THE SPORTSMAN’S CHARTER

That sport is something done for the fun of doing it and that it ceases to be sport when it becomes a business only, something done for what there is in it;

That amateurism is something of the heart and spirit - not a matter of exact technical qualifications;

That good manners of sport are fundamentally important;

That the code must be strictly upheld;

That the whole structure of sport is not only preserved from the absurdity of undue importance, but is justified by a kind of romance which animates it, and by the positive virtues of courage, patience, good temper, and unselfishness which are demanded by the code;

That the exploitation of sport for profit alone kills the spirit and retains only the husk and semblance of the thing;

That the qualities of frankness, courage, and sincerity which mark the good sportsman in private life shall mark the discussions of his interests at a competition.

GENERAL RULES

CHAPTERS 1-15

BREED/DISCIPLINE CHAPTERS

Which pertain to the classification, conduct and operation of competitions and to general matters affecting Exhibitors, Judges, Stewards and Competition Officials.

A knowledge of the rules of any sport is required of each participant and the exhibitor at a Licensed Competition is in no way exempt from this responsibility. A complete knowledge of and compliance with the rules are essential and the exhibitor must be fully cognizant of all the rules as well as class specifications in the Divisions in which he or she shows.

It is obvious that however complete rules may be, they can never cover all possible situations which may arise. If a matter cannot be solved by interpreting the rules to the letter, the solution to be adopted by those responsible should lie in a principle which follows as nearly as possible the spirit of the rules.

PLEASE READ ALL CROSS REFERENCES CAREFULLY, AND REFER TO THE FEDERATION’S WEBSITE AT www.usef.org FOR OFFICIAL CHANGES AND THE MOST UP-TO-DATE VERSION OF THIS RULEBOOK.

**Subpart E – General Provisions Applicable to Officers and Directors**

**Bylaw 341 – Indemnification of Officers and Directors**

If any officer or director of the Federation is made a party to any civil or criminal action, suit or proceeding in any matter arising from the performance of his or her duties for or on behalf of Federation, then, to the full extent permitted by law including applicable provisions of the New York Not-For-Profit Corporation Law as in effect from time to time, the Federation shall indemnify the director or officer for all amounts paid by him or her in connection with the action, suit, or proceeding, including any judgments, fines, amounts paid in settlement and reasonable expenses, including attorney’s fees, or in connection with any appeals. This provision shall apply to both derivative and nonderivative actions to the extent permissible by law, and shall include an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any director or officer of the Federation served in any capacity at the request of the Federation, by reason of the fact that he or she, his or her testator or intestate, was a director or officer of the Federation, or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity. Notwithstanding any other provision of these bylaws, the Federation shall neither indemnify any person nor purchase any insurance in any manner or to any extent...
that would jeopardize or be inconsistent with the qualification of the Federation as an organization described in section 501(c)(3) of the Internal Revenue Code, or that would result in the imposition of any liability under either section 4941 or section 4958 of the Internal Revenue Code.

**Bylaw 342 – General Standards of Conduct for Directors and Officers**

Section 1. **Discharge of Duties.** Each Director shall discharge the Director's duties as a Director, including the Director's duties as a member of a committee of the Board, and each officer with discretionary authority shall discharge the officer’s duties under that authority (i) in good faith; (ii) with the care an ordinarily prudent person in a like position would exercise under similar circumstances; and (iii) in a manner the Director or officer reasonably believes to be in the best interests of the Federation.

Section 2. **Reliance on Information, Reports, etc.** In discharging duties, a Director or officer is entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, if prepared or presented by: (i) one or more officers or employees of the Federation whom the Director or officer reasonably believes to be reliable and competent in the matters presented; (ii) legal counsel, a public accountant or another person as to matters the Director or officer reasonably believes are within such person's professional or expert competence; or (iii) in the case of a Director, a committee of the Board of Directors of which the Director is not a member if the Director reasonably believes the committee merits confidence. A Director or officer is not acting in good faith if the Director or officer has a knowledge concerning the matter in question that makes reliance otherwise permitted by this Bylaw 342 unwarranted.

Section 3. **Liability to Federation or Its Members.** A Director or officer shall not be liable as such to the Federation or its members for any action taken or omitted to be taken as a Director or officer, as the case may be, if, in connection with such action or omission, the Director or officer performed the duties of the position in compliance with this Bylaw 342.

**Bylaw 343 – Conflict and Duality of Interest**

Section 1. **Generally.** If any officer, Director or member of any other committee has a financial interest in any contract or transaction involving the Federation, such individual shall not participate in the evaluation or approval of such contract or transaction unless the material facts of the relationship or interest are disclosed or known to the other officers, Directors, or other committee members, but he or she shall be counted in determining the quorum for the meeting relating to the matter. If such disclosure is made, the contracts or transaction shall not be voidable if the officers, Directors, or committee members in good faith authorized the contracts or transaction by the affirmative vote of the majority of the disinterested officers, Directors, or committee members and the contract or transaction is fair to the Federation at the time it is authorized.

Section 2. **Duality of Interest.** Any duality of interest on the part of any Director shall be disclosed to the Board of Directors, and made a matter of record through an annual procedure and also when the interest becomes a matter of Board action. Any Director having a duality of interest shall not vote or use his or her personal influence on the matter, but he or she shall be counted in determining the quorum for the meeting relating to the matter for which the duality exists. The minutes of the meeting shall reflect that a disclosure was made, the Director abstained from voting, and a quorum was present with the inclusion of the affected Director. Any new Director will be advised of this policy upon entering the duties of his or her office.

Section 3. **Conflict of Interest Policy.** The Board of Directors shall adopt a Conflict of Interest Policy including minimizing conflict of interest situations regarding the selection of athletes, horses, coaches, trainers, managers, administrators, veterinarians, officials and others for competitions.
Bylaw 344 – Liability of Directors for Unlawful Distributions

A Director who votes for or assents to a distribution made in violation of the New York Not-for-Profit Corporation Law (NPCL) or the articles of incorporation of the Federation shall be personally liable to the Federation for the amount of the distribution that exceeds what could have been distributed without violating the NPCL or the articles of incorporation if it is established that the Director did not perform the Director’s duties in compliance with the general standards of conduct for Directors set forth in Bylaw 342 of this Subpart.

Section 2. Contribution. A Director who is liable under this Bylaw 344 for an unlawful distribution is entitled to contribution: (i) from every other Director who could be liable under this Bylaw 344 for the unlawful distribution; and (ii) from each person who accepted the distribution knowing the distribution was made in violation of the NPCL or the articles of incorporation, to the extent the distribution to that person exceeds what could have been distributed to that person without violating the NPCL or the articles of incorporation.

Bylaw 345 – Loans to or from Directors and Officers Prohibited

No loans shall be made by the Federation to any of its Directors or to the Federation from any one or more of its Directors. Section 2. Vacancies. If an Athlete Director vacancy occurs before the end of his or her term, the Eligible Athlete who continues to meet USOC Requirements in the discipline where the vacancy occurs who received the next highest vote total and who was not elected in the last election shall complete the remainder of the term of such Athlete Director position and until his or her successor is elected.

Section 3 Attendance. If an Athlete Director misses three consecutive meetings of the Board for any reason, or if an Athlete Director who is a member of the Executive Committee misses three consecutive meetings of the Executive Committee for any reason, the Athlete Director and the Chairman of the AAC shall be so advised in writing by the Recording Secretary of the Board, and the AAC Chairman in turn shall notify in writing the Secretary of the Corporation that said Athlete Director’s seat shall be deemed to have been vacated and the provisions of Section 2 of this Bylaw shall apply. For the purposes of the foregoing, the meetings held during the annual meeting shall be counted as one meeting and shall be considered missed only if all are missed.

Bylaw 412 — Athlete Representation on Other Committees

There shall be at least 20% Athlete member representation on the Federation’s committees, and Athlete members serving on said committees shall meet the definitions set forth in USEF Bylaw 401.

Bylaw 413 — Athlete Elections and Appointments

Section 1. All elections regarding, and appointments to, Designated Committees and other Committees shall at all times and in all respects be conducted in accordance with applicable USOC Requirements, with all elections and appointments being conducted pursuant to the guidance and direction of the Officers, subject at all times to the supervision, control and oversight of the Executive Committee to ensure that USOC Requirements are met. As to appointments to other Committees which are not Designated Committees, the President shall appoint those athletes in accordance with USEF Bylaw 501.2.

Section 2. The procedures for electing Athletes shall be determined by the Athletes’ Advisory Committee of the Federation, in accordance with USOC Guidelines, as approved by the Executive Committee. The Chief Executive Officer and the National Office shall assist the AAC in conducting the election of Athletes to serve on the Board of Directors, Executive Committee and other Designated Committees.

Section 3. (a) The National Office of the Federation will develop and maintain mailing lists, complete and up to date as practical, of all Eligible Athletes and will compile a report regarding the upcoming election listing the vacancies which will be occurring in Athlete
Directorships and in Athlete Committee positions requiring direct election by Eligible Athletes (other than the Hearing Committee) which will be filled at the ensuing annual meeting. In accordance with the timetable, the National Office of the Federation will send copies of the report and the mailing lists to each member of the ANC and will send copies of report to all Athletes together with a response form asking each Athlete if he or she wishes to nominate one or more Eligible Athletes to fill such vacancies. The discipline affiliation of each Athlete Director whose term is expiring shall be specified in the report and reflected in the ballots so that following the election the total number of Athlete Directors serving on the Board is in accordance with Bylaw 303. The ANC shall nominate at least two candidates willing to serve for each vacancy occurring in Athlete Directorships representing the respective disciplines that are on the equestrian programs in the Olympic, Paralympic, or Pan American Games or the FEI. The ANC’s nominations must include Eligible Athletes who are willing to serve and who were nominated by Athletes via the response forms. A candidate representing a discipline must compete or have competed in such discipline. The President shall nominate at least two candidates willing to serve for each Athlete vacancy on the Hearing Committee. The list of Eligible Athletes nominated by the President to stand for election to the athlete representative positions on the Hearing Committee must be submitted to the ANC for approval. If the ANC rejects one or more of the President’s nominees, then the President must submit additional nominees, as needed, to the ANC for approval. This process shall continue until a complete slate of Presidential nominees is approved by the ANC. The nominations by the ANC and the President, as the case may be, and the balloting procedures must ensure that after the election all USOC Requirements will be met. Pursuant to the timetable adopted by the Executive Committee, the list of the nominees of the President and the ANC shall be delivered to the National Office of the Federation, and the National Office of the Federation shall mail the following (in an envelope bearing the National Office return address) to the last known address of each Eligible Athlete on its mailing list who is eligible to vote:

(i) A ballot in a plain unmarked sealable inside envelope for protecting the confidentiality of the vote;

(ii) A list of Athletes who have been nominated by the ANC to stand for election as an Athlete Director (which shall identify the discipline represented), and a list of those Athletes who have been nominated by the President to stand for election as a member of the Hearing Committee;

(iii) A biographical statement if submitted by a candidate; and

(iv) A return envelope addressed to the National Office which will have a space in the upper left-hand corner for the typed or printed name and return address of the member which shall have the word “ballot” appearing on its face.

(b) The National Office shall mail the same material to any Eligible Athlete who has not received his or her ballot by mail and who requests same. All ballots which are properly marked and which are received in envelopes from Eligible Athletes by the National Office prior to the close of business on the day named for the election shall have the date and time of receipt noted thereon and shall be checked against the list of Eligible Athletes and shall be counted by the administrative staff of the National Office. The Executive Committee may extend the election day if in its discretion it is deemed advisable. Not more than one ballot per Eligible Athlete shall be counted. An Election Committee appointed by the ANC and any candidate may attend the opening and counting of the ballots by the National Office. In the event of a tie for a position of Athlete Director, the Federation will circulate the names of the individuals involved in the tie to the Athletes eligible to vote and ask them to vote for one individual. This process will be repeated until the tie is broken. Pursuant to the timetable adopted by the Executive Committee, the National Office shall forward copies of the Report of Responses and, if requested, copies of the returned Ballots to the Nominating Committee which shall each year nominate Athletes from the names listed on the Ballots for the respective discipline vacancy or vacancies based upon the highest number of votes cast subject to USOC Requirements.

Subpart C – Athlete Representation on USOC Athletes’ Advisory Council

(b) The names of all such Eligible Athlete Members who have indicated a willingness to serve as the equestrian representative to the USOC's Athletes' Advisory Council will be placed on a ballot. The Federation will circulate this ballot to all of the Eligible Athlete Members and request that they vote for one individual to represent them on the USOC's Athletes' Advisory Council and to serve on the Federation's Board of Directors and Executive Committee.

(c) The individual who receives the most votes will become the equestrian representative to the USOC's Athletes' Advisory Council. The individual of the gender opposite of the individual elected as the equestrian representative to the Council who receives the most votes will become the alternate equestrian representative to the USOC's Athletes' Advisory Council. This individual shall also serve as an alternate to the Federation's Athlete Directors in accordance with Section 703 of New York Not-for-Profit Corporation Law, if not otherwise a Director.

(d) In the event of a tie for the position of the equestrian representative to the USOC's Athletes' Advisory Council, the Federation will circulate the names of the individuals involved in the tie to the Eligible Athlete Members and ask them to vote for one individual. This process will be repeated until the tie is broken.

Failure to cooperate with such in-competition, NAN or other out-of-competition testing shall be a violation of Federation rules.

Section 3. To help facilitate NAN testing and other out-of-competition testing, the Federation shall submit the names, current addresses, telephone numbers, training times and training and competition locations for individuals and teams as requested by the FEI, WADA, or USADA to enable FEI, WADA, or USADA to conduct NAN or other out-of-competition drug testing. Notwithstanding the foregoing, compliance with anti-doping regulations rests with the individual subject to testing.

**PART V – STANDING AND SPECIAL COMMITTEES**

**Bylaw 501 – General**

Unless otherwise specified all standing and special committees are elected or appointed for four-year terms commencing as of the opening day of the Annual Meeting of 2005, and every fourth year thereafter and continuing until their successors are appointed or elected, as the case may be. In the instance that a committee position is appointed by the President, the President shall consult with the appropriate Vice-President prior to making such appointment.

Section 2. **Eligible Athletes.** Eligible Athletes shall be selected by direct election by Eligible Athletes or by appointment by the President. As to appointments to committees which are defined in USEF Bylaw 401.1, 401.3 and 401.4, the President shall appoint those Eligible Athletes that the Athletes’ Advisory Committee (“AAC”) names to serve on those Committees. Section 6. Subject to the approval of the Executive Committee, the President may appoint special committees as the President deems necessary to address a particular issue. Each special committee must have a specific objective, a specific deliverable and a term certain.

Section 7. Task Forces. The Audit Committee shall perform such other duties as directed by the Board of Directors or the President.
Section 2. **Breeders’ Committee.** The Breeders’ Committee shall be composed of fifteen (15) members who shall serve a four-year term and who shall be appointed by the President. The President shall appoint a Chairman of the Committee and a Vice-Chairman of the Committee who may act in the Chairman’s place when the Chairman is not available. Members of the Breeders’ Committee shall be Eligible Athletes or Senior Active Members of the Federation who are actively engaged in the breeding of horses which have exhibited in U.S. Equestrian Recognized competitions in two of the last three competition years. In making appointments to the Breeders’ Committee, the President shall endeavor to select men or women thoroughly experienced in one or more breeds/disciplines either through exhibiting, managing or officiating at competitions for one or more breeds/disciplines. The President’s appointments should, insofar as is practical, assure an equitable representation of breed/discipline interests on the Breeders’ Committee by striving for geographic balance and fair representation of breeds/disciplines and breeder interests. The Breeders’ Committee shall review reports of breeders’ meetings and forums and foster and promote the best interests of all breeders.

Section 3. **Budget and Finance Committee.** The Budget and Finance Committee shall consist of five (5) or more Senior Active Members appointed by the President who, in making those appointments, shall appoint one representative designated by each of the Sustaining Affiliates. The President shall also appoint a Chairman from the Committee. Concurrently with the election by Eligible Athletes of Athlete Director positions on the Board of Directors of the Federation, a number of athletes sufficient to satisfy applicable USOC requirements shall be elected to the Budget and Finance Committee by Eligible Athletes following the procedures for the election of Athlete Directors. The ANC may nominate additional Eligible Athletes willing to serve on the athlete representative portion of the Budget and Finance Committee. The Athletes receiving the highest number of votes cast shall fill the Athlete vacancies on the Budget and Finance Committee. The President must appoint additional Senior Active Members as needed to fill non-Athlete positions (i.e., positions which may be but are not required by the USOC to be filled with Athletes) on the Budget and Finance Committee. The greater of three or one-third of the members of the Budget and Finance Committee shall constitute a quorum.

Section 4. **Certification Committee.**

(a) **Composition.** The Certification Committee shall be composed of five (5) Senior Active Members, one of whom shall be an Eligible Athlete. Members are eligible for annual reappointment. Each year, the President will appoint the Chairman for that year. If the Chairperson is unavailable to perform his or her duties, he or she may appoint one of the other members to act as Temporary Chairperson until he or she can resume such duties or until the President appoints a new Chairperson. Each year the President shall also appoint at least one alternate member; alternate members must be Senior Active Members and serve one-year terms, and will serve and participate in the conduct of the Committee only when one of the regular members is unable to participate. The alternate member will participate only until the regular member he or she is replacing resumes his or her duties or a new regular member is appointed to serve the remainder of such member’s term. When a regular or alternate member’s term expires, that member shall continue to serve until his or her successor is appointed or he or she is reappointed. In the event that one or more members of the Certification Committee are not eligible to participate in a decision of the Committee due to a conflict of interest, then the President shall appoint such eligible member or members for a one-year term as are needed to form a separate conflict-free Certification Committee of five to decide such matter.

(b) **Eligibility.** Members of the Certification Committee may not be affiliated in any way with any competition management (for example as an owner, agent, board member, or employee), or otherwise have a personal, economic or other conflict of interest in any decisions affecting the
recognition of competitions by the Federation. Members must be both in fact and in reasonable appearance unbiased in all matters that may require Committee action. Otherwise, there are no mandatory eligibility requirements. However, the President shall strive to appoint members familiar with general business principles, the business of sports federations, and the value of protecting both the quality and integrity of sporting and economic competition.

(c) Appointment. The members shall be appointed by the President, but no one may serve on the Committee until the appointment has been approved by the Executive Committee. Once appointed, a member shall serve out his or her term unless removed for cause by a two-thirds vote of the Executive Committee. For purposes of removal “cause” shall be defined as any misconduct or failure to disclose a conflict of interest or a failure to carry out the duties as a member of the Certification Committee in good faith. It is not “cause” for a member to decide any matter or matters in a manner with which the Executive Committee or anyone else disagrees.

(d) Duties and Responsibilities. It is the duty and responsibility of the Certification Committee to act in a timely manner on any applications brought before it for recognition of competitions pursuant to the Rules.

(e) Notice, Quorum and Action. Three members of a Certification Committee shall constitute a quorum. Notice of any hearings, meetings, or deliberations of the Committee shall be given as provided in the Rules.

(f) Authority of the Chairman. Subject to the Rules of the Federation and to any general rules of procedure adopted by the full Committee, the Chairman shall have authority over all matters involving the schedule, procedures for, or conduct of the processing of an application for recognition of a competition that is submitted to the Committee.

(g) Hearings. If a hearing is held by the Certification Committee concerning an application, the Chairman shall have the authority to establish the schedule, procedures, and rules for the conduct of the hearing pursuant to the Rules.

Section 5. Compensation and Human Resources Committee. A Compensation and Human Resources Committee shall consist of five (5) or more Senior Active Members of the Federation appointed by the President who shall also appoint a Chairman from the Committee. 2. After written application to the Executive Committee at least six months prior to an event, a competition may be approved for Special Competition status upon majority vote of the Executive Committee. To be considered, a competition must list on the application all information requested including the names of competition management if not already registered with the Federation. A $750 non-refundable processing fee must be submitted with the application. A Special Competition is an event which does not meet fully the requirements for obtaining Federation licensing, however, it has been deemed in the best interest of the exhibitors, the breed/discipline and the Federation that the event be granted Licensed status. In acting upon the application, the Executive Committee may or may not take into consideration the Event’s possible effect upon other applications. The application must specify which Federation rules cannot be met. Competition dues are to be assessed based on prize money offered. Approval, if granted, is for one year only. Management is required to re-apply for future competitions. The Executive Committee may place additional conditions upon an approval in any matter it deems appropriate. All
Federation rules other than those for which an exception has been made must be enforced.

GR210 General.

1. License Application - Applications for a competition license agreement must be made on the form provided by the Federation. The forms must be signed by the Licensee requesting the date and shall contain the following statement: In applying for the above dates the licensee agrees to abide by the rules of the Federation and understands that failure to do so constitutes a breach of the license agreement and may constitute a violation of the rules which may subject the licensee to penalty under the provisions of GR706.

2. Any changes to the License agreement including location, dates, rating Level, or prize money, will require a license modification request with payment of a fee. USEF may or may not approve the requested changes. Competitions that are not conducted in accordance with the terms of the license agreement will have breached the terms of the license agreement, and such breach may result in cancellation or nonrenewal of the license agreement, or the licensee may be ineligible for a license in the future, or other penalties under the provisions of GR706.
   a. Holding a competition on a date(s) other than that approved shall constitute a violation of the rules unless a request to change the date(s) is received in the Federation’s office at least 30 days prior to the competition and permission is duly given.
   b. Holding a competition at a location other than as stated on the date application shall constitute a violation of the rules unless a request to change the location is received in
the Federation’s office at least 60 days prior to the competition date and permission is duly given.
c. Failure to obtain the permission of the Federation at least 30 days prior to the competition to add a division, not offer an approved division, or change the rating of an approved division, may constitute a violation of the rules.

3. License Applications for competitions that USEF is unable to approve for any reason, including mileage conflicts will be sent written notification by the Competitions Department and the application will be held for a period of 30 days from the date of that notification to allow the competition in question to submit the information required, seek alternative dates, submit written permission from the competition in conflict, or make other amendments, as applicable. At the end of the 30-day period the application will be considered to have been withdrawn and the fees will be refunded, unless an extension has been granted by the Competitions Department or the matter is being handled pursuant to GR213. Except as provided herein, there will be no holding of applications or fees.

GR211 Agreement.
All applications for a Federation license are accepted with the explicit agreement of competition officials that all classes (rated or unrated) to be held on a Federation licensed date must be recognized by the Federation and are governed by all applicable Federation rules, and that no unrecognized classes will be held on any date for which Federation recognition is requested, except that:

a. Horse Trials at Eventing Competitions below the Preliminary Level,
b. Eventing Tests at all levels
c. Combined Driving below the Advanced Level
d. Draft Horses classes
e. Miniature Horse classes
f. Non-affiliated National Breed or discipline association classes
g. Vaulting levels/classes below A-Team, Gold, Silver and Pas de Deux
h. Academy classes
i. Qualifying classes for Youth Reining classes or Reining classes at NRHA endorsed competitions
j. Exhibitions for which there are no breed or division rules
k. These above named classes/levels can be held as unrecognized only provided a separate entry blank is used and the prize list and/or Omnibus clearly states that the classes are not recognized by the Federation. See GR211.
l. Exception: FEI rules take precedence as to international classes and events over Federation rules at all FEI Sanctioned Competitions. Federation rules take precedence as to national classes and events which are not FEI Sanctioned at FEI Sanctioned Competitions. In connection with Endurance Riding Events, The Federation shall nationally enforce the prohibition of the gastric ulcer medications ranitidine and meprazole, in accordance with GR410.

GR212 License Procedures.
1. All processing of new and renewal license applications will be performed by the USEF Competitions Department. The Competitions Department will be responsible for the administration of the process and for the approval of licenses in accordance with established procedures.
2. All USEF license applications will be considered confidential as to content. The identity of applicant(s) or licensee(s) will not be confidential. USEF may request additional information from an applicant, however, USEF is under no obligation to do so. Applicants are expected to supply all relevant information with their application. The license will define the obligations of both USEF and the licensee and are subject to nonrenewal or termination by either party.
3. Existing licensed dates and locations will be posted on the USEF Web site. When a date that has been licensed becomes available (New Open Date) it will be posted on the USEF Web site until the end of the month following the month in which the date becomes available. A date may become available as a result of:
   a. A timely renewal license application not being received by the USEF. See GR212.6
   b. Failure of the existing competition to achieve a satisfactory Competition Evaluation.
c. Licensee not meeting the “good standing” requirement for License.
4. Complete License Applications must be accompanied by the appropriate fees and either sent certified mail, post-marked, overnight with tracking, or by receipted fax. Applications must be received by the date specified by 6. below. Applications for FEI Competitions cannot be submitted to the FEI until the national competition has been licensed by the Federation. Applications for competitions which are not made in accordance with the above will be returned and not considered.

5. Applications for competitions unable to be approved for any reason, excluding mileage conflicts, will be sent written notification by the Competitions Department and held for a period of 30 days from the date of that notification to allow the competition in question to submit the information required, seek alternative dates, or make other amendments, as applicable. At the end of the 30-day period, if the application has not been completed or the 30-day period extended by the Competitions Department, the application will be considered to have been withdrawn and the dues will be refunded. Except as provided herein, there will be no holding of applications or dues, and applicants must reapply from year to year. Applications that seek approval for a License to conduct a competition on a date that has been open for more than the web posting period will be accepted at any time. All applications for dates that have been open for more than the new open date web posting period will be considered on a first received basis.

6. Renewal License Applications are due as follows:
   a. For multi-year licenses, renewals must be received within sixty days of the last day of the next to last competition under an existing license.
   b. For single year licenses, renewals must be received within sixty days of the last day of the licensed competition.
   c. License renewal applications received more than sixty days after the last day of the applicable competition under an existing license will be considered as a new application subject to all new application policies and procedures including posting period for open dates.
   d. License applications for new competitions will be accepted beginning in March of each year and all applications for new competitions received on or before April 1 will be considered as received on April 1.

7. A complete application accompanied by appropriate fees to hold a Regular Competition, Reining Competition, or Dressage Competition must be received in the Federation’s office at least sixty days prior to the date(s) requested. A complete application accompanied by appropriate fees for a Local Competition or Driving Event must be received thirty days prior to the date(s) requested. A complete application accompanied by appropriate fees for an Eventing Competition must be received ninety days prior to the date(s) requested. A complete application accompanied by appropriate fees for an Endurance Event or Vaulting Competition must be received 45 days prior to the date(s) requested. A complete application accompanied by appropriate fees for a Hunter Breeding competition must be received ninety days prior to the date(s) requested.

8. Competition Permission. Competitions that have previously been operating with a competition permission may seek renewal of the permission pursuant to GR213.

9. License Duration. The duration of the License agreements will normally be three (3) years. During this period, Licensed Competitions will be subject to Competition Evaluation. Licenses for a shorter period may be requested. On or after December 1, 2007, licenses with a longer term may be offered. However, terms in excess of seven (7) years would require Executive Committee approval. License agreements for periods greater than three (3) years will occur only after consideration of licensee experience, the time/investment required to develop corporate sponsors, media support, and the capital investment in the venue, all in conjunction with what is in the best interest of equestrian sport. Such licenses may provide for successor clauses during the term of the license as deemed necessary.

10. Competition Fees. Application and/or competition fees will be payable annually in April for the following competition year under an existing license agreement. License fees may be modified during the period of a license.

11. Cancellation. A licensee may cancel without charge an existing licensed competition by notifying USEF of the cancellation and returning the license to USEF not less than ten (10) months prior to the next competition date under the license. When a cancellation is received more than three (3) months but less than ten (10) months prior to the first day of the next competition date under the license, 75 percent of competition dues will be refunded, subject
to a minimum processing fee. If written notice of a cancellation is received less than three (3) months prior to the first day of the competition, the licensee will forfeit the application fee and will also be assessed a penalty fee equal to that of the minimum competition dues, unless the cancellation is due to an act of God.

12. Ineligible License Applicant. A License application or renewal from a Licensee may not be accepted if it has been determined by USEF that the licensee has outstanding issues which may relate to financial matters, safety matters, failure to comply with USEF rules, breach of a prior license agreement, or any other issues that may be prejudicial to the best interest of the sport. When possible USEF will inform the licensee of any outstanding issues in order that, when possible, the Licensee may have the opportunity to address the matter.

13. Transition to License Agreement/Grandfathered Competitions.

a. Existing 2005 Recognized Competitions. When in good standing, a Licensee with existing recognized competition dates for 2005 may be licensed for an initial 3-year or shorter period. Licenses may be issued commencing with the competition approval cycle beginning May 15 of 2005. Competitions operating in 2005 under a permission waiver are excepted and must follow the permission process in accordance with GR213. Licensees seeking a License to hold the same competition on the comparable dates and location in the 2006 Competition year beginning on December 1, 2005, must submit the USEF License Application with appropriate fees to the USEF office by May 15, 2005. Eventing license applications must be processed when the Eventing Calendar has been established. The License Application must be signed by the Licensee requesting the date and must include the exact location, i.e. facility name, street address and zip code. A Competition License may only be issued by USEF upon submission of all the required forms including the signed license application. The License application shall be attached and made part of any final agreement.

b. Grandfathered Competitions. If the mileage rule in effect on December 1, 2005 creates a conflict of dates between Recognized Grandfathered Competitions existing prior to December 1, 2005, each competition so affected may be provided with a license without regard to application of the current mileage rule. Licenses may be issued commencing with the competition approval cycle beginning May 15 of 2005. Grandfathered Licensees seeking a License to hold the same competition on the same dates and location beginning on December 1, 2005, must submit the USEF License Application with appropriate fees to the USEF office by May 15, 2005. Grandfathered competition License agreements are subject in all respects to future changes in rules including mileage and Competition Evaluation in accordance with the license agreement process.

GR213 Competition Permission and License Application Disputes.

1. When a competition license application is denied due to a mileage conflict, the license applicant may seek permission to conduct the competition with a mileage conflict. The competition license applicant must notify the Federation in writing and complete the Request for Permission form.

   a. The request for permission must include:

   (1) the proposed licensee name, address and contact information;
   (2) requested dates;
   (3) proposed location;
   (4) proposed divisions and ratings of competition for which permission is being requested; and
   (5) any other information the licensee requesting permission wishes to have considered in connection with the Request for Permission.

   b. Upon receipt of the written Request for Permission, the Federation will provide the Licensee of the competition with an existing licensed date a copy of the Request for Permission form.

   c. The licensee with the existing licensed date shall have thirty (30) days from receipt of the form in which to either:

   (1) grant requested permission;
   (2) grant requested permission with conditions; or
   (3) deny permission and file a written objection with the Federation. The objection should contain any information that the licensee who holds the existing licensed
date believes should be known by the Federation in considering the Request for Permission. The Federation will provide a copy of any written objection to the granting of the Request for Permission to the applicant seeking permission.

d. The licensee with an existing licensed date and the applicant requesting permission may contact each other for the purposes of discussing the Request for Permission and reaching agreement on the matter. The terms and conditions of any agreement relating to the granting of permission must be fully disclosed to the Federation by all parties.

e. In the event the licensee with an existing licensed date does not respond to the Federation in writing within the specified period, the Federation will consider the request for permission based upon information it deems appropriate.

f. The Federation shall determine whether it is in the best interest of the sport to either deny or grant the permission and under what terms and conditions such permission shall be given within a reasonable period of time from the date a response by the licensee with the existing licensed date was due. The Federation shall reserve the right to have final approval on the granting or denying of permissions and will not delegate this responsibility to any other entities or parties.

g. Licensed competitions operated with Permission are limited to a licensed period of one year. Competitions conducted with permission from USEF that wish to continue to hold the competition for the comparable dates (See GR110) and at the same location will continue to be required to obtain written permission for each subsequent year. Comparable dates are based on the dates of the last competition under a license agreement.

h. Competitions operated with Permission do not have any mileage protection related to their licensed competition.

i. Limited extensions to the time limits herein may be granted by USEF upon request in order to facilitate the licensing process.

BOD 1/14/07 Effective immediately

2. License Application Disputes.

a. Notification of denial will be sent to the licensee with a copy to the competition contact shown on the application. The initiation of a dispute resulting from the denial of a License must be received by USEF within 15 days of the date on the USEF notice of the denial and must be accompanied by the nonrefundable fee of $750. Formal disputes may only be filed by a party that has been denied a License for the dates, rating, or level requested.

b. License disputes are to be decided by the CEO of the Federation. The CEO may consult with a Recognized National Affiliate or other party in regard to the matter under dispute. The CEO shall provide the denied license applicant the opportunity to be heard pursuant to written submissions only and he/she shall issue a written decision within 30 days following receipt of dispute filing, containing his/her findings, conclusions and ruling by mailing the same to the affected parties. When the matter is deemed to be administrative in nature the CEO decision shall be final and not appealable. Notification of CEO’s decision will be sent to the licensee with a copy to the competition contact shown on the application.

c. License Dispute Appeal Process. The denied license applicant may appeal the decision of the CEO. The Appeal must be received by USEF within 30 days of the date on the notice of the CEO’s decision and must be accompanied by a nonrefundable fee of $1500. In no event may the period of time USEF receipt of the appeal exceed 30 days.

d. License Dispute Appeal Hearing Panel.

(1) A License Dispute Hearing Panel List consisting of Senior Active Members in good standing with USEF shall be established at the Annual Meeting each year by the following procedure:

(a) One Panel Member and one Alternate Panel Member to be designated by each USEF recognized national affiliate.

(b) One Panel Member and one Alternate Panel Member to be designated by USEF Competition Management Committee.

(c) Three Panel Members and three Alternate Panel Members to be designated by the USEF President.
Alternate members shall serve when a designated Panel Member is either conflicted in relation to the matter under dispute or unable for any other reason to serve.

A five member unconflicted License Dispute Appeal Hearing Panel shall be established from the Licensed Dispute Hearing Panel List upon receipt of the Appeal and payment of required fee. The Panel shall consist of:

(a) The panel member designated by the relevant Recognized National Affiliate or Breed/Discipline;
(b) The panel member designated by the USEF Competition Management Committee and;
(c) Three (3) Panel members designated by the USEF President.

The decision of the License Dispute Appeal Hearing Panel shall be rendered within 30 days following receipt of dispute filing and shall be final in regard to the matter under appeal.

   f. In the case of a Regular or Local Competition holding “open” Dressage Division classes, the question of conflict shall be determined with reference only to those dates, inclusive, during which “open” dressage classes are to be held.
   g. 50-mile radius for Dressage Competitions in USDF Regions 1, 2, 6 and 8 (excluding competitions restricted to one breed), and 100-mile radius for Dressage Competitions in USDF Regions 3, 4, 5, 7 and 9 (excluding competitions restricted to one breed). See DR127.13 for a map of USDF regions.
   h. The distances between competitions held on Long Island, NY, and competitions held on the mainland shall be determined by measuring a straight line distance from the point at which Interstate Highway 278 (across the Triborough Bridge) intersects the shore of Long Island, to the location where the Long Island competition is being conducted. (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist) and by measuring the mile radius from the bridge to the location where the other competition is being conducted. (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist) Application of this process will not adversely affect the license rights of competitions already licensed.

2. **Group 2.** The distances between all other Licensed Competitions, including divisions other than hunter and jumper offered in competitions held in those states in Group 1 and including competitions held in Canada shall be as follows:
   a. 250-mile radius for competitions with any of the same A rated sections, or unrated Jumper sections and classes with total prize money of $10,000 or more.
   b. 200-mile radius for one competition with A rated sections and one with any of the same B rated sections.

See DR127.13 for a map of USDF regions. In the case of a Regular or Local Competition...
holding “open” Dressage Division classes, the question of conflict shall be determined with reference only to those dates, inclusive, during which “open” dressage classes are to be held.

g. For Group 1 (except Long Island) and Group 2: In any instance where road mileage between the centers of two communities located closest to actual competitions is greater than one and one half (1½x) times the radial mileage between the centers of those two communities, the required mile distances between competitions listed above in GR214.1 and .2 shall be based upon the road mileage rather than radial mileage.

3. Mileage between competitions that are in different mileage areas will be subjected to the lower of the mileage distances. In the case of Dressage Competitions, or Regular or Local Competitions holding “open” Dressage Division classes, a 75 mile radius will apply to competitions held in contiguous regions for which different distances are specified above.

4. To determine a mile radius, the distance shall be measured using a map drawn to scale by AAA, Rand McNally, or the USGS, or by using USGS based software, to measure the distance between the locations where the competitions are being conducted. (i.e. address of the facility where each of the competitions will be held or the longitude and latitude if an exact address does not exist.) (except between Long Island and the mainland). Application of this process will not adversely affect the license rights of competitions already licensed.

5. If the mileage between competitions is less than the applicable distance specified by this rule, conflicting dates will be approved provided all affected competition managements agree in writing to waive the mileage requirements and all other requirements for recognition are met.

6. New competitions offering “A” rated hunter or jumper divisions or sections will not be licensed on dates conflicting with those of any other Licensed Competition within the applicable distance specified by this rule which offers A rated hunter or jumper divisions or sections, regardless of class scheduling. In the case of a multi-breed or multi-discipline competition, a question of conflict shall be determined with reference only to those dates, inclusive, during which hunter or jumper divisions or sections are to be held. The mileage restrictions set forth in GR214.1, GR214.2 and GR214.3 will not prevent two Hunter/Jumper competitions from being approved if the two competitions have different competition managements and the competition with priority gives written permission, to be renewed annually, and the mileage distance between competitions is at least 10 miles.

7. New Hunter or Jumper Divisions.

New competitions offering “A” rated hunter or jumper divisions or sections will not be licensed on dates conflicting with those of any other Licensed Competition within the applicable distance specified by this rule which offers A rated hunter or jumper divisions or sections, regardless of class scheduling. In the case of a multi-breed or multi-discipline competition, a question of conflict shall be determined with reference only to those dates, inclusive, during which hunter or jumper divisions or sections are to be held. With USEF prior approval, the mileage restrictions set forth in GR214.1, GR214.2 and GR214.3 will not prevent two Hunter/Jumper competitions from being approved if the two competitions have different competition managements, the mileage distance between competitions is at least 10 miles and the competition with priority gives written permission.

8. The foregoing distance rules do not apply to events comprised exclusively of classes recognized by the FEI and the USOC. Eventing Competitions are exempt from the mileage rule. The National Championships for Dressage, and Dressage Competitions offering USEF qualifying or selection trials, or observation classes and National classes held in conjunction with a CDI are exempted from the mileage rule. Certain competitions held in conjunction with events also holding FEI competitions and/or selection trials for international competitions, at the discretion of the Executive Committee, may be exempted from the mileage rule.

9. Two or more Dressage Competitions may never be held at the same or adjacent locations on the same days. Exception: Dressage Competitions that are limited to Dressage Sport Horse Breeding classes may be held at the same or adjacent location as another Dressage Competition that does not offer Dressage Sport Horse Breeding classes.)

10. Proposals to change mileage rule or rules may be submitted for consideration by the USEF Board of Directors. Any such mileage rule change will have an effective date of December 1 of the following calendar year. In no event will changes to mileage become effective in less than 12 months from the date of the rule change approval. Proposals for
mileage rule changes submitted by Affiliates may only be considered after they have been considered at the annual meeting of the appropriate recognized National Affiliate.

f. Mileage Chart USEF Licensed Eventing Competitions.
(1) Eventing competitions are not subject to the mileage charts.

**GR215  Dues, Fees and Insurance.**

1. No competition dates will be assigned to a Licensee which has not paid dues, fees or fines owing to the Federation with respect to any past Licensed Competitions.
2. Any licensee who fails to pay sums owed to the Federation, or who makes payment for fees to the Federation which is not negotiable, will be notified by the Federation of its indebtedness and warned that unless settlement is made within two weeks of the Federation’s notice, said licensee will automatically be fined the sum of $250 to be paid to the Federation; and, further, that said licensee and any horses owned by licensee will automatically be barred from taking any part whatsoever in Licensed Competitions until payment or settlement is made of the total indebtedness to the Federation. Notice of suspension will be published through EQUESTRIAN and the Federation’s web site.

   a. If any licensee affected by GR215.2 disputes that the amounts in question are owed or unpaid, said licensee may request to have the matter reviewed by the Hearing Committee, provided his or her written statement specifying the grounds for such review is received at the Federation’s office within said two week period accompanied by a fee of $100, which will be refunded if the dispute is settled in favor of said licensee.
b. In the event a licensee makes non-negotiable payment for fees to the Federation on three or more occasions, said licensee is subject to further disciplinary action. In addition, any future payments made to the Federation, must be submitted in the form of a certified check, cashier's check, money order, or valid credit card.

BOD 1/15/06 Effective 12/1/06

3. The annual dues for each Regular Competition are based upon the cash premiums offered, except as hereinafter provided. The monies received from exhibitors in the form of entry fees for distribution in sweepstakes are excluded in figuring the premiums offered. The dues for any current year shall be based upon the amount of the premiums to be offered in the current prize list or estimated from the previous year’s prize list (minimum dues are acceptable with date application for Regular Competitions, i.e., $175).

5. The annual dues for each Local Competition (non-Hunter/Jumper) are $100, except Open Western Division competitions that shall pay $50. The annual dues for each Local Competition (Hunter/Jumper) are $150.

6. The annual dues for each Eventing Competition are $60.

7. The annual dues for each Dressage Competition are $75.

8. The annual dues for each Driving Competition are $60.

9. The annual dues for each Endurance Competition are $60.

10. The annual dues for each Vaulting Competition are $60.

11. The annual dues for each Reining Competition are $50.

12. A fee of $75 will be charged to any Regular, Local, Dressage, or Eventing/Dressage Competition which applies for a change of location.

13. A fee of $50 will be charged to any Licensed Competition which applies for a change in its name. This fee is waived when a competition changes its name to include the title of a regional or national championship or when the name reverts back to its original name.

14. A fee of $75 will be charged to any Licensed Competition which applies for a change of date. The fee may be waived by the CEO.

15. A penalty fee of $500 will be charged to any competition that states in the prize list that the competition is licensed before the competition has been granted licensing by the Federation.

16. A fee of $50 will be retained from the minimum competition dues submitted with any competition application that is unable to be approved and its application is subsequently withdrawn.

17. A Licensee may request an account audit from the Federation. The request must be submitted in writing and a fee of $100 will be charged for each competition audited. An audit is a lengthy investigation into a Licensee's financial dealings with the Federation, encompassing multiple transactions, competitions, and possibly years. The fee must accompany the request. If staff error, fee will be refunded.

18. A Licensee may request an inquiry into the history of a competition date. The request must be submitted in writing and a fee of $100 will be charged per each request. The fee must accompany the request. If staff error, fee will be refunded.

19. A certificate of insurance for each competition must be received by the Federation office at least fourteen calendar days prior to the competition by mail with proof of delivery or submitted electronically via e-mail, or via fax. Competitions faxing their certificate of insurance to the Federation must retain a copy of the fax confirmation. If the certificate is not received fourteen days prior to the competition, insurance coverage will be acquired through Equisure and the competition invoiced as outlined in GR215.20. Each certificate must name the Federation as additional insured for each day of the competition, including
set-up and take-down days, with minimum limits of $1,000,000 third party general liability insurance and $50,000 on equipment and property for each competition. Competitions failing to provide proof of such coverage (or such coverage to the extent permitted by local law) will automatically be enrolled in the EquiSure policy for competitions and will then be invoiced the then prevailing premium for such insurance. Competitions outside the United States must provide evidence of equivalent coverage of such insurance and will not be enrolled in the EquiSure group policy. Competitions must notify the Federation in writing of cancellation of their insurance policies by their insurance provider.

20. An automatic fine of $200 will be imposed on any competition for which evidence of adequate insurance is not received at least two weeks prior to the competition. The fine is in addition to the amount of the invoice for the automatic enrollment in the EquiSure policy. A competition disputing that the invoice and/or the fine is properly owing may appeal in writing to the Federation within 30 days of management’s receipt of the Federation’s notice of billing and/or fine, specifying the grounds for the appeal. The Federation’s CEO or Executive Director, a special committee appointed by the president or the Hearing Committee will consider the appeal and may waive part or all of the billing and/or fine upon a finding of good cause why the evidence of insurance was not timely filed and/or a finding that extreme hardship results from the automatic penalty.

21. All new members applying or any non-member competing at competitions offering open western/western seat division(s) will have the discipline fee for said division(s) waived. Western Division competition may retain Local Competition status regardless of the amount of prize money offered.

GR216 Cancellation of Competitions. (See also GR110)

1. A Licensee may cancel without charge an existing Licensed competition by notifying USEF of the cancellation and returning the License to USEF not less than 10 months prior to next competition date under the License. When a Cancellation is received more than 3 months but less than 10 months prior to the first day of the next competition date under the License 75% of competition dues will be refunded, subject to a minimum processing fee. Written notice of cancellation less than 3 months prior to the first day of the competition will be assessed a penalty fee equal to that of the minimum competition dues, unless the cancellation is due to an Act of God.

2. Cancellation of a Licensed Competition for two consecutive years for other than acts of God will constitute a relinquishment by competition management of the comparable dates of the canceled competition.

3. Cancellation of 50% or more of “open” dressage classes as listed in the prize list by any Licensed competition for two consecutive years for other than acts of God, including failure to hold classes or sections whether for lack of entries or other reasons, shall constitute relinquishment of prior comparable dates for the third and subsequent consecutive years. In all such instances of cancellation for two consecutive years of 50% or more of dressage classes, approvals for that competition to hold “open” dressage classes for the third and any subsequent year shall not be accorded priority.

4. Competitions declaring cancellation due to an Act of God must provide written documentation, such as newspaper articles or photographs of the extenuating circumstances; absent severe and unusual circumstances, such as hurricane winds, floods, tornadoes, or blizzards, weather conditions shall not be considered Acts of God; whether or not a cancellation is due to an Act of God shall be decided by the CEO or Executive Director in the first instance subject to review and approval by the Executive Committee upon written demand.

5. Any Licensee that cancels three or more competitions in a competition year shall not have priority for comparable dates for the cancelled competitions for the following year; provided, however, that this provision shall not be applicable to a competition cancelled due to an Act of God, loss of a facility or due to extenuating circumstances, based upon a review by the Executive Director or CEO.

GR217 Inactive Competitions.

1. Any Licensed Competition held within the previous two competition years which notifies the Federation by 120 days prior to its competition date that it will not hold a competition the following year, may retain Inactive Membership by the additional payment of $100 for that year.
2. An Inactive competition remains on the Federation mailing list and will have its dates held by the Federation for the following year only, providing that application is made for comparable dates at the same location at which the competition was last held and that the application is received along with estimated dues by the deadline.

GR218 Competition Evaluation.
To the extent appropriate, additional information of the Competition Evaluation process and procedures will be contained in the License agreement.

1. Schedule. USEF licensed competitions will be subject to a Competition Evaluation which will enable USEF to determine if renewal of a license and the use of the USEF dates are in the best interest of the sport of equestrian. A Competition Evaluation in accordance with the USEF competition evaluation procedure will be commenced no later than 10 months before the expiration of the license agreement.
   a. For licenses with a term of 3 years, a Competition Evaluation will be conducted following the second anniversary of the license. Licenses with a term longer than 3 years are subject at least every third year thereafter to an interim Competition Evaluation for the purpose of identifying possible improvements to the competition.

2. Competition Evaluation Considerations:
   a. Has the Licensee complied with the terms of the License agreement? (License agreement terms must be definable, measurable and enforceable.)
   b. Have reports filed on the conduct of the competition indicated that the competition has been properly conducted? Primary sources of reports would be USEF competition officials, USEF affiliates and exhibitors.
   c. Has the Licensee made application for renewal and met financial obligations in a timely fashion? Financial obligations to USEF which have not been met are grounds for cancellation or nonrenewal of license.
   d. Has the competition, as structured, received adequate competitor support?
   e. Any renewal evaluation will consider entries, dates, classes actually held and prize money paid in determining the renewal level of each competition.
   f. Does it appear, following consultation with affected Affiliates, if any, that continued use of the dates by this competition is in the best interest of the sport of equestrian?
   g. Has the competition been successful in achieving the applicable standards (attendance/sponsorship/media/facilities, etc.) relating to that specific level of competition?
   h. Do Competition Reports received from the licensee reflect a realistic view of issues that should be addressed by the licensee; and, if so, did the licensee adequately address the issues?
   i. Does the conduct on the part of the Licensee reflect favorably on the sport of equestrian and USEF?
   j. Is the Licensee in good standing?
   k. Has this Competition demonstrated to the satisfaction of USEF based upon a factual analysis that use of the dates by this competition is in the best interest of the sport of Equestrian?

3. License Renewal Evaluation Results. Any competition license renewal will be subject to the mileage rule and other rules and conditions in existence at the time of renewal. (See GR212.13 Grandfathered Competitions regarding application of mileage that was in effect on December 1, 2005.) Under certain circumstances, therefore, license renewal may not be available. Subject to the above reservation, when a Licensee is determined to have complied with all the terms and conditions of the USEF License Agreement and to have achieved a satisfactory result under the Competition Evaluation process, then said licensee will be offered an opportunity to continue as a licensee for the same dates and location.
   a. The Competition Evaluation will result in one of the following:
      (1) Renewal of the license agreement for those competition dates for another License period.
      (2) Nonrenewal based on an unsatisfactory Competition Evaluation.
      (3) Renewal with a change in license terms and/or Rating Level.
      (4) Probation. In lieu of termination, USEF, at its sole discretion, may place the licensed competition on probationary status for one year, during which time the competition must correct the License failures reported by USEF or have the License
terminated. USEF will appoint the Steward(s)/TD(s) for a competition on probation; cost of steward(s)/TD(s) shall be paid by the competition.

(5) When a nonrenewal determination is made after the unsatisfactory Competition Evaluation at the end of the web posting of the "Open date", USEF may award the dates to another competition.

(6) When there is a rule modification that results in date conflicts between existing license holders, USEF may modify the existing license agreements to a common expiration date and conduct a Competition Evaluation of the affected competitions. The competition determined by USEF, based upon objective criteria, to have the best Competition Evaluation will be offered a license and the other license(s) will not be renewed.

GR219 Sale or Transfer of License.

Competition licenses may be sold or transferred during the term of the License to another Licensee acceptable to USEF, subject to the following conditions:

1. The Licensee that acquires the License must comply with rules, requirements and standards which are in effect or established for the level rating at the time the acquisition occurs, even if the rule requirements and standards were different or did not exist when the license was initially granted to the original licensee.

2. Both the Seller and the Purchaser of the License must disclose all relevant terms of the transfer of License and must obtain USEF approval of same. Such approval by USEF shall not subject USEF to any liability or obligate it to any third party. Both parties must assure USEF that the agreement does not violate any state or federal laws. Failure to completely disclose terms and conditions of a License transfer may result in termination of the License by USEF and any sanctions, penalties or other remedies available to USEF.

3. The Selling Licensee shall remain financially responsible until the following conditions are met.
   a. USEF issues written approval of the Sale/Transfer
   b. Payment of the applicable USEF Sale/Transfer fee
   c. Seller has met all other financial obligations to USEF

4. Only the remaining years in the term of an existing License may be sold or transferred and no rights to future dates beyond the term of the existing License agreement will be given to the purchaser of the license.

5. USEF may consider concentration of dates in the control of a single License holder or group of related Licensees when determining the appropriateness of a sale or transfer of a License.
CHAPTER 3
CONDUCT AND STANDARDS
OF LICENSED COMPETITIONS

SUB-CHAPTER 3-A GENERAL.

GR301 Rules.
1. In the event a division or section rule makes a clear exception to a general rule, or clearly departs from a general rule, the division or section rule shall govern; in all other instances, General Rules Chapters 1-15 shall take precedence.
2. The rules of the Federation take precedence over the rules of any other Association. (Exception: See GR1509.2.d.) All divisions and sections for which rules are provided herein must be conducted accordingly and cannot be held under rules that are not in agreement. FEI rules take precedence as to international classes and events over Federation rules at all FEI Sanctioned Competitions. Federation rules take precedence as to national classes and events which are not FEI Sanctioned at FEI Sanctioned Competitions. In connection with Endurance Riding Events, The Federation shall nationally enforce the prohibition of the gastric ulcer medications ranitidine and omeprazole, in accordance with GR410. At FEI Sanctioned Competitions which include no national classes, a licensee is not required to have a Federation steward or technical delegate. (Exception: FEI Sanctioned Jumper competitions licensed by the Federation must have a Federation steward.)
3. All classes (rated or unrated) to be held on a Federation licensed date are governed by all applicable Federation rules. No unrecognized classes can be held on any Federation licensed date, except
   a. Horse Trials at Eventing Competitions below the Preliminary Level,
   b. Eventing Tests at all levels
   c. Combined Driving below the Advanced Level
   d. Draft Horses classes
   e. Miniature Horse classes
   f. Non-affiliated National Breed or discipline association classes
   g. Vaulting levels/classes below A-Team, Gold, Silver and Pas de Deux
   h. Academy classes
   i. Qualifying classes for Youth Reining classes or Reining classes at NRHA endorsed competitions
   j. Exhibitions for which there are no breed or division rules
   k. These above named classes/levels can be held as unrecognized only provided a separate entry blank is used and the prize list and/or Omnibus clearly states that the classes are not recognized by the Federation. See GR211.
   l. Exception: FEI rules take precedence as to international classes and events over Federation rules at all FEI Sanctioned Competitions. Federation rules take precedence as to national classes and events which are not FEI Sanctioned at FEI Sanctioned Competitions. In connection with Endurance Riding Events, The Federation shall nationally enforce the prohibition of the gastric ulcer medications ranitidine and omeprazole, in accordance with GR410. See GR211.
4. Every Licensed Competition and every person participating at the competition including exhibitor, owner, lessee, manager, agent, rider, driver, handler, judge, steward or technical delegate, competition official or employee is subject to the Bylaws and Rules of the Federation and to the local rules of the competition.
5. Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Rule 7. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

6. Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners failing to comply with this rule may be subject to penalty under Chapters 6 and 7, as well as issuance of warning cards.

7. Every person participating in any competition licensed by the Federation is subject to the Federation Bylaws and Rules including the provisions of Chapters 6 and 7 and is responsible under the rules for their own acts and failures to act and for the acts and failures to act of their agent or agents whether or not they or their agent or agents have signed an entry blank.

8. For every horse participating in any competition licensed by the Federation, a $12 Federation fee will be collected ($7 shall be an Equine Drugs and Medication fee to provide for research, inspection, and enforcement of rules regarding use of medications and drugs; see GR407.1, .2 and .3 and GR802.3).

9. Rules for a current year become effective December 1st unless specified, and take precedence over any previous rules.

   a. Any Licensed Competition which issues its prize list and begins its competition before December 1st is governed entirely by the rules as in effect on December 1st of the previous year.

   b. Any Licensed Competition which issues its prize list before December 1st and begins its competition after December 1st is governed by the rules as in effect on December 1st of that year.

GR302 Cruelty to and Abuse of a Horse.

1. Cruelty to or the abuse of a horse by any person at a Licensed Competition is forbidden, constitutes a violation under Chapter 7, and renders the offender subject to penalty. The Show Committee must bar violators from further participation for the remainder of the competition. It is the duty of the competition officials and any properly constituted humane organization to report to the Federation any person who indulges in this practice for such further action as may be deemed appropriate.

2. The Federation or the Judge, Steward, or TD may appoint a veterinarian to inspect any animal in competition. Refusal to submit an animal for examination by an authorized veterinarian after due notification shall constitute a violation.

3. Show Committees are encouraged to contact the American Humane Association, 63 Inverness Dr., E. Englewood, CO 80112, which will provide experienced humane inspectors to work with them in eliminating cruel practices.

4. The following acts are included under the words Cruelty and Abuse but are not limited thereto:

   a. Excessive use of a whip on any horse in a stall, runway, schooling area, competition ring or elsewhere on the competition grounds, before or during a competition, by any person. Except in emergency situations, any striking of the horse’s head (on the poll and forward of the poll) with the whip shall be deemed excessive.

   b. Rapping the legs of a horse with the butt end of a riding crop or other implement.

   c. Use of any substance to induce temporary heat.

   d. Manual poling with any object other than a bamboo pole.

   e. Use of a wire or chain in conjunction with any schooling jump.

   f. Use of electric device in schooling or showing.

   g. Use of shackles, hock hobbles and similar devices (not to be construed as rubber or elastic exercising devices).

   h. Showing a horse with raw or bleeding sores around the coronets, pasterns or legs.

   i. Use of any explosive (e.g., fire crackers, torpedoes, fire extinguishers except in case of fire, etc.) or laser beam devices anywhere on the competition grounds, except in an exhibition or if required in class specifications.

   j. Withholding of feed and water for prolonged periods.

   k. Letting blood from a horse for other than diagnostic purposes.

   l. Inhumane treatment of a horse in a stall, runway, schooling area, competition ring or elsewhere on the competition grounds, by any person.

5. Any action(s) against a horse by a competitor or an exhibitor, which are deemed excessive by a judge, Federation steward, technical delegate or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official
warning, elimination, or other sanctions which may be deemed appropriate by the Show Committee. Such action(s) could include, but are not limited to excessive use of the whip, spurs, or bamboo poles. Competitors and exhibitors have the right to contest any action taken pursuant to GR302.5 by filing a protest or grievance pursuant to Chapter 6 of the Rules for hearing and determination by the Hearing Committee.

6. Following a hearing, The Federation’s Hearing Committee may deny or suspend the privilege to participate in or go upon the grounds of Licensed Competitions, and/or deny, expel or suspend the privileges or membership in the Federation to any person, whether or not a member of the Federation, whom an indictment, information or charge (criminal, administrative, arbitral or civil) has asserted, or whom any civil, criminal or administrative court or arbitration or other tribunal has found, to have committed or participated in any plan or conspiracy to commit, any act of cruelty or abuse to a horse, whether or not any such alleged or actual act, plan, or conspiracy occurred on the grounds of a Licensed Competition, or was in conjunction with, or was an element of some other offense, actual or alleged. For purposes of this subsection, cruelty and abuse shall include, but shall not be limited to, any of the acts enumerated in GR302.4, and, in addition, killing, crippling, abandoning, mistreating, neglecting, or any other form of abuse of a horse. (See GR615).

GR303 Soundness.

Unless specific division rules state otherwise, all animals except stallions and mares in Breeding classes must be serviceably sound for competition purposes i.e., such animal must not show evidence of lameness or broken wind. Animals with complete loss of sight in either eye may be found serviceably sound at the Judge’s discretion, except in a class over fences where a Judge may ask a rider to change horses.

GR304 Shoeing Regulations.

1. In some parts of the country, it is common practice to show unshod horses in certain classes. A horse cannot be barred from the ring because of being unshod but, in classes in which it is common practice for all horses to be shod, a barefoot horse may be penalized at the judge’s discretion.

2. Competitions offering classes in a division that designates a maximum weight for shoes (Morgan, Paso Fino, Welsh) must provide accurate scales for weighing. If any horse casts a shoe in any of these classes, the shoe, including pad if used, but not including nails must be immediately weighed by the judge. In these classes, a competitor may not be excused from the ring until the judge is satisfied that the horse has not cast a shoe. Refer to GR118.2.

3. If the weight of a shoe and pad is protested, the owner may either withdraw the entry and forfeit all entry fees and winnings of the protested entry for the entire competition, in which event the protest must be withdrawn and the fee refunded or, have the shoe and pad removed in the presence of the competition veterinarian and steward so it can be weighed immediately.

4. Whether cast or removed, if the shoe including pad exceeds the weight limit, the entry must be disqualified for the balance of the competition and all entry fees and winnings of the entry for the entire competition will be forfeited. Removal and replacement of any protested shoe and pad is the sole responsibility of the owner of the entry; however, if the protest is not upheld, the protester must pay $15 to defray the cost of removal and replacement of the shoe.

5. See AR103 for Arabian shoeing regulations.

GR305 Falls.

The fall of horse and/or rider does not disqualify the competitor unless due to bad manners of the horse. Exception: Andalusian (see AL101.13), Driving, Eventing, Equitation, Hunter, Jumper, Reining, Vaulting and Western classes, in which specific rules prevail.

BOD 1/14/07 Effective 4/1/07

GR306 Retirement Ceremony.

1. If a retirement ceremony is allowed at the request of the owner of a horse, that horse may not be permitted to compete at the competition. Any horse officially retired at a Licensed Competition is barred for life from further competition at Licensed Competitions except by special permission of the Executive Committee; however, they can continue to be shown in Academy classes, Leadline classes, Get of Sire and Produce of Dam classes.
2. The Federation will give necessary publicity to all official retirement ceremonies and will notify all Licensed Competitions. See GR1216.7.

3. Any ceremony announcing an exhibitor’s retirement from competition is prohibited.

**GR307 Sweepstakes.**

When a Sweepstake class is offered, providing for a division of entry fees, either with or without monies added by the Show Committee, the total to be distributed must include the entry fees of all entries listed in the catalogue, whether or not the horses are shown, plus all fees covering other entries legally in the class, unless a competition stipulates in its prize list that portion of the entry fees which will be withheld.

**SUB-CHAPTER 3-B SCHEDULING PROCEDURE.**

**GR308 Length of Competition.**

1. A competition may not hold classes more than 16 hours out of any 24-hour period from the start of the first class to the finish of the last class, including intermissions. There must be a recess of at least 8 hours between the finish of the last class of an evening performance and the first class of a morning performance the following day. A fine in the amount of $250 per hour or part thereof will be imposed for exceeding the 16-hour time limit or not allowing an 8-hour recess. Exception: Competitions offering only Hunter, Jumper and Hunter Seat Equitation classes may not run more than 14 hours of actual performance time. Warm-up sessions, judged or unjudged, are included except sessions held at the beginning of the day where no fee is charged.

   a. If management disputes that the time limits were not exceeded and the above fine is not properly owing, it may request a hearing of these issues before a special committee appointed by the President provided a written statement specifying the grounds for the hearing is received at the Federation’s office within 30 days of management’s receipt of Federation’s notice of fine. The special committee shall hear the matter and determine whether the fine is properly owing. The special committee may waive a part or all of the automatic penalty upon a finding of good cause why the time limits were exceeded and a finding that extreme hardship results from the automatic penalty.

2. All classes in any section for junior exhibitors in any one day must be held within a twelve-hour period, excluding intermissions.

3. No classes may be started after midnight.

**GR309 Time Schedule.**

1. The announced order or time for classes may not be changed unless at least 12 hours notice of such change be given to each exhibitor and judge affected or each exhibitor affected consents in writing.

2. Provided the order of events is not changed, the Show Committee may call any class up to 30 minutes ahead of its scheduled time. Exception: Vaulting exhibitors must be given one hour’s notice.

3. Once the first horse in a Hunter, Hunter Seat Equitation, Jumper, and/or Reining class has been entered, shown and judged, the class must be run in entirety before commencing with the next scheduled class. In Hunter classics (See HU143) and Jumper classes held requiring two rounds or elimination trials or two or more phase competitions (See Rules JP112), the first horse to be entered, shown and judged in each round, trial and/or phase will determine the start of the round, trial and/or phase. A round, trial and/or phase must be run in its entirety before commencing with the next scheduled class. If classes are held simultaneously using back-to-back rounds (See HU146), both classes must be run in entirety before commencing with the next scheduled class. (Exception: GR311.5).

4. None of the above applies to Eventing (see EV109).

5. None of the above applies to Dressage. For Dressage Competitions, the following conditions apply: (1) Rides may be rescheduled up to one hour earlier or later than announced in the official schedule if each competitor is individually notified at least two hours prior to his/her rescheduled ride time. Rides within a class may be rescheduled in a different order. (2) Ride times or classes may not be changed more than one hour from the time announced in the official schedule unless 12 hours notice of such change is given to each exhibitor and judge affected or each exhibitor affected consents in writing to the
change. Public address announcements do not meet the notification requirements of this rule.

GR310 Delay of Classes.
1. When the start of any class requiring horses to be shown individually is delayed by horses not ready to perform, the competition may be closed at the order of the judges or Show Committee, provided a warning is issued and exhibitors are given three (3) minutes to appear at the in-gate ready to participate. (Exception: in hunter, hunter seat equitation and jumper classes with a specified jumping order, see Rules HU144 & JP112.) In classes where horses compete collectively, a warning is issued and the ingate must be closed two minutes after the first horse enters the ring. (Paso Fino see PF101.12) Judging must not commence until the gate is closed or at the end of the two-minute call. An official timer must be appointed to enforce this rule.
2. It is recommended that a starting enforce order be established in all classes in which horses compete individually and to allow one minute for an entry to enter the ring. At competitions using only one ring, a starting order must be established. If a jump order is used, it must be posted at least 30 minutes prior to the start of the class.

GR311 Interruption of Procedure.
1. If weather appears to be imminently affecting the safety and welfare of horses and/or exhibitors, it shall be the responsibility of competition management (Exception: Eventing see EV109) to stop the competition until it is safe to recommence. If a competition in progress must be stopped due to a storm, accident, or other emergency, the Show Committee will decide whether to re-commence. Any interrupted classes may be recommenced within the session in which they were originally scheduled or at a succeeding session of the competition. (Exception: Dressage GR311.7, Driving, Eventing EV109. Reining GR311.9.) If a Licensed Competition’s Prize List does not advise exhibitors that refunds of entry fees will not be given in the event a class or classes, or all or part of the competition is cancelled due to a storm, accident or other emergency, the Licensee is required to refund entry fees for the cancelled class or classes upon written request by an exhibitor within 30 days of the cancellation.
2. The Show Committee will also decide whether awards for classes not held is warranted and called for. No Championship, awarded on points, can be awarded in any division, however, unless more than 50% of the scheduled classes in that division have been held. Any action thus taken by the Show Committee will not be referred to the Federation inasmuch as the matter is one of discretion and not regulation.
3. If a class is in operation at the time a competition is stopped, no placements involving Horse of the Year Awards will be made. If a tie for a Championship exists in the Hunter or Jumper division at the time the competition is stopped, points toward Horse of the Year Awards will be divided between the tied horses.
4. If classes are postponed to a day not included in the original competition dates, exhibitors are entitled to a refund of entry fees in the class postponed and are relieved of any obligation to show back in postponed classes.
5. If a class in which horses compete either collectively or individually is in progress and must be stopped due to a storm, accident, or other emergency, the following procedure shall govern (Exception: Dressage, Driving, Reining, Eventing, Jumper):
   a. If a class is continued during the session of the competition in which it was originally scheduled, the judge(s) will decide 1) to hold the class over in its entirety in which case no scores credited in the first session will count, or 2) to recommence the class where it was interrupted.
   b. If the class is continued at a succeeding session of the competition, it will be held over in its entirety and no scores credited in the first session will count.
6. Jumper:
   a. A Jumper Class that Management decides to postpone due to storm, accident or emergency per GR311.1 may be combined with a subsequent class in the same section with the prize money of the postponed class added to the prize money of the subsequent class. Management must make this decision prior to the first horse competing in the postponed class. The start fee for the postponed class will be added to that of the subsequent class and must be refunded to those declared competitors of the postponed class who choose not to declare for the combined class.
b. In a jumper class which has reached the jump-off stage when the class is stopped, only those competitors involved in the jump-off need compete in the succeeding session. Jumper classes scored under Table II, Sec. 2b or 2c, Table IV, Sec. 4b or 4c or Table V Sec. 2b or 2c must be held over in their entirety unless the competition is continued over the original course at a later session, in which case the class shall continue from the point where it was stopped and scores earned by horses which have already competed shall stand.

7. Dressage: If it becomes necessary to interrupt a dressage competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following day at the option of the Show Committee with the Ground Jury's consent. All scores recorded before the interruption will stand. When classes are re-commenced after a delay on the same day, competitors must be given at least 30 minutes’ notice of the starting time. Exhibitors whose ride times are changed to or on a subsequent day as a result of an interrupted competition or inclement weather conditions, must be individually notified at least two hours prior to a rescheduled ride time.

9. Reining: If it becomes necessary to interrupt a reining competition for any reason, the unfinished portion may be recommenced and rescheduled for the same or following days at the option of the Show Committee and the judge(s). All scores recorded before the interruption will stand.

GR312 Time-Out.

A suspension of judging which may be requested by a competitor or directed by the judge(s).

1. A competitor is entitled to request a time-out for a period not to exceed five minutes in aggregate in order to make adjustments or to repair broken equipment or to rectify a similar condition, or to replace a shoe (See GR304). (Exception: Hunter, AR144 and HU123.6 Arabian Jumper, AR146 and JP133; Dressage, GR312.9 and DR122.7.j; Jumper, JP133; Hunter Seat Equitation, EQ110.4; Reining, RN103; Vaulting, VA111).

2. If division rules allow a competitor to call a time-out, the competitor may call only one time-out per class (Exception: Western/Reining Seat Equitation, Paso Fino, Welsh, and Western where a competitor may request a time-out no more than two times.) The penalty for exceeding the allowed time out(s) is for the entry to be excused.

3. To request a time-out for any such emergency, the competitor must go to the center of the ring (if possible) and or be acknowledged by the judge. The announcer will declare that a request for time-out has been made and permission granted; time will be taken from the moment such announcement is made.

4. If a horse casts a shoe in a class, time starts (after weighing has concluded, if applicable) when the farrier or his assistant touches the shoe or the horse. No more than three minutes will be allotted to find a shoe; if the shoe is not found, the exhibitor may elect to continue or withdraw. If a horse is removed from the ring for the purposes of shoeing, the steward or judge shall accompany and remain with the horse until it is returned to the ring or excused from the class.

5. Two attendants are permitted in the ring to assist a competitor during his/her time-out. If at the expiration of five minutes the repair has not been made, the competitor may proceed as is or be eliminated.

6. The steward or judge is responsible for timing unless an official timer is present.

7. Competitors who are not involved in a time-out may make minor adjustments that can be performed with the assistance of one attendant and not be charged with a time-out.

8. At any time the judge(s) considers it necessary he/she may call for a time-out. Said time-out may be charged to a competitor that, in the judge's opinion, is responsible for the suspension of judging as long as the competitor is so informed by the judge prior to calling the class back to order.

9. None of the above apply to the Eventing, Dressage or Driving divisions; see specific division rules. Time-outs are not permitted in the Dressage division.
SUB-CHAPTER 3-C  SCHOOLING.

GR313  General.
1. A Licensed Competition must provide a sufficient area for schooling horses. A separate schooling area must be provided for each ring.
2. Adequate lighting must be provided in schooling areas used after dark.
3. In addition to the official schooling area, competitions should designate an exercise area.
4. Competitions offering A rated sections other than hunter and jumper must provide an exercise area at least 80' by 200' or its equivalent. If, due to space limitations, a competition does not have an adequate schooling area, one ring must be open for a minimum of 5 hours within each 24-hour period. Adequate lighting must be provided.

BOD 1/14/07 Effective 4/1/07

GR314  Designated Areas.
Schooling over obstacles in the ring or over any part of an outside course is permitted only at the time designated by the Show Committee. All other schooling over obstacles is permitted only within clearly identified areas and only at times designated by the Show Committee. Schooling over obstacles in any other area of the competition ground or at any other time is prohibited.

GR315  Trail.
A schooling area must be provided prior to and during trail classes with enough elements to adequately school a trail horse.

GR316  Hunter.
1. Schooling areas for hunters must contain adequate hunter-type fences. A trotting fence, a vertical and an oxer are required.
2. It is recommended that separate schooling areas be provided for hunters. A separate schooling area and jumps should also be provided for ponies.
3. A supervisor of schooling must be appointed for the schooling area designated for hunters if the area is less than 20,000 sq. ft. in size or more than 500 horses are entered in the competition.
4. Competitions offering A rated hunter sections must provide an exercise area at least 200' by 300' or its reasonable equivalent.
5. A Steward/schooling supervisor must be present in the schooling area during any Hunter class offering $10,000 or more in prize money.
6. The Steward/schooling supervisor’s decision regarding schooling fences, or tack and equipment in the warm-up area is final.

2. It is compulsory for riders in all Hunter, Jumper and Hunt Seat Equitation classes, and Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

5. See DC147.2b for protective headgear requirement in Combined Driving.

6. Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

7. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

8. Boots/shoes worn while riding anywhere on the competition grounds must have a distinguishable heel. (Exception: Arabian, Hackney Pony, Morgan, National Show Horse, Parade, Roadster, Saddlebred, and Saddle Seat Equitation).

   g. Opportunity Gaited (Three-gaited, Five-gaited, and/or Paso Fino)  
   h. Opportunity Reining  
   i. Opportunity In-hand classes (Amateur and/or Junior Handler)  
   j. Opportunity Fun Classes  

9. Unless the competition is using existing USEF class specifications, the prize list must list the class specifications for each Opportunity Class, to include but not be limited to:
   a. Gaits required  
   b. Judging criteria  
   c. Attire, tack and equipment allowed  

10. Opportunity Classes may be judged by any judge officiating at the competition. Conflict of interest rules in GR804 apply.  

11. The competition must submit full results of all Opportunity Classes as required in GR1216. Horses with HID or Recording members and participants with USEF membership numbers are to have these numbers listed in the results. EC 2/20/07 Effective 4/1/07

GR332 Owners’ Classes.

Owners’ classes may be offered in any division using the specifications as set forth in the respective division rules. If Owners’ classes are offered leading to an Owners’
Championship judging specifications should follow those of the Owners’ class rather than those of the Championship class.

**GR333  Dividing Classes.**
1. Classes can be divided by sex into three groups (stallions, mares and geldings) or a Show Committee may prefer to require mares and geldings, or stallions and geldings to show together.
2. If a Show Committee wishes to divide junior exhibitor classes, it may offer separate classes for boys or girls or offer several age limits. The following three age limits are suggested but may vary according to local conditions:
   a. Juniors who have not reached their 11th birthday,
   b. Juniors who have reached their 11th but not their 14th birthday
   c. Juniors who have reached their 14th but not their 18th birthday.
3. When divided as above horses cannot be entered in more than one age section of the same class. Exceptions: Arabian, Morgan, Equitation and Saddlebred divisions. A Show Committee may offer classes divided by age of adult exhibitor.

**SUB-CHAPTER 3-G  CHAMPIONSHIPS.**

**GR334  Awarding Championships.**
1. Championship classes for a specific height or sex may be offered in any division as set forth in the respective division rules. Judging specifications must follow those of the Open Championship class.
2. In the Hunter divisions, Championships must be awarded on points. In the Morgan and Welsh Pony divisions, Championships may be awarded on points or held as performance classes. (See JP110.2 for Jumper Championships)
3. When Championships are awarded on points, all competitors must be given an equal opportunity to obtain points. In all other divisions, Championships must be awarded in a Championship Performance class and all entries must be given an opportunity to qualify.
4. Only the first four ribbons in each class are counted regardless of the number offered. Ribbons have the same point value even if less than the specified four places are awarded due to lack of entries, etc. Exception: See JP110.2 for Jumper Championships.
5. **Point Value:**
   - Blue ribbon 5 points
   - Yellow ribbon 2 points
   - Red ribbon 3 points
   - White ribbon 1 point
6. In Hunter sections only the first six ribbons in each class are counted regardless of the number offered. Ribbons have the same value even if less than the specified six places are awarded due to lack of entries. First Place...10 points, Second Place...6 points, Third Place...4 points, Fourth Place...2 points, Fifth Place...1 point, Sixth Place...0 points.

**GR335  Performance Championships.**
1. A Show Committee must designate all qualifying classes and can require any or all winners in a qualifying class to compete in a Performance Championship class provided this is stated in the prize list and the gait rules are the same as in the qualifying class. Any exhibitor failing to comply must forfeit all prize money in the qualifying class. If an exhibitor or trainer qualifies more than one horse for a Championship class he can elect to show only one.
2. To be eligible to show in a Performance Championship class a horse must have been properly entered, shown and judged in one qualifying class in the same division or section.
3. An entry which while performing in a qualifying class fails to qualify by reasons of equipment repair, shoeing time, illness (certified by the official veterinarian) or failure of a class to fill shall be permitted to pay double fee and make a post entry in another qualifying class in the section or if no subsequent qualifying class is available for such post entry, the horse shall be considered qualified for the Performance Championship class, provided the horse has previously been entered in the Championship or Stake. Exception: Dressage. (See also GR116.3)
4. To avoid divided Performance Championship classes, eligibility for a Championship class may be limited to ribbon winners in qualifying classes.
Breeding or in Hand Championships.

1. Junior Breeding or In-Hand Championships may be offered for two-year-olds and under; Senior Breeding or In-Hand Championships for three-year-olds and over. In the event a competition offers a Junior Championship and a Senior Championship, as well as a Show Championship, only the first and second place ribbon winners are eligible to compete for the Show Championship unless division rules prohibit foals and yearlings.

2. Entry in a Breeding class does not qualify a horse for a Performance Championship class. Exceptions: in the Hackney Pony, Morgan, Roadster and Saddlebred Horse divisions any performance class, including futurities and/or classics, qualifies for a Performance Championship class at that competition.

3. In a Breeding section of the Welsh division, the Championship will be awarded to one of the horses which has placed first in a qualifying class. After the Championship has been awarded the horse which has placed second in the qualifying class to the horse awarded the Championship shall compete with the remaining first place winners for the Reserve Championship.

4. In a Breeding section of the Hackney, Morgan, Saddlebred, or Shetland divisions, the Championship and Reserve Championship will be awarded to horses that have placed first or second in their qualifying classes.

5. In a Breeding section of the Arabian division, the Junior, Senior or Show (Grand) Championship will be awarded to one of the horses which has placed first in a qualifying class. Qualifying classes for championships must be designated in the prize list. After the Championship has been awarded, the horse which has placed second in the qualifying class to the horse awarded the Championship shall compete with the remaining first place winners for the Reserve Championship. If a Show (Grand) Championship class is held, the Senior Champion and the Reserve Senior Champion as well as the top two ranking two-year-olds will be eligible to compete. (Exception: AR108.1).

6. In any case, should any first or second place winners in a qualifying class not compete for the Championship or be disqualified for being unsound, being unruly or not performing the class routine in the Championship class, the horse receiving the next highest ribbon in the qualifying class shall have the option of moving up for the Championship and Reserve only.

7. None of the above applies to Dressage/Sport Horse Breeding.

8. None of the above applies to the Andalusian/Lusitano Division. For Breeding and In Hand Championships see AL106 and AL201.

9. None of the above applies to the Friesian Division. For Breeding and In Hand Championships see FR116. EC 5/21/07 Effective 1/1/07

Trophies and Ribbons.

Challenge Trophies.

1. A Challenge Trophy is a trophy donated to or offered by a competition which must be won a specified number of times under specified conditions. When originally placed in competition, it becomes the property of the Show Committee and cannot be withdrawn by the donor.

2. The conditions of the Challenge Trophy may not be changed without the consent of the trophy donor or his legal representative and of all who have qualified as potential winners of the trophy, except in the event that the conditions stipulated are in conflict with the current rules of the Federation. In such an event, the Show Committee must confer with the Federation as to procedure.

3. The winner of a leg on a Challenge Trophy in competition is entitled to possession of such trophy for a period of 10 months from date of winning unless a competition stipulates that the trophy will remain in its possession. The winner is responsible for protection and care of the trophy while in his possession. At the expiration of 10 months, or two months prior to the next annual competition, the competition may demand return of trophy if it has not been won outright. Failure of an exhibitor to return the trophy constitutes a violation under Chapter 7 and renders the exhibitor subject to penalty.

4. If a Challenge Trophy is competed for at more than one competition per year, the committee may elect to keep the trophy in its possession.
5. If a Challenge Trophy is destroyed, stolen or lost and therefore cannot be returned, the exhibitor who had possession of the trophy must pay to the competition the cost of replacing it with a trophy equally suitable and satisfactory to the Show Committee. The exhibitor will be exempt from penalty if the trophy is replaced before the next competition.

6. Should a competition or class be discontinued or not held for any period of time, any unretired Challenge Trophies offered at such competition must be returned at the expiration date of ten months to the last active Show Committee. This committee will determine the disposition of such trophies but they may not be placed in competition at any competition unless the provisions of paragraph 2 are met.

7. In the event of the death of an exhibitor who has won one or more legs on a Challenge Trophy, a member of that exhibitor’s family may include such previous winnings in any further competitions for such Challenge Trophy in which they may engage.

8. If a Challenge Trophy is competed for and won under a farm name and the farm is later sold to another person who retains the farm name, legs won on the trophy by the first owner will not be counted by the subsequent owner of the farm in his competition.

GR338 Perpetual Trophies.
A Perpetual Trophy is a trophy donated to or offered by a competition which is never awarded permanently to an exhibitor but remains the property of and in the possession of a competition. The Show Committee may present a replica or souvenir trophy to the annual winner. The conditions of a Perpetual Trophy are identical with those of a Challenge Trophy. Exception: previous winners need not be consulted when and if specifications are changed.

GR339 Prize Ribbons.
1. At all Licensed Competitions, the prize ribbons are to be the following colors:
    - Grand Champion: Blue, Red, Yellow and White
    - Reserve to Grand Champion: Red, Yellow, White and Pink
    - Champion: Blue, Red and Yellow
    - Reserve Champion: Red, Yellow and White
    - First Prize: Blue
    - Second Prize: Red
    - Third Prize: Yellow
    - Fourth Prize: White
    - Fifth Prize: Pink
    - Sixth Prize: Green
    - Seventh Prize: Purple
    - Eighth Prize: Brown
    - Ninth Prize: Gray
    - Tenth Prize: Light Blue

2. It is recommended that competitions offer one ribbon for every six entries.

3. A Licensed Competition located outside the United States may conform to the practice of the country in which it is situated with respect to the color of the ribbons used.

SUB-CHAPTER 3-I LOCAL COMPETITIONS.

GR340 Restrictions.
1. The total cash prizes shall not exceed $500. Except 100% sweepstakes and not including value of trophies offered. (Exception: Open Western Divisions, see ratings chart GR1302.)
2. The designation Local Competition must be stated on the cover of the prize list.
3. The Federation non-member fee will not apply.
4. Local Competitions benefit from all the general rules of the Federation and must abide by applicable division rules unless class specifications are printed otherwise in the prize list.

SUB-CHAPTER 3-J NATIONAL CHAMPIONSHIPS.

GR341 General.
United States Equestrian Federation, Inc. (the Federation) shall have the exclusive right to designate national championships in the disciplines for which the Federation is designated as the National Governing Body by the United States Olympic Committee and in the disciplines for which the Federation is designated as the National Federation by the Federation Equestre Internationale (Dressage, Driving, Endurance, Reining, Show Jumping, Three-Day Eventing and Vaulting). The allocation of national championships in the foregoing disciplines, including issuance of date approvals, licensing of officials, approval of name and all copyright, trademark, trade name, television, video and other
broadcast rights and all sponsorship matters shall be solely reserved to the Federation Executive Committee acting upon the advice and recommendation of the relevant Federation committee(s), Budget and Finance Committee and the USEF Officers. All persons or organizations, including affiliate organizations, organizing committees and/or competitions managements, wishing to receive Federation approval to hold a national championship in the foregoing divisions must apply to the Federation in writing on appropriate form(s) provided by the Federation and to be received by the Federation’s office no later than the deadlines applicable to the respective disciplines outlined in GR212.7. The Executive Committee shall be entitled to condition the Federation’s designation and granting of approval for a national championship in any manner which in its discretion it deems appropriate.

**SUB-CHAPTER 3-K AMENDMENTS TO FEDERATION RULES.**

**GR342 General.**

Any question not covered by the rules of the Federation shall be decided by the Directors of the competition at which it arises. Such decisions by a Show Committee may be reviewable by the Federation. Show Committees are cautioned not to make use of the authority here granted unless completely certain that the Rulebook does not cover the points in question.

**GR343 Rule Change Procedures.**

These rules may be added to, altered or amended at any meeting of the Board of Directors or Executive Committee by a majority vote of those present as provided herein below. The USEF Legislative Committee is responsible for review, analysis, and oversight of the Federation’s rule change process, subject to review and approval by the Executive Committee. (See Bylaw 502, Section 15.) Rule Change Categories: Standard, Clarification, Extraordinary, and FEI.

1. **Standard Rule Changes.** Individual Federation members, Federation Staff, Federation Committees, Affiliated Entities, and Affiliated Associations (Recognized Associations and International Discipline Associations) may propose standard rule changes. See Bylaw 221 and 222.

   a. Standard rule changes must be submitted to the Federation in writing on the USEF official form within the following deadlines in order to be considered within the current rule change year.

   (1) Individual Federation members
        June 1

   (2) Federation Staff
        June 1

   (3) Federation Committees
        September 1

   (4) Affiliated Entities (Bylaw 221)
        September 1

   (5) Affiliated Associations (Bylaw 222)
        September 1

   (6) For 2007, Arabian Horse Association - September 15

   b. The proponent’s name must be clearly listed on the official rule change form. When the proponent is other than an individual, such submissions shall be accompanied by minutes or certification signed by the Committee Chair or Affiliated Association’s President that document the review and action taken at a meeting.

   c. Standard rule change proposals generated by Federation Staff should be submitted with a Committee or Affiliate being listed as the proponent, whenever possible.

   d. The Rule Change Coordinator (RCC) will review each rule change proposal to see that it is filed timely, properly filled out, and has all required documentation. The RCC will then determine which Federation departments need to review and comment on the proposal with particular attention to the following:

      (1) clarity of language;
      (2) enforceability;
      (3) financial impact;
      (4) legal ramifications;
      (5) attempting to amend a rule in effect for less than one year;
      (6) resubmitting a proposal that was disapproved the previous year;
      (7) proposing to change a rule that is solely within the Federation’s purview

   e. Any opinion or comments made by USEF departments shall be dated, documented and included with the rule change proposal. The RCC shall input this information into...
conduct and standards

the system, compile the data received, and then forward the rule change proposals and comments to the Legislative Committee prior to assignment to Federation Committees or other assigned entities for review.

f. The Legislative Committee may reject a proposal for:
   (1) failure to comply with the requirements of the official form;
   (2) lateness;
   (3) incompleteness;
   (4) inexact or confusing language;
   (5) a proposal that was disapproved the prior year;
   (6) attempts to amend a rule or rules in effect for less than a year;
   (7) proposing to change a rule that is solely within the Federation’s purview
   (8) any other specified reason in the Committee’s discretion.

g. In the event the Legislative Committee rejects a proposal, the proponent must be notified in writing. Proponents of a rejected proposal may revise and resubmit a proposal. Any decision to reject a proposal made by the Legislative Committee shall prevail subject to review by the Executive Committee.

h. The Legislative Committee will designate review of the proposed rule change by any and all standing Federation Committees and each assigned entity deemed appropriate. The RCC will compile the rule change proposals together with their assignments and comments, post them on the USEF website, and produce a proposed rule change summary document.

i. Each designated Committee or assigned entity shall review the proposed rule change and recommend to the Board approval or disapproval of the proposal. It is appropriate for each assigned entity to propose an amendment to a proposed rule change and an amended proposal may move forward in the process providing the proponent agrees to the amendment. In accordance with j.(5) below at the third Board meeting at the Annual meeting, the Directors may amend any proposal at its discretion.

j. The Federation Annual Meeting.
   (1) Each Federation Committee, Task Force or assigned entity (committee or Affiliate) that has been assigned one or more rule change proposals to discuss and comment upon should meet prior to the Annual Meeting to do so, and if necessary, have a representative present the Committee’s or Task Force’s comments at the respective General Forum at the Annual Meeting.
   (2) All standard rule change proposals will be discussed before relevant sessions of the Federation Annual Meeting if they have been considered at a meeting of the designated assigned entity (committee or Affiliate). If a proposal has NOT been considered, it will automatically be moved for consideration in the next rule change year.
   (3) During the various debates regarding a given rule change proposal, different drafts of a proposal may be made. However, these later drafts should be signed off by the designated Committee or assigned entity in order to go forward to the Board for action at the Third Directors’ meeting.
   (4) The proponent of a proposed rule change, if present, may address the Board regarding his/her proposal at the Third Director’s Meeting, regardless of designated Committee or assigned entity action.
   (5) At the Third Meeting the Board of Directors is empowered to adopt any such rule change proposal, to not adopt the same, or to revise or amend the same at the Board’s discretion.
   (6) The Rule Change Coordinator shall record action taken at the Third Meeting of the Board of Directors at the Annual Meeting in the system.
   (7) The Rule Change Coordinator shall be responsible for posting all rule changes adopted by the Board of Directors on the web, and forwarding notice of changes to the editor of EQUESTRIAN for publication.

k. Standard rule changes progressing through the above process and which are adopted at the Annual Meeting will unless otherwise specified by the Board of Directors be effective as of the following December 1.

2. Rule Clarifications:
   a. The Rule Change Coordinator, with approval of the Executive Director and General Counsel, may immediately correct misspelled words, minor punctuation errors, missing
or incorrect references and other similar clarifications deemed minor by posting on the USEF website and inclusion in the next available Federation Rule Book.

b. Contradictory language, missing or incorrect phrasing, and other wording or punctuation errors that cause inconsistent interpretations of the intent of a rule, may be clarified via a Federation Official Rule Clarification form. This form will be submitted to the Rule Change Coordinator, who will obtain comments from relevant Federation Departments and Committees. When comments are received, the Legislative Committee may, at its discretion, forward a clarification directly for inclusion on the USEF web site and in the next available Federation Rule Book, upon approval of the Executive Committee.

3. Extraordinary Rule Changes.
   a. An Extraordinary rule change is defined as one that, unless expedited, would create or continue a severe hardship or a gross unfairness to the Federation, its members or their horses, its Licensed Competitions, or its Affiliated Associations. The rule change proposal form MUST contain a statement describing clearly how the proposed change meets the above criteria. The Rule Change Coordinator must then get certification that the proposed extraordinary rule change in fact, does meet the necessary criteria to bypass the normal rule change process. Such certification will come from the Legislative Committee in conjunction with the Executive Director and General Counsel, or at least two USEF Officers.
   b. Once the proposal is certified, and with a required minimum five business days notice, the Board of Directors or the Executive Committee at any meeting may entertain and take immediate action on such an Extraordinary Rule Change. However, the five-day notice requirement may be waived upon the affirmative vote of a majority of the Board or Executive Committee present with the reasons for the waiver stated in their meeting minutes.
   c. Extraordinary Rule Changes shall be effective as specified by the Board or Executive Committee and if not specified, shall be effective immediately upon passage.
   d. Following adoption of any Extraordinary Rule Change, prompt written notice must be given via the Federation’s web site.

4. FEI Rule Changes. In order to comply in a timely manner with changes in FEI rules which may be published by the FEI outside the Federation’s normal rule change schedule, certification is waived and the Executive Committee or Board of Directors may consider and act to conform to any FEI rule change as deemed necessary. BOD 1/14/07 Effective 4/1/07

GR344 Presidential Modifications.

1. Modifications may be made in the application of the Federation Rules under special circumstances (see Bylaw 332.1.e). Requests should be submitted to the office of the President and will be forwarded to appropriate committee chairmen for their recommendations before being submitted to the President for consideration.
   a. Senior Active Members of the Federation may submit a request for Presidential Modification to the Rules with supporting documentation and a non-refundable $50 processing fee.
   b. The President has the authority to waive the processing fee.

GR401-408. Equine Drugs and Medications Provisions Applicable to All Breeds and/or Disciplines.

GR401 Determining the Equine Drugs and Medications Designation for Each Breed or Discipline.

1. The Board of Directors shall designate every Breed, Discipline, and/or Group competing under Federation Rules as either a No Foreign Substance Group or a Therapeutic Substance Group, as outlined herein below.

2. At each Annual Meeting, each Division Committee shall determine by a majority vote and shall indicate to the Board of Directors its preference for its Breed or Discipline to be designated as (or to be part of) either a No Foreign Substance Group or a Therapeutic Substance Group. In any instance where more than one Division Committee is responsible for a Breed and/or Discipline Group, after each committee has determined its preference by a majority vote, unanimity between and/or among the Division Committees of the Group shall be required to invoke a recommendation to be designated a No Foreign Substance Group. Absent such concurrence, the joint recommendation of the Division Committees of the Group shall be construed as a recommendation in favor of designation as a Therapeutic Substance Group.

3. Each Division Committee shall have responsibility to recommend for its division.

4. At its final meeting of the Rule Change Convention, the Board shall take into consideration these recommendations and the written recommendations of the respective Affiliate Associations in this regard, and it shall enact the designation for each Breed, Discipline, and/or Group. The effective dates of these designations shall coincide with the effective dates of the newly published Rule Book.

5. These designations shall be reviewed by each Division Committee at the subsequent Rule Change Convention.

6. Every horse and/or pony competing at Federation competitions and/or events shall be subject to either the No Foreign Substance Provisions (GR409) or the Therapeutic Substance Provisions (GR410-412), depending upon its Breed’s, Discipline’s, and/or Group’s designation, and it shall be required to compete in compliance therewith, whether competing in unrated or rated classes and/or divisions.

7. Any horse and/or pony that competes in more than one Breed, Discipline, and/or Group at a competition, one of which is a No Foreign Substance Group, shall be required to be in compliance with the No Foreign Substance Provisions at all times while competing in any and/or all classes and/or divisions at that competition.

GR402 Testing.

1. Horses and/or ponies competing at a Licensed Competition are subject to examination by a licensed veterinarian who must be appointed by the Administrator of the Equine Drugs and Medications Program. Said appointed veterinarian, with the approval of the Administrator, may appoint a technician to perform certain duties under this Rule. The examination may include physical, urine, blood tests and/or any other test or procedure at the discretion of the veterinarian necessary to effectuate the purposes of this rule. Said veterinarian may examine any or all horses and/or ponies in a class or all classes in a competition or any horses and/or ponies entered in any class, whether in competition or not, if on the competition grounds, or any horse and/or pony withdrawn by any exhibitor within 24 hours prior to a class for which it has been entered.

2. Whether a horse and/or pony is in competition or not, refusal to submit the horse and/or pony for examination or to cooperate with the veterinarian or his agents constitutes a violation and subjects the responsible person to penalties under GR406.

3. Trainers who are not able to accompany Federation drug testing personnel and the horse and/or pony to the location where sample collection is to take place, to act as witness to the collection and sealing of blood and urine samples, and to sign the drug collection documents in the appropriate places as witness, must appoint an agent to do so. The absence of such a witness shall constitute a waiver of any objection to the identification of the horse and/or pony tested and the manner of collection and sealing of the samples.
4. Upon the collection of a sufficient number of tubes of blood from the horse or pony, the tubes shall be divided into two groups. One group shall be labeled and identified as Blood Sample A and the other as Blood Sample B, and they shall be sealed accordingly. Upon the collection of a sufficient volume of urine from the horse or pony, a portion of the sample shall be poured into a second urine sample container. One container shall be labeled and identified as Urine Sample A and the other as Urine Sample B, and they shall be sealed accordingly. These procedures shall be performed whether or not the trainer or his/her appointed witness is present as provided for in Section 3 above.

5. In the event reasonable attempts at sample collections from the horse or pony do not provide a sufficient number of tubes of blood or a sufficient volume of urine to be divided, labeled, and identified as Samples A and B, as determined by the testing veterinarian and/or technician, the sample(s) obtained (if obtained) shall be labeled and identified as Sample(s) A only, and it shall be recorded in the records of the Equine Drugs and Medications Program that the corresponding Sample(s) B does (do) not exist, in which event the obtained Sample(s) shall be subject to testing.

GR403 Cooperation.

1. Cooperation with the veterinarian and/or his agent(s) includes:
   a. Taking the horse and/or pony and the veterinarian and/or his agent(s) immediately to the location selected by said veterinarian and/or agent(s) for testing the horse and/or pony and presenting it for testing.
   b. Assisting the veterinarian and/or his agent(s) in procuring the sample promptly, including but not limited to removing equipment from the horse and/or pony, leaving it quietly in the stall and avoiding any distractions to it. Schooling, lengthy cooling out, bandaging and other delays of this type shall be construed as noncooperation.
   c. Polite attitude and actions toward the veterinarian and/or his agent(s).

GR404 Responsibility and Accountability of Trainers.

1. A trainer is defined as any adult or adults who has or shares the responsibility for the care, training, custody, condition, or performance of a horse and/or pony. Said person must sign the entry blank of any Licensed Competition whether said person be a trainer, owner, rider, agent and/or coach. Where a minor exhibitor has no trainer, then a parent, guardian or agent or representative thereof must sign the entry blank and assume responsibility as trainer. The name of the trainer must be designated as such on the entry blank. It is the responsibility of trainers as well as competition management to see that entry blanks contain all of the required information.

2. Trainers in the absence of substantial evidence to the contrary are responsible and accountable under the penalty provisions of these rules:
   a. for the condition of a horse or pony at a Licensed Competition (whether or not they have signed an entry blank),
   b. to guard each horse and/or pony at, and sufficiently prior to, a Licensed Competition such as to prevent the administration by anyone of, or its exposure to, any forbidden substance, and
   c. to know all of the provisions of this Chapter 4 (including any advisories or interpretations published in EQUESTRIAN) and all other rules and regulations of the Federation and the penalty provisions of said rules. For purposes of this rule, substantial evidence means affirmative evidence of such a clear and definite nature as to establish that said trainer, or any employee or agent of the trainer, was, in fact, not responsible or accountable for the condition of the horse and/or pony. If any trainer is prevented from performing his or her duties, including responsibility for the condition of the horses and/or ponies in his or her care, by illness or other cause, or is absent from any Licensed Competition where horses and/or ponies under his or her care are entered and stabled, he or she must immediately notify the competition secretary and, at the same time, a substitute must be appointed by the trainer and such substitute must place his or her name on the entry blank forthwith. Such substitution does not relieve the regular trainer of his/her responsibility and accountability under this rule; however, the substitute trainer is equally responsible and accountable for the condition of such horses and/or ponies.
3. The trainer and owner acknowledge that the trainer represents the owner regarding horses and/or ponies being trained or managed, entries, scratches for any reason and any act performed on any horse and/or pony under the care and custody of the trainer.

4. In the case of a horse and/or pony competing under the Therapeutic Substance Provisions, any trainer or other person subject to these rules who actually administers, attempts to administer, instructs, aids, conspires with another to administer or employs anyone who administers or attempts to administer a forbidden substance to a horse and/or pony which might affect the performance of said horse and/or pony at a competition licensed by the Federation without complying with GR411, is subject to the penalties provided in GR406.

5. Any trainer or person subject to these rules who administers, attempts to administer, instructs, aids, conspires with another to administer or employs anyone who administers or attempts to administer any substance to a horse and/or pony by injection or by any other route of administration, whether the substance is forbidden or permitted, in the competition ring of a competition licensed by the Federation during a scheduled class, is subject to the penalties provided in GR406.

GR405 Equine Drugs and Medications Testing in Connection with an Appeal Measurement.

1. Each animal submitted for an appeal measurement is subject to the Drugs and Medications Chapter at the time of said measurement and/or concurrent examinations, and said animal must be in compliance therewith.

2. Each animal submitted for an appeal measurement must have drug testing samples collected at the time of said measurement and/or concurrent examinations. No sample is a drug testing sample unless it is collected by and/or under the direct supervision of Federation drug testing personnel, who must be appointed by the Administrator of the Equine Drugs and Medications Program to collect samples from the animal in question in connection with said measurement.

3. Each animal submitted for an appeal measurement must have both a urine sample and a blood sample collected at the time of said measurement and/or concurrent examinations. Both the urine sample and the blood sample must be of sufficient volume for drug testing purposes, as determined by the Administrator of the Equine Drugs and Medications Program. Said sample collections shall be conducted in accordance with procedures which are the sole prerogative of the Federation drug testing personnel. As deemed necessary by the Federation testing veterinarian, the animal shall be administered furosemide to cause it to produce a urine sample in a timely manner.

4. Every blood sample and/or urine sample collected in connection with an appeal measurement and all portions thereof are the sole property of the Federation. Said samples and all portions thereof must remain in the sole custody of the Federation drug testing personnel at all times during said measurement and/or concurrent examinations, and subsequently they must be submitted to the Federation's laboratory for testing in accordance with the instructions of the Administrator of the Equine Drugs and Medications Program.

5. The entire cost of sample collections and testing conducted in connection with an appeal measurement, including the fees and expenses of Federation drug testing personnel, shipping costs for equipment and samples, laboratory charges, etc., as determined by the Administrator of the Equine Drugs and Medications Program, must be paid in full by the appellant within 30 days of the submission of an invoice, regardless of the outcome of said measurement, and regardless of the laboratory results. A deposit in cash or certified check equal to the costs of sampling and testing, as estimated by the Administrator of the Equine Drugs and Medications Program, may be required prior to the measurement.

6. No appeal measurement is valid absent written affirmation of the CEO or Executive Director confirming the receipt of negative drug testing results from the Federation’s laboratory, indicating that both the urine and blood sample collected from the animal in question in connection with said measurement and/or concurrent examinations were found to contain no forbidden substance, said results having been issued to the Administrator of the Equine Drugs and Medications Program. Any instance involving a finding of forbidden substance shall additionally result in the issuance of a charge of violation of Chapter 4 for adjudication by the Hearing Committee in accordance with the provisions of Chapters 6 and 7.
GR406  Results, Confirmatory Analysis, and Retest.

1. Blood and urine samples labeled and identified as Samples A shall be subjected to chemical analysis by the Federation Drug Testing Laboratory or by a laboratory with which Federation has contracted for its services. Blood and urine samples labeled and identified as Samples B shall be stored securely, unopened, at the Federation Drug Testing Laboratory, to be used in the event that a confirmatory analysis shall be required.

2. In the event the chemical analysis of Blood or Urine Sample A is negative, i.e., no forbidden substance or any metabolite or analogue thereof is found to be present in the sample, the corresponding Blood or Urine Sample B shall be destroyed by the laboratory.

3. In the event the chemical analysis of Blood or Urine Sample A is positive, i.e., a forbidden substance or any metabolite or analogue thereof is found to be present in the sample, this shall be prima facie evidence that the forbidden substance was administered in some manner to said horse or pony, whether intentionally or unintentionally, or otherwise was caused to be present in the tissues, body fluids or excreta of the horse or pony at the competition, whether intentionally or unintentionally, such that the trainer(s) deemed responsible and accountable for its condition is (are) liable under the provisions of GR404.

4. In the event the chemical analysis of Blood or Urine Sample A is positive, and upon the issuance of Notices of Charge to persons deemed responsible and accountable under the rules, a person charged who requests a confirmatory analysis of the corresponding Blood or Urine Sample B must make the request in writing to Counsel of the Equine Drugs and Medications Committee, and it must be received within 15 days of the date of the Notice of Charge.

5. The confirmatory analysis of the corresponding Blood or Urine Sample B shall be performed by a drug testing laboratory that must be mutually agreed upon by the person charged who requests the confirmatory analysis and Counsel of the Equine Drugs and Medications Committee, which laboratory must have demonstrated proficiency in performing the necessary confirmatory analysis, provided the corresponding Blood or Urine Sample B exists and is of sufficient volume to permit a confirmatory analysis. In the event the drug testing laboratory that analyzed Sample A is the only laboratory that has demonstrated proficiency in performing the necessary confirmatory analysis, as determined by Counsel of the Equine Drugs and Medications Committee, this laboratory shall be the only laboratory to which Counsel of the Equine Drugs and Medications Committee shall agree to perform the confirmatory analysis of the corresponding Sample B. Upon the completion of the confirmatory analysis, the laboratory performing the confirmatory analysis shall forward its findings and supporting data to all parties.

6. In the event no agreement is reached as to a laboratory as required in section 5 above, and the person charged who requests the confirmatory analysis does not revoke his/her request, the confirmatory analysis of the corresponding Blood or Urine Sample B shall be performed by the Federation Drug Testing Laboratory, or by a laboratory with which The Federation has contracted for its services, as determined by Counsel of the Equine Drugs and Medications Committee, which laboratory shall forward its findings and supporting data to all parties. Both the results of the analysis of Sample A (and supporting data) and the results of the confirmatory analysis of the corresponding Sample B, if any (and supporting data, if any), shall be admissible as evidence in any hearing or proceeding pertaining to this matter.

7. In the event the corresponding Blood or Urine Sample B does not exist, or is of insufficient volume to permit a confirmatory analysis, as determined by Counsel of the Equine Drugs and Medications Committee, and there exists a remaining aliquot of Blood or Urine Sample A which is of sufficient volume to permit a retest, as determined by Counsel of the Equine Drugs and Medications Committee, a person charged who requests the retest of Blood or Urine Sample A must make the request in writing to Counsel of the Equine Drugs and Medications Committee, and it must be received within 7 days of the determination that the corresponding Blood or Urine Sample B does not exist or is of insufficient volume to permit a confirmatory analysis.

8. Any requested re-test of the remaining aliquot of Blood or Urine Sample A, provided it is of sufficient volume to permit a retest, shall be performed by the Federation Drug Testing Laboratory, or by a laboratory with which The Federation has contracted for its services, as determined by Counsel of the Equine Drugs and Medications Committee.
9. The retest of the remaining aliquot of Blood or Urine Sample A may be witnessed by a Witnessing Analyst appointed by the person charged who requests such analysis at the same time as the retest is requested. The Witnessing Analyst must be a qualified analytical chemist employed by an equine drug testing laboratory. If no Witnessing Analyst is appointed by the person requesting the retest, or if the Witnessing Analyst is unavailable within a reasonable time, the requested retest of the remaining aliquot of Blood or Urine Sample A shall proceed without the Witnessing Analyst.

10. In the event the Witnessing Analyst appointed by the person requesting the retest of the remaining aliquot of Blood or Urine Sample A is satisfied that the positive result is correct, Counsel of the Equine Drugs and Medications Committee must be informed immediately by fax with confirmation by letter.

11. In the event the Witnessing Analyst is not satisfied that the result of the retest of the remaining aliquot of Blood or Urine Sample A is correct, Counsel of the Equine Drugs and Medications Committee must be informed immediately by fax followed by a written report setting forth the basis for the Witnessing Analyst's opinion. Copies of the original and subsequent results and supporting analytical data must be submitted to the Federation Hearing Committee as part of the hearing record in the case, for resolution by it of any and all issues regarding the original analysis of Blood or Urine Sample A and the retest of the remaining aliquot of Blood or Urine Sample A.

12. By requesting the confirmatory analysis of the corresponding Blood or Urine Sample B, or the retest of the remaining aliquot of Blood or Urine Sample A, or by requesting that the retest be witnessed by a Witnessing Analyst, the person charged who makes such request(s) agrees to and must pay any and all fees, costs and expenses relating to the confirmatory analysis or the retest, whether it is performed by a mutually agreed upon laboratory, by the Federation Drug Testing Laboratory, or by a laboratory with which The Federation has contracted for its services, upon the presentation an invoice by Counsel of the Equine Drugs and Medications Committee, and any and all fees, costs, and expenses relating to the Witnessing Analyst.

13. In the case of a horse and/or pony competing under the Therapeutic Substance Provisions, if the chemical analysis of the sample taken from such horse and/or pony indicates the presence of a forbidden substance or any metabolite or analogue thereof and all the requirements of GR411 have been fully complied with, the information contained in said Equine Drugs and Medications Report Form and any other relevant evidence will be considered by the Federation in determining whether a rule violation was committed by any person(s) responsible or accountable for the condition of the horse and/or pony under the provisions of this rule.

14. When a positive report is received from the chemist identifying a forbidden substance, or any metabolite or analogue thereof, a hearing will be held in accordance with Chapter 6, except as may otherwise be provided by GR412. No trainer, responsible or accountable for the condition of said horse and/or pony, will be suspended, or a horse and/or pony barred from competition, until after an administrative penalty has been assessed or after the conclusion of a hearing and a written ruling thereon has been made.

15. The owner or owners of a horse and/or pony found to contain a forbidden substance or any metabolite or analogue thereof may be required to forfeit all prize money, sweepstakes, added money and any trophies, ribbons and “points” won at said competition by said horse and/or pony and the same will be redistributed accordingly. The owner must pay a fee of $200 to said competition. Points accumulated toward Horse of the Year Awards prior to said competition may be nullified and redistributed at the discretion of the Hearing Committee. If, prior to or at a hearing, the Federation as the charging party, determines that one or more persons, not previously charged as a trainer should also be charged as a trainer, then, upon application by the Federation, the Hearing Committee may, in its discretion, continue or adjourn the hearing, in whole or in part, to permit a new or amended charge to be issued (unless the person(s) to be charged waive notice).

16. A trainer of a horse and/or pony found to contain such forbidden substance or any metabolite or analogue thereof is subject to whatever penalty is assessed by the Hearing Committee, except for administrative penalties issued by the Chairman of the Equine Drugs and Medications Committee and accepted, as provided by GR412. Said trainer may be fined and may be suspended from all participation in Licensed Competitions for a period of
one year for the first offense, and for a longer period for a second or later offense, said suspension to be served at any time at the discretion of the Hearing Committee.

The horse and/or pony may be suspended for any period of time specified by the Hearing Committee. In determining an appropriate penalty under these rules, the Hearing Committee may take into account such factors and circumstances as it may deem relevant, including but not limited to:

a. the pharmacology of the forbidden substance,

b. the credibility and good faith of the person charged or of other witnesses,

c. penalties determined in similar cases, and

d. past violations of any Federation rules (or the lack thereof).

e. reliance upon the professional ability or advice of a veterinarian who is a licensed graduate of an accredited veterinary school and who is in good standing in the state in which he/she primarily practices.

17. If the Hearing Committee determines that any violation or attempted violation of this Rule was willful and/or intentional, there shall not be any limit to the period of a suspension, and the Hearing Committee may impose other and significantly greater penalties than it would have in the absence of such a determination.

GR407 Management Procedures.

1. To provide funds for research, inspection and enforcement of rules regarding use of medications and drugs, each Licensed Competition, except where prohibited by law, must assess the exhibitors a fee of $7 for each horse and/or pony entered in the competition, except the fee shall be $15 for each horse entered in an FEI sanctioned competition or a USEF High Cap Computer List Class. Participants in the following classes are exempted from payment:

a. leadline

b. exhibitions

c. games and races,

d. classes for 4-H members,

e. Academy classes (Academy classes are classes limited to horses used regularly in a lesson program)

f. Opportunity classes EC 2/20/07 Effective 4/1/07

However, these classes are not exempt from the Drugs and Medications Chapter itself. Within 10 days after a competition, competition management must forward to the Federation a sum representing the above fee times the number of horses and/or ponies entered in the nonexempt classes of the competition plus the number of horses and/or ponies scratched where the fee is not refunded, such sum to be held by the Federation in a separate fund for use to accomplish the purpose set forth above.

BOD 1/14/07 Effective immediately

2. It is a violation for a Licensee to assess and/or collect a drug enforcement fee in excess of or in addition to that specified and required by GR407.1 of these rules, unless said assessment is approved in writing by the Federation in advance, and then only under the terms and conditions set forth.

3. It is a violation for a Licensee to withhold from the Federation any or all of the drug fees collected in accordance with GR407.1, for any purpose, including to defray the expenses incurred providing stalls, passes, and other items to the Federation drug testing personnel, as required by GR407.4 and .5.

4. Each Licensed Competition shall, at its own cost and expense, set aside and make available to The Federation testing personnel upon request suitable facilities conveniently located for the veterinarian appointed by the Federation and his or her technicians to collect equine blood and urine samples. Suitable facilities means one or more stalls if available, as requested, that are well lit, clean, dry, freshly bedded, and having a door or gate that can be secured.

5. Each Licensed Competition, upon request, must furnish the veterinarian appointed by The Federation and/or the Administrator of the Equine Drugs and Medications Program by mail forthwith, with the requested number of official passes and parking passes for the veterinarians and technicians to have immediate and free access to all areas at said Licensed Competition.
6. Competition management must cooperate with and exhibit polite attitude and actions toward the veterinarian and/or his agents.

GR408 Interpretations of the Federation Equine Drugs and Medications Chapter and its Application to Particular Substances.

Any questions regarding the interpretation of this Chapter, including the application of this Chapter to particular substances, should be directed to the office of the Federation Equine Drugs and Medications Program, 3760 Ridge Mill Drive, Hilliard, Ohio 43026-9231. (800) 633-2472, (614) 771-7707, FAX (614) 771-7706. Trainers and/or owners who seek advice concerning the interpretation and application of this rule should not rely solely upon interpretations or advice by private or competition veterinarians, competition officials, competition personnel, or other persons, but should also obtain verification of any such interpretations or advice from the Federation Equine Drugs and Medications Program office. Any trainer or owner who is uncertain about whether this rule applies in any given situation would be well advised to withdraw the affected horse and/or pony from competition until such time as the Federation Equine Drugs and Medications Program office has been consulted.

GR409 Equine Drugs and Medications, The No Foreign Substance Provisions.

1. No horse and/or pony competing in a Breed or Discipline designated as (or part of) a No Foreign Substance Group is to be shown in any class at a competition licensed by the Federation if it has been administered in any manner or otherwise contained in its tissues, body fluids or excreta a prohibited substance as defined in this Rule. 3. The full use of modern therapeutic measures for the improvement and protection of the health of the horse and/or pony is permitted unless:
   a. The substance administered is a stimulant, depressant, tranquilizer, local anesthetic, drug or drug metabolite which might affect the performance of a horse and/or pony or might interfere with the detection of forbidden substances or quantification of permitted substances; or
   b. More than two nonsteroidal anti-inflammatory drugs are present in the plasma or urine of the horse/pony (GR411 does not apply); exception: salicylic acid; or

GR411  Conditions For Therapeutic Administrations of Forbidden Substances.

1. A horse and/or pony exhibiting at a Licensed Competition pursuant to the Therapeutic Substance Provisions that receives any medication which contains a forbidden substance is not eligible for competition unless all of the following requirements have been met and the facts are furnished in writing on a timely-submitted official Equine Drugs and Medications Report Form:

   a. The medication must be therapeutic and necessary for the diagnosis or treatment of an existing illness or injury. Administration of a forbidden substance for non-therapeutic or optional purposes (such as, by way of example only, shipping, clipping, training, turning out, routine floating or cleaning of teeth, non-diagnostic nerve blocking, uncasting, mane pulling or non-emergency shoeing) is not considered to be therapeutic. Any trainer who is uncertain about whether a particular purpose is considered to be therapeutic would be well advised to consult the Federation Equine Drugs and Medications Program office.

   b. The horse and/or pony must be withdrawn from competition for a period of not less than 24 hours after the medication is administered.

   c. The medication must be administered by a licensed veterinarian, or, if a veterinarian is unavailable, only by the trainer pursuant to the advice and direction of a veterinarian.

   d. Identification of medication—the amount, strength and mode of administration.

   e. Date and time of administration.

   f. Identification of horse and/or pony, its name, age, sex, color and entry number.

   g. Diagnosis and reason for administration.

   h. Statement signed by person administering medication.

   j. The Steward, Technical Delegate, or Designated Competition Office Representative must sign and record the time of receipt on the Equine Drugs and Medications Report Form.

   k. At selection trials for World Championships, and/or Olympic and/or Pan American Games, the requirement of subsection (b) above, that the horse or pony must be withdrawn from competition for a period of not less than 24 hours after the medication is administered will not apply, provided that:

      (1) the competition is conducted pursuant to the written selection procedures as approved by the Federation Executive Committee;

      (2) the written selection procedures specifically allow for therapeutic administrations of medications by a USEF-appointed veterinary panel within 24 hours preceding competition, and the written selection procedures are in no case less stringent in this regard than the FEI Veterinary Regulations (Articles 1006.7 and 1006.8) and guidelines pursuant thereto;

      (3) all requirements of the written selection procedures regarding therapeutic administrations of medications have been met;

      (4) all requirements of this Rule have been met except subsection GR411.1(b); and all persons competing in the competition are eligible and competing for selection.

2. Where all the requirements of GR411 have been fully complied with, the information contained in said Equine Drugs and Medications Report Form and any other relevant evidence will be considered by the Federation in determining whether a rule violation was committed by any person(s) responsible or accountable for the condition of the horse and/or pony under the provisions of this rule.

NOTE: The official Equine Drugs and Medications Report Form is available from the officiating Steward/Technical Delegate and/or Competition Secretary. All required information must be included when filing a report. Failure to satisfy and follow all the requirements of this Rule and to supply all of the information required by such Equine Drugs and Medications Report Form is a violation of the rules. The Steward/Technical Delegate must report any known violations of this Rule to the Federation for such further action as may be deemed appropriate.
GR412 Administrative Penalties.
1. The provisions for administrative penalties shall apply to any potential or alleged violation of the Equine Drugs and Medications Rule. The Federation shall hold in abeyance the issuance of charges of rule violation pending further determination by the Chairman of the Equine Drugs and Medications Committee, who shall take into consideration all pertinent information available, including the seriousness of the alleged violation(s), precedents in similar Federation drug cases, and any prior rule violation(s) by the individual(s).
2. The Chairman of the Equine Drugs and Medications Committee shall, upon consultation with staff, and within 60 days of receipt of laboratory results, make a determination in his or her discretion whether to recommend the issuance of charges by the Federation, whether to recommend a plea agreement, whether to impose administrative penalties, or whether to take no further action in the matter, and shall communicate that decision in writing to the Federation's CEO or Executive Director.
3. In the event the Chairman of the Equine Drugs and Medications Committee determines to impose administrative penalties in accordance with GR412.2, in lieu of a recommendation to issue charges, he or she shall be authorized to impose any or all of the penalties enumerated in Chapter 7, GR703, setting forth the terms and conditions for compliance. The trainer(s) and owner(s) shall after receiving written notice of the right to a hearing, after their written waiver of same, and written acceptance of an administrative penalty, be subject to any and all administrative penalties imposed by the Chairman of the Equine Drugs and Medications Committee.
4. The Federation shall give written notification to trainer(s) and owner(s) of administrative penalties determined pursuant to GR412.3 above, the terms and conditions of which shall not be subject to negotiation. Administrative penalties accepted in accordance with this Rule are subject to approval by the Hearing Committee. Once accepted by all parties and by the Hearing Committee, an administrative penalty shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing pursuant to Chapters 6 and 7, and shall be published in EQUESTRIAN.
5. Any trainer(s), or owner(s), or both, who have received notice of an administrative penalty under GR412.4 and who have not accepted same in writing shall receive a hearing before the Hearing Committee, in accordance with Chapters 6 and 7. Administrative penalties accepted in accordance with this Rule shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).
6. In the event an administrative penalty is not accepted in writing, the Federation shall issue a written charge or charges pursuant to Chapter 6, and the Hearing Committee shall conduct a hearing pursuant to Chapters 6 and 7 upon said charge(s). In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR412.2 and .3, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.

GR413 Human Drug Testing
1. In accordance with the rules of the FEI and of the World Anti-Doping Agency (WADA), any Federation member shall comply with in-competition, no advance notice (NAN), and other out-of-competition drug testing conducted by the FEI, WADA, US Anti-Doping Agency (USADA) or by a WADA-authorized organization or USADA-authorized organization at any time without advanced notice. Failure to cooperate with such in-competition, NAN or other out-of-competition drug testing shall be a violation of Federation rules.
2. In conjunction with the above-described NAN or other out-of-competition drug testing, the Federation is required to submit the names, current addresses, telephone numbers, training times and training and competition locations for individuals and teams as requested by the FEI, WADA, or USADA to enable FEI, WADA, or USADA to conduct NAN or other out-of-competition drug testing. Notwithstanding the foregoing, compliance with anti-doping regulations rests with the individual subject to testing.
3. A finding of violation of human drug rules by USADA or WADA shall be deemed a violation of Federation rules, and the reciprocity provisions of GR615.2 shall be applied.
CHAPTER 5
MEASUREMENT OF ENTRIES

SubChapter 5-A CONDITIONS.

GR501 Other Measurement Rules.
For Hunter Pony, Children’s Hunter Pony, Welsh Pony and Pony Jumper measurements for animals not possessing a valid measurement card applied for prior to December 1, 1987, see HP126-HP139, and for all other measurements, see GR501-517. For Combined Driving, see DC111.2. For Dressage, see DR134. For Junior Hunters, see JH126-JH137.

GR502 General.
1. Management shall not permit an animal to be shown in a performance class at a Federation Member competition in any division or section that requires a measurement card unless; a) the owner is in possession of a measurement card issued by the Federation or Equine Canada bearing the date of 1982 or later; or b) he possesses a copy of a valid measurement form; or c) or management confirms measurement electronically with the Federation Office. At Regular Competitions, management may not give out an exhibitor’s number for an animal showing in a division or section that requires a measurement card before the above requirements have been complied with. (See GR802.2.b)
2. A Show Committee may require the measurement of all animals in any division in which height is a qualifying factor.
3. Animals in competition in any division or section that requires a measurement card are subject to measurement by a licensed veterinarian and Registered steward appointed by Federation. The Federation CEO or Executive Director may require the measurement of any animal competing at a Federation Licensed Competition in any division in which height is a qualifying factor.
4. Measurements must take place at a Licensed Competition in which the animal is entered to compete. The Federation Approved Measuring Stick must be used. The animal must be measured by any two of the following officials acting together: a veterinarian, a judge or a steward who is officiating in the competition at which the animal is measured. Measurements may be made by two stewards acting together if both are officiating at the competition.
5. The officials appointed to measure animals at a competition are responsible for their true measurement and must check the measurement devices for accuracy. The names of the measuring officials will be printed on the measurement card and they and other measuring officials will be subject to penalty under the provisions of Chapters 6 and 7 if it is determined that a measurement is incorrect.
6. Measurements are solely for the internal use of the Federation, its Licensed Competitions and its licensed officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement information; accordingly, the Federation, its Licensed Competitions and its licensed officials make no representation and shall have no liability whatsoever for measurement errors.
7. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal’s breed registration papers or a signed statement from a veterinarian certifying the animal’s age.
8. Prior to presenting the pony for measurement it is the responsibility of the owner, and in his interest, to ensure that the pony is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.

GR503 Required Measurements and Re-measurements.
1. An animal must be measured each competition year until it reaches the age of six. Animals five years and under will be issued a card designating the year measured. Animals six years and older will be issued a measurement card which does not have to be renewed. Those animals which are measured (and for which a valid measurement form is received by the Federation office) in the month of December immediately preceding the calendar year in which they turn six years of age will be issued a measurement card that does not have to be renewed. With the exception of animals under six years old, once an animal is issued a measurement card, a new card will not be issued unless the measurement is questioned or protested, an appeal is made or after an official measurement is performed.
2. All animals that have been assigned a card prior to March 1, 1982 must be re-measured. If the owner, either member or non-member, is in possession of a measurement card issued prior to the aforementioned date, there will be no fee for re-measurement.

3. In the event an animal has been officially measured after December 1, 1982 and the owner does not have the measurement card or valid measurement form in his immediate possession, the animal must be re-measured for the purposes of competing in that particular competition only. Measurement forms are sent to the Federation office, but not given to the owner. If an owner fails to present a valid measurement card at a competition, the owner must have the animal re-measured at said competition. If an owner fails to present measurement card at more than one (1) competition he will be fined $250 for each subsequent re-measurement necessary.

4. If the shoeing status of an animal changes from that which is indicated on its measurement card (due to an injury causing corrective shoeing or the sale of animal, etc.) a new card reflecting the new shoeing status may be issued provided the animal is re-measured in accordance with GR504 and the original measurement card is surrendered to the Federation office.

5. All Hackney Roadster and Roadster Ponies must be re-measured and issued new measurement cards prior to competing in licensed competitions for the year 2004 and beyond.

Subchapter 5-B PROCEDURES.

GR504 Membership Requirements.

Before any animal is measured the person presenting the animal must have in his possession either the owner’s membership number or a signed statement signifying that membership has been applied for.

GR505 Completing the Measurement Form.

1. The measurement form must be filled out completely in duplicate and the number of the stick must be on the form. Measurement cards will not be issued if the form is not completely filled out and legible. Exhibitors are cautioned to make sure their measurement forms are filled out accurately and completely. It must include the name and date of the competition, the height of the animal, height of heel (except for Dressage and Dressage Sport Horse Breeding), name, color and markings, sex, year foaled which must be verified at time of measurement and designate whether the animal is shod or unshod. Saddlebred-type ponies six years of age and over that exceed 14.2 hands shod must be presented for measurement unshod (note for Saddlebred-type ponies: for purposes of protection a ¼” pad or plate may be nailed to the foot and then deducted from the official measurement). The name and address of owner and Federation membership number, if applicable, must be given. The form must be signed by the person furnishing the above information immediately before the animal is measured and then signed by the competition officials appointed to measure. The person providing the information that appears on the measurement form must be 18 years or older and is responsible for the accuracy of such information and care should be taken that all is in order before signing. When this individual signs the form he/she is certifying that all information is complete and correct. No changes can be made to such information once the form is signed. Any alterations, scratch outs, or rewrites to any part of the height, height of fore heels, or thickness of shoe/pad must be clearly indicated and initialed by the measuring officials. Care should be taken that all information is in order before signing. If a measurement form is signed by a person under the age of 18 and submitted to the Federation office, the measurement will be invalid.

2. The official completing the form must designate on the form that the owner is a current member or that the membership has been applied for. The white copy is given to the owner or trainer and the blue copy of the measurement form is returned to the Federation office.

3. The owner will retain the white copy which, when properly signed by the two officials who have made the measurement, is valid for 45 days from the time the animal is measured, regardless of age. Exception: Hackney, Roadster, and Saddlebred ponies: the white copy which owners retain will remain valid for the remainder of the current competition year.
Subchapter 5-C MEASURING.

GR506 Measurement Devices.
Only the Federation Approved Measuring Stick may be used. The Federation Approved Measuring Stick is a straight, stiff, unbendable stick that is equipped with a plumb bob or spirit level to make sure that the stick is perpendicular to the ground and that the crosspiece or arm is parallel with the ground surface, and must be shod with metal. All Federation approved measuring sticks will be numbered, carry the Federation logo and the legend Federation Approved. A Federation Approved Measuring Stick with a metric scale must be used for Dressage, Dressage Sport Horse Breeding, and Driving measurements.

GR507 Measurement Surface.
1. The measurement surface must be level and under no circumstances should animals be measured on dirt or gravel. A concrete slab or other paved surface is most desirable but, when not available, a sheet of heavy plywood can be used. Exception: plywood may not be used for Dressage or Dressage Sport Horse Breeding measurements.
2. If a suitable surface is not available at a competition, animals without a measurement card issued after December 1, 1982 or a valid measurement form must be measured to compete in that competition, but no measurement form shall be given to the owner or returned to the Federation and no fee shall be charged. See GR1210.2 and GR1210.3.

GR508 Position of Animal.
The animal must stand squarely on all four feet in such a position that the front legs are vertical to the ground and the back of the hocks are in a vertical line with the point of the animal’s quarters. (Exception: Hackney Division, see HK116.) The head must be held low enough to reveal the highest point of the withers and no lower. The animal must be free of all appliances. Handlers must not interfere with the animal in any way that will prevent it from standing in this position; blinkers may be allowed.

GR509 Method of Measurement.
With the animal in the aforementioned position, measure the vertical distance from the highest point of the withers to the ground. The cross-piece, arm or bar of the measuring device must be placed over the highest point of the withers and no measurement taken at any other part of the animal’s body will count. Additional pressure must not be applied to the cross-piece, arm or bar.

GR510 Method of Measuring Toe and Heel.
Using a six (6) inch metal ruler, the length of the toe is determined by measuring the front of the hoof, in the center, from the skin line on the lower side of the coronary band to the ground. The skin line on the lower side of the coronary band is to be defined by palpation. The thumb should be used to press on the horny hoof wall proceeding from the ground toward the hairline. The first compressible soft tissue palpated is the lower side of the coronary band. The hairline does not necessarily coincide with the lower side of the coronary band. The height of heel is determined by measuring from the skin line on the lower side of the coronary band to the ground, with the ruler perpendicular to the ground (See illustration).
Subchapter 5-D QUESTIONING AND PROTESTING.

GR511 Height.
1. An owner or trainer may protest the height of only one animal competing in a class in which he is also competing. (See GR603) If a protest is filed the animal’s heel must be measured by the officiating steward immediately upon exiting the arena so that no change can be made by re-shoeing or the animal must be accompanied by an official until the measurement procedure is completed. The heel measurement will be taken from the skin line to the ground (see GR510), recorded by the competition Steward and signed by the exhibitor. The animal must be measured for height within one hour of the conclusion of the session, at an officially designated measurement location for that competition. If it is determined that the animal’s shoeing has been changed between the time of the measurement of the heel and the official measurement of the animal, the protest will be upheld and the owner will forfeit entry fees and winnings for the entire competition and the animal is barred from competing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified.
2. Animals Five Years of Age or Under.
   a. If it is determined that an animal five years of age or under is being shown with the same heel measurement as indicated on its measurement card or valid measurement form, or a lower heel measurement than as indicated on the measurement card or valid measurement form, said animal may continue to show at the height indicated and its height cannot be protested.
   b. If it is determined that the animal is being shown with a greater heel measurement than as indicated on its measurement card or valid measurement form, the animal must be measured in accordance with GR511.1

GR512 Toe Length.
1. An owner or trainer may protest the length of toe of any animal competing in a class in which he is competing.
2. If the length of toe of any animal is protested, the Show Committee must have the official veterinarian and a judge or steward officiating in the competition measure the toe immediately so that no change can be made by reshoeing.
3. If the limit for length of toe is exceeded, the animal must be disqualified for the balance of the competition and the owner of the animal forfeits entry fees and winnings for the entire competition.

GR513 Results of Questioning or Protesting.
1. The measurement card or valid measurement form of any animal that is required to transfer into another division or section must be surrendered to the competition steward who must forward it to the Federation office with his report.
2. The name of any animal barred from showing due to its height exceeding the limit for the animal’s section by more than one half inch (½") is listed in EQUESTRIAN. The decision of competition measuring(s) officials is final for the competition where the protesting occurred. An appeal may be filed with the Federation to cover future and prior competitions.

Subchapter 5-E MEASUREMENT APPEAL.

GR514 Conditions.
An owner or trainer of an animal declared ineligible for a division or section on account of height may appeal a measurement. The animal is barred from competing in the particular height division or section for which he was declared ineligible until the measurement is performed.

GR515 Procedures.
1. The appeal must be made to the Federation office in writing within seven (7) days of the measurement and must be accompanied by a deposit of $200.
2. All expenses including veterinary fees must be paid by the appellant who must deposit $200 with the Federation as an advance on anticipated costs prior to the measurement.
3. The Federation will select a location and time for the appeal measurement as convenient as possible. The owner or trainer must deliver the animal to the location at his own expense within 45 days of filing the appeal.

4. The measurement must be performed by at least two persons appointed by the Federation which shall include one veterinarian who is a member of the American Association of Equine Practitioners and one Registered steward or Technical Delegate, as permitted by division rules. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.

5. Any animal submitted for an appeal measurement must show no evidence of lameness. If found to be lame by the examining veterinarian, the animal cannot be measured or remeasured for thirty (30) days and the appellant forfeits his deposit of $200 and any veterinary expenses incurred. Each animal submitted for an appeal measurement must be tested for drugs and medications in accordance with General Rules, Chapter 4, GR405. (Exception: Hackney, Roadster, and Saddlebred.)

6. If the appeal is not upheld or the appellant fails to submit the animal within 45 days, the animal is barred from showing for the balance of the competition year. The $200 deposit is forfeited and all points accumulated for Horse of the Year Awards are nullified.

7. The measurement made under the terms of an Appeal is final.

Subchapter 5-F OFFICIAL MEASUREMENT.

GR516 Conditions.

An owner or trainer may request an official measurement for an animal six (6) years or over provided: a) the animal has never been shown in a Licensed Competition; or b) has never been declared ineligible for a division on account of height; or c) was declared ineligible for a division on account of height prior to December 1, 1982; or d) has had a bona fide transfer of ownership; e) except for those applied for prior to December 1, 1987.

GR517 Procedures.

1. The request for an official measurement must be made to the Federation in writing and accompanied by a deposit of $50 which is not refundable.

2. All expenses including veterinary fees must be paid by the person requesting the measurement who shall deposit $200 with the Federation, as an advance on anticipated costs, prior to the measurement. Both the owner and trainer are required to sign a waiver and consent on a form prepared by and acceptable to the Federation agreeing to the arrangements for the official measurement, agreeing to the administration of Lasix to the animal to aid in the collection of a urine sample for laboratory tests for Federation forbidden substances. (Exception: Hackney, Roadster, and Saddlebred.)

3. The Federation will select a location and time for the official measurement as convenient as possible. The owner or trainer must deliver the animal to the location at his own expense.

4. The measurement must be performed by at least two persons appointed by the Federation which shall include a veterinarian who is a member of the American Association of Equine Practitioners and one Registered steward. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.

5. Any animal submitted for an official measurement must show no evidence of lameness.

6. An official measurement is final.
CHAPTER 6
PROTESTS, CHARGES, ATHLETE GRIEVANCES, HEARINGS, ADMINISTRATIVE PENALTIES AND PLEA AGREEMENTS

GR601 General.
1. Fair notice and an opportunity for a hearing shall be accorded to any amateur athlete, coach, trainer, manager, administrator, or official before the Federation may declare such individual ineligible to participate in any amateur athletic competition. Exception: When a determination of violation has been made by WADA or USADA and the Federation is required to implement and enforce any FEI penalties imposed by WADA or USADA, further Federation proceedings are not required. (See GR615.2) Any hearing conducted hereunder shall be conducted in accordance with the provisions of Chapter 6.
2. Neither the Federation nor any member of the Federation may deny or threaten to deny any member athlete, coach, trainer, manager, administrator or other official the opportunity to compete in the Olympic or Pan American Games, World Championship competitions or such other “protected competition” as defined in the USOC BYLAWS; nor may the Federation, or any member of the Federation, subsequent to such competition, censure or otherwise penalize any such athlete who participates in any such competition.
3. Any individual identified in Section 1 above who alleges that he or she has been denied by the Federation or a member of the Federation a right established by Section 2 of this Rule shall immediately inform the president of the Federation and the USOC's AAC representative for equestrian who shall cause an investigation to be made and steps to be taken to settle the controversy. Notwithstanding any efforts taken by the Federation to settle the controversy informally or through the Federation’s grievance procedures set forth in Bylaws 701-704 and GR605 of Chapter 6, the individual may refer the matter to the USOC for action, as appropriate, under Article IX of the USOC Bylaws, which can be found at the USOC web site: www.usolympicteam.com, under the section entitled “Legal”.
4. The construction and application of Federation rules are governed by the laws of the State of New York. It shall be the duty of the Federation Hearing Committee to hear protests and charges in connection with alleged violations of the rules, to hear appeals from the Licensed Officials Committee’s non-renewal or revocation of a licensed official’s license, and to hear athlete and other grievances pursuant to GR602.8 and GR605.
5. For the rules and procedures which govern hearings of grievances by athletes and others, see Bylaws 701-704, and Chapter 6, GR601-602 and GR605-615.

SUBCHAPTER 6-A FILING AND CONTENTS OF PROTESTS, CHARGES AND ATHLETE GRIEVANCES.

GR602 Contents, etc.
1. A protest, charge or grievance must state the full name and address (if known) of the accused, must list each Rule number alleged to have been violated and must contain a complete statement of the acts which constitute the alleged violation. The maker of the protest, charge or grievance must be prepared to substantiate the protest, charge or grievance by his or her own personal testimony at a hearing or by the testimony of at least one other witness with personal knowledge who is subject to cross-examination, and by additional evidence including but not limited to sworn statements, other witnesses. The Hearing Committee, at the request of a party or on its own motion may excuse the requirement of personal testimony in the hearing of a protest, charge or grievance as it deems appropriate, if the parties to the protest, charge or grievance stipulate to the relevant facts (with the exception of any charge, protest, or grievance which may possibly affect the opportunity of any individual identified in GR601 to participate in or attempt to qualify for selection to participate in “protected competition.”) unless the respondent advises the Hearing Committee at least ten (10) days prior to the hearing that he or she will be present, in person or by representative, and that he or she wants the requirement of the maker’s personal testimony not to be excused. In that case, the Hearing Committee may not excuse the requirement of personal testimony by either the maker as eyewitness or one (1) other eyewitness. The notice of hearing of any such charge or protest shall advise the respondent of this provision.
2. A protest or charge against a Licensed Competition must be referred to the Federation by the steward, technical delegate, Show Committee, competition manager or competition secretary.

3. Protests or charges that a steward or technical delegate has failed to attend the competition, perform his duties, or has otherwise violated the Rules; or that a judge has failed to conduct a class in accordance with the specifications or has otherwise violated the Rules are made in accordance with GR603-605. Such protests or charges must be referred to the Federation. In the event the accused is found guilty, he or she may be subject to any of the penalties under GR703 and notification of any penalty imposed will be published in EQUESTRIAN.

4. The Federation may investigate any protest, charge or alleged violation, may intervene in any protest, charge or grievance and present evidence at a hearing concerning any protest, charge or alleged violation at its discretion. The Federation may also attempt to arrange a plea agreement or dismissal of a protest or charge in lieu of a hearing by reviewing all evidence and/or conducting interviews with the maker(s) and the respondent(s) to the protest or charge (see GR617).

5. The Chair(s) of the Hearing Committee, or if unavailable the Vice Chair(s), may designate one or more members of the Hearing Committee or any other individual to investigate any protest, charge or alleged violation, to conduct any necessary fact finding, to hear evidence, to review memoranda submitted by interested parties, and to make proposed factual findings to the Hearing Committee, provided, however, that this provision shall not apply to any matters heard pursuant to Chapter 6, Subchapter 6-C, GR611.2(i) or (ii).

   a. The soundness of a horse, when determined by an official veterinarian of the competition or by a judge, is not protestable.
   b. A judge’s decision, representing his/her individual preference or opinion, is not protestable unless it is alleged to be in violation of Federation rules.
   c. A protest questioning the height of a horse or the length of a horse’s foot may only be made to the Show Committee. See GR511-513, HP135-HP136 or JH133-JH137.

7. Withdrawal of a Protest or Charge. If, prior to a hearing being held, the maker of a protest or charge wishes to withdraw it, he or she must make written application to the Hearing Committee, setting forth the reasons for the request. Following review of said application, the Hearing Committee will determine whether to allow the protest or charge to be withdrawn or whether to schedule the matter for hearing at a later date.

8. Any member of the Federation may file a protest or charge or grievance with the Hearing Committee pertaining to any matter within the cognizance of the Federation and alleging a violation of any provision of the Federation’s Bylaws or Rules, the Amateur Sports Act of 1978, or the USOC’s Constitution or By-Laws.

GR603 Protests.

1. Any rider, driver, handler, vaulter, longeur, exhibitor, owner, agent, trainer or the parent of a junior exhibitor, or any Life, Senior, or Junior member present at the competition may file a protest with the Show Committee of a Licensed Competition or The Federation Hearing Committee alleging violation of any Federation rule(s). The protest must contain all information as specified in GR602.1 and must be:
   a. in writing,
   b. signed by the protestor,
   c. addressed to the Show Committee of the competition at which the alleged violation occurred, or to the Hearing Committee,
   d. accompanied by a deposit of $200 if made by a Federation member or the parent of a junior exhibitor member or $300 if made by a non-member (if check, payable to the competition or to the Federation); said deposit will be refunded in the event the protest is upheld, and
   e. received by the steward, technical delegate, a member of the Show Committee, the competition manager or the competition secretary within 48 hours of the alleged violation. If made directly to the Hearing Committee, the protest must be received at the Federation office by the tenth business day following the last recognized day of the competition, or by the tenth business day following the date on which the alleged violation occurred if it occurred other than at a Licensed Competition.

Any official of a USEF Licensed Competition, any Federation Representative assigned to a USEF licensed competition, any National Officer of the Federation or the CEO or Executive Director of the Federation may file a charge with the Show Committee or the USEF Hearing Committee alleging a violation of any Federation rule(s). The CEO or Executive Director may, but is not required to, consult with any or all of the Federation Officers prior to determining whether or not charges should be filed in any case.

2. A charge must be:
   a. in writing,
   b. signed by the person making the charge,
   c. addressed to the secretary of the competition at which the alleged violation occurred, or to the Hearing Committee and
   d. if made to a Show Committee it must be received by the steward, technical delegate or a member of the Show Committee within 48 hours of the alleged violation. If made to the Hearing Committee it must be received by the Federation within a reasonable time.

GR605 Grievances.

1. A grievance may be filed by any amateur athlete, or other eligible athlete, coach, trainer, manager, administrator or official regarding his/her opportunity to participate in, or to attempt to qualify for selection to participate in any equestrian event of the Pan American Games, Paralympic Games, the Olympic Games, World Championship competitions or any other protected competitions as that term is defined in Article I, Section 2(G) of the USOC, including any domestic amateur athletic competition or event organized and conducted as part of the selection procedure directly qualifying each successful competitor therein as an athlete representing the U.S. in such equestrian international competitions. Any grievance must be made in writing over the signatures of the person or persons presenting the same, and must state the full name(s) and address(es) of the athlete, coach, trainer, manager, administrator, official, the Federation, another organization which is an Affiliate Member of the Federation, a committee of the Federation or a committee of an Affiliate Member of the Federation against whom the grievance is made, and must include with specificity a complete statement of the acts which constitute such grievance, including the requested relief sought. The maker(s) must be prepared to substantiate the grievance at a hearing by a preponderance of the evidence by personal testimony of a witness or witnesses with personal knowledge subject to cross-examination and by sworn statements, other witnesses and by other competent evidence. The requirement of personal testimony may be excused by the Hearing Committee if the parties to the protest, charge or grievance stipulate to the relevant facts. The accused shall have the right to be assisted in the presentation of his/her case at the hearing, including the assistance of legal counsel, if desired; the right to call witnesses and present oral and written evidence and argument; the right to confront and cross-examine adverse witnesses; and the right to have a record made of the hearing if desired.

2. The grievance should be addressed to the Hearing Committee and should be transmitted to the attention of the Federation CEO or Executive Director at the Federation office by hand delivery or by certified mail or by facsimile as soon as practicable following the events which are the subject of the grievance. As soon as practicable after the receipt of such grievance, the CEO or Executive Director shall promptly communicate informally with the parties and the president of the Federation and the USOC’s AAC representative for equestrian, or, in the event there is a conflict of interest, the AAC alternate representative and they shall make every effort to resolve the grievance to their and the parties’ mutual satisfaction, and if unsuccessful, the CEO or Executive Director shall, without prejudice to the right of the complainant to pursue remedies available pursuant to the Amateur Sports Act of 1978 and the USOC Constitution, arrange for a prompt hearing of the grievance by the Hearing Committee.

3. Any person, committee, association or organization, including the Federation or any affiliate, member or member organization, against whom a grievance has been filed pursuant to either GR602 or GR605 of the Rules is entitled to a hearing. Such hearing shall be after advance written notice of the specific charges or alleged violations, and of the time, place and opportunity to participate in person and/or by counsel or other representative given to the person(s) presenting the grievance, the accused and all other possibly affected
parties. Notices of hearing must be accompanied by a copy of the written grievance and shall set forth the possible consequences if the charges are found to be true.

4. The Hearing Committee shall review the record of any grievance hearing and promptly issue its written findings and determination based on the evidence in record in accordance with Chapter 6, which shall be final and binding upon the parties, except where otherwise provided in the Constitution and Bylaws of the USOC.

5. The hearing shall take place no earlier than 20 days after receipt of notice by the person charged and not later than 60 days from such receipt so as to ensure that the person charged has sufficient time to prepare a defense.

6. The pre- and post-hearing procedures set forth in Subchapter 6-B and Subchapter 6-D and the hearing procedures set forth in Subchapter 6-C, GR611, shall apply with the exception that hearings pursuant to GR602, GR605.1 and GR611.2 may not be heard by a Hearing Officer and that temporary suspensions pursuant to GR609 may not be imposed prior to a hearing by the Hearing Committee.

SUBCHAPTER 6-B PRE-HEARING PROCEDURES.

GR606 Notice.

1. Any person, group of persons or competition against whom a protest or charge is filed are entitled to a hearing. Such hearing shall be after at least twenty (20) days’ written notice to the accused except that a Show Committee may hold a hearing during or within 48 hours of a competition after 24 hours’ written notice to the accused unless this notice requirement is waived in writing by the accused. Notice of hearing must contain a brief statement of the facts constituting the alleged violation, the Federation rules allegedly violated and must specify the time and place at which the hearing is to be held.

2. Initial written notice of a protest or charge must be given to the accused within sixty (60) days from the date the protest or charge is received in the Federation office or from the date a charge is issued by the CEO, Executive Director or National Officer of the Federation. This initial notice may either specify a time and place at which the hearing is to be held or state that the hearing will be held at a date to be determined. If the initial notice does not specify a date and place, a subsequent notice of hearing specifying the date and place of the hearing will be mailed at least twenty (20) days prior to the hearing date.

3. Any notice mailed to the last known address on file with the Federation shall be deemed sufficient notice.

GR607 Continuances & Emergency Postponements.

1. A respondent, protestor or charging party may request a continuance of a scheduled hearing. A motion for continuance must be made in writing prior to the hearing and received by the Federation at the address designated in the Notice of Hearing as soon as the need for a continuance is known, but in any event at least 21 days prior to the time set for the hearing. A first continuance motion must be accompanied by a $750 fee which will be refunded if the continuance is not granted. Any second or subsequent application for continuance will only be considered upon receipt of a written continuance motion and $1500 fee which will be refunded if the continuance is not granted. Motions for continuance will only be granted at the discretion of the Hearing Committee upon good cause shown. Prior engagements of counsel may or may not be considered good cause. A second request or repeated requests by defense counsel for continuances due to counsel’s unavailability on a scheduled hearing date or dates may in the discretion of the committee’s co-chairs be grounds for the denial of a continuance request. In that event, the respondent must promptly arrange to proceed with or without substitute counsel. (Note: When the Federation, as charging party or its representative(s) requests a continuance, there will be no fee.)

2. An emergency postponement of a scheduled hearing will be granted to a respondent, protestor or charging party in case of severe illness, natural catastrophe or other emergency circumstances that would prevent the individual’s attendance at the hearing. Such a motion must be in writing, setting forth the reasons and providing proof, if available, and must be received by the Federation at the address designated in the Notice of Hearing as soon as the need for continuance is known. A first motion for an emergency postponement must be accompanied by a fee of $250 and any second or subsequent
motion for an emergency postponement must be accompanied by a fee of $1,000. These fees may be waived or refunded at the discretion of the Hearing Committee.

3. Motions for a continuance or emergency postponement received prior to a scheduled hearing will be ruled upon by the Co-Chairs, or at least a quorum, of the Hearing Committee.

**GR608 Evidence.**

1. Accused persons may attend their hearing at their option, with or without counsel, and may bring witnesses, submit sworn statements or other evidence on their behalf.

2. The proponent of a protest, charge or grievance has the burden of proof by a preponderance of the evidence.

3. Upon the written request of an accused or accuser or of a representative of the Federation when it is a party to the proceeding, there shall be furnished to the requesting party reasonably in advance of the hearing copies of any evidence proposed to be introduced into evidence at the hearing, the names of witnesses and the substance of their testimony and the notice of hearing shall so advise. When the Federation is not a party to the matter, such exchange must take place between the parties to the matter.

4. The parties are required to copy one another on all documents and evidence sent to the Federation.

5. In connection with charges brought by a steward, TD or competition official when they are not themselves eyewitnesses to the matters addressed in the charge, they may participate at the hearing by teleconference call unless the Hearing Committee determines otherwise in its discretion.

**GR609 Temporary Suspension.**

In connection with any protest, charge, or any other matter which may properly fall within the jurisdiction of the Hearing Committee, and upon a finding that considerations involving the health, safety or welfare of Federation members and/or their horses, or the best interests of horse showing generally, warrant prompt action pending consideration of the matter by the Hearing Committee, the CEO or Executive Director may, by giving written notice of such action, temporarily suspend any person from participating in any manner in the affairs of the Federation or participating in or attending all Licensed Competitions until the Hearing Committee can hear the protest, charge or other matter and take such further temporary or other disciplinary action as it deems appropriate under these Rules, including temporarily suspending any person from participating in any manner in the affairs of the Federation or participating in or attending all Licensed Competitions, until the Hearing Committee can hear or determine the protest, charge or other matter, provided, however, that in instances involving GR605 and GR611.2(i) or (ii) where the United States Olympic Committee Constitution, Art. IV, Sec. 4 (c)(6) applies, a hearing by the Hearing Committee shall be held on notice before any suspension is imposed.

**SUBCHAPTER 6-C HEARINGS.**

**GR610 Proceedings Before a Show Committee.**

1. A Show Committee receiving a protest or charge must promptly hold a hearing and all accused and accusing persons and other persons directly concerned must be given advance notice in writing and be given the opportunity to appear at the hearing and the pre-hearing procedures of Subchapter 6-B, GR606-609 shall also apply.

2. Before holding the hearing, the Show Committee must obtain all relevant evidence and information from the documents (such as entry blanks) and witnesses (such as Competition Officials) under its control. The Show Committee must then adjudicate the issues impartially and make effective its decision upon the parties.

3. If a protest is sustained, the deposit must be returned to the protestor; if not sustained, the deposit must be forfeited to the competition. A Show Committee may disqualify a person and/or his or her entries at that competition after holding a hearing of which the person had actual advance notice and the opportunity to appear.

4. If a Show Committee cannot reach a decision in regard to a protest or charge, the matter must be referred to the Hearing Committee. If the matter in question is a protest, it must be accompanied by the protest deposit. If the protest is sustained by the Hearing Committee, the deposit must be returned to the protestor; if it is not sustained by the
Hearing Committee, the deposit will accrue to the Federation. In all cases, after either reaching a decision in a hearing or failing to reach a decision on a protest or charge, the Show Committee must promptly report in writing its findings of fact and conclusions regarding alleged rule violations and recommended penalties, if any, to the Hearing Committee. A party to a protest or charge desiring to appeal a decision of the Show Committee to the Hearing Committee must file an appeal in writing with the Hearing Committee at the Federation’s office within fifteen (15) days of the initial decision. The Hearing Committee will not review the findings but will determine whether the rules were properly interpreted and applied.

**GR611 Proceedings Before Hearing Committee.**

1. The Hearing Committee will hear grievances as provided in Bylaws 701-704, and will hear protests and charges in connection with alleged violations of Federation rules, in accordance with the powers and duties referred to below.

2. The Hearing Committee shall provide fair notice and an opportunity to expeditiously hear grievances regarding the opportunity of any amateur athlete, rider, driver, handler, vaulter, longeur, owner, lessee, agent or trainer, riding coach or driving coach, coach, trainer, manager, administrator or official to participate in, or to attempt to qualify for, the Pan American Games, Paralympic Games the Olympic Games, World Championship competitions or any other “protected competitions” as that term is defined in Article I, Section 2 (g) of the USOC Constitution whether such grievances be against a competition, athlete, coach, trainer, manager, administrator or official of The Federation, another organization which is an affiliate member of The Federation, a committee of The Federation, or a committee of an affiliate association or a committee of The Federation. In (i) hearing grievances and (ii) hearing any protest or charge within the jurisdiction of the Hearing Committee arising out of a “protected competition,” affecting the opportunity or ability of any amateur athlete, rider, driver, handler, vaulter, longeur, owner, lessee, agent or trainer, riding coach or driving coach, coach, trainer, manager, administrator or official to compete or participate, five members of the Hearing Committee shall be appointed by the co-chairs of the Hearing Committee, after consultation with the President, to constitute the hearing panel, of whom at least two shall be Athlete members of the Committee, who are not competing in the discipline which is involved in the dispute. The Hearing Committee shall promptly issue its findings in accordance with the Federation’s Bylaws and Chapter 6, which findings shall be final, except where otherwise provided in the Constitution and Bylaws of the USOC.

3. The functions of any member of the Hearing Committee or any other presiding person participating in any decision shall be conducted in an impartial manner, subject to the published Rules of the Federation and within its powers. The Hearing Committee and other persons presiding on pre-hearing motions and at hearings shall give all parties a fair hearing and act as authorized by Federation rules. All members of a hearing panel must be present during the entire hearing to hear and consider all the evidence, as well as to deliberate and decide the outcome of the matter, except as may be otherwise agreed by all parties to the proceedings.

4. Any member of the Hearing Committee or any presiding or participating person may at any time disqualify himself or herself. Upon request of a party or in matters heard pursuant to GR611.2(i) or (ii) the identity of the persons who will preside and participate at a hearing shall be disclosed reasonably in advance of the hearing. On the submission in good faith, of a timely and sufficient affidavit of personal bias or other grounds for disqualification of a presiding or participating person, the presiding person, persons or Hearing Committee will consider and decide the matters raised as a part of the record and decision in the case.

5. The Hearing Committee or any person or persons presiding at any pre-hearing proceedings, the reception of evidence and any review or appeal of a decision shall prepare a written record of the proceedings which shall include the evidence considered in the proceeding, each finding of fact based on the evidence, the conclusions and decisions regarding alleged rule violations and a statement of penalties, if any, imposed and of other relief granted or denied. This written record constitutes the official record and decision of the Hearing Committee, or any presiding person or persons, and all decisions, including initial recommended and final decisions are a part of the official record. In order to expedite the issuance of a written ruling or rulings the written record may be issued in abbreviated form in the discretion of the presiding person(s), but in such event the presiding person(s) shall
retain the option of replacing the abbreviated ruling with a complete written record at any time, and shall do so if requested in writing by a party to the matter or by the Federation Board of Directors or Executive Committee. The written record shall be issued within 10 business days of the hearing of a grievance or other matter heard pursuant to GR611.2(i) or (ii) and may be issued in abbreviated form.

6. Opening and closing statements may be made by the parties to the protest, charge or grievance or their representative, but the Hearing Committee reserves the right to limit the length of such statements.

7. The Federation will not require a verbatim stenographic transcript of the hearing to be made, but parties to the hearing may arrange for one through the Federation in advance of the hearing and one will be ordered for them and the Federation at the expense of the party or parties requesting the transcript. If a transcript is ordered, it becomes part of the official record of the proceeding, cannot be canceled after the hearing is held, and must be paid for by the requesting party or parties. If the Federation itself requests and arranges for the transcript, copies will be provided to the respondent(s) by the Federation only upon payment by the respondent(s) to the Federation of one-half (½) the cost to the Federation of the transcript. If another party requests the transcript, a copy will be provided to Federation upon payment by Federation of one-half (½) the cost to the party of the transcript.

