- a. Athlete/horse combinations must complete the FEI Grand Prix test and FEI Grand Prix Special Test at a minimum of two (2) CDI Tryout Events/Qualifying Competitions ("Qualifying Competitions"). Qualifying Competitions include all U.S. and foreign CDI 3*/4*/5*/CDI-W or CDIO events beginning September 1, 2025, and ending May 17, 2026 ("Qualifying Period"). A list of these Qualifying Competitions can be found at <https://data.fei.org/Calendar/Search.aspx>.

A minimum of one (1) of the Grand Prix tests at Qualifying Competitions must be completed after January 1, 2026. In addition to the requirements above, athlete/horse combinations must complete the 2026 USEF Grand Prix Dressage National Championship (May 13-17, 2026, in Ocala, FL).

C. Provided below is a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process to be named to the Team:

1. Short List: Following the conclusion of the Qualifying Period, May 17, 2026, **up to** eight athletes will be named with their horses to a Short List and invited to compete at Observation Events. Each athlete will be selected with a horse or horses listed on their application. It is possible for an athlete to be selected with an additional horse(s). There will be no ranking of Short List athlete/horse combinations. The Selectors, in consultation with the Chef d'Equipe and Team Veterinarian, will recommend athletes and horses for the Short List and participation in Observation Events to the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors based on the following criteria (in no priority order):

- Scores earned during the Qualifying Period from tests [FEI Grand Prix, FEI Short Grand Prix*, FEI Grand Prix Special and FEI Grand Prix Freestyle] at Qualifying Competitions;
- Scores from the 2026 USEF Grand Prix Dressage National Championship, including the completion of the FEI Grand Prix, FEI Grand Prix Special, and FEI Grand Prix Freestyle;
- 2026 USEF Grand Prix Dressage National Championship Ranking List from May 17, 2026;
- USEF Grand Prix Dressage 8-Month Ranking List May 17, 2026;
- Consistency of scores over 74%;
- Trend in the scores during the Qualifying Period, greater weight will be given to the trend in scores in the final three months of the initial qualifying period;
- Previous international experience of athlete and/or horse;
- "Errors of Course" (FEI Dressage Rules [25th edition, updates effective 1 January 2021], Article 430) or Incomplete Qualifying Competitions due to elimination or withdrawal;
- Potential to contribute to medal winning team; and
- Behavior of athlete and people associated with the athlete (including, without limitation, owners, coaches and grooms) that may have an impact on creating a positive team environment.

NOTE: For all combinations, the FEI Short Grand Prix may be considered by the Selectors as a lesser importance as this test will not be used at the Event.

In exceptional circumstances, additional applicant athlete/horse combinations may be added to the Short List (possibly exceeding eight (8) athletes) which have not completed the required qualifying events as outlined in Section I.B.1.a. These combinations may be invited to compete at the Observation Events if the scores are reflective of a combination that could assist in the overall Team performance. In reviewing the possibility of adding the combination to the Short List, Selectors will use the criteria cited above, in addition to the combination's scores achieved over the last six (6) months in FEI Dressage Events, greater weight will be given to the trend in scores in the most recent three months.

Please note that an invitation to the Observation Events is not a guarantee that an athlete/horse combination will be named to the Team for the Event.

Chef d'Equipe Permissions: Once athlete/horse combinations have been named to the Short List they will come under the control of the Chef d'Equipe through the completion of the Event. They shall not compete without the permission of the Chef d'Equipe.

2. Observation Events – Athlete/horse combinations named to the Short List will compete in designated Observation Events between May 17, 2026 and July 20, 2026, except as noted below. The designated Observation Events and additional details will be published on www.usef.org no later than April 6, 2026, and may include events in Europe and/or events within the United States. Special Consideration may be granted for these Observation Events by the Selectors as described in Section a below.

a. Special Consideration. An athlete named to the Short List may request special consideration for Team selection without competing in the required number of Observation Events by submitting a written request prior to or during the Observation Event to the Selectors, who will approve or disapprove the request based on these factors:

- An athlete/horse combination that has demonstrated "Proven Ability" (See definition on page 12) to succeed at CDI competitions;
- Previous international experience of the athlete and/or horse;
- The circumstances, facts, and in the case of illness or injury to a horse or athlete, documentation by the Team Veterinarian or physician(s) approved by USEF; and/or
- Unforeseen circumstances which create a logistical emergency.

