3. Time first jump-off

...

f. Table II, Sec. 2(e) - Time first jump-off with designated number of competitors to jump-off. The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed, if any.

Following the first round a pre-determined number of competitors based on faults and time will compete in one timed jump-off round in which time will decide in the event of equality of total faults from both rounds. **One of the following options to be used:** The pre-determined number must be from 6 to 16 but in no case more than the number of places to be awarded, the exact number to be indicated in the prize list (exception: all clear rounds return). The order of go for the jump-off round will be reverse order of scores (faults and time) from the first round. Adjustment of this order, in the case of one rider qualifying multiple horses, may be allowed at management's discretion.
