Veterinary Office Address: _____

GR849 Mandatory Reporting and Cooperation of Horse/Pony Collapse

8. Any horse/pony that collapses is barred from competing for a minimum of 7 days following the collapse, and is not permitted on the grounds of a Federation licensed competition during that time. After this period, the horse may return to competition only if a completed Federation form is received, signed by a licensed veterinarian certifying the veterinarian has examined the horse post-collapse and the horse/pony's is deemed fit for competition.

Return form via email to safety@usef.org.
