Rule Change Intent

The purpose of this rule change is to ensure divisions that complete day one with three or more competitors are able to award championship points. When under saddle classes are held on day two of the competition there is no guarantee that three or more competitors will return to compete. A variety of factors could cause competitors to not return for day two (illness/injury of horse or rider, inclement weather, bad footing, Acts of God, etc). By requiring under saddles to occur day one, championship points will be able to be awarded regardless of day two participation.

Rule Change Proposal. Add bullet #9 to existing language.

HJ117

9. If any Hunter division is held on two or more days, the under saddle class for that section must be held on the first day.