If an athlete's request is approved by the Selectors, an additional athlete/horse combination may be named to the Short List to compete in the Observation Events.

b. Additional Athletes. In exceptional circumstances, additional applicant athlete/horse combinations may be added to the Short List (possibly exceeding eight (8) athletes) that have not completed the required Qualifying Competitions. These combinations may be invited to compete at the Observation Events if the scores are reflective of a combination that could assist in the overall Team performance in the Observation Event and/or Event. In reviewing the possibility of adding the combination to the Short List, Selectors will use the criteria in Section I.C.1, in addition to the combination's scores achieved over the last six (6) months in FEI Dressage competitions, greater weight will be given to the trend in scores in the most recent three months.

c. Please note that an invitation to the Observation Events is not a guarantee that an athlete/horse combination will be named to the Team for the Event.

d. If USEF does not receive invitations for all combinations named to the Short List to compete at Observation Events, the Chef d'Equipe, in consultation with the Selectors, will recommend athletes for designated Observation Events, including any CDIOs, subject to the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. Additionally, if an Observation Event is found unsuitable for selection purposes following the publication of the FEI Definite Schedule, the Chef d'Equipe, in consultation with the Selectors, may recommend an additional Observation Event or may recommend athletes for designated

Observation Events subject to approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

- e. The Chef d'Equipe, in consultation with the athlete and Selectors, may request that the athlete and horse combination attend additional Observation Events. If this request is made by the Selectors, they will articulate their reasoning for making the request in writing to the athlete. Failure to abide by the Chef d'Equipe's recommendation may result in the removal of the athlete and/or horse from consideration for the Team.

- Behavior of athlete and people associated with the athlete (including, without limitation, owners, coaches and grooms) that may have an impact on creating a positive team environment.

NOTE: For all combinations, the FEI Short Grand Prix may be considered by the Selectors as a lesser importance as this test will not be used at the Event.

5. **State of Preparedness (see definition on page 12):** The Selectors, in consultation with the Chef d’Equipe and the athlete, may recommend that the athlete/horse combination attend additional competitions after being named to the Team or the reserve position. If this request is made by the Selectors, they will articulate their reasoning for making the request in writing to the athlete. An athlete’s refusal to attend additional competitions may result in the athlete and/or horse’s removal from consideration.

 - Short List: Section I.C.1
 - Nominated Entry: Section I.C.3
 - Definite Entry: Section I.C. 4
- C. **Other Discretionary Criteria.**
 1. **Soundness** - Horses that are candidates for selection for the Event may be examined at any time during the selection process and through the conclusion of the event for soundness by the Team Veterinarian and/or a member of the Veterinarian Panel and/or a Selector upon the request of the Selectors, Chef d’Equipe, or Team Veterinarian. Horses found to be unsound by the Team Veterinarian or Veterinarian Panel may result in the elimination of the athlete/horse combination from the selection process, but only with the recommendation of the Selectors, Chef d’Equipe, and approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

2. **Team Veterinarian Request** – Applicants, *at their own expense*, shall make available, upon the request of the Team Veterinarian, 24 months' worth of complete veterinary records of horses considered for selection. 3. **Veterinary Treatment** - Once the Athletes are named to compete in the Observation Events (including any athlete with permission not to compete), by no later than the date of FEI Nominated Entry, and prior to the departure of the horses for the Event venue for the purpose of competing in the Event, athletes will be required to obtain written permission from the Team Veterinarian prior to treatment of "invited" horses being treated by any person other than the Team Veterinarian or Veterinary Panel. This permission must be obtained by using an official USEF Dressage Veterinary Treatment Request Form.

