1. All horses, except horses entered in Sub-Chapter 29 Equitation and Sub-Chapter 30 Showmanship classes, must be serviceably sound.
   a. All horses must be in good condition. All horses must have vision in at least one eye in order to compete in any class except Breeding/Gelding In-Hand classes and Sport Horse In-Hand Classes, where horses must have vision in both eyes.
   b. The official veterinarian’s decision, if requested by the judge as to the serviceable soundness of a horse (i.e., whether the horse shows evidence of lameness, broken wind, or complete loss of sight in either eye), will be final for the purpose of awarding ribbons in the class for which he has been called.

2. No horse may compete in a class in the Arabian Division with a tail carriage that has been altered in any manner or by any means. Violations of this rule are considered serious infractions, because such alterations constitute misrepresentations of the breed type.

3. Ginger, Capsaicin, and Other Irritants.
   a. No horse may compete in a class in the Arabian Division with any chemical or other Irritant of any kind present on its anus, vulva, rectal area or vaginal area, regardless of the origin of the irritant and whether it was applied or its presence resulted from dietary, environmental or unknown origins, and whether the horse’s tail carriage was affected by its presence.
b. The trainer (See GR148 Trainer Definition and GR404 Responsibility and Accountability of Trainers), owners, and their agents, of a horse entered to compete in a class in the Arabian Division are insurers of the horse's condition and compliance with this Rule, and accordingly they are responsible and accountable for safeguarding the horse and controlling its diet and environment prior to, during and following the class, and at the time of the sampling provided for below, so as to prevent exposure to a chemical or other irritant of any kind, regardless of its origin, whether exposure was intentional, and whether the horse's tail carriage was affected by its presence. These individuals/entities are subject to disciplinary action should the sampling and testing provided for below be positive for the presence of a chemical or irritant of any kind.

c. Any trainer, owner, agent or other person who administers, attempts to administer, instructs, aids, conspires with another to administer, or employs anyone who administers or attempts to administer a chemical or other irritant of any kind onto the anus, vulva, rectal area or vaginal area of a horse entered to compete in a class in the Arabian Division shall be subject to penalties as provided for in f. below.

d. The Federation may cause the collection of swab samples and have tested substances present on the anus, vulva, rectal area or vaginal area of horses following their exit from the ring, in connection with a class in the Arabian Division as follows:
1. The Federation shall choose all horses in such a class to be sampled, or may select one or more placings from the class for sampling, or may select some of the horses from such a class for sampling. In making such selections, the Federation will act on the advice of the Federation Drugs & Medications Administrator and may act on the request of competition management and/or a judge of the class but is not required to do so;
2. After notification by the Federation that swab sampling will occur, competition management shall appoint only a licensed veterinarian or veterinarians to supervise the sampling, who may utilize technicians working under direct supervision of the veterinarian(s);
3. That this veterinarian/veterinarian(s) work under the Federation Drugs and Medication Administrator's direction for these duties;
4. Competition management shall ensure that the appointed veterinarian coordinates with the Federation Drugs & Medication Administrator to implement the chain of custody required by the laboratory for identifying the horse from which each sample was taken;
5. Competition management shall ensure that the appointed veterinarian follows the instructions of the Federation Drugs and Medication Administrator by forwarding the samples for testing to the Iowa State University Laboratory or another comparable laboratory acceptable to the Federation, and shall implement the chain of custody required by the laboratory for transporting the samples to and from the laboratory and while at the laboratory; and
6. All results will be reported to the Federation Drugs & Medication Administrator only.

e. The trainer, owner, and their agents of a horse competing in a class in the Arabian Division must submit to the above sample collections performed by representatives of competition management, and they must do so with no unnecessary delays. They must cooperate with the sample collection personnel as defined above exhibiting polite attitude and actions toward them and must assist them by helping to restrain the horse properly during the sample collections).

f. In the event the Hearing Committee determines a violation has occurred, the trainer, owner and/or their agents each shall be subject to any and all penalties imposed by the Hearing Committee at its discretion pursuant to Chapter 7, including suspensions, fines, and the revocation and redistribution of winnings, notice or notices of which shall be published on the Federation's website. The suggested minimum penalty for a first offense is the revocation of all the horse’s winnings in connection with the entire competition in question, and a suspension of 60 days with a fine of $2500. Subsequent violations of this rule by any of the above individuals/entities shall be subject to such greater penalties as determined at the discretion of the Hearing Committee.

4. Any action(s) against a horse by an exhibitor, which are deemed excessive by a judge, Federation steward or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the show committee. Such action(s) could include, but are not limited to excessive use of whip, spurs, or bamboo poles.
5. Judges must eliminate from judging consideration any horse which shows aggression or discontent toward its handler, rider or any person in the ring. A judge must order from the ring any rider, driver or handler who exhibits inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any exhibitor, their entries or the safety of class officials.

6. Horses showing signs of undue stress or inhumane treatment must be penalized. The exhibition of a horse that has a cut or abrasion showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area must be considered to be ineligible to receive an award in that respective class. Judges must excuse from the ring any horse that possesses a whip mark (welt) on any portion of the horse. A whip mark or welt is an inflammation of skin and subcutaneous tissue resulting in a swelling and in extreme cases is an abrasion or laceration.
   a. The cardinal signs of inflammation include heat, pain, (sensitivity to palpation) and swelling.
   b. The judge(s)’ finding of fact with respect to the presence or absence of a whip mark (welt) evident during a class shall be final and no appeal may be taken thereon.
   c. In a class that is judged by more than one judge, if a judge in that class believes that an entry has a whip mark, that entry must be examined by all judges of that class and each judge must determine if a whip mark exists. If a majority of the judges of that class determine that a whip mark exists, then the entry must be excused from the ring, according to the specifications set forth in this Rule. If a majority of the judges determine there is not a whip mark, then each judge who is of the minority opinion shall have the authority to eliminate said entry from further consideration.

   b. If no horses have entered the gate at the conclusion of the additional one minute, the gate shall be closed and the class is deemed concluded.
   c. Once the first horse has entered the in-gate, a steady stream of horses must be maintained.
   d. Should the steady stream be broken after the two minutes have elapsed, the gate shall be closed and judging will commence.
   e. A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e. two to four horse or horse and buggy lengths in between).
   f. Show Management in conjunction with the Steward may deviate from this procedure as circumstances warrant.

2. Up to two classes with identical AHA codes (with the exception of all Dressage and Western Dressage classes) may be adjudicated concurrently in a single arena utilizing two judges with placings for each judge during an AHA/Federation Licensed Competition.
   a. Working Hunter, Trail and Sport Horse In-Hand classes may be run on open cards. (Horses in Working Hunter classes would still have to be trotted for soundness for each class when required).
   b. A split arena is considered more than one arena.

3. Competitions may offer classes restricted to Arabians and/or Half-Arabians and/or Anglo-Arabians. The breed restrictions must be clearly published in the prize list.

4. Futurity classes are unrated Classes. The procedures for conduct must be printed in the prize list or the Show Committee may state these classes are run under same specifications as Federation rated classes. These classes may not be designated qualifying classes for any Championship (Exception: Futurity Championships).

5. Classes may not be added to a competition following distribution of the prize list unless management notifies potential exhibitors in writing, by e-mail or by wire at least 5 days prior to the competition. Post entries must be accepted in such classes without a post entry penalty fee.
   a. Arabian competitions are allowed to add additional classes as competition management deems necessary. If classes are added less than 5 days prior to the competition, competition management must advise exhibitors of the additions upon check in, post notices in the competition office, and make the appropriate announcements during the competition.
   b. Any class on the AHA Class List or that is recognized by AHA can be added to an Arabian Competition as a To Be Announced “TBA” slot. If there are classes competition management do not want to offer then those classes competition management chose to exempt must be printed in the prize list. TBA time slots must be listed in the time schedule. A competition will be charged an AHA Fee, the Federation will not charge a fee for any TBA slots added after the prize list has been published.

6. Cross entries are prohibited between the Country English Pleasure section and the English Pleasure section (this includes the Pleasure Driving and Country Pleasure Driving sections) at the same competition.

7. Cross entries between Country English or English Pleasure classes and English Pleasure or Country English Pleasure futurity classes at the same competition may be permitted at the discretion of competition management if so stated in the prize list.

8. Any performance class, except a championship class or classes which require individual tests, may be divided at management’s discretion. When a class is divided,
   a. Duplicate awards (including prize money) may be given, or
   b. Management may direct that the top contestants from each group return to the ring for final adjudication.
c. If duplicate awards are given, horse and/or rider may not compete in more than one section of the class which has been divided.
d. When more than 40 horses or riders are entered in a performance class in which horses compete together, the class must be divided. The method of dividing classes is at management’s discretion.

10. Classes where Purebred Arabians are shown together with Half-Arabians/Anglo-Arabians will not count toward Federation Horse of the Year Awards, with the exception of the following classes: Carriage Driving, Combined Driving, Dressage, Western Dressage, Gymkhana, Jumper, Hunter Hack, and Working Hunter.

11. Half-Arabian/Anglo-Arabian stallions may show in Half-Arabian/Anglo-Arabian classes and may also show in Arabian/Half-Arabian/Anglo-Arabian classes when Arabians and Half-Arabian/Anglo-Arabians compete together.

12. Schooling Areas
   a. A Licensed Competition must provide a sufficient area for schooling horses. A separate schooling area must be provided for each ring.
   b. Adequate lighting must be provided in schooling areas used after dark.
   c. See AR159.1 Shows are encouraged to offer open schooling in the competition arena over the course material prior to the start of the competition. Schooling time should be made available where horses and riders can school over fences and at distances that approximate the show ring conditions. Shows may add and change distances and fences between schooling and actual classes. If a course is set not all of the fences need to be available for use during the schooling sessions. Schooling can be limited to particular fences and distances at the course designer’s discretion, however, the intent should be to ensure that sufficient fences are available, and set at appropriate distances that the exhibitors will be expected to show, to ensure that all exhibitors have a fair and equal chance to prepare for competition. If distances are changed from the schooling session to the competition these changes must be noted on the posted course. Competitions may charge a fee for schooling.

13. Trail. A schooling area must be provided prior to and during trail classes with enough elements to adequately school a trail horse.

14. Working Hunters. Schooling is permitted in accordance with GR834, GR835, GR837 and HU Appendix A.
   a. Working Hunters Schooling areas must contain adequate standards, jump cups and hunter type rails to make a minimum of a trotting fence, a vertical and an oxer.
   b. FEI approved safety cups must be made readily available for each Working Hunter schooling area. Breakable pins such as wooden dowels are permitted only when safety cups are not available.

   a. Schooling areas for jumpers must contain sufficient equipment to construct at least one vertical, one spread fence and one trotting fence.
   b. Standards, jump cups and safety cups must also be made available. Breakable pins such as wooden dowels are permitted when no safety cups are available.

16. Carriage Pleasure Driving. Horses and ponies competing in combinations such as a Pair, Tandem, Four-In-Hand/Multiple must be declared prior to the classes at the competition in which they plan to compete in order for points to accrue as a Pair, Tandem, Four-In-Hand/Multiple. Declaration forms are available at https://www.usef.org/compete/disciplines/carriage-pleasure-driving

17. When the Dressage chapter is referenced herein, any rule or portion of a rule that is in direct reference to USEF/USDF or USEF National Championships shall be disregarded for the purpose of breed Dressage classes.

**AR108 Time Outs**

1. A time-out is a suspension of judging which may be requested by a competitor or directed by the judge(s).
a. Except in classes which prohibit a time out, a competitor is entitled to request one time-out for a period not to exceed five minutes in aggregate in order to make obvious adjustments, repair broken equipment, rectify a similar condition, or to replace a shoe.

b. The penalty for exceeding the allowed time out is for the entry to be excused.

c. To request a time-out the competitor must go to the center of the ring (if possible) and or be acknowledged by the judge. The announcer will declare that a request for time-out has been made and permission granted; time will be taken from the moment such announcement is made.

d. If a horse casts a shoe in a class, time starts (after measuring and/or gauging has concluded, if applicable) when the farrier or his assistant touches the shoe or the horse. No more than three minutes will be allotted to find a shoe; if the shoe is not found, the exhibitor may elect to continue or withdraw. If a horse is removed from the ring for the purposes of shoeing, the steward or judge shall accompany and remain with the horse until it is returned to the ring or excused from the class.

e. Two attendants are permitted in the ring to assist a competitor during his/her time-out. If at the expiration of five minutes the repair has not been made, the competitor may proceed as is or be eliminated.

f. The steward or judge is responsible for timing unless an official timer is present.

g. Competitors who are not involved in a time-out may make minor adjustments that can be performed with the assistance of one attendant and not be charged with a time-out. Minor adjustments do not include replacing shoes.

h. At any time the judge(s) considers it necessary he/she may call for a time-out. Said time-out may be charged to a competitor that, in the judge’s opinion, is responsible for the suspension of judging as long as the competitor is so informed by the judge prior to calling the class back to order.

