

The USEF Kip Rosenthal Trophy

Criteria: The Kip Rosenthal High Score Equitation Award is awarded annually to the rider who earns the most points across the following Equitation Finals:

USEF Show Jumping Talent Search Final-East
USEF Show Jumping Talent Search Final-West
USEF Hunter Seat Medal Final
WIHS Equitation Final (Overall Results)
ASPCA Maclay Final

***Please note junior exhibitors do not have to compete at each Equitation Final, but will have a chance to accumulate more points by competing at as many of the listed Equitation finals as possible.**

Selection of Winner: The top 10 junior exhibitors at each equitation final will earn points towards the Kip Rosenthal Trophy. The individual with the most accumulated points between all equitation finals for the year will be selected as the winner. Total points will be calculated using the following system for places first through tenth:

Placing	Points
1 st	30
2 nd	25
3 rd	20
4 th	15
5 th	10
6 th	5
7 th	4
8 th	3
9 th	2
10 th	1

Award: Presented at the US Equestrian Pegasus Awards Gala during the Annual Meeting

Timeline:

Junior exhibitors can begin earning points once they compete at one of the listed equitation finals (competitions typically run from October to November).

Once the last Equitation Final is complete, USEF will calculate the top 10 junior exhibitors for each competition and total each individual's scores across all Equitation Finals.

The individual who receives the most points overall will be awarded the Kip Rosenthal trophy at the US Equestrian Pegasus Awards Gala, during the USEF Annual Meeting, typically held in January.

The winner will be notified by USEF by the end of December to make any travel arrangements for the US Equestrian Pegasus Awards Gala.