8. Upon the consent of the parties to a protest, charge or grievance, the co-Chairs of the Hearing Committee may direct that the matter be summarily heard and decided on an expedited basis upon such notice acceptable to the parties as time and circumstances allow for justice to be done. Even absent the consent of the parties, the co-Chairs of the Hearing Committee may in their discretion direct that a hearing of any grievance heard pursuant to either GR602.8 or GR605 of the Rules shall be expedited whenever in their opinion by majority vote it is necessary to expedite the matter in order to resolve it and produce a sufficiently early decision to do justice to the affected parties. Upon the request of an athlete or other party that it is necessary to expedite such hearing in order to resolve a matter relating to a competition which is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the hearing shall be so expedited to be concluded prior to the competition. The hearing may be conducted at the site of athletic competition or by telephone conference if necessary. The notice of hearing may be oral, or in writing, and shall in every instance contain the following: the party filing the charge, protest or grievance; any other party involved; identification of the person or persons subject to the charge, protest or grievance; the Federation bylaw or rule allegedly violated or about to be violated; a concise statement of facts surrounding the alleged violation; and the action that the party filing the charge, protest or grievance wants taken. The decision of the hearing panel may be rendered orally, shall be final and may be made effective immediately, but shall be reduced to writing at the earliest possible time, shall include findings of fact and conclusions based upon such findings, and shall be promptly provided to all of the parties involved.

9. Whether or not the same are specifically provided for elsewhere in the Rules, in all hearings conducted pursuant to GR611.2(i) or (ii), above, the parties shall be accorded:
   a. Notice of the specific charges or alleged violations in writing, and possible consequences if the charges are found to be true;
   b. Reasonable time between receipt of the notice of charges and the hearing within which to prepare a defense;
   c. The right to have the hearing conducted at such a time and place so as to make it practicable for the person charged to attend;
   d. A hearing before a disinterested and impartial body of fact finders wherein the proponent of the charge must substantiate the charge by a preponderance of the evidence;
   e. The right to be assisted in the presentation of one’s case at the hearing, including the assistance of legal counsel, if desired;
   f. The right to call witnesses and present oral and written evidence and argument;
   g. The right to confront and cross-examine adverse witnesses, including the right to be provided the identity of witnesses in advance of the hearing;
   h. The right to have a record made of the hearing if desired;
i. A written decision, with reasons therefor, based solely on the evidence of record, handed down in a timely fashion;

j. Written notice of appeal or review pursuant to GR612.3 procedures, where applicable, if the decision is adverse to the person charged, and prompt and fair adjudication of the appeal or review.

**SUBCHAPTER 6-D POST HEARING PROCEDURES.**

**GR612 Review of Decisions.**

1. **By the Hearing Committee.**
   a. A respondent, protestor or charging party who wishes to request a review of the Hearing Committee’s original decision must make such request in writing, setting forth the reasons why a review is sought. Said request must be accompanied by a fee of $500, which fee is not refundable except in the discretion of the Hearing Committee. **Said request and fee must be received within 30 days from the issuance of the ruling being reviewed.**

2. **Appeal of decisions made by other than the Hearing Committee**
   a. When the presiding person, persons or Show Committee other than the Hearing Committee makes an initial decision, that decision then becomes the decision of the Federation without further proceedings, unless there is a written appeal to the Hearing Committee for review by a party to the proceeding or by the Federation, which must be received within thirty (30) days from the issuance of the ruling being reviewed. On appeal from the initial decision, the Hearing Committee will review the matter de novo. **BOD 1/14/07 Effective 4/1/07**

**GR613 Rehearing.**

Upon the discovery of new facts not discoverable by due diligence prior to a hearing, a party may request a hearing before the Hearing Committee. Such request must be in writing and must contain a statement of the new facts upon which it is based and must be accompanied by a fee of $250, which fee is not refundable except in the discretion of the Hearing Committee. **Said request and fee must be received by the Federation within 30 days from the issuance of the ruling which is being contested.** Rehearings will not be granted as a matter of right but are at the discretion of the Hearing Committee. **BOD 1/14/07 Effective 4/1/07**

**GR614 Notification.**

1. When a decision has been reached regarding a charge or protest heard by the Hearing Committee the Federation shall send out the findings within 60 days of the decision. Where findings cannot be issued within 60 days of the decision, the Federation shall send written notification to all concerned parties that the findings are not yet available and when the findings are expected to be released.

2. The Federation will publish in EQUESTRIAN a notice of every penalty assessed against any person, horse or Licensed Competition and the period of any suspension. Any Licensed Competition which allows a suspended or expelled person or horse to participate is itself liable to penalty, including suspension or expulsion.

3. The Federation may report disciplinary action taken by the Federation to another association if in its opinion reporting is advisable for the protection of mutual interests.

**GR615 Reciprocity.**

1. On receipt of notice that disciplinary action has been taken by an administrative agency, arbitration or other tribunal body, humane society or court of law, whether civil, criminal, arbitral or administrative, against a person for an act which would be a violation of Federation rules if committed during a Licensed Competition, a National Officer of the Federation or the CEO or Executive Director of the Federation may make a charge against the person under the provisions of Chapter 6 and following a hearing, the Hearing Committee may impose any penalty provided for in Chapter 7.

2. On receipt of notice that USADA or WADA has taken disciplinary action and has applied penalties in accordance with FEI General Regulations against a person subject to Federation rules, with notice to the affected parties but without further proceedings, the
Federation shall impose any sanction resulting from the adjudication process in accordance with USADA or WADA protocols, as applicable.

3. Upon receipt of notice that a court of law has entered a judgment or final order against a person, corporation, partnership or other entity for monies owing to a Federation Senior Active or Life Member related to equestrian activities (e.g. training fees, coaching fees, stabling fees, horse board, horse transport, veterinary fees) and in connection with Licensed Competition, which order or judgment is final and not subject to further appeal, a National Officer or the CEO or Executive Director of the Federation may make a charge against such person or entity under the provisions of Chapter 6, and following a hearing, the Hearing Committee may suspend such person or entity pursuant to Chapter 7, GR703.1.b and .c and/or Chapter 7, GR707.1.b but any such suspension shall not extend beyond the time that such judgment or order is satisfied of record in said court of law and may be for shorter period of time in the discretion of the Hearing Committee.

SUBCHAPTER 6-E  ADMINISTRATIVE PENALTIES AND PLEA AGREEMENTS.

GR616 Administrative Penalties.

1. Administrative Penalties for violations of Chapter 4 (Drugs and Medications) will be handled pursuant to Chapter 4, GR412. For violations of any other rules, the procedures outlined below will be utilized.

2. In the event of an apparent rule violation, other than one involving Chapter 4, which is brought to the attention of the Federation and where no protest or charge has been filed, the Federation may hold in abeyance the issuance of charges of rule violation pending further determination by the Federation CEO or Executive Director.

3. After investigating the situation, the CEO or Executive Director shall make a determination in his or her discretion whether to issue charges of rule violation, impose administrative penalties, issue a warning or take no further action in the matter.

4. In the event the CEO or Executive Director determines to impose administrative penalties in lieu of the issuance of charges of rule violation, he or she shall be authorized to impose any or all of the penalties enumerated in Chapter 7, GR703 and/or Chapter 7, GR707, setting forth the terms and conditions for compliance. The parties offered the administrative penalty shall, after written notice, be subject to any and all administrative penalties imposed by the CEO or Executive Director, unless a timely written request for a hearing is made pursuant to the provisions of GR616.6.

5. The Federation shall give written notification to the accused of administrative penalties determined pursuant to GR616.4, the terms and conditions of which shall not be subject to negotiation. Administrative penalties accepted in accordance with this Rule are subject to approval by the Hearing Committee. Once accepted by all parties and by the Hearing Committee, an administrative penalty shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing and shall be published in EQUESTRIAN. In the event that the Hearing Committee does not approve an accepted administrative penalty, written notification of same will be sent to the accused and shall constitute a timely written request for a hearing pursuant to the provisions of GR616.6.

6. Any accused person who receives notice of an administrative penalty under GR616.5 may request a hearing before the Hearing Committee. A written request for a hearing must be actually received in the Federation office within 30 days of the date of receipt by the accused of the notice of administrative penalty(ies), after which time the right to a hearing shall be deemed to have been permanently waived. Once accepted by the accused and approved by the Hearing Committee, administrative penalties shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).

7. In the event a timely written request for a hearing is received in accordance with GR616.6, the Federation shall issue written charges pursuant to GR602 and GR604 and the Hearing Committee shall conduct a hearing upon said charge(s). In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR616.4, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.

8. An offer of an administrative penalty will not preclude the filing of charges by a party other than the CEO or Executive Director pursuant to GR602 and GR604. Such a charge,
however, must be received by the Federation before the administrative penalty is approved by the Hearing Committee. In the event such a charge is filed and in the event the CEO or Executive Director is subsequently unable to adjust the matter pursuant to GR617 to the satisfaction of the charging party and the accused, then the offer of administrative penalty shall be nullified and the matter shall proceed to hearing.

GR617 Plea Agreements.

1. The provisions of this Rule will apply to violations of Chapter 4 (Drugs and Medications) as well as violations of any other rules.
2. The Federation CEO or Executive Director may investigate any pending protest or charge and attempt to settle the matter in lieu of having it proceed to hearing.
3. After investigating the situation, the CEO or Executive Director shall make a determination in his or her discretion whether to offer a plea agreement, direct that the matter proceed to hearing, or recommend dismissal of the protest or charge.
4. In the event the CEO or Executive Director determines to offer a plea agreement, he or she shall be authorized to offer any or all of the penalties enumerated in Chapter 7, GR703, setting forth the terms and conditions for compliance. The parties offered the plea agreement shall, after written notice, be subject to any and all penalties imposed by the CEO or Executive Director, unless a timely written request for a hearing is made pursuant to the provisions of GR617.6 or unless the maker of the protest or charge challenges the plea agreement pursuant to GR617.8.
5. The Federation shall give written notification to the accused and to the maker of the protest or charge of an offer of a plea agreement determined pursuant to GR617.4, the terms and conditions of which shall not be subject to negotiation. Plea agreements accepted by both the accused and the maker of the protest or charge in accordance with this Rule are subject to approval by the Hearing Committee and in the case of an allegation of a violation of Chapter 4, to approval by the Chairman of the Federation Equine Drugs and Medications Committee. Once accepted by all parties and by the Hearing Committee, a plea agreement shall have the same force and effect as would a finding of rule violation by the Hearing Committee following a hearing and shall be published in EQUESTRIAN. In the event that the Hearing Committee does not approve an accepted plea agreement, written notification of same will be sent to the accused and to the maker of the protest or charge and shall constitute a timely written request for a hearing pursuant to GR617.6.
6. Any accused person or maker of a protest or charge who receives notice of a proposed plea agreement under GR616.5 may request a hearing before the Hearing Committee. A written request for a hearing must be actually received in the Federation office within 30 days of the date of receipt by the parties of the notice of the offer of a plea agreement, after which time the right to a hearing shall be deemed to have been permanently waived. Once accepted by the parties and approved by the Hearing Committee, plea agreements shall be effective immediately, shall be final, and shall not be subject to further review under any circumstance(s).
7. In the event a timely written request for a hearing is received from the accused in accordance with GR617.6, the Federation shall schedule the matter for hearing and the Hearing Committee shall conduct a hearing upon said protest or charge. In the event of a finding of a violation, the Hearing Committee shall not be limited in choice of penalties to those that might have been imposed in accordance with GR617.4, nor in any such instance shall the Hearing Committee be limited in any other way in exercising all of its prerogatives as set forth in the Bylaws and Rules.
8. If the accused accepts the offer of the plea agreement and the maker of the protest or charge does not, said person(s) can request a hearing before the Hearing Committee upon submission of a written request, and in the case of a protest, upon payment of a $250 fee (which is not refundable), and the matter shall proceed to hearing.
9. If after investigation of a protest or charge, it is the recommendation of the CEO or Executive Director that the matter should be dismissed, he or she will notify the maker of the protest or charge and the accused. If the maker of the protest or charge does not agree, said person(s) can request a hearing before the Hearing Committee upon submission of a written request and in the case of a protest, upon payment of a $500 fee (which will be refunded in the event the protest or charge is upheld) and the matter shall proceed to hearing.

Any act in connection with a Licensed Competition in violation of the Rules by a member of the family of a person participating in the competition who is described in the previous sentence, may be deemed to have been committed by such person and subject him or her to penalties.

GR702 Violations.
1. A violation is any act prejudicial to the best interests of the Federation, including but not limited to the following:

In the event a positive report is received by the Federation for a horse or pony to which a forbidden substance has been administered in any manner and the veterinarian is identified in any manner as the source of said forbidden substance, said violation will be addressed pursuant to GR412.

GR703 Penalties.
1. If found guilty, the accused will be subject to such penalty as the Hearing Committee, or other individuals with authority to assess penalties may determine, including but not limited to the following. The penalties set forth below will be published in EQUESTRIAN magazine.
   a. CENSURE. A vote of Censure will be listed under the defendant’s name in the Secretary’s Record of Penalties. If found guilty of a further violation the defendant will be subject to a heavier penalty than for a first offense.
   b. SUSPENSION of such person for any period from showing or having others show, exhibit or train for him or her.
      (1) A suspended person is forbidden for the time specified in the decision from the privilege of taking any part whatsoever in any Competition licensed or endorsed by

c. SUSPENSION for any period of the horse or horses, owned by him or her, or shown in any name or for his, her, or their credit or reputation, whether such interest was held at the time of the alleged violation or acquired thereafter. The Executive Committee or the Hearing Committee may at a later date remove the suspension of said horse or horses if it is demonstrated to their satisfaction that a sale or transfer thereof was made by such person, partnership, or corporation in such as to be a bona fide transaction and not with the intention of relieving the suspended owner of penalty. GR704 Regulations as to Suspended Persons.

1. The purpose of this Rule shall be to prevent the avoidance by suspended exhibitors, trainers, coaches and other persons of the terms and conditions of their suspensions, or the penalties intended by the Hearing Committee as appurtenant to such suspensions. This Rule shall apply to the spouse of a suspended person as well as to any other persons or entities, including, without limitation, companions, family members, employers, employees, agents, partnerships, partners, corporations or other entities, whose relationship, whether financial or otherwise, with a suspended person would give the appearance that such other persons are riding, exhibiting, coaching or training for the benefit, credit, reputation or satisfaction of the suspended person.

2. No suspended person’s spouse or companion shall assume any of the suspended person’s responsibilities whatsoever at Federation competitions during the term of said suspension. Companion shall be defined as any person who co-habits with, or otherwise shares living accommodations with, a suspended person.

3. No suspended person’s spouse or companion may fill out any entry blanks for any of the suspended person’s customers for Federation competitions during the term of the suspended person’s suspension, or pay or advance entry fees on behalf of customers for Federation competitions during said period.

4. Any person who assumes the responsibility for the care, custody or control of an unsuspended horse completely or in part owned, leased, trained by or coached by a suspended person, must not:

   a. Be paid a salary directly or indirectly by or on behalf of the suspended person; or
b. Receive a bonus or any other form of compensation in cash, property or other remuneration or consideration such as to make up for any such lost salary; or

c. Make any payments of any kind, or give any remuneration or other compensation or consideration, to the suspended person, his/her spouse or companion, any corporation, partnership or other entity owned or controlled by said suspended person or to any other person for transfer to any of said individuals or entities for the right to ride, exhibit, coach or train for the suspended person or any of the suspended person's customers during Federation Licensed Competitions; or

d. Use the farm or individual name of the suspended person.

5. An individual who takes over the horses of a suspended trainer or coach must:

f. If such individual makes use of any equipment of a suspended trainer, the use of said equipment must be enumerated in detail in a written lease, the form and substance of which must be satisfactory to counsel for the Federation and shall be at the fair rental value for said equipment and said price must be included in said agreement;

g. File such federal and state tax returns as will reflect as his or her income the income from said training or coaching responsibilities at Federation Licensed Competitions;

h. Not borrow funds from a suspended trainer or coach, his/her spouse or companion, their families, corporations, partnerships or any other entities owned or controlled by said suspended trainer or to any other person for the purpose of going into business for himself or herself at Federation Licensed Competitions during the period of said suspension, nor will he/she allow any of the above-named parties or entities to sign or guarantee any notes or any type of loans to enable him or her to go into business as described above.

6. Suspended trainers and coaches, and individuals taking over the horses or customers of a suspended trainer or coach may be requested to make their books, canceled checks, invoices, tax returns and other evidence available to Federation representatives to verify and affirm the details of any relationship between them and suspended trainer or coach.

7. This Rule is intended to provide guidance for suspended persons and anyone contemplating taking over the responsibility for the riding, exhibiting, coaching, or training, of an unsuspended horse from a suspended person. It is not intended to anticipate every potential circumstance in which the intent of a suspension may be frustrated, and the Hearing Committee shall have the power to determine whether the facts and circumstances peculiar to any particular case compel a finding that there was or is a violation of the rules prohibiting exhibiting any horse while in the care, training or custody of a suspended trainer, or riding, exhibiting, coaching or training for the benefit, credit, reputation or satisfaction of a suspended person (see GR702h and i).

However, any such complaint or objection must be raised pursuant to applicable rules or regulations for the event and in a timely manner or they are deemed waived. This Rule is intended to set parameters to allow a Veterinary Judge, Steward, Ground Juror and Technical Delegate to perform his/her duties at rides and should be construed in all cases to provide that flexibility.

Exhibitors must furnish their own poles and no other object may be manually employed.

3. Manual poling is permitted at a vertical fence only but a bamboo pole may be used as an off-set bar at either a vertical or spread fence. An off-set bamboo pole is one which is placed at any height behind or in front of the elements of the obstacle itself instead of being placed in the same vertical plane or planes. The length of the “off-set” bamboo pole may not exceed the length of the obstacle's rails. No other form of off-set or false ground line (ground line cannot be behind the vertical plane of the face of the fence or more than 3 feet in front, any trotting rail or placement pole may not be less than 8’ to fence) is permitted. The spread fence must be jumped in the right direction.

If the competition in question is on borrowed horses, the Credentials Committee will consider the experience the applicant has had in riding and competing on various horses. For endurance, jumping and vaulting, please refer to each discipline’s criteria for procedures in selecting riders in the event of an oversubscription. Individuals wishing to compete in foreign international competitions who have not met the established criteria to compete in foreign FEI competitions may apply for a waiver, for which the fee is $200. 7. Any person whose application for amateur status or its renewal has been denied by the Federation may request a hearing by the Hearing Committee or by such individual or committee as it may designate to review said decision. The request must be in writing and mailed to the Hearing Committee within ten (10) days from receipt of the decision sought to be reviewed and accompanied by $150.

    a. The hearing shall be after ten days notice to all parties concerned. The notice shall contain a brief statement of the facts reporting the position of the Federation and shall specify the time and place at which the hearing is to be held. The person requesting said hearing may attend and bring witnesses, sworn statements or other evidence on his or her behalf. Upon the written request of a representative of the Federation or of the person requesting the hearing, there shall be furnished before said hearing any evidence to be introduced, the names of witnesses and the substance of their testimony.

    b. The decision of the Hearing Committee or the person or committee designated to preside at said hearing shall be final.

    c. Protests or charges brought in connection with a person’s amateur status shall be handled in accordance with the provisions of Chapter 6.
The trainer may be subject to disciplinary action if an exhibitor who shows as an amateur is protested, and that protest is sustained by the Hearing Committee, and it is determined that the trainer had knowledge of their professional activities. (See GR142.)

GR810 Professional Status.
1. A person who engages in the activities described in GR808 is considered a professional for all competitions conducted under Federation rules.
2. A professional continues to be such until he/she has received amateur status by a vote of the Hearing Committee. Any professional who wishes to be re-classified as an amateur on the grounds that he/she no longer engages in the activities which made him/her a professional must notify the Federation in writing.
   a. Such person shall submit to the Hearing Committee an amateur application supported by a notarized letter signed by him or her outlining the horse related activities which made said person a professional and the time frame in which they were performed, two or more notarized letters from Federation members outlining the applicant’s activities for the one year period preceding such written notification and testifying that the applicant has not engaged in any activities which would make him/her a professional as outlined in GR808 during that time period. The burden of proof of proving amateur status is on the applicant. A processing fee of $50 must accompany the request for reinstatement. The Committee which considered the application may call for and/or consider any and all further evidence and facts which it deems pertinent. The decision of the Hearing Committee on the application shall be final.
   b. Any changes of status from professional to amateur, or vice versa, shall be published in EQUESTRIAN.
3. Any person who under these rules is a professional and knowingly and falsely represents himself/herself to be an amateur by declaring or maintaining current amateur certification issued by the Federation, and any person who violates any of the provisions of this rule will be subject to disciplinary action under Chapter 7.
4. An exhibitor who engages a person to ride, drive or show in halter in any amateur class and then remunerates such person above and beyond the extent to which such amateur is entitled as provided above in GR808.2.d. will be subject to disciplinary action under Chapter 7.
5. Please contact the Federation office for information regarding International Professional Licenses.

SUBCHAPTER 8-D HORSE IDENTIFICATION, REGISTRATIONS, AND DOCUMENTS

GR811 Horse Identification Number and Horse Identification Form.
1. All horses competing in Federation licensed competitions (except those activities enumerated in GR1401.9, items 1-9) must be properly identified and must obtain a Horse ID Number from The Federation. An identification number for each horse must be entered on all entry forms for licensed competitions. Only one Horse ID Number will be issued per horse, and must remain with the horse throughout its career. Anyone knowingly applying for a duplicate Horse ID Number for an individual horse may be subject to disciplinary action. The Federation must be notified of any change of ownership and/or competition name of the horse. Owners are requested to notify the Federation of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.
2. Horse ID numbers can be upgraded to Federation life recording numbers and the number will remain the same throughout the horse’s career.
3. Applications for Horse ID Numbers can be completed online at www.usef.org using the Horse application form. The Horse application form is also available from the Federation office, or it can be downloaded from the Federation website or from competition management. Competition management is responsible for notifying exhibitors of this requirement in their prize lists.
4. There will be no charge for Horse ID Numbers that are issued via the internet to members of USEF or its affiliates for: 1) horses that are life recorded, registered or otherwise identified or listed with a USEF discipline affiliate, or 2) horses registered with a USEF breed affiliate. Horses not meeting the above criteria must have a completed USEF Horse application indicating on the application the request for a Horse ID before a number
will be issued. This form can be completed on the internet, free of charge, at www.usef.org or via mail for a fee. Horse ID Numbers using the paper format of the Horse application will be charged a $10 non-refundable fee. BOD 1/14/07 Effective 4/1/07

GR812 Horse Recordings.

1. The Federation maintains the only official record of winnings of horses at all Regular Competitions. To keep these records consistent, a horse should be recorded with the Federation in the same name of horse and owner under which it is exhibited at competitions. The Federation’s horse recording records are not a title registry and the Federation does not decide, otherwise resolve, or become involved in ownership disputes.

2. Horses must be recorded in order to be eligible for National, Regional, or Zone Horse of the Year Awards. See GR902.

3. Horses must be recorded with the Federation in order to be eligible to compete in Jumper classes offering prize money at competitions which offer $2,500 or more in the Jumper division, except where prohibited by state or local law.

4. Horses must be recorded in order to be eligible to compete in USEF/USDF qualifying classes for dressage championships and will not be credited with qualifying for the Regional Finals for Dressage Championships until they are recorded in the name of the current owner or lessee of record and unless they are entered in qualifying classes under their official recorded names and ownership. The responsibility for such recording rests entirely with the exhibitor.

5. Horses competing in divisions restricted to a particular breed may be recorded with the Federation under any name but if registered in a Breed Registry, the registered name must also be given.

6. Horse recording applications are available from the Federation office. The recording fee for the life of a horse is $35 if applied for from birth to December 31st of year foaled; $85 for horses one year of age (if applied for from January 1 to December 31 of the first year after foaling); $160 for horses two years of age (if applied for from January 1 to December 31 of the second year after foaling); $200 for horses three years of age or older. Horses may be recorded annually for a fee of $75. Exception: Horses must be recorded for life to be eligible to receive FEI or National Passports. To qualify for the age discount, registration papers and/or other proof of age must be provided.

7. A duplicate annual card or a duplicate life certificate will be issued for a fee of $10.

8. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal’s breed registration papers or a signed statement from a veterinarian certifying the animal’s age.

GR813 Transfer of Ownership.

1. Ownership of a Federation recorded horse may be transferred during the year without affecting the animal’s points provided proper authorization and fee are received by the Federation office. Authorization for transfer of ownership of a horse holding a lifetime recording with the Federation may be submitted in the form of the original Federation recording certificate or a proper bill of sale. Authorization must be signed by the previously recorded owner(s). Authorization for transfer of ownership of a horse holding an annual recording may be submitted in the form of a bill of sale signed by the previously recorded owner(s). If these documents are unavailable, a Federation transfer affidavit may be obtained from the Federation office which must be completed, signed, notarized and returned to the Federation office with proof of ownership. The fee for transfer of ownership is $60. A horse will not be eligible to receive points under its new ownership until the conditions of GR902 and GR903 are met.

2. Authorization for transfer of ownership of a horse or pony that is or has been in possession of a Federation measurement card may be submitted in the form of a bill of sale signed by the previous owner or a copy of breed registration papers issued to the new owner. There is no fee to transfer ownership of a horse or pony possessing only a Federation measurement card.

3. Authorization for transfer of ownership within a family (as defined in GR122) may be submitted in writing and signed by the previous owner(s) and the new owner(s). There is no fee to transfer a horse/pony within a family.
GR814  FEI Horse Passports.

1. Horses must be life recorded with the Federation. To be listed in the passport, the owner(s) of the horse must be active member(s) of the Federation. The passport application must be submitted by the recorded owner (agent’s signature is not acceptable) for a specific horse.

2. FEI passports are issued for a $300 fee which must accompany an application that can be found on the Federation website or obtained from the Federation office. The horse’s name on the passport must match its life recording with the Federation exactly.

3. Group-rate passports are available for Pairs and Teams of driving horses as follows:
   a. For Pairs of two, three, or four horses and Teams of four, five, or six horses (all horses with the same owner), the first FEI Horse passport is issued for $300 and each additional FEI Horse passport (up to six) is issued for 50% of the cost of the initial passport (i.e., $150). To qualify for this group rate, the passport applications for all horses in the Pair or Team must be submitted (by the owner) simultaneously and clearly marked “Driving Pair / Horses” or “Driving Team / Horses.”
   b. If an existing Pair or Team has FEI Horse passports and a horse is replaced, the new horse will be issued an FEI Horse Passport at the usual individual rate of $300 (see also GR814.5 and GR814.6).

4. Group-rate passports are available for Pairs and Teams of driving ponies as follows:
   a. For Pairs of two, three, or four ponies and Teams of four, five, or six ponies (all ponies with the same owner), the first FEI Pony Passport is issued for $60 and each additional FEI Pony Passport (up to six) is issued for 50% of the cost of the initial passport (i.e., $30). To qualify for this group rate, the passport applications for all ponies in the Pair or Team must be submitted (by the owner) simultaneously and clearly marked “Driving Pair / Ponies” or “Driving Team / Ponies.”

5. In accordance with GR813 and GR817, any change of the horse’s name ($800), or ownership ($30) must be recorded with and the passport sent in to the Federation for processing.

6. Passports in need of change of ownership or nationality must be submitted to the Federation with a fee of $30. The horse must be recorded with the National Federation of the new owner.

7. All passports sent to the Federation for processing will be reviewed for compliance with current FEI regulations including those for Equine Influenza.

8. Passports must be revalidated every four years ($175). Applications are available on the Federation website or obtained from the Federation office.

9. Duplicate passports may be issued for lost ($300) or filled ($100) passports. The request for a duplicate passport must be signed by the owner of record, and in the case the passport is filled, the old passport must accompany the letter of request.

GR815  National Passports.

1. Federation National Passports are issued for a fee of $50 to Federation recorded horses and may be presented in lieu of FEI Passports only at those competitions for which approval of Federation National Passports has been granted by the FEI.

2. Application must be made in writing by the owner (agent’s signature is not acceptable) and must be accompanied by the $50 fee.

5. National Passports may be upgraded to the FEI Passport for a fee of $250. An upgrade application must be submitted under the owner’s signature (agent’s signature is not acceptable) accompanied by the $250 fee and the National Passport.
GR816 Exhibitor Registration.

1. Entries may be made in a name other than that of an individual for Horse of the Year Awards, provided such name (Stable/Farm, Corporation, etc.) is registered with the Federation. Duplication of farm names is discouraged but not prohibited. Horses shown under a partnership, i.e., Smith & Smith, Jones & Jones, must be duly registered. All applications for registration must be signed by each of the bona fide owners. The fee for each registration will be $200.

2. In order for points to count toward Federation Horse of the Year Awards, at least one owner, recorded as such with the Federation, must be a Federation Senior Active, Junior Active, or Life Member.

3. Additional owners (including members of the family of the owner) may be included at no extra fee. Authorization to include additional owners must be made in writing and must be signed by each bona fide owner and will be effective the day such authorization is received in the Federation office.

1. The recorded name of a horse competing in divisions that do not require breed registration may be changed by submission of the original certificate to the Federation office accompanied by the fee of $60.

2. The registered name of an exhibitor may be changed by submitting the original certificate to the Federation office accompanied by the fee of $50. The recorded name of a farm, corporation, syndicate, or partnership may be changed by submitting the original certificate to the Federation office accompanied by the fee of $50.

3. All name changes officially recorded with the Federation will be listed in EQUESTRIAN.

GR818 Lease Registration.

A recorded horse must be shown under a lessee’s ownership provided an official lease is registered with the Federation. For points to count with respect to any competition, such agreement and fees must be received by the Federation office on or before the first day of such competition. The lessee becomes the bona fide owner of the horse for the period of the lease (except for Owner classes) for Federation award purposes. The horse must be entered in the ownership of the lessee and must be shown in accordance with GR902. To be official, a certified copy of a lease or a lease registration form must be registered with the Federation and accompanied by a fee of $60. The lease must contain a start and end date and be signed by the lessee and the lessor. If a lease is not renewed within 30 days of its expiration, a later renewal will require a $60 fee. The lease will then be effective the day the renewal is received by our office. A written statement of termination must be submitted signed by the lessee and the lessor if the lease is terminated before the end date stated in the lease agreement. The Federation does not accept agent signatures.

GR819 Dispensations.

1. Dispensation Certificate. An individual with a diagnosed permanent physical disability will apply for a dispensation certificate from the Adaptive Sports Committee. Upon the committee’s approval, a dispensation certificate will be issued by the Federation. The Dispensation Certificate will list all compensatory aids and adaptive equipment allowed the individual while competing. Other compensatory aids or special equipment not specifically listed on the certificate are not allowed. A copy of this certificate must be included with the individual's entry. The competition manager will include a copy attached to all applicable scoring sheets for the judge's reference. For instructions on how to apply for the Certificate please refer to GR821. Also see GR824 for definitions of terms used in this section.

2. Presidential Dispensation. In circumstances that fall outside of the dispensation program, a Presidential Modification may be considered. Please refer to GR343 and Bylaw 332.1.e. EC 7/16/07 Effective immediately

GR820 Para Equestrian Eligibility/Classification.

In order for an individual to compete in USEF licensed Para Equestrian Competitions he/she must have a diagnosed, permanent physical disability as determined by the USEF Para Equestrian Classification System. The individual will be Para Equestrian eligible (PE eligible), possess a USEF classification card for up to National level competition (USEF
PE), or possess and FEI PE Card for Qualifying and International level competition. See GR140 for the definition of Para Equestrian and GR824 for additional definitions).

EC 7/16/07 Effective immediately

GR821 Applying for a Dispensation Certificate.

1. Applications for a dispensation Certificate are obtained from the Federation (via the USEF website or the USEF office) and are reviewed on a continuing basis throughout the year. Applications are submitted with supporting medical evidence to the Adaptive Sports Committee. The Adaptive Sports Committee may request additional supporting evidence from the individual regarding their medical status or regarding the aid/equipment they are requesting dispensation for. The Adaptive Sports Committee will render an opinion (approval of all or some of the aids requested or denial of the dispensation) and the individual will be notified by the USEF in a timely manner.

a. The Dispensation Certificate will be issued annually upon re-application, and remains in effect until the end of the competition year or until he/she receives a change in status from the Federation, whichever is earlier. Any individual who wishes to make changes to his/her certificate must notify the Federation in writing. Certification is revocable at any time for cause.

b. Applications should be submitted in order to allow 30 days for the committee to render a decision regarding the dispensation status.

c. There is no fee for a Dispensation Certificate.

d. The individual must be a member in good standing with the USEF.

EC 7/16/07 Effective immediately

GR822 Applying for Para Equestrian (PE) Classification.

1. The individual will request classification from the USEF. Applications may be found on the USEF website or at the USEF office. Once the USEF office receives the application, they will contact the USEF classification coordinator.

a. Until such time that the classification is scheduled, the individual will be considered Para Equestrian Eligible (PE Eligible) as determined by the USEF classification coordinator.

b. PE Eligible individuals may participate in competition using the self-classification system for local and regional competitions.

2. The USEF classification coordinator will assist in scheduling a classification with one of the USEF Classifiers. There is no fee for the classification, though if the individual requests a classification to be scheduled at their convenience, all expenses for the classifier will be paid for by the individual.

3. The classification will result in a Profile and a Grade based on the FEI Profile system (see GR824). The Profile will remain with the individual for as long as their physical disability remains constant with no need for re-classification. If the individual has a fluctuating medical condition or if his/her function changes, the profile may change with future re-classifications. The Grade will be based on the specific discipline. (see definitions, GR824)

4. Upon classification, the USEF will issue a USEF Classification Card. This card will outline the individual’s profile and grade, indicate any compensating aids/adaptive equipment that may be used in USEF PE competition and the expiration date of the classification.

5. For USEF licensed PE competitions, the individual will send in a copy of their Card with their competition entry. The individual will also be responsible for carrying their card throughout the show for review by the TD or Steward as necessary.

6. When change in status occurs (i.e. change of compensating aids/adaptive equipment), written request for a change will be submitted to the USEF office.

7. The USEF Classifier will determine the renewal period for classification. For those with disabilities with no expected change in functional status, the classification will have no expiration. For those with fluctuating conditions or conditions expected to change, either by deterioration or improvement there will be indicated on the card an expiration and expected time for re-classification. It is the individual’s responsibility to apply for re-classification through the USEF at least 45 days and at most 90 days prior to the expiration date. It is also the individual’s responsibility to apply for re-classification if a major change in status
(i.e. resulting from a surgery or therapy which causes significant functional improvement) occurs.

8. Upon receipt of an FEI PE Card for Qualifying and International competition, the FEI card will take the place of a USEF PE Classification Card and may be used for USEF licensed PE competitions.

9. Classification status can be challenged by a USEF PE competition official, competitor or trainer with the potential for re-classification occurring at that event.

EC 7/16/07 Effective immediately

GR823 Hearings/Protests.

1. Any individual whose application for a Dispensation Certificate, or Para Equestrian Classification has been denied may request a hearing by the Hearing Committee (see Bylaw 502.13) or by such individual or committee as it may designate to review said decision. The request must be in writing and mailed to the Hearing Committee within ten (10) days from receipt of the decision sought to be reviewed.
   a. The hearing shall be after ten (10) days notice to all parties concerned. The notice shall contain a brief statement of the facts reporting the position of the Federation and shall specify the time and place at which the hearing is to be held. The person requesting said hearing may attend and bring witnesses, sworn statements or other evidence on his or her behalf. Upon the written request of a representative of the Federation or of the person requesting the hearing, there shall be furnished before said hearing any evidence to be introduced, the names of witnesses and the substance of their testimony.
   b. The decision of the Hearing Committee or the person or committee designated to preside at said hearing shall be final.
   c. Protests or charges brought in connection with an individual’s Dispensation Certificate status or Para Equestrian Classification status shall be handled in accordance with the provisions of Chapter 6. EC 7/16/07 Effective immediately

GR824 Definition of Terms.

1. Diagnosed permanent physical disability - An individual with a medical condition resulting in functional limitations affecting their ability to participate in equestrian sport and diagnosed by a medical doctor. The condition is not reasonably expected to improve and may, in fact, be one that worsens over time. The condition should be easily objectively measurable in scope, either by physical examination by a medical professional or with medical testing. An example may include a limb amputation, paralysis, weakness due to a neuromuscular condition or hearing or vision loss.

2. Compensating aid and/or adaptive equipment - Allowance for an alteration in performance, an alteration of dress or alternate piece of equipment which allows the individual with a disability to perform the requirements of the competition. The aid or equipment assists in equalizing the functional ability of the individual and should not give the individual an undue advantage. The aid/equipment must be deemed safe for the competitor and the horse and is subject to review by the TD and/or judge at each event. Examples:
   a. Saluting with the nod of the head only when taking a hand off of the reins would be unsafe.
   b. Use of paddock boots and smooth leather half chaps rather than tall boots if wearing tall boots is unsafe for a rider with leg dysfunction.
   c. Allowance to not wear gloves for the individual with abnormal sensation in the hands.
   d. Use of 1 or 2 whips to cue the horse for an individual with impaired use of his/her legs.
   e. Use of a golf cart to survey a course prior to driving for the individual who is unable to walk.
   f. Use of quick release equipment for carriage driving.
   For additional examples, please see USEF booklet entitled, Guidelines for USEF Dispensation and USEF Classification Systems found on the USEF website.

3. Dispensation
   a. Dispensation Program - The Federation encourages competition amongst all individuals, including those with a diagnosed permanent physical disability. For those
individuals wishing to compete in Federation licensed dressage or driving competitions and require compensating aids and/or adaptive equipment to do so, a dispensation may be granted. The purpose of the dispensation is to aid those with limited function by allowing the use of aids/equipment which will result in more equal function. These aids/equipment should not give the individual with a disability an advantage over his/her competitors.

b. Adaptive Sports Committee: An interdisciplinary group representing the equestrian disciplines, the medical field, competitors, and the USEF who is charged with the review and/or approval of dispensation applications. (Bylaw 503.3)

4. Para Equestrian (PE)
   a. USEF Para Equestrian (PE) Classification System - The USEF has chosen to adopt the FEI Profile System for classification for individuals with disabilities. This system provides a means to assess an individual's functional abilities and impairments to determine which Grade they will compete in amongst individuals with similar levels of function. There is a minimal level of impairment required in order to qualify for the FEI Profile System. In the system, an individual with a permanent measurable physical disability is assessed by a USEF or FEI approved classifier. As a result of the assessment, the classifier will determine eligibility and then assign the individual a Profile. The Profiles are grouped into Grades based on the discipline in which the individual will be competing. For example, an individual who has minor impairment of the Left arm and leg after a stroke would likely be given a Profile 15. If they compete in dressage, they would compete in Grade III. If they choose to compete in Carriage Driving, they would compete as a Grade II.
   b. FEI Profile System - Amongst individuals with disabilities, there are many different types of impairments. To provide meaningful competition for these individuals it is necessary that those of similar levels of impairment compete together. The “Profile System” fulfills this criterion. It is a System of tests administered by trained and certified Physical Therapists or Physicians. It is based on the classification systems used in other sports for individuals with disabilities and has been tested for reliability and validity in its application in equestrian sport.

5. Profile - an individual is given one of 42 profiles based on their level of function as assessed by a USEF or FEI Classifier. The Profiles are versatile but tight, easy to use and understand. The locomotor Profiles are not disability (diagnosis) specific, but are based on the ability of the functioning part(s) of the body. The Profile is considered permanent except in the case of a diagnosis that has a reasonable expectation of change, such as with progressive Multiple Sclerosis.

6. Grade - the grouping of profiles within a discipline. In Dressage, there are 5 grades (Ia, Ib, II, III, and IV). In Carriage Driving there are 2 Grades (I and II). A Grade is made up of several profiles, grouping Para Equestrians of similar level of function. The lower number Grades (i.e. Grade I) is made up of Para Equestrians with a more significant level of impairment, whereas the higher number Grades (i.e. IV) identify those Para Equestrians with a lesser impairment. The Grade determines which tests a rider rides and against whom the Para Equestrian will be competing. In National and International competition, medals/placement is awarded in each Grade.

7. Para Equestrian (PE) Eligible - an individual with a permanent measurable physical disability who has entered into the classification process but has not yet been classified by a USEF or FEI Classifier. The USEF Classification Coordinator will determine PE Eligible status. This individual may compete in Para Equestrian classes at the local or regional level, but may not medal.

8. USEF Para Equestrian (USEF PE) - a classified Para Equestrian carrying a USEF Classification card indicating their Profile, Grade, and compensating aids/adaptive equipment. These individuals may compete up to the National level of USEF licensed PE competitions.

9. FEI Para Equestrian (FEI PE) - a Para Equestrian carrying an FEI Classification Card indicating their Profile, Grade and compensating aids/adaptive equipment. This individual may compete Nationally and in Qualifying trials. To achieve this classification, the individual will need a classification by two FEI Classifiers, at least one from outside of their home country. There is a fee to the FEI for application and renewal for the FEI PE Classification Card. Individuals must request renewals through the National Federation.
10. USEF Classifier - a Physical Therapist or Physician who has been trained and certified by the USEF to classify individuals using the FEI Profile System. A USEF Classifier may classify Para Equestrians up through a National level competition.

11. FEI Classifier - a Physical Therapist or Physician who has been trained and certified by the FEI to classify Para Equestrians using the FEI Profile System. An FEI classifier may classify Para Equestrians through to the International level (i.e. Paralympics and World Games). FEI Classifiers are designated as 'I' (International) or 'O' (Paralympic and World Games).

12. USEF Classification Coordinator - the lead USEF Classifier responsible for assisting individuals through the classification process and establishing PE Eligible status.

13. Para Equestrian (PE) Self-classification - When it is difficult due to logistics to complete a classification by a USEF or FEI Classifier, an individual may choose to classify themselves based on the USEF Classification System. Using the stick figures and definitions for trainers, a profile will be determined. (See Guidelines for USEF Dispensation and USEF Classification Systems.) This will in turn determine a Grade depending on the individual’s particular discipline. The self-classification is a means to begin competition based on the individual’s self evaluation of their level of function. This will be allowed for local or regional USEF licensed competition only. At this status, an individual may compete at a Grade lower than their functional status determines. Once National competition is attempted, an official classification must be completed.

14. Classification Card - The card issued to a Para Equestrian indicating the Para Equestrian’s Profile, Grade, Compensating Aids/Adaptive Equipment and expiration of the classification. USEF issues the USEF Classification Card and the FEI issues the FEI PE Classification Card.
The Federation offers annual Horse of the Year Awards on a national, district, regional and zone level, in numerous divisions. The purpose of these awards is to encourage participation at Federation Licensed Competitions. In making the awards the Federation in no way implies that the winners are the best in their respective divisions (although they may well be) but certifies that these animals are properly recorded for competition purposes, are exhibited by the recorded owner, who must be a Federation Member, and acquired the greatest number of points during a given year.

**SUBCHAPTER 9-B ELIGIBILITY.**

**GR902 General.**

1. Points toward any Horse of the Year Award will not be credited until the applications and fees for the horse’s recording, exhibitor’s registration, transfer of ownership, name change or addition of owner(s) and owner’s Senior Active, Junior Active or Life membership are received by the Federation office. Exception: Applications for Federation Individual Membership and Horse Recordings submitted at Licensed Competitions:
   a. For Dressage Competitions, reference Bylaw 223, Section 1:
      (1) Applications are considered effective on the date the application and dues are received by the Competition Secretary provided the application is signed and dated by the Competition Secretary and the Competition DTD on that same day.
      (2) Applications completed online at the competition are effective the date the application is submitted.
   b. For all Competitions other than Dressage Competitions, reference Bylaw 221, Section 1:
      (1) Applications are considered effective, for points and eligibility to compete only, on the start date of said Competition provided the application and dues are received by the Competition Secretary and the application is signed and dated by the Competition Secretary and the Competition Steward/TD during the period of the Competition.
      (2) Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.

2. For points to count with respect to any competition, the required materials and fees must be received by the Federation office (or by the Competition Secretary - see below) on or before the first licensed day of such competition. Exception: Applications for Federation Individual Membership and Horse Recordings submitted at Licensed Competitions:
   a. For Dressage Competitions, reference Bylaw 223, Section 1:
      (1) Applications are considered effective on the date the application and dues are received by the Competition Secretary provided the application is signed and dated by the Competition Secretary and the Competition DTD on that same day.
      (2) Applications completed online at the competition are effective the date the application is submitted.
   b. For all Competitions other than Dressage Competitions, reference Bylaw 221, Section 1:
      (1) Applications are considered effective, for points and eligibility to compete only, on the start date of said Competition provided the application and dues are received by the Competition Secretary and the application is signed and dated by the Competition Secretary and the Competition Steward/TD during the period of the Competition.
      (2) Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.

3. A horse must be recorded with the Federation, and the name of at least one individual appearing on the horse recording certificate as owner must be that of an Senior Active,
Junior Active or Life Member in good standing. If the recorded owner is a farm/stable, corporation or any name other than that of a person, refer to GR816. For the purposes of accruing Federation points, the horse must be entered and shown in the ownership of an individual or entity, including a member of the owner’s family, who is included on the Federation horse recording certificate. Effective date of ownership is the day written authorization is received by the Federation office.

4. If the owner, rider, animal, and trainer are all in good standing and an error occurs on the entry blank (i.e. the wrong USEF number is written, the old owner is written in error, the correct number but incorrect spelling is written, etc.), HOTY points may be awarded after review by the Federation. BOD 1/15/06 Effective 12/1/06

5. No points can be credited toward an award unless the Federation recorded name and Horse Recording number of the horse and the Federation recorded owner or lessee’s name and membership number appears in the competition’s records (i.e., result sheets or catalogue) as exhibited in the name of the Federation recorded owner or, if the horse is leased, under the ownership of the lessee as required under GR818.

6. Failure to comply with the rules respecting eligibility for points will result in points not counting for Federation purposes and awards. Points standings are available on the Federation website, www.usef.org, and it is the responsibility of exhibitors to check standings and call to the Federation’s attention any omissions or inaccuracies. As a service to members the Federation may from time to time advise exhibitors when points are not able to be counted, but the responsibility for checking standings and ensuring that eligibility requirements are met remains solely with the exhibitors.

GR903 National, District, Regional and Zone Awards.

1. All horses are eligible for National Awards, as long as all requirements of GR902 are met. See GR914-GR931 for specific classes and divisions offered at the National level. Horses are eligible for District Awards only within the home district of the entry’s recorded owner(s). District awards are offered in the following breed/discipline: National Show Horse. For purposes of distributing District Awards, refer to the District map.

2. In the Arabian, Half/Anglo Arabian, Andalusian/Lusitano and Morgan divisions, horses are eligible for Regional Awards in any region they compete. (Points will be awarded in the qualifying region stated in the prize list regardless of the owner’s home region). Exception: In the Andalusian division, any points won at Nationals will count solely towards National Awards and not towards any Regional awards. In the Hackney, Roadster, and Saddlebred divisions, points won at competitions in states contiguous to an exhibitor’s home region, or in Canada if contiguous to an exhibitor’s home region, will count in addition to any points won in an exhibitor’s home region. BOD 1/1/4/07 Effective 12/1/06

3. For purposes of distributing Regional Awards for the Andalusian/Lusitano and Western divisions, refer to the Regional map in GR915. For Arabian and Half/Anglo Arabian divisions, refer to Regional map in GR916. For Hackney and Roadster divisions, refer to Hackney Regional map in GR920. For the Morgan division, refer to Morgan Regional map in GR924. For the Saddlebred division refer to Saddlebred Regional map in GR929.

4. Horses are eligible for Zone Awards only within the home zone of the entry’s recorded owner(s). However, points won at competitions in states contiguous to an exhibitor’s home zone, or in Canadian provinces if contiguous to an exhibitor’s home zone, will also count if the state or Canadian province has been designated as provided below.

   a. Zone awards are offered in the following breeds/disciplines: Hunters, Jumpers, and Welsh Pony. For Hunter and Jumper divisions for which zone awards are offered, each zone committee may designate one or more states and/or Canadian provinces contiguous to its zone in which to compete for zone points. For purposes of this rule as applied to hunter/jumper zone awards, the state of New Jersey which is a state landlocked within the zone will be treated as a part of either New York or Pennsylvania. Therefore if Zone 1 chooses New York as one of its contiguous states, New Jersey is also included. If Zone 3 chooses Pennsylvania as one of its contiguous states, New Jersey is also included.

   b. Zone committees, the National Western Committee, and the Welsh Pony Committee must submit their designation of contiguous state(s) and/or Canadian provinces by August 1 annually, to be in effect for the next competition year. If no designation of contiguous states and/or Canadian provinces is submitted, it defaults to the previous year’s policy.

GR96 © USEF 2007
5. For purposes of distributing Zone Awards, refer to Zone map.

6. An owner’s residence at the time he applies for or renews his membership will be maintained throughout the competition year and is considered his home district, region or zone for the purposes of counting points. For a Life Member, his residence on December 1st will be used for this purpose. If the recorded owner moves his residence during the year to a new district, region or zone, points can be accumulated in the new location provided the owner declares in writing to the Federation that the new district, region or zone will be his home district, region or zone. The declaration must be received by the Federation office on or before the first licensed day of a competition for points to be counted for that competition. See also JP101. BOD 1/14/07 Effective 4/1/07

7. If the recorded ownership of the horse is transferred, valid points earned by the previously recorded owner will be retained in his home district, region or zone. Points are not transferable from one district, region, or zone to another.

8. Horses showing under multiple ownership involving more than one district, region or zone must have one home district, region or zone declared for the purpose of these Awards. This declaration must be made in writing to the Federation office by March 1st of the current year or within 30 days of receipt of horse recording application and must be signed by each bona fide owner. Effective date of declaration is the day the written authorization is received by the Federation office and for points to count, the declaration must be received by the Federation office on or before the first day of the competition. If only one owner is a Federation Member in good standing, this person’s residency will automatically become the entry’s home district, region or zone.

9. If the horse is recorded under the ownership of a registered farm, the residence of the farm’s owner is the entry’s home district, region or zone. If the owners of a farm reside in different districts, regions or zones see paragraph 10 above.

10. Exception to GR903.8-903.11: Arabian, Half/Anglo Arabian Division and Andalusian/Lusitano Division; see GR903.2.

11. Responsibility in fulfilling the requirements of the above Rules rests entirely with the exhibitor. As the competition entry blank is generally the source of information required in GR902.4, care should be taken to fill out entry blanks correctly.

GR904 USEF Championships.

1. For rules governing the following Championships, see specific Rules as noted:
   a. Dressage Regional and National Championships: See DR127.
   d. Medal Championships: See EQ112, EQ118.9 and EQ124.

BOD 1/15/06 Effective 12/1/06
2. The Junior Jumper and the Amateur Owner Jumper winners will be those horses which earn the highest number of points based on a scale of one point for every dollar earned in their classification at Regular Competitions.
3. The Open Jumper Horse of the Year Award is based on money won in classes which comply with JP151.
4. Awards are made to the owner as shown in the Federation recording files, at the time the horse wins its last point in the competition. If the ownership of a horse is transferred, all district, region or zone points earned up to that date stand.

In cases which Juniors, Young Riders and Amateur Owners compete in a Combined class, prize money will be awarded in the horse’s respective section.
2. Where the term Championship is omitted from a class title, the class that is open to all horses in a division or section that has the required specifications will be counted as the Championship. When Championships are awarded on a point basis, only the Champion and Reserve will receive points for a Horse of the Year Award.
3. Only classes held in accordance with HU135 will count toward Ladies Side Saddle Hunter.

SUBCHAPTER 9-E FINALIZING RESULTS.

GR909 Tabulation of Points.
Scores of all horses will be kept in the Federation office. Results from Federation Licensed Competitions will furnish the sole basis upon which the scores are figured, and the Federation tally thus derived will be the final authority in determining winners. Although the Federation uses its best efforts to insure that the points as recorded by the Federation on its web site and elsewhere are accurate, the Federation assumes no liability to anyone for any errors or omissions whatsoever. Anyone who uses these points for Federation purposes or
for any other purpose is hereby notified that the Federation disclaims any and all liability
and responsibility, including for negligence, with respect to these point tabulations and
records.

GR910  Ties.
In the event of a tie, the Horse of the Year Award will be awarded to each competitor.

GR911  Disputes.
1. Points are final on December 15 (should the 15th fall on a weekend, the deadline will
be set for the following Monday) following each competition year or 15 days following the
end of the designated Zone competition year and in the Paso Fino Division points are final
on September 15 following the competition year and in the Arabian and Half/Anglo Arabian
Division, points are final on November 21 following the competition year.
2. Any participant wishing to dispute a tabulation or qualification or disqualification must
appeal the issue in writing specifying the reasons for disputing the tabulation or qualification
or disqualification (the “Dispute”). Said Dispute must be received by the Federation by
December 15 (should the 15th fall on a weekend, the deadline will be set for the following
Monday) following the competition year in question, except for the Paso Fino Division for
which the deadline is September 15, and the Arabian and Half/Anglo Arabian Division for
which the deadline is November 21. A Dispute must be accompanied by a fee of $100 which
is not refundable. Disputes will be referred to the CEO or Executive Director for a ruling in
the first instance, who will determine if the information which is provided in the Dispute is
sufficient to alter the tabulation or qualification or disqualification. If the participant is
dissatisfied with the CEO’s or Executive Director’s ruling, the participant may submit a
written request for an appeal. An appeal must be accompanied by a fee of $250, which will
be refunded if the appeal is upheld. Appeals will be referred to the Hearing Committee or a
special committee appointed by the President, whose decision is final.

SUBCHAPTER 9-F  AWARDS.

GR912  General.
1. Awards may be offered in any division or section recognized by the Federation. The
Executive Committee will determine those classifications in which awards will be offered
and should competition throughout the year in any way be so slight as not to warrant the
giving of an award, such award may be canceled.
2. Any requests for new awards to be added must be received in writing in the Federation
office by August 1 of the preceding year and approved by the appropriate committee.
3. Presentation of breed-specific awards will be made at venues most suitable to that
breed or may be awarded at the Federation Annual Meeting.

GR921 Hunter Divisions.

1. Eligibility. See GR902.
2. Point Tabulation. See GR905-GR911.
3. In the Hunter division, points are calculated according to the Increment system. In “C” and “B” rated sections, points are determined by the number of horses shown in the section; in “A” rated sections, points are determined by both the rating of the competition (based on scheduling restrictions of HU146) as well as the number of horses shown.

4. All Hunter competitions are required to offer the minimum number of classes and amounts of prize money listed in GR1302 for each approved Hunter section. If sections are canceled or entries are insufficient to award all prize money offered then only money offered to the number of places awarded must be distributed. (Exception: “AA” rated competitions must offer and award a minimum of $18,001 in the “A” rated Hunter sections. If sections are canceled or entries are insufficient to award all prize money, then additional money not awarded must be pooled and redistributed 60% to the champions, and 40% to the reserve champions of the remaining “A” rated hunter sections). All Hunter competitions must state their Increment rating clearly on the cover of the prize list. Prize money offered in Hunter Classics does not count as part of the required $18,001 in prize money that must be awarded in order to maintain an “AA” rating. An “A” rated Hunter competition’s rating may not be changed unless add-backs are offered and the competition awards a minimum of $18,001 as a result. An add-back is defined as a set amount of the entry fee as stated in the prize list which will be added to the prize money offered in the section. If an add-back is used, the minimum required prize money for that section must be guaranteed, and the add-backs must be clearly indicated on the cover of the prize list.

The greater of three or one-third of the members of the Committee shall constitute a quorum. The Committee will issue a judge’s card to each approved applicant. Cards are valid for the current competition year only.

GR1002 Applications.
1. The Committee will carefully review all applications, solicit confidential evaluations from the appropriate Zone and Discipline Committee members and others as it may elect as provided in GR1012.2, including names furnished by the applicant, and consider returned questionnaires, competition reports, any letters received regarding the applicant and other relevant information submitted to the Committee. All such submissions shall be strictly confidential, shall not be subject to examination by the applicant, and shall be made available only to Committee members and staff. All applicants specifically waive their rights to examine such submissions. The Committee may in its discretion revoke a current license or refuse to renew a judge’s card at its expiration following a hearing on at least ten days written notice to the official in question who shall have the right to appear, to be represented, and to bring witnesses. Upon revocation or denial of any application or renewal, the Committee shall issue its written ruling upon the revocation or application specifying the substance of the Committee’s reasons for said revocation or denial, and in the case of a denial, without breaching the confidentiality of any of the foregoing submissions.

3. All applications whether for initial enrollment, renewal, promotion, or for change of status or recommendation to the FEI shall contain a statement to be signed by the applicant, indicating that the applicant waives his/her right to review confidential submissions and the file, and has read and understands the rules governing the application process, and agrees to be bound thereby.

Any person whose application for enrollment, renewal, promotion or change of status or for recommendation to the FEI has been denied may request a review by the Licensed Officials’ Committee to reconsider the decision. The request must be in writing and mailed to the Licensed Officials’ Committee within 30 days from receipt of the written ruling of the Committee sought to be reconsidered and accompanied by a check for $300 payable to The Federation, which is non-refundable.
2. The review shall be after ten (10) days written notice to all parties concerned. The notice shall contain a brief statement of the facts supporting the position of the Licensed Officials’ Committee and shall specify the time and place at which the review is to be held. The person requesting the review may attend and may bring witnesses, sworn statements or other evidence on his/her behalf. Upon the written request of a representative of the Licensed Officials’ Committee or the person requesting the review, there shall be furnished before the Committee any evidence to be introduced, the names of witnesses and the substances of their testimony; however, all confidential submissions received by the Committee shall be maintained as confidential and shall not be provided to the applicant.
3. Following an adverse decision by the Licensed Officials Committee with regard to a nonrenewal or revocation only, an applicant may request the Hearing Committee to review the decision or to consider a hearing de novo, provided such application is made in writing within 20 days of receipt of the Licensed Officials Committee decision, and provided a nonrefundable fee of $500 payable to The Federation accompanies the application. The Hearing Committee may review the decision, or in its discretion, hold a new hearing. In either case, both the applicant and the Licensed Officials’ Committee shall be parties to the proceeding and shall have the right to make written submissions, be represented by
counsel, and in the event of a hearing, to appear in person and present or cross-examine witnesses.

SUBCHAPTER 10-I REGULATIONS GOVERNING JUDGES.

GR1042  General.
1. Good judging depends upon a correct observance of the fine points and the selection of best horses for the purpose described by conditions of the class. A judge serves three
interests: his own conscience, exhibitors and spectators. He should make it clear that the best horses win.

2. Failure of a judge to attend a competition to which he is committed, to perform his duties and to officiate in the classes to which he is assigned shall constitute cause for disciplinary action under Federation rules, except in cases of extreme emergency.

3. When judges are required to judge independently (i.e., Three Judge and Open Numerical Scoring systems) each judge must meet the requirements as outlined in Rules GR1004 through GR1009.

4. Any official found guilty of cruelty to a horse or to have killed, abandoned, mistreated, neglected or otherwise abused a horse, by an administrative agency, body, humane society or court of law, whether such court or tribunal is civil, criminal or administrative may have his license(s) revoked.

5. No judge is to be housed in a private home unless he has agreed before the competition.

6. Except in the discharge of their official duty, the use of cellular phones by judges while adjudicating during a competition is strictly prohibited.

7. In the event that a judge or course designer officiates at a competition where he is ineligible, the official shall be fined $100 for each day he actually officiated at the competition, payable to the Federation. If the official disputes that the above fine is not properly owing, he/she may appeal in writing to the Federation within 30 days of the official’s receipt of the Federation’s notice of fine, specifying the grounds for the appeal. The Federation’s CEO or Executive Director, a special committee appointed by the President or the Hearing Committee will consider the appeal and may waive a part or all of the fine.

8. Failure of a judge or jumper course designer to attend a competition to which he is committed or perform his duties in accordance with the rules shall constitute cause for disciplinary action as provided for in Chapters 6 and 7 except in cases of extreme emergency.

GR1043 Adjudicating.

1. A judge is obligated to adjudicate each division, section and class in conformity with the rules and specifications of that division, section and class as they appear in the Federation Rule Book. He is expected to be proficient in his division and to possess a thorough knowledge of the rules of the Federation.

2. The attention of judges is directed to the difference in requirements covering Maiden, Novice, Limit, Junior, Amateur and Ladies’ classes versus Open classes. These differences must be observed in adjudicating classes.

3. The decisions of each judge constitute solely his individual preference and not as opinions of or decisions by the Federation. For decisions of a judge in regard to soundness, see GR1204.

4. Soundness—Veterinarian

   a. Only the judge may call a veterinarian during a class but is encouraged to do so if his opinion necessitates the disqualification of an entry. The judge shall give the numbers of the horses in question and the veterinarian shall render his finding. If the veterinarian is not immediately available or not called upon, the judge’s decision as to the serviceable soundness of a horse shall be final. (Exception: The decision of the judge as to the serviceable soundness of a horse in Hunter classes is final, however the competition veterinarian may be consulted.)

   b. If the veterinarian is not immediately available, the judge’s decision as to the soundness of a horse shall be accepted for the purpose of excusing a horse from showing.

5. When a judge is used as a referee and is called upon to break a tie, the other judges must give the ringmaster only the numbers of the two horses tied. The ringmaster will then take these to the referee who will indicate his preference by circling the number of his choice. The ringmaster will then return this written decision to the other judges who will proceed with the remaining placements, as the breakage of a tie for one placement by the referee does not automatically place the losing contender of the tie in the next position. This procedure is to be followed for each placement in turn, as ties occur. The referee shall turn in a judge’s card only when called upon to break a tie, in which case only his tie breaking decision shall be indicated on the card.

6. All placements stated in the prize list/omnibus shall be awarded, beginning with first place and proceeding in order through all placements, unless there is an insufficient number of entries or an entry is eliminated or disqualified.
7. It shall be the prerogative of the Licensee to designate a particular system of judging and to post judges' cards and complete order of placement for public inspection. Judges accepting an invitation to officiate must recognize the Licensee's prerogative. The Federation’s CEO or Executive Director, a special committee appointed by the President or the Hearing Committee will consider the appeal and may waive a part or all of the fine upon a finding of good cause why the prize list was not timely filed and/or a finding that extreme hardship results from the automatic penalty. See Chapter 14 for requirements regarding prize lists.

GR1214 Entries.

1. The name of any exhibitor whose fees are not negotiable must be reported in writing to the Federation within 90 days of the close of the competition. (See GR1508).

See GR407.

7. Ensure that riders, driver, handlers, vaulters, longeurs, owners, lessees, agents and trainers who are not members as required by the provisions of Bylaw 203, are not allowed to participate in Regular Competitions, Eventing Competitions at the Preliminary Level or above, Driving Competitions at the Advanced Level or above, Dressage Competitions, Endurance and Vaulting Competitions unless all provisions of 5.1 (above) are met.

2. It is within the jurisdiction of a Licensed Competition to disqualify a person and/or his entries and to cause him to forfeit his winnings and ribbons at that competition and for cause to have the horses removed from the grounds without being held for damage. All such disqualifications must be reported to the Federation.

3. Any Licensed Competition which allows a person not in good standing to judge, serve as steward or technical delegate, manage, exhibit, ride, drive, or participate in any manner after due notice has been received from the Secretary of the Federation, is liable to suspension or expulsion from the Federation. See GR704.

4. In the event that any person participating at a competition commits an offense or violation described in Chapter 7, the Directors of the Competition may in their discretion disqualify that person and/or his entries from further participation in their competition only (See GR1502). Any such offense must be reported to the Hearing Committee for whatever further action is deemed necessary.

5. Report in writing to the Federation any act on the part of any person named in GR701 deemed prejudicial to the best interests of the Federation. 4. If the competition fails to file a full set of results postmarked within 10 calendar days of the closing of the competition, the Federation will levy a fine of $250. If the fine is not paid, future competition dates might be retracted or not awarded. The competition has the right to request a waiver of this fine, provided they can show good cause.

5. If management disputes that the results were not timely filed or that the above fine is not properly owing, it may appeal in writing to the Federation within 30 days of management's receipt of the Federation's notice of fine, specifying the grounds for the appeal. The Federation's CEO or Executive Director, a special committee appointed by the President or the Hearing Committee will consider the appeal and may waive a part or all of the fine upon a finding of good cause why the application was not timely filed and/or a finding that extreme hardship results from the automatic penalty.

6. Within 30 days of the deadline for filing any report or paperwork required under the Rules, the Federation must notify the Official Competition Contact responsible for filing such report or paperwork in the event that it has not been received.

2. Stalls provided must be of sturdy construction, in good condition and safe for horses and ponies. The recommended minimum dimensions for box stalls for horses are 9' wide by 9' deep by 7' high or comparable square footage. It is essential that the covering over the stalls is weatherproof. Prize list must specify type of stabling and whether stall doors will be provided.

3. At competitions which offer overnight stabling, adequate lighting must be provided.

4. It is recommended that a competition with an A rated division provide, upon request of the official competition veterinarian, a suitable area, protected from the elements, secured from public view, adequately lighted, with adequate electrical supply and running water, to serve as a first aid station for the emergency treatment of ill and injured horses.

GR1218 Facilities.

1. Convenient and ample water facilities must be provided.
2. Adequate and sanitary toilet facilities must be provided.
3. "A" competition grounds must have a level surface area for measurement (where there are divisions that require measurement) in accordance with GR507.
4. Food must be provided on the grounds.
5. A secretary's office with adequate personnel and proper communication between secretary, announcer, in-gate, each ring and stables must be provided.

10. Competition management is required to make an effort to provide the best possible footing in competition and warm-up areas. Provisions must be made (by having on hand proper equipment and scheduling sufficient breaks in the schedule) to maintain the footing in those areas, e.g. by dragging, watering, and raking, if necessary, throughout the competition.
CHAPTER 13
DIVISION OR SECTION CLASSIFICATION AND REQUIREMENTS

SUBCHAPTER 13-A  CLASSIFICATION.

GR1301  General.
1. For the purpose of equalizing competitions for the National Horse of the Year Awards, divisions and sections of Regular Competitions fall into one of three classifications: “A”, “B” or “C” rated.
2. In the Hunter division, the Increment System will determine points for ribbons won in any rated section. The point value for ribbons won in “C” or “B” rated hunter sections is determined by the number of entries shown. The point value for ribbons won in “A” rated hunter sections is determined by the number of entries shown and the amount of prize money awarded in the rated hunter sections at that competition. See GR921.

SUBCHAPTER 13-B  RATINGS.

GR1302  Determining Ratings.
1. A division or section rating or classification is determined from the number of classes, amount of cash premiums offered in these classes and the holding of required classes in certain divisions. A competition may not offer the minimum requirements for a rating higher than the rating approved by the Federation. See Ratings Charts.
2. A competition may qualify for several different ratings. Some competitions will earn an “A” or “B” rating in all divisions and sections; others, perhaps due to local conditions and more interest in certain breeds, may find themselves with a combination of ratings. If more than the minimum number of classes are offered prize money should be increased proportionately.
3. The Paso Fino Division is rated “C” regardless of the number of classes or amount of prize money offered. A competition may apply for an “A” rating if offering over $20,000 and prior year competition had more than 250 horses. BOD 1/14/07 Effective 4/1/07
4. In Stake classes in “A” and “B” divisions or sections competitions must guarantee amount offered as prize money except where the monies offered in other classes are sufficient to meet the Horse of the Year Award minimum requirements. In such cases Stake classes may run as sweepstakes.
5. The following are rated “C” regardless of the number of classes or amount of prize money offered: Hunter Breeding, Ladies Side Saddle Hunter, Adult Amateur and Children’s Hunter sections, and for any Zone that has submitted specifications by August 1 of any year for its Pre-Green Hunters to be rated.

10. Complete class description and judging specifications for all classes offered that are not included in this Rule Book must either be included in the Prize List or referred in the Prize List to a conspicuous place on the competition’s web site. BOD 1/14/07 Effective 4/1/07

11. Statement as to entry fees, prizes offered in each class and registration fees pursuant to GR207 which the Federation is assessing certain participants who are non-members of the Federation. If a licensed competition’s prize list does not state whether or not the competition will refund entry fees in the event of cancellation of classes due to severe weather or other emergency, refunds of entry fees must be made upon written request by the exhibitor within 30 days of the cancellation. See GR311.
12. Statement as to Federation fee (see GR301.8).
13. Statement as to when and how prize money will be paid.
15. A tentative schedule of classes, by sessions.
16. Statement as to which of the Federation Medal Classes, Federation Equitation Classes
and USEF/USDF Qualifying Classes are to be offered.
17. Statement concerning a particular system of judging to be used. In the Saddlebred
Horse Division, the particular three-judge system to be used must be specified.
18. The exact date and location of competition.
19. A map and/or directions to the competition grounds.
20. For Local Competitions, the designation Local Competition must be on the cover.
   a. Statement as to type of stabling and whether stall doors will be provided.
   b. The prize list for competitions offering “A” rated Hunter sections must state that
      stabling will be offered and the cost must be included on the entry blank.
22. Statement as to method for establishing a jumping order for jumper classes.
23. Statement as to method for breaking ties for other than first place in jumper classes.
24. The prize list for competitions offering A rated sections and/or Jumper sections of
   $10,000 or more, must be printed and available to exhibitors at least 21 days prior to the
   closing date of entries. For competitions offering a Jumper Class of $25,000 or more, the
   prize list must be printed and available to exhibitors at least 30 days prior to the closing date
   of entries. **Upon request, a copy of the competition’s prize list must be provided by mail at
   no cost to the exhibitor. BOD 1/14/07 Effective 4/1/07**
25. All competitions must state the type of footing available in warm-up areas and
   competition arenas. The dimensions of the competition arenas must also be stated.
26. Competitions offering Dressage classes must state the type of footing available in
   Dressage warm-up arenas and Dressage competition arenas.
27. If Jumper sections are offered which are not covered within the definitions contained in
   Chapter JP, full specifications (including eligibility requirements) must be contained in the
   prize list.
28. If Championships are offered in the Jumper Division, the prize list must state the
   method of determining those Championships (see JP110). If the Jumper Division offers
   Stake Classes, or other classes for which horses must qualify during the competition, the
   means of determining qualification must be stated in the prize list.
29. The following rule must be published in the prize list (see GR301.5): Minors who do not
   have a valid driver’s license which allows them to operate a motorized vehicle in the state in
   which they reside will not be permitted to operate a motorized vehicle of any kind including,
   but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles on the
   competition grounds of licensed competitions. Minors who have a valid temporary license
   may operate the above described motorized vehicles as long as they are accompanied by
   an adult with a valid driver’s license. Violations of this rule will be cause for sanctions
   against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child
   committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s),
   and/or trainer(s) from the competition grounds for the remainder of the competition and
   charges being filed against any of the above individuals in accordance with Rule 6.
   Wheelchairs and other mobility assistance devices for individuals with disabilities are
   exempt from this rule.

    control) in the prize list.
31. At competitions where the official veterinarian is on call, the prize list must include the
    time period when the veterinarian will be available to conduct measurements. If the
    veterinarian is required to measure at any time other than as stated in the prize list, the
    owner is responsible for paying veterinarian fees.

**GR1402 Class Specifications.**

1. All classes offered at Licensed Competitions for which specifications appear in the Rule
   Book must be governed by current specifications, to the end that uniformity will prevail in
   the competition and in the adjudication. To cover any omission it is recommended that the
   prize list contain the following statement in a prominent position: “EVERY CLASS
   OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS
   OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN
   ACCORDANCE THEREWITH.”
2. A Licensed Competition is not limited to classes listed in the Rule Book. If a special class is offered which is not included in the Rule Book, the prize list or competition web site must furnish detailed specifications.  

**GR1403 Preliminary Correction Service.**

A draft of a prize list may be sent to the Federation for advance corrections and suggestions, provided two copies are submitted and at least two weeks are allowed to make a thorough analysis. There is no fee for this service for competitions in their first two years of membership; but thereafter a fee of $10 for each competition day or $50 maximum will be charged. The fee must accompany the two drafts.

**GR1404 Changes in Prize List.**

If the prize list must be changed after it has been distributed to potential exhibitors the following procedures must be followed. Notification of changes to a prize list may be made via email or mail as well as being posted on a competition’s website. This will serve as notification for the requirements of this rule. In the cases where electronic communication is not available, then notification must be made as specified under this rule.

1. If errors are discovered up to 10 days prior to the closing of entries, notify potential exhibitors in writing.
2. If errors are discovered after that date, notify exhibitors on receipt of entries, and in writing when they arrive at the competition.
3. If classes are omitted or premiums decreased, notify only affected exhibitors 5 days prior to the competition in writing, by e-mail or by wire, thereafter these classes cannot be reinstated. In this instance, entry fee refunds must be given in all cases.
4. If classes are added or premiums increased, unless required under division rules, notify potential exhibitors in writing, by e-mail or by wire at least 5 days prior to the competition. Post entries must be accepted in such classes.
5. If the change in (3) or (4) adds a new division or section or alters a division’s or section’s rating, permission therefore must be obtained from the Federation at least 30 days prior to adoption.
6. Once a prize list offering hunter sections has been printed and distributed, hunter sections may not be added.
CHAPTER 15
ENTRIES

SUBCHAPTER 15-A ENTRY BLANK.

GR1501 Requirements.
1. The entry blank of each Licensed Competition must contain the name, age (if nine years or over, the term aged may be used), sex, color and in case of all horses four years old or over, the height of each horse entered in any class. This information is not required for Four-in-Hand, Team, Collection, Championship and other classes in which the conditions state that the entry need not be named.

2. In Breeding classes (except Dressage/Sport Horse Breeding), provided a stud book exists for the horse in question, each horse must be registered in the recognized stud book of the breed and its registered number, sire and dam must be given on the entry blank. Horses competing in Dressage Sport Horse Breeding (DSHB) classes are not required to be registered with any stud book, but if a horse is registered with any breed, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank. For unregistered horses competing in DSHB classes, the above information is strongly recommended, if available.

3. Horses over two years of age must be named and the same name must be listed in all classes except those that permit nominations after the close of entries. If a horse has been recorded it must be entered under its original recorded name unless the name has been officially changed under the provisions of GR811. It must also be entered under the name of the owner or lessee of record, or of the registered exhibitor name, which must appear in the catalogue. When entered by an agent, the owner’s name or lessee’s name must also be given.

4. Misrepresentation of a horse’s identity, name, height, age, eligibility for the class, registered or recorded number or other information on an entry blank for the class in question results in the exhibitor’s forfeiture of any ribbon, trophy, cash prize or other award won by such misrepresented or substituted animal. The exhibitor is liable for further penalty as described in GR703.

5. Misrepresentation of the identity of the trainer responsible for the training, custody or performance of a horse by any person shall constitute a violation of the rules (see also GR145).

6. For disciplines recognized by the FEI at non-breed-restricted events, the entry blank of each Recognized competition must contain the citizenship of the riders, drivers and vaulters.

7. The entry blank must contain a space for an emergency contact phone number. Add new last sentence to the Entry Agreement as follows: “I represent that I have the requisite training, coaching and abilities to safely compete in this competition.”

GR1502 Agreement.
1. Every entry at a Licensed Competition constitutes an agreement that the person making it, owner, lessee, trainer, manager, agent, coach, driver, rider, handler, vaulter, longeur, and the horse are subject to the Bylaws and the rules of the Federation and the local rules of the competition. Exhibitors are cautioned to abide by restrictions concerning exhibiting horses before judges as provided for in GR804.

2. Every exhibitor, rider, driver, handler, vaulter, longeur, coach and trainer or his/her agent(s) must sign an entry blank. In the case of a rider, driver, handler, vaulter or longeur under the age of 18, his/her parent or guardian, or if not available, the trainer, must sign an entry blank on the minor’s behalf. If any of the above persons fails to do so, his/her first entrance into the ring as an exhibitor, rider, driver, handler, vaulter or longeur shall be construed as his/her acceptance of the rules of the competition involved and of the Federation and shall ipso facto render him/her subject to said rules. Upon the failure of an owner, trainer, rider, driver, handler, vaulter, longeur, coach or agent(s), or parent or guardian or trainer of a minor rider, driver, handler, vaulter or longeur, to sign an entry blank as required, and upon confirmation of any such violation(s) by the steward or secretary of the competition, such person(s) shall be subject to an automatic fine of $250 imposed for each such violation.
3. Violation of the rules in connection with entries may be cause for disqualification of the exhibitor, rider, driver, handler, vaulter, longeur, coach and trainer by the Directors of the Licensed Competition (see GR1215) and for report to the Federation.

4. The entry blank or prize list of each licensed competition must contain the following statement (“Federation Entry Agreement”), printed as below; failure of a Licensed competition to print this rule on every entry blank or prize list and to require that the entry blank be signed constitutes a violation of the rules and the competition is liable to penalty under GR706. If the Federation Entry Agreement is printed only in the prize list, the entry blank must contain the following abbreviated statement in lieu of the entire rule:

**Federation Entry Agreement**

I have read the United States Equestrian Federation, Inc. (the “Federation”) Entry Agreement (GR1502.4) as printed in the Prize List for this Competition and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to Federation Rules, the Prize List, and local rules of the competition. I agree to waive the right to the use of my photos at the competition, and agree that any actions against the Federation must be brought in New York State.

The complete statement is as follows:

**FEDERATION ENTRY AGREEMENT**

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulter or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the “Federation”) and the local rules of the competition.

I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules.

I represent that I am eligible to enter and/or participate under the rules, and every horse I am entering is eligible as entered.

I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the competition may use or assign photographs, videos, audios, cablecasts, or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation.

The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR1502.5.

5. The Federation, incorporated in 2003, is a New York Not-For-Profit corporation, which maintains offices in the State of New York. Pursuant to Chapter 6, the construction and application of Federation rules are subject to the laws of the State of New York. It is expressly agreed by and between the Federation and its members and any other persons in any way participating or in any way seeking to participate in a Licensed Competition or otherwise utilizing or seeking to utilize the privileges or services of the Federation, that any lawsuit (except for an arbitration pursuant to Bylaw 705 of the Federation) brought against the Federation by or on behalf of any such member (whether or not still a member at the time such suit is brought), or by or on behalf of any such person, shall be commenced and adjudicated only in the United States District Court for the Southern District of New York or in the Supreme Court of the State of New York, County of New York, to the exclusion of the courts of any other jurisdiction or venue.

6. The entry blank of each Licensed competition must contain the following USEF RELEASE as printed below, in an easily visible location, separated from any other language on the entry blank, and appearing immediately above or next to the required signatures as specified in GR1502.2. No other material may come between this RELEASE and the required signatures.
7. All USEF fees appearing on the entry blank must be grouped together in one section of the page, preferably in a box separating them from other fees.  

Federation Release, Assumption of Risk, Waiver and Indemnification 
This document waives important legal rights. Read it carefully before signing.
I AGREE in consideration for my participation in this Competition [insert name] to the following:

I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vaulter, longeur, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death (“Harm”).

I AGREE to release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm caused by me or my horse to others, even if the Harm resulted, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse at the Competition.

I have read the Federation Rules about protective equipment, including GR318 and EV113, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries.

If I am a parent or guardian of a junior exhibitor, I consent to the child’s participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child’s behalf.

I AGREE that “the Federation” and “Competition” as used above includes all of their officials, officers, directors, employees, agents, personnel, volunteers and affiliated organizations.

I represent that I have the requisite training, coaching and abilities to safely compete in this competition.

I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

BY SIGNING BELOW, I AGREE to be bound by all applicable Federation Rules and all terms and provisions of this entry blank.

SEE PRO FORMA AT END OF THIS RULE

SUBCHAPTER 15-B SUBMISSION OF ENTRIES.

GR1503 General.

Entries must be made in writing and signed by the (1) exhibitor (2) the rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable, or by the agent(s) of such person(s) and must be accompanied by funds to cover entry fees, stall fees and Federation fee (see GR301.8). In the case of a rider, driver, handler, vaulter or longeur under 18, his/her parent or guardian, or if not available, the trainer, must sign an entry blank on the minor’s behalf. Or: by transmitting the required entry data to a designated collection agent via the internet, accompanied by a valid credit card payment to cover entry fees, stall fees, Federation fee (see GR301.8) and applicable processing fees, and including the name(s) of the (1) exhibitor, (2) rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable. The secretary of the competition will accept such an entry as complete (see 1.a below).

a. In the case of on-line entries, no competition number will be issued until the Competition Secretary has received on an entry form, the signatures of the (1) exhibitor, (2) the rider, driver, handler, vaulter or longeur, (3) the trainer, and (4) the coach, if applicable, or of the agent(s) of such person(s). In the case of a rider, driver, handler,
vaulter or longeur under 18, his/her parent or guardian, or if not available, the trainer must sign an entry blank on the minor’s behalf.

b. Submission of on-line entry accompanied by a valid credit card payment shall be construed to be acceptance by the person(s) named in the entry of the provisions of GR1501, GR1502, and GR1506-GR1509 (incl).

2. In the event that a catalogue contains a statement as to an entry not in accordance with the exhibitor’s original entry blank, it is the duty of the Show Committee to take all steps necessary, including public announcement, to correct the error, giving precedence to the exhibitor’s entry blank and not the catalogue in error, as authority.

3. In the Dressage Division and for open dressage classes at Regular and Local Competitions, all entries received by the closing date of entries shall be acknowledged by the competition secretary. (Note: This would include DSHB, but not breed-restricted dressage classes.)

**GR1504 Membership and Document Requirements.**

1. To be eligible to participate as a rider, driver, owner, handler, vaulter, longeur, lessee, agent, coach or trainer at Regular Competitions, Eventing Competitions at the Preliminary Level or above, Combined Driving Competitions at the Advanced Level, Dressage, Endurance and Vaulting Competitions, persons must be Members of the Federation as provided in GR201 or if not a member, must pay a registration fee as provided in GR207 (for exceptions see GR1401.9). Exception: Applications for Federation Individual Membership and Horse Recordings submitted at Licensed Competitions:

      (2) Applications completed online at the competition are effective, for points and eligibility to compete only, on the start date of the Competition.

   c. Lessees are considered owners in connection with this membership requirement. When an entry is under multiple ownership, only one owner need be a Member or pay a registration fee. When an entry is under a minor’s ownership and training, the parent who must sign will be exempt from the Federation non-member fee.

   BOD 1/14/07 Effective 4/1/07

2. Memberships completed at the competition must be forwarded to the Federation office within ten (10) days of the close of the competition as part of the full competition results, which are defined in GR1216. The member’s copy of the application is valid for 45 days or until the membership card is received from The Federation.

   a. The following credentials must be available to Competition Management and the Federation steward/technical delegate. Competitions may, at their discretion, confirm any of the below electronically with the Federation office:

      (1) Amateur Certification.

      (2) Copies of Junior Hunter and pony measurement cards.

      (3) Federation membership cards or a copy thereof, Exception: Applications completed at the competition. The member will retain the pink copy of the membership application form which, when properly signed by the Competition Secretary and Steward/TD, is valid for 45 days from the date signed.

      (5) A copy of the registration papers showing proof of ownership or a copy of the registration papers with a Certificate of Eligibility to Show issued by the American
Saddlebred Horse Association for horses entered in classes restricted to American Saddlebreds.

(6) A copy of the registration papers showing proof of ownership or copy of the registration papers issued by the American Hackney Horse Society and/or the Canadian Hackney Society for ponies and horses entered in classes restricted to Hackney Horses and Hackney Ponies.

(7) Non-U.S. citizens (as defined by GR1401.9) and Foreign Competitors (as defined by GR807.4) must provide proof, in English, of current membership in good standing in their respective National Federation, or hold current membership in good standing with USEF.

(8) For all horses competing in Young Jumper classes a copy of the registration papers issued by a Breed Registry (or other means of identification issued by the Federation providing proof of age and identity) must be checked by the horse show office.

(9) Originals or copies of United States Hunter Jumper Association, Inc., membership card, if applicable.

(10) For all horses entered in a Roadster Division, a copy of registration papers showing proof of ownership issued by the United States Trotting Association Canadian Trotting Association (exception: horses that have competed in any Roadster Division class at a USEF licensed event prior to December 1, 2003). For Roadster horses being shown under a name differing from their registration papers, a notarized certificate issued by the American road Horse and Pony Association.

b. If the above information cannot be verified, (with the exception of Federation measurement cards) the exhibitor, or his or her agent, must sign a statement giving his name, address, the fact that he is in possession of the proper credentials.

(1) A $5 fee will be charged for the filing of a membership affidavit in connection with the failure to present any of the above credentials (with the exception of Federation measurement cards). That fee along with the affidavit will be submitted to the Federation office with the results of the competition. Exhibitors are responsible for their own errors and those of their agents in the preparation of membership affidavits. (In the case of a rider, driver or handler under 18, whoever signs on his/her behalf will be responsible).

(2) If a person files a false affidavit, the Federation will levy a fine of $200 against the person for whom the false affidavit was filed (except in the case of a rider, driver or handler under 18, then the person who signed on behalf of that individual will be fined). Upon issuance of a charge or protest pursuant to Rule VI, such person may in addition be subject to further disciplinary action in accordance with Chapters 6 and 7. If the foregoing $200 fine is not paid within 30 days of issuance of the Federation's notice of fine, said person and any horses owned by him or her will be automatically suspended until the fine is paid.

(3) If the person disputes that said fine is not properly owed, he/she may request a review by the Hearing Committee provided a written statement specifying the grounds for the review is received at the Federation's office within 30 days of issuance of the Federation's notice of fine. The request must be accompanied by a deposit of $100 made by a Federation member or the parent of a junior exhibitor member or $200 if made by a non-member (check payable to the Federation); said deposit will be refunded in the event the review is resolved in favor of the member/non-member.

3. Participation of non-US citizens in non-breed-restricted national competitions in the US.
   a. Non-US citizens who are not current members of USEF as provided in GR201 must either provide proof, in English, of current membership in good standing in their own National Federation, or must pay a registration fee as provided for in GR207 (for exceptions see GR1401.9.) A USEF Senior member must still pay Breed/Discipline category fees and dues.
   b. In any discipline, owners and trainers who are non-US citizens and who have a current letter of permission/good standing from their own federation, are exempt from Federation membership requirements per Art. III, Sect. 3, as well as Breed/Discipline dues and fees per GR204 and GR207. Under this rule, non-US citizens must provide
proof to competition management of current permission/good standing from their own federation in order to be exempted from Federation membership requirements.

c. Foreign Competitors who participate in Federation amateur classes, in any discipline, must be in possession of a Federation Amateur Card. However, non U.S. citizens are not required to become Federation Members if they provide proof, in English, of membership in good standing in their own National Federation.

GR1505 Post Entries.
1. Post entries are any entries made after the advertised closing date.
2. Post entries should not be encouraged in classes listed in the prize list since this practice often results in unfair competition, confusion during the competition, inability to collect the proper fees, extreme difficulty in recording winnings of horses not listed in the catalogue and disruption of the time schedule. Furthermore, the exhibitor and his horses are worthy of having their names in the program. In the interest of good sport, a Show Committee is strongly urged to require that entries be made in advance and printed in the catalogue. This does not apply, however, to classes in which the prize list states that post entries will be accepted, such as pairs of saddle horses, hunt teams, etc.
3. When a Licensed Competition does not accept post entries it must be stated in the prize list and no exceptions can be made.
4. When a Licensed Competition does accept post entries it must be stated in the prize list and post entries can only be accepted prior to the starting of the class and upon signature of exhibitor or his agent and trainer.

GR1506 Substitutions.
1. Substitution of a horse may not be made after the announced date of the closing of entries, except in classes where more than one horse represents an entry (i.e., Pairs, Teams, Tandems). In such cases substitution of one horse may be made provided a veterinarian’s certificate of disability is submitted. (Exception: Friesian) (Local Competitions exempt).
2. If a horse is sold or injured after the closing of entries, Competition Management may allow an exhibitor to post enter another horse in the same class but the new entry must be given another number.
3. Substitution of a rider or driver or longeur may be made during a class only under the following conditions:
   a. in case of injury to or illness of the original rider or driver or longeur;
   b. in a Combination class unless the prize list states that the same rider or driver is required for the entire class;
   c. in a Reining division when one rider may show several horses in the individual workout. See RN101.6.
4. Substitution of rider is not allowed in Equitation classes.

GR1507 Cancellation and Withdrawal of Entries.
1. A Licensed Competition may adopt its own policy covering the refunding of fees to an exhibitor who cancels his entries after the official closing date and prior to the competition’s beginning. If a Licensed Competition does not specify its refund policy in the prize list, refunds are required to be made for entries cancelled before the competition begins, upon written request by the exhibitor within 30 days of the competition.
2. A Licensed Competition can set the penalty governing an exhibitor who is permitted to cancel his entries or withdraw from the competition. Such penalty applies only at the competition in question. See GR805.
3. Competition management must refund any entry fees, (stabling and processing fees exempted) paid in advance by an exhibitor for any horse(s) which is subsequently named to an official US team, participation on which will prevent him/her from competing in that competition.
4. After the competition starts, if a rider is unable to compete due to illness or injury, class fees will be refunded upon presentation of a doctor’s certificate unless otherwise stated in prize list. Stall fees and office fees need not be refunded.

GR1508 Unpaid Entries.
1. Any ***Competition Licensed or endorsed by the Federation*** which accepts entries without the payment of the required fees, does so at its own risk and the Federation will not be
responsible for the collection of fees. However, if a person makes payment for fees which is not negotiable, the Secretary of the Licensed Competition, after first contacting the individual at least once via certified mail, may report the name and address of the person in writing to the Federation within 90 days of notification of denied payment, giving the names of the horses and the names and complete addresses of the owners for which the non-negotiable funds were to cover, a copy of the entry blank, a copy of the check or receipt with credit card information and signature, and a copy of the certified mail showing the competition’s attempt to notify the individual of the non-negotiable payment. The amount of all fees for each horse must be itemized. On receipt of such notice, the Federation will notify said person, of his or her indebtedness to the competition as well as the imposition of a processing fee in the amount of $50 payable to the Federation. If the person fails to make settlement with the competition and/or the Federation within two weeks of the notice from the Federation, he or she will be fined the additional sum of $750 payable to the Federation and he or she and any horses owned by him or her and any horses and/or persons for which the non-negotiable sums have been paid will automatically be barred from taking any part whatsoever in any competition Licensed or endorsed by the Federation until settlement is made both of said indebtedness owing to the competition and of said $750 fine owing to the Federation. Publication of said suspension will appear in EQUESTRIAN.

2. If the person disputes that the amounts in question are owing or unpaid, he or she may request a hearing of these issues before the Hearing Committee provided a written statement specifying the grounds for a hearing, accompanied by a fee of $100 (which will be refunded if the dispute is settled in favor of said person) is received at the Federation’s office within said two-week period. In the event a person is reported three or more times for making unnegotiable payment for entry fees, etc., to any competition Licensed or endorsed by the Federation, he is, after a hearing, subject to further disciplinary action. BOD 1/14/07 Effective 4/1/07

GR1509 Refusal of Entries.

1. In addition to entries of persons suspended or expelled from the Federation, a Licensed Competition may refuse any entry of an exhibitor or the participation of any agent, trainer, rider, driver or handler who has shown an objectionable attitude or behavior at a Licensed Competition or towards its management, which management is able to substantiate, or previous unsportsmanlike behavior at a Licensed Competition which management is able to substantiate.

2. A competition licensed by the Federation and an affiliate association may refuse the entries of horses and riders in Maiden, Novice, Limit and Green classes if they are ineligible under the rules of the Affiliate Association, except for:
   a. A class open to horses in a specified area (Examples: State Championship, New England Championship, and Kentucky-bred horses).
   b. A class where the winnings form part of a total score in a competition for a trophy,
   c. Classes in which the identical award may also be competed for at another Licensed Competition.
   d. Classes counting for USEF Horse of the Year Awards.

GR1510 Limiting Entries.

1. Management can limit the number of horses entered by an owner and the number of horses ridden by a rider.

2. Entries in USEF/USDF Dressage Championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the Closing Date for a particular Regional Championship and who have complied with all Championship rules may not be denied entry into the Regional Championship class(es) for which they have qualified. Only one class per division and/or level may be held to determine USEF/USDF Regional Champions.

3. Any competition that sets restrictive criteria for accepting entries and/or offers classes or events which are part of a league, series or other ranking or award system must do so by meeting the applicable requirements described below:
a. Based strictly on a First-Come, First-Served basis: Under this method the prize list must be distributed at least two weeks prior to close of entries to any person requesting a prize list as well as at least three times the number of potential entrants as there will be entries accepted; if the prize list restricts entries to mailed entries it must specify that entries may only be received by mail postmarked on or after a specified date which must be at least two weeks subsequent to the issuance of the prize list; if entries are to be made by other means (e.g. by hand, by fax) that must be clearly specified in the prize list together with the earliest date for receipt which must be at least two weeks subsequent to the issuance of the prize list; competition management must maintain and make available for examination accurate records regarding proof of receipt of entries (e.g. postmarks, fax transmittal records, hand delivery receipts); the prize list must further specify that entries will be accepted based solely on the priority of receipt of entries, and that ties regarding entries received at any time on the same day will be broken by lot on a date, time and location specified in the prize list with the right of any potential entrant to be present in person or by representative at the drawing of lots.

b. Qualification based only on winnings: (i.e., ribbons and/or prize money or dressage scores during a specified time period, of at least eight (8) consecutive weeks’ duration, established by Competition Management and published in the prize list or otherwise prior to the end of the specified period.

(1) Hunter sections restricting entries based on winnings must use the Federation National Horse of the Year points as a means of qualification for the specified time period or, alternatively, must use the greatest number of Federation National Horse of the Year points won at a specified number of competitions within a specified time period. Only points awarded in the particular section to count except in Amateur Owner, Adult Amateur and Junior Hunter sections where points from both the younger and older sections shall be counted. If the Horse of the Year list has been exhausted and positions are still available, an alternate system may be used provided it has been published in the prize list or otherwise prior to the end of any specified time period. Whichever method is used, no other restrictive criteria can be imposed. The method chosen may be clearly stated. Management can allow the previous year’s Champion and Reserve Champion or Champion to enter the section he or she was Champion or Reserve Champion in the previous year without qualifying. Management may allow the horse or pony that is leading for the respective Federation Zone Award in its Zone to enter that section.

(2) Jumper sections restricting entries based on winnings must use prize money won in the horse’s respective section (i.e., Amateur Owner, Junior, Amateur Owner/Junior Jumper, and Open Jumper) during the specified time period; however for Jumper sections for which a Federation endorsed Computer Ranking List has been established, this list (as of a date indicated in the prize list) may be utilized instead of prize money won. In Jumper competitions, management may also allow the previous year’s competition winner to enter without further qualifying. Any Jumper competition wishing to set restrictive criteria for accepting entries other than as specified above must make written application to the Federation Jumper Committee, at least 120 days prior to the event detailing the criteria being requested. The Jumper Committee will issue a recommendation for consideration by the Executive Committee.

c. By Executive Committee Approval: Any other competition wishing to set restrictive criteria for accepting entries other than as specified above must make written application to the Executive Committee, accompanied by a nonrefundable fee of $50, at least 120 days prior to the event detailing the criteria being requested. The Federation office may refer the application to the appropriate discipline or other committee for its recommendation regarding the application prior to the application and any recommendation being considered by the Executive Committee. The Executive Committee will consider such recommendations and may approve any such applications in its discretion and may condition any such approval in its discretion, and must require, if approved, that there be publication in the prize list or otherwise of such restrictive criteria sufficiently in advance of the closing date of entries, where appropriate, for all interested to have a fair opportunity to enter. The foregoing provisions do not apply to national championships, qualifying events for national
championships, and any other events with selection criteria approved by the Executive Committee.

4. **Leagues, Series, and Finals:**
   a. **Definitions:**
      (1) “Finals” means any championship, trophy or other award final, league final or other final class or final event with entries based upon the outcomes of earlier contests.
      (2) “System” means classes or events which are part of a league, series, ranking/tracking lists or championship, final trophy or other award system, whether or not generated or tracked by a computer program or otherwise.
   b. If qualifiers and/or finals of a league, series or other ranking system are held at recognized competitions, the system used to rank the exhibitors who qualify in the league or series must be approved initially by the Executive Committee at least 120 days prior to the beginning of the league or series. This is a one-time requirement, and further Executive Committee approval is not required provided the system of qualifying does not change. The Executive Committee may approve of any such application in its discretion and may condition such approval in its discretion. Furthermore, all of the following requirements must also be met:
      (1) The league or series must be an affiliate of the Federation.
      (2) All the qualifying classes must be held at licensed competitions or at competitions recognized by a State, Region, or Local Association that is an affiliate of the Federation.
      (3) The league or series must award the qualifying classes to recognized competitions on an equal basis. If a recognized competition meets the requirements to hold a qualifying class and wishes to do so, it must be given the opportunity.
      (4) The organization or individuals financially responsible for the system must be Federation affiliate organizations and/or members and must agree to be bound by and comply with all applicable Federation rules in the conduct of the system and its application in the league or series.
      (5) If there is an award category for classes in the league or series and the above requirements are met, HOTY points will be awarded for the qualifying classes and for the finals held at licensed competitions.
      (6) If the finals of a league, series or other ranking system are not held at a recognized competition, HOTY points for the finals will not be awarded.

**BOD 1/14/07 Effective 4/1/07**

CHAPTER AL
ANDALUSIAN/LUSITANO DIVISION

For further information regarding the conduct of Andalusian/Lusitano and Half-Andalusian competitions, contact the International Andalusian and Lusitano Horse Association, 101 Carnoustie North, Box 200, Birmingham, AL 35242, (205) 995-8900

SUBCHAPTER AL-1 GENERAL QUALIFICATIONS.

AL101 Eligibility to Compete.
1. Purebred and Half-Andalusian horses to be shown in a local or regional competition must be registered with or application for registration made to IALHA. Weanlings and yearlings are eligible if both parents are either registered or application has been made to register them with IALHA. In order to be qualified to enter the ring in a National Championship class, the horse must be registered with the IALHA and a copy of the registration papers on file with the Competition Secretary. Weanlings and yearlings may enter a National Championship Class without a copy of the registration papers on file with the Competition Secretary if and only if the Competition Secretary has received a letter from the IALHA Registrar or Half-Andalusian Registration Secretary identifying the weanling or yearling and certifying that each and every requirement for registration of such weanling or yearling has been met and the registration certificate will be issued. Lineage must be traceable back to the Spanish or Portuguese Stud Books. Copies of registration papers must be mailed with entries or presented at each competition.
2. All horses entered must be serviceably sound, show no signs of lameness and be in good condition. Horses with loss of sight in one eye may compete in performance classes only.
3. Each horse shall be shown in its entire natural splendor with a full mane and tail or in the traditional Andalusian style. Weanlings of both sexes are seen with their forelock shaved, their manes roached or shaped to enhance the shape of the neck, and all tail hairs shaved. Yearling fillies are shown with the tail shaved from the tail head to below the vulva except for a small bob. The hairs are banged, and are no longer than 2-4 inches and in no case are at the hock. Yearling colts are shown with no forelock, the mane in the same condition as the yearling fillies, but the tail is permitted to grow, but banged for neatness. Two year and older colts and stallions are shown in full mane and tail. Two year and older fillies are shown with or without a forelock, roached or shaped mane, tail shaved at the tail head to below the vulva and the hairs which grow from the bottom now reach the hocks and are banged for neatness. Mares three and over are shown with or without a forelock, roached or shaped mane and their tails are shaved from the tail head to below the vulva. The hairs at the end of the tail now grow as long as they would naturally, but are always banged for a neat presentation. Whichever method of presentation an exhibitor selects is appropriate, but there may be no mixing of components, i.e. shaping the mane of the colt after age two, or shaping the mane of the mare, but allowing all the hair on her tail to grow.
4. It is recommended that bridle paths not exceed a maximum of four inches. The addition of supplemental hair in mane or tail shall be cause for disqualification. Braiding is optional.
5. The use of dyes or other coloring is prohibited. The use of black or clear hoof polish is permissible. The use of glitter on or in the mane, tail, hair, or hooves is prohibited.

BOD 1/14/07 Effective 4/1/07
6. Any horse is considered to be one year old on the first day of January following the actual date of foaling.
7. No horse may be shown under saddle until it is at least three years old.
8. No horse may be shown in a driving class until it is at least two years old.
9. The use of or the application of, to or into any horse (other than legal levels of allowed medications) any foreign or caustic substance, such as ginger, mustard, pepper, abrasives, etc., which would alter or influence a horse’s natural carriage, movement or behavior, is prohibited.
10. The injecting of any foreign substance into a horse’s tail, the cutting of tail ligaments, soreing or maiming of feet, or any such practice which would alter or influence a horse’s natural carriage, movement or behavior, is prohibited.
11. Stallions may be handled, ridden or driven by women and Junior Exhibitors.
12. *Junior* Exhibitors are required to wear protective headgear in all Hunter, Jumper and Hunter Equitation classes in conformity with GR318. BOD 1/14/07 Effective 4/1/07

13. If a rider falls off of his/her horse during a class, it is at the discretion of the judge whether or not the rider is allowed to continue or is excused.

14. Horses must be shown without artificial appliances. Anything that alters the intended use of equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance. This includes but is not limited to tongue ties and/or mouth ties. Gag bits are prohibited. Action produced by artificial methods shall be penalized. The use of chains, rollers or similar devices on the competition grounds during or before a competition are prohibited and the show committee shall bar violators from further participation for the remainder of the competition, and they shall forfeit all entry fees and winnings for the entire competition.

15. Any action(s) against a horse by an exhibitor, which are deemed excessive by a judge, Federation steward or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, limitation or other sanctions which may be deemed appropriate by the show committee. Such action(s) could include, but are not limited to, excessive use of whip and spurs.

16. Judges must eliminate from judging consideration any horse which shows aggression or discontent toward its handler, rider or any person in the ring.

17. Horses showing signs of undue stress or inhumane treatment must be penalized. The exhibition of a horse that has a cut or abrasion showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area must be considered to be ineligible to receive an award in that respective class.

18. Judges must excuse from the ring any horse that possesses a whip mark (welt) on any portion of the horse. A whip mark or welt is an inflammation of skin and subcutaneous tissue resulting in a swelling in extreme cases is an abrasion or laceration. The cardinal signs of inflammation include heat, pain (sensitivity or palpation) and swelling. The judge(s) finding of fact with respect to the presence or absence of a whip mark (welt) evident during a class shall be final and no appeal may be taken thereon. The judge(s) shall make written finds of fact which shall be delivered to the Federation steward with respect to any horse excused under this rule. In a class that is judged by more than one judge, if a judge in that class believed that an entry has a whip mark, that entry must be examined by all judges of the class and each judge must determine if a whip mark exists. If a majority of the judges of that class determine that whip mark exists, the entry must be excluded from the ring, according to the specification set forth in this article. If a majority of the judges determine there is not a whip mark, then each judge who is of the minority opinion shall submit his or her own written finding of fact and shall have the authority to eliminate said entry from further consideration.

AL105 Conduct and Specifications
1. Emphasis shall be placed on type, conformation, quality, way of going, substance and
manners. For Half Andalusians, emphasis shall be placed on conformation, quality, way of
going, substance and manners.
2. Horses are to be shown in-hand at a walk and trot. The following procedures shall be
followed in all In-Hand classes. At all IALHA Regional and National level competitions, all
entries, including post entries, in a class must be drawn for position and enter the ring in
that order. The order will be posted at least 30 minutes prior to the start of the class. This
procedure may be used at other recognized competitions at the discretion of competition
management. Horses shall enter the arena at a relaxed walk in a counterclockwise direc-
tion. Failure to completely clear the gate at a walk shall require the horse to reenter at the
proper walk. The horse shall then strike a trot until reaching its designated position in line,
as directed by the ringmaster or judge(s). When asked, the handler shall walk the horse
from the rail to the Ring Master. At the direction of the Ring Master, the handler will walk the
horse parallel to the long side of the arena toward the judge(s) for a minimum of thirty (30)
feet, turn the horse in either direction, without stopping, and walk the horse back to the
starting point [away from the judge(s)]. Without stopping, the handler will turn the horse in
either direction and trot the horse parallel to the long side of the arena toward the judge(s)
and past the judge(s) for a minimum of sixty (60) feet. The handler will then turn the horse in
either direction and trot back to the judge(s) position, where the horse will then be pre-

hand on the chain or close enough to in any way restrict natural head and neck motion. Also,
the handler may not unnecessarily impede the forward motion of the horse while at
the walk. After the last horse has passed the judge at a walk, all entries shall line up on the
rail for final placement. BOD 1/14/07 Effective 4/1/07

1. A judge may not request that gaits be performed only on snaffle or curb.
2. The collected and extended gaits must be called for; i.e., collected walk, extended walk, normal walk; collected trot, extended trot, normal trot; collected canter, extended canter, normal canter and hand gallop.

3. At the discretion of the judge, horses while on the rail may be asked to halt and rein-back.

4. A Show Hack horse is not necessarily a Dressage horse, nor an English Pleasure horse. Elevation and high knee action are not to be emphasized. The Show Hack is a suitable section for the well trained animal. Show Hacks must be balanced and show vitality, animation, presence, clean fine limbs and supreme quality. Soundness is required.

5. Horses may show with a braided mane and tail. Braids maybe secured with tape, yarn or rubber bands.

6. Decorations are prohibited.

7. Extreme speed must be penalized.

**AL143 Appointments**

1. Bridle shall be light, show type; either single snaffle, double (full) or Pelham. Kimberwicke bit is permitted. Browbands and cavessons other than hunter or dressage types are permitted. Unconventional tack such as figure eight, drop, or flash nose bands are prohibited.

2. Saddles shall be any type Dressage or all purpose English. Girths of either leather, white web, nylon string or suitable material.

3. Breastplates are allowed.

4. Traditional hack attire consists of conservatively colored coat, breeches and boots. A conservatively colored hunting cap or derby is required.

5. Formal attire consisting of white breeches, top hat and tails may be worn. It is usual to wear such attire after 6:00 pm or in Championship classes.

**AL144 Qualifying Gaits**

1. A Show Hack shall be able to perform all of the gaits with a noticeable transition between the normal, collected, and extended gaits. The horse must be under complete control and easily ridden. Obedience to the rider is of prime importance. If the horse exhibits clear transitions in a balanced and level manner, appearing to be giving a comfortable and pleasurable ride, he is performing correctly for this class.

2. Walk, a four-beat gait: Straight, true and flat-footed. Normal Walk: Regular and unconstrained, moving energetically and calmly forward. Collected Walk: Strides are shorter and higher than at the normal walk. The head approaches the vertical, but should never move behind it. Pacing is a serious fault. Extended Walk: The horse is allowed to lengthen frame and stride while rider maintains light rein contact. The horse should cover as much ground as possible without rushing.

3. Trot, a two-beat gait: Free-moving, straight, rider maintaining light contact with horse’s mouth at all times. Normal Trot: Light, crisp, balanced and cadenced, with rider posting. Collected Trot: The horse’s stride is shorter and lighter, maintaining balance and impulsion. The neck is more raised and arched than at the normal trot as head approaches the vertical line, never moving behind it. Rider is sitting. Extended Trot: Maintaining the same cadence and performing at medium speed, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame. Rider is posting.

4. Canter, a three-beat gait: Straight on both leads, smooth. Normal Canter: Light, even strides, should be moved into without hesitation. Collected Canter: Marked by the lightness of the forehand and the engagement of the hindquarters, the collected canter is characterized by supple, free shoulders. Neck is more raised and arched than in normal canter as the head approaches the vertical line, never moving behind it. Extended Canter: Maintaining the same cadence, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame.

5. Hand Gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to difference in natural length of stride. The distinction between hand gallop and extended canter is, the latter being the ultimate linear extension of stride within the hand of the rider; the hand gallop being a looser, freer elongation of stride and frame of the horse. A decided lengthening of stride should be
shown while the horse remains controlled, mannerly, correct and straight on both leads. Extreme speed must be penalized.

2. Animated Trot - Natural and cadenced with impulsion and power from behind, the front airy and light. The action is balanced, bold and brilliant, characterized by free shoulder action. The horse is to have leg flexion with extension, the foreleg extending fully forward at full stretch with floating motion combined with hock action that is powerful and well raised, and the hind leg being brought forward with a driving stride. Loss of form due to excessive speed shall be penalized.

1. Horses are to be shown in show harness, bridle with blinkers, overcheck (with separate overcheck bit) or sidecheck, snaffle bit (straight or jointed) or liverpool bit, to a four wheeled, pneumatic tire show vehicle.

AL180  Qualifying Gaits
1. Park Walk - A lively, animated and graceful walk that could be loosely termed a four-beat gait, but which does not give the appearance of being a jog or a prance. It should be judged as a separate entity and not merely as a transition gait.
2. Park Trot - Executed in a highly collected manner. The horse’s energy should be directed toward animation rather than speed. This gait requires extreme knee flexion and use of the shoulder for balanced, graceful extension. It is most desirable that a horse go above “level arm” but it is not desirable to lose extension to the point where the horse does not significantly move forward. The hocks should remain well under and be lifted and not driven to the rear. The most desirable park trot gives a balanced appearance from front and rear.
3. At the command “show your horse” the driver has the privilege of showing the entry to its best advantage at the trot, but excessive speed shall be penalized.

AL181  Formal Driving Class Specifications
1. Entries are to be judged on performance, quality, manners, type and conformation.
2. The horse is to give a brilliant performance, with style, presence, finish, balance and cadence.

SUBCHAPTER AL-25  TRADITIONAL TYPE CARRIAGE DRIVING.
For rules governing the judging of Traditional Type classes, refer to the USEF Pleasure Driving rules.

SUBCHAPTER AL-26  ANDALUSIAN NATIVE (CONTEMPORARY) TACK AND ATTIRE.

AL182  General
1. Exhibitors shall enter the ring in a counterclockwise direction at the trot and shall show their horses at the walk, trot and canter both ways of the ring.
2. Entries are to be judged 50% on tack and attire and 50% on performance.

AL183  Appointments
Entries shall be shown under contemporary Spanish or Portuguese equipment. There are different styles of Spanish and Portuguese tack and attire, which are traditional and correct for the Andalusian horse. It is not correct in either of these two countries to mix attire and equipment (saddles) and should not be acceptable here in the U.S.
2. Spanish
   a. Saddle
      (1) For the Spanish, there are three major types of saddles: vaquera, royal or sidesaddle (vaquera or English), with variations of them all. The vaquera (albardon, jerazana) and vaquera sidesaddles are identical except the sidesaddle has leaping horns which may be on the left or right to the preference of the rider. The saddle is rectangular in shape covered with sheepskin, having a raised, rounded cantle at the back. It has a canvas under side and is placed directly on the horse without saddle pads. The colors of the leather showing at the cantle or pommel may be dark brown, black or natural. The stirrups are blackened steel, triangular in shape. Crupper strap to match.
      (2) The royal saddle (includes espanol and portrera) faintly resembles a dressage saddle from the side, but it has a raised cantle and pommel, the overall length exceeds the width of a dressage saddle. It is traditionally, not necessarily, covered in sheepskin. The stirrup is the triangular blackened steel. Crupper strap to match.
(3) Breast collars are only used, but not always, with side saddle and royal saddle, plain or covered with sheepskin. Silver is not used. Plain leather is preferred in Spain, though decorative tooling can be used with the Gala event attire.

b. Bridle and Bit
(1) The type of bit used is a blackened steel bit in snaffle, pelham, curb (shank), with low, medium or high port. In Spain, two sets of reins are used for the younger horse, one set attached to the leather covered or wrapped serretas at the nose band (serretas is a curved metal nose piece that is always covered with leather or wrapped to cover the sharp metal points and attaches to the nose band with two rings to attach reins), the top rein coming from the nose band and the regular reins coming from the mouth (snaffle or shanked blackened solid bit) or with the pelham. A leather-covered muscarola (serreta without ring attachments) may also be placed on the nose band depending on the training level of the horse.

(2) The bridle leather is dark brown, natural or black to suit the horse with or without throat latch. Vaquera without throatlatch, royal and sidesaddle with or without throat latch. Plain leather is preferred in Spain, though decorative tooling can be used with the Gala event attire. All hardware is of blackened steel. With each of the three types of saddles, an appropriate bridle will have a brow band with a mosquero (fly screen) made of long leather fringe or of horse hair (having three circles in a pyramid at the top and tassels) not to extend below the nose band.

c. Portuguese
(1) Saddle
(a) For the Portuguese, there are three major types of saddles: Portuguesa (bullfight style), Dressage (Portuguese or English style) or sidesaddle (Portuguese or English style) with variations of them all. The Portuguesa (bullfight) saddle has a high cantle and pommel in the front. The front and back slope in wings down to hold the leg firmly in place. This is a bull fighting saddle made to hold the rider in place. The seat of the saddle may be rough-out leather of varying colors or smooth leather.

(b) The Portuguese saddle will at least have a loin pad of leather (or animal skin) between the saddle and the crupper. If the rider is in eighteenth century attire, the saddle covers (silk) will have great embroidery in designs to suit the rider’s attire.

(c) The stirrups are either brass or chrome, oval shaped under the foot or close-toed, rectangular (box) wooden stirrups with brass or chrome overlays in varying degrees of intricacy to match the leather accessories.

(d) Breast collars and crupper to match bridle. Saddle pad may be used but must conform to the outline shape of saddle.

(e) Dressage (Portuguese) to be advised.

(f) Campino equipment to be advised.

(2) Bridle and Bit
The bridle is a flat, brown, natural or black leather, with wide buckles of brass or silver (chrome, nickel) at all adjustment points. There are different styles of bridles, flat plain (simple), half-presentation (a little fancier) or full presentation (very decorative and ornate with feather penacho). A white leather bridle is used for exhibition only. No mosquero or fringe is allowed. The bit to suit the horse. Stylized brass and chrome bits are used to match with presentation equipment.

AL184 Attire.
1. Spanish
   a. Vaquera, Feria, Gala or Exhibition: the attire for the rider in the vaquera or royal saddle, male or female is almost identical.

   (1) Traditionally the high waisted short jacket is of conservative colors, dark or light grays, blues, burgundy, greens browns and tans. May be solids, hounds tooth or faintly striped. Black jackets are generally for evening events. The jacket ends above the waist and has five buttons on each sleeve angled from the wrist lightly back towards the elbow. If the jacket is that of vaquero style, it has five buttons down the front and two side pockets. The jacket is worn open for the women and buttoned at the top button for the men. It has no collar and no cuff. The female style may
have a small collar. Some exhibition and gala jackets do not have buttons, they may have black or contrasting trimmings, embroidery, and a vest may be worn.

(2) The pants rise high into the waist and have suspenders to hold the pants at this height. The pants are of the color that compliments the color of the short jacket, dark gray with a black stripe, brown stripes, green stripes, navy stripes or solid colors. The pants are of two different styles, pantalon and calzona depending on the discipline in which the rider is riding. Pantalon style ends with a turned up white cuff and the calzona at mid calf panel with buttonholes, in which dangles a grouping of silver or natural material ornaments, called cariles. There is no belt worn. A colorful scarf or sash is worn around the waist and tied on the right side.

(3) The shirt is plain white with a turned down collar (not button down), for the men and lightly ruffled for the women.

(4) The hat is flat crown, with flat brim. Conservative color to match the attire of the rider. The hat should be a darker shade of color. Black and shades of grays are the most used. Protective headgear may be worn without penalty (see GR318.4).

(5) There are two styles of boots. Boto compero are tall, rough out, low heeled boots and worn with pantalon style pants (white cuff). Botins are ankle height, rough out boots always worn with half-chaps called polainas and these are worn with the calzone style pants. Boots are of natural leather (brown) never black. The polainas are plain or tooled to varied degrees with fringe at the top of the spat (which is worn under the pant).

b. For the side saddle rider (Amazona)

(1) Wears the same styles of jackets as described above.
(2) The skirt is to match the jacket in conservative colors or in black, long full skirt with large pleat, buttoning the back for walking.
(3) The shirt is white as above or with stand up collar and ruffles. The rider wears conservative single stud earrings.
(4) The flat hat as described above to coordinate with the jacket worn or the Calanes hat, with the hair covered with colorful scarf in a hair net (madroero). Protective headgear may be worn without penalty (see GR318.4).
(5) Her boots are dark boto compero or black.
(6) She will carry a whip to the off side absent the leg. The overall look is subdued elegance.

c. For “A La Grupa”

(1) The male rider wears the attire of the above vaquera riders.
(2) The feria dress is worn when the woman is riding a la grupa only. She should have flowers in her hair, bracelets of the color of her dress on her arm, earrings also matching the dress. Gold and diamonds are not appropriate. Colorful plastic is in order. She should have a fringed scarf, which makes a “V” at the back of the dress emphasizing the plunge of the back (and pinned into place), and pinned in the front of the bust. The fringe should either lightly flow over the ruffles of the shoulder or be completely contained in the front and in the back.
(3) She will sit fully to the left or right, putting her right or left arm around the waist of the male; with her left or right hand under the tiers of flounces holding onto the crupper. She is sitting on a small pad, which is held in place by the crupper, which passes through the under side of the pad.

Feria (Flamenco) dress is not permitted to ride astride or sidesaddle. It is not native to Spain.

2. Portuguese.

(1) The coat, called the casaca, reminiscent of French court of Louis XV and Louis XVI is traditionally of rich and vibrantly colored satin or silk but may also be of fine velvet, heavily embroidered along the front, at the cuffs, and down the back. Attached to the cuffs here is deep lace. There is a black ribbon from the top of the coat at the center of the head. There is a single vent in the back. The rider wears a vest embroidered to compliment the coat.
(2) The shirt is white and plain with lace showing at the collar.
(3) The pants are white, beige, blue or black to compliment the jacket.
(4) The boots (Frederica) extended in height to the knee the front of the boot is cut in a “V” shape. The shelf-heel on which the spurs rest and square toe. White stockings are worn above the knee.

(5) A black tri-cornered hat, edge trimmed in white feathers, is worn. Protective headgear may be worn without penalty (see GR318.4).

b. Women’s attire riding sidesaddle or astride (Amazona propriamente dita or para esarranchar).

(1) Jackets have various characteristics. The main characteristics are two-pointed lapels, two fitted pockets with vertical openings, top of sleeves near the shoulder full (almost ballooning), cuff-less and silk lining in tone with color of jacket. Colors of jacket somber colors in nature, browns, beiges, greens, burgundy, tweeds and black. It is sometimes adorned with trimmings around the edges and designs on the back. Material is usually of wool, raw silk or fine velvet. No buttons on the jacket for the side saddle rider but the astride rider may use a cavaleiros style jacket if they wish. Trims and designs are of a contrasting or a coordinating color.

(2) The skirt is to match the jacket in conservative color or in black, long full skirt with large pleat, buttoning in the back for walking. The astride rider has a split skirt that covers the riding patalone (breeches) of the same color as skirt. The skirt fits snugly on the hips and may have a high waist, buttoning on the side or in the middle, slit from the top of the thigh front and back in a way to open over the saddle when riding and conceals the breeches when dismounted.

(3) Shirt with a small collar embellished with a jabot of lace or cotton. Collar is decorated with a brooch or black satin bow. Two or four buttonholes are at the collar and are closed with collar links. A variety of styles may be worn by the astride rider. Cuffs may be plain or lacy. Shirt must always be white. Satin cummerbund with horizontal pleats complimenting the outfit is worn; also acceptable is a satin or cotton sash wrapped around the waist as in the cavalerios dress. A waistcoat (vest) may be worn but always the cummerbund or sash to harmonize with the outfit or in black. Gloves must always be worn with these two outfits.

(4) Amazona hat has an upturned brim, a slightly indented convex crown and is adorned with two silk pom poms (country hat). Astride rider may also wear the cavalerios style of hat. Protective headgear may be worn without penalty (see GR318.4).

(5) Boots may be that of the cavalerios or above ankle boot with button or lace closure. Black or brown.

c. Horsemen’s Riding Attire. (Caveleiros)

(1) The jacket is cropped short at the waist or slightly below, cut straight across the back at the waist. A variety of collar styles: shawl collar, two-pointed lapels, polo type, round band. Double breast lapels or simply collar-less. Two-pointed lapel collar frequently has velvet or velveteen on the upper half. Material is also varied from fine wool and velvet to cloth of various textures and ranging from light to dark colors of somber tones. Some jackets have applications of different fabric and color on the front (pockets, etc.) and elbows of the sleeves. The jacket has two breast pockets; edges bound or trimmed and show a glimpse of the lining. Sleeves are cuff-less and plain or may have a stripe of fabric with buttons mounted. Buttons (if used) are of silk braiding, silver braiding, glass, horn, wood, bone, silver or modern materials usually with a foot (not holes) or frog and loop.

(2) The Portuguese pants are straight cut without cuff falling to the ankles. The waistband is high snugly fitting button of fly hidden with flap, but three buttons visible rising above to the waist. Two small horizontal pockets at the waistband. Buttons to attach suspenders. Material of pants should be of wool or cotton blend and of the same tone or lighter tone than that of the jacket. Breeches can also be worn of the same or lighter complimentary tone of the jacket; buttons are usually sewn along the lateral seam to the taste of the wearer, with long stockings showing above the boot.

(3) The shirt is plain white with a turned-down collar, fastening could be single or double closures of plain or covered buttons or collar links of enamel up to a gold or silver, with or without precious stones. Also “Sunday best” has a wide ruffled front with or without pleats or with or without lace. Buttons may be plain or decorative. Sleeves are large and roomy ending in simple or double cuff.
Waistcoats have different shapes of neck to suit the wearer. Can be single breasted, double-breasted, with or without collar as the jacket dictates. Usually the front is made of the same fabric as the jacket. Some have pockets. The sash is placed over the waistcoat and the waistband of the trousers. The color is black for cavalerios. Silk, wool or cotton wrapped snuggly around the waist with fringed amount to the left. The sash is two meters long and 30 cm wide. No scarves or bandana. Gloves are optional.

Colors in black, gray or brown.

The half-boot, with the top shorter than the above “Frederica”, is a greased calf boot with shelf-heeled, squared or rounded toe, and may have closures laterally by a system of pins and loops, small leather laces. More formal may be in patent leather with higher quality design with shelf-heel. Ankle boot with leather gaiters with pin and loop or lace closure attachments. 2. Trot: Animated, natural, and cadenced, with impulsion and power from behind, the front airy and light. The animated natural trot is extremely bold and brilliant, characterized by free shoulder action. The trot should appear effortless and be executed willingly with apparent ease. The action should be balanced and cadenced. The trot should be a true two-beat diagonal gait. Mixed gaits, pacing or racking must be considered major faults.

3. Canter: true, three beat gait, collected, animated, smooth and unhurried. The movement light and airy with more elevation in the front. The horse to be balanced, supple and mobile. To be straight on both leads.

AL191  Required Movements

1. Shoulder-in: the horse is slightly bent to the inside track. The horse's inside foreleg passes and crosses in front of the outside leg; the inside hind leg is placed in front of the outside leg. The horse is looking away from the direction in which it is moving. Shoulder-in, if performed correctly with horse slightly bent and at the correct angle, is not only a suppling movement but also a collecting movement. Shoulder-in is performed along the wall at an angle of about 30 degrees to the direction in which the horse is moving.

2. Travers: the horse's haunches are carried slightly to the inside track, with the horse looking in the direction in which it is moving. Travers is performed along the wall or preferably on the center line at an angle of about 30 degrees to the direction in which the horse is moving. The horse's outside legs pass and cross in front of the inside legs.

3. Renvers: this is the inverse movement to travers with the tail instead of the head to the wall. The same principles are applicable as at the travers.

4. Half-Pass: this movement is a variation of travers executed on the diagonal instead of along the wall. The horse although slightly bent, should be as close as possible to parallel to the long side of the arena, while maintaining the forehand slightly in advance of the quarters. The outside legs pass and cross in front of the inside legs. The horse is looking in the direction in which it is moving. The horse should maintain the same cadence and balance throughout the whole movement. In order to give more freedom and mobility to the shoulders which adds to the ease and grace of the movement, it is of great importance not only that the horse is correctly bent and thereby prevented from protruding his inside shoulder, but also to maintain the impulsion especially the engagement of the inside hind leg.

5. Turn on the haunches: this movement is a schooling exercise which can be executed from the walk and is preparatory for the pirouette which is executed out of collected gaits. The horse's forehand moves in even, quiet and regular steps around the horse's inner hind leg while maintaining the rhythm of the walk. In the half turn on the haunches, the horse is not required to step with its inside leg in the same spot each time it leaves the ground but may move slightly forward. Backing or loss of rhythm is considered a serious fault. This movement may be executed through 90, 180 or 360 degrees.

6. Pirouette: the pirouette (half-pirouette) is a circle (half-circle) executed on two tracks with the radius equal to the length of the horse, the forehand moving round the haunches. Pirouettes (half-pirouettes) are usually carried out at the collected walk or canter but can also be executed at piaffe. At the pirouette (half-pirouette) the forefeet and the outside hind foot move round the inside hind foot which forms the pivot and should return to the same spot, or slightly in front of it, each time it leaves the ground. At whatever pace the pirouette (half-pirouette) is executed, the horse slightly bent in the direction in which it is turning should, remaining on the bit with light contact, turn smoothly maintaining the exact same cadence and sequence of footfalls of that pace. The poll stays the highest point during the entire movement. During the pirouette (half-pirouette) the horse should maintain its impulsion and never move backwards or deviate sideways. If the inside hind foot is not raised and returned to the ground in the same rhythm as the outside hind foot the pace is no longer regular. In executing the pirouette (half-pirouette) in the canter, the handler should maintain perfect lightness of the horse while accentuating the collection. The quarters are well engaged and lowered and show a good flexion of the joints. The quality of the pirouettes (half-pirouettes) is judged according to suppleness, lightness, cadence and regularity and to the precision and smoothness of the transitions; pirouettes (half-pirouettes) at the canter are judged also according to the balance, the elevation and the number of strides (at pirouettes 6-8, half-pirouettes 3-4 are desirable).

7. Piaffe: the piaffe is the most collected of the trot paces. The horse shows an elevated and cadenced trot on the spot, with the quarters slightly lowered. The horse should demonstrate great freedom and mobility of all the joints as he moves each diagonal pair of legs.

© USEF 2007
The toe of each foreleg should be raised to halfway up the cannon bone of the other front leg; and the hind legs, showing great activity, should lift each hind toe to just above the opposite hind fetlock. The horse must always have the desire to move forward and show a lively impulsion while remaining lightly on the bit.

8. Passage: the passage is a very collected, very elevated, cadenced trot. The horse shows graceful, springy steps with a prolonged moment of suspension. The knees and hocks are highly flexed as the quarters are more engaged and the horse remains lightly on the bit. When this movement is established, the horse should then be able to move from piaffe to passage and back to piaffe without any apparent effort, loss of rhythm or cadence.

AL192 Required Tests
1. Level One: Novice
2. Level Two: Intermediate
3. Level Three: Advanced
5. Optional Tests: To be used if a Dressage arena is not available. Required elements may be done in random order (except halt and salute at entry and exit). 3. At the judge’s discretion, individual work may be required.

Walk-Trot Equitation – 10 and Under
1. Junior exhibitors will not be allowed to show in Walk-Trot Equitation after exhibiting in a three-gaited class. May not exhibit in any other class except In Hand.
2. Entering the ring in a counterclockwise direction at the trot, horses will work at a walk and trot both directions of the ring.
3. Qualifying Gaits: Walk and trot both ways of the ring. Horses will be asked to back. Three or more lope or canter strides are cause for disqualification.

5. Attire as appropriate to Saddle Seat, Hunt Seat, Western, Spanish or Portuguese. (See related Sections above.)
6. The exhibitor will be judged on his or her basic position in the saddle: Hand-Leg-Back position. Exhibitor will also be judged on his or her ability to govern, control and properly exhibit the horse.
7. No stallions are permitted.
8. 1/4" shoe pads will be permitted on horses in this class. These horses, if padded, may not show in any other class except Lead Line Equitation and Leadline-non judged.

Junior Exhibitor Showmanship In Hand
The showmanship class shall be judged strictly on the exhibitor’s ability and emphasis shall be placed on the handler’s ability to prepare and present the horse safely, correctly and elegantly. The conformation of the horse is not to be judged, since the horse is considered a means of displaying the abilities of the show person. The ideal showmanship performance consists of a poised, confident, appropriately attired exhibitor leading a well groomed and conditioned horse that quickly and efficiently performs the required movements with promptness, smoothness and precision. Horses shall be presented in the Andalusian show stance (refer to AL 105.2).

1. GENERAL
   a. Judging is based on 50%-Presentation of the horse and showmanship skills, 40%-Condition, grooming and fitting of the horse, 10%-Appearance and grooming of the exhibitor.
   b. Unsoundness of the horse being shown shall not penalize a handler unless it is sufficiently severe as to impair the required performance, in which case the penalty is at the judge’s discretion.
   c. Stallions are not permitted.
   d. Horses may be presented either English or Western.
   e. Showmanship pattern must be posted at least one hour prior to the class.

2. APPEARANCE OF EXHIBITOR-10%
   a. Attire-Boots or dress shoes are to be worn, no tennis shoes; long sleeved shirt or blouse is mandatory. No Denim is permitted. Long hair should be neatly pulled back. Sweater, vest or jacket, gloves and ties are optional. Informal but neat attire should not be penalized.

3. CONDITION, GROOMING & FITTING OF THE HORSE-40%
   a. As per Halter Class Specifications
   b. Tack also as per Halter Class Specifications

4. PRESENTATION OF THE HORSE-50%
   a. As the judge moves around the horse, handler should position himself or herself so they do not obstruct the judge’s view of the horse. The handler shall use the Quarter System as explained herein. The horse should not be stretched. Horses must stand
square on front feet. Hind feet may either be square or have one rear cannon bone perpendicular to the ground.

b. Leading and Showing-The handler should follow the pattern used for the Halter Classes, with the addition of the Quarter System when standing the horse up for the judge. The horse shall be led from the left (near) side with the handler holding the lead strap in the right hand at a distance from the horse allowing for maximum control and presentation. Handler’s position when leading is midway between the head and shoulder of the horse. The remaining portion of the strap should be held safely in the left hand, and not wrapped around the hand. When moving away from the judge, the horse should be kept in line with the judge so the horse’s movement can be observed. The horse should be brought to a complete stop at either end of the line before turning to the right, away from the handler. The handler should appear alert until the entire class has been placed and the judge has submitted his card. The handler should be natural and avoid over showing, and respond promptly to requests from the judge or other officials. A light touch of the whip is permitted, if necessary. Courtesy and good sportsmanship should prevail at all times.

4. SHOWMANSHIP FAULTS
   a. Not following the judge’s instructions.
   b. Not showing the horse, but showing yourself.

   g. Not holding the lead shank correctly or jerking it excessively.
   h. Attire not clean and neat.
   i. Horses in poor condition, not clean or properly groomed.
   j. Improper tack.

6. QUARTER SYSTEM
   The Quarter System involves drawing imaginary lines bisecting the horse into four equal areas as shown in the drawing. They are numbered I, II, III, IV for identification. One line runs across the horse just behind the withers. The other runs from head to tail. When the horse is set up for inspection, the exhibitor stands in area IV. When the judge moves to area II, the exhibitor moves to area I. When the judge moves to area III, the exhibitor moves back to area IV. When the judge moves to area IV, the exhibitor moves back again to area I. An exhibitor should never stop directly in front of the horse, since this is a danger zone. When the judge is in the front half of your horse, you should be on the opposite side of the horse. When the judge is in the back of your horse, you should be on the same side of the horse.

SUBCHAPTER AL-38 DOMA VAQUERA-OPEN TO PUREBRED AND HALF-ANDALUSIAN HORSES

AL212 General

1. The combination (horse and rider) receiving the highest score at the IALHA National Championship Show in either the basic or intermediate level will not be eligible to compete at that level in future years.
2. Rider provides appropriate background music during the test, which is any Spanish or Latin guitar, Classical or Modern without vocals.
3. Arena size: Minimum 18 x 40 meters or 20 x 60 meters.
4. Participants will be called in a pre-established order. A participant who does not enter within one minute will be eliminated.
5. No comments can be made during contestant’s ride.
6. It is important the judge does not forget the ‘air or attitude of proudness’ of the vaquero. This is what defines and distinguishes Doma Vaquera from other disciplines.
7. The horse must walk with impulsion, the mosquero moving in rhythm with the horse.
8. The gallop must be steady and true, with impulsion and cadence, achieving all of the movements with an air more lively, than usually seen in working horses.

© USEF 2007
9. The rider should present to the judge his own style, not to copy other riders. The importance of the submission of the horse to the rider and not the reverse, adapting himself to the horse so that he does not irritate or confuse the horse.

10. One has to place value on the image of the rider but it does not override the overall impression of the horse and rider.

11. The movements made in the ‘aire vaquero’ should have the quality of spontaneity. Repetitive and monotonous movements will not be ‘Doma Vaquera’.

12. The basic movements required constitute approximately 80% of the score. The rest of the exercises and movements elevate and compliment the technical level of Doma Vaquera.

13. The judge should score accurately the basic movements, walk, trot, canter, and gallop of the horse in their notes. The judge may comment positively or negatively on the manner of each movement performed.

14. The rider should be given higher scores for the spontaneity, diversity, style, alternation of walk and gallop, obedience of the horse and the risk the rider assumes according to the combinations of distinct movements.

15. The rules specify:
   a. All movements are to be made on both reins and if not done on both, it will not be considered complete and the points will not be more than 5 points.
   b. There are coefficients in the basic movements that are inscribed on the score sheet. This is for the rider to realize the more important movements.
   c. One must place much importance on the entrance and execution of the initial presentation of horse and rider. Those that do not show the proper respect and dignity, the ‘air’ of Doma Vaquera, must not receive more than 5 points.

AL213 Judging Criteria

1. The judge will sit at the end of the arena opposite from where the exhibitors enter. Each judge will be provided with a scribe who shall have the proper scorecard. The scribe will record the judges scoring (0-10) and give the card to the judge for his final review. All combinations (horse and rider) will line up in the arena for inspection. If they do not pass with a sufficient (5) score, they will not be allowed to perform the pattern. Points will be calculated at the end of each ride. Scorecards will be available to the contestant following the completion of the competition.

2. The movements are graded on a scale of 0 to 10 by the judge. The highest point is 10 the lowest is 0. Decimals are not permitted. The movements described on the tests are obligatory and in no case will be modified or simplified. Movements that are not completed will be penalized ten points.

3. SCORING: The scale of points is as follows:
   a. excellent
   b. very good
   c. good
   d. rather good
   e. satisfactory
   f. sufficient
   g. insufficient
   h. rather bad
   i. bad
   j. very bad
   k. not executed

4. Freestyle: All the movements to be ridden are numbered in the order that they will be performed and listed on a score sheet to be given to the judge prior to the ride. The order and placement of the movements in the ring is at the election of the rider. Freestyle patterns must be submitted to the show management for delivery to the judge(s) one hour or more before the class starts. If the freestyle pattern is not submitted within the one hour or more time frame the rider must ride the prescribed pattern. No exceptions.

5. Rider that is eliminated is not able to claim a ribbon or award.

6. Eliminations:
   a. Entering ring before the signal.
   b. Entire horse exiting described arena during test.
   c. Evidence of fresh injuries or blood on the horse’s nose, mouth, back or sides.
d. Lameness of horse.
e. Abuse of horse in the show ring and/or evidence that an act of abuse has occurred prior to or during the exhibition of a horse in competition.
f. Improper attire or equipment to be penalized at judges discretion

h. Rider grabs reins in both hands. Use of two hands, except in case of Junior Horses wearing a bosal or snaffle bridle it is permissible to adjust rein length with free hand.
i. Fall of horse and or rider. A horse is deemed to have fallen when its shoulder and/or hip, and/or underline touches the ground.

7. The basic level recommended time to complete is six minutes
8. Intermediate and Advanced levels recommended time to complete is eight minutes

AL214     Appointments
1. Basic and Intermediate at a local competition: Any saddle and bridle may be used. Junior horses may be ridden in a snaffle with two hands on the reins. Advanced shall use the same appointments that are appropriate at the Regional/National Show.
2. Basic, Intermediate, and Advanced at a Regional/National Competition: A Spanish Vaquera saddle of black or brown. No saddle pad may be used. Brown stripe or black and gray stripe blanket, to be tied in front, without the farm brand. Black or brown headstall, with or without a throatlatch, and a leather or braided horsehair (Mosquero), is to be used. The bit is a black curb type bit. Spurs are optional, if used they shall be black with white or brown spur straps.
3. Special Considerations: The tail hair is either cut short or tied into a field knot. Long manes may be braided. No colored ribbons shall be used in the mane or tail. Martingales and leg protectors are prohibited. The horse may wear shoes or be unshod. Special sliding shoes are prohibited.

AL215     Attire
1. Basic and Intermediate at a local competition: Appropriate wardrobe is to be worn and the judge will have the final word on allowing an entry to show. The rule should apply for the particular discipline that is listed in the IALHA rule book. Advanced shall use the same attire that is appropriate at the Regional/National Show.
2. Basic, Intermediate, and Advanced at a Regional/National Competition: A TRAJE CORTO jacket in solid black or dark brown. The black jacket shall be worn with gray and black striped pants. The brown jacket (Calzona) provided that the silver ornaments (Caireles) are removed and the cuffs of the pants are turned up. A black Sevillano hat may be worn with gray striped pants and a brown Sevillano hat may be worn with brown pants. Also acceptable are jackets of grey, blue, green, and earthy colors. Female riders would wear the same attire or with a split skirt, but shall not have flowers or ornaments in their hair.

AL216     Gaits and Maneuvers.
1. Reins are held in the left hand with the little finger between them. This is the only correct position and any other is considered a grave fault. The right hand is only used to adjust the length of the reins. The right hand is to be placed on the thigh with the thumb forward in the walk and trot. At the canter and gallop the right hand is crossed in front of the chest.
2. One may not use the voice for aiding the horse, heavily penalized by the judge.
3. Contestant enters ring on right lead stopping in front of judge and saluting. This is also repeated at end of ride El Paso (walk):
4. The walk is a fundamental movement of Doma Vaquera. The horse must go with rhythm, swinging the mosquero with impulsion and rhythm. The rider must show to the judge, without hurrying, straightness on a line and curvature on a circle.
5. Circles: Circles at a walk must describe a complete circle, with measured regularity of steps, roundness of the circle, and the aids and position of the rider.
6. Half passes: Made with correct aids, curving toward direction of travel with the forehand leading the posterior.
7. Full pass: This is a half pass with as little as possible forward movement.
8. Turns on forehand and haunches:
To be executed on a straight line, full turn, without losing impulsion, leaving in the same direction that it was initiated. The turn on the haunches at a walk is a classic movement. No rearward steps of the horse are allowed. Both are performed with constant cadence, head curved slightly in the direction of the turn. Horses will be penalized for not picking up their pivot leg.

9. Reinback:
Straight, minimum of 6 steps back and 6 steps forward.

10. Gallop:
The gallop, collected, working and extended, should be true and cadenced with impulsion, balanced and centered, and not on the forehand. Like the walk the rider should demonstrate to the judge with clarity and completeness the generousness and quality of his mount.

11. Flying changes:
Flying changes on the straight line constitute a secondary movement; it is a movement of adornment, of indisputable difficulty correctly executed.

12. Counter-canter:
Counter canter done from a straight line or from a circle.

13. Rollbacks:
Rollbacks are executed from good working gallop, the horse is well under himself, lifting his front and turning 180 degrees or 360 degrees, leaving with IMPULSION and the SAME lead that he initiated the exercise. The horse never stops moving.

14. Arrear:
Not simply an extended gallop but the horse initiates a gallop extending his neck and utilizing his strength to develop an energetic gallop in a short space. The rider slows the gallop, turns and extends again in the opposite direction repeating the collection and turn. This is simply not an extended gallop but with much effort and the judge will reward with his points the higher the risk.

15. Fast stop:
The fast stop should be made from an energetic gallop, reinback of at least 6 steps and leaving immediately on other lead, fast gallop, another fast stop with at least 6 steps of reinback. The final stop has to be made in front of the judge, the back legs well under the horse, immobile, and the horse obedient.

**AL217 Patterns**

Below are the patterns for each Doma Vaquera level. The Basic test is to be done as is listed, and the Intermediate and Advanced may do the pattern or a free style test, which is done only in the following manner. There are certain Required Elements and it is up to the exhibitor to choreograph his or her own ride. The free style pattern must be submitted along with the proper score sheet to the judge prior to the ride. These movements excluding the halt, salute, on entry and exit, may be done in any order. Freestyle patterns must be submitted to the show management for delivery to the judge(s) one hour or more before the class starts. If the freestyle pattern is not submitted within the one hour or more time frame the rider must ride the prescribed pattern. No exceptions

CHAPTER AR
Arabian, Half-Arabian, and Anglo-Arabian Division

For further information regarding the conduct of Arabian, Half-Arabian, and Anglo Arabian competitions, contact the Arabian Horse Association, 10805 E. Bethany Drive, Aurora, CO 80014, (303) 696-4500

SUBCHAPTER AR-1  GENERAL QUALIFICATIONS.

AR101  Eligibility to Compete.

1. Horses shown in this division must have been issued a certificate of registration from the Arabian Horse Registry of America, Inc., or the Arabian Horse Association as a Purebred Arabian and/or the Canadian Arabian Horse Registry (or in the case of a foreign entry, which has not been issued said certificate of registration, have been issued a Competition Visa by the Arabian Horse Association), or, if under one year of age, be eligible for registry, and registration applied for (Exception: AR246.1) and must be entered under their full registered name. (Only weanlings that have had registration applied for may show without registration papers.) A copy of the registration papers showing proof of ownership must be submitted with entry form at the time of making entry; competition management is responsible for notifying exhibitors of this requirement. A copy of the registration papers will be returned when exhibitors pick up their numbers. In the case of a sale or lease, it is required that a contract of the sale or lease, or statement from owner be submitted with the copy of the registration papers. (Exception: Horses under one year of age that are eligible for registry and registration applied for.)

2. Horses entered in amateur owner and junior owner classes must be registered in the name of the competitor or a member of the competitor’s family, as defined by GR122. (Horses registered in a farm/ranch/syndicate/partnership/corporation name may be shown in Amateur Owner classes provided the family is the sole owner of the farm or entity as defined by GR122. The sale of a horse does not eliminate this registration requirement. (Contracts of Sale or Bill of Sale will not be accepted.)

3. All entries, except entries in equitation and showmanship classes (See AR214.7 and AR223.2), must be serviceably sound. All entries must be in good condition. Horses with loss of sight in one eye may compete in performance classes only.

4. Horses must wear a long, natural, unbraided mane (with or without clipped bridle path), and a natural, unset, ungingered tail; AR101.5. The exception being that horses shown under Hunter, Jumper, Show Hack, or Dressage appointments are permitted to show with a shortened, pulled, braided mane and/or tail and cutting horses with a roached mane. The use of glitter on or in the mane, tail, hair or hooves is prohibited.

5. Ginger, Capsaicin, and Other Irritants.

a. No horse may compete in a class in the Arabian or Half Arabian/Anglo Arabian Division with a tail carriage that has been altered in any manner or by any means, including by application to its anus, vulva, rectal area or vaginal area of a chemical or other irritant of any kind. Violations of this Article are considered serious infractions, because such alterations constitute misrepresentations of the breed type.

b. No horse may compete in a class in the Arabian or Half Arabian/Anglo Arabian Division with any chemical or other irritant of any kind present on its anus, vulva, rectal area or vaginal area, regardless of the origin of the irritant and whether it was applied or its presence resulted from dietary, environmental or unknown origins, and whether the horse’s tail carriage was affected by its presence.

c. The trainer (see GR145 and GR404), owners, and their agents, of a horse entered to compete in a class in the Arabian and Half Arabian/Anglo Arabian Division are insurers of the horse’s condition and compliance with this Rule, and accordingly they are responsible and accountable for safeguarding the horse and controlling its diet and environment prior to, during and following the class, and at the time of the sampling provided for below, so as to prevent exposure to a chemical or other irritant of any kind, regardless of its origin, whether exposure was intentional, and whether the horse’s tail carriage was affected by its presence. These individuals/entities are subject to charges of rule viola-
tion should the sampling and testing provided for below be positive for the presence of a chemical or irritant of any kind.

d. Any trainer, owner, agent or other person who administers, attempts to administer, instructs, aids, conspires with another to administer, or employs anyone who administers or attempts to administer a chemical or other irritant of any kind onto the anus, vulva, rectal area or vaginal area of a horse entered to compete in a class in the Arabian or Half Arabian/Anglo Arabian Division shall be subject to penalties as provided for in (i) below.

e. Competition management is authorized, at its own expense, to collect swab samples and have tested substances present on the anus, vulva, rectal area or vaginal area of horses following their exit from the ring, in connection with a class in the Arabian or Half Arabian/Anglo Arabian Division as follows:

(1) competition management may choose all horses in such a class to be sampled, or may select one or more placings from the class for sampling, or may select some of the horses from such a class for sampling. In making such selections, competition management may act on the request of a judge of the class but is not required to do so;

(2) competition management shall appoint only a licensed veterinarian or veterinarians to supervise the sampling, who may utilize technicians working under direct supervision of the veterinarian(s);

(3) competition management shall implement the chain of custody required by the laboratory for identifying the horse from which each sample was taken;

(4) competition management is authorized to forward the samples for testing to the Iowa State University Laboratory or another comparable laboratory acceptable to USEF, and shall implement the chain of custody required by the laboratory for transporting the samples to and from the laboratory and while at the laboratory.

f. The trainer, owner, and their agents of a horse competing in a class in the Arabian and Half Arabian/Anglo Arabian Division must submit to the above sample collections performed by representatives of competition management, and they must do so with no unnecessary delays. They must cooperate with the sample collection personnel as defined above exhibiting polite attitude and actions toward them and must assist them by helping to restrain the horse properly during the sample collection(s);

g. In the event the laboratory reports to the competition management the presence of a chemical or other irritant of any kind in a horse’s sample, competition management shall forward to USEF the original copies of the laboratory report, the analytical data, and the documented chain of custody for identifying the horse from which the sample was collected and identifying the laboratory results as being from that horse’s sample.

h. Upon receipt of the above documents, USEF shall review those documents, relevant competition and Federation records, and shall determine whether this evidence serves as a basis for charges of rule violation against the horse’s trainer, owner, and/or their agents, pursuant to Chapters 6 and 7. Any charges issued shall be heard and determined by the Federation’s Hearing Committee pursuant to the procedures specified in Chapters 6 and 7;

i. In the event the Hearing Committee determines a violation has occurred, the trainer, owner and/or their agents each shall be subject to any and all penalties imposed by the Hearing Committee at its discretion pursuant to Chapters 6 and 7, including suspensions, fines, and the revocation and redistribution of winnings, notice or notices of which shall be published in Equestrian magazine. The suggested minimum penalty for a first offense is the revocation of all the horse’s winnings in connection with the entire competition in question, and a suspension of 60 days with a fine of $1000.00. Subsequent violations of this Article by any of the above individuals/entities shall be subject to such greater penalties as determined at the discretion of the Hearing Committee.

6. Horses must be shown without artificial appliances (see GR319.2). Anything that alters the intended use of equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance. This includes but is not limited to tongue ties and/or mouth ties (see GR319.2). Gag bits are prohibited (Exception: Jumper classes). Action produced by artificial methods shall be penalized. The use of chains, rollers or similar devices on the competition grounds during or before a competition are prohibited and the show committee shall bar violators from further participation for the remainder of the
competition, and they shall forfeit all entry fees and winnings for the entire competition.

7. Electronic communication devices used for the purpose of coaching, etc., between competitors and individuals outside the ring, shall be prohibited in all classes in the Arabian Division. Exempt from this rule are handicapped riders who have submitted written proof to the Federation steward.

**AR102 Breed Standards.**

Comparatively small head, profile of head straight or preferably slightly concave below the eyes; small muzzle, large nostrils, extended when in action; large, round, expressive, dark eyes set well apart (glass eyes shall be penalized in Breeding classes); comparatively short distance between eye and muzzle; deep jowls, wide between the branches; small ears (smaller in stallions than mares), thin and well shaped, tips curved slightly inward; long arched neck, set on high and running well back into moderately high withers; long sloping shoulder well laid over with muscle; ribs well sprung; long, broad forearm; short cannon bone with large sinew; short back; loins broad and strong; croup comparatively horizontal; natural high tail carriage. Viewed from rear, tail should be carried straight; hips strong and round; well muscled thigh and gaskin; straight, sound, flat bone; large joints, strong and well defined; sloping pasterns of good length; round feet of proportionate size. Height from 14.1 to 15.1 hands, with an occasional individual over or under. Fine coat in varying colors of bay, chestnut, grey and black. Dark skin, except under white markings. Stallions especially should have an abundance of natural vitality, animation, spirit, suppleness and balance.

**AR103 Shoeing Regulations.**

1. Horses less than two years of age must be shown barefoot. Horses two years of age may be shown with a shoe in accordance with AR103.2. However, the use of a pad(s) of any type or configuration between hoof and shoe is strictly prohibited.

2. Through November 30, 2008, any machine made shoe (keg), or handmade shoe made of magnetic steel, mild steel, aluminum, rubber or other non-metallic shoe is allowed. No part of the shoe may exceed the dimensions of 3/8 inch thick by 1 1/8 inches wide (nail heads and/or toe clips are not considered when measuring the shoe). Aluminum, rubber or other non-metallic shoes are exempt from the dimension requirements. The shoe may be of any type and configuration except in the case of a bar shoe, the bar may not extend below the ground surface of the shoe. If a shoe band is used, it may be attached to the shoe, or the pad if present.

3. Maximum length of toe is 4 1/2" for purebred Arabians. Maximum length of toe is 5" for Half-Arabians and Anglo-Arabians.

4. The use of pad(s) (either full or partial, including rim) made of leather or plastic, is allowed as long as the overall length of toe measurement (See GR510) does not exceed the maximum toe length of 4 1/2" for purebred Arabians or 5" for Half-Arabians and Anglo-Arabians. The introduction of a foreign material within the pad, between the pad and shoe or between the pad and hoof (other than accepted packing material such as oakum, pine tar, silicone, foam rubber, etc.) designed to add additional weight or enhance action is strictly prohibited. Material with anti-concussive qualities (such as rubber, silicone, latex, etc.) may be used between the pad and hoof for additional support, provided such material does not extend beyond the inner rim (edge) of the shoe.

5. At the discretion of a judge or a steward officiating at a licensed Arabian competition, or at the request of the Show Committee (See GR1201) inspection (including measuring the shoe, measurement of hoof length, and presence of a pad) of shoes, pad(s) and/or hoof length may be required. Shoes and pads, if present, cast after entering or before exiting the arena in any class shall be inspected.

Said inspection shall be performed by a licensed steward or judge designated by the Show Committee (The Show Committee may at its discretion designate more than one licensed official to perform inspections). Any trainer, exhibitor and/or agent of a horse subject to the inspection each may request to be present and hear while said inspection is being performed by said licensed official(s). Prior to any disqualification and/or other penalties imposed on a horse at a competition, the inspecting officials shall make reasonable efforts to notify and have present the owner(s) and trainer(s) of said horse, or agent(s) at the inspection.

The inspecting officials shall take possession of any shoe, and/or pad and measure the shoe with an accurate gauge. Measurement of hoof length shall be made in accordance
with GR510. In the event that the inspecting officials find a violation of the shoe measurement, hoof length and/or pad presence the horse shall be disqualified for the entire competition, and the owner shall be required to forfeit all prize money, sweepstakes and trophies, entry fees, ribbons, and points won at said competition by said horse. Additionally, if any forbidden foreign material is found between the pad and/or shoe, or pad and hoof, within the pad, and/or the pad composition is in violation of AR103.1, the steward shall file a charge against the owner(s) and trainer(s) with the Federation Hearing Committee in accordance with GR604 and a hearing shall be held in accordance with General Rules, Chapter GR6. The trainer of a horse found to be shod with any forbidden material as described, is subject to whatever additional penalty or penalties are assessed by the Hearing Committee following a hearing. Said trainer may be fined and/or suspended from all competitions for a period of up to one year for the first offense, said suspension to be served at any time at the discretion of the Hearing Committee. The horse may be suspended for any period of time specified by the Hearing Committee.

6. All horses competing in the Arabian, Half-Arabian, and Anglo-Arabian Hunter, Jumper, Dressage, Eventing, Combined Driving, Working Western, Reining Seat Equitation, Carriage Pleasure Driving and Sport Horse Sections shall be exempt from shoeing regulations. This does not exempt horses that are cross entered into any other classes from compliance with applicable shoeing requirements while competing in those classes.

AR104 Requirements for Competition Management.

1. Only one class (rated or unrated) may be adjudicated concurrently in one arena at one time, only one set of placings awarded for that class (Exception: Working Hunter, Trail, and Sport Horse In-Hand may be run on open cards. Horses in Working Hunter classes would still have to be trotted for soundness for each class when required). A split arena is considered more than one arena.

2. Competitions may offer classes restricted to Arabians and/or Half-Arabians and/or Anglo-Arabians. The breed restrictions must be clearly published in the prize list for the benefit of all potential exhibitors.

3. All futurity classes are indicated as local unrated classes. Procedures for conduct of futurity classes must be printed in the prize list. Show Committee may state these classes are run under same specifications as Federation rated classes. These classes may not be designated qualifying classes for any Championship (Exception: Futurity Championships).

4. Classes may not be added to a competition following distribution of the prize list unless they are added in accordance with GR1404. “To be announced” class time slots may be offered so long as potential classes and available time slots are listed in the prize list.

AR105 Conduct and Specifications.