2. Exceptions include:
   a. Eventing, Dressage or Driving divisions; see specific division rules.
   b. Time-outs are not permitted in the Dressage division including Dressage Seat Equitation.

A judge may, but is not required, to stop a rider and ask them to re-fasten a chin strap which has become unfastened, again without penalty to the rider.
   d. Working Hunter: In cases of broken equipment or loss of shoe, rider may either continue without penalty or be eliminated. In the case of the jump(s) falling over due to weather or act of God, the rider must remain in the ring until receiving instructions from the judge(s) or be eliminated. In this instance, the decision of the judge(s) is final. No Time Outs will be allowed.
   e. Jumper: Broken Equipment. In cases of broken equipment or loss of shoe, the rider must continue if he wishes to avoid penalty, or may retire. No Time Outs will be allowed. Hunter Seat Equitation: In cases of broken equipment or loss of shoe, the competitor must continue or be eliminated. This applies to over obstacles and on the flat. No Time Outs will be allowed.
   f. Walk-Trot/Walk-Jog: Time outs are permitted, except in classes that require a pattern.
   g. Time-outs are not permitted in Reining Seat Equitation, Horsemanship, Western Seat Equitation, Reining, Trail, Reined Cow Horse, Working Cow, Cutting, all Ranch classes with a pattern, Western Dressage, and Western Riding. Effective 12/1/21

2. A rider is considered to have fallen when he is separated from his horse that has not fallen, in such a way as to necessitate remounting or vaulting into the saddle. See Reining and Reined Cow horse for descriptions of fall in those classes.

**AR111 Protective Headgear**

2. Except as may otherwise be mandated by local law riders in all Working Hunter, Jumper, Hunter Hack, English Trail, and all Hunt Seat Equitation classes (not to jump or over obstacles and when jumping anywhere on the competition grounds, must wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

3. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. For all exhibitors competing in the Working Hunter section or Hunter Seat Equitation section, if a rider’s chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required to stop a rider and ask them to...
refasten a chin strap which has become unfastened, again without penalty to the rider. Members of the Armed Services or the Police may wear the Service Dress Uniform.

4. Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective safety vest, specifically designed for use in equestrian sport in any division or class without penalty from the judge. When cross entry by rider or horse/rider combination is permitted between Dressage, Dressage Seat Equitation, Working Hunter, Jumper, Hunter Hack or Hunter Seat Equitation and other Arabian classes at a competition, the above stated headgear requirements apply only to the designated warmup and competition areas or when the competitor is actually warming up for the specific class.

8. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

9. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

"Intimidation": A horse that appears to be intimidated by its handler will be penalized. This may include but is not limited to, crouching, cowering, quivering, withdrawing and buckling their knees. Judge(s) may excuse any entry deemed in violation of any of these restrictions.

2. A Breeding/In-Hand competitor must be eliminated for: (also see AR105 Soundness and Welfare.)
   a. Removal of eyelashes;
   b. Changing the natural color of the mane and/or tail (AR106); or

2. A horse must be handled and shown throughout an entire class by only one and the same person, except that a substitute handler may be used if, during a class, the original handler becomes ill or is injured. Time allowed for the change of handler shall be in accordance with AR108 Time Out Rules No handler may show more than one horse per class.

3. Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses.

4. Breeding/In-Hand horses are not to be stretched. A horse is considered not stretched if all four feet are flat on the ground and at least one front and one rear cannon bone is perpendicular to the ground.

5. All class entrants must be in a “controlled paddock” outside the ring until entering the ring individually in the designated order of go. A “controlled paddock” is an area designated by show management outside the competition ring for Breeding/Gelding In-Hand classes. The Federation steward and/or the Show Commission shall supervise this area. Only one specified person appointed by the show committee shall be in the controlled paddock to assist with the entrance(s) into the arena.

6. Competition Management utilizing the Arabian Scoring System shall have the option of choosing a or b of the following class procedures:
   a. In the Ring Class Procedure.
      1. Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated and scored.
      2. The horse shall enter at a trot, and at the handler’s discretion may either proceed directly along the rail, or trot a counterclockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring the horses shall be asked to walk collectively counter-clockwise
and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse “on deck” shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before turning left and proceeding counter clockwise down the rail. They shall resume their relaxed position at the end of the arena. The scores for all categories will be completed, recorded, and may be announced at this time.

3. When using the in the ring class procedure only the horse “on deck” shall be allowed to prepare for its presentation to the judge(s). Preparation shall include controlled circling and positioning the horse for presentation to the judge(s). The only shanking allowed shall be limited to an unruly horse in order to regain control. All other exhibitors must remain relaxed within the ring or they shall be penalized. Judge(s) may excuse any entry deemed in violation of any of these restrictions.

b. Exit the Ring Class Procedure.
1. The horse shall enter at a trot, and at the handler’s discretion may either proceed directly along the rail, or trot a counterclockwise circle at the in-gate end of the arena and then proceed along the rail to a designated point by the judges. The horse shall then walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Each horse shall be led to the judge(s) at the walk and be presented for judging. In order to satisfy a proper presentation to the judge(s), horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot. At the handler’s discretion they may trot a counter clockwise circle and then proceed towards the exit. The scores for all categories will be completed, recorded, and announced at this time. The horse shall be excused from the ring to the controlled paddock where it shall remain until the placings are announced, and the next horse shall enter promptly and be presented accordingly until the class is completed.

c. Combined Ring Procedure.
1. The class entrants must be in a “controlled paddock” outside the ring until entering the ring. The horses will enter the ring clockwise, one at a time at the trot and/or the animated walk. They will continue clockwise around the ring at the trot and/or animated walk at the direction of the ring steward. Once all of the horses are in the ring, they will be asked to walk around the ring or a shortened version of the ring as directed by the ring steward. The horses will be excused from the ring at the end of the walk to the “controlled paddock”. Then the horses will enter the ring individually in the designated order of go. (AR113.2).

AR139 Conduct

1. Competitors enter the ring in a counterclockwise direction at the trot.

AR140 Appointments

1. Tack:
   a. Bridle shall be light, show type; either snaffle (including full or half cheek), pelham, full bridle or kimberwick bit acceptable. Browband/cavessons must be of hunter type.
   b. Junior Horse classes require a snaffle bit. (Snaffle bit is defined as snaffle bit of at least 3/8” diameter as measured ½” from the ring. The snaffle bit may be jointed, double jointed or unjointed. For all junior horse performance classes, all snaffle bits must have a round, egg butt or “D” shaped ring with no attachments to the headstall or reins through a hook (except for keepers for a full cheek snaffle when section rules allow a full cheek). Full cheek (with or without keepers), French and Dr. Bristol snaffle bits are permitted) . The following are not permitted: half cheek snaffles, ornamented bridles, browbands or cavessons, saddle seat style colored browbands/cavessons, figure eight, drop, or flash nosebands.
   c. Breastplate or breast collar is optional.
   d. No martingales or tie-downs.
   e. Type of English saddle is optional, but forward seat type saddle recommended. Saddle Seat type saddles are not allowed.

2. Attire:
   a. Informal attire is required. It includes a coat of conservative color (black, blue, gray, green, or brown, and conservative shades thereof) made of materials that are suitable for hunting. Discrete patterns such as tweeds, hounds tooth, jacquard, pinstripes or subtle plaids are allowed. Coats must be darker than the breeches or jodhpurs. Brocades, raised patterns, glossy/metallic/shiny fabrics or materials are not suitable for hunting. Ornamentation other than a stock or lapel pin, tie clip or tack, or monogram are not allowed on any item of attire. Gloves are optional, but if worn, must be of conservative color. Boots and conservatively colored hunting cap, derby, or protective headgear are mandatory. Nonconforming exhibitors must be severely penalized.
   b. Spurs and crop or bat, no longer than 30” including lash are optional, at the exhibitor’s discretion. (Exception: Side saddle.)

AR141 Qualifying Gaits

1. It is imperative that the horse give the distinct appearance of being a pleasure to ride and display a pleasurable and relaxed attitude. Compared to an English Pleasure, Country English Pleasure or Show Hack horse which is shown in an upright frame, the Hunter Pleasure horse should be in a longer, more rectangular frame, with a neck carried lower and in a more relaxed manner with less arch in the neck and less bend at the poll. The stride at every gait should be long, cover ground, and exhibit efficiency of movement. While some degree of carriage is appropriate in a Hunter Pleasure horse, a stride that is short, high, and round is not appropriate. Horses that are, for more than a few strides, high headed, ridden on a draped rein, not in an appropriate frame, on the forehand, short-strided, or behind the vertical must be severely penalized.

2. Suitability as a Hunter as found in AR142 means that the horse is in a frame suitable to take a jump safely and efficiently.

3. Walk, a four-beat gait: Straight, true and flat-footed. Regular and unconstrained with good reach.

4. Trot, a two-beat gait: Straight and regular. The trot should be mannerly, cadenced and balanced. To be performed at a medium speed with a free moving, long, ground covering, efficient stride that is not short, high, round, or choppy. Rider to post the trot.

5. Canter, a three-beat gait: Even, smooth, unhurried, correct and straight on both leads.

6. Hand Gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads.
AR142 Hunter Pleasure Class Specifications

1. OPEN. To be shown at a walk, trot, canter and hand gallop both directions of the ring. To stand quietly and back readily. To be judged on manners, performance, suitability as a Hunter, quality and conformation.

2. AMATEUR. To be shown at a walk, trot, canter and hand gallop both directions of the ring. To stand quietly and back readily to be judged on manners, performance, suitability as a Hunter, quality and conformation.

3. LADIES, GENTLEMEN. To be shown at a walk, trot, canter and hand gallop both directions of the ring. To stand quietly and back readily. To be judged on manners, performance, suitability as a Hunter, quality and conformation.

4. JUNIOR HORSE. To be shown at a walk, trot, canter and hand gallop both directions of the ring. To stand quietly and back readily. To be judged on quality, performance, suitability as a Hunter, manners and conformation.

SUBCHAPTER AR-10 WESTERN PLEASURE SECTION

AR143 Conduct

1. Competitors enter the ring in a counterclockwise direction at the jog-trot.

2. Light contact with horse’s mouth must be maintained at all gaits.

3. If bridles are to be checked, it is the sole decision of the judge to do so. The judge may designate the steward to check bridles at the out gate. Riders must dismount.

4. A Junior Western Pleasure horse shown in either a hackamore or snaffle must never have been shown in any Arabian Competition/Division Western Pleasure event in a bridle. (Except Trail, Reining, Reined Cow Horse, all Ranch, and Working Cow Horses. See Sub-Chapters 26 and 28.)

AR144 Appointments

1. Competitors must be penalized for incomplete appointments, but not necessarily disqualified. Competitors must be eliminated for illegal equipment.

2. Tack:
   a. Bridle. Any western type headstall without noseband in conjunction with any standard western bit shall be allowed. A standard western bit is defined as having a shank with a maximum length overall of 8 ½”. The mouthpiece will consist of a round or oval bar 5/16” to ¾” in diameter as measured one inch in from the shank. The bars may be metal, rubber, or synthetic material and may be inlaid but must be smooth or only latex wrapped. The bars may be encased in smooth 5/16” to 3/4” in diameter tubular barrels that rotate around the bars. Nothing may protrude below the mouthpiece (bar) such as extensions, prongs, or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three piece mouthpiece may include a connecting ring of 1 ¼” or less in diameter or a connecting flat bar of 3/8” to ¾” (measured top to bottom with a maximum length of two 2”), which lies flat in the mouth, or a roller or port as described herein. The port must be no higher than 3 ½” with roller(s) and covers acceptable. Jointed mouthpieces, half-breeds, and spade bits are standard. Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single ring at center of crossbar shall not be used. Reins must be attached to each shank. When a curb bit is used, either a curb chain or flat leather chin strap is required and must be at least ½” in width and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the flat leather chin strap, or curb chain. Round, rolled, braided or rawhide curb straps are prohibited, except when used on a ring snaffle when applied below the reins. A light lip strap is permissible. See illustration in Western Division. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard Western bit is prohibited (see WS105.2).
   b. Junior horse classes require a snaffle bit or hackamore. Hackamore/ Bosal or standard snaffle are permitted in any class on horses five years old and under, unless prohibited in the prize list. A standard snaffle bit is defined as a center jointed single, rounded, unwrapped, smooth mouthpiece of 5/16” to ¾” diameter metal as measured from ring to 1” in from the ring with a gradual decrease to the center of the snaffle. The rings may be from 2” to 4” outside diameter of either the loose type, eggbutt, dee, or center mounted without cheeks. If a curb strap is used it must be attached below the reins. A hackamore includes a bosal rounded in shape and constructed of braided rawhide or leather and must have a flexible non-metallic core, attached to a suitable headstall. No other material of any kind is to be used in conjunction with the bosal, i.e., steel, metal or chains (Exception: smooth, plastic electrical tape is acceptable if applied in a smooth, untwisted manner). Attached reins may be of hair, rope, or leather. Both hands must be visible to the judge. Two hands may be used on hackamore (Bosal) and Western snaffle reins.
   c. Split reins or closed reins are equally acceptable. Only one hand may be used on reins and hands must not be changed except to negotiate an obstacle in a Trail Horse Class. While working a cow in herd work and Limited Reined Cow Horse, it is legal to hold the reins and the romal in one hand (rein hand), while doing so, the other hand may be used to hold the saddle horn. Hand to be around reins. When ends of split reins fall on side of reining hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. Rider may hold romal or end of split reins to keep them from swinging and to adjust the position of the reins provided it is held with at least 16 inches of rein between the hands.
   d. Rope, riata and/or hobbles are optional.
   e. Hackamore bits, caisson type nosebands, martingales and tie-downs are prohibited.
   f. Saddle: Any standard stock saddle with a horn is required, but silver equipment will not count over a good working outfit. Tapaderos may not be used.

