## CHAPTER MO MORGAN HORSE DIVISION

### SUBCHAPTER MO-1 GENERAL

#### **MO101 Eligibility**

1. Horses shown in this division must be registered with the American Morgan Horse Association, Inc., or an organization having registry reciprocity, (Canadian Morgan Horse Association, British Morgan Horse Society, Swedish Morgan Horse Society.) Horses must be entered under their full registered name or if under one year of age be eligible for registration. Horses must be entered under the names of the owner(s) or lessee of record. A copy of the registration papers showing recorded ownership or proof of lease must be submitted with entry form at the time of making entry. Competition management is responsible for notifying exhibitors of this requirement.
2. Canadian horses born after January 1, 1985, can be shown with Canadian registration papers as long as the papers do not state "not eligible for U.S. reciprocity."
3. Owners (lessees), riders, drivers, handlers, coaches, and trainers of horses participating at Federation licensed competitions in all Morgan sections must be current members in good standing with the American Morgan Horse Association, Inc., or an organization having registry reciprocity (or pay a non-member fee. Set fees shall be payable to AMHA.) An original or a copy of the membership card must be provided to the competition unless the competition, at their discretion, confirms membership electronically with one of these organizations. Lessees are considered owners in connection with this membership requirement. In the event of an entry under multiple ownerships, only one owner need be a member. Exceptions: Exhibitors in Leadline and/or Walk-Trot classes are exempt from this membership requirement. AMHA membership or non-member fee is not required at a Lite Competition. Additionally, a parent/guardian when only signing an entry blank for a minor is not required to be a member or pay a non-member fee.
4. In classes for Maiden, Novice or Limit horses, ribbons won as a driving horse within a section do not count when reckoning the status of the horse as a driving horse in another Section. In classes for Maiden, Novice or Limit horses, ribbons won as a saddle horse within a section do not count when reckoning the status of the horse as a saddle horse in another Section. Ribbons won as a driving horse do not count when reckoning the status of a saddle horse and visa versa.
5. In classes for Maiden, Novice or Limit riders, ribbons won in any saddle class of any Division or Section shall count in reckoning the status as a rider. In classes for Maiden, Novice or Limit drivers, ribbons won in any driving class of any Division or Section shall count in reckoning the status as a driver.

#### **MO102 Type and Conformation**

1. The Morgan's form and movement in its distinctive gaits is the result of selective breeding and good training. A Morgan is distinctive for its stamina and vigor, personality and eagerness and strong natural way of moving. The head is made up of a straight or slightly dished face; large prominent eyes set wide apart; short and shapely ears set rather wide apart and carried alertly; small muzzle with firm lips and large nostrils; well-rounded jowls. In body conformation the Morgan gives the appearance of a very strong powerful horse with great shoulder angulation and depth, short back, broad loins, croup long and well-muscled and with tail attached high and carried gracefully and straight. Head is carried proudly and neck slightly arched meeting the head at a well defined throttle. Legs are straight and sound with short cannons, flat bone, medium length pasterns and an appearance of overall substance with refinement. The Morgan ranges from 14.1 to 15.2 with occasional entries over and under.
2. The Morgan horse is judged against the criteria set forth in The Morgan Horse Judging Standards. The Standards supplement the Federation Morgan Division rules. Federation rules take precedence. It is the responsibility of judges, stewards, exhibitors and officials to be familiar with the criteria and intent of The Morgan Horse Judging Standards. The Morgan Horse Judging Standards contain no protestable rules.
3. Entries shall be serviceably sound and in good condition. Animals with complete loss of sight in one eye may be found serviceably sound at the judge's discretion, except in a class over fences where a judge may ask a rider to change horses.

4. Morgan horses shall exhibit natural tail carriage. See MO114.2.
5. The specific kind of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed.
6. Morgan division classes which are judged without consideration for type and conformation shall include Reining, Working Western, Trail, Jumper, Carriage Driving, Eventing, Sport Horse, Fitting & Showmanship, Dressage and Equitation.

## **MO103 Shoeing Regulations**

1. Except for weanlings and yearlings which must be shown barefoot, horses may be shod or barefoot. If shod, the shoe may be of any type and configuration. Exception: In the case of the bar shoe, the bar may not extend below the ground surface of the shoe. Borium or standard screw-in caulks are allowed.
2. There are different length restrictions according to the section or class within the Morgan Division.
3. If the limit for length of toe and/or width of pad is exceeded, the horse must be disqualified from the entire competition and forfeit all entry fees and all winnings including but not limited to all prize money, sweepstakes, trophies, scholarships, ribbons, points, etc. from the entire competition.
4. In Classic Pleasure classes the length of toe must not exceed 4 1/2" including pads and shoes.
5. In English Pleasure, Western Pleasure, Hunter Pleasure, Pleasure Driving, and Natural Park classes the length of toe must not exceed 5" including pad and shoe.
6. In all In-Hand classes, Parade, Park Saddle, Park Harness, Hunter, Jumper, Eventing, Cutting, Reining, Working Western, Carriage, Morgan Heritage, Equitation and all other Morgan Classes (exception: English Pleasure, Pleasure Driving, Western Pleasure, Hunter Pleasure, Natural Park, and Classic Pleasure Sections) the length of toe must not exceed 5 3/4" including pads and shoe.
7. At an all Morgan competition and any competition designated as an AMHA Regional Championship Competition, all Champions and Reserve Champions in classes restricted to Morgans must have one foot measured by the C2 Steward immediately upon leaving the ring except in classes where points are accumulated to determine Championships (i.e., Dressage and Hunter) (See GR510).
8. In Morgan Division classes which are judged without consideration for type and conformation where the Federation has specific shoeing regulations in the discipline rules, those Federation rules govern all Morgan classes, except the length of toe must not exceed 5 3/4" including pads and shoe. In Saddle Seat Classic Equitation, the Classic Pleasure shoeing will prevail (MO127.3).
9. See GR804, GR507.1, GR510 and GR512, GR513.

## **MO104 Special Requirements**

1. Stallions are prohibited in Ladies, Junior Exhibitor, Equitation, Walk/Trot, and Leadline Classes.
2. It is the responsibility of all exhibitors to officially scratch entries in any event in which they do not plan to participate.
3. An exhibitor is allowed only one time-out per class including Hunter Seat Equitation on the Flat. (See GR833.1) Exception: No time outs are permitted in the Working Western Section.
4. Side saddle riders, in appropriate tack and attire, are allowed in all classes except equitation.
5. Electronic communication devices used for purposes of coaching exhibitors during a competition are prohibited in all classes in the Morgan Division. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional's office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report. An exhibitor with a disability (other than hearing) will be provided reasonable accommodation upon submission of a written certification from a treating medical professional's office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.
6. All headers in the Morgan division must be a minimum of sixteen (16) years of age (Federation competition age, see GR103).

