Disclaimer: These Selection Procedures are based on USEF and/or FEI rules and regulations as presently known and understood. Any change in the Selection Procedures caused by a change in USEF and/or FEI rules and regulations will be distributed to the affected athletes immediately. The selection criteria are based on the latest information available to USEF. However, the selection procedures are always subject to unforeseen, intervening circumstances, and realistically may not have accounted for every possible contingency.

B. Below are the event names, dates, and locations of all Selection Events to be used as part of the selection process:

Qualifying competitions are considered any single day CEI3* 160km/CEIYJ3* 160km, as designated by the FEI, both within and outside of the USA between February 1, 2021 and August 20, 2022 (*subject to change due to confirmation of the Nominated Entry deadline*).

Athletes and horses will be required to earn qualifying scores at CEI3* 160km/CEIYJ3* 160km competitions. Qualifying scores may be earned at competitions that are held both within and outside of the USA. The FEI Calendar can be found [here](#). Please note that the 2022 FEI Calendar will be published once approved by the FEI, no later than December 31, 2021. Please check regularly for updates to the FEI Calendar as changes or updates may be posted at any time.

C. Provided below is a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process to become team nominees:

1. **Selection for FEI Nominated Entry List:** Athlete/horse combinations will be ranked according to official FEI results. In the event that official FEI results cannot be obtained from a competition, USEF, in its sole discretion, may use official results from the competition for purposes of calculating points for the Ranking List.

Ranking Lists Calculation:

- a. Ranking is established by taking into account the best two placed results of an athlete/horse combination from single day CEI3* 160km/CEIYJ3* 160km competitions. Qualifying scores may be earned at competitions that are held within and outside of the U.S. between February 1, 2021 and August 20, 2022 (*subject to change due to confirmation of the Nominated Entry deadline*). USEF will automatically track points earned.

- b. Qualifying points may be earned prior to the submission of the Application of Intent.
- c. Qualifying points are earned when an athlete/horse combination receives a final score/position/placing from a single day CEI3* 160km/CEIYJ3* 160km (i.e., first, second, third, fourth, etc.). In the event that official FEI results cannot be obtained from a competition, USEF, in its sole discretion, may use official results from the competition for purposes of calculating points for the Ranking List.
- d. Athlete/horse combination's results will not receive a '0' on the ranking list or be placed on the ranking if eliminated due to the following:
 - Withdrawal (WD)
 - Retirement (RET)
 - Disqualification (DSQ)
 - Failed to Qualify (FTQ)
 - Finished Not Ranked (FNR). In the event that official FEI results cannot be obtained from a competition, USEF, in its sole discretion, may use official results from the competition for purposes of calculating points for the Ranking List.

To clarify, the results from a competition where an athlete/horse combination is eliminated will not appear on the ranking list and therefore the athlete/horse combination will receive no points, not '0' points, for that competition.

- e. The two (2) competitions with the highest points earned will be used to calculate an athlete/horse combination's final ranking.
- f. If an athlete/horse combination completes three (3) or more single day CEI3* 160km/CEIYJ3* 160km competitions held within or outside of the U.S., the lowest points will be dropped, leaving only the two best placing results.
- g. Athletes wishing to have more than one horse considered for the Championship may have the horse competed by another athlete ("Proxy Rider") at a single day CEI3* 160km/CEIYJ3* 160km. Athletes must declare any Proxy Riders through the Application of Intent or in writing to Steven Morrissey (smorrissey@usef.org) by August 20, 2022 at 11:59pm, ET (*subject to change due to confirmation of the Nominated Entry deadline*). Proxy Riders who have not applied for selection for the Championship are not eligible for selection. Athletes who apply for selection for the Championship and compete as a Proxy Rider are not eligible for selection with any horse that is not listed on their application of intent.
- h. Athletes competing as Proxy Riders will be noted on the ranking list once the Application of Intent is submitted to USEF and the Proxy Rider request is received by Steven Morrissey (smorrissey@usef.org).
- i. Points earned by Proxy Riders will count for themselves as well as for the combination that has declared them as a Proxy Rider if an Application of Intent is submitted to USEF.
- j. Scale of points for the calculation of rankings:

Completion Points + Placement Points + Time Bonus Points = Ranking Score

- i. Completion Points: Points will be awarded to the athlete/horse combinations who complete the competition entered and are based on the total distance

competed as stated in the final results (i.e., 1 point = 1km). For purposes of these Selection Procedures 160 points (for 160km) will be awarded to the athlete/horse combinations who complete the competition entered.

ii. Placements Points: Points will be awarded to athlete/horse combinations who complete the competition within the Top Ten of all finishers.

