SUBCHAPTER AL-1 GENERAL QUALIFICATIONS

AL 100 General
IALHA Conformation Judging Forms, Functionality Judging Forms, Best Movement Score Sheet, Functionality Test Pattern, and Halter Pattern may be obtained by either contacting IALHA in writing, downloading from the IALHA website at www.ialha.org, or downloading from the USEF website at www.usef.org from the Andalusian/Lusitano page, Forms and Guidelines tab.

AL101 Eligibility to Compete
1. Purebred and Half-Andalusian horses to be shown in a local or regional competition must be registered with or application for registration made to IALHA. Weanlings and yearlings are eligible if both parents are either registered or application has been made to register them with IALHA. In order to be qualified to enter the ring in a National Championship class, the horse must be registered with the IALHA and a copy of the registration papers on file with the Competition Secretary. Weanlings and yearlings may enter a National Championship Class without a copy of the registration papers on file with the Competition Secretary if and only if the Competition Secretary has received a letter from the IALHA Registrar or Half-Andalusian Registration Secretary identifying the weanling or yearling and certifying that each and every requirement for registration of such weanling or yearling has been met and the registration certificate will be issued. Lineage must be traceable back to the Spanish or Portuguese Stud Books. Copies of registration papers must be mailed with entries or presented at each competition.

2. Half Andalusians may not be shown together with Purebred Andalusian/Lusitanos except in the following classes: Junior Equitation, Showmanship, Western Trail, Western Riding, Doma Vaquera, Reining, Dressage, Musical Freestyle, Fantasy Costume, and Green Rider.

3. All horses entered must be serviceably sound, show no signs of lameness and be in good condition. Horses with loss of sight in one eye may compete in performance classes only.

4. Each horse shall be shown in its entire natural splendor with a full mane and tail or in the traditional Andalusian style. The following description is of the traditional Andalusian style of presentation. Weanlings of both sexes are seen with their forelock shaved, their manes roached or shaped to enhance the shape of the neck, and all tail hairs shaved. Yearling fillies are shown with the tail shaved from the tail head to below the vulva except for a small bob. The hairs are bigned, and are above the hock. Yearling colts are shown with no forelock, the mane in the same condition as the yearling fillies, but the tail is shaved, or permitted to grow and bigned for neatness. Two year and older colts and stallions are shown in full mane and tail. Two year and older fillies are shown with or without a forelock, roached or shaped mane, tail shaved at the tail head to below the vulva and the hairs which grow from the bottom now reach the hocks and are bigned for neatness. Mares three and over are shown with or without a forelock, roached or shaped mane and their tails are shaved from the tail head to the bottom of the vulva. The hairs at the end of the tail may now be permitted to grow as long as they would naturally, but are always bigned for a neat presentation (generally between the hock and fetlock). Whichever method of presentation an exhibitor selects is appropriate, but there may be no mixing of components, i.e. shaping the mane of the colt after age two, or shaping the mane of the mare, but allowing all the hair on her tail to grow.

5. It is recommended that bridle paths not exceed a maximum of four inches. The addition of supplemental hair in mane or tail shall be cause for disqualification. Braiding is optional.

6. The use of dyes or other coloring is prohibited including hoof blackening products. The use of clear hoof polish is
permitted. The use of glitter on or in the mane, tail, hair, or hooves is prohibited.

7. Any horse is considered to be one year old on the first day of January following the actual date of foaling.
8. No horse may be shown under saddle until it is at least three years old.
9. No horse may be shown in a driving class until it is at least two years old.
10. The use of or the application of, to or into any horse (other than legal levels of allowed medications) any foreign or caustic substance, such as ginger, mustard, pepper, abrasives, etc., which would alter or influence a horse’s natural carriage, movement or behavior, is prohibited.
11. The injecting of any foreign substance into a horse’s tail, the cutting of tail ligaments, soring or maiming of feet, or any such practice which would alter or influence a horse’s natural carriage, movement or behavior, is prohibited.
12. Stallions may be handled, ridden or driven by women and Junior Exhibitors. Exception: Stallions are prohibited in Walk-Trot Equitation 10 & Under (AL211.1) and Junior Exhibitor Showmanship In-Hand (AL212.1).
13. Junior Exhibitors are required to wear protective headgear in all Hunter, Jumper and Hunter Equitation classes in conformity with GR801.
14. If a rider falls off of his/her horse during a class, it is at the discretion of the judge whether or not the rider is allowed to continue or is excused.
15. Horses must be shown without artificial appliances. Anything that alters the intended use of equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance. This includes but is not limited to tongue ties and/or mouth ties. Gag bits are prohibited. Action produced by artificial methods shall be penalized. The use of chains, rollers or similar devices on the competition grounds during or before a competition are prohibited and the show committee shall bar violators from further participation for the remainder of the competition, and violator(s) shall forfeit all entry fees and winnings for the entire competition.
16. Any action(s) against a horse by an exhibitor, which are deemed excessive by a judge, Federation steward or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, limitation or other sanctions which may be deemed appropriate by the show committee. Such action(s) could include, but are not limited to, excessive use of whip and spurs.
17. Judges must eliminate from judging consideration any horse which shows aggression or discontent toward its handler, rider or any person in the ring.
18. Horses showing signs of undue stress or inhumane treatment must be penalized. The exhibition of a horse that has a cut or abrasion showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area must be considered to be ineligible to receive an award in that respective class.
19. Judges must excuse from the ring any horse that possesses a whip mark (welt) on any portion of the horse. A whip mark or welt is an inflammation of skin and subcutaneous tissue resulting in a swelling in extreme cases is an abrasion or laceration. The cardinal signs of inflammation include heat, pain (sensitivity or palpation) and swelling. The judge(s) finding of fact with respect to the presence or absence of a whip mark (welt) evident during a class shall be final and no appeal may be taken thereon. The judge(s) shall make written finds of fact which shall be delivered to the Federation steward with respect to any horse excused under this rule. In a class that is judged by more than one judge, if a judge in that class believed that an entry has a whip mark, that entry must be examined by all judges of the class and each judge must determine if a whip mark exists. If a majority of the judges of that class determine that whip mark exists, the entry must be excluded from the ring, according to the specification set forth in this article. If a majority of the judges determine there is not a whip mark, then each judge who is of the minority opinion shall submit his or her own written finding of fact and shall have the authority to eliminate said entry from further consideration
20. The following classes do not affect Maiden status of the horse: English Pleasure Pro-Am, Western Pleasure Pro-Am, Versatility Driving to English, and Versatility English to Western
21. Electronic communication devices used for purposes of coaching exhibitors during a competition shall be
prohibited in all classes in the Andalusian/Lusitano Division. Exhibitors with a permanent hearing impairment are permitted to use an electronic communication device upon submission of a written certification from a treating medical professional’s office certifying the permanent hearing impairment and certifying the requirement of an electronic communication device. The certifying medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.

22. An exhibitor with a disability (other than hearing), will be provided reasonable accommodation upon submission of a written certification from a treating medical professional’s office certifying the disability and identifying the accommodation necessary for the exhibitor to compete safely. The medical certification must be provided to the competition Steward within a reasonable time prior to competing who shall attach a copy to the Steward report.

23. No horse may be entered and shown in more than six (6) performance classes per day. This does not include halter, showmanship, and sport horse in-hand.

24. When the Dressage chapter is referenced herein, any rule or portion of a rule that is in direct reference to USEF/USDF or USEF National Championships shall be disregarded for the purpose of breed Dressage classes.

AL102 Breed Standards

1. The horse is known for agile movements, elevated, extended, harmonious and cadenced. The horse has great facility to adopt various aptitudes and to conquer difficulties, as if with special predisposition for collection and the turns over the haunches. The horses have an easy response to the command and the mouth is additionally soft, for a result that is obedient and of extraordinary comfort. The horses are temperate and hardy, serviceable and energetic, noble and docile. They learn rapidly and participate intimately with the rider. Their principal service is as a mount, with great ability for “alta escuela” (dressage and airs), bullfighting, light teams or carriages and with special conditioning for handling cattle running in range conditions.

