

Inbound Travel to the United States Waiver Request Form
FEI Events 3* or above; Dressage, Eventing, Jumping, Para Equestrian Dressage

Due to the Coronavirus pandemic, inbound travel to the United States has been significantly restricted, making it very difficult for internationally based athletes to compete in the USA in FEI events due to President Proclamations, suspending entry of all aliens who were physically present in certain countries. Each proclamation includes an exception if the entry to the USA would be in the national interest. The U.S. Department of Homeland Security issues a National Interest Exemption for Certain Professional Athletes and their Essential Staff and Dependents. The United States Olympic and Paralympic Committee and affiliated governing bodies, including U.S. Equestrian, are charged with identifying and processing athletes, essential staff, and others covered by this exemption.

By submitting this request form, I certify that all information submitted is true and accurate, and I acknowledge and accept that submitting false information or trying to use the waiver for purposes it is not intended, will subject me to penalties. Anyone providing false information or seeking to misuse or abuse the waiver process will be reported to their NF and the FEI, and will be prohibited from seeking a waiver for themselves or their support personnel for entry into the USA through US Equestrian in the future.