- The combination who is first place of all finishers: 100 points
- The combination who is second place of all finishers: 90 points
- The combination who is third place of all finishers: 80 points
- The combination who is fourth place of all finishers: 70 points
- The combination who is fifth place of all finishers: 60 points

Combinations finishing after fifth place AND within 120% of the time of the first place finisher will receive the following points:

- The combination who is sixth place of all finishers: 50 points
- The combination who is seventh place of all finishers: 40 points
- The combination who is eighth place of all finishers: 30 points
- The combination who is ninth place of all finishers: 20 points
- The combination who is tenth place of all finishers: 10 points

Combinations finishing after fifth place but NOT within 120% of the time of the first place finisher will receive no Placement Points. Combinations finishing after tenth place will receive no Placement Points. For purposes of determining placement points, time will be considered the combination's Final Time as determined from the official FEI results posted on the FEI website at www.fei.org.

iii. Time Bonus Points: Points are earned by athlete/horse combinations who complete the competition. The first placed finisher will receive 100 points. One point is subtracted from the 100 points for every minute an athlete/horse combination is over the final time of the first placed finisher (1 point = 1 minute). The Final Time will be determined from the official FEI results posted on the FEI website at www.fei.org. Final Time will always be rounded up to the whole minute for these purposes. For example, a combination finishing at 5 hours 25 minutes 20 seconds will be rounded to 5 hours 26 minutes.

- The first placed combination shall receive 100 points
- Combinations finishing with the same time as the Winning Time = 100 points
- Combinations finishing 1 minute from the Winning Time = 99 points
- Combinations finishing 2 minutes from the Winning Time = 98 points
- Combinations finishing 3 minutes from the Winning Time = 97 points

- Etc.
- Combinations finishing more than 99 minutes from the Winning Time = Zero (0) points

In the case of a tie on the Ranking List, athletes may be asked to submit additional information such as veterinary cards. Athlete/horse combinations will have their ties broken by their best final time out of their top two results being used for the ranking list from February 1, 2021 to August 20, 2022 (*subject to change due to confirmation of the Nominated Entry deadline*). Final Time will be determined from the official FEI results posted on the FEI website at www.fei.org. If a tie remains thereafter, the athlete/horse combinations will be separated by presentation time based upon their best highest placed competition. In the event that official FEI results cannot be obtained from a competition, USEF, in its sole discretion, may use official results from the competition for purposes of calculating points for the Ranking List.

The ranking lists will be published following each competition on the USEF website here: <https://www.usef.org/compete/disciplines/endurance/2022-world-endurance-championship>.

Athletes ranked with more than two (2) horses must declare in writing to Steven Morrissey (smorrissey@usef.org) the two (2) horses that they wish to remain in consideration by August 20, 2022 (*subject to change due to confirmation of the Nominated Entry deadline*).

FEI Nominated Entry List:

Following the close of the Application of Intent on August 20, 2022 at 11:59pm, ET (*subject to change due to confirmation of the Nominated Entry deadline*) and by no later than the FEI deadline for the Nominated Entry (TBC), the Selectors Group, will recommend to the USEF Endurance Sport Committee, the five (5) athlete/horse combinations and up to the maximum number of substitutes/replacements to be included on the FEI Nominated Entry List, subject to the approval of the USEF Board of Directors or an Ad Hoc Selection Group of the USEF Board of Directors.

