Rule Change Intent

This rule change is being proposed because currently there is inconsistent language in GR136 and HK105. In order to be consistent within the chapters, we are requesting that GR136 refers members back to the HK105 chapter for all rules related to Maiden, Novice, and Limit classes in Hackney competitions.

Per HK105, Maiden/Novice/Limit classes are open to ponies that have not won one/three/six first place ribbons respectively at Federation Licensed Competitions. Ribbons won in classes with only one entry will not count in determining Maiden, Novice or Limit status. Ribbons won within one section (i.e. Hackney Pony, Harness Pony, Roadster, Park Pleasure Driving, Show Pleasure Driving, Country Pleasure Driving) do not count in the reckoning of Maiden/Novice/Limit status if the pony competes in a different Hackney section. However, ribbons won in the Roadster Pony section of the Roadster Division will count towards the maiden/novice/limit status of Hackney Roadster ponies.

Per HK139.6, Maiden/Novice/Limit classes are open to horses that have not won one/three/six first place ribbons respectively at Federation Licensed Competitions. Ribbons won in classes with only one entry will not count in determining Maiden, Novice or Limit status. Ribbons won within one section (i.e. Hackney Horse, Hackney Gig, etc.) do not count in the reckoning of Maiden/Novice/Limit status if the horse competes in a different Hackney section.