1. In performance and breeding/halter classes, an exhibitor is entitled to only one time out per class (See GR312). (Exception: See Hunter Rules AR144 and HU123.6; Jumper Rules AR152 and JP133.6; Dressage GR312.9; Hunter Seat Equitation EQ110.4; Reining RN103.5; Stock Seat Equitation and Western Horsemanship GR312.2).

2. Any action(s) against a horse by an exhibitor, which are deemed excessive by a judge, Federation steward or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the show committee. Such action(s) could include, but are not limited to excessive use of whip, spurs, or bamboo poles.

3. Judges must eliminate from judging consideration any horse who shows aggression or discontent toward its handler, rider or any person in the ring.

4. Horses showing signs of undue stress or inhumane treatment must be penalized. The exhibition of a horse that has a cut or abrasion showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area must be considered to be ineligible to receive an award in that respective class. Judges must excuse from the ring any horse that possesses a whip mark (welt) on any portion of the horse. A whip mark or welt is an inflammation of skin and subcutaneous tissue resulting in a swelling and in extreme cases is an abrasion or laceration. The cardinal signs of inflammation include heat, pain, (sensitivity to palpation) and swelling. The judge(s)’ finding of fact with respect to the presence or absence of a whip mark (welt) evident during a class shall be final and no appeal may be taken thereon. The judge(s) shall make written findings of fact which shall be delivered to the Federation steward with respect to any horse
excused under this rule. In a class that is judged by more than one judge, if a judge in that class believes that an entry has a whip mark, that entry must be examined by all judges of that class and each judge must determine if a whip mark exists. If a majority of the judges of that class determine that a whip mark exists, then the entry must be excused from the ring, according to the specifications set forth in this Rule. If a majority of the judges determine there is not a whip mark, then each judge who is of the minority opinion shall submit his or her own written findings of fact and shall have the authority to eliminate said entry from further consideration.

**SUBCHAPTER AR-2 BREEDING/GELDING IN-HAND CLASSES.**

**AR106 General.**

1. Horses must be serviceably sound i.e., horse must not show evidence of lameness, broken wind or complete loss of sight in either eye (See GR1204.4). Transmissible weaknesses shall be considered a serious fault in breeding stock. Colts and stallions two years old and over must have both testicles descended. A wry tail or one carried in an unnatural fashion is a breeding fault, and judges must consider it as a fault in adjudicating breeding and in-hand classes.

2. Breeding/In-Hand classes for geldings may be offered. To be shown and judged under the same provisions as the breeding/in-hand horse.

3. A suitable headstall equipped with a throatlatch is mandatory. Horses shown braided must be shown in Hunter, Show Hack, or Dressage appointments (See AR143.1, AR132.1, and DR121 respectively) or in a leather stable halter. A whip or crop is optional, at the discretion of the handler (See GR320). One whip or crop per handler allowed, however, whips are not mandatory and handlers are allowed to use items such as grass, hat and/or treats to maintain horse’s attention. Whips are to be no longer than 6’ including snapper or lash. No appendages of any kind are permitted on the end of the whip (e.g., plastic or paper bag, ribbons, etc.).

**AR107 Conduct and Specifications.**

1. The following procedures shall be followed in all breeding classes, including Gelding In-Hand classes:
   a. At all AHA Regional and National level competitions, the order of go shall be determined and posted by the birth date oldest to youngest, including post entries. The procedure (for selecting the order of go) may be used at other recognized competitions at the discretion of competition management. All in-hand classes will be conducted as Breeding and Gelding In-Hand Classes.
   b. Horses shall enter the arena in-hand at a relaxed walk (a four-beat flat-footed gait), guiding in a counterclockwise direction. Each horse shall clear the gate at a walk before striking the trot. Failure to completely clear the gate at a walk shall require the horse to re-enter at the proper walk. The horse shall then strike a trot until reaching its designated position in line, as directed by the ringmaster judge(s).
   c. Horse shall then be asked to walk counter-clockwise and/or clockwise at the discretion of the judge(s), in a relaxed manner on a loose lead with the handler at the side of their horse, whips down. The leadline must maintain a clearly discernible drape, i.e., the handler must not place their hand on the chain or close enough to in any way restrict natural head and neck motion. Also, the handler may not unnecessarily impede the forward motion of the horse while at the walk.
   d. All horses to walk on the rail [or area designated by the judges(s)] at each direction past each (and all) judge(s).
   e. Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses.
   f. Following the cessation of the walk, horses shall be presented to the judge(s) individually in accordance with the order of go. Horses shall be led individually to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following evaluation by the judge(s), horses shall walk and trot away from the judge(s) direction and resume their place in the line.
g. The horses “on deck” and the two next horses shall be the only horses allowed to prepare of those horses in the line, this to include controlled shanking for the purpose only of positioning the horse for presentation to the judge(s). Any further shanking shall be limited to that reactive to an unruly horse in order to regain control of that horse.

h. There can be NO contact of the whip to the horse. ANY contact shall result in elimination by the judge.

i. A horse that appears to be intimidated by its handler will be penalized. This may include but is not limited to, crouching, cowering, quivering, withdrawing and buckling their knees. Judge(s) may excuse any entry deemed in violation of any of these restrictions.

j. Final comparative judging requested by the judge(s) shall be entirely at their discretion, however, under all the aforementioned guidelines.

2. A horse must be handled and shown throughout an entire class by only one and the same person, except that a substitute handler may be used if, during a class, the original handler becomes ill or is injured. Time allowed for the change of handler shall be in accordance with General Rules, GR312. No handler may show more than one horse per class.

   a. Colt/Stallion, Filly/Mare Breeding Classes. Emphasis shall be placed in the following order of importance: type, conformation, suitability as a breeding animal, quality, movement, substance, manners, and presence. When Colt/Stallion and Geldings are judged together, the above class specifications will be used except that Geldings shall not be judged on suitability as a breeding animal.
   b. Gelding In-Hand Classes. Emphasis shall be placed in the following order of importance: conformation, type, quality, movement, substance, manners, and presence.
   c. Transmissible weakness shall be considered a serious breeding fault in breeding stock. Colts and Stallions two years old and over must have both testicles descended.

4. In-Hand horses are not to be stretched. A horse is considered not stretched if all four feet are flat on the ground and at least one front and one rear cannon bone is perpendicular to the ground.

5. Excessive use of the whip or actions that may disturb other entries shall be severely penalized.

6. Additional causes for mandatory elimination from the arena are
   a. removal of eyelashes,
   b. changing the natural color of the mane and/or tail (See GR319),
   c. balding the area around the eyes or proximal to the muzzle and nostrils. A judge may penalize an entry with excessive amounts of oil, grease or other substances so as to cause an unnatural appearance;
   d. No product shall be applied to a horse’s hoof to hide or conceal a conformation defect. Only clear or transparent products may be used on the hooves of horses while being shown in Breeding and/or In-Hand classes.

AR108 Championships.
1. Show Champions and Reserve Champions shall be at least two years old and are selected as outlined in GR335.5. Purebred yearling geldings may compete for Champion gelding.
2. Walking horses quietly on the rail is optional at the judge’s discretion.

AR109 Get of Sire and Produce of Dam.
1. In Get of Sire and Produce of Dam classes, each entry shall be comprised of at least two horses, entered under the name of the sire or dam, one handler per horse. More than one entry per sire or dam shall be permitted in the same class.
2. To be shown and judged under the same provisions as Breeding/In-Hand classes (See AR106 and AR107), except a walk or trot is optional, at the judge’s discretion. Ribbons to each horse comprising an entry which receives an award.
3. Emphasis is to be placed upon reproductive likeness, uniformity, quality of breed characteristics, conformation and similarity.

AR110 Most Classic Arabian.
1. Open to purebred stallions, mares and geldings, two years old and older.
2. To be shown in hand at an animated walk and trot both directions of the ring. Horses should enter the ring at a trot and remain on rail during the judging. Individual horses may be pulled into the center of the ring for further judging. Only the first place ribbon to be awarded.

3. Emphasis is placed upon type, presence, animation, carriage and conformation.

AR111  Classic Head.
1. Open to purebred stallions, mares and geldings. When only one Classic Head class is offered, the entries shall be two years old and over.
2. Horses must be shown in a plain, unmarked sheet or cooler.
3. To enter the ring at a walk and line up for further inspection.
4. The head shall be comparatively small with the profile of the head straight or preferably slightly concave below the eyes. The muzzle shall be small with large nostrils, extended when in action. The eyes shall be large, round, expressive and dark, set well apart. Glass eyes shall be penalized. There should be comparatively short distance between the eye and the muzzle with deep jowls, wide between the branches. Correctness of bite must be considered. The ears shall be small (smaller in stallions than mares), thin and well shaped, tips curved slightly inward.

SUBCHAPTER AR-3  PERFORMANCE CLASSES.

AR112  General.
1. In all classes where horses compete collectively (except in Roadster) all horses shall be worked at all gaits both directions of the ring unless otherwise described by class specifications, and will be asked to reverse direction at either the walk (normal, collected, or extended), jog trot, or trot (normal or collected). Judges are required to consider the performance at each gait equally in adjudicating performance classes. At the judge’s discretion, horses shall change from any gait to any other gait as listed in class specifications.
2. Any performance class, except a championship class, may be divided at management’s discretion. When a class is divided, A) duplicate awards (including prize money) may be given, or B) management may direct that the top contestants from each group return to the ring for final adjudication (Exception: classes which require individual tests). If duplicate awards are given, horse and/or rider may not compete in more than one section of the class which has been divided. When more than 40 horses or riders are entered in a performance class in which horses compete together, the class must be divided. The method of dividing classes is at management’s discretion.
3. Workouts will be judged as a separate class and horses must be tied for placings being considered in that workout. Workouts may be called for by the judge for any or all placings. All horses chosen for a workout must be worked both ways of the ring at any gait listed in class specifications and requested by the judge.
4. Horses must come to the line up at the gait requested. In the line up, horses must stand quietly and may be asked to back individually or as a group. Horses not to stretch in the line up.
5. Side saddles permitted for ladies in all sections of the Arabian Division; appointments to be appropriate for the seat ridden.
6. Extremes of temperature or climate conditions as well as locale or time of day may modify the requirements for attire specified in various sections of this rule.
7. Bandages and boots of any type are prohibited (Exception: See AR150.2, AR194.10, AR239.2). In the event of injury, the judge may permit a protective bandage. In the case of inclement weather, competition management may permit the use of bell boots and/or protective bandages on the front legs (Exception: AR143.4).

Mixed gaits, pacing or racking must be considered major faults.
3. Canter: True, collected, animated, smooth and unhurried. The movement light and airy with more elevation than in Pleasure classes. The horse to be balanced, supple and mobile. To be straight on both leads. Loss of form due to excessive speed shall be penalized.

3. Strong trot, a two-beat gait: This trot is faster and stronger than the normal trot. It is performed with a lengthened stride, powerful and reaching, at a rate of speed which may vary between horses since each horse should attain his own strong trot in harmony with his own maximum natural stride. The horse must not be strung out behind. He should show moderate collection without exaggeratedly high action in front. He must present a willing attitude while maintaining form. The strong trot must be mannerly, cadenced, balanced and free-moving. Posting is required.

© USEF 2007
Entries will be eliminated by any fall of horse or rider during the class.

AR132 Appointments.
1. Bridle shall be light, show type; either single snaffle, double (full) or pelham. Kimberwicke bit is permitted. Browbands and cavessons other than hunter or dressage types are prohibited. Unconventional tack such as figure eight, drop, or flash nosebands are not permitted.
2. English saddle of any type is required. Girths of either leather, white web, nylon string or suitable material.
3. Martingales, breastplates not allowed.
4. Acceptable Hack attire is required. It consists of conservatively colored coat, breeches and boots. A conservatively colored hunting cap, derby or protective headgear is mandatory. Protective headgear may be worn without penalty. (See GR318) Formal attire consisting of white breeches, top hat and tails may be worn. It is usual to wear such attire after 6:00 p.m., or in Championship classes.
5. Spurs, whip or crop optional at the exhibitor’s discretion.

AR133 Qualifying Gaits.
A Show Hack horse is not necessarily a Dressage horse, nor an English Pleasure horse of the Arabian Division. Elevation and high knee action are not to be emphasized. The Show Hack is a suitable section for the well trained animal. Show Hacks must be balanced and show vitality, animation, presence, clean fine limbs and supreme quality. Soundness is required. The collected and extended gaits must be called for; i.e., collected walk, extended walk, normal walk; collected trot, extended trot, normal trot; collected canter, normal canter and hand gallop. At the discretion of the judge, horses while on the rail may be asked to halt and rein-back. A Show Hack shall be able to perform all of these gaits with a noticeable transition between the normal, collected, and extended gaits. The horse must be under complete control and easily ridden. Obedience to the rider is of prime importance. If the horse exhibits clear transitions in a balanced and level manner, appearing to be giving a comfortable and pleasurable ride, he is performing correctly for this class.
1. Walk, a four-beat gait: Straight, true and flat-footed.
   a. Normal Walk: Regular and unconstrained, moving energetically and calmly forward.
   b. Collected Walk: Strides are shorter and higher than at the normal walk. The head approaches the vertical, but should never move behind it. Pacing is a serious fault.
   c. Extended Walk: The horse is allowed to lengthen frame and stride while rider maintains light rein contact. The horse should cover as much ground as possible without rushing.
2. Trot, a two-beat gait: Free-moving, straight, rider maintaining light contact with horse’s mouth at all times.
   a. Normal Trot: Light, crisp, balanced and cadenced, with rider posting.
   b. Collected Trot: The horse’s stride is shorter and lighter, maintaining balance and impulsion. The neck is more raised and arched than at the normal trot as head approaches the vertical line, never moving behind it. Rider is sitting.
   c. Extended Trot: Maintaining the same cadence and performing at medium speed, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame. Rider is posting.
3. Canter, a three-beat gait: Straight on both leads, smooth.
   a. Normal Canter: Light even strides, should be moved into without hesitation.
   b. Collected Canter: Marked by the lightness of the forehand and the engagement of the hindquarters, the collected canter is characterized by supple, free shoulders. Neck is more raised and arched than in normal canter as the head approaches the vertical line, never moving behind it.
   c. Extended Canter: Maintaining the same cadence, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame.
4. Hand Gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to difference in natural length of stride. The distinction between hand gallop and extended canter is, the latter being the ultimate linear extension of stride within the hand of the rider; the hand gallop being a looser, more free elongation of stride and frame of the horse. A decided lengthening of stride
should be shown while the horse remains controlled, mannerly, correct and straight on both leads. Extreme speed to be penalized.

SUBCHAPTER AR-11 JUMPER SECTION.

AR150 General.
1. Horses may be shown with a braided mane and tail (See, AR101.4).
2. Type of English saddle is optional. Any type of bridle is allowed, including, but not limited to gag bits and mechanical hackamores. Martingales, tiedowns, boots and bandages are allowed.
3. Championships are not recommended in Jumper sections of the Arabian Division, but if offered, must be conducted in accordance with Jumper Rule, JP110

AR151 Conduct.
1. The prize list must specify the Table and Section under which each class will be scored. The minimum and maximum height and spread must be stated for all classes not covered by AR155.
2. For rules regarding personnel and timing equipment, refer to JP106.
3. The course and the order in which the horses are to jump must be posted in a conspicuous place, at least one-half hour prior to the start of the class. The jumping order should be legible to a mounted rider. For rules regarding jumping order, refer to JP112 excluding JP112.1a.
4. For rules regarding schooling, refer to GR313, GR314 and GR317.

AR152 Scoring.
1. For rules governing scoring, refer to JP133-JP142.
2. Ties involving first place must be jumped off. The time taken to complete the course will decide between any horses tied other than first place. Any exhibitor who informs the judge that he will not participate in a jump-off is placed last of the competitors in that jump-off.

AR153 Class Condition.
For rules governing the class conditions refer to JP, Subchapter JP-4. It is recommended that Table II conditions, as explained in JP145, be used by Arabian Jumper competitions.

AR154 Courses.
1. Well-designed courses are the prime requisites for successful jumper classes. Management offering a jumper section should obtain from the Federation the pamphlet “Planning the Jumper Division”.
2. The first criterion of a good course is its suitability to the capabilities of horses which will jump it and to the conditions of the class. Height and width of jumps are not the only important factors. Of equal or greater significance are types of obstacles, relation of height to width, or spacing between jumps. Jumper courses traditionally offer a greater variety of jumps, (brighter, more unusual, etc.) than do hunter courses, and may include types of fences forbidden in Hunter courses. Refer to JP122, JP123, and JP124 for more specific information regarding the design of courses.
3. Posting of Courses Refer to JP130.
4. Judge’s Inspection of Course Refer to JP131.
6. Obstacle Requirements Refer to JP121.
7. Substitution of Obstacles Refer to JP127.
8. Time Allowed and Time Limit Refer to JP129 and the Chart located at the end of the Jumper Rules.

**AR155 Arabian Jumper Class Specifications.**
1. ATR, AOTR, JTR - Obstacles to start at 3' to maximum height of 3'3" with spreads to 3'9".
2. OPEN - Obstacles to start at 3'3" to maximum height of 3'6" with spreads to 4'.

**SUBCHAPTER AR-12 DRESSAGE SECTION.**

**AR156 Dressage classes.**

Dressage classes held in the Arabian Division to be conducted in accordance with Dressage Chapter DR, except as stated herein:

1. When cross entry is permitted between Dressage and other Arabian classes at a competition, DR121 applies only to the designated Dressage warm-up and competition areas, or when exhibitor is actually warming-up for Dressage class.
2. Horses entered in Open Dressage classes must comply with DR121.7.

7. Introductory (Walk/Trot Dressage) classes at AHA recognized competitions, when ridden by an exhibitor competing only in Walk/Trot classes, will not be considered one of the two levels to which the horse is restricted at that competition under DR119.2. (Exception: open Dressage classes or divisions.)
8. Dressage horses competing at AHA recognized competitions are not limited to a maximum of three rides per day at Fourth Level or below. (Exception: open Dressage classes or divisions.)
9. False tails are not permitted in Arabian Division Dressage classes (This is an exception to DR121.6).
10. For the Arabian Division, adult amateurs are defined as those no longer eligible to compete as junior exhibitors (17 years and under). DR119.3 does not apply.
11. In the event two or more competitors have equal points (a tie), the tie shall be broken pursuant to DR123 except when after a review of the scores for Collective Marks/General Impression there remains a tie, the tie must be broken as follows:
   a. The competitor with the highest Collective Mark scores by the judge sitting at C shall be declared the winner of the tie; and
   b. In the event there remains a tie with the judge's (sitting at C) Collective Mark scores, the winner of the tie shall be determined by that judge's scores as follows:
      (1) The competitor with the highest free walk score (Intro through Second level) or highest extended walk score (Third through Grand Prix) shall be determined the winner;
      (2) In the event there is a tie on the free walk/extended walk score, the competitor with the highest sum of scores with coefficients greater than one shall be determined the winner;
      (3) In the event there is a tie based upon the sum of the scores with coefficients greater than one, the competitor with the first highest Collective Mark score shall be determined the winner. (Start at the top of the Collective Mark scores and work down until the tie is broken); and
In the event that the Collective Marks are identical, the competitor with the first highest movement score shall be determined the winner. (Start at the top of the movement scores and work down until the tie is broken).

EC 5/21/07 Effective immediately

**SUBCHAPTER AR-13  SPORT HORSE SECTION.**

**AR157  Purpose.**

1. To evaluate and encourage the breeding of Arabian and Half-Arabian/Anglo Arabian horses suitable for Dressage, Working Hunter, Eventing, Jumper, Combined Driving and Competitive Trail and Endurance, and to provide an opportunity to demonstrate the effectiveness of breeding programs. Form to function will be emphasized.

**AR158  General**

1. In-hand, Under Saddle and Show Hack Sport Horse classes for 1) Arabians and 2) Half-Arabians/Anglo Arabian Sport Horses may be held separately or in conjunction with any recognized Arabian competition. Sport Horse In-hand, Under Saddle and Sport Horse Show Hack classes may be held for stallions, mares and geldings. Refer to Subchapter AR-31 for rules on Half-Arabians and Anglo Arabians and AR246.3 and .4 for eligibility of stallions to show.

2. In-hand Classes may be held in any age groups deemed appropriate by competition management and published in the prize list with the exception that horses of one sex shall not be judged against those of the opposite sex. Specified group classes or specified championship classes are exempted. See AR248.3. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger other exhibitors or their entries. A whip may be used to guide the horse. Excessive use of the whip or actions that may disturb other entries shall be severely penalized. See AR107.6 for additional causes for mandatory elimination from the arena or designated judging area.

   a. Group Classes- Get of Sire (without sire) – two or three offspring entered under the sire’s name; and Produce of Dam (without dam) – two or three offspring entered under the dam’s name. Multiple ownership permitted, all owners must be listed. More than one entry per sire/dam is permitted in the same class. All horses must have been judged in their individual in-hand classes.

   b. Sport Horse In-Hand Championships shall be based upon highest scoring horses in a qualifying classes. Sport Horse In-Hand Champions and Reserve Champions must be at least two years of age. No horse may be named Champion and Reserve Champion in the same class. (Example: when amateur and open classes qualify for the same championship class.) If the same horse has the two (2) highest scores, the next highest eligible horse shall be named Reserve Champion.

   c. AR101, AR102, AR104, and AR105 apply to Sport Horse In-Hand classes.

   d. AR101, AR102, AR104, AR105, AR112, AR113, and AR114 apply to Sport Horse Under Saddle and Sport Horse Show Hack classes.

3. When possible, the announcement of awards will include the breeding of the horses placed: sire and dam as well as the name of the owner and breeder.

4. **Sport Horse In-Hand Classes.**

   Conformation is to be evaluated in terms of potential trainability, potential performance and predisposition to soundness. Form to function is to be emphasized. Blemishes are not to count unless resulting from conformation faults. Gaits are to be evaluated in terms of purity, quality and correctness. Correct gaits which contribute to ease in training and the horse remaining sound and useable are most important. Purity and quality are judged mainly in profile. Correctness is judged mainly while the horse is coming to and going from the judge’s position. Colts and stallions two years and over must have both testicles descended.

**AR159  Appointments.**

1. Braiding is optional.

2. Boots or bandages of any kind are forbidden during a class. (Exception: AR112.7).

3. **SPORT HORSE IN-HAND CLASSES.** Bridles are mandatory on horses three years and older. A bridle shall be a dressage or hunter type with snaffle bit with or without cheeks, keepers allowed, reins and headstall with throatlatch. Noseband is optional. A split or single
chain may be used with/or instead of reins. Horses age two years may be shown in a bridle or a plain leather stable halter. Horses under the age of two years must be shown in plain leather stable halters.

a. The handler may carry only one whip, maximum length 6', including lash and without attachments, i.e. plastic bags, ribbons, etc.
b. Conservative casual attire is recommended for the handler. Dressage or hunter attire is also appropriate. Gloves, hat, vest, jacket are optional. (See GR318.1)

4. SPORT HORSE UNDER SADDLE CLASSES. Hunter type snaffle, or pelham bridle, or a dressage type snaffle bridle with snaffle bit, with or without cheeks, keepers allowed, or a Pelham; Kimberwicks and double bridles are prohibited. Unconventional bits may be penalized at the discretion of the judge. Martingales not permitted. Type of saddle shall be dressage or forward seat. Girth may be leather or other suitable material.

a. Dressage (DR120.1) or informal hunter (AR143.5) attire required. Rider may carry a whip or crop, maximum length 110 cm (43.3") including lash.

5. SPORT HORSE SHOW HACK CLASSES. Dressage or hunter style bridles, single snaffle or double bridle or pelham bit acceptable. Converters on pelham bit not permitted. Kimberwick bit is not permitted. If using a double bridle, the lever arm (length below mouth-piece) must not exceed 10 cm. (3.94"). The inside diameter of the bridoon ring must not exceed 3.15". Non-conforming bits may be penalized at the judge’s discretion. Martingales not permitted. Type of saddle must be dressage or forward seat. Girth may be leather or other suitable material.

a. Conservatively colored dark coat, breeches and boots, with hunting cap, derby or protective headgear. Protective headgear may be worn without penalty (See GR318). Formal attire consisting of white breeches, top hat and shadbelly coat may be worn. It is usual to wear such attire after 6:00 p.m. or in championship classes.

AR160 Qualifying Gaits.

Innate quality movement is a priority in the Sport Horse classes. All gaits should be pure in rhythm, and should be without tension or resistance.

1. Walk

a. Walk. (also Normal Walk) The rhythm of the walk is 4 beats. The walk is to be regular and unconstrained.
b. Collected Walk. The rhythm is 4 beats. The stride maintains the marching quality of the normal walk, with hind legs well engaged but covers less ground.
c. Extended Walk. The rhythm is 4 beats. While maintaining the march quality, the horse does not rush, but with regular steps, will clearly show the hind feet touching the ground in front of the footprints of the forefeet. The rider allows the horse to stretch forward with head and neck, but does not release contact with the mouth.

2. Trot

a. Trot. (also Normal Trot) The rhythm of the trot is 2 beats. The trot is free, active and regular. The steps should be balanced and elastic with the horse demonstrating a supple back and well engaged hindquarters.
b. Collected Trot. The rhythm is 2 beats. The horse continues to move forward with impulsion, and demonstrates an ability to further engage the hocks, which allows the shoulders of the horse to become lighter and the stride to become shorter. The neck is raised and arched, but not constrained.
c. Extended Trot. The rhythm is 2 beats. The horse covers as much ground as possible, while maintaining regularity and balance. The stride lengthens as a result of great impulsion. The rider allows the horse, while remaining on the bit, to reach with its frame. The forefeet should touch the ground where they point. The transitions to and from should be balanced and smoothly executed.

3. Canter

a. Canter (also Normal Canter) The rhythm of the canter is 3 beats. The canter should be light, cadenced (rhythm with a suitable tempo combined with springy impulsion) and regular. Transitions should be without hesitation and balanced. The canter should always be straight on straight lines.
b. Collected Canter. The rhythm is 3 beats. The horse moves forward with impulsion, through increased engagement of the hindquarters and lightness of the forehand. The neck is raised and arched but not constrained. The back remains supple and the strides are shorter.
c. Extended Canter. The rhythm is 3 beats. The horse covers as much ground as possible while maintaining regularity and balance. The stride lengthens as a result of great impulsion from the hindquarters and the rider allows the horse to lower and extend the neck, without losing contact with the bit, or leaning.

4. Lengthening Stride. When a lengthening of stride is requested at walk, trot, or canter, the horse should maintain rhythm, regularity and balance, while reaching with the frame and stride. The rider should maintain contact with the bit, while allowing the lengthening. The strides should be more ground covering and the horse should remain calm and supple.

5. Hand Gallop. The rhythm is 3 beats. The hand gallop is performed with long, free, ground covering strides. The amount of ground covered will vary between horses due to the difference in the natural length of stride. The hand gallop shows a looser, freer elongation of stride and frame of the horse. The horse must remain mannerly, correct, and straight. Extreme speed to be penalized.

6. Rein-back. The rhythm is 2 beats. The feet are raised and set down by diagonal pairs. The horse should remain calm and obedient, lifting and setting down the feet, without shuffling.

AR161 Conduct of Classes.

1. ARABIAN SPORT HORSE IN-HAND CLASSES. The AHA Individual Score Sheet shall be used. Each judge will be assigned a scribe who will record scores and comments as dictated by the judge. Horses will be shown individually on the triangle.

a. Following a posted or announced order, or on request from the judge, entries in each class will approach the judging area one at a time, walk to the apex of the triangle. Conformation judging may take place before or after performance on the triangle, so wait for the judge's instructions. Wait for the judge's request to proceed on the triangle. The handler will lead the horse on the perimeter of the triangle at the walk and trot, returning to the apex and wait for further instructions. At the completion of the judging, the handler will lead the horse away from the judging area. The triangle may be adjusted to fit local conditions.

b. Triangle: Corners should be well defined. A marker will be used at the apex and at each corner to define placement of the turn for the exhibitor. Use of plants or flowers is allowed.

2. The horse is to be shown in an "open position," for conformation judging. The traditional way of showing open position would be with the right front leg slightly back and the right hind leg slightly forward; but as long as all four legs of the horse are visible to the judge when standing on either side of the horse, this would be acceptable. The horse's head and
neck should be allowed to show in a natural and comfortable carriage, and the handler
should stand away from the horse with a loose lead line.
3. ARABIAN SPORT HORSE GROUPS IN-HAND (Get of Sire/Produce of Dam).
The AHA Individual Score Sheet shall be used. Each judge will be assigned a scribe who
will record scores and comments as dictated by the judge. Groups will be examined one
group at a time, but not necessarily on the triangle. The judge will require the individuals of
each group to move at the walk and trot. Horses shall stand for conformation judging
before and/or after completion of the group’s movement.
4. Foals may not be shown loose.
5. ARABIAN SPORT HORSE UNDER SADDLE. To enter the ring counterclockwise at the
trot. To be shown at a walk, trot, and canter both directions of the ring. Judge may request
lengthening of stride at any gait and may request horses to back in the line-up.
6. ARABIAN SPORT HORSE SHOW HACK. To enter the ring counterclockwise at the
normal walk or normal trot. To be shown at a walk, trot, and canter; collected, normal and
extended gaits to be called for, and the hand gallop. Horses should stand quietly and back
readily.
7. Judges are required to consider the performance at each gait equally in adjudicating
Sport Horse under Saddle and Sport Horse Show Hack classes.

Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single ring at center of crossbar shall not be used. Reins must be attached to each shank. Curb chains, if used, and flat leather chin

Round, rolled, braided or rawhide curb straps are prohibited, except when used on a ring snaffle when applied below the reins. A light lip strap is permissible. See illustration in Western & Reining Division. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard Western bit is prohibited (see AR101.6).

3. Hackamore (Bosal) or standard snaffle are permitted in any class on horses five years old and under, unless prohibited in the prize list. A standard snaffle bit is defined as a center jointed single, rounded, unwrapped, smooth mouthpiece of 5/16” to 3/4” diameter metal as measured from ring to 1” in from the ring with a gradual decrease to the center of the snaffle. The rings may be from 2” to 4” outside diameter of either the loose type, eggbutt, dee, or center mounted without cheeks. If a curb strap is used it must be attached below the reins. A horse shown in either a hackamore or snaffle must never have been shown in any Western event in a bridle (except NRHA events). A hackamore includes a bosal rounded in shape and constructed of braided rawhide or leather and must have a flexible non-metallic core, attached to a suitable headstall. No other material of any kind is to be used in conjunction with the bosal, i.e., steel, metal or chains (Exception: smooth, plastic electrical tape is acceptable if applied in a smooth, untwisted manner). Two hands may be used on hackamore (Bosal) and Western snaffle reins. Attached reins may be of hair, rope, or leather. Both hands must be visible to the judge.

4. Split reins or closed reins are equally acceptable. Only one hand may be used on reins and hands must not be changed except to negotiate an obstacle in a Trail Horse Class. 5. Rope, riata and/or hobbles are optional.

Chaps, shotgun chaps, or chinks, and boots required. A vest, jacket, coat, and/or sweater may also be worn. Protective headgear may be worn without penalty. (See GR318)

9. Spurs are optional at the discretion of the exhibitor.

10. Boots and/or bandages are permitted in Reining, Working Cow and Cutting classes (See AR112.7).

AR195 Qualifying Gaits.

The good western pleasure horse has a comfortable free flowing stride of reasonable length in keeping with the individual’s conformation. It should cover a reasonable amount of ground with little effort. Ideally, the horse should have a balanced, sweeping motion that requires no more than light contact by the rider. The head and neck serve as a balance arm and are carried in a relaxed, natural position appropriate for each individual’s own conformation. Maximum credit should be given to the responsive, confident, willingly guided horse that performs all the required gaits correctly with strength and finesse. The horse should be balanced in all aspects; conformation, gait and disposition. Such a horse is an athlete that goes softly and gives the appearance of being fit and capable of the tasks. Ultimately, the horse is very eye appealing and gives the impression of being a pleasure to ride. Light contact should be measured by a horse’s response to the rider’s hands, seat and legs and not merely by the tension in the reins. However, an excessively draped rein is just as undesirable as extremely tight rein. Subtle cues are desirable, while an absence of cues is not. The individual that willingly and quietly responds to subtle cues by the rider is performing with light contact. For performance criteria, see Chapter WS, Western Pleasure Chart.

1. Walk, a four-beat gait: True, flat footed and ground covering.
2. Jog-Trot, a two-beat gait: Free, square, slow and easy.
3. Lope, a true three-beat gait: Smooth, slow, easy and straight on both leads.
4. Hand Gallop: A real hand gallop, not merely an extended lope, extreme speed to be penalized. There should be a distinct difference between the lope and the hand gallop.

SUBCHAPTER AR-23 WORKING WESTERN SECTION.

AR197 General.

1. The order of go will be drawn. The competition management shall announce to the exhibitors a specified time and place that the drawing will occur. The management will have numbers (one through the total number entered) equal to the number of horses entered in the class in a basket (i.e. hat or something similar).

At the announced specified time that the draw will take place, all exhibitors wishing to make their own draw will assemble with the management. The management will call, in program order, the exhibitors with multiple horses to draw first. Exhibitors with multiple horses will not be back to back, where total number of horses entered will permit. If an exhibitor with multiple horses draws back to back, he puts the last number drawn back in the hat and re-draws. The management will then call the remaining exhibitors, in program order, to draw from the hat. No horse shall perform as the first horse in more than one class (go-around/section) per competition unless there are more classes than horses. If a horse is drawn up first for the second time, exhibitor puts the number back and re-draws. The number drawn will be that exhibitor’s order of go. NO CHANGES with the exception of an extraordinary circumstance as determined by the judge(s) and steward(s). Management will draw for those exhibitors who do not appear for the announced drawing. When the number of horses in a class permits, riders with multiple horses must be drawn with a minimum of two horses spread between runs.

2. The order of go will be posted at least one hour before the start of the class.

3. When specified patterns are required, patterns for each class must be posted at least one hour prior to the start of the class. The posted pattern is to be followed unless a change becomes necessary due to safety considerations. If a pattern or course is posted and publicly announced and there is a discrepancy between the posted and the announced pattern, the posted pattern is to be followed.

4. Use of videotape. Videotape may be used by the judge(s) to review any entry’s performance only in a class in which entries perform individually.
   a. The videotape must be provided by an “official competition videographer,” and the judge must have reason to believe all horses have been videotaped;
b. Whether or not to review the videotape is the sole discretion of the judge(s), and the decision of the judge(s) in this regard is non-protestable;

c. The judge’s decision to review the videotaped performance must be made prior to announcing the official results of the class;

d. If a judge decides to review any videotaped performance in a class, the official results of the class must be delayed until after the review and a decision has been made.

e. For Reining classes, refer also to Reining Rule, RN103.14.

AR198 Appointments.
For rules regarding correct attire and appointments, refer to AR194.

AR199 General Scoring.
1. When a judge is adjudicating in a multiple judge system, the scores should be transferred to the ring steward or clerk in a manner that the other judges do not hear their score.
2. All individual judges of Arabian Reining Horse and Working Cow Horse classes are required to announce the score of each competitor immediately following each horse’s work and prior to the work of subsequent competitors. When more than one judge is used, scores will be totaled to determine the placings of the class. When one judge is used, his/her score will place the class.
3. Ties for first place, Champion, Reserve Champion, fifth in a Top Five and tenth in a Top Ten class will be worked off using the same pattern, order of go and scoring technique as was used in the event; however, there will not be more than one work off. Exhibitors disqualified in a work-off cannot be placed any lower than the lowest consecutive placing which results from breaking the tie. Ties for second place in a non-championship class will stand tied and all involved exhibitors will qualify for AHA Regional competition; prize money (if any) for the placings involved will be added together and equally split between the respective exhibitors. All other ties are not worked off and will involve as many places as there are horses tied. Prize money (if any) for the placings involved will be added together and equally split between the respective exhibitors. Ties for sixth in a Top Five and 11th in a Top Ten will be broken by a flip of a coin by the steward in the presence of the riders involved. If a mathematical error on a score sheet is discovered, it must be brought to the attention of the competition management. A class will be complete and the posted scores will be considered “official” thirty minutes following the last class of the day.
4. In Working Cow Horse classes where there is more than one go-round, all horses will compete in both go-rounds. The top horses will then return for the Final go-round, for Working Cow Horse, the order of go shall be drawn for all sections. Scores will be accumulative through the Final class. Champion and Reserve Champion, Top Five and Top Ten will be determined by total accumulated score of all works. Ties will be broken in accordance with AR199.3.
5. It is mandatory that judges use the prescribed score sheet for Reining and Working Cow classes and it is mandatory that the score sheet (or a copy) be posted immediately after each class. Score sheets may be obtained by writing: AHA, 10805 Bethany Drive, Aurora, CO 80014.

A trail horse is one that can maneuver through a course of obstacles with physical skill, expression and a good mental attitude. It should travel through and between obstacles with an inquisitive desire to go forward without compromising its calm, relaxed attitude and way of going. It should approach each obstacle squarely with authority and correct form, with its own style, yet maintaining its willingness to be dictated to completely by the rider with no apparent resistance.
Maximum credit should be given to the trail horse that negotiates its way through an entire course efficiently, in a timely manner, without excessive hesitation, with curiosity, expression, smoothness and style; in a manner that raises the degree of difficulty without sacrificing carefulness, control, and/or attitude. Ultimately, the trail horse is skillful, eye appealing, confident, and leaves one with the impression of being sure, safe and a pleasure to ride over a course of obstacles.
Trail horses being shown in closed reins may be hobbled when instructed to ground tie in a class.

AR206 Conduct and Definitions
1. All entered exhibitors will be allowed to walk and inspect the course with the judge and with the course designer, if present, prior to the start of the class. In amateur and junior exhibitor classes, exhibitors may be accompanied by their trainer.
   a. No time outs will be allowed.
   b. All horses enter the arena with a score of 70. With each obstacle, the judge will instruct a scribe to assign a score as well as any appropriate penalties if one or more occurs. At the end of the work, obstacle scores will be totaled. Any penalties will then be subtracted to arrive at a final score. All horses are judged from the time they enter the arena until the completion of the last obstacle.
   c. Judge(s) may review official video on no score, zero, 10 point, or 5 point penalties only. Refer to AR197.4. (Video review is solely the judge(s) decision.)

When a judge deems three (3) refusals have occurred at an obstacle the exhibitor will be instructed to proceed to the next obstacle. (In multiple judging situations the call judge will determine when to instruct the exhibitor to proceed to the next obstacle.)

NOTE: Any time a judge instructs an exhibitor to proceed to the next obstacle a 10 point penalty will also apply for negotiating an obstacle in a manner that does not constitute elimination, but is not in accordance with course directions. This penalty is in addition to a 15 point penalty for three (3) refusals.

   b. Negotiating an obstacle from the wrong side.

Showing a horse in-hand is an art and should be considered as such by the showman and judge alike. The showmanship class shall be judged strictly on the exhibitor’s ability to prepare and present the horse safely, correctly and elegantly. The conformation of the horse is not to be judged, since the horse is considered a means of displaying the abilities of the showman. The ideal showmanship performance consists of a poised, confident, appropriately attired exhibitor leading a well-groomed and conditioned horse that quickly and efficiently performs the requested pattern with promptness, smoothness and precision. Horses shall be presented in the Arabian show stance or the discipline being represented. Emphasis shall be placed on the handler’s ability to perform maneuvers in a safe and elegant manner.

1. SHOWMANSHIP 60 percent
   a. LEADING
      (1) The horse shall be lead from the left (near) side with the handler holding the lead strap in the right hand at a distance from the horse allowing for maximum control and presentation of the horse. Handler’s position when leading is midway between the head and shoulder of the horse. The remaining portion of the strap should be held safely in the left hand, and not wrapped around the hand.
      (2) Horse must work individually on the line at a walk and a trot. Horse should lead readily.
      (3) When making a 90 degree turn toward the judge or at the end of the walk or trot away from the judge, a left turn is appropriate. When making a turn greater than 90 degrees, the horse should be turned to the right with the handler walking around the horse.

(1) When showing the horse, the handler should stand toward the front, off the horse’s shoulder, facing the horse. The handler should always be in a position where he/she can keep an eye on the entire horse.
(2) When the handler is showing to the judge the shank should be held in the hand at a level appropriate to the height of the handler. It is optional, when showing the horse that the shank is held in the right or left hand, with the whip if held in the opposite hand.
(3) As the judge moves around the horse, handlers should position themselves so as to avoid obstructing the judge’s view of the horse. The handler may choose to show using either the Quarter System (exhibitor is always in the quadrant next to the judge) or the Half System (exhibitor is never on the same side of the horse as the judge). The horse should be shown quietly and effectively at all times. Handlers must not just show themselves.
(4) Horses must stand balanced on all four feet, not stretched. (See AR107.4)
(5) Crowding should be penalized. The handler should maintain a horse’s length (8 to 10 feet) from the horse in front when leading in a line head to tail. When lined up side by side, there should be plenty of room between entries. A handler should not lead his horse between the judge and a horse the judge is observing.

c. POISE, ALERTNESS, ATTITUDE
(1) Before and after showing to the judge, the horse should stand in a relaxed manner with the handler in a state of awareness. The handler should be aware of the position of the judge during the entire class.

A show halter, leather stable halter or headstall with bit may be used. Horses shown braided must be shown in Hunter, Show Hack or Dressage appointments. (See AR143.1, AR132.1, and DR121 respectively) Braided horses must be presented in a hunter/show hack/dressage type bridle or in a leather stable halter.
(2) A whip or crop is optional at the handler’s discretion (See GR320).

(Exception: In Half Arabian and Anglo Arabian classes, long manes and tails are not required, but an unbraided mane and tail is mandatory, other than horses shown under Hunter, Show Hack, or Dressage appointments. A roached mane is not considered a shortened mane, but rather a shaved mane. See AR101.4).
6. A Half Arabian or Anglo Arabian entered in the split in-hand sections of stock-hunter or saddle-pleasure at a competition is not eligible to cross enter into classes of the other group at that competition. The two groups shall consist of: Group #1 the Stock-Hunter In-Hand division shall include the following classes: Western Pleasure, Working Western classes, Hunter Pleasure and Working Hunter classes. Group #2 the Saddle-Pleasure In-Hand division shall include the following classes: English Pleasure, Country English Pleasure, Park and all Driving classes.

AR247 Description.

2. The head should be attractive, with an eye that reflects a good disposition and character; withers well defined; coupled with a strong back that will easily carry and hold a saddle; shoulders and pasterns sloping and conducive to a free, light springy gait and long stride; feet, sound and strong, well conformed. True and straight forward action, winging and paddling to be penalized. The tail carriage is preferably high.

AR248 Breeding/Gelding In-Hand Classes.

© USEF 2007
2. Classes will be judged on conformation, quality, substance and Arabian type, in that order. The Half-Arabian or Anglo-Arabian may show characteristics of any other breed. The foregoing first named three qualities shall take precedence in adjudication of in-hand classes over breed type.

3. Half-Arabian and Anglo-Arabian colts/stallions may compete in weanling and yearling Breeding/In-Hand classes for geldings. BOD 1/14/07 Effective 4/1/07

4. Half-Arabian and Anglo-Arabian Show Champions and Reserve Champions shall be at least two years old and are selected as outlined in GR335.5. Half-Arabian and Anglo-Arabian yearling geldings may compete for Champion gelding.

5. Half-Arabian and Anglo-Arabian in-hand classes may be divided at the discretion of competition management into Stock/Hunter or Saddle/Pleasure type. Once a horse has shown in Stock/Hunter type in-hand or Saddle/Pleasure type in-hand, that horse may not show in in-hand classes for the other type at that competition if the classes are divided as to type. Competition management is encouraged to offer separate Championship classes for each type, but the Championship classes may be combined at competition management’s discretion.

   a. Each of the conformation types have been developed with specific goals and standards in mind. In no case should any one type be considered by breeders or owners as a handy place to put less than ideal individuals of another conformation type. Conformation type is determined by the breeding and conformation characteristics, including way of moving displayed by the horse.

   b. Stock type horses display the conformation qualities necessary for western events. Hunter type horses should display the conformation qualities necessary for all hunter seat events. Horses of this type carry their head and neck lower than the Saddle/Pleasure type horse. It is shown in a more relaxed fashion and stance. When in motion the horse has a forward frame. The Stock/Hunter type should be a horse of substance, exhibiting ground-covering motion without excessive elevation.

   c. Saddle type horses display the conformation qualities necessary for Saddle Seat English type events. Pleasure type horses should display the conformation qualities necessary for any pleasure type event except western pleasure and hunter events. Horses of this type carry a high set-on neck of sufficient length and set onto the head in such a way as to allow the horse to set up in the bridle properly, and should exhibit a free flowing and animated trot. The Saddle/Pleasure type should be a refined horse that is more animated than a Stock/Hunter type.

   d. Exhibitors are encouraged to show their horses in a manner and style consistent with the horse’s type. Bridle or other suitable headstall consistent with the horse’s type is acceptable (Throatlatch mandatory). Horses shown braided must be shown in Hunter, Show Hack, or Dressage appointments (See AR143.1, AR132.1, and DR121 respectively) or in a leather stable halter.

6. In Half-Arabian Get of Sire and Produce of Dam classes, entries shall be made in the name of the registered Arabian, Half-Arabian or Anglo-Arabian parent only.
c. All in-hand halter classes will receive Federation Horse of the Year Award points, but will not count toward the division or section rating requirement.
d. See GR1303 for all other conditions.

   a. By moving the whip, held in the right hand, to a vertical position, the butt end even with the face.

**CP104 Outside Assistance.**
1. Only the driver may handle the reins, whip, or brake during a competition. *Failure to comply incurs elimination.*
2. No change of driver is permitted, except where specified in class description (i.e. Double Jeopardy Obstacles).
3. Drivers receiving outside assistance after the judging has begun will be disqualified at the judge's discretion unless that assistance has specifically been allowed (assistance of groom/passenger heading a horse in a line up or groom/navigator on marathon) or penalized (groom down on obstacle course or marathon).
4. Outside assistance which requires elimination includes, but is not limited to:
   a. The use of communications devices of any kind between the driver and anyone else.
   b. The use of electrical devices on the carriage intended to give the driver an advantage.

3. Gentlemen must wear a coat or jacket while appearing in any class unless excused from doing so by the judge and/or show management. When accepting awards, gentlemen are requested to remove their hats.
4. Ladies must wear a conservative dress, tailored suit, or slacks. Floppy hats are discouraged.
5. Unless otherwise specified the driver shall wear a hat, an apron or knee rug and gloves. Protective head gear may be worn without penalty (see GR318)

1. Two grooms are required on four-in-hands or unicorns to assist in the case of difficulty.
2. A pair or tandem is required to carry 1 groom to assist in the case of difficulty.
3. A groom is optional for a single horse turnout.
4. Where grooms are required, at least one groom is required to be in attendance when outside of the ring and capable of rendering assistance at all times, failure to comply could incur elimination at the discretion of the judge.

**CP107 Dress for Grooms.**
1. Grooms of either sex may wear stable livery in any but the more formal vehicles where full livery is appropriate. Where it is specifically allowed in a prize list or class description, less formal attire may be appropriate, but it should always be neat and clean. In all competitions, grooms shall wear a hat.
2. Stable Livery consists of one of the following:
   a. A conservative suit, white shirt, dark tie, derby, dark shoes and brown leather gloves.
   b. A conservative jacket, jodhpurs or drill trousers, jodhpur or paddock boots, white shirt, stock or four-in-hand tie, brown leather gloves, derby or conservative cap.

The color of the coat remains the owner’s preference, but preferred colors are conservative in nature and, where possible, complimentary to the color of the vehicle.
4. The term groom used herein refers to the person who in the opinion of the judge is capable of assisting in the event of difficulty.
5. In all cases, protective headgear may be worn without penalty. (See GR318)

**SUB-CHAPTER CP-4 THE HORSE**

**CP108 General.**
1. The pleasure driving horse may be of any breed, color or size as long as it is capable of performing the required gaits. In Pleasure Driving Competitions, the minimum age for a horse to be allowed to compete is three years of age. It is encouraged that 3 year olds be restricted to competition in maiden, novice or limit classes and not be allowed to cross enter into other divisions. In multiple turnouts the restrictions should be applied considering the age of the youngest horse. Restrictions must be clearly stated in the prize list/Omnibus. For competition purposes, any horse is considered to be one year old on the first day of January following the actual date of foaling.
2. Horses must be serviceably sound and must not show evidence of lameness, broken wind or impairment of vision in BOTH eyes.
3. In all levels of all Federation licensed Pleasure driving Competitions and in the case of any other Federation rule as it relates to the Pleasure Driving discipline as the context permits it, the term “horse” shall also include mules, donkeys, asses, miniature horses and draft breeds.
4. Stallions are prohibited in all classes restricted to Juniors and classes restricted to Maiden, Novice and Limit drivers.
5. Where entries warrant, Management is encouraged to offer special classes or divisions for those animals mentioned above and for gaited horses who do not naturally trot. In the case of non-trotting horses, the words “intermediate gait” can be used in place of “trot.”

**CP109 Classifications by Size.**
1. Horses over 14.2 hands in height will be classified as a horse. 14.2 hands and under will be classified as a pony.
2. In some competitions the pony division may be divided into small and large pony. In this case small/medium ponies will be 13.2 and under and large ponies will be over 13.2, not to exceed 14.2.
3. A registered horse of a breed permitting horses to be 14.2 or under (i.e. Arabian, Morgan, Quarter Horse, etc.) may show as a horse, but not as a horse and a pony at the same competition.
4. A multiple turnout must be shown in the classes or divisions which accommodate the tallest horse.
5. Very small equines are open to any horse 34” or under. At the discretion of show management very small equines measuring no more than 39” may be included in these classes.
6. Very small equines may be combined with ponies/horses in existing pleasure driving classes, or at the discretion of show management and where sufficient entries allow, may be shown in their own division.

**CP110 Turnout for the Horse.**
1. If shod, horses should be suitably shod for pleasure driving.
2. Braiding of mane is optional. Any mane, tail or fetlock trimming may conform to breed standards. Tails are not braided.
3. The application of artificial hair in mane or tail is prohibited. A tail set or the use of any foreign substance to induce a high tail carriage is prohibited.
4. Tails tied to vehicles or traces are prohibited.
5. In pleasure driving competitions bell boots, shin boots and wraps may be used only on the cross-country courses. In the case of inclement weather, bell boots may be allowed in the ring, at the discretion of the judge.

**SUB-CHAPTER CP05 THE HARNESS**

**CP111 Driver's Responsibility.**
It is the driver’s responsibility to see that the harness is in good condition, is clean and fits properly.

**CP112 Style of Harness.**
1. Specific national types of harness are permitted.
2. Bridles should be adjusted to fit snugly to prevent catching on the vehicle or other pieces of harness. A bridle with reins attached and passed through the saddle terrets must be in place whenever a horse is put to a vehicle. A throatlatch and a noseband or cavesson is mandatory. Under no conditions shall a bridle be removed from a horse while it is still put to a vehicle. Failure to comply will incur elimination. The horse must never be left unattended while put to a vehicle. Failure to comply will incur elimination.
3. Black harness is considered appropriate with painted vehicles, with shaft and pole trimmings done in black. It is also considered appropriate with a natural wood vehicle with iron parts painted any color except brown. Shaft and pole trimmings, dash and fenders are done in black.
4. Russet harness is considered appropriate with:
   a. natural wood vehicle with brown or black iron,
   b. painted vehicle with natural wood panels with any color iron, or
   c. vehicle that is painted brown with brown iron. Shaft and pole trimmings should match the harness.
5. All metal furnishings should match, be secure and polished.
6. Breast collars are appropriate with lightweight vehicles.
7. Full collars are suggested for heavy carriages such as coaches, brakes, phaetons, dog carts, etc. In all pleasure driving classes, collars on four-in-hand leaders are not to be tied together.
8. A correctly fitting harness saddle is important for the comfort of the horse. A wide saddle is suggested for two wheeled vehicles as more weight rests on the horse’s back. Narrower saddles are more appropriate for four-wheeled vehicles.
9. Martingales are permitted only if appropriate for a vehicle being used, (e.g. standing martingales are only appropriate for a Stanhope Gig or George IV Phaeton).
10. Martingales and overchecks are prohibited in dressage and obstacle classes for all carriages. Failure to comply will incur elimination. Sidechecks are optional. In pleasure driving classes (turnout, working and reinsmanship) overchecks may be appropriate for road carts and four wheeled buggies. See appendix A.
11. Tying down of tongue is prohibited.
12. In pleasure driving classes, the collars of four-in-hand leaders are not to be tied
together.
13. The use of kicking straps is considered permissible in pleasure driving classes, but they should match the harness being used.
14. Flash nosebands are strongly discouraged in pleasure driving classes.

**CP113 Bits.**
Snaffle bits and other types of traditional driving bits are allowed. Bits may be covered with rubber or leather. Burr, gag, and twisted wire bits are not permitted.

**SUB-CHAPTER CP-6 THE VEHICLE**

**CP114 Driver’s Responsibility.**
All persons involved in the competition, drivers, passengers, grooms, officials, spectators, etc., should keep safety foremost in their minds. Having the horse under control at all times not only is a safeguard for a driver and his passengers, but for everyone involved in the sport.

**CP115 Style of Vehicle.**
1. Drivers should strive to present an appropriate turnout. “Appropriate” indicates the balance and pleasing appearance of the combination of horse and vehicle. Factors determining the above include compatible size, type and weight of horse and vehicle. The way of going of the horse may also affect the overall appearance, i.e., a high action horse is more suitable for a formal vehicle; the low going ground covering horse presents a more pleasing appearance for a road or country type vehicle.
2. Wire wheeled and pneumatic tired vehicles are permitted in the following classes (at management’s discretion) providing it is so stated in the prize list/catalog.
   a. If it is the competition’s first year as a licensed competition.
   b. In all pleasure driving classes if the vehicle is an antique wire wheel vehicle (long wire spokes, hard rubber tires).
   c. In maiden, novice or junior pleasure driving classes.
3. Vehicles designed to be servant driven or commercial vehicles and harness are only eligible in classes restricted to their type unless specifically indicated in the prize list.
4. Competition management may elect to restrict combined driving marathon vehicles from participation in pleasure driving competitions. The combined driving marathon vehicle is specifically defined as one that is built for the singular purpose of combined driving marathon use and would not be traditionally appropriate for presentation, dressage or a turnout class.
5. All pair entries must be driven to a four wheel vehicle except a Curricle or Cape Cart with appropriate harness.

**SUB-CHAPTER CP-7 GENERAL RULES FOR PLEASURE COMPETITIONS**

**CP116 Entry.**
1. An entry is defined as a combination of horse(s), vehicle and driver and must be assigned a specific entry number. If a championship based on Federation Rules is offered, a change of any part of the combination constitutes a different turnout and must be assigned a separate number. In the event that a vehicle is disabled or judged unsafe to continue, management may authorize the substitution of another vehicle without issuing a new number.
   a. Management may allow changes of an entry (i.e., using a different vehicle for cones) while still compiling points towards a Championship. This must be clearly spelled out in the prize list and/or Omnibus.
2. All entries must have an entry number before entering any class. It is the driver’s responsibility to display the proper number for the turnout entering the ring or obstacle course. No award will be given any competitor participating in any class without a number or while displaying the incorrect number for that turnout.

**CP117 Division of Large Classes.**
1. Large classes should be split by the judge, technical delegate or management if conditions warrant. The size of the ring will determine when a class should be split. Unless the
ring is very large, classes of more than 14 entries should be split. In a small ring the class may need to be split at a lower number of entries.

2. The judge has discretion on how the division is made, keeping the following in mind, when applicable:
   a. separation of multiple and single entries;
   b. separation of horses and ponies;
   c. separation of 2- and 4-wheeled vehicles.

3. Management has the option to have final placings determined by working off the leaders of each section or by awarding duplicate ribbons and/or trophies for each section as if they were a separate class.

**CP 118** Driver’s Responsibility.

1. It is the responsibility of the driver to see that he and all attendants and passengers are appropriately attired for the class in question and that the horses are properly presented.

2. Excessive use of the voice, shouting or whistling to the horse may be penalized at the judge’s discretion. The driver should strive to control the horse’s movements with a discrete use of vocal aids.

3. The driver must be prepared to enter the ring or obstacle course area when his/her class is called. After a reasonable wait, management may announce that a time limit will be invoked as per GR310.2. When the appropriate time has elapsed, the gate or course will be closed and any entry not in the ring or at the course start will be excluded from the class. Management may give permission for the class to be held for an entry which requires an equipment change.

4. In the case of an accident or equipment failure which necessitates repair or readjustment all grooms or passengers carried on the vehicle must dismount the vehicle. They should not remount until the problem has been corrected or the turnout deemed fit to continue. The exception would be in the case of a minor adjustment (i.e. trace down) and only the necessary groom need be put down. Appropriate penalties will be assessed according to class specifications.

5. The driver should always be the first person to enter the vehicle and the last to leave. Passengers must never be left on the vehicle while the driver is dismounted unless the passenger has taken control of the reins.

6. Drivers should strive to maintain a safe distance from other vehicles both during the competition, in the warm up area and parking areas.

7. The Federation neither encourages nor discourages dogs accompanying an entry. However, dogs are not allowed to run alongside, behind, or under the vehicle during competition. In no circumstances may a dog be tied or in any way attached to the vehicle.

**CP 119** Leaving Arena.

1. No entry may leave the arena after judging has begun without permission from the judge and/or ringmaster. EXCEPTION: In the event of an accident or equipment failure which requires either medical attention or repair, the turnout must leave the arena as soon as possible.

2. If asked to leave the ring by the judge and/or ringmaster, the turnout must do so as soon as possible.

**CP 120** Groom/Passenger.

1. Minor adjustments to harness may be made upon permission from the judge. A groom/passenger riding on the vehicle may be put down to assist with the adjustment without penalty, except in dressage and obstacle classes.

2. After judging begins, no attendant may enter the arena without the permission of the judge (except in the case of accident, or to prevent an accident).

3. Leading a turnout into the ring or obstacle course start is considered outside assistance and not permitted.

4. Grooms may not stand behind the driver. If the vehicle does not permit the groom to sit behind the driver, permission must be obtained to allow the groom to sit beside the driver in obstacle classes.
   a. In pleasure driving ring classes (turnout, working and reinsmanship) a groom / passenger may sit beside the driver.
5. When a groom or passenger is put down to head the horse or horses during a line-up, he or she must remount when the driver moves off. This includes individual tests. Exception: For receiving awards. Failure to comply should be penalized.

SUB-CHAPTER CP-8 CLARIFICATION OF GAITS

CP121 Description of Gaits.
The following descriptions constitute the approved standard for performance of each of the required gaits in a pleasure driving competition.
1. WALK: A free, regular and unconstrained walk of moderate extension is required. The horses should walk energetically, but calmly, with even and determined pace. A walk is a four beat gait.
2. SLOW TROT: The horse should maintain forward impulsion while showing submission to the bit. The trot is slower and more collected, but not to the degree required in the dressage collected trot. However, the horse should indicate willingness to be driven on the bit while maintaining a steady cadence.
3. WORKING TROT: This is a pace between the strong and the slow trot and more round than the strong trot. The horses go forward freely and straight; engaging the hind legs with good hock action; on a taut, but light, rein; the position being balanced and unconstrained. The steps should be as even as possible. The hind feet touch the ground in the foot prints of the forefeet. The degree of energy and impulsion displayed at the working trot denotes clearly the degree of suppleness and balance of the horses.
4. STRONG TROT: This is a clear, but not excessive, increase in pace and lengthening of stride while remaining well balanced and showing appropriate lateral flexion on turns. Light contact to be maintained. Excessive speed will be penalized.
5. HALT: Horses and vehicle should be brought to a complete square stop without abruptness or veering. At the halt, horses should stand attentive, motionless and straight with the weight evenly distributed over all four legs and be ready to move off at the slightest indication from the driver.
6. REIN BACK: Rein back is defined as a backward movement in which the legs are raised and set down simultaneously in diagonal pairs with the hind legs remaining well in line. To be performed in two parts: a) The horse must move backward at least four steps in an unhurried manner with head flexed and straight, pushing the carriage back evenly in a straight line. The driver should use quiet aids and light contact. b) Move forward willingly to former position using the same quiet aids. Road coaches and park drags should not be asked to back.

SUB-CHAPTER CP-9 DIVISIONS

Pleasure driving classes may be offered in various divisions at the discretion of Management. The following descriptions constitute definitions for some suggested divisions of classes.

CP122 Divisions Based on the Horse.
1. Configuration of turnout being shown (i.e. Single, Pair, Tandem, Unicorn, and Four-in-Hand). If entries warrant, singles may be split into two and four wheel sections.
2. Size of animal (i.e., Horse, Pony).
3. The pony division may be divided into small pony up to but not over 12.2 hands; medium pony-over 12.2 not to exceed 13.2 hands; large pony over 13.2 not to exceed 14.2 hands. Management may elect to offer the pony division as one section or as three sections or as two sections, dividing the two at either of the intermediate heights, at their discretion. These conditions must be clearly explained in the prize list.

CP123 Divisions Based on the Driver.
1. Age (i.e. Junior, Adult).
2. Sex (i.e. Lady Driver, Gentleman Driver) may be restricted to a specific age or open to all.
Divisions Based on Experience.
1. Stallions are prohibited in all maiden, novice and limit driver classes.
2. Maiden – not having won a first place ribbon in an approved ADS and/or USEF driving competition. Maiden horse and Maiden Driver classes may be offered.
3. Novice – not having won three first place ribbons in an approved ADS and/or USEF driving competition.
4. Limit- not having won six first place ribbons in any approved ADS and/or USEF driving competitions. Limit horse and Limit Driver classes may be offered.
5. Open- open to all drivers as defined in CP102 and to all horses as defined in CP108.

Special Divisions.
1. Commercial for light or heavy horses to an appropriate commercial vehicle.
2. Breed - some competitions may wish to encourage participation by offering a division for a particular breed or type of horse. In the case of breeds which do not naturally trot, the term “trot” may be replaced in the class description as “intermediate” gait.
   a. Park – A pleasure driving class in which entries are judged primarily on gaits. This class is limited to park type horses and ponies. To be shown in an appropriate vehicle.
   b. Show Your Horse: At this command, the driver has the privilege of showing the Park Harness Driving Horse(s) to its (their) best advantage at the trot, but speed will be penalized.
   c. Local: for drivers living or horses stabled in a specified local area.
3. Open: open to all drivers and horses.

Championships.
1. When a Championship for a division and/or a show is awarded on points, all competitors in the division and/or show must be given equal opportunity to accumulate points. A balance of obstacle classes and ring classes is recommended.
2. If equal number of classes are offered in each division, the Driver may only enter one division in the age or experience categories. Just as a horse may only enter a competition as a horse or a pony, a driver must enter either as a Junior or Adult; a Maiden or Novice.
3. A tie for reserve may be decided by a coin flip if all parties agree; if not, a work off will be
conducted.

4. Points for all classes are awarded as follows:

a. All placings are final one hour after the conclusion of the show. It is recommended that championship results are posted as soon as possible after conclusion of classes.

**SUB-CHAPTER CP-10 CLASS SPECIFICATIONS**

**CP127 Pleasure Driving Turnout.**

1. A pleasure driving class in which entries are judged primarily on the performance and quality of each turnout. To be shown both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back.

2. To be judged: 70% on the condition, fit and appropriateness of harness and vehicle, neatness and appropriateness of attire and overall impression; 30% on performance, manners and way of going.

**CP128 Pleasure Driving - Working.**

A pleasure driving class in which entries are judged primarily on the suitability of the horse to provide a pleasant drive. To be shown both ways of the arena at a walk, slow trot, working trot and strong trot. To stand quietly, both on the rail and while lined up, and to rein back. All entries chosen for a workout may be worked both ways of the arena at any gait requested by the judge and/or may be asked to execute a figure of eight. To be judged: 70% on performance, manners and way of going of the horse(s); 20% on the condition and fit of harness and vehicle; 10% on neatness of attire.

**CP129 Reinmanship.**

1. Pleasure Driving – Reinmanship.

   a. A pleasure driving class in which entries are judged primarily on the ability and skill of the driver. To be shown at a walk, slow trot, working trot and strong trot. Drivers shall be required to rein back. All drivers chosen for a workout may be worked at any gait requested by the judge and may be asked to execute a figure of eight and/or perform other appropriate tests. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two-handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing but steady hand enabling a consistent “feel” with the horse’s mouth. Drivers should not be penalized or rewarded for using one general style over another. In order to evaluate a driver’s versatility, the judge may request a test involving driving with one hand.

   b. To be judged: 75% on handling of reins and whip, control, posture, and overall appearance of driver; 25% on the condition of harness and vehicle and neatness of attire.

2. Freestyle – Reinmanship

   a. A pleasure driving class in which the entries are judged individually on their ability and the skill of the driver’s execution of a self designed driving test. The competitor must submit an order of pattern and movement, which must be submitted prior to the start of the session. The following required elements must be demonstrated using any order within a maximum of 90 seconds. The 90 seconds commences when the nose of the horse passes through the start markers and ends when the signal is given,
although the driver may finish sooner, indicated by a halt and a salute. At manage-
ment’s discretion, music may be allowed.

SUB-CHAPTER CP-11 CLASS SPECIFICATIONS - COMBINATION

SECTION 1. Introduction and General Rules.

CP130 Introduction.
In combination classes the driver is asked to drive for a portion of the class and then to ride for the remainder of the class.

CP131 General Rules.
1. The entry must be shown by the same person in all sections or by one in the drive section and another in the ride section(s) at management’s discretion. The conditions must be clearly explained in the prize list.
2. Up to 2 grooms or attendants may assist with unharnessing and saddling.
3. A bridle with a rein attached and passed through the saddle terrets must be in place whenever a horse is put to a vehicle. Failure to comply will incur elimination.
4. The judge may not request that entries be reharnessed after performing under saddle.
5. The judge may allow vehicles to remain in the arena or request that they be removed. If vehicles are removed, additional attendants may enter the arena to assist. If allowed to remain in the arena, a groom is permitted to attend the vehicle and wheel horse in a sporting tandem class.
6. Protective headgear must be worn by riders in all classes requiring horses to jump. This headgear must replace driving hats immediately prior to the jumping performance.
7. In combination hunter and sporting tandem classes, jumps must be adjusted for horses and ponies, regardless of whether they are competing separately or one against the other. Ponies jump 2'-2'6" and horses a 2'6"-3' (See DP110).
8. Riders must be provided a practice jump prior to any class in which jumping is required. A diagram of the course must be posted at least one hour before class time.
9. In sporting tandem classes, the leader and wheel horse need not be matched as to color, size, way of going, or breed.

SECTION 2 - Class Conditions.

CP132 Drive and Ride.
1. Single horse to be shown in two concurrent sections:
   a. In Harness: To be shown to a suitable pleasure driving vehicle, both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back.
   b. Under Saddle: To be shown both ways of the arena at a walk, trot, and canter. To stand quietly and to rein back.
   c. To be judged: 50% on performance, manners, way of going and suitability in harness; 50% on performance, manners, and way of going under saddle.

CP133 Combination Hunter Single Horse.
1. To be shown in two or three concurrent sections.
   a. In Harness: To be shown to a suitable pleasure driving vehicle, both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back.
   b. Under Saddle: To be shown under saddle both ways of the arena at a walk, trot, canter, and hand gallop. To stand quietly and to rein back. Additional tests may include mounting and dismounting, opening a gate, etc.
   c. Over Fences: To be shown over a course of no more than four fences (combinations are not permitted). Protective headgear must be worn.
   d. To be judged: 40% on performance, manners, way of going and suitability in harness; 30% on performance, manners and way of going under saddle; 30% on hunting performance over fences.
2. Competition organizers may omit the Under Saddle section, in which case the following
percentages shall apply: 50% on performance, manners, way of going and suitability in harness; 50% on hunting performance over fences.

**CP134 Sporting Tandem.**

1. To be shown in two sections.
   
   a. In Harness: To be shown to a suitable tandem vehicle with leader wearing a hunting saddle, hunting bridle and breast collar. To be shown both ways of the arena at a walk, slow trot, working trot and strong trot. When the wheel horse is performing the required trot gaits, the leader may be allowed to canter. To stand quietly, and to rein back. Entries may be asked individually to execute a figure of eight.
   
   b. Under Saddle: The leader to be shown under saddle both ways of the arena at a walk, trot, canter, and hand gallop. To stand quietly and to rein back. Entries may be asked individually to jump two fences. Protective headgear must be worn. GR318
   
   c. To be judged: 60% on performance, manners and way of going in harness; 40% on performance, manners and way of going under saddle.

**SUB-CHAPTER CP-12 CLASS SPECIFICATIONS - CONCOURS D'ELEGANCE**

**SECTION 1 - Introduction and General Rules.**

**CP135 General Rules.**

1. The class may be judged:
   
   a. as a separate class
   
   b. in conjunction with the marathon
   
   c. by overall impression throughout the competition
   
   d. Whichever method is to be used must be clearly explained in the prize list.

2. The entry fee for the class remains the option of the management, however, if the class is judged in conjunction with a marathon or on an overall impression throughout the competition, it is recommended that no entry fee be charged and all participants be eligible.

3. Management may invite a local dignitary or celebrity to act as an honorary judge; an ADS or USEF recognized judge must also be in the ring.

**SECTION 2 - Class Conditions.**

**CP136 Class Conditions.**

The essence of the competition is the word “Elegance”. The winner will be the turnout which, in the opinion of the judge, presents the most elegant effect. This will include vehicle, harness, appointments, horses, driver, passengers, grooms, etc., but above all, general impression is most important. Vehicle and harness may be inspected to insure thoughtful restoration and careful maintenance. Attention will be paid to the personal appearance of the driver, grooms, and passengers as it contributes to the overall picture. Period costumes are definitely prohibited, unless otherwise stated in the prize list. Performance will not be judged unless it detracts from the elegance of the turnout.

**SUB-CHAPTER CP-13 CLASS SPECIFICATIONS - OBSTACLE DRIVING**

**SECTION 1 - Introduction and General Rules**

**CP137 Turnout.**

Drivers should dress appropriately when competing in any pleasure driving class, including obstacles. This should be show attire unless otherwise specified in the prize list.

**CP138 Participation.**

1. A driver may not compete more than once in the same obstacle class or in classes which use the same course.

2. A horse may not be entered more than once in the same obstacle class or in classes which use the same course.
3. A person who rides as a groom/passenger with one entry may not compete as a driver in the same class, or in any class using the same course.

4. Grooms may not stand behind the driver. If the vehicle does not permit the groom to sit behind the driver, permission must be obtained to allow the groom to sit beside the driver.

**CP139 Course Walk.**
1. Drivers must be allowed time to walk the course prior to the start of a class and to inspect each obstacle.

2. While walking the course, drivers shall not alter, adjust or in any way move an obstacle, or any part thereof. Should a competitor have any question regarding a specific obstacle or obstacle, he should call it to the attention of the technical delegate for clarification and/or adjustment.

**CP140 Schooling.**
1. A practice obstacle must be provided for use in a specified area. Times for the use of the area may be controlled by management.

2. Drivers are prohibited from driving, leading, or riding horses or from allowing the horses to be driven, lead, or ridden on any course at any time prior to the competition. Failure to comply incurs elimination.

**CP141 The Course.**
1. The course may consist of individual (paired cones) or other type markers (rails, fence panels, barrels, etc.).

2. Each obstacle on a prescribed course must be numbered consecutively and marked red on the right, white on the left (Exceptions: Scurry, Pick Your Route and Gambler’s Choice classes). Any obstacle that cannot be clearly marked, for example, a figure of eight or an obstacle that requires a back-up, must have a clearly drawn pattern explaining the correct entrance, exit and required path on the course diagram. Within courses that consist of numbered obstacles, if possible it is suggested the number of an obstacle should be visible from the obstacle before it; i.e. #3 from #2. Only in Gamblers Choice classes are point values displayed.

3. Obstacles requiring a halt or a back-up are not permitted except in Gambler’s Choice class.

4. If any part of an obstacle or start or finish marker is, at any time, disturbed or dislodged out of its sequence or driven backwards or driven twice, it will be considered driven incorrectly (exceptions; Scurry, Pick Your Route, Gambler’s Choice and Double Jeopardy classes) and be scored under the rules for each specific class.

5. The entire turnout (all horses and vehicle) must pass through the markers. If the vehicle straddles a marker, score for a disobedience will incur regardless of an actual disturbance. If the entire turnout passes outside of the markers, the competitor will be judged off course. All wheels must pass through the start and finish markers to be considered driven correctly.

6. When a disturbance or dislodgement occurs at a complicated obstacle (figure of eight, U-turn, L-turn, etc.) the intended pattern must be completed as closely as the disturbance or dislodgement will allow or the obstacle will be considered driven incorrectly and scored under the rules for each specific class.

7. An obstacle course will be considered “different” only if its pattern is reversed or its obstacle sequence is altered (minimum 30% or of the obstacles have their sequence changed or reversed). Removing or adding obstacles at the beginning or end of a diagrammed pattern does not constitute a course change.

8. While many devices prove useful as obstacle markers, the traffic cone (see illustration) is the most easily obtained and quickly set. Cones used should be standard height with hollow tops to accommodate a ball, orange or similar round object.

9. A course diagram and applicable time allowed must be posted at least two hours before the start of the class.
CP142 Width of Obstacles.
1. Suggested widths for obstacles are 8” to 20” (20-50 cm) wider than the carriage track width at the ground, depending on the class specifications. Following are suggested obstacle settings.

   a. Classes emphasizing precision
      (1) Fault classes 8-10” 20-25 cm
      (2) Speed 12-16” 30-40 cm
      (3) Four-in-hand Classes 16-20” 40-50 cm

   b. Following are settings for multiple obstacles:
      (1) L Shaped Obstacle 12 ft. (3.6 m)
      (2) U Shaped Obstacle Single 12 ft. (3.6 m),in; 15 ft. (4.5 m), out

3. Maiden classes will benefit from wider adjustments.
4. Metric and U.S. Customary measurements are given to assist the management and a metric conversion chart is shown below. In this way, either style of measuring can be used depending on the equipment available.

   **METRIC CONVERSION CHART**

   WHEN YOU KNOW MULTIPLY BY TO FIND
   Inches 2.54 centimeters
   Centimeters .4 inches
   Yards .9 meters
   Meters 3.3 feet
   Miles 1.66 kilometers
   Kilometers .6 miles

CP143 Measurement of Obstacles.
1. Markers are set in pairs, the specified distance wider than the track width.
2. For traffic cones adjustment is made as follows:

   a. The track width of each vehicle should be taken at the ground on the widest pair of wheels. The allowance is added and the cones aligned and adjusted from corner to corner. This allows the greatest distance between the corner of the base and the upright portion of the cone. The taper of the cone provides clearance for normal hubs or whiffletrees or splinter bars.
b. If a whiffletree or splinterbar proves to be too wide for this arrangement, the cones may be adjusted using the whiffletree measurement plus the appropriate allowance, measured at the height on the cone that is the same height as the whiffletree is above the ground. (See illustration below)

3. On markers with perpendicular sides, adjustment for the widest part of the vehicle at the highest part of the marker may be made.
4. Care should be taken when numbers are placed on markers to ensure that the numbers do not protrude inside the markers where they might be hit without hitting the obstacle itself.
5. It is the responsibility of the technical delegate to insure that each set of markers be properly adjusted.
6. The Technical Delegate should inspect any marathon, cross-country course or obstacle course at a time early enough to allow any changes or alterations to conform to the rules and directives for safety and drivability. The Technical Delegate must bear in mind that alterations to any course are only in order if the plan violates a specific rule or is clearly undrivable or unsafe.

**CP144 Time Allowed.**
1. Obstacle courses should be accurately measured with a measuring wheel, if possible, or tapeline.
2. The Time Allowed is calculated by dividing the course measurement by the set speed for each class. Be sure to use a long line from obstacle to obstacle when measuring the course length.
3. Suggested speeds:
   a. Singles 800 ft. (220 m) per minute
   b. Pairs 800 ft. (220 m) per minute
   c. Tandem and Four-in-hands 700 ft. (200 m) per minute
4. Time Limits are twice the Time Allowed.
5. Any obstacle class in which placings are decided using a total time, does not require calculating a “time allowed”. A time limit may be set, at management’s discretion, allowing a reasonably easy speed required to complete the course, keeping in mind the tightness of turns and limitations of the arena.

**CP145 Timing.**
1. Timing with Stopwatches. Time is taken from the moment the first horse’s nose crosses the starting line until the first horse’s nose crosses the finish line, except where specifically noted in class specifications i.e., fault and out, progressive, etc…
2. Timing with Electronic Timers. Time is taken from the moment the photocell beam is broken (by the first part of the turnout to reach the starting line) until the beam is broken at the finish.
3. Timing a Stop. If it becomes necessary to stop a competitor for any reason (marker blown over, unauthorized animal or person on course, etc.) a signal will be given and time stopped. The driver will be allowed to go back far enough to regain momentum and wait. A signal is given when the driver must resume the course. The timing watch will be restarted when the competitor reaches the point at which time was stopped.

**CP146 Scribe.**
It is recommended that Management provide a scribe for the judge in all obstacle classes.

CP14 © USEF 2007
CP147. Disobedience
Disobediences are penalized as stated in the individual class specifications. They are defined as follows:
1. A run-out comprises evading or passing an obstacle to be driven or the start/finish line.
2. A refusal is defined as stopping and stepping back or sideways before an obstacle.
   a. Stopping in front of an obstacle without dislodging it and without backing up followed immediately by driving cleanly through is NOT PENALIZED.
   b. If the halt is prolonged or if the horse backs even a single step voluntarily or not, a refusal is incurred.
   c. If in the commission of the refusal any part of an obstacle is disturbed and class specifications require repair or resetting, the procedure outlined in CP145.3 will apply.
3. A circle is any form of a circle which causes the driver to cross the original track between two consecutive obstacles except to retake an obstacle after a refusal or run-out.

The figures shown above are circles and are penalized.

CP148 Other Penalties.
1. Off course: A driver is off course when he deviates from the designated pattern shown on the diagram by consecutive number and drives an obstacle out of order before correcting the deviation. Any disobedience committed while correcting the deviation must be scored. Failure to follow a continuous line in a course diagram will not be considered off course unless an obstacle is taken out of order.
2. Outside Assistance. A driver shall be eliminated if a groom or passenger touches the reins, whip or brake or if he receives assistance from any source.
3. Starting Signal. Failure to cross starting line within one minute of the signal to proceed or starting before the signal shall incur elimination.
4. Equipment Failure. Breakage of either harness or vehicle which necessitates a halt for repair shall incur elimination. Management or a technical delegate may insist on a safety inspection of the vehicle before allowing it to be used in future classes. An overturned vehicle incurs elimination.
5. Groom (s) Dismounting. If it becomes necessary for groom (s) or passenger (s) to dismount to assist the driver, penalties will be assessed, as indicated in the class conditions, for each incident. If two grooms dismount it is considered to be two incidents. A third incident will incur elimination.

CP149 Break in Gait.
1. In pleasure driving competitions, cantering is not allowed unless it is clearly stated in the prize list/ Omnibus.
2. Management is strongly encouraged not to allow cantering in any class unless it is held in...
a securely enclosed arena. If the cantering is not allowed, a break to a canter is defined as three full strides if an advantage has been gained, or six short strides (i.e. hopping around a cone) if no advantage is gained.

3. A break to canter or the walk will be penalized by the judge if, in the opinion of the judge, the entry is gaining an advantage. Prolonged cantering will be penalized unless required in the class specifications. A break to a walk is defined as two full strides.

BOD 1/14/07 Effective 4/1/07

4. In a multiple turnout all horses must break for a penalty to be assessed.

CP150 Ties in Placing.
1. Ties for first place must be broken by a drive-off. Ties for lower placings may be broken by coin flip upon agreement of the tied parties.
2. If two entries under the same ownership are tied, the owner may designate the order of finish.
3. Any competitor who advises the judge that he will not participate in a drive-off shall be placed last of the competitors in that drive-off. Should more than one of the tied competitors elect not to participate, all those not participating shall remain tied among themselves. Should there be only one remaining competitor, he is required to attempt at least the first obstacle to earn first placement in the drive-off.
4. Except in the Fault and Out class, when two or more competitors incur elimination during a drive-off, they remain tied regardless of the cause of elimination or point at which it occurred. A competitor who voluntarily withdraws must always be placed after a competitor who has been eliminated in the same drive-off.

SECTION 2 - Obstacle Driving Class Conditions.

CP151 Obstacle Driving - Time Competition.
1. To be driven over a prescribed course of obstacles. The number of obstacles to be proportionate to the dimensions of the driving area. Not to exceed 20 obstacles.
2. After passing the starting line, the driver shall proceed through each obstacle in order to the designated finish line.
3. Course faults are scored as penalty seconds and are added to the driver’s elapsed time. Placings are determined on a low total time basis. Ties for first will be decided by a drive-off (unless otherwise stated in the prize list).
4. Penalties:
   a. Knocking over start or finish marker 5 seconds
   b. Knocking down or dislodging obstacle 5 seconds
   c. Break in gait, if not allowed (CP151)
      (1) 1st break from trot 5 seconds
      (2) 2nd break from trot 5 seconds
      (3) 3rd break from trot 5 seconds
      (4) 4th break from trot Elimination
      (5) Prolonged canter or walk Elimination
   d. Disobedience and/or groom dismounting (cumulative over course)
      (1) 1st incident 5 seconds
      (2) 2nd incident 10 seconds
      (3) 3rd incident Elimination
   e. Starting before signal Elimination
   f. Failure to cross starting line within one minute of signal Elimination
   g. Off course Elimination
   h. Outside assistance Elimination
   i. Failure to carry whip (CP103.2) Elimination
   j. Use of a tie-down or overcheck Elimination
   k. Breakage of harness or vehicle or disconnected harness. Elimination
   l. Overturned vehicle Elimination
**CP152 Specialty Time Competitions.**

1. **Scurry Obstacle**
   a. To be driven over a course of unnumbered obstacles consisting of cones and balls, or the equivalent, not to exceed 10 obstacles.
   b. After passing the start from any direction, the driver shall proceed at the trot through each obstacle from any direction, in any order. Each obstacle must be driven once. Upon completion of course, the driver must pass through the finish from any direction, where time will be taken.
   c. Refusals, run-outs and circling will not be penalized.
   d. Course faults will be scored as penalty seconds and added to the driver’s elapsed time. Placings will be determined on a low total time basis. Ties for first place will be broken by a drive-off, unless otherwise stated in the prize list.
   e. **Penalties**
      1. Knocking over start or finish marker 5 seconds
      2. Knocking down or dislodging a ball or any part of any obstacle any time while on course 5 seconds

3. Obstacle Driving - Double Jeopardy
   a. To be driven over a prescribed course of obstacles (paired markers) by an entry consisting of horse(s), vehicle and two drivers. 8-10 obstacles are recommended as a course length, but the number can be adjusted to be proportionate to the dimensions of the driving area. Failure to come to a complete halt to exchange reins will incur elimination.
   
   b. After passing the starting line, the first driver shall proceed through each obstacle to the designated finish line. At this point, the entire turnout must halt before reins are passed to the second driver who must drive the course in reverse order.
   
   c. Course faults are as listed in CP153. Course faults are scored as penalty seconds and are added to the driver's elapsed time. Placings are determined on a low total time basis. Ties for first will be decided by a drive-off (unless otherwise stated in the prize list).

CP153 High Point Competitions.

1. Obstacle Driving - Fault and Out
   a. To be driven with a set time over a course of numbered obstacles, the number of obstacles to be proportionate to the dimensions of the driving area, not to exceed 10 obstacles.
   
   b. After passing the starting line, the driver shall proceed through each obstacle, in order, until the allowed time expires or an obstacle is dislodged or disobedience occurs.
   
   c. If an obstacle is dislodged or time expires, a signal will be given. The competitor will drive through the next consecutive obstacle. Time will be taken as the rear axle clears the obstacle. Failure to drive the next consecutive obstacle after the signal will result in no time being awarded but points will count up to that obstacle.
   
   d. No score is given for the obstacle driven after the signal. If the obstacle driven after the signal is dislodged, no time will be taken.
   
   e. If all the obstacles are completed cleanly before the allotted time expires, the driver will begin the course again, without passing through the starting markers.
   
   f. A disobedience (refusal, run-out, circle) will be scored as a dislodgment of the obstacle at which the disobedience occurs.
   
   g. Placings will be determined by the greatest number of points. Time will decide ties. If a tie remains with equal points and time, the winner will be decided by a drive-off.
   
   h. The score of a driver who failed to drive the next obstacle shall count up to the point where the signal is given, but the competitor must be placed after those with an equal score and time. The score of a driver up to the point where the Disobedience, Break in Gait, Off Course or Groom(s) Dismounting occurs shall count up to the point where the signal is given with no time, but the competitor must be placed after those with an equal score with time.
   
   i. Points and Penalties:
      
      (1) Obstacle cleared 2 points
      (2) Obstacle dislodged 1 point
      (3) Failure to drive obstacle after signal No Time (not eliminated)
      (4) Disobedience, Break in Gait No Time (Refer to CP147, CP149)
      (5) Off Course, Groom Dismounting No Time (Refer to CP148.1, CP148.5)

2. Obstacle Driving - Progressive
   a. To be driven at the trot over a course of six numbered obstacle which will be adjusted to the following clearances: #1 - 20", #2 -16", #3 -12", #4 - 8", #5 - 4", #6 - 2".
   b. After passing the starting line, the driver shall proceed through each obstacle, in order, until finishing the course or dislodging an obstacle. Time will be stopped when the rear axle clears the last obstacle or when an obstacle is dislodged.
      (1) Time stops when the ball is down, 2 points given for each set of cones cleared.
   c. A disobedience (refusal, run-out, circle) will be scored as a dislodgment of the obstacle at which the disobedience occurs no time will be recorded at the signal. The score up to the disobedience shall count, but no time will be recorded.
   d. A break to a canter or walk will equal a ball down, and the time stops. (refer to CP149 Break in Gait)
   e. Placings will be determined by the greatest number of points. Time will decide ties. If a tie remains with equal points and time, the winner will be decided by a drive-off.
   f. The score of an eliminated driver shall count, up to the point where the signal is given, but the competitor must be placed after those with an equal score.
   g. Failure to carry a whip will incur elimination
   h. Use of a tie down or an overcheck will incur elimination and no score given
   i. Going off course will incur elimination.

3. Obstacle Driving - Gambler’s Choice
   a. To be driven over a course of unnumbered obstacles each carrying a specific point value.
   b. Each driver has the same amount of time to negotiate as many obstacles as possible. Each obstacle is assigned a point value according to its degree of difficulty and each driver tries to amass as high a score as possible within the time allowed.
   c. After passing through the starting line, the driver may drive through the obstacles, in any order, from any direction. Each obstacle may be driven twice, but not in succession. If driven a third time, no points will be awarded.
   d. No obstacle may be redriven once it has been disturbed. (Exception: obstacles which are designed to be knocked down).
   e. No points will be awarded for an incorrectly completed obstacle. If the obstacle is incorrectly driven, but not disturbed, it may be attempted again.
   f. In this class the circling rule does not apply. If a horse should refuse or run out at an obstacle without disturbing it, the driver may elect not to attempt it and may drive to another obstacle without penalty. The obstacle may be attempted later, and if correctly driven, the appropriate points will be recorded.
   g. A signal will sound at the end of the allowed time and the driver must then exit through the finish markers when the total time on the course will be recorded.
   h. If the signal sounds when the competitor is committed to an obstacle, the competitor may complete the obstacle and receive the appropriate points, then proceed through the finish markers for total time to be recorded. Whether or not the competitor was committed to the last obstacle at the signal will be left to the discretion of the judge.
   i. Placings are determined on a high score basis. Time will decide ties. If a tie occurs in both points and time, the winner will be decided by a drive-off.

CP154 Fault Competitions.
1. Obstacle Driving - Cross-Country
   a. To be driven over a prescribed course of natural and artificial obstacles designed to simulate those that might be encountered on a country drive (i.e. bridges, water, log pile, farm animal pens, etc.) Obstacles should be designed to be easily driven and are not to simulate Combined Driving Obstacles. Obstacles must be clearly numbered.
   b. The suggested length of course is approximately 1 kilometer or .6 miles. The suggested time allowed should be calculated based on a speed of 11-14 kph (7.2-8.4 mph).
   c. After passing through the starting line, the driver shall proceed through each obsta-
cle, in order, keeping within the limits of the designated course markers and passing through the designated finish markers.

d. Placings will be determined on a low fault basis. Time faults and course faults are added together for a total score. Time will decide ties. If a tie occurs in both faults and time for first place, the winner will be decided by a drive-off.

e. Penalties:

(1) Exceeding time allowed (every commenced second) 1 fault
(2) Knocking down or dislodging obstacle or course marker 4 faults
(3) Break in gait, if not allowed (CP151.3)
   (a) 1st break from trot 5 faults

(11) Use of a tie-down or overcheck Elimination
(12) Breakage of harness or vehicle Elimination
(13) Overturned vehicle Elimination

2. Obstacle Driving - Faults and Time.

a. To be driven over a prescribed course of numbered obstacles. The number of obstacles to be proportionate to the dimensions of the driving area, not to exceed 20 obstacles.

b. As this class should be considered a test of precision driving, it is suggested that the obstacles be set at minimum allowances if the level of competition warrants.

c. After passing through the start line, the driver should proceed through each obstacle in order and through the finish line.

d. Placings will be determined on a low fault basis. Time faults and course faults will be added together for a total score. Time will decide ties. If a tie for first place occurs in both faults and time, the winner will be decided by a drive-off.

SUB-CHAPTER CP-14 PLEASURE DRIVING MARATHONS

SECTION 1 - General Rules.

CP155 General.
1. In any marathon, all horse classes should start first followed by all pony classes.
2. On the course, repairs to the vehicle or harness may be made only by personnel actually riding on the vehicle. Outside assistance will incur elimination.
3. It is recommended that competitors be excused after completing the marathon course and that awards be presented later in the competition.
4. Dress should conform to CP105 and CP107 unless otherwise specified in the prize list.
5. All rules of the road should be observed unless designated officials direct otherwise.
6. A driver must have a whip in hand at all times when driving.

CP156 Course.
1. Marathon courses must be carefully measured and the times accurately calculated.
2. All start and finish lines on the course must be clearly marked.
3. An accurate map indicating all pertinent course markings and directional changes and a listing of times allowed for each section must be made available to drivers prior to the opening of the course for inspection. A map and order of starting should be posted at least two hours before the start of the class.

4. Management has the choice of opening the course inspection or running the marathon "blind" (without course inspections). The option chosen must be clearly stated in the prize list/Omnibus. If inspections are to be allowed, the times when the course will be open for inspection must be stated in the prize list/Omnibus. No change in any part of a marathon (course or time allowed) may be made after the posted inspection time without the notification of every competitor.

5. It is recommended that Pleasure driving marathons over 6 miles or 10 kilometers include a 5 to 10 minute rest stop.

6. A brief meeting prior to the start is helpful to clarify any local conditions that might affect the competitor’s performance.

**CP157  Timing.**
1. The timing method must be clearly explained in the prize list.
2. The course designer should take into consideration the terrain and road and path surfaces when calculating times allowed. It is the responsibility of the technical delegate to make adjustments when weather conditions dictate.
3. Competitors may not circle or make other repetitive patterns to achieve the correct time, on penalty of elimination.

**CP158  Observers on Course.**
1. The judge may, at his discretion, appoint assistants to be placed at strategic spots on the marathon to officially observe and mark traffic or other course violations. Each observer’s marked card must be submitted to the judge for final scoring.
2. In a walk section official observers should be placed where the entire section may be easily seen in order to score breaks. It is recommended that there be a minimum of one observer for each 100 yard increment. Each observer must submit a marked card for his assigned area indicating a score for each competitor “0” for no breaks, or the number of seconds for any break.

**CP159  Spares and Appointments.**
1. Spares and appointments must be carried on each vehicle during a marathon. They are as follows:

   a. Wheel wrench to fit axle nuts  
   b. Length of rawhide, string or wire  
   c. Rein splice or spare rein  
   d. Trace splice or spare trace  
   e. Hame strap (if appropriate)  
   f. Halter and lead shank  
   g. Cooler or Quartersheet for each horse  
   h. Knife  
   i. Screwdriver  
   j. Pliers  
   k. Small hammer  
   l. Hoofpick  
   m. Leather punch

2. One penalty point will be assessed for each item omitted. Complete omission will receive 20 penalty points. Spares must be checked prior to the start of the marathon. To insure that each vehicle actually carries the required spares, provision for random recheck at either the rest stop or immediately following the drive may be made (if explained in the prize list/Omnibus).

**SECTION 2 - Class Conditions**

**CP160  Pleasure Marathon - Turnout.**
Purpose: To give drivers the opportunity to turn out in their finest while competing in a pleasure marathon.
1. Preliminary Judging: At the beginning of the class, drivers will be observed by the judge in a ring at a walk, slow trot, working trot and strong trot. Horses will be asked to halt and rein back. At the judge’s discretion, entries need only work one direction of the ring.
2. Marathon Course: At the conclusion of the preliminary judging, each class will be sent out
on course (order of go and timing to be at management’s discretion). Drivers are encouraged to carry a groom/navigator who may assist in pointing out the route, but may not handle the reins, whip, or brake. The designated course may be of any length with no time limit. Care should be taken in designing the course to consider the antique vehicle and smooth tracks should be utilized when possible. The recommended gait is a trot, but the competitor may walk at his pleasure. Canter is not permitted. Rules of the road must be obeyed, unless a uniformed police officer directs otherwise. Fitness may be checked at the conclusion of the drive by a vet or, in his absence, by the judge and may be considered accordingly.

3. Final Observation: At the conclusion of the marathon drive, entries may again be observed by the judge in a ring. The judge may, at his discretion, only ask entries to work one direction of the ring. If the judge decides to work horses in one direction only in the Preliminary or Final phases of the class, it is recommended that they work one direction at the beginning of the class and the other direction at the end.

4. Reasons for Elimination:
   a. Racing or otherwise endangering another vehicle or spectator
   b. Failure to drive the prescribed course
   c. Failure to complete the course
   d. Outside assistance (other than a navigator/groom pointing out the route)

5. To be judged: 50% on overall impression and 50% on way of going. Suitability of each entry as a pleasure to drive will be considered in the overall impression.

6. The following aspects will be considered toward the overall impression:
   a. HORSE - manners, way of going, condition, appropriateness, and grooming.
   b. HARNESS - condition, appropriateness, and cleanliness.
   c. VEHICLE - condition, appropriateness, and cleanliness.
   d. DRIVER - driving skills, posture, neatness and appropriateness of attire.

CP 161 Pleasure Marathon - Timed.

PURPOSE: To allow the driver to compete against ideal time at both the walk and the trot in a setting similar to that of a combined driving marathon. Simulated obstacles, not timed, may be added.

1. To be driven over a prescribed, measured course of any length (suggested length 3-6 miles or 5-10 km), comprised of two sections, a trot section, followed by a walk section. Each section will be scored independently on a penalty point basis.

2. Time Allowed in the trot section shall be calculated from the distance and required speed. Suggested speeds are 14 kph for horses, 12 kph for large ponies, and 11 kph for small/medium ponies. Minimum Time will be 2 minutes less than the time allowed.

3. A Buffer Zone must be placed between the finish of the trot section and the start of the walk section to allow for the change in gait. The recommended distance is 50 yards.

4. The walk section of the timed marathon should be 200-500 yards in length (400 yards recommended). Time Allowed in the walk section shall be calculated from the distance and required speed. Suggested speeds are 6 kph for horses, 5 kph for ponies. There is no Minimum Time in the walk section.

5. Obstacles may be added by management, however, it is encouraged that such obstacles be designed as to encourage safe driving while adding to the challenge of the event. As a general rule of thumb, no driveable opening in the obstacle may be less than 2.5 m (8 ft. 3 in.) wide and escape routes are encouraged. A maximum of 4 obstacles is allowed.

6. Obstacles are considered part of the course and are not timed, but must be driven correctly or the driver will be eliminated. Up to 4 lettered gates (pair of red and white markers) should be placed in the obstacle to lead the driver through. Gates must be driven in consecutive order. Once driven a gate is considered “dead” and may be driven in any manner to get to the next gate.

7. Scoring:
   a. No penalty for arriving at the finish between the minimum time and time allowed.
   b. One penalty per second under the minimum time.
   c. Two penalties per second over the time allowed.
8. Vet Check. If a vet is available for the cross-country, he must be at the finish. All horses should be observed by him as they pass over the finish line. Whether or not a physical check is made is left up to the vet and management, but if one is planned, all horses must be checked at the same time interval (i.e., 10 minutes after finishing). Competitors should be encouraged to cool their horses during this time. Management should provide water for drinking and washing down. Any horse that does not complete the course in good form, in the opinion of the vet, will be penalized 10 points and so advised. In the absence of the vet, the judge may assess the vet penalties for any horses in obvious distress.

9. In the event of a tie, the judge shall determine the winner by selecting the horse most suitable to provide a pleasant drive. No entry which has received vet penalties may be placed over entries with no penalties.

10. Reasons for Elimination:
   a. Racing or otherwise endangering another vehicle or spectator
   b. Failure to drive the prescribed course
   c. Failure to correctly drive the obstacles on course
   d. Failure to complete the course
   e. Outside assistance (other than a navigator/groom pointing out the route)

NOTE: For more information on Combined Driving, refer to the FEI, Combined Driving Rules, 9th ed.

CP162 Pleasure Marathon - Pace.

PURPOSE: To test the driver on his skill in negotiating a cross-country marathon at a described pace. (similar to a hunter pace).

1. To be driven over a marked course of any length (suggested length 3-6 miles or 5-10 km). The midpoint of the course is marked with a HALF WAY marker.

2. Drivers are given the distance of the course and the speed they are to drive (suggested: 14 kph horses, 12 kph large ponies, 11 kph small/medium ponies) and they must try to come to the finish line exactly on time.

3. Walk Section. Management has the option of adding a walk section near the midpoint, not to exceed 1 km. To be clearly marked with WALK and RESUME TROT. Breaks of pace in the walk, by any horse in the turnout, will be penalized by 10 penalties per 5 paces.

4. Mandatory Trot. The last kilometer (.6 mile) must be driven at the trot. Circling, driving serpentines, and walking or stopping are not permitted under penalty of elimination. The start of the trot shall be marked MANDATORY TROT. Breaks of pace shall be penalized by 10 penalties per 5 paces.

5. One penalty is assessed for each second too early or too late.

6. Vet Check. If a vet is available for the cross-country, he must be at the finish. All horses should be observed by him as they pass over the finish line. Whether or not a physical check is made is left up to the vet and management, but if one is planned, all horses must be checked at the same time interval (i.e. 10 minutes after finishing). Competitors should be encouraged to cool their horses during this time. Management should provide water for drinking and washing down. Any horse that does not complete the course in good form, in the opinion of the vet, will be penalized 10 points and so advised. In the absence of the vet, the judge may assess the vet penalties for any horses in obvious distress.

7. In the event of a tie, the judge shall determine the winner by selecting the horse most suitable to provide a pleasant drive.

8. To be judged on: How close the driver’s time comes to the ideal time, with penalties for breaks of pace.

9. Reasons for Elimination:
   a. Racing or otherwise endangering another vehicle or spectator
   b. Failure to drive the prescribed course
   c. Failure to correctly drive the obstacles on course
   d. Failure to complete the course
   e. Outside assistance (other than a groom/passenger indicating the route)

**SUB-CHAPTER CP-16 PUTTING-TO CLASSES**

**SECTION 1 - General Rules**

**CP175 Introduction.**
This class is designed to test the skills and efficiency of the coaching team (driver, groom(s)
and hostler). The conditions of the class simulate the custom of changing horses in a "yard",
but use only one horse/team of horses.

**CP176 Course.**
1. The class should be conducted in an enclosed area. There will be a start and finish line,
an unhitching/hitching box, and a marker set some distance from the unhitching/hitching
box.
2. The unhitching/hitching box is marked off with lime, chalk, sawdust or other appropriate
material. The box must be large enough so that each type of entry competing in the class may stop the entire turnout within the enclosure.

**CP177 The Turnout.**

Each entry must comply to the turnout for their entry type as specified below:

1. Four-in-Hand/Unicorn - A driver, two grooms, a minimum of two passengers, one hostler* to assist in the arena, four horses, and appropriate carriage/harness.
2. Pair - A driver, one groom, a minimum of one passenger, one hostler to assist in the arena, the pair of horses and appropriate carriage/harness.
3. Single/Tandem - A driver, one groom, one hostler to assist in the arena, the horse(s) and appropriate carriage/harness.

* The Hostler may not enter the arena until the coach is completely within the unhitching area.

**SECTION 2 - Class Conditions**

**CP178 Basic Format of Class.**

1. Upon entering the arena, the driver will drive through a set of starting markers, where timing will begin, and proceed to the unhitching area.
2. The entire turnout must be within the unhitching area, stopped, with grooms and passengers down before unhitching may begin. Passengers must dismount before the driver may leave the vehicle. The driver will dismount and remount from the off side.
3. The horses are unhitched by the driver, groom(s) and hostler.
4. After the horses are unhitched, the horse(s) must be led around the designated marker, brought back to the vehicle and rehitched properly to simulate changing teams.
5. When the horses are rehitched and the driver in place, the passengers and grooms remount and the turnout is driven across the finish line where time will be taken. Grooms may remount the coach as it moves off, but they must be seated as the coach crosses the finish line.
6. The driver is in place only after reassuming his/her place on the box, properly attired, with lines and whip completely in hand.
7. Passengers may not assist in any way. They must dismount before any unhitching may begin and must remount only after the driver is in place.
8. Grooms must remain in complete livery when unhitching/rehitching.
9. The judge may inspect the turnout to be sure the horses have been rehitched properly.
10. The score is time elapsed plus penalties. The lowest score determines the placings.

**CP179 Sequence to Unhitch/Hitch - Four-In-Hand/Unicorn.**

1. To Unhitch:
   a. Leaders - inside traces, outside traces, then reins.
   b. Wheelers - loosen pole chains/straps, disconnect inside trace, outside trace, pole chains/straps and then coupling reins.
2. To Hitch:
   a. Wheelers – the coupling reins, pole chains /straps, loosely, outside traces, inside traces, then tighten pole chains/straps.
   b. Leaders - coupling reins, take reins back through terret on wheelers, then do outside traces and inside traces.

**CP180 Sequence to Unhitch/Hitch - Pair.**

1. To Unhitch: Loosen pole chains/straps, disconnect inside trace, outside trace, pole chains/straps and then reins.
2. To Hitch: Coupling reins, pole chains/straps, loosely, outside traces, inside traces, then tighten pole chains/straps.

**CP181 Sequence to Unhitch/Hitch - Tandem.**

1. To Unhitch:

2. To Hitch: Run reins through terrets, near trace, off trace, and then breeching.

**CP183 Penalties.**
1. Driver fails to remain seated with reins in hand until passengers have dismounted/remounted 20 penalties
2. Outside assistance (other than the team of driver, 2 grooms, and hostler) 20 penalties
3. Improper hitching 20 penalties
4. Unfastening any part of harness before vehicle is stopped and passengers are off 10 penalties
5. Driver fails to carry a whip when vehicle moving 10 penalties
6. Failure to pick up dragging trace/rein when leading horses 10 penalties
7. Failure of grooms to be seated when crossing the finish line 10 penalties
8. Failure to pass through start/finish or to go around designated cone Elimination

[CP184-CP300 ARE INTENTIONALLY LEFT BLANK FOR FUTURE USE]

**SUB-CHAPTER CP-17 COACHING**

**CP301 General.**
1. This division is limited to horse or pony four-in-hand teams put to a Road Coach, Private Coach or Park Drag.
2. The rules for competition are based on the old coaching traditions. More information on these turnouts is available in the following books: On the Box Seat by Tom Ryder; Manual of Coaching by Fairman Rogers; Carriage Turnout and Appointments by the Carriage Association of America and in Carriage Pleasure Driving Appendix A following Section 3.

**CP302 Dress for Attendants and Passengers.**
1. Livery: A close fitting body coat with buttons of yellow or white metal to match the furnishings of the harness used (if possible), white breeches, black boots with tan tops, white stock, black top hat and brown leather gloves. The color of the coat remains the owner's preference, but the preferred colors are conservative in nature and, where possible, complementary to the color of the vehicle. There are five buttons down the front of the coat and three pairs of buttons spaced from the waist to the bottom of the coat in the back. The groom's body coat has no pockets.
   a. Senior groom's livery: The senior groom or coachman's livery is the same as listed above except that the body coat should be slightly longer than the other groom's body coats, reaching a point just above the knee cap. There are six buttons down the front of the coat and four buttons on the back (two at the waist and two at the bottom of the coat.) There are pockets at the waist of the coat to carry the coach key.
2. Guard's uniform: The guard is usually dressed in a frock coat of appropriate color, usually with strappings across the front and on the pocket flaps, breeches (which may be white or of spongebag check), leather or canvas leggings, brown boots and a beaver hat. He carries the way-bill pouch slung over the shoulder with a pocket for watch and a loop for the hind boot key. The metal buttons on the coat should match the metal furnishings of the harness and the door handles and beading of the coach.
3. Stable livery:
   a. Conservative suit, white shirt, dark tie, derby, dark shoes and leather gloves.
   b. Conservative jacket, jodphurs or drill trousers, jodphur boots or paddock boots, white shirt, stock or four-in-hand tie, derby or conservative cap and leather gloves.
   c. Hunting attire with a hunting derby or bowler.
4. Dress for passengers: Dress for passengers is dictated entirely by taste. Period costumes are not to be used and conservative dress, appropriate to the style of the carriage, is encouraged.

**CP303 Classes.**
Classes may be offered in the following divisions: Open, Amateur, Working, Reinsmanship.

**CP304 Pleasure.**
Entries will be judged both ways of the ring at an even trot, and may be asked to walk when reversing across the diagonal and when lining up. Entries should stand quietly in the line-up. Judged on performance, quality, manners of the horses and correct appointments. (See Carriage Pleasure Driving Appendix A)

**CP305 Best Team.**
Entries to drive at a smart trot, both ways of the ring. May be asked to walk when reversing across the diagonal and when lining up. Emphasis on overall impression, quality of the team and its performance.

**CP306 Turn-Out.**
Entries to be shown at an even trot, both ways of the ring. May be asked to walk when reversing across the diagonal and when lining up. Horses must stand quietly in the line-up. Judged on performance, quality, manners of the horses, and correct appointments. (See Carriage Pleasure Driving Appendix A)

**CP307 Obstacles.**
This is not a timed obstacle course. Drivers negotiate a course of paired markers (set 20 inches wider than the wheel track of the widest wheel). The course must be posted in advance and is driven from memory. At the end of the course, the driver halts the team with his front hub in line with the designated marker. To ensure accuracy of the halt, a measurement is taken of the distance off the line and 5 faults are assessed for each foot or part thereof the vehicle is off the line. Accuracy of turns and evenness of pace to count. If two or more horses gallop at the same time, they must be brought back to a trot within 5 seconds. If the gallop continues for a longer period, a 10 second penalty will be added for each commenced period of 5 seconds. Faults are assessed as follows:

**CP308 Timed Obstacles.**
To be judged over a course in the ring consisting of paired markers set 20 inches wider than the widest wheel track of each vehicle. The course is to be posted in advance and must be driven from memory, at a trot. Breaks of pace will be penalized as will displaced markers. Breaks of gait consist of the entire team walking or cantering for longer than 5 seconds. Faults are assessed as follows:

**SUBCHAPTER CP-18 RULES FOR DRESSAGE COMPETITIONS**

**CP401 Governing Regulations.**
The articles in this section apply to Dressage in all national Carriage driving competitions. For Dressage classes at Carriage Pleasure Driving Shows, the General Rules for Carriage Pleasure Driving Competitions shall also apply.
CP402 General.
1. The object of Dressage is the harmonious development of the physique and ability of the horse. Through progressive training the horse becomes calm, supple, and flexible as well as confident, attentive and keen in his work.
2. These qualities are revealed by:
   a. The freedom and regularity of the paces;
   b. The harmony, lightness and ease of movement;
   c. The lightness of the forehand and the engagement of the hindquarters, originating in a lively impulsion;
   d. The acceptance of the bridle, without any tenseness or resistance.
3. The horse, confident and attentive, submits generously to the driver, remaining straight in any movement on a straight line and bending accordingly when moving on curved lines.
4. His walk is regular, free and unconstrained. His trot is free, supple, regular, sustained and active.
5. Because the horse has impulsion and is free from resistance he will obey without hesitation and respond to the various aids calmly and with precision, displaying a natural and harmonious balance both physically and mentally.
6. In all his work, even at the halt, the horse should be ‘on the bit’. A horse is said to be ‘on the bit’ when the hocks are correctly placed, the neck is more or less raised and arched according to the stage of training and the extension or collection of the pace, and he accepts the bridle with a light and soft contact and submissiveness throughout. The head should remain in a steady position, as a rule slightly in front of the vertical, with a supple poll as the highest point of the neck, and no resistance should be offered to the driver.
7. The object of the Driven Dressage Test is to judge the freedom, regularity of paces, harmony, impulsion, suppleness, lightness, ease of movement and correct bending of the horses on the move. Competitors will also be judged on style, accuracy and general control of their horses, and also on their dress, condition of their harness and vehicle and the presentation of their whole turnout. Presentation for Training and Preliminary division entries may be judged at the halt, in a separate area, prior to the Driven Dressage Test.

CP403 The Halt.
At the halt, the horse should stand attentive, motionless and straight, with the weight evenly distributed over all four legs, if a multiple, all must be square and aligned with one another. The horse may quietly champ the bit, while maintaining a light contact with the driver’s hand, and should be ready to move off at the slightest indication. The halt is obtained by the displacement of the horse’s weight on the quarters by properly used aids, driving the horse forward towards a restraining but allowing hand, causing an almost instantaneous, but not abrupt halt at the previously fixed pace.

CP404 Walk.
1. The walk is a marching pace in which the footfalls of the horse’s feet follow one another in four-time well marked and maintained in all work at the walk. When the four beats cease to be distinctly marked, even and regular, the walk is disunited or broken. It is at the pace of the walk that imperfections in progressive training are most evident.
2. The following walks are recognized: Free walk on a long rein, working walk, lengthened walk.
   a. FREE WALK: The free walk is a pace of relaxation in which the horse is allowed the freedom to lower and stretch out his head and neck to the utmost. The reins must be long enough to allow for this stretch, however, they should not be loose enough to loop. It is desirable that the hind feet touch the ground clearly in front of the foot prints of the fore feet (overtracking).
   b. WORKING WALK: A regular and unconstrained walk. The horse should walk energetically but calmly with even and determined steps with distinct, marked four equally spaced beats. The driver should maintain a light and steady contact with the horse’s mouth (“on the bit”). The horse’s hind feet should touch the ground in front of the prints of the fore feet.
   c. LENGTHENED WALK: This a more determined and ground covering walk than the
working walk. The main difference between the free walk and the lengthened walk is that the driver now actively asks the horse to produce more push from behind and thus lengthen his stride. The horse must flex his poll somewhat and is expected to work into the bit on a soft contact. The horse should not stretch as long and as low as in the free walk, but has to show a definite lengthening and lowering of the frame compared to the working walk. Some overtrack is expected.

CP405 Trot.

1. The trot is a pace of two time on alternate diagonal legs (near fore and off hind leg and vice versa) separated by a moment of suspension. The trot, always with free active and regular steps, should be moved into without hesitation. The quality of the trot is judged by the general impression, the regularity and elasticity of the steps originated from a supple back and well engaged hindquarters - and by the ability to maintain the same rhythm and natural balance. The following trots are recognized: Collected trot, Working trot, Lengthen stride in the trot, and Extended Trot.

a. COLLECTED TROT: In the collected trot the horse is expected to move with more impulsion and engagement than in the working trot. Therefore his haunches must be more compressed, his loins more strongly coiled and his croup lowered. As a result the horse’s neck and head will be raised higher and his center of balance will be shifted permanently more towards the rear, thus enabling the shoulders to move with greater ease and freedom with the poll the highest point, the nose should not be overbent or the neck restricted. As the horse's frame is shorter than in other trots, his steps will also be shorter but must be more elevated, and he appears lighter and more mobile throughout. Hollowing and/or stiffening the back are severe faults. Only a moderate degree of collection should be expected from a driving horse.

b. WORKING TROT: A regular and unconstrained trot, in which a horse, even if not yet trained and ready for collected movements, shows himself properly balanced and remaining on the bit, goes forward with even elastic steps and good hock action. The expression “good hock action” means here a free and energetic forward swing of the hind legs with hocks brought well forward underneath the horse's body, aiding in his free forward movement. The steps of the hind feet must at least be touching the ground in the footprints of the fore feet.

c. LENGTHEN STRIDE IN THE TROT: This trot is used as a preparation for the extended trot. While maintaining the same rhythm, the horse covers more ground than in the working trot. He must lengthen and lower the frame and stride while remaining on contact.

d. EXTENDED TROT: The horse lengthens his stride to cover as much ground as possible as a result of greater impulsion from the hindquarters. The driver allows the horse, remaining “on the bit” without leaning on it, to lengthen its frame to gain ground, with the nose slightly in front of the vertical. The hind feet must clearly overtrack the prints made by the fore feet. The horse must remain in balance while maintaining the same tempo with steps of equal size. Going faster is not asked for, and is a severe fault.

CP406 Working canter.

A forward, active pace with regular steps of three time pace, the horse showing good balance, remaining on the bit and going forward with light cadenced steps and good hock action. A canter to the right, for instance, will have the footfalls follow one another in the following sequence: left hind, left diagonal (simultaneously left fore and right hind), right fore, followed by a moment of suspension with all four feet off the ground before the next stride begins. The quality of the canter is judged by the general impression, the regularity and lightness of the three time pace. The horse must be on the bit and well engaged in the hindquarters with good hock action, and must have the ability to maintain his rhythm and natural balance throughout the movement and the transitions. The horse must remain straight on the straight lines.

CP407 Rein back.
The rein back is a backward movement in which the feet are raised and set down simulta-
neously by diagonal pairs. The feet should be well raised and the hind feet remain well in
line. At the preceding halt as well as during the rein back, the horse, although standing
motionless and moving back respectively, should remain on the bit, maintaining his desire to
move forward. Anticipation or precipitation of the movement, resistance to or evasion of the
hand, deviation of the quarters from the straight line, spreading or inactive hind legs and
dragging fore feet are serious faults. If, in a dressage test, a trot is required after a rein
back, the horse should move off immediately into his pace, without a halt or intermediate
step.

CP408 Shoulder in.
The shoulder in movement requires leader horse(s) inside foreleg to pass in front of the out-
side leg. The horse(s) inside hind leg is passed in front of the outside leg, and in the track of
the outside foreleg. The horse(s) look away from the direction in which it is moving.

CP409 Stretching the frame.
The horse gradually takes the reins, stretching forward and downward with light contact,
while maintaining balance, rhythm and tempo and quality of the gait.

CP410 Transitions.
The changes of pace should be clearly shown when the horse’s nose arrives at the pre-
scribed marker; they should be quickly made, yet must be smooth and not abrupt. The
rhythm of a pace should be maintained up to the moment the pace is changed or the horse
halts. The horse should remain light in hand, calm and maintain a correct position in bal-
ance and on the bit. In the lower levels, transitions from trot to halt and from halt to trot may
be executed progressively through the walk by making two or three well defined walk steps.

CP411 Half-halt.
The half-halt is a hardly visible, almost simultaneous, coordinated action of the aids, (voice,
whip, and hands of the driver), with the object of increasing the attention and balance of the
horse before the execution of several movements or transitions to lesser and higher paces.
In shifting slightly more weight onto the horse’s quarters the engagement of the hind legs
and the balance on the haunches are facilitated for the benefit of the lightness of the fore-
hand and the horse’s balance as a whole.

CP412 Changes of Direction.
At the changes of direction, the horse should adjust the bend of his body to the curvature of
the line he follows, remaining supple and following the indications of the driver without
resistance or change of pace, rhythm or speed.

CP413 Figures.
1. SERPENTINE: These are a series of half circles from one side of the arena to the other,
connected by straight lines. Starting and finishing by driving into the corners is incorrect.
The number of loops are prescribed in the tests.
2. FIGURE OF EIGHT: This figure consists of two exact circles of equal size as prescribed
in the test, joined at the center of the eight. The horse should straighten for several strides
before changing direction at the center of the figure.
3. HALF-CIRCLE: This movement consists of a half-circle of stated diameter followed by a
return to the original track on a straight line. In a pair or four-in-hand, the pole should touch
the centerline briefly at the end of the half circle before returning to the track on a straight
line.
4. THE DEVIATION: A gradual movement away from the long side of the arena to reach a
maximum value prescribed with a gradual movement back to the track.

CP414 Collection.
1. The aim of the collection of the horse is:
   a. To further develop and improve the balance and equilibrium of the horse, which has
      more or less been displaced by the additional weight of the carriage.
   b. To develop and increase the horse’s ability to lower and engage his quarters for the
      benefit of the lightness and mobility of his forehead.
   c. To add to the ‘ease and carriage’ of the horse.
2. Collection is, in other words, improved and effected by engaging the hind legs, with the joints bent and supple, forward under the horse’s body.

3. The position of the head and neck of a horse at the collected pace is naturally dependent on the stage of training and in some degree, on its conformation. It should, however, be distinguished by the neck being raised and unrestrained, forming a harmonious curve from the withers to the poll the poll being the highest point, with the head slightly in front of the vertical.

**CP415 Submission.**
Submission does not mean a truckling subservience, but an obedience revealing its presence by a constant attention, willingness and confidence in the whole behavior of the horse, as well as by the harmony, lightness and ease he is displaying in the execution of the different movements. The degree of submission is also manifested by the way the horse accepts the bridle with a light contact and a supple poll or with resistance to or evasion of the driver’s hand, being either ‘above the bit’ or ‘behind the bit’ respectively.

Putting out the tongue, keeping it above the bit or drawing it up altogether, as well as grinding the teeth and swishing the tail, are mostly signs of nervousness, tenseness or resistance on the part of the horse and must be taken into account by the judges in their marks for the movement concerned as well as in the collective mark for “submission.”

**CP416 Position and Aids of the Driver.**
1. The driver should be seated comfortably on the box so as to be relaxed and effective. Either the one or two handed method of driving is acceptable. Common to both methods, the elbows and arms should be close to the body with an allowing, but steady hand enabling a consistent “feel” with the horse’s mouth. Drivers should not be penalized or rewarded for using one style over another.

2. The use of the whip and the voice are important aids in driving. They should be used as effectively and unobtrusively as is reasonably possible.

**CP417 Dress.**
Competitors are reminded that neatness should be the first requisite. The dress of the competitor and grooms must conform to the style of carriage and harness used. Period costumes, however, are not desirable. Driving aprons, hats, gloves and whip in hand are obligatory for competitors. The whip must be of suitable style and adequate length.

**CP418 Arena and exercise areas.**
1. The arena should be on as level ground as possible. The large arena is 100 meters long and 40 meters wide. The small arena is 80 meters long and 40 meters wide. The size of the arena to be used is determined by the test and the turnout. The correct arena size is printed on the test. Arena measurements are for the interior of the arena enclosure. Arenas should be separated from the public by a distance of at least 5 meters, 10 if possible. The enclosure itself should consist of a low fence (boards, breakable chain, etc.) Letter A should be easy to remove, to let competitors in and out of the arena in a suitable way, or must be placed at least 5 meters away from the arena.

2. The letters outside the enclosure should be placed about 0.5 meters from the fence and clearly marked. It is permissible to decorate the letters with flowers or greenery to enhance the appearance of the arena.

3. The marking of the center line, throughout its length, and the three points D, X, and G are obligatory and must be as clearly marked as possible without being of a nature to frighten the horses. On that account is recommendable: on a grass arena, to mow the grass on the center line shorter than the other parts of the arena and on a sand arena to roll or rake the center line in a suitable way. In such cases the three points D, X, and G should suitably be mowed, raked or rolled, about two meters straight across the center line.

4. In the case of inclement weather or during winter, the use of an indoor arena may be desirable with the necessary modifications to meet local conditions. The requirements for the outdoor arena, however, apply as far as is possible.

5. An exercise area must be provided far enough away from the arena so as not to disturb the competitors during their tests. It should be of sufficient size for several competitors to
prepare their horses at the same time. If possible a practice arena with perimeters and let-
ters should be provided.

**CP419 Tests.**
The American Driving Society approves and issues dressage tests for use at USEF licensed
Carriage Pleasure Driving competitions.

1. For use at USEF national competitions:
   a. ADS Training Level Tests: The purpose of these tests is to establish that the correct
      foundation is being laid for the training of the driving horse requiring the green horse to
      move freely forward in a free walk on long rein and the working trot, in rhythm while
      accepting the bit with relaxation, through transitions and 40 m. circles. This level is also
      intended to encourage the inexperienced driver.
   b. ADS Preliminary Level Tests: The purpose of these tests is to establish that the horse
      has acquired a degree of balance and suppleness in addition to the rhythmical, free for-
      ward motion expected at the Training Level. While consistently accepting the bit the
      horse exhibits more activity of the haunches in the working trot and lengthened walk. To
      be demonstrated in: 30 m. circles, 20 m. half circles, serpentines, lengthened trot and
      stretching the frame.
   c. ADS Intermediate Level Tests: The purpose of these tests is to establish that the
      horse has become more freely forward with greater use of the haunches than at the
      Preliminary level, while remaining light in hand without resistance. To be demonstrated
      in the working walk and trot, the lengthened trot, collected trot, the 5 second halt, the
      rein back, and the serpentine.
   d. ADS Advanced Level Tests: The purpose of these tests is to establish that the
      horse has acquired a greater degree of suppleness, balance and lightness in hand than at the
      Intermediate level while remaining reliably on the bit, producing more impulsion through
      further strength in the haunches and relaxation of the back and poll enabling the driver
      to collect and extend the trot. To be demonstrated in the collected and extended trot, the
      rein back, and the 10 second halt.

**CP420 Execution of the tests.**
1. The dressage test must be driven from memory.
2. No passengers are permitted and grooms must sit in their correct places. One groom is
   optional for singles; one groom is mandatory for pairs and tandems and two grooms are
   mandatory for unicorns and four-in-hands. A knowledgeable adult horseman must accom-
   company a Junior under 14 years of age in the carriage. No additional grooms or passengers
   are permitted. Failure to comply incurs elimination.
3. At the salute, drivers should take the reins in one hand. A lady shall raise the whip verti-
   cally or horizontally in front of her face; a gentleman shall remove his hat and let his arm
   drop loosely along his body or may render the salute as does the lady. The whip salute is
   used to acknowledge the judge at the start and finish of an individual test, or at the begin-
   ning and end of a dressage test. The whip salute is also performed in the following ways.
   a. By moving the whip, held in the right hand, to a vertical position, the butt end even
      with the face.
   b. By moving the whip, held in the right hand, to a position parallel with the ground, the
      handle before the face.
   c. A gentleman may place the whip in his left hand and remove his hat.
4. Error of Test: If a competitor attempts to perform a movement, or attempts to maintain the
   pace required, and fails to do so, but does not deviate from the track, the judge may either
   treat it as an “Error of Course” (see 5 below), or he may decide to give the movement an
   appropriate mark.
5. Error of Course:
   a. It is an "Error of Course" when a competitor deviates from the required track or when
      a movement is performed at the wrong pace or omitted altogether.
   b. In the event of a competitor making an Error of Course, the judge will ring the bell and
      stop the competitor. The competitor must then resume the test from the beginning of the
      movement where the error was made. If the competitor is in any doubt, he may
approach the judge for instructions.

6. For 'an error of course' or if a groom dismounts, penalty marks will be awarded as follows:

<table>
<thead>
<tr>
<th>Incident</th>
<th>Penalty Marks</th>
</tr>
</thead>
<tbody>
<tr>
<td>First</td>
<td>5</td>
</tr>
<tr>
<td>Second</td>
<td>10</td>
</tr>
<tr>
<td>Third</td>
<td>Elimination</td>
</tr>
</tbody>
</table>

7. If the judge at C has not noted an error, the competitor has the benefit of the doubt.

8. Penalty points are noted only on the judge's sheet.

9. Disconnected or Broken Harness: Should the rein, pole strap, chains or trace become disconnected or broken, or should the horse get a leg over the pole, trace or shaft, the judge will ring the bell and a groom must dismount and reconnect or repair the broken part. The competitor will be penalized for a groom(s) dismounting.

10. In a case of marked lameness, the judge informs the competitor that he is eliminated. There is no appeal against this decision.

11. A competitor who does not enter the arena within 90 seconds after the entry bell is rung for his test shall be eliminated at the discretion of the judge. No competitor can be required to drive prior to his scheduled time.

12. If, during the test, the entire turnout leaves the arena, the competitor is eliminated. If part of a turnout leaves the arena, it shall be scored as a poor movement and appropriate marks awarded.

13. A competitor leaving the arena at the end of a test in any way other than prescribed in the test will be penalized by an error. A competitor leaving the arena at the end of his test at any point other than ‘A’ will be penalized for an error.

14. Competitors shall be allowed to drive the outer perimeter of the arena before entering if possible.

15. Competitors will not be allowed to school in or around the arena while a class is in progress.

16. The judge may allow a competitor to restart a test if, in his discretion, some unusual circumstance has occurred to interrupt a test.

**CP421 Time.**

The execution of the tests is not timed. The times shown on the test sheets are for scheduling information only.

**CP422 Marking.**

1. All movement and certain transitions from one to another, which have to be marked by the judge(s) are numbered on the judge’s sheets.

2. They are marked from 0-10, with 0 being the lowest mark and 10 the highest mark.

3. The scale of marks is as follows:

<table>
<thead>
<tr>
<th>Mark</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>10</td>
<td>Excellent</td>
</tr>
<tr>
<td>9</td>
<td>Very Good</td>
</tr>
<tr>
<td>8</td>
<td>Good</td>
</tr>
<tr>
<td>7</td>
<td>Fairly Good</td>
</tr>
<tr>
<td>6</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>5</td>
<td>Sufficient</td>
</tr>
</tbody>
</table>

“Not Executed” means that practically nothing of the required movement has been performed.

   a. Collective marks are marked after the competitor has finished his performance for:

   (1) Gaits
   (2) Impulsion
   (3) Submission
   (4) The driver’s handling of the reins and whip; correctness and effect of the aids.
b. Each collective mark is awarded from 0 to 10.

5. The collective marks, as well as certain difficult and/or infrequently repeated movements, can be given a co-efficient of more than 1, which is fixed by the Dressage Committee of the ADS and appears on the test.

6. The mark for each movement should first establish the fact of whether the movement is performed insufficiently (4 or below) or sufficiently (5 or above). The judge should state the reason for each mark, as far as possible, but particularly for marks 5 downwards.

7. A movement which must be carried out at a certain point of the arena, should be done at the moment when the horse’s nose is above this point.

8. If a problem appears once, it may be treated lightly by the judge. If it appears successively, he will score it more harshly each time, i.e. nodding, stumbling, shying, etc.

9. Signs of tenseness or resistance on the part of the horse should be considered in the marks for each movement where they appear, as well as in the collective marks. Horses which get their tongues over the bit or perform with an open mouth shall be marked down.

10. The levels of dressage are offered as a means of evaluating a horse that is changing. The purpose of each test is printed on the cover and the horse shall be considered in the light of the degree of training it should have achieved to be shown at that level.

11. Allocation of Marks: The judge will allocate their marks individually, and there will be no consultation among judges once the competitor has commenced the test.

12. Multiple Turnouts: Pairs, Tandems, and Four-in-Hands will be judged as a whole and not as individual horses.

13. Pace: The definition of paces - movements will apply to all types and breeds of horses.

14. Terminology: The following must be considered when judging Driven Dressage movements:

   a. Obedience and Lightness - willing response to aids without resistance and correctness of bend.

   b. Regularity - the regularity, evenness and rhythm with which the horse puts his feet to the ground.

   c. Contact - the tension in the reins between the driver's hands and the horse. It should be light and flexible and maintained at all times.

   d. Impulsion - the willingness of the horse to go forward energetically at all times and to respond quickly and evenly to changes of pace. The horse must remain in balance while maintaining the same tempo with steps of equal size.

   e. Straightness - carrying the head, neck and body in a straight line with the weight evenly divided among the legs.

   f. Collection - roundness and engagement with good hock action, elevated poll allowing the shoulders to move with ease. The horse's energy is contained in a more deliberate pace than in the Working Trot. The haunches are more compressed, the croup is lowered, and the forehand is elevated to the same degree. The stride is shorter but more powerful than the working trot and the front legs will move from the shoulder with greater agility resulting in lightness and greater mobility throughout. The neck should be more arched. The shortening of the frame is not and never should be a result of pulling back but rather of asking and allowing the horse to move forward into the driver's hand.

   g. Accuracy - Accuracy of turns, circles, serpentines, along side rails, deviations.

CP423 General Impression.

1. Principle: There are five boxes at the end of the Judges' Score Sheets for marks on General Impression.

2. Paces/Gaits: Regularity and freedom (if Four-in-Hand, Pair or Tandem, maintenance of pace/gait by all horses). The quality of paces/gaits in each movement is marked under the appropriate movement. The mark for the general impression must reflect paces/gaits and transitions during the whole test.

3. Impulsion: Moving forward, engagement of the hind quarters (if Four-in-Hand, Pair, or Tandem, all horses working). The level of impulsion may vary between movements and pace, but the mark for impulsion must reflect the performance of the horses through the test.
5. Competitor: Use of aids, handling of reins and whip, position on the box, accuracy of the figures. The mark must reflect the consistent level of accuracy and quality of transitions.
6. Presentation:
   a. Appearance of competitor and grooms, cleanliness, fitness, matching and condition of horses, vehicle and harness.
   b. Bandages and brushing boots are not permitted under any circumstances. Failure to comply entails 10 penalty points.

CP424 Classification and scoring.
1. After each performance and after each Judge has given his collective marks, which must be done with due consideration, the judge’s sheets pass into the hands of the scorers.
2. In regular dressage competition (pleasure shows, etc.) the total number of points awarded by each judge will be added together and divided by the number of judges to obtain the average. Any penalties under DC143 awarded by the judge at C will be deducted from the average to obtain the total. The competitor with the highest number of points will be placed first. The winner is the competitor having the highest total points, the second, the one with the next highest total points and so on. In the case of equality of points, the competitor with the highest marks received under General Impressions shall be declared the winner. When the scores for General Impressions tie, the judge may be required to decide on a winner after review of both score sheets or the horses may remain tied.
3. At regular dressage competitions, scores may be shown as the average score minus the penalty points.
4. The correct factor is printed on each test.

CP425 Ground jury
1. The invited judges must be selected from:
   a. the list of Federation licensed Combined Driving judges
   b. the list of Federation licensed Dressage judges
   c. the current roster of ADS Dressage or Combined Driving Judges

   d. a foreign judge approved by his National Federation in Combined Driving or Dressage
      (1) must have a Federation Guest Judge’s card
   e. a FEI judge licensed in Combined Driving or Dressage
2. The judge is placed five meters from the end of the arena opposite the letter C.
3. A separate enclosure (tent, trailer etc.) should be provided for each judge. It should be raised at least 0.5 meters (20 inches) above the ground to give the judge a good view of the arena.

CP426 Technical Delegate.
1. There must be a Technical Delegate for Federation licensed open Carriage Pleasure Driving Competitions and for Federation Regular Member competitions that have more than 15 Carriage Division classes. Technical Delegates must be selected from:
   a. the list of Federation licensed Combined Driving Technical Delegates
   b. the list of ADS Combined Driving Technical Delegates
      (1) must have a Federation Guest Technical Delegate’s card
   c. the list of Federation Combined Category or C2 stewards at breed restricted competitions with 15 or less Carriage division classes.

CP427 Responsibilities of management.
1. Classes should be divided by similar turnouts (singles, pairs, fours, etc.). Horses may not be entered more than once in any dressage class. At Carriage Pleasure Driving Competitions or Driven Dressage Competitions, competitors may enter two consecutive levels with the same horse and driver combination, e.g. Training and Preliminary or Preliminary and Intermediate.
2. No judge shall be required to officiate longer than eight hours in one day. A scheduled 10 minute break must be provided for every two hours of judging.

3. A tentative class schedule must be included in the prize list. If the day of competition is changed forcing a competitor to withdraw, his entry fees must be refunded.

4. Organizers should prepare a time schedule including all driving times. If possible, competitors should be notified of their driving time in advance. In preparing the schedule consideration should be given to drivers entered in more than one class.

5. Time intervals should be scheduled between classes to allow for judge’s breaks and award presentations. The time schedule should be posted in a conspicuous place by noon the day before the competition.

6. Following the presentation of awards for each class, the judge’s score sheet should be given to the competitor.

CP428 Cruelty.
1. The General Regulations refer to cruelty. See GR302.

CP429 Bits

Snaffle bits and other types of traditional driving bits are allowed. Bits may be covered with rubber or leather. Burr, gag and twisted wire bits of any type are not permitted in USEF driving competitions. Style of harness or carriage should not influence the type of bit being used.

PARK DRAG OR PRIVATE COACH

DEFINITION: A Park drag should be of less heavy build than a Road Coach. The axles may be Mail or Collinges. The hind seat should be mounted on curved iron braces and be of the proper width for two grooms. The lazy-backs on the roof seats should be hinged and turned down when not in use. The door of the hind boot is often hinged at the bottom so that it may be used as a serving table when open. There should be no luggage rails or straps between the seats.

The driver may choose to have passengers on the drag or coach during coaching classes.

PAINT AND BODYWORK: The paintwork should be well finished in traditional style. The sides of the front and rear boots, the upper quarters of the body, the steps and seat rails should be painted black. The under-carriage, the pole, the bars, the underside of the footboard and the seat-risers or cheeks should be painted the same color; the lower panels of the body and the door of the rear boot may be painted the same or a different color. An heraldic badge or monogram may be neatly painted on the crest panel of the door; on the rear boot door or on the underside of the footboard. The outside seats may be trimmed in pigskin or wool broadcloth of a suitable color with the underside of the cushions covered in waterproof material. The inside of the coach may be trimmed in Morocco leather or cloth or a combination of these materials. The inside floor may be covered with a Wilton carpet of solid color. It is not usual to have seat-falls to the outside seats, but they may be fitted inside. The seat valances or boarders of the outside seats may be made of patent leather fastened with a horizontal strip of bright metal beading of the same metal as the door handles and lock covers. The metal edging of the doors and hind boot should not be polished, but there should be bright metal on the seat-edge beading, door handles, and outer face of the hub caps. The glasses of the door windows should be plain and not quartered.

APPOINTMENTS: There may be wine coolers and a glass case carried in the rear boot. A lunch chest or imperial may be carried on the roof but only when it is to be used as at a race meeting or similar occasion. Two spare lead bars, one side and one main, should be carried fastened to the back of the hind seat, with the main bar above. A folding iron ladder should be carried on brackets beneath the hind seat. The stick and umbrella basket is hung on the near side, at the corner of the rear roof-seat, the drag shoe and the safety hook should be hung under the coach on the off-side except in countries where they drive on the left of the road, in which case the drag is hung on the near side. A spare jointed whip mounted on a board may be hung under the box-seat or inside the coach. The windows or stable shutters should be down and the windows in place when the owner or his representative is driving. The coachman’s apron when not in use should be folded outside out and laid on the driving

cushion. Passengers’ knee rugs or lap-robles should be folded and laid on the front inside seat when not in use.

SPARES: Spares may be carried in the rear boot of inside the coach. The usual: a small case of tools comprising wrench, hammer, leather punch screw driver, hoof pick spare shoe and nails, or “Easy boot”, together; with spare lead and wheel trace; spare lead and wheel rein or rein splicer; spare hame strap; length of strong cord or wire. Loin or quarter rugs for the horses and halters should be carried in an convenient place.

HARNESS: The harness should be of black leather with patent leather where appropriate. The hames should have solid draft eyes and kidney links with kidney link rings on the wheelers only. Bearing reins are permitted but should be on all horses or none. A neat monogram or badge is permitted on the winkers, drops, pads, breast-plate drops, and rosettes. The breast-plates should be fastened round the collar as well as the kidney links for preference. Collars are not to be tied together. It is suggested that the reins should be held in one hand, the other hand being able to assist as required.

The wheel traces should have metal loop ends or quick release. The lead traces should be put on with screwheads of the cock-eyes uppermost, as also should be the lead-bar screws. Buxton bits are preferred and if bearing reins are used they should be on all horses and be attached to separate bearing rein bits not to the driving bit. Cruppers may be sewn or buckled on. The reins should be made of single brown leather. Appropriate straps should be lined and stitched. The bridles may have metal browbands or fronts or they may be of other material to match the color of the coach. Hame straps should be put on with the points inside. The metal furniture of the harness should be of the same material as the buttons of the grooms’ coats and the door handles and beading of the coach. West End buckles are preferred.

The pole chains, the pole-head and the lead-bar hooks and mountings should be made of bright steel color. The pole chains may have spring hooks at each end of may have open hooks with rubber securing rings at one end. Preferably the chains should be of a length that admits of snapping both hooks into the pole-head ring. If too short, one end should be hooked into the pole-head ring and the other into the link with the snap down. If too long, one end should be snapped in the pole-head ring, snap down, and the other brought through the ring and snapped into a link at appropriate length.

ATTENDANTS: Two grooms in Livery should sit on the rear seat when the coach is moving, the senior groom on the right. When the coach is stopped, the senior groom stands by the right wheeler, able to take instructions from the driver, while the other groom stands at the leaders heads.

HORSES: Park Drag horses should be perfectly matched as to color, size, style, action and temperament. They should be horses of quality but of sufficient substance to handle a loaded coach. Flashy coloring is not appropriate. They should have good manners, and should be capable of moving at a stylish trot with action but not excessively fast. They should stand quietly and move off together at the walk when asked to do so. Although all coach horses should be trained to rein back, they should not be asked to do so in the show ring.
ROAD COACH

DEFINITION: A Road Coach is of stronger build than a Park Drag. The Coach may be finished as a Public or Private Road Coach, the latter carries no place names. The axles may be Mail or Collinges. The hind seat holds three persons besides the guard whose seat is on the near-side with an extra cushion. The lazy backs of the seats are usually not hinged. He should have a hand strap to take hold of when standing to sound the horn. There is a rail and luggage straps between the seats. The door of the rear boot is usually hinged on the off-side.

PAINT AND BODYWORK: The distribution of black and color in the paintwork follows the same pattern as a Park Drag, but the colors may be brighter. A Road Coach may have an appropriate name painted on the panel below the hind seat; a figure or some device associated with the coach name may be painted on the side and hind boot door panels. The names of places on the coach’s route may be painted on the sides. If the wheels and other parts of the undercarriage are striped, it should be with a single broad stripe. The windows are usually quartered and the coach is driven with the stable shutters down. The outside seats may be trimmed in strong material such as coach carpet or Bedford cord, not leather. The inside of the coach is usually paneled in hardwood with seat cushions in drab cloth. The seat valances may be similar to the Park Drag or may be made of wood. The metal trim is similar to the Park drag, except that the pole-head, lead bar hooks and pole-chains may be painted black and not of bright steel.

APPOINTMENTS: Two spare lead -bars, one side, and one main, should be carried, fastened to the back of the hind seat with the main bar above. The folding ladder which may be made of wood is hung on brackets below the rear boot. The side lamps should be in their brackets, ready for use, and a red rear light may be placed on a bracket below the rear seat on the near-side. It is usual for this lamp to have a clear lens on the right side so that it can illuminate inside the boot when the door is open. The stick and umbrella basket is hung on the near-side at the corner of the rear roof-seat. The drag-shoe and safety hook should be hung under the coach on the off-side. A spare jointed whip mounted on a board may be hung under the box seat of inside the coach. The coachman’s driving apron and the passengers’ rugs are carried also. Inside the coach, there are leather pockets on the doors and leather hat straps on the roof.

SPARES: These are the same as for the Park Drag and Private Coach, but for the Road Coach may also carry a canvas bucket. Loin or quarter rugs for the horses and halters should be carried in a convenient place.

HARNESS: The hardware of the harness should be of the same metal as the fittings of the coach. The harness is of black leather with most straps of single (unlined) leather. Collars may be of plain black or brown leather. Collars are not to be tied together. It is suggested that reins should be held in one hand, the other hand being able to assist as required. The hames should be of ring-draft type with short kidney links, chain and hook. Bearing reins are not usual but may be used on one or more horses if really necessary. The harness may be embellished with some symbolic device of the initial of the coach’s name on the winkers, rosettes and pads. The wheel traces may have quick -release or French loop ends, and more rarely chain trace ends are used.

ATTENDANTS: A Road Coach carries a guard who is usually dressed in a frock coat of appropriate color, usually with strappings across the front and on the pocket flaps, breeches which may be white or of sponge-bag check, leather or canvas leggings, brown boots and a beaver hat. He carries a way-bill pouch slung over the shoulder with a pocket for a watch and a loop for the hind-boot key. He sits on the rear side of the hind seat and his seat carries an extra cushion. He should have a hand strap to take hold of when standing to sound
the horn. A groom in stable livery must also be carried.

HORSES: Road Coach horses should be matched for size, weight, action, temperament, and way of going. They need not be matched perfectly for color and flashy markings are not objectionable. They should be of sufficient weight to be able to pull the coach without appearing to labor at all. Although the wheelers may be the stronger horses, all horses should be capable of working the wheel. The horses should work evenly together all the time and be capable of moving at a good pace. They should stand quietly and move off together at a walk. They should be able to back the Coach, but should not be asked to do so in the show ring. It is acceptable for a Road Coach team to have a grey near leader. Tradition holds that the color would be more easily seen by oncoming traffic in the dark.

FOUR-IN-HAND BREAKS

DEFINITION: The Body or Wagonette Break, the Roof-Seat Break and an Omnibus with a roof-seat are carriages in this category. All are classed as sporting vehicles.

PAINT AND BODYWORK: The underside of the footboard, the rear boot door and the front seat risers may be painted in the same color. The remainder of the body is usually painted black, but the undercarriage may be painted in some bright color. The seat cushions can be trimmed in Bedford cord, corduroy, leather or broadcloth. Seat falls are not usual. A stick basket, ladder if needed, spare bars and a spare jointed whip are carried. The side lamps are usually left in place ready to use.

SPARES: Spares and other equipment are carried as for a coach and these are usually stowed in the rear boot.

HARNESS: The harness is of a fairly simple kind without unnecessary embellishments. Breechings may be used on the wheelers if they are likely to be required. The wheel traces may have metal loops, French loops, or quick-release ends. The hames may be solid draft with kidney links or ring-draft with short kidney links, chains and hooks. Liverpool or elbow bits are appropriate, except in formal occasions, with grooms in livery, when buxton bits could be used.

APPOINTMENTS: Sporting breaks are usually turned out informally with a driver wearing country clothes and a bowler hat, the grooms in stable livery of trousers, jacket, shirt and tie with a bowler hat. However, there are occasions when it may be appropriate for the driver to turn out more formally with a top hat and driving coat. The grooms could then wear livery. In such case, Buxton bits could be used.

HORSES: The horses for a sporting break could be matched as to type and action. If they are matched as to color, or "cross-matched", that is diagonally matched as to color, so much the better. They should move well together, be capable of sustained active walk and a smart trot. They can be expected to rein back readily and to stand quietly. They should move off quietly and together, starting at a walk until asked to trot.

MAIL, STANHOPE, DEMI-MAIL, SPIDER PHAETONS

DEFINITION: These carriages are intended to be driven by the owner or a friend and are usually turned out in the more formal "park" style rather than country style.

PAINT AND BODYWORK: In all cases the body is usually painted black, except for the seat panel which may be finished in imitation cane or in a color to match or blend with the color of the undercarriage. The undercarriage may be painted in an appropriate bright color and striped. The cushions may be covered in dark colored broadcloth with the seat back upholstered in black leather or, in the case of a Spider Phaeton without a top, in black patent leather. There may be a loose floor mat of heavy punched rubber over a floor covered with
linoleum, or ribbed rubber may be laid on the floor boards. If there is a folding top, the valance may be of patent leather in place with polished metal beading. The dash may have a folded waterproof apron attached or have leather loops for securing such an apron. A whip socket is usual. Lamps are of round dial pattern in most cases but show Spider Phaetons usually have square pattern lamps.

SPARES: A small kit of tools, a wheel wrench and spare harness parts should be carried.

APPOINTMENTS: a dashboard clock, and waterproof coats are necessary.

HARNESS: When it is possible to use a single horse with phaetons of this class, the harness has a bridle of square or D-shaped winkers; browband and rosettes of metal; Buxton bit; side-check bearing rein, if any; Kay collar and hames with chain and ring coupling at the bottom; back-strap lined and stitched with crupper stitched on; breastplate; saddle of English pattern, 4 or 4 1/2 inches wide with French or Tilbury tugs, reins of brown leather. Pair harness is similar in character with solid-draft hames with kidney links, short hame-tugs, straight panel pads, breastplates, trace bearers or loin straps optional, brown reins, bright steel pole chains. The hardware of the harness should be of the same metal as the polished metal parts of the carriage.

ATTIRE: The driver usually wears a top hat, grey in summer, black in winter and in the evening indoors. A groom in livery occupies the rumble seat, but two grooms are considered proper with a Mail Phaeton.

A Mail Phaeton may be turned out in country style with the wheel harness of a Road Coach and grooms in stable livery with Derby hats. The driver would then wear clothes of country style.

HORSES: The horses used with these phaetons are upstanding horses of appropriate size for the carriage, with high, stylish action, yet showing a good length of stride. They should be horses of quality with adequate substance. It is not usual to have the manes braided.

FOUR-WHEELED DOG CART, TRAP, OUTING WAGON

DEFINITION: These are informal carriages of general utility. As such they may be painted to suit individual taste within the bounds of tradition and general practicality.

HARNESS: The harness may have a bridle with D-shaped winkers, with or without side-check bearing rein; Liverpool or elbow bit; Kay or rim collar and hames; hames may have connecting chain at bottom of hame straps both top and bottom, saddle of English pattern with French or Tilbury tugs for four-spring carriages, or as a saddle similar to Surrey harness for three- or end-spring carriages; breeching.

Pair harness is similar, used with either trace bearers or breechings. Leather pole-straps are usual.

ATTIRE: The driver wears country style clothes with a Derby, felt or straw hat according to season or weather. The groom wears stable livery with a Derby hat.

HORSES: The horse, or horses, usually stand 15.2 to 15.3 hands, has good all-round straight action, good head carriage and possesses adequate substance for the weight of the carriage. Good manners are important and the horse should be capable of trotting at a smart pace.
STANHOPE OR PARK GATE GIG

DEFINITION: In North America these gigs were mostly used for show or park driving and were usually turned out in formal style.

PAINT AND BODYWORK: They are painted to a high finish with black body, patent leather dash and fenders, with the dummy louvers on the Park Gate type of the seat back painted in color. The undercarriage is painted in some quiet color, tastefully striped. These gigs are never finished in natural wood.

HARNESS: The harness has a bridle with square winkers, a gig or Buxton bit, sidecheck bearing rein, bridle fronts and rosettes of metal, Kay collar and well-fitted hames connected at the bottom with a chain and a ring. A breastplate or standing martingale is usual; the backstrap lined and stitched with the crupper sewn on; the saddle of English pattern with French or Tilbury tugs; a kicking strap is usually worn; brown driving reins. If a gig has a whiffletree, a breast collar of adequate size may be used.

SPARES AND APPOINTMENTS: Small lamps of square pattern are usual and a small kit of tools and a wheel wrench should be carried. A dashboard clock and a whip socket are desirable.

HORSES: A gig horse should be an attractive horse standing 15.1 to 15.2 hands, of good conformation and bold head carriage. He should be sharp moving with stylish action with a good length of stride that allows him to cover the ground at a good pace.

ATTIRE: The driver wears a grey top hat in summer during daylight and a black top hat at other times. He wears an apron or knee rug. The groom wears dress livery.

VILLAGE CART, TWO-WHEELED DOG CART

DEFINITION: These carts are usually made to seat four people, back to back. There is an adjustable seat to achieve the proper balance and the driver should have an adjustable foot-rest. The balance should be adjusted to bring a small amount of weight on the horse’s back when the cart is loaded but not moving. The balance should NEVER be to the rear so that only the belly band prevents the cart from tipping up.

PAINT AND BODYWORK: The body is usually painted black and the shafts, springs and wheels in color and neatly striped

HARNESS: The harness has a bridle with D-shaped winkers, a noseband and a Liverpool or similar bit. A four-ringed or Wilson snaffle may also be used, but the Buxton bit is too dressy for such carts. The collar may be of Kay or rim design with hames connected at the bottom by a chain for preference. A false martingale or breastplate is usual. The saddle should be made on a tree with an inside channel through which the backband can slide freely. Open tugs are usual. The saddle should be well padded and 4 1/2 or 5 inches wide. The backstrap may have the crupper buckled or sewn on. A breeching or kicking strap is usual.

HORSES: The horse should be well muscled, have good clean bone and be of the right size for the cart. He should have good manners with free striding, straight action.

ATTIRE: The driver and passengers may dress informally and the groom, if one is carried, wearing stable livery.
ROAD OR JOGGING CART

DEFINITION: Light road carts are used for exercise and formerly they were sometimes used as personal conveyances like plain buggies. They may be painted to suit the individual's taste.

HARNESS: The harness is similar to buggy harness and usually has a bridle with an overdraw check and a snaffle bit. A bridle with normal noseband and a double-ring or Wilson snaffle or a Liverpool bit is acceptable and may be preferred by some judges. Although the saddle has little weight to carry, it should be well enough stuffed so that no weight bears directly on the horse's spine.

HORSES: The usual road cart horse is of a fast trotting type.

FOUR-WHEELED BUGGY

DEFINITION: This is a vehicle of general utility.

PAINT AND BODYWORK: The general style of painting was the body black and the running gear in some dark color with or without striping.

HARNESS: The harness should be of a simple kind with a bridle with square winkers, snaffle bit and overdraw check. A bridle with a noseband and a Wilson snaffle or a Liverpool bit is also quite appropriate. A breeching may or may not be used. Except for the heavier Goddard buggy, breast collars are usual.

HORSES: The horse may be of trotting type, capable of moving at a good working trot. A pair may be driven to a buggy.

RUNABOUT, AMERICAN STANHOPE

DEFINITION: These small carriages were popular at the turn of the century and may be considered as light phaetons.

PAINT AND BODYWORK: Some were finished in natural wood, others were painted with a black body and undercarriage in sporting colors.

HARNESS: The harness has a bridle with D-shaped winkers, noseband and a Liverpool or elbow bit, preferably no bearing rein. A breast collar is usual and a breastplate is optional. A breeching is also optional. The harness should be of good quality with most straps lined and stitched. Brown reins.

ROCKAWAY, CARRYALL, DEPOT WAGON, SURREY, CABRIOLET

DEFINITION: These are some of the types of family carriages that were very popular throughout North America.

PAINT AND BODYWORK: They were usually painted in sober style with the body black, the undercarriage in some fairly dark color, tastefully striped. The cushions are usually covered in broad cloth of a color matching the undercarriage, or in black leather. The dash and fenders, if any, are usually covered with patent leather. A Surrey may have a standing top with a fringe. Most are fitted with shafts or a drop pole that attaches to couplings on the front axle.

HARNESS: The harness has a bridle with D-shaped winkers, bridle front of metal; sidecheck bearing rein or none at all; Liverpool or similar bit; collar of rim pattern with hames with chain connection at the bottom or with hamestraps at top and bottom; anchor or finger drafts/ traces with slotted ends connected directly to the hames or to short hame tugs; sad-
dle with straight or swell panels about 4 or 1 1/4 inches wide. Open or Tilbury tugs may be used and a breeching is normal. The harness straps may be lined and stitched or of single leather, the former preferred. A false martingale or breastplate is not essential.

Pair harness is similar in style with short hame tugs and trace loops on the pads. Trace bearers are usual.

A neck-yoke is used with a drop-pole, but if the pole is supported by a chain or strong spring, a crab polehead and leather pole pieces may be used.

HORSES: The horse, or horses, for a family carriage should be 15.2 to 16 hands, with ample bone and weight for the work. High action is not wanted but a straight moving trot with good length of stride and a regular active walk are what is needed. Good manners are essential.

CHAPTER DR
DRESSAGE DIVISION

SUBCHAPTER DR-I
DRESSAGE GOVERNING REGULATIONS.

The pinnacle of Dressage Competition is the Grand Prix of Dressage Competition of the Olympic Games. Rules for that competition and other international competitions are found in the FEI booklet, “Rules for Dressage Events”. For any circumstances not specifically covered in these rules reference should be made to the following publications of the FEI:
- Rules for Dressage Events
- General Regulations

Since every eventuality cannot be provided for in these Rules for any unforeseen or exceptional circumstances, it is the duty of the Jury or Show Committee, according to their respective responsibilities as outlined in DR124.2, to make a decision in a sporting spirit and approaching as nearly as possible the intention of these Rules.

DR101 Object and General Principles.

1. The object of Dressage is the harmonious development of the physique and ability of the horse. As a result it makes the horse calm, supple, loose and flexible but also confident, attentive and keen thus achieving perfect understanding with his rider.

2. These qualities are revealed by:
   a. The freedom and regularity of the gaits;
   b. The harmony, lightness and ease of the movements;
   c. The lightness of the forehand and the engagement of the hindquarters, originating in a lively impulsion;
   d. The acceptance of the bridle with submissiveness throughout and without any tenseness or resistance.

3. The horse thus gives the impression of doing of his own accord what is required of him. Confident and attentive he submits generously to the control of his rider remaining absolutely straight in any movement on a straight line and bending accordingly when moving on curved lines.

4. His walk is regular, free and unconstrained. His trot is free, supple, regular, sustained and active. His canter is united, light and cadenced. His quarters are never inactive or sluggish. They respond to the slightest indication of the rider and thereby give life and spirit to all the rest of his body.