The Selectors Group, in evaluating athlete/horse combinations to be named to the FEI Nominated Entry, will base their evaluations on the following:

1. Meet the FEI and USEF Qualification Criteria; and
2. Final Placing on the Ranking List;

Five (5) athlete/horse combinations will be included in the official invitation to attend the Event based upon their position on the final ranking list. The number of athletes and horses allowed to travel to the Event is subject to the approval of the FEI and Organizing Committee as stated in the Definite Schedule for the Event. (FEI Rules for Endurance, Articles 844.5.2). If an athlete declines an invitation or requests removal from the FEI Nominated Entry List, the next highest ranked athlete/horse combination will be invited to serve as members of the Team or as a substitute/replacement. Athletes with a second horse can only use the second horse based upon its position on the ranking list. Athlete/horse combinations serving as members of the Team or as a substitute/replacement and attend the Event may only compete based upon their position on the final ranking list. Please see Section II for Last Date for Replacements.

Nominated Entry athlete/horse combinations may be substituted with replacement athlete/horse combinations for any of the Reasons for Removal as listed in Section VII. Any substitutions for veterinary reasons must be documented by the Team Veterinarian.

Veterinary Examination (*subject to budget*): Prior to the horses departing for the Event, the five Team horses and a minimum of the first two alternate horses may be subject to a veterinary examination by the Team Veterinarian and/or Veterinary Panel. The decision to request a Veterinary Examination of the

five Team horses and a minimum of the first two alternate horses will be at the sole discretion of the USEF. Further details of the date and location of the veterinary examination will be communicated no later than 60 days prior to the start of the Event. All members of the Veterinary Panel will be FEI registered Veterinarians and be approved by the USEF Endurance Sport Committee. At the athlete's expense, an athlete may request a personal veterinarian of their choice be present to observe the veterinary examination. The veterinary examination is to be carried out in the methods outlined in the FEI Endurance Rules: Annex 5:

https://inside.fei.org/sites/default/files/FEI%20Endurance%20Rules%20-%201%20January%202021%20-%20CLEAN.final_.pdf

II. Last Date for Replacements: The Last Date for Replacements is the last date at which an athlete or horse can be substituted into the Team selected to travel to the Event based upon their position on the final ranking list. The date will be based on when the U.S. horses fly to the Event, where they fly from, and the availability of space on horse flights departing at a later date and the practicality of traveling a horse at a later date. The date will be circulated as early as is practical and once travel plans are known. To clarify, the 2022 funding is yet to be confirmed so it may be possibly that athletes are responsible for organizing and funding their horse's transport to/from the Event, subject to confirmation of the funding received for 2022.

See Section VIII for the method in which substitution/replacement athletes and horses should be selected, should a vacancy occur.

III. FEI Definite Entry: The FEI Definite Entry will be done in accordance with the FEI Rules for Endurance, Article 844.3.1 and FEI General Regulations, Article 116.2.2(ii).

After Acceptance of the FEI Definite Entries and up to one (1) hour before the First Horse Inspection: Replacements will be made according to the FEI Rules for Endurance, Article 846 and in accordance with the criteria outlined in Section VIII.B.3.

Declaration of Starters: The Declaration of Starters will be done in accordance with FEI Rules for Endurance, Article 845.

To clarify, only those athletes and horses named to the FEI Nominated Entry List for the U.S. are allowed to compete at the Event.

IV. Provided below are the names of all committee/groups who oversee the selection process, including the name(s) and roles(s) of their members: The USEF Endurance Sport Committee will oversee the selection process, which shall be reviewed by the International Disciplines Council or an Ad Hoc Group of the International Disciplines Council, with final approval by the USEF Board of Directors or an Ad Hoc Selection Group of the USEF Board of Directors (see Attachment F for the list of USEF Committees, their roles, and list of members).

V. Other Consideration:

A. Equine Drug Testing: All applicant horses are subject to drug testing both in competition and out of competition.

In-Competition. All horses entered to compete in any FEI or USEF competition are subject to drug testing at any time from when the competition begins until the competition ends or beginning when the horse arrives for the competition until the competition ends, whichever beginning occurs first. Blood and/or urine samples may be collected and tested for substances prohibited or forbidden under the subject competition rules. National competitions may invoke GR409 whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Positive Finding. At any time during the observation and selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, is detected in

the sample collected in-competition, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or the Discipline Director for dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by a panel (“Selection Hearing Panel”) comprised of at least one member of the applicable discipline Sport Committee along with at least two members of the Hearing Committee, one of which must be an Eligible Athlete. The Chairman of the USEF Veterinary Committee, or his designee, may serve Ex Officio and a member of the Veterinary Advisory Group selected for the event may serve Ex Officio.

