

**USEF/NAYC Dressage Qualifying Calendar**

**Competition Manual**

**For Approved Competitions held between January 1, 2026 and August 31, 2027**

*Published October 29, 2025*

Dear Competition Management:

Congratulations! One or more of your competitions have been approved to host the USEF and NAYC National Championship Qualifying Classes. [Please review the approved calendar here.](#)

Designated qualifying competitions must be **at least a Level 3 competition** and must comply with all the outlined requirements, as well as the [USEF Dressage Rules](#), [USEF General Rules](#), and [Selection Procedures/Qualifying Requirements](#) that apply to these competitions.

This document serves as a resource for competition management of USEF/NAYC Dressage Qualifying Competitions and U.S. FEI Dressage Competitions for planning purposes. The information provided is subject to changes or updates which will be noted throughout the document.

We appreciate your participation and helping provide these special qualifying opportunities for your exhibitors. Please contact the Dressage Department ([festival@usef.org](mailto:festival@usef.org)) if you have any questions regarding the contents of this manual.

#### **Important Information for 2026 and 2027:**

- **All qualifying classes must have “EF” in the class number (example, class 101EF) and all combinations entered in USEF/NAYC qualifying classes should be clearly indicated in the results.**
- Hors de Concours entries are not permitted in USEF/NAYC Qualifying classes.
- *Combinations will be required to earn scores at FEI events only to qualify for the 2026 USEF Grand Prix Dressage Championship beginning on September 1, 2025. Qualifying competitions include all U.S. and foreign CDI3\*, CDI4\*, CDI5\*, CDI, CDI-Am and CDI-W events within the qualifying period. The 2025 U.S. Open Dressage Final on November 13-16, 2025 and the 2026 FEI World Cup Final scheduled on April 8-12, 2026 in Fort Worth, TX are considered qualifying competitions. [FEI Rules](#) are followed at CDI events.*
- Qualifying competitions that have date changes **must communicate the changes** to [festival@usef.org](mailto:festival@usef.org). Requests must be received a minimum of 12 weeks prior to the competition and are subject to approval of the Dressage Calendar Working Group. Please review the current edition of the [Dressage Qualifying Calendar Policies & Procedures](#) for more information.
- Qualifying competitions that are planning to cancel **must** email [festival@usef.org](mailto:festival@usef.org) with detailed reasoning for the cancellation. Prior to cancelling, organizers must work with USEF Dressage Staff to resolve any issues that may lead to cancellation. If organizers do not work with USEF Dressage Staff prior to cancellation of the qualifying classes, they will not be eligible to apply for qualifying status in future years and **cancellation fees will apply**. See page 16 of the manual.

- **FEI Grand Prix and FEI Intermediate Freestyle Tests:** These tests must be offered in a FEI Grand Prix Freestyle class, FEI Intermediate Freestyle class, or an FEI Freestyle Test of Choice. These classes must NOT be offered as USEF or USEF/NAYC Qualifying.

#### Additional Class Requirements:

**FEI Children, Pony Rider, Junior and Young Rider Team Tests:** The Team Test must be scheduled PRIOR to the Individual and Freestyle Tests. Freestyle Tests may be offered before Individual Tests. Team and Individual qualifying tests must be offered on separate days.

**FEI Intermediaire I, Developing Horse, Young Horse, and U25 Tests:**

- The Intermediate I and Prix St. Georges Tests must be offered on separate days.
- The Prix St. Georges and the Developing PSG Tests must be offered on separate days.
- The Intermediate II and Grand Prix 16-25 Tests must be offered on separate days.
- The Intermediate II and Developing GP Tests must be offered on separate days.

**FEI Children Preliminary B Test:** Combinations wishing to earn an invitation to the 2026-2027 NAYC will be required to earn a minimum of one (1) score in the FEI Children Preliminary B Test. This test must be completed in a FEI Children Preliminary B class or an FEI Test of Choice class. These classes must NOT be offered as USEF/NAYC Qualifying. Please see page 20 for the placement of judges.