2. The head should be in proportion to the overall size and weight of the horse. It should be rectangular in shape, and of medium length, with a long jaw that is not overly pronounced. Profile: straight or convex, nostrils are elongated and arched. Eyes: large, lively, showing a kind and alert expression, their shape is triangular with a permanently raised eyebrow. The ears are attached slightly lower on the side of the head compared to other breeds, but must stand up straight without a curl to the inside or falling to the outside. The size must be in proportion to the head. Mares sometimes have longer, narrower ears. The neck should be of medium length, solidly built and lightly arched with neither a heavy crest nor a thick throat. Withers should be prominent, moderately wide, and muscular. The shoulder should be long, broad, well sloping and powerfully muscled. Ribs are well sprung and oval. Forearms should be large, well muscled and in correct proportion to the width of the chest. Cannon bones are substantial, slightly longer, lean and in proportion to the horse’s height. The back should be of medium length, straight and horizontal. The loin shall be broad, short and strong. Croup should be gently sloping and nicely rounded with a low set, thick tail fitted following the curvature of the croup. Viewed from the rear the tail should be carried straight, hips should be strong and rounded, and there should be a well muscled thigh and gaskin of medium length. Hind leg cannon bones should be of proportioned length and clean tendons. The hock should be straight and well defined. The pasterns should be of medium slope and length and be well flexioned. Hooves are round and of proportionate size.

3. The height at the withers varies from 15 hands to 16.1 hands with an occasional individual under or over. Mares should be feminine and males should be masculine. Andalusians shall be medium in length, and if other than medium, excessive length of body is less desirable than short length. Movement: elevated, extended, harmonious and cadenced with roundness yet always moving forward.

4. To be penalized are less than desirable Andalusian traits: Concave frontal nasal profiles and the ultra convex nasal profiles. Excessively large heads, forehead too wide and flat. Eyes bulging or round, orbital arches protruding. Nose square and wide, nostrils round. Ears too big, fallen, too closely set and with abnormal movement. Neck too short, low set neck or thick throatlatch. Low withers, swayback, or back tent-shaped. Poorly muscled, thin or weak
rib structures, cylindrical thorax, chest and barrel not deep enough. Tail set too high, or too loosely set. Cow hocks or uneven hocks. Pasterns too long or excessively short and vertical. Movements displaying poor elevation, irregular tempo or excessive winging.

**AL103 Shoeing**

1. Any machine made (keg) or handmade shoe made of magnetic steel, mild steel or aluminum is allowed. No part of the shoe may exceed the dimensions of 3/8” thick by 1 1/8” wide (nail heads and/or toe clips are not considered when measuring the shoe). The shoe may be of any type and configuration except in the case of a bar shoe, the bar may not extend below the ground surface of the shoe.

2. Maximum length of toe is 5”. The hoof should be in proportion to the horse.

3. In under saddle or driving performance classes, the use of a single therapeutic pad per hoof with a maximum thickness of 1/8” is allowed as long as the overall length of the toe measurement (see GR510) does not exceed the maximum toe length of 5”. Acceptable pads of 1/8” thickness include full pads and rim pads. Wedge pads may be no greater than 1/4” thick at its maximum thickness. Full pads must be made of plastic or leather. The introduction of a foreign material within the pad, between the pad and shoe, or between the pad and hoof designed to add additional weight or enhance action is strictly prohibited. Material with anti-concussive qualities such as rubber, oakum, pine tar, silicone, foam rubber, latex, etc. may be used between the pad and hoof for additional support. Pads are not permitted in halter classes or best movement classes.

4. Artificial hoof walls are prohibited. Exception: repairs to hooves that follow the natural line of the hoof.

5. At the discretion of a judge or a steward officiating at a licensed Andalusian Competition, or at the request of the Show Committee (See GR1201), inspection (including measuring the shoe, presence of a pad, and measurement of hoof length) may be required. Shoes cast after entering or before exiting the arena in any class shall be inspected.

   a. A random inspection of horses at all National, Regional and qualifying shows may be required. Said inspection shall be performed by a licensed steward or judge designated by the Show Committee (The Show Committee may, at its discretion designate more than one licensed official to perform inspections). Any trainer, exhibitor and/or agent of a horse subject to the inspection each may request to be present and heard while said inspection is being performed by said licensed official(s). Prior to any disqualification and/or other penalties imposed on a horse at a competition, the inspecting officials shall make reasonable efforts to notify and have present the owner(s), and trainer(s) of said horse, or agent(s) at the inspection. The inspecting officials shall take possession of any shoe and/or pad, and measure the shoe with a USEF approved shoe gauge. Measurement of hoof length shall be made in accordance with GR510. In the event that the inspecting officials find a violation of the shoe measurement, hoof length, and/or pad the horse shall be disqualified for the entire competition, and the owner shall be required to forfeit all prize money, sweepstakes, futurity and trophies, entry fees, ribbons and points won at said competition by said horse. Additionally, if any forbidden foreign material is found on the hoof, the steward shall report the alleged rule violation to the Federation. The trainer and/or owner of a horse found to be shod with any forbidden material as described is subject to disciplinary action.

6. In the event of a shoe cast during the progress of a class, see GR804 and GR833.

7. Shoes are not permitted on weanlings or yearlings.

8. All horses competing in the Andalusian and Half Andalusian reining sections shall be exempt from shoeing regulations. This does not exempt horses that are cross entered into any other classes from compliance with applicable shoeing requirements while competing in those classes.
SUBCHAPTER AL-2 HALTER CLASSES

AL104 General
1. There shall be separate In-Hand classes for Purebred and Half-Andalusian horses.
2. A lack of required appointments shall result in immediate disqualification.
3. The length of lead shall not exceed 12’ from the point of attachment.
4. A suitable headstall equipped with a throat latch is mandatory. If a Serreta is used, it must be leather covered or wrapped and adjusted snugly to avoid injury.
5. Whips are not to exceed six (6) feet including snapper.
6. Handlers shall wear either jumpsuits or dress slacks and long sleeve shirts. No denim allowed. Ties, kerchief, bolo tie, brooch or pin and appropriate leather shoes, all black or brown athletic shoes (including the laces and soles), dress shoes or boots are required. Sweaters, vests, coats or traditional Spanish (Traje Corte) or Portuguese (Campino) attire are optional. Tuxedos are appropriate for evening classes only.
7. Disqualifiers: Falling or fallen crest or ewe neck. Colts and stallions two years and older that do not have both testicles descended.

AL105 Conduct and Specifications
1. Emphasis shall be placed on type, conformation, quality, way of going, substance and manners. Half Andalusians will be judged on conformation, quality, way of going, substance and Andalusian type, in that order. The Half-Andalusians may show characteristics of any other breed. The foregoing first three qualities shall take precedence in adjudication of in hand classes over breed type.
2. An Exhibitor is any person who holds, walks or trots a horse in the competition arena. No Exhibitor may hold more than one horse at a time in the arena.
3. Every exhibitor is required to sign an entry blank and must be a Federation member or pay a Show Pass fee.
4. Horses are to be shown in-hand at a walk and trot. The following procedures shall be followed in all In-Hand classes. At all IALHA Regional and National level competitions, all entries, including post entries, in a class must be drawn for position and enter the ring in that order. The order will be posted at least 30 minutes prior to the start of the class. This procedure may be used at other recognized competitions at the discretion of competition management. Horses shall enter the arena at a relaxed walk in a counterclockwise direction. Failure to completely clear the gate at a walk shall require the horse to reenter at the proper walk. The horse shall then strike a trot until reaching its designated position in line, as directed by the ringmaster or judge(s). When asked, the exhibitor shall walk the horse from the rail to the Ring Master. At the direction of the Ring Master, the exhibitor will walk the horse parallel to the long side of the arena toward the judge(s) for a minimum of thirty (30) feet, turn the horse in either direction, without stopping, and walk the horse back to the starting point [away from the judge(s)]. Without stopping, the exhibitor will turn the horse in either direction and trot the horse parallel to the long side of the arena toward the judge(s) and past the judge(s) for a minimum of sixty (60) feet. The exhibitor will then turn the horse in either direction and trot back to the judge(s) position, where the horse will then be presented to the judge(s). If the exhibitor circles the horse during the trotting process, only one intentional circle at either end will be allowed (total of two circles). Exhibitors are allowed to reposition the horse if it moves ahead of the exhibitor without fear of penalization or disqualification. However, it is within the judge’s discretion to penalize an exhibitor who must do this repeatedly to maintain control of the horse. The horse should stand with front legs square. Back legs should be positioned either squarely or just inside a square. Back legs are permitted to be slightly split with one slightly behind the other as long as all four remain inside the square. The horse should not be stretched under any circumstances. If an exhibitor stands a horse stretched, the judge(s) will ask the exhibitor to reposition the horse. A horse is considered stretched if front legs are in front of the vertical and/or rear legs are behind the vertical. A horse is considered not
stretched if all four feet are flat on the ground and at least one front and one rear cannon bone are perpendicular to the ground. After examination, horses shall trot away from the judge back to the rail and around the arena to the end of the line. After completion of individual presentation, the class as a group must reverse in a clockwise direction and quietly walk single file, with whip at the exhibitor’s side. The lead line must maintain a clearly discernible drape, i.e. the exhibitor must not place their hand on the chain or close enough to in any way restrict natural head and neck motion. Also, the exhibitor may not unnecessarily impede the forward motion of the horse while at the walk. After the last horse has completed one circuit of the arena, the class will reverse back to counterclockwise direction and all entries shall line up on the rail for final placement.

