at the discretion of the Federation. If the animal is denied a measurement card, The Federation will notify the owner of the animal and they must be measured before they are eligible to show.

HU170 Required Measurements and Re-measurements.

1. An animal must be measured each competition year until it reaches the age of six. Animals five years and under will be issued a Temporary Measurement card designating the year measured. Animals six years and older will be issued a Standard Measurement card which does not have to be renewed.

a. Those animals that are measured (and for which a valid measurement form is received by the Federation office) in the month of December immediately preceding the calendar year in which they turn six years of age will be issued a measurement card that does not have to be renewed.

b. For ponies, with the exception of ponies under six years old, once a pony is issued a measurement card, a new card will not be issued unless the height of the pony is protested and upheld, or unless an appeal is made and the remeasurement results in the pony moving to a section other than that indicated on its current measurement card.

c. For horses, with the exception of horses under six years old, once a horse is issued a measurement card, a new card will not be issued unless the height of the horse is protested and upheld, or unless an appeal is made and the remeasurement results in the horse moving to a section other than that indicated on its current measurement card.

2. All animals that have been assigned a card prior to August 15, 1991 must be remeasured (except animals with Certified measurement cards applied for prior to December 1, 1987). If the owner, either member or non-member, is in possession of a measurement card issued prior to August 15, 1991, there will be no fee for initial remeasurement.

3. In the event an animal has been measured on August 15, 1991 or thereafter and the person presenting the animal does not have the measurement card or valid measurement form in his or her immediate possession, or Management cannot confirm the measurement electronically with the Federation, the animal must be remeasured for the purposes of competing in that particular competition only. Measurement forms are sent to the Federation office, but are not to be given to the owner.

4. If an owner fails to present a valid measurement card or form or if Management cannot confirm the measurement electronically with the Federation at more than one (1) competition during the competition year an additional measurement fee of \$250 will be charged by the Federation for each subsequent remeasurement necessary.

HU171 Membership Requirements and Fees.

Before any animal is measured the person presenting the animal must have in his possession either the owner's membership number or a signed statement signifying that membership has been applied for.

HU172 Completing the Measurement Form.

1. The measurement form must be filled out completely in duplicate before measurement takes place. Measurement cards will not be issued if the form is not completely filled out and legible. Exhibitors are cautioned to make sure their measurement forms are filled out accurately and completely.

a. It must include the name and date of the competition, the height of the animal, height of heel (in ponies or horses five years of age and under), name, color and markings or absence thereof, sex, year foaled which must be verified by the official competition veterinarian at time of measurement.

b. It must include the name and address of the owner and his/her Federation membership number, if applicable, must be given. The form must be signed by the person furnishing the above information immediately before the animal is measured and then signed by the competition officials appointed to measure.

c. The person providing the information that appears on the measurement form must be 18 years or older and is responsible for the accuracy of such information and care should be taken that all is in order before signing. When this individual signs the form he/she is certifying that all information is complete and correct. Charges of rule violation

for hearing and determination pursuant to Chapters GR6 and GR7 shall result for failure of compliance with this Rule. If a measurement form is signed by a person under the age of 18 and submitted to the Federation office, the measurement will be invalid.

d. No changes can be made to such information once the form is signed. Any alterations, scratch outs, or rewrites to any part of the height or height of fore heels must be clearly indicated and initialed by the measuring officials.

2. Before an animal is measured for a measurement card, the animal must be jogged for soundness on a firm, level surface with the official competition veterinarian in attendance, and show no evidence of lameness. If found to be lame by the official competition veterinarian, said animal cannot show at that competition and no measurement may be conducted. If an animal whose height has been protested is found to be lame by the official competition veterinarian, the measurement card will be held by the Federation and the owners must request an appeal measurement in order to reinstate the card.
3. Federation officials are not to perform “courtesy”, “trial”, or repeat measurements. Once a pony or horse is presented for measurement, the owner/agent must accept the resulting measurement.
4. The official completing the form must designate on the form that the owner is a current member or that the membership has been applied for (See HU171). The white copy is given to the owner or trainer and the blue copy, with applicable fee, is returned to the Federation office.
5. The owner will retain the white copy which, when properly signed by the two officials who have made the measurement, is valid for 45 days from the time the animal is measured, regardless of age.
6. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal's breed registration papers or a signed statement from a veterinarian certifying the animal's age.

