 1. [The best twelve \(12\) competitions \(two highest prize money classes per athlete/horse combination will be pointed per competition\)](#) will count for the Junior Jumper National Championships standings. See Section IV.B and IV.C for Classes to count.
 2. Points are based on money won (one dollar equals one point; see exception IV.B. 3).
 3. Athlete/horse combinations can acquire points/money in any zone by competing at any USEF licensed competition. See below for foreign competitions.
 4. Points can be earned at any USEF (except local level) or FEI licensed competitions. See Section IV.C below for points earned at foreign FEI and Equestrian Canada events.
 5. Standings list by zone for the Event can be found on the USEF website at www.usef.org/jumping.
 6. In the event of a tie in the standings, the tie will be decided by determining which athlete/horse combination has the next best result (highest prize money won in a class) held at 1.45m or above. If a tie remains after the 1.45m and above classes are exhausted, it will be followed by the next best result (highest prizemoney won in a class) held at 1.40m.
 7. If an athlete has more than one horse in the top five positions of their zone's Junior Jumper National Championships Standings, the athlete may choose which horse they will compete.

 - 1. Money from foreign FEI competitions will automatically be counted towards the athlete/horse combination's standings if the class(es) meet or exceed the requirements of IV.B and are held within the Qualifying Period (see IV.D).
 - 2. Money from national Equestrian Canada competitions may also count towards the horse/athlete combination's standings if the class(es) meet or exceed the requirements of III.B and are held within the Qualifying Period (see IV.D). Athletes are responsible for submitting a copy of the prize list (indicating which class is to be counted and fence height) and official complete show results that include prize money won to USEF, attention Erin Keating, within ten business days of the last date of the competition for the money to count towards the combination's respective standings.
 - 3. Foreign FEI or EC competition money won will be converted into US dollars at the exchange rate of the date the money was won.
- D. Qualifying period: The Qualifying Period for the Event begins [September 1, 2025, and ends August 31, 2026 \("Qualifying Period"\)](#). The start date of a competition is used to determine if a qualifying class falls within a Qualifying Period. For example, if a competition starts on August 31st, and the qualifying class is on September 2nd, the class will be included in a Qualifying Period that ends on August 31st.
- E. Verification of Standings: It is the responsibility of the athlete to verify the accuracy of the Junior Jumper National Championship Standings posted on the USEF website.
