EMERGENCY RESPONSE PROTOCOL:

In the event there is an emergency, the call for an ambulance is to be placed by the Safety Coordinator, Show Manager or Show Secretary using a cell phone. Competitors are asked not to make 911 calls using their cell phones.

In case of an accident....

1. Do not move the injured person or animal. Ring steward will call for the onsite medical personnel or the vet and notify the show office and show manager.
2. A member of the show staff (Show Manager) will go to the showground entrance to direct personnel to the emergency site.
3. The ring crew will clear all obstacles and make the ring accessible for ambulance personnel.
4. Secure any loose horses.
5. Steward will complete a USEF accident/injury report form and submit it to the USEF.
6. The show will hold until all emergency vehicles have left the grounds and the show staff has resumed their positions.