5. If an exhibitor is to handle more than one entry in the class, he must have present in the arena an additional exhibitor to facilitate the transfer of the horses.

6. The portions of the above sections of this rule pertaining to more than one exhibitor do not apply to any amateur classes or Best Movement performance classes in which only one horse is permitted per exhibitor.

7. The Champion and Reserve Champion Senior Stallion, Mare and Gelding, Junior Stallion & Mare and Champion Colt, Filly & Junior Gelding may have all four feet measured and may have one front shoe removed immediately upon leaving the competition ring. Official veterinarian, Federation Steward or Federation Judge and competition manager shall supervise and IALHA shall cover the expense of this procedure.

8. Individual competition management may preclude the use of whips at any competition.

9. Excessive shanking shall be penalized at the judge(s) discretion. A horse that appears to be intimidated by the handler will be penalized. Excessive use of the whip or actions that may disturb other entries shall be severely penalized. Judge(s) may excuse any entry deemed in violation of these restrictions.

10. Functionality:
   a. Purebred Stallions 5 years old and older entered in their respective halter classes must compete in a ridden functionality test which counts as 25% of the horse’s total conformation score. In functionality, horses are shown at working gaits of the walk, trot/jog and canter/lope. Lengthening of gaits may be called for by the judge(s).
   b. Exhibitors shall enter at trot in a counterclockwise direction. All horses shall be worked at all gaits in both directions. In the lineup, horses must stand quietly and may be asked to back individually.
   c. Spanish, Portuguese or any tack and attire acceptable in any of the under saddle classes described in the A/L section of the USEF rulebook may be used, but styles must not be mixed.
   d. Whips (no longer than 47.2 inches or 120 cm) and spurs are allowed.
   e. Horses are judged on the following:
      1. Freedom and regularity of gait in the walk, trot, and canter.
      2. Impulsion, engagement of the hindquarters and balance.
      3. Continuity of the cadence, and desire to move forward.
      4. Manners and attitude must be strongly considered.
   f. All classes restricted to amateur handlers (ATH) are excluded from the requirement for functionality testing regardless of the age of the stallion.
   g. Champion Stallion and Champion of Show classes are excluded from the requirement for functionality testing.

**AL106 Championships**

1. For purebreds and Half Andalusians:
   a. In-Hand championship classes.
      1. The Championship and Reserve Championship may be awarded to the horses that have placed first or second in their qualifying classes. Only first place winners in the qualifying classes may be chosen as champion.
      2. First and second place horses from all classes must compete in their respective championship classes or forfeit their prizes. After the championship has been awarded the second place horse from its age group...
shall move up to the front line and be judged equally with the remaining first place horses for the reserve championship.

b. If a Champion of show is held for in-hand classes, all champion and reserve champion ribbon winners are eligible to compete, however champions of show will not receive USEF points for this class.

Under saddle championships may be held at the discretion of show management, but will not receive USEF points for this class. AL107 Get of Sire and Produce of Dam

1. Get of Sire and Produce of Dam classes shall have at least two purebred entries, entered under the name of the sire or dam, with one handler per entry.
2. Entries shall be presented under the same provisions as Halter/In-Hand above, except a walk or trot is optional. No halter pattern is used for this class.
3. More than one set of entries per sire or dam may be presented in the same class.
4. Entries shall be judged on reproductive likeness, uniformity, and quality of breed characteristics, conformation and similarity.
5. Sire or dam are not required to be present, except dam must be present in the case of an entry which is a nursing foal.

AL108 Gold Medal Movement Award

1. To be awarded to the best moving horse in all classes in which Gold Medal Movement Awards are offered.
2. This award will be given to the horse in each halter class who has the highest total of the scores given for the walk and the trot on its Conformation Judging Form.

AL109 Cobra of Mares

1. An entry consists of three mares and/or fillies.

13. RANGE OF TROT FOR ENGLISH AND DRIVING HORSES. Range of motion varies for the different English and Driving classes. This section is intended to show the relationships between motions in these classes. This description is NOT intended to set a literal standard. Motion is just one part of a horse’s performance, which includes many other components of evaluation. Motion involves proper balance between the front and the rear end. Significant rear-end engagement and impulsion are equally important parts of a horse’s overall motion. Regardless of the height of the trot, a horse should show a rhythmic, cadenced gait with adequate suspension and freedom of movement, versus a tight, “trappy” movement. The following diagram shows the relative levels of motion for the various classes:

```
Key:
1 = Hunt Seat English Pleasure
1 = Pleasure Driving
2 = Country English Pleasure
2 = Country Pleasure Driving
3 = Saddle Seat English Pleasure
3 = Show Pleasure Driving
4 = Formal Saddle English Pleasure
4 = Formal Driving
```

AL114 Best Movement Class Specifications
1. Best Movement Pattern:
   a. Horses enter the arena through the in gate at the walk, and walk counterclockwise until all entrants have entered the arena and been viewed by the judges. Horses stop and line up at A.
   b. After all horses are in the arena and lined up at A, each horse will trot along the arena wall (counterclockwise) to position B where the horse will walk to A, and stand next to the horses that have yet to present at the trot.
   c. After the last horse has trotted, the horses will walk on the rail counterclockwise, single file to position B. Each horse will then trot down the arena wall to position A where they will walk back to position at B.
   d. Once the final horse has walked back into line, horse and handlers will reverse and walk single file clockwise on the rail until all judges have viewed and scored the walk. They will then be asked to stop and maintain position, and present back numbers to the judges.
2. Equal emphasis must be given to the walk and the trot and a separate numerical score for each gait will be given. Decimals may be used.
3. Scores and placings will be determined by the summation of the two scores given for the walk and the trot. The higher score will receive the higher placing. Best Movement Scoresheets must be used and are available at www.usef.org.

AL177 Qualifying Gaits
1. Animated Walk - A lively, animated and graceful walk that could be loosely termed a four-beat gait, but which does not give the appearance of being a jog or a prance. It should be judged as a separate entity and not merely as a transition gait.
2. Animated Trot - Executed in a highly collected manner. The horse’s energy should be directed toward animation rather than speed. This gait requires extreme knee flexion and use of the shoulder for balanced, graceful extension. It is most desirable that a horse go above “level arm” but it is not desirable to lose extension to the point where the horse does not significantly move forward. The hocks should remain well under and be lifted and not driven to the
rear. The most desirable animated trot gives a balanced appearance from front and rear.

3. At the command "show your horse" the driver has the privilege of showing the entry to its best advantage at the trot, but excessive speed must be penalized.

**AL178 Formal Driving Class Specifications**

OPEN, MAIDEN, NOVICE, LIMIT, STALLION, MARE, GELDING, AMATEUR AND AMATEUR OWNER classes are to be judged on performance, quality, manners, type and conformation. **AL180 Appointments**

Horses are to be shown in show harness, bridle with blinkers, overcheck (with separate overcheck bit) or sidecheck, snaffle bit (straight or jointed) or any traditional driving bit, to a two-wheeled, pneumatic tire vehicle. Burr, gags, and twisted wire bits are not allowed.

**AL181 Qualifying Gaits**
1. Walk - A highly collected four-beat gait exhibiting much "primp" at a slow, regulated speed, with good action and animation. It should have snap and easy control. It is a four-beat gait performed with great style, elegance and airiness of motion.
2. Normal Trot - Natural and cadenced with impulsion and power from behind, the front airy and light. The action is balanced, bold and brilliant, characterized by free shoulder action. The horse is to have leg flexion with extension, the foreleg extending fully forward at full stretch with floating motion combined with hock action that is powerful and well raised, and the hind leg being brought forward with a driving stride.
3. Strong Trot - A strong trot is to be faster with a lengthened stride, maintaining balance, ease and freedom of movement.