7. Model classes are prohibited.
8. When the terms “prohibited”, “not permitted”, “mandatory”, or “required” are used in these rules, any competitor who fails to comply **MUST BE ELIMINATED** by the judge, unless another penalty is stipulated. When the terms “must” or “shall” are used in these rules, and no penalty is prescribed, any competitor who fails to comply must be penalized by the judge. When the term “should” is used in these rules, any competitor who fails to comply may be penalized at the judge’s discretion.
9. Horses entered in Amateur Owner and Junior Owner classes must be registered in the name of the competitor or a member of the competitor’s family, as defined by GR123. (Horses registered in a farm/ranch/syndicate/partnership/corporation name may be shown in Amateur Owner classes provided the family is the sole owner of the farm or entity as defined by GR123. The sale of a horse does not eliminate this registration requirement. (Contracts of Sale or Bill of Sale will not be accepted.) In the case of a junior exhibitor, the parent or guardian must sign.
10. In the Morgan Division, classes that are judged without consideration for type and conformation (See MO102.6), the judging of these disciplines and classes will be conducted under the Federation rules of the applicable chapters and the Morgan Subchapters (Morgan Dressage, Working Western, and Fitting & Showmanship).
  - a. When the Dressage chapter is referenced herein, any rule or portion of a rule that is in direct reference to USEF/USDF or USEF National Championships shall be disregarded for the purpose of breed Dressage classes.
11. The first word of the class description denotes which criteria is used for judging the class. For example, an Amateur Ladies class will follow the rules and specifications of an amateur class.

## **MO105 Appointments**

1. The Morgan is shown in all its natural beauty with a full mane, forelock and tail. Braiding is permitted only in Hunter, Jumper, Dressage, Sport Horse, and Carriage Pleasure Driving. Braiding is also permitted in performance and equitation classes when shown under proper hunter, dressage, sport horse, or carriage driving tack and attire.
2. The use of any device in the ring to alter the natural carriage of the tail or ears shall result in disqualification. The steward may check for appliances to alter the ear carriage when measuring feet for championships. Rubber bands, an inconspicuous braid or tape in the forelock are permitted. In harness classes, an inconspicuous braid in the end of the tail is permitted to allow it to be fastened to the driving vehicle.
3. The use of supplemental hair on the horse is prohibited in any class restricted to Morgans and shall result in disqualification from the competition, and all entry fees and winnings of the entry for the entire competition will be forfeited.
4. Boots and other artificial appliances are forbidden in the Morgan division during competition in a class. Exception: boots are permitted in all Reining, Working Western, Roadster, Jumper, Hunter on the Flat Equitation, and Hunter Seat over Fences.
5. In case of inclement weather competition management may permit the use of polo boots or bandages and may allow tails to be tied up provided this is publicly announced before a class or session.

1. Rider's attire must be suitable to the saddle being ridden. Protective headgear (See GR801) may be worn without penalty.
2. **Protective headgear is not required in any class in the Morgan Division unless stated otherwise within these rules. Use of protective headgear cannot be penalized.** Protective headgear must be worn by riders in lead line classes at all times while mounted.

*BOD 01/25/25 Effective 04/01/25*

## **MO107 Division of Classes**

1. All Harness classes must be divided if there are over 25 entries or in which safety appears to be a factor in the judgment of the show committee and/or judge.
2. In a divided class, separate ribbons and trophies will be awarded. Management, at its discretion, may divide or duplicate the prize money. Exception: In Championship classes or in classes in which a Challenge or Perpetual Trophy is offered, eliminations followed by a work off will determine the final placings.

## **MO108 Championship Classes**

1. At All-Morgan competitions and any competition designated as an AMHA Regional Championship Competition, stripping of horses is mandatory in open and junior horse championship classes under saddle (Park Saddle, English Pleasure, Hunter Pleasure, Western Pleasure Sections) when type and conformation are part of the specifications. (Exception: One horse classes, Parade classes and Classic Pleasure Saddle classes.) All judges must walk the line at Regional and National Championships in classes restricted to Morgans. At other than All- Morgan competitions, stripping of horses is mandatory in open and junior horse championship classes under saddle (Park Saddle, English Pleasure, Hunter Pleasure, Western Pleasure Sections) when type and conformation are part of the specification unless the prize list states that it is not required. Stripping of these horses will be accomplished by not more than two attendants assisting the rider. Refer to GR808, GR809, GR810.2.
2. To be eligible to show in a Performance Championship class a horse must have been properly entered, shown and judged in one qualifying class in the same section. An entry which while performing in a qualifying class fails to qualify by reasons of equipment repair, shoeing time, illness (certified by the official veterinarian) or failure of a class to fill shall be permitted to pay double fee and make a post entry in another qualifying class in the section or if no subsequent qualifying class is available for such post entry, the horse shall be considered qualified for the Performance Championship class, provided the horse has previously been entered in the Championship or Stake. (See also GR117.3).
  - a. If stated in the Prize List, an amateur who participates in the Ladies or Gentlemans class of a given section is eligible for the Amateur Championship of said section if a Ladies Championship or Gentlemans Championship is not held.

## **MO109 Stakes**

At an all Morgan competition and any competition designated as an AMHA Regional Championship Competition, all classes that require a qualifying class must be called a championship. (Refer to MO103.7 and MO108.1) At all other competitions, a stake class may either be a qualifying class for the championship or the final competition for that particular division. Stake classes must be judged by the same specifications as qualifying classes.

## **SUBCHAPTER MO-2 ALL IN-HAND CLASSES**

### **MO110 Appointments**

1. Rubber bands or tape inconspicuously applied in the forelock are permitted.

2. Curb bits are prohibited for weanlings and yearlings in In-Hand classes.

## **MO111 Shoeing**

In all In-Hand classes the length of toe must not exceed 5 3/4" including pads and shoe.

