2) Qualifying Events

The method by which the Region's Final Ranking for NAYC is determined shall be the process outlined below as approved by the USEF Board of Directors with consideration of the recommendation for approval by the USDF Executive Board, USDF FEI Youth Committee, and USEF Dressage Sport Committee.

Qualifying scores for the Event may only be earned within the qualifying period beginning July 23, 2024, and ending June 16, 2025, at the following events: Unless USEF has otherwise indicated a change to the qualifying period by February 1, 2025.

a) USEF/NAYC Qualifying Competitions (CDNs)

A series of competitions held throughout the U.S. have been designated as USEF/NAYC Qualifying Competitions. A list of these designated USEF/NAYC Qualifying Competitions is available on the USEF website: <https://www.usef.org/compete/disciplines/dressage/dressage-championships---national--fei/north-american-youth-championships> or by contacting the USEF Dressage Department. It can also be found on the USDF website: <http://www.usdf.org/competitions/competitions-championships/najrc/index.asp>.

b) CDIs

Athletes may also earn qualifying scores at any CDI/Y/J, held within the United States or any other country that offers the FEI Young Rider Tests and FEI Junior Tests within the designated qualifying period. CDI/Y/J scores are calculable at the option of the athlete and will only be computed into the athlete/horse's overall average upon receipt of a USEF CDI & Championship Report Form within the specified deadline stated on the form. Scores submitted late will not be accepted. It is the sole responsibility of the athlete to ensure that qualifying CDI scores for this program are accurately presented to USEF and on time.

c) GAIG/USDF Regional Championships

- i) For those qualified to compete in GAIG/USDF Regional Championship classes, FEI Junior and FEI Young Riders may also earn qualifying scores in their respective FEI division GAIG/USDF Regional Championship classes. Qualifying information for GAIG/USDF Regional Championships can be found on the USDF website here. In order for these scores to count, scores must be reported by athletes via the USEF CDI & Championship Report form by the deadlines as indicated on the form.
- ii) In cases where USEF/NAYC Qualifying classes are held in addition to a GAIG/USDF Regional Championships, scores earned in FEI Junior and FEI Young Rider Qualifying classes are automatically recorded. This means that an athlete may report their scores from the GAIG/USDF Regional Championship Jr and/or YR Team Championship class(es) as an additional (second) team score.

d) USEF Young Rider and Junior Dressage National Championships

Scores earned at the 2024 USEF Young Rider Dressage National Championship, or 2024 USEF Junior Dressage National Championship can be used as optional qualifying scores and are reportable under the same rules as a CDI/Y/J if within the qualifying period.

Note: Scores from the 2024 FEI North American Youth Championships (CH-N.Am-Y-D or CH-N.AM-J-D) may not be used toward qualifying for the 2025 NAYC.

3) Qualifying Tests

For the FEI Young Rider division, the FEI Young Rider Team Test (current edition), FEI Young Rider Individual Test (current edition), and FEI Young Rider Freestyle Test (current edition), must be used for qualification for the

NAYC. For the FEI Junior division, the FEI Junior Team Test (current edition), FEI Junior Individual Test (current edition), and FEI Junior Freestyle Test (current edition), must be used for qualification for the NAYC. An applicant athlete/horse combination must earn at least two (2) scores in the Team Test and at least two (2) scores in the Individual Test in qualifying competitions to be eligible for nomination to a Region's team. Scores must be attributed by a panel of two (2) or more USEF 'S' or FEI Judges, in the Team Test and Individual Test. Athlete/horse combinations will not receive a '0' if they choose to not complete the Team or Individual Test in a qualifying competition.

NOTE: One (1) Team Test, and one (1) Individual Test must occur during the spring season (January 1, 2025 through June 16, 2025), unless otherwise determined no later than February 1, 2025.

These tests must be held as individual classes, which are specifically designated as NAYC Qualifying. For calculation purposes, the athlete/horse combination's overall average score will be determined by averaging the scores earned in the Team and the Individual Test from designated qualifying classes. **"Test of Choice" (TOC) classes will not count.**

Please note: for these qualification purposes, competition(s) held over the course of more than one day count(s) as a single qualifying competition (even if each day has a separate competition license number) and only the designated qualifying tests count.