3. Attire:
a. Riders shall wear Western hat, long-sleeved shirt with any type collar, trousers or pants (one piece long sleeved equitation suit is acceptable provided it includes a collar); chaps, shotgun chaps, or chinks, and boots. A vest, jacket, coat, and/or sweater may also be worn. Competitors with incomplete attire must be penalized.

b. Spurs are optional at the discretion of the exhibitor, whips are not allowed except with side saddle. (See GR1310 Dispensations.)

AR145 Qualifying Gaits

The good Western pleasure horse has a comfortable free flowing stride of reasonable length in keeping with the individual's conformation. It should cover a reasonable amount of ground with little effort. Ideally, the horse should have a balanced, sweeping motion that requires no more than light contact by the rider. The head and neck serve as a balance arm and are carried in a relaxed, natural position appropriate for each individual's own conformation. Maximum credit should be given to the responsive, confident, willingly guided horse that performs all the required gaits correctly with strength and finesse. The horse should be balanced in all aspects; conformation, gait and disposition. Such a horse is an athlete that goes softly and gives the appearance of being fit and capable of the tasks. Ultimately, the horse is very eye appealing and gives the impression of being a pleasure to ride. Light contact should be measured by a horse's response to the rider's hands, seat and legs and not merely by the tension in the reins. However, an excessively draped rein is just as undesirable as extremely tight rein. Subtle cues are desirable, while an absence of cues is not. The individual that willingly and quietly responds to subtle cues by the rider is performing with light contact. For performance criteria, see Western Pleasure Chart.

1. Walk, a four-beat gait: True, flat footed and ground covering.
2. Jog-Trot, a two-beat gait: Free, square, slow and easy.
3. Lope, a true three-beat gait: Smooth, slow, easy and straight on both leads.
4. Hand Gallop: A real hand gallop, not merely an extended lope, extreme speed to be penalized. There should be a distinct difference between the lope and the hand gallop.
5. Back: In the lineup, horses may be asked to back in a straight line with no additional testing, returning to the lineup at a walk. Horses may be asked to back on the rail.

AR146 Western Pleasure Class Specifications

SUBCHAPTER AR-11 LADIES SIDE SADDLE SECTION

AR147 Conduct

1. Competitors enter the ring in a counterclockwise direction at the trot or jog-trot.
2. When entries warrant, it is recommended that sidesaddle classes be divided into English or Western.
3. Safety is of the utmost importance in tack and attire; judges should penalize exhibitors not conforming to good safety practices.
4. It is suggested that horses line up head-to-tail the length of ring.
5. Horses should back readily if requested by the judge and stand quietly.
6. Classes may be offered as follows:
   a. ENGLISH (HUNTER, ENGLISH SHOW HACK, DRESSAGE, OR SADDLE SEAT)
   b. WESTERN/ENGLISH (HUNTER, ENGLISH SHOW HACK, DRESSAGE, WESTERN OR SADDLE SEAT)
   c. WESTERN (WESTERN)

      3. English, see AR132.1a
      4. Hunter, see AR140.1a

   b. Martingales or tie downs are prohibited.
   c. Saddle: Appropriate sidesaddle, to style of attire.

2. Attire:
   a. English (Hunter, English Show Hack, or Saddle Seat), Western or Period. If a shirt is worn as part of Western attire, it must be long sleeved. Jackets are allowed as part of any style attire.    b. Spur, whip or crop optional, at the exhibitor’s discretion.
   c. Competitors must be penalized for incomplete appointments but not necessarily disqualified.

**AR149 Qualifying Gaits**

1. A good ground-covering walk, a comfortable trot or jog-trot, and easy flowing canter or lope is desirable.
2. The side saddle horse should give the distinct impression that it is a comfortable mount to ride.
3. Transitions from one gait to another should be smooth and effortless. Riders may sit or post to the trot.

**AR150 Ladies Side Saddle Class Specifications**

OPEN, AMATEUR. To be shown both directions at the walk, trot or jog-trot, canter or lope. Horses should back readily if requested by the judge and stand quietly. To be judged 85% on manners, performance, suitability, quality and conformation; 15% on appropriate side saddle attire. Manners and suitability of purpose shall be emphasized. (Suitability refers to the horse being suitable as a sidesaddle mount.)

**SUBCHAPTER AR-12 MOUNTED NATIVE COSTUME SECTION.**

**AR151 Conduct**

1. Competitors enter the ring in a counterclockwise direction at the canter.
2. Rider must have complete control of horse at all times.
3. It is suggested that horses line up head-to-tail the length of ring.
4. Horses shall stand quietly and back readily.
AR152 Appointments

1. Tack
   a. Bridle may consist of bit, hackamore or other suitable headstall. Safety is of the utmost importance in tack and attire. Decorations in keeping with colorful desert regalia shall be added to equipment.
   b. No martingales or tie downs permitted.
2. Attire shall consist of native (Bedouin) type costume including flowing cape or coat, pantaloons, head dress, scarf or sash. No object may be carried in either or both hands other than reins, a portion of an aba, and/or a riding crop or whip. Spurs, whip or crop optional, at the exhibitor’s discretion.

AR153 Qualifying Gaits

1. Walk, a four-beat gait: Brisk, true and flat-footed with good reach.
2. Canter, a three-beat gait: Smooth, unhurried, with moderate collection, correct and straight on both leads.
3. Hand Gallop: The hand gallop is performed with long, free, ground covering stride under control. The amount of ground covered may vary between horses due to the difference in natural length of stride. The hand gallop is not a fast collected canter but a true lengthening of stride, correct and straight on both leads. There shall be a distinct difference between the canter and the hand gallop.
4. Extreme or reckless speed to be penalized.

AR154 Mounted Native Costume Class Specifications

OPEN, AMATEUR, LADIES, GENTLEMEN. To be shown at a walk, canter and hand gallop. Extreme or reckless speed to be penalized. Horses should stand quietly and back readily. To be judged 75% on performance and manners; 25% on appointments.

SUBCHAPTER AR-13 ENGLISH SHOW HACK SECTION.

AR155 Conduct

1. Competitors enter the ring in a counterclockwise direction at the normal walk or normal trot.
2. Light contact must be maintained with all reins at all gaits.

AR156 Appointments

1. Tack:
   a. Bridle shall be light, show type; either single snaffle, double (full) or pelham. Kimberwick bit is permitted. Browbands and cavessons other than hunter or dressage types are prohibited. Unconventional tack such as figure eight, drop, or flash nosebands are not permitted.
   b. English saddle of any type is required.
   c. Martingales, breastplates not allowed.
   d. Horses may show with a braided mane and/or tail.
2. Attire:
   a. Acceptable Hack attire is required. It consists of conservatively colored coat, breeches and boots. A conservatively colored hunting cap, derby or protective headgear is mandatory. Formal attire consisting of white breeches, top hat and tails may be worn. It is usual to wear such attire after 6:00 p.m., or in Championship classes.
   b. Spurs, whip or crop optional at the exhibitor’s discretion.
AR157 Qualifying Gaits

1. An English Show Hack horse is not necessarily a Dressage horse, nor an English Pleasure horse of the Arabian Division. Elevation and high knee action are not to be emphasized. The English Show Hack is a suitable section for the well trained animal. The English Show Hack horse must be balanced and show vitality, animation, presence, clean fine limbs and supreme quality. Soundness is required. The collected and extended gaits must be called for; i.e., collected walk, extended walk, normal walk; collected trot, extended trot, normal trot; collected canter, extended canter, normal canter and hand gallop. The English Show Hack horse shall be able to perform all of these gaits with a noticeable transition between the normal, collected, and extended gaits. The horse must be under complete control and easily ridden. Obedience to the rider is of prime importance. If the horse exhibits clear transitions in a balanced and level manner, appearing to be giving a comfortable and pleasurable ride, he is performing correctly for this class.

2. To stand quietly and back readily. At the discretion of the judge, horses may be asked to halt and rein-back while on the rail.

3. Walk, a four-beat gait: Straight, true and flat-footed.
   a. Normal Walk: Regular and unconstrained, moving energetically and calmly forward.
   b. Collected Walk: Strides are shorter and higher than at the normal walk. The head approaches the vertical, but should never move behind it. Pacing is a serious fault.
   c. Extended Walk: The horse is allowed to lengthen frame and stride while rider maintains light rein contact. The horse should cover as much ground as possible without rushing.

4. Trot, a two-beat gait: Free-moving, straight, rider maintaining light contact with horse’s mouth at all times.
   a. Normal Trot: Light, crisp, balanced and cadenced, with rider posting.
   b. Collected Trot: The horse’s stride is shorter and lighter, maintaining balance and impulsion. The neck is more raised and arched than at the normal trot as head approaches the vertical line, never moving behind it. Rider is sitting.
   c. Extended Trot: Maintaining the same cadence and performing at medium speed, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame. Rider is posting.

5. Canter, a three-beat gait: Straight on both leads, smooth.
   a. Normal Canter: Light even strides, should be moved into without hesitation.
   b. Collected Canter: Marked by the lightness of the forehand and the engagement of the hindquarters, the collected canter is characterized by supple, free shoulders. Neck is more raised and arched than in normal canter as the head approaches the vertical line, never moving behind it.
   c. Extended Canter: Maintaining the same cadence, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame.

6. Hand Gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to difference in natural length of stride. The distinction between hand gallop and extended canter is, the latter being the ultimate linear extension of stride within the hand of the rider; the hand gallop being a looser, more free elongation of stride and frame of the horse. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads. Extreme speed to be penalized.

AR158 English Show Hack Class Specifications

1. OPEN, AMATEUR, LADIES, GENTLEMEN. To be shown at a walk, trot, canter, and hand gallop; collected and extended and normal gaits to be called for. To stand quietly and back readily. To be judged on manners, performance, quality and conformation.
SUBCHAPTER AR-14 WORKING HUNTER SECTION

AR159 Conduct

1. Schooling (See also AR107.12c)
2. Jumping Order
   a. If a jumping order is established, it must be posted in a conspicuous place at least one-half hour before the class. The jumping order must be legible to a mounted rider. If a jumping order is used throughout the section, a systematic rotation of the starting list must be employed so that a complete cycle is made during the competition.
   b. Failure to enter the ring within one minute after an audible signal to proceed is given incurs elimination. The time limit for entering the ring must be enforced by competition management. Management may permit a rider to compete out of order to minimize delays and in case of class conflicts.
   c. Establishing the Order. (Either manually or via computer) The jumping order for the first round must be established by one of the following procedures:
      d. The horses’ names are drawn individually, starting with the first position and then working down.
      e. The horses’ names are listed and their positions drawn.
      f. The horses’ names and the positions are both drawn.
      g. The horses’ names are listed (with multiple rides pre-spaced) with the first name drawn becoming the first horse to compete in the first round, the remaining horses following from that point (i.e., the horses’ name after the one drawn first is second, the next one third, etc).
3. Horses may be shown with a braided mane and tail (AR106.8).
4. Horses competing in “Horses 14.2H and Under” classes are required to have a Federation horse measurement card or a FEDERATION valid horse measurement form issued by the Federation. Measurements must be conducted at licensed Arabian competitions and must be in accordance with Chapter 5. (Exception: Hunter/Jumper measurement cards are accepted at Arabian-restricted competitions.) Heel measurements are not required or considered for Arabian competitions.
5. All horses must be serviceably sound (See HU121). All horses being considered for an award must jog for soundness (Exception: Under Saddle classes, Working Hunter classes with specifications that do not require horses to jog, local or unrated classes). See HU118 for methods of jogging for soundness.
6. Warmup Rounds:
   No judged Warmup classes are to be offered, however, all shows are required to offer exhibitors a warmup round at their division height prior to competition. Although this is a non judged class, an entry/schooling fee may be required. Exhibitors can elect not to enter the warmup rounds. BOD 6/28/21 Effective 12/1/21

AR160 Judging

For rules governing the judging of Hunter classes, see HU, Subchapter HU-6.