## **MO112 Class Specifications**

1. Entries are to be judged individually, standing then at a walk and trot on the line and must be serviceably sound.
2. Horses should stand with front legs perpendicular to the ground. Rear legs may be placed slightly back. The horse is also judged at some time during the class not stretched.
3. Emphasis is placed on type and conformation with consideration given to horse's ability to move correctly on the lead. Unnatural tail carriage should be penalized. See MO102.4 and MO114.2.
4. No more than two handlers shall be allowed in the ring to show each horse in In-Hand classes. No item may be used inside or outside the ring while showing the horse except one whip per handler. (See General Rules, GR803.)

## **MO113 Classes**

1. There is only one standard for type and conformation of the Morgan horse. If In-Hand classes are offered for horses in specific disciplines or specific classes or suitable to become classes (Classic Pleasure In-Hand, Western In-Hand, etc.) horses are judged against the criteria stated in MO102.  
If such classes are offered competition management must print the above in the prize list to assure there is no misunderstanding and that no horse will be judged against any standard for another breed, discipline, or division.
2. In-Hand classes may include: Weanling colts, Yearling colts, Two-year-old colts, Three-year-old stallions, Four-year-old stallions, Five-year-old and over stallions, Sire and Get Class (stallions to be shown with two to four of Get), Get of Sire (two to four of Get to be shown), Weanling fillies, Yearling fillies, Two-year-old fillies, Three-year-old mares, Four-year-old mares, Five-year-old and over mares (may be divided into mares that have had foals and mares that have not produced foals), Broodmare and foal, Dam and Produce (mares to be shown with two or more of Produce), Produce of Dam (two to four of Produce to be shown), Weanling geldings, Yearling geldings, Two-year-old geldings, Three-year-old geldings, Four-year-old geldings and Five-year-old and over geldings; Champions and Reserve Champions are selected as outlined in GR810.1, GR810.2 and GR810.4.
3. In Classic Pleasure In-Hand classes, all handlers/tailers must not be professionals as defined in GR1306.
4. If specialty in-hand classes are held, they do not qualify for In-Hand Championships and are held according to local specifications.

## **SUBCHAPTER MO-3 SHOWING AND JUDGING REGULATIONS IN PERFORMANCE CLASSES**

### **MO114 Judging**

1. Suitability of the horse and its motion for the type of job at hand is essential. Natural animated motion is desired in Park Horse classes. Easy ground-covering motion is desired in Pleasure and Working events. Judges must severely penalize any horse with laboring motion at any gait whether or not such motion indicates excessive weight or use of artificial training devices.
2. Judges must penalize unnatural tail carriage, which includes evidence of tail-setting and/or vertical break-over, dead tail and wry tail (wry tail is defined as askew, deformed, distorted or twisted). Judges must severely penalize tails carried vertically with an abrupt break-over (double-vertical).
3. Unless class specifications state otherwise entries are judged 40% on type and conformation and 60% on other qualifications appropriate to the class. Stakes are judged as qualifying classes. In Championship performance classes type and conformation shall count 50%. Judges must strictly apply these percentages.
4. Youth classes are to be judged in accordance with Open class specifications, open to exhibitors 21 years of age and under. A youth rider or driver may exhibit stallions, mares and geldings.

5. Cross entering between Youth and Junior Exhibitor classes is permitted unless prohibited in the prize list.
6. Horses are to be shown at all required gaits both ways of the ring.
7. All horses chosen for a workout must be worked both ways of the ring at any gait requested.
8. In Pleasure Classes Under Saddle, horses must not be tested on obstacles.
9. Masters Classes are restricted to amateur riders/drivers age 50 years and older.

## **MO115 Qualifying Gaits**

1. Walk: Flat-footed, steady, elastic.
2. Park Walk: Snappy, collected, animated, elastic and on a straight line.
3. Trot: Square, collected and balanced.
4. Park Trot: Animated, square, collected and balanced.
5. Pleasure Trot: Easy going trot with elasticity and freedom of movement.
6. Extended Trot: The extended trot should be bold, energetic, balanced and ground covering with a definite lengthening of stride resulting in an increase of speed without a sense of racing or straining. The mouth should remain light and the horse should demonstrate a complete acceptance of control without resistance at all times. A horse that does not remain light in the mouth and does not demonstrate a complete acceptance of control without resistance should be penalized.
7. Road Trot: Balanced, ground covering. Form should not be sacrificed for speed. Excessive speed should be penalized.
8. Slow Trot: (Formerly "Collected") The neck is raised, thus enabling the shoulders to move with greater ease in all directions, the hocks being well engaged and maintaining energetic impulsion, not withstanding the slower movement. The horse's steps are shorter but they are lighter and more mobile.
9. Working Trot: This is a pace between the strong and the slow trot and more round than the strong trot. The horses go forward freely and straight, engaging the hind legs with good hock action, on a taut but light rein, the position being balanced and unconstrained. The steps should be as even as possible. The hind feet touch the ground in the foot prints of the fore feet. The degree of energy and impulsion displayed at the working trot denotes clearly the degree of suppleness and balance of the horses.
10. Strong Trot: ("Trot On") Clear but not excessive increase in pace and lengthening of stride while remaining well balanced and showing appropriate lateral flexion on turns; light contact to be maintained. Excessive speed will be penalized. The term used for calling this gait is "Trot on."
11. Jog-Trot: A free, easy, two beat diagonal gait without a tendency to mix gaits.
12. Extended Jog-Trot: A lengthening of stride while maintaining a free and easy two beat diagonal gait.
13. Canter: Smooth, collected and straight on both leads.
14. Lope: Smooth, slow, straight and a three beat cadence.
15. Extended Lope: A lengthening of stride while maintaining a smooth, straight, three beat cadence.
16. Extended Canter: The extended canter should be ground covering, free moving and smooth. The extended canter should show a definite lengthening of stride, while still being controlled and mannerly. Extreme speed SHALL be penalized.
17. Hand Gallop: Long, free ground covering stride under control. Not a fast collected canter, but a true lengthening of stride, correct and straight on both leads. Extreme speed penalized.