HU173 Measurement Device.

1. Federation Approved Measurement Stick.
2. A Federation approved measurement stick is a straight, stiff, unbendable stick that is equipped with a plumb bob or spirit level to make sure the standard is perpendicular to the ground and that the cross-piece or arm is parallel with the ground surface, and must be shod with metal. All Federation approved measurement sticks will be numbered, carry the Federation logo and the legend “Federation approved”.

HU174 Measurement Surface.

1. The measurement surface must be level and under no circumstances should animals be measured on dirt or gravel. A level concrete slab or other paved surface is required. (Exception: the measurement surface for a junior hunter can be a sheet of plywood in good condition.)
2. If the steward determines that a suitable surface is not available at a competition, animals without a measurement card issued on August 15, 1991 or thereafter, or a valid measurement form may nonetheless be measured for the purpose of competing in that competition only, and no measurement form shall be given to the owner. *EC 11/17/08 Effective 12/1/08*
3. All Licensed Competitions having Pony Hunter, Children's Hunter Pony, Junior Hunter, or Welsh performance classes are responsible for providing a Federation Approved Measurement stick and a suitable surface for measurements and for failure to do so charges of rule violation shall result for hearing and determination pursuant to Chapters GR6 and GR7

HU175 Position of Animal.

1. The animal must stand squarely on all four feet in such a position that the front legs are vertical to the ground and the back of the hocks are in a vertical line with the point of the animal's quarters. The poll must be in the same horizontal plane as the withers and no lower and the head should be in a normal position.
2. A maximum of two handlers may present the animal for measurement and they must not interfere with the animal in any way that will prevent it from standing in this position nor may they have any direct physical contact with the animal that could influence the measurement, except that a handler may cover the animal's eyes.

3. The animal may be presented for measurement with or without shoes regardless of how it is shown.
4. Prior to presenting the animal for measurement it is the responsibility of the owner, and in his interest, to ensure that the pony or horse is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.
5. Exhibitors should make themselves familiar with the "Measurement Guidelines Brochure", which is available from the competition steward on the reverse side of the measurement form.

HU176 Method of Measurement.

With the animal in the aforementioned position, measure the vertical distance from the highest point of the withers to the ground. The cross-piece, arm or bar of the measuring device must be placed over the highest point of the withers and no measurement taken at any other part of the animal's body will count. Additional pressure must not be applied to the cross-piece, arm or bar.

HU177 Method of Measuring Heel.

The height of heel is determined by measuring from the skin line on the lower side of the coronary band to the ground, with the ruler perpendicular to the ground. (See General Rules Chapter 5 illustration).

HU178 Protesting Height.

