DR118 Tests for Dressage Competitions – Change to read:

1. ~~The United States Dressage Federation (USDF), in cooperation with the Federation, approves and issues~~ ***issues and approves*** tests for use at licensed dressage competitions in the United States. The FEI is responsible for issuing tests for international competitions. ~~The United States Dressage Federation also issues tests which may be used at licensed dressage competitions. Tests cannot be modified or simplified without the approval of the United States Dressage Federation~~ ***USDF and the Federation Dressage Sport Committee, or the Bureau of the FEI (for FEI tests), or the USDF, respectively. Only current test sheets are permitted in either printed or electronic (paperless) format; however, the format of electronic scoresheets may be changed as long as they contain all the same information as the official USEF/USDF and FEI test sheets.***