## **SUBCHAPTER MO-4 MORGAN PARK SECTION**

### **MO116 General**

1. A Ladies Park Horse is outstanding in refinement and elegance, with suitability of horse to rider taken into consideration. Expression is paramount and quality is a prime consideration. 2. A Junior Exhibitor Park Horse should be mannerly, willing and expressive, with balanced action. The execution of gaits should be performed with brilliance on command. 3. An Amateur and Master Park Horse can be a bit stronger and perform in a bolder manner. The mouthpiece consists of a metal bar 5/16" to 3/4" in diameter as measured one inch in from the shank. The bars may be inlaid but must be smooth or latex wrapped. Nothing must protrude below the mouthpiece (bar) such as extensions, prongs or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three piece mouthpiece may include a connecting ring of 1 1/4" or less in diameter or a connecting flat bar of 3/8," to 3/4" (measured top to bottom with a maximum length of 2"), which lies flat in the mouth, or a roller or port as described herein. Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single ring at center of cross bar must not be used. A standard snaffle bit is defined as a center jointed single rounded, unwrapped smooth mouthpiece of 5/16" to 3/4" diameter metal as measured from ring to 1" in from the ring with a gradual decrease to the center of the snaffle. Attached reins must be of hair, rope, leather or leather-like materials. Other material of any kind must not be used in conjunction with a bosal, i.e., steel, metal or chains (Exception: Smooth plastic electrical tape is acceptable).
5. Artificial appliances that tend to alter performance are prohibited. Use of tongue ties or materials of any kind placed in the horse's mouth other than a standard Western bit or snaffle bit as defined in MO132.2 and MO132.3 is prohibited. Curb chains and leather chin straps may be used but must be flat and at least 1/2" in width and lie flat against the jaws of the horse. Wire, rawhide, metal or other substance must not be used in conjunction with or as part of the leather chin strap, or curb chains. Rounded, rolled, braided or rawhide curb straps are prohibited. ## **SUBCHAPTER MO-9 MORGAN ROADSTER SECTION**

### **MO140 General**

1. Gait requirements. The principal assignment for Roadsters is the trot. They shall be asked to trot at three distinctive speeds; the slow jog-trot, the faster road gait and at full speed. Judges may ask Roadsters to walk. At all speeds they shall work in form with their heads set and their legs working beneath them. The trot should be balanced. Long sprawling action in front, dragging or trailing hind legs and spraddle gaited behind makes a balanced trot impossible. Animation, action, brilliance and competition ring presence should characterize Roadsters in working at a jog-trot or road gait. When asked to show at speed, they must show speed and go in form. Although speed is of great importance, horses that pace, break or run on the turns must be severely penalized.
2. Judging Procedure. Roadsters enter the ring clockwise at a jog-trot, show at a road gait; turn counter-clockwise at the jog-trot, show at a road gait and then trot at speed. Horses should be shown on the rail at all times, except when passing and should go to the far end of every corner without side reining, should be light mouthed, capable of being taken up at any time, willing to walk and stand while being judged in the line-up. When horses are lined-up, no header is permitted and driver shall not leave their vehicle when left in the center of the ring while part of the class is on the rail for a workout. During the line-up, headers are permitted in Amateur, Master, Ladies and Juvenile Roadster classes. The header must not touch the entry except for safety reasons. During a workout the header may uncheck and hold the entry. However, when the workout is over the horse must be rechecked and the header must move away from the horse. The header must take no action that would affect the performance of any animal.

See GR801. Except as may otherwise be mandated by local law, while riding or driving a Roadster anywhere on the competition grounds, all juniors riding or driving a Roadster in Morgan, Bike or Under Saddle classes must wear properly fitting protective headgear, as specified in GR801. 1. Morgan Working Hunter horses may be shod for the type of terrain being utilized. There are no specific weight limits, but the length of toe must not exceed 5 3/4" including pad and shoe. Weight attached to the exterior of the hoof or pad is prohibited. Borium or standard screw caulks are allowed.
2. At an all Morgan competition all Champions and Reserve Champions must have one foot measured immediately upon leaving the ring except in classes where points are accumulated to determine Championships (i.e. Dressage & Hunter). See GR510.

## **MO149 Courses**

1. The prize list must specify the fence heights of classes offered which must never exceed the stated height. Course diagrams must be posted at least one hour prior to the class and fences must be numbered and the direction taken noted. If courtesy circles are to be restricted by a mandatory line, the line must be clearly marked on the course diagram and a marker must be on the course.
2. Solid, sturdy obstacles are necessary and care must always be used in the placement, design and the flow of the course. Ground lines are crucial and the obstacles should simulate those found in the hunting field-post and rails, brush, stone and brick walls, white board fences, and gates, coops, oxers, etc. Targets and striped rails are not appropriate, but can often be redecorated or camouflaged to achieve a hunter style course. Handy class obstacles should simulate those found in hunt country. There should be at least two changes of direction and a combination. For In and Outs, refer to HU113.
3. Horses must execute at least eight jumping attempts. Any number of fences, jumped multiple times, will suffice. A change of direction is required in all classes.
4. Except in cases of inclement weather, broken equipment, safety reasons or similar emergency, a course must not be altered except by permission of all exhibitors. Management may substitute original obstacles if they are rendered unusable.

## **MO150 Height of Obstacles**

1. All obstacles must be set at the required height. The required height may have a variance of no more than 2" over and under.

2. Spreads must not exceed the height of obstacle.
3. The following represent the fence heights of obstacles for Hunter classes:
  - a. Regular Working: 3'-3'3";
  - b. Green Working: 2'6" to 2'9";
  - c. Adult Amateur, Amateur/Owner, Junior Exhibitor, Youth: 2'6" to 2'9";
  - d. Pre-Green: 2'6";
  - e. Modified: 2'6";
  - f. Low: 2'3";

  - h. Under Saddle: Horses to be shown at a walk, trot, canter, and hand gallop both ways of the ring. For safety reasons, the judge may limit the number of horses to hand gallop at one time. Excessive speed at the hand gallop should be penalized. Light contact is required and the horse should be responsive, obedient, alert and move freely. Horses should not be eliminated for slight errors.
  - i. Hunter Hack: Horses to be shown at a walk, trot and canter both ways of the ring. Horses are then individually asked to jump two fences 1'6"- 2'6" in height and hand gallop one way of the ring.
  - j. Bridle Path Hack-Hunter type horse to be shown at a walk, trot, canter and hand gallop both ways of the ring. To back easily and stand quietly while rider dismounts and mounts. Emphasis is placed on actual suitability to purpose.

## **MO152 Championship Points**

1. A championship may not be offered in a section unless a minimum of two over fences classes and one Under Saddle class are held (exception: Ladies Side Saddle does not count). If a competition offers more than one Under Saddle class, only one may count towards the Championship. The prize list must specify the class to count.
2. When a Championship is offered, a poster must be kept in a prominent place with cumulative points charted. Only the first six places count toward Championship regardless of the number of ribbons offered.
3. Ribbons won in restricted classes will not count unless complementary classes are also offered to afford each equal opportunity to fulfill the minimum class requirements.
4. Ties are broken per HU156; the horse scoring the most points over fences wins the tie; or, in the face of a tie after that, the horses are shown and judged as an Under Saddle class.