AR161 Courses

1. A Hunter course shall be any course which management deems a fair test of a Hunter. For rules regarding type of fences, see Subchapter HU-4.
   a. Courses to consist of a minimum of 8 fences.
   b. Combinations are not required.
   c. When distances between related fences in all classes, rated or unrated, are 100’ or less, the distance must be included on the posted course diagram.
   d. Distances are to be determined by the course designer and can be adjusted after the schooling session and before competition. Once set, they must remain the same for the entire class. Exception: Combined Hunter, the distances may be altered as fence heights are adjusted.
   e. Distances between the fences are determined as per Federation/USHJA Course Design guidelines and are based on the height of the fences, the desired number of strides to be taken between fences, the direction that the
horses are jumping and arena conditions such as size and footing, indoor or outdoor. These distances are a
guideline and course designers may alter based on conditions.

f. All obstacles, except those noted below, must be set at the required height. The required height may have a
variance of no more than 2” over or under. Exceptions:
1. Walk fences may not exceed 2’ in height and spread.
2. Trot fences may not exceed 2’6” in height and spread for horses and 2’ in height and spread for horses 14.2
   HH and under.
3. Brush obstacles, hedges, split-rail fences, simulated rock or stone walls, ditches, banks and other specialty
   jumps designed to simulate natural obstacles found in the hunt field.
4. The first fence of any hunter course.

2. For rules governing Course Diagrams, see HU110.
3. Except in cases of inclement weather, broken equipment or a similar emergency, a course must not be altered except
   by written permission of all exhibitors. If one or more original obstacles are rendered unusable during a class and no
duplicate exists, management may substitute obstacles which approximate as nearly as possible, the originals.

AR162 Height of Obstacles

1. Regular Hunter Divisions/Classes to be determined as follows (Note: any class offered at an AHA approved show that
does not specifically adhere to the following nomenclature and specifications will be considered an unrated class):
   a. Open:
      1. Working Hunter - Open 2’. Horses are not required to jog for soundness.
      2. Combined Hunter over fences - 2’3” and 2’6” - at the discretion of show management, this division/class(es)
         may be run as individual classes or as a combined class. When classes are combined, horses can compete
         at the height of their choice. Horses may only compete once per class and the height (2’3” or 2’6”) must be
         declared to the ingate/whipper prior to the start of the class. Failure to declare which height that the rider
         wishes to compete at prior to the start of the class will default the entry to the maximum height. If multiple
         classes or a division is offered at a competition, horses may change the height in which they jump each class.
         This class is an unrated class only and cannot be offered at Regionals or National Championship shows.
         Horse are not required to jog for soundness.
      4. Regular Working Hunter Over Fences – Open - 3’0”.
      5. Working Hunter Classic Over Fences - A Hunter Classic is a class shown over two rounds with the top horses
         returning for a second round. The first round is 10 – 12 fences with the second round over a shortened course
         of 6 to 8 fences. The number of horses returning for the second round can be determined by the show
         management but may not exceed 12 horses nor can it be less than the number of ribbons plus 2, as entries
         allow. Classics may be run as a combined hunter competition, with horses competing at 2’6”, 2’9 and 3’. The
         height that the horse would compete at would be the maximum height that they competed at during the show.
      6. Working Hunter Derby – Similar to a Hunter Classic, 2 rounds, but the course should include natural elements
         and options. Further the 2nd round must be a Handy Hunter Course. Judged in accordance with USHJA
         Handbook. National Derby Rules. Derby may be run as a combined hunter competition, with horses
         competing at 2’6”, 2’9 and 3’. The height that the horse would compete at would be the maximum height that
         they competed at during the show.
      7. Working Hunter Cross Rails: not to exceed 18”. Courses to consist of 8 cross rail fences - Open.
   b. Restricted classes:
      1. Horse eligibility:
         a. In all cases, the hunter eligibility and green status of the horse is the responsibility of the owner.
         b. Green Working Hunter - Open - Hunter eligibility for a horse begins when a horse of any age, competes
            for the first time in any over fences class with jumps at two feet six inches (2’6”) in height or higher
            (exception: Hunter Hack) in any Hunter, Jumper, or Hunter/Jumping Seat Equitation classes or sections
            held at a Federation or Equestrian Canada licensed competition or AHA approved shows in North
            America. Horses that have competed in Modified hunter ATR and 14.2 hands and under prior to the 2017
competition year are still eligible to compete as a green hunter over fences in subsequent competition years as long as they did not compete in other classes over 2'6" or higher.

c. For the purposes of eligibility, equivalent heights are:
   - 2'6" .70 meter
   - 2'9" .80 meter
   - 3'0" .90 meter
   - 3'3" 1.1 meter

d. Once a horse begins its hunter eligibility, competing in jumper and equitation classes also affects its green status and eligibility and the horses green status will remain in effect for the current competition year.

e. Horses may enter the green hunter in any height section for which they are eligible. Further eligibility in the green hunter section is determined by the height section in which they enter the system.

f. A horse may compete in only one green hunter fence height section at any one competition.

g. When a horse begins its green hunter eligibility competing in hunter, jumper, or equitation classes or sections with fence heights for 2'6" and above, its remains eligible for green hunter 2'6" and 2'9" for two competition years (not necessarily consecutive).
   1. A horse that competes in any Hunter, Jumper, or Hunter/Jumping Seat Equitation class at a recognized competition in the United States or Canada with fence heights of 2'6" or higher is eligible to compete in the Green Hunter 2'6" section. A horse is eligible to compete in the Green Hunter 2'6" section for one competition year.
   2. Following a horse’s Green Hunter 2'6" year, it is eligible to compete in the Green Hunter 2'9" section for one year. That one year will commence the next competition year that the horse competes in any hunter or equitation class at a Federation or Equestrian Canada Licensed competition or AHA approved shows in North America with fence heights of 2'9" or higher. Competition years do not have to be consecutive.

h. In all cases, fence heights will be determined by the specifications of each section regardless of whether or not the fences are actually set at the regulation height.

i. A horse competing in Hunter Hack classes or sections will not affect green eligibility status.

j. Competitions may elect to combine Green Working hunter 2'6" and 2'9" sections if there are less than three (3) entries in each height section.

k. 14.2 hands and under Working Hunter Over Fences - Open - 2'6" - must have a Federation measurement card or a Federation valid measurement form issued by the Federation in accordance with AR159.4.

l. 14.2 hands and under Working Hunter JTR, AATR, ATR, AOTR - 2'3" - must have a Federation measurement card or a valid Federation measurement form issued by the Federation in accordance with AR159.4.

m. 14.2 hand and under Green Hunter over Fences - Open - 2'3" - must have a Federation/EC measurement card or a valid Federation measurement form issued by the Federation in accordance with AR159.4. Horses never to have been shown over fences at Federation licensed Arabian competitions (EC) or AHA approved shows (Hunter, Equitation or Jumper) at a height of 2'3" or greater prior to the beginning of the competition year. Exception: Hunter Hack classes or horses competing in their second year at 14.2 hands and under Green Hunters. A second year 14.2 hands and under Green Hunter is a horse that has competed at 2'3" or greater in the prior year. Competition years do not need to be consecutive. However, if a horse has been shown in any two competition years at a height of 2'3" or greater it would no longer be eligible to compete as a 14.2 hand and under Green Hunter. It is the sole responsibility of the owner to determine the eligibility of a horse to compete as a 14.2 hand and under green hunter.

n. Rider eligibility.

2. Working Hunter - ATR, JTR, AATR - 2'.
3. Modified Working Hunter, JTR/ATR/AATR – 2’3”.

Height and width of jumps are not the only important factors. Of equal or greater significance are types of obstacles, relation of height to width, or spacing between jumps. Jumper courses traditionally offer a greater variety of jumps, (brighter, more unusual, etc.) than do hunter courses, and may include types of fences forbidden in Hunter courses. All appointments and attire must match for the discipline being shown. Competition management is encouraged to offer separate Championship classes for each type, but the championship classes may be combined at competition management’s discretion. **AR176 Sport Horse In-Hand Classes**

Conformation is to be evaluated in terms of potential trainability, potential performance and predisposition to soundness. Form to function is to be emphasized. Blemishes are not to count unless resulting from conformation faults. Gaits are to be evaluated in terms of purity, quality and correctness. Correct gaits which contribute to ease in training and the horse remaining sound and useable are most important. Purity and quality are judged mainly in profile. Correctness is judged mainly while the horse is coming to and going from the judge’s position. Colts and stallions two years and over must have both testicles descended.

1. Horses will be shown individually on the triangle; assistant handlers or whip handlers are not allowed. In-hand Classes may be held in any age groups deemed appropriate by competition management and published in the prize list with the exception that horses of one sex shall not be judged against those of the opposite sex. Exception: Specified group classes or specified championship classes may have horses of all sexes.

2. Following a posted or announced order, or on request from the judge, entries in each class will approach the judging area one at a time, walk to the apex of the triangle. Open cards may be used. Conformation judging may take place before or after performance on the triangle, so wait for the judge’s instructions. Wait for the judge’s request to proceed on the triangle. The handler will lead the horse on the perimeter of the triangle in a clockwise direction, at the walk and trot, returning to the apex and wait for further instructions. Repetition of all or any part of the movement on the triangle may be allowed at the judge’s request only. At the completion of the judging, the handler will lead the horse away from the judging area. The triangle may be adjusted to fit local conditions.

3. Triangle: Corners should be well defined. A marker will be used at the apex and at each corner to define placement of the turn for the exhibitor. Use of plants or flowers is allowed.
4. The horse is to be shown in an "open position," for conformation judging. The traditional way of showing open position would be with the right front leg slightly back and the right hind leg slightly forward; but as long as all four legs of the horse are visible to the judge when standing on either side of the horse, this would be acceptable. The horse's head and neck should be allowed to show in a natural and comfortable carriage, and the handler should stand away from the horse with a loose lead line.

5. SPORT HORSE GROUPS IN-HAND. The AHA Group Score Sheet shall be used. Each judge will be assigned a scribe who will record scores and comments as dictated by the judge. Groups will be examined one group at a time, but not necessarily on the triangle. The judge will require the individuals of each group to move at the walk and trot. Horses shall stand for conformation judging before and/or after completion of the group's movement.

6. Foals may not be shown loose. Foals shall not accompany nor be accompanied by their dam.

7. When possible, the announcement of awards will include the breeding of the horses placed: sire and dam as well as the name of the owner and breeder.

8. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger other exhibitors or their entries.

9. A whip may be used to guide the horse.

10. Causes for mandatory elimination from the arena or designated judging area for In-Hand classes are:
   a. Removal of eyelashes;
   b. Changing the natural color of the mane and/or tail (AR106.10.c); or
   c. Applying a product to a horse's hoof to hide or conceal a conformation defect. Only clear or transparent products may be used on the hooves of horses while being shown in Breeding and/or In-Hand classes.

11. An entry must be penalized for:
   a. Excessive amounts of oil, grease, or other similar substances;
   b. Balding the area around the eyes or proximal to the muzzle and nostrils; or
   c. Excessive use of the whip or actions that may disturb other entries shall be severely penalized.
AR177 Sport Horse Scoring In-hand Procedures

1. The AHA Individual Sport Horse Score Sheet shall be used. Each judge will be assigned a scribe who will record scores and comments as dictated by the judge. Horses will be shown individually on the triangle. Sport Horse In-Hand Classes are exempt from using the Arabian Halter Judging System.

2. The judge shall use the AHA approved individual score sheets for individual classes, and the individual Group Score Sheet for group classes (Get of Sire/Produce of Dam). AHA will provide the AHA individual, group, master class, and championship Score Sheets to Competition Management via the website. 7. Tied scores for Sport Horse In-Hand shall be broken first by referring to movement, then conformation, then overall balance and finally manners. If the horses are still tied, the judge (or call judge in a multiple judge system), will make a final tie-breaking decision.

8. When multiple judges officiate the same class, competition management may assign separate or shared triangles. In either case, judges will have separate score sheets and scribes.

9. Scores shall be reported as a total based on the stated percentages against a possible total of 100% and all scores and placings must be posted. Unofficial scores may be posted during the class and/or final score may be posted at the end of each class.

