### 2024 USEF Horsemastership Training Series - Wild Card Applications Available

**January 4-7, 2024**

Wellington, FL

**Application Deadline: November 20, 2023**

The first in-person session of the 2024 [USEF Horsemastership Training Series](#) will be held January 4-7 in Wellington, FL. Wild Card Applications are now available in your [Athlete Dashboard](#).

In principle, the program is open to U.S. citizens, ages 16 to 21, who are currently successful in competition at 1.30m or above. Athletes are required to bring a horse

for use in the Training Series. Horses must be very fit and proficient at 1.30m or higher and over an open water.

Individuals wishing to be considered for a Wild Card spot must submit an application. The Jumping Development and Youth Chefs d'Equipe will review the applicants and base their evaluations on the following criteria:

- An athlete's historical results in jumper competitions held within the previous year at USEF and FEI sanctioned events and results from 2023 U.S. Jumping Pathway Programs. Emphasis will be placed on results from competitions held at the appropriate height, and the competitiveness of the competition. In addition, the athlete's ability to compete without incurring jumping and/or time penalties at the highest level of course difficulty, as well as the athlete's record of having done so on a consistent basis, will be taken into account.
- An athlete's perceived potential to successfully contribute to future US Team Competitions.