2. In Hunter Seat, Western Seat, Hunter Seat over Fences and Reining Seat classes, the fall of horse or rider must eliminate the entry. If the fall (or three disobediences in over fence classes) occurs during a ride-off, the contestant must be placed last of those chosen for the ride-off. In Saddle Seat classes, the fall of horse or rider does not necessarily eliminate the rider but may be penalized at the judge's discretion. For Western and Reining Seat classes, see Chapter EQ, Subchapter EQ-4, Western/Reining Seat Equitation Chart.
3. Any rider not having their mount under sufficient control must be dismissed from the ring and shall be disqualified from that class.

5. No rider shall be asked to perform a test on another mount before the rider has been tested on their own.
6. No attendant shall be allowed in the ring except at the request of the judge.

Any competition offering these classes must first receive approval to hold these classes from the AMHA.

8. First and second-place AMHA Medal Class winners qualify to ride in the Medal Class Finals at the next Grand National & World Championship Morgan Horse Show.
9. In Dressage Seat, riders can qualify for the Grand National Gold Medal Class by riding a registered Morgan in an open Federation Dressage competition and earning a score of 60% or higher in Training Level, Test Three. A copy of the test, including name of competition, the score and the judges signature, must be sent to the AMHA office by the rider prior to the Grand National entry deadline.

Any rider who competes in a class of 2 or more and wins and receives the medal is no longer eligible to compete in Medal classes in that seat for the remainder of the qualifying year.
13. AMHA Medal classes do not require a minimum number to fill a class.

## **MO166 Steps To Hold AMHA Medal Classes**

1. Prior to the publication of its prize list, the competition management shall apply in writing to AMHA and include the appropriate fee. Permission to hold an AMHA Medal Class will not be granted to more than one competition at the same location on a particular weekend.
2. Prize lists must refer to the AMHA Medal Class specifications outlined in Rules MO165 and MO168 - MO173.
3. The Competition Secretary must verify that all entries in AMHA Medal Classes are current youth members of AMHA. Members can be verified on the AMHA website. If membership cannot be verified on line participants must present their current AMHA membership card or submit a fee and membership application to the Competition Secretary prior to the class. The competition will be responsible for forwarding these fees to the AMHA. Duplicate membership fees will be credited to the participant's account at AMHA.
4. Post entries may be accepted if the prize list so states.
5. When additional tests are desired, the judge's instructions to the riders shall be publicly announced. It is suggested that the judge go over these instructions with the announcer immediately before they are announced to ensure mutual understanding of the wording. Judges must not confer with riders individually during the lineup. Individual workout instructions may be posted for all competitors to study, at least one hour before the session containing the class. And, if so, announced to the exhibitors.

## **MO167 AMHA Medal Class Finals**

1. All first or second-place AMHA Silver Medal Class winners qualify to ride in the Medal Class Finals held at the next Grand National & World Championship Morgan Horse Show, providing the age eligibility requirement is met, and all riders are current AMHA members.
2. Judges for all AMHA Medal Class Finals must be recognized by the Federation as a Registered (large 'R') judge or recognized as a small 'r' judge in that seat. (Exception: Judges holding an NRHA license may officiate any Reining Seat equitation class, including the AMHA Medal).
3. The winner of an AMHA Medal Class Final is no longer eligible to compete in the medal class in the seat that the rider has won.
4. The names of all AMHA Gold Medal Winners will be engraved on a perpetual trophy that shall remain the property of AMHA and be on display at the AMHA office.
5. A rider need not ride the horse on which they qualified, but must not use a horse in the Dressage Seat Medal Finals that has competed above the Third Level.
6. In the finals, the class must be worked on the rail in groups of 20 or less and all contestants are required to perform an individual workout. If necessary, preliminary classes will be held with ALL riders performing an individual workout. A minimum of 12 riders (with a maximum of 15 riders) will be chosen to compete in the final ride-off. All riders in the final ride-off will be required to perform an individual workout. Scores/placings from the preliminary class will not be carried over to the final ride-off.

9. If an equitation horse is incapacitated in the preliminary or before the ride-off, a substitution will be permitted upon examination of the incapacitated horse by a competition veterinarian and a judge or a steward.

## MO168 AMHA Saddle Seat Medal Class

Exhibitors must be AMHA youth members in good standing and must not have reached their 22nd birthday as of December 1 of the competition year.

### 1. SEAT AND HANDS

- a. GENERAL-Judges should note that the required equitation seat should in no way be exaggerated, but be thoroughly efficient and most comfortable for riding the type of horse called for at any gait and for any length of time. Riders should convey the impression of effective and easy control. To show a horse well, the rider should show themselves to the best advantage. Ring generalship shall be taken into consideration by the judge. A complete picture of the whole is of major importance.
- b. HANDS-Hands should be held in an easy position, neither perpendicular nor horizontal to the saddle, and should show sympathy, adaptability, and control. The height the hands are held above the horse's withers is a matter of how and where the horse carries its head. The method of holding the reins is optional, except that both hands shall be used and all reins must be picked up at one time. Bight of rein should be on the off side.
- c. BASIC POSITION-To obtain proper position, the rider should place themselves comfortably in the saddle and find their center of gravity by sitting with a slight bend at the knees, without the use of irons. While in this position, adjust leathers to fit. Irons should be placed under the ball of the foot (not toe nor home), with even pressure on entire width of sole and center of the iron. Foot position should be natural (neither extremely in nor out).
- d. POSITION IN MOTION-Walk: slight motion in saddle. Trot: slight elevation in saddle while posting; hips under body, not mechanical up and down nor swinging forward and backward. Canter: close seat, going with horse.