Please note: In regard to conflict of interest please refer to the following: Judging Panels at CDI Events will refer to the FEI Dressage Regulations for Judge Requirements and Codex for Judges, Judging Panels at USEF National Licensed Competitions will refer to the USEF Chapter 13, GR1304, and all competitors and officials are subject to the conflict of interest rules at USEF Licensed Competitions as outlined in the USEF General and Dressage Rules.

4) Drop Scores

If an athlete/horse combination competes in more than two (2) designated USEF/NAYC Qualifying Competitions (must have earned scores in two (2) Team Tests and two (2) Individual Tests) GAIG/USDF Regional Championships, USEF Young Rider or Junior Dressage National Championship and/or CDI/Y/Js, the lowest score earned in the Team Test and the lowest score earned in the Individual Test will be dropped regardless of whether or not these scores were earned in the same competition. Only one (1) score will be dropped from the Team Test and only one (1) score will be dropped from the Individual Test.

5) Certificate of Capability

In addition to the above outlined qualifying process, athlete/horse combinations will also be required to earn a Certificate of Capability, as described in Section I (SELECTION SYSTEM), within the Qualifying Period which begins July 23, 2024 and ends June 16, 2025, unless otherwise determined by no later than February 1, 2024.

- a. Young Rider Championship – Each athlete/horse combination must earn a Certificate of Capability by attaining a minimum overall average of 64.000% on the final ranking list. In addition, they must earn, at least one (1) score of 65.000% in the FEI Young Rider Freestyle during the qualification period at an official qualifying event.
- b. Junior Championship – Each athlete/horse combination must earn a Certificate of Capability by attaining a minimum overall average of 64.000% on the final ranking list. In addition, they must earn at least one (1) score of 65.000% in the FEI Junior Freestyle during the qualification period at an official qualifying event.

a) Special Rules pertaining to Dress, Saddlery, Schooling & Warm-up at Qualifying Events:

- a. DRESS & SADDLERY: Please refer to USEF Rules for dress and saddlery requirements (DR 120-121) if competing in a USEF/NAYC Qualifying Competition or FEI Dressage Regulations if competing in CDI/Y/J competitions and/or the NAYC. **Snaffle bridles are permitted for NAYC qualifying classes, USEF Junior qualifying classes, and USEF Young Rider qualifying classes. Please refer to FEI Dressage Rules for Saddlery and Equipment for CDI/Y/J and FEI Championships.** One whip no longer than 47.2 inches (120 cm), including lash, may be carried in designated USEF/NAYC Qualifying Competitions. However, when riding in a CDI/Y/J, FEI whip and bridle rules supersede USEF rules.

- b. **SCHOOLING & WARMUP:** Under penalty of disqualification for NAYC qualifying purposes, within 24 hours prior and at no time during a competition offering FEI Young Rider or FEI Junior Qualifying classes at a designated USEF/NAYC Qualifying competition, may any horse entered in an FEI Young Rider or FEI Junior Qualifying class be ridden by anyone other than the athlete entered in the class on that horse. Exception: grooms riding on a loose rein.

For NAYC Qualifying Competitions held at USEF licensed Dressage Competitions, the competition starts when horse and/or athlete arrive on the show grounds and ends at the conclusion of the USEF licensed Dressage Competition. For NAYC qualifying classes which are included in a CDI/Y/J, per FEI Art. 422.3.6, no one other than the Athlete may ride the horse they are entered with, after arrival on the show ground and official opening of the stables according to the FEI approved schedule as well as for the duration of the whole Event under penalty of disqualification (also see FEI DR Art. 429.10.4). Upon arrival on the show grounds, only the athlete when riding, walking, leading, or lunging a horse (lunge whip allowed), is allowed to carry a whip (maximum 120 cm) anywhere on the showground. The groom may also walk, lead, and lunge a horse as above. Other parties are allowed to carry a whip, provided it is not in connection with the training of the horse. Under no circumstances is the whip allowed to be used to school the horse in the stables.

