Rule Change Intent

This is an effort to promote safe riding for beginning and developing lower-level jumper riders by removing speed classes at this level. Additionally, removing combinations from the course will be safer when these lesser experienced levels are proceeding on the course in an unsafe manner.

JP119 Sections/Classes Restricted to Ponies

e. Pony Jumper classes held at .90m or below must not be scored under Table II, Sec .1 (see JP 146.2) or Table III (see JP 148). Courses must not include combinations (see JP 127).

e, f. In Pony Jumper sections, to avoid over-emphasis on speed jump-offs, it is recommended that management write sections with initial class(es) scored under Table IV (Optimum Time) or as "clear round" events (all entrants without jumping or time faults remain equal); Final class(es) only to have a jump-off against the clock to determine show championship.