Traditional antique-type vehicles are not permitted. Burr, gags, and twisted wire bits are not allowed.

**AL185 Qualifying Gaits**
1. **Walk** - A four-beat gait, brisk, true, and flat-footed with good reach.
2. **Normal Trot** - A two-beat gait, to be performed at medium speed with moderate collection. The normal trot must be mannerly, cadenced, balanced and free-moving.
3. **Strong Trot** - This is a stronger trot, performed with a lengthened stride, powerful and reaching, at a rate of speed which may vary between horses since each horse should attain his own strong trot in harmony with his own maximum natural stride. The horse must not be strung out behind. The horse should show moderate collection without exaggeratedly high action in front. He must present a willing attitude while maintaining form. The strong trot must be mannerly, cadenced, balanced and free-moving.

Burr, gags, and twisted wire bits are not allowed.

**AL189 Qualifying Gaits**

2. **Normal Trot** - A two-beat gait which is balanced overall, relaxed and easy going with elasticity and freedom of movement.
3. **Strong Trot** - A strong trot is to be faster with a lengthened stride, maintaining balance, ease and freedom of movement.

SUBCHAPTER AL-26 ANDALUSIAN NATIVE (CONTEMPORARY) TACK AND ATTIRE

AL191 General
1. Exhibitors shall enter the ring in a counterclockwise direction at the trot and shall show their horses at the walk, trot and canter both ways of the ring.
2. Entries are to be judged 50% on tack and attire and 50% on performance.

AL192 Appointments
Entries shall be shown under contemporary Spanish or Portuguese equipment. There are different styles of Spanish and Portuguese tack and attire, which are traditional and correct for the Andalusian horse. It is not correct in either of these two countries to mix attire and equipment (saddles) and should not be acceptable here in the U.S.
1. Spanish
   a. Saddle
      1. For the Spanish, there are three major types of saddles: vaquera, royal or sidesaddle (vaquera or English), with variations of them all. The vaquera (albardon, jerazana) and vaquera sidesaddles are identical except the sidesaddle has leaping horns which may be on the left or right to the preference of the rider. The saddle is rectangular in shape covered with sheepskin, having a raised, rounded cantle at the back. It has a canvas under side and is placed directly on the horse without saddle pads. The colors of the leather showing at the cantle or pommel may be dark brown, black or natural. The stirrups are blackened steel, triangular in shape. Crupper strap to match.
      2. The royal saddle (includes espanol and portrera) faintly resembles a dressage saddle from the side, but it has a raised cantle and pommel, the overall length exceeds the width of a dressage saddle. It is traditionally, not necessarily, covered in sheepskin. The stirrup is the triangular blackened steel. Crupper strap to match.
      3. Breast collars are only used, but not always, with side saddle and royal saddle, plain or covered with sheepskin. Silver is not used. Plain leather is preferred in Spain, though decorative tooling can be used with the Gala event attire.
   b. Bridle and Bit
      1. The type of bit used is a blackened steel bit in snaffle, pelham, curb (shank), with low, medium or high port. In Spain, two sets of reins are used for the younger horse, one set attached to the leather covered or wrapped serreta at the nose band (serreta is a curved metal nose piece that is always covered with leather or wrapped to cover the sharp metal points and attaches to the nose band with two rings to attach reins), the top rein coming from the nose band and the regular reins coming from the mouth (snaffle or shanked blackened solid bit) or with the pelham. A leather-covered muscarola (serreta without ring attachments) may also be placed on the nose band depending on the training level of the horse.
      2. The bridle leather is dark brown, natural or black to suit the horse with or without throat latch. Vaquera without
throatlatch, royal and sidesaddle with or without throat latch. Plain leather is preferred in Spain, though decorative tooling can be used with the Gala event attire. All hardware is of blackened steel. With each of the three types of saddles, an appropriate bridle will have a brow band with a mosquero (fly screen) made of long leather fringe or of horse hair (having three circles in a pyramid at the top and tassels) not to extend below the nose band.

2. Portuguese
   a. Saddle
      1. For the Portuguese, there are three major types of saddles: Portuguesa (bullfight style), Dressage (Portuguese or English style) or sidesaddle (Portuguese or English style) with variations of them all. The Portuguesa (bullfight) saddle has a high cantle and pommel in the front. The front and back slope in wings down to hold the leg firmly in place. This is a bull fighting saddle made to hold the rider in place. The seat of the saddle may be rough-out leather of varying colors or smooth leather.
      2. The Portuguese saddle will at least have a loin pad of leather (or animal skin) between the saddle and the crupper. If the rider is in eighteenth century attire, the saddle covers (silk) will have great embroidery in designs to suit the rider’s attire.
      3. The stirrups are either brass or chrome, oval shaped under the foot or close-toed, rectangular (box) wooden stirrups with brass or chrome overlays in varying degrees of intricacy to match the leather accessories.
      4. Breast collars and crupper to match bridle. Saddle pad may be used but must conform to the outline shape of saddle.
      5. Dressage (Portuguese) to be advised.
      6. Campino equipment to be advised.
   b. Bridle and Bit
      1. The bridle is a flat, brown, natural or black leather, with wide buckles of brass or silver (chrome, nickel) at all adjustment points. There are different styles of bridles, flat plain (simple), half-presentation (a little fancier) or full presentation (very decorative and ornate with feather penacho). A white leather bridle is used for exhibition only. No mosquero or fringe is allowed. The bit to suit the horse. Stylized brass and chrome bits are used to match with presentation equipment.

AL193 Attire

1. Spanish
   a. Vaquera, Feria, Gala or Exhibition: the attire for the rider in the vaquera or royal saddle, male or female is almost identical.
      1. Traditionally the high waisted short jacket is of conservative colors, dark or light grays, blues, burgundy, greens browns and tans. May be solids, hounds tooth or faintly striped. Black jackets are generally for evening events. The jacket ends above the waist and has five buttons on each sleeve angled from the wrist lightly back towards the elbow. If the jacket is that of vaquero style, it has five buttons down the front and two side pockets. The jacket is worn open for the women and buttoned at the top button for the men. It has no collar and no cuff. The female style may have a small collar. Some exhibition and gala jackets do not have buttons, they may have black or contrasting trimmings, embroidery, and a vest may be worn.
      2. The pants rise high into the waist and have suspenders to hold the pants at this height. The pants are of the color that compliments the color of the short jacket, dark gray with a black stripe, brown stripes, green stripes, navy stripes or solid colors. The pants are of two different styles, pantalon and calzona depending on the discipline in which the rider is riding. Pantalon style ends with a turned up white cuff and the calzona at mid calf panel with buttonholes, in which dangles a grouping of silver or natural material ornaments, called cariles. There is no belt worn. A colorful scarf or sash is worn around the waist and tied on the right side.
3. The shirt is plain white with a turned down collar (not button down), for the men and lightly ruffled for the women.

4. The hat is flat crown, with flat brim. Conservative color to match the attire of the rider. The hat should be a darker shade of color. Black and shades of grays are the most used. Protective headgear may be worn without penalty (see GR801.4).

5. There are two styles of boots. Boto compero are tall, rough out, low heeled boots and worn with pantalon style pants (white cuff). Botins are ankle height, rough out boots always worn with half-chaps called polainas and these are worn with the calzone style pants. Boots are of natural leather (brown) never black. The polainas are plain or tooled to varied degrees with fringe at the top of the spat (which is worn under the pant).

b. For the side saddle rider (Amazona)
   1. Wears the same styles of jackets as described above.
   2. The skirt is to match the jacket in conservative colors or in black, long full skirt with large pleat, buttoning the back for walking.
   3. The shirt is white as above or with stand up collar and ruffles. The rider wears conservative single stud earrings.
   4. The flat hat as described above to coordinate with the jacket worn or the Calanes hat, with the hair covered with colorful scarf in a hair net (madroero). Protective headgear may be worn without penalty (see GR801.4).
   5. Her boots are dark boto compero or black.
   6. She will carry a whip to the off side absent the leg. The overall look is subdued elegance.

c. For “A La Grupa”
   1. The male rider wears the attire of the above vaquera riders.
   2. The feria dress is worn when the woman is riding a la grupa only. She should have flowers in her hair, bracelets of the color of her dress on her arm, earrings also matching the dress. Gold and diamonds are not appropriate. Colorful plastic is in order. She should have a fringed scarf, which makes a “V” at the back of the dress emphasizing the plunge of the back (and pinned into place), and pinned in the front of the bust. The fringe should either lightly flow over the ruffles of the shoulder or be completely contained in the front and in the back.
   3. She will sit fully to the left or right, putting her right or left arm around the waist of the male; with her left or right hand under the tiers of flounces holding onto the crupper. She is sitting on a small pad, which is held in place by the crupper, which passes through the under side of the pad. Feria (Flamenco) dress is not permitted to ride astride or sidesaddle. It is not native to Spain.

