DR122 Execution and Judging of Tests. Change to read:

3. Voice. The use of the voice or other intentional audio aids in any way whatsoever or clicking the tongue once or repeatedly is a serious fault involving the deduction of ~~two~~ **0.5 percent penalty** marks from those that would otherwise have been awarded for the movement where this occurred. In movements with a coefficient, judges must deduct only one mark so that the final mark, after the coefficient is applied, is deducted by ~~two~~ **0.5 percent** versus ~~four points~~ **1.0 percent**.

These deductions are not cumulative and will not result in elimination (including for Freestyle tests) except as noted below. It is the responsibility of the Judge at C to decide whether a penalty should be applied and the other judges' sheets should be marked accordingly to ensure consistency.

~~ii. 6. If the Freestyle test is longer or shorter than stipulated on the test sheet, zero point five percentage points (0.5%) will be deducted from the total artistic score; for other technical faults 0.5% (zero point five percentage points) will be deducted per fault from the technical score.~~

~~iii. 7. Using voice or clicking the tongue repeatedly;~~

~~iv. 8. Athletes not taking the reins in one (1) hand at the salute.~~

~~2. Please review the championship format for the U.S. Dressage Festival of Champions for specific rules for that competition.~~

k. Judges may not mark or deduct points for an error for any reason other than as described in DR122.5; i.e. dress code violations (DR120) cannot be penalized by an error.

1. For ~~USEF High Performance qualifying and selection trials, if~~ **If** the Freestyle test is longer or shorter than the stipulated time on the test sheet, zero point five percent (0.5%) will be deducted from the total artistic score.

.....
7. 1. After the sound of the bell, the competitor should enter the arena at A as soon as possible. Exceeding 45 seconds before entering the arena after the bell has sounded will entail elimination. In the Freestyle, the rider has 45 seconds to signal to start the music; however, exceeding 75 seconds before entering the arena after the bell has sounded will entail elimination. ~~Exception: For USEF High Performance U.S. Dressage Festival of Champions, NAYC qualifying classes and selection trials, entering the arena over 45 seconds but within 90 seconds after the bell has sounded be penalized for an error as specified under DR122.5. Exceeding 90 seconds will entail elimination except where a valid reason is accepted by the Judge at "C" (losing a shoe, etc.). No competitor can be required to ride prior to their scheduled time except as required in GR830.~~