5. By virtue of a lively impulsion and the suppleness of his joints, free from the paralyzing effects of resistance the horse obeys willingly and without hesitation and responds to the various aids calmly and with precision, displaying a natural and harmonious balance both physically and mentally.

6. In all his work even at the halt the horse must be on the bit. A horse is said to be on the bit when the neck is more or less raised and arched according to the stage of training and the extension or collection of the gait and he accepts the bridle with a light and soft contact and submissiveness throughout. The head should remain in a steady position as a rule slightly in front of the vertical with a supple poll as the highest point of the neck and no resistance should be offered to the rider.

7. Cadence is shown in trot and canter and is the result of the proper harmony that a horse shows when it moves with well marked regularity, impulsion and balance. Cadence must be maintained in all the different trot and canter exercises and all the variations of trot and canter.

8. The rhythm that a horse maintains in all his gaits and paces is fundamental to Dressage.

DR102 The Halt.

1. At the halt the horse should stand attentive, engaged, motionless and straight with the weight evenly distributed over all four legs being by pairs abreast with each other. The neck should be raised, the poll high and the head slightly in front of the vertical. While remaining on the bit and maintaining a light and soft contact with the rider’s hand, the horse may quietly chomp the bit and should be ready to move off at the slightest indication of the rider.

2. The halt is obtained by the displacement of the horse’s weight on the quarters by a properly increased action of the seat and legs of the rider driving the horse toward a more...
and more restraining but allowing hand causing an almost instantaneous but not abrupt halt at a previously fixed place.

DR103 The Walk.
1. The walk is a marching gait in which the footfalls of the horse’s feet follow one another in “four time”, well marked and maintained in all work at the walk.
2. When the foreleg and the hindleg on the same side move almost on the same beat the walk tends to become an almost lateral movement. This irregularity, which might become an ambling movement, is a serious deterioration of the gait.
3. It is at the gait of walk that the imperfections of Dressage are most evident. This is also the reason why a horse should not be asked to walk on the bit at the early stages of his training. A too precipitated collection will not only spoil the collected walk but the medium and the extended walk as well.
4. The following walks are recognized: collected walk, medium walk, extended walk and free walk.
   a. Collected walk. The horse, remaining “on the bit”, moves resolutely forward, with his neck raised and arched, and showing clear self carriage. The head approaches the vertical position, the light contact with the mouth being maintained. The hindlegs are engaged with good hock action. The gait should remain marching and vigorous, the feet being placed in regular sequence. Each step covers less ground and is higher than at the medium walk, because all the joints flex more markedly. In order not to become hurried or irregular the collected walk is shorter than the medium walk, although showing greater activity.
   b. Medium walk. A clear, regular and unconstrained walk of moderate lengthening. The horse, remaining on the bit, walks energetically but calmly with even and determined steps, the hind feet touching the ground in front of the footprints of the forefeet. The rider maintains a light, soft and steady contact with the mouth.
   c. Extended Walk. The horse covers as much ground as possible without haste and without losing the regularity of his steps, the hind feet touching the ground clearly in front of the footprints of the forefeet. The rider allows the horse to stretch out his head and neck without, however, losing contact with the mouth.
   d. Free Walk. The free walk is a pace of relaxation in which the horse is allowed complete freedom to lower and stretch out his head and neck.

DR104 The Trot.
1. The trot is a gait of “two time” on alternate diagonal legs (near left fore and right hind leg and vice versa) separated by a moment of suspension.
2. The trot, always with free, active and regular steps, should be moved into without hesitation.
3. The quality of the trot is judged by the general impression, the regularity and elasticity of the steps—originated from a supple back and well engaged hindquarters—and by the ability of maintaining the same rhythm and natural balance even after a transition from one trot to another.
4. The following trots are recognized: working trot, collected trot, medium trot and extended trot. Both passage (DR113) and piaffe (DR114) are variations of the trot.
   a. Collected Trot. The horse remaining on the bit moves forward with his neck raised and arched. The hocks being well engaged maintain an energetic impulsion thus enabling the shoulders to move with greater ease in any direction. The horse’s steps are shorter than in the other trots but he is lighter and more mobile.
   b. Working Trot. This is a pace between the collected and the medium trot in which a horse not yet trained and ready for collected movements shows himself properly balanced and, remaining on the bit, goes forward with even, elastic steps and good hock action. The expression “good hock action” does not mean that collection is a required quality of working trot. It only underlines the importance of an impulsion originated from the activity of the hindquarters.
   c. Medium Trot. This is a pace between the working and the extended trot but more “round” than the latter. The horse goes forward with clear and moderately lengthened steps and with an obvious impulsion from the hindquarters. The rider allows the horse remaining on the bit to carry his head a little more in front of the vertical than at the
collected and the working trot and allows him at the same time to lower his head and neck slightly. The steps should be even and the whole movement balanced and unconstrained.

d. Extended Trot. The horse covers as much ground as possible. Maintaining the same cadence he lengthens his steps to the utmost as a result of great impulsion from the hindquarters. The rider allows the horse remaining on the bit without leaning on it to lengthen his frame and to gain ground. The forefeet should touch the ground on the spot towards which they are pointing. The movement of the fore and hind legs should be similar (parallel) in the forward movement of the extension. The whole movement should be well balanced and the transition to collected trot should be smoothly executed by taking more weight on the hindquarters.

5. All trot work is executed sitting unless otherwise indicated in the test concerned.

DR105 The Canter.

1. The canter is a gait of “three time”, where at canter to the right, for instance, the footfalls follow one another as follows: left hind, left diagonal (simultaneously left fore and right hind), right fore, followed by a movement of suspension with all four feet in the air before the next stride begins.

2. The canter always with light, cadenced and regular strides, should be moved into without hesitation.

3. The quality of the canter is judged by the general impression, the regularity and lightness of the three time gait originated in the acceptance of the bridle with a supple poll and in the engagement of the hindquarters with an active hock action and by the ability of maintaining the same rhythm and a natural balance even after a transition from one canter to another. The horse should always remain straight on straight lines.

4. The following canters are recognized: working canter, collected canter, medium canter and extended canter.

a. Collected Canter. The horse remaining on the bit moves forward with his neck raised and arched. The collected canter is marked by the lightness of the forehand and the engagement of the hindquarters: i.e., is characterized by supple, free and mobile shoulders and very active quarters. The horse’s strides are shorter than at the other canters but he is lighter and more mobile.

b. Working Canter. This is a pace between the collected and the medium canter in which a horse, not yet trained and ready for collected movements, shows himself properly balanced and remaining on the bit, goes forward with even, light and cadenced strides and good hock action. The expression “good hock action” does not mean that collection is a required quality of the working canter. It only underlines the importance of an impulsion originated from the activity of the hindquarters.

c. Medium Canter. This is a pace between the working and the extended canter. The horse goes forward with free, balanced and moderately extended strides and an obvious impulsion from the hindquarters. The rider allows the horse remaining on the bit to carry his head a little more in front of the vertical than at the collected and working canter and allows him at the same time to lower his head and neck slightly. The strides should be long and as even as possible and the whole movement balanced and unconstrained.

d. Extended Canter. The horse covers as much ground as possible. Maintaining the same rhythm he lengthens his strides to the utmost without losing any of his calmness and lightness as a result of great impulsion from the hindquarters. The rider allows the horse remaining on the bit without leaning on it to lower and extend his head and neck; the tip of his nose pointing more or less forward.

e. The cadence in the transitions from medium canter as well as from extended canter to collected canter should be maintained.

5. Counter-Canter. This is a movement where the rider, for instance on a circle to the left, deliberately makes his horse canter with the right canter lead (with the right fore leading). The counter-canter is a balancing movement. The horse maintains his natural flexion at the poll to the outside of the circle, and the horse is positioned to the side of the leading leg. His conformation does not permit his spine to be bent to the line of the circle. The rider avoiding any contortion causing contraction and disorder should especially endeavor to limit the
deviation of the quarters to the outside of the circle and restrict his demands according to the degree of suppleness of the horse.

6. Change of Lead Through the Trot. This is a change of lead where the horse is brought back into the trot and after a few trot strides, is restarted into a canter with the other leg leading.

7. Simple Change of Lead at Canter. This is a change of lead where the horse is brought back immediately into walk and, after a few clearly defined steps, is restarted immediately into a canter on the opposite lead, with no steps at the trot.

8. Flying Change of Lead or Change of Lead in the Air. This change of lead is executed in close connection with the suspension which follows each stride of the canter. Flying changes of lead can also be executed in series, for instance at every 4th, 3rd, 2nd or at every stride. The horse even in the series remains light, calm and straight with lively impulsion, maintaining the same rhythm and balance throughout the series concerned. In order not to restrict or restrain the lightness and fluency of the flying changes of lead in series, the degree of collection should be slightly less than otherwise at collected canter.

DR106 The Rein Back.
1. The rein back is a movement in which the horse moves backwards by raising and setting down the feet in diagonal pairs. The feet should be well raised and the hind feet remain in line, and the direction of travel should remain straight.
2. At the preceding halt as well as during the rein back the horse, although standing motionless and moving backwards respectively, should remain on the bit maintaining his desire to move forward.
3. Anticipation or precipitation of the movement, resistance to or evasion of the hand, deviation of the quarters from the straight line, spreading or inactive hind legs and dragging forefeet are serious faults.
4. If in a dressage test a trot or canter is required after a rein back the horse should move off immediately into this pace without a halt or an intermediate step.

DR107 The Transitions.
1. The changes of gait and pace should be clearly shown at the prescribed marker; they should be quickly made yet must be smooth and not abrupt. The cadence of a gait or pace should be maintained up to the moment when the gait or pace is changed or the horse halts. The horse should remain light in hand, calm and maintain a correct position.
2. The same applies to transitions from one movement to another for instance from the passage to the piaffe and vice versa.

DR108 The Half-Halt.
The half-halt is a hardly visible, almost simultaneous, coordinated action of the seat, the legs and the hand of the rider, with the object of increasing the attention and balance of the horse before the execution of several movements or transitions between gaits or paces. In shifting slightly more weight onto the horse’s quarters, the engagement of the hind legs and the balance on the haunches are facilitated for the benefit of the lightness of the forehand and the horse’s balance as a whole.

DR109 The Changes of Direction.
1. At changes of direction the horse should adjust the bend of his body to the curvature of the line he follows remaining supple and following the indications of the rider without any resistance or change of gait, rhythm or speed.
2. When changing direction at right angles, for instance when riding corners, the horse should be correctly bent and balanced, and at Training through Fourth Levels, ridden as deeply as is appropriate to its level of training, into the corner. At FEI levels and in FEI tests, the horse should describe one quarter of a circle of approximately 6 meters diameter at collected and working gaits. BOD 1/15/06 Effective 12/1/06
3. When changing direction in form of counter-change of hand the rider changes direction by moving obliquely either to the quarter line or in the center line or to the opposite long side of the arena whence he returns on an oblique line to the line he was following when he started the movement.
4. At the counter-change of hand the rider should make his horse straight an instant before changing direction. When for instance at counter-change of hand at half-pass to
either side of the center line the number of meters or strides to either side is prescribed in
the test, it must be strictly observed and the movement be executed symmetrically.

DR110 The Figures and The Exercises.
1. Volte or circle. The volte is a circle of 6, 8 or 10 meters diameter. If larger than 10
meters, one uses the term Circle stating the diameter (see diagrams below).
2. Serpentine. The serpentine consists of half circles connected by a straight line. When
crossing the center line the horse should be parallel to the short side. Depending on the
size of the half circles the straight connection varies in length. BOD 1/15/06 Effective 12/1/06

3. Figure of Eight. This figure consists of two exact voltes or circles of equal size as
prescribed in the test joined at the center of the eight. The rider should make his horse
straight an instant before changing direction at the center of the figure.
4. Stretching the Frame. The horse gradually takes the reins, stretching forward and
downward with light contact, while maintaining balance, rhythm and tempo and quality of
the gait.
5. Uberstreichen. A clear release of contact where the horse maintains self-carriage,
rhythm, tempo, straightness, and quality of gait.

5) Leg-yielding on the diagonal
Work on Two Tracks and The Lateral Movements.

1. A distinction must be made between the following movements: Leg yielding, Shoulder in, Travers, Renvers, Half pass.

2. Work on two tracks.
   a. The aim of movements on two tracks is:
      (1) To improve the obedience of the horse to the cooperative aids of the rider;
      (2) To supple all parts of the horse thereby increasing the freedom of his shoulders
          and the suppleness of his quarters as well as the elasticity of the bond connecting
          the mouth, the poll, the neck, the back and the haunches;
      (3) To improve the cadence and bring the balance and gaits into harmony;
   b. Leg-yielding. The horse is almost straight, except for a slight flexion at the poll away
      from the direction in which he moves, so that the rider is just able to see the eyebrow
      and nostril on the inside. The inside legs pass and cross in front of the outside legs.
      Leg-yielding should be included in the training of the horse before he is ready for
      collected work. Later on, together with the more advanced movement shoulder-in, it is
      the best means of making a horse supple, loose and unconstrained for the benefit of
      the freedom, elasticity and regularity of his paces and the harmony, lightness and ease
      of his movements. Leg-yielding can be performed on the diagonal in which case the
      horse should be as close as possible parallel to the long sides of the arena although the
      forehead should be slightly in advance of the quarters. It can also be performed along
      the wall in which case the horse should be at an angle of about 35 degrees to the
direction in which he is moving (see fig. 5).

3. The lateral movements.
   a. The additional aim of lateral movements is to develop and increase the engagement
      of the quarters and thereby also the collection.
   b. In all lateral movements - shoulder-in, travers, renvers, half-pass—the horse is slightly
      bent and moves with the forehand and the quarters on two different tracks (see fig 1-4).
   c. The bend or flexion must never be exaggerated so that it impairs the balance and
      fluency of the movement concerned.
   d. At the lateral movements the gait should remain free and regular, maintained by a
      constant impulsion, yet it must be supple, cadenced and balanced. The impulsion is
      often lost, because of the rider’s preoccupation mainly in bending the horse and
      pushing him sideways.
   e. At all lateral movements the side to which the horse should be bent is the inside.
      The opposite side is the outside.
   f. Shoulder-in. This exercise is performed in collected trot. The horse is ridden with a
      slight but uniform bend around the inside leg of the rider maintaining cadence at a
      constant angle of approx. 30 degrees. The horse’s inside foreleg passes and crosses in
      front of the outside foreleg; the inside hind leg steps forward under the horse’s body
      weight following the same track of the outside foreleg, with the lowering of the inside
      hip. The horse is bent away from the direction in which it is moving. (see Fig. 1).
   g. Travers. This exercise can be performed in collected trot or collected canter. The horse
      is slightly bent round the inside leg of the rider but with a greater degree of bend than in
      shoulder-in. A constant angle of approximately 35 degrees should be shown, from the front
      and from behind one sees four tracks. The forehand remains on the track and the quarters
      are moved inwards. The horse’s outside legs pass and cross in front of the inside legs.
      The horse is bent in the direction in which it is moving. To start the travers, the quarters
      must leave the track or, after a corner or circle, are not brought back onto the track. At the
      end of the travers, the quarters are brought back on the track without any counter-flexion
      of the poll/neck as one would finish a circle. (see Fig. 2).
   h. Renvers. This is the inverse movement in relation to travers, with the tail instead of
      the head to the wall. Otherwise the same principles and conditions are applicable as at
      the travers (see Fig. 3).
   i. Half-pass. This movement is a variation of travers, executed on the diagonal instead
      of along the wall. The horse should be slightly bent round the inside leg of the rider in
      order to give more freedom and mobility to the shoulders, thus adding ease and grace
      to the movement although the forehead should be slightly in advance of the quarters.
      The outside legs pass and cross in front of the inside legs. The horse is looking in the
direction in which he is moving. He should maintain the same cadence and balance
throughout the whole movement. In order to give more freedom and mobility to the
shoulders, which adds to the ease and grace of the movement, it is of great importance,
not only that the horse is correctly bent and thereby prevented from protruding his
inside shoulder, but also to maintain the impulsion, especially the engagement of the
inside hind leg (see fig. 4).

DR112  The Pirouette, The Half-pirouette, The Quarter-pirouette, The Turn on the
Haunches.

1  The pirouette (half-pirouette) is a circle (half-circle) executed on two tracks with a radius
equal to the length of the horse, the forehand moving round the haunches.
2.  Pirouettes (half-pirouettes) are usually carried out at collected walk or canter but can
also be executed at Piaffe.
3.  At the pirouette (half-pirouette) the forefeet and the outside hind foot move round the
inside hind foot which forms the pivot and should return to the same spot, or slightly in front
of it, each time it leaves the ground.
4.  At whatever gait the pirouette (half-pirouette) is executed the horse slightly bent in the
direction in which he is turning should, remaining on the bit with a light contact, turn
smoothly round maintaining the exact cadence and sequence of footfalls of that pace. The
poll stays the highest point during the entire movement.
5  During the pirouettes (half-pirouettes) the horse should maintain his impulsion and
never in the slightest way move backwards or deviate sideways. If the inside hind foot is not
raised and returned to the ground in the same rhythm as the outside hind foot the gait is no
longer regular.
6.  In executing the pirouette or the half-pirouette in canter the rider should maintain perfect
lightness of the horse while accentuating the collection. The quarters are well-engaged and
lowered and show a good flexion of the joints. An integral part of the movement is the canter
strides before and after the pirouette. These should be characterized by an increased activity
and collection before the pirouette and, the movement having been completed, by the balance
being maintained as the horse proceeds.
7.  The quality of the pirouettes (half-pirouettes) is judged according to the suppleness,
lightness, cadence and regularity and to the precision and smoothness of the transitions;
pirouettes (half-pirouettes) at canter are judged also according to the balance, the elevation
and the number of strides (at pirouettes 6-8, at half-pirouettes 3-4 are desirable).
8.  The Quarter-pirouette. As a preparatory exercise, the quarter-pirouette is usually
executed on the track at a given letter, the horse being highly collected for 1 or 2 strides
before and then through the execution of a 90 degree turn around the haunches in 2-3
strides, maintaining a correct canter footfall.
9.  The Turn on the Haunches. This movement is a schooling exercise which can be
executed from a halt or walk and is preparatory for the pirouette which is executed out of a
collected gait. The horse’s forehand moves in even, quiet and regular steps around the
horse’s inner hind leg while maintaining the rhythm of the walk. In the half turn on the
haunches the horse is not required to step with its inside hind leg in the same spot each
time it leaves the ground but may move slightly forward. Backing or loss of rhythm are
considered a serious fault. This movement may be executed through 90 degrees, 180
degrees, or 360 degrees.

DR113  The Passage.

1.  This is a measured, very collected, very elevated and very cadenced trot. It is
characterized by a pronounced engagement of the quarters, a more accentuated flexion of
the knees and hocks and the graceful elasticity of the movement. Each diagonal pair of feet
is raised and returned to the ground alternately with cadence and has a prolonged phase
of support compared to the phase of suspension.  BOD 1/15/06 Effective 12/1/06
2.  In principle the height of the toe of the raised foreleg should be level with the middle of
the cannon bone of the other foreleg. The toe of the raised hind leg should be slightly above
the fetlock joint of the other hind leg.
3.  The neck should be raised and gracefully arched with the poll as the highest point and
the head close to the vertical. The horse should remain light and soft on the bit and be able
to go smoothly from the passage to the piaffe and vice-versa without apparent effort and
without altering the cadence, the impulsion being always lively and pronounced.
4. Irregular steps with the hind legs, swinging the forehand or the quarters from one side to the other, as well as jerky movements of the forelegs or the hind legs or dragging the hind legs are serious faults.

**DR114 The Piaffe.**

1. The piaffe is a highly collected, cadenced, elevated diagonal movement giving the impression of being in place. The horse’s back is supple and elastic. The quarters are slightly lowered, the haunches with active hocks are well engaged giving great freedom, lightness and mobility to the shoulders and forehand. Each diagonal pair of feet is raised and returned to the ground alternately, with an even cadence.

2. In principle the height of the toe of the raised foreleg should be level with the middle of the cannon bone of the other foreleg. The toe of the raised hind leg should reach just above the fetlock joint of the other hind leg.

3. The neck should be raised and arched, the head vertical. The horse should remain light on the bit with a supple poll maintaining a light and soft contact on a taut rein. The body of the horse should move up and down in a supple, cadenced and harmonious movement.

4. The piaffe must always be animated by a lively impulsion and characterized by a perfect balance. While giving the impression of being in place there may be a visible inclination to advance, this being displayed by the horse’s eager acceptance to move forward as soon as he is asked.

5. Moving even slightly backwards, irregular steps, crossing either the fore- or hindlegs or swinging either the forehand or the quarters from one side to the other are serious faults. A movement with hurried and uneven, unlevel or irregular steps without cadence, or spring cannot be called a true piaffe.

**DR115 The Collection.**

1. The aim of the collection of the horse is:
   a. To further develop and improve the balance and equilibrium of the horse which has been more or less displaced by the additional weight of the rider.
   b. To develop and increase the horse’s ability to lower and engage his quarters for the benefit of the lightness and mobility of his forehand.
   c. To add to the “ease and carriage” of the horse and to make him more pleasurable to ride.

2. The best means to obtain these aims are the lateral movements, travers, renvers and, last but not least, shoulder-in (DR111.3-3.h) as well as half-halts (DR108).

3. Collection is, in other words, improved and effected by engaging the hind legs with the joints bent and supple, forward under the horse’s body by a temporary but often repeated action of the seat and legs of the rider driving the horse forward towards a more or less stationary or restraining hand allowing just enough impulsion to pass through. Collection is consequently not achieved by shortening of the gait through a resisting action of the hand but instead by using the seat and legs to engage the hind legs further under the horse’s body.

4. However, the hind legs should not be engaged too far forward under the horse as this would shorten the base of support too much and thereby impede the movement. In such a case, the line of the back would be lengthened and raised in relation to the supporting base of the legs, the stability would be deranged and the horse would have difficulty in finding a harmonious and correct balance.

5. On the other hand, a horse with a too long base of support unable or unwilling to engage his hind legs forward under his body will never achieve an acceptable collection characterized by ease and carriage as well as a lively impulsion, originated in the activity of the quarters.

6. The position of the head and neck of a horse at the collected gaits is naturally dependent on the stage of training and in some degree on his conformation. It should, however, be distinguished by the neck being raised unrestrained forming a harmonious curve from the withers to the poll being the highest point with the head slightly in front of the vertical. However, at the moment the rider applies his aids in order to obtain a momentary and passing collecting effect the head may become more or less vertical (compare DR101.6, DR102.2 and DR108).
DR116 The Submission, The Impulsion.
1. Submission does not mean subordination, but an obedience revealing its presence by a constant attention, willingness and confidence in the whole behavior of the horse as well as by the harmony, lightness and ease he is displaying in the execution of the different movements. The degree of submission is also manifested by the way the horse accepts the bridle; with a light and soft contact, a supple poll or with resistance to or evasion of the rider’s hand; being either above the bit or behind the bit respectively.
2. Putting out the tongue, keeping it above the bit or drawing it up altogether as well as grinding the teeth and swishing the tail are mostly signs of nervousness, tenseness or resistance on the part of the horse and must be taken into account by the judges in their marks for the movement concerned as well as in the collective mark for submission.
3. Impulsion is the term used to describe the transmission of an eager and energetic, yet controlled propulsive energy generated from the hindquarters into the athletic movement of the horse. Its ultimate expression can be shown only through the horse’s soft and swinging back to be guided by a gentle contact with the rider’s hand.
4. Speed, of itself, has little to do with impulsion: the result is more often a flattening of the gaits. A visible characteristic is a more pronounced articulation of the hind leg in a continuous rather than staccato action. The hock, as the hind foot leaves the ground, should first move forward rather than being pulled upwards, but certainly not backwards. A prime ingredient of impulsion is the time the horse spends in the air rather than on the ground: in other words, the added expression within the gaits, always provided that there is a clear distinction between the collected trot and the passage. Impulsion is, therefore, seen only in those gaits that have a period of suspension.

DR117 The Position and Aids of the Rider.
1. All the movements should be obtained without apparent effort of the rider. He should be well balanced with his loins and hips supple, thighs and legs steady and well stretched downward. The upper part of the body easy, free and erect with the hands low and close together without, however, touching either each other or the horse and with the thumb as the highest point; the elbows and arms close to the body enabling the rider to follow the movements of the horse smoothly and freely and to apply his aids imperceptibly. This is the only position making it possible for the rider to school his horse progressively and correctly.
2. Not only the aids of the hands and the legs but also of the seat are of great importance in dressage. Only the rider who understands how to contract and relax his loin muscles at the right moment is able to influence his horse correctly (compare DR102.2, DR108 and DR115.3).
3. Riding with both hands is obligatory at all national and International Dressage Events. However, riding with one hand is permitted in the Freestyle Tests and when leaving the arena. Individuals holding a Federation Dispensation Certificate may use bridged or special adaptive reins for use with one or no hand(s), if their physical limitations require such and the equipment is listed on the Dispensation Certificate. BOD 1/15/06 Effective 12/1/06
4. The use of the voice in any way whatsoever or clicking the tongue once or repeatedly is a serious fault involving the deduction of at least 2 marks from those that would otherwise have been awarded for the movement where this occurred. BOD 1/15/06 Effective 12/1/06

DR118 Tests for Dressage Competitions.
1. The Federation approves and issues tests for use at licensed dressage competitions in the United States. The FEI is responsible for issuing tests for international competitions. The United States Dressage Federation also issues tests which may be used at licensed dressage competitions. Tests cannot be modified or simplified without the approval of the Federation Dressage Committee, the Bureau of the FEI, or the USDF, respectively.
2. Objectives and standards of Federation levels of competition.
TRAINING LEVEL. To confirm that the horse’s muscles are supple and loose, and that it moves freely forward in clear and steady rhythm, accepting contact with the bit.
FIRST LEVEL. To confirm that the horse, in addition to the requirements of Training Level, has developed thrust (pushing power) and achieved a degree of balance and throughness.
SECOND LEVEL. To confirm that the horse, having demonstrated that it has achieved the thrust (pushing power) required in First Level, now shows that through additional training it accepts more weight on the hind quarters (collection), shows the thrust required at medium
paces and is reliably on the bit. A greater degree of straightness, bending, suppleness, throughness, and self-carriage is required than at First Level.

THIRD LEVEL. To confirm that the horse has achieved the requirements of Second Level. It now demonstrates in each movement, especially in medium and extended paces and in the transitions to and from collected movements, rhythm, suppleness, acceptance of the bit, throughness, impulsion, straightness and collection. There must be a clear distinction between the paces.

FOURTH LEVEL. To confirm that the horse has achieved the requirements of Third Level. These are tests of medium difficulty designed to confirm that the horse has acquired a high degree of suppleness, impulsion, throughness, balance and lightness while always remaining reliably on the bit, and that its movements are straight, energetic and cadenced with the transitions precise and smooth.

3. Objectives of the FEI levels of competition. (These tests are used worldwide.)

PRIX ST. GEORGES. Test of medium standard. This test represents the medium stage of training. It comprises exercises to show the horse’s submission to all the demands of the execution of classical equitation and a standard of physical and mental balance and development, which will enable him to carry them out with harmony, lightness and ease.

INTERMEDIATE I. Test of relatively advanced standard. The object of this test is to lead horses on, progressively and without harm to their organism, from the correct execution of Prix St. Georges to the more demanding exercises of Intermediate II.

INTERMEDIATE II. Test of advanced standard. The object of this test is to prepare the horses for the Grand Prix.

GRAND PRIX. Test of the highest standard. The Grand Prix is a competition of the highest level, which brings out the horse’s perfect lightness, characterized by the total absence of resistance and the complete development of impulsion. The test includes all the school paces and all the fundamental airs of the Classical High School, of which the artificial paces, based on an extreme extension of the forelegs, are no part. For this reason, the school leaps, no longer practiced in a great many countries, do not figure in the test.

GRAND PRIX SPECIAL. Test of the same standard as Grand Prix. This is a competition of the same level as Grand Prix where especially the transitions are a matter of great importance.

THE FREESTYLE TEST. This is a competition of artistic equitation to music. It includes all the required movements and gaits of the standard tests of the same level. The competitor is, however, absolutely free in the form and manner of the presentation he chooses within a fixed time. The test should clearly show the unity between rider and horse as well as harmony in all the movements and transitions.

4. In addition to Federation, FEI, USDF and IPEC tests, Dressage competitions may use other tests but these must be included in the prize list sent to all exhibitors. All dressage classes, whether or not the tests are issued by the Federation, FEI, USDF or IPEC, must be conducted under Federation or FEI (if applicable) rules, and are Federation recognized classes as specified in GR211. Only dressage tests or classes requiring any of the three gaits defined by the FEI as walk, trot and canter may be ridden in Federation licensed Dressage competitions. 

5. IPEC or other tests for Para Equestrians may be ridden only in Test of Choice classes that are limited to Para Equestrians. Young Horse tests may be ridden only in Test of Choice classes that are limited to Young Horses.

DR119 Participation in Dressage Competitions.

1. Dressage classes are open to riders on horses, mules and/or ponies of any origin, except that ponies or mules may not be ridden in USEF High Performance Championships, USEF High Performance qualifying and selection trials, and observation classes. Mules and/or ponies are also ineligible to compete in (1) any other classes designated as qualifying or selection classes for international or international high performance competition (except championships for FEI Pony Riders), and (2) championships where such participation is prohibited in the championship selection procedures. Dressage Competitions may be limited to ponies of any breed or origin. In the Dressage Division, a horse is an animal over 148 cm without shoes, and 149 cm with shoes. A pony is an animal that does not exceed 148 cm without shoes, and 149 cm with shoes. Unless otherwise noted, the term “horse” in these rules denotes either a horse or pony. (See DR134).
Stallions are permitted in all classes. Horses showing evidence of broken wind or complete loss of sight in either or both eyes are permitted to compete. Horses with complete loss of sight in both eyes may only participate in classes in which they are shown individually. No horse may be ridden more than once in any Dressage class. No horse may compete in any under saddle class if it is under thirty-six months of age (of foaling date) at the time of competition. Horses competing at the Grand Prix Level must be at least 7 years of age and horses competing above Fourth Level must be at least 6 years of age; the horse’s age is to be counted from January 1 of the year of birth to January 1 of the current competition year. BOD 1/14/07 Effective 3/1/07

2. Horses may compete in no more than one Licensed Competition on the same day and are limited to a maximum of three Dressage rides per day at Fourth Level and below or two Dressage rides per day above Fourth Level. Horses may enter no more than two consecutive levels, Freestyle levels included, at any one competition (refer to the following chart). Dressage Seat Equitation and Materiale classes are excluded from the maximum limit of rides per day and horses in these classes may compete at any level for which they are otherwise eligible during the same competition.

Said permission must be granted prior to the start of the class(es) involved. Hors de Concours entries must follow all Federation General and Dressage Division rules that apply to other entries in the same class, except as described below. Having competed Hors de Concours at a competition, a horse is no longer eligible for further prizes, awards or placings at that competition except in situations of emergency substitutions of judges. Hors de Concours entries are not permitted in Federation/USDF Championship classes.

6. Definitions of USEF High Performance Program and USEF Developing Dressage Program:

a. USEF HIGH PERFORMANCE DRESSAGE PROGRAM: The purpose of this classification is to develop and implement the USOC Strategic High Performance Plan (HPP) with the goal of selecting athletes and/or teams and maximizing the performance of these athletes and/or teams at Olympic, Pan American and World Championship competition and other designated international events. The USEF High Performance (HP) Dressage Program includes the USEF National High Performance Dressage Championships at the Intermediaire I and Grand Prix Levels, as well as qualifying and selection trials, and observation classes for those events.

b. USEF DEVELOPING DRESSAGE PROGRAM: The purpose of this classification is to identify and recognize developing athlete and equine talent for the discipline of dressage. The USEF Developing Dressage Program includes the USEF National Junior Dressage Championship, USEF National Young Rider Dressage Championship, USEF National Young Adult Dressage Championship, USEF National Developing Horse Dressage Championship, and USEF Young Horse Dressage Program. These Championships and classes designated as qualifying for these Championships are not considered High Performance and therefore are not subject to rules applicable to High Performance classes unless otherwise specifically stated in the qualifying or selection procedures for these Championships. EC 2/20/07 Effective Immediately

7. A Dressage competition manager or secretary may not serve as judge or compete at his or her own competition. However, he or she may ride Hors de Concours if he or she designates an assistant in charge while he or she is riding. This does not absolve the manager’s or secretary’s duties and responsibilities. A judge may not be an owner of any competing horse, except that horses may be shown Hors de Concours in classes where the owner is not officiating (see GR804.17 and GR1044.1).

8. FEI Young Rider Tests are open only to Young Riders. FEI Junior Tests are open only to Juniors from the beginning of the calendar year in which they reach the age of 14 until the end of the calendar year in which they reach the age of 18. Ponies may not be ridden in FEI Young Rider or FEI Junior tests. FEI Pony Tests are open only to riders from the beginning of the calendar year in which they reach the age of 12 until the end of the calendar year in which they reach the age of 16. Individuals who are eligible as Juniors and Young Riders may not enter both FEI Junior and FEI Young Rider tests on the same horse in the same competition; however, they may enter both Junior and Young Rider tests in the same competition on different horses. BOD 1/15/06 Effective 12/1/06

9. The FEI Young Rider Freestyle test is open only to Young Riders.

10. Horses competing in the FEI Dressage Tests for 4-year-old horses and USEF Dressage Test for 4-year old horses must be four years old. Horses competing in the FEI Dressage Tests for 5-year-old horses must be five years old. The FEI Dressage Tests for 5-year-old horses are comparable to First Level. Horses competing in the FEI Dressage Tests for 6-year old horses must be six years old. The FEI Dressage Tests for 6-year-old horses are comparable to Third Level. The horse’s age is counted from January 1 of the year of birth to January 1 of the current competition year.
11. Individuals with disabilities that require use of compensatory aids or adaptive equipment and holding Federation Dispensation Certificates are eligible to participate. A copy of a rider’s Dispensation Certificate which lists all of his or her allowed compensating aids and adaptive equipment must be included with the rider’s entry, with a copy then attached to each of their Dressage sheets for the Judge’s reference.

DR120  Dress.

1. The dress code for Training through Fourth Levels is a short riding coat of conservative color, with tie, choker or stock tie, white or light-colored breeches or jodhpurs, boots or jodhpur boots, a hunt cap or riding hat with a hard shell, derby or top hat. A cutaway coat (modified tailcoat) with short tails is permitted. Half chaps, gaiters and/or leggings are not allowed. Gloves of conservative color are recommended. The dress code for the FEI Junior Tests, FEI Dressage Tests for 4, 5, and 6-year-old horses and the USEF test for 4-year old horses is a short riding coat of conservative color, with stock or tie, breeches, hunt cap or riding hat with a hard shell, derby or top hat. The dress code for FEI Pony Riders is dark coat or club uniform coat, breeches or jodhpurs, white shirt with tie or hunting stock, gloves, boots and hunting cap; top hat or bowler not allowed. Spurs are optional for all of the FEI Pony and Junior Tests, FEI Dressage Tests for 4, 5, and 6-year-old horses and the USEF test for 4-year old horses. (See DR120.8) BOD 1/15/06 Effective 12/1/06

2. For all tests above Fourth Level, the dress code is: a dark tailcoat with top hat, or a dark jacket with a bowler hat or hunt cap, and white or light colored breeches, stock or tie, gloves, and black riding boots. Spurs are mandatory for FEI tests (except as noted above under DR120.1). (See DR120.8)

3. Members of the Armed Services and police units may ride in the uniform of their service at any level. Riders choosing to wear Armed Services or police uniform must wear the appropriate military/police cap or hat for their branch of service, or protective headgear.

4. Riders at all levels of competition must wear one of the following: A hunt cap or riding hat with a hard shell, derby or top hat, military/police cap or hat, or protective headgear. Any exhibitor may wear protective headgear at any level of competition without penalty from the judge. Exhibitors choosing to wear protective headgear must wear a short, dark jacket, dark tailcoat (only permitted for tests above Fourth Level), or Armed Services or police uniform (if eligible), dark hatcovers (where applicable) and must otherwise conform to DR120 (see GR318).

5. One whip no longer than 43.3 inches (110 cm), including lash may be carried in all classes except USEF/USDF Championships, Federation Junior Team Championships, Championships for 4-year old (effective 4/1/07), 5-year-old and 6-year-old horses, NAYRC qualifying classes, USEF High Performance Championships, USEF High Performance qualifying and selection trials, and observation classes. (Exception: Competitors riding sidesaddle may carry a whip no longer than 43.3 inches (110 cm), including lash, in USEF/USDF Championships.) An adjustable length whip may not be carried by a mounted rider. BOD 1/15/06 Effective 12/1/06 BOD 1/14/07 Effective 4/1/07 Effective 7/2/07: One whip no longer than 43.3 inches (110 cm), including lash may be carried in all classes except USEF/USDF Championships, USEF National Dressage Championships, USEF High Performance Championships, USEF High Performance qualifying and selection trials, and observation classes. (Exception: Competitors riding sidesaddle may carry a whip no longer than 43.3 inches (110 cm), including lash, in USEF/USDF Championships.) One whip no longer than 43.3 inches (110 cm), including lash may be carried in all qualifying classes (including NAYRC and NAJC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. An adjustable-length whip may not be carried by a mounted rider. BOD 1/14/07 Effective 7/2/07

6. In extreme heat and/or humidity in all classes including FEI classes at National Competitions, management can allow competitors to show without jackets. However, competitors must wear a regulation hat and solid white or very pale colored long or short sleeved shirt, without neckwear. T-shirts are not permitted. Members of the Armed Services or police units may wear summer uniforms.

7. Competitors will be allowed to wear a hat cover and a transparent or conservative color rain coat in inclement weather.
8. Spurs must be made of metal. The shank must be either curved or straight pointing directly back from the center of the spur when on the rider’s boot. If the shank is curved, the spurs must be worn only with the shank directed downwards. However, swan necked spurs are allowed.

The inside arm of the spur must be smooth. If rowels are used, they must be free to rotate. Only smooth rowels are permitted in USEF High Performance Championships, USEF High Performance qualifying and selection trials, and observation classes. Metal spurs with round hard plastic knobs on the shank are allowed ("Impuls" spur). "Dummy" spurs with no shank are also allowed. Only blunt metal spurs, no longer than 1.5 cm are permitted for FEI Pony Rider tests. This restriction also applies to warm-up and training areas, as well as during competition. Offset spurs without rowels are permitted for riders having an appropriate Dispensation Certificate.  

9. Riders in USDF Pas de Deux and Quadrille classes are exempt from the dress code requirements of DR120.1-4, except that headgear and boots as required in DR120.1-4 must be worn. Riders must follow the dress requirements outlined in the USDF Rules and Guidelines for Quadrille Competitions and for Pas de Deux.

Individuals holding Federation Dispensation Certificates may be allowed exceptions, i.e.; gloves not required if unable to wear them, half-chaps and black or brown riding shoes with heels. If dispensation for modified shoes or boots is given, safety stirrups are required. Riders may also be given dispensation for modified gloves, hand weights and arm belts. All exceptions to required dress must be listed on the rider’s Dispensation Certificate.

DR121  Saddlery and Equipment.

1. An English type saddle with stirrups is compulsory for Federation and USDF tests. An English type saddle may be constructed with or without a tree but cannot have a horn, swell, gallerie, or open gullet. Australian, Baroque, Endurance, McClellan, Spanish, Stock, or Western saddles are not permitted nor are modified versions of these saddles (exception: competitors with a current approved Federation Dispensation Certificate). A Dressage saddle which must be close to the horse and have long, near-vertical flaps and stirrups is compulsory for FEI tests. Saddle pads are optional, but should be white or of conservative color. While present in the competition area and during prize-giving ceremonies, the name and/or logo of the individual’s sponsor(s) may appear on a surface area not exceeding 200 cm² on each side of the saddle cloth. Breed logos (for horses registered with that breed), national flags (for citizens of that country), and business/farm names or logos (used with permission of farm/business owner) are also permitted and must have the same specifications as sponsor logos. No other advertisement or publicity is permitted on saddle cloths or horses.

2. For Training, First and Second Level tests and FEI Pony tests, a plain snaffle bridle is required with a regular cavesson, a dropped noseband, a flash noseband (a combination of a cavesson noseband and a dropped noseband attachment) or a crossed noseband. Except for the FEI Pony tests, a crescent noseband is also permitted at these levels. Except for the crescent noseband, buckles and a small disk of sheepskin, which may be used in the intersection of the two leather straps of a crossed noseband, the noseband must be made entirely of leather or leather-like material. A padded noseband is allowed.

3. For Federation Third and Fourth Level tests same as (2) above, or a simple double bridle (bridoon [snaffle] and bit [curb] and curb chain, lip strap and rubber or leather cover for curb chain optional, cavesson noseband only).

4. FEI tests (including FEI Junior Team and Individual Tests) a simple double bridle as above. For the FEI Junior Preliminary Test, a plain snaffle bridle or simple double bridle may be used, as above in DR121.2-.3. For the FEI Dressage Tests for 4, 5, and 6-year-old
horses and the USEF Dressage Test for 4-year old horses, a plain snaffle bridle is required, as above (DR121.2). However, when a snaffle is used in FEI tests, a crescent noseband is not permitted and a snaffle is required as described in Figure I and as pictured in Figure 1B. In addition to the crescent noseband, the crossed (figure-8, Mexican) noseband is not permitted for the FEI Dressage Tests for 4, 5, and 6-year-old horses and the USEF test for 4-year old horses.

5. Only those bits listed with Figure 1 are allowed. At any level of competition, a cavesson noseband may never be so tightly fixed that it causes severe irritation to the skin. Cavesson nosebands may be used with a chin pad. At any level of competition, a browband may be multicolored and may be decorated with metal, beads, gemstones and crystals.

6. Martingales, bit guards, any kind of gadgets (such as bearing, side, running, balancing reins, nasal strips, tongue tied down, etc.), any kind of boots (including “easy-boots”) or bandages (including tail bandages) and any form of blinkers, earmuffs or plugs, nose covers, seat covers, hoods are, under penalty of elimination, strictly forbidden. Fly hoods (ear covers) will only be permitted in order to protect horses from insects. The fly hoods should be discreet and should not cover the horse’s eyes, and will only be permitted in extreme cases at the discretion of the presiding judge(s). Permission must be granted prior to the class and applies to all competitors in the class. However, leg bandages are allowed in Pas de Deux and Quadrille classes. A breastplate and/or crupper may be used, except that a breastplate is not permitted in USEF High Performance Championships, USEF High Performance Qualifying and Selection Trials, and Observation classes. A rein is a continuous, uninterrupted strap or line from the bridle bit to the hand. Rein additions or attachments are not permitted. Each bit must be attached to a separate rein and reins may only be attached to bits. Any decoration of the horse with extravagant items, such as ribbons or flowers, etc. in the mane, tail, etc., is strictly forbidden. Braiding of the horse’s mane and tail, however, is permitted. False tails are permitted and if used may not contain any metal parts.

7. The above restrictions (1-6) apply to warm-up and other training areas, however, running martingales (with snaffle only), boots, bandages (without magnets) and ear muffs are permitted. Fly hoods (ear covers) that do not cover the horse’s eyes are permitted in warm-up and other training areas. Single direct side reins are permitted only when lungeing (mounted or unmounted). Only one lunge line is permitted only while lungeing. Driving or long lining is prohibited. A side rein is defined as an auxiliary rein affixed to the bit and to the girth, saddle or surcingle on the side of the horse (not between the legs). A lunge line must attach only to the bridle, halter or cavesson and go directly to the hand of the longeur. Horses competing at Third Level and above may be warmed up in a snaffle if the rider so chooses. (Exception: For breed-restricted Arabian competition see Chapter AR, Subchapter AR-11). A running martingale consists of a divided strap attached to the girth or breastplate (at the front of the horse’s chest); the extension of each strap must be connected from the point of division only to the rein on the same side and must be free to slide. The rings through which the reins slide may not be connected to a neck strap.

8. Ring stewards appointed by competition management must check saddlery and inspect bits and spurs on both sides of the horse for at least one-third of the horses in each class. Inspection of saddlery and bits must be done at the direction of the technical delegate. Inspection of saddlery and bits must be done immediately as the horse leaves the arena. (See DR126.10) The checking of the bridle must be done with the greatest caution, as some horses are very touchy and sensitive about their mouths. Bit inspectors must use a new disposable protective glove for each horse. The responsibility for the correct attire and equipment, however, still rests with the competitor.

9. The following whips are permitted for schooling only: One whip no longer than 43.3 inches (110 cm), including lash, may be carried by the rider when mounted. One lungeing whip is permitted only when lungeing. One whip no longer than 43.3 inches (110 cm) including lash may be carried in all classes except USEF/USDF Championships, Federation Junior Team Championships, Championships for 4-year old (effective 4/1/07), 5-year old and 6-year old horses, NAYRC qualifying classes, USEF High Performance Championships, USEF High Performance qualifying and selection trials, and observation classes. (Exception: Competitors riding sidesaddle may carry a whip no longer than 43.3
An adjustable-length whip may not be carried by a mounted rider. BOD 1/15/06 Effective 12/1/06

BOD 1/14/07 Effective 4/1/07

Effective 7/2/07: The following whips are permitted for schooling only: One whip no longer than 43.3 inches (110 cm), including lash, may be carried by the rider when mounted. One lungeing whip is permitted only when lungeing. One whip no longer than 43.3 inches (110 cm) including lash may be carried in all classes except USEF/USDF Championships, USEF National Dressage Championships, USEF High Performance Championships, USEF High Performance qualifying and selection trials, and observation classes. (Exception: Competitors riding sidesaddle may carry a whip no longer than 43.3 inches (110 cm), including lash, in USEF/USDF Championships.) One whip no longer than 43.3 inches (110 cm), including lash may be carried in all qualifying classes (including NAYRC and NAJC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. An adjustable-length whip may not be carried by a mounted rider. BOD 1/14/07 Effective 7/2/07

10. Numbers must be worn at all times when a horse is being exercised or ridden.

11. Individuals holding Federation Dispensation Certificates may use special saddlery and equipment as specifically listed on their Certificate. The following equipment is permitted if listed on the certificate:
   a. Any well fitted saddle that is suited to the needs of the rider.
   b. Devonshire, western, or oxbow stirrups, tethers from stirrups to girth; seat covers; velcro and rubber bands (provided the equipment allows the rider to fall from the horse). Break-away safety stirrups are required if the rider’s feet are secured into the stirrups and shoes with distinguishable heels must be worn.
   c. Except for sidesaddle, either two stirrups or no stirrups must be used, unless rider has one leg and no prosthesis on the other leg.
   d. Adapted or bridged reins. If the rein is not to be used in a conventional manner, it must be in as straight a line as possible from the normal hand position (as described in DR117) to the horse’s mouth.
   e. One or two whips, not to exceed 4’ in length.

12. Horses may only be exercised and ridden in management-designated areas on the competition grounds.

13. The following rules apply exclusively to USEF High Performance qualifying and selection trials, and observation classes.
   a. Upon arrival on the showground, only the rider when riding, walking, leading or lungeing a horse (lunge whip allowed) is allowed to carry a whip (maximum 110 cm) anywhere on the showground. The groom may also walk, lead and lunge a horse as above. Other parties are allowed to carry a whip, provided it is not in connection with the training of the horse. Under no circumstance is it allowed to school the horses in the stables.
   b. The whip must be dropped before entering the space around the competition arena or the rider will receive a penalty of 4 points per judge.
   c. The following bit is permitted for use either as a snaffle or bridoon:
      (Snaffle or bridoon with rotating middle piece)

14. The provisions of DR121 apply to both competing and non-competing dressage horses from the time horses are admitted to the grounds which are designated for the Dressage Competition. BOD 1/14/07 Effective immediately

Figure 1. Bits Permitted in Dressage.

All bits (in A and B below) must be smooth and with a solid surface. Twisted, wire and roller bits are prohibited. A bushing or coupling is permitted as the center link in a double jointed snaffle, however, the surface of the center piece must be solid with no moveable parts. The
mouthpiece of a snaffle may be shaped in a slight curve, but ported snaffles are prohibited. A bridoon is defined as a snaffle bit used together with a curb bit to form a double bridle. Bits (including curb and/or bridoon bits of a double bridle) must be made of metal or rigid plastic and may be covered with rubber; flexible rubber bits are not permitted, except as noted below, under A. The diameter of the snaffle or bridoon mouthpiece must be minimum 3/8 inch diameter at rings or cheeks of the mouthpiece (exception: for ponies, the diameter may be less than 3/8 inches). Any bit combining any mouthpiece pictured in Figure 1A with any cheekpiece pictured in Figure 1A is permitted. Type of bit should not vary from those pictured below except where specified, and bits should be attached only as pictured in diagram. NOTE: FEI Level riders may warm up only in a double bridle (with both bit and/or bridoon made of metal or rigid plastic) or metal or rigid plastic snaffles pictured under B. In both cases, bits may be covered with rubber and flexible rubber bits are not permitted. A cavesson, dropped, crossed or flash noseband is allowed when a snaffle bridle is used in warm-up. BOD 1/15/06 Effective 12/1/06

*Any of the above may be made with a rubber, plastic or leather covering, but the bit may not be modified by adding latex or other material. Bits with mouthpieces made of synthetic material are permitted, provided that the contours of the bit conform to the contours of one of the bits pictured above. Flexible rubber or synthetic mouthpieces are permitted.

DR122 Execution and Judging of Tests.
1. Calling Tests. All Federation Tests may be called during the competition except at any Final or Championship Event at which time all tests must be ridden from memory. If test is announced, it is the responsibility of the competitor to arrange for a person to announce the test. Unless an exception is made by the judge, the announcing of the test must start with the first movement. Lateness and errors in announcing the ride will not relieve the rider from “error penalties”. Announcing the tests is limited to reading the movement as it is written once only. However, the repetition of reading of a movement is acceptable if there is reason to doubt that the rider heard the original call. Calling of these tests in a foreign language must receive prior consent of the show committee and the Ground Jury. A competition cannot require competitors to use callers employed by the competition management. All FEI Tests (including FEI Junior Tests) and all Freestyle Rides must be ridden from memory. In all tests, all movements must follow the order laid down in the test.
2. Salute. At the salute riders must take the reins in one hand. A lady rider shall let one arm drop loosely along her body and then incline her head in a slight bow; a gentleman rider shall remove his hat and let his arm drop loosely along his body or may render the salute as does the lady rider. The military salute is only permissible when riding in uniform.
3. Voice. The use of the voice in any way whatsoever or clicking the tongue once or repeatedly is a serious fault involving the deduction of at least two marks from those that would otherwise have been awarded for the movement where this occurred.

4. Individuals holding Federation Dispensation Certificates are allowed the following exceptions, provided these exceptions are clearly listed on the Certificate:
   a. Visually impaired and blind riders may use callers as “living letters.” These callers (a maximum of 9) may be stationed around the exterior of the arena and will call out letters at the appropriate time. No more than one caller may be stationed within the arena. Callers may not give any other direction to the rider other than identifying the letters, center line and quarter lines of the dressage arena. Callers must position themselves as to not obscure the judge’s line of vision. Riders may enter the arena prior to the start of their test and make one pass of the arena, once in each direction in order to familiarize themselves with the callers and the arena. After completion of this familiarization, the rider may leave the arena and await the judge’s signal to re-enter and begin his or her test OR may halt and stand quietly just within the arena at A to be given the signal to begin their test from inside the arena. Blind and visually impaired riders are required to wear a red armband at all times while mounted and in areas where other riders are present. They may remove this armband during execution of their dressage test.
   b. Riders may salute with a nod of the head only. Physical contact must remain on the reins at all times.
   c. As necessitated by the rider’s individual physical limitations, trot work may be performed either entirely sitting or posting.
   d. Riders with intellectual impairment or head injury may have a reader to call their tests, including freestyles. If the freestyle is being read, it is required that the caller use radio communication.
   e. Riders with hearing impairment may have a reader using sign language or use radio communication.
   f. If radio communication is used, a copy of the written choreography must be given to the Technical Delegate or their designee who will monitor the reader and report to the judge if unauthorized assistance is given to the rider.

5. Errors.
   a. When a competitor makes an “error of the course” (takes the wrong turn, omits a movement, etc.) the President of the Jury warns him by sounding the bell. The President shows him if necessary the point at which he must take up the test again and the next movement to be executed then leaves him to continue by himself. However, in some cases when, although the competitor makes an “error of the course”, the sounding of the bell would unnecessarily impede the fluency of the performance for instance if the competitor makes a transition from medium trot to collected walk at V instead of at K or cantering up the center line from A makes a pirouette at D instead of at L it is up to the President to decide whether to sound the bell or not. However, if the bell is not sounded at an error of course, or error of test in which the movement, or a requirement of the movement, is repeated and the error occurs again, only one error is recorded. If a rider performs in a rising trot when a sitting trot is required, or vice versa, the bell must be sounded and the rider warned that this is an error that accumulates if repeated, leading to elimination at the third occurrence.
   b. In National and FEI tests, every “error of the course” whether the bell is sounded or not, must be penalized, except as noted above: BOD 1/15/06 Effective 12/1/06
      (1) the first time by 2 points;
      (2) the second time by 4 points;
      (3) the third time the competitor is eliminated. However, at the discretion of the judge, the rider may continue to finish to test. If the competitor’s continued presence in the ring is about to interfere with the start of the next scheduled ride, then the judge must excuse him/her from the ring.
   c. When the competitor makes an “error of the test” (trots rising instead of sitting; at the salute does not take the reins in one hand, etc.) he must be penalized as for an “error of the course”. In principle, a competitor is not allowed to repeat a movement of the test unless the President of the Jury decided on an error of course (rings the bell). If, however, the rider has started the execution of a movement and attempts to do the...
same movement again, the judge(s) must consider the first movement shown only and, at the same time penalize for an error of course.

d. If the Jury has not noted an error the competitor has the benefit of the doubt.

e. The decision as to whether or not an error of course has been made will be that of the judge at C. The other judges’ scores will be adapted accordingly upon approval of the judge at C.

f. The penalty points are deducted on each judge’s sheet from the total points obtained by the competitor.

6. Lameness. In the case of marked lameness the judge or President of the Jury informs the competitor that he is eliminated. There is no appeal against his decision.

a. The mark for each movement should first establish the fact of whether the movement is performed insufficiently (4 or below) or sufficiently (5 or above). The judge should state the reason for his judgment, at least when giving marks of 6 and below.

b. Accuracy (moderate) should be a factor only if the inaccuracy avoids the difficulty of the movement, i.e., a larger circle avoids the difficulty of a 10 meter circle. In a movement which must be carried out at a certain point of the arena it should be done at the moment when the competitor’s body is above this point, except in transitions where the horse approaches the letter from a line diagonal or perpendicular to the point where the letter is positioned. In this case, the transition must be done when the horse’s nose reaches the track at the letter so that the horse is straight in the transition.

c. If a problem appears once it may be treated lightly by the judge; if it appears successively he will score it more harshly each time, i.e., nodding, stumbling, shying, etc.

d. Grinding of the teeth and wringing of the tail are signs of tenseness or resistance on the part of the horse and should be considered in the marks for each movement where they appear, as well as in the Collective Marks. Horses which get their tongues over the bit or perform with an open mouth shall be marked down.

e. The levels of dressage are offered as a means of evaluating a horse that is changing. The purpose of each test is printed on the cover and the horse shall be considered in light of the degree of training it should have achieved to be shown at that level.

f. In the case of a fall of horse and/or rider the competitor will not be eliminated. He will be penalized by the effect of the fall on the execution of the movement being performed and also in the Collective Marks.

g. If the horse leaves the arena with or without the rider (all four feet outside the fence or line marking the arena perimeter) between the time of entry and the time of exit at A, the competitor is eliminated.

h. A test begins with the entry at A and ends after the final salute, as soon as the horse moves forward; except in Freestyle, where the test begins in the first stride after the salute and ends at the final salute. Except for leaving the arena as described above in 7g, and for non-permitted movements shown in a freestyle test, anything before the beginning or after the end of the test has no effect on the marks. The competitor should leave the arena in the way prescribed in the test; however, in Federation Training through Fourth Level tests, the competitor should leave the arena at “A” at a walk, on long or loose rein. **BOD 1/15/06 Effective 12/1/06**

i. Horses which enter the arena with their tongues tied down shall be eliminated.

j. The judge may stop a test and/or allow a competitor to restart a test from the beginning or from any appropriate point in the test if, in his discretion, some unusual circumstance has occurred to interrupt a test. Time-outs, as defined in GR312, are not permitted in the Dressage division.

k. After the sound of the bell, the competitor should enter the arena at A as soon as possible. Exceeding 45 seconds before entering the arena after the bell has sounded will entail elimination. No competitor can be required to ride prior to his scheduled time except as required in GR309.

l. Any resistance which prevents the continuation of the test longer than 20 seconds is punished by elimination.

m. All movements and certain transitions from one to another which have to be marked by the judge(s) are numbered on the judge’s sheets. They are marked 0 to 10, 0 being the lowest mark and 10 being the highest.
8. The scale of marks is as follows:

<table>
<thead>
<tr>
<th>Mark</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>10</td>
<td>Excellent</td>
</tr>
<tr>
<td>9</td>
<td>Very Good</td>
</tr>
<tr>
<td>8</td>
<td>Good</td>
</tr>
<tr>
<td>7</td>
<td>Fairly Good</td>
</tr>
<tr>
<td>6</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>5</td>
<td>Sufficient</td>
</tr>
<tr>
<td>4</td>
<td>Insufficient</td>
</tr>
<tr>
<td>3</td>
<td>Fairly Bad</td>
</tr>
<tr>
<td>2</td>
<td>Bad</td>
</tr>
<tr>
<td>1</td>
<td>Very Bad</td>
</tr>
<tr>
<td>0</td>
<td>Not executed</td>
</tr>
</tbody>
</table>

“Not executed” means that practically nothing of the required movement has been performed. In Freestyle tests, half marks may be used for the artistic marks.

9. Collective marks are awarded (from 0 to 10) after the competitor has finished his performance for:
   a. Gaits.
   b. Impulsion.
   c. Submission.
   d. The rider’s position and seat; correctness and effect of the aids.

The collective marks as well as certain difficult and/or infrequently repeated movements can be given a co-efficient which is fixed by the Federation Dressage Committee or the Bureau of the FEI.

10. Unauthorized Assistance is forbidden under penalty of elimination. Any intervention by a third party with the object of facilitating the task of the competitor, including voice, signals, etc., is considered illegal assistance. A member of the Jury may not discuss a ride with a competitor before the bell or after the final salute.

11. The execution of the tests is not timed, except for the Freestyle Test. The time shown on the Judges’ sheet is for information only.

12. The FEI has published “Directives for Assessing the Degree of Difficulty in a Freestyle Test” and “Directives for International Dressage Competitions for 5 and 6-year old horses”. These documents have information on the judging of Freestyle and Young Horse tests and both are available from the Federation upon request or on the Federation website.

13. For FEI Tests for 4, 5 and 6-year old horses, and the USEF test for 4-year old horses, the judges must sit together at “C”. Individual movements are not judged. The judges must fill out one Marking Sheet with general comments and marks at the end of the test. For Young Horse qualifying classes, competition management is encouraged to provide a microphone for the judges so that a short summary may be given to the audience after each ride. FEI guidelines for judging shall be followed. Tests must be ridden from memory.

**DR123 Scoring, Classification and Prize-Giving.**

1. After each performance and after each judge has given his Collective Marks which must be done with due consideration the judges’ sheets pass into the hands of the scorers. Scores and comments must be written in ink. Any corrected score must be initialed by the judge having made the correction. The marks are multiplied by the corresponding co-efficients where applicable and then totaled. Penalty points incurred for errors in the execution of the test are then deducted on each judge’s sheet.

2. The total score for the classification is obtained by adding the total points. With more than one judge, the sum total classifies. If there are two or more judges, the points awarded by each judge will be published separately in addition to the total score. Total final results must be published in marks as well as in percentages with numbers to three places after the decimal point. Scores must be posted on a public scoreboard as soon as possible after each ride.

3. Individual Classification. In all competitions the winner is the competitor having the highest total points, the second placed competitor is the one with the next highest total points and so on. In case of equality of points the competitor with the highest marks received under General Impressions shall be declared the winner. When the scores for General Impressions are equal the horses must remain tied. Final results for each class must be posted as soon as possible after the class is completed and all results must include total points and percentages with numbers to three places after the decimal point, eliminated horses, and the placing of each horse that receives an award. If a competitor withdraws (scratches) prior to a class or is excused, eliminated or a “no show” prior to or during the performance of a test, the words “scratched”, “excused”, “eliminated”, or “no show” or abbreviations of each, must appear after the competitor’s name in the result sheet.
4. In a USEF/USDF Championship class, the horse must obtain 50% or better to be named Champion or Reserve Champion.

5. Video tape may not be used to dispute a judge’s decision.

6. Ties in classes which involve prize money shall remain tied for the purpose of dividing prize money but may be broken for the awarding of ribbons.

7. A judge is free to leave when all scores from his class are totaled and any ties resolved.

8. If a mathematical error on the scoresheet is discovered, it must be brought to the attention of competition management within 1 hour of the official posting of the scores from the last class of that competition day. Competition Management must announce said posting, and must make test sheets available to competitors immediately.

9. Participation in prize-giving (awards) ceremonies by placed rider/horse combinations may be mandatory and failure to participate may result in loss of prizes and prize money at the discretion of Competition Management. Specific requirements and penalties for failure to participate in prize-giving ceremonies must be announced in the prize list. It is recommended that dress and saddlery for ceremonies be the same as in the competition, but that black or white leg bandages also be allowed. Rosettes should be placed on the horses’ bridles prior to the ceremony. The judge at “C” should be invited to participate in the prize-giving. Competition Management is responsible for the safe conduct of ceremonies and must excuse any horse that threatens the safety of participants.

10. It is recommended that scorers may not be a competitor, or an owner, coach, trainer or family member of a competitor/horse in the class(es) in which they are scoring.

DR124 Elimination.

1. Horse and rider combinations shall be eliminated from the competition (for “a”, “f” and “i”, below) or from the current or next class depending on which is closest to the time the incident occurred (for all others), under the following circumstances:
   a. Misrepresentation of entry or inappropriate entry (GR1501 and DR119);
   b. Dress code violations at the discretion of the Ground Jury (DR120);
   c. Use of illegal equipment (DR121);
   d. Unauthorized assistance (DR122);
   e. Three errors of the course and/or test (DR122); BOD 1/15/06 Effective 12/1/06
   f. Horse’s tongue tied down (DR122);
   g. Late entry into the arena (DR122);
   h. All four feet of the horse leave the arena with or without rider (DR122);
   i. Cruelty (GR302);
   j. Marked lameness (DR122);
   k. Resistance of longer than 20 seconds (DR122);
   l. Concern for the safety of rider, other exhibitors or their entries (GR1043.8 and .9); BOD 1/15/06 Effective 12/1/06
   m. In FEI freestyle classes, performing movements which are not allowed (DR128);
   n. Evidence of blood on a horse in the competition arena shall be cause for elimination from the class by the judge at “C”.

Environmental causes such as insect bites shall normally not be cause for elimination.

o. Failure to wear competitor number (DR121.10 and GR318.9); BOD 1/15/06 Effective 12/1/06

2. Only the officiating Jury may eliminate a competitor for a rule violation listed under DR120 or DR122, only from the test in question, and (except for late entry into the arena) only after the competitor has entered the arena. Members of the Ground Jury have no authority to eliminate under any other circumstances, except during a test, for use of illegal equipment, not wearing a number, cruelty and abuse or leaving the arena without the judges’ permission. Authority for rule enforcement outside the competition ring rests solely with the Show Committee (see General Rules, GR1201). Competition Management/Show...
Committee has the authority to eliminate for use of illegal equipment during a test that is discovered after the competitor has left the arena. **BOD 1/15/06 Effective 12/1/06**

**DR125  Competition Licensing and Officials.**
1. Organizers of Dressage Competitions must comply with current Federation and USDF competition licensing requirements and must apply directly to both the Federation and USDF for competition recognition and licensing.
2. Ground Jury. The invited judges compose the Ground Jury and must be selected from the current Roster of Recognized Dressage judges.
3. A Technical Delegate must be selected from the current Roster of Dressage Technical Delegates to officiate at all Dressage competitions and Regular and Local Competitions offering “open” Dressage Division classes (i.e., classes which are not limited to certain breeds) or classes above Third Level. (Exception: A Category 2 or Combined Category Steward may officiate through Fourth Level in the Andalusian, Arabian, Friesian and Morgan Divisions, only if classes are not part of an “open” Dressage Division). **BOD 1/15/06 Effective 12/1/06 BOD 1/14/07 Effective 4/1/07**

**DR126  Requirements for Dressage Competition Management.**
1. Where more than 25 entries are accepted for a particular class the class must be divided. USEF/USDF championship classes and USEF High Performance Championships, qualifying and selection trials, and observation classes cannot be split. When entries warrant competitions are encouraged to split classes for Adult Amateurs and Junior/Young Riders.
2. No judge shall be required to officiate longer than 8 hours in one day, unless the judge has agreed in writing, and cannot be required to be on the competition grounds longer than 10 hours. Judges must be given at least a 45-minute lunch break and at least a 10 minute break every 2 hours. Judges and technical delegates are not to be housed in private homes unless the judge or technical delegate has agreed to it prior to the competition. Judges’ comments, while judging, may not be audio-recorded without written permission of the judge(s).
3. A tentative class schedule must be included in the prize list. If Grand Prix Freestyle and/or Grand Prix Special classes are offered at a competition, at least one Grand Prix class must be offered and scheduled prior to the Freestyle and the Special (i.e., only one Grand Prix is required to be offered and scheduled prior to the Freestyle and Special in a multi-day competition). If a competitor cannot show due to a change in the day a competitor must ride, his entry fees must be refunded. Organizers should prepare a time schedule including all rides. Competitors should be notified of their riding times in advance if possible. Dressage classes must be run in their entirety and rides may only be scheduled out of sequence to allow a reasonable interval between two or more horses entered by the same rider in the same class. Also, when preparing a time schedule consideration must be given to riders entered in more than one class or riding more than one horse. At least 50 minutes must be scheduled between start times for a rider’s tests on different horses unless he/she has agreed, in writing, to a shorter interval between tests. Time intervals should be allowed between rides for judge’s breaks and awards presentations. The time schedule should be posted in a conspicuous place by noon the day before the competition. Competitors will not be allowed in or around the arena while a class is in progress or inside the arena at other times except under the following conditions: (1) Management must post and announce, in advance, designated times that competitors may school inside the arena(s); and, (2) Competitors should be permitted by management or the Ground Jury to enter the arena prior to their ride if arena conditions do not permit riding around the perimeter of the arena prior to entry. Such permission must be announced prior to the start of the class. **BOD 1/15/06 Effective 12/1/06**
4. After the awards for a class have been presented, the judge’s score sheet should be given to the competitor. Tests must be handed directly to the competitor or his representative. Privacy must be maintained.
5. Scribes. Only one scribe to be provided for the judging panel for the FEI Dressage Tests for 4-year old, 5-year old and 6-year old horses and the USEF Dressage Test for 4-year old horses. Scribes should have a knowledge of the tests being ridden. Scribes (including electronic scribes) should not be an owner, coach, trainer or family member of a competitor/horse in the class(es) in which they are scribing. Scribe changes should not be
made more than once per day for each judge. First-time scribes must not be assigned to foreign judges or judges for FEI level classes. It is strongly recommended that scribes and apprentice judges not compete before judges with whom they have worked at the same competition. BOD 1/14/06 Effective 3/1/07

6. The Arena.

a. The arena should be on as flat and as level ground as possible. It is recommended that the difference in elevation across the diagonal or along the length of the arena shall in no case exceed 0.50 meters. It is recommended that the difference in elevation along the short side of the arena shall in no case be more than 0.20 meters. The Standard Arena is 60 meters long and 20 meters wide. The Small Arena is 40 meters long and 20 meters wide. The following must be held in a Standard Arena: Federation First Level tests (except Test 1), Second Level tests, Third Level tests, Fourth Level tests; FEI tests; and musical freestyles, except those tests written for a small arena. In addition, Federation/USDF Qualifying and Championship Classes at all levels must be held in a Standard Arena. Arena measurements are for the interior of the enclosure. It is recommended that arenas be separated from the public by a distance of not less than 15 meters. For indoor competitions, the minimum distance should in principle be 3 meters. The enclosure itself should consist of a low fence about 0.3 meters high. The fence should be such to prevent the horse's hooves from becoming entangled and arena stakes, if used, must be covered with a ball or similar object so as to prevent injury. Rope, concrete or unbreakable chain fencing is not allowed. The part of the fence at A should be easy to remove to let the competitors in and out of the arena in a suitable way. The part of the fence at A can remain open except at Federation/USDF Championship Competitions. The letter A should be placed at least five meters away from the arena. No publicity is permitted anywhere on the arena fence.

b. The letters outside the enclosure should be placed about 0.5 meters from the fence and clearly marked. So that the judges can note the exact point on the track opposite each letter, it is compulsory to place a marker on the fence itself, level with and in addition to the letter concerned. It is permissible to decorate the letters with flowers or greenery to enhance the appearance of the arena.
c. If marked, the center line, throughout its length should be as clearly marked as possible, without however, being of a nature to frighten the horses. A grass arena is not permitted for USEF/USDF Championship classes, Federation Junior Team Championships, and USEF High Performance Championships, qualifying and selection trials and observation classes. Grass arenas are not recommended for Federation/USDF Qualifying Classes, and if qualifying classes may be held on grass, this fact must be stated in the Prize List. BOD 1/14/07 Effective 4/1/07
d. In case of inclement weather or during the winter the use of an indoor arena may be desirable. Under such circumstances, it is best if the indoor hall dimensions allow the following minimum conditions to be met. There should be 2m from the long sides of the Dressage arena fence to the indoor hall sideboards and 10m from the short sides of the Dressage arena fence to the indoor hall sideboards. With necessary modifications to meet local conditions, the other requirements for an outdoor arena apply. Where local conditions necessitate, use of a modified arena is acceptable as long as the dimensions of the arena to be used are clearly specified in the prize list. The arena should be shortened no more than five meters. However, Qualifying, Championship, USEF High Performance Championships, qualifying and selection trials and observation trials and Freestyle classes must be held in an unmodified standard size arena.
7. Location of the Jury (Judges). If there is only one judge he is preferably placed a maximum of five meters and minimum of three meters from the end of the arena and must be opposite the letter C. When two judges are used one is placed at C and the other at B or E, preferably a maximum of five meters and minimum of three meters opposite the letter. When three judges are used, one is placed at C, the second at B or E, and the third should be at the end of the arena on a line with the judge at C and 2.5 meters in from the edge of the long side of the arena at H or M (If the second judge is at B, the third should be at H and vice versa). If this is not possible, judges should be placed at the end of the arena, one at C, one 2.5 meters in from the long side of the arena at M and the other 2.5 meters from the long side of the arena at H. At indoor competitions Judges should preferably be placed a minimum of 3 meters from the arena. A separate enclosure (booth, tent, trailer) should be provided for each judge and it must be raised at least 0.5 meters (20 inches), for Freestyle Tests possibly a little higher, above the ground to give the Judge(s) a good view of the ring. The booth/hut must be large enough to accommodate three people except that the booth at C must accommodate four people for Young Horse Championship classes. Judges’ booths placed at E and B must be equipped with side windows. The jury for the FEI Dressage Tests for 4, 5, and 6-year-old horses and USEF Dressage Test for 4-year-old horses, must be seated together at “C” and may comprise a maximum of three judges.
8. Exercise Ground. An exercise area must be provided far enough away from the arena so as not to disturb the competitors during their tests. It should be of sufficient size for several competitors to prepare their horses at the same time. It is strongly recommended that a lungeing area be provided separate from and in addition to mounted warm up areas and that it be available throughout the competition. If possible, one or two practices arenas with perimeters and letters should be provided. When visually impaired or blind riders are to compete, it is recommended that a separate warm up area be provided.
9. Competition management should make every effort to provide the best possible footing in competition and warmup areas. Provisions should be made (by having on hand proper equipment and scheduling sufficient breaks in the schedule) to maintain throughout the competition the footing in all riding areas by dragging, watering and, if necessary, raking.
10. Management must appoint ring stewards to check saddlery and inspect bits and spurs, on both sides of the horse, in each class at the direction of the technical delegate and in accordance with DR121.8. Bit inspectors must use a new disposable protective glove for each horse. Gloves must be provided by competition management. Schooling and warmup areas must be monitored by stewards starting at least 30 minutes before the first scheduled ride. When a competition operates two or more rings or warmup areas, the competition must have a sufficient number of stewards to adequately monitor all schooling and warmup areas, as well as competition rings. In USEF/USDF Championship classes, a steward must be appointed to check the saddlery and bits of each horse immediately after it has completed its test and has left the arena, and any discrepancy to the saddlery rules will entail immediate elimination. (See DR121.8) BOD 1/15/06 Effective 12/1/06
11. Management must provide judges and technical delegates with copies of Federation Presidential Modification letters they have received, prior to the classes where those riders compete under those judges. Competitors will not be allowed to compete with modifications unless a copy of their Presidential Modification letter is provided to the competition secretary by the beginning of the competition.

12. Background music, of a suitable composition and volume so as not to disturb the competitors and judges, may be played during all classes except when freestyle music is being played. Specific background music may not be requested or supplied by competitors for their rides except for freestyle tests. It is strongly recommended that organizers avoid running freestyle classes at the same time as non-freestyle classes that are held in close proximity. BOD 1/14/07 Effective 4/1/07

13. A separate number must be issued for each horse/rider combination. Horses or riders are required to display only one number and may not be penalized for displaying only one number. See GR318.9 and GR1214.11. BOD 1/14/07 Effective 4/1/07

SPECIAL COMPETITIONS.

DR127 USEF/USDF Qualifying and Championship Classes and Federation National Championships for Dressage.

1. The Federation recognizes special competitions for Dressage Championships. Competitions licensed by the Federation in the Competition category of “Dressage Competition” and who wish to hold qualifying classes for one or more of these Championships should request information from the International Disciplines Department at the Federation or from USDF. Dressage Competitions offering these classes shall make a complete report to the Federation and to USDF in order that membership and horse recordings can be checked. Complete results must be submitted to the Federation and USDF in compliance with GR1216, including names, addresses, individual membership numbers and horse recording numbers of all class entries and the number of all ribbon winners.

2. All qualifying competitions for USEF/USDF Championships are open only to horses that have been recorded with the Federation, ridden by Junior Active, Senior Active, or Life Members, who are United States citizens. Annual or lifetime Horse Recording is required and horses with only HID numbers are not eligible. Horse owners must also be Junior Active, Senior Active or Life Members. Responsibility to record their horse(s) with and become members of the Federation rests entirely with the competitors. Qualifications will not count until the applications and fees for the horse’s recording and rider’s and owner’s Junior Active, Senior Active, or Life Membership are received by the Federation, unless submitted according to the provisions of GR203.7 and GR1504.1. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in GR812.4, and transfers of ownership or lease registrations must be completed in compliance with GR813 and GR818 prior to the competition in order for the horse to compete under the name of the new owner or lessee. It is further provided that for qualifications to count with respect to any competition, such materials and fees must be received by the Federation office on or before the first recognized day of such competition, unless submitted according to the provisions of GR203.7 and GR1504.1. Qualifications are not retroactive. Competition secretaries of Federation Dressage Competitions are responsible to the Federation to ensure that horses in qualifying and championship classes are recorded in compliance with GR812 and riders and owners are current members of the Federation and meet other requirements as set forth in the description of the Championship Classes, including that USDF membership and horse registration requirements are current. Copies of documents submitted by competitors to verify Federation and USDF membership and horse recording requirements are current. Information on USDF membership and horse registration requirements is available through the USDF office. Affidavits will not be accepted for Federation or USDF membership or horse recording verification purposes for entry in Championship classes.

3. Competition Managers of Federation Dressage Competitions which hold USEF/USDF Qualifying and/or Championship classes are responsible to the Federation for knowing and complying with all Federation rules and USDF guidelines regarding qualifying and/or
championship classes. Technical Delegates for these competitions must investigate incidents of non-compliance and report violations to the Federation.

4. Qualifying classes may not be offered in breed-restricted classes. Qualifying classes may be offered at Training through Grand Prix levels, including USDF and FEI Freestyles, and must be the highest or single test of the level or included in a USDF-approved list of classes. Eligible competitors must be given the option to enter the class as “USDF qualifying” for a maximum additional fee of $10. Only one ride can be required and a maximum of one entry fee charged for the class in addition to the $10 USDF qualifying fee. Horse/rider combinations may enter only one test, and one Freestyle, at each level per day as “USDF qualifying”. Championships must be offered according to USDF Championship specifications. Each USEF/USDF Qualifying and/or Championship classes must be designated as such in the prize list and in the competition results. During each USEF/USDF Regional Championship, only one class per division and/or level may be held to determine USEF/USDF Regional Champions. EC 9/17/07 Effective 10/15/07

Yearly specifications for USEF/USDF Qualifying classes and Championships will be published by USDF and the Federation and may be requested from USDF. If a rider intends to enter an Adult Amateur Championship, he/she must be an Adult Amateur by Federation definition and must provide proof to USDF and to competition management (see GR106 and GR808).

5. In the fall of the year, Championships will take place at designated USEF/USDF competitions. A horse may not be entered in more than one USEF/USDF Regional Championship at particular levels in the same calendar year. Having won a USEF/USDF Regional Championship, a horse/rider combination may no longer compete in USEF/USDF Regional Championship competition in that division, at that or a lower level (Grand Prix Level excepted), if they received the minimum qualifying score for that division and level in the championship test.

6. At no time during a USEF/USDF Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (Exception: grooms riding on loose rein). Further, any horse entered in a Championship competition, even if entered at two levels, must be ridden by the same rider throughout the competition.

7. The rider/horse combination qualifies for the Championship competition. If a new rider wishes to compete with the horse at the Championships, he or she must requalify.

8. In the event of a tie (equality of total points) for Champion and/or Reserve Champion in USEF/USDF Championships classes, the collective marks will determine first, second and/or third places (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.) If collective marks are equal the tie will remain unbroken (i.e., two first places will be awarded, next third place, etc.) Ties (equality of total points) after second place will be broken by collective marks. Ties (equality of total points and collective marks) occurring in 3rd-8th place will remain unbroken. In the case of a tie (equality of total points and collective marks) for Champion, prize money designated for Champion and Reserve Champion will be combined and divided equally between the competitors.

9. Specifications for Qualifying and Championship Classes. Specifications for Qualifying and Championship classes are published on the Federation and USDF websites and may be requested from USDF.

10. The Selection Criteria, Host Site Application and Championship Specifications for the National Championships for Dressage are available from the Federation International Disciplines Department.

11. Unless otherwise indicated, all Federation rules for USEF/USDF Qualifying and Championship classes will also apply to the National Championships for Dressage.

12. The selection of judges and technical delegates for the National Championships for Dressage is a responsibility of the Federation, after consultation with the Championships Organizing Committee.

13. USEF/USDF Regional Championships will be licensed/recognized according to the following map of USDF regions.
1. Scoresheets for FEI level Freestyles may be obtained from the Federation office. Scoresheets for Federation level Freestyles may be obtained from the USDF office. Freestyles at First Level and above may be offered at Federation licensed Dressage Competitions. Current FEI and USDF scoresheets must be used and any changes will come into effect at the time of their release, and those changes will supersede the previous scoresheets. Except for 7.a, 7.d, and 7.f below, the following rules apply to both Federation and FEI level Freestyles. The FEI has published “Directives for Assessing the Degree of Difficulty in a Freestyle Test” which has information on the judging of Freestyle tests and is available on the Federation website. Additional information on the execution and judging of Federation level Freestyles is listed on the USDF scoresheets.

2. For time allowed, see individual score sheets. At the beginning and end of a Freestyle Test a halt with a salute is compulsory. Time begins when the horse moves forward after the competitor’s halt and ends with the final halt and salute.

3. Equipment and attire must be dignified and conform to the requirements set forth for the corresponding Federation or FEI level. Under penalty of elimination, a rider’s hat may not be intentionally removed, except for the halt at the first and final salute.

4. Riders are not required to submit a written copy of the ride. Furthermore, since the ride is judged as a whole no errors can accrue.

5. The highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner.

6. Music
   a. Music is mandatory. It is the responsibility of the competitor to select the appropriate music for the ride and present to competition management a cassette tape or compact disc (CD) recording to be given to the announcer at least two (2) hours prior to the start of the class.
   b. The rider may request a sound check of his tape in advance of the class at a time agreeable to competition management.
   c. Each rider will be permitted one representative in the sound system booth to supervise the handling of the tape if so desired by the competitor.
   d. In case of rider’s music failing during a Freestyle Test and in cases where there is no backup system, the rider can, with permission of the judge at “C”, leave the arena. There should be minimum interference with the starting times of the other riders and the affected rider should return to complete or restart his/her test during a scheduled break in the competition or at the end of the competition. The rider may decide whether to restart the test from the beginning or to commence from the point where the music failed. Judging must restart at the point of interruption. In any case, the marks already given will not be changed.
e. Under penalty of elimination, a rider must enter the arena within 20 seconds of the music starting. The music must cease at the final salute.

7. Movements
   a. The competitor must include all gaits and movements required on the FEI score sheet at the level shown. Current FEI rules apply. Failure to include required movements will result in a zero (0) score on the appropriate line.
   b. Any movements included in tests at or below the level declared may be included in Freestyle rides but those not specified as compulsory movements on the score sheet will be scored only as they enhance or detract from the Artistic Impression.
   c. Riders should note that it is compulsory to come into and out of the canter pirouette in canter in a straight line for the technical mark to be given. Walking into and out of the canter pirouette or pirouettes performed from lateral movements will be considered only in the artistic marks.
   d. Movements intentionally performed above the level declared shall be penalized by elimination, preferably immediately. A rider showing more than one half-pirouette (i.e., more than 180 degrees) in one continuous movement in the Young Rider Freestyle Test or a rider showing more than one full pirouette (i.e., more than 360 degrees) in one continuous movement in the Intermediate I Freestyle Test, will receive “0” (zero) for the whole movement and the scores for choreography as well as the degree of difficulty cannot be higher than “5”. See DR124.1.m.
   e. Once a movement has been included in the tests of the Freestyle level declared or those below, it can be shown at any location in the arena (for instance, pirouettes on the center line in Intermediate I) or at sharper angles (half-pass) or in greater numbers (tempi changes) to enhance the degree of difficulty.
   f. Grand Prix Freestyle Tests. Besides all the Grand Prix level movements, double pirouettes, pirouettes in piaffe and half pass in passage are allowed. A rider showing more than a double pirouette (i.e., two pirouettes of more than 360 degrees each) in one continuous movement, will receive a “0” (zero) for the whole movement and the scores for choreography as well as the degree of difficulty cannot be higher than “5”. A rider showing other non-permitted movements must be disqualified. One Piaffe has to be shown straight (minimum 10 steps). If the Piaffe is only shown as a Pirouette, a minimum of 10 steps is to be shown before or after turning. Passage shown in Half Pass is not considered as the compulsory passage. Scores and credit for transitions will only be given for the sequence “passage, piaffe, passage”. Airs above the ground and Canter “Terre a Terre” are not allowed. Flying changes must be shown in at least 5 consecutive changes every second stride and minimum nine changes at every stride.
   g. Mistakes, such as in tempi changes, should not be penalized as exceeding the degree of difficulty of the level shown but only as they affect the technical marks.

8. When two or three judges officiate in a class, they may be located either on the short end of the arena (i.e. H/C, C/M, or H/C/M) or one may sit on the long side (i.e. C/B, E/C, H/C/B or E/C/M).

9. Except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior and Young Rider Freestyles, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 58% in the highest test of the declared freestyle level or any test of a higher level at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. A photocopy of the test verifying eligibility must be submitted with the entry for a freestyle class. BOD 1/14/07 Effective 4/1/07

10. If Grand Prix Freestyle class is offered at a competition, at least one Grand Prix class must be offered and scheduled prior to the Freestyle (DR126.3). Additional competition management requirements for freestyle classes are listed in DR126.6.a, DR126.6.d, DR126.7 and DR126.12.

11. All judges of a freestyle test at any level must judge both artistic and technical parts of the test.

DR129 Quadrille and Pas de Deux.

Refer to USDF Quadrille and Pas de Deux and Guidelines for specific information regarding attire, saddlery, equipment and judging specifications for compulsory quadrille tests,
freestyle quadrilles, special costume freestyle quadrilles and Pas de Deux. Current USDF rules must be followed.

**DR130  Dressage Derby.**

This is a contest in which the riders may expect to change horses. It is conducted in two parts: 1) all riders ride a special test (usually short five minutes); 2) the four highest-scoring riders bring their horses to a special area and prepare to ride the test on each of the other three horses. An order-of-go is established and posted. The rider may not mount the horse he is assigned before entering a practice area (either in front of the judge or in an adjacent supervised area). Each rider will be given the same amount of time to familiarize himself with his mount before beginning the special test. Scores will be posted for each rider on each horse including his own. The winning rider will be the rider with the highest total score (four rides). There may also be an award to the winning horse, the one with the highest total for the four rides in which it appeared.

**DR131  Suitable to Become a Dressage Horse.**

Open to horses that have not competed in any test above the First Level that are under seven years of age. To be shown at a walk, trot and canter both ways of the ring. To be judged on the horse’s potential to become a Dressage mount. Horses are placed and no actual scores are awarded. BOD 1/15/06 Effective 12/1/06

**DR132  Dressage Seat Equitation.**

1. Dressage Seat Equitation classes. May be offered for Juniors, Young Riders, Adult Amateurs and/or Open riders according to the following specifications:
   a. Medium walk, working trot and canter both ways of the ring must be performed. The rider’s position, seat and specifically the correct use and effect of the aids required by the Training and First Level Dressage tests are to be judged as outlined in DR117.1.
   b. The movements shall be performed by the exhibitors simultaneously; however, the judge may ask for independent tests as listed below in DR132.2.h(4)-2.h(5).
   c. No change of horses shall be required.
   d. Whips and spurs are allowed. Horses shall be shown in plain snaffle.
   e. The size of a group shall be limited to no more than 25 riders. Groups may be divided into smaller sections, at the discretion of the judges, for safety and convenience. Judges may limit the number of horses required to canter at the same time, at their discretion.
   f. Only the rider is judged, however, lameness of horses will be penalized per DR122.6.
   g. Prizes are awarded to the rider, not the horse owner.
   h. Back numbers must be provided to Equitation riders and they must be positioned to be clearly visible at all times.
   i. Judges are required to give a final percentage score only for the riders placing in the class, plus two reserves, except when two or more judges officiate separately. When judges officiate separately, final percentage scores from each judge must be given to all riders competing in the class.
   j. USEF Dressage Seat Equitation scoresheets must be used.
   k. Juniors may not ride stallions in Dressage Seat Equitation classes.
   l. Classes should be held in an enclosed ring that is larger than a standard dressage arena, if available. If such a space is not available, an open schooling area is permitted. If classes must be held in a dressage arena, it must be at least 20m x 60m, and no more than 6 horses shall be asked to canter at the same time.

2. USEF Dressage Seat Medal Program
   a. The purpose of the program is to promote and reward correct seat, position and use of aids in dressage for Junior riders.
   b. USEF Dressage Seat Medal Semi-Final Classes will be offered for Juniors in each of the nine Federation/USDF Regional Championships. One Semi-Finals class will be offered for Juniors ages thirteen and under and a second Semi-Finals class will be offered for Juniors ages fourteen through eighteen. A Regional Champion and Regional Reserve Champion will be named from each Semi-Finals class in each USDF region.
c. The top two riders in each Semi-Finals class will qualify to advance to the annual Federation Dressage Seat Medal Finals, which will be held in conjunction with the Federation Junior Dressage Team Championship or other designated competition. In case one of the top two riders in either Semi-Finals class does not compete in the Finals, the third placed rider in the respective class will be allowed to compete. Two finals classes will be held; one for Juniors age thirteen and under, and the other for Juniors age fourteen through eighteen. A National Champion and National Reserve Champion will be named from each Finals class.
d. Juniors who are named Regional Champions and Reserve Champions at age 13 or 18 will be eligible for the next year’s final in the respective age group in which they qualified.
e. Federation Dressage Seat Medal Semi-Finals and Finals classes must be held on a weekend.
f. Qualification.

(1) Prior to 2009, riders must have qualified to compete in the Semi-Finals according to the criteria approved by the Federation Executive Committee. For 2009 and thereafter, riders must qualify for the Semi-Finals through a Federation Dressage Seat Medal qualifying class held at any Federation/USDF recognized competition. The criteria listed below in 2.f.(2)-2.f(4) apply under both qualifying methods.

(2) Rider: Must meet the current Federation definition of Junior, for purposes of competition in the Dressage Division, i.e., a rider is eligible until the end of the calendar year in which he/she reaches the age of 18. (DR119.3) will be eligible to compete in a USEF Dressage Seat Medal Semi-Final class in the appropriate age group. A rider is eligible for the 13 and under Semi-Final class until the end of the calendar year in which he/she reaches the age of 13. A rider is eligible for the 14 through 18 Semi-Final class from the beginning of the calendar year in which he/she reaches 14 until the end of the calendar year in which he/she reaches the age of 18.

(3) Horse: There are no qualification, ownership, or registration requirements for horses or ponies that compete in USEF Dressage Seat Medal Semi-Finals or Finals classes. An eligible rider may compete on any horse or pony of any level in Semi-Finals and Finals. (Exception: In order to compete in a USEF Dressage Seat Medal Semi-Final, a rider with any horse must have qualified at any level to compete in a USEF/USDF Regional Dressage Championships. Horses competing in Semi-Finals and Finals classes must have either a USEF HID or be USEF Recorded.) The same horse or pony is not required for the Semi-Finals and the Finals. Substitution of horse or pony is permitted at any time before the start of a Semi-Finals or Finals class, as long as the appropriate change is made through the competition secretary to the entry records.

(4) Horses and ponies may be ridden by only one rider in each division, but may compete in both divisions.
g. Championship Rules.

(1) A rider may compete in only one Semi-Finals class at one Regional Championships competition.

(2) Borrowed horses are permitted in both Semi-Finals and Finals classes.

(3) Two Federation or FEI judges will officiate independently in each Semi-Finals class, using separate scribes and separate class score sheets. Three Federation or FEI judges will officiate independently in each Finals class. Finals class judges must be approved by the Federation Dressage Committee.

(4) USEF Dressage Seat Medal class score sheets must be used. The final score for each rider must be posted at the conclusion of the class.

(5) Rider scores and placing will be determined by averaging the total scores from each judge. Tied scores in a USEF Dressage Seat Medal Final class will be broken by requiring riders to perform an additional independent test, which will be scored by all judges together. The higher score on the additional independent test will receive the higher placing. In a USEF Dressage Seat Medal Semi-Final class, judges shall consult to break ties.

(6) Dressage Division rules will apply, in particular:

a. Saddlery, Equipment and Dress as required for First Level, except as
specified in 2.5(1) below.

b. Unauthorized Assistance as defined in DR122.10 is prohibited.
c. Use of voice will be penalized.

e. Elimination, as defined in DR124.1, except for .e, .h and .m.

h. Saddlery, Equipment and Dress.

(1) Horses of all levels (both age divisions) must be ridden in a plain snaffle as pictured in DR121 Figure 1A. Whips and spurs are permitted in both Semi-Finals and Finals classes, and all riders must wear a short jacket as described in DR120. Protective headgear, as described in GR318, is required for participation in both Semi-Finals and Finals classes, however, the Federation, Show Committee and Licensed Officials are not responsible for inspecting headgear worn for such compliance. All other dress, saddlery and equipment rules for First Level horses and riders in competition and warm-up must conform to DR120 and DR121, except that horses also showing in dressage classes at Fourth Level and above may warm up for those classes in a simple double bridle. BOD 1/14/07 Effective 4/1/07

i. Class Specifications.

(1) The rider’s position, seat and use and effect of the aids will be judged as described in DR117.
(2) Movements shall be performed by the exhibitors simultaneously; however, the judges may ask for independent execution of certain tests. All instructions must be publicly announced.
(3) Riders must be judged at the medium walk, working trot (sitting and rising), and working canter in both directions.
(4) In judging the position, seat and use of aids, judges may include the following movements and exercises as required at Training and First Level:

May be ridden as a group:

a. Free walk  
b. Transitions from one gait to the next in both directions  
c. Transitions from walk to halt and vice versa  
d. Change of direction across the diagonal, down the centerline, across the arena, and/or by making a half-circle at the walk or trot

(5) Additional tests from which judges may choose movements and exercises, as required at Training and First Level, to be ridden in small groups or independently:

a. Transitions  
b. Leg yield  
c. Changes of lead through trot  
d. Serpentine at the trot  
e. Shallow loop serpentine with counter canter  
f. Trot lengthening and/or canter lengthening  
g. Riding without stirrups

(6) In Semi-Finals classes, it is not required that all riders in a class perform independent tests. The judges may, at their discretion, choose to require independent tests, and they may select any number of riders in the class to perform one or more independent tests. However, independent tests must be required of each rider in Federation DSM Finals classes.

(7) No change of horses shall be required in Semi-Finals or Finals competition.

(8) The number of horses required to work at the same time shall be limited to no more than 25. Groups may be divided into smaller sections, at the discretion of the judges, for safety and convenience. Judges may also limit the number of horses required to canter at the same time, at their discretion.

j. Competition Ring.

(1) USEF Dressage Seat Medal classes may be held in an enclosed ring that is larger than a standard dressage arena, if available. If such a space is not available, an open schooling area is permitted. If classes must be held in a dressage arena, it must be at least 20m x 60m, and no more than 6 horses shall be asked to canter at the same time.
DR133  Materiale Class.
1. Dressage Competitions may offer Materiale classes in the following categories: Three-year old Fillies, Three-year old Colts and Geldings, Four and Five-year old Mares, and Four and Five-year old Stallions and Geldings. Classes for fillies and mares may not be combined with classes for colts, geldings or stallions.
2. Horses will be evaluated according to the criteria listed on the “USDF Materiale Class Scoresheet,” and classes must be conducted according to the USDF "Procedures to Host USDF Materiale Classes”.
3. When Materiale classes are held at a Dressage Competition that does not also offer Dressage Sport Horse Breeding classes, they may be judged by any classification of Dressage judge.

DR134  Pony Measurement.
1. Any animals not over 148 centimeters without shoes, or 149 centimeters with shoes are classified as ponies. All other animals are classified as horses.
2. A copy of the Federation Standard or Temporary Measurement Certificate must be submitted with the entry for each pony possessing a Measurement Certificate and competing in Dressage or Dressage Sport Horse Breeding classes limited to ponies. If a pony is not in possession of a fully and correctly completed Measurement Certificate, the Competition Management may order the pony to be measured by an eligible Dressage Technical Delegate and the Competition Veterinarian and/or a Judge, pursuant to GR505, GR506, and GR508. Failure to allow the pony to be measured will result in the pony being disqualified at that competition. The measurement must be reported to Competition Management, which must then disqualify the pony from the competition if it is over height.
3. A Federation Approved Measuring Stick with a metric scale must be used.
4. Measurements must take place at a Licensed Competition in which the animal is entered to compete.
5. Measurements or re-measurements conducted for the purpose of competing in Dressage or Dressage Sport Horse Breeding classes or tests must be recorded on the Federation “Combined Driving and Dressage Pony Measurement Form,” according to GR505, GR506, and GR508, and the requirements on the form. Measurements must be taken and recorded in centimeters. A completed copy of the measurement form will be given to the owner or trainer at the time of measurement, except for “competition only” measurements.
6. The measurement specifications will be recorded by the Federation on a Certificate of Measurement. A copy of this Certificate will be sent to the owner of record.
7. Measurement may be required yearly until the pony has reached the age of eight years. Animals three through seven years old will be issued an annual Temporary Certificate of Measurement. Animals eight years and older will be issued Standard Certificates of Measurement which will not need to be renewed. The provisions of GR502.7 will apply.
8. If an animal possesses a valid and current F.E.I. Certificate of Measurement, such Certificate will be accepted as proof of the pony’s height.
9. If the Ground Jury questions the height of a pony, the pony must be measured if not in possession of a valid Measurement Certificate. If the pony is in possession of a fully and correctly completed Measurement Certificate, the Ground Jury may request, through the Federation, that the pony be remeasured by a licensed Dressage Technical Delegate and a Veterinarian who are approved by the Federation, pursuant to GR505, GR506, and GR508. Remeasurement must be made within 30 days of the request.
10. Animals submitted for measurement or remeasurement must show no evidence of lameness, and must be jogged for soundness prior to the measurement. Animals showing evidence of lameness are not eligible for measurement or re-measurement.
11. Prior to presenting the pony for measurement, it is the responsibility of the owner, and in his/her interest, to ensure that the pony is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.
12. The animal may be presented for measurement with or without shoes regardless of how it is shown and must be presented in a halter.
13. Refer to Chapter GR5, Subchapter 5-B for membership and measurement form requirements. Measurement appeals must be conducted in accordance with GR514 and GR515.
14. Measurements are conducted solely for the purposes of Federation licensed competitions. The Federation, its licensed competitions and its licensed officials shall have no liability whatsoever for measurement errors, except as specified in GR1122.

15. All licensed competitions holding Dressage or Dressage Sport Horse Breeding classes or tests limited to ponies are responsible for providing a Federation Approved Measurement Stick, with a metric scale, and a suitable surface for measurements. A suitable surface is defined as a flat, level, hard surface, preferably a concrete slab or paved area. A sheet of plywood is not suitable. In addition, these competitions must contract a Dressage Technical Delegate to officiate the competition who has attended a training program on pony measurement procedures.

16. Registered (R) Dressage Technical Delegates must have attended a Federation Dressage Technical Delegate clinic where training on pony measurement procedures is provided. Training in pony measurement procedures is recommended but not required of Recorded (r) Dressage Technical Delegates. Only Dressage Technical Delegates who have attended a training program on pony measurement procedures, held in conjunction with a Federation Dressage Technical Delegate clinic, may conduct pony measurements, along with the Competition Veterinarian and/or a Judge, for Dressage or Dressage Sport Horse Breeding classes or tests.

17. Registered (R) Dressage Technical Delegates must attend a Federation Dressage/DSHB Pony Measurement Certification clinic prior to January 1, 2008 where certification testing to measure ponies for dressage or DSHB is conducted. Such certification is recommended but not required for Recorded (r) Dressage Technical Delegates. Only Dressage Technical Delegates who are certified by the Federation for Dressage/DSHB pony measurement, along with the Competition Veterinarian and/or a Judge, may conduct pony measurements for Dressage or DSHB classes or tests as of January 1, 2008.

SUBCHAPTER DR-2. DRESSAGE SPORT HORSE BREEDING.

DR201 Purpose.
To encourage the breeding of horses suitable for dressage and to provide an opportunity to demonstrate the effectiveness of breeding programs.

DR202 General Regulations.
1. A competition with a Federation Licensed Dressage Sport Horse Breeding division must have a Federation licensed Dressage Sport Horse breeding judge and a Federation licensed dressage technical delegate.
2. A breeding division for dressage may be held separately or in conjunction with any Licensed Competition.
3. Classes shall be open to any horse and/or pony without regard to size, breed or origin. Classes for ponies or specific breeds may also be included and must be clearly specified in the prize list.
4. Horses’ quality shall be evaluated as to potential for dressage/sport horses or breeding stock.
5. Current USDF Dressage Sport Horse Breeding Scoresheets are required for the classes listed in DR204, including Individual Breed Classes and classes for Amateur and Jr/YR Handlers, except that scoresheets are not required for “Suitable to Become a Dressage Horse” classes. BOD 1/15/06 Effective 12/1/06
6. The competition manager or secretary may not serve as judge or compete as rider, handler or assistant handler in his/her own competition. However, he or she may show Hors de Concours if he or she designates an assistant in charge while he or she is showing. This does not absolve the manager’s or secretary’s duties and responsibilities. The competition manager or secretary may own horses that compete in his/her own competition.
7. When Dressage Sport Horse Breeding, Dressage or other classes or divisions are recognized by the Federation under the same competition number, duplicate Federation fees (drug, non-member, affidavit, etc.) may not be charged to exhibitors, regardless of whether different competition secretaries officiate in these classes or divisions. See GR407 and GR1214.6.
All DSHB classes must be conducted under Federation rules, and are Federation recognized classes as specified in GR 211.

Handlers must be Federation members or pay a non-member fee. Assistant Handlers need not be Federation members and are exempted from the non-member fee. Only handlers and assistant handlers may act as whip assistants in the competition ring.

5. All handlers, assistant handlers and whip assistants entering the competition ring must be identified by show management with a wristband or other form of identification to ensure each individual has signed an entry form and/or separate handler/assistant handler release form. Competition areas must be monitored by ring stewards to ensure that only eligible handlers and assistant handlers are permitted to enter the arena. Judges must excuse horses with handlers and/or assistant handlers who are not properly identified.

6. Management is responsible for having one or more safety officers or ring stewards at the gate(s) of the competition arena(s) to monitor safe conditions for horses, handlers and spectators. Separate gates for entry and exit and separate holding areas for fillies/mares and colts/stallions are recommended. (For purposes of this rule, a “safety officer” is any individual appointed by competition management to assist in the enforcement of this rule.)

DR206 Equipment and Turn Out.
1. Braiding is optional.
2. Bridles are mandatory on all horses age two or older in the competition ring, including non-competing mares accompanying a foal. Bridles are forbidden on foals and weanlings. A bridle shall consist of a snaffle type bit (as pictured in Chapter DR, Subchapter DR-1, Figure 1A) with two reins and headstall with throatlatch. Noseband is optional. A split or single chain with a lead may be used instead of or in addition to reins, however a lead shank is required if reins are placed over the horse’s neck and the handler must hold the shank. Horses under the age of two may be shown in halters, except as noted above.

3. Bandages of any kind are forbidden during a class.
4. The handler, assistant handler and/or a whip assistant may each carry only one whip, or one standard lungeing whip (without attachments, i.e. plastic bags, etc.). In addition, disruptive noisemaking devices are not permitted in the competition ring.

5. Conservative sports attire is recommended for handlers, assistant handlers and whip assistants. (See General Rules, GR318.1)

6. In Under Saddle classes, Dress must conform to DR120, and for Under Saddle and In-Hand classes, Saddlery and Equipment must conform to DR121, except that all horses using a bridle are required to compete in a snaffle pictured in Chapter DR, Subchapter DR-1, Figure 1A.

7. Except as noted above, the provisions of DR121.1-10 apply to all warm-up, training and competition areas. Whip attachments, loud snapping whips and disruptive noisemaking devices are not permitted in warmup areas.

DR207 General.
1. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger handlers, officials, other exhibitors or their entries.
2. A scribe shall be provided for each judge whose sole duty shall be to record the judge’s scores and comments on the horse’s individual score card.

3. When possible, the announcement of awards will include the breeding of the horses pinned: sire, dam, dam’s sire; as well as the name of the owner and the breeder.

4. Refer to USDF Dressage Sport Horse Breeding Guidelines for additional information relating to Dressage Sport Horse Breeding.

5. If the schedule permits, management may allow time for questions from competitors to judges at the end of the competition.

6. Each horse, including non-competing mares accompanying foals, must have a separate Handler or Assistant Handler at all times.

7. No horse that is not being judged may accompany another horse in the ring while being judged, except for a mare accompanying a foal or vice versa.

8. One number must be issued for each horse showing In Hand. A separate number must be issued to each entry (combination of horses) showing in group classes. Entries in Materiale and Under Saddle classes must be issued a separate number only if the rider did not also show the same horse in hand. See GR318.9 and GR1214.11.
9. A whip assistant may accompany horses in the competition ring.
10. Unauthorized assistance by individuals outside the competition ring is not permitted.
   **BOD 1/15/06 Effective 12/1/06**

**DR208 Competition Veterinarian.**

The competition veterinarian must be available to the judge, if on the premises, and the handler must give permission to the judge and/or veterinarian before either touches the horse. If the veterinarian is not immediately available, or not called upon, the judge’s decision as to the serviceable soundness of a horse must be final. For further regulations governing Competition Veterinarian, refer to General Rules, GR1204.5, .6 and .7.

**DR209 Conduct of Classes.**

1. In-Hand Classes. Horses being shown individually on the triangle.
   a. Following a posted or announced order, or on request from the judge, entries in each class will approach the judging area one at a time, walk to the apex of the triangle, and await the judge’s request to proceed on the triangle. The handler will lead the horse on the perimeter of the triangle at walk and trot, returning to the apex to stand the horse for conformation judging or to repeat any movement at the judge’s request. Handlers are permitted to have one assistant if necessary. Repetition of all or any part of the movement on the triangle may be allowed at the judge’s request only. At the completion of the judging, the handler will lead the horse away from the judging area. The next will enter the judging area promptly. The judge may elect to judge conformation either before and/or after judging the horse’s movement on the triangle.
   b. The horse is to be shown in an “open position,” i.e. with all four legs of the horse visible to the judge when standing on either side of the horse.
   c. After all horses have been shown on the triangle, some or all may be recalled (depending on size, format and schedule of the competition) to be shown in groups at a walk and trot. If horses may be recalled, the prize list or program must state that this procedure will be used.

2. Horses being shown in-hand in groups.
   a. Groups will be examined one group at a time, but not necessarily on the triangle. At the discretion of the judge, they may be asked to move at the walk and trot, either in line or moving around the arena. Horses shall stand for conformation judging before and/or after completion of the horse’s movement.

   ![Diagram of Judging Triangle]

   b. The Judging Triangle: Two basic triangle designs are acceptable for presenting horses to the judge. Competition management may choose the triangle best suited for local conditions. Triangle corners should be well defined. Footing must be firm. Decorative fencing, plants or flowers are allowed. (Horses must travel to the right. The following diagram shows suggested use of triangle). The size of either triangle may be adjusted to meet local conditions, however, the back side of the triangle must be at least 25 meters in length and the other two sides must be at least 20 meters in length.
   **BOD 1/15/06 Effective 12/1/06**
3. Under Saddle classes. Depending on local conditions, these classes may be divided at the judge’s discretion.
4. Foals or horses in other age groups may not be shown loose.

**DR210 Judging Specifications.**

1. In Hand Classes. (Dressage Sport Horse Prospect and Dressage Breeding Stock) Horses shall be judged at the walk and trot on the triangle, and standing for conformation.
2. Dressage Under Saddle Classes. Horses shall be judged at the medium walk, working trot and working canter in both directions. Free walk may also be required by the judge(s).
3. Group Classes. Transmissible weakness or predisposition to unsoundness shall be penalized, commensurate with severity.
4. Scoring Categories. (Scoresheets for the following classes can be obtained from USDF.)

   a. Dressage Breeding Stock and Group Classes. 50% Movement, 40% Conformation, 10% General Impression. *Includes masculinity (stallion) and femininity (mare), development related to age, harmony (relationship of conformation to movement), athleticism (strength and mobility) and condition. Demonstrates good character, presence and temperament.*
   b. Dressage Sport Horse Prospect Classes. 60% Movement, 30% Conformation, 10% General Impression. *Includes harmony (relationship of conformation to movement), athleticism (strength and mobility), development related to age and condition. Demonstrates character, presence and temperament necessary for training.*
   c. Dressage Under Saddle Classes. 60% Movement, 30% Conformation, 10% General Impression. *Includes harmony (relationship of conformation to movement), athleticism (strength and mobility), development related to age and condition. Demonstrates character, presence and temperament necessary for training. Horses may be placed with no actual scores awarded.*

5. Championship classes. More than one judge may officiate. The judge(s) will re-evaluate the entries, with or without awarding scores. All horses must be re-evaluated in the same manner, and all horses must be shown at the walk and trot (and canter, in applicable classes). If the number of entries is sufficient, a champion and reserve champion must be named and judges are advised to name a third place reserve in qualifying classes for the USDF Breeders Championships series. In USDF Breeders Championship classes, refer to USDFBC guidelines. Horses in USDF Breeders Championship classes must be shown individually on the triangle at the walk and trot, and standing for conformation. Each horse must be evaluated in the same manner and callbacks are permitted.

6. Conformation is to be evaluated in terms of potential trainability, potential performance and predisposition to unsoundness. Function, not fashion, is to be emphasized. Weakness or conformation faults with a predisposition to unsoundness or to difficulties in training shall be penalized. Blemishes are not to count unless resulting from conformation faults.

7. Gaits are to be evaluated in terms of purity, quality and correctness. Purity and correctness are more important than brilliance at this level. Correct gaits contributing to ease of training and the horse remaining sound and usable are more important than gaits which are merely superficially flashy. Purity and quality are judged mainly in profile. Correctness is judged mainly while the horse is coming to and going away from the judges’ position.

8. Unsoundness. A horse shall be disqualified for unsoundness (at the judge’s discretion in Dressage Breeding and Group classes).

   a. In Dressage Sport Horse Prospect In Hand and Under Saddle classes, unsoundness is defined as showing evidence of lameness.
   b. In Dressage Breeding Stock In Hand and Group classes, unsoundness is defined as showing evidence of lameness or broken wind.

**DR211 Judging Procedures.**

1. Judge must use individual score cards for In-Hand, Group, Individual Breed and Amateur/Jr/YR Handler classes. Class sheets must be used for Materiale and Championship classes. In the case of a large under saddle class, judges have the option of placing horses in order of ranking in line up or using individual or class score sheets.

_BOD 1/15/06 Effective 12/1/06_
2. When two or more judges are officiating, they may agree to use the same score sheets or class cards and agree on each score before informing the scribe, or they may judge independently. Class cards, rather than individual score sheets, are permitted for Under Saddle and Materiale classes only. At least two judges judging independently, using individual score sheets, are required for USDF Breeders Championship classes.

3. Decimals may be used in scoring.

4. Tied scores shall be broken first by referring to the totals of the movement scores. If still tied, the tie may be broken at the judge’s discretion, by the use of decimals, or the horses may be examined again (movement only). If a class is judged by more than one judge, the judges may consult and arrive at one agreed upon placement.

5. Scores must be reported as a total based on the above percentages against a possible total of 100%, and all scores (if given) and placings must be published. Unofficial scores may be published during the class and/or final scores may be published at the end of each class. Except as noted above, all scoring and classification procedures of DR123 shall apply.
CHAPTER DC
DRIVING - COMBINED DRIVING DIVISION

PREAMBLE

This edition of the Rules for international Combined Driving Events, came into force on 1st January 2005. As from this date, all other texts covering the same matter (other editions, official minutes, memoranda or bulletin) issued previously are superseded.

Although this booklet sets out the detailed Rules of the USEF governing Combined Driving Events, it must be read in conjunction with the General Regulations, and the Veterinary Regulations.

Every eventuality cannot be provided for in these Rules. In any unforeseen or exceptional circumstances, it is the duty of the Jury to make a decision in a sporting spirit, approaching as closely as possible the intention of the Rules and of the General Regulations.

Throughout this publication, the word “horse” shall mean Horse and/or Pony; the masculine shall also include the feminine and the singular the plural unless otherwise stated in a specific rule.

A separate publication, “Guidelines for Organizers and Officials” expands on the interpretation of the Rules. The most recent edition is available from the FEI web site: http://www.horsesport.org/

§The use of this symbol in this publication shall be an indication that more information on the adjacent topic is available in the “Guidelines for Organizers and Officials”.

USEF ADDENDA.

Wherever an addition or exception is required under these FEI rules, more specifically to address national competitions, the text will appear within the rule; be identified with the words “USEF sanctioned National Competitions” in bold print; and be written in this style of italic type.

Any reference to a “Schedule” or “Prize List” shall be understood to also mean publication in the American Driving Society’s Omnibus; or other approved Prize List publications in accordance with these rules.

The word “Appendix” is used for additional information and schedules to differentiate from the word “Annex” used by the FEI within this section of the publication.

SUBCHAPTER DC-1. GENERAL

DC100 [FEI 900] PRINCIPLES

1. International Rules

These Rules are not intended to standardise international Combined Driving Events, but the conditions at such Events must be fair and familiar for all Competitors. It is therefore necessary to lay down a number of strict and comprehensive Rules for the conduct of international Events, which must be carefully observed. However, Organizing Committees, while observing these Rules, may use their discretion to make their Events interesting and challenging for the Competitors and attractive to spectators.

2. Discretion

It is most important that all International Championships, and any other Event described as “international”, must follow these Rules. However, the FEI is fully aware of the practical difficulties facing Organizing Committees under modern road and traffic conditions, and of the variety of vehicles and harnesses in use. It therefore accepts that there will be occasions when they will have to use their discretion in matters not covered by these Rules or in the Guidelines for Organizers and Officials.
3. Penalties
The Rules concerning the Event and each Competition must be strictly enforced by the Ground Jury. Competitors, who fail to comply with these Rules, may incur disqualification or elimination, unless some other penalty is prescribed in the relevant Rule.

4. Disqualified (D)
a. Competitors may be disqualified for contravening any of these Rules at any time during an Event. A Competitor who has been disqualified is prohibited from taking further part in the Event or winning any prize. Disciplinary action may be taken subsequently by the National Federation of the offender, or by the FEI if the incident is reported to the FEI by the Appeal Committee.
b. Horses, which are deemed unfit to start or continue any competitions, will be eliminated or disqualified as defined herein. If a horse is disqualified, it cannot take further part in the event.
c. At all times on the grounds of any USEF sanctioned National competitions, a horse must not be attached to a carriage without a bridle, with reins attached and through the saddle terrets. A horse must not be left unattended while put to a vehicle. Failure to comply will incur elimination and may incur disqualification from further participation in the event.

5. Eliminated (E)
a. Competitors may be eliminated from a Competition as a penalty for contravening certain Rules during the Competitions. Elimination is listed with other penalties, but it should be assumed that it may be applied where no other specific penalty is prescribed.
b. Horses which are eliminated in Competitions A may compete in Competitions B and C. Horses which are eliminated in Competition B may compete in Competition C.

6. Retired (R)
Competitors, who, for any reason, do not wish to continue, may decide to retire during any of the Competitions. If a Competitor retires in a competition he may be permitted to compete in another competition (e.g. a Competitor who retires in Competition B may be permitted to compete in Competition C).

7. Withdrawn (W)
Competitors are deemed to have withdrawn if, for any reason, they fail to start in any of the Competitions. Once withdrawn, Competitors may take no further part in the Event.

8. Lame or Unfit Horses
a. If a horse is deemed to be lame or unfit by:
b. The President of the Ground Jury in Competition A, the horse shall be disqualified and may not compete in any other competition.
c. A member of the Ground Jury in Competitions B or C, the horse shall be eliminated.

9. Ribbons and Prize Money
a. Competitors who retire or are eliminated from any competitions may not be placed in that competition or in the final classification.
b. Competitors may only receive prize money in Competitions in which they have competed without elimination.
c. Competitors may only receive prize money for results in the final classification providing they have not been eliminated in any of the Competitions.

10. Definitions
a. Combined Driving Event - a series of one or more Competitions.
b. Competition - a component of a Combined Driving Event - such as Competition A - Dressage; Competition B - Marathon; Competition C - Obstacles Driving.
c. Entry - the Competitor (Driver), horses, Grooms, required harness and vehicle appropriate to the turnout as defined in these Rules.
d. Horse - refers to a horse or pony authorized to compete under Rule DC111.
e. Marathon terminology
   (1) Compulsory Turning Flags - markers on the Marathon track
   (2) Flags - Entry and Exit markers for the Marathon obstacles.
   (3) Obstacle Gates - the pairs of red and white lettered or unlettered markers within the Marathon Obstacle.
   (4) Schedule - the official document set out by the Organizer and approved by the FEI describing details of the event.
f. Schedule - the official document set out by the Organizer and approved by the FEI describing details of the event. In USEF sanctioned National competitions, the Schedule also means the official Prizelist or the American Driving Society Omnibus in accordance with these rules.

DC101 [FEI 901] ORGANIZATION

1. Events
The various individual and team Championships are as follows:
   a. The World Four-in-Hand Championship for horses
   b. The World Pair Championship for horses
   c. The World Single Championship for horses
   d. The Combined World Pony Championships.

2. Organization
   a. In principle all Championship events must be organized in accordance with the General Regulations, the Rules for Driving Events and under the following conditions (FEI Articles 901 to 934).
   b. Even Years. In the even years, the FEI invites NFs to organize the World Four-in-Hand Championship for horses and the World Single Driving Championship for horses.
   c. Odd Years. In the odd years, the FEI invites NFs to organize the Combined World Pony Championships and the World Pair Driving Championship for horses.
   d. Period in which no other events may be organized: during the Championship, no other Official International Driving Event (CAIO) may be organized in the same class. Exceptions to this rule can be made by the Bureau in agreement with the Organizing Committee of the Championship.

3. Types of Competition
   a. These Rules provide for the organization of “Combined Driving Events”, which consist of:
      (1) Competition A - Driven Dressage
      (2) Competition B - Marathon
      (3) Competition C - Obstacle Cone Driving.

4. Choice of Event
   a. Championships and Concours d’Attelage Internationaux Officiels (CAIO) must always include all three competitions. Organizing Committees of International Driving Events (CAI), may include one, or more, of these Competitions, but in any such combination, Competition B (Marathon) is to be considered the most important, and it may take place before or after Competition A. When Competition C is included, it must be the last to take place. In CAI-B events the competitions may be in any order.
   b. National Events (CAN), at which no more than eight foreign Competitors from up to four nations may take part.
   c. USEF: The Organizing Committee of an Event may decide which of these Competitions are suitable for their particular Event and may include any one, two or all three competitions.

5. Choice of Classes
   a. All, or any, of the following classes may be held at the same Event, but each must be classified separately:
      Horse Single           Pony Single
      Horse Pair             Pony Pair
      Horse Tandem           Pony Tandem
      Horse Four in Hand     Pony Four in Hand

The following additional rules shall apply to non-FEI USEF sanctioned National events:
   b. Driven Dressage and Obstacle only competitions: may be arranged by the organizing committee: these rules shall apply.
   c. Free Style Dressage Test: may be arranged by the organizing committee, provided it is not scored as part of a Combined Driving Event. See Rule DC138.2
   d. Championships must consist of all three Competitions.
   e. The USEF is fully aware of the practical difficulties facing Organizing Committees under modern road and traffic conditions, and the inevitable variety in vehicles and harness. It therefore accepts that they will have to use their discretion in many matters not specified in these rules. It is however required that Events make every reasonable effort to follow the intent and spirit of these rules.
To ensure uniformity, Organizing Committees must send a draft prize list for their Event to the USEF setting out the general conditions of each Competition and any particular conditions, not provided for in these rules, which they wish to present. Prize lists must be approved by the Technical Delegate prior to publication and/or an event permit being issued by the USEF.

These rules and conditions are provided for FEI classes with modifications for other divisions. They are applicable for all turnouts and for classes of ponies, donkeys, mules and zebras in the same combinations, and for all divisions. All these may take part in the same event, but each type will be classified separately.

6. Types of Events

a. There are four types of International Events:

* A 5 Section marathon is allowed for Four-in-Hands or Pairs only, if approved by the Organizing Committee and published in the Schedule. See Annex 12 for differences.

b. In USEF sanctioned National events, a “Three-Day Event” consists of three distinct Competitions, taking place on separate days during which the Competitor drives only the horse(s) entered in the Event and may only compete with one entry in the Event. Exception: see Rule DC110.

At Three-Day events, the officials must include a Course Designer, TD and the Ground Jury, which must consist of a President and at least two other members, and Appeals Jury if so appointed (see DC109.1).

c. In USEF sanctioned National events, a “Two-Day Event”, run in principle in two days, is designed as preparatory competition for Three Day Events. The Two-Day Events provide experience for competitors and horses in the longer marathon test than a Driving Trial. However, by scheduling the Competition C on the first day, and by using shorter distances, there is to be less stress on the horse(s) than a three-day event. A Two-Day Driving Event may consist of either: Driven Dressage and Obstacle-Cones on the first day, followed by a Marathon on the second day; or Driven Dressage on the first day, followed by the Marathon and Obstacle-Cones on the second day. The Marathon introduces a moderate Section A, D and E. Unless the number of entries makes scheduling feasible, a Competitor may not compete with more than one entry in a Two-Day Event. Exception: Rule DC110.

The officials must include a TD and the Ground Jury which must consist of a President and at least two other members and an Appeals Jury if so appointed (see DC109.1). A Course Designer is required.

7. Additional Events

a. Organizing Committees may arrange a CAI-A or CAI-B for other classes during Championships and CAIO events. These additional Events must also comply with these Rules. The same Marathon course may be used for all classes, but not until the Competitors in the Championship or the CAIO have completed the course.

8. Choice of Date

a. Requests to organize a CAI-A must be forwarded to the Secretary General of the FEI as soon as possible and not later than the first of October in the year before the Event is due to take place (See Rule DC102 & General Regulations, FEI Article 117.3).

b. Requests to organize a CAI-B must be forwarded to the Secretary General of the FEI as soon as possible (See Rule DC102 & FEI General Regulations, Article 117.2).

c. Upon leaving the arena, the bandages or brushing boots must be removed and the horse(s) inspected.

DC137  [FEI 937] **THE ARENA**

1. **The Arena**

a. The Driven Dressage Arena must be 100m x 40m and laid out in accordance with Annex 7 for all classes at Championship and CAIO events and for all classes of Four-in-Hand at CAI events.

b. At CAI events a smaller arena, measuring 80m x 40m and laid out in accordance with Annex 8, may be used for all classes of Singles and Pairs, in which case the loops of the serpentine must be reduced from five to three.

§c. A fence must be constructed at least five metres from the arena to exclude spectators. See the Guidelines for Organizers and Officials.

DC138  [FEI 938] **DRIVEN DRESSAGE TESTS**

1. **Approved Tests**

Details of approved FEI Driven Dressage Tests are shown in the Annexes. The schedules for all events must state clearly which of these Tests is to be used.

2. **Free Style Tests**

a. Provided it is not part of a Combined Driving Event, Organizing Committees may arrange a Free Style dressage competition with or without music. The method of scoring must be clearly explained in the schedule. In principle, the Judges should give one set of marks for content and another for general impression.
b. The program selected by the Competitor may not exceed six minutes. The President of the Ground Jury must ring the bell for the first time after five minutes. The bell will be rung again after six minutes to indicate that the Competitor must bring his performance to an end immediately.

§c. Criteria for judging is set out in the Guidelines of Organizers and Officials.

3. Demonstration Dressage Test
   a. At Championships and CAIO events, one demonstration dressage test must be driven just prior to the start of Competition A.
   3.2 The Technical Delegate shall decide whether a demonstration test will be a Single, Pair or Four-in-hand when more than one class is offered at the Competition.
   3.3 This requirement is optional at CAI-A and CAI-B events.
   3.4 The demonstration driver cannot be a competitor at the event.

DC139  [FEI 939] CONDITIONS

1. Entry
   A Competitor who enters the arena before the starting signal or who fails to enter the arena within 90 seconds of the starting signal may be eliminated at the discretion of the President of the Ground Jury. At USEF sanctioned National competitions, should there be any difficulty entering the arena, the Competitor may request permission from the Ground Jury to be led into the arena by the groom(s). No Competitor can be required to drive before his scheduled time.

2. Memory
   The Driven Dressage test must be driven from memory.

3. Grooms
   Grooms must remain seated in their proper places between entering and leaving the arena. They are not permitted to handle the reins, the whip or speak unless they are dismounted and the vehicle is stationary.

4. Lameness
   a. If the President of the Ground Jury observes a case of marked lameness, he must eliminate the Competitor. There can be no appeal against this decision.
   b. In doubtful cases, after the Competitor has finished his test, the President of the Ground Jury may have the horse checked immediately by the Veterinary Delegate outside the arena.
   c. In case of lameness, the President of the Ground Jury must eliminate the Competitor and disqualify the horse from competing further in the event.

5. Treating Veterinarian
   A Treating Veterinarian appointed by the Organizing Committee must be available to the Jury if required.

DC140  [FEI 940] JUDGING

1. Positions of Judges
   When there are five Judges, they must be seated at C (President) R, S, V and P. When there are three Judges, they must be seated at C, (President) B and E.

2. Allocation of Marks
   The Judges will allocate their marks individually and there will be no consultation among Judges once the Competitor has commenced the test.

3. Multiple Turnouts
   Pairs, Tandems and Four in Hands will be judged as a whole and not as individual horses.

4. Pace
   The definition of paces under Rule DC141 - Movements will apply to all types and breeds of horses.

5. Start and Finish
   The test starts as the Competitor enters the arena at A, unless otherwise stated, and finishes with the final salute. Tests are not timed. The Competitor shall leave the arena at a trot.

In USEF sanctioned National competitions, Competitors shall not be required to commence Competition A before their scheduled time.
DC141  [FEI 941] MOVEMENTS

1. Halt
The horse must stand square and straight with the weight evenly distributed among all four legs. The horse must remain attentive, and motionless, ready to move off at the slightest indication from the Competitor.

2. Walk
A regular unconstrained walk of moderate length. The horse, remaining in a light contact, walks energetically but calmly, with even and determined steps, with the hind feet touching the ground in front of the footprints of the fore feet.

3. Working Trot
A forward, active trot with the horse on the bit, carrying himself in balance and rhythm with even, elastic steps and good hock action. The steps of the hind feet must at least be touching the ground in the footprints of the fore feet.

4. Collected Trot
The horse remains on the bit and moves energetically forward with a greater degree of engagement, leading to an increased flexion of the hocks and fetlock joints and a lightening of the shoulders, thus allowing for more mobility and elevation of the steps. The neck will be raised and more arched, with the poll the highest part, the nose should not be over bent or the neck restricted.

5. Extended Trot
The horse lengthens his stride to cover as much ground as possible as a result of greater impulsion from the hindquarters. The driver allows the horse, remaining “on the bit” without leaning on it, to lengthen its frame to gain ground, with the nose slightly in front of the vertical. The hind feet must clearly overtrack the prints made by the fore feet.

6. Working Canter
A forward, active pace with regular steps of three time pace, the horse showing good balance, remaining on the bit without leaning on the hand and going forward with light cadenced steps and good hock action.

A canter to the right, for instance will have the footfalls follow one another in the following sequence: left hind, left diagonal (simultaneously left fore and right hind), right fore, followed by a moment of suspension with all four feet off the ground before the next stride begins.

The quality of the canter is judged by the general impression, the regularity and lightness of the three time pace. The horse must be on the bit and well engaged in the hindquarters with good hock action, and must have the ability to maintain his rhythm and natural balance throughout the movement and the transitions. The horse must remain straight on the straight lines.

7. Rein Back
The horse must walk backwards in a straight line, with the legs being lifted and set down in diagonal pairs. The horse must remain on the bit, straight and not evade or resist the contact.

Transition to the next movement must be immediate and smooth.

8. Shoulder In
The shoulder in movement requires leader horse(s) inside foreleg to pass in front of the outside leg. The horse(s) inside hind leg is passed in front of the outside leg and in the track of the outside foreleg. The horse(s) look away from the direction in which it is moving.
9. **Transitions**
Changes of pace must always be made smoothly and promptly with the horse remaining in balance and on the bit. A transition must be completed as the nose of the horse arrives at the prescribed marker.

10. **Change of Pace and Movement**
Changes of pace and movement are made when the heads of the leaders reach the point indicated in the test.

11. **Terminology**
The following must be considered when judging Driven Dressage movements:

   a. Obedience and Lightness - willing response to aids without resistance and correctness of bend.
   b. Regularity - the regularity, evenness and rhythm with which the horse puts his feet to the ground.
   c. Contact - the tension in the reins between the driver’s hands and the horse. It should be light and flexible and maintained at all times.
   d. Impulsion - the willingness of the horse to go forward energetically at all times and to respond quickly and evenly to changes of pace. The horse must remain in balance while maintaining the same tempo with steps of equal size.
   e. Straightness – carrying the head, neck and body in a straight line with the weight evenly divided among the legs.
   f. Collection – roundness and engagement with good hock action, elevated poll allowing the shoulders to move with ease. The horse’s energy contained in a more deliberate pace than the Working Trot. The haunches are more compressed, the croup is lowered and the forehand elevated to the same degree. The stride is shorter but more powerful than the working trot and the front legs will move from the shoulder with greater agility resulting in lightness and greater mobility throughout. The neck should be more arched. The shortening of the frame is not and never should be a result of pulling back but rather of asking and allowing the horse to move forward into the driver’s hand.
   g. Accuracy - Accuracy of turns, circles, serpentines, along side rails, deviations.

**DC142 [FEI 942] GENERAL IMPRESSION**

1. **Principle**
There are five boxes at the end of the Judges Score Sheets for marks on General Impression.

2. **Paces**
Regularity and freedom (if Four-in-Hand, Pair or Tandem, maintenance of pace by all horses). The quality of paces in each movement is marked under the appropriate move-
ment. The mark for the general impression must reflect paces and transitions during the whole test.

3. Impulsion
Moving forward, engagement of the hind quarters (if Four-in-Hand, Pair or Tandem, all horses working). The level of impulsion may vary between movements and pace, but the mark for impulsion must reflect the performance of the horses throughout the test.

4. Obedience and Lightness

5. Competitor
Use of aids, handling of reins and whip, position on the box, accuracy of figures. The mark must reflect the consistent level of accuracy and quality of transitions.

6. Presentation
   a. Appearance of Competitor and Grooms, cleanliness, fitness, matching and condition of horses, vehicle and harness.
   b. Bandages and brushing boots are not permitted under any circumstances in Competition A. Failure to comply entails 10 penalty points.
   c. If the Competitor, Groom(s), vehicle or harness do not comply with these Rules, or equipment or clothing is missing, the President of the Ground Jury will award penalties per Rule DC144.

DC143 [FEI 943] SCORING

1. Marks
   Marks out of 10 will be awarded for each numbered movement and for each heading under General Impression on the following basis:
   
<table>

2. Error of Test
   a. If a Competitor attempts to perform a movement, or attempts to maintain the pace required, and fails to do so, but does not deviate from the track, the President of the Ground Jury may either treat it as an “Error of Course” (see paragraph 3 below), or he may decide to leave the Judges to give the movement an appropriate mark.

3. Error of Course
   a. It is an “Error of Course” when a Competitor deviates from the required track or when a movement is performed at the wrong pace, or omitted altogether.
   b. In the event of a Competitor making an Error of Course, the President of the Ground Jury will ring the bell and stop the Competitor. The Competitor must then resume the test from the beginning of the movement where the error was made. If the Competitor is in any doubt, he may approach the President of the Ground Jury for instructions.

4. Disconnected or Broken Harness
   a. Should the reins, pole strap, chains or trace become disconnected or broken, or should the horse get a leg over the pole, trace or shaft, the President of the Ground Jury will ring the bell and a Groom must dismount and re-connect or repair the broken part. The Competitor will be penalized for a Groom(s) dismounting.

DC145  [FEI 945] CLASSIFICATION

1. Total Marks

§ a. The marks awarded by the Judges for each movement and for General Impression
will be added together and divided by the number of Judges to obtain the average
score. In order to adjust the influence of Competition A on the whole event, if the total
possible marks for the test are greater than 160, the average score will be multiplied by
the coefficient printed on the score sheet to obtain the adjusted score (for method of
establishing the co-efficient refer to the Guidelines for Organizers and Officials).

b. Penalties are only awarded by the President of the Ground Jury at C. Any penalties
will be deducted from the adjusted score (see paragraph 1a above) and the final total
will be deducted from 160 to obtain the penalties for the test.

c. Scores will be calculated to two decimal places.

d. The Competitor with the lowest score in penalties will be the winner of Competition.

§ e. A sample score sheet for Competition A may be found in the Guidelines for
Organizers and Officials.

   g. Welfare of the horse. Guidelines for minimum distances between the horse and vehicle, lengths of poles, swingletrees and lead bars are set out in Annex 6: Horse Welfare Guidelines for Harness and Vehicle.
   h. In case of infringement of these guidelines, a warning must be given by the Ground Jury to first time offenders and reported to the FEI Secretary General by the Foreign Judge in his report form. On the second occasion, a fine is imposed.

* At least 1 km per obstacle.

(See Annex 12 for 5 Section criteria).

§ All divisions must walk or trot only from lesser of the last obstacle or the 500 meter mark to the end of Section E. Deviation from course shall be penalized as per DC152.3 and DC158.2.q.

Note: The Organizing Committee, with the approval of the Course Designer and Technical Delegate has the right to lower speeds and distances to suit the weather, terrain, footing, the experience of competitors, or the size and/or condition of the animals.

a. In all Events, the Competition B course must consist of three Sections. The distance must be as close to maximum distance as possible for Championships.
b. The total distance for all Sections must not exceed a total length of 17 km.
c. The total distance in Section E should be approximately one km per obstacle. The total distance in Section E must include the distances through the obstacles.
d. The distances between the end of one Section and the start of the next must not be included in the total distance of the course.
e. All Championships must have eight Obstacles. All other events shall have between six and eight Obstacles.

2. Compulsory Rests

a. There must be a Compulsory Rest of 10 minutes at the end of Section D timed while the Entry is within the designated Veterinarian Inspection area.
b. The area of the Compulsory Rest should, if possible, provide some shade and must be large enough to accommodate three Competitors at once and room for additional motor vehicles.
c. Water must be provided at the Rests for the horses.
d. The Veterinary Delegate, or his representative, must be present at the Rest after Section D to supervise the Second Inspection. It must be performed carefully, but rapidly, so that the Competitor has time to care for his horses before the start of Section E. The fitness of the horses must be determined in accordance with the Veterinary Regulations by clinical observation, which may include measuring the heart rate, the respiratory rate and the temperature. The rate of recovery will be checked before the horse is allowed to start Section E. This information must be recorded. Lame, injured or obviously exhausted horses must be eliminated by a Ground Jury member.
e. A blacksmith must be available at the Rest after Section D.
f. In the event of exceptionally hot and humid weather, the time allowed for the Compulsory Rest (after Section D) may be increased at the discretion of the Ground Jury.

3. Section and Direction Signs

a. All direction signs should be placed on the right side of the track so as to be in view of the Competitors.
b. The beginning and end of each Section must be marked with a pair of red and white flags and a Start and Finish sign.
c. There must be approximately 50m between the Finish of one Section and the Start of the next.
d. The entire course must be clearly marked with yellow direction markers.
e. Sections A and E must have a marker at every kilometre. In Section E the measurement of the kilometres must include the distances through the obstacles.
f. Where the end of a kilometre is reached within an obstacle, the kilometre marker must be placed just beyond the exit of the obstacle.
g. See Annex 12 for additional considerations for 5 section marathons.

4. Compulsory Turning Flags
   a. In order to ensure that Competitors follow the prescribed track, red and white Compulsory Turning Flags must be positioned on the course. Competitors must leave the red flags on their right and the white flags on their left.
   b. These flags must be numbered consecutively in each Section. They must be placed so that they are clearly visible to the Competitors at a reasonable distance.
   c. Sufficient flags must be placed on the course to ensure that all Competitors stay on the track and so that there is no confusion to cause a Competitor to deviate from the course.
   d. The location and number of the flags must be marked on the map of the course to clearly indicate the correct order of driving the Compulsory Turning Flags before and after each Obstacle. (Also see DC152.2).
   e. Ground Observers must record: the Competitor’s passage through numbered flags; the correct direction and sequence and any break of pace. If any Compulsory Turning Flags are missed out or passed in the wrong sequence, it must be reported to the Ground Jury as soon as possible. See the Guidelines for Organizers and Officials for an illustration of the Ground Observer Record.

5. Paces
   a. In difficult terrain where it is impractical to maintain the specified pace, another pace may be authorised at the discretion of the Technical Delegate. Such places must be marked on the course plan and indicated by means of signs on the course.
   b. The finish of Section E may not be further than 500m or less than 300m from the last obstacle. If circumstances require, the Technical Delegate may authorise a longer distance to the finish of Section E, but not shorter than 300m. If the distance is longer than 500m, there must be a sign at 500m from the finish to indicate to Competitors when they must either trot or walk to the finish and not deviate from the track. Failure to comply is penalized as for incorrect pace. (Refer to DC149.3d, DC152.7c, DC152.4 and DC158.2).

6. Natural Obstacles
   a. Natural obstacles such as gates, sharp turns, water and steep hills may be included in all sections except the walk section. Hills should be avoided in walking sections.

   a. The maximum number of marked obstacles, natural and artificial, is eight. The minimum number is six.
   b. For Championships there must be eight obstacles.

2. Sketches of Obstacles
   a. Accurate sketches of the obstacles, showing the location of the gates must be made available to Competitors, team and event officials before the first inspection of the course (refer to DC150.2d).

3. Design and Construction of Obstacles
   a. The number of each obstacle must be clearly displayed shortly before the Entry Flags.
   b. The entry and exit of each obstacle must be marked by red and white flags (red on the right and white on the left) not less than 20m from the nearest compulsory gate unless the Technical Delegate grants an exception. The Competitor will be timed once the nose of the first horse passes between the entry flags until the nose of the first horse passes between the exit flags. Competitors are liable to the penalties shown in Rule DC154 while they are in the obstacle.
c. The track through an obstacle must never exceed 250m on the shortest, legal driveable route (not narrower than 2.5 metres at any point) between the entry and exit flags, unless the Technical Delegate authorises an exception. At least one route to each gate must not be narrower than 2.50 metres.

d. Obstacles must be at least 200m apart and the finish of Section E may not be further than 500m or less than 300m from the last obstacle. If circumstances require, the Technical Delegate may authorise a longer distance to the finish of Section E, but not shorter than 300m. If the distance is longer than 500m, there must be a sign at 500m from the finish to indicate to Competitors when they must either trot or walk to the finish and not deviate from the track.

e. Obstacles must be clearly numbered in the sequence in which the Competitors are required to drive them.

f. Obstacles may include natural features, such as trees, hedges, water, buildings, and walls, but must not include any feature, which might cause damage or injury to the horses.

These artificial elements should be in a natural style in keeping with the countryside.

h. If the Course Designer includes any element in an obstacle that might be expected to frighten the horses, he must provide an alternative route, which allows the horses to get through the obstacle without being frightened.

i. If a constructed water crossing is included in an obstacle, the depth must not be more than 40 cm. In a natural water crossing the Technical Delegate may allow a maximum depth of 60 cm. The bed of any water crossing must be firm. When applicable, posts and rails must be erected in the water to prevent horses getting into deeper water.

j. Barriers for crowd restraint must be placed at least 20m from the nearest element in the obstacle, unless the Technical Delegate allows an exception.

4. Compulsory Gates

a. Obstacles may include up to six compulsory gates marked with red and white flags, which should be visible from all sides.

b. Un-lettered gates may be driven in any sequence.

c. If the gates are to be driven in a particular sequence, they must be marked A, B, C etc. and, if possible, in such a way that the letter of the next gate in sequence is clearly visible to the Competitors as they turn towards it from the previous gate.

d. The height of all gates must be at least 1.30 metres. No element inside the gate may be lower than 1.30 metres unless an exception is allowed by the Technical Delegate.

e. No compulsory obstacle gate may be narrower than 2.50 metres.

5. Dislodgeable Elements

a. The Course Designer is free to choose any type of dislodgeable element, provided it does not interfere with, or cause injury to the horse or damage to the vehicles, when it is dislodged.

b. The maximum number of dislodgeable elements is limited to double the number of obstacles in the course (i.e. 8 obstacles = 16 elements). The type and number of all elements must be specifically approved by the Technical Delegate and the President of the Jury.

c. Competitors will incur 2 penalties for each element dislodged.

d. A dislodgeable element is “live” at all times until it is dislodged.

e. A Competitor or Groom who attempts to prevent an element being dislodged will incur 10 penalties.

DC150 [FEI 950] INSPECTION OF THE COURSE

1. Visit of the Technical Delegate

a. At least 21 days before the event, the entire course, including the obstacles, must be available for inspection and approval by the Technical Delegate.

b. If it is impractical for artificial obstacles to be constructed in time for the inspection, a plan marking their location on the course and scale drawings of such obstacles must be available for the Technical Delegate.
2. **Briefing for Competitors and Officials**
   a. Prior to the opening of the course for the official inspection by the Competitors, the Technical Delegate must arrange one, or several, conferences for the Course Designer to brief the Competitors, Chefs d’Equipe and the members of the Ground Jury.
   b. Ground Observers, Obstacle Observers and Time Keepers must be briefed by the Technical Delegate or his designated representative before the start of Competition B.
   c. Copies of large-scale maps of the entire course must be available for those requiring them at the conference. The maps must show each Section; location of all the Obstacles and numbered Compulsory Turning Flags; kilometre markers; and any areas of the course which are closed to motor vehicles.
   d. Sketches of the obstacles must be available for Chefs d’Equipe, Competitors and Officials during the briefing session.
   e. A list showing the order for driving Compulsory Turning Flags and Obstacles must also be made available.

3. **Inspection of the Course by Competitors**

   b. The Technical Delegate may impose restrictions on the means of access to certain parts of the course.
   c. The course is closed for inspection from the time the first Competitor starts Section A. The Obstacles in Section E may be left open until the first Competitor starts Section E.
   d. Competitors using motor-vehicles must adhere to roads and tracks and respect all restrictions on access to parts of the course.
   e. The obstacles may only be inspected on foot. No motor vehicles or bicycles may be taken inside any part of an obstacle. Failure to comply will entail a fine by the Ground Jury. **Exception: at USEF sanctioned national competitions, regarding drivers with disabilities, refer to Appendix I.**
   f. Competitors cannot drive through the obstacles within 30 days prior to the event in which they are competing.

4. Start and Finish
   a. Competitors should be ready to start Section A at least 15 minutes before their published start time.
   b. In Section A, if the Competitor is not ready to start within the minute following the official starting time, the Ground Jury will examine the circumstances and will either immediately decide or decide later if the Competitor is eliminated. If a Competitor is late starting, the Time Keeper notes the actual starting time and immediately informs the Ground Jury.
   c. The Competitors must start each section from the halt. The Official Time Keepers will count down to the start time. If a Competitor starts before the Time Keeper gives him the authorisation, the latter will call him back, the time card (Green Card) will be corrected, and a new start will be given. The Ground Jury must be advised of this at the end of the competition.
   d. Vehicles must pass the Finish of Section E drawn by the number of horses required for its class and on all wheels. Broken or missing tyres are acceptable. Any missing or disconnected trace or pole strap will incur a total of 10 penalties. See Rule DC152.8.

5. Intentional Break of Pace
   Intentionally cantering or trotting all the horses in Section D will be penalized by elimination.
6. Dismounting
   a. In Sections A, D and outside the obstacles in Section E, Grooms and Competitors
      are not allowed to dismount unless the vehicle is stationary. If the vehicle is not sta-
      tionary, either or both Groom(s) dismounting will incur 10 penalties, the Competitor dis-
      mounting will incur 20 penalties.
   b. Inside the obstacles in Section E, the Competitor will incur 10 penalties on each
      occasion either or both Groom(s) dismount and 20 penalties on each occasion the
      Competitor dismounts for any reason.
   c. The Competitor and all Grooms must be on the vehicle as it crosses the Start and
      Finish Flags and the Compulsory Turning Flags in each Section. Failure to do so incurs
      10 penalty points on each occasion.

      President of the Ground Jury may permit Grooms in competitions for ponies to run
      behind their vehicle.

      is closer to the finish line in Section E will be penalized as deviation from the course
      DC152.3. The only exception is the Competitor is allowed to stop for the repair immedi-
      ately outside the last Obstacle without incurring a penalty for stopping.
   d. The Competitor is the only person permitted to handle the reins, and use the whip
      and brake throughout each Competition. Each contravention of this rule, even if to pre-
      vent an accident, will entail 20 penalties.
   e. A Groom may handle the reins without penalty provided the vehicle remains station-

8. Damaged Vehicle / Harness / Horses
The vehicle must pass through the finish line of Section E:
   a. Horses - drawn by the number of horses required for its class or incur elimination.
   b. Wheels and tyres - the vehicle must be on all wheels. Broken or missing tyres are
      acceptable, but a vehicle which has a missing wheel shall incur elimination.
   c. Shafts and poles - a broken or disconnected pole or shaft shall incur elimination.

DC153 [FEI 953] Time Penalties
1. Loss of Time
   a. No time allowance will be made for an accident involving only the Competitor’s vehi-
      cle, horses or persons carried on the vehicle, or for any breakage or adjustment of the
      harness, loss of a shoe or any other similar mishap.
   b. If any Competitor catches up with another Competitor, the slower Competitor must
      give way at the first convenient opportunity. Both Competitors must report the circum-
      stances to the member of the Ground Jury at the end of Section E. The member of the
      Ground Jury will then decide whether any time allowances are to be made.
   c. In the event of an accident involving a third party and where the responsibility is
      either in doubt, or where it is definitely not the Competitor’s fault, or where delays are
      caused for reasons beyond the control of the Competitor, or the Ground Observer, if
      one is in the vicinity, must take note of the time by which the Competitor was delayed.
      They must report the circumstances and the time by which the Competitor was delayed
      to the Ground Jury.
   d. Exceeding the Time Limit in any section entails elimination for the entire Competition B.

DC154 [FEI 954] OBSTACLE PENALTIES
1. Entrance and Exit Gates
   a. The entry and exit of each obstacle must be marked by red and white flags (red on
      the right and white on the left) not less than 20m from the nearest compulsory gate
      unless the Technical Delegate grants an exception.
b. The Competitor will be timed and obstacle penalties incurred once the nose of the first horse passes between the entry flags until the nose of the first horse passes between the exit flags.

2. **Pace in Obstacles and Error of Course**
   a. Competitors may use any pace in the obstacles.
   b. Error of Course in an Obstacle:
      1. Competitors entering any part of an obstacle without first passing through the entry flags or failing to pass through the exit flags on leaving an obstacle without correcting the error will be eliminated.
      2. The compulsory gates in an obstacle are “free” after a Competitor has passed through them in the right direction and in the right sequence. Competitors may, therefore, go through them again in any direction at any time (for example; Competitors must go through A in the right direction before going through B. A is now “free” and they may go through it again in any direction as often as they like, and so on).
      3. Competitors, who pass through a compulsory lettered gate in the wrong sequence or direction before it becomes “free” and without correcting the error before passing through the Exit Flags, will be eliminated.
      4. In order to correct such an error, the Competitor must go back and drive through the gate that was missed before going on to the next gate in the right sequence (for example; a Competitor drives through gates A and B and then goes through D (missing gate C). In order to correct this error of course, the Competitor must go back and drive through gate C before going on to gate D etc., all gates are neutralised until he reaches this gate). Error corrected shall incur 20 penalties.
      5. Passing through the exit gate without correctly completing the obstacle entails elimination.
      6. A Competitor is considered to have passed through a gate in an obstacle when the rear axle passes between the flags.

3. **Dismounting**
   a. Each time either or both Grooms put both feet on the ground in an obstacle, the Competitor will incur 10 penalties.
   b. Once a Groom/s have dismounted they are not required to get back on the vehicle and need not follow the Competitor through any of the gates in the rest of the obstacle.
   c. Each time a Competitor puts both feet on the ground in an obstacle he will incur 20 penalties.
   d. A Competitor or Groom may put one foot at a time on any part of an obstacle, except on a dislodgeable element, or on the ground without incurring penalties.
   e. A competitor must stop immediately whenever a horse has its leg over a pole or lead bar, when a horse is down and remains down and when instructed to make necessary repair by member of the Ground Jury or Obstacle Observer. Failure to stop and correct the situation before leaving the Obstacle will incur elimination. Time shall continue to run.

4. **Disconnecting**
   a. Deliberately disconnecting one or more horses and leading them through any part of the obstacle entails elimination.

5. **Overturning**
   a. There is no penalty for a vehicle overturning anywhere on the course, except in an obstacle.
   b. A vehicle overturning in an obstacle incurs 60 penalties.

6. **Elimination in an Obstacle**
   a. The decision whether a Competitor is eliminated during the Competition B rests entirely with the Ground Jury.

7. **Timing**
   a. Electronic timing equipment should be used to time Competitors through the obstacles if at all possible. Whether it is used or not, the Obstacle Observer must time Competitors through his obstacle as accurately as possible from the moment the nose of the first horse crosses the start line till it crosses the finish line.
   b. The Time Limit for Competitors in obstacles is five minutes. If Competitors fail to complete the whole obstacle and pass the exit flags within the Time Limit, the Obstacle
Observer is to blow two blasts on a whistle indicating to the Competitor that the Time Limit has been reached. The Competitor must then vacate the obstacle as quickly as possible.

c. Exceeding the Time Limit entails elimination and the Competitor may no longer continue in the Competition.

8. Hold Ups

a. If a Competitor arrives at an obstacle while the previous Competitor is still negotiating the obstacle, he is to be held at a point on the course approximately 50m from the entry flags.

b. One of the Assistant Obstacle Observers is to stop the Competitor at that point and start his stopwatch. As soon as the previous Competitor is clear of the obstacle, the Observer will inform the Competitor of the time at which he will be re-started and the time the Competitor has been held. This should be in whole or half minutes.

DC155 [FEI 955] OUTSIDE ASSISTANCE

1. Definition

DC156 [FEI 956] JUDGES

1. Positions

a. One Judge must be at the Compulsory Rest after Section D. The Judge must act on the advice of the Veterinary Delegate to decide whether the horses of a Competitor are in a fit condition to continue the competition. The Veterinarian must abide by the criteria of fitness laid down in the Veterinary Regulations.

b. One or more Judges must be at the end of Section E to supervise the inspection of vehicles and harness and when applicable to supervise the weighing and measuring of the vehicles. Competitors whose vehicles are below the prescribed weight or width will be eliminated.

ings to the Veterinary Delegate as soon as possible after the last Competitor has completed Competition B.
e. A Second Examination is only required at Championships and CAIO events. The Second Examination is not obligatory at CAI events.
f. The other Judges must move about the course as directed by the President of the Ground Jury.
g. At USEF sanctioned National events, members of the Ground Jury at the end of Sections D or E are not required to assist the veterinarian in pulse and respiration checks. Organizers should ensure sufficient volunteers are available to assist the veterinarians.

b. If the entire turnout (vehicle and horses) fails to pass between these flags, whether any element of the obstacle is knocked down or not, the President of the Ground Jury will ring the bell and stop the clock while the obstacle is re-built and the Competitor must then attempt to re-take the obstacle.

c. Markers, turning posts and obstructions marked by flags may be placed on the course, but no penalty is incurred if they are touched, displaced or knocked over.

      given to the Competitors. At least one hour before the start of the competition for each
      class in the event, a plan must be posted in the Collecting Ring showing the length,
      speed in metres per minute and the Time Allowed for that class.
   b. At USEF sanctioned National events, a plan for the Competition C need not be
      supplied to each Competitor provided one is posted on the Official Notice Board once

      for inspection.

7. Inspection of the Course
   a. The course must be open for inspection at least one hour before the start of the

   b. The Jury may only order the competition to start when the Technical Delegate has
      reported that all is ready.
   c. Once the competition has started, the Ground Jury may alter the time allowed. This
      can only be done after the third completed round. If the time allowed is extended, then
      any time penalties of Competitors who have completed the course before the revised
      time shall be adjusted accordingly. Time Allowed may not be reduced.

2. Outside Assistance
   a. No one, either on or off the carriage, may indicate the course or assist the driver

   d. Competitors, who attempt to pass through an obstacle before starting the course, or
      show an obstacle to their horses, will be eliminated.
   e. The start and finish lines are neutralised for passing through from the moment the
      Competitor has passed through the start line until the Competitor has passed through
      the last gate.
   f. Penalties are only incurred for knocking down an obstacle (one or both balls of a
      single obstacle), or the collapsible elements in closed Multiple Obstacles.
   g. Between the start and finish lines, Grooms must remain seated in their proper
      places. They are not allowed to stand behind the Competitors or indicate the course or
      to speak unless they are dismounted. Competitors who fail to comply will be eliminated.

      line with the red flag on the right and the white flag on the left.
   i. Competitors may be fined up to CHF 500 by the Appeal Committee if they pass
      through a numbered obstacle after crossing the finish line.

2. Error of Course
   a. If Competitors attempt to pass through an obstacle in the wrong sequence or direc-
      tion, the President of the Ground Jury must wait till after they have completed their
      attempt to pass through the wrong obstacle before ringing the bell. The Competitor is
      then eliminated.
b. If Competitors knock down or dislodge any part of an obstacle, which has already been driven, Competitors will incur 3 penalties.
c. If any part of an obstacle in advance of the one being driven is dislodged or knocked down, the President of the Ground Jury will ring the bell and stop the clock for the obstacle to be re-built. Competitors will incur 3 penalties and 10 seconds will be added to their time.
d. A Competitor is considered to have passed through a gate in an obstacle when the rear axle passes between the flags.
e. If the whole turnout fails to pass between any pair of red and white lettered flags, the President of the Ground Jury will ring the bell, stop the clock while the obstacle is being rebuilt.
f. If the Jury sounds the whistle/bell while the Competitor is on the course, the Competitor must halt immediately. If the Competitor does not halt, the Jury shall blow the whistle/bell a second time. If this Competitor does not now halt, he is eliminated. The Groom may advise the Competitor the whistle/bell has sounded.
g. If the Jury is in doubt whether an obstacle has been properly driven, the Competitor must be allowed to finish the course. The Jury can then reach a decision.

3. **Obstacle Rebuild**
   a. The entire vehicle and all horses must pass between the flags defining each obstacle.
   b. If the Competitor knocks down any part of a Multiple Obstacle without completing the entire obstacle correctly (i.e. refusing a pair of cones, running out, circling or breaking out of a closed multiple obstacle) the bell will be rung and clock stopped for the obstacle to be rebuilt and ten seconds will be added to the Competitor’s time.
   c. When the obstacle has been rebuilt the bell will be rung again and the Competitor must then retake completely the obstacle and continue his round. The clock will start as the Competitor approaches the re-built obstacle.

   d. The Grooms must be on the vehicle when going through Obstacles. Failure to comply will entail elimination, however:
   e. The Grooms must be on the vehicle when going through each Obstacle. Exception: a Groom(s) may dismount to assist horses through an obstacle. The penalty shall be for dismounting and any other penalties incurred under DC165. The Groom(s) must remount before the next Obstacle.

f. In an open multiple obstacle (Serpentine, Zig-zag) if there is a disobedience, the combination must be retaken from the beginning.
g. Except in an open multiple obstacle it is not a disobedience to circle, pass the extended line or cross own line.