### 2. APPOINTMENTS

- a. PERSONAL-Exhibitors and judges should bear in mind that, at all times, entries are being judged on ability. However, neatness should be the first consideration of attire. The following requirements are based on tradition and general present-day customs. Judges must eliminate those contestants who do not conform. Adjustments to tack and attire for valid medical reasons are permitted providing the steward is notified prior to the class. Protective headgear with harness is acceptable.
- b. Informal: Conservative colors are required (i.e. herringbone, pinstripes, and other combinations of colors that appear to be solid). Solid colors include black, blue, gray, dark green, beige, brown, or dark burgundy. Jacket with MATCHING JODHPURS, derby or soft hat, or protective headgear, and jodhpur boots must be worn.
- c. Formal: Even more conservative attire is required for evening wear. Solid colors include dark gray, dark brown, dark blue or black tuxedo-style jacket with collars and lapels of the same color; jodhpurs to match, top hat or protective headgear, cummerbund, and gloves are appropriate. The most formal evening outfit would include a tuxedo-style Saddle Suit, top hat (ladies), homburg (men), patent leather boots, wing collar shirt, white pique tie,

white vest, cummerbund and white gloves. A dark riding habit with accessories and jodhpur boots is also acceptable. Formal riding habits must not be worn before 6 p.m. and are not mandatory after 6 p.m.

- d. Miscellaneous: Spurs of the unrowelled type and whip or crop are optional.
- e. TACK-Bridle: Entries must be shown in full bridles (curb and bridoon). Martingales or similar tiedowns are prohibited. Saddle must be of the flat, English style. Forward seat, Dressage seat, or Western saddles are prohibited.

### 3. CLASS ROUTINE

- a. Entries are to enter the ring at a trot and are to be judged both ways of the ring at the walk, trot, and canter. At the canter, entries should always be on the correct lead. The reverse may be executed by turning either toward or away from the rail. At least the top four riders must perform two or more individual tests. When individual tests are called for, the judge's decision is a 50-50 analysis of the rail work and the individual tests. If there are more than 20 entries in the class, the judge must work contestants in groups of 20 or less. Division of the class must be publicly announced and posted at least two hours prior to the start of the class.

### 4. TESTS FROM WHICH JUDGES MUST CHOOSE

Tests may be performed either individually or collectively but only the tests below may be used. Instructions must be publicly announced. Individual workout instructions may be posted for all competitors to study, at least one hour before the session containing the class, and, if so, announced to the exhibitors.

- a. Address reins-the process of laying down reins and picking up reins (only in line up).
- b. Back for not more than eight steps.
- c. Performance on rail.
- d. Performance around ring.
- e. Feet disengaged from stirrups, then reengaged, in the lineup only.
- f. Change of diagonals down center of ring or on the rail.
- g. Execute serpentine at a trot. A series of left and right half circles off center of imaginary line where correct diagonal must be shown.
- h. Circle at a trot.
- i. Figure eight at trot demonstrating change of diagonals. Unless specified, it may be started either facing the center or away from the center. If started facing the center, it must be commenced from a halt. At left diagonal rider should be sitting the saddle when left front leg is on the ground; at right diagonal rider should be sitting saddle when right front leg is on the ground. When circling clockwise, rider should be on left diagonal; when circling counterclockwise, rider should be on right diagonal.
- j. Execute serpentine at a canter on correct lead demonstrating simple change of lead. (This is a change whereby the horse is brought back to a halt/walk and restarted into a canter on the opposite lead.)
- k. Circle at the canter on the correct lead.
- l. Figure eight at canter on a correct lead demonstrating simple change of lead. Unless specified, it can be started either facing the center, or away from the center. If started facing the center, it must be commenced from a halt. Figures are commenced in center of two circles so that one lead change is shown.
- m. Change leads down center of ring or on the rail demonstrating simple change of lead. The judge must specify exact lead changes to be executed and the beginning lead. In a simple change of lead, the horse is brought back to a halt/walk and restarted into a canter on the opposite lead from the halt or walk.
- n. Demonstration ride of approximately one minute on own mount. Movements must be selected from Tests .a-.m above. Rider must advise judge beforehand what ride they plan to demonstrate. Riders must have with them two copies (one for judge and one for announcer) of a written, one-minute work-out in case the judge asks for this test. The test must be stopped at the end of one minute, but the rider will not be penalized for not completing it.
- o. Exchange horses, no more than three pairs of riders and horses to exchange. Saddle may be exchanged. The attendant for each horse being exchanged must be allowed in the ring only to facilitate the change. This test is used only to break a tie within the pairs of riders. In other words, if two pairs are called to exchange horses, one pair will receive 1st and 2nd place, and the other pair will receive 3rd and 4th place.
- p. Ride without stirrups for a brief period of time, no more than one minute at the trotting phase. Riders may be asked to engage stirrups at a halt or walk

## MO169 AMHA Western Seat Medal Class

Exhibitors must be AMHA youth members in good standing and must not have reached their 22nd birthday as of December 1 of the competition year.

### 1. SEAT AND HANDS

- a. GENERAL-Riders will be judged on seat, hands, performance of horse, appointments of horse and rider, and suitability of horse to rider. Results as shown by the performance of the horse are NOT to be considered more important than the method used in obtaining them.
- b. HANDS-In repose, arms are in a straight line with body, and the one holding the reins is bent at the elbow. Only one hand is to be used for reining and hands shall not be changed. Hand to be around reins. When ends of split reins fall on near side, one finger between the reins is permitted
- c. . When using romal or when ends of split reins are held in-hand not used for reining, no finger is allowed between the reins. The position of the hand not being used for reining is optional, but it should be kept free of the horse and equipment and held in a relaxed manner with the rider's body straight at all times. Rider may hold romal or end of split reins to keep from swinging and to adjust the position of reins, provided there are at least 16 inches of rein between the hands. If a romal is used, hands are to be above the horn and as near to it as possible. Bracing against horn or coiled riata will be penalized.
- d. BASIC POSITION-The stirrup should be just short enough to allow heels to be lower than toes. Body should appear comfortable, relaxed, and flexible. Feet should be placed in the stirrups with the weight on the ball of the foot. Consideration, however, should be given to the width of the stirrups, which vary on Western saddles. If stirrups are wide, the foot may have the appearance of being home when, in reality, the weight is being properly carried on the ball of the foot.
- e. POSITION IN MOTION-Rider should sit to jog and not post. At the lope, it should be close to saddle. All movements of horse should be governed by the use of imperceptible aids and the shifting of rider's weight is not desirable.