Out-of-Competition. Blood and/or urine samples may be collected out-of-competition at any time throughout the selection period, which is defined as commencing on February 1, 2021 (*the start date of the USEF Qualifying Period*) following notification to the athlete at least 24 hours prior to collection of samples. Samples collected from horses out-of-competition will be tested for the presence of substances prohibited by the FEI, including metabolites and markers. Failure to make the horse available for collection of samples may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite marker, in the sample, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or the Discipline Director for dissemination of information as appropriate. In such instances, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process unless the Veterinary Advisory Group appointed for the Selection of the Event certifies that the substance detected has been approved or is legitimate and appropriate under the circumstances. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

This provision does not abrogate the enforcement of applicable equine anti-doping rules at Federation licensed competitions, including competitions where GR409 is invoked whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

USEF GR409.2 Equine Drugs and Medications, Prohibited Substance Provisions

No horse and/or pony competing in a Breed or Discipline designated as (or part of) a No Prohibited Substance Group is to be shown in any class at a competition licensed by the Federation if it has been administered in any manner or otherwise contained in its tissues, body fluids or excreta a prohibited substance as defined in the FEI Equine Anti-Doping and Controlled Medication Regulations, which can be found at www.fei.org.

B. Medical Request: In the event of illness or injury, applicants may be required to submit to a medical examination by physician(s) approved by the USEF International Disciplines Council at any time during the selection process for the purposes to determine the athlete’s ability to compete at the Event. Failure to submit to such examination may result in the removal of the athlete from the selection process upon the recommendation of the Selectors Group, USEF approved physician(s), and the USEF Endurance Sport Committee, with the approval of the USEF Board of Directors or Ad Hoc Selection Group. Following the examination, should the

USEF approved physician(s) find the athlete to be unfit to compete, the athlete will be removed from the selection process with the recommendation of the USEF Endurance Sport Committee, and approval by the USEF Board of Directors or Ad Hoc Selection Group.

VI. Selection

A. Rationale for utilizing selection: Selection is used to field the best team possible.

B. Selection criteria and explain how it will be used: See Section I.2 and Section I.3.

C. Selection Committee:

1. Names of the Committees(s) or Individuals that will be responsible for selection per FEI and USOPC requirements:

-USEF Endurance Selectors Group

-USEF Endurance Team Veterinarian and/or Veterinary Panel

-USEF Endurance Sport Committee

-USEF Board of Directors or Ad Hoc Selection Group

2. Complete list of the members of the committee(s), their titles and their National Governing Body (NGB) role that qualifies them to serve in this capacity: See Attachment F for the list of USEF Committees, their roles, and list of members.

Selectors Group: Three (3) individuals (the “Selectors”) will be appointed by the USEF International Disciplines Council and approved by the USEF Board of Directors upon recommendation of the USEF Endurance Sport Committee. The Selectors are subject to the USEF Code of Conduct (Attachment C) and the USEF Code of Ethics and Conflict of Interest Policies of the USEF (Attachment G). The Selectors are Senior Active Members in good standing of USEF, who are also members of the Endurance Community and are knowledgeable and experienced in Endurance at the international level and include one Endurance Eligible Athlete Representative as defined by the USOPC (See Definitions on page 12) but who is not an applicant for the Team (“Eligible Athlete Representative Selector”).

A minimum of two (2) Replacement Selectors will also be named. A Replacement Selector will take the place of a Selector who has a conflict of interest or a substantial appearance of a conflict of interest. There will be a minimum of 20% Eligible Athlete representation on the panel of the Selectors.

Ad Hoc Selection Group: The Ad Hoc Selection Group is approved by the USEF Board of Directors.

3. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the Committee: Any member of the Selection Committee who has a possible conflict of interest must disclose it. If such conflict exists, the Selection Committee member must recuse him/herself from Committee discussions and voting. Further, the Committee member should not otherwise influence other members of the Committee in the nomination process. However, a Committee member who recused themselves, but who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the Selection Committee, provide such information to the Committee so long as information is provided in a fair and unbiased manner and the Committee member who declared the conflict of interest does not vote toward the final decision.