8. Resistance
a. A horse is considered to offer resistance if, at any time and for whatever reason it refuses to go forward (with or without moving back), turns around, rears, etc. This will be penalized as a Disobedience under DC164.7b.

9. Timing

The width between cones may be increased by 10 cm at the discretion of the Ground Jury and the Organizing Committee.

### DC168 [FEI 968] COMPETITION IN TWO SECTIONS

If a pony is not in possession of a fully and correctly completed Measurement Certificate, the Ground Jury may order the pony to be remeasured by the Technical Delegate and the Competition Veterinarian and/or a Judge, pursuant to Chapter GR5, Subchapter 3-C. Failure to allow the pony to be remeasured will result in the pony being disqualified at that competition. The remeasurement must be reported to the Ground Jury, which must then disqualify the pony from the competition if it is over height (see Rule DC111.2).
2. Ponies without Measurement Certificates will be measured before the First Horse Inspection at their first competition of the year.
3. Measurement will be conducted by the officiating USEF licensed Technical Delegate and the Competition Veterinarian and/or a Judge. In the event that either can not be present, then one of the officiating USEF licensed judges may serve as an alternate for either the Veterinarian or the Technical Delegate.
4. The measurement specifications will be recorded on a Certificate of Measurement. A copy of this Certificate will be given to the competitor at the time of measurement.
5. Measurement will be required yearly until the pony has reached the age of eight years. Animals four through seven years old will be issued an annual Temporary Certificate of Measurement. Animals eight years and older will be issued Permanent Certificates of Measurement which will not need to be renewed.
6. If an animal possesses an F.E.I. Certificate of Measurement, such Certificate will be accepted as proof of the pony’s height.
7. If the Ground Jury questions the height of a pony and the pony is in possession of a fully and correctly completed Measurement Certificate, the Ground Jury may request, through the Federation, that the pony be remeasured by a licensed Technical Delegate and a Veterinarian who are approved by the Federation, pursuant to Chapter GR5. Subchapter 5-C. Remeasurement must be made within 30 days of the request.
CHAPTER EN
ENDURANCE RIDING DIVISION

EN101 Preamble.
1. GENERAL.
   a. The following rules and regulations have been adopted from those of the American
      Endurance Ride Conference (AERC), the official Federation affiliated endurance discipline
      organization.
   b. USEF National Rides may vary in distance from 50 miles to a maximum distance of
      300 miles, and are approved through sanctioning by AERC and the Federation. Ride
      organizers shall be responsible for fees assigned by each organization for sanctioning
      of said rides. See GR215.8.
2. RESPONSIBILITY.
   a. While it is assumed that most participants are responsible and caring, it is recognized
      that a highly competitive and demanding sport requires regulation. The primary
      concern in establishing rules and regulations is to assure that competition occurs within
      standardized parameters considered fair and reasonably safe for equine and rider. At
      all times, the safety and well being of the horse is paramount. The Federation services
      the requirements of the competitor by promulgating and establishing rules and regulations,
      recording and publishing results of events, and providing awards; but the competitor is totally responsible for self and mount before, during and after an endurance
      ride. These Rules and Regulations provide minimum conditions and directives for managing and competing in National Rides. Each competitor is ultimately responsible for
      knowing these rules and complying with them.
   b. The appointment of a steward, veterinarian or official, whether or not provided for in
      these rules, does not absolve the competitor from such responsibility.
3. CIRCUMSTANCES NOT COVERED IN THESE RULES.
   a. For any circumstances not specifically covered in these rules, reference should be
      made to one of the following publications: (Listed in order of precedence.)
      (1) AERC Rules
      (2) AERC Veterinarian’s Handbook
      (3) AERC Ride Manager’s Handbook
   b. Every eventuality cannot be provided for in these Rules. In any unforeseen or
      exceptional circumstances, it is the duty of the Ground Jury and the Veterinarians to
      make a decision in a sporting spirit and approaching as nearly as possible to the intention of these Rules. Officials shall give the competing horses’ well being the highest priority
      when making decisions during a competition.

PART I - RULES FOR ENDURANCE RIDES

SUBCHAPTER EN-1 GENERAL

EN102 Introduction.

1. DEFINITION.
   a. An Endurance Ride is a competition to test the speed and the endurance ability of a
      horse. To be successful, the competitor must have knowledge of pace and efficient and
      safe use of the horse across country. In an Endurance Ride, any member of the Genus
      Equus counts as a “horse”.
   2. AN ENDURANCE RIDE MUST BE AT LEAST 50 MILES IN LENGTH PER DAY, UP TO
      A MAXIMUM DISTANCE OF 150 MILES IN THREE DAYS.
      a. Rides are sanctioned for a certain number of miles.
      (1) Mileage over 50 must be a multiple of five, ending in a 0 or 5, whichever is
          the nearest whole number to the actual ride mileage (e.g., 52.4 miles = 50; 52.5
          miles = 55).
      b. Endurance rides which are sanctioned for more than one distance (such as a 50
         and a 100 held over the same course at the same time) have the option of allowing riders to “elevate” from one ride into the other, subject to the following restrictions: The
         rider may only elevate from a shorter distance into a longer distance; the rider may ele-
vate only once; upon elevating, the rider is no longer considered to be a starter or a finisher in the shorter.

1. Elevator rides must be indicated on the sanction/date application and advertised as such.

2. The rider must state which mileage he will enter if a multiple mileage ride; e.g., 50 mile, 100 mile or 150 mile.

3. A rider who elevates is eligible for completion only.

4. If the starting times are not the same, elevating riders must have the time limits of EN102.8 (below) applied to their original ride’s starting time.

c. The sanctioned ride mileage(s) cannot be changed later than 90 days before the ride.

d. The exception to this policy is the case where an emergency forces a last-minute trail.

3. Special event rides are series of rides on consecutive days, totaling more than three days or 150 miles. Special Qualification rides are rides with entry qualifications other than those contained in EN102.6 (below). Special event and special qualification rides shall require approval of the USEF Endurance Technical Committee.

a. A petition for such approval must be sent to the USEF Endurance Liaison 180 days before the ride date. Such petition must include clear rationale for the qualifications and justification for this specialty ride. The USEF Endurance Technical Committee will render its decision within 60 days. The equines must be under the control of veterinarian(s) experienced with equines and endurance rides from pre-ride vet exams through the post-ride final vet exam.

4. Rescheduling rides in an emergency. The ride must meet all date application/change deadlines, except that a one-day delay, allowing those already at the site to stay over, can be used in an emergency with the approval of USEF Competitions Department.

5. THE EQUINES MUST BE UNDER THE CONTROL OF VETERINARIAN(S) EXPERIENCED WITH EQUINES OR ENDURANCE RIDES.

a. The ride must employ at least one veterinarian whose services will be exclusive to that event, pre-ride, during the ride, and post-ride (at least one ride veterinarian must be at the ride site for at least one hour after the last equine crosses the finish line or has returned to ride camp).

1. Control veterinarians are veterinarians employed by ride management to monitor the equines and counsel riders and ride management on equine welfare as well as to uphold the Federation and AERC rules. A control veterinarian must be an AERC member, either as a regular member or as a veterinary member. A veterinarian supplying treatment only is not required to be an AERC member.

2. A veterinarian who is serving as ride manager of a USEF sanctioned event is prohibited from serving that same event as a veterinary control official.

3. Each equine will receive a substantive physical examination of metabolic and mechanical parameters before the ride, at control points within the ride and after the ride.

4. The veterinarians’ decisions regarding disqualification must be final and ride management must stand behind the veterinarians’ decisions.

(a) A Ride Manager may not overrule a vet decision on a veterinary matter.

(b) Equines disqualified by the vets must not continue. This practice by a rider is considered grounds for barring that rider from future rides.

(c) The rider/owner of an equine disqualified by a ride veterinarian should be notified immediately by that veterinarian or the ride manager.

5. Management must be confident that there is complete understanding with the veterinarian(s) regarding P&R criteria, any other disqualification criteria, and particularly post-ride criteria for completion.

(a) The setting of veterinary parameters, including, but not limited to, pulse and respiration, shall be determined by the head veterinarian. Since the ambient conditions are of prime concern in the setting of parameters, these parameters should not be finalized more than 24 hours prior to ride start.

(b) Any equine not meeting pulse criteria within 30 minutes of arrival at a veterinary checkpoint including the post-finish line vet check will be disqualified.

\[ BOD \ 1/14/07 \ \text{Effective 4/1/07} \]
(6) All veterinary control checkpoints must be staffed by a veterinarian who will provide the required control. The type of checkpoint and duration of the hold will, in all cases, be designated by the head veterinarian. It is recommended that all checkpoints be of the “gate into a hold” type.

6. THE RIDE MUST BE OPEN TO ANY BREED OR TYPE OF EQUINE.
   a. The equines entered in the full distances must be at least 72 months old at the time of the ride. *BOD 1/14/07 Effective 4/1/07*
   (1) Age is figured from actual date of birth. In cases of no papers on an equine, a ride veterinarian’s opinion and discretion must prevail.
   b. Rides may limit the number of competitors provided that prior publicity states the limitation and that all spaces and vacancies are filled on a first-come, first-served basis.
   c. An equine which constitutes a clear danger to other equines and/or persons may be disqualified at any time from competition, by the ride manager or ride veterinarian.

7. ENTRY TO A RIDE MAY BE REFUSED FOR CAUSE.
   a. Cause is defined as a specific occurrence, substantiated by direct and corroborated evidence of, including but not limited to, one of the following:
      (1) Non-payment of ride fees, such as insufficient funds check not made good.
      (2) Abuse of an equine, such as drugging or continuing to ride after being pulled without the specific permission of a ride vet.
      (3) Abusive harassment of ride personnel, other riders or crews, such as arguing with the veterinarians, breaking the line at vet gates, or deliberately blocking other riders on the trail.
      (4) Removing or altering trail markers.
      (5) Cheating, such as deliberate short cuts or deliberately leaving timed holds early.
      (6) An equine determined to be unruly or dangerous may be denied entry.

8. The ride must provide a specific amount of time (total competition time) which will include all stops and holds, and within which competitors must complete the ride to qualify for placing or completion.
   a. There may be no minimum time limit for completion.
   b. Maximum competition time will be according to the following prescription:
      12 hours for 50 miles, 24 hours for 100 miles, and other distances to be according to Chart 1 (below). In the case of 2 day 100’s, 3 day 150’s and similar events, the total completion time allowed is based on daily mileage.

c. Riding time is the time used by the competitors to complete the course, excluding all hold times.

d. There must be a pre-designated marked finish line perpendicular across the trail.
e. All riders must be notified in writing of cut-off times no later than the pre-ride meeting.
1. Completion requires meeting all of the following criteria:
   a. All riders and mounts must be present and accounted for at the start of the ride.
   b. Riders must be properly entered in the ride.
   c. Riders must obey all the rules.
   d. Riders must follow the prescribed course, and do multiple loops in the correct order.
   e. Riders must pass all control points.
   f. Riders must pass vet check requirements.
   g. Riders must finish within the prescribed maximum time.
   h. Riders must not be disqualified.
   i. Riders must meet criteria at post-finish line check.
   j. Riders must meet any other criteria prescribed by ride management.
   k. Riders must not have been paced or prompted by an unentered, withdrawn, or otherwise unauthorized equine, a vehicle, or a person other than another entrant. This does not preclude the ordinary support services of attendants or pit crews.

2. A competitor must pass all veterinary criteria for completion. A competitor who fails any of the other completion criteria may be allowed a completion with the time being just behind the last rider, if in the opinion of the Ground Jury, the violation was not intentional and did not result in making the course easier or shorter for the competitor. This does not preclude the ordinary support services of attendants or pit crews. A crew may accompany their rider down a public road in a support vehicle (unless there is a ride management prohibition against it) provided they do not push or haze the equine.

3. Every Endurance ride must have a post finish line vet inspection, which the equine must pass for a successful completion, the criteria to be announced prior to the ride. Any ride may adopt more stringent criteria, but these must be provided to competitors before the ride in written form.

4. The minimum criteria for the post finish line vet check are as follows:
   a. The post finish line vet check is where the final criteria for completion must be met; an equine has not completed the ride until he has passed this check. The post finish line vet check also serves as a safety check to monitor for late developing problems (so that they can be treated if necessary) as well as extending veterinary control over the last leg of the ride.
   b. All Equines must stand a mandatory post ride evaluation within 30 minutes of finishing. Riders may present their equines for the final examination at a time of their choosing during the one-half-hour period. Horses will be eliminated during the post-finish examination, if in the judgment of the Veterinary Commission a horse is not fit to continue.
      (1) An equine that does not meet the established criteria within 30 minutes of crossing the finish line shall be eliminated.
      (2) An equine that has passed the post-ride examination within the 30 minute limit may not be subsequently pulled for any veterinary reason unless, in the opinion of the Veterinary Commission, the horse should be treated during the two hours after completion, in which case the competitor shall be eliminated.
   c. The equine must reach a reasonable pulse recovery based on ambient conditions. The maximum pulse criteria shall be established prior to the start of the endurance ride, however, the ride officials may establish different pulse and respiration criteria if in their judgment environmental conditions require changes to assure the well being of the horses. In general, respiration should be evaluated on its own merit.
   d. The equine must be metabolically stable, sufficient to demonstrate fitness to continue.
   e. There must be no gait irregularity that is consistently observable under all circumstances that results in pain or threatens immediate athletic performance. This examination will be conducted at a trot, or an equivalent gait, straight out and back, without prior flexion or palpation. Recognizing that this is a risk sport with its inherent wear and tear, examining Veterinarians must also be flexible enough to evaluate the equine injured after completing the course. This is posed as a very minimum criterion not designed to disqualify legitimate stiffness and leg weariness but to discourage over usage between the last veterinary checkpoint and the finish line.
f. Soreness, lacerations, and wounds, on the limbs and body—including the mouth—must be noted on the veterinary examination card. Lesions that are aggravated to a degree that affects the equine’s ability to continue may be a cause for failure to complete the ride. It must be recognized by veterinarians that lesions caused by tack and interference may be from mild to severe and need to be evaluated on their own merit.

g. Evaluation of other monitoring parameters must indicate the equine is not in need of any medical treatment by veterinarian or layman prior to the two hour examination. Any equine that a ride veterinarian advises should be treated for a metabolic or soundness problem, but treatment is refused by the rider or owner, shall be considered in the same light as a treated equine and will be eliminated.

5. COMPLETION AWARD.
All riders who successfully complete the ride must receive a completion award. Placements will be determined by the order of finish of those who have met the completion requirements.

a. Ties are not accepted. BOD 1/14/07 Effective 4/1/07

6. BEST CONDITION.

a. An award will be available for the equine judged to be in the Best Condition. The award does not have to be given.

   (1) The veterinarian(s) may feel that none of the equines in contention for the award deserves to receive it.

b. Use of the AERC Best Condition System is recommended to ride management.

   (1) Rides have the option of giving other Best Conditions besides the AERC Best Condition if they wish.

c. The first ten finishing equines are eligible for consideration, whether ridden by Junior, or Senior riders.

   (1) The Ride Veterinarian(s) will be the sole judge of the veterinary portion of the award.

   (2) Ride management determines the weight and time portion of the awards.

   (3) Procedure in the event of a tie (best condition score), the equine among those tied with the highest veterinary score will be the winner. If there is still a tie, the equine among those still tied that finished ahead of the other(s) will be the winner.

EN104 Participation.

1. COMPETITORS.
Endurance Events are open to professional and amateur competitors.

a. JUNIOR RIDERS.

   All Junior riders whether they are AERC/USEF members or not, must be accompanied by a competent adult (21 years or older) sponsor throughout the competition. Junior and Sponsor must ride together at all times, including entering and leaving all vet checks at the same time; the only exception being that at the finish a Junior may finish within the same minute or within the one minute on either side of the sponsor’s finishing minute.

   (1) The age of a Junior rider is determined according to GR126: “An individual who has not reached his 18th birthday as of December 1st of the current competition year. The age of an individual on December 1st will be maintained throughout the entire competition year. Persons born on December 1st assume the greater age on that date. If a competition is in progress on any November 30th, junior status at the start of the competition will be maintained throughout that competition.”

   (2) Junior riders may participate in National Ride competition only if the written consent of a parent or guardian appears on the entry blank of the competition. This consent shall include:

      (a) Acceptance of all National rules, particularly the ability of a Junior to substitute a sponsor during a ride as allowed by National rules and regulations, and

      (b) Prior consent to an emergency medical treatment or aid.

   (3) An AERC/USEF member 14 years or older who has completed 500 miles or more in the AERC rider mileage program may ride unsponsored, but will compete in the senior division.

      (a) Such unsponsored young rider must have on file in the AERC office a letter by parent or guardian which consents to and requests unsponsored status.
(b) The AERC office will then provide a letter for this unsponsored young rider verifying 500 miles in AERC rider mileage program, which letter must be presented to ride management at check-in or earlier.

(c) Management may choose not to honor the unsponsored young rider’s program and require all persons under 18 years of age to have sponsors.

(4) The sponsor must be a competent adult (21 years or older) and must be duly entered as a competitor in the event and sponsorship must be documented on the Junior entry form complete with sponsor signature, at the time sponsorship begins.

(a) Junior and/or sponsor normally may suspend their sponsorship agreement only at regular stated checks and then only with the knowledge and consent of ride management, and management's documentation of the change when it occurs.

(b) Sponsorships may change between checks only in the event that either competitor or either competitor’s mount is unable to continue safely to a checkpoint.

(c) In the event of an emergency and in order to remain in competition, the Junior who is in last place and whose re-registered sponsor is pulled, and there are no other qualified sponsors to follow, the Junior may be sponsored by an unentered qualified rider through the completion of the ride, with ride management and ride veterinarian approval. He/she would receive last place junior points. This emergency sponsor will receive no credit for mileage or points. The Junior may instead be sponsored by an adult on foot from the last veterinary check with the approval of ride management.

(4) Infraction of the sponsorship shall result in either the sponsor and/or the Junior being disqualified.

(5) AERC points must be submitted and recorded per the above regulations independent of ride management’s local ride rules governing Junior and Senior riders.

b. MEMBERSHIP REQUIREMENTS.

All competitors must be members of the Federation and the AERC or pay non-member or day member fees as applicable. (See GR207)

EN105 Entries.
The process for entries and the fee-schedule shall be approved by the Federation and set forth in the Schedule for the event.

1. RESPONSIBILITY.
   a. It is the responsibility of the competitor to know and comply with the local, state and interstate (where appropriate) health requirements for the shipment of horses.
   b. Entry forms must be complete. (See GR1502.4) All entry and stabling fees must accompany the entry forms, and must be mailed directly to the appropriate Event Secretary.

2. If for reasons of restrictions or limitations on facilities or trail use an Organizing Committee is required to limit the number of competitors, the limitation shall first be approved by the Technical Delegate in consultation with the Federation and then only provided that prior publicity states the limitation and that all spaces and vacancies are filled on a first come, first-served basis. (See GR1509.2.a).

EN106 Withdrawals and Substitutions.

1. WITHDRAWALS.
The refund policy must be clearly stated in the Ride Schedule for the competition.

2. SUBSTITUTIONS.
The substitution policy must be clearly stated in the Ride Schedule for the competition.

EN107 Abuse Of Horses. (GR302)

1. Any act or series of actions which, in the opinion of the Ground Jury, can clearly and without doubt be defined as cruelty, shall be penalized by disqualification. Such acts include, but are not limited to those enumerated in GR302.4, such as:
   a. Riding an exhausted horse
   b. Excessive pressing of a tired horse
   c. Excessive use of bit and/or other device, whether such use permissible under FEI/USEF rules or not. BOD 1/14/07 Effective 4/1/07
d. Riding an obviously lame horse.

2. Reports of such actions must be accompanied whenever possible by the signatures and addresses of witnesses of the actions. The reports must be given to the Ground Jury or the Secretary of the Organizing Committee as soon as possible. The Ground Jury must ensure that there is a valid case and will then decide whether to penalize by disqualification.

3. Any individual member of the Ground Jury who observes such actions has the right and the duty to disqualify the competitor forthwith on his own authority.

4. There is no appeal against a Ground Jury’s decision in a case of abuse.

**EN108** Dress.

1. **PROTECTIVE HEADGEAR.**

   In addition to the requirements of GR318, protective headgear, meeting or surpassing current ASTM standard, adequately secured, is compulsory of all riders in all Endurance competitions.

**EN109** Inquiries, Protests and Appeals.

1. **INQUERIES.** The competitor, a parent or guardian of a competitor under 18 years old, the owner of the horse, or the owner’s agent, may inquire about any perceived irregularity or mis-scoring during the course of the competition. Such inquiries may be addressed to members of the Organizing Committee, to the Ground Jury, or to the Technical Delegate.

2. **PROTESTS.** The competitor, a parent or guardian of a competitor under 18 years old, the owner of the horse, or the owner’s agent authorized in writing, is entitled to lodge a protest. Protests shall be addressed to the President of the Ground Jury. They must be in writing, signed, and accompanied by a fee of $100, made payable to the Organizing Committee, which will be refunded if the protest (or subsequent appeal) is upheld. They shall be delivered to the Event Secretary.

3. **TIME LIMITS FOR PROTESTS.** Protests shall be lodged within the following time limits:

   a. Against the eligibility of a horse or a competitor not later than one hour before the start of the first phase.

   b. Against a hazard, the length of the course, the condition of the course, etc., not later than one hour after the finish of the last competitor.

   c. Concerning irregularities or incidents during the competition, or scoring (except errors as noted below)—as soon as possible, and not later than 30 minutes after the publishing of the results.

   d. Concerning mathematical or transcription errors—not later than 30 minutes after the publishing of the results for the entire competition.

4. **HANDLING PROTESTS.** The Ground Jury shall make a decision, after making a proper investigation and hearing all sides of the case. The President of the Ground Jury must refer any protests which he feels are beyond his discretion to the President of the Appeal Committee. The Event Secretary shall record all protests, forward them to the Ground Jury, and record all decisions of the Jury.

5. **APPEALS.** An appeal against the ruling of the Ground Jury must be lodged within one hour of the announcement of the Ground Jury’s decision. Appeals shall be addressed to the President of the Appeal Committee. They must be in writing and signed. They shall be delivered to the Event Secretary.

6. **HANDLING APPEALS.** The Appeal Committee shall make a decision, after making a proper investigation and hearing all sides of the case. The decision of the Appeal Committee is final. The Event Secretary shall record all appeals, forward them to the President of the Appeal Committee, and record all decisions by the Committee.

7. A party to a protest or charge desiring to appeal a decision of the Appeal Committee to the USEF Hearing Committee must file an appeal in writing with the Hearing Committee at the Federation’s Kentucky office within fifteen (15) days of the initial decision. The Hearing Committee will not review the findings but will determine whether the rules were properly interpreted and applied.

8. All protests, charges or grievances shall be handled under Federation Chapters GR6 and GR7. All disputes or appeals regarding AERC points shall be referred to the AERC.
SUBCHAPTER EN-2 RIDE COURSE

EN110 Object and General Description.
The type of terrain and altitude differentials must be clearly indicated in the schedule of the competition. In principle, the course should not contain more than 10% of hard surface (paved) roads intended for vehicular use. In general, the more demanding part of the course should not be near the end. The finish must be long and wide enough to enable several horses to safely finish at speed without interfering with each other.

1. VETERINARY RESTRICTIONS.
   a. The integrity of Endurance Competition requires that the equine not be influenced by any drug, medication or veterinary treatment. Endurance equines must compete entirely on their natural ability; therefore, the Endurance discipline falls into the “No Foreign Substance Group” as described in GR401. All Rules of Chapter GR4 apply.
   b. The Competition ends two hours after the final inspection. No veterinary treatment may be administered to an equine during the competition without the written approval of the Veterinary Commission.
   c. Therapies.
      (1) No medication or alternative therapies are allowed during endurance competitions.
      (2) The use of any other therapies during competition shall be prohibited. This shall include any invasive procedures, (e.g.: acupuncture), manipulative procedures, (e.g.: osseous manipulative procedures), the use of any devices to manipulate or stimulate acupressure or response points (e.g.: Bioscans, laser lights, magnetic stimulation devices etc.). Competition shall mean the time from the first examination to the completion of the final veterinary inspection for the event, including the best-condition judging. Multiple day rides shall be treated as either individual day events or one event, if so designated.

PART II - RULES FOR OFFICIALS AND ORGANIZERS

SUBCHAPTER EN-3 OFFICIALS

The following are the minimal requirements for officials for National Rides. Additional officials may be appointed by the Federation upon the recommendation of the Technical Delegate or the Organizing Committee (OC). At least two of the following positions must be filled by licensed FEI or "R" USEF officials: Technical Delegate, President of the Ground Jury, or President of the Veterinary Commission. The President of the Ground Jury, and when required, at least one other member of the ground jury, must be on the Federation approved officials list (National or Federation Officials); two members of the veterinary commission must be on the FEI or USEF approved officials list, and the Chief Steward must be on the USEF or FEI approved chief stewards list. All other officials must be listed as Federation apprentice judges or apprentice veterinarians or higher. With approval of the Federation, the Technical Delegate and the President of the Ground Jury may be the same person.

EN111 Technical Delegate.
1. The Technical Delegate will approve the technical and administrative arrangements for the conduct of the event: for the examinations and inspections of horses; for the accommodation of horses and riders and for the stewarding of the event.
2. The Technical Delegate will supervise the briefing and the conduct of all technical personnel.
3. The Technical Delegate will investigate all and report to and advise the Ground Jury on any decisions they are required to make.
4. Until the Technical Delegate has reported to the Ground Jury that he/she is satisfied with all the arrangements, the authority of the Technical Delegate shall be absolute. Thereafter he/she will continue to supervise the technical and administrative conduct of the event and will advise and assist the Ground Jury, the Veterinary Commission and the Organizing Committee.
5. The Technical Delegate will report on the competition, including a record of all disputes and how adjudicated.
EN112 Ground Jury.
1. The Ground Jury consists of a President and two Judges for Championships and at least a President for all other events.
2. The Ground Jury will supervise all arrangements made by the Organizing Committee for the judging, veterinary control and timekeeping of the Endurance competition.
3. The Organizing Committee shall enlist the assistance of other officials, stewards and veterinarians according to the number of entries, but the Ground Jury will remain in overall control of the competition.

EN113 Veterinarians.
1. PERSONNEL AND QUALIFICATIONS.
   a. Members of the Veterinary Commission must be fully qualified to oversee veterinary matters at a National Endurance Ride and must be members of AERC and approved by the Federation.
   b. It is recommended that there be at least one veterinarian who is able to treat for each open vet check.
2. DUTIES:
   a. The Veterinary Commission has total control on all matters concerning equines’ health and welfare. Neither another official nor the Organizing Committee may overrule a veterinarian’s decision regarding any veterinary matter.

   e. If there is no Chief Steward appointed, the Ground Jury assumes the duties of the Chief Steward.

EN115 Appeal Committee.
1. COMPOSITION AND QUALIFICATIONS.

SUBCHAPTER EN-4 ORGANIZATION

EN116 USEF and AERC Membership.
1. United States Equestrian Federation RECOGNITION.
   Organizing Committees desiring to hold recognized Endurance Events under the auspices
   of the Federation may do so by applying for membership in the Federation as an Endurance
   Event (see Chapter GR2, Subchapter 2-D).
2. AERC SANCTIONING.
   Organizing Committees desiring to hold recognized Endurance Events may do so by applying
   for sanctioning by the AERC as an Endurance Event.

EN117 Ride Schedule (Ride Entry/Information).
1. In the schedule (Ride Entry/Information), which is published by the Organizing
   Committee of any USEF Endurance Ride, there is no necessity to repeat these rules. It is
   sufficient to give the distances and the possible time limit for each phase.
2. The schedule shall also include the conditions of the competition (closing date for
   entries, place and time of start, number and length of compulsory halts, entry fees and
   prizes). The refund and substitution of entry policies must be clearly stated in the Ride
   Schedule.
3. National rides shall be open to all USEF and Canadian riders.
4. Since the ambient conditions are of prime concern in the setting of veterinary parameters,
   these parameters should not be finalized more than 24 hours prior to ride start and
   therefore cannot be published in the Schedule.
CHAPTER EQ
EQUITATION DIVISION

SUBCHAPTER EQ-1 REGULATIONS FOR ALL SEATS.

EQ100 Eligibility to Compete.
In order to compete in any Hunter Seat Equitation classes at licensed competitions as an exhibitor, rider, trainer, or his/her agent(s), a person must be a member of the United States Hunter Jumper Association, Inc., or pay a nonmember fee to the United States Hunter Jumper Association, Inc. Exception: Local Competitions and exceptions listed in GR1401.9 and GR204.2i. Exception: Breed restricted Hunter Seat Equitation classes.

EQ101 Definition.
The Equitation Division is divided into three sections: Hunter, Saddle and Western Seats. Judges are licensed accordingly. Separate classes can be offered for boys and girls; different age limits; or ribbons won. Dressage Seat Equitation is exempted from the requirements of Chapter EQ. For Dressage Seat Equitation, see DR132.

EQ102 Eligibility.
1. Riders in classes for junior exhibitors cannot have reached their 18th birthday in accordance with GR126, however competitions are encouraged to offer Adult Equitation classes for amateur riders who have reached their 18th birthday.
2. In Equitation classes only the rider is being judged, therefore, any horse that is suitable for a particular style of riding (i.e., Hunter Seat, Saddle Seat or Western/Reining Seat) and is capable of performing the required class routine is acceptable.
3. Stallions are prohibited. (Exception: USEF Class/Finals; classes restricted to a breed if division rules for the breed of horse ridden permit their use for juniors, and if the division rules for the breed of horse ridden permit juniors to ride stallions).
4. Adults can ride ponies in Adult Hunter Seat Equitation classes, suitability to count; however, these ponies cannot cross enter into the rated Regular and Green Pony Hunter sections at the same competition.
5. Maiden, Novice, Limit, Intermediate. BOD 1/15/06 Effective 12/1/06
   a. Open to riders that have not won one/three/six/twelve first place ribbons respectively competing in equitation classes at Regular and Local Competitions of USEF or Equine Canada. The Maiden, Novice, Limit and Intermediate status of riders at Regular and Local Competitions is determined from the closing date of entries. Blue ribbons won in the Hunter section will not affect a rider’s status in the Saddle or Stock sections, etc. Ribbons won in classes restricted to a particular breed will affect a rider’s status. Ribbons won as a junior affect a rider’s status when competing as an adult. BOD 1/15/06 Effective 12/1/06
   b. Ribbons won in leadline classes and in classes where entries are not required to ride at all gaits will not affect Maiden, Novice, Limit and Intermediate status.
   c. In the Hunter Seat section, ribbons won in classes not to jump do not affect a rider’s status in classes over jumps. However, ribbons won in classes over jumps do affect a rider’s status in classes not to jump. Ribbons won in classes with less than six (6) entries do not affect a rider’s status. Ribbons won in short stirrup classes and in classes over obstacles lower than 2’3” will not be counted in reckoning Maiden, Novice, Limit, Intermediate or Open status.
6. Any rider competing and or riding anywhere on the competition grounds with their stirrup, stirrup leather, fender, or foot tied and/or secured in any manner will be eliminated from the entire competition. The steward will note the trainer name(s) on the steward’s report, and further disciplinary actions may be taken by the Federation.
7. In the event that a horse is incapacitated in the first phase of a Medal Finals or before the ride-off, upon examination of the competition vet and a judge or steward, a substitution is permitted.

EQ103 Conduct.
(See GR1210.2.a -.2.d)
1. Classes for junior and senior riders can be combined.
2. When entries warrant, it is recommended that competitions restrict Maiden, Novice, Limit and Intermediate riders to their respective categories.

3. Division of Classes.
   a. In Hunter and Western Seat, all classes with 50 or more entries at the beginning of the class must be divided and run as two separate sections with separate trophies and ribbons. (Exception: Regional and National Equitation Finals and all Equitation Classics) BOD 1/15/06 Effective 12/1/06
   b. If there are 50 or more entries remaining in a class after a class has been divided, the class must be re-divided by every other number and separate trophies and ribbons must be awarded. Once a class has been re-divided it cannot be divided further. (Exception: Hunter Seat classes). BOD 1/15/06 Effective 12/1/06
   c. In NHS, and Saddle Seat championship classes, judges must work competitors in groups of 20 or less. In Saddle Seat Medal classes, judges must work competitors in groups of 15 or less. In all other Saddle Seat classes, if there are 20 or more entries in a class, it is recommended that the class be divided into separate sections by selecting every other number on the list of entries, and that separate trophies and ribbons be awarded. If there are 25 or more entries, the class must be divided and the notification of such publicly announced and posted at least two hours prior to the start of the class. In all other classes it is the prerogative of the judge, not of competition management, to determine the number of riders from any given section. The list of qualifying riders for the class finals will not be posted or announced until all sections have been worked.

4. Money Prizes. Offering of prize money in Equitation classes for junior exhibitors and amateurs is forbidden. In Equitation classes the rider is the competitor and wins the award. Exception: Breed and hunter equitation competitions may offer classes in which scholarship funds are awarded. However, these funds must be disbursed directly to the institution upon proof of enrollment by the awarded recipient.

5. Ribbons. In Saddle Seat and Western Seat Equitation classes one ribbon must be awarded for every six competitors but no more than ten ribbons are required. In Hunter Seat Equitation classes a minimum of eight ribbons must be awarded but no more than ten ribbons are required. BOD 1/15/06 Effective 12/1/06

6. Numbers. Numbers must be worn on the rider’s back and must be clearly visible at all times when in competition. (Exception: Exhibitors in Open Western events must place number on both sides of saddle pad or on the rider’s back).

EQ104 Judging.

1. Soundness. Unsoundness does not penalize a competitor unless it is sufficiently severe to impair the required performance. In such cases, the imposition of a penalty is at the judge’s discretion.

2. Any rider not having his mount under sufficient control will be dismissed from the ring and disqualified from that class.

3. Riders must remain on the same mount throughout all phases of a class until the judge requests a change.

4. No rider can be asked to perform a test on another horse before he has performed the same test on his own.

5. Attendants are not allowed in the ring except at the request of judge(s).

6. When additional tests are desired, the judges’ instructions to riders are publicly announced. It is suggested that the judge go over these instructions with the announcer immediately before they are announced to assure mutual understanding of the wording. For testing in Hunter Seat Finals, when riders are called back collectively into the ring without their trainers, they will be given a copy of the course. If the judge desires, the test may be written on the course diagram. BOD 1/15/06 Effective 12/1/06

7. Judges cannot confer with riders individually during the line-up. (Exception: Verbal testing).

8. Eliminations.
   a. If eliminations for a class are separated from the final phase, the performance in each phase has equal consideration unless otherwise specified in the prize list or class specifications. (Exception: ASPCA Horsemanship Finals.)
b. The final phase will be conducted in the same manner as the elimination except a different course can be used in the Hunter Seat classes and different tests can be used in all classes.

c. If a posted workout is to be used at a later time it should be publicly announced and should be posted near the in-gate before the workout is called.

9. In Open Equitation and Medal Classes, horses may not be ridden by more than one rider per class or section of the class. (Exception: Saddle Seat Equitation and Tests requiring a change of horses.) BOD 1/15/06 Effective 12/1/06

10. In a work-off a rider may not jump or be required to jump any fence that is not in the original course, except verticals included in the original course may be jumped in the opposite direction provided the ground lines are correct.

**EQ105 Conditions Governing Competitors in USEF Medal Classes.**

1. USEF Medal Classes are open to Individual Junior Members in good standing who have not reached their 18th birthday in accordance with GR126. Exception: Saddle Seat Adult Amateur classes are open to amateur riders 18 years of age or older. Affiliated Members are not eligible. No credit will be given for winnings before a competitor becomes a member.

2. Application for membership can be made directly to the Federation, or the exhibitor can join prior to the class through the steward.

3. A rider can enter Medal classes anywhere in the United States, but the number of points to qualify for the Hunter Seat Medal Final (or semi-finals if held) depends on the requirements of the rider’s point state. A rider’s point state shall be the state given on the rider’s membership application. That address is locked on December 1 of the competition year or the first day of the rider’s membership activation, which ever comes first. However, a Life member’s address is always locked on December 1 of the competition year. The address given on the membership application must be the state where the rider resided the most number of days in the previous competition year regardless of other legal or mailing address (e.g. a rented P.O. Box, a mail forwarding service, or other temporary domicile). If a rider is found not in compliance with this rule, the rider may be subject to disqualification from the USEF Hunter Seat Medal Finals. A person may apply to the Federation for permission to change their point state. EC 9/17/07 Effective 10/1/07

4. In Hunter Seat Medal, exhibitors must qualify by the minimum number of points required by their state. However, they may continue to ride in the class until they have reached the maximum number of points which is 60. In Saddle Seat only the first place winner is eliminated from further qualifying classes during that year. In Saddle Seat Adult Amateur Medal classes a win does not eliminate a rider from further competition for the remainder of the year.

5. The winner of a Medal Class Final is no longer eligible to compete in Medal classes in the division in which the Final was won.

**EQ106 Conditions Governing USEF Medal Finals.**

1. If entries warrant, semi-final ride-offs will be held at strategic points throughout the country, in which case all potential participants must be notified in advance.

2. On or before July 1 of each year the Federation will announce the competitions at which the Finals will be held. Even though entries for the designated competitions have closed before an individual qualifies, post entries will be accepted.

3. Classes held less than fifteen days before the Saddle Seat Finals count toward the next year’s Finals. Hunter Seat Medal classes held at competitions with a start date after October 1 count toward the next year’s Finals. Riders who lose their junior status at the end of that year are ineligible to compete in these qualifying classes. BOD 1/15/06 Effective 12/1/06

4. The judge(s) for all USEF Medal Class Finals are to be approved by the appropriate equitation committee.

5. Any questions or disputes in connection with Medal classes must be referred to the Executive Committee or to a special committee appointed by the President whose verdict is final.

6. The judges for the Hunter Seat Medal Finals must design the course, which must be posted one hour before the class. Maximum spread of obstacles 4’. (Exception: triple bar type obstacles, maximum spread of 5’.)

7. In Saddle Seat Finals, the class must be worked on the rail in groups of 15 or less.
In Hunter Seat Medal Finals, between 20-25 riders must be called back for the work-off.  
8. The name of the winner of a Finals is engraved upon a Perpetual Trophy which remains in the possession of the Federation. A replica trophy is given to the rider.  
9. In the event that a horse is incapacitated in the first phase of a Medal Finals or before the ride-off, upon examination of the competition veterinarian and a judge or steward, a substitution is permitted.  

10. For all Hunter Seat Regional and Final Championships, the competition will provide an exhibitor representative from the USHJA Equitation Task Forces’ annual approved list. The exhibitor representative acts between the trainers and the judges and stewards if issues arise that need clarification. Issues may include concerns regarding the course, footing, call back lists or any others needing clarification. The person that is chosen for this job will have no conflict of interest or vested interest in the outcome of the class. The exhibitor representative will not act as a steward but as a liaison for the trainers, judges and exhibitors.  

BOD 1/14/07 Effective immediately

EQ107 Zone or Regional Championships.  
1. General.  
a. The chairman of each Zone may request permission of the Federation to hold a Zone or Regional Championship class for the riders in each Zone who have won a first or second place ribbon in a Hunter Seat or Saddle Seat Medal class since the last day to qualify for the Zone or Regional Championships the previous year.  
b. Two or more Zone Chairmen may request permission to hold a Regional Championship Class including several zones.  
c. Application must be made to the Federation office at least sixty days in advance of the holding of the class.  
d. The location of these classes is subject to the approval of the appropriate Division committee.  
2. Zone or Regional Championship classes must be held prior to the Finals (Exception: Hunter Seat classes can be held up to December 1).  
3. The Championships are conducted under the same regulations as the Finals. (Exception: a minimum of 25% of the riders must be called back for a work-off in Hunter Seat classes.)  
4. A minimum of five competitors are required to complete the class.  
5. Judges for a Zone or Regional Championship must be approved by the Federation Licensed Officials Committee.  
6. Placing other than first in a Zone or Regional Championship will have no effect on a rider’s eligibility to compete in the Finals but will enable the Medal Class winners to compete against each other on a Zone or Regional basis. Riders who win a Zone or Regional Championship become eligible to enter the Finals whether or not they have previously qualified in Medal Classes. For Hunter Seat, riders who win a Zone or Regional Championship on or before October 1st become eligible to enter the Finals. Winning after October 1st does not count toward qualifying for the Finals.  
7. Judges chosen for Regional Medal classes are encouraged to design the course. A course designer approved by the Hunter Seat Equitation Committee must be used to design the course in lieu of the judges. The course must be posted at least one hour prior to the class.  

SUBCHAPTER EQ-2. HUNTER SEAT EQUITATION SECTION.  

WHEN A SUBJECT IS NOT ADDRESSED IN THESE RULES, IT MUST BE ADDRESSED BY THE APPROPRIATE COMMITTEE AND THAT COMMITTEE’S INTERPRETATION WILL STAND AS THE RULE UNTIL THE NEXT YEAR WHEN AN APPROPRIATE RULE CHANGE WILL BE SUBMITTED.  

BOD 1/14/07 Effective immediately

EQ108 Position.  
1. General. Rider should have a workmanlike appearance, seat and hands light and supple, conveying the impression of complete control should any emergency arise. Exhibitors may ride side saddle in Adult Equitation classes but not in classes restricted to Juniors.  
2. Hands. Hands should be over and in front of horse’s withers, knuckles thirty degrees inside the vertical, hands slightly apart and making a straight line from horse’s mouth to
rider’s elbow. Bight of reins may fall on either side. However, all reins must be picked up at the same time. When using two reins, the snaffle rein should be on the outside while the curb rein is on the inside. \textit{BOD 1/15/06 Effective 12/1/06}

3. Basic Position. The eyes should be up and shoulders back. Toes should be at an angle best suited to rider’s conformation: ankles flexed in, heels down, calf of leg in contact with horse and slightly behind girth. Iron should be on the ball of the foot and must not be tied to the girth.

4. Position in Motion. At the walk, sitting trot and canter, body should be a couple of degrees in front of the vertical; posting trot, inclined forward; galloping and jumping, same inclination as the posting trot.

5. Mounting and Dismounting. To mount, take up reins in left hand and place hand on withers. Grasp stirrup leather with right hand and insert left foot in stirrup, toe in girth and mount. To dismount, rider may either step down or slide down. The size of rider must be taken into consideration.

\textbf{EQ109 Appointments.}

1. Personal. Exhibitors and judges should bear in mind that at all times entries are being judged on ability rather than on personal attire. Riders should wear coats of any tweed or Melton for hunting (conservative wash jackets in season), breeches or jodhpurs and boots. Conservative colored protective headgear \textit{with no additional adornments} in accordance with GR318.3 is mandatory. Spurs, crops or bats are optional. Judges may penalize contestants who do not conform. When management permits Hunter or Hunter Seat Equitation riders to ride without jackets, riders must wear traditional, short, or long-sleeved riding shirts with chokers or ties. Polo shirts and chaps are not permitted except in unjudged warm-up classes. Management or Judge may eliminate an exhibitor who is inappropriately attired. \textit{BOD 1/15/06 Effective 12/1/06}

2. Tack. Regulation snaffles, pelhams and full bridles, all with cavesson nose bands, are recommended. A judge at his own discretion can penalize a horse with nonconventional types of bits or nose bands. Boots and conservative colored bandages are permitted. Type of saddle is optional. Martingales are permitted in classes over obstacles and in the jumping phase of classes requiring both jumping and flat work. They are prohibited on the flat in any class or phase. Riders may change equipment during different phases of a class. \textit{BOD 1/15/06 Effective 12/1/06}

3. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, etc.) while in the competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried. Exception: A handicapped participant may use electronic devices if, prior to the class, he/she presents to the USEF Steward written justification from treating personnel setting forth the necessity of the equipment.
**EQ110 Class Routine.**

1. **Over Obstacles.** The performance begins when the horse enters the ring. Except for refusals, jumping faults of the horse are not to be considered unless it is the result of the rider's ability. No rider can be eliminated until ten riders have completed the course, or a number equal to the ribbons being awarded. (Exception: three refusals, fall of horse and/or rider and off course). The following will result in elimination: a) fall of horse and/or rider; b) three cumulative refusals (exceptions: USEF Medal Finals, USEF Pony Medal Finals and Maclay Finals, exhibitors will be eliminated after two cumulative refusals); and c) off course. An eliminated competitor may make one attempt to jump an additional single obstacle but may not continue thereafter. If elimination occurs during a ride-off, the competitor is placed last of all those chosen for the ride-off. The following constitute major faults and can be cause for elimination: a) a refusal; b) loss of stirrup; c) trotting while on course when not part of a test; and d) loss of reins. Each competitor may circle once before approaching the first obstacle. He then proceeds around course keeping an even pace throughout. If a refusal occurs in a double or triple, competitors must rejump all obstacles in the combination. Any or all competitors can be called back to perform at a walk, trot and canter or to execute any appropriate tests included in class requirements (see EQ112 and EQ113). In the event that a rail comes down, first score the knock down within the context of the round. Unless the knock down is caused by a MAJOR rider error, it should not be considered a MAJOR riding fault. BOD 1/15/06 Effective 12/1/06  BOD 1/14/07 Effective 4/1/07 EC 7/16/07 Effective immediately

2. **Not to Jump.** Competitors shall enter ring and proceed at least once around ring at each gait and, on command, reverse and repeat. Riders may be asked to work collectively without stirrups in Intermediate, 14 and over and Open classes. The order to reverse can be executed by turning either toward or away from the rail. Light contact with horse's mouth is required. Entries then line up on command. Any or all riders may be required to execute any appropriate tests included in class requirements (EQ112 and EQ113). All tests used must be on the flat. Judges are encouraged to call for at least two tests of the top contestants.

3. **Outside Assistance.** Outside assistance will be penalized at the judge's discretion.

4. **In cases of broken equipment or loss of shoe, the competitor must continue or be eliminated.**

**EQ111 Course Requirements.**

Classes must be held over at least six obstacles.

1. In Maiden, Novice, Limit and classes for under 14 years, jumps cannot exceed 3' and wings must be at least 24” wide.

2. In Intermediate classes obstacles cannot exceed 3'3”.

If only one element of a combination is being jumped, it must be the last element.

8. Verticals may be jumped in either direction provided ground lines are correct, i.e. no false ground lines. BOD 1/15/06 Effective 12/1/06

9. It is recommended that one class in each competition be held over a jumper-type obstacles to encourage interest in FEI competition and one over hunter course so that riders can be judged on their ability to establish and maintain an even hunting pace.

10. In Open Equitation classes for riders 12 years of age and older, ASPCA Maclay classes, and all USEF Medal classes, the course must include at least one change of lead, a combination including an oxer and 1/3 of the obstacles must be oxers. In addition, all courses must include at least three of the following: BOD 1/15/06 Effective 12/1/06

   a. Bending Line
   b. Narrow Jump (6'-8')

11. In USEF Hunter Seat Medal classes courses must be 3’6” with spreads to 4’. (Exception: triple bar type obstacles, maximum spread of 5’.) The top element of all obstacles must be securely placed so that a slight rub will not cause a knockdown. If breakaway or safety cups are used the top cup must be the deepest standard cup available.

BOD 1/15/06 Effective 12/1/06

12. If an option fence is used, a rider may choose to jump either fence. If the horse stops at one of the options, the rider is scored with a refusal and if the fence is dislodged must wait for the fence to be reset, but may then jump either option.

9. USEF HUNTER SEAT MEDAL CLASS.

a. Open to Junior Active Members of the Federation who have not yet reached their 18th birthday. Application for membership can be made direct to the Federation office or the exhibitor can join prior to the class through the steward. To be shown over a course of not less than eight obstacles at 3’6” which must include one combination including an oxer and two changes of direction (change of lead) after the first obstacle. Two cumulative refusals in the USEF Hunter Seat Medal Finals will result in elimination, see EQ110.1. In CT, NJ, NY a rider must win 60 pts.; in FL, MA, PA, and RI 38 pts.; in AL, CA, DE, GA, IA, IL, MD, MN, NC, NE, ND, OH, OK, SC, SD, TN, VA and WI 25 pts.; in all other states, Canada and Puerto Rico 13 pts. to qualify for the final ride-off. Any exhibitor who does not participate in the testing is placed last of those exhibitors called back to test. Should more than one exhibitor fail to return for testing they will be placed at the judge’s discretion. Only one rider per horse. To fill a class six competitors must complete the course (five in Zones 8, 11 and 12). For purposes of determining the number of entries for the increment system, the number of entries is determined by the number of exhibitors who compete in a class or section of the class. If there are 50 or more entries at the beginning of this class, it must be divided by every other number and run as two or more separate sections. A class with fewer than 50 entries cannot be split. The USEF Hunter Seat Medal Finals will be judged by at least one judge who holds an "R" Registered status in the Hunter Seat Equitation Division.    c. **Schooling Rules for Medal Finals**

   (1) One hour before the class begins competition management will set in place the jumps in the schooling area(s). The jumps will be flagged to show the direction of the jumps. These flags may be changed, red on right, white on left.

   (2) **Verticals can be made into oxers and oxers can be made into verticals.** The jumps may be raised or lowered, widened or narrowed. BOD 1/14/07 Effective 4/1/07

10. **USEF PONY MEDAL CLASS.** Open to Junior Active Members of the Federation who have not yet reached their 18th birthday, on ponies 14.2 hands and under. No Junior over 12 years of age may compete on a small pony. No Junior over 14 years of age may compete on a medium pony. Application for membership can be made directly to the Federation, or the exhibitor can join prior to the class through the Federation steward. Riders entered in this class cannot cross enter into a USEF Medal Class at the same competition. Suitability of a pony to rider will be emphasized. To be shown over a course of not less than six obstacles 2’3” for ponies not exceeding 12.2 hands; 2’6” for ponies over 12.2 hands and not exceeding 13.2 hands; and 3’ for ponies over 13.2 hands. If an in and out is used, the suggested distance for small ponies is 20’; for medium ponies 22’; and for large ponies 24’. The distance must be altered for each height division. Two tests (1-9) are required during the first round. Only one rider per pony. To fill a class six competitors must complete the course (five in Zones 8, 11, and 12). **Two cumulative refusals in the USEF Pony Medal Finals will result in elimination, see EQ110.1.** This class may be judged as one class, with all height sections run consecutively; or management may elect to divide and pin this class in three separate sections, small, medium and large or to divide into two sections, small-medium and large or small and medium-large. In no case may sections be divided into small-large and medium. When classes are divided as outlined above an exhibitor may only ride in one section per competition. Ribbon winners in each section will receive qualifying points. The USEF Pony Medal may be run concurrently with the small, medium, and large pony division. The green pony division cannot be run with the USEF Pony Medal card open as the fence heights are not consistent. However, green ponies may jump in the USEF Pony Medal when the card is held open during the regular pony division if they so choose. A rider who accumulates 30 pts. will receive a silver medal from the Federation and will qualify for the Finals which is held in conjunction with the USEF Pony Competition. 1st place = 30 pts.; 2nd place = 15 pts.; 3rd place = 10 pts. A rider that has qualified for the Finals can continue to compete in qualifying classes. The winner of the Finals may no longer ride in the Finals or in qualifying classes. Classes held after July 1 will count toward the next year’s Final. Riders cannot enter both the Hunter Seat Medal Finals and the Pony Medal Finals in the same year. If there are 50 or more entries at the beginning of this class, it must be divided by every other number and run as two separate classes.

**BOD 1/15/06 Effective 12/1/06 BOD 1/14/07 Effective 4/1/07**

For complete details on application to offer this class, as well as instructions on submitting results, competition management should contact the National Horse Show at 516-484-1865. Winners of twenty Talent Search Classes are no longer eligible to compete in the USEF SHOW JUMPING TALENT SEARCH CLASS, but may compete in the Finals until they reach their 21st birthday under Federation rules.

Winners of the Finals may continue to compete in the USEF SHOW JUMPING TALENT SEARCH CLASS, in pursuit of additional wins leading towards Gold, Silver and Bronze Medals in recognition of these wins, but may not compete in future Finals.

Non-U.S. citizens may compete in the USEF SHOW JUMPING TALENT SEARCH CLASS, but not the Finals.

If 50 or more entries are received three hours prior to the start of the class, the class must be divided equally and run as two separate classes.

All competitions planning to hold this class must apply at least four weeks prior to the competition to the United States Equestrian Federation office at the Lexington, KY address, for permission to hold the class. This application should be made at least four weeks prior to the competition. Please include the name of the competition, the dates, and the name and address of a contact person.

Competitors must use the same horse in both phases. Competitors may ride stallions. The jumping phase of the class shall be over a course of at least ten fences from 3’6” to 3’9” in height with spreads to five feet. The course should be of the type used in a Junior or Preliminary Jumper class. Time allowed will be figured at 360 yards per minute; may be timed either electronically or manually. To be judged on style and execution. Time and jumping faults should be taken into consideration in the judge’s evaluation of the rider.

In the flat phase, not more than 30 riders at one time will show as a group at the working walk, the working trot sitting, the working trot rising, as well as showing a lengthening of stride; the working canter, and the working canter showing a lengthening of stride. All riders being considered for an award shall be required to show the working canter on the counter lead for at least one full revolution of the arena in both directions, but not more than 12 shall counter canter at one time. Judges may require any additional tests. To be judged on rider’s position and seat and the correctness and effect of the aids.
All riders must ride in the first phase offered. At least 20 riders, if available, or 50% of the entries, if that is a greater number, must be called back for the second phase. Rider participation in the first phase, whether it is the jumping phase or flat phase, constitutes entry into the class as a whole, regardless of whether the rider is called back for the second phase. To fill a class, SIX COMPETITORS MUST COMPLETE THE COURSE.

SUBCHAPTER EQ-3. SADDLE SEAT EQUITATION SECTION.

EQ115 Position.

1. General. Judges should note that the required Equitation Seat should in no way be exaggerated but be thoroughly efficient and most comfortable for riding the type of horse called for at any gait and for any length of time. In Saddle Seat Equitation classes, riders should convey impression of effective and easy control. To show a horse well, he should show himself to the best advantage. Ring generalship must be taken into consideration by the judges. A complete picture of the whole is of major importance. An exhibitor is entitled to request only one time-out per class. (See GR312). A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, other exhibitors, or their entries.

2. Hands. Hands should be held in an easy position, neither perpendicular nor horizontal to the saddle and should show sympathy, adaptability and control. The height the hands are held above the horse’s withers is a matter of how and where the horse carries his head. The method of holding the reins is optional however both hands must be used and all reins must be picked up at one time. Bight of rein should be on the off side.

3. Basic Position. To obtain proper position, rider should place himself comfortably in the saddle and find his center of gravity by sitting with a slight bend at the knees but without use of irons. While in this position adjust leathers to fit. Irons should be placed under ball of foot (not toe nor “home”) with even pressure on entire width of sole and center of iron. Foot position should be natural (neither extremely in nor out).
4. Position in Motion.
Walk: slight motion in saddle.
Trot: slight elevation in saddle posting; hips under body not mechanical up-and-down nor swinging forward and backward.
Canter: close seat, going with horse.
Slow Gait: steady in saddle, no slap nor twist; legs straight down, intermittent calf pressure permissible; hands slightly raised, flexible contact, no sawing.
Rack: seat smooth in saddle; legs down and slightly back, not thrust forward; hands low in motion with gait, not sawing but placement optional to individual rider and horse.

EQ116 Appointments.
1. Personal. Exhibitors and judges should bear in mind that at all times entries are being judged on ability. However, neatness is the first requisite regarding a rider’s attire and the following requirements are based on tradition and general present-day customs. Judges must eliminate those competitors who do not conform. Adjustments to tack and attire for valid medical reasons is permitted provided the steward is notified prior to the class.

Informal: Conservative colors are required (i.e., herringbone, pin stripes and other combinations of colors that appear to be solid). Solid colors include black, blue, grey, dark burgundy, dark green, beige or brown jacket with matching jodhpurs; derby or soft hat (may wear protective headgear without penalty, see GR318.4) and jodhpur boots. Only informal dress is permitted in Saddlebred Pleasure Equitation classes, day or night.

Formal: Even more conservative attire is required for evening classes. Solid colors include dark grey, dark brown, dark blue or black tuxedo-type jacket with collars and lapels of the same color, top hat, jodhpurs to match and gloves, or dark-colored riding habit, accessories and jodhpur boots. Formal riding habits are not to be worn before 6:00 p.m. and are not mandatory after 6:00 p.m.; exhibitors competing on Pleasure horses have the option to wear formal attire in Open equitation classes as specified by the rule.

Miscellaneous: Spurs of the unrowelled type, whips or crops are optional.

2. Tack.
Bridle: Entries shall be shown in full bridles (curb and snaffle). Pelham bits are permitted in Pleasure Equitation Classes. Martingales or similar tie-downs are prohibited.

Saddle: Flat English-type. Forward seat, Western and side saddles are prohibited.

EQ117 Class Routine.
Riders enter the ring turning to the right and proceed counterclockwise. All riders shall be worked both ways of the ring at all required gaits as directed by the judge. The order to reverse can be executed by turning either towards or away from the rail. Entries will line up on command and any or all riders may be required to execute any appropriate tests included in class requirements. (See EQ118 and EQ119). Judges are encouraged to call for at least two tests of the top competitors. When individual tests are called for, the judge’s opinion rests on a 50-50 analysis of the railwork and the individual tests. The fall of horse or rider does not necessarily cause elimination, but is penalized at the judge’s discretion. All
entries chosen for a collective workout must be worked both ways of the ring in front of each judge at any gait requested.

**EQ118 Requirements for Specific Classes.**

If a competition holds separate classes for riders of Five-Gaited horses, classes 1-7 (a-c) should suffice, with Tests 1-5.

The following three age limit classes are suggested but may vary according to local conditions: a) juniors who have not reached their 11th birthday; b) juniors who have reached their 11th but not their 14th birthday; c) juniors who have reached their 14th but not their 18th birthday. A competition committee can also offer classes for riders on a specific type of horse.

1. **Maiden.** For juniors who have not reached their 18th birthday. Tests 1-4.
2. **Novice.** For juniors who have not reached their 18th birthday. Tests 1-9.
3. **Limit.** For juniors who have not reached their 18th birthday. Tests 1-12.
4. **Under 11.** For juniors who have not reached their 11th birthday. Tests 1-7.
5. **11 and under 14.** For juniors who have reached their 11th but not their 14th birthday. Tests 1-12.
6. **14 and Over.** For juniors who have reached their 14th but not their 18th birthday. Tests 1-16.
7. **Open.** For juniors who have not reached their 18th birthday. Tests 1-16.
8. **WALK/TROT CLASS.** Open to riders 10 years of age and under. To be judged on the rail at a walk and trot only. Rider must not have ever been judged in a class at a recognized or non-recognized competition that required a canter. It is recommended that a class having 12 or more entries be divided. If a division is necessary, the recommended split is to divide the entries into a class for riders 8 years old and under and one for riders 9 and 10 years old. Headers will be permitted in the line-up and will be called in by the announcer after the class has lined-up and before they are judged. No tests shall be called. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, other exhibitors, or their entries.

9. **USEF EQUESTRIAN SADDLE SEAT MEDAL CLASS.** Open to Junior Active Members of the Federation who have not yet reached their 18th birthday. Application for membership can be made directly to the Federation or the exhibitor can join prior to the class through the show office. A rider must place first or second to qualify for the final ride off. One win eliminates the rider from further competition in this class for the remainder of the qualifying season. The winner will receive a Silver Medal. Two or more individual tests of the top four competitors are required. Tests 1-16. To fill a class two competitors must show with proper appointments. If there are more than 15 entries at the beginning of this class, it must be split and run as two separate classes. The same workout is required for both classes.
   a. **USEF SADDLE SEAT MEDAL FINAL.** To be eligible, the rider must have placed first or second in an official U.S. Equestrian Saddle Seat Medal Class. Entries must be worked on the rail in groups of 15 or less and all contestants are required to perform an individual workout. The final phase will be conducted in the same manner as the preliminary, except different tests can be used. Individual tests of all contestants in the final phase are required. The number of riders to be selected for the final phase shall be at the judge’s discretion. A rider’s performance in the preliminary has equal consideration as the performance in the final phase. Since the judge’s opinion rests on a 50-50 analysis of the railwork and the individual tests, a rider’s performance (if called back for the final phase) should be judged on a 50-50 analysis of each phase (i.e., preliminary railwork 25%, preliminary test 25%, final phase railwork 25%, final phase test 25%). The preliminary(s) shall also serve as an elimination for the Championship class.

10. **USEF SADDLE SEAT ADULT AMATEUR MEDAL CLASS.** Open to Senior Active Amateur Members of the Federation. Application for membership can be made directly to the Federation or the exhibitor can join prior to the class through the show office. All ribbon winners qualify for the final ride off. A win does not eliminate the rider from further competition in this class for the remainder of the qualifying season. The winner will receive a Silver Medal. Two or more individual tests of the top four competitors are required. Tests 1-16. To fill a class two competitors must show with proper appointments. If there are more than 15 entries at the beginning of this class, it must be split and run as two separate classes. The same workout is required for both classes.
a. USEF SADDLE SEAT ADULT AMATEUR MEDAL FINAL. To be eligible, the rider must have placed in an official USEF Saddle Seat Adult Amateur Medal Class. Entries must be worked on the rail in groups of 15 or less and all contestants are required to perform an individual workout. If the class consists of 12 entries or less it shall be held in a single phase. If there are 13 or more entries the class shall be run in two phases, a preliminary and a final. The final phase will be conducted in the same manner as the preliminary, except different tests can be used. Individual tests of all contestants in the final phase are required. The number of riders to be selected for the final phase shall be at the judge’s discretion. A rider’s performance in the preliminary has equal consideration as the performance in the final phase. Since the judge’s opinion rests on a 50-50 analysis of the railwork and the individual tests, a rider’s performance (if called back for the final phase) should be judged on a 50-50 analysis of each phase (i.e., preliminary railwork 25%, preliminary test 25%, final phase railwork 25%, final phase test 25%). The preliminary(s) shall also serve as an elimination for the Championship class.

11. NATIONAL HORSE SHOW SADDLE SEAT EVENT.
   a. For juniors who have not reached their 18th birthday. To be judged as a group at a walk, trot and canter. A minimum of three riders are required to individually execute a figure eight at a canter, trot back to the judge, stop and back. After which, Tests 1-16 may be called for. Judging is based 40% on railwork, 60% on individual workout. Horsemanship only to count. To fill a class, three competitors must show with proper tack. All winners of NHS Saddle Seat Events are qualified to compete in the Championship Finals at the National Horse Show. One win eliminates the rider from further competition in this class for the remainder of the qualifying season.
   b. National Horse Show Saddle Seat Event “Good Hands” Championship/Finals. To be eligible, entrant must have won a first place ribbon in a National Horse Show Saddle Seat Event at an approved competition and must be properly certified by the secretary of the competition at which such win was made. The winner of this championship is not eligible for further participation in this particular event. Open to junior riders who have not reached their eighteenth birthday. The finals consist of two sections: preliminaries and the Championship class. The preliminary class(es) shall also serve as an elimination for the Championship class. In the preliminary, all eligible competitors are to be judged as a group at the walk, trot and canter both ways of the ring and then are required to individually execute the mandatory workout consisting of a figure eight at the canter, trot back to the judge, stop and back. Judging is based 40% on railwork, 60% on individual workout. Judges shall select 10-15 contestants to compete in the Championship class. In the final phase, all contestants are to be judged as a group at the walk, trot and canter both ways of the ring. A minimum of the top eight contestants shall individually execute a prescribed workout. Further testing of any contestants may be requested at the judges’ discretion. Again, judging is based on a 40% railwork, 60% individual workout analysis. In the event a horse becomes incapacitated, upon examination of the competition’s veterinarian and a judge or steward, a substitution will be permitted.
   c. For permission to offer this class and complete details, contact the National Horse Show Association of America, P.O. Box 386, Greenvale, NY 11548, enclosing fee of $35.

12. CHAMPIONSHIPS. To be awarded on a competitive basis. Can be held: a) as a free post entry class, open to any designated number of place winners (minimum of two) in previous classes in the Saddle Seat section except Maiden, Novice and Limit classes; or b) as an Open class for juniors who have not reached their 18th birthday with advance entries for riders that have competed in at least one other class in the Saddle Seat section. An Adult rider can only show back in an Adult Saddle Seat Championship. At least the top four (4) riders must be worked individually from any of the Saddle Seat Equitation Tests appropriate for the class. (See Rules EQ118 and EQ119)

13. PLEASURE EQUITATION. For juniors who have not reached their 18th birthday, on horses with full mane and tail with natural carriage. Horses cross entered in the Country Pleasure division at the same competition may not wear tailsets or bustles while on the grounds. Riders competing in these classes cannot show in any other Saddle Seat Equitation classes at the same competition, except USEF Medal, UPHA, NHS and American Saddlebred Pleasure Equitation Medallion Saddle Seat classes on pleasure horses with full mane and tail with natural carriage. Riders competing in Pleasure Equitation
classes are eligible to compete in the Open Saddle Seat Equitation Championship if a Pleasure Equitation Championship is not offered at that competition on pleasure horses with full mane and tail with natural carriage. Classes may be divided as to sex and age.

14. ADULT SADDLE SEAT EQUITATION. Open to amateur riders 18 years of age or older.

15. SADDLE & BRIDLE’S AMERICAN SADDLEBRED PLEASURE EQUITATION MEDALLION CLASS. Eligibility to compete in the Pleasure Medallion is limited to those riders who have not reached their 18th birthday and show ONLY American Saddlebred Pleasure horses in equitation classes during a given competition season. This does not exclude saddle seat equitation riders showing other breeds. Country Pleasure horses and Show Pleasure horses may both compete. A minimum of three riders must be entered shown and judged in order to be an official Medallion qualifying class. Six ribbons will be tied. The Medallion and ribbons cannot be awarded if there are less than three in the class. The current Federation rules for Saddlebred Pleasure Equitation should be used as guidelines for judging. In addition, it is recommended that the judge, upon his/her discretion, ask for a stop and back a few steps on the rail, the horse to stand quietly, and demonstrate a brisk trot. An appropriate work-out is to be selected by the judge and the top four riders are required to work. It is recommended that in the case of a relatively small class all riders be given the opportunity to work rather then leaving a few out of the work-out. Recommended work-out should include the following: riders must leave the line-up, must include a change of diagonals and a change of direction. Winner qualifies for the finals at the St. Louis National Charity Horse Show in the fall. One Medallion class win eliminates that rider from further competition in qualifying classes that season. A 13 and under rider competing in a 17 and under Medallion class will be qualified for the finals by winning or placing second. A 13 and under rider who qualifies by placing second may continue to show in Medallion classes. If a show offers both a 13 and under and 14 through 17 Medallion class, only the winner of each class shall be qualified. The qualifying season begins September 10 of each year. For permission to offer this class and complete details, contact “Saddle and Bridle”, 375 North Jackson Avenue, St. Louis, MO 63130. A fee of $50 must be enclosed.

16. SADDLE AND BRIDLE’S AMERICAN SADDLEBRED PLEASURE EQUITATION MEDALLION CHAMPIONSHIP.

   a. Phase I. All entries must be worked on the rail in groups of 20 or less and all contestants are to perform an individual workout. A minimum of 12 (if available) and no more than 14 riders shall be chosen for Phase II of the Championship Class. In all Championships, no predetermined number of riders need be selected from each group. Each judge will assign a numerical score for each rider on the rail and hand in numbers after each selection. The railwork score and workout score will be added together with all three judges. The top 12 to 14 riders to come back for Phase II will be determined in this manner. The judges will decide on the number to come back within the 12 to 14 limit.

   b. Phase II. Phase II will be judged in the same manner.

   c. Scoring. Preliminary railwork 25%, Preliminary workout 25%, Final phase railwork 25%, Final phase workout 25%. All four scores for each rider will be added together for the placing of the class. The top ten will be called back into the ring. Awards to be given in reverse order.

17. UPHA CHALLENGE CUP.

   a. Eligibility—Open to all saddle seat equitation riders, 17 years of age and under, riding a mare or gelding of any breed. Two UPHA Challenge Cup classes may be offered at the same competition, one for riders 14-17 years of age and one for riders 13 years of age and under, with separate awards. No minimum number of entries is required to fill a class. One UPHA Challenge Cup win eliminates that rider from further competition in qualifying classes that season.

   b. Championship Eligibility—Residency requirements pertain only to UPHA Challenge Cup Chapter Championships. Rider must compete within the Chapter in which they reside (residence to be determined by the legal voting residence of the rider’s parent or guardian). The first four places in qualifying classes are eligible to compete in the Chapter Championships. Chapter Championships are optional.

All UPHA Challenge Cup winners, and the first and second place winners in the Chapter Championships, are eligible for the UPHA National or Junior Challenge Cup Championships (specific qualifying procedures for the Walk/Trot, Adult, Morgan, National Show Horse and
Pleasure Challenge Cup Championships are contained under their respective headings. The qualifying season for all National and Junior Championships closes two (2) weeks prior to the beginning of the competition at which the Championship will be held. At that time, the qualifying season for the following year will begin. All UPHA National Challenge Cup Championship winners are ineligible for further competition in UPHA Challenge Cup classes. The Junior Challenge Cup Championship winner may compete for the National Championship in a succeeding year, but is ineligible for further competition in Junior Challenge Cup classes. When entering Chapter, National or Junior Challenge Cup Championships, riders must indicate on the entry form the competition and location at which they qualified.

With the inception of the 13 & Under Junior Challenge Cup Championships, the National, Morgan, Arabian Breeds, and Pleasure Challenge Cup Championships will remain 17 & under classes (as opposed to Senior, or 14-17 championships) in order to accommodate under age winners of the Junior Challenge Cup Championship in a succeeding year. Any rider regardless of age, who is qualified has the option of showing in the National Championship but a 13 & under rider may not show in both the Junior and National.

c. Judging Specifications - Showmanship is paramount throughout the class. Judging in all UPHA Challenge Cup qualifying classes is based 60% on rail work and 40% on the individual workout. In qualifying classes and Chapter Championships (except Walk/Trot classes), the top four (4) riders must be worked individually; more may be worked at the judge’s discretion. Showmanship is a primary factor throughout the class, therefore, “Show Your Horse” is no longer a necessary or acceptable test. The mandatory workout in all qualifying competitions (except Walk/Trot classes) is: “Trot a serpentine to the opposite end of the ring. Return down either rail at a show trot.” Judges are not permitted to alter the mandatory workout in any manner.

d. Judging Specifications for the Championships - In all Chapter, National and Junior Championships, the judge(s) must be Registered or Recorded with USEF Judges for the Championships are selected from nominees from each UPHA Active member and a list will be furnished to respective competition managements annually.

In the National and Junior Championships, the preliminary work is called Phase I, in which all contestants must work in a group (or in groups) of 20 or less on the rail and complete an individual workout. Twelve (12) riders will be chosen for Phase II which is the Championship Class. No predetermined number need be selected from each group. Exceptions: A) In the UPHA 10 & Under Walk/Trot Championship, riders will work in groups of twelve (12) or less and will not be asked to perform an individual workout. Ten (10) riders shall be chosen to return for Phase II. B) In the UPHA 11 & Under Championship, riders will work in groups of twelve (12) or less and complete a mandatory work out. The mandatory Championship workout is: A serpentine consisting of four (4) half-circles: trot the first half-circle, canter the second and third half-circles, trot the fourth half-circle. Return down either rail at a show trot. Ten (10) riders shall be chosen for Phase II.

If the class is divided because of its size, it is to be split by every other number. All riders must compete at the walk, show trot and canter both ways of the ring and line up. The divisions are to be dismissed on standby, with the individual workouts executed immediately following completion of the rail work.

Individual copies of the Judge’s Phase I workout must be available to each rider from the competition office no less than one (1) hour prior to the performance.

The 10 & Under Walk/Trot Championship shall be judged 50% on Phase I—Preliminary and 50% on Phase II—The Championship.

In all Junior Championships (Riders 13 & Under), judges are cautioned not to ask for an inappropriate, or illegal, workout. Thirteen and under riders may be asked to perform U.S. Equestrian tests #1 through #12. They are not permitted to change leads on or off the rail. Simple serpentines and figure eights are acceptable, however, diagonal line changes (which include a canter or any line cantering off the rail) are not permitted in any manner. The basic figures, or combination of the basic figures, are the intent in all Junior Championships.

In all National and Junior Championships (except the Walk/Trot Championship), Phase I and Phase II must be judged as a continuous class and must be evaluated using a 1/3-1/3-1/3 analysis. In Phase I, the rail work portion and the individual workout shall constitute 1/3 of the overall judging, or 2/3 of the total class. Phase II (the Championship), in which only rail work is performed, shall constitute the remaining 1/3 of the total class.
There will be no less than six (6) hours between the end of Phase I and the beginning of Phase II, and no more than two (2) consecutive days between the two Phases. When the riders return to the ring for Phase II, the announcer is to state that they have been previously judged on rail and figure work. No individual workouts will be requested in Phase II, however, at the judges’ discretion, selected riders may be requested to do additional rail work as a group for the purpose of breaking a tie. They may not be asked to exchange horses or to ride without irons.

A Champion and Reserve Champion will be chosen in all National and Junior Championships, with the next eight (8) riders placed in numerical order. (Two unannounced reserves should be tied) The “Top Ten” will be announced first, followed by the Reserve Champion and the Champion. It is recommended that all riders be retired to a holding area outside of the ring and then brought back in individually and numerically for the “Top Ten” awards and the presentation of the Reserve Champion and Champion. The same horse must be used in both Phases of the Championships, unless the animal is sick or lame, in which case a veterinarian’s certificate is required.

e. Specifications and Qualifying Procedures for Other Challenge Cup Programs.
(1) UPHA 10 & Under Walk/Trot Challenge Cup. Open to riders 10 years of age and under. Walk/trot riders must canter after the beginning of his/her nine year old competition year if they have shown in as many as three competition years in that division. The recording of a rider’s participation in this division will begin in 2001. Competition year is defined by the Federation as December 1 through November 30. To be judged on the rail at a walk and trot only. Rider may not have ever been judged in a class at a recognized or non-recognized competition that required a canter. This also includes Tournament and academy classes. It is recommended that a class having more than twelve (12) entries be divided. If a division is necessary, the recommended split is to divide the entries into a class for riders 8 years of age and under and one for riders 9 to 10 years of age. Headers will be permitted in the line-up and will be called in by the announcer after the class has lined-up and before they are judged. One attendant without whip is permitted to head each horse during the line-up. The header may stand the entry on its feet and then must stand three paces back from the horse and is only allowed to touch the horse for safety purposes. It is imperative that the horse stand quietly. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, other exhibitors, or their entries. All ribbon winners will be eligible for the Championship class. A win of a qualifying class does not eliminate that rider from further competition in qualifying classes that season. The winner of the UPHA 10 & Under Walk/Trot Championship will be ineligible for further competition in the UPHA Ten & Under Walk/Trot classes. They will be eligible to compete in the UPHA Challenge Cup classes at that time. **BOD 1/1/407 Effective immediately**

(2) UPHA 11 & Under Challenge Cup. Open to all riders 11 years of age and under. In qualifying UPHA 11 & Under classes, class procedure will be the same as in all UPHA Challenge Cup qualifying classes. Riders compete at the walk, trot and canter both directions of the ring, line up, and a minimum of the top (4) are required to perform the mandatory workout (serpentine at the trot), more may be worked at the judge(s) discretion. To qualify for the UPHA 11 & Under Championship, a rider must compete and place (first through eighth) in a 17 & Under, 13 & Under, or an 11 & Under UPHA Challenge Cup class. A win of the UPHA 11 & Under Challenge Cup class does not eliminate the rider from competition in the 11 & Under classes for the remainder of the season. However, a win of either a 17 & Under or a 13 & Under UPHA Challenge Cup class eliminates a rider from further competition in both age groups, but not in the 11 & Under age group, for the remainder of the qualifying season. In the UPHA 11 & Under Championship, Phase I will consist of rail work in groups of twelve (12) or less and the completion of an individual workout. The mandatory workout is: “Trot a serpentine to the opposite end of the ring. Return down either rail at a show trot.” In the preliminary Phase I, ten (10) riders shall be chosen to come back for Phase II, the Championship class. All other specifications for the 11 & Under Championship are the same as in the National and Junior Championships.
(3) UPHA Adult Challenge Cup. Open to all amateur riders 18 years of age and over. All ribbon winners will be eligible for the Championship class. In the Championship class, a minimum of four (4) riders must perform an individual work-out. The judge(s) may use any of the recognized tests 1-16 (refer to EQ119). Since there is not a Phase I preliminary in the UPHA Adult Challenge Cup Championship, judging specifications shall be 60% on rail work and 40% on the individual workout. A win of a qualifying class does not eliminate that rider from further competition in qualifying classes that season. In order to compete in the Championship a rider must qualify in a UPHA Adult Challenge Cup class. Winners of the UPHA Adult Challenge Cup Championship will be eliminated from further competition in UPHA Adult Challenge Cup classes after two (2) consecutive or non-consecutive wins of the Championship.

(4) UPHA Morgan and National Show Horse Challenge Cups. Open to riders 17 years of age and under, riding a Morgan or National Show Horse mare or gelding. Both Morgan and National Show Horse riders have the option of competing in the UPHA Challenge Cup National or Junior Championship and in their respective breed Championships, however, one win of a UPHA Challenge Cup will not qualify a rider for both Championships. Separate qualifications are required. Morgan and National Show Horse riders can qualify for their respective breed Championships by placing first or second in a UPHA Morgan Challenge Cup (for Morgan riders) or a UPHA National Show Horse Challenge Cup (for National Show Horse Riders), or first through fourth in an open UPHA Challenge Cup. A win of an open, Morgan, or National Show Horse Challenge Cup eliminates the rider from further competition in that class for the remainder of the qualifying season.

(5) UPHA Pleasure Challenge Cup. Open to all saddle seat equitation riders 17 years of age and under riding a mare or gelding of any pleasure type. Eligibility to compete in UPHA Pleasure Challenge Cup classes is limited to those riders who show ONLY pleasure equitation horses of the Saddle Seat breeds during a given competition year. Pleasure equitation riders will qualify for the UPHA Pleasure Challenge Cup Championship by placing first or second in a UPHA Pleasure Challenge Cup or first through sixth in an open UPHA Challenge Cup. Pleasure equitation riders have the option of showing in the UPHA National or Junior Challenge Cup Championships as well as the UPHA Pleasure Challenge Cup Championship, however, they must have separate qualifications for both championships. Only a win of an open UPHA Challenge Cup qualifies a rider for the UPHA National or Junior Challenge Cup Championship. A win of either an open UPHA Challenge Cup or a UPHA Pleasure Challenge Cup eliminates a rider from further competition in that class for the remainder of the qualifying season. The rider may then elect to show in the Challenge Cup division they have not yet won if they need a second qualification for either championship. The UPHA Pleasure Challenge Cup and Championship will be governed by the same rules, judging specifications and procedures as the open UPHA Challenge Cup.

18. SADDLE & BRIDLE’S FIVE GAITED HORSEMANSHIP. Open to amateur riders of any age showing a five-gaited American Saddlebred. Stallions are prohibited. The spirit of this class is to reward riders with exceptional horsemanship skills. Emphasis should be on a rider’s awareness of the horse’s performance. Breaking of gait, extreme speed, pacing and excessive bridle movement is to be penalized. Smooth transitions, a square trot, true slow gait and rack and a controlled canter are to be emphasized. Form should be appropriate for the enhancement of a five gaited horse, although equitation rules will be followed. To be judged at the five gaits both ways of the ring and on an individual workout. Canter lead changes or canter departures off the rail cannot be requested as testing in qualifying classes or the Finals. To be judged 60% rail work, 40% workout. One of the two designated workouts may be used.

a. Execute a serpentine as follows: slow gait the first loop, trot the second and third loops, slow gait the fourth loop and return down the rail at a rack.

b. On the rail, to the right, trot first third, continue trot a circle, stop, slow gait the second third and continue to slow gait a circle, continue at a slow gait around the turn and rack down the opposite rail.
19. SADDLE & BRIDLE’S FIVE GAITED HORSMANSHIP FINALS. To qualify riders must compete and be judged in a qualified class within the qualifying season. A win in a qualifying class does not eliminate the rider from further competition in that qualifying season. For permission to offer this class and complete details, contact “Saddle & Bridle Magazine,” 375 North Jackson Avenue, St. Louis, MO 63130.

20. US SADDLE SEAT WORLD CUP SELECTION TRIALS

Appointments.

a) Personal: Riders are to wear Kentucky Jodhpurs in conservative colors with a closely fitted shirt or sweater tucked into the waist of their pants. The shirt/sweater should also be of conservative nature in design and color. Jodhpur boots and riding gloves are mandatory. Optional items include a conservative belt, non-roweled spurs, and protective headgear. Ties, vests or hats of any kind (exception: protective headgear) are not allowed. Hair shall be neatly groomed so as not to detract from the riders’ general appearance.

b) Tack: Bridle shall be light, show type; either single snaffle, curb and snaffle or Pelham bit. Martingales are allowed. Riders are to provide their own saddles, stirrups/leathers and whips.

Class Conduct.

a) Riders will compete on not less than two horses during the duration of the riding portion of the competition. During the rail work phase riders will work at the walk, trot, and canter (Five-Gaited may include slow gait and rack depending on horse availability) both directions of the ring. The hosting director will divide riders into groups of sizes deemed manageable with regard to the horses being used for the competition.

b) Patterns will be executed individually by each rider on a minimum of two different horses. The patterns to be performed will be divided into segments, each of which will have an assigned score. Copies of the patterns will be distributed to the riders at the drawing of the horses. The order of go for the patterns shall be determined by a draw, to be conducted in conjunction with the riders’ draw of horses.

c) There will be absolutely NO coaching while riders are being evaluated by the judging panel. This rule includes both instructors and members of the audience. This rule will be STRICTLY ENFORCED. Violations of this rule could result in the elimination of a rider and/or the expulsion of the person doing the coaching from the arena area. The decision of the USEF Steward, in consult with attending members of the Executive and Selection Trials Committee or the designees shall be final.

d) The hosting director shall determine the number of rail and pattern rides based on horse availability. This will be announced no later than the riders’ draw of horse/order of go assignments, which is typically conducted the day before the trials.

e) Rides and interviews will be scheduled by the hosting director as deemed appropriate. The contestants’ ride/interview schedules will be given to them at the same time that the draw is conducted. Breaks will be scheduled during each day’s events. Should time restraints require any adjustments to the set schedule, such changes will be announced by the official Event Announcer as far in advance as possible.

f) Competitors will be allowed two five minute time outs for breakage of equipment or a cast shoe during the competition. If in the second time out a successful repair/replacement cannot be satisfactorily achieved an emergency alternate horse may be substituted by the host. If the five-minute time allotment for the second time out for the same horse in insufficient to make the repair or replacement, an additional five minutes will be awarded. At the conclusion of the allotted time, the rider must proceed on either the same horse or on the emergency alternate or withdraw from that phase of the competition. A rider who withdraws will not receive a score for that phase of the competition but may continue in the next phase in which they are entered either with repaired equipment, replaced shoe or on an alternate horse.

Interview.

The inclusion of an interview as a scored portion of the competition is at the discretion of the Council. The council and Selection Committee will determine if the interview portion will be included in the selection process for a given team selection competition. When the Council elects to include the interview, the percentage assigned to that portion of the competition shall be declared prior to the opening of the application process and publicized to all finalists prior to their acceptance of the finalist bids. When included, interviews shall be conducted by a panel of three interviewers, generally to be provided by the hosting institution. The duration of each interview will be ten minutes. The interview will consist of five ques-
tions, to be selected from a list of ten questions that will be provided to the riders in advance of the interview. Questions will be likely to include such topics as current world and national events, history, geography, etc. Riders will be evaluated primarily for their ability to conduct themselves in a positive, articulate and professional manner, as befitting a representative of both the United States and the Saddle Seat Equitation community. The Council and the hosting director reserve the right to change the number of interviewers based on availability, but will make every effort to secure a minimum of three panelists.

Scoring.
a) RAIL: Rail work will be evaluated using a numerical system based on a perfect score total of 100 from each judge.
b) PATTERN: Each pattern will be divided into segments, which will carry possible score values as determined by the panel of judges and/or organizers prior to the competition. Each pattern will have a total possible score of 100 points from each judge, resulting from the combined total of the segment scores.
c) INTERVIEW: Each rider will earn a score of up to 100 possible points from each member of the interview panel.
d) ORDINAL CONVERSION: The numerical score given by an evaluating official (either judge or interviewer) for each rider at the conclusion of each phase (with phase defined as a railwork, pattern or interview segment completed by all finalists for that particular trials) will be converted to an ordinal, with each judge’s highest numerical score converting to a ‘1’, the next highest a ‘2’, etc.
e) Numerical scores for each ride of every contestant will be announced at the conclusion of the ride with the exception of the final rail ride scores. These scores will only be made public following the announcement of the team at the Awards Ceremony.
f) The grand total score for each rider shall be a combination of the ordinals awarded by all judges/interviewers from all railwork, patterns and interview phases. Those riders who hold the five lowest cumulative ordinal scores will be named as members of Team USA, and will represent the United States at the International Saddle Seat Equitation World Cup for the designated competition year.
g) In the event of a tie, preference will be given to the rider with the lower combined rail ordinal scores from all judges. If a tie still exists, preference will be given to the rider with the lower combined pattern ordinal scores from all judges. If the above methods are insufficient to break the tie, preference will be given to the rider with the lower combined interview ordinal scores from all interviewers. If none of the above methods are sufficient to break the tie, preference will be given to the rider with the total ordinal scores from all interviewers. If none of the above methods are sufficient to break the tie, the lower combined total ordinal scores for the railwork and pattern segments of the competition as issued by one judge determined by the Council to serve as the Referee shall have precedence. The referee shall be announced prior to the start of the competition, generally at the event where riders draw for horses, order of go, etc.

Alternate Rider Status.
The 6th place rider will be named the alternate and is considered “on call” to replace any member of the top five who must step down for health or emergency personal matters prior to the official start of the International World Cup event. In the case of an away competition, the ‘official start’ has generally been defined as the time at which the team members depart for the host country. Any exception to this rule shall be strictly the jurisdiction of ISSEA (International Saddle Seat Equitation Association), and their judgment on such matters is final. The US Council MAY, at their discretion, elect to provide apparel or other official team items to the alternate. Participation by the alternate in promotional and fundraising events within the US is strongly encouraged. The alternate will not be sponsored as a team member for travel to the International competition, but is encouraged to attend and support the US team. It is left to the discretion of the host country for each International Saddle Seat World Cup event to set policy regarding the level of participation that alternates may have in the various ceremonies or functions associated with the event. It is the current policy of the US Council to be as inclusive as possible to alternates and auxiliary officials of visiting teams who attend competition here in the US, and we have encouraged other hosting nations of ISSEA to make every effort to extend the same courtesy.

Judging.
a) The riders are to be judged 45% on rail work (22.5% each on two rides), 45% on patterns (22.5% each on two patterns), and 10% on personal interview. The percentages allocated to each phase may be changed by vote of the Council for a given competition year; however, the percentages allocated to each portion must be publicized prior to the start of the application process and must be disclosed to finalists prior to their acceptance of the finalist bids.
b) Riders will be scored by a panel of six judges. Judges shall be selected from the current United States Equestrian Federation, Inc. Licensed Officials list. It is preferable that all judges hold a Registered (R) designation in Saddle Seat Equitation, although judges holding Recorded (r) designations in Saddle Seat Equitation may also officiate. In rare circumstances, a judge who does not hold current designation from USEF may be utilized provided that the proper Guest Card procurement procedures are followed. In the event that a judge is unable to begin or complete the scoring of the entire event, it shall be the right of those members of the US Council Executive Committee, Selection Trials Committee and their designees in attendance to vote to amend the number of judges or utilize substitutes. Every effort to maintain the integrity of the scoring and the fairness of the competition will be made in such case.
c) Judges will use the standards from Subchapter EQ-3, Saddle Seat Equitation, in the Federation Rule Book as their guideline for evaluating each rider. The scoring used will be a numerical system for all phases and the scores will be announced and posted with the exception as noted above in “Scoring”. The scoring system to be used will be explained in depth to each judge before the start of the competition. Judges may only call for tests 1-13 (see EQ119.1-13).
d) It is the Council's wish that the judges make a special effort to analyze each rider's form as well as his/her horsemanship abilities while keeping foremost in mind the unusual demands of the World Cup competition itself. A rider’s resiliency after a “rough” class should also be given due consideration in the scoring. The format for the trials event competition, which requires competitors to ride horses with which they have little or no familiarity*, was specifically designed to parallel the premise of the International event conditions. Further, the format is designed give judges the opportunity to evaluate each rider’s ability to respond to these unusual demands. [*Due to the nature of the horses often being donated for the competition, it is possible that riders may have ridden some of the horses used in the trials. Thus the Council will observe the ISSEA rules that a rider may not compete on a horse that he/she has previously owned or exhibited. In cases involving other types of familiarity, the hosting director will make every effort to ensure that there are no significant advantages given to riders who may have had experience with horses used in the trials competition. Such measures may include, but are not limited to the following: procurement of additional donated horses for the duration of the competition; availability of videotape for review by other finalists for the team in question prior to the competition which shows the hosting director giving instruction on the horse(s) in question in a non-competitive setting, etc.]

Awards.
No ribbons will be awarded to competitors in the trials. The event will conclude with the announcement of the teams at an Award Ceremony, generally held at the conclusion of the competition. Certificates of Participation will be presented to each trials finalist. Each of the top five riders will also receive a commemorative certificate identifying them as a member of Team USA. The sixth-place rider shall be declared the alternate and will also receive a commemorative certificate identifying them as the alternate member of Team USA. Additional awards may be offered at the discretion of the Council.

Entries.
a) All competitors who are 18 years of age or older on December 1 of the current competition year must possess current Amateur certification issued by the Federation (see Subchapter EQ-3. Amateurs and Professionals).
b) The Federation Fee of $12 will be waived for the World Cup Selection Trials. Chapter GR4, Drugs and Medications, will remain in effect.

Resolution of Issues.
All matters arising in connection with the execution of the trials competition that are not specifically addressed under USEF rules shall be subject to the jurisdiction of the US Saddle Seat World Cup Executive Committee and Selection Trials Committee or their proxied designees who are in attendance. Decisions of those Committee members in such matters shall be final.
Tests from which judges must choose. Tests may be performed either individually or collectively but no other tests may be used. Instructions must be publicly announced. All circles and turns must be performed on correct leads. In Medal and Championship classes individual workout instructions must be written down by the judge and delivered to the announcer at the beginning of the class.

Instructions can be posted at the judge’s discretion provided it is announced and posted at least one hour prior to the session in which the class is held.

1. Address reins—the process of laying down reins and picking up reins (only in line up).
2. Circle at a trot.
3. Performance on the rail at a walk, trot, or canter using the correct leads and diagonals only.
4. Performance around the ring at a walk, trot, or canter using the correct leads and diagonals only.
5. Feet disengaged from stirrups. Feet engaged. In the line-up only.
6. Change of diagonals on or off the rail.
7. Execute serpentine at a trot. A series of left and right half circles off center of imaginary line where correct diagonal must be shown.
8. Back for not more than eight steps.
9. Figure eight at trot demonstrating change of diagonals. Unless specified, it may be started either facing the center or away from the center. If started facing the center, it must be commenced from a halt. At left diagonal rider should be sitting the saddle when left front leg is on the ground; at right diagonal rider should be sitting saddle when right front leg is on the ground. When circling clockwise rider should be on left diagonal; when circling counterclockwise rider should be on right diagonal.
10. Execute serpentine at a canter on correct lead demonstrating a simple change of lead. This is a change whereby the horse is brought back into a halt/walk and restarted into a canter on the opposite lead.
11. Circle at the canter on the correct lead.
12. Figure eight at canter on a correct lead demonstrating simple change of lead. (This is a change whereby the horse is brought back into a halt/walk and restarted into a canter on the opposite lead.) Unless specified it can be started either facing the center or away from the center. If started facing the center it must be commenced from a halt. Figures are commenced in center of two circles so that one lead change is shown.
13. Canter a straight line, on or off the rail, with or without demonstrating simple change of lead. The judge must specify exact lead changes to be executed and the beginning lead. In a simple change of lead the horse is brought back to a halt/walk and restarted into a canter on the opposite lead from the halt or walk.
14. Ride without stirrups for a brief period of time, at any gait requested (for not more than one minute at the trotting phase). Riders may be asked to engage stirrups at a halt or walk.
15. Demonstration ride of approximately one minute on own mount. Movements must be selected from Tests 1-14 above. Rider must advise judge beforehand what ride he plans to demonstrate. To be used only in Championship and/or Medal Classes. Riders must have with them two copies (one for judge and one for announcer) of a written one minute workout in case the judge asks for this test. The test must be stopped at the end of one minute but the rider will not be penalized for not completing it.
16. Exchange horses. This test is to be used only after four or more of the top riders have been tested. Only one pair of riders to exchange. Saddles can be exchanged. The attendant for each horse being exchanged must be allowed in the ring only to facilitate the change. The purpose of this test is to break a tie.

SUBCHAPTER EQ-4 WESTERN SEAT/REINING SEAT EQUITATION SECTION.

(See Western Rules, Chapter WS)

EQ120 General.

1. Riders will be judged on seat, hands, performance of horse, appointments of horse and rider and suitability of horse to rider. Results as shown by the performance of the horse are NOT to be considered more important than the method used in obtaining them.
2. Exhibitors can ride sidesaddle in adult equitation classes but not in classes restricted to juniors.
EQ121 Position.

1. Basic Position. The stirrup should be just short enough to allow heels to be lower than toes. Body always should appear comfortable, relaxed and flexible. Feet should be placed in the stirrups with weight on ball of the foot. Consideration, however, should be given to the width of the stirrups, which vary on Western saddles. If stirrups are wide, the foot may have the appearance of being “home” when, in reality, the weight is being properly carried on the ball of the foot. Arms are in a straight line with body, the one holding reins bent at elbow. Only one hand is to be used for reining regardless of type of bit used and hands shall not be changed. Hand to be around reins. When split reins are used and ends of split reins fall on the same side as reining hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. The position of the hand not being used for reining is optional but it should be kept free of the horse and equipment and held in a relaxed manner with the rider’s body straight at all times. Rider can hold romal or end of split reins to keep from swinging and to adjust the position of the reins, provided it is held with at least 16 inches of rein between the hands. Hand to be above horn and as near to it as possible. When riding in a snaffle bit or hackamore two hands may be used with arms in a straight line with the body, bent at the elbow at approximately 90 degree angle with hands 6-16 inches apart. (No part of this section applies to the Arabian division.) Bracing against horn or coiled riata is penalized.

2. Position in Motion. Rider should sit to jog and not post. At the lope, rider should be close to saddle. All movements of horse should be governed by the use of imperceptible aids and the shifting of rider’s weight is not desirable.

3. Side Saddle. Side saddle riders should sit square in the saddle, spine to be perpendicular to a horse’s backbone. Shoulders to be square and back. Head straight and level. The left leg should hang straight down naturally and close to the horse’s side. The heel should be down and the stirrup resting on the ball of the foot, exactly as an astride rider. The left knee rests against the saddle. The lower portion of the rein arm should be parallel with the ground and the reining hand over the right knee. The upper rein arm will take about a 30 degree angle. The knuckles of the reining hand should be vertical with the ground and the reining hand should always be held directly over the right knee and in no way forward of this knee. The upper portion of the inactive arm should be vertical with the body and the elbow of this arm should not protrude to the rear of the upper body. When using closed reins, the inactive hand should be closed around the free ends of the reins and the lower portion of this arm held at about a 45 degree angle in a natural position.

EQ122 Appointments.

Competitors must be penalized for incomplete appointments but not necessarily disqualified.

1. Personal. Riders must wear Western hat; long-sleeved shirt with any type of collar; a necktie, kerchief or bolo tie or brooch; trousers or pants; (a one-piece long-sleeved equestrian suit is acceptable provided it includes any type of collar). Chaps and boots are required. A vest, jacket, coat, and/or sweater may also be worn. Protective headgear with harness is optional in all classes; not required to be of Western style. Refer GR318. Spurs are optional. Side saddle riders must wear an apron of either the closed or buttoned type, or with waist band cut the same as a pair of chaps and double thickness. Hair must be neat and securely fastened if long so as not to cover rider’s number.

2. Tack.
   a. The saddle must fit the rider. It may be slick or swelled fork, have a high or low cantle but must definitely be sized to the rider. Nothing that would prevent the stirrups from hanging freely shall be added to or deleted from a standard western saddle. Exhibitors can ride side saddle in adult equitation classes but not in classes restricted to juniors.
   b. There shall be no discrimination against any standard western bit. Curb chains and leather chin straps may be used but must be flat and at least 2x” in width, and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the leather chin strap or curb chains. A light lip strap is permissible.
   c. Hackamores as defined in WS105.4, all snaffle bits as defined in WS105.3 may be used on junior horses; tie-downs, running martingales, draw reins, and cavesson-type nosebands are prohibited. Silver equipment may be used but shall not be given prefer-
ence over good working equipment. A hackamore or snaffle bit rider may ride with two hands. Horses shown in the Arabian, Half Arabian, Morgan, National Show Horse, Saddlebred Divisions may not use hackamores or snaffle bits in the Equitation division and must be shown with one hand.

3. Bandages and boots of any type are prohibited. In the event of injury, the judge may permit a protective bandage. In Western Seat Equitation classes where a pattern is required, the use of shin, bell boots and/or protective bandages on the front legs and standard sliding or rundown boots on the rear fetlocks are permitted.

**EQ123 Class Routine.**

Riders enter the ring at a walk or jog and are judged at a flat-footed four beat walk, two-beat jog and a three-beat lope both ways of the ring. The order to reverse may be executed by turning toward or away from the rail. All competitors are required to back in a straight line during the line up in all classes.

Judges are encouraged to call for at least two tests from EQ125 to be performed by competitors being considered for an award. Due to the difficulty of properly fitting tack, riders shall not be asked to change horses.

See Western Seat Equitation Chart for list of faults and causes for elimination.

**EQ124 Requirements for Specific Classes.**

The following three age limit classes are suggested, but may vary according to local conditions: a) juniors who have not reached their 11th birthday; b) juniors who have reached their 11th but not their 14th birthday; c) juniors who have reached their 14th but not their 18th birthday.

1. Maiden, Novice and Limit. For juniors who have not reached their 18th birthday. Tests 1-5.
2. Under 11. For juniors who have not reached their 11th birthday. Tests 1-3.
3. 11 and Over. Tests 1-11.
4. Open. For juniors who have not reached their 18th birthday. Tests 1-11.
   a. Hackamores as defined in WS105.4, all snaffle bits as defined in the WS105.3 may be used on junior horses; tie-downs, running martingales, draw reins, and cavesson-

6. **CHAMPIONSHIPS.** To be awarded on a competitive basis. May be held:
   a. as a free post entry class, open to any designated number of place winners (minimum of two) in previous classes in the Western Seat section except Maiden, Novice and Limit Classes; or b) as an Open class with advance entries for competitors who have competed in at least one other class in the Western Seat Section. Judges may require additional tests. Tests 1-11.

**EQ125 Tests from which judges must choose.**

Tests can be performed either collectively or individually but no other tests may be used. Instructions must be publicly announced. If a pattern is used, it must be posted at least 1 hour before the class. A pattern is defined as two or more tests. Reining patterns may be used.

1. Back.
2. Individual performance on the rail.
3. Figure eight at the jog.
4. Lope and stop.
5. Figure eight at lope on correct lead, demonstrating simple change of lead (this is a change whereby the horse is brought back into walk or jog and restarted into a lope on the opposite lead). One figure eight demonstrates two changes of lead and is completed by closing up the last circle and stopping in the center of the eight.
6. Figure eight at lope on correct lead, demonstrating flying change of lead.
7. Change leads down center of ring, demonstrating simple change of lead.
8. Ride serpentine course, demonstrating flying change of lead at each change of direction.
9. Demonstrate sliding stop.
10. Execute 360 degree turns (spins).
11. Roll backs.
1. Riders in classes for junior exhibitors cannot have reached their 18th birthday in accordance with GR126.

2. Emphasis shall be placed on horse and rider working together. Execution and correct form of both horse and rider, while maintaining a pleasurable ride are the main criteria for this class.

3. Rider must perform a pattern which will be posted by the judge at least one hour prior to the class. Tests 1-11 may be used.

4. Failure to complete the pattern will not result in disqualification but will be scored accordingly. Rail work is optional at the discretion of the judge. Backing must be included in either the pattern or the lineup.

CHAPTER EV
EVENTING DIVISION

SUBCHAPTER EV-1 - GENERAL RULES FOR ALL EVENTING COMPETITIONS

EV101 Introduction
1. GENERAL. An Eventing Competition includes one or more tests from the following branches of equitation: dressage, cross-country and jumping. The Federation and the USEA recognize three types of Eventing Competitions: Tests (Individual or Combined), Horse Trials, and Events (Two-Day or Three-Day).
2. RESPONSIBILITY. A competitor is ultimately responsible for knowing these rules and complying with them. The appointment of a steward or official, whether or not provided for in these rules, does not absolve the competitor from such responsibility.
3. CIRCUMSTANCES NOT COVERED IN THESE RULES.
   a. For any circumstances not specifically covered in these rules, reference should be made to one of the following publications of the FEI:
      (1) Rules for Three-Day Events
      (2) Rules for Dressage Events
      (3) Rules for Jumping Events
   b. Every eventuality cannot be provided for in these rules. In any unforeseen or exceptional circumstances it is the duty of the Ground Jury to make a decision in a sporting spirit, and to approach as nearly as possible the intention of these rules.

EV102 Membership.
1. COMPETITORS. Competitors entered in Horse Trials and Events must comply with current Federation and USEA membership requirements. Competitors entered in Tests do not need to be members of the Federation or the USEA.
2. HORSES. Horses entered in Horse Trials and Events must comply with current USEA registration requirements. Horses entered in tests do not need to be registered with the USEA.
3. COMPETITIONS.
   a. Organizing Committees of Horse Trials and Events must comply with current Federation and USEA competition recognition requirements. Organizing Committees of Tests do not need to comply with current Federation or the USEA competition recognition requirements.
   b. Organizing Committees desiring to hold Eventing Competitions under the auspices of the Federation may do so by applying for membership in the Federation as an Eventing Competition (see Chapter GR2, Subchapter 2-D).
   c. Organizing Committees desiring to hold Eventing Competitions under the auspices of the United States Eventing Association may do so by registering with the USEA, 525 Old Waterford Road N.W., Leesburg, VA 22075.

EV103 Prize Lists
The USEA Omnibus Schedule listing constitutes the prize list for the majority of Eventing Competitions in any given year. If an event is not listed in this way, its published prize list must include the same information as provided in the Omnibus Schedule and as required by Chapter 14.

EV104 Participation.
See also EV122.1 for Tests, Appendix 3 for Horse Trials and Appendix 8 for Two-Day Events.
1. COMPETITORS. Eventing Competitions are open to professional and amateur competitors. The age of the competitor must comply with the specifications of the competition. For Eventing competitions, the age of the competitor is determined by the year of birth.
2. JUNIORS. An Organizer may offer a competition for Juniors at Tests, at Horse Trials at the Beginner Novice through Preliminary Levels and at One Star Events. Competitors in Beginner Novice, Novice and Training Horse Trials shall compete as Juniors until the end of the calendar year in which they reach the age of 18. Competitors in Preliminary Horse Trials and One Star Events shall compete as Juniors from the beginning of the calendar year.
year in which they reach the age of 14 until the end of the calendar year in which they reach the age of 18.

3. YOUNG RIDERS. An Organizer may offer a competition for Young Riders at Tests, at Horse Trials at the Preliminary and Intermediate Level and at One Star and Two Star Events. Competitors shall compete as Young Riders from the beginning of the calendar year in which they reach the age of 16 until the end of the calendar year in which they reach the age of 21.

4. HORSES. Eventing Competitions are open to stallions, mares or geldings. The age of the horse must comply with the specifications of the competition. For Horse Trials and Events, horses may only compete once and must be ridden by the same competitor throughout.
   a. As an exception to the general requirements of GR303, a horse is eligible for Eventing competitions even though it has complete loss of sight in one eye, provided sight in the other eye is normal and provided it meets the other requirements.

5. NUMBER OF HORSES PER COMPETITOR. The number of horses that a competitor may enter and ride is at the discretion of the Organizer.

6. DIVISION OF ENTRIES.
   a. If the number of entries at a level warrants, it may be divided by sections or draw. If the number of entries in one level of a Horse Trial exceeds 40, it must be divided. Championships and Federation Selection Trials shall not be divided.

   b. An Organizing Committee may offer a level under the conditions listed in Appendix 3. BOD 1/15/06 Effective 12/1/06

   c. An Organizing Committee may divide a level into the sections noted in Appendix 3, e.g., Junior Training, Training, etc. Further division shall then be done by draw, e.g., Junior Training A, Junior Training B, etc. BOD 1/15/06 Effective 12/1/06

   d. An Organizing Committee may offer a section that includes dressage and jumping at a higher level and cross country at the level below, e.g. Advanced Intermediate. For purposes of competition qualifications and high score awards, these competitions will be considered in accordance with the level of the cross country being run. BOD 1/15/06 Effective 12/1/06

EV105 Entries - Withdrawals. BOD 1/15/06 Effective 12/1/06

See also GR1503.

1. RESPONSIBILITY. It is the responsibility of the competitor to enter a horse at the level that corresponds to its abilities. If the competitor is a minor, a specified adult must accept this responsibility. If a competitor starts a competition for which he is not qualified, the competitor may be fined up to $50 (Payable to the Organizing Committee), at the discretion of the Ground Jury. It is the responsibility of the competitor to know and comply with the local, state and interstate (where appropriate) health requirements for the shipment of horses.

2. ENTRY FORMS.
   a. Entry forms must be complete. All entry and stabling fees must accompany the entry form.
   b. Mailed entries must be postmarked either on or after the opening date for entries and mailed to the appropriate Event Secretary. On-line entries must be time stamped by the designated collection agent on or after the opening date in the time zone of the relevant competition.
   c. Those entries that are incomplete, or postmarked or time stamped before the opening date, will either be returned to the competitor or placed at the bottom of the list of entries.
   d. Entries involving competitors or horses not yet qualified for the level of competition, but which are otherwise complete, will be accepted as complete pending qualification.
   e. Entries must be received by the closing date. Qualifications must be completed by the closing date with the exception of Three-Day Events in which qualifications must be completed 2 weeks prior to the first Dressage day of the event.

3. OPENING DATE. The opening date for entries for Horse Trials and Two-Day Events will be the Tuesday prior to the date that falls six weeks before the first day of the competition. It shall be eight weeks in the case of Three-Day Events. The opening date must be published in the prize list for the competition.

4. CLOSING DATE. The closing date for entries will be four weeks after the opening date. This date must be published in the prize list of the competition. In the case of insufficient
entries, the organizer may extend the closing date. Those entries received after the closing date, either the original published date or the extended date will not be accepted.

5. WAITING LISTS.
   a. Organizers will accept all entries postmarked or time stamped on the opening date if space allows. In the event of over subscription at this stage, a draw will be made and a waiting list established.
   b. Entries postmarked or time stamped after the opening date will be accepted or placed on a waiting list on a chronological basis.
   c. At any time Organizers may fill any places that become available with entries from the waiting list, provided those entries were received between the opening and closing dates.
   d. Entries placed on the waiting list that do not compete will have the full amount of their entry and stabling fees refunded.

6. “HORS CONCOURS” ENTRIES. Competitors may enter horses “hors concours” with the permission of the Organizer. They will pay the regular entry fee, will be judged in the normal manner, and will be participating in accordance with these rules, but they will not be counted in the final classification.

7. DOUBLE ENTRIES—Except where stated contrary in the prize list, an entry for two horses may be made for a division in which only one is to compete, with an office fee for the second horse. The horse that will not compete must be declared when the competitor receives their number.

8. WITHDRAWALS. Notification of withdrawal must be given directly to the Event Secretary. If the horse is withdrawn prior to 9:00 p.m. on the closing date for entries, the entry and stabling fees will be refunded, less an office fee, if applicable, not to exceed $25.00. If the horse is withdrawn after the closing date and time, the entry and stabling fees may be refunded at the option of the Organizing Committee. If the horse is withdrawn after the closing date, and if the Organizer has replaced the withdrawn horse with one from the waiting list, the entry fee less an office charge will be refunded. If stabling for the withdrawn horse is occupied by another horse, the stabling fee will be refunded. The refund policy must be clearly stated in the prize list for the competition. BOD 1/15/06 Effective 12/1/06

9. SUBSTITUTIONS. Substitution of an eligible horse is allowed after the closing date for entries provided a complete entry form for the substituted horse is given to the Event Secretary before the horse’s first Test. An eligible rider may be substituted after the closing date for reasons of illness, injury or the sale of the horse. The Event Secretary must be notified of the change before his first Test.

EV106 Starting Order and Timetable

1. STARTING ORDER. If there are only individual competitions, a draw will be conducted by the Organizing Committee to determine starting order. If an individual is riding more than one horse, the Organizing Committee may adjust the starting order to allow sufficient time between rides, but maintaining the order of the horses as drawn. If there are team competitions, the Organizing Committee may use its discretion in the scheduling of teams. If a competitor rides more than one horse, the starting order of the horses will be determined by draw. If the third test of a Horse Trial is jumping in the reverse order of placing, the drawn starting order will be replaced for that test. If the same rider has two horses classified too close together, the order must be adjusted so that there will be a minimum of eight horses (if available) separating them. The lowest placed horse will move up in the order as far as possible, before the higher placed horse is dropped down. If the Organizing Committee of Tests allows entries on the day of competition, each competitor may sign up for starting times upon entering. BOD 1/15/06 Effective 12/1/06

2. TIMETABLE. A timetable showing each competitor’s starting times shall be prepared and distributed by 1900 hours (7:00 PM) of the day before the relevant competition. If the third test of a Horse Trial is jumping in the reverse order of placing, only the approximate start and finish times for this test need to be published. If the organizing committee of Tests
allows entries on the day of competition, only the approximate start and finish times for the competitions need to be published.

**EV107 Exercising and Warming Up**

1. **IDENTIFICATION NUMBERS**

   By 3:00 p.m. of the day prior to the start of the entire competition, or upon arrival if later, each horse shall be issued a number. This number must be worn at all times when the horse is being ridden or exercised. Failure to display the number shall first incur a warning. Repeated offenses shall incur a fine of $50 (payable to the Organizing Committee) at the discretion of the Ground Jury.

2. **RESTRICTIONS ON SCHOOLING HORSES.**

   a. It is forbidden, under penalty of disqualification, for anyone other than the competitor who will ride the horse in the competition to school the horse during the competition. This period of restriction begins at 3:00 pm of the day prior to the start of the entire competition.

   b. A groom, while mounted, is permitted only to walk the horse or to trot it from one place to another. A groom may also work the horse in hand or on the lunge.

   c. Riding close to Cross-Country obstacles, or riding in the Dressage or Jumping arenas prior to the actual competition is forbidden, unless specifically authorized by the Ground Jury, under penalty of disqualification. This restriction is specifically intended to prevent competitors from gaining an unfair advantage from schooling or showing the obstacle(s) to their horses prior to the competition.

   d. The Cross-Country course will be closed to all competitors on the same date. The course closed date must be published in the prize list of the competition. The Dressage arena may not be used after it has been prepared for the competition and closed by the Organizer. The Jumping arena may not be used after it has been prepared for the competition and closed by the Organizer. The Organizer shall report any violation of this rule to the President of the Ground Jury.

3. **EXERCISE AREAS.**

   a. Areas suitable for the general exercise of horses must be made available, and must be open during the hours of daylight. The Organizing Committee must inform competitors of the areas that are available for this purpose. Horses may only be exercised in such designated areas, or in the practice areas for Dressage and Jumping.

   b. A Dressage exercising area must be provided at a convenient distance from the competition arena. A practice dressage arena should, if possible, be placed at the disposal of the competitors.

   c. An exercising area with jumps must be provided at a convenient distance from the start of the Cross-Country and from the Jumping arena. These areas must include at least three adjustable practice fences, including one crossed pole for trotting over, one straight fence and one spread. These obstacles must be marked with red and white flags.

   d. The only practice fences that competitors may jump are those flagged fences provided by the Organizer. No part of the fences may ever be held by anyone while a horse is jumping. These fences may not be raised more than 10 cm (4 inches) above the maximum height permitted for the competition in progress (or about to begin), nor may the spread exceed the maximum permitted. Ground lines may be placed directly under, or up to 1.00 meter (3'3") in front of, the obstacle. They may not be placed even slightly on the landing side. The upper ends of crossed poles must always be supported by cups. If a horizontal pole is placed above crossed poles, it must be higher than the upper ends of the crossed poles. These practice fences must be jumped in the correct direction. The practice fences shall only be jumped at times laid down by the Organizing Committee. Violation of any of the above provisions relating to practice fences is forbidden, under penalty of disqualification, at the discretion of the Ground Jury.

4. **STEWARDS.** One or more stewards may be appointed by the Organizer to ensure that the rules regarding exercising and warming up are obeyed, but a steward must be present at whatever times the Organizer has laid down that practice fences may be jumped. Other practice and exercise areas may be patrolled in a random manner.
EV108 Inspection of Courses

1. CROSS-COUNTRY COURSE.
   a. Before the course has been opened to competitors, it is forbidden, under penalty of disqualification, to inspect the obstacles or the course without permission of the organizers, at the discretion of the ground jury.
   b. The Cross-Country course will be open for inspection to all competitors at 1500 hours (3:00 p.m.) of the day before the start of the entire competition. All obstacles, flags and markers that have to be observed by competitors shall be exactly in position when the course is shown to competitors. In the case of multiple courses running on the same track, a sign will be posted at obstacle(s) to be changed, indicating such change(s). This shall include changes of flags or to the obstacle(s). Thereafter, they may not be moved or altered by competitors, under penalty of disqualification.
   c. After the course has been shown to competitors, they are allowed to revisit the course and examine the obstacles during the hours of daylight.

2. JUMPING COURSE. The course for the Jumping Test will be opened to competitors not less than 30 minutes before the start of the Jumping Test, and at convenient intermissions during the Jumping Test. Competitors on foot will be admitted to the arena by the Ground Jury. An announcement must also be made over the public address system. Unless permission has been given by the Jury, it is forbidden, under penalty of disqualification, for competitors to enter the arena on foot once the Test has started.

EV109 Interruptions and Modifications

The Ground Jury of an Eventing competition, or in its absence the Technical Delegate, must use extreme caution in allowing a competition to continue, when weather or terrain conditions are not of an acceptable standard, or are such that they place the competitors and horses in danger.

1. INTERRUPTIONS. The timetable may be interrupted due to dangerous conditions. If necessary, the start of any Test may be brought forward, postponed or canceled. The decision to interrupt or cancel a Test will be made by the President of the Ground Jury, after consultation with the Technical Delegate if possible. As an exception to the General Rules of GR311, in the case of an interruption the event will be resumed as soon as possible at the point of interruption, and all scores recorded prior to the interruption will stand. Every affected competitor must receive sufficient warning before the resumption of the competition.

2. MODIFICATIONS. After the courses have been shown to the competitors, alterations to the course and/or the time allowed may be made only when exceptional circumstances (such as heavy rain or hot weather) make obstacles or a Test unfair or dangerous. The decision will be made by the President of the Ground Jury, after consultation with the Technical Delegate if possible. The President is authorized to make any necessary changes. In such cases, every affected competitor must be officially and personally informed of the alteration before the start of the Test concerned. Where appropriate, an official must also be stationed at the place where the alteration has been made in order to warn the competitors.

EV110 Abuse of Horses

1. ABUSE. Any act or series of actions that, in the opinion of the Ground Jury or in its absence the Technical Delegate can clearly and without doubt be defined as abuse of horses shall be penalized by disqualification. Such acts include, but are not limited to:
   * Riding an exhausted horse.
   * Excessive pressing of a tired horse.
   * Excessive use of whip and/or spurs, and/or bit.
   * Riding an obviously lame horse.

2. RAPPING. As an exception to the General Rules of GR806, all rapping (poling) is forbidden in Eventing Competitions, and shall be penalized by disqualification.

3. WHIP. The use of the whip must be for a good reason, at an appropriate time, in the right place, and with appropriate severity.
   a. Reason—the whip must only be used either as an aid to encourage the horse forward, or as a reprimand. It must never be used to vent a rider’s temper. Such use is always excessive.
b. Time—As an aid, the only appropriate time is when a horse is reluctant to go forward under normal aids of the seat and legs. As a reprimand, the only appropriate time is immediately after a horse has been disobedient, e.g. napping or refusing. The whip should not be used after elimination. The whip should not be used after a horse has jumped the last fence on a course.

c. Place—As an aid to go forward, the whip may be used down the shoulder or behind the rider’s leg. As a reprimand, it must only be used behind the rider’s leg. It must never be used overhand, e.g. a whip in the right hand being used on the left flank. The use of a whip on a horse’s head, neck, etc., is always excessive use.

d. Severity—As a reprimand only, a horse may be hit hard. However, it should never be hit more than three times for any one incident. If a horse is marked by the whip, e.g. the skin is broken, its use is excessive.

4. SPURS—Spurs must not be used to reprimand a horse. Such use is always excessive, as is any use that results in a horse’s skin being broken.

5. BIT—The bit must never be used to reprimand a horse. Any such use is always excessive.

6. REPORTING—Officials must report such actions as soon as possible to the Ground Jury, supported where possible by statements from witnesses.

7. GROUND JURY—If such actions are reported, the Ground Jury shall decide if there is a case to be answered. If an individual member of the Ground Jury observes such actions, he is obliged to disqualify the competitor forthwith on his own authority. There is no appeal against a Ground Jury’s decision in a case of abuse.

EV111 Dangerous Riding

1. Any competitor who rides in such a way as to constitute a hazard to the safety or well-being of the competitor, horse, other competitors, their horses, spectators, or others will penalized accordingly.

2. Any act or series of actions that in the opinion of the Ground Jury can be defined as dangerous riding shall be penalized by 25 penalties or elimination, at the discretion of the Ground Jury.

3. If such actions are reported, the Ground Jury shall decide if there is a case to be answered. If an individual member of the Ground Jury observes such actions, he may eliminate or penalize the competitor forthwith on his own authority. There is no appeal against a Ground Jury decision.

EV112 Medical Requirements

1. ACCIDENTS INVOLVING COMPETITORS
   a. In the event of an accident in which a competitor is apparently injured or concussed, they must be examined by designated medical personnel to determine if they may resume riding or if they are capable of leaving the grounds. Refusal to be examined shall be penalized by a fine of $100 (Payable to the Organizing Committee) at the discretion of the Ground Jury.
   b. If such a fall occurs during the cross-country test, the time during which the competitor is held and examined shall be recorded and deducted from his total time if he is permitted to continue.
   c. Competitors who fail or refuse to follow the advice of the medical personnel regarding treatment following such a fall may be subject to disqualification at the discretion of the Ground Jury.

2. MEDICAL CARDS. An approved and completed medical card is required any time while jumping. It must be enclosed in a transparent, waterproof carrier. It must be securely attached to the competitor’s upper arm on the outside of the competitor’s clothing. Failure to wear one’s own medical card shall be penalized by a fine of $100. (Payable to the Organizing Committee)

3. SAFETY COORDINATOR. All competitions shall furnish a Safety Coordinator, who shall be responsible for the establishment and coordination of medical services. As this shall include the transportation of injured competitors, the Safety Coordinator should not have any other duties during any cross-country or jumping tests.

4. MEDICAL PERSONNEL. Qualified medical personnel, with suitable medical equipment and with no other duties, must be present during scheduled schooling sessions over fences and during all scheduled competitions. Qualified Medical personnel is defined as a person
who is currently certified or licensed in the profession and trained in pre-hospital trauma care. The minimum requirement is an EMT/Paramedic who is pre-hospital trauma trained.

5. ACCESS. The designated medical personal should have the capability of rapid deployment to any part of the arenas or courses in adverse conditions. Should this access not be available, the Ground Jury, on the advise of the Technical Delegate and the Course Designer, must consider alternatives including removal of the inaccessible portion.

   e. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.
   f. Violation of this rule at any time, at the discretion of the Ground Jury, shall be penalized and may result in elimination.

2. PROTECTIVE VESTS. A body protecting vest must be worn in the cross-country test. Stable, team or club colors are permitted. The Federation recommends that the vest should pass or surpass the current ASTM standard F1937 or be certified by the Safety Equipment Institute.

One whip no longer than 110cm (43.3 in.) may be carried during the Dressage Test except in USEF/USEA Championships and USEA Championship divisions. As an exception, riders competing sidesaddle may carry a whip in the dressage test at all competitions, including championships. No whip may be carried during the Dressage Test in USEF/USEA championships and USEA Championship divisions. A standard lunge whip may be used when lunging a horse. 1. EXERCISE AREAS. The following restrictions begin at 3:00 p.m. of the day prior to the start of the entire competition and continue throughout the duration of the event. The following are compulsory: an English type saddle and any form of bridle, including double bridle, snaffle, gag or hackamores. Running martingales with rein stops, Irish martingales, bit guards, boots, bandages, fly shields, nose covers, and seat covers are permitted. Side reins are permitted only while lunging an unmounted horse, as are running reins and cham-bons. Other martingales, any form of gadget (such as a bearing, running or balancing reins, etc.) and any form of blinkers, are forbidden, under penalty of disqualification.

2. DRESSAGE TEST.

   a. The following are compulsory: an English type saddle and a permitted bridle.

   b. A double bridle with cavesson noseband, i.e. bridoon and curb bits with curb chain (made of metal or leather), is permitted for some tests.

      1. Cavesson noseband may never be so tightly fastened as to harm the horse.

      2. Lipstrap and rubber or leather covers for the curb chain are optional.

      3. Bridoon and curb must be made of metal or rigid plastic and may be covered with rubber (flexible rubber bridoons and/or curbs are not allowed).

      4. The lever arm of the curb bit is limited to 10 cm (length below the mouthpiece).

      5. If the curb has a sliding mouthpiece, the lever arm of the curb bit below the mouthpiece must not measure more than 10 cm when the mouthpiece is in the uppermost position.
(6) The diameter of the ring of the bridoon must be such as to not hurt the horse.

c. A snaffle bit made of metal, leather, rubber or plastic material is permitted for all
tests.

allowed. Reins must be free of any loops or hand attachments and must be attached to
the bit(s) or directly to the bridle. Gags or hackamores are allowed. In the interest of
safety, the stirrup iron and stirrup leathers must hang free from the bar of the saddle
and outside the flap. There must be no other restrictions or attachments of any kind.

BOD 1/14/07 Effective 4/1/07

4. INSPECTION OF SADDLERY.

a. A steward should be appointed to check the saddlery of each horse before it enters
the arena or starts a Test.

b. In the Dressage Test, the checking of the bridle must be done with the greatest cau-
tion. When bit inspections require actual contact with the inside of the horse’s mouth,
the inspector must use a clean protective glove for each horse. If the competitor so
requests, the bridle and bit may be checked immediately after the test has been com-
pleted. However, should the bridle or bit in such a case be found not to be permitted,
the competitor shall be eliminated.

EV115 Radios and Cellular Phones.

The use of a radio or cellular phone while competing is forbidden, under penalty of disquali-
fication. Any other use while on the competition grounds by competitors, trainers, or mem-
bbers of the competitor’s support group, is subject to restriction by the technical delegate and
the president of the ground jury.

EV116 Disqualification

1. Disqualification means that a competitor and his horse(s) may not take further part in
the Event. It is applied at the discretion of the Ground Jury.

2. Ground Jury may disqualify a competitor in the following cases when, in its opinion, the
action constitutes unsportsmanlike or abusive conduct:

The competition secretary shall record all appeals, shall forward them to the appointed committee and shall record all decisions by the Committee. The Committee shall make a decision, after making a proper investigation and hearing all sides of the case. If necessary, the Veterinarian or the Technical Delegate shall be in attendance in an advisory capacity.

EV118 Competitor Representative.
At all Three-Day Events and certain Horse Trials two competitor representatives will be appointed. The designation of the Horse Trials and selection of competitor representatives will be made by the Federation Active Riders Committee. The competitor representatives
will be selected by the organizers of the relevant competition from among those active riders listed (who are present) at that competition. The representatives will meet with the technical delegate, president of the ground jury, veterinarian delegate, and representative of the organizing committee, to discuss aspects of the competition, voice concerns, and suggest modifications. Any suggestions or action resulting from this meeting shall be reported to the Federation by the technical delegate.

**EV119 Organizers’ Rights.**

Organizers have the right to cancel any competition or division (see General Rules, GR216), divide any competition into divisions or sections, alter the published schedule, or refuse any entry (see General Rules, GR1509). The Organizer must state the refund policy in the prize list, in the event of cancellation before the competition has started.

1. **FEDERATION EVENTING COMMITTEE.**
   a. This Committee is responsible for the guidance of the sport, including rules, championships, grading horses, scheduling, etc.
   b. In addition to the membership requirements of EV102.3, Organizing Committees of selected competitions must have the specific approval of this Committee. These selected competitions are:
      * Championships
      * Three-Day Events
      * Two-Day Events

Scheduling of competitions below those mentioned above are coordinated Intra- and Inter-Area by the Area Chairmen.

**SUBCHAPTER EV-2 - RULES FOR TESTS**

**EV121 Introduction.**

1. **DEFINITION.** Tests consist of one or more dressage, cross-country or jumping competitions. They are designed to introduce the discipline, and to prepare competitors and horses for Horse Trials. They provide experience for participants within an enjoyable day of competition. These competitions may include:
   a. Cross-Country Tests
   b. Combined Tests
   c. Starter Event Rider Tests
   d. Eventing Equitation Tests
   e. Young Event Horse Tests

2. **ORGANIZATION.** Tests may be offered as separate competitions, or may be organized in conjunction with a Horse Trial or an Event. They usually take place on one day.

**EV122 Rules for Tests.**

1. **PARTICIPATION.** A horse may be ridden by more than one competitor. A competitor may ride more than one horse. The number of horses that a competitor may ride may be limited by the Organizer. The number of times that a horse may compete may be limited by the Organizer.

2. **LICENSED OFFICIALS.** For competitions that do not require Licensed Judges (such as Cross-Country Tests), a Federation Licensed Eventing Technical Delegate is required. In such instances, the Technical Delegate assumes the responsibility of the Ground Jury as noted in Part Six. For competitions which include dressage and jumping (such as Combined Tests, Starter Event Rider Tests, Eventing Equitation Tests or Young Event Horse Tests), a Federation Licensed Eventing Judge is required. This Judge shall act as the Ground Jury and shall perform the course evaluation functions of a technical delegate. Other judges may be Federation Licensed Judges, participants or graduates of the USEA Training Program, or knowledgeable horsemen.
3. OTHER OFFICIALS. A veterinarian shall be present on the grounds during any cross-country or jumping competition. Qualified medical personnel (EV112.3 and .4) must be present during all competitions.

4. TESTS. Flexibility is provided for the running of Tests. Tests may be judged in the normal manner, as minimum percentage classes, as clear round classes, on the honor system, purely on time or points, etc. Classification may be individual, pairs or teams. Organizing Committees are encouraged to create attractive competitions, whether they use the Tests described below or create additional Tests.

EV123 Cross-Country Tests
Cross-Country Tests consist of distinct competitions involving various cross-country skills. The tests may include pace, taking your own line, following unknown course, top score competitions with obstacles of different values, clear round cross-country, etc. The conditions under which the Cross-Country Tests will be conducted will be printed in the prize list.

EV124 Combined Tests.
Combined Tests consist of two distinct tests during which a competitor rides the same horse throughout. The tests may include two of the following—dressage, cross-country, jumping; or may include one discipline (such as cross-country) repeated twice under different conditions. Combined Tests will be conducted under guidelines published by the USEA.

EV125 Starter Event Rider Tests
Open to riders of any age who have never competed in a horse trial, on any horse. The test shall involve a short dressage test (30%), jumping 6 or 7 fences in an arena (30%), and galloping in the open over 3 or 4 fences (40%). The fences will not exceed 2'6". Each competitor will be judged on position, seat, and effective use of aids. The competitor must ride the same horse throughout.

EV126 Eventing Equitation Tests
Open to riders 14 to 18 years of age, on any horse. The test shall involve a short dressage test (40%), and jumping approximately 10 cross-country-type obstacles not to exceed 3'7" (60%). The jumping may be in an arena or on a short cross-country course. Each competitor will be judged on position, seat, and effective use of aids. The competitor must ride the same horse throughout.

EV127 Young Event Horse Tests
Open to four and five year old horses that have never competed in a Horse Trial at the Preliminary Level, with any rider. The test shall involve a short dressage test (40%), jumping in an arena 6 or 7 fences up to 3'6" (4 yo) or 3'9" (5 yo) in height (40%), and a final judging of horses shown in hand for conformation, suitability and presence (20%). The same competitor must ride or show the horse throughout.

SUBCHAPTER EV-3 -RULES FOR HORSE TRIALS

EV131 Introduction
1. DEFINITION. The Horse Trial comprises three distinct tests, usually taking place on one or two days, during which a competitor rides the same horse throughout, namely:
   a. Dressage
   b. Cross-Country
   c. Show Jumping
   d. The Dressage Test must be first. The Cross-Country and Jumping Tests may follow in either order.
2. RELATIVE INFLUENCE OF THE TESTS. In principle, the Cross-Country Test should be the most influential of the three tests of a Horse Trial. The Dressage Test, while less influential than the Cross-Country Test, should be slightly more influential than the Jumping Test.
3. LEVELS OF HORSE TRIALS. The following levels of competition may be offered at a Horse Trial:
   * Advanced
   * Intermediate
4. **INDIVIDUAL COMPETITION.** There will always be an individual competition. Where there is a team competition, each member of a team will automatically be considered as an individual competitor.

5. **TEAM COMPETITION.** There may be a team competition. Teams will consist of three or four competitors.

**EV132 Classification**

1. **CLASSIFICATION IN THE THREE TESTS.**
   a. In the Dressage Test, each Competitor’s good marks awarded by the judges are converted into penalty points. They are recorded for inclusion in the final classification and published.
   b. In the Cross-Country Test, each competitor’s penalties for faults at obstacles are added to the penalties incurred for excess time. They are recorded for inclusion in the final classification and published.
   c. In the Jumping Test, each competitor’s penalties for faults at obstacles are added to the penalties incurred for excess time. They are recorded for inclusion in the final classification and published.

2. **INDIVIDUAL FINAL CLASSIFICATION.**
   a. The winning individual is the competitor with the lowest total of penalty points, after adding together for each competitor the penalty points incurred in the three tests.
   b. In the event of equality between any two or more competitors, the classification is decided by the best cross-country score, including faults at obstacles and time penalties. If there is still equality, the best will be the competitor whose cross-country time was closest to the optimum time.

3. **TEAM FINAL CLASSIFICATION.**
   a. The winning team is that with the lowest total of penalty points, after adding together the final scores of the three highest placed competitors in the team.
   b. In the event of equality between any two or more teams, the winning team will be that whose third placed competitor has the best score.

4. **DISQUALIFICATION OR ELIMINATION.**
   a. The disqualification or elimination from one of the tests entails disqualification or elimination from the final classification.
   b. The Ground Jury, in consultation with the Organizing Committee, may, if requested, permit a competitor who has been eliminated in an earlier Test to take part in the subsequent Test(s). After elimination in any previous Test, any competitor who starts a subsequent Test without such permission will be liable to disciplinary action, including a reprimand and/or a fine of up to $100 payable to the Organizing Committee.
   c. A competitor who withdraws or retires a horse is considered to have withdrawn or retired from the entire competition and will not be permitted to continue in subsequent tests with that horse, except with the expressed permission of the ground jury.

**EV133 Dressage Test**

1. The object of Dressage is the harmonious development of the physique and ability of the horse. As a result it makes the horse calm, supple, loose and flexible, but also confident, attentive and keen, thus achieving perfect understanding with his rider.

2. These qualities are revealed by:
   a. The freedom and regularity of the paces;
   b. The harmony, lightness and ease of movements;
   c. The lightness of the forehand and the engagement of the hind quarters, originating in a lively impulsion;
   d. The acceptance of the bridle, with submissiveness throughout and without any tenseness or resistance.

3. The dressage tests to be used each year will be printed in Appendix 2. From these tests, Organizers are free to select the specific tests to be used for their competition. The test to be used must be printed in the prize list for the competition.
EV134 Dressage Rules

1. In any circumstances not specifically covered by these rules, the “FEI Rules for Dressage Events” will apply.

2. All tests must be carried out from memory, and all movements must follow in the order laid down in the test.

3. A competitor failing to enter the arena within 45 seconds of the starting signal may be eliminated, at the discretion of the Ground Jury. The same applies to a competitor who enters the arena before the starting signal has been given.

4. A test begins with the entry at A and ends after the salute at the end of the test, as soon as the horse moves forward. Any incidents before the beginning or after the end of the test have no effect on the marks. The competitor should leave the arena in the way prescribed in the text of the test.

5. Competitors must take the reins in one hand at the salute. Gentlemen are not required to remove their hats at the salute.

6. When a movement must be carried out at a certain point of the arena, it should be done at the moment when the competitor’s body is above this point.

7. The use of the voice in any way whatsoever or clicking the tongue once or repeatedly is a serious fault involving the deduction of at least two marks from those that would otherwise have been awarded for the movement where this occurred.

8. In case of marked lameness, the judge at C, after consultation with the other judge(s) if appropriate, will inform the competitor that he is eliminated. There is no appeal against this decision.

9. A horse leaving the arena completely, with all four feet, between the time of entry and the final salute, will be eliminated.

10. Any resistance that prevents the continuation of the test longer than 20 seconds will be punished by elimination.

11. When a competitor makes an “error of course” (takes the wrong turn, omits a movement, etc.) the judge at C warns him by sounding the bell. The judge shows him, if necessary, the point at which he must take up the test again and the next movement to be executed, then leaves him to continue by himself. However, in some cases when, although the competitor makes an “error of course”, the sounding of the bell would unnecessarily impede the fluency of the performance (for instance if a competitor makes a transition at V instead of K), it is up to the judge at C to decide whether to sound the bell or not. However, if the bell is not sounded at an error of test in which the movement is repeated and the error occurs again, only one error is recorded.

12. When a competitor makes an “error of the test” (trots rising instead of sitting, does not take the reins in one hand at the salute, etc.), he must be penalized as for an “error of course”.

13. In principle, a competitor is not allowed to repeat a movement of the test unless the judge at C decides on an error of course and sounds the bell. If the competitor has started the execution of a movement and tries to do the same movement again, the judge(s) must consider the first movement shown only and at the same time penalize for an error of course.

14. If there is more than one judge, unless all judges are in agreement on an error, the competitor receives the benefit of the doubt.

15. Any outside intervention by voice, signs, etc., is considered unauthorized assistance. A competitor receiving unauthorized assistance will be eliminated, at the discretion of the Ground Jury.

16. When there are two or more judges, one horse and rider, taking no part in the competition, will perform the prescribed ride in order that the judges may confer before the competition begins.

17. The judge at C may stop a test and/or allow a competitor to restart a test from the beginning or from any appropriate point in the test if, at his discretion, some unusual circumstance has occurred to interrupt a test.

18. No judge should be required to officiate longer than 8 hours in one day, and should not be required to be on the show grounds longer than 10 hours. Judges should be given at least a 45 minute lunch break and at least a 10 minute break every 2 hours.
EV135  Dressage Arena

1. The arena must be 60 meters long and 20 meters wide (Standard Arena) or 40 meters long and 20 meters wide (Small Arena), depending on the specifications for the test to be used. The measurements are for the interior of the enclosure. The arena should be separated from the public by a distance of not less than 15 meters. The enclosure itself should consist of a low fence, about 30 cm (12 inches) high. It is recommended that the entrance at A be a minimum of 2 meters and a maximum of 4 meters wide. The part of the fence at A should be easy to remove, to allow access, or may be left open. The fence should be such to prevent the horse’s hooves from entering.

2. The letters should be placed outside the enclosure, about 50 cm (20 inches) from the fence. The letter A should be a sufficient distance from the entrance to allow unobstructed entry. It is desirable to place a special marker on the fence itself, level with and in addition to the letter concerned.

3. The center line and the points along the center line, if described in the test to be used, should be clearly marked, without being of a nature to frighten the horses. On that account, it is recommended: to mow the center line shorter on a grass arena, or to roll or rake the center line on a sand arena. The points D, L, X, I and G, should be similarly mowed, rolled or raked, about 2 meters (6'6") straight across the center line.

4. If there is only one judge, he is placed 5 meters (16 feet) from the end of the arena opposite the letter C. When two judges are used, one (the President) is placed at C and the other is placed 5 meters from the side of the arena, opposite the letter E or B. When three judges are used, one (the President) is placed at C, another (M or H) is placed at the end of the arena on a line with the judge at C, to his left or right, 2.5 meters in from the long side of the arena, and the third judge is placed 5 meters from the side of the arena, opposite either E or B. A separate enclosure (tent, trailer) should be provided for each judge and it should be raised at least 0.5 meters (20 inches) above the ground to give the judge a good view of the arena.

5. For diagrams of Standard and Small Arenas. See Appendix 5.

EV136  Dressage Scoring

1. MARKING.
   a. Judges will award good marks from 0-10 for each movement and for each collective mark.
   b. Errors of Course or Test will be penalized as follows:
      (1) 1st Time by 2 points
      (2) 2nd Time by 4 points
      (3) 3rd Time by Elimination
   c. In the case of a fall of a horse and/or competitor, the competitor will not be eliminated. He will be penalized by the effect of the fall on the execution of the movement concerned and in the collective marks.
   d. After elimination, a competitor may continue his performance to the end. The marks will be awarded in the ordinary way.

2. ADDITIONAL REASONS FOR ELIMINATION.
   a. Elimination is left to the discretion of the Ground Jury in the following cases:
      (1) Failing to enter the arena within 45 seconds of the starting signal, EV134.3.
      (2) Entering the arena before the starting signal has been given, EV134.3.
      (3) Receiving unauthorized assistance, EV134.15.
      (4) Performing the test in incorrect dress, EV113.
   b. Elimination must be applied in the following cases:
      (1) Performing a test with improper saddlery, EV114.2, or with an illegal whip, EV113.3, or with illegal spurs, EV113.4.
      (2) Marked lameness, EV134.8.
      (3) Leaving the arena between the time of the entry and the final salute, EV134.9.
      (4) Resistance, EV134.10.

3. CALCULATION OF SCORES.
   a. The good marks from 0-10 awarded by each judge to a competitor for each numbered movement of the dressage test together with the collective marks are added together, deducting any error of course or test.
b. For each judge the percentage of maximum possible good marks obtainable is then calculated by dividing the total good marks received (minus any error of course or test) by the maximum possible good marks obtainable and then multiplying by 100 and rounding the result to two decimal digits. This value is shown as the individual mark for that judge.

c. If there is more than one judge, the average percentage for the competitor is obtained by adding together the percentage for each judge and dividing by the number of judges, always rounding the result to two decimal digits.

d. In order to convert percentage into penalty points, the percentage if there is only one judge or the average percentage if there is more than one judge must be subtracted from 100. The result, rounded to one decimal digit, is the score in penalty points for the test.

**EV137 Cross-Country Test**

1. This test is to prove the speed, endurance and jumping ability of the true cross-country horse when it is well trained and conditioned. At the same time it demonstrates the competitor’s knowledge of pace and the use of his horse across country.

2. It consists of a cross-country course with obstacles, normally carried out at the gallop.

**EV138 Cross-Country Rules**

1. **STARTING:**
   a. Competitors at the start must be under the control of a starter. The horse does not have to stand absolutely immobile, but the competitor must not get any advantage from a flying start. Each competitor should be given reasonable warning before the time he is due to start, but it is the competitor’s responsibility to ensure that he starts at the correct time.

   b. In order to simplify the task of the starter, an enclosure approximately 5 X 5 meters (16 X 16 feet) will be built at the start with an open front through which horses will start and a gap in one or both sides through which horses may enter. Each competitor must start from within the enclosure and is at liberty to move around and through the enclosure as he pleases. An attendant may lead the horse into the enclosure, and may hold the horse until the signal to start is given. From that instant, the competitor is considered to be on course and no further assistance may be given (see EV138.8).

   c. If a competitor starts early, his time will be recorded from the moment he crossed the start line and five seconds will be added as penalty. In the event of a false start in conjunction with speed faults, five seconds will be subtracted as a penalty.

   d. If a competitor is not ready to start at his correct time, he may be allowed, at the discretion of the starter, to start when he is ready, subject to the following conditions:

      1. A late competitor will not be permitted to start if there is any risk of interfering with the subsequent competitor.

      2. His starting time will be recorded as if he had started at the correct time.

2. **TIME.**

   a. Optimum Time—The distance divided by the designated speed gives the optimum time. Completing the course in less than the optimum time results in zero time penalties. A competitor exceeding the optimum time will be penalized in accordance with EV141.2.a. Time is counted in whole seconds, parts of a second counting as the next whole second (e.g. 30.25 seconds is recorded as 31 seconds.)

   b. Speed Fault Time—For the Beginner Novice, Novice and Training Levels, the distance divided by the speed fault speed gives the speed fault time. Completing the course in less than the optimum time is not penalized up to the speed fault time. Completing the course in less than the speed fault time will be penalized in accordance with EV141.2.b. Time is counted in whole seconds, parts of a second counting as the next whole second (e.g. 30.25 seconds is recorded as 31 seconds.)

   c. Time Limit—The time limit is twice the optimum time. A competitor exceeding the time limit will be eliminated.

   d. Timing - Time is counted from the instant the starter gives the signal until the instant when the mounted horse reaches the finishing line. Time is counted in whole seconds, parts of a second counting as the next whole second (e.g. 30.25 seconds is recorded as 31 seconds). When an electronic timer is used for the start, the starter must cut the beam with his hand.
3. ERRORS OF COURSE. All compulsory passages and all obstacles, including all elements and/or options, must be passed or jumped in order, under penalty of elimination. All red and white flags must be respected wherever they occur on the course, under penalty of elimination, except as provided for in EV142.5. Retaking an obstacle already jumped is forbidden, under penalty of elimination, except as provided for in EV142.5.

4. PACE AND DISMOUNTING. Between the start and finish, competitors are free to choose their own pace. They must be mounted to pass all red and white boundary flags. Dismounting as a result of attempting an obstacle, whether voluntary or not, is penalized in accordance with EV141.1.b. Elsewhere on the course, competitors may dismount without incurring a fault, other than possible penalties for exceeding the optimum time.

5. OVERTAKING.
   a. Any competitor who is about to be overtaken by a following competitor must quickly clear the way. Any competitor overtaking another competitor must do so only at a safe and suitable place.
   b. When the leading competitor is before an obstacle and about to be overtaken, he must follow the directions of the officials. When the leading competitor is committed to jumping an obstacle, the following competitor may jump that obstacle only in such a way that will cause no inconvenience or danger for either.
   c. The penalty for willful obstruction of an overtaking competitor, failure to follow the instructions of the officials, or causing danger to another competitor is elimination at the discretion of the Ground Jury.

6. COMPETITORS IN DIFFICULTY. If, in attempting to negotiate an obstacle, a horse should be trapped in such a way it is unable to proceed without assistance, the horse shall be retired from competition and the score posted as a mandatory retirement.

7. STOPPING COMPETITORS.
   a. If any part of an obstacle is obstructed by a competitor in difficulty, if any obstacle has been dismantled to release a fallen horse, if an obstacle has been broken and has not yet been rebuilt, or in any similar circumstances, subsequent competitors must be halted.
   b. In such a case, an official should be posted in the path of the oncoming competitor. He shall wave a red flag, which indicates that the competitor must stop. Failure to stop is penalized by elimination at the discretion of the Ground Jury.
   c. Competitors may be stopped at obstacles or at stopping points on the course.
   d. The official will stop competitors only upon the instructions of the control center, or during a rapidly developing emergency at his own obstacle.
   e. The time during which the competitor was stopped, from the moment he passed the stopping point until he re-passed the same point after being given the order to restart, will be recorded. It will be deducted from the total time taken by the competitor to complete the course. It is clearly intended that the time shall be taken as the competitor galleops past the stopping point, not after he halts nor after a start from the halt.

8. UNAUTHORIZED ASSISTANCE.
   a. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the competitor or of helping his horse, is considered unauthorized assistance and the competitor is liable to be eliminated.
   b. In particular, the following are forbidden:
      (1) Intentionally to join another competitor and to continue the course in company with him;
      (2) To be followed, preceded or accompanied, on any part of the course by any vehicle, bicycle, pedestrian, or horseman not in the competition;
      (3) To post friends at certain points to call directions or make signals in passing;
      (4) To have someone at an obstacle to encourage the horse by any means whatsoever;
      (5) To tamper with the obstacles or any part of the course, including, for instance, flags, indicators, markers, notices, ropes, trees, branches, wire or fences, whether temporary or permanent.
   c. Officials or spectators who draw the attention of a competitor to a deviation from the course are giving unauthorized assistance which may result in the elimination of the competitor.
   d. Each case of unauthorized assistance will be decided by the Ground Jury.

9. AUTHORIZED ASSISTANCE.
a. Headgear or spectacles may be handed to a competitor at any time.
b. After a fall, or provided a competitor dismounts, he may be assisted to catch his horse, to adjust his saddlery, to remount, or to be handed any part of his saddlery or equipment, including whip, either while dismounted or after remounting.
c. A competitor may receive clarification of jumping penalties from an obstacle judge, e.g. after jumping a flag at a corner, the judge may clarify whether it was a run-out or not.

10. AFTER ELIMINATION. A competitor eliminated or retired for any reason must leave the course at once and has no right to continue. If he does not stop at once and it can be established beyond a reasonable doubt that he should be eliminated or retired, he should be stopped as soon as possible and reported to the ground jury. A competitor must walk his horse off the course either mounted or dismounted. Violators shall be warned or fined up to $100. (payable to the Organizing Committee), at the discretion of the Ground Jury.

EV139 Cross-Country Courses

1. MARKING OF THE COURSE.
   a. Red or White Boundary Flags—These shall be used to mark the starting and finishing lines, to mark compulsory passages, and to define obstacles. They are placed in such a way that a competitor must leave a red flag on his right and a white flag on his left.
      (1) In cases where courses for two or more levels of competition are marked at the same time, only those flags which form part of the course for the relevant competition are to be considered to be in effect at any one time.
   b. Yellow Directional Markers - These shall be used to show the general direction to be taken and to help competitors find their way. Where necessary, they shall be superimposed with the first letter or color of the level. Passing close to them is not obligatory.
   c. Numbers and Letters - Each obstacle shall be numbered. Obstacles with elements or options (see EV140.2) shall in addition be lettered (A, B, C, etc.). Each compulsory passage shall be marked with the first letter of the level and numbered consecutively.
      (1) Numbers and letters shall be painted as follows: Advanced—white on a blue background, Intermediate—white on a red background, Preliminary—white on a green background, Training—white on a black background, Novice—black on a white background, Beginner Novice—black on a yellow background or as designated by the organizer and printed on the course map.
   d. Start and Finish Signs—In addition to the red and white boundary flags, the starting and finishing lines shall also be marked by distinct signs.
   e. Stopping Points—These shall be marked by a peg painted in a vivid color, surveyor’s flags, or by a sign.

2. DISTANCES AND SPEEDS. The distances and the speeds demanded are determined by the intended difficulty of the whole Test. Within the limits shown in Appendix 2, Course Designers may choose the distances and speeds most suitable to the terrain and to the quality and standard of preparation of the competitors.

3. FINISHING LINES. The last obstacle on course shall be not less than 25 meters nor more than 75 meters from the finishing line.

4. PLAN OF THE COURSE.
   a. Each competitor will be given in advance a plan showing the track of the course. The plan must be available by at least 3:00 p.m. of the day before the entire competition, but may be available sooner at the Organizing Committee’s discretion.
   b. The plan must include the following: the position of the start and finish lines, the numbered compulsory passages, the numbered obstacles, the distance, the optimum time, the time limit.

5. SPECTATORS. Steps must be taken to ensure that no spectator or official shall be in such a position as to obstruct a competitor.

EV140 Cross-Country Obstacles

1. DEFINITION.
   a. An obstacle is considered as such if and only if its extremities are marked with a red and white flag or flags and it is numbered.
   b. All significant jumping efforts that the average horse may be expected to attempt to negotiate must be defined as an obstacle or element and flagged, numbered and/or lettered accordingly.
2. OBSTACLES WITH ELEMENTS OR OPTIONS
   a. Obstacles Composed of Several Elements. (See also Appendix 6)
      (1) If two or more jumping efforts, sited closely together, are designed as one in-
           tegral test, they will be designated as “elements” of a single numbered obstacle. Each
           element will be marked with a different letter (A, B, C, etc.) and must be negotiated
           in the correct order.
      (2) Where two or more jumping efforts are sited so closely together that after a
           refusal, run out or fall, it would be unreasonably difficult to attempt to negotiate the
           second or subsequent effort without retaking one or more earlier efforts, these jump-
           ing efforts must be designated as one numbered obstacle and lettered accordingly.
   b. Obstacle with Options or Alternatives.
      Where an obstacle may be jumped in one effort but has options involving two or more
      efforts, each of these options must be lettered as an element.
   c. Alternative obstacles or elements may be flagged separately and must be identified
      by the same number/letter as on the direct route. In this case, both sets of flags must
      be marked with a black line. Such “black flag” alternatives are to be judged as separate
      obstacles or elements, only one of which has to be jumped.
      A competitor is permitted to change without penalty from one black flagged line to
      another (e.g. jumping 6a left hand route then 6b right hand route) provided he has not
      presented his horse at the next element of the original line. (See diagrams App. 7). In a
      combination, the TD with the approval of the Ground Jury may allow competitors to cir-
      cle without penalty at a black flag lettered alternative long route, if this improves the flow
      of the course. This does not change the method of scoring for the competitor on the
      direct route through the elements of the obstacle.
3. NATURE OF OBSTACLES.
   a. The obstacles must be fixed and imposing in shape and appearance. When natural
      obstacles are used, they should, if necessary, be reinforced so that they remain in the
      same state throughout the test. All reasonable precautions must be taken to prevent
      the possibility of a competitor being able to pass mounted under an obstacle.
   b. The cross-country obstacles at which a horse, in falling, is likely to be trapped or to
      injure itself, must be built in such a way that part of the obstacle can be quickly disman-
      tled and can be quickly rebuilt exactly as before. Such a construction must not in any
      way detract from the solidity of the obstacle.
   c. Bullfinches must be constructed in such a way that the average horse will be
      encouraged to jump through it.
   d. The use of motorized vehicles as the jumpable portion of an obstacle is forbidden.
4. WATER CROSSINGS.
   a. In all water crossings, the bottom should be firm and consistent. The maximum
      depth of the water shall not exceed 35 cm (14").
   b. Water at the Beginner Novice Level shall be a straightforward water crossing with-
      out obstacles. It shall be flagged at the entrance. The minimum width of water shall be
      5.0 meters (16'5"). If it is necessary to revett the banks, the revetting shall not exceed
      50 cm. (1'8").
   c. In all water crossings involving obstacles, the minimum distance between obstacles
      shall be 9 meters (29'3"). In all water-to-water obstacles, there shall be a minimum of 6
      meters (19'6") of water before the obstacle.
5. NUMBER OF JUMPING EFFORTS:
   a. Within the limits shown in Appendix 2, the total number of jumping efforts shall be
      related to the length of the course.
   b. To arrive at the number of jumping efforts, the efforts on the route expected to be
      taken by the average horse shall be totaled.
6. DIMENSIONS.
   a. Within the limits shown in Appendix 2, the dimensions of obstacles should be
      related to the quality and standard of preparation of the competitors.
   b. The fixed and solid part of an obstacle may not exceed the specified height at any of
      the points at which a competitor might reasonably attempt to negotiate the obstacle.
   c. At obstacles with spread only (dry or water filled ditch), a guard rail or hedge in front
      that facilitates jumping is permitted. It may not exceed 50 cm (20 inches) in height. It
      must be included in the measurement of the spread.
d. Any roof, or other fixed and solid barrier over an obstacle, must not be less than 3.36 meters (11 feet) above the ground.

7. MEASUREMENTS.
   a. The height of an obstacle is measured from the point where the average horse would take off. The spread of an obstacle is measured from the outside of the rails or other material making up the obstacle.
   b. When the height of an obstacle cannot be clearly defined (natural hedge or brush fence), the height is measured to the fixed and solid part of the obstacle through which a horse cannot pass with impunity.
   c. The drop on the landing side of an obstacle is measured from the highest part of the obstacle to the spot where the average horse would land.