Failure to adhere to this policy and/or the directives of the Team Veterinarian as outlined on the USEF Dressage Veterinary Treatment Request Form may result in the removal of the athlete/horse combination from the selection process by the Selectors upon the recommendation of the Team Veterinarian and with the recommendation of the USEF Dressage Sport Committee, and approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

4. **Medical Request** - In the event of illness or injury, applicants may be required to submit to a medical examination by a physician(s) approved by the USEF International Disciplines Council at any time during the selection process for the purposes of determining the applicant's ability to compete at the Event. III. REMOVAL OF ATHLETES

A. At any time during the selection process through the conclusion of the Event, USEF has jurisdiction over athletes and horses. An athlete and/or horse that is nominated or selected to the Team by USEF may be removed for any of the following reasons, as determined by USEF:

- Voluntary withdrawal. An athlete must submit a written letter to the USEF CEO.
- Injury or illness as certified by a USEF approved physician (or medical staff). If an athlete refuses verification of their illness or injury by a USEF approved physician (or medical staff), their injury will be assumed to be disabling and they may be removed.
- Violation of the USEF Code of Conduct (Attachment C).
- Failure of an owner to sign the Horse Participation Consent Agreement (Attachment B).
- Injury or illness of the horse as determined by a majority of the Veterinary Panel and/or Team Veterinarian. If an athlete and/or horse owner refuses to have the horse examined by the Team Veterinarian and/or Veterinary Panel, the injury or illness will be assumed to be disabling and the horse may be removed.

- Failure to comply with reasonable requests regarding Logistical information and deadlines.
- Failure to comply with USEF Safe Sport Policy (Attachment E) and U.S. Center for SafeSport's Code.
- Behavior of the athlete and people associated with the athlete (including, without limitation, accredited owners, coaches and grooms) that may have an impact on creating a positive team environment that will affect (either positively or negatively) the ability to win a team medal.
- Non-compliance with the eligibility requirements listed in these selection procedures.
- Failure to obtain written permission from the Team Veterinarian prior to the Horse receiving veterinary treatment by any veterinarian who is not the Team Veterinarian or a Team Evaluating Veterinarian.
- Failure to participate in veterinary exams or other requirements as defined in these procedures.
- Failure to participate in a Mandatory Training and/or Competition (see Section XI).

In these procedures the removal of an athlete is closely related to the process by which they will be substituted. Therefore, the reasons for which an athlete may be removed are thoroughly addressed in Section IV.
SUBSTITUTION/REPLACEMENT OF ATHLETE/HORSE COMBINATIONS AND/OR HORSE.

An athlete removed from selection pursuant to this provision has the right to a hearing per the USEF's Bylaw, Part VII or USOPC Bylaw, Section 9.

IV. SUBSTITUTION/REPLACEMENT OF ATHLETES/HORSE COMBINATIONS AND/OR HORSE

A. Following is the process by which the substitution/replacement pool of athlete/horse combinations will be identified:

The list of athletes on the Short List will comprise the pool of substitute athlete/horse combinations.

B. Substitution/Replacement athletes and horses will be selected, should a vacancy occur, according to the following method:

- 1. Prior to acceptance of the FEI Nominated Entry:** Once the Short List for the event has been announced and prior to the submission of the FEI Nominated Entry (Date TBD) Short List athlete/horse combinations may be substituted in accordance with the process cited in Section I.C.2-4 above. To fill openings, if they occur, the Selectors, in consultation with the Chef d'Equipe, will evaluate the athletes and horses and will base their evaluations on the factors outlined in Section I.C.2-4. Any substitution other than voluntary withdrawal must be upon the recommendation of the Selectors, in consultation with the Chef d'Equipe, and subject to the approval of the Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. Any substitution for veterinary reasons other than voluntary withdrawal must have the approval of the Team Veterinarian and when appropriate the Veterinary Panel. Any substitution for medical reasons other than voluntary withdrawal must be documented by a physician(s) who is approved by the USEF.
- 2. Prior to acceptance of the FEI Definite Entry:** Once the Team for the Event has been announced and prior to the closing date of the FEI Definite Entry, Team members may be replaced with an athlete/horse combination on the FEI Nominated Entry for reasons set forth in Section III.B. Replacements may only be made by recommendation of the Chef d'Equipe and the Selectors and are subject to the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors and in accordance with the FEI Dressage Rules and/or for reasons set forth in Section III.B and subject to approval by the USEF Chef de Mission. To fill openings, if they occur, the Chef d'Equipe, in consultation with the Selectors and Team Veterinarian will evaluate the athletes and horses named to the Team and the FEI Nominated Entries and may recommend that a replacement be made. The Chef d'Equipe and Selectors when evaluating athletes and horses will base their evaluations on the factors outlined in Section I.C.2-4. Any substitution for veterinary reasons other than voluntary withdrawal must have the approval of the Team Veterinarian and when appropriate the Veterinary Panel. Any substitution for medical reasons other than voluntary withdrawal must be documented by a physician(s) who is approved by the USEF.
- 3. After acceptance of FEI Definite Entry and up to two hours prior to the Horse Inspection (per FEI Dressage Regulations Article 423).** After acceptance of the FEI Definite Entry and until the latest possible substitution permitted FEI regulations (this date will be communicated to all athletes named to the FEI Nominated Entry), USEF has the ability to replace athletes and/or horses on the FEI Definite Entry for reasons set forth in Section III.B. During this time period, Team members may only be replaced with an athlete/horse combination from the FEI Nominated Entry. However, the reason for a substitution must only be because either, the athlete is unfit to compete due to injury or illness or there is a strong veterinary case for substitution or the performance of the Team member has dropped off to such an extent that for the success of the Team a substitution is vital. The latter situation will almost certainly occur as a result of a veterinary problem which it may or may not be possible to define given the time/resources available at the time. Replacements may only be made by recommendation of the Chef d'Equipe, with approval of the Dressage Team Leader and USEF Chef de Mission, and in accordance with the FEI Dressage Rules or for reasons set forth in Section III.B. Any replacement for veterinary reasons must be upon the recommendation of the Chef d'Equipe and must also have the approval of the Team Veterinarian. Any replacement for medical reasons must be documented by a physician(s) physically present at the Event venue approved by the USEF.