**24 Hour Rule:** For purposes of this rule, the competition starts when the horse and athlete arrive on the show grounds. For Federation and NAYC qualifying for Children, Pony Rider, Junior, Young Rider, Intermediaire I, Developing Horse and U25 (Brentina Cup and NAYC), within 24 hours prior and at no time during the competition, may any horse entered in a USEF or USEF/NAYC Qualifying class be ridden by anyone other than the athlete entered in that class on that horse, under penalty of disqualification from the class for USEF/NAYC championship qualifying purposes. Exception: grooms riding on a loose rein.

**Dress:** Please refer to DR120-121 for Dress and Saddlery rules for national level competition qualifiers. For a CDI event, all FEI Dressage and General Regulations must be followed.

**Equipment:**

- Whips are permitted in national USEF/NAYC qualifying classes.

#### Prize List Review Procedure

Competition Management is required to submit their prize list no later than 30 days prior to the competition per normal USEF and USDF procedures. It is strongly recommended for competitions to submit their prize list via email ([festival@usef.org](mailto:festival@usef.org)) for review prior to submission to USEF and USDF.

**Additionally, all qualifying classes must have “EF” in the class number (example, class 101EF) and all combinations entered in USEF/NAYC qualifying classes should be clearly indicated in the results.**

Please note: Any requested changes to your prize list from the comments received by USEF and/or USDF must be received by both Federations within 10 days from the date of the comments. In addition, per GR904, if the Prize List must be changed after it has been distributed to potential exhibitors, notification of specific changes to a prize list must be made in

accordance with GR904. However, requested updates not made by a competition may be reported to the USEF Regulation Department to determine whether a rule violation has occurred.

### Reporting Results

Per DR 128.4, qualifying scores for NAYC, USEF National Championships, including Para Dressage, Children, Pony Rider, Junior, Young Rider, Brentina Cup, Young and Developing Horse, Intermediate I and Grand Prix, must be submitted by Competition Management to USDF and USEF within 48 hours after the competition. Exception: Competitions held at the end of a qualifying period require submission of results within 24 hours after the competition. Results must be submitted to USDF via the USDF Electronic Results Submissions Standard format and electronically to USEF through the Competition Dashboard.

### Section Codes

USEF/NAYC Dressage Qualifying competitions **must** use proper result reporting per the below section code guide pictured below. Submission of results without correct section codes may impact the approval to the USEF/NAYC Qualifying Calendar in the future.

## **Guide to Hosting Para Dressage Qualifying Test**

**All approved Qualifying Competitions are required to host Para Dressage Qualifying Tests.**

### **Dispensation or Classification Certificate:**

Athletes must provide Competition Management a copy of their Federation Dispensation/Classification Certificate with their entry. A copy of their Federation Dispensation/Classification Certificate must be attached to the Athlete's test for the Judge's reference.

Copies of these certificates must be attached to the judge's test copy and provided to the Technical Delegate. The ring steward should check the saddlery of one-third of the horses in each class immediately after the horse leaves the arena, in compliance with DR126.2.i.1. Any discrepancy will be reported to the Judge at C and may entail elimination. Management must provide a copy of each Athlete's Federation Dispensation/Classification Certificate to the ring stewards for all Para Athletes. See DR308.9 and DR119.12-DR119.1

### **FEI Para Dressage Tests:**

FEI Para Dressage Tests are found [here](#) on the FEI website. Please note: the test names have been updated, effective January 1, 2023.

FEI Para Dressage Tests must be ridden from memory unless an exemption is listed on the athlete's Dispensation/Classification Certificate. In all tests, movements must follow the order laid down in the test. See DR122.1, DR122.4 and DR310.

### **Facility and Arena Requirements for Para Team, Para Individual, and Para Freestyle TOC classes:**

- For designated national qualifying competitions, all tests for Grades I – III must be ridden in a small arena (20m x 40m). See DR303.4.
- For designated national qualifying competitions, all tests for Grades IV - V must be ridden in a standard size arena. See DR303.4.
- Restroom – it is encouraged but not required to provide a minimum of one (1) accessible port-a john if onsite facilities do not have an accessible restroom.
- It is encouraged but not required to provide wheelchair accessible mounting equipment.