2. Portuguese.
   a. Bullfighting and Haute École Exhibition.
      1. The coat, called the casaca, reminiscent of French court of Louis XV and Louis XVI is traditionally of rich and vibrantly colored satin or silk but may also be of fine velvet, heavily embroidered along the front, at the cuffs, and down the back. Attached to the cuffs here is deep lace. There is a black ribbon from the top of the coat at the center of the head. There is a single vent in the back. The rider wears a vest embroidered to compliment the coat.
      2. The shirt is white and plain with lace showing at the collar.
      3. The pants are white, beige, blue or black to compliment the jacket.
      4. The boots (Frederica) extended in height to the knee the front of the boot is cut in a “V” shape. The shelf-heel on which the spurs rest and square toe. White stockings are worn above the knee.
      5. A black tri-cornered hat, edge trimmed in white feathers, is worn. Protective headgear may be worn without penalty (see GR801.4).

1. Jackets have various characteristics. The main characteristics are two-pointed lapels, two fitted pockets with vertical openings, top of sleeves near the shoulder full (almost ballooning), cuff-less and silk lining in tone with color of jacket. Colors of jacket somber colors in nature, browns, beige, greens, burgundy, tweeds and black. It is sometimes adorned with trimmings around the edges and designs on the back. Material is usually of wool, raw silk or fine velvet. No buttons on the jacket for the side saddle rider but the astride rider may use a cavaleiros style jacket if they wish. Trims and designs are of a contrasting or a coordinating color.

The skirt fits snugly on the hips and may have a high waist, buttoning on the side or in the middle, slit from the top of the thigh front and back in a way to open over the saddle when riding and conceals the breeches when dismounted.

3. Shirt with a small collar embellished with a jabot of lace or cotton. Collar is decorated with a brooch or black satin bow. Two or four buttonholes are at the collar and are closed with collar links. A variety of styles may be worn by the astride rider. Cuffs may be plain or lacy. Shirt must always be white. Satin cummerbund with horizontal pleats complimenting the outfit is worn; also acceptable is a satin or cotton sash wrapped around the waist as in the cavalieros dress. A waistcoat (vest) may be worn but always the cummerbund or sash to harmonize with the outfit or in black. Gloves must always be worn with these two outfits.

4. Amazona hat has an upturned brim, a slightly indented convex crown and is adorned with two silk pom poms (country hat). Astride rider may also wear the cavalieros style of hat. Protective headgear may be worn without penalty (see GR801.4).

5. Hunt outfits, consisting of Jodhpurs, hunt coats, boots and hat are appropriate for levels 1 and 2.

AL204 Qualifying Gaits
1. Walk - A true, four-beat walk, with the horse collected. The motion should be brisk and vigorous with the horse showing animation and brilliance.
2. Trot - Animated, natural, and cadenced, with impulsion and power from behind, the front airy and light. The animated natural trot is extremely bold and brilliant, characterized by free shoulder action. The trot should appear effortless and be executed willingly with apparent ease. The action should be balanced and cadenced. The trot should be a true two-beat diagonal gait. Mixed gaits, pacing or racking must be considered major faults.
3. Canter - A true, three beat gait, collected, animated, smooth and unhurried. The movement light and airy with more elevation in the front. The horse to be balanced, supple and mobile. To be straight on both leads.

AL205 Required Movements
1. Shoulder-in: the horse is slightly bent to the inside track. The horse’s inside foreleg passes and crosses in front of the outside leg; the inside hind leg is placed in front of the outside leg. The horse is looking away from the direction in which it is moving. Shoulder-in, if performed correctly with horse slightly bent and at the correct angle, is not only a suppling movement but also a collecting movement. Shoulder-in is performed along the wall at an angle of about 30 degrees to the direction in which the horse is moving.
2. Travers: the horse’s haunches are carried slightly to the inside track, with the horse looking in the direction in which it is moving. Travers is performed along the wall or preferably on the center line at an angle of about 30 degrees to the direction in which the horse is moving. The horse’s outside legs pass and cross in front of the inside legs.
3. Renvers: this is the inverse movement to travers with the tail instead of the head to the wall. The same principles
are applicable as at the travers.

4. Half-Pass: this movement is a variation of travers executed on the diagonal instead of along the wall. The horse although slightly bent, should be as close as possible to parallel to the long side of the arena, while maintaining the forehand slightly in advance of the quarters. The outside legs pass and cross in front of the inside legs. The horse is looking in the direction in which it is moving. The horse should maintain the same cadence and balance throughout the whole movement. In order to give more freedom and mobility to the shoulders which adds to the ease and grace of the movement, it is of great importance not only that the horse is correctly bent and thereby prevented from protruding his inside shoulder, but also to maintain the impulsion especially the engagement of the inside hind leg.

5. Turn on the haunches: this movement is a schooling exercise which can be executed from the walk and is preparatory for the pirouette which is executed out of collected gaits. The horse’s forehand moves in even, quiet and regular steps around the horse’s inner hind leg while maintaining the rhythm of the walk. In the half turn on the haunches, the horse is not required to step with its inside leg in the same spot each time it leaves the ground but may move slightly forward. Backing or loss of rhythm is considered a serious fault. This movement may be executed through 90, 180 or 360 degrees.

6. Pirouette: the pirouette (half-pirouette) is a circle (half-circle) executed on two tracks with the radius equal to the length of the horse, the forehand moving round the haunches. Pirouettes (half-pirouettes) are usually carried out at the collected walk or canter but can also be executed at piaffe. At the pirouette (half-pirouette) the forefeet and the outside hind foot move round the inside hind foot which forms the pivot and should return to the same spot, or slightly in front of it, each time it leaves the ground. At whatever pace the pirouette (half-pirouette) is executed, the horse slightly bent in the direction in which it is turning should, remaining on the bit with light contact, turn smoothly maintaining the exact same cadence and sequence of footfalls of that pace. The poll stays the highest point during the entire movement. During the pirouette (half-pirouette) the horse should maintain its impulsion and never move backwards or deviate sideways. If the inside hind foot is not raised and returned to the ground in the same rhythm as the outside hind foot the pace is no longer regular. In executing the pirouette (half-pirouette) in the canter, the handler should maintain perfect lightness of the horse while accentuating the collection. The quarters are well engaged and lowered and show a good flexion of the joints. The quality of the pirouettes (half-pirouettes) is judged according to suppleness, lightness, cadence and regularity and to the precision and smoothness of the transitions; pirouettes (half-pirouettes) at the canter are judged also according to the balance, the elevation and the number of strides (at pirouettes 6-8, half-pirouettes 3-4 are desirable).

7. Piaffe: the piaffe is the most collected of the trot paces. The horse shows an elevated and cadenced trot on the spot, with the quarters slightly lowered. The horse should demonstrate great freedom and mobility of all the joints as he moves each diagonal pair of legs. The toe of each foreleg should be raised to halfway up the cannon bone of the other front leg; and the hind legs, showing great activity, should lift each hind toe to just above the opposite hind fetlock. The horse must always have the desire to move forward and show a lively impulsion while remaining lightly on the bit.

8. Passage: the passage is a very collected, very elevated, cadenced trot. The horse shows graceful, springy steps with a prolonged moment of suspension. The knees and hocks are highly flexed as the quarters are more engaged and the horse remains lightly on the bit. When this movement is established, the horse should then be able to move from piaffe to passage and back to piaffe without any apparent effort, loss of rhythm or cadence.
**AL206 Required Tests**

1. Level One: Novice
2. Level Two: Intermediate
3. Level Three: Advanced
5. Optional Tests: To be used if a Dressage arena is not available. Required elements may be done in random order (except halt and salute at entry and exit). It is up to each exhibitor to choreograph his/her own test and provide the order of execution of the required elements to the judge prior to the competition.
   a. Optional Test Level One Required elements: Halt Salute on entry and exit; 20 meter circle left at collected trot; 20 meter circle right at collected trot; medium walk (to be performed several times in the program); shoulder-in right at collected trot; shoulder-in left collected trot; 10 meter half circle right at collected trot; 10 meter half circle right at collected trot; leg yield right at collected trot; leg yield left at collected trot.

