**Draft 1:** Recommends Approval 01/21/2021

10. Same Rider on Two Horses/Two Different Riders on Same Horse Prohibited. In saddle classes, a rider may only ride one (1) horse in a class **except for trail**. ~~Even in classes with individual work, for example, the Paso Trail class, one (1) rider cannot show two (2) different horses. In addition, in any saddle class, riders cannot be changed in the middle of the class.~~ **Exhibitors may show more than one (1) horse in trail as long as they have a handler for each entry. Exhibitor should ride the last horse in to minimize time. Handlers walk other entries to accept ribbons.** In addition, in any saddle class, riders cannot be changed in the middle of the class.