### **Scheduling of Tests:**

When preparing your time schedule, consider ending the day with your Para classes in order to begin the next day with Para. This way you only need to change the arena size once a day. Most often, the support staff and families of the athletes are willing to help make any ring adjustments so do not hesitate to ask for help.

If you find that you need both the small and standard-size arenas for athletes in the same class, there are two (2) options:

1. Update your prize list to offer two separate FEI Para TOC classes.
2. Or create two separate divisions of the class.

Divisions or sections of a class are considered to be a separate "class" only if listed as such in the prize list. Divisions or sections of a class may be held in different rings and judged by different judges. When divisions or sections are held under different conditions (i.e., different ring or judges), separate awards must be given (DR126.2.3). Don't forget to send in your updated prize list to USEF! See GR904.

### **Dress, Saddlery, Equipment & Compensating Aids:**

- Please refer to DR120.12 and DR121 for rules not specifically covered under DR306 - DR308.
- Athletes must use snaffle or double bridles (DR308.1) when competing in any FEI Para Dressage Test class. However, when athletes enter an able-bodied class/test, they must provide their Dispensation/Classification Certificate in order to use their compensating aids during the test.

- Due to the complex nature of the saddlery used by some Para athletes, refer to the FEI Para Dressage Rules for any additional requirements for bits and bridles not covered in DR121. See Article 8428 of the FEI Para Dressage Rules.

The aim of the above information is to provide Competition Management with a brief outline of what to expect when offering the Para Dressage Tests. It is strongly recommended for Competition Management hosting the USEF/NAYC Qualifying Tests to familiarize themselves with all USEF General and Dressage Rules.

### Level of Competition and Licensing

Competitions approved as USEF/NAYC qualifiers must be licensed as **Level 3 or higher competitions**. A competition and all associated officials and staff must fully comply with the requirements of a Level 3 competition (and/or above). In addition, the correct qualifying classes must be offered. Please refer to the Required Classes and Judge Requirements section. The Level 3 competition cannot be immediately preceded by a competition of a lower level (i.e., it is not permitted to hold a Level 2 competition on a Friday and then the qualifier on Saturday and Sunday). All competitions must retain current and correct USEF licenses and USDF recognition. Competitions held over the course of a weekend are considered one qualifying opportunity, even if they have separate license/recognition numbers.

### License Agreement

Competitions that are approved as USEF/NAYC qualifiers should ensure they select the correct classes when completing the USEF/USDF License Agreement.

For example, between **January 1, 2026, and July 27, 2026**, approved qualifying competitions would select the following:

- National Classes: Level 3
- FEI/HP Classes: PSG, Int. I, Int. II, Grand Prix, Freestyle, Junior/Young Rider, ParaEquestrian Classes, and Young Horse

Between **July 28, 2026, and December 31, 2026**, approved qualifying competitions would select the following:

- National Classes: Level 3
- FEI/HP Classes: PSG, Int. I, Int. II, Grand Prix, Freestyle, Junior/Young Rider, and ParaEquestrian Classes

***If you have any questions when completing the license agreement, please contact us at [festival@usef.org](mailto:festival@usef.org).***

### Date and Location Changes

Modifications may be made to approved competitions, however requests must be received to [festival@usef.org](mailto:festival@usef.org) a minimum of 12 weeks prior to the competition and are subject to approval of the Dressage Calendar Working Group. Please review the current edition of the [Dressage Qualifying Calendar Policies & Procedures](#) for more information.

### Cancellation of a USEF/NAYC Dressage Qualifying Competition – New Procedure

Cancellation of any USEF/NAYC event outside of the regular Open Review period must be received in writing to [festival@usef.org](mailto:festival@usef.org) with specific reasoning concerning the cancellation. The cancellation notification will be included in the file for future applications and could affect eligibility to host a qualifier in future years. Cancellation fees apply unless the cancellation is due to force majeure or an Act of God under GR305.4. See below for breakdown of cancellation fees. Please review the current edition of the [Dressage Qualifying Calendar Policies & Procedures](#) for more information on cancellation fees.

