

The Perpetual Sportsmanship Award

In Memory of Walter Bouchier Devereux, III

Criteria: Awarded to the horseman or horsewoman who personifies the ideals of the current Sportsman's Charter through commitment and dedication to the sport.

The US Equestrian Federation Sportsman's Charter:

That sport is something done for the fun of doing it and that it ceases to be sport when it becomes a business only, something done for what there is in it;

That amateurism is something of the heart and spirit — not a matter of exact technical qualifications;

That good manners of sport are fundamentally important;

That the code must be strictly upheld;

That the whole structure of sport is not only preserved from the absurdity of undue importance, but is justified by a kind of romance which animates it, and by the positive virtues of courage, patience, good temper, and unselfishness which are demanded by the code;

That the exploitation of sport for profit alone kills the spirit and retains only the husk and semblance of the thing;

That the qualities of frankness, courage, and sincerity which mark the good sportsman in private life shall mark the discussions of his interests at a competition.
