## PHASES

**The Championship** will be conducted in three separate phases: Under Saddle to count 20%, Handy Hunter to count 40%, and a single Classic Round to count 40%. To determine the winner, scores must be calculated based on the total of the combination of all three phases after the percentages of each phase have been calculated.

**Under Saddle** - To be shown at a walk, trot, and canter both ways of the ring. Horses are to hand gallop one direction. Light contact with the horse's mouth is required. Judged on performance and soundness. Manners and suitability to be emphasized. In the Under Saddle phase, horses shall be judged in groups of twelve or less. Each horse shall be judged and given a score based on its performance in the group.

**Handy Hunter** - Obstacles should simulate those found in trappy hunt country. The course must have at least two changes of direction and at least one in and out as well as three of the following: hand gallop a jump, bending line, rollback turn, fence at the end of the ring, open a gate while mounted or trot over one obstacle. Judges must place emphasis on promptness and tight turns with precedence being given in that order. Handiness is defined as time and ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Hand Gallop is defined as a significant increase in pace without sacrificing performance or style. In the Handy Hunter each entry will be given a numerical score based on its performance

**Classic Round** - The course must include at least ten obstacles, have two changes of direction, and at least one combination. There shall be one single oxer on the course that shall be ridden at the gallop. Emphasis shall be placed on "brilliance" for this round. In the Classic Round each entry will be given a numerical score based on its performance.

## **JUDGING PROCEDURES**

Three judges will judge each phase simultaneously but independently of each other. Each judge will give every entry a score for each phase. Prior to the Under Saddle and Handy Hunter, each entry's score in the previous phase shall be totaled and announced. During the over fences phase, the Open Numerical Scoring System is used. After each entry completes the course each judge's score for the round is immediately shown or announced. The total overall score for each entry is then calculated as soon as it has completed the last phase.

## **TIES**

Ties will be broken based on the score of the judge that is designated as judge number one for each phase of the competition. If a tie still exists for the overall standings, the score from the Classic Phase will break such tie.

## **COMPETITION REQUIREMENTS**

Horses are required to be stabled on the competition grounds a minimum of 12 hours before the start of their respective fence height section: 3'3", by Sunday, 8pm; 3'6" - by Monday, 12:30am; Commencing 12 hours prior to the start of their respective fence height section and continuing until through competing, only the competition rider may ride his/her entry. These riders must wear their competition number at all times anywhere on the grounds while mounted. Failure to comply with these rules will result in elimination if deemed appropriate by an appeals jury which will be compiled of one of the competition's Federation Stewards, a member of the Federation staff, and the competition manager.

The USEF Junior Hunter National Championships may be split into two Championships; one on the eastern side of the U.S. and one on the western side of the U.S. Qualified horses may compete in either Championship but the horse's owners or their agent must declare which coast the horse will be competing in as the horse is only allowed to compete in one coast or the other but not both in any one year. Qualification and points will be the same for both eastern and western championships.

**6. MANAGEMENT:** The Horse Show Management reserves the right to itself to interpret all questions and conditions in regard to or arising out of or incident to the show without claims for damages or recourse of any kind. All questions not covered in these rules and regulations shall be decided by the Horse Show Management and their decision is final. The Horse Show Management reserves to itself the right to refuse, accept conditionally, or to cancel any entries, disqualify riders or exhibitors, prohibit claim damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate judges, and to change specifications in jumper classes

**7. CONDITION OF ENTRY:** Every horse entered for competition will be under the control of Horse Show Management but the Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall hold the Horse Show (competition) and its officials, employees, directors, officers, Blenheim EquiSports Management Company, LLC, Blenheim Facility Management and sponsoring entities harmless for any loss or accident to his/her horse, horses, employees or equipment which may occur from sickness, fire or other cause. **ASSUMPTION OF RISK:** By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person--all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse – a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads and driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facilities.

