Arabian

Draft 1: Recommends Disapproval 03/31/2025

Draft 1: The committee feels that this rule change may be in conflict with the current rule JP144.3. They feel that this change could potentially have unintended consequences due to factors such as anyone could come forward claiming there was a judging error in which that claim would need review. The committee feels that this method of review and correcting an error would be extremely difficult to implement in the Arabian Division. The two references of time being within 24 hours is also seen by the committee as a very short period of time to make these action items happen.

Council - Intl Discipline

Draft 1: Recommends Approval 05/27/2025

Council - Member Services

Draft 1: Recommends Disapproval 05/27/2025

Draft 1: The Council supports the intent of this proposal but recommends amending the language regarding instances when the original judges are not available. The Council would recommend approval of this proposal if the second paragraph in JP136.18 were changed to read: "If the original Judges are not available, a "R" Jumper Judge, approved by Competition Management in consultation with the competition Steward/TD, may make the correction after reviewing all the necessary evidence. Such a correction must be documented within the Steward's Report and submitted to the Federation."

Licensed Officials

Draft 1: Recommends Approval 04/14/2025

USHJA

Draft 1: Recommends Approval 12/12/2024

JP136 General

18. If a judging error occurs during a class that adversely impacts the results of that class, those results may be corrected by the Judge that officiated that class, provided there is irrefutable proof of the error (to be determined by the Judge), and it is done within 24 hours of the original awards. If more than one judge officiated the class, then they must unanimously agree to the correction

If the original Judge is not available, a "R" Jumper Judge, approved by the Federation, may make the correction after reviewing all the necessary evidence.

All persons affected by the correction must be notified by Competition Management within 24 hours of the decision. Any corrections made must be included in the steward's report.
