1. Application must be made on the appropriate official enrollment or promotion form, signed by the applicant, and accompanied by the required fee which is not refundable.
2. Enrollment or promotion as a judge in more than four divisions at any one time will not be considered.
3. It is the responsibility of the licensed official to accomplish all necessary requirements for maintaining their license. The Federation is not required to provide notices of time periods within which requirements must be fulfilled.
4. Documented attendance of an FEI recognized course will count towards fulfilling the clinic requirement of the comparable national discipline judge, course designer, or technical delegate license (Exception: Jumper Judge and Dressage divisions. Dressage judge refer to GR1050.3b), providing it occurs during the same time frame required by the national license.
5. The Licensed Officials Committee, not the applicant, will send out any required evaluations concerning the applicant. No member of the Licensed Officials Committee may serve as a reference for an applicant for a judge's, steward's or technical delegate's license. All evaluations must be returned to the Committee.
6. If an application is denied, the applicant is not eligible to reapply for the same division until 12 months after the Licensed Officials Committee's decision. Denied refers to applicants that have been closed by the Licensed Officials Committee rather than those tabled and asked to complete additional requirements.
7. Anyone denied for the same license level and type more than three times may not apply again for the same license and type for seven years.
8. Officials who do not pass the examination on their first attempt will have the opportunity to re-take the exam one additional time. If an official does not achieve a passing score on the make-up exam, they are ineligible to renew the license. They may take the comparable exam in the next competition year and if a passing score is achieved, submit a request for reinstatement of that license.
9. The Committee may require a person of any age to pass a physical examination before considering an application for enrollment, promotion or renewal. The Committee will not reject for physical reasons any application for enrollment, promotion or renewal before a physical examination has been conducted.
10. For the purposes of maintaining officiating requirements, the first full year after an official's approval will be considered as the start of their officiating record.
11. Unless stated otherwise, all persons when first approved as a judge in a division shall receive Recorded status regardless of age or experience unless the applicant holds Registered status with Equestrian Canada or status with the FEI, or another National Federation.
12. All persons when first approved as stewards shall receive a Recorded Category 1, Category 2, or Combined Category status regardless of age or experience.

- a. If the applicant is licensed as a Senior or Senior National Steward by Equestrian Canada, the Licensed Officials Committee has the option to grant either Recorded or Registered status. The following conditions must be met by EC Stewards:
 1. USEF Steward's clinic must be attended within two years prior to application for USEF status.
 2. Upon receipt of the completed application, a written exam will be mailed to the applicant, with 30 days allowed for return; passing score 85%.
 3. Verification of Equestrian Canada status must be provided.
 4. USEF Clinic, exam, and officiating requirements to maintain the license apply.
13. All persons when first approved as Vaulting Technical Delegates shall receive Recorded ('r') status. (Exception: initial grandfather process which will allow either Recorded 'r' or Registered 'R' status at the discretion of the Licensed Officials Committee.)
14. Renewal, Reinstatement, Re-enrollment, and Re-application of Licenses
 - a. An official who is eligible to renew (up to date on clinic, exam and officiating requirements) his/her license will have one full competition year after the lapse of their license(s) to renew by the standard procedure; i.e. hard copy renewal or the online renewal.
 - b. If two competition years have passed since an official has renewed his/her license(s), they must request a reinstatement of licensing. A request for reinstatement must be submitted to the Licensed Officials Department. All first time requests are decided by a Licensed Official Committee Co-Chair. If an Official has received a reinstatement for a specific license in the past, it must be reviewed by the Licensed Officials Committee.
 - c. If three but less than five competition years have lapsed since an official has renewed his/her license(s) they must then apply for re-enrollment of those licenses, following the specific requirements outlined for each license.
 - d. If five or more competition years have lapsed since an official has renewed his/her license(s) they must then re-apply for licensing, following the full license requirements specified for each license.
15. For any license, the relevant USEF committee or Recognized Affiliate may require that the committee and/or Recognized Affiliate be provided the opportunity to submit an evaluation and recommendation of an applicant as part of the application for licensure. Any such requirement will be stated in the requirements section of the applicable license(s).

Section 6. Clinic and Officiating Requirements. (previously GR1044 Clinic and Officiating Requirements)

1. A one-year clinic extension with or without officiating restrictions or a one-year officiating extension may be granted.
 - a. All first time requests are decided by a Licensed Official Committee Co-Chair.
 - b. If an official has received the respective clinic or officiating extension in the past, it must be reviewed by the Licensed Officials Committee.
 - c. If the Licensed Officials Committee reviews the clinic extension request, officiating restrictions may be given.
 - d. All requests must be received in writing via mail, email, or fax.

2. In the event that an official's clinic requirement falls due in a year in which a corresponding clinic is not offered, the deadline will automatically be extended to the following year with no restriction providing all other requirements of the license are met.
3. Documented adjudication of FEI recognized classes at foreign FEI sanctioned competitions will count towards maintaining the same national discipline judge or course designer license, providing it occurs during the same time frame required by the national license.
4. Refer to the specific breed/discipline rules in Subchapter 10-I of this Chapter for specific officiating and exam requirements.
5. Verified judging of an Equestrian Canada competition will be considered a suitable substitute for a Federation competition for the purposes of maintaining a current license but not for enrollment or promotion apprentice requirements. Written verification must be submitted to the Federation to substantiate EC officiating. Any requests for acceptance of officiating experience in countries other than Canada will be considered on an individual basis.