VII. Removal of Athletes

A. An athlete may be removed from the FEI Nominated Entry List or Definite Entry List for any of the following reasons, as determined by USEF and in accordance with the procedures:

- Voluntary withdrawal. Athlete or Owner must submit a written letter via email (smorrissey@usef.org) to the USEF CEO and Endurance Department.
- Injury or illness as certified by a USEF approved physician (or medical staff). If an athlete refuses verification of their illness or injury by a USEF approved physician (or medical staff), their injury will be assumed to be disabling and they may be removed in order to meet FEI General Regulations, Article 117.2.
- Injury or illness as certified by the Team Veterinarian and/or Veterinary Panel. If an athlete and/or horse owner refuses to have the horse examined by the Team Veterinarian and/or Veterinary Panel, the injury or illness will be assumed to be disabling and the horse may be removed.
- Violation of the USEF Code of Conduct and Grievance Procedures (Attachment C).
- Violation of the USEF Safe Sport Policy or U.S. Center for SafeSport Code (Attachment E).
- Failure of an owner(s) to sign the USEF Horse Participation Agreement (Attachment B).
- Detection of a prohibited substance in the horse.
- Failure to adhere to all World Anti-Doping Agency (WADA), FEI, USEF and U.S. Anti-Doping Agency (USADA) anti-doping protocol, policies and procedures including participation in out-of-competition testing as required by WADA, FEI, USEF, and USADA Rules.
- Exceptional circumstances having a direct bearing upon obtaining the best prepared team for the Event, in consultation with the Chef d'Equipe.
- Failure to comply with a request of the Team Veterinarian and/or member of the Veterinary Panel.
- Failure to adhere to the agreed upon plans and/or directives of the Chef d'Equipe.

In these procedures, the removal of an athlete is closely related to the process by which he would be substituted. Therefore, the reasons for which an athlete may be removed are thoroughly addressed in Section VIII, Substitution/Replacement of Athlete and/or Horse.

An athlete removed from the Team pursuant to this provision has the right to a hearing under the USEF's Bylaws, Article 703 and USEF General Rules, Chapter 6, GR 605 or USOPC Bylaw, Section 9.

B. After the acceptance of nomination by the FEI:

The USEF has jurisdiction over the Squad, Team or Individuals once the Nominated Entry List is submitted to the FEI. An athlete may be removed from the Team and/or as an Individual at any time for the following reasons, as determined by the USEF in accordance with these procedures:

- Voluntary withdrawal. An athlete or owner must submit a written letter via email (smorrissey@usef.org) to the USEF CEO.
- Violation of WADA, FEI, USEF, USADA anti-doping protocol, policies and

procedures.

- Injury or illness as certified by a USEF approved physician (or medical staff) in order to meet FEI General Regulations, Article 117.2.
 - Injury or illness as determined by the Team Veterinarian and/or Veterinary Panel. If an athlete and/or horse owner refuses to have the horse examined by the Team Veterinarian and/or Veterinary Panel, the injury or illness will be assumed to be disabling and the horse may be removed.
 - Violation of the USEF Code of Conduct and Grievance Procedures (Attachment C).
 - Violation of the USEF Safe Sport Policy or U.S. Center for SafeSport Code (Attachment E).
 - Exceptional circumstances having a direct bearing upon obtaining the best prepared team for the Event, in consultation with the Chef d'Equipe.
 - Failure to comply with a request of the Team Veterinarian and/or member of the Veterinary Panel.
 - Failure to adhere to the agreed upon plans and/or directives of the Chef d'Equipe.
- C. An athlete may be removed from the FEI Nominated Entry List, FEI Definite Entry List, Squad, or Team at any time for violation of WADA, FEI, USEF, USADA anti-doping protocol, policies, and procedures (See VII above).