### Qualifying Requirements

Please review the respective Qualifying Requirements found on the [USEF website here](#). These Qualifying Requirements are based on the USEF and FEI rules and regulations as presently known and understood. Any change in the Qualifying Requirements caused by a change in USEF or FEI rules and regulations will be distributed to the affected athletes immediately. The Qualifying Requirements are based on the latest information available to USEF. However, the Qualifying Requirements are always subject to unforeseen, intervening circumstances, and realistically may not have accounted for every possible contingency.

### Applicable Rules

Designated qualifying competitions must comply with all the outlined requirements in this manual, as well as the [USEF Dressage Rules](#), [USEF General Rules](#), [Qualifying Requirements](#), and [FEI Rules](#) that apply to these competitions. Failure to comply may result in investigation, penalties, and sanctions and will affect a competition's future status as a qualifier. If you determine that your competition is unable or unwilling to comply with these requirements and would like to be removed from the official qualifying competition list, contact [festival@usef.org](mailto:festival@usef.org) immediately.

### Judge Requirements for Qualifying Competitions:

A panel of at least two (2) FEI and/or USEF "S" judges (or at least one (1) FEI Judge and one (1) USEF 'S' Judge) must officiate all qualifying tests at national Qualifying Competitions. All [FEI Dressage and General Regulations](#) must be followed for CDI events

*\*\*Note: For FEI Young Horse Tests and the USEF Four-Year-Old Test, all judges assigned to these qualifying tests must have USEF or FEI Young Horse Judging Designation. The designations are listed on the online rosters on the USEF and FEI websites.*

### FEI Children's Tests

**Please review the information below in its entirety.**

**All USEF/NAYC Qualifying Competitions (Level 3, 4 or 5) must offer the FEI Children Tests as follows:**

1. The FEI Children Team and Individual Tests must be judged by a panel of at least two (2) USEF S and/or FEI Judges (or at least one (1) FEI Judge and USEF S Judge).
  - **Two Judges:** Judge at C uses only the Technical Marking Sheet. Judge at B or E uses only the Quality Marking Sheet. The technical score and the quality score shall be weighted each with 50% towards the final score.
  - **Three Judges:** Judge at C uses only the Technical Marking Sheet; two judges sitting together at either B or E use only the Quality Marking Sheet. The technical score and the quality score shall be weighted each with 50% towards the final score.
  - For CDI-Ch events within the qualifying period, the average of the technical score and the quality score will count towards Festival and/or NAYC, pending the submission of the USEF CDI & Championship report form per the Qualifying Requirements/Selection Procedures for these Championships.
2. The FEI Children Preliminary B Test must be earned in an FEI Children Preliminary B class or in an FEI Test of Choice class. These classes may be judged by one judge who is placed at C. See below for the placement of judges.
3. All other qualifying requirements will remain the same for this division.

**Placement of Judges for the FEI Children Preliminary B Test and for national level competitions offering a non-qualifying FEI Children Test(s), competitions may use one, two, or three judges:**

- 1) **One Judge:** Judge at C uses the Technical Marking Sheet. The Quality Marking Sheet will not be used or filled out by the judge.
- 2) **Two Judges:** Judge at C uses the Technical Marking Sheet. The Judge at B or E uses only the Quality Marking Sheet. The technical score and the quality score shall be weighted each with 50% towards the final score.
- 3) **Three Judges:** Judge at C uses only the Technical Marking Sheet; two judges sitting together at B or E use only the Quality Marking Sheet. The technical score and the quality score shall be weighted each with 50% towards the final score.
- 4) To include this test as an FEI Test of Choice (TOC) class where only one judge presides, ONLY the Technical Marking Sheet can be used. If two or three judges preside over the FEI Children Tests, they must be offered separately in TOC class that is limited to FEI Children Tests (i.e., separate placing and awards must be offered due to different judging conditions).

Please note that one single judge will not complete both the technical and quality marking components of the FEI Children tests for either National or CDI-Ch competition. When only one judge, they must be at C and use only the Technical Marking Sheet. The Quality Marking Sheet will only be used when one or two judges also officiate at B or E.