AL212 Junior Exhibitor Showmanship In Hand

The showmanship class shall be judged with emphasis on the handler’s ability to prepare and present the horse safely, correctly and elegantly. The conformation of the horse is not to be judged, since the horse is considered a means of displaying the abilities of the junior exhibitor. The ideal showmanship performance consists of a poised, confident, appropriately attired exhibitor leading a well groomed and conditioned horse that quickly and efficiently performs the required movements with promptness, smoothness and precision. Horses shall be presented in the Andalusian show stance (refer to AL105.4).

The horse shall be led from the left (near) side with the handler holding the lead strap in the right hand at a distance from the horse allowing for maximum control and presentation. Handler’s position when leading is midway between the head and shoulder of the horse. The remaining portion of the strap should be held safely in the left hand, and not wrapped around the hand. When moving away from the judge, the horse should be kept in line with the judge so the horse’s movement can be observed. The horse should be brought to a complete stop at either end of the line before turning to the right, away from the handler. The handler should appear alert until the entire class has been placed and the judge has submitted his card. The handler should be natural and avoid over showing, and respond promptly to requests from the judge or other officials. A light touch of the whip is permitted, if necessary. When the judge moves to area II, the exhibitor moves to area I. When the judge moves to area III, the exhibitor moves back to area IV. When the judge moves to area IV, the exhibitor moves back again to area I. An exhibitor should never stop directly in front of the horse, since this is a danger zone. In-hand Classes may be held in any age groups deemed appropriate by competition management and published in the prize list with the exception that horses of one sex shall not be judged against those of the opposite sex. Exception: Amateur or specified championship classes may have horses of all sexes. Sport Horse In-Hand and Under Saddle classes may be divided at the discretion of competition management into Dressage type and Hunter type. Horses may cross enter. Both Dressage and Hunter style appointments (tack and attire) are permitted in both the Dressage-type and Hunter-type In-Hand and Under Saddle classes.
   a. Dressage type - displays the conformation and movement qualities as follows: Horses of this type carry a higher set-on neck than the Hunter type with sufficient length and flexion of the poll. Movement should be free, elastic, active and regular with good push from behind without tension and with a tendency toward an uphill balance.
   b. Hunter type - displays the conformation and movement qualities as follows: Horses of this type carry a more level frame than the Dressage type horse, yet must display a natural looking carriage. Movement should have good ground cover and tend to be long and low with good push from behind, free of tension and showing good balance.
3. Sport Horse In-Hand Championships shall be based upon highest scoring horses in qualifying classes. Sport Horse In-Hand Champions and Reserve Champions must be at least two years of age. No horse may be named Champion and Reserve Champion in the same class. (Example: when amateur and open classes qualify for the same championship class.) If the same horse has the two (2) highest scores, the next highest eligible horse shall be named Reserve Champion.

AL236 Sport Horse In-Hand Classes
1. Sport Horse In-Hand Classes.
   Conformation is to be evaluated in terms of potential trainability, potential performance and predisposition to soundness. Form to function is to be emphasized. Blemishes are not to count unless resulting from conformation faults. Gaits are to be evaluated in terms of purity, quality and correctness. Correct gaits which contribute to ease in training and the horse remaining sound and useable are most important. Purity and quality are judged mainly in profile. Correctness is judged mainly while the horse is coming to and going from the judge’s position. Colts and stallions two years and over must have both testicles descended.
2. Following a posted or announced order, or on request from the judge, entries in each class will approach the judging area one at a time, walk to the apex of the triangle. Conformation judging may take place before or after performance on the triangle, so wait for the judge’s instructions. Wait for the judge’s request to proceed on the triangle. The handler will lead the horse on the perimeter of the triangle at the walk and trot, returning to the apex and wait for further instructions. At the completion of the judging, the handler will lead the horse away from the judging area. The triangle may be adjusted to fit local conditions.
3. Triangle: Corners should be well defined. A marker will be used at the apex and at each corner to define placement of the turn for the exhibitor. Use of plants or flowers is allowed.
4. The horse is to be shown in an “open position,” for conformation judging. The traditional way of showing open position would be with the right front leg slightly back and the right hind leg slightly forward; but as long as all four legs of the horse are visible to the judge when standing on either side of the horse, this would be acceptable. The horse’s head and neck should be allowed to show in a natural and comfortable carriage, and the handler should stand away from the horse with a loose lead line.

5. Foals may not be shown loose.

6. When possible, the announcement of awards will include the breeding of the horses placed: sire and dam as well as the name of the owner and breeder.

7. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger other exhibitors or their entries

8. The handler may carry only one whip, maximum length of six feet, including lash and without attachments (i.e. plastic bags, ribbons, etc.). No trailers allowed.

9. Causes for mandatory elimination from the arena or designated judging area for In-Hand classes are:
   a. Removal of eyelashes,
   b. Changing the natural color of the mane and/or tail
   c. Applying a product to a horse’s hoof to hide or conceal a conformation defect. Only clear or transparent products may be used on the hooves of horses while being shown in Breeding and/or In-Hand classes.

10. An entry must be penalized for:
    a. Excessive amounts of oil, grease or other similar substances.
    b. Balding the area around the eyes or proximal to the muzzle and nostrils
    c. Excessive use of the whip or actions that may disturb other entries shall be severely penalized.

**AL237 Sport Horse Scoring In-hand Procedures**

1. The IALHA In-Hand Score Sheet shall be used. Each judge will be assigned a scribe who will record scores and comments as dictated by the judge. Horses will be shown individually on the triangle.

2. The judge shall use the approved individual score sheets for individual classes.

3. Decimals may be used in scoring.

4. A scribe shall be provided for each judge whose main duty is to record the judge’s scores and comments on the score sheets. The scribe may be asked to transfer scores from the individual sheets to the master score sheet.

5. Tied scores for Sport Horse In-Hand shall be broken first by referring to movement, then conformation, then overall balance and finally manners. If the horses are still tied, the judge (or call judge in a multiple judge system), will make a
final tie-breaking decision.
6. When multiple judges officiate the same class, competition management may assign separate or shared triangles. In either case, judges will have separate score sheets and scribes.
7. Scores shall be reported as a total based on the stated percentages against a possible total of 100% and all scores and placings must be posted. Unofficial scores may be posted during the class and/or final score may be posted at the end of each class.
8. If a mathematical error on the score sheet is discovered, it must be brought to the attention of competition management within one hour of the official posting of the scores from the last class of the competition day. Competition management must announce said posting, and must make score sheets available to competitors immediately.

AL238 Sport Horse Under Saddle and Show Hack Class Procedures
1. AL101.1-3, 6-8, 10, 11, 13, 16-19, 21-22, AL102, and AL103 apply to Sport Horse Under Saddle and Sport Horse Show Hack classes.
2. Score sheets are not required for Sport Horse Under Saddle or Sport Horse Show Hack classes.
3. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger other exhibitors or their entries.
4. Sport Horse Under Saddle. To enter the ring counterclockwise at the trot. To be shown at a walk, trot, and canter both directions of the ring. Judge may request lengthening of stride at any gait and may request horses to back in the line-up.
5. Sport Horse Show Hack. To enter the ring counterclockwise at the normal walk or normal trot. To be shown both directions of the ring at a walk, trot, and canter; collected, normal and extended gaits to be called for, and the hand gallop. Horses should stand quietly and back readily.