8. In the interests of safety, organizers are encouraged to construct obstacles using Frangible Pin technology wherever it is appropriate. Information on the appropriate applications of Frangible Pin construction is available in the USEA Cross-Country Obstacle Design Guidelines. Frangible Pins may be installed only by or under the supervision of Course Designers/course builders who have attended a USEA Seminar on Frangible Pin construction. BOD 1/14/07 Effective 4/1/07

      (1) For each second under Speed Fault Time 0.4 penalty points

3. ADDITIONAL REASONS FOR ELIMINATION:
   a. Elimination is left to the discretion of the Ground Jury in the following cases:
      (1) Jumping or attempting to jump any obstacle without headgear, or with an unfastened retention harness, EV113.1.
      (2) Willful obstruction of an overtaking competitor, or failure to follow the instructions of the officials while being overtaken, EV138.5.c
      (3) Causing danger to another competitor while overtaking that competitor, EV138.5.c.
      (4) Failure to stop when signaled, EV138.7.b.
      (5) Unauthorized assistance, EV138.8.a.
   b. Elimination must be applied in the following cases:
      (1) Competing with improper saddlery, EV114.3.
      (2) Error of course not rectified, EV138.3.
      (3) Omission of obstacle or compulsory passage, EV138.3.
      (4) Jumping an obstacle or passing through a compulsory passage in the wrong order, EV138.3.
      (5) Jumping an obstacle in the wrong direction, except when EV142.5 applies.
      (6) Retaking an obstacle already jumped, except when EV142.5 applies.

EV142 Cross-Country—Definitions of Faults (Drawings, Appendix 7)

1. GENERAL. Faults (refusals, run-outs, circles and falls) will be penalized unless in the opinion of the responsible judge, they are clearly not connected with the negotiation or
attempted negotiation of a numbered obstacle or element for the relevant competition in progress. The negotiation or attempted negotiation of an obstacle commences with the presentation of the horse to the obstacle.

2. DISOBEEDIENCES (REFUSALS and RUN-OUTS)
   a. Refusals.
      (1) At obstacles or elements with height (exceeding 30 cm), a horse is considered to have refused if it stops in front of the obstacle to be jumped.
      (2) At all other obstacles (i.e., 30 cm or less in height) a stop followed immediately by a standing jump is not penalized, but if the halt is sustained or in any way prolonged, this constitutes a refusal. The horse may step sideways but if it steps back, even with one foot, this is a refusal.
      (3) After a refusal, if a competitor redoubles or changes his efforts without success, or if the horse is represented at the obstacle after stepping back and stops or backs again, this is a second refusal, and so on.
   b. Runouts. A horse is considered to be disobedient if it runs-out, avoids the obstacle or element to be jumped in such a way that it has to be represented. A rider is permitted to change his mind as to where he jumps an obstacle or element at any time without penalty for a run-out, including as a result of a mistake at a previous obstacle or element.
   c. At an obstacle composed of several elements (A B obstacle), a horse may be disobedient and refuse or run-out only twice in all without incurring elimination.

3. CIRCLES.
   a. At an obstacle composed of several elements (A, B, C, etc.) a horse will be penalized if it passes around any element or circles between elements at any time between first being presented at the obstacle and finally completing the last element. See diagrams App. 7. Also, see EV140.2.c for possible exceptions at black-flagged alternatives.
   b. After being penalized for a refusal, run-out, circle or fall, a competitor is permitted to cross his original track without penalty in order to make another attempt and may also circle one or more times without penalty, until he again presents his horse at the obstacle.
   c. At separately numbered obstacles, a competitor may circle between or around them without penalty provided he has not represented his horse at the second or subsequent obstacles.

4. FALLS.
   a. A competitor is considered to have fallen when he is separated from his horse in such a way as to necessitate remounting or vaulting into the saddle.
   b. A horse is considered to have fallen when at the same time both its shoulder and quarters have touched either the ground or the obstacle and the ground.
   c. A fall will always be penalized when it occurs between the elements of an obstacle composed of several elements (A B C).

5. ADDITIONAL ATTEMPTS AT OBSTACLES COMPOSED OF SEVERAL ELEMENTS
   If after a disobedience or fall at an obstacle composed of several elements a competitor wishes to retake any element already jumped in order to complete negotiation of the obstacle, he may do so. However, he is liable to be penalized for any additional fault even if it is at an element previously jumped successfully. If after a disobedience a competitor wishes to pass through flags in the wrong direction in order to retake an element, he may do so without penalty.

6. WILLFUL DELAY. A competitor is considered to have willfully delayed his finish if, between the last fence and the finish line, the horse halts, walks, circles, or serpentines. The competitor will be penalized at the discretion of the Ground Jury.

7. INSTRUCTIONS TO OFFICIALS. Where there is any doubt as to the correct interpretation of the rules of judging any obstacle, the Technical Delegate, on the advice of the Ground Jury, shall approve the instruction to the judges and provide a rough sketch if necessary. And all competitors shall be informed of any such instructions at the briefing, or as soon as possible if later.

EV143 Jumping Test
1. This Test is designed to prove the suppleness, obedience and jumping ability of the horse. At the same time, it demonstrates the competitor’s knowledge of pace and the use of his horse in the jumping arena. It is not a test of style or endurance.
2. The nature of the course, its length, the speed demanded and the dimensions of the obstacles, depend not only on the degree of difficulty of the whole competition and on the quality and state of preparation of the competitors, but also on the relative influence which the Jumping Test is required to exert on the whole competition.

3. It follows that where the Cross-Country Test is severe, the course and obstacles of the Jumping Test should be relatively more exacting. Where the former is more elementary, the degree of difficulty of the Jumping Test must be reduced, in order to preserve the correct relative influence.

**EV144 Jumping Rules**

1. In any circumstances not specifically covered by these rules, FEI Rules for Jumping Events shall apply.

2. **ENTERING AND LEAVING THE ARENA.**
   a. Competitors must enter the arena when their number is called, under penalty of elimination, at the discretion of the Ground Jury.
   b. Competitors must enter and leave the arena mounted except with the permission of the Ground Jury or in the case of an accident, under penalty of elimination at the discretion of the Ground Jury.
   c. Should a horse leave the arena before the end of the Test, including prior to starting, it will be eliminated.

3. **STARTING AND FINISHING.**
   a. Competitors are forbidden to jump or attempt to jump an obstacle in the arena before starting, under penalty of elimination.
   b. After the bell has been rung to signal permission to start, the competitor should cross the starting line within a 45 second countdown, after which his/her time will start. The competitor must not start before the signal has been given. Failure to start, or starting before the signal, shall result in elimination.
   c. Crossing the starting line in the wrong direction will not be penalized if, before jumping the first obstacle, this line is recrossed in the correct direction. The clock is only started on the second occasion of crossing.
   d. Unless otherwise indicated, competitors may recross the starting and finishing lines during a round without penalty.
   e. Competitors must pass through the starting and finishing flags mounted, or they will be eliminated. Failure to cross the finishing line mounted before leaving the arena will be penalized by elimination.

4. **USE OF THE BELL.** The bell (or whistle, horn, etc.) is used to communicate with the competitors. The bell is used: to give the signal to start, to stop a competitor for any reason or following an unforeseen incident, to signal him to continue his round after an interruption, to indicate that an obstacle and/or flag knocked down or displaced following a disobedience have been replaced, and to indicate by prolonged and repeated ringing that a competitor has been eliminated.

5. **INTERRUPTIONS.**
   a. If a competitor does not obey the signal to stop during the Test, he may be eliminated at the discretion of the Ground Jury. He continues at his own risk, any penalties will count, and the clock should continue to run.
   b. If after an interruption, the competitor starts and jumps or attempts to jump without waiting for the bell to ring, he will be eliminated.
   c. While the clock is stopped for an interruption, the competitor is free to move around until ringing the bell gives him permission to start again. The clock is restarted when the competitor reaches the place where the clock was stopped. Exception: in the case of a disobedience with a knock-down, see EV149.1
   d. If the competitor stops voluntarily to signal to the Ground Jury that the obstacle to be jumped is wrongly built or rebuilt (for example, wrong dimensions or flags incorrectly placed), the clock must be stopped and the obstacle checked. If the obstacle is correct, the competitor will be penalized for stopping during the round and 4 seconds will be added to the time of his round. If the obstacle is incorrect, the competitor is not penalized.

6. **DEVIAITION FROM THE COURSE.** An uncorrected deviation from the course incurs elimination, including: not crossing the starting line or the finishing line between the flags,
omitting an obstacle, not jumping the obstacles in the order indicated, jumping or attempting
to jump an obstacle which does not form part of the course.
7. COMBINATIONS:
   a. When there is a refusal or run-out in the second or third element of a combination,
      the competitor must retake all the elements, under penalty of elimination.
   b. Penalties for faults made at each element and during different attempts are counted
      separately and added together.
8. RESISTANCE. This includes: taking more than 45 seconds to jump a single obstacle or
   the first part of a combination, including after a fall, and resisting continuously for 45 sec-
   onds during a round.
9. ASSISTANCE.
   a. Any form of unauthorized assistance received by a mounted competitor between
      the starting line and the finishing line will be penalized by elimination at the discretion of
      the Ground Jury.
   b. Any help given to a mounted competitor to adjust his saddlery or hand him his whip
      during his Test is considered unauthorized assistance. To hand a mounted competitor his
      headgear and/or spectacles during his Test is not considered unauthorized assistance.
   c. The act of officials or other persons in the arena of warning the competitor of a devi-
      ation from the course is considered unauthorized assistance

EC 7/16/07 Effective immediately

EV145 Jumping Course
1. ARENA. The dimensions and the nature of the arena will be different for each Horse
   Trials, however, a minimum dimension of 50 meters by 80 meters or an equivalent is rec-
   ommended. The arena must be defined, suitably enclosed and be of a suitable size to allow
   competitors to ride at the required speed for the division. Where the arena size is less than
   5000 square meters (approximately 85m x 55m) the maximum speed to be used for any
   division shall be 350 meters/min. In arenas of less than 2300 square meters (approximately
   76m x 30.5m) the maximum speed to be used shall be 325 meters/min.
BOD 1/15/06 Effective 12/1/06
2. TRACK.
   a. The track of the course will be winding with changes of direction, so as to constitute
      a test of handiness. It will be related to the condition in which a well-trained, fit horse
      may be expected to be at this stage of the competition.
   b. The track should be flowing. No acrobatic feat of jumping or of turning will be
      demanded; nor will a compulsory passage be included.
3. MARKING OF THE COURSE.
   a. Red or White Boundary Flags—These shall be used to mark the starting and finish-
      ing lines, and to define obstacles. They are placed in such a way that a competitor must
      leave a red flag on his right and a white flag on his left.
   b. Numbers and Letters—Each obstacle shall be numbered. Combinations shall in
      addition be lettered (A, B, etc.).
4. COURSE LENGTH AND ADJUSTMENTS.
   a. Within the limits shown in Appendix 2, Course Designers are free to plan a track
      suitable to the quality and standard of preparation of the competitors.
   b. The time allowed may be adjusted at the sole discretion of the judge(s), if they feel
      that a gross error in the measurement of the course has been made. This change may
      occur only after consultation with the course designer and technical delegate.
      Adjustment of the time allowed may never occur later than after the completion of a
      third round without disobedience or fall. The time allowed may never be lowered result-
      ing in the awarding of time faults to any competitors having ridden prior to the change
      without disobedience. BOD 1/15/06 Effective 12/1/06
5. STARTING AND FINISHING LINES. The starting line may not be more than 25 meters
   nor less than six meters from the first obstacle. The finishing line may not be more than 25
   meters nor less than 15 meters from the last obstacle.
6. PLAN. The plan of the course must show the following: the positions of the starting and
   finishing lines; the relevant positions of the obstacles, their type (straight, spread, alterna-
   tive, etc.), and numbers; an arrow showing the direction in which each obstacle must be
jumped; the length of the course, the time allowed and the time limit; and, any decisions made by the Ground Jury with regard to the course.  

**EV146 Jumping Obstacles**

1. **GENERAL.**
   a. The obstacles must be inviting in their overall shape and appearance, varied and match their surroundings. Both the obstacles themselves and their constituent parts must be such that they can be knocked down, while not being so light that they fall at the slightest touch or so heavy that they may cause horses to fall.
   b. The obstacles must not be unsporting and they must not cause an unpleasant surprise.
   c. Poles and other elements of the obstacles are held up by supports (cups). The pole must be able to roll on its support; in this case the support must have a minimum depth of 18 mm (ZZ\zn in.) and a maximum depth of 30 mm (1C\zn in). The purpose of this rule is to ensure that rails when struck are not trapped in the cup, perhaps causing a fall or injury. Shallower cups should be used wherever safety is a concern. For planks, balustrades, barriers, gates, etc. the diameter of the supports must be more open or even flat, with a maximum depth of 1.3 cm (Z\zn in). Flat cups (as herein defined) shall never be used to support poles when they comprise the top element(s) of an obstacle.

2. **DIMENSIONS.**
   a. Within the limits shown in Appendix 2, the dimensions of obstacles should be related to the quality and standard of preparation of the competitors. At least one third shall be of maximum height for the level offered, except at the Beginner Novice and Novice Levels where there are no minimum requirements.
   b. While the limits on the height and spread should be observed with care, it is understood that the material used for construction and/or the position of the obstacle on the ground may cause the limits to be exceeded. This is permitted to the following tolerances: 5cm (2") in height, and 10cm (4") in width.
   c. An obstacle with a narrow face is one whose jumping element (rails, walls, etc.) is between 1.80m (5'11") and 3.0m (9'10") in length. Lengths less than 1.80m are not permitted.

3. **TYPE OF OBSTACLES.** Within the limits shown in Appendix 2, Course Designers may choose from the types of standard show jumping obstacles described below with a balance of straight and spread obstacles.  

4. **STRAIGHT OBSTACLE.** An obstacle whatever its construction can only be called straight when all the elements of which it is composed are positioned in the same vertical plane on the take-off side without any rail, hedge, bank or ditch in front of it. A wall with an inclined face may not be called a straight obstacle.

5. **SPREAD OBSTACLE.** A spread obstacle is an obstacle which is built in such a manner that it requires an effort both in spread and in height.

6. **COMBINATION OBSTACLES.**
   a. Double or triple combinations mean a group of two or three obstacles, with distances between each of 7m (23') minimum and 12m (39'4") maximum (except for permanent fixed obstacles where the distance may be less than 7m) and requiring two or three successive efforts.  
   b. The distance is measured from the base of the obstacle on the landing side to the base of the next obstacle on the take-off side.
   c. In combinations, each obstacle of the group must be jumped separately and consecutively. Failure to do so incurs elimination (EV144.6). Faults committed at any obstacle of a combination are penalized separately.
   d. When there is a refusal, run-out or fall, the competitor must retake all the jumps. Failure to do so incurs elimination (EV144.7.a).
   e. Penalties for faults made at each part and during different attempts, are counted separately and added together.
   f. The knock down or displacement of the second or third part (and/or of a flag at these parts) of a combination obstacle, following a fall of the competitor after having jumped the preceding part, are not penalized; only the fall is penalized. (EV149.3.d)

7. **BANKS, MOUNDS, and RAMPS.**
a. Banks, mounds, ramps and sunken roads irrespective of whether they include any sort of obstacle and in whatever direction they should be taken, are to be regarded as combination obstacles (EV144.7).

b. A bank or mound without an obstacle or only with one or several poles over it may be jumped in one effort. This method of jumping the obstacle incurs no penalty.

8. ALTERNATIVE OBSTACLES

a. When in a competition two obstacles of the course carry the same number, the competitor has the choice of jumping either one of the obstacles. These jumps are to be marked on the course plan with the same number and the word “Alternative.”

BOD 1/15/06 Effective 12/1/06

b. If there is a refusal or run-out without a knock-down or displacement of the obstacle, at his next attempt the competitor is not obliged to jump the obstacle at which the refusal or run-out occurred. He may jump the obstacle of his choice.

c. If there is a refusal or run-out with a knockdown or displacement of the obstacle, he may only restart his round when the obstacle knocked down or displaced has been reset and when the Ground Jury gives him the signal to start. He may then jump the obstacle of his choice.

d. Red and white flags must be placed at each of the elements of this alternative obstacle.

EV147 Jumping Scoring

1. FAULTS AT OBSTACLES.

* Knocking down an obstacle 4 penalties
* First disobedience 4 penalties
* Second disobedience in the whole Test at Preliminary, Intermediate and Advanced Elimination

BOD 1/14/07 Effective 2/1/07

* Second disobedience in the whole Test at Beginner Novice, Novice and Training 8 penalties

(At Beginner Novice, Novice and Training, the provisions of EV149.1.c apply as follows: The clock will be restarted when the horse leaves the ground at the obstacle where the disobedience occurred or when the horse incurs a second refusal.)

* First fall of competitor Elimination
* First fall of horse Mandatory retirement

2. TIME FAULTS. The length of the course and the speed demanded determine the time allowed. Completing the course in less than the time allowed is not rewarded, but exceeding the time allowed is penalized by one penalty point per second or part of a second in excess of the time allowed, up to the time limit, which is twice the time allowed. Exceeding the time limit involves elimination.

3. ADDITIONAL REASONS FOR ELIMINATION.

a. Elimination is left to the discretion of the Ground Jury in the following cases:

(1) Not entering the arena when the competitor’s number is called, EV144.2.a.
(2) Not entering the arena mounted or not leaving the arena mounted, EV144.2.b.
(3) All unauthorized assistance, EV144.9.a, except as noted below (14th reason in 3.b).
(4) Not stopping when the bell is rung during the Test, EV144.5.a.
(5) Jumping, or attempting to jump an obstacle without headgear or with an unfastened retention harness, EV113.1.

b. Elimination must be applied by the Ground Jury in the following cases:

(1) Jumping or attempting to jump an obstacle in the arena before the start of the Test, EV144.3.a.
(2) Starting before the signal is given and jumping the first obstacle of the course, EV144.3.b.
(3) A horse resisting for 45 consecutive seconds during the Test, EV144.8.
(4) Taking more than 45 seconds to jump an obstacle, or the first part of a combination, including after a fall, EV144.8.
(5) Omitting to cross the starting and/or finishing lines between the flags, EV144.6.
(6) Jumping an obstacle that does not form part of the course during the Test, EV144.6.
(7) Omitting to jump an obstacle of the course, EV144.6.
(8) Jumping an obstacle in the wrong order, EV144.6.
(9) Jumping an obstacle in the wrong direction, EV145.3.a.
(10) Jumping or attempting to jump an obstacle after an interruption without waiting for the bell, EV144.5.b.
(11) Not jumping all the fences of a combination again after a disobedience, EV144.7.a.
(12) Not crossing the finishing line mounted before leaving the arena, EV144.3.e.
(13) A loose horse leaving the arena before the end of the Test, including before starting, EV144.2.c.
(14) Accepting while mounted any object whatsoever during the Test, except headgear and/or spectacles, except after a fall, EV144.9.b.
(15) Error of course not rectified, EV144.6.
(16) Competing with improper saddlery, EV114.3, or with a whip exceeding 75 cm (30 inches), EV113.3.

**EV148 Jumping - Definitions of Faults**

1. **KNOCKDOWN.**
   a. An obstacle is considered to have been knocked down when, through a mistake of the horse or competitor:
      (1) the whole or any part of it falls, even if the part which falls is arrested in its fall by any element of the obstacle;
      (2) at least one of its ends no longer rests on any part of its support;
   b. Touches and displacements of any part of an obstacle or its flags, in whatever direction, while in the act of jumping, do not count as a knockdown. If in doubt the Ground Jury should decide in favor of the competitor. The knockdown or displacement of an obstacle and/or a flag as a result of a disobedience is penalized as a refusal only. In the event of the displacement of any part of an obstacle, or its flags, as a result of a disobedience, the bell will be rung and the clock stopped while the displacement is re-adjusted or the flag put back in position. This does not count as a knockdown and is only penalized as a disobedience and by time in accordance with EV149.1.a.
   c. If any obstacle of the course, which has been struck by the horse or by the competitor when jumping it, reaches the ground after the finishing line has been crossed, the competitor is not penalized. But if this obstacle (single or combination) is the last on the course and it starts to fall before the competitor has crossed the finishing line, it counts as a fault, even if the obstacle reaches the ground after the finishing line has been crossed. However, it does not count as a fault when the obstacle reaches the ground after the competitor has left the arena.
   d. Penalties for knocking down an obstacle are those provided for under EV147.1.
   e. If any element of an obstacle which as been knocked down is likely to impede a competitor in jumping another obstacle, the bell must be rung and the clock stopped while this element is picked up and the way is cleared.
   f. If a competitor jumps an obstacle correctly which has been improperly rebuilt, he incurs no penalty; but if he knocks down this obstacle he will be penalized in accordance with EV147.1.

2. **STRAIGHT and SPREAD OBSTACLES.**
   a. When a straight obstacle or part of an obstacle comprises two or several elements placed one above the other and positioned in the same vertical plane, only the fall of the top element is penalized.
   b. When a spread obstacle which requires only one effort comprises elements which are not positioned in the same vertical plane, the fall of one or several top elements only counts as one fault whatever the number and position of the elements which have fallen. Trees, hedges etc. used as filling are not liable for penalties.
3. DISOBEDIENCES.
   a. The following are considered as disobediences and are penalized as such (Rule EV147.1):
      (1) a corrected deviation from the course;
      (2) a refusal;
      (3) a run-out;
      (4) a resistance;
      (5) a more or less regular circle or group of circles no matter where they occur on
         the course or for whatever reason (except under 3.b(1) below). It is also a disobedi-
         ence to circle the last obstacle jumped unless the track of the course so requires.
   b. Notwithstanding the above, the following are not considered to be disobediences:
      (1) circling for up to 45 seconds after a run-out or a refusal (no matter whether the
         obstacle has to be rebuilt or not) to get into position to jump an obstacle;

4. DEVIATION FROM THE COURSE.
   a. It is a deviation from the course when the competitor:
      (1) does not follow the course as set out on the published plan;
      (2) does not cross the starting line or the finishing line between the flags;
      (3) does not jump the obstacles in the order or in the direction indicated;
      (4) jumps or attempts to jump an obstacle which does not form part of the course
         or omits an obstacle. Obstacles not included in the course should be crossed but
         failure to do so by the arena party will not preclude the elimination of a competitor
         for jumping an obstacle not forming part of the course.
   b. The following is not considered as a deviation from the course and incurs no penal-
      ties: a horse or part of a horse going past an obstacle to be jumped or the finishing line
      and afterwards taking it in the correct direction.
   c. An uncorrected deviation from the course incurs elimination.

5. REFUSAL.
   a. It is a refusal when a horse halts in front of an obstacle which it must jump whether
      or not the horse knocks it down or displaces it.
   b. Stopping in front of an obstacle without knocking it down and without backing fol-
      lowed immediately by a standing jump is not penalized.
   c. If the halt is prolonged, if the horse steps back, either voluntarily or not, even a sin-
      gle pace, it counts as a refusal.
   d. If a competitor, who has knocked down the obstacle in stopping, jumps or attempts
      to jump it after the bell has been rung and before it has been rebuilt, he is eliminated
      (EV144.5.b).
   e. If a horse slides through an obstacle, the Judge must decide immediately if it is to
      count as a refusal or as an obstacle knocked down. If he decides that it is a refusal the
      bell is rung at once and the competitor must be ready to attempt the obstacle again as
      soon as it has been rebuilt (see Rules EV148.1.a and EV148.1.b). If the Judge decides
      that it is not a refusal, the bell is not rung and the competitor must continue his round.
      He is then penalized as for an obstacle knocked down. If the bell has been rung and the
      competitor jumps other parts of the combination in his stride, it does not entail elimina-
      tion or any further penalty should he knock down this part of the combination.

6. RUN-OUT. It is a run-out when the horse escapes the control of its rider and avoids an
   obstacle which it has to jump.
   a. It is considered to be a run-out and is penalized as such for a horse or any part of
      the horse to go past the extended line of an obstacle to be jumped, or a part of a combi-
      nation, or of the finishing line.
   b. When a horse jumps an obstacle between two red flags or between two white flags
      the obstacle has not been jumped correctly. The competitor is penalized as for a run-out
      and he must jump the obstacle again correctly.
   c. If after a run-out, the competitor does not attempt to jump or does not jump the
      obstacle again, he is eliminated (EV144.6).
   d. If the run-out is the consequence of a fall between two parts of a combination after
      the jump of the preceding part, the run-out is not penalized (EV149.3.d).
7. RESISTANCE. It is a resistance when the horse refuses to go forward, makes a halt for any reason, makes one or several more or less regular or complete half turns, rears or steps back for whatever reason. It is equally a resistance when the competitor stops his horse at any moment and for any reason, except in the event of an incorrectly rebuilt obstacle (EV144.5.d). A resistance is penalized as for a refusal except in the circumstances set out in EV144.8.

8. FALLS.
   a. A competitor is considered to have fallen when, either voluntarily or involuntarily, he is separated from his horse, which has not fallen, in such a way that he touches the ground or finds it necessary, in order to get back into the saddle, to use some form of support or outside assistance.
   b. A horse is considered to have fallen when the shoulder and quarters have touched the ground or the obstacle and the ground. This is mandatory retirement (EV147.1).
      (1) When a competitor falls in knocking down an obstacle or in refusing to jump an obstacle, or as a result of any other disobedience, the penalties in these circumstances are added together.
      (2) Should a loose horse fall, jump an obstacle, go the wrong side of a flag, or pass through the starting or finishing line, it will not be penalized.
      (3) Should a loose horse leave the arena before the end of the round, including prior to starting, it will be eliminated (EV144.2.c).

9. UNAUTHORIZED ASSISTANCE.
   a. Any intervention by a third party between the starting line and the finishing line whether solicited or not, with the object of helping the competitor or his horse is considered to be unauthorized assistance.
      (1) Any form of unauthorized assistance received by a mounted competitor between the starting line and the finishing line will be penalized by elimination at the discretion of the Ground Jury.
      (2) In certain exceptional cases, the Ground Jury may authorize the competitor to enter the arena on foot or with the help of a groom without this being considered as unauthorized assistance.
      (3) Any help given to a mounted competitor to adjust his saddlery or bridle or to hand him a whip while mounted during the round will incur elimination. To hand a mounted competitor his headgear and/or spectacles during his round is not considered to be unauthorized assistance.
   b. The act of officials or other persons in the arena of warning a competitor of a deviation from the course constitutes unauthorized assistance. In this event the competitor may be eliminated at the discretion of the Ground Jury and the official or other persons may be subject to a penalty at the discretion of the Ground Jury.

10. FALLS AND DISOBEDIENCES DURING INTERRUPTED TIME.
    a. The time of a round is interrupted only under the provisions of EV144.5 and EV149. The clock is not stopped in the event of a deviation from the course, a run-out or refusal.
    b. Falls of horse or competitor during interrupted time are always penalized (EV147.1).
    c. Disobediences are not penalized during interrupted time.
    d. The provisions concerning elimination remain in force during interrupted time.

EV149 Jumping Time Corrections

1. KNOCK-DOWNS WITH DISOBEDIENCES.
   a. If, as a result of a disobedience, a competitor displaces or knocks down an obstacle or a flag defining the limits of the obstacle, the bell is rung. The clock is stopped until the obstacle has been rebuilt or the flag replaced. The competitor will be penalized for a refusal and a time correction of six seconds will be added to the time taken by the competitor to complete his Test.
   b. If a competitor displaces or knocks down one of the elements of a combination or a flag defining the limits of an element and refuses or runs out at one of the subsequent elements, the bell is rung. The clock will be stopped as for an obstacle knocked down following a disobedience. The penalties for the disobedience and the time corrections must be applied.
c. The clock is restarted at the moment when the horse leaves the ground at the obstacle where the refusal occurred. If a disobedience with a knock-down occurs at the second or subsequent part of a combination the clock is restarted when the horse leaves the ground at the first element of the combination. EC 10/17/06 Effective 12/1/06

2. TIME CORRECTIONS.
   a. Six seconds will be added to the time of the rider for a knock-down with a refusal, no matter where it occurs on course. EC 10/17/06 Effective 12/1/06

3. KNOCK-DOWNS AND FALLS.
   a. If there is a knock-down and a fall together with a disobedience, the bell is rung immediately. However, the clock must be stopped only when the competitor has remounted and only if the obstacle has not been rebuilt in time for the competitor to continue his Test. The competitor will be penalized for a disobedience and a fall, and the time corrections must be applied.
   b. If, when jumping a single obstacle or the last part of a combination, there is a knock-down and a fall, the clock must not be stopped and the judge must not ring the bell. The competitor is penalized for the fall and for knocking down the obstacle.
   c. If, when jumping any element of a combination except the last, there is a knock-down and a fall, the bell is rung immediately. The clock must be stopped only when the competitor has remounted and only if the obstacle has not been rebuilt in time for the competitor to continue his Test. The competitor will be penalized for the fall and knocking down the obstacle.

4. If, at the second or third element of a combination, the refusal or run-out is the consequence of a fall with or without a knock-down and/or displacement of obstacle (and/or flag), no penalty is incurred for the disobedience. The time corrections are not added to his time. The competitor is penalized only for his fall.

[EV150 IS INTENTIONALLY LEFT BLANK FOR FUTURE USE]

SUBCHAPTER EV-4 - RULES FOR EVENTS (SEE ALSO APPENDIX 8)

EV151 Two Day Events—Introduction
1. DEFINITION. The Two-Day Event comprises three distinct tests, usually taking place on two days, during which a competitor rides the same horse throughout, namely:
   a. A Dressage Test
   b. A Jumping Test
   c. A Cross-Country Test comprising four phases:
      (1) Phases A and C—Roads and Tracks
      (2) Phase B—Steeplechase
      (3) Phase D—Cross-Country Obstacles
   d. The tests must be scheduled in the order listed above.
2. RELATIVE INFLUENCE OF THE TESTS. In principle, the Cross-Country Test should be by far the most influential of the three tests of a Two-Day Event. The Dressage Test, while much less influential than the Cross-Country Test, should be slightly more influential than the Jumping Test.
3. LEVELS OF TWO-DAY EVENTS. The following levels of competition may be offered at a Two-Day Event: Intermediate, Preliminary
4. SCHEDULING. Organizers are encouraged to schedule Two-Day Events in conjunction with Horse Trials at the same level. For this reason, the specifications for the Dressage and Jumping Tests, as well as the Cross-Country Obstacles Phase of the Cross-Country Test are identical to those tests at a Horse Trials.

EV152 Two-Day Events - Rules.
1. GENERAL. With the addition of the rules detailed below plus Appendix 8, the rules contained in Parts One, Three, and Six provide the rules for Two-Day Events in the United States.
2. DESCRIPTION OF THE CROSS-COUNTRY TEST.
   a. The Cross-Country Test of a Two-Day Event consists of four distinct and independent phases, which follow one another without interruption, are performed at a stretch and with no allowance for any halt, except for the 10 minute compulsory halt between Phases C and D (see also EV152.3 below). Each competitor carries out the whole test alone.
b. The four phases are:
   (1) Phase A—Roads and Tracks, normally carried out at the trot or slow canter.
   (2) Phase B—Steeplechase, with obstacles, normally carried out at the gallop.
   (3) Phase C—Roads and Tracks, normally carried out at the trot or slow canter.
   (4) Phase D—Cross-Country, with obstacles, normally carried out at the gallop.

3. EXPLANATION OF THE INDEPENDENCE OF PHASES.
   a. Phases A, B, C and D, are quite independent of each other as far as timekeeping is concerned. Loss of time in one cannot be compensated for by gain of time in another.
   b. If a competitor completes Phase A in less than the optimum time, he must wait until the time he has gained has elapsed before starting Phase B. He will start Phase B at the exact time shown on the timetable.
   c. If a competitor completes Phase A at exactly the optimum time, he must immediately start Phase B. His starting time for Phase B will be adjusted to allow the competitor to proceed from the finish of Phase A to the start of Phase B.
   d. If a competitor completes Phase A with time penalties, he must immediately start Phase B. His starting time for Phase B will be adjusted to account for the time lost on Phase A and to allow the competitor to proceed from the finish of Phase A to the start of Phase B. The competitor need not attempt to regain the time lost, since the time is penalized on Phase A only. All the rest of the competitor’s timetable may be affected by the time lost on Phase A, but this will in no way affect the reckoning of the actual time he takes to complete the other Phases.
   e. The finishing time of Phase B is also the starting time of Phase C.
   f. The gain of 30 seconds on Phase B does not give the competitor an additional 30 seconds to complete Phase C. The optimum time of Phase C is not affected by the gain or loss of time on Phase B.
   g. The gaining of any time on Phase B and/or Phase C will result in additional resting time added to the 10 minute compulsory halt provided for the horse inspection before the start of Phase D.
   h. The loss of any time on Phase B and/or Phase C will not reduce the 10 minute compulsory halt except as provided below. The competitor’s starting time for Phase D will have to be adjusted.
   i. It is possible that a competitor might exceed the optimum time on one or more Phases. Normally, the starting time of Phase D will be delayed by the sum of any time lost less the sum of any time gained. However, if this delay is small (i.e. the competitor was only a few seconds late finishing Phase C), the competitor may be started on Phase D at his scheduled time, in order not to interfere unduly with the timetable.

4. STARTING.
   a. Competitors at the start of Phase A and Phase B must be under the control of a starter. An enclosure will be built at the start of Phase B similar to the start of the Cross-Country Test of a Horse Trial. The finish line of Phase B will also be the starting line of Phase C.
   b. A competitor will not be permitted to start Phase A if he is more than 90 seconds late.

5. TIME.
   a. Time Limit—On Phases A and C, the time limit is one fifth more than the optimum time. On Phase B, the time limit is twice the optimum time.
   b. Time Faults—On Phases A and C, exceeding the optimum time will be penalized at 1.0 penalty point per second. On Phase B, exceeding the optimum time will be penalized at the rate of 0.8 penalty point per second.

6. PACE AND DISMOUNTING. Between the starts and finishes of Phases A and C, competitors are free to choose their own pace. They may dismount and proceed on foot beside their horse at any time, including while negotiating compulsory passages, except that they must be mounted to pass through the start and finish flags of both Phases. The rules for pace and dismounting on Phase B are the same as those for the Cross-Country Test of a Horse Trial.

7. MARKING OF THE COURSE.
   a. Compulsory Passages on Phases A, B and C, shall be marked with the relevant letter of the Phase and numbered consecutively from the start of the Phase.
   b. Kilometer Markers—The routes of Phases A and C will be marked at intervals of 1000 meters by signs. The signs shall indicate the distance from the start of the Phase and shall include the letter of the Phase.
8. **FAULTS.** Faults on steeplechase shall be scored in accordance with EV141.1.

9. **ASSISTANCE.** At the start of Phase B and of Phase D, and at any other point determined and announced by the Organizing Committee, it is permitted to assist the competitor and to attend to his horse (groom, water, etc.).

10. **EXAMINATION BEFORE THE ENDURANCE TEST.** The first examination of horses at a Two-Day Event takes place at the stables of the Event any time after the arrival of horses but not later than the day before the Endurance Test. It is performed by the Veterinary Delegate. The object is to establish each horse's state of health. It may include observing the horse's movement in hand on a firm, level, clean but not slippery surface. Doubtful cases must be reported to the Ground Jury. The Ground Jury, after a re-examination of the horse(s) in question, has the right and duty to eliminate from the competition any horse that they judge is unfit, whether on account of lameness, lack of condition or for any other reason.

11. **HORSE INSPECTION.** The only horse inspection in a Two-Day Event takes place during the compulsory halt between Phases C and D during the Endurance Test. It is conducted by the Veterinary Delegate and a member of the Ground Jury. The inspection must be performed carefully but also as rapidly as possible in order to allow each horse as much time as possible for rest and recuperation. The inspection panel has the right and duty to eliminate from the competition any lame or exhausted horse. In the event of an equality of votes within the panel, the member of the Ground Jury will have the second and casting vote.

12. **EXAMINATION AFTER PHASE D.**

1. The final examination of horses at a Two-Day Event takes place immediately after they have completed Phase D of the Endurance Test. It is conducted by a qualified veterinarian appointed by the Organizing Committee. In addition to carrying out any immediate treatment required by an injured or exhausted horse, this veterinarian will decide if each horse:

   (1) Is fit to return immediately on foot to its own stable, or
   (2) Should remain for further treatment before returning to its stable, or
   (3) Should be transported by vehicle (which must be available) either direct to its stable or to a veterinary hospital.

2. This veterinarian has no authority to eliminate any horse from the competition, but must report any doubtful case to the Ground Jury and to the Veterinary Delegate. The Ground Jury, after consultation with the Veterinary Delegate, has the right to eliminate from the final classification any horse that is judged to be in an alarming state at the examination after Phase D.

**EV153 Three-Day Events—Introduction**

1. **DEFINITION.** The Three-Day Event comprises three distinct Tests, taking place on separate days, during which a competitor rides the same horse throughout, namely:

   a. A Dressage Test spread over one or more consecutive days, depending on the number of competitors, directly followed on the next day by
   b. A Cross-Country Test comprising four Phases
      (1) Phases A and C—Roads and Tracks
      (2) Phase B—Steeplechase
      (3) Phase D—Cross-Country Obstacles directly followed on the next day by
   c. A Jumping Test

2. **CATEGORIES.** Categories indicate the extent of foreign participation in a Three-Day Event. The four categories of Three-Day Events are:

   a. National Three-Day Event (CCN)
   b. International Three-Day Event (CCI)
   c. Official International Three-Day Event (CCIO)
   d. International Championship Three-Day Event (CH)

   c. Three Star (***)—For competitors and horses with some International experience.
   d. Four Star (****)—For experienced and successful combinations of International competitors and horses.
4. All Three-Day Events in the United States will be denoted by their Category and their Level, for example: a CCN** is a National Three-Day Event at the Two Star Level. Events limited to Seniors are indicated by the letters noted above, for example: a CCN***. Events limited to Young Riders are indicated by the addition of the letter “Y”, for example: CCN-Y**. Events limited to Juniors are indicated by the addition of the letter “J”, for example: CCN-J*.

Endurance Tests, there must be a Controller. He will control the dispatch of competitors on the course(s), and will direct emergency action in the event of an accident.

APPENDIX 1 - LEVELS OF HORSE TRIALS

1. Beginner Novice—The Beginner Novice level is designed to introduce green horses and riders to Horse Trials, combining dressage, cross-country and Beginner jumping tests. It is designed for competitors and horses that have already had experience schooling competitions in all three disciplines. The entire experience should be safe, inviting and educational to build confidence and a desire to progress. Competitors should be prepared to do a walk, trot and canter dressage test with 20-meter figures and a halt. The cross-country should include a variety of introductory obstacles, including a bank-up, a shallow natural ditch, an inviting water crossing and a brush. Obstacles must have a minimum of two strides (10 meters or 33 feet) between two numbered obstacles. Such combinations of straightforward efforts are the only obstacles composed of several elements that are permitted. The jumping course should be inviting and straightforward and may include one double of two strides (10 meters or 33 feet).

2. Novice—The Novice Level is a continuing introduction to Horse Trials. It is designed for competitors and horses with some experience at lower levels or for experienced riders and horses new to the sport. The dressage will not differ greatly from Beginner Novice. The cross-country will invite bold, forward movement involving galloping in balance and jumping out of stride. The obstacles will be more substantial and may include a drop, a double, and a simple obstacle out of water. At such water obstacles, the exit shall not be revetted. The jumping course shall include a double and a variety of straight and spread fences, which may include a triple bar.

3. Training—The Training Level is an elementary examination of competitors and horses with some experience and training. The dressage test may ask for further development of the basic gaits, including lengthening at the trot and canter, as well as 10-meter trot and 15-meter canter figures. The cross-country should include obstacles formed of two, or possibly three, elements involving the previously introduced banks, drops and ditches. Jumps into and out of water and narrow fences should be introduced. While these questions are becoming more sophisticated, they must remain positive and inviting in nature. The jumping course shall include two doubles or a triple, a variety of turns, and sequences of various types of obstacles.

4. Preliminary—The Preliminary Level is a moderate examination of competitors and horses in a regular training program preparing for One Star Events. The dressage test may include medium paces at the trot and canter, as well as the introduction of leg yielding, shoulder in, rein back, and changes of lead through the trot. The cross-country should include tests of accuracy, agility, boldness, control, judgment and jumping ability. Obstacles may now include angled lines, corners, simple bounces, slopes, and combinations involving water or narrow fences. The jumping course shall include two doubles, or a double and a triple, and may incorporate alternative obstacles. It will emphasize quickness of recovery, and may require lengthening or shortening stride.

5. Intermediate—The Intermediate Level is an examination of increasing technical difficulty, preparing competitors and horses for Two Star Events. The dressage test may include canter to halt and walk to canter transitions, as well as turns on the haunches, simple changes, and counter canter. The cross-country should now combine in more elaborate settings the tests introduced at the Preliminary Level, such as combinations with more than one question to be solved. Obstacles to be expected include banks, ditches, or water with narrow elements, a bounce combined with other elements, or corners in a combination. The jumping course will include more related distances, and emphasis will be placed on lines of obstacles.

6. Advanced—The Advanced Level is the highest national level of Horse Trials. It offers tests of significant difficulty designed to prepare competitors and horses for either Three or Four Star Events. The dressage test may include extensions in all three paces, half pass at the trot and canter, and single flying changes. The cross-country should be clearly a test of boldness and scope as it now combines size with technical difficulty. Combinations with multiple questions are to be expected, such as bounces into water, coffins with short distances or significant slopes, and bending lines or related distances between narrow questions. The jumping course will similarly relate virtually all obstacles, distances and turns.
As Horse Trials at the Preliminary, Intermediate and Advanced Levels are designed to prepare competitors and horses for Events, it is reasonable to assume that dressage tests, courses and obstacles, earlier in a season will be more straightforward than those used later in a season, closer to the goal Event. As Horse Trials at the Novice and Training Levels are not tied to such goals, it is reasonable to assume that they will offer variety without increasing in difficulty as a season progresses.

APPENDIX 8 - SPECIFICATIONS FOR TWO DAY EVENTS

1. Objective—Two-Day Events are designed as preparatory competitions for Three-Day Events. They provide experience for competitors and horses in the four-phase cross-country test. However, by scheduling the jumping test before the cross-country test, and by using the minimum distances, the stressing of the horse is reduced.

2. Participation—A horse may be entered in a Two Day Event without having fulfilled the qualifications noted below, provided the qualifications have been fulfilled by the closing date for entries. Completion, as noted below, means having completed the entire Horse Trial, and it means having completed the cross-country test with no more than one disobedience. SUB-CHAPTER FR1   GENERAL QUALIFICATIONS

FR101 Eligibility to Compete

1. Horses shown in this division must have been issued a membership certificate from International Friesian Show Horse Association (IFSHA) confirming verification of Friesian heritage and identity with IFSHA or have an application applied for IFSHA recognition at the competition. Refer to FR101.2. Horse Owners/lessees competing in Purebred & Part-Bred Friesian USEF licensed competitions recognized by International Friesian Show Horse Association (IFSHA) must be members in good standing with the International Friesian Show Horse Association (IFSHA). In order to compete, horse owners/lessees must provide a copy of their IFSHA membership card and a copy of the horse’s IFSHA membership certificate with entry form at the time of making entry prior to the competition, presenting to the competition office at the time of entry or by applying for their membership card and horse membership certificate at the competition before the competition number will be released.

2. Any Friesian bred horse regardless of color, height and/or registry that can prove its Friesian heritage and identity is eligible to compete provided that the horse and the horse’s owner/lessee are IFSHA members in good standing, and the horse has been issued an IFSHA membership certificate or application applied for through the competition office.

   a. Horses and/or horse owners/lessees can make application for membership to IFSHA at a USEF licensed competition provided that the following items are given to the competition secretary prior to the release of the competition number.

      (1) IFSHA Membership application or membership card for horse owner/lessee
      (2) IFSHA Membership application for horse
      (3) Payment in full
      (4) Proof of Friesian Heritage, which shall include a copy of the horse’s breed registry registration certificate.
      (5) Proof of Permanent Identification (IFSHA Equine Identity Record form must be completed if proof of identification does not appear on the horse’s breed registration certificate) See FR101.3

   b. The competition secretary will forward these forms directly to IFSHA during or within 10 calendar days of the competition. IFSHA membership forms for horse and horse owner/lessee can be located on the IFSHA web site at www.friesianshowhorse.org under “Join IFSHA.” A horse’s Equine Identity Record form can be found in the IFSHA “Forms Library” section.

   c. IFSHA is responsible for notifying USEF if an IFSHA membership application for horse and/or owner taken at the competition is not in compliance.

3. All horses must have a permanent identification mechanism. Acceptable forms of identification are freeze marks, tattoos, brands, tongue codes or RFID micro chips that can be verified back to the horses breed registry certificate, or a certification of administration by a licensed doctor of veterinary medicine. IFSHA and its assigns reserve the right to validate identification of a horse at any time, inclusive of DNA verification by mane or tail hair sampling.

4. All horses must be registered with a foreign or domestic registry that maintains proof of Friesian heritage through DNA testing and record maintenance. IFSHA and its assigns reserve the right to validate the horse DNA at the horse owner’s expense in the event that a protest or grievance has been filed with IFSHA and/or the USEF.
a. Part-Bred Friesians must have at least 50% pure Friesian blood and one pure blood Friesian parent (exception: horses that have competed in any Friesian and Part-bred Friesian Division class at a Federation licensed competition prior to January 1, 2006.)

8. Purebred Friesians and Part-Bred Friesians cannot be shown in any driving class until they are three years old.
9. Substitution of a horse or horses may be made in classes where more than one horse represents an entry (i.e. Four In Hand, Tandems). In such cases substitution of up to three horses in a Four In Hand or one horse in Tandem Riding may be made. If a horse is sold or injured after the closing of entries exhibitor may post enter another horse in the same class (see GR1506).
10. Horses must be serviceably sound and in good condition. Horses showing evidence of lameness will be excused from the ring. Eyesight; horse must possess one eye that is not visually impaired. One eye prosthetic or an eye that is damaged/impaired either by illness, injury, or due to birth defect is permissible in all performance classes. Exceptions; In Hand, Western Trail, Hunter Hack, and Combination Drive, Ride, and Jump classes.
11. The use of, or application of, to or into any horse (other than legal levels of allowed medications) any foreign or caustic substance, such as ginger, mustard, pepper, or abrasives which would alter or influence a horse's natural carriage, movement or behavior, is prohibited.
12. The injecting of any foreign substance into a horse's tail, ears, the cutting of tail ligaments, soreng or maiming of feet, or any such practice which would alter or influence a horse's natural carriage, movement or behavior, is prohibited.
13. Uses of any devices or aides that alter the natural movement of the horse (such as chains, shackles, rubber bands) are strictly prohibited at any competition. Any animal with prohibited equipment must be disqualified from further competition and forfeit all entry fees and winnings.
   a. Gag snaffles of any type are prohibited in any discipline/section.
14. Abusive Treatment: Excessive use of whip or other abusive equipment on a horse, inside or outside the arena is forbidden, constitutes a violation under Chapter 7, and renders the offender subject to penalty. The show committee must bar violators from further participation for the remainder of the competition (See GR302.)
   a. Judges must excuse from the ring any horse shown In Hand that possesses a whip mark or welt on any portion of the horse.
   b. A whip mark or welt shall be defined as an inflammation of skin resulting in a swelling, and in extreme cases, a laceration or abrasion.
15. Stallions may be exhibited by individuals 18 years of age or older in any class/discipline. Exception: Junior Drivers that are accompanied by an adult during the class. Refer to individual discipline rules regarding the presentation and handling of stallions.
16. For protective headgear requirements and information please see GR318.2 through GR318.7.
17. The use of color changing products on purebred Friesians and Part-Bred Friesians in order to change the natural color variations such as brown or white on the mane, tail, head, body and/or legs/hooves shall result in elimination from the class.
18. The use of black or clear hoof polish is permissible.
19. Braiding exceptions should refer to each discipline section.
20. Purebreds should be shown in their natural splendor with full mane, tail and feathering.
21. Part-Breds should be shown in their natural splendor with full mane and tail. Part-Breds leg hair may be clipped from the back of the coronary line to the upper cannon bone.

23. The use of glitter or other such exterior body products while showing is prohibited (Exception: Costume Classes).
24. The showing of Purebred and Part-Bred Friesians in the same class is generally not permitted. Exception to this provision can only be granted by IFSHA Board of Director's
approval only. Consideration for such an exception will be reviewed by the IFSHA Board of Directors on a case by case basis. If Purebred Friesians and Part-Bred Friesians are IFSHA Board approved to be shown in the same class, the entries must be judged and awarded separately just as if the class was conducted separately.

25. IFSHA Regional and Grand Nationals competitions, for specifications on required qualifications see www.friesianshowhorse.com or contact the IFSHA office.

26. Qualification of a class or Grand National entry of more than one horse per entry; at least one horse of the original qualifying group must show in the respective championship class or Grand Nationals.

27. Grand National Championship classes - To be eligible, horses must have been entered, shown, and judged in a designated class at the qualifying competition.

FR102 Falls
1. The fall of horse and/or rider does not disqualify the competitor unless due to bad manners of the horse. Exceptions: Show Hack, Western Pleasure and Trail.
2. A fall in the Show Hack, Western Pleasure and Trail class requires elimination.

FR103 Shoeing and Hoof Specifications
1. General:
   a. Horses may be shown flat shod “hoof next to shoe” with no pad or with shoes on the front feet and barefoot on the hinds, or may be shown without shoes. Horse may also be shown with a pad and/or wedge with shoe as stated in this section.
   b. No shoes permitted on horses less than 2 years of age.
   c. In the event that a shoe is cast during a class, the shoe and hoof are to be inspected for compliance to the rules as stated in this section. Shoe weight is to be taken for documentation purposes, and standard grievance procedures are to be adhered to (See GR304.).

2. Hoof Specifications:
   a. The maximum hoof length for barefoot horses is set at 5 inches and shod horses at 5 1/2 inches. This measurement is obtained from the coronary band in the center from the skin line on the lower side of the coronary band to the ground. The skin line on the lower side of the coronary band is to be defined by palpation (see GR510).
   b. Artificial lengthening of the hoof wall is prohibited.
   c. Use of any kind of material other than hoof packing material and/or hoof repair material, in or around the hoof is strictly prohibited.

3. Shoes:
   a. Any machine made (keg) or hand made shoe is allowable made of magnetic steel, mild steel, or aluminum that is uniform in width and thickness from toe to heel. Shoes made of Tungston Carbide are not permissible.
   b. Shoe must not exceed the dimensions of 1 1/4 inches wide by 1/2 inch thick.
   c. The shoe is not to extend more than 1/4 inch beyond the hoof in front, and shall not exceed beyond 1/4 inch of the bulb of the heel when a perpendicular line is drawn from the bulb of the horse’s heel to the ground.
   d. Weighted shoes (toe, side or heel weighted) are prohibited.
   e. The weight of shoe, not including nails, should be proportionate to the horses’ height and weight. Excessive weight, or weight that causes unnatural action/movement is prohibited.
   f. Bar Shoes: Flat egg bar, straight bar, heart bar and wedge bar shoes are prohibited. A bar welded to the bottom of the shoe that extends below the shoe’s surface is prohibited.
   g. Clips—It is most desirable for clips to be drawn from the source material of the shoe. Welded clips are allowable as purchased on keg shoes if the overall height of the clip is 1 inch or less. No more than three clips per shoe. Side clips must be set at or ahead of the widest part of the hoof.
   h. Caulks are not permitted.
   i. Borium is allowed on the toe and heel areas of the shoe for traction. Application of borium, should not exceed 1/4 inch in height, and 1 1/2 inches of area at the toe and heals.
4. Pads and Wedges:
   a. A single full pad or a single rim pad may be used. Pads may be made of the following materials; leather, rubber, and plastic and are not to exceed 3/8 of an inch in thickness.
   b. Wedges: A 2 degree plastic wedge is permissible, plastic wedges should not exceed a 4 degree angle.
   c. Corrective shoeing with a wedge and artificial hoof material shall be allowed in the show ring when applied to one hoof only, for the purpose of mending a broken hoof or hoof wall. The mended hoof must match the corresponding natural hoof.

FR104 Conformation for all horses (Refer to In Hand section for exceptions to the general conformation rules):

1. Conformation
   a. The head is relatively short and the width is proportional to the length. The ears are small and alert with the tips pointing slightly toward each other. The eyes are large and shining. The nasal bone is slightly hollow or straight; nostrils are wide. The lips are closed and the teeth meet properly. The jaw bones are not heavy and are spread wide apart to allow the horse to breathe easily while at work. The head is set gracefully on the neck with adequate space for the throat. Overall, the head is dry and expressive and blends smoothly into the neck.
   b. The neck is lightly arched at the crest. It is long enough for the horse to bend properly and is adequately muscled. The neck is set on high and the lower neckline does not bulge between the throat and the chest.
   c. The withers are well developed, prominent and, in particular, blend gradually into the back.
   d. The back is not too long and is well muscled. A slightly low back is allowed.
   e. The loin is wide, strong and well muscled and makes a smooth transition into the croup.
   f. The croup is of good length and slopes slightly downward; it is wide and muscular. It neither forms a point nor is overly rounded.
   g. The tail is not set on too low.
   h. The gluteal muscle is long and well developed.
   i. The shoulders are long and sloping and are set widely enough apart to form a good chest, which is neither too wide nor too narrow.
   j. The ribs are long and curved, supplying ample space for the heart and lungs, without being rotund. The belly maintains sufficient depth towards the rear.
   k. The legs—The forelegs are properly positioned and when viewed from the front, are set parallel with a hoof-width of space at the ground. Viewed from the side, they are perpendicular down through the fetlock joint. The cannon bone is not too long; the forearm, however, has good length. The pastern is resilient, of good length and is at a 45 degree angle to the ground. The hooves are wide and sound.
   l. The hind legs, viewed from the rear, are straight. Viewed from the side, the legs are set directly under the hind quarters and are strong with good, sound hooves.
   m. The hind cannon is a little longer than in front; the gaskin is long, with well developed muscle. The angle at the hock is approximately 150 degrees; the rear pasterns are at a 55 degree angle to the ground.
   n. The joints in the legs are dry, well-developed, and provide a good foundation for the tendons and ligaments.
   o. The body overall appearance is more nearly a rectangle than a square. When the shoulder is long and sloping, the back is not too long, and the croup is of adequate length, the ratio of fore-, middle- and hind quarters can be an ideal 1:1:1. The horse is neither too massive nor too light.

2. To be rewarded for all horses:
   Strong, powerful hind quarters, a luxurious horse that is not too heavy, but has ample power, a long, sloping shoulder, hard, dry legs, light-footed movements with a moment of suspension, size neither too small nor too large. Sufficiently long and well muscled forearm and gaskin, strong, smooth transition from loin to croup; long and well developed gluteal muscle, good, wide hooves with proper heels, good head/neck connection, an honest character, eager to work and stamina.
3. **To be penalized for all horses:**
General lack of development, disproportion between the regions and body dimensions, more undesirable the lengthened lines than the shorter lines. Concave frontal nasal profiles and equally the ultra convex and, objectionable, the convex. Excessively voluminous head, ears too big, fallen, too closely set and with abnormal movement. Forehead too wide and flat in transverse (crosswise) direction. Orbital arches protruding and eyes bulging or round. Nose square and wide, nostrils round. Thick cheek and with profile too angular. Neck too short, inserted too low or too compact at its union with the head. Narrow trunk and little heart girth (depth). Low withers or not defined. Narrow chest and overall collapsing. Ribs smooth in the upper third or excessively round, horizontal, double or broken, flat as a desk, destroyed or broken of high back or delayed back; of a discontinuous profile. Tail set too high or too loosely set. Extremities with deviations from the plumb. Pasterns too long or excessively short and vertical. Movements displaying poor elevation, irregular tempo or excessive winging. (Refer to the Rule Book for the definition of winging.)

2. A lack of required tack, equipment or appointments shall result in immediate disqualification.
3. Competitors enter the ring in a counterclockwise direction at the normal walk.
4. Light contact must be maintained with all reins at all gaits. A judge may not request that gaits be performed only on snaffle or curb.
5. The collected and extended gaits must be called for; i.e., collected walk, extended walk, normal walk; collected trot, extended trot, normal trot; collected canter, extended canter, normal canter, and hand gallop. No more than 8 horses to hand gallop at a time.
6. Judges are required to consider the performance at each gait equally in adjudicating this class. All gaits are to be called for in both directions.
7. At the discretion of the judge, horses while on the rail may be asked to halt and rein-back.

8. A Show Hack horse is not necessarily a Dressage horse, nor an English Pleasure horse. Elevation and high knee action are not to be emphasized. The Show Hack is a suitable section for the well trained animal. Show Hacks must be balanced and show vitality, energy, presence, clean limbs and supreme quality. Soundness is required.

9. Horses may show with a braided mane and tail. Braids may be secured with tape, yarn or rubber bands.

10. Entries will be eliminated by any fall of horse or rider during the class.

FR140 Appointments

1. Bridle shall be light, show type; either single snaffle, double (full) bridle or Pelham. Browbands and cavesons other than Hunter or Dressage types are permitted. Unconventional tack such as figure eight, drop, or flash nose bands are prohibited.

2. Saddles shall be any type Dressage or all purpose English. Girths of either leather, white web, nylon string or suitable material.

4. For day classes traditional Hack attire consists of colored coat, breeches and boots. A colored Hunt cap, top hat or derby is required. Protective headgear may be worn without penalty. (See GR318.4)

5. For Championship or evening classes, formal attire consisting of white breeches, top hat and tails is appropriate but not required. Protective headgear may be worn without penalty. (See GR318.4)

FR141 Qualifying Gaits

1. A Show Hack shall be able to perform all of the gaits with a noticeable transition between the normal, collected, and extended gaits. The horse must be under complete control and easily ridden. Obedience to the rider is of prime importance. If the horse exhibits clear transitions in a balanced and level manner, appearing to be giving a comfortable and pleasurable ride, he is performing correctly for this class.

2. **Walk**, a four-beat gait: Straight, true and flat-footed. Normal Walk: Regular and unconstrained, moving energetically and calmly forward. Collected Walk: Strides are shorter and higher than at the normal walk. The head approaches the vertical, but should never move behind it. Pacing is a serious fault. Extended Walk: The horse is allowed to lengthen frame and stride while rider maintains light rein contact. The horse should cover as much ground as possible without rushing.

3. **Trot**, a two-beat diagonal gait: Free-moving, straight, rider maintaining light contact with horse’s mouth at all times. Normal Trot: Light, crisp, balanced and cadenced, with rider posting. Collected Trot: The horse’s stride is shorter and lighter, maintaining balance and impulsion. The neck is more raised and arched than at the normal trot as head approaches the vertical line, never moving behind it. Rider is sitting. Extended Trot: Maintaining the same cadence and performing at medium speed, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame. Rider is posting.

4. **Canter**, a three-beat gait: Straight on both leads, smooth. Normal Canter: Light, even strides, should be moved into without hesitation. Collected Canter: Marked by the lightness of the forehand and the engagement of the hindquarters, the collected canter is characterized by supple, free shoulders. Neck is more raised and arched than in normal canter as the head approaches the vertical line, never moving behind it. Extended Canter: Maintaining the same cadence, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame.

5. **Hand Gallop**: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to difference in natural length of stride. The distinction between hand gallop and extended canter is, the latter being the ultimate linear extension of stride within the hand of the rider; the hand gallop being a looser, freer elongation of stride and frame of the horse. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct, and straight on both leads. Extreme speed to be penalized.

**SUB-CHAPTER FR20  FRIESIAN HORSE OF THE YEAR AWARDS**

[moved to General Rules, Chapter 9]  
*BOD 1/15/06 Effective 12/1/06*
CHAPTER HK
HACKNEY DIVISION

SUBCHAPTER 1 DEFINITIONS AND ELIGIBILITY.

HK101 General.

1. In order to compete, all Hackney Ponies must be registered with the American Hackney Horse Society and/or the Canadian Hackney Society. They must be entered in their full registered names, with registration numbers, and under the names of the owner(s) of record with the AHHS or the CHS. A copy of registration papers showing proof of ownership must be submitted with entry form at the time of making entry or presented to competition office before competition number will be released; competition management is responsible for notifying exhibitors of this requirement. A copy of the registration papers will be returned when exhibitors pick up their numbers, if requested. See GR1504.2.a(6). Exception: Ponies shown in the Harness Pony section at a Federation Regular Competition prior to December 31, 1989. Ponies shown in Roadster Pony divisions at Federation Regular Competitions prior to December 31, 1991.

2. Owners and trainers of ponies participating at Federation licensed competitions in any Hackney section must be current members in good standing with the American Hackney Horse Society and provide an original or copy of the AHHS membership card unless the competition, at their discretion, confirms electronically with the AHHS office. Lessees are considered owners in connection with this membership requirement. In the event of an entry under multiple ownership, only one owner need be a member of AHHS.

3. Attention getting devices &/or other noisemakers (including but not limited to tape measures, blow horns, bamboo poles, baby powder, whips longer than 6’, etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. Use of explosives and fire extinguishers (except in the case of fire) is not allowed on competition grounds at any time. All such items will be confiscated and offenders will be reported to the USEF. (See also GR302.4i)

4. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes in the Hackney Division. Exempt from this rule are handicapped drivers/riders who have submitted written proof to the Federation steward.

5. Stallions are prohibited in Junior Exhibitor Classes. Stallions may be shown in classes restricted to Lady drivers, except in the Pleasure section where stallions are never permitted.

6. A pony may be shown in only one of the four sections (Hackney [short or cob-tail], Hackney Harness [long-tail], Hackney Roadster, or Hackney/Harness Pleasure Driving Pony) at the same competition. One change of section per year per owner of record with the American Hackney Horse Society is permitted. If a particular competition does not offer a Hackney/Harness Pleasure Driving Pony section, pleasure ponies may enter the Hackney, Harness or Roadster Pony section without jeopardizing their eligibility in the Hackney/Harness Pleasure Driving Pony section at subsequent competitions.

7. Maiden/Novice/Limit classes are open to ponies that have not won one/three/six first place ribbons respectively at USEF licensed competitions. Ribbons won in classes with only one entry will not count in determining Maiden, Novice or Limit status. Ribbons won within one section (i.e. Hackney Harness, Hackney Roadster, etc.) do not count in the reckoning of Maiden/Novice/Limit status if the pony competes in a different Hackney section. However, ribbons won in the Roaster Pony section of the Roadster Division will count towards the maiden/novice/limit status of Hackney Roadster ponies. BOD 1/14/07 Effective 4/1/07

HK102 Type and Conformation.

1. The Hackney is known as the “aristocrat of the show ring.” He carries himself with an attitude which is seemingly explosive, with great expression, but is very tractable. His diversity and temperament allow him to be adaptable to the challenge - be it show, pleasure, carriage, riding or child’s friend. The Hackney is loved for his animation, vigor, endurance, personality and strong natural way of going. However it is presented, his picture is one of beauty and animation.
2. GENERAL APPEARANCE. Overall view from the side, the animal can be divided into equal thirds: from the tip of the nose to withers; from withers to mid-loin; and mid-loin to tip of buttocks. Type: Symmetry, overall ease of identification as a Hackney. Quality: Bone clean, dense, fine, yet indicating substance. Tendons and joints sharply defined, hide and hair fine, general refinement. Temperament: Gentleness-disposition good; active, intelligent.
   a. Head: carried relatively high; size and dimensions in proportion, clear-cut features, well-chiseled, straight face line.
   b. Muzzle: fine; nostrils large; lips thin, trim, even.
   c. Eyes: prominent orbit, large, full, bright, clear, lid thin.
   d. Ears: small, fine, alert, out of top of head, pointed, set close.
   e. Neck: supple, well-crested; throat latch clean; head well set on.
   f. Shoulders: very long, sloping, yet muscular.
   g. Forearm: long, broad, muscular.
   h. Knees: straight, wide, deep, strongly supported.
   i. Cannons: short, broad, flat, tendons sharply defined, set well back.
   j. Pasterns: long, sloping, 45 degree angle with vertical, smooth, strong.
   k. Feet: round, uniform, straight, frog large and elastic, heels wide.
   l. Legs: sinewy - when viewed from front, a vertical line from the point of the shoulder should divide the leg and foot into two lateral halves; viewed from the side, the same line should pass through the center of the elbow joint and the center of the foot.
   m. Withers: high, muscular, well-finished at top, extending well into the back.
   o. Ribs: well-sprung, long, close.
   q. Flank: deep, long, full flank, not tucked, low underline.

   z. Feet: back slightly less round than in front; uniform, straight, sole concave, frog large and elastic, heels wide and full.
   aa. Legs: viewed from the rear, a vertical line dropped from the point of the buttock should divide the leg and foot into lateral halves; viewed from the side, the same vertical line from the point of the buttock should touch the hind edge of the cannon from the hock to the fetlock.

3. CONFORMATION PROPORTIONS.
   a. HEAD: Should be well-shaped and in proportion in size to the size of the animal. The eyes should be large and set wide apart. The ears should be well shaped, set somewhat close together on top of the head and carried alertly. The face should be straight with a fine muzzle, large nostrils and a clean smooth jaw line with the mandible set wide apart - for good air passage.
   b. NECK: Should be set on top of the shoulder with a definite demarcation where it arises from the chest and also where it attaches to the withers. The top line on the neck should be considerably longer than the under line with a fine throat latch and long poll to facilitate attractive head carriage.
   c. BODY: The shoulder should be long and well angulated with prominent, well defined withers. The back should be somewhat level with a shorter top line than under line. The hip should also be long with a fairly flat croup and high-set tail carriage.
   d. LEGS: The front legs should be attached well forward beneath the point of the shoulder. They should be straight with a long forearm and short cannon bone. The pasterns should have sufficient length and angulation to provide a light, springy step. The hind legs should also be set on the "corners" of the body with a long gaskin and short cannon bone. A slight "sickle hocked" appearance is not undesirable and the hock and knee should be approximately the same distance from the ground.
e. **HOOVES:** These should be in proportion to the size of the animal, open at the heel with a concave sole. A slight toeing out is not objectionable.

f. **VIEW FROM THE FRONT:** Chest should be of moderate width. Front legs should be perpendicular to the ground. A straight line through the forearm to the center of the knee to the center of the coronet band is preferable.

g. **VIEW FROM THE SIDE:** The top line represents a curve from the ears and poll to the back, giving the impression of the neck sitting on top of the withers rather than in front of them; continuing to a straight back with a relatively level croup rounding to a well-muscled buttock. Tail should be attached high; at maturity the croup should not be higher than the withers. The under line should be longer than the top line, and the body should be deep through the heart, girth and flank. The front legs should be straight and perpendicular to the ground and attached to the point of the shoulder. From the view from the side, the animal can be divided into equi-distant thirds; one-third from the tip of the nose to withers; one-third from withers to mid-loin and one-third from mid-loin to tip of buttocks.

h. **VIEW FROM THE REAR:** Croup should be well rounded, thighs and gaskins well muscled. The gaskins should be relatively long in relation to the cannons.

4. **TO BE PENALIZED.** Lack of Hackney type, coarse or plain head, Roman nose, lop ears, pig or small eyes, short neck, straight neck, ewe neck, thick throat latch, fat withers, swayback or roached back, straight shoulder, crooked legs, calf knees, over at the knees, bow legs, straight pasterns, extreme splayfeet or pigeon-toed, contracted heels, base stance too wide or too narrow, sickle hock, extreme cow hocks, lack of muscle tone, thinness, obesity, rough coat, over all lack of conditioning. These and any other defects attributable to heredity must be penalized.

5. **VARIATIONS TO THE IDEAL.** With the natural variations of type within the breed, some Hackneys do not conform to the ideal, but are perfectly suited to various kinds of competition. If they meet all other requirements for a particular event or discipline, they should not be penalized too severely. Horses and ponies must be serviceably sound, i.e., must not show evidence of lameness or broken wind. In the event an animal has lost the sight in one eye, it may still be shown.

**HK103 Height.**

1. For competition purposes, the maximum height of Hackney ponies is 14.2 hands and the maximum height of Harness ponies is 12.2 hands. Competitions may add a new division for those Harness ponies 48 inches and under. See HK116.2 for maximum height of Roadster ponies.

2. Ponies shown in the Harness Pony and Roadster Pony sections must possess a current measurement card or valid measurement form issued by the Federation. (See GR502). The measurement of Hackney Pleasure Ponies and Hackney (cob-tail) Ponies will not be necessary unless the classes are divided according to height. The animal must be free of all appliances.

3. In Pair classes a difference of one-half inch in the height of the two ponies is allowable without penalty. If the difference exceeds one-half inch, it will count against the entry. In a class where height is part of the specifications, such as Pairs not exceeding 13 hands, if two ponies are only one-half inch apart and one is within the height specified, the pair is eligible to compete. If one pony exceeds the limit by more than one-half inch the pair is ineligible. Such a pair is eligible in only one height division. The same provision applies in a class where the specifications call for Pairs over a specified height.

4. The animal should be standing with his front legs perpendicular to the ground. Ideally his head should be lower than his withers. This easily locates the highest part of the withers where the measurement should take place. Handlers must not interfere with the animal in any way that will prevent it from standing in the correct position; blinkers may be allowed.

SUBCHAPTER HK-5. SPECIAL RATING REQUIREMENTS.

HK115 Conditions.
See GR1303 for classes that do not count toward the minimum number of classes and prize money required for a section's rating. NOTE: In the Hackney Pony Division, Ladies' classes do count toward the rating even if a complementary class for Gentlemen is not offered. Classes for Hackney Horses do not count toward the required number of classes for a rating.

SUBCHAPTER HK-6. HACKNEY ROADSTER PONIES.

HK116 General.
1. Entries in Roadster classes must be registered with the American or Canadian Hackney Societies and must be entered under their full registered name of owner of record with the AHHS or CHS. Exception: Ponies shown in the Roadster Pony division at Federation Regular Competitions prior to December 1, 1991.
2. If only one section for Roadster Ponies to Bike is offered, it must be for ponies 52 inches and under. If entries warrant, two sections may be offered: a) Roadster Ponies to Bike 50 inches and under; b) Roadster Ponies to Bike over 50 inches to 52 inches. If two sections are offered, competition management may offer a championship/stake for each section. Roadster Ponies Under Saddle and Roadster Ponies to Wagon are restricted to ponies 54" and under. Ponies may not be shown in a Roadster performance class unless the owner possesses a current measurement card or valid measurement form issued by the Federation or Management can confirm the measurement electronically with the Federation (see General Rules, GR502). BOD 1/14/07 Effective 4/1/07
3. All Hackney Roadster Ponies must be re-measured and issued new measurement cards prior to competing in licensed competitions for the year 2004 and beyond. In all Hackney Roadster pony championship/stake classes (except Junior divisions) at selected USEF competitions which will be notified in writing by USEF, the first and fourth place ponies must allow a heel measurement to be taken immediately following the class to verify the heel measurement is at or below what is indicated on the current measurement card; a copy of which must be on file in the show office prior to the pony competing. The heel measurement will be taken by the competition steward at a location determined by the measuring official and competition management. The heel measurement must be taken from the left bulb of the left front heel, from the skin line on the lower side of the coronary band with the ruler perpendicular to the flat surface. It is the trainer’s or driver’s decision and responsibility to determine if the pony will be hitched or unhitched for this measurement. If the heel measurement is higher than the measurement on the pony's USEF measurement card, an overall height measurement must be performed by two measuring officials (See GR502.4) no later than one hour following the end of the session at the designated location. Any entry that exceeds the legal height limit will forfeit winnings in that class. In the event there are fewer than four ponies in a class, the pony occupying the final placing will be measured. In the event of an emergency and the steward is unavailable to take the heel measurement immediately, competition management must appoint a representative to remain with the pony until the heel measurement can occur.

4. Judges licensed in Hackney Pony division can judge the Hackney Roadster Pony classes.

5. Roadster Ponies must appear to have a long mane and tail.

HK117 Showing Procedures, Equipment and Attire.

3. Roadster ponies must enter the ring clockwise at the jog-trot, then show at the road gait; turn counterclockwise at the jog trot, show at the road gait and then trot at speed. At all speeds they should work in form. Animation, brilliance and competition ring presence should characterize the Hackney Roadster Pony in working at a jog-trot or road gait. When asked to drive on, the pony must show speed and go in form. Improper cadence of the trot, i.e., hesitation of the hock’s action or mixed gaited ponies that rack the turns and/or break and run on the turns shall be penalized.

4. Ponies should be shown on the rail at all times except when passing and should go to the far end of the corner without side reining; should be light mouthed, capable of being taken up at any time and show willingness to stand when being judged in the center of the ring.

5. Performance at all three gaits should be strongly considered. In the event of a workout, entries chosen must be worked both ways of the ring, as in the original routine.

6. When ponies are lined up, no attendant is permitted and the driver shall not leave his vehicle except for necessary adjustments. He may, however, uncheck and stand at the pony's head when left in the center of the ring while a part of the class is on the rail for a workout. NOTE: During the line-up in classes restricted to Junior Exhibitor, Ladies or Amateur Roadster pony classes, one attendant is permitted to head the pony. The attendant must not touch the entry except for safety reasons. During a workout in the Junior Exhibitor, Ladies or Amateur Roadster Pony classes an attendant is permitted in the ring for those entries not participating in the workout. During a workout the attendant may uncheck and hold the entry. However, when the workout is over the pony must be rechecked and the attendant must move away from the pony.

2. Amateur, Juvenile or Ladies classes must be divided at 16. It is recommended that classes be divided as to age of driver or sex of pony if there are a large number of entries anticipated.

The lead horse to be slightly smaller than the wheel horse, notable for brilliance of action and beauty. A smart leader is essential for a good tandem. Horses need not be eliminated for variance of color but uniformity of color is to be considered.
7. **COLLECTION OF THREE HACKNEY HORSES.** To be shown in single harness or as a pair and a single. Each animal to be the bona fide property of the exhibitor. Exhibitors need not describe animals when making entry. To be judged on performance of horses as a unit, and ability to maintain proper distance between horses, uniformity and quality. Each exhibitor to give a solo performance of his three horses as a unit, both ways of the ring. The prize list should indicate whether entries are to be shown singly or as a pair and a single.

8. **SELECTION OF THREE HACKNEY HORSES.** Each animal to be the bona fide property of the exhibitor. Exhibitors need not describe animals when making entry. The prize list should indicate whether entries are to be shown singly or as a pair and a single. Each exhibitor to give a solo performance of his three best animals of one exhibitor without regard to uniformity. This class is offered either as an alternative or in addition to the Collection class (See 7 above).

9. **FOUR-IN-HANDS.** Park drag of solid color to be drawn by four matched horses with park harness, including brass hames, black collars, two servants in livery. To be judged on performance, quality, manners, uniformity and appointments. Road Coach, of bright and often varied colors, to be drawn by a team not necessarily matched as to color; road harness with steel hames and links and brown collars. Must carry a guard in livery. To be judged on performance, substance and appointments. Appointments include: extra collar, traces, reins, brake shoe, quarter blankets and coolers, rubber coats, lap robes, water pail, tool kit, umbrella basket and extra lead bars.

HK122 **Appointments.**

1. **LADIES PHAETON.** A George IV, Peter’s Phaeton or, in the summer, a Brewster Basket Phaeton may be used.

The appointments of the phaeton should include a lash whip, with leather gloves, card case, lip robe, cooler, two rain coats, wheel wrench, umbrella and cover for servant’s hat. A dash clock is optional. The horse’s mane should not be braided. It should be borne in mind at all times that extreme smartness and perfection should be the aim in horse, harness, vehicle and servant. The pad should be heavier than the one used in classes for other four-wheeled show wagons as the phaeton, being a very heavy vehicle, naturally requires a stronger pad; standing martingale, Buxton bit and breeching and bearing rein are compulsory.

2. **GIG CLASS.** The gig most commonly used is the “Park Gate” gig. Other gigs which may be used are the “Very Spicy”, “Stanhope” and “Tilbury”. The latter requires a horse of great presence and lofty action. The horse’s mane should not be braided. Harness: Kay collar, standing martingale and kicking strap. The gig bit with plain bridoon and short bearing rein is a trifle more proper, but the Buxton bit and full bearing rein may be used. The saddle pad should be heavier than that used in four wheel show wagons. To be driven by an amateur.

3. **GROOM.** He may be either a footman or a coachman. If the former, he must wear a single breasted coat with six buttons in front and six on the coat tails, full striped waistcoat, silk hat, tan driving gloves, boots with tops of mahogany, tan or pink, the latter being the smarter, coachman’s collar and flat white ascot tie. The footman should be smart looking, active and not tall or heavy. His coat and breeches should show that they were made for him. The coat should be either black or should be the same color as the upholstery of the gig. His boots should fit perfectly and the tops should fit close to the leg. The general appearance of the groom should be extremely neat. A coachman is similarly turned out except that he wears a coachman’s coat, six buttons in front and four on the coat tails.

SUBCHAPTER HK-8. PLEASURE HACKNEY HORSES

HK124 General.

Pleasure Hackney Horse classes must adhere to requirements as outlined in HK120. The Pleasure Hackney Horse division emphasizes manners. Horses will be permitted to cross-enter in all the sections. Ladies are permitted to ride Sidesaddle in all ridden classes, with appropriate attire. Stallions permitted only if driven or ridden by adults. The Pleasure Hackney Horse is naturally endowed with a tractable temperament, a generous, cadenced, lofty way of going, and pure gaits (i.e., walk is flat-footed, calm and forward, with 4 beats; trot contains a strong two-beat tempo, high stepping, reaching, forward, balanced, not rushed; and the canter is a pure three-beat gait, not rushed, crooked, or overly collected. Wrong leads and cross leads are serious faults.) The mane can be long and natural, pulled, short, braided or roached. The tail is long, and/or natural. This section does not exclude the Hackney Horse who has had its tail docked and/or nicked prior to any laws prohibiting the docking/nicking of tails. Although artificial appliances are permitted to maintain a tail set in the driving classes, a natural tail set is encouraged, and artificial hair/tail caps are discouraged. The hooves can be either barefoot or shod. See class descriptions for additional information.

HK125 Pleasure Hackney Horse - Harness.

1. Open to traditional-styled carriages, carts, and gigs, with appropriate harness. All-metal, modern marathon vehicles are strongly discouraged and prohibited in the Pleasure Hackney Horse TURNOUT class. Pleasure (Carriage) Driving classes held in the Hackney division are to be conducted in accordance with Carriage Pleasure Driving Division, Chapter CP. Exception: CP100 and CP101. Attire of the driver, type/fit of harness and vehicle, and use/dress of grooms/attendants/passengers also to be judged according to USEF Chapter CP, Carriage Pleasure Driving Division.

2. PLEASURE HACKNEY HORSE, TURNOUT. Entries are judged primarily on the performance and quality of each turnout. To be shown both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back. To be judged: 70% on
the condition, fit and appropriateness of harness and vehicle, neatness and appropriateness of attire, and overall impression; 30% on performance, manners, and way of going.

3. PLEASURE HACKNEY HORSE, WORKING. Entries are judged primarily on the suitability of the horse to provide a pleasant drive. To be shown both ways of the arena at the walk, slow trot, working trot, and strong trot. To stand quietly, both on the rail and while lined up, and to rein back willingly. All entries chosen for a workout may be worked both ways of the arena at any gait requested by the judge, and may be asked to execute a figure of eight and/or perform other appropriate tests. To be judged 70% on performance, manners, and way of going of the horse; 20% on condition and fit of the harness and vehicle; and 10% on neatness of attire.

4. PLEASURE HACKNEY HORSE, REINSMANSHIP. Entries are judged primarily on the ability and skill of the driver. To be shown at a walk, slow trot, working trot, and strong trot. Horses shall be required to rein back. All drivers chosen for a workout may be worked at any gait requested by the judge and may be asked to execute a figure of eight and/or perform other appropriate tests. To be judged: 75% on handling of reins and whip, control, posture, and overall appearance of driver; 25% on the condition of harness and vehicle and neatness of attire.

5. PLEASURE HACKNEY HORSE, DRIVE & RIDE. Single horse to be shown in two concurrent sections.
   a. In Harness: to be shown to a suitable pleasure driving vehicle, both ways of the arena at a walk, slow trot, working trot, and strong trot. To stand quietly and to rein back.
   b. Under Saddle - to be shown both ways of the arena at the walk, trot, and canter.
      To be judged 50% on performance, manners, and way of going and suitability in harness; 50% on performance manners, and way of going under saddle.

HK126 Pleasure Hackney Horse - Under Saddle.
1. These classes provide opportunities to show the Hackney Horse’s stylish suitability as a riding horse, with distinct versatility within the breed.
2. PLEASURE HACKNEY SPORT HORSE, UNDER SADDLE. To be shown either under dressage tack (dressage saddle and snaffle or wemyouth bridle,) or hunter tack (hunt saddle and snaffle, Kimberwicke or pelham bridle.) The horses will be ridden both directions of the arena, at the flat walk, working trot, lengthened trot, and canter. To stand quietly and rein back willingly. To be judged on manners, purity of gaits, suitability, and performance. This Hackney Horse shall be suitable for Dressage or Hunting. The gaits should be calm, progressive, and pure in cadence. The walk should be free, ground-covering, and purely four beats. The trot should be calm and progressive, with a specific two beat cadence. A change of frame should be noted when moving from the working trot to the lengthened trot, with the horse’s frame showing a lengthening throughout, as well as an obvious lengthening of stride. The lengthened trot shall not be a faster version of the working trot. The canter should be calm, forward, straight and purely 3-beat. Wrong leads and cross leading are serious faults. This Hackney Horse does not need the extravagant action of the Country Pleasure Hackney Horse or the Park Hackney Horse. Progression of the strides is more important than high movement, although natural lofty, square movement is always to be considered an attribute of the Hackney Horse. Rushing or excessive speed in any gait is a fault. The Pleasure Hackney Sport Horse’s frame need not be as upright as the Country Pleasure Hackney Horse or Park Hackney Horse’s frames, and the body should show a freedom to easily change frame for the various gaits.
3. PLEASURE HACKNEY HORSE, COUNTRY PLEASURE, UNDER SADDLE. To be shown under Saddle seat tack (cutback/flat saddle and show snaffle, wemyouth or pelham bridle.) The horses will be ridden both directions of the arena, at the flat walk, working trot and canter. To stand quietly in the lineup, and rein back willingly. To be judged on manners, purity of gaits, suitability, and performance. This Hackney Horse shall demonstrate the classic way of going the breed is noted for. The Country Pleasure Hackney Horse is distinguished from the Pleasure Hackney Sport Horse by an upright frame, and by a significant generosity of knee and hock lift, resulting in high, lofty, eye-catching action and faultless cadence. Forwardness of the gaits, although important, shall not compromise high, square action in the trot and canter. Although this elegant action is not the only requirement of this class, it is an important element of this particular class. The canter should be calm, forward, straight and purely 3-beat. Wrong leads and cross leading are serious faults.
4. **PLEASURE HACKNEY PARK HORSES, UNDER SADDLE.** To be shown under Saddle seat tack (cutback/flat saddle and show snaffle, weymouth or pelham bridle.) The horses will be ridden both directions of the arena, at the flat walk and show trot. To stand quietly in the lineup. To be judged on manners, purity of gaits, suitability, and performance. This Hackney Horse shall demonstrate the classic way of going the breed is noted for. The Pleasure Hackney Park Horse is distinguished from the Pleasure Hackney Sport Horse by an upright frame, and by a significant generosity of knee and hock lift, resulting in high, lofty, eye-catching action and faultless cadence. Forwardness of the gaits, although important, shall not compromise high, square action in the trot. Although this elegant action is not the only requirement of this class, it is an important element of this particular class.
CHAPTER HU
HUNTER DIVISION

WHEN A SUBJECT IS NOT ADDRESSED IN THESE RULES, IT MUST BE ADDRESSED BY THE APPROPRIATE COMMITTEE AND THAT COMMITTEE'S INTERPRETATION WILL STAND AS THE RULE UNTIL THE NEXT YEAR WHEN AN APPROPRIATE RULE CHANGE WILL BE SUBMITTED. BOD 1/14/07 Effective immediately

SUBCHAPTER HU-1 DEFINITIONS AND ELIGIBILITY.

HU100 Eligibility to Compete
In order to compete in any Hunter classes at licensed competitions as an exhibitor, rider, trainer, or his/her agent(s), a person must be a member of the United States Hunter Jumper Association, Inc., or pay a nonmember fee to the United States Hunter Jumper Association, Inc. Exception: Local Competitions, competitions restricted to a particular breed, and exceptions listed in GR1401.9 and GR204.2.i.

HU101 General.
The Hunter Division is open to horses, stallions, mares or geldings. (For rules pertaining to exhibitors who are 18 years of age or older riding ponies, see HP101.3 and HP101.10.) Any rider competing and or riding anywhere on the competition grounds with their stirrup, stirrup leather, or foot tied and/or secured in any manner, will automatically be eliminated from the entire competition. The steward will note the trainer name(s) on the stewards report and further disciplinary actions may be taken by the Federation.

HU102 Green Hunter.
1. A Green Hunter is a horse of any age in its first or second year of showing in any classes that require horses to jump 3'6" or higher at Regular Competitions or Eventing Competitions of the Federation or Equine Canada or any national or international competition. When shown in a Green section a horse in its first year of showing over fences 3'6" or higher must be shown as a First Year Green horse and a horse in its second year of showing over fences 3'6" or higher must be shown as a Second Year Green horse.
2. A horse’s green status is considered to be broken once it competes over fences 3'6" or higher. The horse’s green status may be reinstated for a future competition year if it was not shown at that height at more than three (3) competitions prior to May 15th and if it was not shown at that height after May 15th in the same year. The Federation recorded owner must submit a letter requesting First or Second Year green reinstatement, via certified/return receipt mail, which must reach the Federation office on or before November 30th of the year of withdrawal. The request must be made during the year in which green status was broken. A $25 processing fee, a list of competitions with dates where the horse competed at 3'6" or higher, the horse’s name and Federation recording number must accompany the green reinstatement request. At the time of request, the horse must stop competing over fences 3'6" or higher for the remainder of that competition year. If the horse is not actively recorded at the time of request, it must be recorded/renewed at that time. Failure to do so will result in the horse losing its green status. The owner will receive a letter indicating the horse’s green eligibility. A Green Reinstatement will only be granted one time for first year and one time for second year.
3. If a competition starts prior to or on November 30th, Green status at the start of the competition is maintained throughout the competition.
4. In the event an owner is not satisfied with the decision, they may submit a written appeal to be heard by the Federation Hearing Committee at a $100 appeal fee. An appeal does not guarantee the reinstatement will be granted.

HU103 Regular Hunter.
A Regular Hunter is a horse of any age and is not restricted by previous showing.

Fences not to exceed 3’. (Exception: A horse’s Pre-Green Status is not affected by showing as a three-year-old.) All USHJA zone specifications submitted by August 1st and approved by USHJA and USEF shall be enforced by USEF if not followed.

HU105 Amateur Owner Hunter.
1. To be ridden by Amateur Owners or an amateur member of the owner’s family. In either case classes are restricted to riders who are no longer eligible to compete as junior exhibitors. Leased horses are not eligible and multiple ownership is not permitted unless all owners are members of the same family.
2. An amateur who rides for a person outside of his/her family may not ride in a class restricted to Amateur Owners at the same competition. Amateur Owner riders may, however, ride for a person outside of his or her family in equitation classes, Under Saddle classes and for other Amateur Owners who have more than one entry in the Under Saddle class.
3. If an Under Saddle class is divided by age and a rider has two or more horses entered, all riders must be amateurs but need not be eligible by age.

HU106 Adult Amateur.

f. THREE-YEAR-OLD HUNTER. Section must include two or three Over Fences classes and one Under Saddle class with a Championship and Reserve Championship awarded. If possible, this section should be held immediately after the Three-Year-Old Hunter Breeding class. Obstacles not to exceed 3’ and courses are to be simple. One Over Fences class must be judged on at least 25% conformation.

SUBCHAPTER HU-2 DIVISION OF SECTIONS OR CLASSES.

HU108 General.

1. Sections may not be divided if there are less than 40 entries. (Exception: Green Working, Amateur Owner and Adult Amateur Hunter sections.)

2. Any section with 50 or more entries at the beginning of the first class must be divided. If there are 50 or more entries remaining in a section after it has been divided, the section must be redivided by every other number. Once a section has been redivided it may not be divided further.

3. Prize money must be doubled whenever a section is divided.

4. Option to dividing classes by every other number:

   a. As an option to dividing classes by every other number, all entries may be judged as a single class and awarded prizes as follows:

<table>

   b. In reckoning Championship points, the top eight horses that receive the most points in the Over Fences classes are awarded points for the Under Saddle and/or Model class(es). The Championship is awarded as follows:

   c. Horse with most points—Champion Number 1 Horse with second highest points—Champion Number 2 Horse with third highest points—Reserve Champion Number 1 Horse with fourth highest points—Reserve Champion Number 2

5. At a single A, B, C, or local rated competition, if the regular working hunter section has less than three entries, it must be combined with the second year green (or with green if combined or not originally offered split). If, after combining, there are still less than three entries in the combined section, it may be further combined with the first year green section.
A horse that is eligible for more than one section must be declared and compete in only one. Horses will jump the respective height for the entered section, and if different amounts of prize money were offered in the original sections, the largest amount must be awarded in the new, combined class. Classes at “AA” rated competitions may not be combined. BOD 1/15/06 Effective 12/1/06 BOD 1/14/07 Effective 4/1/07

HU109  Green Sections.
1. If there are a combined total of 20 horses in an “A” rated Green Working Hunter section, and there are at least six first year green horses, and there are at least six second year green horses, it must be divided.
2. When entries warrant, competitions are encouraged to offer separate sections for first and second year horses. Separate championships may be offered only when all classes are divided and each section offers the required number of classes and prize money for an undivided section. The prize list must state under what conditions classes are to be divided.

HU110  Conformation Sections.
1. If the Regular and Green Conformation sections are offered and there are less than three (3) entries in either Conformation section, they must be combined. Horses are to jump 3’6”, 3’9” or 4’ for their respective section. Combined sections are to be judged 60% on performance, 40% on conformation. Model classes to count Zix points. If a horse is eligible for more than one section, the exhibitor must declare to the Competition Secretary which height section the points are to count toward.
2. No horse may compete in more than one height section of a combined division. If different amounts of prize money are offered in each divided section, the larger amount must be offered to the combined section and the entry fee for that section applied. No credit will be given in combined sections unless three entries have shown and placed.

HU111  Amateur Owner.
1. When a section is divided, one section must be offered for amateurs 18-35 years of age and one section for amateurs over 35 years of age. When divided as to age of rider no horse may compete in more than one section. Age must be given on entry blank. These sections may be further divided by age of rider or by every other number.
2. “A” or “AA” rated sections must be offered as at least two (2) divided sections, one for amateurs 18-35 years of age and one for amateurs over 35 years of age.
3. “A” and “AA” rated sections may be combined only if there are eight (8) entries or less in any divided section.
4. If the Amateur Owner and Junior Hunter sections are offered with a “B” or “C” rating, and there are less than three (3) entries in either section, they may be combined. In addition while the divisions can be combined if entries warrant in order for Horse of the Year points to count they must be offered separately in the prize list.

SUBCHAPTER HU-3  COURSES.

HU112  General.
1. Fifty percent or more of the obstacles must be at least the required height and none may be more than 2” over or under, except in Regular Hunter classes at “AA” competitions where obstacles must be no more than 2” under. At “A” competitions, obstacles in Regular Hunter classes may not be lower than 3’9”. (Exception: brush obstacles, ditch or bank.)
2. Regular Sections: 4’ minimum in “AA” rated sections; 3’9” minimum in “A”, “B” and “C” sections. Obstacles may not exceed 4’6”.
3. Except in case of inclement weather, broken equipment or similar emergency a course must not be altered except by written permission of all exhibitors. If one or more original obstacles are rendered unusable during a class and no duplicate exists, management may substitute obstacles which approximate as nearly as possible the originals.
4. In classes where Federation course requirements have not been met and the violation has not been observed and corrected prior to the third competitor’s performance, the class must be completed without altering the course and the results will stand for the purposes of the Championship. With the exception of a course set at an improper height, competitors who have gone over the course with the violation have the option of re-jumping the course. Classes conducted over improper courses are ineligible for Federation Horse of the Year Award points.
5. Horses must be shown over a minimum of eight obstacles the required height in all “A”, “B” or “C” rated sections.
6. In “A” rated sections, at least two different courses are required in Conformation sections and at least three different courses in Working sections. A change of direction (change of lead) is recommended in all sections.
7. In “B” rated sections, at least two different courses are required.

HU113 Course Diagrams.
1. Course diagrams must be posted at least one hour before scheduled time of class unless they have been illustrated in the prize list. The plan or diagram of the course must show the obstacles which must be taken in the order indicated by numbers but apart from this the rider is not bound to follow a compulsory track. An arrow is used on the diagram to indicate the direction in which each obstacle is to be taken. When distances between fences in “A” or “B” rated classes are 90’ or less from base to base, the distance must be included on the posted course diagram.
2. If the area of the courtesy circle is to be restricted by a mandatory line, the line must be indicated on the diagram and a corresponding barrier must be erected on the course. As this becomes part of the judging specifications, this policy must be clearly stated in the prize list (see GR1401.10) and announced at least one hour prior to the class.

HU114 Height of Obstacles.
1. Green Sections: 3’6” required for first year horses; 3’9” required for second year horses. (Exception: Fences may be a maximum of 3” lower in Zones 11 and 12.)
2. Regular Sections: 4’ minimum in “AA” rated sections; 3’9” minimum in “A”, “B” and “C” sections. Obstacles may not exceed 4’6”. (Exception: Fences may be a maximum of 3” lower in Zones 11 and 12.)
3. Amateur Owner Sections: 3’6” required. (Exception: Fences may be a maximum of 3” lower in Zones 11, 12, and at “B” and “C” rated competitions.)
4. Adult Amateur Sections: 2’9” to 3’; spread must not exceed obstacle height.
5. Local Competitions: No minimum in any section.
7. Ladies Side Saddle Sections: 3’.

HU115 Type.
1. Obstacles must simulate those found in the hunting field such as natural post and rail, brush, stone wall, white board fence or gate, chicken coop, aiken, hedge, oxer, etc.
2. Chicken coops hinged at the top and free at the bottom; triple bars and hogs back; striped rails; targets; any spread over 4’ and square oxers are prohibited.
3. Every course must have at least four different type obstacles. (Exception: see HU136.2). All obstacles must be at least 20’ wide or have wings at least 24” wide that are at least 12” higher than the obstacle. (Exception: pen jumps.)
4. A 3” difference is required for the back element of an obstacle. A ground line is required for all obstacles. (Exception: Handy Hunter classes).
5. The top element of all obstacles must be securely placed with cups at least 12Zx inches deep and 3 inches wide so that a slight rub will not cause a knockdown and must be equally secure for different heights in the same class. At all Federation approved competitions, FEI approved safety mechanisms must be used in conjunction with a cup that is at least 12Zx inches deep and at least 3 inches wide for the back rail of all oxers.
6. In Handy classes obstacles must simulate those found in trappy hunting country. The course must have at least two changes of direction and at least one combination as well as three of the following: hand gallop a jump, bending line, rollback turn, fence at the end of the ring or open a gate while mounted, trot over one obstacle, or lead over one obstacle. Judges must place emphasis on promptness and tight turns with precedence being given in that order.

HU116 In and Outs.
1. An in and out is considered as two obstacles in the required number of obstacles. It must never be used at the start of a course.
2. An in and out may have one or two strides. The suggested distance for an in and out when used in a ring is 24' to 26'; and on an outside course 26' to 28'. The distance may be altered during a class requiring different fence heights.

**SUBCHAPTER HU-4 ATTIRE, TACK AND EQUIPMENT.**

**HU117 Tack.**

1. Regulation snaffles, pelhams and full bridles, all with cavesson nose bands, are recommended. A judge may penalize for non-conventional types of bits or nosebands.
2. Competitors may be refused an award unless they return to the ring for conformation or soundness with the same complete bridle in which they have performed.
3. Martingales of any type are prohibited in Under Saddle, hack and tie-breaking classes. Standing martingales are allowed for all over fence classes. All other martingales may be considered unconventional. *BOD 1/15/06 Effective 12/1/06*

**HU118 Equipment.**

1. Light pads and bar shoes are permissible, however, bar shoes indicate a weakness and in Conformation classes a judge may penalize accordingly. Boots, wraps and bandages are prohibited. In the case of inclement weather competition management may permit the use of bell boots.
2. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, etc.) while in the competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried. Exception: A handicapped participant may use electronic devices if, prior to the class, he/she presents to the USEF Steward written justification from treating personnel setting forth the necessity of the equipment.

**HU119 Attire.**

1. Formal Attire. Riders are required to wear scarlet or dark coats; white shirts with white stock; white, buff or canary breeches and hunting cap, derby, hunting silk hat, or protective headgear. 2. Inappropriate attire. When management permits Hunter or Hunter Seat Equitation riders to ride without jackets, riders must wear traditional, short, or long-sleeved riding shirts with chokers or ties. Polo shirts and chaps are not permitted except in unjudged warm-up classes. Management or Judge may eliminate an exhibitor who is inappropriately attired.

**HU120 Hunt Colors.**

In classes restricted to members, subscribers or staff of a Hunt recognized by the Masters of Foxhounds Association, all riders who wear colors must carry a letter dated within the current year signifying that they are eligible. This letter must include the name of the Hunt and the color of the collar and must be signed by the Master or Honorary Secretary of that Hunt. The show committee must appoint a competent person to check these letters before riders compete in classes. If a rider holds a current letter but does not have it in his immediate possession or is entitled to receive one, the show committee may accept a signed statement to that effect which must be submitted to the Federation.

**HU121 Ladies Side Saddle Attire.**

1. Hat: Black Hunting Silk Hat at least 4" high without adornments. Hunt cap permissible for jumping classes. Protective headgear may be worn without penalty. (See GR318)

3. Neckwear: Plain white hunting stock neatly tied and fastened with a plain gold safety pin. Latter should be horizontal.

SUBCHAPTER HU-5 JUDGING.

HU123 General.
1. All classes must be judged on performance and soundness and when indicated, conformation, suitability or manners.
   a. When a horse makes two faults at one obstacle only the major fault will be counted. (Exception: refusals count in addition.)
   b. When an obstacle is composed of several elements in the same vertical plane, a fault at the top element is the only one penalized.
   c. At a combination, the faults committed at each obstacle are considered separately. In case of a refusal or runout at one obstacle in a combination, the competitor may re-jump the previous as well as the following obstacles.
   d. Judges must penalize unsafe jumping and bad form over fences, whether touched or untouched.
   e. Teams, pairs and unicorns (abreast and tandem) should be judged as a single unit, scoring only major faults at each obstacle. (Exception: in cases where two or more horses have knockdowns or refusals, they are scored cumulatively.) In tandem formation, faults for horses not keeping proper hunting distance apart and in abreast formation, faults for horses not keeping abreast will be calculated at the rate of Z\text{x} fault for each Z\text{x} horse’s length and are cumulative at each obstacle, as well as at each end of the ring; or on an outside course, at each obstacle and between each obstacle. No additional penalty for finishing out of original order.
In classics and when a class is held on an outside course, brilliance should be emphasized.

2. Circling once upon entering the ring and once upon leaving is permissible.

3. In all classes over obstacles, all horses being considered for an award must be jogged for soundness in the judge’s order of preference prior to being judged for conformation. Two more entries than the number of ribbons must also be jogged if there are sufficient entries.

4. In classes over obstacles, competitors cannot be requested to show at a walk, trot and canter or to re-jump the course unless eliminations are held. If eliminations are held, the finals are judged as an independent class.

5. After all competitors have had an opportunity to compete over a course in the Regular Working section, competitors with faults which would eliminate the competitor from the ribbons, may be excused at management’s discretion, provided four more competitors than the number of ribbons awarded have completed the course. In Green Working classes riders are encouraged to withdraw after a major fault.

6. In cases of broken equipment, the competitor may either continue without penalty or stop and correct the difficulty in which case he will be penalized 3 faults. In case of loss of shoe, rider may either continue without penalty or be eliminated.

7. In the event of elimination, the horse must exit the ring immediately.

HU124  Soundness.

All horses must be serviceably sound. All horses being considered for an award must be jogged for soundness with rider dismounted. (Exception: Under Saddle classes, unrated classes and classes at Local Competitions.) Horses that are not serviceably sound are ineligible for an award, including under saddle classes.

HU125  Conformation.

Quality, substance and soundness. Judges must penalize but not necessarily eliminate horses with structural faults, defects and blemishes (such as pinfiring) in areas which might impair their activity and durability. Horses must be stripped for conformation in any class in which conformation counts more than 25%. (Exception: Under Saddle classes.)

HU126  Performance.

1. An even hunting pace, manners, jumping style together with faults and way of moving over the course. Manners to be emphasized in Ladies and Amateur classes; brilliance in Corinthian and Formal Hunting Attire classes.

2. When the class is held in a ring, the performance starts as the competitor enters and ends when he leaves. When the class is held outside, the performance starts at any spot designated by competition management and ends at any spot so designated. If the start and finish are not clearly set forth, it is suggested that a judge consider the start approximately 50’ before the first obstacle and the finish approximately 50’ after the last.

HU127  Faults.

1. The following faults are scored according to the judge’s opinion, and depending on severity, may be considered minor or major faults.

   a. Minor or Major Faults

      (1) Showing an obstacle to a horse.

      (2) Missing a lead change.

      (3) Kicking out.

      (4) Spooking.

      (5) Jumping out of form.

      (6) Jumping into corners of obstacles.

   b. Major Faults

      (1) Knock down of any part of an obstacle.

      (2) Refusals.

      (3) Trotting while on course when it is not specified.

      (4) Bucking.

      (5) Stopping for loss of shoe or broken equipment.

      (6) Circling while on course.

      (7) Dangerous jumping.

   c. Elimination

      (1) Three refusals.
(2) Off course.
(3) Jumping a fence before it is reset.
(4) Bolting from the ring.
(5) Fall of horse or rider.

2. The following may or may not be considered as faults, depending on their severity and frequency.
   a. Light rubs.
   b. Swapping leads in a line.
   c. Late lead changes.
   d. Excessive show of animation.
   e. Adding or eliminating a stride in a line.

SUBCHAPTER HU-6.  CLASS SPECIFICATIONS.

HU128  Under Saddle and Hack Classes.
1. In Under Saddle and Hunter Hack classes, horses are shown at a walk, trot and canter both ways of the ring. Light contact with the horse’s mouth is required. Horses should be obedient, alert, responsive and move freely. They should not be eliminated for slight errors. Judges may ask horses to hand gallop collectively, one way of the ring. (Exception: green classes.) No more than eight will be asked to hand gallop at one time. (Exception: Junior Hunter National Championships see JH118.1) All horses being considered for an award must be serviceably sound. BOD 1/14/07 Effective 4/1/07

2. To be eligible for a Model or Under Saddle class counting toward a Championship in any “A” or “B” rated section, horses must be entered in at least one full point class over obstacles in the same section during the competition. To maintain awards or points won in the aforementioned classes the competitor must complete the course in at least one class.

HU129  Green Conformation Performance Classes.
To be judged 50% to 60% on performance and soundness; 40% to 50% on conformation. (Exception: conformation to count 25% in Ladies, Corinthian and Formal Hunter Attire classes.) All horses being considered for an award must be serviceably sound.

HU130  Regular Conformation Performance Classes.
To be judged 75% performance and soundness; 25% conformation. All horses being considered for an award must be serviceably sound.

HU131  Green and Regular Conformation Model Classes.
To be shown at a walk and trot. To be judged on conformation, way of moving and soundness. All horses being considered for an award must be serviceably sound.

HU132  Green and Regular Working Classes.
To be judged on performance and soundness. All horses being considered for an award must be serviceably sound.

HU133  Amateur Owner Classes.
To be judged on performance and soundness. If conformation is to be judged, it may not count more than 25%. All horses being considered for an award must be serviceably sound.

HU134  Adult Amateur Classes.
To be judged on performance and soundness, suitability to count. All horses being considered for an award must be serviceably sound.

HU135  Ladies Side Saddle Classes.
(See also EQ108.1) To be ridden by ladies who are no longer eligible to compete as junior exhibitors. Stallions not permitted. Three classes must be offered: Over Fences, Under Saddle and Hunter Hack. All three classes will count equally for the Championship. In cases of ties, horses are to hack off for Champion and Reserve. All horses being considered for an award must be serviceably sound.
1. Over Fences: To be shown over a course of at least eight fences 3’ in height. No in and out to be used.
2. Under Saddle: To be shown at a walk, trot and canter both ways of the ring in formal hunting attire with appointments. See HU120-HU121. The Under Saddle class must be held as the first class of this section. To be judged on performance and soundness with emphasis on manners 75%; formal hunting attire, appointments and general overall appearance of horse and rider 25%. Judges should give particular consideration to quality, condition and cleanliness of tack. Mane and tail must be braided, (Exception: roached manes or pulled tails). Judges must line up exhibitors in order of preference before checking appointments.

3. Hunter Hack: To be shown at a walk, trot and canter both ways of the ring. Judges may ask for a hand gallop but no more than eight to hand gallop at one time. To jump two fences at 2’6”. To be judged on performance and soundness with an emphasis on manners. Under Saddle performance to count 50%, Over Fences performance to count 50%.

HU136 Hunter Classics.

1. Any competition may offer a Classic, however only those competitions with an “A” or “B” rated Hunter section will receive bonus points towards Horse of Year Awards. If a “C” rated Hunter section offers a Classic, points will count for Zone awards only. A section with an “A” rating must offer at least $1000 in a Hunter Classic, and a section with a “B” rating must offer at least $500 Entry fees retained by management in “A” rated Hunter Classics may not exceed 5% of prize money offered in the Classic. To be eligible, the horses must have entered, shown and completed the course in at least two classes in the Hunter section. For all Hunter Classics in A, B, or C rated sections at all A, B or C rated shows, the Classic must be conducted as a two round class. A designated class of the specified Hunter section may be counted as the first round of the Classic. The second round may not be another designated class in the Hunter section, but must be held as separate round. If a designated class is used as first round, each round to count 50%. At least the top 12 if available or 25% of the first round entries will return over a second course. If a horse or pony is eliminated in the first round of competition they may not return for the second round. If possible, eight places to be awarded. The Hunter Classic does not count toward the minimum number of classes required for the section’s rating, however bonus points will be awarded toward the Horse of the Year Awards in the horse’s respective section. The bonus points are as follows: 1st—20, 2nd—16, 3rd—14, 4th—12, 5th—10, 6th—8, 7th—6, 8th—5, 9th—4, 10th—3, 11th—2, 12th—1 point. “B” and “C” rated Classics will receive the points listed above. “A” rated Classics will receive 4 times the points listed above. “AA” rated Classics will receive 5 times the points listed above. All horses being considered for an award must be serviceably sound.

2. The course must consist of a minimum of ten obstacles of at least six different types.

3. The height of the first obstacle must not exceed 4’. The height of all other obstacles must not exceed 4’6”. Spreads, water or ditches must not exceed 4’. In Amateur Owner and Junior Hunter Classics the height of the first fence must not exceed 3’6”. The height of all others must not exceed 4’. Spreads, water or ditches the same as above.

4. If using an open numerical judging system, one judging position must be appointed as the tie breaker.

5. In Classics offering $1,000 or more in prize money, or if required in the prize list, riders are required to wear scarlet or dark coats; white shirts with white stock, choker or tie; white, buff or canary breeches and protective headgear in accordance with General Rules, GR318.2. BOD 1/14/07 Effective 4/1/07

6. Classics may be offered combining sections. If a classic is offered combining sections and a horse is shown in more than one section qualifying for the classic, the exhibitor must declare to the Competition Secretary which division bonus points are to count toward.

7. No rider may show more than two horses in any height section (i.e. Fence height, not height of horse) of a Hunter Classic. Exception: Junior Hunter Classics - if the first round of a classic is a class in the division and the rider qualifies four horses, that rider may compete all four horses in the second round of the classic. BOD 1/15/06 Effective 12/1/06

8. Horses being considered for an award must be serviceably sound and may be jogged if so stated in the prize list.

9. The same horse/rider combination must ride in both rounds of a Hunter Classic. BOD 1/15/06 Effective 12/1/06
SUBCHAPTER HU-7  CHAMPIONSHIPS.

HU137  GENERAL.
1. Championships must be offered in “A” and “B” rated sections.
2. A Championship may not be offered in a section unless a minimum of two over fences classes and one Under Saddle class are held (Exception: Ladies Hunter Side Saddle). If a competition offers more than one Under Saddle class in any one section, only one will count towards the Championship. (Exception: classes divided as to weight, height, age or breeding.) The prize list must specify the class to count.
   a. When a Championship is offered, management must keep a score card or chart of winnings throughout the competition, which must be prominently displayed so that exhibitors may inspect it at all times. Only the first six ribbons count towards Championships regardless of the number offered.
   b. Ribbons won in classes with specifications restricting horses in any manner, will not count toward any Championship unless such classes are complementary and over the same course, affording equal opportunity to all horses competing. If, however, competition management, having reserved the right to do so in the prize list, combines two or more complementary classes because of insufficient entries, thus making one open class, ribbons won in such a class count toward the Championship.

HU138  Eligibility.
1. General. 
   a. The Champion and Reserve Champion titles are awarded to the top two of the four horses that acquired the most points performing over a regulation course with obstacles at the full height required in the section in which shown, except under the provisions of HU112.1 and 2. In addition to these points, only these four horses, receive half points for ribbons won in Model classes (full points for Regular Conformation Model classes) and full points for ribbons won in one Under Saddle class.
   b. The prize list must state the numbers of the full point and half point classes counting towards the Championship in each section.
2. The following classes do not count towards nor make a horse eligible for Championships: Appointment, Breeding, Local, Junior, Consolation, Maiden, Novice, Limit, Owners, Hunter Hack, Pairs, Teams and any class restricted unless complementary classes are offered. Points won in one section do not count towards nor make a horse eligible for the Championship in another section.

HU139  Ties.
1. In case of a tie score the Championship and/or Reserve is awarded to the horse that accumulated the most points over fences. If horses have an equal number of points over fences and no points under saddle, the tied horses must be shown at a walk, trot and canter. Competitors may be asked to hand gallop at the discretion of the judge. (Exception: Green Hunters.) This competition is judged as an independent under saddle class with conformation, soundness and performance to count as prescribed throughout the section. If horses have an equal number of points over fences, under saddle, and model (i.e. Regular or Green Conformation) the tie will stand as is and both horses will receive Horse of the Year Points in their respective Champion and/or Reserve position.
2. If all tied horses are declared unsound, selection of the winner among such tied competitors is left to the discretion of the judges.

HU140  Combination Hunter Championship.
Small, all classification competitions with a limited number of Hunter classes, including events in more than one section (i.e., Regular or Green Conformation, Regular or Green Working), may count points won in such classes toward a Combination Hunter Championship. A Combination Hunter Championship and Reserve are awarded to two of the four horses which have acquired the most points performing over a regulation Hunter course with fences the height required in the section in which shown. In addition to these points, only these horses receive half points for ribbons won in Model, Maiden, Novice, Limit and Green classes (full points for Regular Conformation Model classes) and full points for ribbons won in one Under Saddle class or, if not held, in one Hunter Hack class, if other-
wise qualified. The prize list must specify which classes count. This Championship does not count toward a Federation Horse of the Year Award except for Amateur Owners.

SUBCHAPTER HU-8 CONDUCT.

HU141 Judges.
(See HU146.1)
1. In “A” rated sections, at least one judge of Registered status must officiate. Recorded judges with Special judge’s card may not officiate alone.
2. All judges who are assigned to a Conformation section must judge the Model class.
3. In “A” rated Hunter sections at “AA” rated competitions, a minimum of two judges must officiate. They may officiate independently or together. If judging independently, no more than 60% of the classes in the section may be officiated by the same judge. (Exception: Pony Hunter sections held on one day).

HU142 Schooling.
Schooling is permitted in accordance with GR313 and GR314.

HU143 Back to Back Classes.
No more than two rounds may be ridden back to back. In sections where three classes over fences are held on one day and the section has eight or fewer exhibitors, all three over fences classes may be held using back to back rounds with the judge’s consent. Classes using this format must be jogged, if required, and pinned separately, following the last class. Management may not require back to back rounds in rated classes. Management may not require a judge to score more than three classes concurrently.

HU144 Jumping Order.
If a jumping order is established it must be posted in a conspicuous place at least one-half hour before the class. The jumping order must be legible to a mounted rider. If a jumping order is used throughout the section, a systematic rotation of the starting list must be employed so that a complete cycle is made during the competition. Failure to enter the ring within one minute after an audible signal to proceed is given incurs elimination. The time limit for entering the ring must be enforced by competition management. Management may permit a rider to compete out of order to minimize delays and in case of class conflicts.

HU145 Entry Fees.
1. No competition may require a combined entry fee in any “B” or “C” rated section. A horse that is entered in a section that requires a combined entry fee may be entered in individual classes in another section for which he is qualified. (Exception: the horse may not be entered in the stake class unless it has met all qualifications.) A horse that is exhibited in the first performance class of an “A” rated division must pay a combined entry fee. After the first performance class exhibitors may enter individual classes at management’s discretion.
2. A Model class may not be included in a combined entry fee. It must always be offered separately as an optional class.

HU146 Scheduling.
1. “A” rated Hunter sections may be held and judged on one or more days. If held on one day “A” divisions would be limited to three classes per division (2 over fences and 1 under saddle). If held on two or more days, four to six performance classes must be offered (Exception: Pony Hunter and Junior Hunter sections).
   a. At “AA” rated competitions Regular Working and Regular Conformation Hunter sections must be offered.
   b. “A” rated competitions must be held and judged over a minimum of three days on the same competition grounds. A minimum of five “A” rated hunter sections must be offered and a minimum of two performance classes from two different “A” rated Hunter sections must be scheduled and judged on each of the three days. “A” rated Hunter sections must be held and judged over two or more days. (Exception: pony hunter sections). An “A” rated competition’s rating may only be changed if add-backs are offered and the competition awards a minimum of $18,001 in prize money in the “A” rated Hunter sections. In addition, the competition must meet the scheduling requirements for an “AA” competition.
c. “AA” rated competitions must be held and judged over a minimum of five (5) days on the same competition grounds. A minimum of five “A” rated Hunter sections must be offered and a minimum of two performance classes from two different “A” rated Hunter sections must be scheduled and judged on four of the five days. “A” rated Hunter sections must be held on two or more days. A minimum of $18,001 in prize money must be awarded in the “A” rated Hunter sections of an “AA” competition.

d. “A” rated competitions which restrict entries in the rated Hunter sections to juniors and amateurs must be held on a minimum of two consecutive non-school days within the public school system, at the location of the competition, on the same competition grounds.

2. “A” rated competitions must state their “A” or “AA” rating clearly on the cover of the prize list.

3. Competitions cannot offer more than the required amount of classes for an “A” or “B” section rating. Model classes and Classics do not count toward the number of classes required. (Model classes must be offered in “A” rated Conformation sections in addition to the four or five required classes), therefore, they can be offered as additional classes. In addition, Model and Classics do not count towards the number of required classes to meet the rating requirement, therefore the prize money offered in Model and/or Classic classes cannot be used to determine the amount of required prize money to calculate the “AA” rating.

4. No more than three (3) classes in any “A” rated hunter section at an “A” or “AA” rated competition may be held in one day. (Exception: Model classes in Green and Regular Conformation sections may be held as a fourth class. Pony Hunter sections at “A” rated competitions may be held on one day.)

   a. At “A” and “AA” rated competitions, classes in recognized divisions must be run on consecutive days.

   b. (Exception, classics).

CHAPTER HB
HUNTER BREEDING DIVISION

WHEN A SUBJECT IS NOT ADDRESSED IN THESE RULES, IT MUST BE ADDRESSED BY THE APPROPRIATE COMMITTEE AND THAT COMMITTEE'S INTERPRETATION WILL STAND AS THE RULE UNTIL THE NEXT YEAR WHEN AN APPROPRIATE RULE CHANGE WILL BE SUBMITTED. BOD 1/14/07 Effective immediately

HB100 Eligibility to Compete.
In order to compete in any Hunter Breeding classes at licensed competitions as an exhibitor, rider, trainer, or his/her agent(s), a person must be a member of the United States Hunter Jumper Association, Inc., or pay a nonmember fee to the United States Hunter Jumper Association, Inc. Exception: Local Competitions, competitions restricted to a particular breed, and exceptions listed in GR1401.9 and GR204.2i.

HB101 Eligibility.
1. The Hunter Breeding Division is open to horses only. Horses shown as a Thoroughbred must possess either their Jockey Club certificate of registration, the acceptance of their Jockey Club application for registration or a Jockey Club tattoo. Proof of registration must be submitted at time of entry. For competition purposes only in Hunter Breeding Divisions, an unregistered Thoroughbred is a horse that is the progeny of a registered Thoroughbred stallion and a registered Thoroughbred mare, but does not possess Jockey Club registered papers or tattoo. See also GR1501.2. Once a filly or mare has been shown in a Federation recognized registered/unregistered Thoroughbred Division, any of her progeny sired by a registered Thoroughbred stallion must be shown in a registered/unregistered Thoroughbred Division.
2. Hunter Breeding classes will only accumulate Federation Horse of the Year Points from January 1 to November 30 of the current show year (see GR907).

HB102 Division of Classes.
Breeding classes may be divided as to a) thoroughbred/unregistered thoroughbred, and b) other than thoroughbred and include: Foals (colts, geldings and/or fillies); Yearlings (colts, geldings and/or fillies); Two-year-olds (colts, geldings and/or fillies); Three-year-olds; Mares (3 years old or over, with or without foal); Mares (3 years old or over, without foal but having been bred); Broodmares (with foal at foot; 50% mare and 50% foal or 75% mare and 25% foal); Stallions (3 years old and over); Stallion (with 1, 2 or 3 of get; 50% stallion and 50% get or 75% stallion and 25% get).

HB103 Conduct.
1. Hunter Breeding classes must be offered as printed in the prize list. Classes may not be combined however they may be split if the number of entries warrant.
2. A competition may not offer more than two Hunter Breeding divisions to count for HOTY awards at any one competition. Each division must be judged by a different judge or judges, with neither judge conferring with the other concerning the judging until the divisions are completed. The prize list must clearly state which classes count for Federation points. Additional classes and division championships may be offered but will not count for Federation points.
3. Ribbons in all Hunter Breeding classes must be presented to the winners while in the ring.
4. No more than one person may present a horse at any one time to the judge or judges.

HB104 Class Specifications.
1. Breeding classes are judged on conformation, way of moving, quality, substance, soundness and suitability to become or in the case of sires and dams apparent ability to produce or beget hunters. Possible inheritable conformational defects are only to be considered in the case of sires and dams or prospective sires and dams. Horses are to be judged for conformation before being walked and/or jogged. Broodmares and weanlings are to walk. Yearlings, Two year-olds and Three year-olds are to walk and jog. Horses that are not sound are ineligible for an award. If the section has only one judge and thus one set of
points, the entries should be lined up in the order of preference before the ribbons are pinned. If this is a two-judge section, with two sets of points, the entries are not lined up in the order of preference until both judges have turned in their cards. The announcer or ringmaster will line up Judge #1’s entries in his/her order of preference before awarding the ribbons. After the entries have been pinned for the first judge, Judge #2’s entries will line up in his/her order of preference before the awarding of ribbons. BOD 1/15/06 Effective 12/1/06

2. Foals in Breeding classes may wear leather halters. All animals of yearling status and older must be shown in a bridle.

3. Four classes must be offered consisting of Yearlings, Two-year-olds, Three-year-olds and Best Young Horse. Classes may not be combined. Classes may be divided by sex and/or breeding and competition management is encouraged to divide classes where entries warrant. Only these classes will count for Federation Horse of the Year Awards.

4. A Best Young Horse class must be offered and judged as a separate class. Winners in all qualifying classes may show in the Best Young Horse class. Second place winners may return. Federation Horse of the Year points will be awarded in the Best Young Horse class regardless of the number of entries.

HB105 Special Rating Requirements.

1. Classes with combined age groups do not count toward the Horse of the Year Awards. Exception: Best Young Horse class. See also GR903.

2. Points will be based on the number of horses in the class as follows:

CHAPTER HP
HUNTER PONY DIVISION

WHEN A SUBJECT IS NOT ADDRESSED IN THESE RULES, IT MUST BE ADDRESSED BY THE APPROPRIATE COMMITTEE AND THAT COMMITTEE’S INTERPRETATION WILL STAND AS THE RULE UNTIL THE NEXT YEAR WHEN AN APPROPRIATE RULE CHANGE WILL BE SUBMITTED. BOD 1/14/07 Effective immediately

SUBCHAPTER HP-1. DEFINITIONS AND ELIGIBILITY.

HP100 Eligibility to Compete.

In order to compete in any Hunter Pony Division classes at licensed competitions as an exhibitor, rider, trainer, or his/her agent(s), a person must be a member of the United States Hunter Jumper Association, Inc., or pay a nonmember fee to the United States Hunter Jumper Association, Inc. Exception: Local Competitions, competitions restricted to a particular breed, and exceptions listed in GR1401.9 and GR204.2i.

HP101 General.

1. No junior over 12 years of age may ride in a Regular Small Pony Hunter Section. No junior over 14 years of age may ride in a Regular Medium Pony Hunter Section. (Exception: Green Pony Hunters) Riders under 18 years of age may ride for other exhibitors who have more than one entry in the Under Saddle class and/or exhibit the pony in the model class.
2. Ponies must be handled by junior exhibitors in all phases of a class, except in breeding classes in-hand.
3. Ponies shown in any rated Hunter Pony, Green Pony Hunter, Children’s Pony Hunter, or Pony Jumper sections may not be shown by an exhibitor 18 years of age or older at the same competition, except in breeding classes in-hand.
4. Stallions are prohibited from all classes except breeding.
5. No animal may be shown in a performance class in this division unless the owner possesses a current measurement card or valid measurement form issued by the Federation (see Rules GR502 and HP126).
6. Small ponies are not to exceed 12.2 hands; medium ponies are over 12.2 and do not exceed 13.2 hands; large ponies are over 13.2 and do not exceed 14.2 hands.
7. Regular classes are open to all ponies not exceeding 14.2 hands. Qualifications must follow as nearly as possible those outlined for Hunters.
8. No rider may show more than three ponies in any one height section.
9. Junior riders showing ponies cannot compete in any class where fences may be set higher than 3'6” at the same competition (Exception Children’s Jumpers, Green Pony Hunters and Pony Jumpers)
10. Ponies shown by adults at a Licensed Competition cannot compete in any rated Pony Hunter sections at the same competition with a junior rider.
11. Any rider competing with their stirrups tied to the girth and/or secured in any like manner, will be automatically eliminated for the entire competition. The steward will note the trainer(s) on the stewards report and further disciplinary action may be taken by the Federation.
12. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, etc.) while in the competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried. Exception: A handicapped participant may use electronic devices if, prior to the class, he/she presents to the USEF Steward written justification from treating personnel setting forth the necessity of the equipment.

HP102 Green Pony.

1. A green pony is a pony of any age not exceeding 14.2 hands that has not been shown over fences the regulation height or higher for its respective section (2’3” for small, 2’6” for medium and 2’9” for large) prior to December 1st of the current competition year at a Regular Competition of the Federation or Equine Canada or any national or international competition. Showing in Canada over fences at or higher than the regulation height for the pony’s section under Equine Canada rules breaks the pony’s green status for the purpose
of this Rule and Federation rules whether or not the regulation height for the pony’s section under Equine Canada rules is less than, equal to, or greater than the regulation height for the pony’s section under Federation rules. Once a pony has broken its green status in one Hunter Pony section (i.e., small, medium, large) it will not regain its green status by moving into another Hunter Pony section.

2. If a competition starts prior to or on November 30, Green Pony status at the start of the competition is maintained throughout the competition.

3. Ponies who have not broken their Green Status must jump less than their regulation height in open classes or their Green Status will be broken.

4. A pony’s green status is considered to be broken once it competes over fences the regulation height or higher for its respective section (see above). The pony’s green status may be reinstated for a future competition year if it was not shown at more than three (3) competitions prior to May 15th and if it was not shown after May 15th in the same year. The Federation recorded owner must submit a letter requesting green reinstatement, via certified/return receipt mail, which must reach the Federation office on or before November 30th of the year of withdrawal. This request must be made during the year in which green status was broken. A $25 processing fee, a list of competitions with dates where the pony competed at its regulation height or higher, the pony’s name and the Federation recording number must be included with the green reinstatement request. At the time of request, the pony must stop competing over fences its respective height or higher for the remainder of that competition year. If the pony is not actively recorded at the time of request, it must be recorded/renewed at this time. Failure to do so will result in the pony losing its green status. The owner will receive a letter indicating the pony’s green eligibility. A Green Reinstatement will only be granted one time.

5. In the event an owner is not satisfied with the decision, the owner may submit a written appeal to be heard by the Federation Hearing Committee at no additional charge. However the appeal does not guarantee the reinstatement will be granted.

SUBCHAPTER HP-2. DIVISION OF SECTIONS OR CLASSES.

HP103 General.

1. Classes for Pony Hunters may be divided by size of pony as outlined in HP101.6.

2. If there are 50 or more entries in the division at the beginning of the first class, it must be divided by size of pony and prize money must be doubled. If there are 50 entries remaining in a section after the division has been divided by size of pony, the section must be redivided by every other number and the prize money must be doubled. Once a section has been redivided it may not be divided further.

3. Required Sections.

a. An “A” or “AA” rated Regular Pony Hunter division must be offered as three sections (small, medium, and large) and the prize money must be tripled. If there are four (4) or more entries in each divided section of an “A” or “AA” rated Regular Pony Hunter division, the sections must be held separately. Sections may be combined if there are three (3) or fewer entries in any divided section. Combined sections should be either small/medium or medium/large but if possible not small/large.

b. Competitions may offer the Green Hunter Pony Section as three separate divisions (small, medium and large); however an “AA” rated Green Hunter Pony division must be offered as a minimum of two sections (small/medium and large) but may be offered as three sections (small, medium, and large). Green Hunter Pony Sections at “AA” rated competitions may be combined if there are less than four (4) entries in any divided section.

4. If there are a minimum of 10 small/medium ponies combined and 10 large ponies in any “B” or “C” rated Regular or Green Section, the section must be divided (small/medium and large); prize money need not be doubled. If there is a total of thirty (30) ponies, prize money must be doubled.

SUBCHAPTER HP-3. CONDUCT.

HP104 General.

See HU141 through HU149 for all requirements. If a Model class is held it must be the first class held in any section.
HP105 Championships.
A competition may, at its discretion, offer a Championship and Reserve Award in each height division or a single Championship and Reserve. Separate Championships must be offered when all classes are divided into height divisions but cannot be offered unless they are divided. See Chapter HU, Subchapter HU-7 for all requirements.

HP106 Classics.
Any competition with an “A” or “B” rated Pony Hunter section may offer a Pony Hunter Classic in accordance with HU136. Exceptions: Pony Hunter Classics must offer at least $500 in prize money. The height and spread of fences to be the same as the Regular Hunter Pony section, Green Hunter Pony classes will not count as the first round of a Pony Hunter Classic. Riders are not required to wear special attire as described in HU136.5 but must wear protective headgear in accordance with GR318.3. Classics cannot be offered at competitions holding Pony Hunter sections in one day. Competitors must declare which two animals are showing in the classic before the first round starts. Competitors may only ride two ponies in any height section of a classic.

SUBCHAPTER HP-4. COURSES.

HP107 General.
Same requirements as for Hunter, see Rules HU112 through HU116. Exceptions: The first obstacle on a pony hunter course must be a vertical obstacle (i.e., brush or rail). Oxers and coops are prohibited as a first obstacle. Swedish oxers are prohibited in the schooling area.

HP108 Heights and Spreads.
1. The height and spread of obstacles at Regular Competitions are 2’3” for small, 2’6” for medium and 3’ for large ponies. No minimum height required at Local Competitions. (Green ponies to jump 2’3” for small, 2’6” for medium and 2’9” for large). Spread of jump may not exceed height and must be measured including flowers, brush and ground lines. (Exception: fences may be a maximum of 3” lower in Zones 11 and 12.)
2. If a competition offers a team or pairs class or a pony hunter classic in which ponies of mixed heights are permitted, the prize list must state the height of the fences and stipulate all judging requirements.

HP109 Distances.
1. The suggested distances for in and outs are 20’ for small, 22’ for medium and 24’ for large ponies. The in and out distance must be adjusted for each height section.
2. If the distance between fences is less than 72’, the distance must be adjusted for each height section.
3. In the line with an in and out there must not be any other fences (Local and “B” & “C” rated divisions only).

SUBCHAPTER HP-5. JUDGING.
See Chapter HU, Subchapter HU-5

HP110 General.
Manners and suitability of a pony for the rider are be emphasized in all classes. Extreme speed is penalized. Suitability of a pony for a rider is determined by height and weight of the rider as related to the size of the pony. Judges must penalize but not necessarily eliminate an entry not having such manners and suitability.

HP111 Class Specifications.
1. Classes are the same as those listed for Hunters. Maiden, Novice, Limit and Green Ponies are not to gallop.
2. Conformation must not exceed 25% in any class except a Model class.
3. Appointment classes are prohibited in all competitions. Uniformity and similarity may count 15% in Team and Pair classes.
4. If a pony under saddle class has over 20 entries, the class must be split and held in at least two sections with one set of awards.
SUBCHAPTER HP-6. SPECIAL RATING REQUIREMENTS.
See Chapter HU, Subchapter HU-9.

HP112 General.
Competitions cannot offer more than the required amount of classes for an “A” or “B” section rating. If a Model class is offered it must be in addition to the minimum number of classes required for a section rating and must be held as the first class in any section.

HP113 “A” Rated Sections.
1. “A” rated Regular and Green Pony Hunter sections may be held on one or more days. “AA” rated Regular and Green pony Hunter sections must be held over two or more days. If held in one day, four (4) performance classes must be offered. If held over two or more days, four (4) or five (5) performance classes must be offered.
2. A minimum of $400 prize money must be offered in any Regular Pony Hunter section. A minimum of $250 prize money must be offered in any Green Pony Hunter section.
3. An “A” rated Green Pony Hunter division may only be offered in conjunction with an “A” rated Regular Pony Hunter division.

HP114 “B” and “C” Rated Sections.
1. Three (3) or four (4) classes must be offered in any “B” or “C” rated Regular or Green Hunter Pony section.
2. “B” rated Regular Hunter Pony sections must offer a minimum of $100. “B” rated Green Hunter Pony sections must offer a minimum of $50.
3. No prize money is required for “C” rated sections.

HP115 Conformation Classes.
In “A” rated sections, one over fence class must be judged 25% conformation; in “B” rated sections, one over fence class may include conformation at management’s discretion. The conformation class must be clearly stipulated in the prize list. A Model class may be offered in addition to the conformation class. If a model class is held, it is recommended that all conformation classes offered in the section will be held on the same day as the model class.

SUBCHAPTER HP-7. FEDERATION HUNTER PONY COMPETITION.
(USEF PONY FINALS NATIONAL CHAMPIONSHIPS)

HP116 Purpose.
1. This competition is designed to encourage the breeding of quality Hunter ponies and the proper basic training for them.
2. The competition should be made available to as many pony riders as possible and, thus, should not remain at any one location for more than two years, unless there are no other suitable applications for the competition. BOD 1/15/06 Effective 12/1/06

HP117 Eligibility.
1. A pony must win a Championship or Reserve Championship in an “AA” rated Regular Hunter Pony section, a Championship in an “A” rated Regular Hunter Pony section, or a Championship or Reserve Championship in an “A” or “AA” rated Green Hunter Pony section and the pony must be registered with the Federation at the time of the win in order for the Championship or Reserve Championship to count. Sections held after July 1 will count toward next year’s competition. Ponies that are Champions in their respective sections at the previous years competition may return without qualifying. The owner of record of the pony must be a member in good standing of the Federation, i.e., ponies must be shown in accordance with Rules GR812, GR818, in order to be eligible to qualify. Pony Finals host sites will comply with the rules designated by the Federation and the Federation Pony Hunter Committee.
2. Green Pony Hunters qualified by winning a Championship or Reserve Championship in an “A” rated Green Pony Hunter section between December 1 and July 1 of the current competition year. A Green Pony Hunter who has qualified for the Finals in the Green Pony Hunter Section must compete in the Finals in the Green Hunter Pony section. A Green Hunter Pony who has qualified for the Finals in the Regular Pony Hunter section may compete in either the Green Hunter Pony section or the Regular Hunter Pony Finals, but may
not compete in both. Green Pony Hunters must declare the section in which they will com-
pete when completing their entry blank. Green Pony Hunters that receive a Championship 
or Reserve Championship in an “A” rated competition after July 1 are not qualified for the 
Regular Pony Hunter section for the finals in the next competition year. They must qualify in 
the Regular Pony Hunter section after July 1 in order to be qualified for the next competition 
year.

HP118 Phases.
1. General.
a. Competition will be conducted in three separate phases: In-Hand, Under Saddle 
and Over Fences. In determining each pony’s total score, the Model will count 25%, 
Under Saddle 25% and Over Fences 50%. The competition will consist of six pony 
hunter sections: small green pony, medium green pony and large green pony, small 
pony, medium pony and large pony. Green ponies may qualify within their green year 
from December 1 to July 1 to compete in the green pony hunter division.
c. Under Saddle. To be shown at the walk, trot and canter both ways of the ring and to 
hand gallop on one direction (exception: Green Ponies not to hand gallop). Riders may 
be asked for an extended trot. Ponies to stop easily and stand quietly. Light contact with 
pony’s mouth is required. Judged on performance and soundness. Manners and suit-
ability of a pony to rider will be emphasized. Extreme speed is penalized.
   (1) In the Under Saddle phase, the ponies in each division will be split into groups 
of 12 or less. Each pony will be judged and given a score based on its performance 
in its group. At the discretion of the judges, the ponies in any one division may be 
called back to hack together.
d. Over Fences. To be shown over a minimum of eight fences at the required height 
(Note—Large green ponies to jump at 2'9” in the competition). Judged on performance 
and soundness. Manners and suitability of a pony to rider will be emphasized. Extreme 
speed is penalized.
2. If entries do not warrant splitting the division, small and medium ponies will be judged 
together in all phases.
3. The same junior exhibitor is required to show an entry in all phases of the competition 
but need not be the same one that handled the pony in any phases of a qualifying event. 
The same junior exhibitor may ride a small, medium and large pony in the competition but 
not more than one pony in any one division.

HP119 Judging Procedure.
All three judges will judge each phase simultaneously but independently of each other. 
Each judge will give every pony a score for each phase. Prior to the over fences phase, 
each pony’s scores for the Model and Under Saddle phases are totaled and announced. 
During the over fences phase, the Open Numerical Scoring System is used: after a pony 
completes the course, each judge’s score for the round is immediately shown. The total 
overall score for each pony is then calculated as soon as it has completed the last phase.

HP120 Team Award.
If three or more ponies from any one state compete in the competition, the best three 
scores of small, medium and large ponies will be added together for a Team Award. If there 
are not three ponies from any one state, then individual ponies may be combined for a Zone 
Team, provided they are all from the same Zone. Ponies from a state where three or more 
ponies are represented are ineligible for a Zone Team. The state or Zone that a pony repre-
sents is determined by the owner’s state of residence. In the event of tied scores between 
ponies on the same team, the pony with the most points over fences will be given the place 
on the team. Each member of the winning team will receive a memento of the team trophy, 
the International Challenge Trophy, and the team name will be inscribed on the trophy, 
which will remain in the possession of the Federation.

1. All Breeding classes are judged on conformation, way of moving, quality, substance, soundness and suitability to become, or in the case of sires and dams, apparent ability to produce or beget hunter ponies. Transmissible unsoundness only to be considered in cases of sires and dams. Entries to be shown on the line.
2. Judging percentages: Broodmares (with foals at side) 50% mare-50% foal, or 75%-25%; Get of purebred sire (one, two or three animals) Get 50%-Sire 50% or 75%-25%; Produce of Dam by purebred Sire (with one or two animals) Produce 50%-mare 50% or 75%-25%.
3. Ponies are to be moved on the line after being judged for conformation. Broodmares and foals are to walk; all others are to walk and jog. If the section has only one judge and thus one set of points, the entries should be lined up in the order of preference before the ribbons are pinned. If this is a two-judge section, with two sets of points, the entries are not lined up in the order of preference until both judges have turned in their cards. The announcer or ringmaster will line up Judge #1’s entries in his/her order of preference before awarding the ribbons. After the entries have been pinned for the first judge, Judge #2’s entries will line up in his/her order of preference before the awarding of ribbons.

HP124 Classes.
The following classes are recommended and may be divided as follows: Foals (colts/gelding and/or fillies), Yearlings (colts/gelding and/or fillies), Two-year-olds (colts/gelding and/or fillies), Three-year-olds (colts/gelding and/or fillies), Mares three years old and over with foals at side, Mares three years old and over without foals but have been bred in the current breeding season, Stallions three-years-old or over.

HP125 Championships.
Show Champions and Reserve Champions are selected as outlined in GR335.4.

SUBCHAPTER HP-9. HUNTER PONY MEASUREMENT.

HP126 General.
1. Management shall not permit an animal to be shown in any Hunter Pony, Children’s Hunter Pony or Welsh performance class at a Federation Member Competition unless the
person presenting the animal is in possession of a) a copy of a measurement card issued by the Federation bearing the date of August 15, 1991 or thereafter; or b) certified card applied for prior to December 1, 1987; or c) a copy of a valid measurement form. If an exhibitor, owner, or trainer requests a reprint of a measurement card from the USEF office after the original measurement card has been issued, there will be a $10 fee for service charged to the requestor. Competition management may, at its discretion, confirm any of the foregoing information electronically with the Federation Office. At Regular Competitions, management may not give out an exhibitor’s number for an animal showing in a Hunter Pony class before the above requirements have been complied with, and charges of rule violations for hearing and determination pursuant to Chapters GR6 and GR7 shall result for failure of compliance with this Rule.

2. Animals in competition in any Hunter Pony class are subject to measurement. Measurements will be conducted in accordance with HP126.3 and .4.

3. Measurements must be performed by a steward with the official competition veterinarian in attendance, both of whom shall sign the measurement form. Written reports of every measurement or attempt to measure must be sent to the Federation’s Lexington, KY office together with the Steward’s Report, or the steward will be subject to charges and penalties per Chapters GR6 and GR7. The steward shall be either a steward officiating at the competition or a steward authorized in writing to conduct the measurement by the Federation CEO or Executive Director. If the official competition veterinarian is not present at the competition, or not available when on call (see General Rules, GR1211.4) the measurement may be conducted by a steward and a judge officiating at the competition, or another steward officiating at the competition; however, the measurement will be for the purposes of that competition only and no measurement card will be issued. Measurement forms will be sent to the Federation, but will not be given to the owner.

4. Stewards who perform measurements and other competition officials present who measure animals at a competition are responsible for their true measurement and must use the Federation approved measurement stick (See HP130). The names of the measuring stewards will be printed on the measurement card and they and other measuring officials will be subject to charges of rule violations for hearing and determination pursuant to Chapters GR6 and GR7 if it is subsequently determined that a measurement is incorrect.

5. Measurements are solely for the internal use of the Federation, its Licensed Competitions and its licensed officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement information; accordingly, the Federation, its Licensed Competitions and its licensed officials make no representation and shall have no liability whatsoever for measurement errors.

6. Measurements must take place at a Licensed Competition in which the animal is entered to compete. Once the pony has been measured the measurement is effective whether or not the pony does in fact compete; whether or not the pony competes, it is also subject to drug testing.

7. Measurement forms received by the Federation that have inconsistencies or errors may be denied a measurement card at the discretion of the Federation. If the animal is denied a measurement card, The Federation will notify the owner of the animal and they must be measured before they are eligible to show.

**HP127 Required Measurements and Re-measurements.**

1. An animal must be measured each competition year until it reaches the age of six. Animals five years and under will be issued a Temporary Measurement card designating the year measured. Animals six years and older will be issued a Standard Measurement card which does not have to be renewed. With the exception of animals under six years old, once an animal is issued a measurement card, a new card will not be issued unless the height of the animal is protested and upheld, or unless an appeal is made or unless a new measurement request is made by the owner or trainer and the remeasurement results in the animal moving to a greater height section than that indicated on its current measurement card.

2. All animals that have been assigned a card prior to August 15, 1991 must be remeasured (except animals with Certified measurement cards applied for prior to December 1, 1987). If the owner, either member or non-member, is in possession of a measurement card issued prior to August 15, 1991, there will be no fee for initial remeasurement.
3. In the event an animal has been measured on August 15, 1991 or thereafter and the person presenting the animal does not have the measurement card or valid measurement form in his or her immediate possession, or Management cannot confirm the measurement electronically with the Federation, the animal must be remeasured for the purposes of competing in that particular competition only. Measurement forms are sent to the Federation office, but are not to be given to the owner. If an owner fails to present a valid measurement card or form or if Management cannot confirm the measurement electronically with the Federation at more than one (1) competition during the competition year an additional measurement fee of $250 will be charged by the Federation for each subsequent remeasurement necessary.

SUBCHAPTER HP-10. PROCEDURES.

HP128 Membership Requirements and Fees.
Before any animal is measured the person presenting the animal must have in his possession either the owner’s membership number or a signed statement signifying that membership has been applied for.

HP129 Completing the Measurement Form.
1. The measurement form must be filled out completely in duplicate before measurement takes place. Measurement cards will not be issued if the form is not completely filled out and legible. Exhibitors are cautioned to make sure their measurement forms are filled out accurately and completely. It must include the name and date of the competition, the height of the animal, height of heel, name, color and markings or absence thereof, sex, year foaled which must be verified by the official competition veterinarian at time of measurement. The name and address of the owner and his/her Federation membership number, if applicable, must be given. The form must be signed by the person furnishing the above information immediately before the animal is measured and then signed by the competition officials appointed to measure. The person providing the information that appears on the measurement form must be 18 years or older and is responsible for the accuracy of such information and care should be taken that all is in order before signing. When this individual signs the form he/she is certifying that all information is complete and correct. Charges of rule violation for hearing and determination pursuant to Chapters GR6 and GR7 shall result for failure of compliance with this Rule. No changes can be made to such information once the form is signed. Any alterations, scratch outs, or rewrites to any part of the height or height of fore heels must be clearly indicated and initialed by the measuring officials. If a measurement form is signed by a person under the age of 18 and submitted to the Federation office, the measurement will be invalid.

2. Before an animal is measured for a measurement card, the animal must be jogged for soundness on a firm, level surface with the official competition veterinarian in attendance, and show no evidence of lameness. If found to be lame by the official competition veterinarian, said animal cannot show at that competition and no measurement may be conducted. If an animal whose height has been protested is found to be lame by the official competition veterinarian, the measurement card will be held by the Federation and the owners must request an appeal measurement in order to reinstate the card.

3. Federation officials are not to perform “courtesy”, “trial”, or repeat measurements. Once a pony is presented for measurement, the owner/agent must accept the resulting measurement.

4. The official completing the form must designate on the form that the owner is a current member or that the membership has been applied for (See HP128.). The white copy is given to the owner or trainer and the blue copy is returned to the Federation office.

5. The owner will retain the white copy which, when properly signed by the two officials who have made the measurement, is valid for 45 days from the time the animal is measured, regardless of age.

6. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal’s breed registration papers or a signed statement from a veterinarian certifying the animal’s age.
SUBCHAPTER HP-11. MEASURING.

HP130 Measurement Device.
Federation Approved Measurement Stick. A Federation approved measurement stick is a straight, stiff, unbendable stick that is equipped with a plumb bob or spirit level to make sure the standard is perpendicular to the ground and that the cross-piece or arm is parallel with the ground surface, and must be shod with metal. All Federation approved measurement sticks will be numbered, carry the Federation logo and the legend “Federation approved”.

HP131 Measurement Surface.
1. The measurement surface must be level and under no circumstances should animals be measured on dirt or gravel. A level concrete slab or other paved surface is required.
2. If the steward determines that a suitable surface is not available at a competition, animals without a measurement card issued on August 15, 1991 or thereafter, or a valid measurement form may nonetheless be measured for the purpose of competing in that competition only, and no measurement form shall be given to the owner or returned to the Federation and no fee shall be charged.
3. All Regular Competitions having Hunter Pony classes are responsible for providing a Federation Approved Measurement stick and a suitable surface for measurements and for failure to do so charges of rule violation shall result for hearing and determination pursuant to Chapters GR6 and GR7.

HP132 Position of Animal.
1. The animal must stand squarely on all four feet in such a position that the front legs are vertical to the ground and the back of the hocks are in a vertical line with the point of the animal’s quarters. The poll must be in the same horizontal plane as the withers and no lower and the head should be in a normal position. A maximum of two handlers may present the animal for measurement and they must not interfere with the animal in any way that will prevent it from standing in this position nor may they have any direct physical contact with the animal that could influence the measurement, except that a handler may cover the animal’s eyes.
2. The animal may be presented for measurement with or without shoes regardless of how it is shown.
3. Prior to presenting the pony for measurement it is the responsibility of the owner, and in his interest, to ensure that the pony is handled properly, accustomed to the application of a measuring stick, and correctly prepared for measurement.
4. Exhibitors should make themselves familiar with the “Summary of Measurement Rules and Procedures”, which is available from the competition steward on the reverse side of the measurement form.

HP133 Method of Measurement.
With the animal in the aforementioned position, measure the vertical distance from the highest point of the withers to the ground. The cross-piece, arm or bar of the measuring device must be placed over the highest point of the withers and no measurement taken at any other part of the animal’s body will count. Additional pressure must not be applied to the cross-piece, arm or bar.

HP134 Method of Measuring Heel.
The height of heel is determined by measuring from the skin line on the lower side of the coronary band to the ground, with the ruler perpendicular to the ground. (See General Rules illustration).

SUBCHAPTER HP-12. PROTESTING.

HP135 Height.
1. An owner or trainer may protest the height of only one animal competing in a class in which he is also competing. The CEO or Executive Director of the Federation may at his/her discretion cause a protest measurement to be undertaken of any animal or animals competing in a Hunter Pony class at a Recognized Competition.
2. A protest questioning the height of an animal showing in a Hunter Pony class shall be filed in accordance with GR603, except that the measurement shall be conducted pursuant
HP10 © USEF 2007

HP-HUNTER-PONY

to HP126-HP134 rather than GR511-513, and the protest must be filed with the steward and
must be filed at least one hour prior to the end of the competition day on which the animal is
showing in a Hunter Pony class.
3. The animal is required to be presented for measurement within one hour of the comple-
tion of the animal’s last class on the day of the protest.
4. The animal may be presented for a protest measurement with or without shoes regard-
less of how shown.
5. Animals Five Years of Age or Under.
   a. If it is determined that the heel height of an animal five years of age or under is
      within \( \frac{1}{4} \)" of what is indicated on its measurement card or valid measurement form, said
      animal may continue to show at the height indicated and no measurement will take
      place.
   b. If it is determined that the heel height of the animal is not within \( \frac{1}{4} \)" of what is indi-
cicated on its measurement card or valid measurement form, the Show Committee must
      have the same officials who made said determination (i.e., heel height) measure the
      animal. (see HP135.3 and .4).
   c. If the protest measurement exceeds the height limit for the section in which the ani-
      mal was shown the owner forfeits entry fees and winnings for the entire competition and
      the animal is barred from competing for the balance of the competition year. All points
      accumulated for Horse of the Year Awards are nullified.
6. Animals Six Years of Age or Over.
   a. If the protest measurement is not within the heights for the section in which the ani-
      mal is shown the owner forfeits entry fees and winnings for the entire competition and
      the animal is barred from competing for the balance of the competition year. All points
      accumulated for Horse of the Year Awards are nullified.
7. If a competition’s steward is unable to notify an exhibitor of a protest before the
   exhibitor leaves the competition grounds, the protest will become void, and the steward will
   refund the protest fee. If a competition’s steward notifies an exhibitor of a protest of an ani-
   mal’s height, and the exhibitor leaves the grounds before the measurement can be con-
ducted, the protest will be filed with the Federation and an official protest measurement will
   be set up at the owner’s expense, before the animal is eligible to compete again. In addi-
tion, charges for rule violations may be filed against the owner and trainer by the Federation
CEO or Executive Director per GR604.
8. The identity of the protestor will be revealed to the protestee by the competition stew-
ard. At the time the competition steward receives the protest, the competition steward will
explain the protest measurement process to the parties involved and answer any questions.
The competition steward will instruct the protestor and the protestee that any inappropriate
behavior and/or communication between parties will result in charges being filed against
those parties. This is not limited to those parties directly involved in the protest. Charges
may be filed against any individuals at the discretion of the competition steward.
9. When the animal is presented for measurement, only the following individuals may be
present: The owner of the animal, two representatives/handlers of the animal being
protested, the protestor, the competition veterinarian(s), the competition steward(s), and
any representative of The Federation and the Federation Hunter/Jumper Pony Committee.

HP136 Results of Protesting.
1. The measurement card, Certified card or valid measurement form of any animal that is
found ineligible for the height section in which the animal was shown must be surrendered
to the competition steward who must forward it to the Federation office with his report. If the
owner is not in possession of the original measurement card at the time of the protest it is
the owner’s responsibility to surrender all measurement cards to the Federation Kentucky
office within five (5) days of the protest.
2. The name of any animal barred from showing due to its height exceeding the limit for
the animal’s section is listed in EQUESTRIAN.
3. The decision of competition officials is final unless an appeal is filed with the Federation.
4. If an animal is protested and found to be within its height section, the animal’s height can-
not be protested again for the remainder of the competition year. BOD 1/15/06 Effective 12/1/06
SUBCHAPTER HP-13. MEASUREMENT APPEAL.

HP137 Conditions.
An owner or trainer who questions the accuracy of an initial measurement or an owner or trainer of an animal declared ineligible for a division or section on account of height may appeal a measurement. Pending the appeal of an initial measurement, the animal continues to be eligible to compete as initially measured. With respect to animals declared ineligible as a result of a protest measurement, the animal is barred from competing in the particular height division or section for which he was declared ineligible until the measurement is performed. There shall be only one appeal per each initial measurement, and only one appeal per each protest measurement.

HP138 Procedures.
1. The appeal must be made to the Federation office in writing within seven (7) days of the measurement and must be accompanied by a fee of $100. The Federation reserves the right to grant an appeal measurement due to extenuating circumstances. The request for an appeal measurement due to extenuating circumstances must be made in writing to the Federation office accompanied by a fee of $100.
2. All expenses including veterinary fees must be paid to the Federation by the appellant; the appellant may be required to deposit a sum in addition to the above fee as an advance on anticipated costs prior to the measurement; with respect to any appeal prior to the appeal measurement both the owner and trainer may be required to sign a waiver and consent on a form prepared by and acceptable to the Federation agreeing to the arrangements for the appeal measurement, agreeing to the administration of Lasix to the animal to aid in the collection of a urine sample for laboratory tests for Federation forbidden substances, agreeing that the appeal measurement shall be final and unappealable to a court of law, and agreeing that the owner and trainer of the animal each release and hold the Federation, and its officers, directors and licensed officials harmless from any claim whatsoever regarding the appeal measurement and respecting any measurements of the animal made prior to the appeal measurement.
3. The Federation will select a location and time for the appeal measurement as convenient as possible. The owner or trainer must deliver the animal to the location at his own expense within 45 days of filing the appeal.
4. The measurement must be performed by at least two persons appointed by the Federation which shall include one veterinarian who is a member of the American Association of Equine Practitioners and one Registered steward. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.
5. Any animal submitted for an appeal measurement must show no evidence of lameness. If found to be lame by the examining veterinarian, the animal cannot be measured or remeasured for thirty (30) days and the appellant forfeits his deposit of $100 and any veterinary expenses incurred. Each animal submitted for an appeal measurement must be tested for drugs and medications in accordance with General Rules, Chapter GR4, GR405.
6. Appeal of initial measurement.
   a. With respect to appeals of initial measurements, if the appeal is denied the initially issued card remains in effect, and if the appeal is upheld, upon surrender of the initially issued card (if any) a new card will be issued based upon the appeal measurement; such cards remain subject to protest per Subchapter HP-12 of this rule.
   b. With respect to appeals of protest measurements, if the appeal is upheld, a Temporary Provisional Measurement card is issued to animals five years of age and under and a Standard Provisional Measurement card is issued to animals six years of age or over. The Temporary and Standard Provisional Measurement cards cannot be protested for the remainder of the competition year.
7. With respect to appeals of protest measurements, if the appeal is not upheld or the appellant fails to submit the animal within 45 days, the animal remains barred from showing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified.
8. At the end of the competition year all outstanding Temporary and Standard Provisional Measurement cards are nullified. Ponies five years of age or under must be presented for a new measurement in accordance with HP127. Ponies six years of age or over will be issued, upon surrender to the Federation of the animal’s Standard Provisional
Measurement card, a Standard Measurement card which will indicate the same height as the Standard Provisional Card.

SUBCHAPTER HP-14. OFFICIAL MEASUREMENT.

HP139 General.
No Official Measurements will be granted for Pony Hunters and Pony Jumpers.
CHAPTER JP

A rider’s point state shall be the state given on the rider’s membership application. That address is locked on December 1 of the competition year or the first day of the rider’s membership activation, whichever comes first. However, a Life member’s address is always locked on December 1 of the competition year. The address given on the membership application must be the state where the rider resided the most number of days in the previous competition year regardless of other legal or mailing addresses. For classes of $25,000 or more, the Chief Schooling Supervisor, a Registered Steward or Registered Jumper judge must be appointed to supervise schooling before and during the competition. The required number of official competition Stewards must always remain available to attend to other stewarding duties. A communication device should be available for each steward or appointed assistant while on duty.

3. Manual Timing. Unless automatic electrical timing equipment is used, management must appoint at least two persons other than the steward who will jointly act as timers. The Competition Committee must furnish each of them with modern stop watches with a time out feature reading at least in hundredths of a second. (When equipment is available, thousandths of a second is recommended.) When only one judge is needed, the competition must assign one additional person to time manually.

**JP107 Prize List and Scheduling.**

1. Class specifications. The prize list must specify for each class the Table and Section, the Level, specific height, or Standard and the speed at which the time allowed will be calculated. 382 yd/min (350 m/m) is the default speed if not listed in the prize list or competition web site.