10. If a mathematical error on the score sheet is discovered, it must be brought to the attention of competition management within one hour of the official posting of the scores from the last class of the competition day. **AR183 Sport Horse Qualifying Gaits**

1. Innate quality movement is a priority in the Sport Horse classes. All gaits should be pure in rhythm, and should be without tension or resistance.
2. Walk
   a. Walk. (Also Normal Walk) The rhythm of the walk is four beats. The walk is to be regular and unconstrained.
b. Collected Walk. The rhythm is four beats. The stride maintains the marching quality of the normal walk, with hind legs well engaged but covers less ground.

c. Extended Walk. The rhythm is four beats. While maintaining the march quality, the horse does not rush, but with regular steps, will clearly show the hind feet touching the ground in front of the footprints of the forefeet. The rider allows the horse to stretch forward with head and neck, but does not release contact with the mouth.

3. Trot
   a. Trot. (Also Normal Trot) The rhythm of the trot is two beats. The trot is free, active and regular. The steps should be balanced and elastic with the horse demonstrating a supple back and well engaged hindquarters.
   b. Collected Trot. The rhythm is two beats. The horse continues to move forward with impulsion, and demonstrates an ability to further engage the hocks, which allows the shoulders of the horse to become lighter and the stride to become shorter. The neck is raised and arched, but not constrained.
   c. Extended Trot. The rhythm is two beats. The horse covers as much ground as possible, while maintaining regularity and balance. The stride lengthens as a result of great impulsion. The rider allows the horse, while remaining on the bit, to reach with its frame. The forefeet should touch the ground where they point. The transitions to and from should be balanced and smoothly executed.

4. Canter
   a. Canter. (Also Normal Canter). The rhythm of the canter is three beats. The canter should be light, cadenced (rhythm with a suitable tempo combined with springy impulsion) and regular. Transitions should be without hesitation and balanced. The canter should always be straight on straight lines.
   b. Collected Canter. The rhythm is three beats. The horse moves forward with impulsion, through increased engagement of the hindquarters and lightness of the forehand. The neck is raised and arched but not constrained. The back remains supple and the strides are shorter.
   c. Extended Canter. The rhythm is three beats. The horse covers as much ground as possible while maintaining regularity and balance. The stride lengthens as a result of great impulsion from the hindquarters and the rider allows the horse to lower and extend the neck, without losing contact with the bit, or leaning.

5. Lengthening Stride. When a lengthening of stride is requested at walk, trot, or canter, the horse should maintain rhythm, regularity and balance, while reaching with the frame and stride. The rider should maintain contact with the bit, while allowing the lengthening. The strides should be more ground covering and the horse should remain calm and supple.

6. Hand Gallop. The rhythm is three beats. The hand gallop is performed with long, free, ground covering strides. The amount of ground covered will vary between horses due to the difference in the natural length of stride. The hand gallop shows a looser, freer elongation of stride and frame of the horse. The horse must remain mannerly, correct, and straight. Extreme speed to be penalized.

7. Rein-back. The rhythm is two beats. The feet are raised and set down by diagonal pairs. The horse should remain calm and obedient, lifting and setting down the feet, without shuffling.

**SUBCHAPTER AR-26 WORKING WESTERN SECTION**

**AR208 Conduct**

1. The order of go will be drawn in a random manner (computer/electronically, shuffling cards, drawing numbers, etc.). When the draw is determined manually:
   a. The competition management shall announce to the exhibitors a specified time and place the drawing will occur. The management will have numbers (one through the total number entered) equal to the number of horses entered in the class.
      1. At the announced specified time that the draw will take place, all exhibitors wishing to make their own draw will assemble with the management. The management will call, in program order, the exhibitors with multiple horses to draw first.
      2. Exhibitors with multiple horses will not be back to back, where total number of horses entered will permit. If an exhibitor with multiple horses draws back to back there will be a re-draw. The management will then call the remaining exhibitors, in program order, to draw. When the number of horses in a class permits, riders with multiple horses must be drawn with a minimum of two horses spread between runs.
      3. No horse shall perform as the first horse in more than one class (go-around/section) per competition unless there are more classes than horses. If a horse is drawn up first for the second time there will be a re-draw.
      4. The number drawn will be that exhibitor’s order of go. NO CHANGES with the exception of an extraordinary circumstance as determined by the judge(s) and steward(s).
      5. Management will draw for those exhibitors who do not appear for the announced drawing.
   b. When the draw is determined by computer/electronically:
      1. Exhibitors with multiple horses will not be back to back where the total number of horses entered will permit. When the number of horses in a class permits, riders with multiple horses must be drawn with a minimum of two horses spread between runs.
2. No horse shall perform as the first horse in more than one class (go-around/section) per competition unless there are more classes than horses. The number drawn will be that exhibitors order of go. No changes with the exception of extraordinary circumstance as determined by the judge(s) and steward(s).

2. The order of go will be posted at least one hour before the start of the class.

3. When specified patterns are required, patterns for each class must be posted at least one hour prior to the start of the class. The posted pattern is to be followed unless a change becomes necessary due to safety considerations. If a pattern or course is posted and publicly announced and there is a discrepancy between the posted and the announced pattern, the posted pattern is to be followed.

4. Use of videotape. Videotape may be used by the judge(s) to review any entry’s performance only in a class in which entries perform individually.
   a. The videotape must be provided by an “official competition videographer,” and the judge must have reason to believe all horses have been videotaped;
   b. Whether or not to review the videotape is the sole discretion of the judge(s), and the decision of the judge(s) in this regard is non-protestable;
   c. The judge’s decision to review the videotaped performance must be made prior to announcing the official results of the class;
   d. If a judge decides to review any videotaped performance in a class, the official results of the class must be delayed until after the review and a decision has been made.
   e. Judges may not confer as to any penalty or maneuver score prior to submitting a score. If a major penalty (a penalty which results in a no score, a 0, or a 5 point penalty or greater) is unclear, a judge will submit his/her score and ask that the score be held, pending a conference and/or review of the official video at the earliest appropriate time. Should the judges determine via conference or official video replay that a penalty was incurred, it should be applied. If, however, no penalty occurred, the score will be announced as originally submitted. No judge shall be required to change his/her score following a conference or official video replay. Each judge’s decision is an individual call and based on individual decision from a conference or official video replay. The use of official video equipment by the judges is only permissible if the judge has reason to believe that all entries have been videotaped.
   f. For reined cow horse and working cow horse classes, refer also to NRCHA. For all events at which multiple judges are utilized, major penalties must be reviewed in accordance with current NRHA rules for reining classes and current NRCHA rules for reined cow horse and cow horse classes. Similarly, major penalties must be reviewed for trail and ranch riding classes when there is a major penalty marked by at least one judge and at least one of the other judges did not. A major penalty shall be deemed a 0 score and all penalties 5 points or greater.

AR209 Appointments

1. For rules regarding correct Western appointments, refer to AR144 Horses entered in Junior Horse classes must be shown in a snaffle bit or hackamore (See AR144).

2. Junior Horses competing in any non-Junior Horse Working Western class wearing a bridle may compete in any Junior Horse Working Western class wearing a hackamore or snaffle.

3. Boots and/or bandages are permitted in Ranch Horse Riding, Reining, Reined Cow Horse, Working Cow and Cutting classes (See AR106.14). Effective 12/1/21

AR210 General Scoring

1. It is mandatory that judges use the prescribed AHA score sheet for Reining, Working Cow, Reined Cow Horse, all Ranch classes (exception Ranch Rail Pleasure), and Trail classes and it is mandatory that the score sheet (or a copy) be posted immediately after each class. Score sheets may be obtained by writing: AHA, 10805 E. Bethany Drive, Aurora, CO 80014 or score sheets may be downloaded at www.arabianhorses.org

2. When a judge is adjudicating in a multiple judge system, the scores should be transferred to the ring steward or clerk in a manner that the other judges do not hear their score.
3. All individual judges of working western classes are required to announce the score of each horse immediately following the horse’s work and prior to the work of the subsequent horse. If a score is being held for review, this is announced instead of the score.
   a. When one judge is used, his score will place the class.
   b. When more than one judge is used, scores will be totaled to determine the placing of the class.
   c. When five judges are used, one high and one low score will be eliminated and the remaining three scores will be totaled to determine the placing of the class.
4. Ties for, Champion, and Reserve Champion, and any other placing requiring a work-off, will be broken by using the same pattern, order of go and scoring technique as was used in the event; however, there will not be more than one work-off.
   a. Tied exhibitors can choose to forego a work-off and be named co-champions but must determine the winner of the awards by consensus or by a flip of a coin. If they do not agree, the exhibitor(s) who does not want to work-off will forfeit first place to the other. Prize money (if any) for the tied placing(s) involved will be added together and equally split between the respective exhibitors.
   b. Exhibitors disqualified in a work-off cannot be placed any lower than the lowest consecutive placing which results from breaking the tie.
   c. In all Working Western classes (except Reined Cow, Limited Reined Cow Horse Classes, and Reining Seat Equitation), ties for fifth in a Top 5 and tenth in a Top 10 or any tie, other than Champion or Reserve Champion, that may require being broken will be determined by the horse with the lowest “Total Penalty Points”. Should the tie persist, the tie shall then be broken by the highest maneuver/obstacle score of a predetermined maneuver or obstacle. If the tie continues to persist, then it shall require a work-off in accordance with AR210.4.
   1. In Reined Cow and Limited Reined Cow Horse classes, ties shall be broken first by the highest score of the “Fence” or “Cow Work.” In Reining Seat Equitation, ties shall be broken first by the highest “Equitation” score.
      a. If a tie persists in Reined Cow, Limited Reined Cow, or Reining Seat Equitation, it shall then be broken by the horse with the lowest total penalty points. Should the tie persist, the tie shall then be broken by the highest maneuver/obstacle score of a predetermined maneuver or obstacle. If a tie continues to persist it shall require a work-off in accordance with AR210.4.
   d. Ties for any placing in a non-championship class will be determined by the horse with the lowest “Total Penalty Points”. Should the tie persist, the tie shall then be broken by the highest maneuver/obstacle score of a predetermined maneuver or obstacle. If the tie continues to persist all horses tied will stand tied and all involved exhibitors will qualify for AHA Regional competition; prize money (if any) for the placings involved will be added together and equally split between the respective exhibitors.
   e. In classes with multi go-rounds, ties will be broken in accordance with AR210.4a, b, and c utilizing the Total Penalty Points and/or maneuver/obstacle score of the “Final” go-round.
   f. In classes with five judges, ties will be broken in accordance with AR210.4a,b,c, and e utilizing the Total Penalty Points and/or maneuver/obstacle scores of only the judges’ scores utilized in the final go-round.
5. If a mathematical error on a score sheet is discovered, it must be brought to the attention of the competition management.
6. A class will be complete and the posted scores will be considered “official” thirty minutes following the last class of the day.
7. In Working Western classes where there is more than one go-round, all horses will compete in both go-rounds. The top horses will then return for the Final go-round. The order of go shall be drawn for all sections. Scores will be accumulative through the Final class. Champion and Reserve Champion, Top Five and Top Ten will be determined by total accumulated score of all works. Ties will be broken in accordance with AR210.4.

**AR221 Scoring for Ranch Horse Classes**

**SCORING SYSTEM:** Each horse/exhibitor team is scored between 0-100 points and automatically begins the run with a score of 70 points. The horse/exhibitor team is scored on the quality of each maneuver (e.g. -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good and +1 1/2 excellent). Plusses and minuses are a reflection of the smoothness, finesse, attitude, quickness, and authority of the horse/rider team when performing the various maneuvers. Maneuver scores are to be determined and assessed independently of penalty points. (Exception: Ranch Horse Rail Pleasure and Ranch Horse Conformation)  *BOD 6/28/21 Effective 12/1/21*

**AR222 Ranch Horse Riding**

1. **General Information**
   a. The purpose of the ranch riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another.
   b. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits. The ideal
ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits.

c. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins.

d. The overall manners and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations.

e. The ideal ranch riding horse should have a natural head carriage at each gait.

2. For rules regarding correct Western appointments, refer to AR144.

3. The required maneuvers will include the walk, trot, and lope both directions: and the extended trot and extended lope at least one direction; as well as stops, and back.

4. Three optional maneuvers may include a side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog, or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.

5. The maneuvers may be arranged in various combinations with final approval by the judge.

6. The overall cadence and performance of the gaits should be free-flowing and ground covering for all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness.

7. No time limit.

8. One of the suggested patterns may be used (from the current AQHA Handbook and found on AHA website), however, a judge may utilize a different pattern as long as all required maneuvers and the three (or more) optional maneuvers are included. Should a judge use one of his/her own patterns, it is recommended to not have the stop following an extended lope.

9. The use of natural logs is encouraged.

10. Posting at the extended jog is acceptable.

11. Touching or holding the saddle horn is acceptable.

12. Hoof polish is discouraged.

13. It is customary to not remove the hair from the insides of the ears, but horses with clean clipped ears will not be penalized.