For CDI-Y/J's, horses may not leave the stables, the competition area, or the areas supervised by Stewards for any purpose unless authorized by a recognized FEI Official of the event or a veterinarian acting in the interest of the health and welfare of the horse.

6) Provided below is a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process to become team nominees

USDF will automatically track scores for athlete/horse combinations that are earned at designated USEF/NAYC Qualifying Competitions (CDNs). CDI/Y/J scores, scores earned in GAIG/USDF Regional Championships and scores from the 2024 USEF Young Rider or Junior Dressage National Championship as noted in the Selection Procedures above will NOT be automatically calculated into the athlete/horse's overall average without receipt of a CDI & Championship Report Form within the specified deadline stated on the form.

- a) Percentages are carried out to the third decimal point with numbers of five (5) and above rounded up (63.4555%=63.456%). It is the responsibility of the athlete to verify the accuracy of the standings posted on the USDF website. USDF is not responsible for inaccurately reported or illegible scores. If any errors are detected, athletes are encouraged to contact the USDF office immediately at (859) 971-2277 or nayc@usdf.org. Errors must be reported no less than five (5) business days prior to the NAYC nominated entry deadline as published in the FEI Definite Schedule.

At the end of the qualifying period, any ties in overall averages on the final ranking list will be broken according to the athlete/horse combination that achieved the highest overall average of the FEI Team Test scores.

U.S. Citizens wishing to earn qualifying scores in CDN competitions outside the United States (national competitions outside the United States) must submit a written request to nayc@usdf.org. This request should be received at least two (2) weeks prior to the first day of competition and requires approval by the USEF Dressage Sport Committee or its designees. If approved, athletes are responsible for reporting scores [to nayc@usdf.org](mailto:nayc@usdf.org) using the CDI & Championship Report Form within five (5) days of the conclusion of the competition.

Regions may not impose additional selection requirements upon declared athletes or horses without appropriate approval from the USEF Board of Directors or Ad Hoc Board of Directors.

b) Nominated Entry (as published on the approved FEI Schedule):

By no later than one business day prior to the nominated entry date published in the FEI Schedule, USDF will submit a ranked list of applicant athlete/horse combinations ("Final Ranking") to USEF. This ranked list will be compiled from the scores earned in accordance with the criteria outlined in Section I.3. Up to eight (8) athlete/horse combinations per Region for each Event (eight (8) for the Young Rider division and eight (8) for the Junior division) ("Nominated Entry") may be submitted. USEF will submit the Nominated Entry to the FEI no

later than the date published in the FEI schedule based on the Final Ranking. It is anticipated that the Nominated Entry date will be set a minimum of seven (7) days following the end of the qualifying period.

c) Definite Entries (as published on the approved FEI Schedule):

Definite Entries for the Young Rider and the Junior divisions will consist of the three (3) or four (4) applicant athlete/horse combinations per Region, in order of ranking on the Nominated Entry, named to the "Team." Reserve athlete/horse combinations are not allowed. In the case of a Region unable to field a complete team for either the Young Rider or the Junior divisions, USEF may send a maximum of two (2) athlete/horse combinations per Region that will compete as Individuals. Regions may not submit individuals in addition to the Team.

After submission of the Nominated Entry but no later than one business day prior to the closing date for the Definite Entries, USDF shall submit the list of athlete/horse combinations eligible for the Definite Entries for both the Young Rider and the Junior divisions to USEF in order of the Region's Final Ranking for each Event. These ranked lists will be compiled from the scores earned in accordance with the criteria outlined in Section I.3. USEF will submit the definite entry to the FEI no later than the date published in the FEI schedule based on the Final Ranking.

ANY ATHLETES WHO ARE LISTED ON MULTIPLE NOMINATED ENTRIES (CHILDREN, JUNIOR, YOUNG RIDER, U25) OF A REGION MUST DECLARE IN WHICH EVENT THEY WILL PARTICIPATE BY THE DEFINITE ENTRY DEADLINE.

