## Rule Change Intent

A cross country course designer needs to be available at all times in order to attend to their duties while the cross country phase is occurring at the competition. However, if a separate course designer is responsible for the show jumping phase, then they should be permitted to officiate as an additional judge. This rule change clarifies who can serve as an additional judge.

2. All additional judges are subject to the same restrictions as the members of the Ground Jury, see EV171.1c and EV171.1d, and with the exception to EV171.1e, that the Course Designer may serve as an additional judge if currently licensed to do so. However, if an Eventing Course Designer and Show Jumping Course Designer are different individuals, then the Show Jumping Course Designer may also serve as an additional judge if they are licensed to do so.