14. Trimming of the bridle path, fetlocks or excessive (long) facial hair is allowed.

15. Appointments with silver should not count over a good working outfit. Silver on bridles and saddles and the use of weighted reins is discouraged.

16. Ranch Horse Penalties - A contestant shall be penalized each time the following occur:

   a. One (1) point penalties
      1. Too slow/per gait
      2. Over-bridled
      3. Out of frame
      4. Break of gait at walk or jog for 2 strides or less

   b. Three (3) point penalties
      1. Break of gait at walk or jog for more than 2 strides
      2. Break of gait at lope
      3. Wrong lead or out of lead
      4. Draped reins

   c. Five (5) point penalties
      1. Blatant disobedience (kick, bite, buck, rear, etc.)

   d. Ten (10) point penalties
      1. Eliminates or adds maneuver
      2. Incomplete maneuver
      3. Off pattern
e. Zero (0) score
   1. Willfull abuse
   2. Major disobedience or schooling
   3. Illegal use of fingers or hands on reins
   4. Lameness  BOD 11/22/21 Effective 12/1/21

f. No specific penalties will be incurred for nicks/hits on logs/poles but deduction may be made in maneuver score.
g. No specific penalties will be incurred for over/under spins but deduction may be made in maneuver score.  BOD
   6/28/21 Effective 12/1/21

**AR223 Ranch Horse Cow Work**

1. General Information

   a. The ideal ranch horse must also be a cow horse and the purpose of this class is to demonstrate and measure the
      horse’s ability to do cow work. It should have a natural ranch horse appearance from head to tail in each
      maneuver.

   b. There is a time limit per horse/exhibitor team to perform the work and the time shall begin when the gate closes
      behind the cow after being let into the area. If the time has not elapsed and the judge is satisfied that all
      requirements of the class have been met, the judge should blow the whistle for the exhibitor to cease work.

      1. The Judge may blow a whistle at any time for the exhibitor to cease work for safety reasons.
      2. Judges will give credit for what they have seen.

   c. Only the judge may award a new cow to an exhibitor to replace a cow that will not honor a horse.

      1. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work.
      2. If the exhibitor accepts the new cow, the time for working the cow will start over.
      3. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately.
      4. When multiple judges are scoring, any one of the judges may terminate the work or signal for a new cow.

2. Exhibitors in Ranch Horse Cow Work are allotted one minute and thirty seconds to complete the work. The announcer
will announce, when there are thirty seconds remaining. At one minute and thirty seconds, the announcer will call for
time. Exhibitors are not required to use all of the allotted time, but must ride until the judge whistles the end of the run or
time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving it
down the fence to the opposite end of the arena; boxing the cow at the opposite end of the arena; and, then driving the
cow past the middle marker again. There is no expectation that the exhibitor will make a “fence turn,” rather the drive
down the fence demonstrates correct position and control around the corner.

   Part One- Boxing the Cow: The exhibitor shall ride into the arena, face the cattle entry gate, and signal for their cow to
   be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to
demonstrate the horse’s ability to “hold” the cow. If the cow does not immediately challenge the horse, the exhibitor
shall aggressively move in on the cow to demonstrate the horse’s ability to drive and block the cow.

   Part Two- Set Up Cow and Drive Down Fence to Opposite End of the Arena: After the cow has been controlled on the
   entry end of the arena, the exhibitor shall set the cow up for driving down the side of the arena. When coming out of
   the corner, the horse shall be close enough to the cow to demonstrate control with the cow against the fence. This
distance and control should be maintained for approximately ½ to ¾ the length of the arena. The exhibitor will then
   stop and release the cow and move the horse toward the center of the arena to set the cow up for boxing on the
   opposite end of the arena.
Part Three- Boxing the Cow at Opposite End of Arena: The exhibitor will regain control or “hold” the cow at end of the arena to demonstrate the horse’s ability to “hold” the cow.

Part Four- Drive the Cow Back Down the Fence: Past the middle marker and continue until the judge blows the whistle to show completion. The cow should be driven back down the same side of the fence.

3. Credits and Penalties for Ranch Horse Cow Work: All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During the “Boxing” portion of the run, credit will be given for the horse’s expression and its “cow sense” (i.e. making moves with little exhibitor assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during the “Set Up Cow and Drive Down Fence” for rating the cow; blocking the cow with pressure towards the end of the arena; driving the cow with control down the side of the arena; and controlling a difficult cow.

a. One Point Penalties:
   1. Over-bridled (per maneuver)
   2. Out of frame (per maneuver)
   3. Loss of working advantage
   4. Driving cow down the opposite fence (changing sides)
   5. Working out of position
   6. Slipping rein
   7. Failure to drive cow past the middle marker on second drive before time expired

b. Three Point Penalties:
   1. Knocking down the cow without having a working advantage
   2. Losing a cow while boxing

c. Five Point Penalties:
   1. Spurring in front of the cinch
   2. Blatant disobedience
   3. Use of either hand to instill fear or praise

d. Ten Point Penalties:
   1. Unnatural ranch horse appearance (Horse's tail is obvious and consistently carried in an unnatural manner in every maneuver)
   2. Off Pattern

e. Zero Score:

AR224 Ranch Horse Rail Pleasure

1. General Information

   a. The ranch horse rail pleasure class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another and should reflect the versatility, attitude, and movement of a working horse. The horse should be well-broke, relaxed, quiet, soft, and cadenced at all gaits. The horse should be ridden on a relatively loose rein with light contact and without requiring undue restraint. The horse should be responsive to the rider and make timely transitions in a smooth and correct manner. The horse should be soft in the bridle and yield to contact. The ideal ranch rail pleasure horse should have a natural head carriage at each gait. In all gaits, movement of the ranch rail pleasure horse should simulate a horse needing to cover long distances, softly and quietly, like that of a working ranch horse. This class should show the horse’s ability to work at a forward, working speed while under control by the rider. Light contact should be rewarded and horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse’s quality of movement are the primary considerations.

   b. This class is intended as a rail class but individuals working off the rail will not be penalized and riders are encouraged to use adequate space given the extension of gaits required.

   c. Offered for horses three years of age or older.

2. The following qualifying gaits shall apply:

   a. Walk – The walk is a natural, flat footed, four-beat gait. The gait is rhythmic and ground-covering. As in all gaits, the horse should display a level, or slightly above level topline with a bright, attentive expression.

   b. Trot – The trot is a natural two-beat gait demonstrating more forward motion than the western pleasure jog.

   c. Extended Trot – The extended trot is an obvious lengthening of the stride with a definite increase in pace. The horse should be moving in a manner as if it were covering a large area on a ranch with an above level topline.

   d. Lope – The lope is a three-beat gait. The lope should be relaxed and smooth with a natural, forward moving stride.

   e. Extended Lope – The extended lope is not a run or a race but should be an obvious lengthening of the stride, demonstrating a forward, working speed. The horse should display an above level topline with a bright, attentive expression.

3. Class Specifications: Horses to enter at walk or jog in either direction at discretion of the judge. Entries will be worked both directions of the ring at all qualifying gaits. The overall manners and responsiveness of the horse while performing the requirements and the horse’s quality of movement are the primary considerations.

4. Part of the evaluation of this class is on smoothness of transitions. A horse may be collected from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is a transition to the seated trot, not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior to trotting will be penalized. Judges expect to see horses that have been trained to respond to cues and when cues are applied correctly, it could be a credit earning situation.

5. A ranch horse should be willingly guided or controlled with little or no apparent resistance. Any movement on his own must be considered a lack of control.

6. Penalties. An exhibitor shall be penalized for:

   a. Too slow a gait

   b. Over-bridled

   c. Out of frame

   d. Break of gait

   e. Wrong lead, out of lead, or cross-cantering

   f. Draped reins
g. Trotting more than two strides when taking lead
h. Blatant disobedience (kick, bite, buck, rear, etc.)
i. Schooling
j. Spurring in front of cinch
k. Use of either hand to instill fear/ praise

8. Apparel and Equipment: For rules regarding correct Western appointments, refer to AR 144.
9. Posting at the extended trot is acceptable.
10. Touching or holding the saddle horn is acceptable.
11. Hoof polish is discouraged.
12. It is customary to not remove the hair from inside of the ears, but horses with clean clipped ears will not be penalized.
13. Trimming of the bridle path, fetlocks, or excessive (long) facial hair is allowed.
14. Appointments with silver should not count over a good working outfit. Silver on bridles and saddles and the use of weighted reins are discouraged.
15. It is suggested that competitors use a breast collar and rear cinch.
16. Horses 5 years and under, may be shown in a snaffle bit/hackamore.
17. Prohibited equipment includes tie downs, cavessons, gag bits, mechanical hackamores and running martingales.
18. Horses may cross-enter with any other pleasure class at the same show. **BOD 6/28/21 Effective 12/1/21**

**AR225 Ranch Horse Trail**

1. General Information
   
   a. The purpose of the ranch trail class is to test the horses’ ability to cope with situations encountered while being ridden through a pattern of obstacles generally found during the course of everyday ranch work. The horse/exhibitor team is judged on the correctness, efficiency, and pattern accuracy with which the obstacles are negotiated and the attitude and mannerisms exhibited by the horse. Judging emphasis is on identifying the well broke, responsive, and well-mannered horse which can correctly navigate and negotiate the course. The ideal ranch trail horse should have a natural ranch horse appearance from head to tail in each maneuver.

   b. The ranch trail course will include between six and nine obstacles. It is mandatory that the horse be asked to walk, trot, and lope during the course. Walk can be part of obstacle score or be scored with the approaching obstacle. Trot must cover at least 35 feet and be scored with the approaching obstacle. Lope must be lead-specific, at least 50 feet and scored with approaching obstacle. Care must be exercised to avoid setting up any obstacles that may be hazardous to the horse or rider.

   c. When setting courses, competition management must be mindful that the purpose is not to trap a horse/exhibitor team or eliminate it by making an obstacle too difficult. All courses and obstacles must be constructed with safely in mind. Show committee shall have the option of setting up the trail course to best fit the arena conditions. An outdoor course is recommended if appropriate terrain is available. Each single-performance event can be time consuming, especially with large classes, so it is imperative that time restrictions are placed on the class. The show committee, either through a pilot run or estimation, shall select a course that has continuous and positive flow that can be negotiated in four minutes or less.

   d. Judges must walk the course and may alter the course if it is not in keeping with the intent of the class. Judges may remove or change any obstacles they deem unsafe, un navigable, or unnecessarily difficult. Any time a trail obstacle becomes unsafe during a class it shall be repaired or removed from the course. If the obstacle cannot be repaired and some horses have completed the course, the score for that obstacle shall be deducted from all previous draws in that class.

   e. The course must be designed using the mandatory obstacles and maneuvers plus optional obstacles if needed. Combining two or more of the obstacles is permitted.
2. Prohibited obstacles: Tarps, water obstacles with slick bottoms, PVC pipe used as a jump or walk-over, tires, rocking or moving bridges, logs elevated in a manner that permits such to roll in a dangerous manner.

3. Mandatory obstacles and/or maneuvers:
   a. Ride over obstacles on the ground (usually logs). Walk, trot, or lope may be used, but only one gait is required.
      1. Walk-overs: Walk over no more than five logs no more than 10 inches high and spacing between 26 to 30 inches. The formation may be straight, curved, zig-zagged, or raised.
      2. Trot-overs: Trot over no more than five logs no more than 10 inches high. The space between logs or poles should be 36 to 42 inches. The formation can also be straight, curved, zigzagged, or raised.
      3. Lope-overs: Lope over no more than five logs no more than 10 inches high. The space between logs should be 6 to 7 feet. The formation can also be straight, curved, zigzagged, or raised.
   b. Opening, passing through, and closing a gate: Use a gate that will not endanger horse or rider and requires minimum side passing.
   c. Ride over wooden bridge: Bridge should be sturdy, safe, and negotiated at a walk only. Heavy plywood lying flat on the ground is an acceptable simulation of a bridge. Suggested minimum width shall be 36 inches wide and at least 6 feet long.
   d. Backing obstacles: Backing obstacles are to be spaced at a minimum of 28 inches. If elevated, 30 inch spacing is required. Back through and around at least three markers. Back through L, V, U, or straight or similarly shaped course which may be elevated no more than 24 inches.
   e. Side-pass obstacle: Any object which is safe and of any length may be used to demonstrate responsiveness of the horse to leg signals. Raised side-pass obstacles should not exceed 12 inches.
   f. Drag an object: For Open and Amateur classes ONLY. The drag is not to be used in Youth classes. Drag may be a complete figure-eight and may begin in either direction. The exhibitor must have the rope dallied on the saddle horn (half or full dally) for the duration of the drag.

