Re: Qualifying Dates and Competitions for 2026 FEI North American Youth Championships, U25

Dear Potential 2026 FEI North American Youth Championship Applicants – U25:

This preliminary information is being provided to assist you with your competition planning. Please remember that this information is based on the recommendations of the United States Equestrian Federation (USEF) Dressage Sport Committee and is subject to approval by the USEF Board of Directors and therefore subject to change.

Selection Process Summary: Ranking lists of athlete/horse combinations will be maintained, and selection is based on the final rankings of each Region (see more detail below). The 2026 FEI North American Youth Championships (NAYC) is scheduled to take place on July 27th – August 2nd, 2026, in Traverse City, Michigan.

1. **Qualifying Period**

The proposed qualifying period for NAYC begins on July 22, 2025 and is anticipated to end at least ten days prior to the Nominated Entry date (TBD).

2. **Qualifying Competitions**

It is anticipated that athlete/horse combinations will be required to complete at least two Qualifying Competitions during the qualifying period. Qualifying Competitions include:

- **Competitions listed on the NAYC/USEF Qualifying Competitions Calendar:** Scores earned at these competitions within the qualifying period will be automatically included in the Ranking List calculations. NAYC/USEF Qualifying Competitions can be found [HERE](#). Please make sure to check the Calendar(s) frequently for updates.
- **CDI Events:** Scores earned at CDI (including CDI/U25 may be included, at the option of the athlete, and will only be included in the Ranking List calculations upon receipt of a CDI & Championship Report Form within the specified deadline stated on the form (form can be found [here](#)). The 2025 and 2026 FEI Calendars can be found on the FEI website [HERE](#) (Please note that the FEI 2026 calendar is not approved until after the FEI General Assembly in November). Please make sure to check the Calendar(s) frequently for updates. NOTE: Scores from the 2025 NAYC will not be counted.
- **2025 USEF Brentina Cup Dressage National Championship:** Scores earned at this National Championship may be included, at the option of the athlete, and will only be computed into the Ranking List upon receipt of a CDI & Championship Report Form within the specified deadline stated on the form.

3. **Tests Required**

It is anticipated that athlete/horse combinations will be required to achieve **two** scores in the current edition of the FEI Grand Prix 16-25 Test and **two** scores in the current edition of the FEI Intermediate II Test at USEF/NAYC Qualifying Competitions in USEF/NAYC designated Qualifying Classes.

- For the U25 Championship, the FEI Grand Prix 16-25 Test is the Individual test and the FEI Intermediate II Test is the Team test.
- Athlete/horse combinations that achieve more than two scores in the relevant Team or Individual test, may drop the lowest score earned in the Team Test and the Individual Test, regardless of whether these scores were earned in the same Qualifying Competition.
- Hors de Concours entries are not permitted in USEF/NAYC Qualifying classes.

4. **Certificate of Capability**

- Each athlete/horse combination must earn a minimum overall average of 64.000% or greater on the final Ranking List. It is anticipated this will be calculated by scores earned from the FEI Team Test and FEI Individual Test at two (2) different USEF/NAYC Qualifying Competitions from a panel of two (2) or more USEF 'S' or FEI Judges, in order to be named to the Nominated and Definite Entries.
- In addition to these tests, athlete/horse combinations will be required to earn one score of 65.000% or higher in the FEI Grand Prix Freestyle.

Additional Information

Anti-Doping: Athletes must adhere to all USOPC, IOC, USEF, FEI, USADA and WADA anti-doping protocols, policies, and procedures, and may be drug tested. Please contact Christy Hawkins, Special Project Management Analyst, with any questions at (859) 300 3045 / cbhawkins@usef.org.