- d) Combining of Regions to Form Teams** – If a Region is unable to field a team of at least three (3) athlete/horse combinations, USDF may submit a request to USEF Director, Dressage Performance & Event Support to combine Regions to complete a Team no later than one (1) business days prior to the definite entry date as published in the FEI Definite Schedule. When submitting the request USDF will consider the intent to provide every athlete with a team experience. USEF will make the final decision to combine athlete/horse combinations by the deadline published in the FEI Definite Schedule.
- e) Declaration of Starters** – Once at the Event site, and after the horse inspection, each Chef d'Equipe will declare the starting order of the athlete/horse combinations on the Team of three (3) or four (4) athlete/horse combinations in the Team Test for each of the Young Rider and the Junior divisions or the Individuals (maximum of two (2) per Region unable to field a complete team) in accordance with FEI Dressage Article 424.1.
- f) Reserve athlete/horse combinations**– Reserve athlete/horse combinations (including a reserve horse for an athlete) are not allowed on the FEI definite entry. A region may nominate up to eight (8) athlete/horse combinations in order of the Region's Final Ranking for each Event. Substitutions may be made from the nominated entry per section III of these selection procedures. Only athlete/horse combinations listed on the Definite Entry will be permitted in FEI stabling.

4. Provided in Attachment B are the names of all committees/groups who oversee the selection process, including the name(s) and role(s) of their members. See Attachment B for the list of USDF and USEF committees, their roles, and list of members.

- a. Process that will be used to identify and handle any potential conflicts of interest involving a member of the committee:

All individuals involved in selection must comply with the USEF Conflict of Interest and Gifts & Entertainment Policy, to include completing and submitting a disclosure form for review by the USEF Legal Department and USEF Audit Committee prior to convening the committee.

Any individual involved in selection who has an actual, possible, or perceived conflict of interest must disclose it to the USEF Legal Department and USEF Audit Committee prior to the start of the selection process and/or recuse oneself from the review process and/or voting. A conflict of interest exists when a personal, family, financial, professional, club, team or business interest of the individual poses a direct or indirect relationship, connection, or affiliation, past or present, with an Athlete or Horse in contention for the applicable team

selection that could compromise the individual's ability to participate in the selection process in an unbiased manner. If a conflict exists, the USEF Legal Department and Audit Committee shall review the conflict and determine the individual's level of involvement (e.g., whether that individual must recuse themselves from participating in discussions and/or voting). For example, if it is determined that an individual must recuse themselves from voting, the Audit Committee may still determine that an individual who has relevant and necessary information with respect to athlete performance, for example a team coach or high performance director, may, if requested by the remaining individuals involved in selection, provide such information to the committee so long as such information is provided in a fair and unbiased manner and so long as the individual with the conflict of interest does not participate in the deliberation or vote toward the final decision. The individual must not otherwise influence other individuals in the selection process.

Additionally, any person (including any potentially impacted Athlete, owner, or coach of a potentially impacted Athlete or Horse) with a good faith belief that an individual has a conflict of interest may report the alleged conflict of interest to USEF General Counsel and/or Audit Committee. Reports may be made anonymously. No individual shall retaliate in any way against a person who, in good faith, reports an alleged conflict of interest. Any recused individual shall be replaced in accordance with the USEF selection appointment process.

II. REMOVAL OF ATHLETES

A. Prior to and after the Definite Entries Deadline, USEF has jurisdiction over athlete/horse combinations who might participate at the Event: An athlete/horse combination may be removed for any of the following reasons, as determined by USEF and in accordance with these procedures.

- Voluntary withdrawal. The athlete must advise USEF (Sarah Hollander, Director, Dressage Performance & Event Support, shollander@usef.org) with a copy to USDF (nayc@usdf.org) of their withdrawal in writing.
- Injury or illness as certified by a physician (or medical staff) approved by USEF. If an Athlete refuses verification of their illness or injury by a physician (or medical staff) approved by USEF, their injury will be assumed to be disabling and he/she may be removed.
- Violation of the U.S. Center for SafeSport Code or USEF Safe Sport Policy.
- Injury or illness of the Horse as determined by the USEF Dressage Team Veterinarian and/or Veterinary Panel. If an Athlete and/or Horse owner refuses to have the Horse examined by the USEF Dressage Team Veterinarian and/or Veterinary Panel, the injury or illness will be assumed to be disabling and the horse may be removed.
- Detection of a Prohibited Substance in the Horse (see below).
- Failure to adhere to all World Anti-Doping Agency ("WADA"), FEI, USEF, and/or U.S. Anti-Doping Agency ("USADA") anti-doping protocols, policies or procedures regarding Athletes and Horses, including participation in required Out-of-Competition testing.
- Non-compliance with the eligibility requirements listed in Section 1 of these selection procedures.
- Violation of the USEF Code of Conduct.