### 2. APPOINTMENTS

- a. PERSONAL-Riders must wear suitable hat; long-sleeved shirt with collar; a necktie, kerchief or bolo tie or pin; trousers or pants (a one-piece equitation suit is acceptable provided it includes a collar). Chaps, shotgun chaps or chinks and boots are required. A vest, jacket, coat and/or sweater may also be worn. Protective headgear is acceptable; it is not required to be of Western type. Spurs are optional. Hair must be neat and fastened so as not to cover rider's number.
- b. TACK-The saddle should fit the rider. It may be a slick or swelled fork, have a high or low cantle, but must definitely be sized to the rider. Nothing which would prevent the stirrups from hanging freely shall be added to or deleted from a standard western saddle. Exhibitors must not ride side-saddle. There shall be no discrimination against any permitted western bit. Curb chains and leather chin straps may be used, but must be flat, at least 1/2"

in width and lie flat against the jaws of the horse. Wire, rawhide, metal or other substance must not be used in conjunction with or as part of the leather chin strap or curb chains. A light lip strap is permissible. Hackamores, bosals, or snaffle bits may not be used and rider must show with one hand. Silver equipment may be used, but should not be given preference over good working equipment. Shin, bell or skid boots are prohibited. Bridles may be checked at the discretion of the judge(s). The judge(s) may designate the steward to check bridles. If checking is done in the class lineup, one attendant must be invited in, and if requested by the judge(s), may assist in the checking of bridles. The attendant may assist with re-bridling and remounting.

c. Competitors must be penalized for incomplete appointments and attire but not necessarily disqualified.

### 3. CLASS ROUTINE

a. Entries are to enter the ring at a walk or jog, and are to be judged at a flatfooted, four-beat walk; diagonal, two-beat jog; and three-beat lope. They are worked both ways of the ring. At the lope, entries should be on the correct lead. The reverse may be executed by turning either toward or away from the rail. All contestants are required to back in a straight line during the line up in all classes. At least the top four riders must perform two or more individual tests. When individual tests are called for, the judge's decision should be a 50-50 analysis of the rail work and the individual tests. If there are more than 20 entries in the class, the judge must work contestants in groups of 20 or less. Division of the class must be publicly announced and posted at least two hours prior to the start of the class. Due to the difficulty of properly fitting tack, riders shall not be asked to change horses.

### 4. TESTS FROM WHICH JUDGES MUST CHOOSE

Tests may be performed either collectively or individually, but only the tests below may be used. Instructions must be publicly announced. Individual workout instructions may be posted for all competitors to study, at least one hour before the session containing the class, and, if so, announced to the exhibitors.

- a. Back.
- b. Individual performance.
- c. Figure eight at the jog.
- d. Lope and stop.
- e. Figure eight at lope on correct lead, demonstrating simple change of lead. This is a change whereby the horse is brought back into walk or jog and restarted into a lope on the opposite lead. One figure eight demonstrates two changes of lead and is completed by closing up the last circle and stopping in the center of the eight.
- f. Turn on the haunches or on the forehand (from the walk).
- g. Extended jog on or off the rail.
- h. Lope on the counter lead.
- i. Demonstration ride of approximately one minute. Rider must advise judge beforehand what ride they plan to demonstrate.
- j. Execute serpentine at a trot and/or lope on correct lead, demonstrating changes of lead. (Either coming to a halt or flying lead changes)

### 3. CLASS ROUTINE

- a. Each entry must perform one of the Federation Reining patterns outlined in RN106.

A contestant who is off pattern will be disqualified and will not receive any award except in a ride-off where the contestant shall be placed last of those chosen for the ride-off. The horse should be in perfect balance at all times, working entirely off its haunches. Neck and head should be in a direct line with body, mouth closed and head at normal height. If the horse works off its hindquarters at all times and in a straight line, all possibility of draw-reining will be avoided. It must be remembered that, above all, a reining horse is one that responds instantly and smoothly to all aids. To be consistent with Reining rules, if a judge believes a major penalty is unclear, they may request a review of an official video and hold their score pending review. If the judge determines the penalty was incurred, it must be applied; if not, the score will be announced as originally submitted. Additionally, per RN103.20, an exhibitor or owner may request a review of a major fault penalty applied to a run and if granted by the judge, they must believe the entire class has been videotaped by the official videographer. The request must be made no later than 30 minutes after the last run of the day and before the judge has left the grounds.

### 4. REINING SEAT PATTERN

## **SUBCHAPTER MO-17 MORGAN-GAITED**

### **MO190 Morgan Gaited - General**

The Gaited Morgan is presented Under Saddle. This is a horse suitable for trail riding and should possess athleticism with a relaxed attitude and way of going. The Gaited Morgan should be eye appealing and confident, showing the impression of being a sure, safe and pleasurable ride.

### **MO191 Gaits**

The Gaited Morgan performs three gaits: Trail Walk, Show Gait and Pleasure Gait.

1. **TRAIL WALK.** The Trail Walk has equal weight in the judging of a class. The ability to transition from the highest performance level in the class to a completely relaxed walk is an important indication of the correct mentality and temperament. The Trail Walk is an authentic four beat walk, suitable for use on the trails. The walk must be calm, relaxed, and ridden with clearly observable slack in the reins. Reins at all times must droop with the lowest point noticeably lower than the point of attachment to the bit. The head and neck should be lower than the position that is maintained at Show and Pleasure Gaits. Horses unable to move from any gait into a relaxed, natural walk, horses that must be restrained by the reins from accelerating, or a horse who appears to “jig” performing the Trail Walk, must be severely penalized by the judge.
2. **SHOW GAIT.** The show gait is a collected, four beat gait performed at moderate speed, with stride and action appropriate for the class. The Show Gait must be collected and smooth with no exaggeration in form or execution. The sequence of the footfalls is rhythmic and cadenced.
3. **PLEASURE GAIT.** This gait is a four beat gait with the greatest speed and action in any section. There must be a distinct difference in the speed demonstrated at the Show Gait and Pleasure Gait, although speed must not come at the expense of form and correct footfalls. Horses that do not exhibit a distinct difference in speed between the Show Gait and the Pleasure Gait must be penalized. The ability of the horse to demonstrate forward movement, with speed and action appropriate for this section, while maintaining correct form, is of primary importance at gait.
4. **SADDLE GAIT.** Horses performing the Show or Pleasure Gait may perform any “Saddle Gait”. The “Saddle Gait” may be either a lateral or diagonal gait. The Pace, Trot and Jog/Canter are not allowed. If both Show and Pleasure Gaits are to be demonstrated in a class, the horse must maintain the same Saddle Gait footfall sequence throughout the test. The only change will be in the tempo/speed as required by the call throughout the test.
5. **BACKUP.** In all performance classes, backing at least three steps in a straight line is called for in the line-up. The horse must not throw its head above the bit, gape at the mouth or show other signs of resistance. Failure to follow a straight track will be penalized.

