DC922 Weights and Dimensions

1. General
   1.1 When the carriage has no brakes, breeching is compulsory. For all single horses and ponies breeching is compulsory at all times. Failure to comply will result in elimination.
   1.2 No part of a carriage may be wider than the outside track width, with the exception of hub caps, mud guards and the splinter bar for carriages used in Dressage and Cones.
   1.3 The track width of all carriages is measured at ground level on the widest part of the rear wheels.
   1.4 Athletes whose carriages do not conform to the required weights or measurements will be eliminated from the relevant competition. ***As of July 1, 2026, measuring a carriage must comply with the process per Annex 11 of the FEI Driving Rules. Short Format competitions are not required to use cone lifters.***
