DR121 Saddlery and Equipment – Change to read:

1a. Stirrups. English-style stirrups without attachments or safety stirrups shall be used. Safety stirrups must have closed branches of metal or other breakaway material or mechanism. The foot must not be fully or partially enclosed and must in no way be attached to the stirrups (for example with magnets); ***however, a safety stirrup may have a magnetic mechanism that closes the breakaway branch.*** The stirrup leathers must hang freely from their anchor point without additional attachments to the saddle or girth.