VIII. Substitution/Replacement of Athletes and Horses

- A. Following is the process by which the substitution/replacement pool of athletes and horses will be identified:** The ranked list of athletes on the FEI Nominated Entry List for the U.S. will comprise the pool of substitute/replacement athletes and horses.
- B. Substitution/Replacement athlete(s) will be selected, should a vacancy occur according to the following method:**
- 1. Prior to the acceptance of the Nominated Entry List by the FEI:** Once the Team for the Event has been announced and prior to the submission of the FEI Nominated Entry List, Team members and substitutes may be substituted with substitute athlete/horse combinations for any of the reason outlined in Section VII (Removal of Athletes) based upon their position on the final ranking list. Team members may only be substituted with substituted athlete/horse combinations for veterinary or medical reasons, or for breach of the USEF Code of Conduct or Safe Sport Policy, but in consultation with the Team Veterinarian and the Chef d'Equipe/Technical Advisor, and at the recommendation of the Selectors Group and USEF Endurance Sport Committee with approval by the USEF Board of Directors or an Ad Hoc Selection Group of the USEF Board of Directors. Any substitution for veterinary reasons other than voluntary withdrawal must have approval for the Team Veterinarian. Any substitution for medical reasons other than voluntary withdrawal must be documented by physician(s) approved by the USEF.
 - 2. After acceptance of the FEI Nominated Entry List and until the Last Date for Replacements:** After the Team and substitutes for the Event have been announced and prior to the last day for replacement, Team members may only be replaced with athlete/horse combinations for veterinary or medical reasons or for breach of the USEF Code of Conduct or Safe Sport Policy, or for failure to sign the USEF Horse Participation Agreement.

The Last Date for Replacements is the last date at which an athlete/horse combination can be substituted into the Team selected to travel to the Event based upon their position on the final ranking list. The date will be based on when the U.S. horses fly to the Event, where they fly from and the availability of space on horse flights departing at a later date and the practicality of traveling a horse at a later date. The date will be circulated to all athletes selected to the FEI Nominated Entry List as soon as the Definite Schedule for the Event is published. To clarify, athletes are responsible for organizing and funding their horse's transport to/from the Event.

Any replacement for medical reasons must be documented by a physician(s) approved by USEF or physically present at the Event venue approved by the FEI. Any replacement for veterinary reason must be documented by the Team Veterinarian.

- 3. After Last Date for Replacements and until one (1) hour before the First Horse Inspection:** After the Last Date for Replacements and up until one (1) hour before the First Horse Inspection, the athlete and/or horses may be removed for reasons set forth in Section VIII. During this time period, Team members may only be replaced with a reserve present at the Event. However, the reason for a substitution must only be because either, the athlete is unfit to compete due to injury or illness or there is a strong veterinary case for substitution or the performance of the Team member has dropped off to such an extent that for the success for the Team, a substitution is vital. The latter substitution will almost certainly occur as a result of a veterinary problem which it may or may not be possible to define given the time/resources available at the time. Replacements may only be made by the recommendation of the Chef d'Equipe/Technical Advisor, with approval of the USEF Director of Sport, Endurance Team Leader, and/or Team Veterinarian present at the Event. Any replacement for medical reasons must be documented by a physician(s) physically present at the Event venue approved by the FEI. Any replacement for veterinary reasons must be documented by the Team Veterinarian.
- 4. After the Declaration of Starters:** Will be done in accordance with FEI Endurance Rules, Article 846. At this point, the Chef d'Equipe/Technical Advisor will declare the names of the athletes and of the horses allocated to the athletes definitely starting the Event.
- 5. After the Declaration of Starters and up to two (2) hours before the scheduled start time of the Competition:** During this time period, USEF has the ability to request permission from the Ground Jury to replace athletes and/or horses on the Team for reasons set forth in Section VIII. During this time period, Team members may only be replaced with a reserve present at the Event. However, the reason for substitution must only be because either, the athlete is unfit to compete due to injury or illness or there is a strong veterinary case of substitution or the performance of the Team has dropped off to such an extent that for the success of the Team, a substitution is vital. The latter substitution will almost certainly occur as a result of a veterinary problem which it may or may be possible to define given the time/resources available at the time. Replacements may only be made by the recommendation of the Chef d'Equipe/Technical Advisor, with approval of the USEF Sport Director, Endurance Team Leader, Selector(s), and/or Team Veterinarian present at the Event and in accordance with FEI Rules for Endurance, Article 846 or for reasons set forth in Section VII.