**11. STABLING:** All stalls have a dirt floor and doors. The 10' x 10' temporary stalls are available to rent for \$450/show week. A VERY limited amount of 12' x 12' stalls housed under a clear span tent are also available to rent for \$550/show week. ***Qualified Horses only competing in the Championships and/or Gladstone Cup Equitation Classic will be charged \$300/\$375 respectively, stalls will be available by noon Friday, July 21st & must be vacated 12 hours post competition. Stalls will be available on a first come first reserved basis with priority assigned to horses competing in the July Blenheim "Festival two show" circuit; and are non-refundable after the closing date of entries. Once a horse is entered it will automatically be assigned a stall; Tack Stalls may be ordered using the auto-generated Trainer Account.*** Only pine shavings bedding is allowed; straw bedding is prohibited. Doors that are removed from stall fronts will be assessed a fine of \$100/stall/competition. Stall damage must be reported prior to move-in. Any intentional damage to your stalls (holes, slits, cuts, etc.) will be billed directly to the master trainer account.

**12. FEED & BEDDING:** Hay and Shavings will be available and can be ordered in the Horse Show Office. Advance orders may be made through the Blenheim EquiSports website for official Feed/Bedding Form. Orders must be placed by 12:00pm for same day delivery. **15. SCHOOLING RULES:** Schooling will be permitted in designated sand schooling areas only. (The word "schooling" includes, but is not limited to riding, driving, longeing, leading and exercising). Ample jumps in the appropriate areas will be provided for schooling. The rider/trainer/coach/person setting the jumps is responsible to ensure that all components of the jump are available and if such parts are not readily available, they agree to notify the paddock steward and/or schooling supervisor. The rider/trainer/coach/person setting the jumps is also responsible to ensure the jump is set correctly in compliance with USEF rules and assumes the risk for improperly setting the jump. In accordance with California state law, poling and/or the use of offsets WILL NOT be permitted. Violations of schooling regulations may be considered cause for FINES and/or ELIMINATION and can be instituted by the official schooling supervisor, paddock master, official USEF Steward or any member of management should the situation arise. At no time will the un-safe use of cell-phones w/ or w/out earbuds be tolerated in any schooling area while mounted or in the lunging area. **PAID SCHOOLING SESSIONS:** Weather permitting, the day prior to the start of the horse show, schooling sessions will take place in the SAND hunter rings @ \$30/horse/session. Riders will be asked to sign up ahead of time for warm up slots in order to help minimize wait time on show grounds and can do so by "entering" the warm up online as you would any other class entry. These warmup slots are for 10 minutes each and will be limited to 8 horses per ring. Trainers are not allowed to adjust or touch the jumps – they must be jumped as set. Signups are not required, however all riders who sign up will have access to the rings prior to anyone who does not. Once these 10-minute sessions are completed, schooling rounds for the time remaining will be available to those who did not sign up. During show days, if available, one hunter ring with a course of jumps will be open for ticketed schooling; if no arena is available during the show day, one arena will be open at the conclusion of the show for ticketed schooling until sunset. No poling or offsets allowed. ***Junior Hunter & Gladstone Schooling - courses will be posted - must jump designated course.***

**16. CLOSED RINGS:** Show arenas are closed at all times when not being used for classes. Sand hunter arenas will be open the day prior to the start of the show and for a limited amount of time at the conclusion of the show day. VIOLATIONS of the above will be considered cause for FINES and/or ELIMINATION.

**17. CONFLICTS:** It is the intention of Horse Show Management to avoid holding rings to wait for horses and/or riders. Riders with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Paddock Stewards have the authority to scratch riders who are not timely. Trainer conflicts are not considered legitimate conflicts.

**18. MANURE:** Manure must be placed in designated areas, kept separate from trash. Each violation will result in a \$100 fine.

**19. DOGS ARE A SERIOUS SAFETY AND HEALTH PROBLEM AT ALL HORSE SHOWS.** USEF GR 1301 – Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners failing to comply with this rule may be subject to penalty under Chapters 6 and 7, as well as issuance of warning cards.