### **MO192 General Judging Requirements for Under Saddle Gaited Classes**

1. Credit shall be given to an entry that exemplifies the look of the proper section.
2. A horse that does not demonstrate correct form for the class will be penalized by the judge.
3. Scoring: Proper cadence and balance, presence and apparent ability to give a good pleasurable ride 60%; type and confirmation 40%.
4. Championship: The same specifications as the above paragraph except the percentages are 50%-50% instead of 60%-40%.

## **MO193 Gaited Morgan Country Trail Pleasure Class**

1. Appointments: See MO122.1.2
2. Shoeing: See MO103.5
3. The Gaited Country Trail Pleasure entry must exemplify the attributes of a pleasure riding horse suitable for all members of the family. The Trail Pleasure horse must have gaits that are effortless and extremely smooth, with no animation. The head and neck of the Gaited Country Trail Pleasure entry must be relaxed and show little to no elevation, and the horse in gait should be ridden with a minimum of bit contact and should remain relaxed at all times. There is to be no sign of animation, nervousness, or the need for restraint. The Gaited Country Trail Pleasure classes are shown in two gaits: Show Gait and Trail Walk. Speed is not desired in this section. Animation, more than moderate speed, nervousness, or an elevated head and/or neck carriage shall be penalized. Manners are paramount in this section. A horse that does not demonstrate correct style shall be penalized by the judge and shall not be placed above a horse that has the correct way of going as long as they are performing in proper gait, regardless of other criteria.

## **MO194 Class Specifications Gaited Morgan Country Trail Pleasure Class**

1. Shown: Horses enter at the Trail Walk, followed by the Show Gait, Trail Walk; Reverse, Show Gait, Trail Walk in that order. A rein back of at least 3 steps is required in the line-up.

## **MO195 Gaited Morgan Trail Pleasure Class**

1. Appointments: See MO122.1 and .2

3. A Gaited Trail Pleasure Horse must demonstrate a suitable way of going while performing the Trail Walk, Show Gait and Pleasure Gait. The gaits should not show animation or excessive speed and must be effortless and smooth with forward movement. The head and neck should be in a relaxed manner appropriate to the conformation of the horse yet must be stylish and to a lesser degree of collection. A slight movement of the head is permissible. The horse should be well mannered. A judge may request the horse to stand quietly on the rail on a light rein from any gait. The judge may additionally ask the rider to dismount and remount while the horse stands quietly.
4. To be penalized: The horse should not be presented in a collected, up headed and animated frame. There is no maximum or minimum degree of animation, but smoothness and frame tie over animation and speed.
5. A horse that does not demonstrate the correct way of going shall not be placed above any horse that has the correct way of going regardless of other criteria.

## **MO196 Class Specifications Gaited Morgan Trail Pleasure Class.**

1. Shown: Horses to enter the ring at a Trail Walk, followed by Slow Gait, Pleasure Gait, Trail Walk, Reverse, Show Gait, Pleasure Gait, Trail Walk in that order. 1. Appointments: See MO127.1 and .2
2. Shoeing: See MO103.4

3. The Gaited Classic Pleasure horse executes the Trail Walk, Show Gait and Pleasure Gait in a collected, up headed and stylish manner with moderate stride. The horse should show in a collected frame while maintaining self-carriage and lightness in the bridle. Frame and carriage with more animation and speed is desirable. ## **MO206 Working Western – Cattle Classes**

Working Cow Horse Classes held in the Morgan division are to be conducted in accordance with the Federation Western Division, except as stated herein or above

- 1. Working Cow Horse Classes.
  - a. Working Cowhorse including reined and fence work (see the NRCHA rulebook for class specifics).
- 2. Limited Working Cowhorse – as working cowhorse with the following exceptions
  - a. No reined work
  - b. Limited ranch cow work exhibitors are allotted one minute and thirty seconds to complete the work. When there is 30 seconds left, the announcer will announce, 30 seconds remaining. At one minute and thirty seconds, the announcer will call for time. Exhibitors are not required to use all of the allotted time, but must ride until the judge whistles the end of the run or time expires, whichever occurs first.
  - c. There are four parts to the work: boxing the cow; setting up the cow and driving it down the fence to the opposite end of the arena; and boxing it at the opposite end of the arena, and then driving the cow past the middle marker again. There is no expectation that the exhibitor will make a 'fence turn', rather the drive down the fence demonstrates correct position and control around the corner.
    - 1. Part One – Boxing the Cow – The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse's ability to "hold" the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate their horse's ability to drive and block the cow.
    - 2. Part Two - Set Up Cow and Drive Down Fence to Opposite End of Arena – After the cow has been controlled on the entry end of the arena, the rider shall set the cow up for driving down the side of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately 1/2 to 3/4 the length of arena. Rider will then stop and release the cow and move horse toward center of arena to set the cow up for boxing.

3. Part Three – Boxing the Cow at Opposite End of Arena – The exhibitor will regain control or “hold” the cow at end of the arena to demonstrate the horse’s ability to “hold” the cow.
  4. Part Four – Drive the Cow back down the fence past the middle marker and continue until the judge blows the whistle to show completion.
3. Working Cow Horse Boxing
- a. PART 1 Reined Work:  
Horses shall work individually. Judging begins the moment the Horse enters the arena. There will be no schooling from the time the horse enters the arena. A reined work must consist of the following: circles, lead changes and runs terminating in well-balanced stops straight to the line of travel, turns and a back-up of a reasonable distance with slight hesitations denoting each maneuver. NRCHA Rein Work Patterns are required. The judge may deviate from traditional order of performance and they may also deviate from the exact printed pattern due to arena conditions. The judging ends when the rider indicates they are finished by coming to a complete stop. Praising or rewarding of the horse is only allowed after the reining pattern is complete and before the exhibitor calls for a cow. The best reined horse shall be easily guided or controlled with little or no apparent resistance. Bad manners exhibited by the horse will be penalized. All deviations from the exact given pattern must be considered a loss of control and marked down accordingly. Credit shall be given for the smoothness, finesse, attitude, quickness and authority of performing various maneuvers while using controlled speed which raises the difficulty level and makes the horse more exciting and pleasing to watch.
  - b. PART 2 Boxing:  
At the start of the work, each contestant, upon receiving a cow in the arena, shall hold that cow on the prescribed end of the arena for a sufficient time to demonstrate the ability of the horse to contain the cow at that end. The horse should exhibit superior cow sense and natural cow working ability without excessive reining or spurring. In the head-to-head working position, the degree of difficulty shall be considered.