4. Optional obstacles:
   a. A jump obstacle whose center height is not less than 14 inches high or more than 24 inches high. Holding the saddle horn is permissible for this obstacle
   b. A live or stuffed animal which would normally be encountered in an outdoor setting may be used but not to be used in an attempt to spook a horse
   c. Carry object from one part of the arena to another
   d. Remove and replace materials from a mailbox
   e. Trot through cones spaced a minimum of 6 feet apart
   f. Cross natural ditches or ride up embankments
   g. Swing rope or throw rope at a dummy steer head
   h. Step in and out of obstacle
   i. Put on slicker or coat
   j. Stand to mount with mounting block
   k. Walk through water obstacle
   l. Open gate on foot
   m. Pick up feet
   n. Walk through brush
   o. Ground tie (Hobbles are allowed)
   p. Lead at the trot

5. At show management option the competition trail course may be made available to exhibitors or posted prior to the day of competition. It must be posted at least one hour prior to competition. Printed handouts for exhibitors are helpful and encouraged.

6. Credits and Penalties:
   a. All runs begin upon entering the pen and any infractions are subject to penalty at that time (such as two hands on the reins, using either hand to instill fear or praise, etc.). The exhibitor has the option to pass any obstacle; however, it will result in 20 penalty points. A judge may ask a horse to pass on an obstacle after three refusals or at any time for safety concerns.
b. Credit is given to horse/exhibitor teams who negotiate the obstacles correctly and efficiently. Horses should receive credit for showing attentiveness to obstacles and ability to negotiate through the course when the obstacles warrant it while willingly responding to exhibitor's cues on more difficult obstacles. Quality of movement and cadence should be considered part of the maneuver score for the obstacle. Penalties are assessed as follows:

1. One Point Penalties: Over-bridled (per maneuver); out of frame (per maneuver); each hit, bite, or stepping on a log, cone, plant, or any component of the obstacle; incorrect or break of gait at walk or trot for two (2) strides or less; both front or hind feet in a single-stride slot or space at a walk or trot; skipping over or failing to step into required space; split pole in lope-over; incorrect number of strides, if specified; one or two steps on mount/dismount or ground tie except shifting to balance.

2. Three Point Penalties: Wrong lead or out of lead; draped reins; break of gait at lope; break of gait at walk or trot for more than two (2) strides; three to four steps on mount/dismount or ground tie.

3. Five Point Penalties: Spurring in front of cinch; blatant disobedience; use of either hand to instill fear/praise; knocking over, stepping out of, or falling off an obstacle; dropping an object required to be carried; 1st or 2nd cumulative refusal; letting go of gate; five or more steps on mount/dismount or ground tie.

4. Ten Point Penalties: Unnatural ranch horse appearance (Horse's tail is obvious and consistently carried in an unnatural manner in every maneuver) Off pattern; Third refusal; Failure to dally and remain dallied; Failure to open and shut gate or failure to complete gate.

5. Zero Score: Repeated blatant disobedience; more than one finger between split reins or any fingers between romal reins; Use of two hands (except for junior horses 5 years and under in snaffle bit/hackamore).

6. No score: Lameness, abuse, leaving working area before pattern is complete, illegal equipment, disrespect or misconduct, improper Western attire; fall of horse/exhibitor.

7. Posting at the extended trot is acceptable.

8. Touching or holding the saddle horn is acceptable.

9. Hoof polish is discouraged.

10. It is customary to not remove the hair from inside of the ears, but horses with clean clipped ears will not be penalized.

11. Trimming of the bridle path, fetlocks, or excessive (long) facial hair is allowed.

12. For rules regarding correct Western appointments, refer to AR144.

   a. Appointments with silver should not count over a good working outfit. Silver on bridles and saddles and the use of weighted reins are discouraged.

13. Horses may cross-enter with any other Trail class at the same show.

AR226 Ranch Reining

1. GENERAL INFORMATION: The ranch reining class measures the ability of the ranch horse to perform basic handling maneuvers with a natural head carriage in a forward-looking manner. The ideal Ranch Reining horse should have a natural ranch horse appearance from head to tail in each maneuver.

2. CONDUCT: Horses will be shown individually. All runs begin upon entering the pen and any infractions are subject to penalty at that time such as two hands on the reins (except for junior horses 5 years & under wearing a snaffle bit or hackamore), using either hand to instill fear or praise, etc. Patterns may be chosen from any ranch reining patterns found in the Versatility Ranch Horse (VRH) section of the AQHA Handbook or on the AHA website.

3. CREDITS AND PENALTIES: To rein a horse in not only to guide him but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control. All deviations from the exact written pattern must be considered a lack of, or temporary, loss of control; and, therefore, a fault that must be marked down according to severity of deviation. The horse/rider team’s overall performance should be credited for smoothness, finesse, attitude, quickness and authority of performing various maneuvers while using controlled speed which raises the degree of difficulty and makes the horse/rider team more exiting and a pleasure to watch.

   a. One-half (1/2) Point Penalties: Starting a circle or exciting a roll-back at a trot for up two (2) strides; Delayed change of lead by one stride where the lead change is required by the pattern description; Failure to remain a...
minimum of twenty feet from the wall or fence when approaching a stop and/or roll-back; Over-spin or under-spin up to 1/8 turn.

b. 1 Point Penalties: Over-bridled (per maneuver); Out of frame (per maneuver); Out of lead in the circles, figure eights, or around the end of the arena (this penalty is cumulative and will be deducted for each quarter of a circle the horse is out of lead); Over -or under-spinning 1/8 to ¼ turn; Slipping rein.

c. 2 Point Penalties: Break of gait; Freeze up in spins or roll-backs; Failure to stop or walk before executing a lope departure on trot-in patterns; Failure to be in a lope prior to the first marker on run-in patterns, Failure to completely pass the specified marker before initiating a stop position; Trotting beyond two strides, but less than ½ circle or ½ length of the arena.

d. 5 Point Penalties – Spurring in front of cinch; Blatant disobedience; Use of either hand to instill fear/praise; Use of two hands per maneuver (Excess rein may be straightened anytime during the pattern, provided the rider’s free hand remains behind the rein hand. Any attempt to alter tension or length of the reins from the bridle to the rein hand is considered use of two hand and a 5-point penalty will be applied); More than one finger between split reins or any fingers between romal reins per maneuver.

e. 10 Point Penalties: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver); Off Pattern; Inclusion of maneuver (e.g. over or under-spinning, backing more than two (2) strides, etc.).

f. Zero Score: Leaving the arena before the pattern is complete; Repeated blatant disobedience;

g. No Score: Lameness; Abuse; Prohibited equipment; Disrespect or misconduct; Improper western attire; Fall of horse and/or rider.

4. Show Management has the discretion to prohibit the cross-entering of Ranch Reining with Reining by the same horse/rider combination at their show, but the prohibition must be clearly stated in the prize list.  BOD 6/28/21 Effective 12/1/21

AR227 Ranch Cutting

1. GENERAL INFORMATION:  This class is judged on the ability of the horse to work a cow by separating it from the herd and holding it. A single cow is cut from the herd and the horse much demonstrate its ability to work the cow. A Ranch Cutting horse should have a natural ranch horse appearance from head to tail in each maneuver. The objective will be to cut one or two cows, based on the division, from the herd and work the cow(s) with the assistance of two turn-back riders and two herd holders.

2. CONDUCT:

   a. Show management may supply two herd holders and two turn back riders or exhibitors may supply their own helpers. If an exhibitor is a herd holder or turn back rider, he or she may use the horse that they are competing on, or use a different horse.

   b. Herd holders’ and turn back riders’ horses should be Arabian or Half-Arabian horses.

   c. For Open and Amateur division competition there will be a two-minute time limit. Each exhibitor mush work two head and has the option of ending their run before the two-minute limit or working the full two minutes.

   d. For youth competition, there will be a one and one-half minute time limit. Each exhibitor may work one or two cows and has the option of ending their run before the one and one-half minute time limit or working the full one and one-half minutes. Working two cows does not assure extra credit to the run.
e. Time will begin when a rider crosses a timeline just prior to entering the herd. Time should not start until contestant crosses a pre-determined and marked timeline. The rider will then separate quietly his/her cow from the herd.

f. Unnecessary roughness or disturbing the herd excessively could result in disqualification.

3. CREDITS AND PENALTIES: Ultimate credit will be given to the horses demonstrating excellence in the herd work by committing to, driving, setting up and working a cow in the center of the arena with minimal disturbance to the herd. The horse will be judged on its performance and natural ability. Horses will not be penalized for reining during the cutting portion, but should display natural ability.

Penalties should be assessed as follow:

a. 1 Point Penalties: Over-bridled (per maneuver); Out of frame (per maneuver); Losing working advantage; Toe, foot, or stirrup on the shoulder; Working out of position.

b. 3 Point Penalties: Cattle picked up or scattered; Spurring on shoulder; Pawing or biting cattle; Back fence; Hot quit.

c. 5 Point Penalties: Horse quitting cow; Losing cow; Changing cattle after a specific commitment; Failure to separate a single animal after leaving the herd; Blatant disobedience; Use of two hands (per cow) except for junior horses 5 years and under wearing a snaffle bit or hackamore; More than one finger between split reins or any fingers between romal reins (per cow).

d. 10 Point Penalties: Unnatural ranch horse appearance (Horse’s tail is obviously and consistently carried in an unnatural manner in every maneuver); Turn tail; Failure to cut two cows in Amateur or Open division.

AR 228 Versatility Ranch Riding

1. General Information:

a. A superior ranch riding horse has a free-flowing stride of reasonable length in keeping with his conformation and covering a reasonable amount of ground as if he was going across the pasture to do a task on the ranch in a timely fashion.

b. Ideally, the horse should have a balanced, flowing motion, while exhibiting correct gaits with proper cadence and rhythm reflecting the versatility, attitude, and movement of a working ranch horse riding outside the confines of an arena. The ideal ranch horse will travel forward movement and demonstrate an obvious lengthening of stride at extended gaits.

c. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins.

d. The overall manners and responsiveness of the Versatility Ranch Riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement and consistency of the gaits are of major consideration.

e. The ideal Versatility Ranch Riding horse should have a natural ranch horse appearance from head to tail in each maneuver.

2. CONDUCT: Horses will be shown individually at three gaits; walk, trot, and lope in each direction of the arena. Horses will also be asked to reverse, stop and back. The selected pattern must ask for an extended trot and extended lope at least one direction of the ring. The pattern may be started either to the right or left direction. Show management has the option to set markers to designate gait changes. The pattern may be set outside or inside an arena. If the class is held inside an arena, the course shall be set up to make approximately one pass of the arena in each direction. One of the suggested patterns for Versatility Ranch Riding may be used from the current AQHA
Handbook in the Versatility Ranch Horse (VRH) section or on the AHA website. The judge may utilize a different pattern as long as all required gaits and maneuvers are included.

3. CREDITS AND PENALITIES: Part of the evaluation of this class is on smoothness of transitions. A horse may be collected from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is a transition to the seated trot not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior to trotting will be penalized. Judges expect to see horses that have been trained to respond to cues. To see these cues applied discretely and the horse responding correctly could be a credit-earning situation. Penalties will be assessed as follows:
   a. One Point Penalties: Over-bridled (per maneuver); Out of frame (per maneuver); Too slow; Gaping mouth; Break of gait at walk or trot for two (2) strides or less.
   b. Three Point Penalties: Wrong lead or out of lead; Draped reins; Break of gait at lope; Break of gait at walk or trot for more than (2) strides.
   c. Five Point Penalties: Spurring in front of cinch; Blatant disobedience; Use of either hand to instill fear/praise; Use of two hands per maneuver; 1st or 2nd cumulative refusal; More than one finger between split reins or any fingers between romal reins per maneuver.
   d. Ten Point Penalties: Unnatural ranch horse appearance (Horse’s tail is obviously and consistently carried in an unnatural manner in every maneuver) breaking pattern; Leaving working area before pattern is complete; Repeated disobedience.
   e. No Score: Lameness; Abuse, prohibited equipment; Disrespect or misconduct; Improper western attire; Fall of horse/curer.

4. No horse may cross enter Western Pleasure and Versatility Ranch Riding at the same show regardless of the section (Open, Amateur or Youth). However, horses may cross-enter Versatility Ranch Riding and Ranch Horse Riding.

BOD 6/28/21 Effective 12/1/21

AR229 Ranch Horse Confirmation

1. GENERAL INFORMATION: The purpose of Arabian Ranch Horse Conformation is to preserve Arabian type and confirmation best suited to the function of a natural ranch horse. Selection is based upon well-mannered individuals in the order of their resemblance to the breed ideal that possess the most positive combination of balance, structural correctness, and movement. Individuals should possess appropriate breed and sex characteristics with adequate muscling. The ideal Arabian ranch horse should have a natural ranch horse appearance from head to tail.