AL239 Sport Horse In-Hand Appointments

2. Tack:
   Bridles are mandatory on horses three years and older. A bridle shall be a dressage-type snaffle bridle or hunter-type snaffle bridle. Snaffle may be with or without cheeks, keepers allowed. Use of a noseband is optional but if used, it must be a cavesson, flash, figure 8, mexican, dropped, or crescent style noseband. Horses aged two years may be shown in a bridle (as listed above), or a plain leather stable halter. Horses under age two years must be shown in a plain leather stable halter. Competitors with non-conforming appointments will be eliminated from judging consideration.
3. Attire

AL240 Sport Horse Under Saddle Appointments
1. Both Dressage-type and Hunter-type appointments (tack and attire) are permitted in both Dressage-type and Hunter-type Under Saddle classes. Competitors with non-conforming appointments will be eliminated from judging consideration.
2. Tack:
   a. Bridle shall be a dressage-type snaffle bridle with snaffle bit, hunter-type double bridle or dressage-type double bridle, or hunter-type snaffle or Pelham bridle is acceptable. Converters on Pelham bridle are not permitted and two reins are required. Unconventional bits may be penalized at the discretion of the judge, BUT kimberwicks are prohibited. In junior horse under saddle classes, snaffle bits are mandatory. Snaffles may be with or without cheeks, keepers allowed. Cavesson nosebands are to be used, but flash nosebands would be acceptable when using a snaffle bridle with snaffle bit.
   b. A dressage, forward seat or English all purpose saddle is to be used. No saddle seat type saddles allowed.
   c. Martingales are not permitted.

3. Attire:
   a. Dressage or Hunter attire acceptable. Dressage attire will be defined as white or light colored breeches, short riding coat of conservative color, with tie, choker or stock tie, boots, a hunt cap, derby, top hat or protective headgear. Hunter attire will be defined as light colored breeches, short riding coat of conservative color, with tie or choker, boots or smooth leather half-chaps, and hunt cap or protective headgear. It is recommended that attire reflect the tack used on the horse.
   b. Gloves of conservative color are optional for either style of attire.
   c. Spurs and whip are optional. If a whip is carried, it may not exceed the length requirements in DR120.

AL241 Sport Horse Show Hack Appointments
1. Competitors with non-conforming appointments will be eliminated from judging consideration.

2. Tack:
   a. Bridle shall be a dressage style snaffle bridle, or hunter style snaffle or Pelham bridle, or dressage style double bridle or hunter style double bridle is acceptable. Converters on Pelham bit not permitted and two reins are required. Kimberwick bit is prohibited. If using a double bridle of either style, the lever arm (length below the mouthpiece) must not exceed 3.94 inches or 10 cm. The inside diameter of the bridoon ring must not exceed 3.15 inches or 8 cm. Cavesson nosebands to be used but flash nosebands would be acceptable when using a snaffle bridle and snaffle bit.
   b. A dressage, forward seat or English all-purpose saddle is to be used. No saddle seat type saddles allowed.
   c. Martingales are not permitted.

3. Attire:
   a. Informal attire consists of conservatively colored short, dark coat, with tie, stock tie or choker collar, white or lightcolored breeches, boots or smooth leather half-chaps, hunt cap, derby, top hat or protective headgear.
   b. Formal attire consists of white breeches, top hat and shad belly coat which may be worn after 6:00 p.m. or in championship classes.
   c. Spurs and whip are optional. If a whip is carried, it may not exceed the length requirements in DR120.

AL242 Sport Horse Qualifying Gaits
1. Innate quality movement is a priority in the Sport Horse classes. All gaits should be pure in rhythm, and should be without tension or resistance.

2. Walk
   a. Walk. (Also Normal Walk) The rhythm of the walk is 4 beats. The walk is to be regular and unconstrained.
   b. Collected Walk. The rhythm is 4 beats. The stride maintains the marching quality of the normal walk, with hind legs well engaged but covers less ground.
   c. Extended Walk. The rhythm is 4 beats. While maintaining the march quality, the horse does not rush, but with regular steps, will clearly show the hind feet touching the ground in front of the footprints of the forefeet. The
rider allows the horse to stretch forward with head and neck, but does not release contact with the mouth.

3. Trot
   a. Trot. (Also Normal Trot) The rhythm of the trot is 2 beats. The trot is free, active and regular. The steps should be balanced and elastic with the horse demonstrating a supple back and well engaged hindquarters.
   b. Collected Trot. The rhythm is 2 beats. The horse continues to move forward with impulsion, and demonstrates an ability to further engage the hocks, which allows the shoulders of the horse to become lighter and the stride to become shorter. The neck is raised and arched, but not constrained.
   c. Extended Trot. The rhythm is 2 beats. The horse covers as much ground as possible, while maintaining regularity and balance. The stride lengthens as a result of great impulsion. The rider allows the horse, while remaining on the bit, to reach with its frame. The forefeet should touch the ground where they point. The transitions to and from should be balanced and smoothly executed.

4. Canter
   a. Canter. (Also Normal Canter). The rhythm of the canter is 3 beats. The canter should be light, cadenced (rhythm with a suitable tempo combined with springy impulsion) and regular. Transitions should be without hesitation and balanced. The canter should always be straight on straight lines.
   b. Collected Canter. The rhythm is 3 beats. The horse moves forward with impulsion, through increased engagement of the hindquarters and lightness of the forehand. The neck is raised and arched but not constrained. The back remains supple and the strides are shorter.
   c. Extended Canter. The rhythm is 3 beats. The horse covers as much ground as possible while maintaining regularity and balance. The stride lengthens as a result of great impulsion from the hindquarters and the rider allows the horse to lower and extend the neck, without losing contact with the bit, or leaning.

5. Lengthening Stride. When a lengthening of stride is requested at walk, trot, or canter, the horse should maintain rhythm, regularity and balance, while reaching with the frame and stride. The rider should maintain contact with the bit, while allowing the lengthening. The strides should be more ground covering and the horse should remain calm and supple.

6. Hand Gallop. The rhythm is 3 beats. The hand gallop is performed with long, free, ground covering strides. The amount of ground covered will vary between horses due to the difference in the natural length of stride. The hand gallop shows a looser, freer elongation of stride and frame of the horse. The horse must remain mannerly, correct, and straight. Extreme speed to be penalized.

7. Rein-back. The rhythm is 2 beats. The feet are raised and set down by diagonal pairs. The horse should remain calm and obedient, lifting and setting down the feet, without shuffling.

AL243 Sport Horse Class Specifications

The presentation judging while the horse is stationary may take place before or after performance on the triangle; the handler must wait for the judge’s instructions before proceeding on the triangle. The handler will lead the horse on the perimeter of the triangle at the walk and trot, returning to the apex and wait for further instructions. At the completion of the judging, the handler will lead the horse away from the judging area. The triangle may be adjusted to fit local conditions.
   c. The horse is to be shown in an “open position.” The traditional way of showing open position would be with the right front leg slightly back and the right hind leg slightly forward; but as long as all four legs of the horse are visible to the judge when standing on either side of the horse, this stance would be acceptable.    i. If a mathematical error on the score sheet is discovered, it must be brought to the attention of competition management within one hour of the official posting of the scores from the last class of the competition day.

SUBCHAPTER AL-43 DOMA VAQUERA-OPEN TO PUREBRED AND HALF-ANDALUSIAN HORSES

AL245 General
1. The combination (horse and rider) receiving the highest score at the IALHA National Championship Show in either the basic or intermediate level will not be eligible to compete at that level in future years.
2. Rider provides appropriate background music during the test, which is any Spanish or Latin guitar, Classical or Modern without vocals.
3. Arena size: Minimum 18 x 40 meters or 20 x 60 meters.
4. Participants will be called in a pre-established order. A participant who does not enter within one minute will be eliminated.
5. No comments can be made during contestant’s ride.
6. It is important the judge does not forget the ‘air or attitude of proudness’ of the vaquero. This is what defines and distinguishes Doma Vaquera from other disciplines.
7. The horse must walk with impulsion, the mosquero moving in rhythm with the horse.
8. The gallop must be steady and true, with impulsion and cadence, achieving all of the movements with an air more lively, than usually seen in working horses.
9. The rider should present to the judge his own style, not to copy other riders. The importance of the submission of the horse to the rider and not the reverse, adapting himself to the horse so that he does not irritate or confuse the horse.
10. One has to place value on the image of the rider but it does not override the overall impression of the horse and rider.
11. The movements made in the ‘aire vaquero’ should have the quality of spontaneity. Repetitive and monotonous movements will not be ‘Doma Vaquera’.
12. The basic movements required constitute approximately 80% of the score. The rest of the exercises and movements elevate and compliment the technical level of Doma Vaquera.
13. The judge should score accurately the basic movements, walk, trot, canter, and gallop of the horse in their notes.
The judge may comment positively or negatively on the manner of each movement performed.

14. The rider should be given higher scores for the spontaneity, diversity, style, alternation of walk and gallop, obedience of the horse and the risk the rider assumes according to the combinations of distinct movements.

