is the responsibility of the athlete to verify the accuracy of the NAYC Standings posted on the USEF website. USEF is not responsible for inaccurately reported results. If any errors are detected, athletes are encouraged to contact the USEF office immediately. Errors must be reported no less than five (5) business days prior to the NAYC nominated entry deadline.

C. Provided below is a comprehensive, step-by-step description of the method that explains how athletes will be selected.

Each Zone's Final Ranking for the NAYRC, the NAJC, the NAPJC and the NACHC will be calculated as outlined below. The Zone's NAYRC, NAJC, NAPJC, and NACHC FEI Nominated and FEI Definite Entries will be submitted in accordance with their Final Ranking.

Ties will be decided by determining which athlete/horse combination won the most money in the classes specified above at the height of 1.45m and above, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.40m, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.35m and so until the tie is broken.

Ties will be decided by determining which athlete/horse combination won the most money in the classes specified above at the height of 1.40m and above, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.35m followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.30m so on until the tie is broken.
- c. **North American Pre-Junior Championships:** The Pre-Junior (CH-N.AM-PJS) standings will be based on *the athlete/horse combination's best five (5) results (highest prize money won in a class)* in the following classes held at 1.25m and above at USEF licensed competitions: Junior Jumper, Open Jumper, as well as Jumper classes offering \$25,000 or more in prize money held at Regional Standard or above. Classes offering more than \$25,000 will be capped at 25,000 points, thus pointed the same as classes of \$25,000. Ties will be decided by determining which athlete/horse combination won the most money in the classes specified above at the height of 1.30m and above, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.25m followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.20m so on until the tie is broken.
- d. **North American Children Championships:** The Children's (CH-N.AM-CH-S) standings will be based on *the athlete/horse combination's best five (5) results (highest prize money won in a class)* in the following classes held at 1.20m and above at USEF licensed competitions: Junior Jumper, Open Jumper, as well as Jumper classes offering \$25,000 or more in prize money. Classes offering more than \$25,000 will be capped at 25,000 points, thus pointed the same as classes of \$25,000. Ties will

be decided by determining which athlete/horse combination won the most money in the classes specified above at the height of 1.20m and above, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.15m, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.10m and so on until the tie is broken.

3. TBD FEI Definite Entries:

After submission of the FEI Nominated Entries but no later than the closing date for the FEI Definite Entries, each Zone will submit their FEI Definite Entries for the NAYRC, the NAJC, the NAPJC, and the NACHC to USEF in order of the Zone's Final Ranking for each Event.

Each Zone's FEI Definite Entries for the NAYRC, the NAJC, the NAPJC, and the NACHC will consist of up to four (4) applicant athlete/horse combinations named to the "Team" plus one Traveling Reserve athlete/horse combination who will compete as an individual.

ZONES WITH ATHLETES ON MORE THAN ONE FEI NOMINATED ENTRIES LIST MUST DECLARE IN WHICH EVENT THEY WILL PARTICIPATE BY THE FEI DEFINITE ENTRIES DEADLINE.

4. **Combining of Zone to Form Teams** - If a Zone is unable to field a team of at least three athlete/horse combinations, the Zone may apply to USEF to combine with another Zone, which is also unable to field a team. Once all FEI Definite Entries have been submitted, USEF will make the final decision to combine athlete/horse combinations no later than the first Chef d'Equipe meeting.
5. **TBD: Declaration of Starters** – Once at the Event site, and after the horse inspection, each Zone's Chef d'Equipe will declare the starting order of the athlete/horse combinations on the Team of three (3) or four (4) athlete/horse combinations for the NAYRC, the NAJC, the NAPJC, and the NACHC, as well as the Individuals (maximum of two athlete/horse combinations per Zone unable to field a complete team).

D. Provided in Attachment C are the names of all committees/groups who oversee the selection process, including the name(s) and role(s) of their members. See Attachment C for the list of USHJA and USEF committees, their roles, and list of members.

E. Other Considerations:

- A. **Prize Money Won in Foreign Competitions** - The following policies will be in place for athlete/horse combinations winning prize money in foreign competitions:
 - a. Foreign FEI Competitions – Prize money won from FEI foreign competitions will automatically be included in the athlete/horse combination's money won if the class/s meet or exceed the qualifying criteria and is held within the qualifying period.
 - b. Equine Canada National Classes – Prize money from national Equine Canada classes may be included towards the athlete/horse combination's money won if the class/s meet or exceed the Zone's qualifying criteria, and are held within the Zone's qualifying period. However, for this money to be included in an athlete/horse combination's record, a copy of the prize list (indicating which class is to be counted and the fence height) and the official results from the horse show/event office must be submitted to USEF, Attention Erin Keating, within ten business days following the last date of the competition for the money to count towards the combination's respective standings.

Money won in foreign FEI and/or national Equine Canada classes and, if applicable, submitted as specified above, will be converted into US dollars at the exchange rate of the last date of the event and noted for that athlete/horse in their Zone's standings.

- B. **Horse Substitution Request** - Horse Substitution requests from a Zone will only be considered if submitted between June 28, 2021 and the FEI Nominated Entries Deadline (TBD) and only when the Zone has exhausted the list of eligible athlete/horse combinations on the Zone's Final Ranking. If an athlete's first ranked horse is not available, the athlete may request to be considered for selection on another horse. Horses submitted for consideration must have earned a Certificate of Capability for the appropriate level (Young Rider, Junior, Pre-Junior, or Children), though not necessarily as a combination with the athlete.
 1. The request must be in writing to Erin Keating, Director Jumping Development Programs; ekeating@usef.org with copies sent to the athlete's Zone Jumper Committee, Zone Young Rider/Junior/Pre-Junior/Children Coordinator, and Chef d'Equipe.

 3. The request must have the recommendation of the USHJA Executive Committee or its designees, the USEF Jumping Sport Committee or its designees and final approval by the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. In making their recommendation, the USHJA Executive Committee or its designees, the USEF Jumping Sport Committee or its designees shall evaluate the past performance of the athlete and horse, including the ability to jump the size and difficulty of obstacles, the complexity of the course(s) and the required speed to avoid time penalties.

- C. **Extraordinary Requests** – Extraordinary requests from a Zone will only be considered if submitted between June 28, 2021 and the FEI Nominated Entries Deadline (TBD) and only when the Zone has exhausted the list of eligible athlete/horse combinations on the Zone’s Final Ranking.
1. The request must be in writing to Erin Keating, Director Jumping Development Programs; ekeating@usef.org with copies sent to the athlete’s Zone Jumper Committee, Zone Young Rider/Junior/Pre-Junior/Children Coordinator, and Chef d’Equipe.

 4. The request must have the recommendation of the USHJA Executive Committee or its designees, the USEF Jumping Sport Committee or its designees and final approval by the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. In making their recommendation, the USHJA Executive Committee or its designees, the USEF Jumping Sport Committee or its designees shall evaluate the past performance of the athlete and horse, including the ability to jump the size and difficulty of obstacles, the complexity of the course(s) and the required speed to avoid time penalties