2. CONDUCT: To be eligible to complete in the ranch horse conformation class the horse must be entered, shown, and judged in at least one riding class in the Ranch division at that show. Horses must be at least 3 years of age. Horses in each division may be shown together as one class or divided into Purebred, Half-Arabian, Stallions, Mares, Geldings, Open, Amateur, Youth, or in any combination deemed appropriate by show management. All stallions shall be examined to confirm that they have two visible testicles. All stallions and mares shall be examined for over-shot and under-shot mouth. If examination reveals that a horse is a cryptorchid or has an over-/under-shot mouth, the judge shall not use such horse in the final placings of the class.

3. APPOINTMENTS: Horses are to be shown in a good working halter: rope, braided, nylon or plain leather. Any horse shown in the ranch horse conformation class may be shown with a lip cord/chain, however a lead shank with an attached chain may be used under the chin.
   a. No whips, nor any other attention getting devices (i.e. treats, candy) are permitted.
   b. For rules regarding correct western attire refer to AR144.3.
4. CLASS SPECIFICATIONS:
   a. Each horse enters the arena and walks towards the judge. As the horse approaches, the judge will step to the right to enable the horse to trot straight to a cone placed 50 feet away. At the cone, the horse will continue trotting, turn to the left and trot toward the left wall or fence of the arena. After trotting, horses will be lined up head to tail for individual inspection by the judge. No hard stand-up is permitted. The judge(s) shall inspect each horse from both sides, front and rear and place the horses in order of preference.
   b. Exhibitors may qualify and show more than one horse in ranch horse confirmation classes. Once a horse has entered the arena and been trotted for the judge, a designated handler may hold the horses in the line-up while the exhibitor shows additional horses.
   c. Any person designated as a handler must also be an exhibitor at same show.
   d. Back tag with horse’s entry number remains with the horse.
   e. In order to earn the title of Arabian (or Half-Arabian) All-Around Ranch Horse a horse must show in a Ranch Horse Confirmation class. BOD 6/28/21 Effective 12/1/21

AR230 Ranch Working Cow

1. GENERAL INFORMATION:
   a. The ideal Ranch horse must also be a cow horse and this class demonstrates and measures the horse’s ability to do cow work. In addition, the ideal ranch cow horse should have a natural ranch horse appearance from head to tail in each maneuver. Holding the saddle horn is permitted.
   b. There is a time limit per horse/rider team to perform the work and the time begins when the cow is turned into the arena. If the time has not elapsed and the judge is satisfied that all requirements of the class have been met, the judge should blow the whistle for the exhibitor to cease work.
   c. The judge may blow a whistle at any time for the exhibitor to cease work for safety reasons.
   d. Judge will give credit for what they have seen.
   e. Only the judge may award a new cow to a contestant to replace a cow that will not honor a horse. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor accepts the new cow, the time for working the cow will start over. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately.
   f. When multiple judges are scoring, any one of the judges may terminate the work or signal for a new cow.

2. CONDUCT: Exhibitors in the open, amateur and youth divisions are allotted three minutes to complete the work. When there is one minute left, the announcer will announce, one minute remaining. At three minutes, the announcer will call for time. There are three parts to the class: boxing, fence work and roping or circling.
   a. Part One – Boxing the Cow: The rider shall ride into the arena, face the cattle entry gate and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse’s ability to hold the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow on the entry fence.
   b. Part Two – Fence Work: After the cow has been controlled on the entry end of the arena, the rider shall set the cow up and drive it down either side of the arena. The cow should be turned on the fence at least once in each direction. The first run out for a turn shall be past the half-way mark of the arena. All turns down the side shall be completed before reaching the end of the fence.
   c. Part Three – Roping or Circling: The amateur and youth exhibitor has the option of circling the cow in the middle of the arena in both directions in lieu of roping. An amateur or youth exhibitor may circle or rope the cow but cannot combine the two to get credit for this portion of the run. Open exhibitors must rope the cow.
1. To rope the cow, the exhibitor must be carrying a rope when the run starts. The exhibitor may pull up after the fence work, take down the rope and proceed to rope and stop the cow. The exhibitor must then rope the cow and bring it to a stop.
2. In the roping portion of the class, two throws are permitted and the horse will be judged on two maneuvers: tracking/rating and stopping the cow. It is not necessary that the exhibitor catch to receive a score in the roping portion. The catch is legal as long as the cow looks through the loop and the rope pulls tight on any part of the animal’s body except the tail. The rope may be tied or dallied. If exhibitor does not catch, the horse will be given credit for tracking and rating and will be assessed the appropriate penalty.

3. To circle the cow, the exhibitor will maneuver the cow smoothly at least 360 degrees in each direction without interference from the fence. The circle’s size, symmetry, speed and relative balance from right and left show control. Tightening the circles down with fast head-to-head speed will be a credit situation. The circles should be completed before the cow is exhausted. Once an exhibitor has committed to circling a cow, if the cow falls no new cow will be awarded. The exhibitor will complete the run by riding around the fallen cow to fulfill circling requirements. In the circling portion of the judging, one whistle will terminate the work and two whistles will award a new cow.

3. CREDITS AND PENALITIES: All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During Boxing, credit will be given for the horse’s expression and its cow sense (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during Fence Work for making the first run past the center of the arena; making turns right on the cow; and controlling a difficult cow. If Roping, credit will be given for rating and following cow to allow rider the optimal roping position; stopping hard; and staying in the ground during the hold. Credits for each element of Roping range from -1 ½ to +1 ½ points. If Circling, credit will be given when the horse works willingly; acknowledge the cow; and gets close enough to the cow to control the circles. Credits for Circling range from -1 ½ to +1 ½ points for each direction.

Penalties will be assessed as follows:

   a. It should approach each obstacle squarely with authority and correct form, with its own style, yet maintaining its willingness to be dictated to completely by the rider/handler with no apparent resistance. Maximum credit should be given to the trail horse that negotiates its way through an entire course efficiently, in a timely manner, without excessive hesitation, with curiosity, expression, smoothness and style; in a manner that raises the degree of difficulty without sacrificing carefulness, control, and/ or attitude. Ultimately, the trail
horse is skillful, eye appealing, confident, and leaves one with the impression of being sure, safe and a pleasure to ride over a course of obstacles.

**AR237 Trail Scoring General**

1. All horses enter the arena with a score of 70. With each obstacle, the judge will instruct a scribe to assign a score as well as any appropriate penalties if one or more occurs. At the end of the work, obstacle scores will be totaled. Any penalties will then be subtracted to arrive at a final score. All horses are judged from the time they enter the arena until the completion of the last obstacle.

2. Judge(s) may review official video (if available) on no score, zero, 10 point, or 5 point penalties only. Refer to AR208.4 (Video review is solely the judge(s) decision.)

3. Each obstacle will be scored as follows:
   Half point increments can be used from +3 to –3.
+3 EXCELLENT: The horse approaches and negotiates obstacle in correct form with definite style. The horse performs in an efficient manner with curiosity and athleticism, while maintaining the qualities of an ideal trail horse. The horse’s performance over the obstacle is VISUALLY IMPRESSIVE.

+2 VERY GOOD: The horse approaches and negotiates obstacle in correct form with noticeable style. This horse definitely displays many qualities of the ideal trail horse. The horse’s performance over the obstacle is VISUALLY ATTRACTIVE.

+1 GOOD: The horse approaches and negotiates obstacle in correct form with some degree of style. This horse may display some qualities of the ideal trail horse, but lacks those qualities to the degree they are exhibited by the Very Good or Excellent performer. The horse’s performance over the obstacle is VISUALLY PLEASING.

O AVERAGE: For the most part, horse approaches and negotiates obstacle in correct form. Minimal style is exhibited. If the horse’s performance displays any qualities of the ideal trail horse they are negated by slight errors in form. The horse’s performance over the obstacle leaves a visually NEUTRAL IMPRESSION.

-1 POOR: The horse fails in some way to approach and/or negotiate obstacle in correct form. There is a noticeable void in some of the qualities of the ideal trail horse. Willingness to guide or control may have been compromised but not safety.

-2 VERY POOR: The horse approaches and negotiates obstacle, but noticeably fails to do so in correct form. There is a definite deficiency in the qualities of the ideal trail horse. Safety may have been compromised. The horse exhibits noticeable resistance.

-3 EXTREMELY POOR: The horse approaches and/or negotiates obstacle in unacceptable form, but avoids elimination. This horse’s performance is probably reckless, careless, and/or dangerous. The horse exhibits significant resistance towards the rider’s commands.

3. All individual judges of Trail classes are required to announce the score of each horse immediately following the horse's work and prior to the work of the subsequent horse. If a score is being held for review, this is announced instead of the score.
   a. When one judge is used, their score will place the class.
   b. When more than one judge is used, scores will be totaled to determine the placing of the class.
   c. When five judges are used, one high and one low score will be eliminated and the remaining three scores will be totaled to determine the placing of the class.

AR249 Rider Position

Refer to EQ123.

AR250 Rider Position in Extended Gaits

1. Extended jog: The rider should stay square and maintain proper overall body position yet animate their seat to encourage forward motion of the horse. The lower leg, while maintaining light contact and proper position may also become moderately more active to encourage the horse to lengthen its stride while maintaining cadence. The horse's stride should lengthen or extend, not quicken. The length of the stride should not be any greater than is comfortable for the individual horse to carry and maintain.

2. Extended lope: The rider should have a square balanced torso over a soft connected seat. The riders seat may rhythmically drive the stride of the horse forward yet not interfere with the cadence of the gait. The horse should transition within a few strides from the lope to the extended lope, which is a lengthened stride not a quickened pace. The length of stride should not be any greater than is comfortable for the individual horse to carry and maintain.

Competition Management is encouraged to offer Adult Showmanship classes for handlers who are 19 years and older and may divide classes by age groups which will vary according to local participation.
2. Unsoundsness of the horse being shown shall not penalize a handler unless it is sufficiently severe as to impair the required performance, in which case penalty is at the judge’s discretion.
3. Offering prize money in Halter Showmanship is prohibited.
4. A minimum of six ribbons should be awarded, but no more than ten places are recommended.
5. A handler must wear the correct number on their back and it and must be clearly visible at all times; penalty is at judge’s discretion.
6. Excessive coaching or unauthorized assistance in any manner is subject to penalty or disqualification at the judge’s discretion.
7. It is recommended that stallions be prohibited, but it must be so stated in the prize list.

**AR257 Class Conduct**

1. The pattern for each class must be posted one hour (Regionals and Nationals 24 hours) prior to the start of the class and must indicate which one (1) of these three (3) procedures are to be used.
   a. In the Ring – Exhibitors enter arena and remain collectively for the entire class. Exhibitors are to enter the arena at the walk. Trot at the marker and line up at the discretion of the ringmaster.
   b. In and Out of the Ring – Exhibitors enter arena one at a time and are excused at the completion of their pattern.
   c. At the Gate – Exhibitors enter arena one at a time and are gathered in arena for final inspection as a collective group.
2. Each handler shall correctly lead their horse to and from the judge or designated person and show his/her horse according to instructions from the judge.
3. Handlers may be asked to perform additional tests at the judge’s discretion.

**AR258 Judging Guidelines**

Showmanship is not a halter class and should not be judged as such. The conformation of the horse is not to be judged. Horses are to be presented in the appointments (tack and attire) suitable for that horse’s style. This class is designed to evaluate the exhibitor’s ability to execute, in concert with their horse a set of maneuvers prescribed by the judge with precision and smoothness while exhibiting poise and confidence, all while maintaining a balanced, functional and fundamentally correct body position.

1. **SHOWMANSHIP**
   a. Leading
      1. The exhibitor must lead, back and turn from the horse’s left side holding the lead shank in the right hand a reasonable length, with safety in mind. The right hand must remain on the lead at all times (not on the chain). It is not appropriate to switch hands while completing the maneuvers (except set-up). If exhibitor has changed hands during the set up maneuver, they are to put the lead back in the right hand for all other maneuvers. The excess lead strap is held in the left hand, either in a round coil or a figure-8, as long as it is being handled safely by the exhibitor. Neither the coil nor the Figure-8 should be taped as this compromises safety.
      2. At no time should the exhibitor ever stand directly in front of the horse.
   b. Showing
      1. The exhibitor should perform the work accurately, precisely, smoothly, and with a reasonable amount of speed. Increasing speed of the work increases the degree of difficulty; however, accuracy and precision should not be sacrificed for speed.
      2. The presentation/set up: The horse may be set up with a split stance or square. Either option is allowed and acceptable.
      3. The handler is to show using the Quarter System, where the exhibitor is always in the quadrant next to the judge or designated person. The horse should be shown quietly and effectively at all times. The exhibitor should maintain a position that is safe for themselves and the judge or designated person. The exhibitor should not crowd other exhibitors when setting up side-by-side or head-to-tail.