15. The rules specify:
   a. All movements are to be made on both reins and if not done on both, it will not be considered complete and the points will not be more than 5 points.
   b. There are coefficients in the basic movements that are inscribed on the score sheet. This is for the rider to realize the more important movements.
   c. One must place much importance on the entrance and execution of the initial presentation of horse and rider. Those that do not show the proper respect and dignity, the 'air' of Doma Vaquera', must not receive more than 5 points.

**AL246 Judging Criteria**

1. The judge will sit at the end of the arena opposite from where the exhibitors enter. Each judge will be provided with a scribe who shall have the proper scorecard. The scribe will record the judges scoring (0-10) and give the card to the judge for his final review. All combinations (horse and rider) will line up in the arena for inspection. If they do not pass with a sufficient (5) score, they will not be allowed to perform the pattern. Points will be calculated at the end of each ride. Scorecards will be available to the contestant following the completion of the competition.

2. The movements are graded on a scale of 0 to 10 by the judge. The highest point is 10 the lowest is 0. Decimals are not permitted. The movements described on the tests are obligatory and in no case will be modified or simplified. Movements that are not completed will be penalized ten points.

3. **SCORING:** The scale of points is as follows:
   - 10. excellent
   - 9. very good
   - 8. good
   - 7. rather good
   - 6. satisfactory
   - 5. sufficient
   - 4. insufficient
   - 3. rather bad
   - 2. bad
   - 1. very bad
   - 0. not executed

4. Freestyle: All the movements to be ridden are numbered in the order that they will be performed and listed on a score sheet to be given to the judge prior to the ride. The order and placement of the movements in the ring is at the election of the rider. Freestyle patterns must be submitted to the show management for delivery to the judge(s) one hour or more before the class starts. If the freestyle pattern is not submitted within the one hour or more time frame the rider must ride the prescribed pattern. No exceptions.

5. Rider that is eliminated is not able to claim a ribbon or award.

6. Eliminations:
   a. Entering ring before the signal.
   b. Entire horse exiting described arena during test.
   c. Evidence of fresh injuries or blood on the horse’s nose, mouth, back or sides.
   d. Lameness of horse.
   e. Abuse of horse in the show ring and/or evidence that an act of abuse has occurred prior to or during the exhibition of a horse in competition.
f. Improper attire or equipment to be penalized at judge’s discretion

g. Not entering ring within one minute of signal.

h. Rider grabs reins in both hands. Use of two hands, except in case of Junior Horses wearing a bosal or snaffle bridle. It is permissible to adjust rein length with free hand.

i. Fall of horse and/or rider. A horse is deemed to have fallen when its shoulder and/or hip, and/or underline touches the ground.

7. The basic level recommended time to complete is six minutes

8. Intermediate and Advanced levels recommended time to complete is eight minutes

AL247 Appointments

1. Basic and Intermediate at a local competition: Turn out of the horse and rider should be of one discipline and riding style (i.e., placement of hands and use of reins.) Junior horses may be ridden in a snaffle with two hands on the reins. Advanced shall use the same appointments that are appropriate at the Regional/National Show.

2. Basic, Intermediate, and Advanced at a Regional/National Competition: A Spanish Vaquera saddle of black or brown. No saddle pad may be used. Brown stripe or black and gray stripe blanket, to be tied in front, without the farm brand. Black or brown headstall, with or without a throatlatch, and a leather or braided horsehair (Mosquero), is to be used. The bit is a black curb type bit. Spurs are optional, if used they shall be black with white or brown spur straps.

3. Special Considerations: Long manes may be braided. No colored ribbons shall be used in the mane or tail. Martingales and leg protectors are prohibited. The horse may wear shoes or be unshod. Special sliding shoes are prohibited.

AL248 Attire

1. Basic and Intermediate at a local competition: Appropriate wardrobe is to be worn and the judge will have the final word on allowing an entry to show. The rule should apply for the particular discipline that is listed in the IALHA rule book. Advanced shall use the same attire that is appropriate at the Regional/National Show.

2. Basic, Intermediate, and Advanced at a Regional/National Competition: A TRAJE CORTO jacket in solid black or dark brown. The black jacket shall be worn with gray and black striped pants. The brown jacket (Calzona) provided that the silver ornaments (Caireles) are removed and the cuffs of the pants are turned up. A black Sevillano hat may be worn with gray striped pants and a brown Sevillano hat may be worn with brown pants. Also acceptable are jackets of grey, blue, green, and earthy colors. Female riders would wear the same attire or with a split skirt, but shall not have flowers or ornaments in their hair.

AL249 Gaits and Maneuvers

1. Reins are held in the left hand with the little finger between them. This is the only correct position and any other is considered a grave fault. The right hand is only used to adjust the length of the reins. The right hand is to be placed on the thigh with the thumb forward in the walk and trot. At the canter and gallop the right hand is crossed in front of the chest. (Exception: If horse is ridden in a snaffle, rider may use two hands on reins.)

2. One may not use the voice for aiding the horse, heavily penalized by the judge.

3. Contestant enters ring on right lead stopping in front of judge and saluting. This is also repeated at end of ride El Paso (walk):

4. The walk is a fundamental movement of Doma Vaquera. The horse must go with rhythm, swinging the mosquero with impulsion and rhythm. The rider must show to the judge, without hurrying, straightness on a line and curvature on a circle.

5. Circles: Circles at a walk must describe a complete circle, with measured regularity of steps, roundness of the circle, and the aids and position of the rider.
6. Half passes: Made with correct aids, curving toward direction of travel with the forehand leading the posterior.
7. Full pass: This is a half pass with as little as possible forward movement.
8. Turns on forehand and haunches:
   To be executed on a straight line, full turn, without losing impulsion, leaving in the same direction that it was initiated. The turn on the haunches at a walk is a classic movement. No rearward steps of the horse are allowed. Both are performed with constant cadence, head curved slightly in the direction of the turn. Horses will be penalized for not picking up their pivot leg.
9. Reinback: Straight, minimum of 6 steps back and 6 steps forward.
10. Gallop: The gallop, collected, working and extended, should be true and cadenced with impulsion, balanced and centered, and not on the forehand. Like the walk the rider should demonstrate to the judge with clarity and completeness the generousness and quality of his mount.
11. Flying changes: Flying changes on the straight line constitute a secondary movement; it is a movement of adornment, of indisputable difficulty correctly executed.
12. Counter-canter: Counter canter done from a straight line or from a circle.
13. Rollbacks: Rollbacks are executed from good working gallop, the horse is well under himself, lifting his front and turning 180 degrees or 360 degrees, leaving with impulsion and the Same lead that he initiated the exercise. The horse never stops moving.
14. Arrear: Not simply an extended gallop but the horse initiates a gallop extending his neck and utilizing his strength to develop an energetic gallop in a short space. The rider slows the gallop, turns and extends again in the opposite direction repeating the collection and turn. This is simply not an extended gallop but with much effort and the judge will reward with his points the higher the risk.
15. Fast stop: The fast stop should be made from an energetic gallop, reinback of at least 6 steps and leaving immediately on other lead, fast gallop, another fast stop with at least 6 steps of reinback. The final stop has to be made in front of the judge, the back legs well under the horse, immobile, and the horse obedient.

AL250 Patterns
Below are the patterns for each Doma Vaquera level. The Basic test is to be done as is listed, and the Intermediate and Advanced may do the pattern or a free style test, which is done only in the following manner. There are certain Required Elements and it is up to the exhibitor to choreograph his or her own ride. The free style pattern must be submitted along with the proper score sheet to the judge prior to the ride. These movements excluding the halt, salute, on entry and exit, may be done in any order. Freestyle patterns must be submitted to the show management for delivery to the judge(s) one hour or more before the class starts. If the freestyle pattern is not submitted within the one hour or more time frame the rider must ride the prescribed pattern. No exceptions.
A. LEVEL I – BASICO – DESCRIPTION OF PATTERN
   Figure 1: Enter the arena at A at the canter on the right lead. Canter A to I. At I stop, settle and salute the judge(s).
   After signal from judge(s) walk from I, G, M, B, X.
   Figure 2: At X, turn right and walk to I. At I, make a 9m circle to the right. At I, make a 9m circle to the left. At I, walk to G and to H. At H, turn on haunches to the left 180 and continue to M.
   Figure 3: At M, turn on forelegs 180º to the right. Walk to H, turn on forelegs 180º to the left and walk to G.
