

2018 Eventing Winter Training Lists

The US Equestrian (USEF) Eventing High Performance Committee has approved the following athletes for the 2018 Eventing Winter Training List. The US Equestrian High Performance Program is designed to achieve Olympic qualification and medals in the current Games cycle, in addition to building a sustainable foundation for the success of future championships.

The Eventing High Performance Program consists of the Elite, Development, and Emerging Athletes Programs.

The Elite Program consists of athlete/horse combinations that have established themselves as having met the criteria, or demonstrated potential to meet the criteria required to be competitive at CCI3* and CCI4* events and championships.

2018 Elite Training List:
