Dear Ms. Johnson:

Thank you for submitting your request for a Presidential Modification to the application of AR306.1 and AR318.1.b on behalf of the Arabian Horse Association. A Presidential Modification is granted in cases of extraordinary, special circumstances. When measured against that criterion, it has been determined that your request meets the standard for a Presidential Modification and therefore is approved.

As a result, these rules will be modified as outlined below effective for the 2026 competition year until the approved standard rule changes go into effect 12/1/2026. As a condition of this approval, communication to the entire community of equestrians, organizers and officials that would be impacted by this modification must be done immediately and competitions must post the modification in the show office and other conspicuous areas while this modification is in effect.

AR306 Conduct
