Rule Change Intent

For safety reasons, ponies must remain checked. The current rule does not clearly state that horses/ponies must remain checked during all times other than when a workout may be called for. In addition, ponies were originally omitted from this language; however, the intention was for ponies to follow the same standard. The proposal also seeks to clean up inconsistent language where attendant and headers are used interchangeably. In instances where header is used, it will be replaced with attendant to align with the Hackney chapter and to provide consistent language for exhibitors. If a pony becomes unchecked, it may become a safety issue.

Committee Actions

RD105 General

1. Roadsters must enter the ring clockwise at a jog-trot then show at the Road Gait, turn counter clockwise at the jog-trot, show at the Road Gait and then trot at speed. Judges must emphasize that Roadsters are to be shown at three distinct speeds.
2. In Roadster horse and pony performance classes when the judge calls for the line up, exhibitors must continue in a counter-clockwise direction to bring their entries to the line up. Judge(s) shall penalize entries that do not comply.
3. It is very important to emphasize that Roadster horses/**ponies** must trot solidly down the straight away as well as around the turns. Horses/**ponies** must be shown on the rail at all times except when passing and should go to the far end of every corner without side reining; should be light mouthed, capable of being taken up at any time, and stand well when being judged in the center of the ring. Any horse/**pony** not in compliance, that is determined by the judge (s) to be a safety risk must be excused.
4. Any driver, rider, horse or pony in the Roadster division exhibiting inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any other exhibitor, their entries, or the safety of class officials must be immediately eliminated from the class by the judge. When eliminating a driver, rider, horse, or pony due to inappropriate or dangerous behavior, the judge must call the class to a stop and excuse the relevant driver, rider, horse, or pony from the ring. Once the eliminated driver, rider, horse, or pony has exited the ring, the judge may resume the class. When showing a Roadster to Bike or Wagon, the driver must sit on the inside of the seat and hold the bight end of the reins in hand. When showing to the bike, both feet must remain in the stirrups while showing, except for while standing in the lineup. Any driver who fails to comply with the above will be considered to be exhibiting dangerous behavior as described above and must immediately be eliminated from the class by the judge. It is the judge's responsibility to ensure that safety requirements are followed at all times.
5. **In Roadster horse and pony classes**, performance at all three gaits must be judged. In the event of a workout, it will be judged as a separate class and horses/**ponies** must be tied for placings being considered in that workout. Workouts may be called for by the judge(s) for any or all placings. All horses/**ponies** chosen for a workout must be worked both ways of the ring at all gaits listed in the class specifications. An exhibitor choosing to not complete the workout for any reason, including broken tack, a horse/**pony** becomes uncheck, loss of shoe, or concern for the welfare of the horse/**pony**, has the option of lining up and receiving the last ribbon awarded in the workout. If two or more horses/**ponies** retire from a workout, these entries will be placed in reverse order of retirement. In the event of a simultaneous withdrawal of a workout, the placings will go to the fall of the cards. An exhibitor is entitled to request only one five-minute time out per class, including workout. (See GR833).
6. When ~~horses~~ **Roadsters** are lined up, no attendant is permitted and driver shall not leave their vehicle except for necessary adjustments. The driver may, however, uncheck and stand at horse's head when left in the center of the ring while a part of the class is on the rail for a workout. ~~During the line up, headers are permitted in Amateur, Ladies Amateur, and Juvenile Road Horse classes.~~ **In Amateur and Youth Road Horse classes, attendants are permitted in the lineup. The horse must remain checked, and the check must not be adjusted. Attendants are permitted to hold the horse, except when the judge(s) walks to the horse in the lineup. The header must not touch the entry except for safety reasons. During a workout the attendant header may uncheck and hold the entry. However, When the workout is over the horse must be rechecked, and the attendant must move away from the horse. The attendant must take no action that would affect the performance of any animal.**
