Rule Change Intent

The committee recommended adding the requested language in order to ensure all eligible classes are being included in order to compete in a Performance Halter class and to clarify that unrecognized, by USEF or AHA, classes cannot be used to qualify. The committee also requests that the last sentence be altered to align with the other requirements. Currently the sentence reads that a horse only needs to be "entered to ride" in a class being held in conjunction with an AHA sanctioned Endurance ride or a Competitive Trail riding organization when the requirement should be that the class must be completed in order to be eligible.

SUBCHAPTER AR-4 PERFORMANCE HALTER SECTION

AR123 General

2. Open, Amateur and Junior Exhibitor classes may be held. Classes will not be split by horse's age. Exception: "Prospect" class for horses two and under at the discretion of show management. Classes must be separated by Arabian and Half-Arabian/Anglo-Arabian. In addition, they must be separated by stallion, mare, and gelding. All horses three years of age and older must have been entered and shown in an **USEF/EC recognized or AHA recognized** performance class (Under Saddle and/or Driving) at the same show as the one in which the performance halter class is being held, or have completed an AHA sanctioned Endurance ride or a Competitive Trail Ride recognized by AHA or sanctioned by an AHA recognized Competitive Trail riding organization in the past 90 days. If a horse is disqualified, excused, or voluntarily withdrawn from a performance class, that class may not be used to qualify for Performance Halter. Horses qualifying via Endurance or Competitive Trail must present dated proof of completion to the show secretary. If classes are held in conjunction with an AHA sanctioned Endurance ride or a Competitive Trail riding organization, all registered Arabian and Half-Arabian/Anglo-Arabian horses entered in **and having completed the ride** are eligible to compete.