2. Other requirements. The prize list must also indicate: the type of footing available in warm-up areas and competition arenas, as well as the dimensions of the competition arenas; the method of breaking ties for other than first place; the method for establishing the jumping order; and the method of determining Championships where offered. The original prize moneys must be distributed as printed in the prize list. If additional prize money is necessary, the money awarded to each place must at least equal the starting fee.

2. Altering Prize Money. Competitions offering prize money may not change the amount of prize money awarded in a class from that indicated in the prize list unless all conditions affecting such changes are clearly delineated in the prize list. Such conditions include, the number of entries received by what date or time that will cause change in conditions or cancellation, what entry fee will be charged in the event of a change, and the policy for refund of entry/nomination fees for competitors electing not to compete under the changed conditions. The specific division of the prize money to be distributed in the class must also be indicated in the prize list.

3. Prize Money by Section. Competitions offering $10,000 or more in their Jumper divisions must allocate guaranteed prize money according to the following principles:
   a. Horses should receive increased percentage of prize money as the difficulty of the courses they jump increases.
b. For example, if a competition has two sections open to the same group of eligible competitors, 40% of the prize money should be in the lower section and 60% of the prize money should be in the section of higher difficulty.

c. Competitions may apply to the National Jumper Committee prior to the printing of the prize list should they wish any exemption to this rule.

**JP109 Nominating Fees. BOD 1/14/07 Effective 4/1/07**

Nominating Fees. *A nominating fee may be charged for either the Jumper Division or for each Jumper Section, but not both. Exception: An additional nominating fee may be charged for the highest prize money class at the show.*

**JP110 Show Championships.**

1. **Number of Classes.** Championships are optional, but if offered, a minimum of three (3) classes must be held in the section.

2. **Methods of Determining.** If Championships are offered, they must be decided on the basis of points won in classes throughout a section, on the basis of money won in the section, or on the results of the highest prize money class in the section, provided qualification was required for that class based on results of earlier classes in the section.
   a. The method of determining Championships must be stated in the prize list. The Competition Committee must post a score card of winnings throughout the competition where it is available to exhibitors at all times. Credit towards Championships will be given only for the first six ribbons when points are the determining factor. Ribbons have the same value even if less than the specified six places are awarded due to lack of entries. First Place...10 points, Second Place...6 points, Third Place...4 points, Fourth Place...2 points, Fifth Place...1 point, Sixth Place...0 point. If a competition offers Bonus Points to classes in the prize list: First Place...15 points, Second Place...9 points, Third Place...6 points, Fourth Place...3 points, Fifth Place...2 points, Sixth Place...1 point.

3. **Ties.** Ties involving Championships must remain tied, with tied horses receiving equal legs on any trophy. *Exception: the bonus point class may be used to break Championship ties if so stated in the prize list.*  

**JP111 Tack and Attire.**

1. **Martingales.**
   a. Classes offering less than $1000—No martingale restrictions.
   b. Classes offering $1000 to $4999—Only standing or running martingales used in the conventional manner are permitted.
   c. Classes offering $5000 or more (and all classes restricted to young horses)—Only running martingales used in the conventional manner are permitted.

2. **Whips.** Competitors are prohibited from using a whip that is longer than 30” (75cm) while in the process of jumping or schooling over fences. A rider may not carry more than one whip. Whips that are weighted at the end are prohibited at any time.

3. **Draw Reins.** Draw reins may only be used when schooling or in classes with less than $1000.

4. **Tied Stirrups.** Any rider competing with their stirrup, stirrup leather or foot tied and/or secured in any manner, will automatically be eliminated from that class. Riding anywhere on the competition grounds with stirrup, stirrup leather or foot tied or otherwise secured is cause for elimination, by the steward, of that rider from the current or subsequent class in which the rider is entered. In the case of junior or amateur riders, the steward will note the trainer name(s) on the Steward’s Report and further disciplinary actions may be taken by the Federation. *Exception: Devices approved by the FEI are allowed.*

**BOD 1/14/07 Effective 4/1/07**

5. **Attire.** Management, at its discretion, may allow competitors to compete without riding coats. If a riding coat is not worn, riders must wear a shirt with a collar or a choker, neatly tucked into riding breeches. A windbreaker jacket or raincoat may be worn if conditions require. In all cases, riders must appear neatly attired to appear before the public or be subject to penalty of elimination by the judges. See JP151 for special regulations for classes offering $25,000 or more.

6. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, etc.) while in competition ring. The penalty for wearing or
carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried. Exception: A handicapped participant may use electronic devices if, prior to the class, he/she presents to the USEF Steward written justification from treating personnel setting forth the necessity of the equipment.

7. Formal Attire. Only black, dark blue, dark green or scarlet coats are permitted; white breeches (ladies are permitted to wear light fawn); a white tie or choker or hunting stock, and a white or lightly colored shirt must be worn. Shirts must have a white collar and white cuffs.

Members of the Armed Services or the police may wear the service dress uniform with protective headgear. (See General Rules, GR318.2)

8. FEI requirement for hard hats. Note: At competitions sanctioned by the FEI a hard hat with three point retention harness is mandatory for anyone jumping a horse.

JP112 Jumping Order.

1. Jumping Order. For all classes offering $5,000 or more in prize money, the order in which horses are to jump must be posted in a conspicuous place, at least one-half hour prior to the start of the class. The class cannot be started prior to that time without permission of all exhibitors. The jumping order must be legible to a mounted rider. A systematic rotation of the starting list must be employed so that a complete cycle is made during the competition.

   a. Order for Special Classes. A jumping order must be drawn for the highest money class in each section, unless the order is automatically established by the results of a previous class(es). BOD 1/15/06 Effective 12/1/06

2. Establishing the Order. (Either manually or via computer) The jumping order for the first round must be established by one of the following procedures: a) the horses' names are drawn individually, starting with the first position and then working down; b) the horses' names are listed and their positions drawn; c) the horses' names and the positions are both drawn; d) the horses' names are listed with the first name drawn becoming the first horse to compete in the first round, the remaining horses following from that point (i.e., the horses' name after the one drawn first is second, the next one third, etc.). Any other system must be approved by the Jumper Committee. The method for establishing the order must be printed in the prize list. BOD 1/14/07 Effective 4/1/07

   a. Multiple Rides. If the same rider has two horses drawn too close together, the order may be adjusted so that there will be a minimum of six horses (if available) separating them. The horse drawn first will move up as far as possible in the order before the second horse is dropped down. All horses must be ridden in the sequence that appears on the jumping order in all rounds of a competition unless class specifications call for a new order for a second round and/or jump-off. 

   b. Two Sessions. In classes in which individuals are permitted to ride more than one entry, the first round may be split into two parts, with all riders riding one horse in the second part. (The first part will consist of riders' second, third, etc., horses.) For riders with more than one entry, a draw must be done to decide which horse will go in the second part. The order for both parts of the first round will be established by a draw.

   c. Two Round Competitions. In classes with two rounds prior to the jump-off the order for the second round must be established by one of the following methods: a) the competitors return in the first round’s order; b) the competitors return according to their faults in the first round, competitors with equal faults maintaining their original order; c) the competitors return according to their faults and times in the first round.

   d. For classes of $25,000 or more, the previous year’s winning rider may be seeded last if it is so stated in the prize list. If that rider has more than one horse in the class, a draw will be conducted to determine which of his/her horses will be seeded last. BOD 1/15/06 Effective 12/1/06

3. Jump-Off Order. Jump-off orders must be established by following one of the following procedures: a) the competitors return in the original order; b) the competitors return in the previous round’s order; c) the competitors return according to their times in the first or second rounds.

   a. Unless rules of a Table state otherwise, the starting order in the jump-off(s) must remain the same as the official starting order that is established and posted for the initial round, irrespective of any competitors who might have voluntarily moved up in the order during the initial round.
4. Moving Ahead in the Order. To minimize delays, management may permit a rider to compete ahead of his posted order in the first round of a class, provided that he then competes in the timed jump-off in the order originally posted. However, to minimize delays, a rider may be permitted to go ahead of his posted order in the jump-off. For competitors with multiple rides, all horses must be ridden in all rounds in the sequence that appears on the jumping order for that class.

5. Accuracy of Jumping Order. It is the rider’s responsibility to make sure his name or number or each of his horse’s names or numbers are on the jumping order before the class begins. Failure to do so may result in elimination by management.

SUBCHAPTER JP-2 ELIGIBILITY, QUALIFICATION AND RESTRICTION OF ENTRIES.

JP113 Eligibility.

1. Jumpers may be of any breed, height, or sex. (Exception: Pony Jumpers, see JP118.4)
2. Stallions. Junior riders may show stallions. (Exception: Stallions are prohibited in Pony Jumper Sections. See JP118.4)
3. Sections. Sections or Classes may be offered for Amateur Owner, Junior, Young Rider, Children, or Adult Amateur riders; and/or for Pony, Young Horse, or Open Jumpers. Competitions may offer any or all sections, as well as specific Sections or Classes differentiated by Level. (See Subchapter JP-3 for definitions and specifications for each of the sections mentioned above.) If Jumper sections are offered which are not covered within the definitions contained in Chapter JP, full specifications (including eligibility requirements) must be printed in the prize list or referred in the Prize List to a conspicuous place on the competition’s website.
4. Ineligible Horses. If a horse is shown in a class for which it is ineligible, the owner will be fined $500 for a first offense; if it is not the owner’s first offense, the horse will be suspended from competing in licensed competitions for a period of three months. If the owner wishes to appeal or dispute the action taken, and gives notification to the Federation within 10 days of his/her notification from the CEO or Executive Director, such suspension will be deferred until the matter has been resolved following a hearing pursuant to Chapter GR6 by the Federation’s Hearing Committee, whose verdict will be final.

BOD 1/14/07 Effective 4/1/07

JP114 Limiting Entries and/or Qualifying.

1. Cross Entry. Unless USEF rules or the prize list restricts horses to a particular section or sections, horses may compete in another section(s).
2. Horses per Rider. If the number of horses per rider will be limited, the prize list must so state.
3. Prior Classes. Management may require horses to enter and compete in one or two classes at the same competition in order to be eligible for the stake or largest money class in a section. The number of starters in this highest prize money class of a section may be limited (and/or the starting order determined), based on results of the prior class(es), provided that the system to be used is stated clearly in the prize list.
4. Restrictions on Entry. Jumper sections restricting entries based on winnings must use prize money won in the horse’s respective section (i.e., Amateur Owner, Junior, Amateur Owner/Junior, and Open Jumper) during the specified time period; however for Jumper sections/or classes for which a Federation endorsed Computer Ranking List has been established, this list (as of a date indicated in the prize list) may be utilized instead of prize money won. Management may also allow the winner of the previous year’s class to enter without further qualifying.

a. Any competition wishing to set restrictive criteria for accepting entries other than as specified above may make written application to the Federation Jumper Committee, at least 120 days prior to the event, detailing the criteria being requested. The Jumper Committee will issue a recommendation for consideration by the Executive Committee which may approve any such application in its discretion and may condition any such approval in its discretion, and must in all instances require that there be publication in the prize list or otherwise of such restrictive criteria sufficiently in advance of the closing date of entries where appropriate, for all interested to have a fair opportunity to enter.
5. Elimination Trials. When the number of entries warrants it, elimination trials may be held. Elimination trial scores of the competitors eligible to compete for the final awards may be added to their respective scores in the finals with the total scores used to determine the winners, or the finals may be scored independently of the elimination trials. If the total score is to determine the winners, announcement must be made of each competitor’s score in the preliminaries at the time of the finals.

SUBCHAPTER JP-3.  SECTION SPECIFICATIONS

**JP115  Jumper Sections/Classes Restricted by Prior Winnings.**

1. Organizers may offer classes or sections that restrict horses based upon money won.
2. Determining Eligibility:
   a. Money Won. Cash winnings in any jumper classes, recognized or unrecognized, determine a horse's classification.
   b. Record Keeping. Responsibility for keeping an accurate account of winnings rests with the owner and the horse's record must be transferred with the sale of the horse. Exhibitors are cautioned that delays can occur in posting the Federation's records of prize money won by jumpers. Exhibitors are solely responsible for insuring that eligibility requirements are met, and rely at their own risk upon inquiries made to the Federation's office concerning the standings of their horse(s).
   c. Changing Sections. When a horse's earnings place it in a higher classification, it may not be jumped in any competition for which it is no longer eligible. (Exception: The horse may finish a competition in the same section in which it began.) If a horse changes classification after the closing date of entries but before the competition starts, management must transfer it to the proper section.  

**JP116  Sections/Classes Restricted by Age of Horse**

1. Eligibility. Age restricted classes are open only to horses recorded with the Federation and in possession of Breed Registry (or other means of identification authorized by the Federation providing proof of age and identity). Proof of identity and age is required for entry in these classes.  

2. Five-Year-Old Jumper: Open to horses with papers indicating a foaling date five years previous to the current calendar year. Classes may be scored under Table II without a jump-off, under Table V (optimum time) with or without a jump-off, or under Table II, Section 1 or 2. Courses to be set at Level 4 (Level 5 permitted after June 1st).

3. Six-Year-Old Jumper: Open to horses with papers indicating a foaling date six years previous to the current calendar year. Horses competing in classes restricted to Six Year Olds may not have ever shown in Open Jumper Classes offering $25,000 or more in prize money. Classes may be scored under Table II without a jump-off, under Table V (optimum time) with or without a jump-off, or under Table II, Section 1 or 2. Courses to be set at Level 5 or Level 6 (Level 6 after June 1st).

4. Seven- Eight-Year-Old Jumper: Open to horses with papers indicating a foaling date seven or eight years previous to the current calendar year. Horses competing in classes restricted to Seven- Eight-Year-Olds may not have ever shown in Jumper Classes offering $25,000 or more in prize money at the International Level (classes restricted to horses under 8 years of age or under excluded). Classes may be scored under Table II, Section 1 or 2. Courses to be set at Level 6 or Level 7.

**JP117  Sections/Classes Restricted to Junior, Amateur/Owner, or Young Riders.**

1. Amateur Owner Jumper: A horse that is ridden by an Amateur Owner or an amateur member of the owner’s family. In either case, classes are restricted to riders who are no longer eligible to compete as junior exhibitors. Leased horses are not eligible, and multiple ownership is not permitted unless all owners are members of the same family.
a. Cross Entries. A competition committee may exclude horses and/or riders which are competing in other jumper classes, provided it is so stated in the prize list.

b. Dividing Classes. Sections may be offered divided by either Level of difficulty or age of rider.

c. Level of Difficulty. Courses to be set at Level 4 to 7. Level 8 permissible in classes offering $10,000 or more, or in classes of $5,000 or more when there are 30 or more entries. Local competitions have no minimum.

b. Dividing Classes. Sections may be offered divided by either Level of difficulty or age of rider.

c. Level of Difficulty. Courses to be set at Level 4 to 7. Level 8 permissible in classes offering $10,000 or more, or in classes of $5,000 or more when there are 30 or more entries. Local Competitions—no minimum. Obstacles may not be raised nor oxers spread to more than 5’. (Exception: In Puissance classes obstacle may be raised to 6’).

3. Young Rider Jumper: A horse ridden by a young rider under the rules of the Federation. Individuals are eligible as Young Riders from the beginning of the calendar year in which they reach the age of 16 until the end of the calendar year in which they reach the age of 21. BOD 1/14/07 Effective 4/1/07

4. Combined Sections. A section or sections combining Amateur Owner, Juniors, Amateur, and/or Young Riders may be offered.

a. Dividing of Combined Sections. After the prize list is published, if entries so warrant this section may be split into separate sections. Any section with fifteen or more Junior Jumper entries and fifteen or more Amateur Owner Jumper entries at the beginning of the first class must be divided, and the prize money must be doubled.

b. Combining of Sections. If Junior and Amateur Owner sections are offered separately in the prize list, the sections may be combined if there are eight or less entries in either section.

JP118 Sections/Classes Restricted to Children, Adult Amateur Riders, or Ponies.

1. Children’s and Adult Amateur Jumper: Divisions are open to Junior and Amateur exhibitors. Unless USHJA Zone Committees submit their specifications by August 1st of the previous year, the specifications as shown below will apply. All USHJA zone specifications submitted by August 1st and approved by USHJA and USEF shall be enforced by USEF if not followed. EC 7/16/07 Effective immediately

a. Riders. Pony Jumpers may not be ridden by an adult in any section at the same competition.

b. Measurement. A measurement card is required as per Chapter HP, Subchapter HP-9-14.

c. Style Award. A Rider Style Award is recommended at any competition offering three or more classes. The Style Award is to be decided by the Pony Jumper Judge(s) based on the following criteria: To be presented to the Pony Jumper Rider who exhibits the best classical jumper style of riding throughout the Pony Jumper classes. This award will not necessarily be given to the rider accumulating the most points in the Pony Jumper division. BOD 1/15/06 Effective 12/1/06
d. Cross Entries. Riders competing in any Pony Jumper section cannot compete in any other sections at the same competition in which they are required to jump fences higher than 3’6” (Exception: Children’s Jumpers).

e. Course Requirements. All entrants will compete over same heights, spreads and distances. Only the initial element of combinations may be a spread.

f. Level of Difficulty. Levels 1, 2, 3, 4, or 5 as specified in Prize List.

Local Competitions - no minimum height or spread, but fence dimensions must be stated in the Prize List.

g. In Pony Jumper sections, to avoid over-emphasis on speed jump-offs, it is recommended that management write sections with initial class(es) scored under Table IV (Optimum Time) or as “clear round” events (all entrants without jumping or time faults remain equal); Final class(es) only to have a jump-off against the clock to determine show championship.

BOD 1/14/07 Effective 4/1/07

5. Graduated Difficulty. Competitions are encouraged to offer sections for Pony, Children, and Adult Amateur Jumpers in which successive classes within the section are at increasing levels of difficulty (for example: first class at Level 1, second (and third) class at Level 2, and final class at Level 3.

JP119 Open Jumper Sections/Classes.

1. Open Jumper. Any horse, regardless of money won, is eligible to compete in this section.

2. Level of Difficulty. The level of difficulty at which the class or section is being offered must be stated in the prize list for all classes offering less than $25,000 in prize money. (See JP151 for classes offering $25,000 or more)

SUBCHAPTER JP-4. LEVELS OF DIFFICULTY

JP120 Levels.

1. At Licensed Competitions the Level of Difficulty for each class must be indicated in the prize list and on the course plan. This may be shown as either

   a. a specific height in feet/inches or metric measure as defined under “Levels” below

(7) The maximum possible spread is 6’6” (5’6” for Junior, Amateur Owner, and Young Rider) (triple bars not included).

4. Conforming to Level of Difficulty. 50% of the fences in the first round of a class must be set at the required height indicated, and within a two-inch (5 cm) variance.

5. Changing the Level of Difficulty from that published in prize list. The height, Level or Standard at which a given competition is held may be altered from that listed in the prize list with the joint approval of the Course Designer, Judges and competition management; only in the case of inclement weather, or unsafe conditions. Changes in the height, level, or standard for any other reason may be done ONLY with the prior written consent of the majority of competitors in the class. See GR311.6(b) for class postponement due to weather conditions. All changes MUST be specifically noted in the Steward’s report for the competition.

6. Classes must be held at the National or International Standard for the results to be eligible for inclusion on the USEF Computer List. Applications for the USEF Computer List can be downloaded from the USEF web site at www.usef.org.

BOD 1/15/06 Effective 12/1/06
BOD 1/14/07 Effective 4/1/07

SUBCHAPTER JP-5. COURSE REQUIREMENTS

JP121 Jump Equipment

1. Rails and other parts of the obstacles are held up by supports (cups). A rail must be able to roll on its support; in this case the support must have a depth of 18 mm (.7”) minimum and a depth of 30 mm (1.18”) maximum. For planks, gates, etc. the diameter of the sup-
ports must be more open or even flat, but not deeper than 1/2”.

2. **Jump Cups.**
   a. Any recognized competition must use FEI-approved Safety Release Cups for the back pole of all spreads in every jumper class.
   b. Either safety cups or breakable jump cup pins must be available for use in all jumper schooling/warm-up rings. If used in the competition ring, pins must be made of rigid or unbreakable material. *BOD 1/15/06 Effective 1/15/06*
   c. For information on sources for obtaining FEI approved cups, contact the Jumper Department at the Federation.

3. **Rails.** Rails must be at least eight feet long.

4. **Flags.** All obstacles must be both flagged and numbered at competitions offering over $2,500 in the Jumper Division. When flags are used at obstacles, they must be placed at the outside extremities of the elements to be jumped, the red flag on the right, white on the left.

**JP122 Jumper Courses.**

1. **Height, Level or Standard.** All courses must be accurately set according to the Height, Level or Standard published in the prize list.
2. **Identical Courses.** No two courses in any section may be identical. (Exception: Local Competitions).
3. **Obstacles.** Obstacles should be attractive, varied and appropriate to their setting. They and/or their components must be capable of being knocked down and should be neither so light or poorly supported that they fall at a slight touch, nor so heavy or firmly supported that they can hardly be dislodged. In principle, the resistance to shock should be approximately the same for all obstacles on the course.
4. **Gates.** All suspended elements (i.e., gates, panels, etc.) must be hung not more than 4” from their top edges.
5. **Number of Efforts.** Every course must contain a minimum of ten efforts. (Exception: *First round of Table II Sec 2c - minimum of eight efforts*, jump-off courses, High Jump, Six Bar.) *BOD 1/15/06 Effective 1/15/06*
6. **Ratio of Spreads.** At least three out of the first eight efforts must be spreads. (Exceptions: Same as 5 above). For each additional four efforts, one must be a spread.
7. **Start and Finish Lines.** A start line must be established at least 12’ from the first obstacle and a finish line at least 24’ from the last obstacle, each indicated by two markers at least 12’ apart.
8. **Change of Direction.** There must be at least one change of direction in every course including jump-off courses. (Exception: Puissance, Six Bar and High Jump.)
9. **Combinations.** At least one combination must be included in every course. (Exception: Combinations are prohibited in Puissance, High Jump, Fault and Out Time classes and classes scored on faults and time with choice of course. Combinations are optional in Jump-offs and classes held below Level 1 and in classes at Local Competitions.) *BOD 1/14/07 Effective 4/1/07*
10. **Permanent Obstacles.** Competitions offering more than $2,500 are encouraged to include banks, ditches and water jumps in their courses.
11. **Single Rails.** An obstacle composed of a single rail must not exceed 4’3” in height.
12. **Crossed Rails.** Double crossed rails (i.e., two pairs of crossed rails, with a spread between them) are prohibited, and care should be exercised in constructing single crossed rails to prevent normal difficulty.
13. **Brush Obstacles.** Brush obstacles must have a clearly visible rail placed above or beyond them.

**JP123 Spread Obstacles.**

1. **Definition.** In order to be considered a spread obstacle the fence must be an oxer, a triple bar, or a water jump with a width dimension meeting the width requirements specified for the Level at which a given competition is being conducted.
2. **Measurement.** Spread obstacles are measured from their two outermost top extremities on a line parallel to the ground.
3. A solid element (i.e., coop, wall, etc.) may not be used as part of the further-most element. Standards in which the rail rests on the top of the post are prohibited.
Combinations.

1. Definition. A double, treble, or multiple combination is composed of two, three or more obstacles with a maximum inner distance between them of 39.5”, which must be taken in two, three or more successive jumps. The distance is measured from the base of an obstacle on the landing side to the base of the next obstacle on the take-off side. Any obstacles with 39.5” or less between them must be designated as a combination by numbering them with a single number and the use of A and B or A, B and C, or A, B, C, and D.

2. Pony Jumpers. In Pony Jumper classes, only the initial element of combinations may be a spread.

Permanent Obstacles.

1. Closed Combinations. Banks and sunken roads (Pulvermans) may be regarded as double or treble, and as multiple or closed. The course designer must decide before the competition whether the obstacle is to be considered as closed or as a double, treble or multiple obstacle, and this must be specified on the plan of the course. (Note: Any completely closed obstacle in which a competitor, having jumped the first part, may not exit without jumping out or down should be designated as ‘closed.’) Each part must be jumped separately and faults are penalized separately. The knockdown of a flag taking the place of a standard is scored. Any obstacle which is not described as closed on the plan of the course is considered a multiple obstacle.

2. Bank Jumps. A bank which has no associated obstacle or only a single rail may be taken in one effort without incurring penalty.

Water Obstacles.

1. Definition. A water obstacle is a ditch filled with water with at least an 8’ spread. A secure mat at least 3’ wide and at least Ziv” thick must cover the entire landing side of the obstacle. An obstacle no higher than 2’6” may be placed on the take-off side. Although counted in the calculation of the total width, these elements are not part of the obstacle and displacing them or knocking them down is not penalized.

2. Dimensions. Water obstacles must be a minimum of 16’ in width at the face; the deepest point is determined according to a maximum rise of 2” per foot of length which may not exceed 15’.

3. Length. The limits of water obstacles without guard rails or hedges must be clearly marked both on the take-off and the landing sides. Water jumps with a rail or hedge on the take-off side need only be marked on the landing side. A white strip of wood or other suitable material, approximately 4” wide, must be used and should be placed as close to the water line as possible. BOD 1/14/07 Effective 4/1/07

4. Rail Over Water. A water obstacle may have one rail no higher than 3’6” over the center. When the obstacle is built in this manner, the rail and the strip, or only the rail may be judged. The method of scoring must be indicated on the course diagram.

5. Scoring. Judges should score the water obstacle from a position between the take-off and landing side, and not directly parallel to or beyond the landing lath. Only a mark from the horse’s hoof on the lath or a foot in the water constitutes a fault; touching the lath with the pastern is not a fault. [Note: competitions scored under FEI rules require any mark on the lath, whether from hoof, boot, or pastern, to be faulted.]

6. Table I and Table IV classes. Water obstacles are prohibited.

Substitution of Obstacles.

1. When one or more of the original obstacles is sufficiently damaged to become unusable while a class is in progress and no duplicate is available, a Competition Committee must substitute obstacle(s) which approximate as nearly as possible the original obstacle(s).

Measuring Courses.

1. Measurement. Accurate measurement of courses is essential. Courses should be measured with a measuring wheel similar to those used by public utilities, by computer or planimeter on an accurate scale drawing of the ring with obstacles, or manually with a tape.

2. All courses must be measured as described in .1 above at competitions offering over $2,500 in the Jumper Division. The judge should assure that the course has in fact been
properly measured and the time allowed calculated according to the speed listed in the prize list.  

3. The length of course must be posted prior to the start of the class.

JP129 Speed, Time Allowed, Time Limit, and Optimum Time.

1. Calculation. The Time Allowed to complete the course should be calculated from an actual measurement of the course’s length for all rounds and jump-offs. However, if the number of turns on the course or the size of the ring suggests that the calculated Time Allowed may prove unfair in practice, speed may be adjusted prior to the start of the competition.  

2. Speed. The Time Allowed is based on a minimum speed of 382 yards per minute (360 yd/min for Pony Jumpers, or in very small or indoor arenas). If a speed other than 382 yards per minute is to be used, it must be printed in the prize list. (See JP151 for speed requirements for $25,000 classes held at the International level.)

3. Reference Times. The Time Allowed must be announced and posted prior to the start of the class. After the first competitor has completed his round, the Time Allowed and the competitor’s time should be announced. In cases where an electronic read out board is not visible to riders in the in-gate area, the reference times for the first three riders should be announced.

4. Adjustment of the Time Allowed. The Time Allowed may be adjusted at the sole discretion of the Judge(s), if they feel it is inaccurate, but only after consultation with the course designer. However, the time allowed may only be adjusted once during the early rounds of a given competition, never later than after the third competitor to complete the course without a disobedience. The time allowed can never be lowered so that time faults will be awarded to any previous competitor that has completed the course without a disobedience.

5. Time Limit. The ‘Time Limit’ is defined as double the Time Allowed.

6. Optimum Time. For classes scored under Table V the optimum time is defined as 4 seconds less than the Time Allowed.

JP130 Posting and Walking Courses.

1. Time for Posting. Courses must be posted at least one-half (1/2) hour before the scheduled time of the class. Classes may not be started prior to that time without permission of all exhibitors.

2. Course Plan. The plan or diagram of the course, including the Speed, Time Allowed, length of course, start and finish, and jump-off course, must show the obstacles which must be jumped with the order indicated by number. Apart from this, unless designated by the course designer by the use of a solid line between obstacles on the course plan, the rider is not bound to follow a compulsory track. An arrow is used to indicate the direction in which each obstacle must be jumped. Closed combinations and option fences must be clearly marked.

3. Walking the Course. A competitor cannot enter the arena until course and judge are ready. However, riders may be permitted to inspect the course on foot prior to commencement of the class at management’s discretion.

JP131 Judge(s) Inspection of Courses.

1. The judge(s) should inspect each course after it has been set, check any obstacle that has to be reset and call the Competition Management’s attention to any errors that would result in unfair or inappropriate courses. The judge should also assure that the course has been properly set according to the Level indicated in the prize list, and that it has been measured and the Time Allowed calculated properly.

2. At Regular Member Competitions when no licensed course designer is present, stated dimensions of height and width according to the Level indicated in the prize list may be altered, according to all provisions of JP120, only when requested by the judge.

JP132 Jump-Off Courses.

1. Obstacles. Jump-offs are held over obstacles from the original course that may include obstacles not included in the initial round. In a jump-off, any sequence of obstacles in either direction may be employed. Obstacles may be raised, lowered, broadened or narrowed. In
Table II Sec. 2(b) classes, it is recommended that course designers incorporate at least two new obstacles set at jump-off height.

2. Number. Courses may be shortened after the first round and must be shortened if there is more than one jump-off. (Exception: Six Bar classes.) The jump-off course may not be shortened to less than six efforts and must include at least one vertical and one spread obstacle. (Exception: Puissance classes.) **BOD 1/14/07 Effective 4/1/07**

**SUBCHAPTER JP-6. SCORING**

**JP133 General.**

1. Jumpers are scored on penalties incurred between the starting line and finish line. A competitor, after receiving the signal to begin his/her round, is not being scored until crossing the starting line in the proper manner. (Exceptions: JP134.1d and JP143.1h.) **BOD 1/15/06 Effective 1/15/06**

2. Penalty faults include disobediences, falls, knockdowns, touches and time penalties.

3. Verticals. When an obstacle is composed of several elements in the same vertical plane, a fault at the top element is the only one penalized.

4. Spreads. When an obstacle to be taken in one effort is composed of several elements not in the same vertical plane (i.e., oxer, triple bar, etc.) faults at more than one element are penalized only once.

5. Combinations. In combinations, the faults committed at each obstacle are scored separately. In case of refusal or run-out at one element of a combination (and upon the judge’s signal that the obstacle has been reset, if necessary), the competitor must re-jump the entire combination. (Exception: Closed obstacles).

6. Broken Equipment. In cases of broken equipment or loss of shoe, the rider must continue if he wishes to avoid penalty, or may retire.

7. Setting a Standard. After the first round of the first class in any section, management or the judges may order a competitor from the ring when it becomes evident that their performance prohibits them from being in the ribbons. (Exceptions: In the first round of all Preliminary Jumper classes, a competitor cannot be excused until it has incurred at least five faults).

8. Courtesy Fence. An eliminated competitor has the right to make one attempt to jump an additional single obstacle, which the judges(s) may designate, but may not continue thereafter. (Exception: The right to attempt an additional obstacle does not apply to Fault and Out classes or in the case of the fall of the horse or rider.) **BOD 1/15/06 Effective 1/15/06**

9. Exiting the Arena. Any competitor who does not leave the ring promptly at the end of the round or after being eliminated is liable for a fine of up to $100 payable to The Federation, and may be disqualified from future classes during the competition at the discretion of the judge(s). Any competitor at the end of his/her round who does not leave the arena through the designated gate(s) (e.g. jumping out of the arena), is eliminated.

10. Outside Assistance. Riders receiving physical assistance from outside the ring (i.e., lunge whips, etc.) while on course will be eliminated. (Note: this does not apply to riders between rounds in Table II Sec. 2(b), Table IV Sec. 2(b), or Table V Sec. 2(b) competitions provided the rider begins his jump-off within the limits of JP134)

11. Jumping Obstacles Not Part of the Course. Under penalty of elimination and possible fine (not to exceed $250 made payable to the Federation), any obstacle in the arena which requires a jumping effort, whether flagged or not, may not be jumped by a competitor at any time while in the arena except as it may constitute a part of the current competition. Exception: Natural obstacles, which are not numbered and flagged, may be jumped unless specifically crossed off in the field or noted as crossed off on the course plan by the course designer, after consultation with the judge(s). [Questionable items in arena that will be scored may need to be pre-determined by the judges and so noted and announced prior to start of class.] **BOD 1/14/07 Effective 4/1/07**

12. Obstacle Not Properly Set. If a competitor jumps an obstacle that has not been reset, or has been reset improperly, due to it being downed by a previous competitor, the weather, or some other factor, the competitor receives no penalty. However, if the competitor knocks down the obstacle he will be penalized accordingly.

13. Competed. A competitor is considered to have competed only after he has entered the ring, and received the signal to start.
a. Competitors who are unable to complete the first round of a competition have no right to any prize, with the exception of Fault & Out, Gamblers Choice or other classes with special rules with requirements as to the finish.

14. Failing to Complete. A competitor failing to complete a particular round shall have the reason recorded on the judge’s card as follows:
   a. Withdrew (WD), or did not start (DNS) indicates that the competitor failed to enter the arena within one minute of being called. The time for entering the ring must be enforced by management. To prevent unfairness to an exhibitor, management may extend the time for entering the ring.
   b. Retired (RT) indicated that the competitor voluntarily retired prior to completing their round.
   c. Eliminated (E or EL) indicates that during their round the competitor was eliminated by the judge for any of the various reasons indicated in these rules.

15. Points Not Covered in Rules. Judges have the authority to make decisions on any point not covered in the rules applying to class procedure, scoring, and conduct affecting a class under their jurisdiction.

**JP134 The Competition Round.**

1. Starting and Finishing. In order to receive a score other than “Withdrew (Did Not Start),” “Retired,” or “Eliminated”:
   a. The horse must cross the start line between the markers in the proper direction with the rider mounted. Passing through the starting markers in the improper direction before starting, does not incur penalty. Competition Management and/or the judge(s) may permit or disallow a rider to lead a horse into the ring prior to mounting.
   b. The horse must cross the finish line between the markers in the proper direction and with the rider mounted. (Exception: Fault and Out or other classes with special rules regarding the finish)
   c. The horse must jump all of the required fences between the start and finish markers.
   d. The horse must not resist for 45 consecutive seconds or take more than 45 seconds to jump the first obstacle after the time of the round has begun or take more than 45 seconds to jump the next obstacle on course.
   e. The horse must not be eliminated for other prohibited actions that might occur while the horse is in the competition arena. (Exception: Fault and Out classes.)

2. Entering the Arena. Failure to enter the ring within one minute of being called incurs elimination. The time limit for entering the ring must be enforced by management. To prevent unfairness to an exhibitor, management may extend the time limit for entering the ring.

3. Time to Start. A competitor will have 45 seconds from the time the judge(s) sound an audible signal to cross between the start markers in the proper direction and start on course. If a competitor does not cross through the start line within the allotted time, the time on course will start when the allotted time expires. A count-down clock visible to the rider must be in use for any class offering $5,000 or more in prize money. In classes (or phases of a class) where time is not being recorded, competitors will have 45 seconds to cross the start line, or be eliminated.

4. Use of Audible Signal. An audible signal (bell, horn, whistle, gong or buzzer) is sounded for the following purposes:
   a. to give the signal to start;
   b. to stop a competitor in the event of an unforeseen incident (which also designates a time-out);
   c. to interrupt the 45-second period which a rider has to begin the course in the event of an unforeseen incident;
   d. to indicate that an obstacle has to be reset before being retaken after it has been knocked down during a refusal (designating a time-out);
   e. to give the signal for a competitor to continue his round after an interruption, also designating time in; (Note: It is the rider’s responsibility to be ready to continue on the course when signal is given)
   f. to indicate by repeated and prolonged ringing that the competitor has been eliminated; and
   g. to indicate that the rider should not proceed to the jump-off round in a Table II Sec. 2. (c) class, a Table IV(c) class, or a Table V Sec. 2(c) class.
JP135  Timing.

1. Starting & Stopping. Time is taken from the instant the horse’s chest reaches the start line, or upon the expiration of 45 seconds following the sounding of the audible tone, until it reaches the finish line. The Judges have the right to interrupt the 45-second countdown if unforeseen circumstances occur. Disobediences, falls, etc., occurring between the signal to start and the moment the competitor crosses the starting line in the correct direction, are not penalized. BOD 1/14/07 Effective 4/1/07

2. Time Out. If as a result of a disobedience a competitor knocks down or dislodges an obstacle or a flag marking the limits of an obstacle, the clock is stopped immediately and remains stopped while the obstacle or flag marking the limits of an obstacle is rebuilt. Regardless of which fence on the course this occurs at, a penalty of four seconds will be added to the time the horse takes to complete the course. BOD 1/15/06 Effective 1/15/06

3. Time Out at Combinations. If a competitor knocks down or dislodges one of the parts of a combination or a flag marking the limits of an obstacle and then refuses or runs out at the next part without knocking it down, the clock is stopped as for a knockdown resulting from a disobedience. Regardless of which fence on the course this occurs at, and for each time it occurs on the course, a penalty of four seconds will be added to the time the horse takes to complete the course. Elements knocked down preventing a horse from jumping the next obstacle must be removed, even if time must be taken out for this purpose.

4. On Course. After the signal to start has sounded, a competitor must pass through the start markers in the proper direction to be considered on course. (See JP134.1)

5. Time Faults. One (1) time fault will be charged for each commenced second by which the time allowed is exceeded in any class for which time is a factor in scoring.

6. Exceeding the Time Limit. Any competitor whose time including penalty seconds which might have been assessed for time-out(s), as described under 2 and 3 above, exceeds the Time Limit is eliminated. The ‘Time Limit’ is defined as double the Time Allowed.

7. Option Fences. At any obstacle marked as an option on the course plan, in the event of a disobedience at one portion, the competitor has the right to attempt either portion in his following attempt. However, in the case of a displacement of any part of the obstacle, the tone must be sounded and all portions must be reset prior to the continuation of the round. BOD 1/15/06 Effective 1/15/06

8. During rounds where time is a deciding factor, a re-jump of the entire course may only be considered as an option if there is no automatic or manual time due to very exceptional circumstances. In these cases a competitor may elect not to re-jump the course and instead be placed after competitors with equal faults. If a re-jump does take place, the original score will be void.

JP136  Disobediences.

1. Refusal. Stopping in front of an obstacle to be jumped, whether or not the horse knocks it down or displaces it, is penalized as a disobedience. Stopping at an obstacle without knocking it down and without backing, followed immediately by jumping from a standstill, is not penalized. However, if the halt continues, or if the horse backs even a single step or circles to retake the course, a refusal is incurred.

2. Run-out. Evading or passing the obstacle to be jumped or the finish line or jumping an obstacle outside its limiting markers is penalized as a disobedience.

3. Resuming the Course. After a run-out or refusal the competitor must, before proceeding on course, re-jump the obstacle at which the disobedience occurred or be eliminated. If the flag, standard, wing, or obstacle has not been reset when the competitor is ready to jump, he must await the signal to start or be eliminated. (For Option Fences, see JP135.7)

4. Loss of Forward Movement. Halting or stepping backward after crossing the start line, (unless due to a refusal, run-out or an order from a judge due to unforeseen circumstances such as a fence being blown down), will be penalized as a disobedience. Loss of forward movement on banks will not be scored as a disobedience unless the horse takes a step backwards.

5. Circling. Any form of circle or circles whereby the horse crosses its original track between two consecutive obstacles (start and finish included), or stops advancing toward or turns at least 180 degrees away from the next fence, or finish line, except to retake an obstacle after a disobedience, is considered a disobedience. This is a judgment call.
(NOTE: Coming sideways or zigzagging toward an obstacle does not constitute a disobedience unless the horse passes or turns its back to the next obstacle or the finish line).

**JP137 Falls.**
1. The first fall of horse or rider results in elimination, except in classes in which special rules apply. (Fault and Out, Top Score, etc.)
2. A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate remounting or vaulting into the saddle.
3. A horse is considered to have fallen when the shoulder and haunch on the same side have touched the ground or an obstacle and the ground.
4. A courtesy fence is not permitted following the fall of the horse or rider.

**JP138 Knockdowns.**
1. Definition. An obstacle is considered knocked down when in jumping an obstacle, a horse or rider, by contact:
   a) changes any part thereof which establishes the height of the obstacle or the height of any element of a spread obstacle, even when the falling part is arrested in its fall by some other portion of the obstacle; or
   b) moves any part thereof which establishes the height of the obstacle so that it rests on a different support from the one on which it was originally placed.

2. Special Circumstances. Should a pole resting in a cup come to rest on the lip of the cup, or on a bracket which is an integral part of the cup, it is not considered a knockdown. Narrowing the width of a spread obstacle without altering the height of any elements as defined above is not considered a knockdown. If, while in the process of being jumped, the top element is struck in such a fashion that it changes the height of the jump, with both ends remaining in the cups and nothing else supporting the top element, it is scored as no faults.

**JP139 Touches.**
1. Touches are scored as outlined in Table I. (See JP143.2 and JP144)

**JP140 Off Course.**
1. A competitor is considered off course when he deviates from the course as shown by the diagram and jumps an obstacle prior to rectifying the deviation.

**JP141 Breaking Ties.**
1. Competitors who withdraw, retire or are eliminated from a Jump-off:
   a. A competitor who is eliminated in a jump-off will be tied with a competitor who retires and will be placed last of the competitors who have completed that jump-off.
   b. A competitor who withdraws (does not participate) from a jump-off must always be placed after a competitor(s) eliminated or who retires while on the course.
2. Even if only one competitor is willing to participate in the jump-off he is required to enter the arena and receive the signal to start in order to earn top placement.
3. Withdrawing From a Jump-Off. If a competitor wishes not to take part in a jump-off he must ask permission from the judge(s). If permission is granted he will be placed last of those still qualified (on the result of the previous round).
   a. If before a deciding jump-off, two or more competitors decline to take part in the jump-off, the judge(s) will decide whether this request can be accepted or must be rejected. If the judge(s) accepts the request, the competition management will award the trophy by lot and the prize money for the vacant places will be added together and shared equally between the competitors. If the judge’s instructions to continue are not followed by competitors, no trophy will be awarded and the competitors will each receive only the prize money and the placing of the lowest place for which they would have jumped off.
4. Except in Fault and Out classes, when two or more horses incur the penalty of elimination during a jump-off, they remain tied regardless of the cause of elimination or the point at which the penalty was incurred. A competitor who does not take part in a jump-off must always be placed behind a competitor who has been eliminated in the same jump-off.
5. Same Ownership. Whenever tied horses are under one ownership or management, the competitor may designate the order of placement.
6. Competitors who are tied for first place after the initial round(s) will jump off. Any competitors that compete in the jump off and are still tied for any placing (i.e. 1st, 2nd, 3rd, etc.) shall remain tied unless otherwise stated in the prize list. Prize money and Championship points shall be combined and divided equally among the tied competitors.

BOD 1/15/06 Effective 1/15/06

7. Competitors who are tied for other than first place in all Jumper sections may either remain tied, the prize money being divided equally among them, or be placed according to the time taken to complete the course. The method of breaking ties must be stated in the prize list and on the judge(s)’ cards. If the competitors remain tied, riders must toss a coin for the ribbons, unless management chooses to provide additional ribbons. If points are awarded, points should be added and divided equally among the competitors. A judge or steward must conduct the breaking of ties when they are to be determined by the tossing of a coin.

8. In Junior Jumper classes, when at least 50% of the jumps have been raised to the maximum height and spread and a tie for first place has not been broken after the competitors have jumped the course at this height, the contenders are declared tied. In Puissance and Six Bar classes if competitors remain tied after the second attempt to clear a particular height, they remain tied and are placed equal first.

JP142 Violations.

1. Course Requirements. In cases in which Federation course requirements have not been met and the violation has not been observed and corrected prior to the first competitor’s performance, the class must be completed without altering the course, and the result stands for purposes of the Competition Championship. (Federation stewards are required to specify all such classes in their steward’s reports, having first verified the violation and apprised the competition secretary of it.)

2. Scoring Irregularities. Rules violations, such as judges’ or time-keepers’ incorrect application of class conditions, etc., should immediately be reviewed by a committee consisting of the judges, Federation steward, a representative of the competition committee and the exhibitors directly concerned, and every effort should be made to find a mutually satisfactory solution. Only when such efforts have failed should a protest or charge be lodged.

3. Use of Videotape. Judge(s) may, at their discretion, view videotape of all or part of a class in order to verify decisions involving scoring. Upon review of such videotapes, provided it is within 24 hours of the completion of the class, such judge(s) may make corrections to the placing of the event.

SUBCHAPTER JP-7. JUMPING FAULTS AND SCORING TABLES.

JP143 Table of Jumping Faults.

1. Knockdown of obstacle or standard with any portion of horse, rider or equipment, when jumping an obstacle, one or more feet in the water or on the marking strip of a water jump, or knockdown of rail placed over a water obstacle 4 Faults

2. Knockdown of automatic timing equipment, other designated markers on start and finish lines, or flags standing alone marking the limits of banks, ditches and water jumps 4 Faults

3. First disobedience anywhere on course 4 Faults

4. Second cumulative disobedience anywhere on course
   a. in all classes conducted at Level 5 or higher Elimination
   b. in classes conducted at Level 4 or below 4 Faults

5. Third cumulative disobedience anywhere on course in classes conducted at Level 4 or below Elimination

6. Exceeding Time Allowed (for each commenced second over the Time Allowed) 1 Fault Allowed

7. A horse resisting for 45 consecutive seconds Elimination

8. Taking more than 45 seconds to jump the first obstacle after the time of the round has begun Elimination

9. Taking more than 45 seconds to jump the next obstacle on course Elimination
For all competitions conducted under FEI scoring, time faults will be assessed at the rate of 1 fault for each commenced four (4) seconds over the Time Allowed for all rounds except final jump-offs. Jump-offs will continue to be assessed at 1 fault per commenced second.

10. Fall of horse and/or rider (except Fault and Out Classes and other classes with special rules)

11. Jumping an obstacle before it is reset, or without waiting for signal to Elimination proceed

12. Starting before judge’s signal to proceed

13. Failure to cross the start line within 45 seconds, in classes (or phases of a class) where time is not being recorded

14. Jumping an obstacle before crossing start line unless said obstacle is designated as a practice obstacle or after crossing the finish line, whether forming part of the course or not

15. Off course

16. Leaving the enclosure of a closed obstacle incorrectly

17. Rider and/or horse leaving the arena before finishing the course

   a. (Penalized at any time the horse is in the ring)

18. Any competitor at the end of his/her round who does not leave the arena through the designed gate (e.g. jumping out of the arena)

19. Actions against a horse deemed excessive (For example: excessive use of whip or spurs at any time within the arena.)

20. Exceeding the Time Limit

Penalties for the touch rounds of Table 1 classes:

10. Fall of horse and/or rider (except Fault and Out Classes and other classes with special rules)

   a. Touch of obstacle or ground line with any portion of horse’s body behind stifle 1/2 Fault
   b. Touch of obstacle or ground line with any portion of horse’s body in front of stifle, or with any part of rider or equipment 1 Fault
   c. Touch of standard or wing in jumping obstacle with any part of horse, rider or equipment 1 Fault
   d. Touch of flag, automatic timing equipment or other designated markers on start or finish lines, or flags standing alone marking the limits of banks, ditches and water jumps, with any part of horse, rider or equipment during the round. Note: At a brush obstacle, touching the brush alone without touching the framework, standards or pole, is not scored.
JP145 TABLE II—Classes scored on Faults and Time.

1. Clear Round (Table II) - The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults remain equal.

2. Time First Round (Table II, Sec. 1)—The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults are classified according to their time taken to complete the course. (Note: it is recommended that Table II Sec. 1 be conducted over a Table II course rather than a Table III course.)

3. Time first jump-off
   a. Table II, Sec. 2 (a)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the event of equality of faults after the first round, there will be one jump-off for first place only in which time will decide in the event of equality of faults.
   b. Table II, Sec. 2 (b)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. If a competitor has gone clean in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jump-off course. A competitor with a clear round may dismount, and with assistance if necessary, adjust tack and/or equipment; however, upon the audible signal to begin his/her round, the competitor is responsible to adhering to the 45 seconds rule as per JP134.2. A competitor who leaves the arena after a clear round (before or after the tone) will be considered to have retired from the jump-off. If there are no clean rounds and a tie exists for first place, there will be one jump-off in which time will decide in the event of equality of faults. It is recommended that no more than ten numbered obstacles be included in the first round when the class is scored under this table.
      (1) Table II, Sec. 2 (a/b)—At management’s discretion, each exhibitor may have the option of taking part in the jump-off at the completion of their round as in 2(b), or after all exhibitors have completed their first round
   c. Table II, Sec. 2 (c)—Two Phase Competitions - The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any. If a competitor has gone clean in the first round, he will, upon crossing the finish line, commence the designated jump-off course. Time starts as the horse crosses the finish line for the initial course. If there are no clean rounds and a tie exists for first place, there will be one jump-off, in which time will decide in the event of equality of faults. The use of a Time Allowed is optional in the first round. The Time Allowed in the first round may be taken by electronic or manual means.
   d. Table II Sec.2(d)—Time first jump-off with designated number of competitors to jump-off. The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed, if any. Following the first round a pre-determined number of competitors based on faults and time (from 6 to 16 but in no case more than the number of places to be awarded, the exact number to be indicated in the prize list), will compete in one timed jump-off round in which time will decide in the event of equality of faults from both rounds. The order of go for the jump-off round will be reverse order of scores (faults and time) from the first round. Adjustment of this order, in the case of one rider qualifying multiple horses, may be allowed at management’s discretion.

4. Time Second Jump-off (Table II, Sec. 3)—The first round, first jump-off and second jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the event of equality of faults after the first round and first jump-off, if any, there will be a second jump-off for first place only in which time will decide in the event of equality of faults.

5. Fault and Out (Table II, Sec. 4)—These competitions are timed and take place over medium sized single obstacles (combinations are not permitted). The competitor’s round finishes with the first fault incurred under Table II. Points are awarded instead of faults, two points being awarded for each obstacle jumped cleanly and one point for the obstacle
knocked down. The winner is the competitor who scores the greatest number of points. Time will decide in the event of equality of points.

a. If the fixed time is reached at the moment when the horse is already taking off, this obstacle counts whether it is knocked down or not. If a fall or disobedience occurs after landing, the horse is scored as though the fault had occurred at the next obstacle. When the penalty of elimination is incurred, the rider is credited with obstacles cleared.

BOD 1/15/06 Effective 12/1/06

b. When an obstacle is knocked down or the Time Allowed, if there is one, has been reached, a signal is sounded. The competitor must then jump the next obstacle and the clock is stopped at the moment the horse's forefeet touch the ground. No points are scored for obstacles jumped after the signal has been sounded.

c. When a fault constitutes a disobedience or fall, or when the rider is eliminated or does not jump the obstacle at which the clock should have been stopped, the signal is sounded, and the competitor is placed last of those gaining an equal number of points.

d. Fault and Out classes can be conducted in one of two ways; which must be designated on the course plan as either:

(1) Once Around, in which case the maximum number of obstacles to be jumped is fixed, and the clock is stopped when the competitor crosses the finish line, or

(2) With a Fixed Time Allowed which must not be set at less than 50 seconds, nor more than 60 seconds. If the competitor has jumped all the obstacles before the expiration of the Time Allowed, he starts around the course again but is not required to go back through the start markers.

BOD 1/14/07 Effective 4/1/07

JP146  TABLE II—Classes scored on Faults Only.

Time does not apply for any purpose except as provided for in j) and p) of the Table of Faults.

1. Knock Down and Out (Table II, Sec. 5) The winner to be the competitor clearing the most obstacles without a fault.  BOD 1/15/06 Effective 12/1/06

2. Puissance (Table II, Sec. 6). The initial round will comprise from 4 to 6 single obstacles of which at least one must be a vertical obstacle. The first obstacle must be at least 1.40 m (4' 7") in height, two obstacles from 1.60 m (5' 3") to 1.70 m (5' 6") and one wall or vertical obstacle, which may vary from 1.70 m (5' 6") to 1.80 m (5' 9") in height. All combination obstacles, water jumps, ditches and natural obstacles are forbidden. It is permissible to use a wall with a sloping face on the take-off side (maximum slope of 30 cm (12") offset at the base).

a. A vertical obstacle instead of a wall may be used, in which case, planks with a pole on top may be used as a substitute.

b. In the event of equality for first place, there must be successive jump-offs over two obstacles, which must be a wall or a vertical obstacle and a spread obstacle.

c. In the jump-offs, both obstacles must be increased regularly in height and the spread obstacle also in spread. The vertical obstacle or wall may be increased in height only if competitors equal for first place have not been penalized in the preceding round.

BOD 1/15/06 Effective 12/1/06

3. Six Bars (Table II, Sec. 7) This is a test of power and skill outside the category of doubles, trebles or multiples. Six obstacles are placed in a straight line with a distance of about 24' or 36' between each of them.  BOD 1/15/06 Effective 12/1/06

a. If the size of the arena or other conditions warrant it, the number of obstacles may be reduced to five.

b. The obstacles are of identical construction and type.

c. At the choice of management, the obstacles may be either: a) all the same height, such as 4'0"; or b) at progressive heights, such as 3'9", 4'0", 4'3", 4'6", 4'9", 5'0", or 3'9", 4'0", 4'3", 4'3", 4'6".

d. If the competitor knocks down any of the obstacles, he does not stop but must continue the course. If the horse refuses or runs out, the rider must resume the course at the obstacle at which the fault occurred and is permitted to make his approach from outside the space between the two obstacles, thus jumping the fence at an angle.
e. Only those without fault in the preceding round are entitled to take part in the next round. If there are not sufficient clean rounds for the placement, ties are broken as provided in JP141.6.

**JP147 TABLE III—Faults Converted Into Seconds. BOD 1/15/06 Effective 12/1/06**

1. Faults incurred when jumping an obstacle, for knocking down a boundary flag, for putting one or more feet in the water or on the marking lath are penalized by adding four seconds for each occurrence.
2. A Time Limit of 120 seconds will be automatically applied. (180 seconds for courses over 600m.) Seconds added due to jumping faults do not count towards the 120 or 180 second time limit determination. BOD 1/14/07 Effective 4/1/07
3. The first disobedience is penalized automatically by the extra time taken. Causes of elimination in Table of Jumping Faults g) through p) apply.

**JP148 TABLE IV—Optimum Time Classes. BOD 1/15/06 Effective 12/1/06**

BOD 1/14/07 Effective 4/1/07

Classes are scored on Faults under Table II, however, ties are broken on the basis of Optimum Time.

1. Optimum Time in First Round (Table IV Sec. 1)—The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the case of equality of faults, ties will be broken on the following basis: an “Optimum Time” (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc.
2. Optimum Time in First Jump-Off
   a. Table IV Sec. 2 (a)—The first round and first jump-off are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In case of equality of faults, ties will be broken on the following basis: an “Optimum Time” (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc.
   b. Table IV Sec. 2 (b)—The first round and first jump-off are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. If a competitor has gone clean in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jump-off course. In the case of equality of faults in the jump-off, ties will be broken on the following basis: an “Optimum Time” (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc. If there are no clear rounds, a jump-off, scored as described above, will take place among those tied for first place.
   c. Table IV Sec. 2 (c)—The first round and first jump-off are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any [Note: The use of a time allowed is optional in the initial round]. If a competitor has gone clean in the first round, he will, upon crossing the finish line, commence the designated jump-off, with time starting as the horse crosses the finish line for the initial course. In the case of equality of faults in the jump-off, ties will be broken on the following basis: an “Optimum Time” (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc. If there are no clear rounds, a jump-off, scored as described above, will take place among those tied for first place.

**JP149 Special Classes.**

1. Top Score/Gambler’s Choice Competition (FEI Rules for Jumping Art. 270)
   a. In this competition, a certain number of obstacles are set up in the arena. Each obstacle carries from 10 to 120 points according to its difficulty. Combination obstacles are not allowed. The obstacles must be built so that they can be jumped in both directions.
b. The points allocated to the obstacles may be repeated at the discretion of the Course Designer. If it is not possible to place 12 obstacles in the arena, it is up to him to delete the obstacles he wishes.

c. The competitor is credited with the number of points carried by each obstacle that he has jumped correctly. No points are awarded for an obstacle knocked down.

d. Each competitor has 45 (minimum) to 90 seconds (maximum). During this time, he may jump all the obstacles he wishes in any order and in any direction. He may cross the starting line in either direction. The starting line must be provided with four flags; a red and a white flag at each end of the line.

e. Ringing the bell declares the end of the round. The competitor must then cross the finishing line in one direction or the other to allow his time to be recorded. If he does not cross the finishing line, he is placed last of the competitors with the same number of points. The finishing line must be provided with four flags; a red and a white flag at each end of the line.

f. If the fixed time is reached at the moment when the horse is already taking off (*front hooves off the ground*), this obstacle counts if it is correctly jumped.

BOD 1/14/07 Effective 4/1/07

g. Any obstacle knocked down during a round will not be rebuilt; if it is jumped again, no points will be credited to the competitor. The same applies for knocking down an obstacle in disobedience or for displacing a lower part positioned in the same vertical plane. In the case of a disobedience without a knock-down, the competitor may jump that obstacle or continue to the next obstacle.

h. Each obstacle may be jumped twice. The act, voluntarily or not, of jumping an obstacle for the third time or of passing between the flags of an obstacle for the third time or of passing between the flags of an obstacle already knocked down does not incur elimination. However, the competitor does not score the points allotted to this obstacle.

i. All disobediences are penalized by the time lost by the competitor. The competitor must stop after a fall. Nevertheless he is placed according to the points obtained up to the moment of his fall disregarding the time.

j. The competitor who has obtained the highest number of points will be declared the winner. In the event of equality of points, the fastest time taken between the starting line and the finishing line will decide. In the event of equality of points and time for first place, there will be a jump-off according to the same formula with a fixed time of 40 seconds.

k. An obstacle may be provided in the course duly marked by flags and titled “Joker”. The Joker may be jumped twice; 200 points are awarded each time this obstacle is jumped correctly, but if it is knocked down, 200 points must be deducted from the total points obtained so far by the competitor.

l. If by ringing the bell, a joker is required to be jumped within twenty seconds after the fixed time has expired and after the competitor has crossed the finishing line, only one attempt is allowed.

2. Take Your Own Line. This competition takes place over a course of about ten obstacles *scored under Table 2 or 3 as stated in the prize list*. After crossing the start line, the competitor must jump each obstacle in either direction, in any order and cross the finish line. **BOD 1/14/07 Effective 4/1/07**

a. If a competitor incurs a refusal, he may proceed to another obstacle. However, if the standard or flag is knocked down or displaced, the judge gives an audible signal, the clock is stopped and four seconds added. The competitor then must return to position from which, in the opinion of the judge, he may re-jump the obstacle dislodged. Upon signal to proceed, the competitor may continue his round, re-attempting the obstacle refused or any other obstacle on the course not previously jumped.

b. A first refusal is penalized only by time. The second refusal incurs elimination. **(Exception, see JP143.1d and .1e) BOD 1/15/06 Effective 12/1/06**

3. High Jump. Conducted over a single obstacle, starting at approximately 4’6” or 5’. A double set of wings or their equivalent must be used.

a. Each competitor is allowed three attempts to clear a particular height and receives three points for clearing it at the first attempt, two for the second and one for the third. Points are cumulative from start to finish of class. Failure on the third attempt eliminates.
b. Winner is the competitor clearing the greatest height, or an equal height with a greater number of points.

c. A practice obstacle, which is not scored, may be jumped before each attempt. If all competitors are brought into the ring before the start of the class and held there during class, a start mark must be established at an appropriate distance from the obstacle.

4. Match Race. This is a competition between pairs of competitors, each rider competing with only one horse. The two competitors jump identical courses successively or simultaneously. Unless otherwise specified in the prize list, the obstacles may be increased in height and/or spread during the successive rounds. The start should not directly face the first obstacle. (Note: in this competition, no time out is taken in the case of an obstacle dislodged as a result of a refusal; competitors need not jump the fence at which they incurred a refusal.) The winners of each round go forward to compete in pairs in the next round and so on until the two finalists meet to decide the winner. Refusals and knockdowns incur four faults. If at the end of a round, there is absolute equality between two competitors, they must jump the round again.

5. Rotating Pair Relay. This competition is for teams of two. A horse can only compete once in this class, but a rider may compete on more than one horse. The entire course must be jumped twice in the correct order by either competitor. The competitor who crosses the start line must jump the first obstacle and the competitor who jumps the last obstacle must cross the finish line. 

a. One change is mandatory. Competitors may change over as often as they wish. A change is obligatory whenever a fault is incurred. A fault is indicated by an audible signal at which time the other competitor continues the course from the next obstacle. In the event of a disobedience, the other competitor must first jump the obstacle which has not been jumped by his partner and then continue the course.

b. Faults incurred are penalized by adding four seconds for each occurrence to the time of the round. The first two disobediences are penalized only by time, the third disobedience incurs elimination. Should a competitor jump an obstacle before his partner has landed over preceding obstacle, the pair will be eliminated.

c. The fastest overall time wins. In case of a tie for first place only, there will be a compulsory jump-off over a shortened course.

6. Other Relays—See the FEI Rules for Jumper Events.

**JP150 Classes Offering $25,000 or more in prize money.**

1. Specifications. Once the specifications for a class have been approved by the Federation and printed in the prize list, the class conditions may not be changed. Any alterations made to the specifications listed below MUST be noted in the Steward’s Report.

2. Officials.

   a. Course Designer. A Federation Registered (‘R’) Course Designer must be used. (See Chapter GR10, Subchapter 10-J and GR1206.1)

   b. Judges. For classes offering $25,000 or more in prize money a total of two Federation licensed “R” judges are required, one of whom will act as official timer. The third judge is necessary if an open water jump is used; this can be a “r” judge. In addition, two timers in the field with stop watches are required. A Registered steward or Registered Jumper judge must be appointed to supervise schooling before and during the competition. (Note: A timer technician may also be utilized as per JP106.2; however one of the two ‘R’ judges must be responsible for the official time recorded for each entry.)

   c. Schooling Supervision. See JP103. BOD 1/15/06 Effective 12/1/06

3. Qualifying Class. If a qualifying class is held for a class offering $25,000 or more, it must be held under the same schooling and equipment rules.

4. Cross Entries. Management may restrict cross entries if it is so stated in the prize list.

5. Prize Money. Prize money must be distributed as follows: 30% for 1st, 22% for 2nd, 13% for 3rd, 8% for 4th, 6% for 5th, 5% for 6th, 4% for 7th, 3% for 8th and 9th, 2% for 10th, 11th, and 12th place.

6. Entry Fees. Entry fee may not exceed 3% of the prize money. Further, when a Class Nominating Fee or a Starting or Declaration Fee is charged for entry into the class, the Total amount assessed including all entry or other fees (for any entry received by the closing date(s) and time(s) designated in the prize list) may not exceed 3% of the prize money.
7. Tack and Equipment. Only running martingales, used in the conventional manner, are permitted. Standing martingales, draw reins or restricted running martingales are prohibited.

8. Attire. (See GR318.2, JP111.5 and .6)

9. Schooling. In order to compete, horse may not be schooled over off-sets for a twenty-four hour period prior to the scheduled start of the class, or while schooling during the class.
   a. All horses competing must be on the grounds for the twenty-four hour period prior to the scheduled start of the class.

10. Open Classes of $25,000 or more.
   a. Standard. Classes utilizing a jump-off must be offered and held at the “Regional”, the “National” or the “International” Standard. The prize list and the official results must clearly indicate the Standard for any such class. Should a prize list fail to indicate at what Standard the class is to be conducted, the correct information must be posted prominently at the competition office prior to the closing of declarations, and both the Steward’s Report and the Official Results must clearly indicate Regional, National or International Standard. Should this requirement not have been met, the competition results shall be recorded as though the class had been conducted at the Regional Standard. *BOD 1/15/06 Effective 12/1/06*

11. Junior, Amateur/Owner, Amateur, or Young Rider Classes offering $25,000 or more must be held at a minimum of the Regional Standard. *BOD 1/15/06 Effective 12/1/06*

**JP151 FEI Classes and Classes not Covered Under these Rules.**

1. Other variations of the classes outlined in Subchapter JP-4 may be offered upon application to and approval of the Jumper Committee. (See JP151 for requirements for all classes offering $25,000 or more in prize money.)

2. Two or More Phase Competitions. In Two or More Phase Competitions, cumulative scores must be used to determine the winners.

3. FEI Classes. Classes not included in Subchapter JP-7 may be offered such as those specified in the FEI Rules for Jumper Events (Relay, Accumulator, etc.). Any jumper class may also be run in accordance with FEI rules if management so specifies in the prize list. In either case, management must clearly state in the prize list what FEI Jumper Article applies, whether FEI or Federation equipment and/or schooling rules will be in effect and the starting time of enforcement.

4. Qualifying for Non-Senior FEI Continental and National Championships. All qualifying criteria must be objective and strive to ensure a fair and level playing field. The goal of the criteria will be to ensure that all riders who qualify under the criteria are capable of competing at the level of difficulty required by the specific championship. All qualifying criteria must be approved by the USEF National Jumper Committee and the USEF Executive Committee and be made publicly available prior to the start of qualifying. If qualifying is based on a time period, the resulting standings of competitors must be made publicly available throughout the qualifying time period. If the Championship will be comprised of teams based geographically by Zone, in addition to the above, the criteria for each Zone must be comparable in level of difficulty and if trials are used, must be evenly dispersed throughout the zone. USEF has the authority to combine individuals to form a team from Zones with an insufficient number of competitors to constitute a team.
   a. FEI North American Championships Qualifying criteria must be submitted in writing by each Jumper Region to the National Jumper Committee no later than June 15 of the year prior.
   b. National Junior Jumper Championships. Qualifying criteria for the National Junior Jumper Championships must be submitted in writing to the National Jumper Committee no later than July 15 of the year prior. If no changes are submitted, the qualifying criteria will automatically be based on Junior Jumper classes held at Level Six or above between September 1 and August 31. Points will be awarded per GR919.3
   c. Pony Jumper National Championships Qualifying criteria for the Pony Jumper National Championships must be submitted in writing to the National Jumper Committee no later than May 15 of the year prior to the date of the championship. If no changes are submitted, the qualifying criteria will automatically be based on Pony Jumper classes held at Level 2 or above between June 2 and June 1. *BOD 1/14/07 Effective 4/1/07*

APPENDIX A

USEF AND FEI JUMPER SCHOOLING RULES  BOD 1/14/07 Effective 4/1/07

{FEI rules that differ are in brackets.}

1. All rails must be either in cups or totally on the ground (exception: one end of a cross rail may rest on the ground). Rails must be able to fall easily when hit.

2. No one may hold a rail or touch a standard while it is being jumped.

3. If an item (blanket, cooler, etc.) is laid over the rail of an oxer it may be laid over the front rail. If there is more than one rail on the front of the oxer, the item may be laid over any of those rails. {FEI -- Nothing (i.e. coolers, blankets, or towels) may be laid over a jump.}

4. Jumps in the schooling area may not exceed 5'3" (1.60 m) in height, 5'11" (1.80 m) in width. {Additionally for FEI and Pony Jumpers -- Jumps in the schooling area may not exceed 10 cm (4") above the maximum specified height for the upcoming class.}

5. Any jump 4'3" (1.30 m) or higher must have a minimum of 2 rails, in cups, on the take off side of the jump, regardless of whether a ground line is used. The lower rail must always be below 4'3" (1.30 m).

6. Ground lines are not mandatory, however if they are used they must be placed either directly below the front of the jump or up to 3'3" (1 m) out. If a ground line is used on the landing side of a jump {FEI - verticals only} there must be one on the take off side, and it may not be any further out than the one on the take off side.

7. If a trot/canter/placement rail is used, the jump may not exceed 4'3" (1.30 m) in height and 4'3" (1.30 m) in width. If a rail is used on the take off side of a jump it may be no closer than 8'2" (2.50 m). If a rail is used on the landing side of a jump it may only be used at a vertical and it may be no closer than 9'10" (3 m). (Exception Pony Jumper) These distances are for fences set at 4' (1.25m) to 4'3" (1.3m). {FEI - verticals only}

8. If guide rails are used on the landing side of a jump the closest part of the rail must be a minimum of 9'10" (3 m) from the jump.

9. If a rail is placed on the lip of a cup it must be placed on the far side of the cup, and is only allowed at an oxer if it does not cause the front rail to be higher than the back rail (i.e. offset).

10. There may never be more rails on the back of an oxer than on the front of the same oxer. When two (2) rails are used on the back of an oxer, the lower rails on the front and back elements must be of equal height. If the oxer is flagged so that it may only be jumped in one direction and there are two or more poles on the back of an oxer, the lowest of the poles may be equal to, but no lower in height than the top pole of the front of the oxer. {FEI - Only one rail is permitted on the back of an oxer.}

11. A cross rail may only be made at a vertical either by itself or below a single rail lower than 4'3" (1.30 m), or if the overall jump is lower than 4'3" (1.30 m) at the front of an oxer, with a minimum distance between the rails of the cross rails of 4" (10 cm) and a maximum distance of 12" (30 cm).

12. Horses are not permitted to walk over cross or slant rails. Walk jumps may not exceed 12" (30cm), and may be built with one end of the rail resting on the ground. Ground lines are not permitted. While using a walk jump the competitor must approach and depart in a straight line. At no time may they turn the horse while walking over the rail.

13. No Swedish Oxers!

© USEF 2007  JP27
14. If a liverpool is supplied and used at a vertical; the front of the liverpool may not be behind the front plane of the jump. Also, the back of the liverpool may not exceed the front plane of the jump. If used at an oxer; the front of the liverpool may not be more than 3’3” (1m) in front of the jump.

15. If a water jump is available it may only be used in one of the following manners; with take-off box only; with take-off box and a vertical jump with a single rail placed not past the center of water jump not to exceed 3’3” (1m) in height; no take-off box with a vertical jump with 2 rails placed not past the center of the water jump not to exceed 4’3” (1.30 m) in height.

16. If space and available fence material allows and safety conditions permit, combinations may be built using correct distances. Bounce jumps may only be used with verticals and may not exceed 3’9” (1.15m) in height.

17. At management’s discretion (and if local laws allow) bamboo offsets may be permitted in designated schooling areas only. Manual poling is not permitted. \{FEI - No poling or offsets allowed.\}

18. Riders are fully responsible for any jump taken by their horse.

19. Any action deemed not in the best interest of the horse will not be allowed.\{FEI -- Only material provided or previously approved by the organizing committee may be used, and must be available for all competitors to use while warming up.\}

20. \{FEI -- Fences must be flagged and jumped in the proper direction. Unless permission is granted by the Chief Steward, flags may not be interchanged.\}

**TAPPING/MARKING SCHOOLING FENCES**

Fences should be taped at two points. 1) At the 4’3” (1.30 m) mark, so when a rail is placed above the tape the competitor knows that he/she needs a second rail. 2) At the 5’3” (1.60 m) mark, so competitors know that they are not permitted to build higher than that point.

   c. by every other number on the list of entries, or the method of dividing must be stated in the prize list.
2. If there are 50 or more entries in the division at the beginning of the first class it must be divided by (a-c) above and the prize money must be doubled. A section with less than 30 entries cannot be divided.
3. If there are 50 or more entries remaining in a section after it has been divided, the section must be rediveded and the prize money must be doubled. Once a section has been redvided it may be divided further if management so desires.

The prize list must specify which classes will count.

**JH111 Trophies.**

**SUBCHAPTER JH-6 USEF JUNIOR HUNTER NATIONAL CHAMPIONSHIP**

**JH116 Purpose.**
This competition is designed to encourage and promote the basic training and development of Junior Hunters.

**JH117 Eligibility.**
A horse must win a Championship or Reserve Championship in an “A” Rated Junior Hunter Division and/or be in the top 10 in their zone in any of the four Junior Hunter sections between July 2 and July 1. Sections held after July 1 will count toward next year’s competition. The horse must be registered with the Federation at the time of the win for the Championship or Reserve Championship to count. Horses that are champion at the previous year’s competition may return without qualifying. The owner of record of the horse must be a member in good standing of the Federation, i.e.; horses must be shown in accordance with GR812 and GR818 in order to be eligible to qualify.
Phases.

1. General.
   a. The competition will be conducted in three separate phases: Under Saddle to count 20%, Handy Hunter to count 30%, and a single Classic Round to count 50%.
   b. To determine the winner, scores must be calculated based on the total of the combination of all three phases after the percentages of each phase have been calculated.
   c. Under Saddle. To be shown at a walk, trot, and canter both ways of the Ring. Horses are to hand gallop one direction, halt and back. Light contact with the horse’s mouth is required. Judged on performance and soundness. Manners and suitability to be emphasized.
   d. Handy Hunter. Obstacles should simulate those found in trappy hunt country. The course must have at least two changes of direction and at least one combination. Horses are required to trot over one fence on the course, may be asked to lead over one obstacle or open a gate while mounted. Emphasis should be placed on turns and promptness.
   e. Classic Round. The course must maintain at least ten obstacles, have two changes of direction and at least one combination. There shall be one single oxer on the course that shall be ridden at the gallop. Emphasis shall be placed on “brilliance” for this class.
   f. In the Under Saddle Phase, horses shall be judged in-groups of eight or less. Each horse shall be judged and given a score based on its performance in the group.
   g. In the Handy Hunter and Classic Round each entry will be given a numerical score based on its performance.
   h. The same junior exhibitor is required to show an entry in all phases of the competition. The competition will be split into Small and Large Sections and each section will also be split by age. The same junior exhibitor may show one small and one large entry.
   i. Ties will be broken based on the score of the judge that is designated as judge number one for each phase of competition. If a tie still exists for the overall standings, the score from the Classic Phase will break such tie.

Judging Procedure.

All three judges will judge each phase simultaneously but independently of each other. Each judge will give every entry a score for each phase. Prior to the Handy Hunter and Classic Round, each entry’s score in the previous phase shall be totaled and announced. During the over fence phase, the Open Numerical Scoring System is used. After each entry completes the course each judge’s score for the round is immediately shown or announced. The total overall score for each entry is then calculated as soon as it has completed the last phase.

Points. BOD 1/15/06 Effective 12/1/06

All points are based on values below. In classes that have less than 10 entries, the point values will be one-half of what is listed below.

JH121 Competition Special Requirements.

1. General.
   a. Horses are required to be stabled on the competition grounds a minimum of 12 hours before the start of the competition.
   b. Commencing 12 hours prior to the start of the competition and continuing until through competing, only the competition rider may ride his/her entry. These riders must wear their competition number at all times anywhere on the grounds whenever mounted.
   c. Failure to comply with these rules will result in elimination if deemed appropriate by an appeals jury which will be compiled of one of the competition’s Federation Stewards, a member of the Federation staff, and the competition manager.
   d. The USEF Junior Hunter National Championships will be split up into two Championships. One on the eastern side of the U.S. and one on the western side of the U.S. Qualified horses may compete in either Championship but must declare which one they will be competing in as they are only allowed to compete in one or the other but not both in any one year. Qualification and points will be the same for both eastern and western championships.

JH122 Grant Fund.

One or more grants will be awarded to one or more riders who qualify to compete at the USEF Junior Hunter National Championships, based on a completed application, including a one to two page essay, at the full discretion of the selection committee. The Grant Fund application form must be included in the prize list of the competition.

JH123 Zone or Regional Championships.

1. General.
   a. The Chairman of each Zone may request permission of the Federation to hold a Zone or Regional Championship section for the riders of each Zone who have won a Champion or Reserve at an “A” rated Junior Hunter division within the previous competition year.
   b. Two or more Zone Chairmen may request permission to hold a Regional Championship section including several zones.
   c. Application must be made to the Federation office at least sixty days in advance of the holding of the section.
   d. The location of these sections is subject to the approval of the Federation Junior Hunter Committee.

2. The Championships are conducted under the same regulations as the USEF Junior Hunter National Championship. (Exception: All points awarded are based on “AA” point values as per GR921.4)

SUBCHAPTER JH-7 JUNIOR HUNTER MEASUREMENT.

JH124 General.

1. Management shall not permit an animal to be shown in any Junior Hunter performance class at a Federation Member Competition unless the person presenting the animal is in possession of a) a measurement card issued by the Federation bearing the date of August 15, 1991 or thereafter; or b) certified card applied for prior to December 1, 1987; or c) a copy of a valid measurement form. If an owner or his/her agent requests a reprint of a measurement card from the USEF office after the original measurement card has been issued, there will be a $10 fee for service charged to the requestor. At Regular Competitions, management may not give out an exhibitor’s number for an animal showing in a Junior Hunter class before the above requirements have been complied with, and charges of rule violations for hearing and determination pursuant to Chapters GR6 and GR7 shall result for failure of compliance with this Rule.

2. Animals in competition in any Junior Hunter class are subject to measurement. Measurements will be conducted in accordance with JH127.3 and .4.
3. Measurements must be performed by a steward with the official competition veterinarian in attendance, both of whom shall sign the measurement form. Written reports of every measurement or attempt to measure must be sent to the Federation’s Lexington, KY office together with the Steward’s Report, or the steward will be subject to charges and penalties per Chapters GR6 and GR7. The steward shall be either a steward officiating at the competition or a steward authorized in writing to conduct the measurement by the Federation CEO or Executive Director. If the official competition veterinarian is not present at the competition, or not available when on call (see GR1211.4) the measurement may be conducted by a steward and a judge officiating at the competition, or another steward officiating at the competition; however, the measurement will be for the purposes of that competition only and no measurement card will be issued. Measurement forms will be sent to the Federation, but will not be given to the owner.

4. Stewards who perform measurements and other competition officials present who measure animals at a competition are responsible for their true measurement and must use the Federation approved measurement stick (see JH128). The names of the measuring stewards will be printed on the measurement card and they and other measuring officials will be subject to charges of rule violations for hearing and determination pursuant to Chapters GR6 and GR7 if it is subsequently determined that a measurement is incorrect.

5. Measurements are solely for the internal use of the Federation, its Licensed Competitions and its licensed officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement information; accordingly, the Federation, its Licensed Competitions and its licensed officials make no representation and shall have no liability whatsoever for measurement errors.

6. Measurements must take place at a Licensed Competition in which the animal is entered to compete. Once the horse has been measured the measurement is effective whether or not the horse does in fact compete; whether or not the horse competes, it is also subject to drug testing.

7. Once a foal year has been submitted to the Federation office, the original date cannot be changed without a copy of the animal’s breed registration papers or a signed statement from a veterinarian certifying the animal’s age.

JH125 Required Measurements and Re-measurements.

1. An animal must be measured each competition year until it reaches the age of six. Animals five years and under will be issued a Temporary Measurement card designating the year measured. Animals six years and older will be issued a Standard Measurement card which does not have to be renewed. With the exception of animals under six years old, once an animal is issued a measurement card, a new card will not be issued unless the height of the animal is protested and upheld, or unless an appeal is made or unless a new measurement request is made by the owner or trainer and the remeasurement results in the animal moving to a greater height section than that indicated on its current measurement card.

2. All animals that have been assigned a card prior to August 15, 1991 must be remeasured (except animals with Certified measurement cards applied for prior to December 1, 1987). If the owner, either member or non-member, is in possession of a measurement card issued prior to August 15, 1991, there will be no fee for initial remeasurement.

3. In the event an animal has been measured on August 15, 1991 or thereafter and the person presenting the animal does not have the measurement card or valid measurement form in his or her immediate possession, the animal must be remeasured for the purposes of competing in that particular competition only. Measurement forms are sent to the Federation office, but are not to be given to the owner. If an owner fails to present a valid measurement card or form at more than one (1) competition during the competition year an additional measurement fee of $250 will be charged by the Federation for each subsequent remeasurement necessary.

SUBCHAPTER JH-8 PROCEDURES.

JH126 Membership Requirements and Fees.

Before any animal is measured the person presenting the animal must have in his possession either the owner’s membership number or a signed statement signifying that membership has been applied for. BOD 1/16/06 Effective 4/1/06
JH127 Completing the Measurement Form.

1. The measurement form must be filled out completely in duplicate before measurement takes place. Measurement cards will not be issued if the form is not completely filled out and legible. Exhibitors are cautioned to make sure their measurement forms are filled out accurately and completely. It must include the name and date of the competition, the height of the animal, height of heel, name, color and markings or absence thereof, sex, year foaled which must be verified by the official competition veterinarian at time of measurement. The name and address of the owner and his/her Federation membership number, if applicable, must be given. The form must be signed by the person furnishing the above information immediately before the animal is measured and then signed by the competition officials appointed to measure. The person providing the information that appears on the measurement form must be 18 years or older and is responsible for the accuracy of such information and care should be taken that all is in order before signing. When this individual signs the form he/she is certifying that all information is complete and correct. Charges of rule violation for hearing and determination pursuant to Chapters GR6 and GR7 shall result for failure of compliance with this Rule. No changes can be made to such information once the form is signed. Any alterations, scratch outs, or rewrites to any part of the height or height of fore heels must be clearly indicated and initialed by the measuring officials. If a measurement form is signed by a person under the age of 18 and submitted to the Federation office, the measurement will be invalid.

2. Before an animal is measured for a measurement card, the animal must be jogged for soundness on a firm, level surface with the official competition veterinarian in attendance and show no evidence of lameness. If found to be lame by the official competition veterinarian, said animal cannot show at that competition and no measurement may be conducted. If an animal whose height has been protested is found to be lame by the official competition veterinarian, the measurement card will be held by the Federation and the owners must request an appeal measurement in order to reinstate the card.

3. Federation officials are not to perform “courtesy”, “trial”, or repeat measurements. Once a horse is presented for measurement, the owner/agent must accept the resulting measurement.

4. The official completing the form must designate on the form that the owner is a current member or that the membership has been applied for (see JH126). The white copy is given to the owner or trainer and the yellow copy, along with the proper fee, is returned to the Federation office.

5. The owner will retain the white copy which, when properly signed by the two officials who have made the measurement, is valid for 45 days from the time the animal is measured, regardless of age.

SUBCHAPTER JH-9 MEASURING.

JH128 Measurement Device.

Federation Approved Measurement Stick. A Federation approved measurement stick is a straight, stiff, unbendable stick that is equipped with a plumb bob or spirit level to make sure the standard is perpendicular to the ground and that the cross-piece or arm is parallel with the ground surface, and must be shod with metal. All Federation approved measurement sticks will be numbered, carry the Federation logo and the legend “Federation approved”.

JH129 Measurement Surface.

1. The measurement surface must be level and under no circumstances should animals be measured on dirt or gravel. A level concrete slab or other paved surface is required.

2. If the steward determines that a suitable surface is not available at a competition, animals without a measurement card issued on August 15, 1991 or thereafter, or a valid measurement form may nonetheless be measured for the purpose of competing in that competition only, and no measurement form shall be given to the owner or returned to the Federation and no fee shall be charged.

3. All Licensed Competitions having Junior Hunter classes are responsible for providing an Federation Approved Measurement stick and a suitable surface for measurements or a sheet of plywood in good condition, and for failure to do so charges of rule violation shall result for hearing and determination pursuant to Chapters GR6 and GR7.
JH130 Position of Animal.
1. The animal must stand squarely on all four feet in such a position that the front legs are vertical to the ground and the back of the hocks are in a vertical line with the point of the animal's quarters. The poll must be in the same horizontal plane as the withers and no lower and the head should be in a normal position. A maximum of two handlers may present the animal for measurement and they must not interfere with the animal in any way that will prevent it from standing in this position nor may they have any direct physical contact with the animal that could influence the measurement, except that a handler may cover the animal's eyes.
2. The animal may be presented for measurement with or without shoes regardless of how it is shown.
3. The current owner of any animal measured prior to the 2003 competition year that received a standard measurement card may request a one time re-measurement. This request will be granted if the animal was measured with shoes on and the current owner wants a measurement without shoes or the animal was measured without shoes and the current owner wants a measurement with shoes. This one time allowance will be made available provided the measurement is conducted on or before the last day of the 2006 competition year. Requests must be made in writing and sent to the measurement representative at the USEF office. Animals will only be allowed to be re-measured if the owner is in possession of written permission from the USEF office.

JH131 Method of Measurement.
With the animal in the aforementioned position, measure the vertical distance from the highest point of the withers to the ground. The cross-piece, arm or bar of the measuring device must be placed over the highest point of the withers and no measurement taken at any other part of the animal's body will count. Additional pressure must not be applied to the cross-piece, arm or bar.

JH132 Method of Measuring Heel.
The height of heel is determined by measuring from the skin line on the lower side of the coronary band to the ground, with the ruler perpendicular to the ground. (See General Rules illustration).

SUBCHAPTER JH-10 PROTESTING.

JH133 Height.
1. An owner or trainer may protest the height of only one animal competing in a class in which he is also competing. The CEO or Executive Director of the Federation may at his/her discretion cause a protest measurement to be undertaken of any animal or animals competing in a Junior Hunter class at a Licensed Competition.
2. A protest questioning the height of an animal showing in a Junior Hunter class shall be filed in accordance with GR603, except that the measurement shall be conducted pursuant to JH126-JH134 rather than GR511-513, and the protest must be filed with the steward and must be filed at least one hour prior to the end of the competition day on which the animal is showing in a Junior Hunter class.
3. The animal is required to be presented for measurement within one hour of the completion of the animal's last class on the day of the protest.
4. The animal may be presented for a protest measurement with or without shoes regardless of how shown.
5. Animals Five Years of Age or Under.
   a. If it is determined that the heel height of an animal five years of age or under is within Z\textsuperscript{d} of what is indicated on its measurement card or valid measurement form, said animal may continue to show at the height indicated and no measurement will take place.
   b. If it is determined that the heel height of the animal is not within Z\textsuperscript{d} of what is indicated on its measurement card or valid measurement form, the Show Committee must have the same officials who made said determination (i.e., heel height) measure the animal. (see JH136.3 and .4).
   c. If the protest measurement exceeds the height limit for the section in which the animal was shown the owner forfeits entry fees and winnings for the entire competition and
the animal is barred from competing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified.

6. Animals Six Years of Age or Over.
   a. If the protest measurement is not within the heights for the section in which the animal is shown the owner forfeits entry fees and winnings for the entire competition and the animal is barred from competing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified.

7. If a competition’s steward is unable to notify an exhibitor of a protest before the exhibitor leaves the competition grounds, the protest will become void, and the steward will refund the protest fee. If a competition’s steward notifies an exhibitor of a protest of an animal’s height, and the exhibitor leaves the grounds before the measurement can be conducted, the protest will be filed with the Federation and an official protest measurement will be set up at the owner’s expense, before the animal is eligible to compete again. In addition, charges for rule violations may be filed against the owner and trainer by the Federation CEO or Executive Director per GR604.

JH134 Results of Protesting.

1. The measurement card, Certified card or valid measurement form of any animal that is found ineligible for the height section in which the animal was shown must be surrendered to the competition steward who must forward it to the Federation office with his report. If the owner is not in possession of the original measurement card at the time of the protest it is the owner’s responsibility to surrender all measurement cards to the Federation Kentucky office within five (5) days of the protest.

2. The name of any animal barred from showing due to its height exceeding the limit for the animal’s section is listed in Equestrian.

3. The decision of competition officials is final unless an appeal is filed with the Federation.

SUBCHAPTER JH-11 MEASUREMENT APPEAL.

JH135 Conditions.

An owner or trainer who questions the accuracy of an initial measurement or an owner or trainer of an animal declared ineligible for a division or section on account of height may appeal a measurement. Pending the appeal of an initial measurement, the animal continues to be eligible to compete as initially measured. With respect to animals declared ineligible as a result of a protest measurement, the animal is barred from competing in the particular height division or section for which he was declared ineligible until the measurement is performed. There shall be only one appeal per each initial measurement, and only one appeal per each protest measurement.

JH136 Procedures.

1. The appeal must be made to the Federation office in writing within seven (7) days of the measurement and must be accompanied by a fee of $100. The Federation reserves the right at their discretion to grant an appeal measurement. The request for an appeal measurement due to extenuating circumstances must be made in writing to the Federation office accompanied by a fee of $100.

2. All expenses including veterinary fees must be paid to the Federation by the appellant; the appellant may be required to deposit a sum in addition to the above fee as an advance on anticipated costs prior to the measurement; with respect to any appeal prior to the appeal measurement both the owner and trainer may be required to sign a waiver and consent on a form prepared by and acceptable to the Federation agreeing to the arrangements for the appeal measurement, agreeing to the administration of Lasix to the animal to aid in the collection of a urine sample for laboratory tests for Federation forbidden substances, agreeing that the appeal measurement shall be final and unappealable to a court of law, and agreeing that the owner and trainer of the animal each release and hold the Federation, and its officers, directors and licensed officials harmless from any claim whatsoever regarding the appeal measurement and respecting any measurements of the animal made prior to the appeal measurement.
3. The Federation will select a location and time for the appeal measurement as convenient as possible. The owner or trainer must deliver the animal to the location at his own expense within 45 days of filing the appeal.

4. The measurement must be performed by at least two persons appointed by the Federation which shall include one veterinarian who is a member of the American Association of Equine Practitioners and one Registered steward. The officials whose measurement is being appealed cannot be part of the team conducting the measurement appeal.

5. Any animal submitted for an appeal measurement must show no evidence of lameness. If found to be lame by the examining veterinarian, the animal cannot be measured or remeasured for thirty (30) days and the appellant forfeits his deposit of $100 and any veterinary expenses incurred. Each animal submitted for an appeal measurement must be tested for drugs and medications in accordance with GR405.

6. Appeal of initial measurement.
   a. With respect to appeals of initial measurements, if the appeal is denied the initially issued card remains in effect, and if the appeal is upheld, upon surrender of the initially issued card (if any) a new card will be issued based upon the appeal measurement; such cards remain subject to protest per Subchapter JH-11 of this rule.
   b. With respect to appeals of protest measurements, if the appeal is upheld, a Temporary Provisional Measurement card is issued to animals five years of age and under and a Standard Provisional Measurement card is issued to animals six years of age or over. The Temporary and Standard Provisional Measurement cards cannot be protested for the remainder of the competition year. The animal will receive credit for all points accumulated including all points, prize money and trophies won at the competition where protested.

7. With respect to appeals of protest measurements, if the appeal is not upheld or the appellant fails to submit the animal within 45 days, the animal remains barred from showing for the balance of the competition year. All points accumulated for Horse of the Year Awards are nullified.

8. At the end of the competition year all outstanding Temporary and Standard Provisional Measurement cards are nullified. Animals five years of age or under must be presented for a new measurement in accordance with JH125. Animals six years of age or over will be issued, upon surrender to the Federation of the animal’s Standard Provisional Measurement card, a Standard Measurement card which will indicate the same height as the Standard Provisional Card.

SUBCHAPTER JH-12 OFFICIAL MEASUREMENT.

MO102 Type and Conformation.
1. The Morgan’s form and movement in its distinctive gaits is the result of selective breeding and good training. A Morgan is distinctive for its stamina and vigor, personality and eagerness and strong natural way of moving. The head is made up of a straight or slightly dished face; large prominent eyes set wide apart; short and shapely ears set rather wide apart and carried alertly; small muzzle with firm lips and large nostrils; well-rounded jowls. In body conformation the Morgan gives the appearance of a very strong powerful horse with great shoulder angulation and depth, short back, broad loins, croup long and well-muscled and with tail attached high and carried gracefully and straight. Head is carried proudly and neck slightly arched meeting the head at a well defined throttle. Legs are straight and sound with short cannons, flat bone, medium length pasterns and an appearance of overall substance with refinement. The Morgan ranges from 14.1 to 15.2 with occasional entries over and under.
2. The Morgan horse is judged against the criteria set forth in The Morgan Horse Judging Standards. The Standards supplement the Federation Morgan Division rules. Federation rules take precedence. It is the responsibility of judges, stewards, exhibitors and officials to be familiar with the criteria and intent of The Morgan Horse Judging Standards. The Morgan Horse Judging Standards contain no protestable rules.
3. Entries shall be serviceably sound and in good condition. Animals with complete loss of sight in one eye may be found serviceably sound at the judge's discretion, except in a class over fences where a judge may ask a rider to change horses.
5. The specific kind of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed.
6. Morgan division classes which are judged without consideration for type and conformation shall include Reining, Trail, Jumper, Carriage Driving, Eventing, Sport Horse Suitability, Fitting & Showmanship, Dressage and Equitation. BOD 1/14/07 Effective 4/1/07

Exception: In the case of the bar shoe, the bar may not extend below the ground surface of the shoe. If a shoe band is used, it shall be weighed with the shoe. Weight attached to the exterior of the hoof is prohibited. Borium or standard screw-in caulks are allowed.
2. There are different length and/or weight restrictions according to the section or class within the Morgan Division.
3. If the limit for length of toe is exceeded, the horse must be disqualified for the entire competition and forfeits all entry fees and all winnings including but not limited to all prize money, sweepstakes, trophies, scholarships, ribbons, points, etc. for the entire competition.
4. In Classic Pleasure classes, horses may be shown with or without rim pads. A rim pad must follow the inner and outer edge of the shoe and the connection at the heel must not be wider than any aspect of the shoe. 7. At an all Morgan competition all Champions and Reserve Champions must have one foot measured immediately upon leaving the ring except in classes where points are accumulated to determine Championships (i.e., Dressage and Hunter) (See GR510).
8. In Morgan Division classes which are judged without consideration for type and conformation where the Federation has specific shoeing regulations in the discipline rules, those Federation rules govern all Morgan classes, except the length of toe must not exceed 5 3/4” including pads and shoe. In Saddle Seat Classic Equitation, the Classic Pleasure shoeing will prevail (MO127.3). BOD 1/14/07 Effective 4/1/07

1. All Harness classes must be divided if there are over 25 entries or in which safety appears to be a factor in the judgment of the show committee and/or judge.
2. In a divided class, separate ribbons and trophies will be awarded. Management, at its discretion, may divide or duplicate the prize money. Exception: In Championship classes or in classes in which a Challenge or Perpetual Trophy is offered, eliminations followed by a work off will determine the final placings.

**MO108 Championship Classes.**

1. At All-Morgan competitions, stripping of horses is mandatory in open and junior horse championship classes under saddle (Park Saddle, English Pleasure, Hunter Pleasure, Western Pleasure, Classic Pleasure Sections) when type and conformation are part of the specifications. (Exception: One horse classes and Parade classes.) At other than All-Morgan competitions, stripping of horses is mandatory in open and junior horse championship classes under saddle when type and conformation are part of the specification unless the prize list states that it is not required. (See also GR116.3)

MO109 Stakes.
At an all Morgan competition, all classes that require a qualifying class must be called a championship. (Refer to MO103.7 and MO108.1) At all other competitions, a stake class may either be a qualifying class for the championship or the final competition for that particular division. 2. Curb bits are prohibited for weanlings and yearlings in In-Hand classes.

MO112 Class Specifications.
1. Entries are to be judged individually, standing then at a walk and trot on the line and must be serviceably sound.
2. Horses should stand with front legs perpendicular to the ground. Rear legs may be placed slightly back. The horse is also judged at some time during the class not stretched.
3. Emphasis is placed on type and conformation with consideration given to horse’s ability to move correctly on the lead. Unnatural tail carriage should be penalized. See MO102.4 and MO114.2.
4. Not more than two handlers shall be allowed in the ring to show each horse in In-Hand classes. No item may be used inside or outside the ring while showing the horse except one whip per handler. (See General Rules, GR320.) BOD 1/14/07 Effective 4/1/07

MO113 Classes.
1. There is only one standard for type and conformation of the Morgan horse. If In-Hand classes are offered for horses in specific disciplines or specific classes or suitable to become classes (Classic Pleasure In-Hand, Western In-Hand, etc.) horses are judged against the criteria stated in MO102.
   If such classes are offered competition management must print the above in the prize list to assure there is no misunderstanding and that no horse will be judged against any standard for another breed, discipline, or division.
2. In-Hand classes may include: Weanling colts, Yearling colts, Two-year-old colts, Three-year-old stallions, Four-year-old stallions, Five-year-old and over stallions, Sire and Get Class (stallions to be shown with two to four of Get), Get of Sire (two to four of Get to be shown), Weanling fillies, Yearling fillies, Two-year-old fillies, Three-year-old mares, Four-year-old mares, Five-year-old and over mares (may be divided into mares that have had foals and mares that have not produced foals), Broodmare and foal, Dam and Produce (mares to be shown with two or more of Produce), Produce of Dam (two to four of Produce to be shown), Weanling geldings, Yearling geldings, Two-year-old geldings, Three-year-old geldings, Four-year-old geldings and Five-year-old and over geldings; Champions and Reserve Champions are selected as outlined in GR335.1, GR335.2 and GR335.4.
3. In Classic Pleasure In-Hand classes, all handlers/tailers must not be professionals as defined in GR808.
4. If specialty in-hand classes are held, they do not qualify for In-Hand Championships and are held according to local specifications. BOD 1/14/07 Effective 4/1/07
MO114  Judging.
1. Suitability of the horse and its motion for the type of job at hand is essential. Natural animated motion is desired in Park Horse classes. Easy ground-covering motion is desired in Pleasure and Working events. Judges must severely penalize any horse with laboring motion at any gait whether or not such motion indicates excessive weight or use of artificial training devices.
2. Judges should penalize unnatural tail carriage, which includes evidence of tail-setting and/or vertical break-over, dead tail and wry tail (wry tail is defined as askew, deformed, distorted or twisted). Judges should severely penalize tails carried vertically with an abrupt break-over (double-vertical).
3. Unless class specifications state otherwise entries are judged 40% on type and conformation and 60% on other qualifications appropriate to the class. Stakes are judged as qualifying classes. In Championship performance classes type and conformation shall count 50%. Judges must strictly apply these percentages.
4. Youth classes are to be judged in accordance with Open class specifications, open to exhibitors 21 years of age and under. A youth rider or driver may exhibit stallions, mares and geldings.
5. Cross entering between Youth and Junior Exhibitor classes is permitted unless prohibited in the prize list.
6. Horses to be shown at all required gaits both ways of the ring.
7. All horses chosen for a workout must be worked both ways of the ring at any gait requested.
8. In Pleasure Classes Under Saddle, horses must not be tested on obstacles.

BOD 1/14/07 Effective 4/1/07

MO115  Qualifying Gaits.
1. Walk: Flat-footed, steady, elastic.
2. Park Walk: Snappy, collected, animated, elastic and on a straight line.
3. Trot: Square, collected and balanced.
4. Park Trot: Animated, square, collected and balanced.
5. Pleasure Trot: Easy going trot with elasticity and freedom of movement.
6. Extended Trot: The extended trot should be bold, energetic, balanced and ground covering with a definite lengthening of stride resulting in an increase of speed without a sense of racing or straining. The mouth should remain light and the horse should demonstrate a complete acceptance of control without resistance at all times. A horse that does not remain light in the mouth and does not demonstrate a complete acceptance of control without resistance should be penalized. BOD 1/14/07 Effective 4/1/07
7. Road Trot: Balanced, ground covering. Form should not be sacrificed for speed. Excessive speed should be penalized.
8. Slow Trot: (Formerly “Collected”) The neck is raised, thus enabling the shoulders to move with greater ease in all directions, the hocks being well engaged and maintaining energetic impulsion, notwithstanding the slower movement. The horse’s steps are shorter but they are lighter and more mobile.
9. Working Trot: This is a pace between the strong and the slow trot and more round than the strong trot. The horses go forward freely and straight, engaging the hind legs with good hock action, on a taut but light rein, the position being balanced and unconstrained. The steps should be as even as possible. The hind feet touch the ground in the foot prints of the fore feet. The degree of energy and impulsion displayed at the working trot denotes clearly the degree of suppleness and balance of the horses.
10. Strong Trot: (“Trot On”) Clear but not excessive increase in pace and lengthening of stride while remaining well balanced and showing appropriate lateral flexion on turns; light contact to be maintained. Excessive speed will be penalized. The term used for calling this gait is “Trot on.”

MO139  Morgan Hunter Pleasure Class Specifications.
1. In Hunter Pleasure classes horses may be asked to back.
2. MORGAN HUNTER PLEASURE HORSES. OPEN, STALLIONS, MARES, GELDINGS, UNDER 15 HANDS, 15 HANDS AND OVER, LADIES, GENTLEMEN, AMATEUR, JUNIOR EXHIBITOR, MAIDEN, NOVICE, LIMIT, JUNIOR (4 YEARS OLD AND UNDER) YOUTH. To be shown at a walk, trot, extended trot, canter and extended canter, with light rein but still maintaining contact with horse's mouth. To be judged on performance with proper cadence and balance, manners and soundness 60%; type and conformation 40%.
3. CHAMPIONSHIP. The same specifications as the above paragraph except that the percentages are 50%-50% instead of 60%-40%.

MO140  General.
1. Gait requirements. The principal assignment for Roadsters is the trot. They shall be asked to trot at three distinctive speeds; the slow jog trot, the faster road gait and at full speed. Judges may ask Roadsters to walk. At all speeds they shall work in form with their heads set and their legs working beneath them. The trot should be balanced. Long sprawling action in front, dragging or trailing hind legs and spraddle gaited behind makes a balanced trot impossible. Animation, action, brilliance and competition ring presence should characterize Roadsters in working at a jog trot or road gait. When asked to show at speed, they must show speed and go in form. Although speed is of great importance, horses that pace, break or run on the turns must be severely penalized.
2. Judging Procedure. Roadsters enter the ring clockwise at a jog trot, show at a road gait; turn counter-clockwise at the jog trot, show at a road gait and then trot at speed. Horses should be shown on the rail at all times, except when passing and should go to the far end of every corner without side reining, should be light mouthed, capable of being taken up at any time, willing to walk and stand while being judged in the line-up. When horses are lined-up, no header is permitted and driver shall not leave his vehicle when left in the center of the ring while part of the class is on the rail for a workout. During the line-up, headers are permitted in Amateur, Ladies and Juvenile Roadster classes. The header must not touch the entry except for safety reasons. During a workout the header may uncheck and hold the entry. However, when the workout is over the horse must be rechecked and the header must move away from the horse. 2. At an all Morgan competition all Champions and Reserve Champions must have one foot measured immediately upon leaving the ring except in classes where points are accumulated to determine Championships (i.e. Dressage & Hunter). See GR510.

**MO149 Courses.**

1. Judges are encouraged to utilize courses designed to be suitable for local conditions and the horses competing. Heights that are stated in the prize list must never be exceeded and may be less than stated height.
2. Solid, sturdy obstacles are necessary and care must always be used in the placement, design and the flow of the course. Ground lines are crucial and the obstacles should simulate those found in the hunting field-post and rails, brush, stone and brick walls, white board fences, and gates, coops, oxers, etc. Targets and striped rails are not appropriate, but can often be redecorated or camouflaged to achieve a hunter style course.
3. Horses must execute at least eight jumping attempts, and any number of fences, jumped multiple times, will suffice. A change of direction is recommended in all classes.
4. Course diagrams must be posted at least one hour prior to the class. Fences should be numbered and the direction to be taken must be noted. If courtesy circles are to be restricted by a mandatory line, that line must be clearly marked on the course diagram and a marker must be on the course.

**MO150 Morgan Working Hunter Class Specifications.**

1. Under Saddle - Horses to be shown at a walk, trot, canter, and hand gallop both ways of the ring. For safety reasons, the judge may limit the number of horses to hand gallop at
one time. Excessive speed at the hand gallop should be penalized. Light contact is required and the horse should be responsive, obedient, alert and move freely. Horses should not be eliminated for slight errors.

2. Hunter Hack - Horses to be shown at a walk, trot and canter both ways of the ring. Horses are then individually asked to jump two fences and gallop one way of the ring. Fences—1'6" to 2'6".

3. Bridle Path Hack-Hunter type horse to be shown at a walk, trot canter and hand gallop both ways of the ring. To back easily and stand quietly while rider dismounts and mounts. Emphasis is placed on actual suitability to purpose.

4. Hunter classes may include, but are not limited to: Regular Working, Amateur/Owner, Adult Amateur, Youth, Jr. Exhibitor, Green, Pre-green, Schooling, Warm-up, Special, Maiden, Novice, Limit, Junior and divisions relating to the sex of the horse or rider, or the size of the horse.

5. Course designers should be encouraged to be conservative with fence heights not to exceed 3'6". If local conditions reveal active working hunters then more serious heights may be utilized but these should be balanced with classes of lesser height. The prize list wording can say “fences not over (given Height)” and this allows a variable fence height to be used. It would be unwise to state a bigger height than you would expect to use, as you would discourage potential exhibitors who might not attend at all.

6. Handy class obstacles should simulate those found in hunt country. There should be at least two changes of direction and a combination. Horses may be asked to lead over an obstacle.

7. Ins and outs should be as described in HU116.

8. Except in cases of inclement weather, broken equipment, for safety reasons or similar emergency, a course must not be altered except by permission of all exhibitors. Management may substitute original obstacles if they are rendered unusable. Exhibitors are encouraged to be as flexible as possible.

MO151 Championship Points.

1. A championship may not be offered in a section unless a minimum of two over fences classes and one Under Saddle class are held (exception: Ladies Side Saddle does not count). If a competition offers more than one Under Saddle class, only one may count towards the Championship. The prize list must specify the class to count.

2. When a Championship is offered, a poster must be kept in a prominent place with cumulative points charted. Only the first six places count toward Championship regardless of the number of ribbons offered.

3. Ribbons won in restricted classes will not count unless complementary classes are also offered to afford each equal opportunity to fulfill the minimum class requirements.

4. Ties are broken per HU139; the horse scoring the most points over fences wins the tie; or, in the face of a tie after that, the horses are shown and judged as an Under Saddle class.

MO167 AMHA Saddle Seat Medal Class. BOD 1/14/07 Effective immediately

Exhibitors must be AMHA youth members in good standing and must not have reached their 18th birthday as of December 1 of the competition year.

1. SEAT AND HANDS
   a. GENERAL-Judges should note that the required equitation seat should in no way be exaggerated, but be thoroughly efficient and most comfortable for riding the type of horse called for at any gait and for any length of time. Riders should convey the impression of effective and easy control. To show a horse well, the rider should show himself/herself to the best advantage. Ring generalship shall be taken into consideration by the judge. A complete picture of the whole is of major importance.
   b. HANDS-Hands should be held in an easy position, neither perpendicular nor horizontal to the saddle, and should show sympathy, adaptability, and control. The height the hands are held above the horse's withers is a matter of how and where the horse carries his head. The method of holding the reins is optional, except that both hands shall be used and all reins must be picked up at one time. Bight of rein should be on the off side.
   c. BASIC POSITION-To obtain proper position, the rider should place himself comfortably in the saddle and find his center of gravity by sitting with a slight bend at the knees, without the use of irons. While in this position, adjust leathers to fit. Irons should be
placed under the ball of the foot (not toe nor home), with even pressure on entire width
of sole and center of the iron. Foot position should be natural (neither extremely in nor
out).

d. POSITION IN MOTION-Walk: slight motion in saddle. Trot: slight elevation in saddle
while posting; hips under body, not mechanical up and down nor swinging forward and
backward. Canter: close seat, going with horse.

2. APPOINTMENTS

a. PERSONAL-Exhibitors and judges should bear in mind that, at all times, entries are
being judged on ability. However, neatness should be the first consideration of attire.
The following requirements are based on tradition and general present-day customs.
Judges must eliminate those contestants who do not conform. Adjustments to tack and
attire for valid medical reasons are permitted providing the steward is notified prior to
the class. Protective headgear with harness is acceptable.
Informal: Conservative colors are required (i.e. herringbone, pinstripes, and other com-
binations of colors that appear to be solid). Solid colors include black, blue, gray, dark
green, beige, brown, or dark burgundy. Jacket with MATCHING JODHPURS, derby or
soft hat, or protective headgear, and jodhpur boots must be worn.
Formal: Even more conservative attire is required for evening wear. Solid colors include
dark gray, dark brown, dark blue or black tuxedo-style jacket with collars and lapels of
the same color; jodhpurs to match, top hat or protective headgear, cummerbund, and
gloves are appropriate. The most formal evening outfit would include a tuxedo-style
Saddle Suit, top hat (ladies), homburg (men), patent leather boots, wing collar shirt,
white pique tie, white vest, cummerbund and white gloves. A dark riding habit with
accessories and jodhpur boots is also acceptable. Formal riding habits must not be
worn before 6 p.m. and are not mandatory after 6 p.m.
Miscellaneous: Spurs of the unrowelled type and whip or crop are optional.

b. TACK-Bridle: Entries must be shown in full bridles (curb and bridoon). Martingales or
similar tiedowns are prohibited. Saddle must be of the flat, English style. Forward seat,
Dressage seat, or Western saddles are prohibited.

3. CLASS ROUTINE

a. Entries are to enter the ring at a trot and are to be judged both ways of the ring at
the walk, trot, and canter. At the canter, entries should always be on the correct lead.
The reverse may be executed by turning either toward or away from the rail. At least the
top four riders must perform two or more individual tests. When individual tests are
called for, the judge's decision is a 50-50 analysis of the rail work and the individual
tests. If there are more than 20 entries in the class, the judge must work contestants in
groups of 20 or less. Division of the class must be publicly announced and posted at
least two hours prior to the start of the class.

4. TESTS FROM WHICH JUDGES MUST CHOOSE

Tests may be performed either individually or collectively but only the tests below may be
used. Instructions must be publicly announced. Individual workout instructions may be
posted for all competitors to study, at least one hour before the session containing the class,
and, if so, announced to the exhibitors.

a. Address reins-the process of laying down reins and picking up reins (only in line up).
b. Back for not more than eight steps.
c. Performance on rail.
d. Performance around ring.
e. Feet disengaged from stirrups, then reengaged, in the lineup only.
f. Change of diagonals down center of ring or on the rail.
g. Execute serpentine at a trot. A series of left and right half circles off center of imagi-
nary line where correct diagonal must be shown.
h. Circle at a trot.
i. Figure eight at trot demonstrating change of diagonals. Unless specified, it may be
started either facing the center or away from the center. If started facing the center, it
must be commenced from a halt. At left diagonal rider should be sitting the saddle when
left front leg is on the ground; at right diagonal rider should be sitting saddle when right
front leg is on the ground. When circling clockwise, rider should be on left diagonal;
when circling counterclockwise, rider should be on right diagonal.
j. Execute serpentine at a canter on correct lead demonstrating simple change of lead. 
(This is a change whereby the horse is brought back to a halt/walk and restarted into a canter on the opposite lead.)
k. Circle at the canter on the correct lead.
l. Figure eight at canter on a correct lead demonstrating simple change of lead. Unless specified, it can be started either facing the center, or away from the center. If started facing the center, it must be commenced from a halt. Figures are commenced in center of two circles so that one lead change is shown. 
m. Change leads down center of ring or on the rail demonstrating simple change of lead. The judge must specify exact lead changes to be executed and the beginning lead. In a simple change of lead, the horse is brought back to a halt/walk and restarted into a canter on the opposite lead from the halt or walk.
n. Demonstration ride of approximately one minute on own mount. Movements must be selected from Tests .a.-m above. Rider must advise judge beforehand what ride they plan to demonstrate. Riders must have with them two copies (one for judge and one for announcer) of a written, one-minute work-out in case the judge asks for this test. The test must be stopped at the end of one minute, but the rider will not be penalized for not completing it.
o. Exchange horses, no more than three pairs of riders and horses to exchange. Saddle may be exchanged. The attendant for each horse being exchanged must be allowed in the ring only to facilitate the change. This test is used only to break a tie within the pairs of riders. In other words, if two pairs are called to exchange horses, one pair will receive 1st and 2nd place, and the other pair will receive 3rd and 4th place.
p. Ride without stirrups for a brief period of time, no more than one minute at the trotting phase. Riders may be asked to engage stirrups at a halt or walk.

**MO168 AMHA Western Seat Medal Class. BOD 1/14/07 Effective immediately**

Exhibitors must be AMHA youth members in good standing and must not have reached their 18th birthday as of December 1 of the competition year.

1. SEAT AND HANDS
   a. GENERAL-Riders will be judged on seat, hands, performance of horse, appointments of horse and rider, and suitability of horse to rider. Results as shown by the performance of the horse are NOT to be considered more important than the method used in obtaining them.
   b. HANDS-In repose, arms are in a straight line with body, and the one holding the reins is bent at the elbow. Only one hand is to be used for reining and hands shall not be changed. Hand to be around reins. When ends of split reins fall on near side, one
finger between the reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger is allowed between the reins. The position of the hand not being used for reining is optional, but it should be kept free of the horse and equipment and held in a relaxed manner with the rider’s body straight at all times. Rider may hold romal or end of split reins to keep from swinging and to adjust the position of reins, provided there are at least 16 inches of rein between the hands. If a romal is used, hands are to be above the horn and as near to it as possible. Bracing against horn or coiled riata will be penalized.

c. BASIC POSITION-The stirrup should be just short enough to allow heels to be lower than toes. Body should appear comfortable, relaxed, and flexible. Feet should be placed in the stirrups with the weight on the ball of the foot. Consideration, however, should be given to the width of the stirrups, which vary on Western saddles. If stirrups are wide, the foot may have the appearance of being home when, in reality, the weight is being properly carried on the ball of the foot.

d. POSITION IN MOTION-Rider should sit to jog and not post. At the lope, he should be close to saddle. All movements of horse should be governed by the use of imperceptible aids and the shifting of rider’s weight is not desirable.

2. APPOINTMENTS

a. PERSONAL-Riders must wear suitable hat; long-sleeved shirt with collar; a necktie, kerchief or bolo tie or pin; trousers or pants (a one-piece equitation suit is acceptable provided it includes a collar). Chaps, shotgun chaps or chinks and boots are required. A vest, jacket, coat and/or sweater may also be worn. Protective headgear is acceptable; it is not required to be of Western type. Spurs are optional. Hair must be neat and fastened so as not to cover rider’s number.

b. TACK-The saddle should fit the rider. It may be a slick or swelled fork, have a high or low cantle, but must definitely be sized to the rider. Nothing which would prevent the stirrups from hanging freely shall be added to or deleted from a standard western saddle. Exhibitors must not ride side-saddle. There shall be no discrimination against any legal western bit. Curb chains and leather chin straps may be used, but must be flat, at least 1/2” in width and lie flat against the jaws of the horse. Wire, rawhide, metal or other substance must not be used in conjunction with or as part of the leather chin strap or curb chains. A light lip strap is permissible. Hackamores, bosals, or snaffle bits may not be used and rider must show with one hand. Silver equipment may be used, but should not be given preference over good working equipment. Shin, bell or skid boots are prohibited. Bridles may be checked at the discretion of the judge(s). The judge(s) may designate the steward to check bridles. If checking is done in the class lineup, one attendant must be invited in, and if requested by the judge(s), may assist in the checking of bridles. The attendant may assist with re-bridling and remounting.

3. CLASS ROUTINE

a. Entries are to enter the ring at a walk or jog, and are to be judged at a flatfooted, four-beat walk; diagonal, two-beat jog; and three-beat lope. They are worked both ways of the ring. At the lope, entries should be on the correct lead. The reverse may be executed by turning either toward or away from the rail. All contestants are required to back in a straight line during the line up in all classes. At least the top four riders must perform two or more individual tests. When individual tests are called for, the judge’s decision should be a 50-50 analysis of the rail work and the individual tests. If there are more than 20 entries in the class, the judge must work contestants in groups of 20 or less. Division of the class must be publicly announced and posted at least two hours prior to the start of the class. Due to the difficulty of properly fitting tack, riders shall not be asked to change horses.

4. TESTS FROM WHICH JUDGES MUST CHOOSE

Tests may be performed either collectively or individually, but only the tests below may be used. Instructions must be publicly announced. Individual workout instructions may be posted for all competitors to study, at least one hour before the session containing the class, and, if so, announced to the exhibitors.

a. Back.

b. Individual performance.

c. Figure eight at the jog.

d. Lope and stop.
e. Figure eight at lope on correct lead, demonstrating simple change of lead. This is a change whereby the horse is brought back into walk or jog and restarted into a lope on the opposite lead. One figure eight demonstrates two changes of lead and is completed by closing up the last circle and stopping in the center of the eight.
f. Turn on the haunches or on the forehand (from the walk).
g. Extended jog on or off the rail.
h. Lope on the counter lead.
i. Demonstration ride of approximately one minute. Rider must advise judge beforehand what ride he plans to demonstrate.

MO169 AMHA Reining Seat Medal Class. BOD 1/14/07 Effective immediately
Exhibitors must be AMHA youth members in good standing and must not have reached their 22nd birthday as of December 1 of the competition year.

1. SEAT AND HANDS-See Western Seat Medal Class #1.

2. APPOINTMENTS
   a. PERSONAL-Riders shall wear suitable hat, long-sleeved shirt with collar, a necktie, kerchief or bolo tie or pin, trousers or pants (a one-piece equitation suit is acceptable provided it includes a collar). Chaps, shotgun chaps or chinks and boots are required. A vest, jacket, coat and/or sweater may also be worn. Protective headgear is acceptable; it is not required to be of Western type. Spurs are optional. Hair must be neat and securely fastened if long so as not to cover rider’s number.
   b. TACK-The saddle must fit the rider. It may be a slick or swelled fork, have a high or low cantle, but must definitely be sized to the rider. Nothing which would prevent the stirrups from hanging freely shall be added to or deleted from a standard Western saddle. Exhibitors may not ride side-saddle. There shall be no discrimination against any legal Western bit. Curb chains and leather chin straps may be used, but must be flat, at least 1/2” in width and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance may be used in conjunction with or as part of the leather chin strap or curb chain. A light lip strap is permissible. Hackamores, bosals and snaffle bits may not be used. Rider must show with one hand. Silver equipment may be used, but should not be given preference over good working equipment. Shin, bell or skid boots are permitted. Judge must ask to have bits dropped with rider dismounted.

3. CLASS ROUTINE
   a. Each entry must perform one of the Federation Reining patterns outlined in RN107.
   b. The Reining Seat Medal Class is an equitation class where position, hands and seat are paramount. The class will be judged 50% on equitation and 50% on the reining pattern. A contestant who is off pattern will be disqualified and will not receive any award except in a ride-off where the contestant shall be placed last of those chosen for the ride-off.
   c. The horse should be in perfect balance at all times, working entirely off his haunches. Neck and head should be in a direct line with body, mouth closed and head at normal height. If the horse works off his hindquarters at all times and in a straight line, all possibility of draw-reining will be avoided. It must be remembered that, above all, a reining horse is one that responds instantly and smoothly to all aids.

4. REINING SEAT PATTERN
   a. INSTRUCTIONS-The pattern MUST be posted one hour prior to the class. The judge will select which pattern will be used. The pattern MUST be publicly announced and the judge MUST give riders the opportunity to ask questions at the start of the class.
   b. THE PATTERNS-The rider must perform one of the patterns in the Reining Horse Division of the current Federation Rule Book. A reining pattern must be used.
Exhibitors must be AMHA youth members in good standing and must not have reached their 18th birthday as of December 1 of the competition year.

1. **SEAT AND HANDS**
   a. **GENERAL**—Rider should have a workman-like appearance, seat and hands light and supple, conveying the impression of complete control should any emergency arise. Exhibitors may not ride side-saddle.
   b. **MOUNTING AND DISMOUNTING**—To mount, take up reins in left hand and place hand on withers. Grasp stirrup leather with right hand and insert left foot in stirrup and mount. To dismount, either step down or slide down. The size of rider must be taken into consideration.
   c. **HANDS**—Hands should be over and in front of horse’s withers, knuckles 30 degrees inside the vertical, hands slightly apart and making a straight line from horse’s mouth to rider’s elbow. Method of holding reins is optional and bight of reins may fall on either side. However, all reins must be picked up at the same time.
   d. **BASIC POSITION**—The eyes should be up and the shoulders back. Toes should be at an angle best suited to the rider’s conformation; ankles flexed in, heels down, calf of leg in contact with horse and slightly behind girth. Iron should be on ball of foot and must not be tied to the girth.
   e. **POSITION IN MOTION**—At the walk and slow trot, body should be vertical; posting trot, inclined forward; canter, halfway between the posting trot and the walk; galloping and jumping, same inclination as the posting trot.

2. **APPOINTMENTS**
   a. **PERSONAL**—Exhibitors and judges should bear in mind that at all times entries are being judged on ability rather than on personal attire. Riders **must** wear coats of any tweed or melton appropriate for hunting (conservative wash jackets in season), breeches (or jodhpurs), and boots. Conservative colored protective headgear with harness in accordance with GR318.3 is mandatory. Spurs of the unrowelled type, crop, or bat optional. Judges must eliminate contestants who do not conform. All juniors riding in Hunter, Jumper, and Hunter Seat Equitation sections **must not** ride anywhere on the competition grounds without wearing protective headgear passing testing standards. (Refer to GR318.) Harnesses must be secured, and if said headgear has a brim, it must be flexible or semi-flexible. Any rider violating this rule at anytime must immediately be prohibited from further riding until his headgear is properly in place.
   b. **TACK**—Regulation snaffles, pelhams, Kimberwickes and full bridles, all with Hunter cavesson nosebands are **permitted**. A judge at his own discretion may penalize a horse with non-conventional types of bits or cavessons. A Hunting or Forward seat saddle is **required**; a cut-back saddle is **not permitted**. Breastplates are permitted without the martingale attachment.

3. **CLASS ROUTINE**
Entries are to enter the ring at a walk or trot and are to be judged at a flatfooted four-beat walk, diagonal two-beat trot, and three-beat canter. They are worked both ways of the ring. At the canter, entries should be on the correct lead. The reverse may be executed by turning either toward or away from the rail. At least the top four riders must perform two or more individual tests.

When individual tests are called for, the judge’s decision is a 50-50 analysis of the rail-work and the individual tests. If there are more than 20 entries in the class, the judge must work contestants in groups of 20 or less. Division of the class must be publicly announced and posted at least two hours prior to the start of the class.

Except for refusals, jumping faults of the horse are not to be considered unless it is the result of the rider’s ability.

   (3) Loss of reins
   (4) Trotting on course when not part of a test

c. Each contestant may circle once if desired before approaching first jump. They shall then proceed around course, keeping an even pace throughout. Three cumulative refusals will eliminate a contestant. If a refusal occurs in a double or triple, riders shall rejump all elements of the combination. MO172 AMHA Dressage Seat Medal Class. BOD 1/14/07 Effective immediately

Exhibitors must be AMHA youth members in good standing and must not have reached their 22nd birthday as of December 1 of the competition year.

1. POSITION AND AIDS OF THE RIDER
   a. All movements should be obtained without apparent effort of the rider. He should be well balanced with his loins and hips supple, thighs and legs steady and well stretched downward. The upper part of the body should be easy, free, and erect, and hands should be low and close together without touching each other or the horse, and with the thumb as the highest point. The elbows and arms should be close to the body, forming a reasonably straight line from the rider’s elbow to the horse’s mouth enabling the rider to follow the movements of the horse smoothly and freely and to apply his aids imperceptibly. This is the only position that makes it possible for the rider to school his horse progressively and correctly.
   b. The seat, as well as the hands and legs, is of great importance in Dressage. The rider who understands how to contract and relax his loin muscles at the right moment is able to influence his horse correctly.
c. Riding with both hands is obligatory, except when leaving the arena at a walk on a loose rein.
d. The use of the voice in any way whatsoever, or clicking the tongue once or repeatedly, is a serious fault, involving the deduction of at least two marks from those that would otherwise have been awarded for the movement when this occurred.

2. APPOINTMENTS
a. PERSONAL-Competitors are reminded that neatness should be the first consideration. A black or dark conservative hunt coat; dark colored hunt cap or derby; buff, canary, or white breeches; black boots; and gloves are recommended. Hairnets should be worn by riders with long hair. Spurs of the unrowelled type are optional. Protective headgear is acceptable.
b. TACK-A plain snaffle bridle with a regular cavesson, dropped noseband, flash noseband, or crossed noseband, made entirely of leather, is mandatory. Any English saddle with stirrups is acceptable. Martingales of any kind, bearing side or running reins, any kind of boots or bandages, and any form of blinders are forbidden. Braiding of the horse’s mane is optional.
c. HORSE-Riders must be mounted on horses that have not competed in any test above the Third Level. Only one rider per horse, one entry per rider.

3. CLASS ROUTINE
a. Riders in AMHA Silver Medal Classes will perform the current Federation Training Level, Test Four. The test may be called or ridden from memory. Riders in the AMHA Medal Class Finals will perform the current Federation First Level, Test 1. The test MUST be ridden from memory. Riders are exempt from Dressage DR119.2 when competing in the AMHA Dressage Seat Medal only.
b. TRAINING LEVEL- Introduces the rider and horse to the basic principles of Dressage competition. Training Level requires “obedience” to the aids of the rider without fight or evasion when the horse is ridden on light contact. One is searching for free, rhythmic, forward movement, with the horse relaxed and obedient, and stretching into the bit in a calm, receptive manner.
c. FIRST LEVEL-Determines that the correct foundation is being laid for successful training of the riding horse, that the horse moves forward freely in a relaxed manner and with rhythm, its spine always parallel to the track of the prescribed movement; that it accepts the bit and obeys simple aids of the rider. First Level tests require not only the “obedience” and “relaxation” qualities of the Training Level, they now require that the horse show “soft response” to the aids. Examples of this: softening of the lower jaw, some flexion at the poll, lateral bending, and quiet transitions.

Current dressage tests are available from United States Equestrian Federation, Inc., 4047 Iron Works Parkway, Lexington, KY 40511; 859/258-2472.

Horse owners must be members of the National Show Horse Registry in order to exhibit at District and National Finals Competition.

NS102 Shoeing Regulations.

NS103 Boots.
1. Either unweighted bell boots or unweighted quarter boots are permitted in five-gaited, fine harness and roadster classes, but are prohibited in all other classes. When used, only one of either type boot is permitted on a hoof. In case of inclement weather, the use of polo boots and bandages may be permitted provided competition management publicly announces it before a class.

NS104 Breed Standard.
1. The National Show Horse shall strive to produce an athletic horse which retains size, beauty and refinement. Specifically, the following traits are desirable:
   a. Motion—Balance and obvious power from the hindquarters flowing into an elevated front end, the front legs showing both flexion and extension;
   b. Neck—Very long, set high on the shoulder and relatively upright with fine throat-latch. The neck should be shapely but without a pronounced crest;
   c. Head—Relatively small, short and refined with large eyes and small, well placed ears and a straight or slightly concave profile (a “Roman nosed” or convex profile is not desirable);
   d. Pronounced withers and a very deep and well laid-back shoulder;
   e. Proportionately short back closely coupled with a long hip and relatively level top line (moderately sloping croup not to be penalized);
   f. Legs—Correct from all angles with long forearms and short cannon bones in front and long, well-angled pasterns front and rear;
   g. Refinement of bone but not lacking in substance, especially in the chest, girth, shoulder and hip;
   h. A relatively high-set tail, natural and flowing;
   i. When observed at rest or in motion, the horse must exhibit a natural presence and, when animated, extreme brilliance. The horse must exhibit high carriage when showing or relaxed.

NS105 General.
1. All horses shall be worked both ways of the ring at all required gaits as directed by the judge(s). All horses chosen for a workout must be worked both ways of the ring in front of each judge, at any gait except the walk.
2. To be penalized: Over-bridling (i.e., over-flexed, chin toward chest); mixed gaits; unbalanced action; pulling; fighting the bit; tossing the head; carrying head to one side or going sideways; leaving hocks behind; strung out; wrong lead or cross-cantering; breaking of gait; winging; interfering; traveling wide behind; loss of form due to excessive speed; bad manners; exaggerated opening of mouth; carrying sour ears; bucking; rearing; balloking; kicking or not being under control. Attendants must be neatly attired and may be required to meet dress requirements set forth by individual competition managements, provided that such requirements are printed in the prize list.

5. The use of action devices is permitted in all sections in accordance with GR302.

6. Stallions may be shown in Ladies’, Junior Exhibitors’ and National Show Horse Saddle Seat Equitation classes unless prohibited in the prize list.

NS107 Conduct.

1. An exhibitor is entitled to request only one time out per class. See GR312.

NS108 Judging Criteria.

1. The specific type of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed. For example: A horse placed first in a class judged on performance, quality, manners and conformation could justifiably be unplaced against the same horses if the class were judged on manners, quality, performance and conformation. The criteria considered are: performance, manners, quality and conformation.

NS109 Qualifying Classes and Specifications.

1. OPEN, JUNIOR, THREE-YEAR-OLD, TWO-YEAR-OLD, MAIDEN, NOVICE AND LIMIT. Classes are judged on performance, quality, manners and conformation (Exceptions: NS127). The OPEN horse should be the ultimate representative of the breed. It should be as nearly perfect as possible; performing all gaits with animation, brilliance and extreme action at both ends. Performance is paramount in these classes; next is quality, manners and conformation.

2. LADIES. Classes are judged on manners, quality, performance, and conformation. A Lady’s horse should be outstanding in refinement and elegance with suitability of horse to rider taken into consideration. Expression is paramount and quality is of prime consideration. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly.

3. JUNIOR EXHIBITORS, AMATEUR and OWNERS. Classes are judged on manners, performance, quality and conformation (Exception: Show Hack). Manners are paramount in these classes but there is a difference in the way in which horses are judged in each. Suitability of horse to rider shall be given consideration.

4. The JUNIOR EXHIBITOR horse should be mannerly, willing and expressive with balanced action. The execution of gaits should be performed with brilliance on command. The horse should walk and stand quietly.

5. AMATEUR, GENTLEMEN, and OWNERS horses can be a bit stronger and perform in a bolder manner. More action and animation are desired and less emphasis can be put on manners than in Ladies and Junior Exhibitor classes.

NS110 Division of Classes.

1. It is recommended that classes of 25 or more entries be divided into separate sections by sex, size of horse or selecting every other number on the list of entries. The division of entries must be posted in the competition office and announced over the public address system, or listed in the program.

2. In Ladies, Junior Exhibitor, Amateur, Owner, Fine Harness, Pleasure Driving and Country Pleasure Driving classes it is recommended that classes of more that 15 entries be divided in the same manner.
SUBCHAPTER NS-2. DESCRIPTION OF GAITS.

NS111 General.
1. The standard of excellence of the National Show Horse, is beauty, symmetry and balance. Balance features coordinated motion, with straight true folding action of the front legs with flexing hocks carried close together, producing a clean, rhythmic and fluid way of going. In addition, the National Show Horse possesses animation, brilliance and extreme grace of movement.
2. UNDESIRABLE: Winging, interfering, traveling wide behind, mixing of gaits, shackled look and loss of form.

NS112 Walk.
Judging at the walk is based on manners, quality and natural action; it is not used as a rest period.
1. WALK: The walk should be an elastic, ground covering and collected four-beat gait maintaining proper form and consistency in stride. It should be executed in a brisk manner that is compatible with the type of class. It should display the horse’s good manners, type of stride and attitude. The walk is relaxed.
2. ANIMATED WALK: The animated walk is a highly collected gait, exhibiting much “primp” at a slow, regulated speed, with good action and animation. It should have snap and easy control. It can be either a two-beat or four-beat gait. It is performed with great style, elegance and airiness of motion. A flat-footed walk is not to be penalized.
3. The walk is required as a transition between gaits in English Pleasure, Three-Gaited and Five-Gaited, except between the trot and strong trot and slow gait and rack.

NS113 Trot.
1. The trot is a natural, two-beat diagonal gait in which the front foot and the opposite hind foot take off from the ground in unison and land simultaneously. A balanced trot features coordinated motion with straight, true, shoulder motion of front legs, with flexing hocks carried close together. To be performed at a moderate speed and collection. The trot must be mannerly, balanced, cadenced and free moving. Posting is required.
2. Strong trot: A two-beat gait. At the strong trot the horse exhibits more power and motion than at the trot. It is performed with a lengthened stride but no decrease of collection. The speed is determined by each horse’s own natural ability to increase stride, to maintain collection and not to lose form. Horses that string out behind are to be penalized. Extreme knee flexion or extreme extension are encouraged if combined with a bright and willing attitude and an unlabeled, pleasurable appearance. The strong trot must be mannered, balanced, cadenced and free moving. Posting is required.
3. Park trot: A two-beat gait that requires extreme knee flexion and use of the shoulder for balanced, graceful extension. Speed to be penalized. The most desirable park trot gives a balanced appearance from front and rear. It should be executed in a highly collected manner. Posting is optional.
4. Roadster Jog-trot: The jog-trot is called to display the purity of the horse’s gait. It is executed in a highly collected manner. The horse’s energy should be directed toward animation rather than speed.
5. Gaited trot: The trot of the Five-Gaited horse should show speed in form. The desired speed is the maximum rate at which the horse can trot while still maintaining proper form, control and balance. Posting is optional.
6. “Show Your Horse”: At this command the driver has the privilege of showing the Fine Harness horse to its best advantage at the trot but excessive speed shall be penalized.
7. Road Gait: The road gait trot is executed in a highly collected manner. It is faster, stronger and bolder than the jog-trot; with a fuller extension of stride to obtain desired speed.
8. Drive On: When asked to drive on in Roadster classes, the horse must show speed in form. The desired speed is the maximum rate at which a horse can trot while still maintaining proper form, control and balance.
NS114  Canter.
1. Criteria.
   a. A three-beat gait. Smooth, unhurried, with moderate collection, correct and straight on both leads. The horse must appear bright but relaxed.
   b. It is acceptable, although not encouraged, for the horse to have a bolder, stronger canter in those classes where manners are not paramount or where speed at a qualifying gait is desired. Ease of control, rate of speed and collection may vary according to the class specifications.
   c. Where manners are paramount, a slow, consistent rate of speed must be maintained with little obvious effort from the rider.

NS115  Slow Gait.
1. The slow gait was developed from the pace to be a four-beat gait with each of the four feet contacting the ground separately. In the takeoff, the lateral front and hind feet start almost together but the hind foot contacts the ground slightly before its lateral forefoot.
2. The slow gait is a highly collected gait with most of the propulsion coming from the hindquarters, while the forequarters assist in the pull of the final beats. The slow gait is not a medium rack.
3. The slow gait is a restrained four beat gait, executed with hesitation and slight elevation with true and distinct precision. Speed is to be penalized. It is high, lofty, brilliant and restrained, denoting style, grace and polish of the horse.

NS116  Rack.
1. The rack is a four-beat gait in which each foot meets the ground at equal, separate intervals. It is smooth and highly animated, performed with great action and speed, in a slightly unrestrained manner. Desired speed and collection are determined by the maximum rate at which a horse can rack in form. Racking in form should include the horse remaining with a good set head. It should be performed by the horse in an effortless manner from the slow gait, at which point all strides become equally rapid and regular.
2. TO BE PENALIZED: Any tendency to become “trotty”, “pacey” or “hitchy gaited”.
3. In Pleasure classes, there is more emphasis on the way of going as a pleasure gait with only moderate speed required. Where manners are paramount, there is more emphasis on the ease by which it is performed by the rider.

SUBCHAPTER NS-3.  HALTER CLASSES.

NS117  General.
1. Halter classes may be divided by sex and age groups at the discretion of competition management.
2. Horses to be shown standing, at a walk and at the trot. Halter horses are not to be stretched or “parked out”. A horse is considered not stretched if all four feet are flat on the ground and at least one front and one rear cannon bone are perpendicular to the ground. Horse's weight evenly distributed on all four legs. Emphasis shall be placed upon adherence to breed standards, conformation and quality, with close attention placed upon animated motion, flexion of the joints and correct movement of the horse. Transmissible weakness to be counted strongly against breeding stock. Horses must be serviceably sound.
3. A suitable headstall equipped with throatlatch is mandatory. Curb bits are optional on horses one year and older. Only one handler is permitted in the ring per horse. Showmanship is important in any competition class including halter. However, when showmanship of one handler is at the expense of another, then that handler's entry shall be penalized at the discretion of the judge. Excessive use of the whip which would harm the horse, cause negative reaction of the spectators or interfere with another entry is forbidden. Halter handlers shall dress neatly. It is recommended that both men and women wear a vest and/or a dress jacket. Gloves, hats and ties are recommended. English riding suits are preferred but only with pants and coats specifically tailored in length for standing. Rolled up pants are not permitted. Denim jeans, hunt seat attire or western suits of any kind are not permitted.
4. The use of shackles, elastic stretchers or blindfolds on weanlings and yearlings is prohibited on the grounds before or during a competition.
NS118 Get of Sire and Produce of Dam.
1. Get of Sire and Produce of Dam classes shall have at least two entries entered under the name of the sire or dam, one handler per entry. They shall be shown and judged under the same provisions as in NS117.2 and .3 above, except a walk or trot is optional and emphasis shall be placed upon reproductive likeness, uniformity and quality of, and adherence to, breed characteristics and conformation. More than one set of entries per sire or dam may be entered in the same class.

SUBCHAPTER NS-4. PLEASURE SECTION.

5. Spurs, whip or crop optional at the exhibitor’s discretion.

**NS149 Qualifying Gaits.**

A Show Hack horse is not necessarily a Dressage horse, nor an English Pleasure horse of the National Show Horse Division. Elevation and high knee action are not to be emphasized. The Show Hack is a suitable section for the well trained animal. Show Hacks must be balanced and show vitality, animation, presence, clean fine limbs and supreme quality typical of the breed. Soundness is required.

1. **Walk,** a four-beat gait: Straight, true and flatfooted.
   a. Normal walk: Regular and unconstrained, moving energetically and calmly forward.
   b. Collected walk: Strides are shorter and higher than the normal walk. The head approaches the vertical, but should never move behind it. Pacing is a serious fault.
   c. Extended Walk: The horse is allowed to lengthen frame and stride while rider maintains light rein contact. The horse should cover as much ground as possible without rushing.

2. **Trot,** a two-beat gait: Free-moving, straight, rider maintaining light contact with the horse’s mouth at all times.
   a. Normal Trot: Light, crisp, balanced and cadenced with the rider posting.
   b. Collected Trot: The horse’s stride is shorter and lighter, maintaining balance and impulsion. The neck is more raised and arched than at the normal trot as the head approaches the vertical line, never moving behind it. Rider is sitting.
   c. Extended Trot: Maintaining the same cadence and performing at medium speed, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in the rider’s hand as it lengthens its frame. Rider is posting.

3. **Canter,** a three-beat gait: straight on both leads, smooth.
   a. Normal Canter: Light even strides, should be moved into without hesitation.
   b. Collected Canter: Marked by the lightness of the forehand and the engagement of the hindquarters, the collected canter is characterized by supple, free shoulders. Neck is more raised and arched than in normal canter as the head approaches the vertical line, never moving behind it.
   c. Extended Canter: Maintaining the same cadence, the horse lengthens its stride as a result of greater impulsion from the hindquarters. Horse should remain light in rider’s hand as it lengthens its frame.
   d. Hand gallop: The hand gallop is performed with a long, free, ground covering stride. The amount of ground covered may vary between horses due to the difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads.

4. The collected and extended gaits **are to be called by** the judge both ways of the ring. At the discretion of the judge, horses while on the rail may be asked to halt and rein back. A Show Hack shall be able to perform all of these gaits with a noticeable transition between the normal, collected, and extended gaits. The horse must appear to be under complete control and easily ridden. Obedience to the rider is of prime importance. If the horse exhibits clear transitions in a balanced and level manner, appearing to be giving a comfortable and pleasurable ride, he is performing correctly for this class. **BOD 1/14/07 Effective 4/1/07**

CHAPTER PF
PASO FINO HORSE DIVISION

SUBCHAPTER PF-1.
GENERAL QUALIFICATIONS.

PF101 Eligibility.
1. To be eligible for entry and exhibition in a show, a horse must be registered with the Paso Fino Horse Association and must be entered and exhibited under its full registered name and registration number. All participants (owners, agents, lessees, trainers, riders, exhibitors, and handlers) must be current members of, and in good standing with, the PFHA. These rules are a condensed version of the Paso Fino Horse Association rules. Please refer to the latest edition of the PFHA rules for details.
2. Definition of an Amateur Owner. Each exhibitor in an Amateur Owner Class must be an amateur by the above definition, certified as an Amateur by the Federation and be the owner of the horse being ridden or a member of the owner’s family (GR106 and GR122). In the case of a corporate owner, the stockholders of the corporation shall be considered the owners for purposes of this definition. A horse that is the subject of a lease to an amateur is not considered owned by that amateur for purposes of this definition. The purchaser of a horse under an installment method of payment shall be considered the owner of the horse for purposes of this definition, if the purchaser, either before or at the time of the competition in question, files an affidavit on a form provided by the Paso Fino Horse Association for this purpose that describes certain relevant information about the purchase.
3. Senior Amateur Owner. Senior amateur owner status provides a separate track for recognition and awards for those association members age sixty-two (62) and older. The member must have attained at least age sixty-two (62) at the beginning of the show year to qualify as a “Senior Amateur Owner.” All other criteria for Amateur Owner status provided in the Bylaws and these Rules apply. In order to facilitate recognition of Senior Amateur Owner status, a senior amateur owner must provide his or her date of birth.
4. All horses born in 1980 or after shall be prohibited from showing if scarred by training devices. Imported horses born prior to 1980 shall not be penalized for old training scars provided they are indicated on their association registration description, unless such scars evidence fresh signs of blood or new scar tissue caused by training devices. Paso Finos will be exhibited in the most natural way possible.
5. Manes, forelocks and tails should retain their full and natural status; a short area, not to exceed four (4) inches in length, may be clipped from the mane to accommodate the bridle. Horses under one (1) year of age will not be penalized for having clipped manes or tails.
6. No artificial appliances are allowed. Normal grooming preparations are allowed, but make-up, (other than on hooves), glitter, or any other way of artificially changing the appearance of a horse is prohibited. All horses must be in good condition. The color of a horse or the color of the horse’s eyes will not be a consideration in judging a horse.
7. Soreing of a horse is prohibited. Any physical evidence, including but not limited to scars or blisters, of training with heavy shoes or artificial devices or soreing shall cause the horse to be disqualified.
8. Inspection. At the line-up in all classes, Judges will carefully inspect the horses for artificial devices, training scars, raw or bleeding sores, soundness, marked lameness, welts from whips or spurs, and tail alteration in accordance with these rules. At all PFHA approved shows, the Judge may, at his or her discretion, inspect any horse for evidence of soreing. Any evidence of soreing shall disqualify the horse for the class and remainder of the show.
9. Prohibited: any surgical procedure that could affect the horse’s performance or alter its natural conformation or appearance, except for those surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the horse. Upon discovery that prohibited surgery or injection of a foreign substance or drug has occurred, show management shall immediately disqualify the horse and report the matter to the PFHA. Such surgical procedure or injection shall, in addition to disqualification by show management, be grounds for the PFHA, by action of its Hearing Committee, to bar the horse from future participation in PFHA approved events or presence at shows for such period as determined appropriate. Upon request, the owner shall deliver the horse’s Certificate of Registration to the PFHA for such ineligibility to be prominently marked on the face of the Certificate of Registration. Although ownership of the horse may thereafter be
transferred to another party, the transfer of ownership will not dissolve or shorten the term of
ineligibility. If preliminary examination indicates a violation of this rule and pending final
hearing by the PFHA Hearing Committee, the PFHA Executive Director may, by giving writ-
ten notice of his action to the owner of record at his current address as shown on PFHA
records, temporarily suspend the horse from further participation in an PFHA approved
event or show and request the return of its Certificate of Registration.
10. Examination of Horse Required. Every owner and exhibitor shall, upon request of show
management, permit examination of a horse for determination of the presence of prohibited
surgery or foreign drug or substance. Refusal to comply with such request shall: (1) consti-
tute grounds for disqualification of the horse from further participation at the show or from
further approved events pending hearing of the PFHA Hearing Committee; (2) bar the horse
from participation in future approved events or shows for such period as determined by the
PFHA Hearing Committee; and (3) constitute grounds for suspension of PFHA membership
of the owner and trainer.
11. To be eligible to show in a Performance Championship class a horse must have been
properly entered, shown and judged in one qualifying class in the same division or section.
12. Delay and/or Commencement of Classes.
   a. Commencement see GR109. Delay see GR310.
   b. When horses are competing collectively, if horses do not enter in the in-gate ready
to participate, after the in gate is open, within two minutes, a warning is issued and
horses are given two minutes before the gate is closed and judging commences or
class is cancelled.

PF102 General Rules

1. Horse’s Age. For separation into classes by age in years at horse shows, a horse’s age
is determined by the age it would be if its next birthday were the first day of January of the
show year in question. Therefore any horse will be considered to be one year older on the
first day of January following the actual date of foaling and the same for each subsequent
year. For example, a horse born in 1996 would be a yearling during the September
1996–August 1997 show year, a two year old during the September 1997–August 1998
show year, etc. However, when a horse’s age requirement is stated in months, as for saddle
or driving classes, a horse is considered to be twenty-four (24) or thirty (30) to sixty (60)
months old as counted from its actual foaling date.
2. Ring Conduct. The ring conduct of any exhibitor shall not be such as to affect adversely
the exhibition of any other exhibitor’s horse in the ring. Horses should be spirited, display
refinement and beauty, but must be obedient. Anyone not controlling his mount shall be
excused from the ring. In all mounted classes, the riders shall space their mounts in such a
manner so as to avoid bunching up and shall maintain such relative positions during such
class demonstrations.
3. Calling Class Placement. After a class has been pinned and Judge’s Card turned in, any
non-placing horses shall be eliminated from the ring. Non-winners of ribbons in any class
should remain in the ring until excused. The placement of the class shall be called starting with
honorable mention seventh (7th) and proceeding sixth (6th) through first (1st). The first (1st)
place horse shall have the option of making a victory ride once around the ring.
4. Jumps. In all classes calling for jumps, the jumps must include two (2) vertical poles,
appropriate jump cups, a horizontal bar for the jump, and a bar for a ground line. All material
should be white or some other color that is in contrast to the ring. Jump rails must sit firmly
in jump cups and cannot be on the cup edges. Ground lines must be on the approach side
of the jump and no farther than three (3) feet away from the horizontal jump crossbar. Hay
bales cannot be used as jumps. All jumps in warm-up areas must conform to the above
guidelines as well.
5. Withdrawing from Competition. No exhibitor may withdraw a horse from a sanctioned
competition after it has commenced, or remove the horse from the competition grounds,
without the permission of the competition secretary. An exhibitor who has entered the ring
may request permission of the judge to exit the ring before judging is completed. If an
exhibitor voluntarily removes a horse from the ring without the permission of the judge,
except in deference to safety, the Show Committee will disqualify the exhibitor and all his or
her entries from all future classes at that competition and all prizes and entry fees for the
entire competition shall be forfeited.
6. Same Rider on Two Horses/Two Different Riders on Same Horse Prohibited. In saddle classes, a rider may only ride one (1) horse in a class. Even in classes with individual work, for example, the Paso Trail class, one (1) rider cannot show two (2) different horses. In addition, in any saddle class, riders cannot be changed in the middle of the class.

7. An exhibitor may not use any type of electronic, mechanical or similar communication or mechanical device in the show ring while being judged, except for an exhibitor who is hearing impaired and who normally uses a sound enhancing device to achieve normal hearing.

8. Showing a horse with raw or bleeding sores or raw or bleeding abrasions around the muzzle, nose, chin groove, or jaw is considered an act of abuse. Horses showing signs of undue stress or inhumane treatment must be disqualified from the competition.

BOD 1/14/07 Effective 4/1/07

9. Soundness. All horses must be serviceably sound for competition purposes. A horse must not show evidence of lameness, broken wind, or complete loss of sight in either eye.

10. Extremes of temperature or climate conditions, may modify the requirements for attire as specified in various sections of these rules. Competition management will determine the modification and need thereof. BOD 1/14/07 Effective immediately

**PF103 Shoeing Regulations.**

If a horse is shown unshod, hooves will be neatly trimmed to a short natural length, not to exceed four (4) inches. If a horse is shown shod, the length of the hooves is not to exceed four and one half (4 1/2) inches, including shoes. All four (4) feet must be shod with flat shoes that do not affect the way a horse travels or how a foot breaks over. All four (4) feet must have the same type of shoe of the same material, weight, and thickness although front and back hooves may be shod in different sizes. Each shoe cannot exceed ten (10) ounces. Weighted shoes and pads are prohibited. However, toe and/or side clips drawn from the same shoe (an integral part of an otherwise flat saddle plate shoe which does not exceed ten (10) ounces in weight) that in no way affects how a horse travels or breaks over are allowed.

**PF104 Type and Conformation.**

The Paso Fino horse reflects its Spanish heritage through its proud carriage, grace and elegance. Modern care and selective breeding have enhanced its beauty, refinement and well-proportioned conformation that conveys strength and power without extreme muscling. The Paso Fino is born with a gait unique to the breed, and its attitude seems to transmit to the observer that this horse knows its gait is a very special gift that must be executed with style and pride! The gait, being totally natural, does not exhibit the catapulting or exaggerated leg action of man-made gaits; rather the movements are smooth, rhythmic, purposeful, straight, balanced in flexion and synchronous front to rear, resulting in unequaled comfort and smoothness for the rider. The Paso Fino is a graceful, agile and supple equine athlete that uses all four legs with precision and harmony. With its definite but controlled spirit, natural gait and presence, and responsive attitude, the Paso Fino is, indeed, a rare and desirable equine partner.

1. Head: The head should be refined and in good proportion to the body of the horse, neither extremely small nor large with the preferred profile being straight. Eyes are large and well-spaced, very expressive and alert, and should not show excessive white around the edges. Ears are comparatively short, set close and curved inward at the tips. The lips should be firm and the nostrils large and dilatable. Jaws are defined but not extreme. The impression should be of a well-shaped, alert, and intelligent face.

2. Neck: The neck is gracefully arched, medium in length and set on at an angle to allow high carriage, breaking at the poll. The throat latch should be refined and well-defined.

3. Forehand: Shoulders are sloping into the withers with great depth through the heart. Chest is moderate in width. Withers are defined but not pronounced and slope smoothly into the back.

4. Midsection: The midsection is moderate in length with a well-sprung rib cage. The top line should be proportionately shorter than the underline. The back should be strong and muscled. The midsection should join the forehand and the hindquarters so as to give the horse a pleasing, proportioned appearance.

5. Hindquarters: The croup is slightly sloping with rounded hips, broad loins, and strong hocks. The tail is carried gracefully when the horse is in motion.
6. Legs: The legs are straight with refined bones and strong, well defined tendons and broad, long forearms with shorter cannons. The thigh and gaskin are strong and muscled but not exaggerated. Standing slightly under in the rear is acceptable. Pasterns are sloping and medium in length. Bones are straight, sound, and flat, and joints are strong and well defined. Hooves are well rounded, proportionate in size and do not show excessive heel.

7. Mane, Tail and Forelock: Mane, tail, and forelock are as long, full, and luxurious as nature can provide. No artificial additions or alterations are allowed. A bridle path not exceeding 4” is acceptable.

8. Size: Paso Fino horses are 13 to 15.2 hands with 13.3 to 14.2 being the most typical size with weight ranging from 700 to 1100 pounds. Full size may not be attained until the fifth year.

9. Color: Every equine color can be found, with or without white markings.

10. Disposition: The Paso Fino is an extremely willing horse that truly seems to enjoy human companionship and strives to please. It is spirited and responsive under tack while sensible and gentle at hand.

PF105 Gaits.
The gait of the Paso Fino horse is totally natural and normally exhibited from birth. It is an evenly-spaced four-beat lateral gait with each foot contacting the ground independently in a regular sequence at precise intervals creating a rapid, unbroken rhythm. Executed perfectly, the four hoof beats are absolutely even in both cadence and impact. Footfall is in the same sequence as a natural equine walk, i.e., left rear, left fore, right rear, right fore. Propulsion is primarily from the hind limbs and the horse’s motion is absorbed in its back and loins, resulting in unequalled smoothness and comfort for the rider. The Paso Fino gait is performed at three forward speeds and with varying degrees of collection. In all speeds of the gait, the rider should appear virtually motionless in the saddle, and there should be no perceptible up and down motion of the horse’s croup.

1. Classic Fino—Forward speed is very slow, and the footfall is extremely rapid while the steps and extension are exceedingly short. To be executed fully collected.

2. Paso Corto—Forward speed is moderate, ground-covering but unhurried, executed with medium extension and stride. The degree of collection desired varies with class requirements.

3. Paso Largo—The fastest speed of the gait. The largo is executed with a longer extension and stride. Forward speed varies with the individual horse, since each horse should attain its top speed in harmony with its own natural stride and cadence. The degree of collection desired varies with class requirements.

4. The Paso Fino can execute other gaits natural to horses in addition to the Paso Fino gait.
   a. Walk—Smooth, steady evenly-spaced four-beat gait.
   b. Lope—True, three-beat gait, slow, cadenced, smooth, straight on both leads, with no tendency to mix gaits.
   c. Canter—True, three-beat gait, straight on both leads, smooth and unhurried with no tendency to mix gaits.

SUBCHAPTER PF-2. PASO FINO YOUTH SECTION.

PF106 General
1. A rider’s age for Youth classes shall be determined by the rider’s age on September 1 of the current competition year, and this age shall remain the same throughout the competition year.
   a. If a competition is in progress on any September 1, an individual’s age at the start of the competition will be maintained throughout the competition.

3. Sub-Junior. Sub-Junior riders shall be ages 7-12.

4. Walk-Corto Leadline. Walk-Corto Leadline riders shall be six years old or under.

5. Safety Headgear. All riders twelve (12) years of age and under, including walk-corto leadline riders, are required to wear Safety Headgear at all times while on horseback.

6. Handling Stallions. A child under thirteen (13) shall not at any time ride, handle or exhibit a colt or stallion on the show grounds during an Association sanctioned show. This
rule applies to all classes, point or non-point, specifically including leadline classes. The adult responsible for such a child who violates this rule will be subject to dismissal from the show grounds and forfeiture of any remaining fees.