1. An owner or trainer may protest the height of only one animal competing in a class in which he is also competing. The CEO or Executive Director of the Federation may at his/her discretion cause a protest measurement to be undertaken of any animal or animals competing in a Pony Hunter, Children's Hunter Pony, Junior Hunter, or Welsh performance class at a Licensed Competition.
2. A protest questioning the height of an animal showing in a Pony Hunter, Children's Hunter Pony, Junior Hunter, or Welsh performance class shall be filed in accordance with GR603, except that the measurement shall be conducted pursuant to HU169 - HU177 rather than GR511-GR513, and the protest must be filed with the steward and must be filed at least one hour prior to the end of the competition day on which the animal is showing in a Pony Hunter, Children's Hunter Pony, Junior Hunter, or Welsh performance class.
3. The animal is required to be presented for measurement within one hour of the completion of the animal's last class on the day of the protest.
4. The animal may be presented for a protest measurement with or without shoes regardless of how shown.
5. Animals Five Years of Age or Under.
 - a. If it is determined that the heel height of an animal five years of age or under is within 1/2 " for ponies or 1/4" for horses of what is indicated on its measurement card or valid measurement form, said animal may continue to show at the height indicated and no measurement will take place.
 - b. If it is determined that the heel height of the animal is not within 1/2 " for ponies or 1/4" for horses of what is indicated on its measurement card or valid measurement form, the Show Committee must have the same officials who made said determination (i.e., heel height) measure the animal. (see HU178.3 and HU178.4).
 - c. If the protest measurement is not within the height limit for the section in which the animal was shown the owner forfeits entry fees and winnings for the entire competition and the animal is barred from competing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified.
6. Animals Six Years of Age or Over. If the protest measurement is not within the heights for the section in which the animal is shown the owner forfeits entry fees and winnings for the entire competition and the animal is barred from competing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified.
7. If a competition's steward is unable to notify an exhibitor of a protest before the exhibitor leaves the competition grounds, the protest will become void, and the steward will refund the protest fee. If a competition's steward notifies an exhibitor of a protest of an animal's height, and the exhibitor leaves the grounds before the measurement can be conducted, the protest will be filed with the Federation and an official protest measurement will be set up at the owner's expense, before the animal is eligible to compete again. In addi-

tion, charges for rule violations may be filed against the owner and trainer by the Federation CEO or Executive Director per GR604.

8. The measurement card, Certified card or valid measurement form of any animal that is found ineligible for the height section in which the animal was shown must be surrendered to the competition steward who must forward it to the Federation office with his report. If the owner is not in possession of the original measurement card at the time of the protest it is the owner's responsibility to surrender all measurement cards to the Federation Kentucky office within five (5) days of the protest.

9. The name of any animal barred from showing due to its height exceeding the limit for the animal's section is listed in *equestrian*.

10. The decision of competition officials is final unless an appeal is filed with the Federation.

11. Pony Hunter measurement protests.

a. The identity of the protestor will be revealed to the protestee by the competition steward. At the time the competition steward receives the protest, the competition steward will explain the protest measurement process to the parties involved and answer any questions. The competition steward will instruct the protestor and the protestee that any inappropriate behavior and/or communication between parties will result in charges being filed against those parties. This is not limited to those parties directly involved in the protest. Charges may be filed against any individuals at the discretion of the competition steward.

b. When the animal is presented for measurement, only the following individuals may be present: The owner of the animal, two representatives/handlers of the animal being protested, the protestor, the competition veterinarian(s), the competition steward(s), and any representative of The Federation and the Federation Hunter/Jumper Pony Committee.

c. If an animal is protested and found to be within its height section, the animal's height cannot be protested again for the remainder of the competition year.

HU179 Measurement Appeal.

1. Conditions. An owner or trainer who questions the accuracy of an initial measurement or an owner or trainer of an animal declared ineligible for a division or section on account of height may appeal a measurement.

HU182 Pony Hunter.

1. This competition is designed to encourage the breeding of quality Hunter ponies and the proper basic training for them.

2. Eligibility. *BOD 1/13/08 Effective 12/1/08*

a. A pony must win a Championship or Reserve Championship in an "AA" rated Regular Pony Hunter section, a Championship in an "A" rated Regular Pony Hunter

section, or a Championship or Reserve Championship in an “A” or “AA” rated Green Pony Hunter section and the pony must be registered with the Federation at the time of the win in order for the Championship or Reserve Championship to count. Sections held after July 1 will count toward next year’s competition. Ponies that are Champions in their respective sections at the previous year’s competition may return without qualifying. The owner of record of the pony must be a member in good standing of the Federation, i.e., ponies must be shown in accordance with GR1102, GR1108, in order to be eligible to qualify. Pony Finals host sites will comply with the rules designated by the Federation and the Federation Pony Hunter Committee.