In these procedures, the removal of an athlete is closely related to the process by which they will be substituted. Therefore, the reasons for which an athlete may be removed are thoroughly addressed in Section III. SUBSTITUTION OF ATHLETES.

An athlete removed from the Region's Final Ranking and/or Nominated Entry pursuant to this provision has the right to a hearing per the USEF's Bylaw 703.

B. An athlete may be removed at any time for violation of FEI and/or WADA anti-doping protocol, policies, and procedures. In such instances, the adjudication process will be managed through the FEI –

1. Athletes must adhere to all USOPC, IOC, USEF, FEI, USADA and WADA anti-doping protocols, policies, and procedures, and may be drug tested. Please contact Christy Hawkins, Special Project Management Analyst, with any questions at (859) 300 3045 / cbhawkins@usef.org.

2. Equine Anti-Doping: All Horses are subject to drug testing both in competition and out of competition.
- c. In-Competition. All Horses entered to compete in any FEI or USEF event are subject to drug testing at any time from when the event begins until the event ends or beginning when the Horse arrives for the event until the event ends, whichever beginning occurs first. Blood and/or urine samples may be collected and tested for substances prohibited or forbidden under the subject event rules. National events may invoke GR409 whereby samples will be tested for FEI prohibited substances, including metabolites and markers
1. Positive Finding. At any time during the observation and selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, is detected in the sample collected in-Event, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel.
 2. They will notify the Director of FEI Sport or the Discipline Director for dissemination of information as appropriate. In such instances, the positive finding may result in the elimination of the Horse and/or Athlete from the Selection Process.
 3. Before elimination occurs, the Owner and Athlete will be afforded a hearing by a panel ("Selection Hearing Panel") comprised of at least one disinterested member of the applicable discipline Sport Committee along with at least two disinterested members of the Hearing Committee, one of which must be an Athlete Representative.
 4. The Chairman of the USEF Veterinary Committee, or his designee, may serve Ex Officio and a member of the Veterinary Panel selected for the Event may serve Ex Officio.
- d. Out-of-Competition. Blood and/or urine samples may be collected out-of-competition at any time throughout the selection period, which is defined as commencing on the start date of the USEF Qualifying Period following notification to the Athlete at least 24 hours prior to collection of samples. Samples collected from Horses out-of-competition will be tested for the presence of substances prohibited by the FEI, including metabolites and markers. Failure to make the Horse available for collection of samples may result in the elimination of the Horse and/or Athlete from the Selection Process. Before elimination occurs, the Owner and Athlete will be afforded a hearing by the Selection Hearing Panel.
1. Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite marker, in the sample, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or the Discipline Director for dissemination of information as appropriate.
 2. In such instances, the positive finding may result in the elimination of the Horse and/or Athlete from the Selection Process unless the Veterinary Panel appointed for the Selection of the Event certifies that the substance detected has been approved or is legitimate and appropriate under the circumstances. Before elimination occurs, the Owner and Athlete will be afforded a hearing by the Selection Hearing Panel.
- e. These provisions do not abrogate the enforcement of applicable Equine anti-doping rules at Federation licensed Events, including Events where GR409 is invoked whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

USEF GR409.2 Equine Drugs and Medications, Prohibited Substance Provisions: No Horse and/or pony competing in a Breed or Discipline designated as (or part of) a No Prohibited Substance Group is to be shown in any class at an Event licensed by the Federation if it has been administered in any manner or otherwise contained in its tissues, body fluids or excreta a prohibited substance as defined in the FEI Horse Anti-Doping and Controlled Medication Regulations, which can be found at www.fei.org.
