Rule Change Intent

The reporting of officials at competitions has been instrumental in providing accurate competition records, assisting with licensed official applications, and tracking issues that arise with specific classes. If the Federation has access to this data, the Licensed Officials Department will be able to efficiently address concerns and improve our data records related to officiating. At this time, we only know which officials were at a competition and in what capacity, but we do not know who officiated each class. Dressage has led the way with providing this information and it has proved to be extremely valuable. This rule change would require all judges and course designers to be reported with each class. Stewards and Technical Delegates are not required since they do officiate over the entire competition.