b. Green Pony Hunters qualified by winning a Championship or Reserve Championship in an “A” rated Green Pony Hunter section between December 1 and July 1 of the current competition year. A Green Pony Hunter who has qualified for the Finals in the Green Pony Hunter Section must compete in the Finals in the Green Pony Hunter section. A Green Pony Hunter who has qualified for the Finals in the Regular Pony Hunter section may compete in either the Green Pony Hunter section or the Regular Pony Hunter Finals, but may not compete in both. Green Pony Hunters must declare the section in which they will compete when completing their entry blank. Green Pony Hunters that receive a Championship or Reserve Championship in an “A” rated competition after July 1 are not qualified for the Regular Pony Hunter section for the finals in the next competition year. They must qualify in the Regular Pony Hunter section after July 1 in order to be qualified for the next competition year.

3. Phases.

a. Competition will be conducted in three separate phases: In-Hand, Under Saddle and Over Fences. In determining each pony’s total score, the Model will count 25%, Under Saddle 25% and Over Fences 50%. The competition will consist of six pony hunter sections: small green pony, medium green pony and large green pony, small pony, medium pony and large pony. Green ponies may qualify within their green year from December 1 to July 1 to compete in the green pony hunter division.

b. In-Hand. Judged on conformation, way of moving and soundness.

c. Under Saddle. To be shown at the walk, trot and canter both ways of the ring and to hand gallop on one direction (exception: Green Ponies not to hand gallop). Riders may be asked for an extended trot. Ponies to stop easily and stand quietly. Light contact with pony’s mouth is required. Judged on performance and soundness. Manners and suitability of a pony to rider will be emphasized. Extreme speed is penalized.

(1) In the Under Saddle phase, the ponies in each division will be split into groups of 12 or less. Each pony will be judged and given a score based on its performance in its group. At the discretion of the judges, the ponies in any one division may be called back to hack together.

d. Over Fences. To be shown over a minimum of eight fences at the required height (Note—Large green ponies to jump at 2’9” in the competition). Judged on performance and soundness. Manners and suitability of a pony to rider will be emphasized. Extreme speed is penalized.

e. The same junior exhibitor is required to show an entry in all phases of the competition but need not be the same one that handled the pony in any phases of a qualifying event. The same junior exhibitor may ride a small, medium and large pony in the competition but not more than one pony in any one division.

4. Judging Procedure.

All three judges will judge each phase simultaneously but independently of each other. Each judge will give every pony a score for each phase. Prior to the over fences phase, each pony’s scores for the Model and Under Saddle phases are totaled and announced. During the over fences phase, the Open Numerical Scoring System is used: after a pony completes the course, each judge’s score for the round is immediately shown. The total overall score for each pony is then calculated as soon as it has completed the last phase.

5. Team Award.

If three or more ponies from any one state compete in the competition, the best three scores of small, medium and large ponies will be added together for a Team Award. If there are not three ponies from any one state, then individual ponies may be combined for a Zone Team, provided they are all from the same Zone. Ponies from a state where three or more ponies are represented are ineligible for a Zone Team. The state or Zone that a pony repre-

sents is determined by the owner's state of residence. In the event of tied scores between ponies on the same team, the pony with the most points over fences will be given the place on the team. Each member of the winning team will receive a memento of the team trophy, the International Challenge Trophy, and the team name will be inscribed on the trophy, which will remain in the possession of the Federation.

3. Phases.

a. The competition will be conducted in three separate phases: Under Saddle to count 20%, Handy Hunter to count, 40%, and a single Classic Round to count 40%.

i. Ties will be broken based on the score of the judge that is designated as judge number one for each phase of competition. If a tie still exists for the overall standings, the score from the Classic Phase will break such tie.

4. Judging Procedure. Three judges will judge each phase simultaneously but independently of each other. Each judge will give every entry a score for each phase. Prior to the Handy Hunter and Classic Round, each entry's score in the previous phase shall be totaled and announced. During the over fence phase, the Open Numerical Scoring System is used. After each entry completes the course each judge's score for the round is immediately shown or announced. The total overall score for each entry is then calculated as soon as it has completed the last phase.
