Washington

**January 13th, 2021**

- Governor Jay Inslee issued an executive order that took effect on January 13th, 2021. The order mandates face covering while indoors or in an enclosed space.

- The order will remain in effect until February 14, 2021. Games can begin on March 3, 2021.

- The order replaces an earlier executive order from July 8, 2020. The new order requires all citizens aged 12 or older to wear a face covering at all times inside all indoor public places. This is an expansion from the original requirement that was issued on May 7, 2020. A face covering or mask covering at all times, if it can be done, is required to be removed indoors if physical distancing could be maintained.

- A face covering or mask covering at all times, if it can be done, is required to be removed indoors if physical distancing could be maintained.

- All of West Virginia’s public and private elementary and secondary schools are closed for in-person learning five days a week and five days of remote learning.

- Special legislative session was convened on May 15, 2020 to pass the Social Distancing and Face Covering Extension Act of 2020. The new act goes into effect on May 15, 2020 and will remain in effect until June 15, 2021.

- West Virginia Department of Health and Human Resources announced that COVID-19 case counts, hospitalizations, and deaths have all dropped significantly since the peak of the pandemic in late March.

West Virginia

**January 13th, 2021**

- Governor Jim Justice announced that he issued an executive order on November 13, 2020, that goes into effect at 12:01 on November 15, 2020.

- The new order replaces an earlier executive order from July 8, 2020. The new order requires all citizens aged 12 or older to wear a face covering at all times inside all indoor public places.

- All of West Virginia’s public and private elementary and secondary schools are closed for in-person learning five days a week and five days of remote learning.

- Special legislative session was convened on May 15, 2020 to pass the Social Distancing and Face Covering Extension Act of 2020. The new act goes into effect on May 15, 2020 and will remain in effect until June 15, 2021.

- West Virginia Department of Health and Human Resources announced that COVID-19 case counts, hospitalizations, and deaths have all dropped significantly since the peak of the pandemic in late March.

Wisconsin

**December 18th, 2020**

- Governor Tony Evers issued an executive order on November 13, 2020, that goes into effect at 12:01 on November 15, 2020.

- The new order replaces an earlier executive order from July 8, 2020. The new order requires all citizens aged 12 or older to wear a face covering at all times inside all indoor public places.

- All of West Virginia’s public and private elementary and secondary schools are closed for in-person learning five days a week and five days of remote learning.

- Special legislative session was convened on May 15, 2020 to pass the Social Distancing and Face Covering Extension Act of 2020. The new act goes into effect on May 15, 2020 and will remain in effect until June 15, 2021.

- West Virginia Department of Health and Human Resources announced that COVID-19 case counts, hospitalizations, and deaths have all dropped significantly since the peak of the pandemic in late March.

- July 8, 2020: Governor Evers announced plans to call a special legislative session on May 15, 2020, to focus new government funds and other actions will be tested to help Wisconsin residents financially impacted by COVID-19. Due to social distancing requirements, the session will be virtual.