C. Group or committee that will be responsible for making athlete substitution/replacement determinations:

1. **Group or committee who determines the substitution/replacement pool:** USEF Dressage Selectors, Chef d'Equipe, USEF Team Veterinarian, USEF Board or Directors or an Ad Hoc Selection Group approved by the Board of Directors.
2. **Group or committee who determines a substitution/replacement to the team:**
 - a. **Prior to acceptance of the FEI Nominated Entry:** USEF Dressage Selectors, Chef d'Equipe, USEF Team Veterinarian, and the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.
 - b. **Prior to acceptance of the FEI Definite Entry:** By the USEF Chef de Mission, USEF Dressage Selectors, USEF Dressage Chef d'Equipe, and USEF Dressage Team Veterinarian.

Applicants and horse owners will be required to certify that they have received and read a copy of the USEF Code of Conduct and USEF Safe Sport Policy and that they understand them and agree to be bound by them.

In addition, all persons participating in any decision made pursuant to the Selection Procedures including but not limited to Selectors, Chef d'Equipe, Team Veterinarian, members of the Veterinary Panel, Physicians, and the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors will be required to abide by the USEF Code of Ethics and Conflict of Interest Policies.

2. **Equine Drug Testing:** All applicant horses are subject to drug testing both in competition and out of competition. In-Competition. All horses entered to compete in any FEI or USEF competition are subject to drug testing at any time from when the competition begins until the competition ends or beginning when the horse arrives for the competition until the competition ends, whichever beginning occurs first. Blood and/or urine samples may be collected and tested for substances prohibited or forbidden under the subject competition rules. National competitions may invoke GR 409

whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, is detected in the sample collected in-competition, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport or the Discipline Director for dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by a panel (“Selection Hearing Panel”) comprised of at least one member of the applicable discipline Sport Committee along with at least two members of the Hearing Committee, one of which must be an Eligible Athlete. The Chairman of the USEF Veterinary Committee, or his designee, may serve Ex Officio and a member of the Veterinarian Panel selected for the Event may serve Ex Officio.

Out-of-Competition. Blood and/or urine samples may be collected out-of-competition at any time throughout the selection period, which is defined for equine drug testing as commencing on September 1, 2025, following notification to the applicant at least 24 hours prior to collection of samples. Samples collected from horses out-of-competition will be tested for the presence of substances prohibited by the FEI, including metabolites and markers. Failure to make the horse available for collection of samples may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, in the sample, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport or the Discipline Director for dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process unless the Veterinarian Panel appointed for selection of the Event certifies that the substance detected has been approved or is legitimate and appropriate under the circumstances. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

This provision does not abrogate the enforcement of applicable equine anti-doping rules at Federation licensed competitions, including competitions where GR 409 is invoked whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Also see the section on Veterinarian Treatment, a violation of which may result in elimination under this provision. Before elimination occurs in either instance, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.