7. Ineligible for Championship. Riders in the youth classes are not eligible for the championship classes because of riding in the Youth division classes.

8. Youth Championship Classes. Championship classes may be offered for youth riders in any division in which two or more qualifying classes are offered at a given competition. To be eligible for entry into a championship class, a horse/rider combination must have been properly entered, shown, and judged in one of the qualifying classes. To be considered shown and judged, a horse must perform all required gaits both ways of the ring in the original class and must remain in the ring until either placed or excused by the judge(s).

9. A Junior Youth rider may be excused from a class if the rider’s horse does not meet the requirements of the class.

10. Suitability. In all youth classes, special attention should be paid to the suitability of the horse for its rider. Horses should not appear unmanageable or too excitable for their riders, nor should they be unwilling to work for their riders. Good disposition is paramount for a youth horse.

**PF107 Class Separations.**

1. Any youth class, with the exception of Gold or Silver Medal Advanced Equitation, may be offered as open to all youth or may be divided into age groups as follows:
   a. Divided into Junior Youth (13-17) and into Sub-junior Youth (7-12)
   b. Divided into Junior Youth Level I (13-15), Junior Youth Level II (16-17), Sub-junior Youth Level I (7-9) and Sub-junior Youth Level II (10-12)

2. Gold and Silver Medal Advanced Equitation: The Gold and Silver Medal Equitation may be offered as follows:
   a. Open to all Youth riders who have not reached their 18th birthday. A Youth rider who places first or second in an Association Silver Medal Class (held at Regional Group show) is qualified to participate in the Gold Medal Finals at the Grand National Championship Show.
   b. Once a Youth rider has placed first in a Silver Medal Class, that youth rider is not eligible to exhibit in another Silver Medal Class for the remainder of the current competition year. The Youth rider may, but is not required to, ride the same horse at Gold Medal Final Class that the rider rode when he or she qualified to participate in the Gold Medal Final Class.
   c. To hold a Silver Medal class at a Regional Group show, the show management must request class when asking for approval for show. EC 12/19/06 Effective Immediately
   d. The name of the winner of the Gold Finals at the Grand National Show is engraved upon a Perpetual Trophy which remains in the possession of the Association. The winner will receive a Gold Medallion at the Grand National Championship Show.
   e. The winner of a Gold Medal class is no longer eligible to compete in Medal classes after having won twice.

**PF108 Class Descriptions.**

1. Walk-Corto Leadline. This class is open to children six (6) years of age and under and to physically or mentally disabled adults or children who are unable to show in other classes. Tack and attire will be the same as that for the Paso Pleasure class except riders are required to wear Safety Headgear. See GR318 for the definition of Safety Headgear. The horses shall enter the ring with the child mounted and an adult holding a leadline attached to a halter (leather or nylon) worn under the bridle or holding the pisador attached to the bridle. The leadline is for control only if necessary and should remain slack during the class if possible. The child should control the horse. This class is to be judged the same as the Equitation class except that no dismount/mount or tests will be asked for and the horses will be requested only to perform at a Paso Corto gait and at a walk. All exhibitors shall receive participant ribbons for this class and there shall be no points awarded for riders or horses. In addition, there shall be no point requirement to enter this class in the National Show.
Paso Equitation.

1. The Paso Equitation seat enhances the particular and special style, grace, rhythm and oneness of horse and rider. The class is to be judged 100% on equitation. Results as shown by the performance of the horse are not to be considered more important than the method used in obtaining them. Horses shown in this class will perform the required Paso gaits.

2. Basic Position. The rider shall convey the impression of effective and complete control at all times, showing both the horses and the rider to the rider’s best advantage. A complete picture of the whole is of major importance.

3. Arm and Hand Position. The arm should hang naturally with the elbows not extending outward beyond a perpendicular line even with the rider’s shoulders. The reins shall be held in one of the following manners:
   a. The reins should be held one (1) rein in each hand entering at the bottom below the little finger and extending upward with the bight (excess) of the rein hanging on the off (right) side of the horse.
   b. The rein must pass directly from the bit, between the little and third fingers, the thumb being placed on top. It is important that the third finger holds the edges of the rein in the joints nearest the palm and that the fingers are closed securely but without tension. Bight (excess) of the rein should be on the off (right) side.
   c. The rider’s hands should be held in an easy position, neither perpendicular nor horizontal to the saddle and should show sympathy, adaptability and control. The height the rider’s hands are held above the horse’s withers is determined by the head carriage of the individual horse. However, extremely high or low hand positions are improper. The rider’s hands should not pass over or behind the pommel of saddle. The rider shall make every effort to achieve as straight a line as possible from the elbow through the forearm, hand and rein to the bit. Hands and wrists should be flexible and not held extremely separated.

4. Head Position. The rider’s head should be held erect with the chin up. The rider’s eyes should look straight forward.

5. Back Position. The rider’s back should be straight, but not stiff. The rider’s shoulders should be square.

6. Feet and Leg Position. The rider’s leg should hang naturally with a slight bend at the knee. The rider’s lower leg should be under the rider’s body and not flared outward. Flaring of lower leg shall be penalized. The rider’s feet should be parallel with the horse’s body with the heels slightly lowered (approximately 1 inch). The ball of the rider’s foot should rest directly over the stirrup iron with even pressure on the entire iron with heel, hip and point of shoulder in line. The rider’s foot position should be natural (neither extremely in nor out).

   Position in Motion. The rider’s position in motion should be natural, coordinated and graceful. The rider should remain almost motionless at all gaits. From the side a straight line should be able to be drawn perpendicular to the ground through the rider’s head, shoulder, hip and ankle. The rider’s toe should never be more forward than his knee, thereby keeping his center of balance directly above his feet and ankles. The rider’s upper arms should fall naturally from the shoulders toward the hip bones and should be flexible, never clutched to the body, extended forward, or spread away from the body. The rider should appear to have a natural flow downward into the saddle and show no side to side movement of upper body. At all gaits the rider should remain in the center of the saddle and not slip back on the cantle.

PF110 Tests.
The rider may be required to perform the following tests:

1. Ride without stirrups at a Paso Corto, maintaining the proper position. The stirrups may be crossed over the pommel of the saddle if so desired.

2. Back his or her horse smoothly and under control. The horse’s mouth should remain closed and horse should not throw his or her head.

3. Dismount and mount. To dismount, the rider may either step down or slide down. The size of the rider must be taken into consideration. To remount, the rider shall check the curb chain and girth and adjust them if necessary. The rider shall gather the reins in his or her left hand with gentle pressure. The rider shall stand diagonally facing the front of the horse. The rider shall place his or her left hand in front of the horse’s withers without holding the mane, turn the stirrup toward the rider with his or her right hand and place his or her left foot in the
stirrup. The rider shall place his or her right hand either on the far side of the saddle at the waist or on the front arch (pommel), and spring lightly up, straightening both knees. The rider shall ease into the saddle and place his or her right foot in stirrup without looking down.

4. Perform a figure eight at Paso Corto (see diagram for pattern). The rider shall always turn and face the Judge unless otherwise instructed. The Judge may tell exhibitors whether he or she prefers large or small diameter circles.

5. Move his or her horse from Paso Largo to walk on a quiet rein.

6. Answer questions on parts of the horse and tack. See line drawings. Judge must refer to these drawings in asking questions.

**PF111 Procedures.**

1. The exhibitors will enter the ring to the right at a Paso Corto and circle the arena in a counterclockwise manner until asked to reverse or change gait. Entries will space themselves, maintain the same relative position and avoid bunching up. Entries will be penalized for bunching up or for not working on the rail. The sequence of the gait will be Paso Corto, Paso Largo, walk, reverse, and repeat. The reverse will be executed toward the center of the ring. A halt will be called at least once during the Paso Corto. Entries will execute the above class requirements and, in addition, Judges are encouraged to call for at least two (2) of the tests provided at subsection (g), above, of the top contestants. Each of the tests is to be performed individually.

   a. Judges must select only from test numbers 2, 5 and/or 6 for Sub-Junior riders. Junior riders may be asked to perform any of the tests.

   b. For the safety of the other entries, Judges are required to excuse any rider who is unable to control his or her mount.

**PF112 Appointments.**

The tack shall be English type. Schooling tack is not acceptable. The attire shall be the official Paso Fino show costume.

**PF113 Classic Fino Youth.**

Qualifying gaits, procedures and appointments, except for Safety Headgear (GR318), if applicable, are the same as described under the Classic Fino Division.

**PF114 Paso Performance Youth.**

Qualifying gaits, procedures and appointments, except for Safety Headgear (GR318), if applicable, are the same as described under the Paso Performance Division.

**PF115 Paso Pleasure Youth.**

Qualifying gaits, procedures and appointments, except for Safety Headgear (GR318), if applicable, are the same as described under the Paso Pleasure Division.

**PF116 Youth Horsemanship.**

Regional Group shows may offer this class at their discretion. This class shall be judged: 50% on horsemanship of rider, 10% on the suitability of the horse to the rider, and 40% on the performance of the horse.

**PF117 Procedures.**

Exhibitors will enter the ring to the right at a Paso Corto and circle the arena in a counterclockwise manner until asked to reverse or change gait. The entries will space themselves, maintain the same relative position and avoid bunching up. Entries will be penalized for bunching up or for not working on the rail. The sequence of the gait will be Paso Corto, Paso Largo, walk, reverse, and repeat. The reverse will be executed toward the center of the ring. A halt will be called at least once during the Paso Corto. Entries will execute the above class requirements. Horses that do not perform the paso gait will be eliminated after lining up. Judges will line up exhibitors and require exhibitors to perform the chosen tests individually.

**Gaits:**

Walk: slightly collected and maintained at an even pace with no hesitations  
Corto: collected, with sustained cadence and rhythm  
Largo: collected, with good transitions to and from corto, sustained cadence and rhythm.
PF118 Tests
1. Stop: The rider should quietly stop the horse and keep the horse still and parallel to the rail.
2. Serpentine: At a corto, the rider will serpentine through cones without touching cones while maintaining gait, cadence, and rhythm.
3. Circles: At a corto, the rider will perform two (2) circles through cones while maintaining gait, cadence, and rhythm.
4. Figure Eights: In a distance of nine (9) feet between two (2) cones with the horse at a corto, the rider will perform two (2) figure eights while maintaining gait, cadence and rhythm without touching the cones.
5. Back: The horse shall back four (4) to six (6) steps in a straight line.
6. Sounding Board: At a corto, the rider shall put horse over the sounding board while maintaining gait, cadence and rhythm. The horse should move straight down the center of the board, tracking straight. The rider shall circle at the end of the board and return over the sounding board.

The course shall be posted approximately two (2) hours before the class. Off pattern: a rider will not be disqualified for failure to complete the pattern in the correct sequence but must be placed accordingly.

PF119 Gold and Silver Medal Equitation
1. All requirements, including appointments, for this class shall be the same as for Paso Equitation (see PF109). However, the Gold and Silver Medal Equitation classes are intended to be conducted and judged as advanced level Paso Equitation classes. As in the Equitation class, all entries will enter the ring, counterclockwise, at a Paso Corto and continue at a Paso Corto until otherwise instructed. The sequence of gait will be Paso Corto, Paso Largo, Collected Walk, reverse and repeat in the opposite direction. After the sequence of gaits is requested, the horses will be lined up. Any horse that did not perform the proper Paso gait will be eliminated at this line up.
2. Tests. The judge will prepare, in writing, the number and sequence of tests that each exhibitor will be required to perform after the horses are lined up. The tests from which the judge will choose will be the same as those described at paragraph PF110, above, with the addition of the tests described below in letters a through f. The number and sequence of tests should be designed so the majority of exhibitors can complete the tests in under sixty (60) seconds. The number and sequence of tests will be posted at the show office no less than approximately one hour before the commencement of the class. As directed by the judge, each exhibitor will individually perform the tests in the sequence posted and will return to the line up.
   a. Dismount and mount from either side of the horse. The procedure described in PF110 above for the dismount and mount will be modified as appropriate for the side of the horse from which the rider will dismount and mount.
   b. Properly execute a serpentine at the walk or Paso Corto. The horse should smoothly perform the serpentine without missing or breaking gait throughout.
   c. Perform circles at a Paso Corto. The horse should smoothly perform the circles without missing or breaking gait throughout.
   d. Stop the horse from a Paso Corto. The horse should quickly stop on the rider's command, without throwing its head or otherwise expressing discontent about being stopped.
   e. Traverse the sounding board at a Paso Corto.
   f. Side Pass, left and right, for as many steps as the judge directs. The horse should move evenly left and right at the side pass.

SUBCHAPTER PF-3 BELLAS FORMAS (CONFORMATION) CLASSES.

PF120 Eligibility. See PF101.1.

PF121 Class Specifications & Qualifying Gait.
The choice of gait is optional, either Classic Fino or Paso Corto, and one form of the gait shall not be given preference over the other.
Both conformation and gait shall be judged in this class. The Breed Standard of the ideal Paso Fino shall be used as the standard for judging. Transmissible faults, such as buck-kneed, calf-kneed, base wide, base narrow, cow hocks, sickle hocks, toe-in, toe-out, offset knees, standing under, camped out in front, too straight behind, etc., shall be counted heavily against breeding stock. A horse with a swayback or fallen crest will be heavily penalized. A horse must be serviceably sound to be considered for placement. Any horse that fails to demonstrate the Paso gait so that the Judge can evaluate and ascribe gait percentages shall be disqualified from placement. This class shall be judged: 60% on conformation, 30% on quality and naturalness of gait, and 10% on appearance, grooming, and manners.

PF122 Procedures.

1. Entries of any age may be shown with a halter and single or double lead line. If two lines are used, they shall be long and shall be one on either side of the halter; if two lines are used, the horse may be handled by one attendant holding both lines or by two (2) attendants—one holding each line. If one line is used, only one (1) attendant is allowed. No attendants other than those actually holding the lines are allowed. Lines may end in a smooth link chain which may be crossed over the nose and/or under the jaw. The horse must demonstrate the Classic Fino or the Paso Corto gait whenever moving. In the lineup, the horse must stand square, not stretched, and remain quiet without undue restraint.

2. Horses shall enter the ring one at a time in the order that show management designates. The horses shall proceed to the right and circle the arena in a counter-clockwise direction on the rail.

3. Quality of gait, that is, smoothness, symmetry of action, harmony of cadence, and naturalness, that is, consistency, absence of undue restraint, will be judged during rail work. After completing one circle, or when instructed by the Ringmaster, the horse will line up in the center of the ring for conformation inspection. The Judge shall penalize a horse if the handler uses his or her hands on the horse's leg below the knee to position the hoof in the lineup.

4. Additional work-offs may be required at the Judge's discretion including the use of the sounding board to exhibit horse's cadence of gait. During work-offs, the horses must remain on the rail except to pass.

PF123 Appointments.

1. A horse will be shown in a leather show halter without a bit, nameplate or inscription thereon. The halter will be English or Colombian type leather, flat, rolled, or braided (3/8,, 1/2, or 5/8 inch) with a matching stitched or plain nose piece with optional browband not to exceed one (1) inch in width. A matching lead line, or long lines, as described in Section A above is required. A riding crop or whip not exceeding 30” in length may be carried. No other devices may be used.

2. Attendants will be attired in the official Paso Fino show costume.

PF124 Classes within this Division.

Classes within this Division may be separated into one of the following categories:

1. Open Bellas Formas (all ages and all sexes);
2. Yearlings Bellas Formas (may be open or, if divided, must be divided into Colts, Geldings, and Fillies), and/or Bellas Formas Two Year Olds (may be open or, if divided, must be divided into Colts, Geldings, and Fillies), and/or Bellas Formas Three Year Olds (may be open or, if divided, must be divided into Colts, Geldings and Fillies); and/or Bellas Formas Four Year Olds and Older (may be open or, if divided, must be divided into Mares, Geldings and Stallions); or
3. Bellas Formas Four-Year-Olds and Older (may be open or, if divided, must be divided into Mares, Geldings, and Stallions); and/or Bellas Formas Three-Year-Olds and Under (may be open or, if divided, must be divided into Colts, Geldings, and Fillies) or further divided as described above.

In a show where Bellas Formas classes are offered by age groups, e.g., three-year-old colts, a younger horse must be shown in the class corresponding to its age group and cannot be shown in a mares, geldings, or stallions class.
PF125 Qualifying Gaits.

In all classes, special attention shall be afforded to the rhythmic consistency and smoothness of the Paso gait. While style of execution may vary with horses, any style of execution that reduces smoothness and consistency shall be penalized. In addition, a horse shall be excused for failure to perform any gait prescribed in a class. Any tendency to mix gaits, the loss of even cadence or lack of smoothness, as evidenced by an up and down or side to side movement of the horse’s croup or of the rider, shall be penalized. Horses who fight the bit, flatten their ears or swish their tails shall be penalized.

In all qualifying gaits, light contact on the reins is required. Horses requiring undue restraint or “holding” in gait or collection shall be penalized. While the degree of collection required varies from class to class, in no gait should the horse go “strung-out” behind, squat down in the rear, jut out his nose, lug, or work behind the headgear. Exaggerated leg action (excessive fold, over-reaching, unnaturally high front leg action, etc.) is not desirable. The ideal Paso Fino should track straight; however, some slight winging or paddling is acceptable and should be penalized only if it is severe or a result of conformation faults. In all classes and all gaits, the Paso Fino should give the appearance of naturalness and ease combined with a degree of the pride and elegance that is characteristic of the Paso Fino breed.

2. Classic Fino: Smooth, animated, exciting and executed with brilliance and style. Horse must be fully collected and balanced, putting its complete dynamic energy into its carriage and quickness of its footfall. The horse must perform naturally and willingly and any indication that the horse is being excessively restrained or held in gait shall be penalized. Horses who fight the bit, flatten their ears or swish their tails shall be penalized. Extension is absolutely minimum, forward speed is very slow and foottfall is extremely rapid.

3. Paso Corto: Evenly spaced four-beat gait executed with moderate forward speed and extension. Horse should be smooth, balanced and exhibit symmetry in flexion and stride. In the Paso Performance and Paso Versatility classes the horse is well-collected, animated, proud and brilliant. In the Paso Pleasure, Paso Trail and Paso Western Pleasure classes collection and carriage are natural and relaxed with slightly more collection required in the Paso Pleasure class.

4. Paso Largo: Forward speed is rapid and the gait is executed with longer extension and faster cadence than the paso corto. Extension and flexion must be harmonious with no tendency to become light on the front or strung out behind. A definite change of speed from the paso corto must be observed. The even four-beat cadence must be retained. Forward speed varies with the individual horse, since each horse should attain its top speed in harmony with its own natural stride and cadence. In Paso Performance and Paso Versatility, the gait is collected, bold and animated. In the Paso Pleasure class, collection is mild and carriage is natural and relaxed.

5. Canter: True, three-beat, cadenced, straight on both leads, smooth, unhurried, executed with collection, head well-elevated and set.

6. Lope: True, three-beat gait, slow, cadenced, smooth, straight on both leads. Horse should be balanced going with mild collection.

PF126 Showing.

1. Horses shall be shown at all gaits both ways of the ring. In all classes except Classic Fino and Costume all horses shall enter the ring at paso corto.

2. Only one hand may be used on reins when the horse is shown under Western tack and hands must not change except in Trail Classes. Rider may hold romal or end of split reins to keep from swinging.

PF127 Schooling Classes

1. Horse Must be 30 Months. Notwithstanding the fact that a horse may be considered three years old under GR102.1a, no horse may be ridden in a saddle class, whether a Schooling class or regular class, until it is at least thirty (30) months old, based on the actual date of foaling.
2. Schooling Class Sections. Schooling classes may be offered in the Fino, Performance and Pleasure Divisions, including the Amateur Owner Classes, as follows. There may be open schooling classes for horses three or four years old. Alternatively, there may be two Schooling age sections within a Division for: (1) horses that are three years old, and (2) horses that are four years old. The horse’s age for purposes of determining the appropriate class shall be determined under GR102.1a

3. Crediting of Points. In a show that does not offer Schooling classes, a schooling horse may compete in the regular appropriate class and still retain its schooling status, and any show points awarded to such horses shall be computed and credited as points awarded in the appropriate Schooling class.

4. Restriction on Schooling Status. Once a horse has been shown in a regular Paso Performance, Paso Pleasure or Classic Fino class at a show that offers Schooling horse classes, it can never be shown again in a Schooling class in that Division.

PF128 Junior Riders, Youth and Amateur Owner Classes.

1. Riders under the age of thirteen may not ride stallions and/or exhibit a colt or stallion on the competition grounds during a Federation sanctioned competition. This rule applies to all classes, point or not-point, specifically including lead line classes.

2. Youth Classes. Youth classes are offered where the award goes to the rider and not the horse. Youth riders must be seventeen years old or under. Youth classes shall be Junior (ages thirteen to seventeen) and Sub-Junior (ages seven to twelve). Horses entered in Youth classes may be cross entered in other classes in the same section.

3. Amateur Owner Classes. Horses entered in Amateur Owner classes may be cross entered in other classes in the same section.

4. When horses that are at least thirty (30) months old but no older than sixty (60) months old are shown in Amateur Owner or Youth classes (not including Equitation), schooling headgear is allowed.

5. Entries in Youth classes in a division are not eligible for Championship classes in that division unless otherwise qualified.

PF129 Tack.

1. Metal on Nosepiece. A curb chain or curb strap is permitted but shall not be cruelly tight. Except for Schooling classes, metal is not permitted in, under, over or attached to the cavesson nosepiece except for necessary buckles.

2. No Metal on Browbands. No metal decoration is allowed on browbands.

3. Schooling Headgear. In the following circumstances:
   a. Schooling classes,
   b. Three- and four-year-old horses in Amateur Owner classes that are not Schooling classes or
   c. Three- and Four-year-old horses in Youth classes, except Equitation and Horsemanship classes, headgear can be any training headgear not considered cruel or inhumane by the Judge or Show Committee. Bare metal, except for curb chains or parts of buckles, is not allowed. In a schooling class, metal may be used if covered in a nose-piece or under the chin, but it must not be considered cruel or inhumane by the Judge or Show Committee and be sufficiently covered to ensure comfort to the animal.

4. English Tack.
   a. Saddle. In all classes where English tack is designated, saddles may be of any English type except that forward seat jumping saddles are prohibited unless a jump is required in the class. If a saddle pad is used, it will be conservative in color and conform to the shape of the saddle. Stirrups for classes requiring English tack must conform in overall shape to commonly regarded English tack.
   b. Bridle. Except as provided in the next sentence, bridles must be leather, but not rawhide except in Schooling Classes where rawhide is permitted, Colombian or English type headstalls, flat, rolled or braided. Goatskin bridles with white or creme colored reins matching the bridles may be used. Cheek pieces may be 3/8 to 5/8 inch with a matching, plain or stitched, cavesson and matching browband. The browband and cavesson nose piece may not exceed one (1) inch in width. Dropped nosebands, tie downs, and martingales are prohibited. Headstalls may have a throatlatch and a pisador. The pisador may be rawhide. Throat latches may tie rather than buckle.

PF11
c. Reins. Reins may be leather, flat, rolled or braided. Nylon or other natural or man-made fiber reins may be used (hereafter referred to “nylon”). In all classes nylon reins may be used, but they must be the same color as the headstall. Combination leather/nylon buckle-back reins may be used. Snaps that attach the reins to the bit or bosal may be used in all classes, with the exception of Youth Equitation and Horsemanship classes.

d. Other. An English breast strap or breast plate not exceeding (one) 1 inch may be used. No silver or vinyl or reflective vinyl is allowed on headgear, breast straps or breast plates.

5. Western Tack.

a. In all classes where Western tack is designated, the tack shall consist of a good working stock saddle. Silver equipment is permitted but must not predominate. The head stall shall be of the Western type customarily used with a stock saddle, including bosals. Colombian and Western hackamore, mecates, sidepulls, curb, and snaffle bits may be used. Cavessons and nose bands are prohibited. Breastplates are permitted.

b. Bits. (All Divisions) Bits are required in all classes except Schooling Classes or other classes as specified. Bits may be of any humane approved type in accordance with Appendix A of the PFHA Rule Book. However, shanks cannot exceed six (6) inches, upper shank of bit from mouthpiece to where bit attaches to bridle cannot exceed three (3) inches, and all bits with shanks must have a curb strap or curb chain attached and used for leverage. The length of a Shank shall be measured in a straight line from the mouthpiece to the end of the Shank (see illustration).

6. Bits. Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Any rein design or bit shank which increases the effective length and thereby the leverage of the Shank of the bit is prohibited. BOD 1/14/07 Effective 4/1/07

7. Crops and Spurs. Blunt spurs appropriate for English or Western classes, respectively and a riding crop not exceeding thirty (30) inches in length may be used.

8. Special Tack, Attire or Considerations. An individual requiring special show considerations shall submit a request to the show secretary who will note appropriate judges’ cards accordingly and inform the steward of same. These special considerations may include the exemption from dismounting and mounting in Paso Pleasure classes.

PF130 Attire and Appointments

1. Official Paso Fino Show Costume. In classes requiring the official Paso Fino show costume, the attire shall be a long sleeved bolero type jacket and full length riding jumpsuit which cover the boots. The bolero jacket and pants or jumpsuit must be conservative in color and trim. The exhibitor must wear a shirt or blouse. A matching or contrasting cummerbund is optional. Sequins, glitter, or other similar reflective adornment is not allowed on any part of the Paso Fino show costume. Male riders shall wear an unadorned tie. The exhibitor must wear a Spanish type felt, leather or suede hat with a round, flat crown and with a flat or slightly rolled brim with a matching or contrasting hatband. The whole effect of the exhibitor’s costume is to be one of good taste.

2. Western Attire. In classes requiring Western dress, the rider shall wear a Western type hat, long sleeved Western type shirt, full length trousers, Western boots together with chaps, shotgun chaps or chinks. A jacket or vest is optional.

3. Safety Headgear. Protective headgear may be worn without penalty in any class. (GR318) In classes that may require a jump (Trail and Versatility), approved protective headgear is required. All riders twelve (12) years of age and under, including walk-corto leadline riders, are required to wear approved protective headgear at all times while on horseback at any competition.

SUBCHAPTER PF-5. CLASSIC FINO DIVISION

PF131 Qualifying Gait & Class Specifications.

Classic Fino, which is an evenly-spaced four-beat lateral gait. This gait is smooth, animated, exciting and executed with brilliance and style. The horse must be fully collected and balanced, putting its complete dynamic energy into its carriage and the quickness of its footfall. Flexion and extension should be harmonious in all four legs, and the horse must present a picture of symmetry and fluidness of motion. The horse must perform this highly collected form of the gait naturally and willingly, and any indication that the horse is being excessively
restrained or held in gait shall be penalized. A horse that fights the bit, flatten its ears or swishes its tail shall be penalized. Extension is absolutely minimal. The horse’s forward speed is extremely slow, whereas the footfall is exceedingly rapid. Any tendency to mix gaits, the loss of even cadence, or lack of smoothness as evidenced by an up and down or side to side movement of the horse’s croup or of the rider, shall be penalized.

In this class, horses shall demonstrate only the fully collected Classic Fino gait whenever moving. This class shall be judged: 75% on execution and naturalness of the Classic Fino gait; 15% on appearance, conformation and way of going; and 10% on manners.

**PF132 Procedures.**

Exhibitors will enter the ring to the right on the rail and circle the arena in a counterclockwise manner until instructed to reverse or halt. Horses must work both directions, reverse, halt and proceed in gait. Breaking gait on reverses, stops or starts shall be penalized. A figure eight may be requested to demonstrate flexibility, responsiveness, and steadiness of gait, but diminishing circles are not allowed. Only inanimate objects may be used as “posts” for the figure eight as long as they do not present a danger to horse or rider. A solid, ground level, hard surface sounding board 48’ or longer should be used in this class to clearly exhibit the rhythmic consistency of the horse’s cadence and impact. The performance of the horse on the sounding board shall not be given preference over the horse’s work on the rail. During competition, while being judged, exhibitors are not allowed to turn on the sounding board. Backing of horses may be requested.

**PF133 Appointments.**

The tack shall be English type. The attire shall be the official Paso Fino show costume.

**PF134 Classes within this Division.**

1. Classic Fino Schooling. Schooling classes may be offered. These classes are to be conducted in exactly the same manner as the Classic Fino classes except that they will be limited to schooling horses. Tack and attire shall be the same as in Classic Fino with the exception of the headgear, which may be schooling headgear. (GR318).

School classes, if offered, may be separated as follows:
   a. May be open; or
   b. May be divided into Open Schooling 3-Year-Olds and Open Schooling 4-Year-Olds; or
   c. May be divided into 3-Year-Old Schooling Fillies, 3-Year-Old Schooling Colts and Geldings (or Colts and Geldings may also be separated), 4-Year-Old Schooling Fillies, and 4-Year-Old Schooling Colts and Geldings (or Colts and Geldings may also be separated).

2. Classic Fino. These classes may be separated as follows:
   a. May be Open (includes all ages and all sexes); or
   b. May be divided into Classic Fino Schooling Open (see Section 1,a, above) and Classic Fino Open (horses 5 years old and over, any sex); or
   c. Schooling classes may be divided as provided in Section 1 above and Classic Fino divided into Mares, Geldings, and Stallions.
   d. Amateur Owner classes may also be offered. They may be Open or, if divided, they must be divided into Mares, Geldings, and Stallions. Amateur Owner Schooling classes may be offered, and may be separated the same as set forth above in Section 1 above, Classic Fino Schooling.

**SUBCHAPTER PF-6. PASO PERFORMANCE DIVISION**

**PF135 Qualifying Gaits & Class Specifications.**

1. Collected Walk, which is an evenly-spaced four-beat gait, cadenced, straight, brisk, animated and rhythmic. This gait is executed with collection, style and brilliance.

2. Collected Paso Corto, which is an evenly-spaced four-beat lateral gait with moderate forward speed and extension. This gait is smooth, supple, cadenced, animated and brilliant, with the horse well-collected, fully balanced, and exhibiting symmetry in flexion and extension. The horse should demonstrate pride, style, elegance and enthusiasm, along with good manners and ready response.

3. Collected Paso Largo, which is an evenly-spaced four-beat lateral gait. This gait is smooth, balanced, collected, bold and animated, with rapid forward motion. Extension and
flexion must be harmonious with no tendency to become “light” on the front or “strung out” behind. The horse should appear eager and willing to move out, and a definite change of speed from the Paso Corto to the Paso Largo must be observed, yet a willingness to reduce speed on command must be demonstrated. All transitions between gaits should be performed evenly and smoothly. An even, four-beat cadence must be maintained, together with style, presence, boldness, and brilliance. Loss of form, cadence, or smoothness due to excessive speed shall be penalized.

In this class, the horse should combine style and spirit along with obedience and good manners. The horse should move out willingly, and stand quietly when requested. This class shall be judged: 30% on collected Paso Corto; 30% on collected Paso Largo; 10% on the walk; 20% on appearance, conformation and way of going; and 10% on manners. Special attention shall be afforded to brilliance, form, smoothness, and rhythmic consistency of the gaits.

PF136 Procedures.
The exhibitors will enter the ring to the right on the rail at a collected Paso Corto and circle the arena in a counterclockwise manner. The sequence of gaits shall be: collected Paso Corto, collected Paso Largo, to show the marked difference in speed, collected walk, reverse and repeat. While executing the collected walk, entries should space themselves to avoid bunching up and maintain their relative positions on the rail. In the collected Paso Corto and collected Paso Largo, entries shall maintain a position on the rail except to pass.

A solid, ground level, continuous hard surface, allowing no more than one-half inch of space between the sounding board 48’ or longer may be used. However, the judges may require horses to perform only the Paso Corto gait over the sounding board. Judges may call for a serpentine at a collected Paso Corto and/or a figure eight at a collected Paso Corto as requirements for a work-off of horses in close competition. At a very minimum, a serpentine should consist of half circles with 180 degree turns.

PF137 Appointments.
The tack shall be English type. The attire shall be the official Paso Fino show costume.

PF138 Classes within this Division.
1. Paso Performance Schooling. Schooling classes may be offered. These classes are to be conducted in exactly the same manner as the Paso Performance classes except that they will be limited to schooling horses. Tack and attire shall be the same as in Paso Performance with the exception of the headgear, which may be schooling headgear. See Subchapter Two, Section VII, C for the definition of schooling headgear. Schooling classes, if offered, may be separated as follows:
   a. May be Open; or
   b. May be divided into Open Schooling 3-Year-Olds and Open Schooling 4-Year-Olds; or
   c. May be divided into 3-Year-Old Schooling Fillies, 3-Year-Old Schooling Colts and Geldings (or Colts and Geldings may also be separated), 4-Year-Old Schooling Fillies, and 4-Year-Old Schooling Colts and Geldings (or Colts and Geldings may also be separated).
2. Paso Performance. These classes may be separated as follows:
   a. May be Open (includes all ages and all sexes); 
   b. May be divided into Paso Performance Schooling Open (see Section 1, a, above) and Paso Performance Open (horses 5 years old and over, any sex); or
   c. Schooling classes may be divided as provided in Section 1 above and Paso Performance divided into Mares, Geldings, and Stallions.
   d. Amateur Owners classes may also be offered. They may be Open or, if divided, must be divided into Mares, Geldings, and Stallions. Amateur Owner Schooling classes may be offered, and may be separated the same as set forth above in Section 1 above, Paso Performance Schooling.
PF139 Qualifying Gaits & Class Specifications.

1. Flat Walk, which is a true, evenly-spaced four-beat, flat-footed, smooth gait executed with mild collection. The horse’s head carriage is natural and relaxed.

2. Paso Corto, which is a smooth, steady, unbroken, evenly-spaced four-beat lateral gait, rhythmic, executed with moderate extension and mild collection. Forward speed is ground-covering but unhurried. Movements should be fluid, willing, relaxed, balanced and free-moving. The horse’s head carriage is natural and relaxed.

3. Paso Largo. Smooth, evenly-spaced four-beat lateral gait, fluid, and rapid, showing no tendency to labor or become “strung out.” Collection is mild. Both extension and rapidness of cadence are increased over the Paso Corto, and a definite change of speed must be observed. The evenly-spaced four-beat cadence must be maintained at all times, and loss of cadence, form or smoothness due to excessive speed shall be penalized. This class is to demonstrate the more relaxed manner of movement of the Paso Fino horse. Collection is mild. For this reason, manners and obedience of the horse are particularly important, and any indication of bad manners shall be heavily penalized. The horse should be controlled with minimal restraint and the rider should appear to be enjoying himself. Gait transitions should be made in a smooth, relaxed and willing manner, and the horse’s attitude should be calm, pleasant and cooperative. A horse that fights the bit, flattens its ears or swishes its tail shall be penalized.

The horse will be required to flat walk, Paso Corto, Paso Largo, line-up and back. The back should be straight, calm and controlled, and refusal to back disqualifies the horse from placement. Riders may not ride without stirrups.

This class shall be judged: 25% on Paso Corto; 25% on Paso Largo; 10% on flat walk; and 40% on manners, conformation, attitude and way of going.

PF140 Procedures.

1. The exhibitors will enter the ring to the right on the rail at a Paso Corto and circle the arena in a counterclockwise manner. The riders shall space themselves while executing the flat walk so as to avoid bunching up and shall maintain their relative positions on the rail. In the Paso Corto and the Paso Largo, entries shall maintain a position on the rail except to pass.

2. The sequence of gaits shall be: Paso Corto, Paso Largo, to demonstrate the marked difference in speed, flat walk, reverse and repeat.

3. Each rider shall be asked to demonstrate the back from the line-up. In the back, the horse shall maintain proper head position, show evidence of a good mouth, back in a straight line and be readily responsive. At the judge’s discretion, riders may be asked to perform individually; the required test should show the submissive manners, willingness and quiet temperament. Some of the requests may be as follows:
   a. Dismount and remount from the left side, either in the line-up or along the rail, except in Youth Classes. Rider’s style of dismount and mount is not to be emphasized; rather, emphasis is placed on the horse’s willingness to stand quietly
   b. Perform a serpentine at the Paso Corto gait;
   c. Perform the Paso Corto gait over the sounding board;
   d. Back on the board;
   e. Back on the rail.

Any combination of the above may be used for a work-off.

PF141 Appointments.

The tack and headgear for the horses may be of any variety that would be appropriate and practical for pleasure riding, including without limitation a side saddle and leather covered stirrups. A bit is not required. Metal is not permitted in, under, over or attached to the caveson nosepieces and headrisers, except for necessary buckles.

Attire shall be in keeping with the type of tack used. Where Western-style tack is used, riders shall dress as specified under requirements for Western attire described at PF130, with the exception that chaps or chinks are optional in this class. Where English-style or Plantation-type tack is used, the rider’s attire shall consist of a long sleeved shirt, full-length trousers, tailored jacket or vest, hat and riding boots. Riders that use English tack cannot wear chaps. Sweater vests are not allowed. A tie is optional. Women riders may wear skirts,
culottes or gaucho pants that are long enough to cover the knees while seated in a saddle along with knee-high boots. Sequins, glitter or other similar reflective adornment is not allowed on any part of the pleasure attire. Jeans and baseball-style hats are prohibited. No part of the official Paso Fino costume shall be allowed except for riding boots. Exhibitors should remember that even though this is a Pleasure class, it is a horse show class and not just a ride for pleasure.

PF142 Classes within this Division.
1. Paso Pleasure Schooling. Schooling classes may be offered. These classes are to be conducted in exactly the same manner as the Paso Pleasure classes except that they will be limited to schooling horses. Tack and attire shall be the same as in Paso Pleasure. Where Western-style tack is used, riders are allowed to use two (2) hands when using schooling type headgear.

Schooling classes, if offered, may be separated as follows:
   a. May be Open; or
   b. May be divided into Open Schooling 3 Years Old and Open Schooling 4 Years Old; or
   c. May be divided into 3-Year-Old Schooling Fillies, 3-Year-Old Schooling Colts and Geldings (or Colts and Geldings may also be separated), 4-Year-Old Schooling Fillies, and 4-Year-Old Schooling Colts and Geldings (or Colts and Geldings may also be separated).

2. Paso Pleasure. These classes may be separated as follows;
   a. May be Open (includes all ages and all sexes); or
   b. May be divided into Paso Pleasure Schooling Open (see Section 1, a, above) and Paso Pleasure Open (horses 5 years old and over, any sex); or
   c. Schooling classes may be divided as provided in Section 1 above and Paso Pleasure divided into Mares, Geldings, and Stallions.
   d. Amateur Owners classes may also be offered. They may be Open or, if divided, they must be divided into Mares, Geldings, and Stallions. Amateur Owner Schooling classes may be offered, and may be separated the same as set forth above in Section 1 above, Paso Pleasure Schooling.

SPECIALTY CLASSES
These classes are open to all horses regardless of age or sex unless otherwise prohibited in these rules.

PF143 Paso Versatility Class.
1. Qualifying Gaits & Class Specifications.
   a. Flat Walk, which is an evenly-spaced four-beat gait.
   b. Paso Corto, which is an evenly-spaced four-beat lateral gait with moderate forward speed and extension. This gait is smooth, supple, cadenced, with the horse mildly collected, balanced, and exhibiting symmetry in flexion and extension. The horse should demonstrate pride, style, elegance and enthusiasm, along with good manners and ready response.
   c. Paso Largo, which is an evenly-spaced four-beat lateral gait. This gait is smooth, balanced, with rapid forward motion. Extension and flexion must be harmonious with no tendency to become “light” on the front or “strung out” behind. The horse should appear eager and willing to move out, and a definite change of speed from the Paso Corto to the Paso Largo must be observed, yet a willingness to reduce speed on command must be demonstrated. All transitions between gaits should be performed evenly and smoothly. An even, four-beat cadence must be maintained, together with style. Loss of form, cadence, or smoothness due to excessive speed shall be penalized.
   d. Canter, which is a true, three-beat gait, cadenced, straight on both leads, smooth and unhurried, with no tendency to increase speed or to mix gaits. This gait is executed with collection. The horse’s movements are light and airy, with no more elevation than the lope. The horse should exhibit style and presence, along with good manners and steadiness.
   e. In this class, the horse will be asked to demonstrate balance, flexibility, coordination and manners while performing the various gaits, tests, and maneuvers. Manners and willingness are very important. The back must be controlled and smooth. Failure to properly execute the Paso Corto and Paso Largo, demonstrating an evenly-spaced
four-beat lateral gait, will automatically eliminate the horse, and it will not be asked to do the individual work out, executing a figure eight maneuver at a Paso Corto and taking the jump from the canter. Failure to take the correct lead in the canter shall be penalized. The figure eight is to be performed at the Paso Corto and should be smooth, consistent in gait, and supple. A jump that is a minimum of eighteen (18) inches and a maximum of three (3) feet will be taken from the canter.

f. The class shall be judged: 20% on the Paso Corto; 20% on the Paso Largo; 10% on the walk; 10% on the canter; and 40% on back, jump, manners, and figure eight.

2. Procedures. The exhibitors will enter the ring to the right on the rail at a Paso Corto and circle the arena in a counterclockwise manner. The sequence of gaits shall be: Paso Corto, Paso Largo, flat walk, collected canter, flat walk, reverse and repeat. While executing the walk, riders shall space themselves to avoid bunching up and maintain their relative positions on the rail. In the remaining gaits, exhibitors shall remain on the rail except to pass. Riders shall be asked individually to back, execute a figure eight maneuver at a Paso Corto, and take a jump from the canter.

3. Appointments. The tack and headgear are to be English type, with a bridle and caveson. Forward seat saddles are also allowed. Attire is to be English-style as described in the Paso Pleasure Division (PF141). Safety Headgear is required. (GR318)

PF144 Paso Western Pleasure.

1. Qualifying Gaits & Class Specifications
   a. Flat Walk, which is a true, evenly-spaced four-beat, flat-footed, smooth gait executed with mild collection. The horse's head carriage is natural and relaxed.
   b. Paso Corto, which is a smooth, steady, unbroken, evenly-spaced four-beat lateral gait, rhythmic, executed with moderate extension and mild collection. Forward speed is ground-covering but unhurried. Movements should be fluid, willing, relaxed, balanced and free-moving. The horse's head carriage is natural and relaxed.
   c. Lope, which is a true, three-beat gait that is slow, cadenced, smooth, straight on both leads. Movements are less elevated than in the canter, and the horse's head is carried somewhat lower. The horse should be balanced, going with mild collection. Movements are free, relaxed, and easy, and the horse should not show a tendency to increase speed or mix gaits.
   d. In this class, the horse should move in the working cow horse image, while still retaining the air of pride and grace that is typical of the Paso Fino. In all gaits, the horse must be smooth and responsive, and both horse and rider should appear comfortable and relaxed. The horse must work on a very light rein, but some contact should be maintained. Gait transitions should be taken on the first stride, and the horse should maintain his speed and cadence without restraint by the rider. Failure to take the correct lead in the lope shall be penalized.
   e. This class shall be judged: 35% on Paso Corto; 30% on lope; 10% on flat walk; and 25% on manners, attitude, and way of going.

2. Procedures. The exhibitors will enter the ring to the right on the rail at a Paso Corto and circle the arena in a counterclockwise manner. only one hand may be used on the reins and hands must not be changed. If hands are changed or if two hands are used, the exhibitor shall be penalized. If the left hand is used with reins, the bight must drape to the left side of the withers. The only exception to this is if long reins or a romal are used. In that case, one hand may be used to carry the excess rein, but the hands must be at least twelve (12) inches apart. All horses being considered for an award are required to back in a straight line. Refusal to back disqualifies a horse from placement. The sequence of the gaits shall be: Paso Corto, flat walk, lope, flat walk, reverse, and repeat.

   Riders should space themselves while executing the flat walk to avoid bunching up and maintain their relative positions on the rail. In the Paso Corto and lope, entries shall remain on the rail except to pass.

   The judge may require each rider to dismount and remount in the line-up from the left side. The rider’s style of dismount and mount is not to be emphasized; rather, emphasis is placed on the horse’s willingness to stand quietly. The judge also may require any of the following tests to any or all entries:

   a. Demonstrate a straight back for up to 15 feet.
b. Lope and stop either on the rail or on the center.

c. Perform the figure eight at the lope on the correct lead demonstrating a simple change of lead. One or two figure eights may be required. In a simple change of lead, the horse is brought back to the halt and restarted into the lope on the opposite lead from the halt or walk.

d. Perform the Paso Corto gait over the sounding board.

3. Appointments. The tack and attire are to be Western type. Australian stock saddles are prohibited but Western saddles made in Australia (with a horn) are allowed. See PF129 concerning Western tack.

**PF145 Paso Trail.**

1. Qualifying Gaits & Class Specifications.
   
a. Flat Walk, which is a true, evenly-spaced four-beat, flat-footed, smooth gait executed with mild collection. The horse’s head carriage is natural and relaxed.

b. Paso Corto, which is a smooth, steady, unbroken, evenly-spaced four-beat lateral gait, rhythmic, executed with moderate extension and mild collection. Forward speed is ground-covering but unhurried. Movements should be fluid, willing, relaxed, balanced and free-moving. The horse’s head carriage is natural and relaxed.

c. Paso Largo. Smooth, evenly-spaced four-beat lateral gait, fluid, and rapid, showing no tendency to labor or become “strung out.” Collection is mild. Both extension and rapidness of cadence are increased over the Paso Corto, and a definite change of speed must be observed. The evenly-spaced four-beat cadence must be maintained at all times, and loss of cadence, form or smoothness due to excessive speed shall be penalized.

d. Canter or Lope: True, three-beat, cadenced, straight on both leads, smooth and unhurried, with no tendency to increase speed or mix gaits.

2. Procedures. In this class, each horse shall be asked to negotiate through obstacles. Obstacles are to be negotiated by exhibitors individually with only one horse in the arena at a time. This class shall be judged 100% on the obstacle course; there is no rail work. This includes the distance from the beginning of an obstacle to the beginning of the next obstacle. Any horse not performing the gait required properly should be penalized in the same manner as not completing the obstacle. Failure to follow the prescribed obstacles, or course of travel through obstacles, will result in automatic elimination. A drawn course will be provided by show management, reviewed for compliance with required procedures and approved by the judge(s) and steward(s). The course will show the line of travel through obstacles and the gait required to perform obstacles. Changes or revisions will not be permitted after posting. The course will specify how a horse is to negotiate or travel between obstacles that seems appropriate.

Tests that may be required are: negotiating a gate, carrying an object from one part of the arena to another, riding through water, over logs or simulated brush, riding down into, up and out of a ditch without lunging or jumping, crossing a bridge, backing through obstacles, sidepassing, mounting and dismounting from either side, and performing over any reasonable conditions along the trail. (See WS103.4 for posting requirements.) Any coat or jacket to be put on by the rider must be open in front and not be an item which must be put on over the head. Unnatural obstacles, such as fire extinguisher, perforated plywood in water boxes, or exotic animals should be avoided. The course is to include a minimum of six (6) obstacles and a maximum of eight (8) obstacles. (See WS129, as may be amended from time to time, for dimensions of trail obstacles.)

Horses are to be penalized for any unnecessary delay while approaching the obstacles. Judges are encouraged to advance on to the next obstacle any horse taking excessive time at an obstacle. Entry will be evaluated on willingness, responsiveness, correctness and general attitude while negotiating through the obstacle course. Obstacles occurring in a natural trail environment only are to be used to break a tie.

3. Appointments. The tack and type of attire are optional; tack and attire as described for either the Paso Western Pleasure class or the Paso Pleasure class are permitted. Safety Headgear is required if a jump is included in the class. See GR318.

**PF146 Paso Costume.**

1. The purpose of this class is to create interest in the Paso Fino Breed by establishing and demonstrating its Latin American or Spanish origin by means of the various costumes
for the rider employed in the respective countries of origin, for the diversion and enjoyment of the public. In this class, horses will be required to demonstrate their favorite Paso gait and stand in a line-up on display. They shall be judged: 80% on attractiveness of costuming and appropriateness of same to the horses and the completeness of the costuming idea; 10% on the brilliance of gait and on the carriage of the horse; and 10% on manners of the horse. Points in this class shall be assigned to the rider.

Riders entering the costume class must be members in good standing of the Association.

Procedures. Entries must submit a brief statement of approximately 100 words or a maximum of two (2) minutes on the cultural significance of their costume. This will be read as each entrant, one-by-one, enters the ring in his or her favorite gait. Every exhibitor must circle the ring once in a counterclockwise manner and line up head to tail in the center of the ring. An attendant/handler is allowed. Such attendant/handler must be appropriately attired and in keeping with the costume of the rider. The rider’s attire will not be offensive or detract from the main purpose of the Class.

2. Appointments. No specific tack for the horse is required, but all should be in keeping with the costume of the rider. Costume of the rider must be Latin American or Spanish related, but no specific country of origin need be identified.

The horse should demonstrate pride, style, and enthusiasm, along with good manners and ready response.
   c. Largo, which is an evenly-spaced longer strided four-beat lateral gait with considerably more speed than the Corto, but without extreme speed. The whole movement should be well balanced and the transition from Corto should be fluidly executed. A definite change of speed from the Paso Corto must be observed. While executing all gaits, entries should space themselves to avoid bunching up and maintain their relative positions on the rail except to pass.
3. Appointments. Tack and attire are to be appropriate for Paso Pleasure Class, at all times neat, clean and in good taste. Bits are not required in the Paso Fino Country Pleasure Class. The tack and headgear for the horses may be of any variety that would be appropriate and practical for pleasure riding.
Attire shall be in keeping with the type of tack used. Where Western-style tack is used, riders shall dress as specified under requirements for Western attire described in PF130 with the exception that chaps or chinks are optional in this class. Where English-style or Plantation-type tack is used, the rider’s attire shall consist of a long sleeved shirt, full-length trousers, tailored jacket or vest, hat and riding boots. Riders who use English tack cannot wear chaps. Sweater vests are not allowed. A tie is optional. Women riders may wear skirts, culottes or gaucho pants that are long enough to cover the knees while seated in a saddle along with knee-high boots. Jeans and baseball-style hats are prohibited. No part of the official Paso Fino costume shall be allowed except for riding boots. Exhibitors should remember that even though this is a Paso Country Pleasure Class, it is a horse show class and not just a ride for pleasure.

**PF148 Paso Pleasure Driving Class.**

1. **General**
   a. This class is open to Paso Fino horses thirty-six (36) months of age or older, as determined by the actual date of foaling.
   b. In this class, the horses should combine style and spirit along with obedience and good manners. They should move out willingly and stand quietly when requested. The horses will be required to perform at a walk, Paso Corto and Paso Largo. The gait should be smooth in each speed, evidenced by a lack of an up and down movement of the horse’s croup. This class shall be judged: 30% on Paso Corto; 30% on Paso Largo; 10% on walk; 15% on appearance; and 15% on manners.
   c. Carts must reverse by turning to the center of the ring and angling to the opposite side to avoid accidents.
   d. In the walk, the horse should be smooth, alert and graceful. In the Paso Corto, the horse shall move at a moderate rate of speed and the carriage of the horse should be proud, with only mild extension and the gait should be smooth and steady without hopping or breaking of rhythm. In the Paso Largo, the horse shall move more rapidly, and evidence a readily detectable marked difference in speed from the Paso Corto. Excessive speed, however, that might tend to create a safety hazard, may, at the discretion of the Judge, be penalized. The footfall, as always, must remain a four beat lateral gait and pacing and/or trotting will be penalized.

2. **Procedures.** The exhibitors will enter the ring to the right and circle the arena in a counterclockwise manner until required by the Judge to reverse or change gait. Sequence of the gaits shall be: Paso Corto, Paso Largo, walk, reverse and repeat. All horses being considered for an award are required to back in a straight line.

3. **Appointments.** The horse is to be shown in light driving harness, bridle (blinkers, overcheck and overcheck bit are optional), and hitched to a two- or four-wheeled vehicle suitable to the horse. Bits may be of the snaffle type, either regular, straight bar or jointed, or liverpooles. Liverpooles may be used “in the half cheek” or one hole only below. The check rein should not interfere with free way of going. The horses foretop may be braided. Sulkies will not be allowed. Definition of a sulky is a two-wheeled vehicle with no place for the driver’s feet except in stirrups. A basket will be allowed for the feet. A standard buggy whip will be allowed in this class. The attire of the driver in the driving class shall be the same as that prescribed for in the Paso Fino Pleasure class. A driving apron may be used. One attendant without a whip is permitted to head each horse during the lineup. Attendants will be neatly attired and a grooms smock is optional. The attendant may uncheck the horse and then must stand back two paces. Only the driver is permitted in the cart except when a sub-junior is showing the entry, in which case an adult must accompany the sub-junior driver.
PF149 Championship Classes.
1. Championship classes for Mares/Fillies, Stallions/Colts and Geldings for each division may be offered.
2. Eligibility. To be eligible for entry into a Championship class, a horse must have been properly entered, shown and judged in one of the qualifying classes. To be considered shown and judged, a horse must perform all required gaits both ways of the ring in the original class and must remain in the ring until either eliminated or placed by the judge. Entries qualified for Championship classes in Amateur Owner classes must compete in the Amateur Owner Championship classes in that Division, if offered. If Amateur Owner Championship classes are not offered, an entry that qualifies for the Championship class in the Amateur Owner class may compete in the regular Championship class in the Division for which they are qualified. However, in the Bellas Formas division, all Championship classes shall be composed of the entries who placed first and second in their qualifying classes. From these entries a Champion, Reserve Champion, Third Champion and Fourth Champion shall be chosen.
3. Procedures. The championship classes will be conducted in the same manner as the qualifying class. Horses will be required to perform in the gait of the qualifying class in both directions of the ring, execute the maneuvers of the qualifying class and line up as requested by the Judge. Horses will remain in the ring until excused by the Judge.
4. Classes Offered. Except in an All-Breed Show, Championship classes shall be offered in a division when at least two qualifying classes have been offered at a show. If Bellas Formas classes are divided into colts/stallions, geldings, and fillies/mares classes, only the following Bellas Formas championship classes can be offered:
   a. Fillies and Mares All Ages.
   b. Geldings All Ages.
   c. Colts and Stallions All Ages.
   In shows where there are only open Bellas Formas classes, there can be only an open championship.
   d. Youth. Entries in a youth class do not qualify that exhibitor for a championship class.

SHOW CONDUCT.

PF150 Competitions
1. If classes are held concurrently (one performance, two judges, two sets placings) during a Federation Licensed Competition, both classes must be held in accordance with all applicable Federation rules and both classes must be Federation Recognized.
2. Federation-PFHA “AB” Sanctioned Shows.
   An All Breed (“AB”) show shall have PFHA sponsored classes which are part of an All Breed Federation Regular Member show. The cosponsoring PFHA Regional Group is responsible to make sure that all required paperwork is received by the PFHA office in the required time. FEDERATION-PFHA sanctioned shows shall be judged by an FEDERATION-PFHA certified Judge. FEDERATION-PFHA sanctioned shows shall be stewarded by one steward with both FEDERATION and PFHA certification or by one FEDERATION steward and one PFHA steward. In FEDERATION-PFHA sanctioned shows when any PFHA Rule conflicts with a FEDERATION Rule, the FEDERATION Rule will prevail. Thus, even if class specifications differ, FEDERATION Rules will be followed and PFHA points will be recorded for that class.
3. Classification. For the purpose of equalizing competition for High Point awards and Society of Merit awards, and to promote PFHA-FEDERATION All Breed shows, PFHA approved shows shall fall into one of three classifications: All Breed (“AB”), All Paso (“AP”), and Local (“L”). These shows must be sponsored by a recognized Regional Group. These do not include the PFHA National Championship Show.
4. Show Applications
   Initial Application. Before a show date may be sanctioned by the PFHA, and “Reserved,” the following must be received by the PFHA Office:
   a. PFHA Form, Application for Approval, signed by the designated person of the sponsoring Regional Group, obtainable from the PFHA office, containing the date of the show, location, and classification (AP, AP/Federation, L, AB/Federation) and contact person, sent to the attention of the PFHA Executive Director. Appropriate show application fees.
b. Approval of Show. Before a show date can be “Approved” by the PFHA Executive Director, the following must be submitted by the contact person or President of the sponsoring Regional Group and received by the PFHA: The names of the Judge(s) and Steward(s) (in writing); and List of Classes
The PFHA must receive the items required under subsections 1 and 2, above, at least sixty (60) days before the scheduled show date; if not received by that date, show fees will be doubled. Notice of show approval or disapproval, signed by the PFHA Executive Director, will be sent to the contact person for the sponsoring Regional Group.
c. Show Date Approval. To assist in giving each sponsoring Regional Group the same opportunity to receive show date approval, each Regional Group should make application for proposed shows for the current show year by the first PFHA Board of Directors Meeting of that show year. Approval for “AP” shows and dates will be granted by the PFHA Executive Director.
d. Responsibilities. PFHA Regional Groups shall have full responsibility for promoting and conducting all shows sponsored by such organizations.

5. Show Reports.
a. Show Summary. A show summary must be submitted for each show listing class number, class name, horse placements, full registered names of horses, registration numbers of horses, exhibitors’ names and membership numbers, and current recorded owner(s)’ name(s) and/or farm name under which the horses are shown and their membership numbers. All fees due to the PFHA in connection with the show must either (i) accompany this summary or (ii) be sent to the PFHA no later than submission of the summary. See PFHA concerning fees due to the PFHA).
b. Record Of Points. The sponsoring Regional Group shall record the points earned during sponsored shows and forward the same together with the Judge’s Cards, roster and show summary by First Class mail to the PFHA Office, postmarked within fifteen (15) calendar days of the completion of such show. Failure to do so will subject the Regional Group to an appropriate fine and forfeiture of the remainder of the approved shows until compliance with the rule is met. The PFHA shall maintain a record of points awarded for all horses and riders.
c. Fees Due the PFHA. The Regional Group sponsoring the show shall collect all fees and proceeds of each respective “AP” show and maintain a record thereof. The Regional Group also shall pay all incurred show obligations and pay to the PFHA the appropriate fees along with a copy of the accounting of all receipts and expenses due to the PFHA.
d. Committee/Officials Reports. Within thirty (30) days after each approved show, the Show Committee shall file a report on the quality of judging and actions of other show officials on forms provided by the PFHA. This report is to be mailed to the PFHA office. Failure to do so can result in a fine.
e. Penalties. The Regional Group that sponsors a PFHA approved show shall be subject to a penalty or fine for failure to conduct a show in accordance with PFHA rules, for failure to meet show requirements or for failure to file the necessary reports in a timely manner.

PF151 GRAND NATIONAL CHAMPIONSHIP SHOW

1. Specifications
a. Date and Location. The date and location of the Grand National Championship Show are to be selected by the Association Board of Directors at least three (3) years in advance. The show dates must commence within the month of September.
b. Selection of Judges. The selection of the Association National Show Judges and judging system shall be made for the next National Show at the Spring meeting of the Board of Directors. The selection of judges shall be made from a list of qualified judges supplied by the Judges and Stewards Committee. Conferencing of judges shall be allowed if desired by the Board of Directors. However, each judge will individually present his or her placements on a judge’s card. Each judge shall be a Senior Certified judge of the Association and hold a Federation judge’s card. Those judges selected must be in good standing with the Association at the time of selection and at the time of the Grand National Championship Show.
c. Selection of Stewards. The selection of the Association National Show Stewards shall be made by the show manager. A minimum of three stewards will be used. All stewards are to be Senior Certified or Federation certified. Those stewards selected must be in good standing with the Association at the time of selection and at the time of the Grand National Championship Show.

Except as provided in the next sentence, to be eligible for entry and competition in the Association National Championship Show, an entry must have accumulated, in the specific class in which it/he/she is entering, a minimum of twenty (20) points in Association sanctioned shows during that show year. The Walk-Corto Leadline class and the Paso Pleasure Driving Class have no entry requirements.

f. Hoof Inspection. All horses entered in any classes at the National Show shall have their hoofs inspected before entering the ring by a committee of three appointed by the Show Chairperson, consisting of an impartial farrier, a veterinarian, and a member of the Show Committee. Any evidence that the hooves have been trimmed too closely, which is a practice called “soreing,” shall disqualify the entry for the remainder of the show.

g. Grand National Champions: Grand National Championships will be divided by gender (Stallions, Mares, Geldings) in the Classic Fino, Paso Performance, and Paso Pleasure divisions in both Open and Amateur Owners classes. To be eligible for entry into the Grand National Championship class, a horse must have been properly entered, shown and judged in one of the qualifying classes.

CHAPTER RN
REINING HORSE DIVISION

For further information regarding the conduct of Reining Horse competitions, contact the National Reining Horse Association (NRHA), 3000 NW 10th St, Oklahoma City, OK 73107-5302; 405-946-7400 phone; 405-946-8410 fax.

SUBCHAPTER RN-1. JUDGING.

RN101 General

1. To rein a horse is not only to guide him, but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control. All deviations from the exact written pattern must be considered a lack of temporary loss of control and therefore a fault that must be marked down according to severity of deviation. After deducting all faults, set here within, against execution of the pattern and the horse’s overall performance, credit should be given for smoothness, finesse, attitude, quickness and authority of performing various maneuvers, while using controlled speed which raises the difficulty level and makes him more exciting and pleasing to watch to an audience. The official guideline for the application for the rules for judging shall be as specified in the NRHA Judges Guide.

2. When copying is available, posting judges scores sheets is mandatory for NRHA approved classes. Score sheets should be posted within one hour of class completion. In the event, copies are not an option, judges score sheets must be available for supervised inspection. Original judges score sheets must be returned to the NRHA office with competition results.

3. A reining will be complete and the posted scores will be considered “official” thirty minutes following the last horse of the day. Scores must be posted or made available to exhibitors as soon as possible. Score corrections may not be made at any time after the judge has left the grounds.

4. All entries in a class must be drawn for position and must run as drawn. All entries must have a correct exhibitor number displayed. If a rider rides more than one horse, there should be a spread of at least two horses between his/her runs. If an entrant misses his/her turn as determined by the draw, he/she will be disqualified from that go round (except for cases where unusual and truly unavoidable circumstances exist). Each case will be judged on its own merit by the judge(s).

5. Substitution of riders will not be permitted except by agreement of the competition management and in case of injury.

6. A rider may not show more than three (3) horses in a class. (Exception: Arabian, see AR200; Morgan, see MO164.4) A horse may be entered only once per class. In the instance where classes are run concurrently a rider may show three horses per class and a horse may only be shown once.

7. All horses must be ridden astride.

8. It is mandatory for all riders to use appropriate western tack and western attire while showing: this would include a long sleeve shirt, western hat or protective headgear, boots, western saddle and western bridle. (Freestyle reining being exempt based on conditions). Failure to use appropriate attire will result in a score of zero.

9. For purposes of competition in the Reining Division: An individual is eligible to compete as a Junior from January 1 until the end of the calendar year in which they reach the age of 18. BOD 1/15/06 Effective 12/1/06

RN102 Equipment

1. All bits must be free of mechanical device.

2. References to hackamore mean the use of a flexible, braided, rawhide, leather, or rope bosal, the core of which may be either rawhide or flexible cable with a maximum diameter of ¾” at the cheek. Absolutely no rigid material will be permitted under the jaws, or on the noseband in connection with the bosal, regardless of how padded or covered. Horsehair bosals are prohibited. This rule does not refer to the so-called mechanical hackamore which is illegal.
3. References to snaffle bits mean conventional O-ring, egg-butt, or D-ring with a ring no larger than 4" and no smaller than 2". The inside circumference of the ring must be free of rein, curb or headstall attachments which would provide leverage. The mouthpiece should be round, oval or egg-shaped, smooth and unwrapped metal. It may be inlaid, but smooth and/or latex wrapped. The bars must be a minimum of $\frac{5}{6}$" in diameter, measured 1" in from the cheek with a gradual decrease to center of the snaffle. Optional curb strap is acceptable however curb chains are not acceptable. These requirements remain the same for all classes in which a rider may use a snaffle bit.

4. References to a bit means the use of a curb bit that has a solid or broken mouthpiece, has shanks and acts with leverage. All curb bits must be free of mechanical device and should be considered a standard Western bit. A standard Western bit includes:
   a. $8\frac{1}{2}$" maximum length shank to be measured as indicated in the NRHA Handbook. Shanks may be fixed or loose.
   b. Concerning mouthpieces, bars must be round, oval or egg-shaped, smooth and unwrapped metal of $\frac{5}{6}$" to $\frac{3}{4}$" in diameter, measured 1" from the cheek. They may be inlaid, but must be smooth or latex wrapped. Nothing may protrude more than $\frac{1}{8}$ inch below the mouthpiece (bar).
   c. The port must be no higher than 3$\frac{1}{2}$" maximum, with rollers and covers acceptable. Broken mouthpieces, half-breeds, and spades are standard.
   d. Slip or gag bits, donuts or flat polo mouthpieces are not acceptable.

5. Except for Snaffle Bit and Freestyle Classes, only one hand may be used on the reins, and the hand must not be changed. The hand is to be around the reins; index finger only between split reins is permitted. Violation of this rule results in a penalty score of zero (0).

6. When a curb bit is used, a curb strap or curb chain is required and must be at least $\frac{1}{2}$" in width, lie flat against the jaw, and be free of bars, wire, and/or twists.

RN103 Scoring.
1. The scoring will be on a basis of 0-Infinity, with 70 denoting an average performance. Scores will be announced after each horse works. The individual maneuvers are scored in $\frac{1}{2}$ point increments from a low of $-1\frac{1}{2}$ to a high of $+1\frac{1}{2}$ with a score of 0 denoting a maneuver that is correct with no degree of difficulty. Scores will be announced after each horse works.

2. All ties for 1st place will be worked off if the tied exhibitors agree to participate in a run-off. Tied exhibitors have the alternate option of agreeing not to run-off and to be named co-champions but must determine the winner of the awards by a flip of a coin. If they do not agree, the exhibitor(s) who does not want to run-off will forfeit first place to the other. (Exceptions: Freestyle reining - see Freestyle Reining conditions to determine winner or co-champions.
   a. if a tie occurs after the run-off, the entrants will be named co-champions; will evenly split 1st and 2nd prize money, but must determine the winner of the awards by a flip of a coin. A horse not returning for a run-off without such an agreement will forfeit 1st place prize money regardless of the added money. In the case of a run-off, the contestant(s) not winning the run-off cannot be placed lower than the lowest position for which he/she was tied, i.e., 2nd/3rd. All other ties are not worked off and will involve as many places as there are horses tied, i.e., 4th, 5th, 6th, 7th. The prize money in the previously mentioned example is added together and split equally-four ways.

3. The following will result in result in no score:
   a. abuse of animal in competition arena and/or evidence that an act of abuse has occurred prior to or during the exhibition of a horse in competition;
   b. use of illegal equipment, including wire on bits, bosals or curb chains;
   c. use of illegal bits, bosals or curb chains;
   d. use of tack collars, tie downs or nose bands;
   e. use of whips or bats;
   f. use of any attachment which alters the movement or circulation to the tail;
   g. failure to dismount and/or present horse and equipment to the appropriate judge for inspection;
   h. disrespect or misconduct by the exhibitor
   ii. infraction of any state or federal law which exists pertaining to the exhibition, care and custody of horses within the state or country where an NRHA reining is being held.
j. The judge(s) may excuse a horse at any time while in the arena for unsafe conditions or improper exhibition pertaining to either the horse and/or rider.
k. Closed reins are not allowed except as standard romal reins and mecates on snaffle bits and bosals in classes where the use of two hands is allowed.

4. Excess rein may be straightened at any place a horse is allowed to be completely stopped during a pattern. When using a romal, no fingers between the reins are allowed. The free hand may be used to hold the romal, provided it is held at least 16" from the reining hand and in a relaxed position. Use of the free hand while holding the romal, to alter the tension or length of the reins from the bridle to the reining hand, is considered to be use of two hands, and a score of 0 will be applied, with the exception of any place a horse is allowed to be completely stopped during a pattern.

5. The following will result in a score of 0:
   a. Use of more than index or first finger between reins;
   b. Use of two hands (exception: snaffle bit or hackamore classes designated for two hands) or changing hands;
   c. Use of romal other than as outlined in #4;
   d. Failure to complete pattern as written;
   e. Performing the maneuvers other than in specified order;
   f. The inclusion of maneuvers not specified, including but not limited to
      (1) Backing more than two strides
      (2) Turning more than 90 degrees (Exception: a complete stop in the 1st quarter of a circle after a canter departure is not to be considered an inclusion of maneuver; a 2 point break of gait penalty will apply.
   g. Equipment failure that delays completion of pattern, including dropping a rein that contacts the ground while the horse is in motion;
   h. Balk ing or refusal of command where performance is delayed
   i. Running away or failing to guide where it becomes impossible to discern whether the entry is on pattern;
   j. Jogging in excess of one-half circle or one-half the length of the arena while starting a circle, circling or exiting a rollback;
   k. Overspins of more than ¼ turn;
   l. Fall to the ground by horse or rider. A horse is deemed to have fallen when its shoulder and/or hip and/or underline touches the ground.
   m. Dropping a rein that contacts the ground while the horse is in motion.
   n. Failure to wear appropriate western attire as outlined in the NRHA Handbook. Western attire may include protective headgear (ASTM/SEI). See GR318.4 and RN101.8.

NOTE: Neither a “no score” nor a 0 is eligible to place in a go round or class, but a 0 (zero) may advance in a multi-go event while a “no score” may not. In the event not enough horses qualify for total purse distribution, the purse will be retained by competition management.

6. The following will result in a $25 fine, payable to the show organizer.
   a. Failure to have correct exhibitor number displayed.

7. The following will result in a five point penalty:
   a. Spurring in front of cinch.
   b. Use of either hand to instill fear or praise.
   c. Holding saddle with either hand.
   d. Blatant disobedience including kicking, biting, bucking, rearing and striking.

8. The following will result in a two point penalty:
   a. Break of gait.
   b. Freezing up in spins or rollbacks.
   c. On walk-in patterns, cantering prior to reaching the center of the arena and/or failure to stop or walk before executing a canter departure.
   d. On run-in patterns, failure to be in a canter prior to reaching the first marker.
   e. If a horse does not completely pass the specified marker before initiating a stop position.

9. Starting or performing circles or eights out of lead will be judged as follows:
   a. Each time a horse is out of lead, a judge is required to penalize by 1 point. The penalty for being out of lead is accumulative, and the judge will add 1 penalty point for
each ¼ of the circumference of a circle or any part thereof that a horse is out of lead. A delayed change of lead is a one (1) point penalty from one stride to 1/4 of circumference of a circle and is also cumulative beyond that point.

b. A judge is required to penalize a horse 1/2 of a point for a delayed change of lead by 1 stride where the lead change is required by the pattern description.

10. Deduct ½ point for starting circle at a jog or exiting rollbacks at a jog up to 2 strides. Jogging beyond 2 strides but less than ½ circle or ½ the length of the arena, deduct 2 points.

11. Deduct one-half (½) point for over or under spinning up to one-eighth (¹⁄₈) of a turn; deduct one (1) point for over or under spinning up to one-quarter (¹⁄₄) of a turn.

12. In patterns requiring a run-around, failure to be on the correct lead when rounding the end of the arena will be penalized as follows: For ½ the turn or less, 1 point; for more than ½ the turn, 2 points.

13. There will be a half point penalty for failure to remain a minimum of 20 feet from wall or fence when approaching a stop and/or rollback.

14. Judges may not confer as to any penalty or maneuver score prior to submitting a score. If a major penalty (a penalty which results in a no score, a 0, or a 5 point penalty) is unclear, a judge will submit his/her score and ask that the score be held, pending a conference and/or review of the official video at the earliest appropriate time. Should the judges determine via conference or official video replay that a penalty was incurred, it should be applied. If, however, no penalty occurred, the score will be announced as originally submitted. No judge shall be required to change his/her score following a conference or official video replay. The use of official video equipment by the judges is only permissible if the judge has reason to believe that all entries have been videotaped.

15. The judge shall have the authority to remove any contestant from a competition he is judging, should said contestant show any disrespect or misconduct as to render himself or the competition in an unprofessional manner.

16. All riders must dismount. The horse must be presented and the bridle dropped by the rider or a designated representative. The horse and equipment must be checked by the designated judge or steward in the arena or in close proximity to the arena during a pre- or post-check. Should the equipment judge detect cause for a no score, the exhibitor or his/her representative, trainer, or guardian may at that time accept the no score and allow the equipment judge to cause the appropriate changes to all score cards or request the other judges confer on the appropriate call. In the case of a youth exhibitor, should a parent, trainer, or guardian not be present, it will be assumed that all parties are aware of this rule and agree to abide by the exhibitor's decision. If requested, the equipment judge will confer with the other judges as soon as practical. Failure to comply with this rule will result in a no score. EC 10/17/06 Effective 1/1/07

17. Judges shall be the sole person responsible to determine if a rider has correctly completed the pattern as written.

18. NRHA permits the judge the option of awarding a re-ride to any contestant who, in the judge's opinion, is unable to complete a pattern for reasons that are out of the rider's control. In the instance where a re-ride is warranted in the judge's opinion, the judge should advise the NRHA Representative and/or Competition Management of such as soon as possible.

19. For regulations concerning showing under judges, refer to GR804.16.

RN104 Categories of Competition and Class Eligibility.

Class eligibility is based on the rider's and/or the horse's earnings as of January 1 of the current NRHA year. It is the responsibility of the owner and/or rider to be aware of the official earnings of the horse and/or rider as recorded by NRHA. When limits of eligibility are surpassed during the competition year, the exhibitor can complete the year in that specific class or division. Any rider participating in a class or division in which he/she (or the horse he/she is riding) is not eligible will be placed on probation for 30 days for the first offense. Second and subsequent offenses will result in a 30-day suspension and a fine of $200. When a horse/rider is found to be ineligible, the earnings will be forfeited to the NRHA. NRHA will make corrections to the class placing and earnings in the database. It is the responsibility of the ineligible exhibitor to return all forfeited earnings to the NRHA and all
prizes and awards to the Competition Secretary. Earnings in Categories 3, 4, 5, 6, 7 and 8 will be reflected on horse and rider lifetime earnings and will be used for determining eligibility status for the Rookie class only. **EC 10/17/06 Effective 1/1/07**

RN105  Non Pro Conditions.

1. A Non Pro shall be defined as a person who at the time of Non Pro application has not won in excess of $100,000 (one hundred thousand dollars) in Category 1, 2 and 6 open reining competition. A Non Pro shall be further defined as a person who has not given lessons for remuneration and/or has not directly or indirectly shown, trained, or assisted in the training of any horse ridden astride for remuneration regardless of discipline—this does not include prize money. An exception exists with respect to a Non Pro applicant that is certified as an instructor in national equine equitherapy as exampled by the North American Riding for the Handicapped Association (NARHA). The excepted instructor shall only teach students enrolled with an approved organization or students prescribed such rehabilitation by a licensed medical doctor. A Non Pro applicant is excepted under this provision and must have disclosed this information on the Non Pro Declaration that is submitted to the NRHA office. Payment of entry fees and/or expenses by anyone other than the Non Pro, his/her immediate family, or a corporation, partnership or other business entity in which the Non Pro and/or a member of his/her immediate family are the sole and only owner, shall be considered remuneration except for demonstrations, exhibitions, or international team competitions where the Non Pro is representing his/her National Federation, or competition where the Non Pro is representing his/her college or university as an individual or part of a team. A horse shown in Non Pro competition must be solely and completely owned by one of the following: 

   a. the Non Pro
   b. a member or members of his/her immediate family
   c. a corporation, partnership, or other business entity provided that the Non Pro and/or a member or members of his/her immediate family are the sole and only owners of that business entity and the ownership of that business entity does not change to include non immediate family members or entities. Ownership will be evidenced by the competition license. Note: NRHA has adopted the following definition of immediate family: husband, wife, parent, step-parent, child, step-child, brother, sister, half brother, half sister, aunt, uncle, niece, nephew, grandmother, grandfather and in-laws, of the same relations as stated above.

   It is the responsibility of the Non Pro to file an Immediate Family Form with the NRHA prior to showing an immediate family member's horse. The Non Pro is also responsible for updating that form with any changes. If there is not an Immediate Family Form on file with the NRHA office, a Non Pro may be forfeited out of any NRHA Non Pro classes in which they have shown. **BOD 1/15/06 Effective 12/1/06**

2. Any transaction relating to the sale of a horse to a Non Pro other than by immediate family members, must be at fair market value. The Non Pro is responsible for documenting said transaction in a satisfactory fashion in the event of any protest. If a Non Pro and/or his or her immediate family member sells a horse and then buys it back, the Non Pro and/or his or her immediate family member cannot show that horse in Non Pro classes for 180 days from the time he or she originally sold the horse.

3. The Executive Board or a committee designated by them shall have the right to review in detail any transaction regarding the purchase or sale of a horse by the holder of a NRHA Non-Professional card if in their judgment there was an intent to misuse the rules of the Association. At the Executive Board or its designated committee’s discretion, there shall be a review if a horse is repurchased or resold. Included in the review shall be methods of procurement, all transfer records, canceled checks, and deposit slips if so directed by the Executive Committee. The procurement of mortality insurance and a receipt of payment to a third party is an acceptable proof of sale. The original owner’s knowledge of the sale is not necessary for proof of sale involving an agent. All parties to a transaction in violation of these NRHA rules are subject to disciplinary action.

4. Procedure for those applying for Non Pro status:
   a. An applicant must complete the official NRHA Non Pro Membership Application, and submit to the NRHA Office with the appropriate fee. **BOD 1/15/06 Effective 12/1/06**
   b. Persons applying for non pro status who reside on, work for, or derive monetary sustenance from a horse training and/or showing facility and persons included in advertising for horse facilities and operations or publicly identified in any way with horse facilities must complete Sections A & B of the Non Pro Membership Application.
c. A Non Pro card is a privilege and not a right. The NRHA Non Pro Committee will screen all applicants. The NRHA Non Pro Committee can require at any time a Non Pro to submit his/her card for review of applicability. The NRHA Non Pro Committee can refuse a Non Pro Card to anyone deemed not in compliance with the eligibility criteria set forth in the NRHA Handbook.

d. An applicant must obtain a Non Pro card prior to entering a Non Pro class; applicants must allow thirty days minimum for processing applications. Earnings will not count for top ten purposes and all Non Pro winnings earned prior to approval will be forfeited if it is determined that the Non Pro approval was not granted prior to showing. Failure to comply with the application requirements as specified in the NRHA Handbook may result in disciplinary action.

e. Denial of non pro status may be appealed to the NRHA Board of Directors.

f. A professional (excluding members in the Apprentice program) desiring to obtain Non Pro status may do so after meeting all Non Pro conditions for a period of time equal to the number of years they have not met the NON Pro requirements with a minimum of three (3) years and maximum of five (five) years. The NRHA office may then be notified and the standard Non Pro Membership application and fees may be submitted for approval or disapproval by the NRHA Board of Directors or their designate. The applicant will be notified of the approval or disapproval by the office and shall not show in NRHA Non Pro competition until notified.

g. A professional who attains Non Pro status after fulfilling stated criteria, shall not be eligible for any reining classes or divisions, specifically Limited Non Pro or Intermediate Non Pro, (Category 1 or 2 and 6) for an additional three years.

5. Should a member wish to protest the eligibility of a Non Pro, he may file a protest to the NRHA Office in accordance with the procedures set forth in the disciplinary procedure section of the NRHA Handbook. The protest must be signed by a current NRHA member in good standing. In protests regarding the eligibility of a Non Pro, the 10-day rule for filing such protests is not applicable. In these types of protests, he or she must file within the current or subsequent year of the actual incident. Upon receipt of a validly filed protest, the Non Pro Committee may choose to request the individual in question to voluntarily return his/her Non Pro card. If the individual chooses not to surrender his/her card, the committee shall send the issue to the NRHA Investigation Review Committee established for Non Pros.

6. Renewing Non Pro status:
   a. Annual renewal of a Non Pro card will not require a new Non Pro declaration if no change in status has occurred.
   b. Following any lapse in NRHA membership a Non Pro will be required to re-file a new Non Pro Declaration, as well as a Supplement form if applicable.

7. Penalty: should the NRHA Executive Board determine a Non Pro has made a false declaration, the Non Pro will forfeit all Non Pro winnings earned during the current year, and be subject to disciplinary procedures. When a horse/rider is found to be ineligible, the earnings and awards will be forfeited to the NRHA. Upon receipt of the earnings, NRHA will redirect the forfeited earnings to the show committee to be redistributed. NRHA will make corrections to the class placing and earnings in the database. It is the responsibility of the exhibitor to return all forfeited earnings to the NRHA and all prizes and awards to the Competition Secretary.

8. Relinquishing Non Pro Status
   A Non Pro that gives up his/her Non Pro status, and becomes a professional must notify the NRHA/Federation offices in writing within thirty (30) days of the change. Non Pro earnings in any category/class will not be utilized in determining current eligibility, with the exception of the Rookie Professional class (see definition of Rookie Professional).

9. Non Pro Apprentice Exemption
   a. A Non Pro may participate in the Apprentice Program only once. The Non Pro must complete an Apprentice Program Application.
   b. An Apprentice Program applicant may be subject to a personal interview with the Non Pro Committee.
   c. Apprentice status must be granted by the NRHA Board of Directors following the recommendation of the Non Pro Committee.

© USEF 2007 RN9
The applicant must apprentice with a member of the NRHA Professionals and physically work at that Professional’s facility.

All NRHA previous Non Pro as well as Open earnings will be used to determine the Apprentice’s class eligibility. The Apprentice can only show in Open division classes during the apprenticeship period.

All applicants must be at least 18 years of age.

There is no earnings limit.

Apprenticeship is a 12 month consecutive period. At the end of that time, the apprentice may remain an open rider. In this case, previous Non Pro earnings will be backed out for eligibility purposes. If the Apprentice does remain an Open rider, the Apprentice must then reapply for Non Pro status and is subject to the Non Pro conditions. Any monies won during the 12 consecutive month Apprenticeship shall be applied to his/her Non Pro eligibility.

**RN106 Freestyle Reining.**

1. Reining maneuvers originated from moves that a cowhorse must use in performing its duties and have been refined to the high level of competition existing today. Freestyle Reining not only provides an opportunity to use these maneuvers creatively, but also to expand them to music by means of choreography. Riders are encouraged to use musical scores which permit them to show the athletic ability of the horse in a crowd appealing way.

2. NRHA rules will apply except where the following rules pre-empt same.

3. **REQUIRED MANEUVERS** will be defined as follows:
   - A minimum of 4 consecutive spins to the right. A minimum of 4 consecutive spins to the left.
   - A minimum of 3 stops. A minimum of 1 lead change at the canter from right to left. A minimum of 1 lead change at the canter from left to right. Exhibitors will only be judged astride.
   - Exhibitors are allowed to use two hands (as well as one or no hands) and any bit approved by the NRHA rule book, including snaffle bits and bosals approved for use in the Snaffle bit or Hackamore classes. Failure to perform all the required maneuvers or failure to complete the performance within the time limit will result in a 0. Additional maneuvers such as rollbacks, backups, speed variations, and non classical reining maneuvers such as half pass and side pass are appropriate in Freestyle and shall be given appropriate credit. Additional repetitions of required maneuvers are appropriate, but will only add or subtract from the existing scores already given for the required maneuvers, not as additional scores.

4. **TIME LIMIT** is a maximum of 3 1/2 minutes including any introductions. The time limit will be from the beginning of the music or from the beginning of the introduction (whichever is first) and will end with the music.  

5. **COSTUMES** are permitted but not required. Emphasis is placed on performing the reining maneuvers to music.

6. **PROPS** are permitted but at no time may hinder the judges' view of the horse. The use of props will not add to the score.

7. **JUDGING OF THE FREESTYLE REINING.** Required maneuvers in Freestyle will receive a score based on technical merit from the technical judges utilizing judges score sheets specifically designed for the Freestyle. Transitional maneuvers and other maneuvers not specified as reining maneuvers will be evaluated and scored accordingly in a specified box and counted as a single maneuver score. If an artistic impression judge is used, they must use the score sheet provided by NRHA and are encouraged to include remarks regarding performance. In the event an artistic judge is not used, the technical judges will assess an artistic impression score in the box specified using a –2 to a +2 evaluation.

8. **NUMBER OF JUDGES:** Two or more licensed Reining judges must be used in any Freestyle class that offers $2000 or more in added money.

In the case of one or two judges being used, they would be required to be NRHA approved. They would judge the technical merit of the ride. As part of the overall score, each judge would weigh the artistic impression of the ride as 10% of the overall ride.

9. **TIE BREAKER JUDGE.** One judge (not to be an artistic impression judge) shall be designated as the tie breaker prior to the Freestyle class. In the event a tie still occurs (or the tie occurs with one judge), the technical merit scores will be tallied to break the tie. In the event a tie remains, the exhibitors tied will be declared co-champions. (Exception—NRHA page #28, rule 14).
10. VALIDATING REQUIRED MANEUVERS will be the responsibility of the judges. At least one scribe will be used to assist in verifying the required maneuvers for each horse as they are completed in the pattern.
11. ELIMINATIONS are to be used at the discretion of competition management and should use NRHA patterns, NRHA judging rules as applied to Category 1 classes, and NRHA judges. Eliminations may be held without music or costuming, but must allow the use of either one or two hands. The emphasis in the design of any eliminations should be on quality of competition.
12. APPLAUSE METERS or Artistic impression judges should not represent more than 20% of the combined score and should only be used in conjunction with (minimum) two NRHA approved judges. When used in scoring, the following formulas should be applied to properly weigh the scores according to the above percentage and still produce a comparable numerical score as when three judges are used.
   a. Score for Judge 1 should be multiplied by 1.2
   b. Score for Judge 2 should be multiplied by 1.2
   c. Score for the Applause Meter should be multiplied by .6. All three scores should then be added to determine the final score for placing.
13. If an open Freestyle Reining class is offered a Non Pro Freestyle class may also be held. Competition management will reserve the right to run them concurrently or separately.
14. COMPETITION MANAGEMENT will reserve the right to rule on music or dress which may be inappropriate or offensive to the spirit and nature of the competition. Competition management may also determine the use of special lighting.
15. EQUIPMENT used in freestyle must adhere to the following standards:
   a. All equipment must be non-abusive and humane based on Federation and NRHA Rules and guidelines.
   b. Any equipment not specifically covered by or in conflict with standard equipment guidelines must be non-abusive to the horse.

SUBCHAPTER RN-2. PATTERNS.

RN107
1. The following patterns are to be worked as stated, not as drawn. The drawn pattern is just to give the general idea of what the pattern will look like in the arena.
2. Markers will be placed on the wall or fence of the arena as follows:
   a. at the center of the arena
   b. at least 50' (15 meters) from each end wall. EC 10/17/06 Effective 1/1/07
3. Where designated in the Pattern for stops to be beyond a marker, the horse should begin his stop after he passes the specified marker.
4. Each pattern is drawn so that the bottom of the page represents the end of the arena entered by contestants and must be run as such. In the event that an arena has only one gate and it be in the exact middle of the side, that side shall represent the right side of the page the pattern is drawn on.
5. All horses will be judged immediately upon entering the arena and judging will cease after the last maneuver. Any fault incurred prior to the commencement of a pattern will be scored accordingly.
6. All judges’ decisions are final.
1. Run at speed to the far end of the arena past the end marker and do a left roll back—no hesitation.
2. Run to the opposite end of the arena past the end marker and do a right rollback—no hesitation.
3. Run past the center marker and do a sliding stop. Back up to center of the arena or at least ten feet (three meters). Hesitate.

CHAPTER RD
ROADSTER DIVISION

SUBCHAPTER I. GENERAL QUALIFICATIONS.

RD101 Type and Conformation.

1. In order to compete all horses must be Standardbreds registered with the United States Trotting Horse Association or the Canadian Trotting Horse Association (exception: horses that have competed in any Roadster Division class at a Federation licensed event prior to December 1, 2003). The horse must be entered under the name(s) of the owner(s) of record with the United States Trotting Horse Association or the Canadian Trotting Horse Association. The Roadster must be attractive in appearance, balanced in conformation and with manners which make a safe risk in the ring. At USEF licensed competitions, a copy of the registration papers showing proof of ownership must be submitted with entry form at the time of making entry or presented to the competition office before competition number will be released; competition management is responsible for notifying exhibitors of this requirement and horses may be inspected for proper identification at the discretion of horse show management. Horses showing under a name other than the name on the registration papers must provide a copy of the registration papers and a notarized certificate of eligibility to show issued by the American Road Horse and Pony Association. A copy of the registration papers will be returned when exhibitors pick up their numbers, if requested. In the event that a person files a false affidavit or an affidavit to show change of ownership without having taken steps to make the change with USTA or CTA the Federation will levy a fine against that person in the amount of $200. If the foregoing $200 fine is not paid within 30 days or receipt of the Federation’s notice of fine, said individual will be automatically suspended until the fine is paid. If the person disputes that the fine is not properly owing, he/she can request a hearing of these issues before the Hearing Committee provided a written statement specifying grounds for the hearing is received at the Federation’s office within 30 days of the receipt of the Federation’s notice of fine. See GR802.2c.

2. There are two types of Roadsters for competition—those suitable for bike and those suitable for road wagon. Occasionally there are horses which are suitable for both purposes. Usually the Road Wagon Roadster will have more scale and height than the Bike Roadster. Roadsters in the Wagon division must have the strength to comfortably pull a wagon without losing form. Typical Roadsters in the Wagon division are good looking horses which compliment the appointments of the wagons. Roadsters in the Bike division are able to strongly perform three distinct speeds at the trot and have the look of a refined race horse. Judges must emphasize that Roadsters are to be shown at three distinct speeds. Exhibitors executing gaits not called for must be penalized.

3. Horses must be serviceably sound and shown without artificial appliances (e.g., wired ears, chains, shackles, draw reins, kicking strap, conspicuous wire cavessons) except boots and inconspicuously applied tail switch or brace.

4. The Roadster should have a well chiseled head, smart ears, be fine in the throat latch, with a fine neck; should show depth through his chest, a good shoulder and good withers; well coupled, with short back and well proportioned hindquarters; should be a good full-made horse over hips; should stand well on legs and have good flat bone. The Roadster should have a full mane and tail, may be of any color. The tail should be carried outright.

RD102 Gait Requirements.

The principal gait assignment for Roadsters is the trot. They shall be asked to trot at three different speeds; the jog-trot, the Road Gait and then at full speed. At all speeds they should work in form; that is their chins set and their legs working beneath them, going collectedly. At the trot a horse whose action features folding of the knees, flexing of hocks, with straight true action of front legs and with hocks carried close together and with motions coordinated, is executing a balanced trot. Long sprawling action in front, dragging or trailing hind legs and straddle gaited action behind makes a balanced trot impossible. Animation, brilliance and competition ring presence should characterize the Roadster in working at a jog-trot or Road Gait. When asked to drive on, the horse must show speed and go in form. Pacey gaited or mixey gaited horses that pace and rack the turns or break and run on the turns.
shall be penalized. Judges must emphasize that Roadsters are to be shown at three distinct speeds. Exhibitors executing gaits not called for must be penalized.

BOD 1/15/06 Effective 12/1/06

SUBCHAPTER RD-2. SHOWING PROCEDURES.

RD103 General.
1. Roadsters must enter the ring clockwise at a jog-trot then show at the Road Gait; turn counter clockwise at the jog-trot, show at the Road Gait and then trot at speed. Judges must emphasize that Roadsters are to be shown at three distinct speeds.

2. It is very important to emphasize that Roadster horses must trot solidly down the straight away as well as around the turn. Horses should be shown on the rail at all times except when passing and should go to the far end of every corner without side reining; should be light mouthed, capable of being taken up at any time, and stand well when being judged in the center of the ring. BOD 1/15/06 Effective 12/1/06

3. Any driver, rider or pony in the Roadster division exhibiting inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any other exhibitor, their entries or the safety of class officials will be ordered from the ring. (See GR1043.8 and .9)

4. Performance at all three gaits must be judged. In the event of a workout, entries chosen must be worked both ways of the ring, as in the original routine.

5. When horses are lined up, no attendant is permitted and driver shall not leave his vehicle except for necessary adjustments. He may, however, uncheck and stand at horse’s head when left in the center of the ring while a part of the class is on the rail for a workout. During the line-up, headers are permitted in Amateur, Ladies Amateur, and Juvenile Road Horse classes. The header must not touch the entry except for safety reasons. During a workout the header may uncheck and hold the entry. However, when the workout is over the horse must be rechecked and the attendant must move away from the horse. The attendant must take no action that would affect the performance of any animal.

6. An exhibitor is entitled to request only one time-out per class. (See GR312).

7. Championships. Championship classes are judged in the same manner as the qualifying classes. Saddle classes do not qualify a horse for Harness Championships. Wagon classes will qualify for a Bike Stake if a Wagon Stake is not offered. In Amateur Championships, to bike or wagon, if qualifying classes are offered the horse must have been qualified by an Amateur in one other Amateur Harness Class.

8. In the Roadster Division a class is considered completed when the class has been judged according to the rules and the judges have turned in their cards. In qualifying classes the judge’s cards must be turned in before an entry is qualified to show in the Championship class.

RD104 Appointments Classes.
1. Entries shall be shown to a Road Wagon. They shall be well mannered with extreme brilliance, style and ring presence. Outstanding conformation and quality are required. A bold and classy trot with action is to be shown at all gaits when requested. Entries should be well broken and mannered when lined up for judging.

2. Required appointments will include the following items: rasp, scraper, hoof pick, screwdriver, farrier’s knife, farrier’s hammer, knife, goggles, matches, washers, spool wire, wrench, wire pliers, nippers, punch, oil can, horse shoes, horse shoe nails, blanket pins, whisk broom, flask, cooler, halter, rain coat/cover, curry comb, brush, lead strap, clock, and light. Protective headgear may be worn without penalty. (See GR318)

RD105 Equipment and Attire.
1. Harness. Blinkers of square pattern, snaffle bit and attached over check-rein; breast collar with straight-flaps, with traces made round with flat ends; (for pairs, collars of the English pattern are used); martingale are required. Breechings must be used in all Wagon classes. Reins to be leather and made round up to the hand pieces.

2. Vehicles. Roadsters shall be shown to a Bike, Road Wagon or Buggy of Caffrey style. All vehicles should be of good appearance and stability. Horse Bikes must be of standard size of at least 48" width with a double seat.

3. Juvenile and Youth classes in the Road Horse section must be divided at 10 and in the Road Pony section classes must be divided at 16. BOD 1/14/07 Effective 4/1/07

4. It is recommended that classes for junior exhibitors be divided by age of driver and a Junior Exhibitor Championship be offered.

5. Exhibitors who fail to officially scratch an entry from a class two hours prior to the start of a session that is subsequently divided will be fined an amount not to exceed $100 per horse per class payable to the competition. Notification of intent to divide must be made to exhibitors one hour prior to the start of the session. The division of entries must be posted in the competition office and announced over the public address system or listed in the program.

If entries warrant two sections may be offered: a) Roadster Ponies to Bike 50” and under; b) Roadster Ponies to Bike over 50” but not to exceed 52”. If two sections are offered, competition management may offer a championship/stake for each section. In Under Saddle classes and Roadster Pony to Wagon classes entries may not exceed 54”. Ponies may not be shown in a performance class unless the owner possesses a current Measurement Card or valid Measurement Form issued by the Federation (see GR502).

2. All Roadster Ponies must be re-measured and issued new measurement cards prior to competing in recognized competitions for the year 2004 and beyond. In all Roadster pony championship/stake classes (except Junior divisions) at selected USEF competitions which will be notified in writing by USEF, the first place and fourth place ponies must allow a heel measurement to be taken immediately following the class to verify the heel measurement is at or below what is indicated on the current measurement card. The heel measurement will be taken by the competition steward at a location determined by the measuring official and competition management. The heel measurement must be taken from the left bulb of the left front heel, from the skin line on the lower side of the coronary band with the ruler perpendicular to the flat surface. It is the trainer’s or driver’s decision and responsibility to determine if the pony will be hitched or unhitched for this measurement. If the heel measurement is higher than the measurement on the pony’s USEF measurement card, an overall height measurement must be performed by two measuring officials (See GR502.4) no later than one hour following the end of the session at the designated location. Any entry that exceeds the legal height limit will forfeit winnings in that class. In the event there are fewer than four ponies in a class, the pony occupying the final placing will be measured. In the event of an emergency and the steward is unavailable to take the heel measurement immediately, competition management must appoint a representative to remain with the pony until the heel measurement can occur.

3. During the line up in classes restricted to Junior Exhibitors and Amateurs, one attendant is permitted to head the pony. The attendant must not touch the entry except for safety reasons. During a workout the attendant may uncheck and hold the entry. However, when the workout is over the pony must be rechecked and the attendant must move away from the pony. The attendant must take no action that would affect the performance of any animal.

4. Roadster Pony classes may be judged by judges licensed in the Hackney Pony Division.

5. If no Junior Exhibitor qualifying or championship classes are offered at a competition, then junior exhibitors may enter the Amateur or Ladies qualifying or championship classes but protective headgear is required (See GR318.4, .6 and .7). To be judged on performance, speed, quality and manners. Exhibitors shall wear a business suit with a hat of choice. Breeching is required in all wagon classes. CHAPTER SB
SADDLEBRED HORSE DIVISION

SUBCHAPTER SB-1. GENERAL QUALIFICATIONS.

SB101 Eligibility.
1. In order to compete, all horses must be registered with the American Saddlebred Registry or the Canadian Livestock Records Corporation. They must be entered in their full registered names with registration numbers and under the names of the owner(s) of record with the A.S.R. or the C.L.R.C.

2. A copy of the registration papers showing proof of ownership, or a copy of the registration papers with a Certificate of Eligibility to Show issued by the American Saddlebred Horse Association must be submitted with entry form at the time of making entry or presented to competition office before competition number will be released; competition management is responsible for notifying exhibitors of this requirement. See GR1504.2a(5).

Exception: Horses shown in any USEF Regular Competition prior to December 31, 1979, and Saddlebred-type ponies. The ASHA will provide the Federation with a monthly report of affidavits filed in violation of this Article. A copy of the registration papers will be returned when exhibitors pick up their numbers, if requested. In the event a person files a false affidavit or an affidavit to show change of ownership or change of name without having taken steps to make the change with the ASHA, the Federation will levy a fine against that person in the amount of $200. See GR802.2a(5), GR1501.4, and GR1504.2b. If the foregoing $200 fine is not paid within 30 days of receipt of the Federation’s notice of fine, said person and any horses owned by him/her or his/her stable will be automatically suspended until the fine is paid. If the person disputes that the fine is not properly owing, he/she can request a hearing of these issues before the Hearing Committee provided a written statement specifying the grounds for the hearing is received at the Federation’s office within 30 days of receipt of the Federation’s notice of fine. The request must be accompanied by a deposit of $100 made by a Federation member or the parent of a junior exhibitor member or $200 if made by a non-member (check payable to the Federation). Said deposit will be refunded in the event the review is resolved in favor of the member/non-member.

3. Owners and trainers of horses participating at Federation licensed competitions rated “A” in all Saddlebred sections must be current members in good standing with the American Saddlebred Horse Association, Inc. or the American Saddlebred Horse Association of Canada and provide an original or copy of the ASHA or ASHA of Canada membership card unless the competition, at their discretion, confirms membership electronically with the ASHA or the ASHA of Canada office. Lessees are considered owners in connection with this membership requirement. In the event of an entry under multiple ownership, only one owner need be a member.

a. If the ASHA membership card is not available, the exhibitor, or his or her agent, must sign the ASHA membership affidavit giving his or her name, address, the fact that he or she is in possession of the proper credentials and the reason the information is not available. In the event a person files a false affidavit to prove membership with the ASHA, the Federation will levy a fine against that person in the amount of $200. See GR802.2a(5), GR802.2c, GR1501.4, and GR1504.2b. If the foregoing $200 fine is not paid within 30 days of receipt of the Federation’s notice of fine, said person and any horses owned by him/her or his/her stable will be automatically suspended until the fine is paid. If the person disputes that the fine is not properly owing, he/she can request a review of these issues before the Hearing Committee, provided a written statement specifying the grounds for the review is received at the Federation’s office within 30 days of receipt of the Federation’s notice of fine. The request must be accompanied by a deposit of $200 made by a Federation member or the parent of a junior exhibitor member or $200 if made by a non-member (check payable to the Federation). Said deposit will be refunded in the event the review is resolved in favor of the member/non-member.
SB102  Type and Conformation.

1. The American Saddlebred is the epitome of the show horse. He carries himself with an attitude that is elusive of description—some call it “class”, presence, quality, style, or charm. This superior air distinguishes his every movement.

2. The ideal American Saddlebred is well-proportioned and presents a beautiful overall picture. The animal should be in good flesh, with good muscle tone and a smooth, glossy coat. Masculinity in stallions and femininity in mares are important and should be taken into consideration. The average height is 15 to 16 hands and the weight 1,000-1,200 pounds. Any color is acceptable; the most prominent are chestnut, bay, brown and black with some gray, roan, Palomino and Pinto. HEAD—well-shaped with large, wide-set expressive eyes, gracefully shaped ears set close together on top of the head and carried alertly; a straight face line with a relatively fine muzzle and large nostrils and a clean and smooth jaw line. NECK—long, arched and well-flexed at the poll with a fine, clean throatlatch. WITHERS—well defined and prominent. SHOULDERs—deep and sloping. BACK—strong and level with well sprung ribs. CROUP—level with a well carried tail coming out high. LEGs—The front leg should set well forward under the shoulder. The line of the hind leg, in a natural stance, should be vertical from the point of the buttock to the back edge of the cannon bone. The forearms and hindquarters are well muscled to the knees and hocks. Legs are straight with broad flat bones, sharply defined tendons and sloping pasterns. HOOVES—good and sound, open at the heel, neither toed in or toed out. TO BE PENALIZED: lack of Saddlebred type, coarse or plain head, roman nose, round jaws, lol ears, wide ears, small eyes (pig eyes), short neck, straight neck, ewe neck, thick throatlatch, flat withers, sway-back, roached back, hollow chest, straight shoulders, crooked legs, calved knees, over at the knee, bow legs, rough joints, round bones, straight pasterns, splay feet or pigeon toes, contracted heels, base stance too wide or too narrow, sickle hocks, cow hocks, dissected feet, lack of muscle tone, thinness, obesity, rough coat or overall lack of conditioning. These and any other defects attributable to heredity must be penalized. With the natural variations of type within the breed, some horses do not conform to the ideal but are perfectly suitable for various kinds of competition. If they meet all other requirements for a particular event, they should not be penalized too severely, except in stripped classes, Harness classes and In-Hand classes where extremely low backed horses must be severely penalized. Horses with crooked tails must be penalized and horses with extremely crooked tails must be severely penalized. BOD 1/14/07 Effective 4/1/07

3. Attention getting devices &/or other noisemakers (including but not limited to tape measures, blow horns, bamboo poles, explosives, fire extinguishers, baby powder, whips

SB103  General.

1. The American Saddlebred has clean, rhythmic and fluid action which is straight and true. Winging, interfering, traveling wide behind, mixing of gaits and loss of form are undesirable.

2. All horses must be serviceably sound. In In-Hand classes for sires and dams or prospective sires and dams, transmissible unsoundness only shall be considered. Horses must not show evidence of lameness, broken wind or complete loss of sight in both eyes.

3. Horses may be shown with unset tails in any class without penalty.

4. All horses shall be worked both ways of the ring at all required gaits as directed by the judge(s). All horses chosen for a workout must be worked both ways of the ring in front of each judge, at any gait except the walk. An exhibitor is entitled to request only one five minute time out per class. (See GR312).

5. To be penalized: Mixed gaits; unbalanced action; pulling; fighting the bit; tossing the head; carrying head to one side or going sideways; leaving hocks behind; strung out; wrong lead or cross-cantering; breaking of gait; winging; interfering; traveling wide behind; loss of form due to excessive speed; bad manners; exaggerated opening of mouth; carrying sour ears; bucking; rearing; kicking or not being under control.

6. Definition of Maiden/Novice/Limit for riders/drivers. Maiden/Novice/Limit classes are open to riders/drivers who have not won one/three/six first place ribbons respectively, at Regular and Local Competitions of this Federation in any under saddle/driving section of the Saddlebred division. First place ribbons won by a rider in any under saddle class do not affect the status of a driver in any driving class. First place ribbons won by a rider in any driving class do not affect the status of a rider in any under saddle class.

7. Attention getting devices &/or other noisemakers (including but not limited to tape measures, blow horns, bamboo poles, explosives, fire extinguishers, baby powder, whips
longer than 6’, etc.) are not allowed in and around the make up and competition rings during scheduled competition sessions. All such items will be confiscated and offenders will be reported to the USEF. (See also GR302.4i)

SB104 Appointments.
1. Horses shall be shown without artificial appliances (e.g., wired ears). Inconspicuously applied hair in mane or tail, a tail brace and mouth controls are permitted. In the event a horse has lost the sight in one eye, it must appear to have vision and may be shown with an artificial eye or contact lens. Quarter boots are permitted in Five-Gaited, Fine Harness and Roadster Classes. In case of inclement weather, the use of polo boots or bandages may be permitted provided competition management publicly announces it before a class. Any artificial change of color or markings (other than mane or tail) is prohibited. Use of contact lenses or eye prosthesis for any other use than stated is prohibited.
2. Electronic communication devices used for purposes of coaching, etc., between competitors and individuals outside the ring shall be prohibited in all classes in the Saddlebred Division. Exempt from this rule are handicapped riders who have submitted written proof to the Federation steward.
3. A competitor may carry or use a whip not exceeding 6’ including lash; the lash shall not have been altered in any way. It must be a standard whip of suitable style. Failure to comply will result in disqualification from further competition. (Exception: In-Hand. Refer to SB176.)
4. Whips longer than 6’, including snapper or lash, are not allowed in the warm-up area.

SB105 Stripping.
The stripping of horses for conformation judging is mandatory in Under Saddle Championship Classes in all sections at the Kentucky State Fair World’s Championship Horse Show and The UPHA/American Royal National Championship Horse Show (exception: Park Horse, Pleasure Horse and Three Gaited and Five Gaited Junior Exhibitor sections) and in all ASHA signature classes for horses three years old and under (i.e. ASHA Futurities, ASHA Sweepstakes). Stripping is also mandatory in all “A” rated Three Gaited and Five Gaited Open Championship classes except one horse classes. The above excepted classes and other classes may not be stripped unless it is so stated in the prize list. All stripped classes must be lined up head to tail, parallel to the rail and/or may be presented individually for conformation judging. For safety reasons, two lines may be used when necessary. Horses with extremely low backs must be severely penalized in all stripped performance classes. Only two attendants, suitably attired, per animal are permitted in the ring (see SB143).

SB106 Judging Criteria.
The specific type of class being judged determines the importance of each criterion in the final judging outcome. The order in which each is listed in the class specifications determines where the emphasis should be placed. For example: A horse placed first in a class judged on performance, presence, quality, manners and conformation could justifiably be unplaced against the same horses if the class were judged on manners, presence, quality, performance and conformation. The criteria considered are: performance, manners, presence, quality and conformation.

SB107 Line Up.
1. In Saddlebred performance classes when the judge calls for the line up exhibitors must continue in a clockwise direction to bring their entries to the line up. Judge(s) to penalize entries that do not comply.
2. In Saddlebred performance classes requiring entries to back, the judge(s) must walk the line up (exception: judge(s), at their discretion, may instruct the ringmaster to walk the line up during the back).

SB108 Qualifying Classes and Specifications.
1. OPEN, JUNIOR, THREE-YEAR-OLD, TWO-YEAR-OLD, MAIDEN, NOVICE AND LIMIT. Classes are judged on performance, presence, quality, manners and conformation. The OPEN horse should be the ultimate representative of the breed. It should be as nearly perfect as possible; performing all gaits with animation, brilliance and extreme action at both ends. Performance is paramount in these classes; next is presence, quality, manners and conformation.
2. LADIES. Classes are judged on manners, quality, presence, performance and conformation.
3. JUNIOR EXHIBITORS, AMATEUR AND OWNERS. Classes are judged on manners, performance, presence, quality and conformation. Manners are paramount in these four classes but there is a difference in the way in which horses are judged in each.
4. A LADY’S horse should be outstanding in refinement and elegance with suitability of horse to rider taken into consideration. Expression is paramount and quality is a prime consideration. The execution of gaits should be performed with brilliance on command. The horses should walk and stand quietly.
5. The JUNIOR EXHIBITOR horse should be mannerly, willing and expressive with balanced action. The execution of gaits should be performed with brilliance on command. The horses should walk and stand quietly.
6. AMATEUR and OWNERS horses can be a bit stronger and perform in a bolder manner. More action and animation are desired and less emphasis can be put on manners than in Ladies and Junior Exhibitor classes.

SB109 Championships.
1. Championship Classes are judged in the same manner as the qualifying classes. Horses to be stripped and judged on conformation in accordance with SB105. In stripped classes, Harness classes and In-Hand classes extremely low backed horses must be severely penalized.
2. Eligibility for all Championships must be uniform with all sections offered within each competition. Exception: competition management may limit the number of entries returning in the championships from the qualifying classes.
3. Nominations to be made on entry blank; or horses need not be nominated until __ hours (time to be determined by competition management) before scheduled time for class. Names and descriptions of entries must be made in writing, signed by the exhibitor or his agent and given to the competition secretary.

SB110 Stakes.
A stake class may either be a qualifying class for the championship or the final competition for that particular division. Stake classes must be judged by the same specifications as the qualifying classes.

SB111 Special Rating Requirements.
See GR1303 for classes that do not count toward the minimum number of classes and prize money required for a section’s rating. NOTE: In the Saddlebred Division, Ladies’ classes do count toward the rating even if a complementary class for Gentlemen is not offered.

SB112 Division of Classes.
1. It is recommended that classes of 25 or more entries be divided into separate sections by sex, size of horse or selecting every other number on the list of entries. The division of entries must be posted in the competition office and announced over the public address system, or listed in the program.
2. In Ladies, Junior Exhibitor, Amateur and Owner Fine Harness, Saddlebred Pleasure Driving and Country Pleasure Driving classes it is recommended that classes of more than 15 entries be divided in the same manner.
3. If Juvenile classes are not offered, then junior exhibitors may enter Amateur classes unless specifically prohibited in the prize list. BOD 1/14/07 Effective 4/1/07
4. In a divided class, the prize money must be doubled and separate trophies and ribbons awarded. Notification of intent to divide must be made to exhibitors one hour prior to the start of the session.
5. ASHA Kentucky Futurity and Kentucky Amateur Futurity In-Hand classes with 41 or more declared entries shall be divided as equally as possible into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 12 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.
6. ASHA National Three-Year-Old Futurity Five Gaited, Three Gaited and Three Gaited Park Pleasure classes with 25 or more declared entries shall be divided as equally as possi-
ble into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 20 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.

7. ASHA National Three-Year-Old Futurity and ASHA Kentucky Futurity Fine Harness classes with 16 or more declared entries shall be divided as equally as possible into two sections. The division of entries must be posted in the competition office and announced over the public address system. No more than 15 entries from the sections shall be selected by the judges to return for a final class to be held at a morning, afternoon or evening performance, at least two days following the preliminary sections. All prize money will be awarded in the final class.

SB113 Scratches.

It is the responsibility of each exhibitor to officially scratch entries in any event in which they do not participate. Exhibitors who fail to officially scratch an entry two hours prior to the start of the session from a class that is subsequently divided shall be fined up to $100 per horse per class, payable to the competition.

SUBCHAPTER SB-2. DESCRIPTION OF GAITS.

SB114 General.

1. The standard of excellence of the American Saddlebred is beauty, symmetry and balance. Balance features coordinated motion, with straight true folding action of the front legs with flexing hocks carried close together, producing a clean, rhythmic and fluid way of going. In addition, the American Saddlebred possesses animation, brilliance and extreme grace of movement.

2. UNDESIRABLE: Winging, interfering, traveling wide behind, mixing of gaits, shackled look and loss of form.

SB115 Walk.

Judging at the walk is based on manners, quality and natural action; it is not used as a rest period.

1. FLAT WALK: The flat walk should be an elastic, ground covering and collected four beat gait maintaining proper form and consistency in stride. It should be executed in a brisk manner that is compatible with the type of class. It should display the horse’s good manners, type of stride and attitude. The flat walk is relaxed.

2. ANIMATED WALK: The animated walk is a highly collected gait, exhibiting much “primp” at a slow, regulated speed, with good action and animation. It should have snap and easy control. It can be either a two beat or four beat gait. It is performed with great style, elegance and airiness of motion.

3. WALK (FOR HUNTERS). A four beat gait, straight, true and flat-footed. Regular and unconstrained with good reach.

SB116 Trot.

1. The trot is a natural, two beat diagonal gait in which the front foot and the opposite hind foot take off from the ground in unison and land simultaneously. A balanced trot features coordinated motion with straight, true, shoulder motion of front legs, with flexing hocks carried close together. It is executed in a highly collected manner and should display the horse’s athletic ability.

2. PARK TROT: The park trot in Three-Gaited and Fine Harness classes is executed in a highly collected manner, speed to be penalized. The horse’s energy should be directed toward animation rather than speed.

3. PARADE GAIT: The parade gait is a collected trot at a maximum speed of five miles per hour. It displays the horse’s athletic ability and animation.

4. ROADSTER JOG-TROT: The jog-trot is called to display the purity of the horse’s gait. It is executed in a highly collected manner. The horse’s energy should be directed toward animation rather than speed.

5. WESTERN JOG-TROT: The jog is primarily a Western Pleasure gait used for long distance riding. It should generate very little motion in the saddle with a minimum of control.
from the rider. The rate of speed is just beyond that of a flat walk and the action is free, easy ground covering and uniform.

6. TROT (FOR HUNTERS): A two beat gait, straight and regular. The trot should be mannerly, cadenced and balanced. It is to be performed at a medium speed with a free-moving, ground-covering stride, with the rider posting.

7. GAITED TROT: The trot of the Five-Gaited horse should show speed in form. The desired speed is the maximum rate at which the horse can trot while still maintaining proper form, control and balance.

8. EXTENDED TROT: The extended trot is faster, stronger and bolder; with a fuller extension of stride to obtain desired speed. It is executed in a highly collected manner.

9. EXTENDED TROT (FOR HUNTERS): A two beat gait that is bold, energetic, balanced and ground covering with definite lengthening of stride. This should result in an increase in speed without a sense of racing or scurrying. The mouth must remain light and the horse must demonstrate complete acceptance of control without resistance at all times.

10. "SHOW YOUR HORSE": At this command the driver has the privilege of showing the Fine Harness horse to its best advantage at the trot but speed will be penalized.

11. ROAD GAIT: The road gait trot is executed in a highly collected manner. It is faster, stronger and bolder than the jog-trot; with a fuller extension of stride to obtain desired speed.

12. DRIVE ON: When asked to drive on in Roadster classes the horse must show speed in form. The desired speed is the maximum rate at which a horse can trot while still maintaining proper form, control and balance.

SB117 Canter.

1. Criteria.
   a. Canter is relatively slow, lofty and fluid with a definite three beat cadence. High action, a good way of going and proper collection are paramount. It is a restrained gallop in which two diagonal legs are paired, the single beat falls between the successive beats of the other two unpaired legs. The unpaired legs act independently—the foreleg with which the horse leads and its diagonal hind. The propulsion is in the hindquarters with the leading foreleg sustaining the concussion of the final third beat. There is a brief interval when all four feet are off the ground. It is an ambidextrous gait, executed on the lead which is toward the center of the ring to relieve stress and aid in balance (A lead is determined by which foreleg—right or left—sustains the concussion of the final third beat, after its diagonal hind leg started the propulsion of the first beat).
   b. It is acceptable, although not encouraged, for the horse to have a bolder, strong canter in those classes where manners are not paramount or where speed at a qualifying gait is desired. Ease of control, rate of speed and collection may vary according to the class specifications.
   c. Where manners are paramount, a slow, consistent rate of speed must be maintained with little obvious effort from the rider.
   d. CANTER (FOR HUNTERS): A three beat gait, even, smooth, unhurried, correct and straight on both leads.
   e. HAND GALLOP: The hand gallop is performed with a long, free, ground-covering stride. The amount of ground covered may vary between and among horses due to difference in natural length of stride. A decided lengthening of stride should be shown while the horse remains controlled, mannerly, correct and straight on both leads. The hand gallop is not a fast collected canter.

2. LOPE: The lope is the western version of the canter. It should be easy riding with good motion that is consistent and steady; neither too slow nor too fast and performed equally well on either lead. It should give the appearance of being a comfortable gait with a definite three beat cadence that avoids trotting behind.

SB118 Slow Gait.

1. The slow gait was developed from the pace to be a four beat gait with each of the four feet contacting the ground separately. In the takeoff, the lateral front and hind feet start almost together but the hind foot contacts the ground slightly before its lateral forefoot.

2. The slow gait is a highly collected gait with most of the propulsion coming from the hindquarters, while the forequarters assist in the pull of the final beats. The slow gait is not a medium rack.

SB6 © USEF 2007
3. The slow gait is a restrained four beat gait, executed slowly but with true and distinct precision. Speed is to be penalized. It is high, lofty, brilliant and restrained denoting the style, grace and polish of the horse.

**SB119 Rack.**
1. The rack is a four beat gait in which each foot meets the ground at equal, separate intervals. It is smooth and highly animated, performed with great action and speed, in a slightly unrestrained manner. Desired speed and collection are determined by the maximum rate at which a horse can rack in form. Racking in form should include the horse remaining with a good set head. It should be performed by the horse in an effortless manner from the slow gait, at which point all strides become equally rapid and regular.
2. **TO BE PENALIZED:** Any tendency to become “trotty”, “pacey” or “hitchy gaited”.
3. In Pleasure classes, there is more emphasis on the way of going as a pleasure gait with only moderate speed required. Where manners are paramount, there is more emphasis on the ease by which it is performed by the rider.

**SUBCHAPTER SB-3. PERFORMANCE, FINE HARNESS.**

2. **Western** Country Pleasure horses must be plain shod. Permissible as plain shod shall be a shoe (inclusive of caulks), which may be thicker at the heel and may include toe clips and side clips. Also permissible is an eggbar shoe. Not permissible as plain shod: bands, bars, pads of any kind, wedges, lead, springs, any attachment that extends below the bottom of the shoe, and any foreign substance not specified as permissible. The sole and entire frog of the foot must be visible. Any animal with prohibited shoeing must be disqualified from further competition at that competition and forfeit all entry fees and winnings.
3. Entries must be shown with full mane and tail. Tails must not be gingered or put in any device (i.e., tailset, bustle or brace) which alters their carriage while on the grounds. The fact that a horse’s tail has once been set does not exclude participation. Braids and artificial manes are prohibited. Inconspicuously applied hair in the tail is permitted.

4. If bridles are to be checked, it is the sole responsibility of the judge(s) to do so. The judge may designate the steward to check bridles at the out gate. Riders must dismount.

SB155  Appointments.
Entries must be penalized for incomplete appointments but not necessarily disqualified.

1. Western Equipment. Inconspicuously applied rubber bands may be used to keep the forelock in place. Riders shall wear Western hat, long sleeved shirt and/or jacket with a collar and a necktie, kerchief or bolo tie, bow tie, peddle-tie, rosette-tie, or pin used as a tie; trousers or pants (or one piece equitation suit is acceptable provided it includes a collar and cuffs). Chaps, shotgun chaps or chinks and boots are required. A vest, coat or sweater may be worn. Protective headgear with harness is optional in all classes (refer to GR318), not required to be of Western style. Spurs are optional. Whips are prohibited except in side saddle classes.

   a. A side saddle rider must wear an apron of closed or button type with belt under loops. It is suggested that an apron with waistband cut the same as chaps and double thickness is used in classes where chaps are required.
   b. Entries shall be shown with stock saddle but silver equipment will not count over a good working outfit. A side saddle shall be considered legal equipment. Tapaderos are prohibited. Hobbies and riata are not required.
   c. There shall be no discrimination against any standard Western bit. A standard Western bit is defined as having a shank with a maximum length overall of 8 1/2”. The mouthpiece will consist of a metal bar 5/16” to 3/4” in diameter as measured one inch in from the shank. The bars may be inlaid but must be smooth or latex wrapped. Nothing may protrude below the mouthpiece (bar) such as extensions, prongs or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three-piece mouthpiece may include a connecting ring of 1 1/4 “ or less in diameter or a connecting flat bar of 3/8” to 3/4” (measured top to bottom with a maximum length of 2”), which lies flat in the mouth, or a roller or port as described herein. The port must be no higher than 3 1/2” maximum with roller(s) and covers acceptable. Jointed mouthpieces, half-breeds and spade bits are standard. Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single rein at center of cross bar shall not be used. Reins must be attached to each shank. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard western bit is prohibited. Anything that alters the intended use of the equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance.
   d. Standard snaffle bits are permitted in any class on horses four years old and under that have never been shown in any Western event in a curb bit bridle. A standard snaffle bit is defined as a center jointed single, rounded, unwrapped smooth mouthpiece of 5/16” to 7/8” diameter metal as measured from ring to 1” in from the ring with a gradual decreased to the center of the snaffle. The rings may be from 2” to 4” outside diameter of either the loose type, eggbutt, dee or center mounted without cheeks. If a curb strap is used it must be attached below the reins.
   e. Hackamores are permitted in any class on horses four years old and under that have never been shown in any Western event in a curb bit bridle. A hackamore includes a bosal rounded in shape and constructed of braided rawhide or leather and must have a flexible nonmetallic core attached to a suitable headstall. Attached reins may be of hair, rope or leather. No other material of any kind is to be used in conjunction with a bosal, i.e., steel, metal or chains (Exception: smooth plastic electrical tape is acceptable)
   f. Curb chains and leather chinstraps may be used but must be flat and at least 1/2” in width and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the leather chinstrap, or curb chains. Rounded, rolled, braided or rawhide curb straps are prohibited. A light lip strap
is permissible. Hackamore bits, bosals, cavesson type nosebands, martingales and tiedowns are prohibited. A judge does not have the authority to add or to remove any of the standard equipment as specified above.

g. A snaffle or hackamore horse is not more than four years old and must never have been shown in any western event in a bridle. Rider may use both hands. Both hands must be visible to the Judge. Horses may not switch from a curb bit to a snaffle or hackamore.

h. Competitors must be penalized for incomplete appointments but not necessarily disqualified.

**SB156 Gait Requirements.**

SOME ACCEPTABLE CURB CHAINS

CORRECT METHOD OF MEASURING OVERALL BIT LENGTH: A VERTICAL LINE FROM THE UPPER MOST PART OF HEADSTALL SLOT TO THE REIN RING.
SUBCHAPTER SB-10.  HUNTER COUNTRY PLEASURE.
BOD 1/14/06 Effective 4/1/07
SB159 General.
1. The Saddlebred Hunter Country Pleasure Horse must give the distinct appearance of being a pleasure to ride and display a pleasurable and relaxed attitude. It should be in a generally longer frame than that of other Saddlebred Country Pleasure Horses. The neck should be carried lower and the head should be carried in a more relaxed manner with less bend at the poll. High headed horses and horses behind the vertical must be penalized. As in all Saddlebred divisions, the best quality specimens of the breed should prevail.
2. Hunter Country Pleasure horses must be plain shod. Permissible as plain shod shall be a shoe (inclusive of caulk), which may be thicker at the heel and may include toe clips and side clips. Also permissible is an eggbar shoe. Not permissible as plain shod: bands, bars, pads of any kind, wedges, lead, springs, any attachment that extends below the bottom of the shoe, and any foreign substance not specified as permissible. The sole and entire frog of the foot must be visible. Any animal with prohibited shoeing must be disqualified from further competition at that competition and forfeit all entry fees and winnings.
3. Horses may show with a braided mane and tail. Horses may not be penalized for showing with a full, unbraided mane and tail. Tails must not be gingered or put in any device (i.e., tailset, bustle or brace) which alters their carriage while on the grounds. The fact that a horse’s tail has once been set does not exclude participation.

SB160 Appointments.
Entries must be penalized for incomplete appointments but not necessarily disqualified.
1. Hunter Equipment and Attire: Hunter pleasure horses shall be shown with hunter-style equipment, including a forward or balance seat saddle and snaffle, pelham with two reins, kimberwicke bits or a full bridle (curb and snaffle). If a full bridle is used, it must be of hunter style and excessive length of curb shank shall be penalized. Breast plates are permissible, but martingales are prohibited. Attire shall be traditional hunter-style jacket, breeches or hunter jodhpurs, dark hunting cap, derby or protective headgear and appropriate boots. A stock, choker or four in hand with any color shirt is correct. Shadbellies are prohibited. In all classes, gloves, hunter crop or bat, spurs and appointments are optional. Junior riders shall wear headgear with protective harness attached when mounted.

SB161 Gait Requirements.
To be shown at a walk, trot, extended trot, canter and hand gallop both ways of the ring. For safety reasons the judge may limit the number of horses to hand gallop at one time. Horses are required to stop and back on the rail.

SB162 Judging.
Manners and suitability as a pleasure mount are paramount. Transitions from one gait to another should be smooth and effortless. Horses must be obedient with prompt transitions. Special emphasis is placed on a true, flat walk. Entries must be asked both ways of the ring to halt and stand quietly on the rail. Horses must stand quietly (Hunter horses are not to be stretched) and back readily in the line-up. TO BE PENALIZED: Pulling, head tossing, laboring action, going sideways and tail-switching. For Hunter Country Pleasure Horses, competitors enter the ring in a counterclockwise direction at the trot. Light contact with the horse’s mouth must be maintained at all gaits. Judges must consider the performance at each gait equally in adjudicating the class. Horses may show with a braided mane and tail. Horses may not be penalized for showing with a full, unbraided mane and tail.

3. Judging Procedures: Three-Gaited: Entries must have roached mane and tail and are to be led into the ring wearing bridle or halter, without quarter boots. Fine Harness and Five-Gaited: Entries must have full mane and tail and are to be led into the ring wearing bridle or halter, without quarter boots.
4. Special rules for showing in Pleasure Model classes apply. Refer to SB140.

SUBCHAPTER SB-14. YOUTH SHOWMANSHIP IN HAND.

SB180 Judging Criteria.
In Showmanship classes, the junior exhibitor is judged on his/her ability to present and show a horse in the ring to its greatest advantage in such a manner as to overcome any conformation faults. Judging is based on: 50%—Presentation of the horse and showmanship skills; 40%—Condition, grooming and fitting of the horse; 10%—Appearance and grooming of exhibitor.

SB181 Appointments.
1. Weanling—Leather show halter with matching lead strap.
2. Yearling—Leather show halter or snaffle bridle with matching lead strap. Prohibited: Curb bits on weanlings and yearlings.
3. Two-Year-Olds & Older—Double bridle or curb alone. If a double bridle is used, the snaffle rein may be removed. If the snaffle rein has not been removed, it should be placed over the horse's withers. The horse is led and presented with the curb rein only.
4. Only a riding whip is permitted, but no appendages such as plastic or ribbon may be used. Prohibited: Noise makers, clumps of grass, clickers, quarter boots, blinkers or other appliances.
5. Correct attire: Jodhpurs or neat, dark slacks, long-sleeved shirt, tie, boots and vest (of any material) or proper western or hunt dress; coats of any kind are prohibited; hats and gloves are optional. Clothes and person should be neat and clean. (See GR318)
Judging Procedures.

1. Entries should enter the competition ring at the gait requested and lead in the direction indicated by the ringmaster until asked to line up the horse for inspection. A distance of at least ten feet (about two horse lengths) should be maintained between entries, both in circling the ring and in the line-up.

2. The horse must stand squarely with weight distributed on all four feet, hooves pointed straight ahead and with the front legs perpendicular to the ground. The horse's feet may be moved by pulling/pushing on the lead rein as necessary, along with putting the hand on the shoulder and exerting pressure if required. To be penalized: Using a foot or a whip to move the horse's feet.

3. The handler should be positioned in front of the horse in such a way as to be able to see the animal and present a full view of the horse to the judge, being careful to stay out of the judge's way. The handler should observe both the horse and the judge at all times and not be distracted by persons or objects outside the ring.

4. The lead shank/rein should be held in the right hand about 12 to 24 inches from the halter or bit. The other end should be neatly held in the left hand. It is permitted to change hands if it is more convenient to put the horse in position or while showing to the judge.

5. The handler's body should be well-balanced so as to permit free movement and the proper presentation of the horse. Fluidity of motion and a flexible position to work the horse are essential.

6. When the judge is down the line or is looking at another entry, the handler should stand at the horse's head on the opposite side of the judge as much as possible. Instructions should be followed promptly and sharply. It is permitted to adjust or mildly correct the horse.

Workouts.

1. An acceptable standard pattern for the mandatory individual workout:

2. The handler should stand to the horse's left and move off on a loose rein if possible, leading from the left side. A light touch of the whip is permitted, if necessary. The horse should move out briskly and in a straight line. When moving away from the judge, the horse should be kept in line with the judge so the horse's movement can be observed. The horse should be brought to a complete stop at either end of the line before turning. The horse should be turned to the right, away from the handler, at the end of the line.

3. When the judge is observing other horses, the horse should stand reasonably well-poised. The handler should appear alert and showman like until the entire class has been placed and the judge has submitted his card.

4. The handler should be natural and avoid oversharing, undue fussing and maneuvering, and respond promptly to requests from the judge or other officials. Courtesy and good sportsmanship should prevail at all times.

5. TO BE PENALIZED: Incorrect or dirty attire; poorly groomed and trimmed horses; incorrect or dirty equipment (i.e., keepers out, twisted cheek pieces, etc.); overuse of whips or reins; interfering with other exhibitors; overcoaching from outside the ring; exaggerated, stiff or rigid position; not following instructions. NOTE: 4-H regulations may differ from the above. If you are showing in 4-H Showmanship classes, please consult local 4-H rules.

General.

For suggested guidelines for Academy Classes please contact either the United Professional Horsemen's Association, 4059 Iron Works Parkway, Suite #2, Lexington, KY 40511 or the American Saddlebred Horse Association, 4083 Iron Works Parkway, Lexington, KY 40511.

Classes restricted to Golden American Saddlebred horses shall be shown and judged under the general rules of the Saddlebred Division.

All horses must be shown with a full mane and tail except Weanlings and Three-Gaited horses which may be shown with a roached mane and tail.
2. The ideal body coat color shall be that of a gold coin. Acceptable individuals may have color variations either lighter or darker. Purity of color is desirable. The mane and tail should be white and the presence of dark hairs will lower the color score. White markings permitted only on the face and legs.

SUBCHAPTER SB-17. PARADE.

SB187 General.
The Parade horse should exhibit all the good Saddlebred conformation traits and be of sufficient size and substance to carry the rider’s weight and Parade equipment easily. Entries may be of any color and are to be shown with a full mane and tail. Tail may be set.

SB188 Appointments.
Horses are to be shown with a western-type, decorative silver saddle and bridle. Breast plates, tapaderos and serapes may be used as additional appointments. PROHIBITED: Tie-down martingales, draw reins, boots and artificial color or markings.

SB189 Judging Procedure.
75% performance, manners, quality and conformation; 25% appointments of horse and rider. Desired characteristics are action, collection and brilliance. Conformation must be considered in Championship Classes. To be shown and judged under the rules of the Parade Horse Division (Federation Chapter PH). Exception: Stallions are prohibited in Ladies and Junior Exhibitor classes.

SB190 Gait Requirements.
1. The Parade Horse is shown at an animated walk and a parade gait, maximum speed being 5 MPH. There should be enough difference between the animated walk and parade gait to distinguish two separate gaits.
2. Horses may be asked to halt on the rail at any time during the performance part of the class to demonstrate willingness to stand.
3. Excessive speed, bad manners, bad mouth, not standing quietly and irregular gaits are undesirable.

SB191 Classes Offered.

At all speeds, Roadsters should work in form; i.e., chins set and legs working beneath them, going collectedly. Animation, brilliance and competition ring presence should be evident working at the jog-trot and road gait. UNDESIRABLE: Long, sprawling front action, dragging or trailing hind legs and straddle-gaited action behind, all of which indicate imbalance. Pacey or mixed gait; pacing and racking on turns; or breaking and running on the turns shall be penalized.

3. A Saddlebred-type pony must be measured in accordance with GR504-GR510. In order to obtain a permanent USEF measurement card Saddlebred-type ponies, if six years of age and over exceed 14.2 hands shod, must be presented for measurement unshod (note: for purposes of protection a ¼" pad or plate may be nailed to the foot and then deducted from the official measurement).
4. Registered Saddlebred ponies may cross enter into the Saddlebred horse division if there are no pony classes offered at that particular competition, in which case, this will not affect its pony status for that competition year. (See GR322).

CHAPTER WS
WESTERN DIVISION

SUBCHAPTER WS-1. GENERAL.

WS101 Eligibility
Horses may be of any breed or combination of breeds 14.1 hands and over. Junior exhibitor classes are open to horses and ponies. Stallions are prohibited in junior exhibitor classes. Horses must be serviceably sound, in good condition and of stock horse type. A full mane is not required. Entries may be judged for soundness and conformation before entering the arena. Any horse showing evidence of altered tail carriage may be penalized.

WS102 Instructions to Riders.
Only one hand may be used on reins and hands must not be changed except to negotiate an obstacle in a Trail Horse Class. Hand to be around reins. When ends of split reins fall on side of rein hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. Rider may hold romal or end of split reins to keep them from swinging and to adjust the position of the reins provided it is held with at least 16 inches of rein between the hands.

WS103 Conduct.
1. If bridles are to be checked it is the sole responsibility of the judge(s) to do so. The judge may designate the steward to check bridles at the out gate. Riders must dismount.
2. Any class with 50 or more entries must be divided. Awards and prize money must be given in each section; add-back money to be awarded according to number of horses in each section.
3. Classes which require individual performances shall have a draw performed by the competition management to determine the horses’ order to perform. A systematic rotation of the starting list must be employed so that a complete cycle is made during the competition. This draw to be posted at the back gate, not less than one hour prior to that class. The draw must be adhered to except in the following cases:
   a. If exhibitor is showing more than one horse, his horses shall be staggered to allow for changing horses.
   b. No horse shall perform as the first horse in more than one class per competition unless there are more classes than horses.
   c. An accident.
   d. Multiple rings showing.
4. Courses or patterns for classes which require individual performance will be posted a minimum of one hour prior to the class. The posted pattern is to be followed unless a change becomes necessary due to safety considerations. In this case, the judge will meet with all exhibitors and explain the change. If a pattern or course is posted and publicly announced, the announcement shall be for the benefit of the audience and if there is any discrepancy between the posted pattern and the announced pattern, the posted pattern is the pattern to be followed. If there is a discrepancy between the written pattern and the drawn pattern, the written pattern will take precedence.
5. All horses must leave the ring in a forward motion, no backing out of ring. A disqualified or eliminated competitor who continues to school excessively will be asked to leave the arena. Any delay or refusal will subject the competitor to further disciplinary action. No horse or exhibitor will be allowed to enter or show in any class in which he is not eligible. In individual performance classes, an off course will receive no score and no award (Exception: WS115). In classes where horses perform individually, they shall enter the ring one at a time, rather than work out of a lineup in the arena.
6. In the case of a first place tie in the Trail horse and Western Riding classes, tied horses must repeat part of the course or pattern.

WS104 Personal Appointments.
1. Competitors must be penalized for incomplete appointments but not necessarily disqualified.
2. Riders must wear Western hat; long-sleeved shirt any type of collar, (exhibitors in National Show Horse, and Saddlebred divisions must wear a necktie, kerchief or bolo tie)
trousers or pants and boots; (a one-piece long-sleeved equitation suit is acceptable provided it includes any type of collar). Chaps, shotgun chaps and spurs are optional unless riders are showing in trail or pleasure class (riders showing at an Arabian, Half Arabian, Morgan, National Show Horse, or Saddlebred competition must wear chaps). A vest, jacket, coat and/or sweater may also be worn. Protective headgear may be worn without penalty; not required to be of Western style. Refer to GR318.

3. A side saddle rider must wear an apron of closed or button type with belt under loops. It is suggested that an apron with waist band cut the same as chaps and double thickness, be used in classes where chaps are required.

WS105 Tack.

1. Competitors must be penalized for incomplete appointments but not necessarily disqualified. Entries shall be shown with stock saddle but silver equipment will not count over a good working outfit. A side saddle shall be considered legal equipment. Tapaderos are prohibited.

2. There shall be no discrimination against any standard Western bit. A standard Western bit is defined as having a shank with a maximum length overall of $8\frac{1}{2}$”. The mouthpiece will consist of a metal bar $\frac{5}{16}$” to $\frac{3}{4}$” in diameter as measured one inch in from the shank. The bars may be inlaid but must be smooth or latex wrapped. Nothing may protrude below the mouthpiece (bar) such as extensions, prongs or rivets designed to intimidate the horse. Rollers attached to the center of the bit are acceptable, and may extend below the bar. Jointed mouthpieces are acceptable and may consist of two or three pieces and may have one or two joints. A three-piece mouthpiece may include a connecting ring of $1\frac{1}{4}$” or less in diameter or a connecting flat bar of $\frac{3}{8}$” to $\frac{3}{4}$” (measured top to bottom with a maximum length of 2”), which lies flat in the mouth, or a roller or port as described herein. The port must be no higher than $3\frac{1}{2}$” maximum with roller(s) and covers acceptable. Jointed mouthpieces, half-breeds and spade bits are standard. Slip or gag bits, rigid donut mouthpieces and flat polo mouthpieces are prohibited. Roping bits with both reins connected to a single ring at center of cross bar shall not be used. Reins must be attached to each shank. Any rein design or other device which increases the effective length and thereby the leverage of the shank of a standard western bit is prohibited. Anything that alters the intended use of equipment as provided for in the description of appointments for a given class is considered to be an artificial appliance.

3. Standard snaffle bits are permitted in any class on a junior horse five years old and under. A standard snaffle bit is defined as a center jointed single rounded, unwrapped smooth mouthpiece of $\frac{5}{8}$” to $\frac{3}{4}$” diameter metal as measured from ring to 1” in from the ring with a gradual decrease to the center of the snaffle. The rings may be from 2” to 4” outside diameter of either the loose type, eggbutt, dee or center mounted without cheeks. If a curb strap is used it must be attached below the reins.

4. Hackamores are permitted in any class on a junior horse five years old and under. A hackamore includes a bosal rounded in shape and constructed of flexible braided rawhide or leather and must have a flexible nonmetallic core attached to a suitable headstall with maximum diameter of $\frac{3}{4}$” at the cheek. Attached reins may be of hair, rope or leather. No other material of any kind is to be used in conjunction with a bosal, i.e., steel, metal or chains (Exception: smooth plastic electrical tape is acceptable).

5. Horses shall not be shown with artificial appliances that would tend to alter their performance. Curb chains and leather chin straps may be used but must be flat and at least $\frac{1}{2}$” in width and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the leather chin strap, or curb chains. Rounded, rolled, braided or rawhide curb straps are prohibited. A light lip strap is permissible. Hackamore bits, bosals, cavesson type nosebands, martingales and tie-downs are prohibited. A judge does not have the authority to add or to remove any of the standard equipment as specified above.

6. Bandages and boots of any type are prohibited. In the event of injury, the Judge may permit a protective bandage. In Working Cow Horse classes, the use of shin, bell boots and/or protective bandages on the front legs and standard sliding or rundown boots on the rear fetlocks are permitted.

SLOT TO THE REIN RING.
WS106  Amateur
Refer to General Rules, GR808 regarding amateur status. When dividing by age of rider, no horse may compete in more than one age section of the same class (Exception: Arabian and Morgan Divisions).

WS107  Amateur Owners.
To be ridden by Amateur Owners or an amateur member of the owner’s family. In either case classes are restricted to riders who are no longer eligible to compete as a Junior Exhibitor. Leased horses are not eligible and multiple ownership is not permitted unless all owners are members of the same family. An Amateur who rides for a person outside of his family may not ride in a class restricted to Amateur Owners in the same competition. If a class is divided by age, it should be 18-25 years and 26 and over.

WS108  Maiden, Novice, Limit.
Ribbons won in classes at Federation Recognized Competitions and in classes at competitions recognized by any breed organization count in reckoning a horse’s Maiden, Novice or Limit status (See GR134.)

WS109  Snaffle or Hackamore Horse.
A snaffle or hackamore horse is a junior horse and may be shown in a ring snaffle or hackamore with two hands (both hands must be visible to the judge) and may also be shown in a bridle (one handed). A junior horse may be switched back and forth from a bridle to snaffle or hackamore (Arabians, Half Arabians, National Show Horses, and Saddlebreds may not switch back and forth from a bridle to snaffle or hackamore).

WS110  Falls.
A fall of a horse and/or rider in a working western class will result in a zero; while showing in a western pleasure or trail class it will be cause for elimination.

SUBCHAPTER WS-2.  WORKING COW HORSE SECTION.
It is the intent of the USEF Western Committee to comply with the National Reined Cow Horse Association (NRCHA) rules and scoring system regarding working cow classes held at licensed competitions. For further information regarding the conduct of Working Cow competitions, contact the NRCHA, 13181 US Highway 177, Byars, OK 74831; (580) 759-4949 phone; www.nrcha.com. BOD1/14/07 Effective 4/1/07

WS111  Working Cow Horse.
The working cow horse class consists of two mandatory phases, the reined work and the cow work. (Exception: Classes held in the Arabian and Half/Anglo Arabian Division in which only cow work is required.) Each phase will have equal bearing and the final placings will be determined by the total of both scores. In cases of ties for first place the entry with the highest cow work score will prevail. If the cow work scores are identical, the tied entries for first place will work off with an additional cow work. All ties for other than first place will remain tied for points and prize money purposes and riders will flip for ribbons. Horses receiving a zero score in one phase and a score in the other are eligible for placing. Horses receiving a zero in both phases or a no score in either or both phases are ineligible for placing.

WS112  Penalties.
1.  General Description—Credit must always be given when applicable, even when there is a penalty involved. When the judge is in doubt, benefit always goes to the contestant. The scoring system is based on 60-80 points. The lowest score possible is 60 points and the highest score possible is 80. The average for a typical work is 70 points. Half-points may be used. The contestant is judged from the time that he/she enters the arena until he/she completes the pattern. The judge is instructed to pay particular attention to any suspected attempts to alter the tail and score accordingly.
2.  Three judge system-Each judge scores a separate card, Competition Management has the option of using all three scores and adding them together or comparing all three scores and the two closest scores are used, with the odd score being eliminated, i.e. the three scores are 72, 73 and 75, the total score is 145 (72 and 73 with the high score of 75 being eliminated). If the scores are evenly divided, the lowest score is eliminated, i.e. the three
scores are 71, 72 and 73, the total is 145 (72 and 73 with the lowest score of 71 being elimi-
nated). Exception: Arabian Division.
3. Five Judge System-Drop the high and low scores, add the three remaining scores.
4. Horse must appear visibly sound at the beginning of the run. In the case of multiple
judged event the majority of the judges must agree on soundness prior to the horse begin-
ing the pattern or work. Obvious lameness will be cause for immediate disqualification.
BOD1/14/07 Effective 4/1/07
WS113 Reined Work.
1. To rein a horse is not only to guide him, but also to control his every movement. The
best reined horse should be willingly guided or controlled with little or no apparent resis-
tance and dictated to completely. Any movement on his own must be considered a lack of
control. All deviations from the exact written pattern must be considered a lack of or tempo-
rary loss of control and therefore a fault that must be marked down according to the severity
of the deviation.
2. Horses shall work individually. Judging begins the moment the horse enters the arena.
There will be no schooling from the time the horse enters the arena. A reined work must
consist of the following: circles, lead changes and runs terminating in well-balanced stops
straight to the line of travel, turns and a back-up of a reasonable distance with slight hesita-
tions denoting each maneuver. The judge may deviate from traditional order of performance
and he may also deviate from the exact printed pattern due to arena conditions. The judging
ends when the rider indicates he is finished by coming to a complete stop.
BOD1/14/07 Effective 4/1/07
3. The reined work is a demonstration of both the rider’s control of the horse and the
horse’s suitability as a cow horse as it circles, runs, stops and turns. Bad manners exhib-
ited by a cow horse will be penalized under run content.
4. After deducting all faults, set here within, against execution of the pattern and the
horse’s overall performance, credit should be given for smoothness, finessae, attitude, quick-
ness and authority of performing various maneuvers, while using controlled speed which
raised the difficulty level and makes him more exciting and pleasing to watch to an audi-
ence.
5. The reining work is scored on a scale of 0 to infinity with 70 denoting an average work.
Each of the mandatory reined work patterns are comprised of either seven or eight distinct
maneuver groups. As each maneuver group is completed, the judge will make an assess-
ment in accordance with the following scale:
+1 1/2 - Excellent
+1 - Very Good
+1/2 - Good
0 - Correct
-1/2 - Poor
-1 - Very Poor
-1 1/2 - Extremely Poor
These maneuver group scores are added to a starting score of 70 and from that gross score
all penalties are subtracted to arrive at a final score.
GROSS SCORE (70 pts. + Maneuver Group Score) Less PENALTIES = FINAL SCORE
WS114 Elements of the Reined Work.
1. STOPS: Stops are the act of slowing the horse from a lope to a stop position by bring-
ing the hind feet and hocks under the horse in a locked position and sliding on the rear
shoes. The horse should enter the stop position by bending the back and bringing the rear
legs and hocks further under the body while maintaining forward motion and ground contact
with the front legs. Throughout the stop, the horse should continue in a straight line and the
position of the hocks, rear feet, and back should not vary.
2. SPINS: Spins are a series of turns, executed over a stationary (inside) hind leg.
Propulsion for the spin is supplied by the outside hind leg and front legs, and contact should
be made with the ground and a front leg. The location of the hindquarters should be fixed at
the start of the spin and maintained throughout.
3. ROLLBACKS: Rollbacks are the 180 degree reversal of forward motion completed by
running to a stop, rolling (turning) the shoulders back to the opposite direction over the
hocks and departing in a lope, as one continuous motion. The rollback must be executed
with not more than slight hesitation after the stop, and the horse should not step ahead or back prior to the rollback.

4. CIRCLES: Emphasis on scoring shall be given to the contestant exhibiting smooth, controlled figure eights with easy lead changes. Circles are a controlled maneuver at the lope in the designated area of the arena. Right and left circles shall have a common center line in the middle of the designated area. Circles shall be run and/or begun on the correct lead. The speed and size of the right circles shall be exactly the same as the speed and size of the left circles. The horse shall lope in an even, fluid manner with a minimum of rider contact and/or commands. Circles shall be run far enough from arena wall that it does not affect the circles.

5. BACK UPS: A back up is a maneuver requiring the horse to be moved in a reverse motion in a straight line a required distance (i.e., at least 10 feet).

6. HESITATE: Hesitation is only long enough to show the completion of one maneuver before the next one starts. There shall be slight hesitation to indicate each maneuver.

7. LEAD CHANGES: Lead changes are the act of changing the leading legs of the front and rear pair of legs, at a lope, when changing the direction traveled. The lead change must be executed at the lope with no change of gait or speed and be performed in the exact geographical location in the arena specified in the pattern description. The change of front and rear legs must take place within the same stride to avoid penalty.

8. RUN DOWNS: Run downs are the runs through the middle of the arena, runs from the center of the arena to the end, and runs along the side and ends of the arena.

9. DEFINITION OF FALL OF HORSE: When the horse’s shoulder and hip are on the ground and all four feet facing in one direction. Fall of horse in any event receives a score of -0-. 

WS115 Penalties—Reined Work.

1. ½ Point Penalties:
   a. Not changing leads simultaneously.
   b. Over or under spin 1/8 turn
   c. Jogging first two strides

2. 1-Point Penalties:
   a. Out of lead.
   b. Slipping a rein in the bridle
   c. Scotching or anticipating a stop
   d. Over or under spinning up to ¼ turn
   e. Out of leads for each ¼ circle

3. 2-Point Penalties:
   a. Lead missed around end of arena past 2nd corner
   b. Not ever changing leads in patterns where there is only ½ circle
   c. Failure to run by marker before stop is initiated
   d. Freezing up in turn or rollback
   e. Breaking gait
   f. Jogging beyond two strides
   g. On trot in patterns, failure to "stop" before executing a canter departure.
   h. A stop in the first one-quarter of the circle, after a lope departure, is a break of gait.

4. 5-Point Penalties:
   a. Spurring or hitting in front of cinch
   b. Blatant disobedience including kicking, biting, bucking, rearing and striking

5. 0-Score:
   a. Failure to complete the pattern as given. (i.e. over or under spin more than ¼ )
   b. Using 2 hands on the reins in a bridle or two rein class
   c. Fingers between the reins in a bridle class except in the two rein class
   d. Horse balking
   e. Bloody mouth (inside)
   f. Illegal equipment
   g. Leaving the working area before pattern is complete
   h. Fall of horse and/or rider
i. Backing more than two strides, when backing is not called for.
 j. Jogging in excess of one-half circle or one-half the length of the arena.
6. Leads and Lead change penalties: A judge is required to penalize a horse \( \frac{1}{2} \) of a point for a delayed change of lead by one stride. The penalty for being out of lead is cumulative, and the judge will add 1 penalty point for each \( \frac{1}{4} \) of the circumference of a circle or any part thereof that a horse is out of lead. BOD 1/14/07 Effective 4/1/07

WS116  Elements of the Cow Work.
1. Cow Work
   a. Judging begins when the contestant enters the arena. There should be no schooling between the completion of the rein work and cow work when the cow work immediately follows the rein work; the penalty for this will be a zero. At the start of the work, each contestant, upon receiving a cow in the arena, shall hold that cow on the prescribed end of the arena for a sufficient time to demonstrate the ability of the horse to contain the cow at that end.
   b. After a reasonable amount of time, the contestant shall take the cow down the fence, making at least one turn each way on the fence. Then the contestant shall take the cow to an open part of the arena and circle the animal at least once in each direction. The required pattern for the cow work is: boxing, fence turns, and circles, in that order. The contestant shall show his horse to the best of his ability upon the judge’s instruction, or at his own discretion. The foregoing is basically the ideal type of cow work.
   c. The judge should take into consideration the size of the arena, condition of the ground and disposition of the cattle in scoring each work. If ground, arena and/or weather conditions are deemed unfavorable by the judge, show management or the exhibitors, they may elect to alter the required cattle work for safety reasons.
   d. The greater the difficulty of the run, the more credit should be given. The difficulty may be due to the extreme speed of the cow, the stubbornness of the cow (i.e. not respecting the horse), or the cow’s reluctance to move down the fence when sufficiently driven by the contestant. The most controlled cow work with the highest degree of difficulty should be marked the highest. Bad manners exhibited by the horse will be penalized under run content. When enough cows are available the contestant should receive a new cow if the cow drawn is unreasonably difficult or unworkable. Allowing the horse to quit working before the judge signals for a new cow will result in a zero score. Once a rider has committed to circling a cow, if the cow falls down no new cow will be awarded. The rider should complete the run by riding around the fallen cow to fulfill circling requirements. The judge may blow his/her whistle at anytime during the work. One whistle to terminate the work, two whistles to award a new cow. If the judge terminates the work with one whistle or awards a new cow the contestant does not have the option to continue working. If an exhibitor continues to work after the whistle has been blown for a new cow the exhibitor will be given a score of zero. With a multiple judge system, any one of the judges may terminate the work or signal for a new cow. Judging ends when the whistle blows. A score of zero will be given if the work is not complete at this point.
   e. In the cow work phase of any class one hand on the horn may be used to prevent the fall of rider. Should rider hold the horn excessively, judge may penalize under run content.
   f. During the cow work, when a cow leaves the working area, it is automatic that the contestant will receive a new cow and scoring will begin again with the new cow.

BOD 1/14/07 Effective 4/1/07

2. Boxing
   Working the cow on the end of the arena until such time as the contestant has proven the ability of the horse to hold the cow. The horse should exhibit superior cow sense and natural cow working ability without excessive reining or spurring. In the head-to-head working position, the degree of difficulty shall be considered.

3. Turning on the fence
   a. A good turn on the fence may be defined as one in which the cow, while being run down the fence on one side of the arena, is turned in a different direction and held near
the same fence while being run in the new direction. *The exhibitor must be close enough to the cow to be the cause of the turn.*  

b. The situation where a horse and rider attempt to turn the cow and the cow exits the turn behind the horse is also considered to have satisfied the fence turn requirement. *The route of the cow being worked has been altered because of the influence of the horse and rider. The actual stopping or turning of the cow by the end fence will not qualify as a fence turn.* To qualify as a fence turn the turn must be accomplished without the aid of the end fences to actually stop or turn the animal being worked. *During the turn the horse should use himself in a controlled athletic manner, using its hocks to stop and drive out of the turn while using its front end to balance and turn.*  

c. The contestant must get at least one turn in each direction. The turn must be tight enough so as not to be considered just circling to the fence. More than two good turns in each direction should not result in extra credit but also should not be penalized, unless the cow is thereby too exhausted to circle correctly. One turn each way may not necessarily result in extra credit if the horse and/or cow is out of control.  

*BOD 1/14/07 Effective 4/1/07*  

4. Circling  
Taking the cow to the center of the arena and maneuvering it smoothly at least 360 degrees in each direction without interference from the fence. *The circle’s size, symmetry, speed and relative balance from right and left show control. Tightening the circles down with fast head-to-head speed will be a credit situation. The circles should be completed before the cow is exhausted.*  

**WS117 Penalties—Cow Work.**  
1. A horse can commit certain infractions which result in predetermined penalties. In a penalty situation a judge does not decide the degree of the penalty, but rather if it did, or did not occur. If the judge deems the penalty did occur, he/she must apply the appropriate penalty.  
2. NOTE: Sometimes a horse will make a move on a cow that is a credit situation, but incur a penalty doing so. When this happens the judge should credit the move or maneuver and apply the correct penalty.  
3. It is recommended that the National Reined Cow Horse Association Cow Work Judges Card be used:  

1-Point Penalties:  

*A. Loss of working advantage.*  
*C. Using the corner or the end of the arena to turn the cow. (In an oval arena, when the cow’s head breaks the plane of the end marker.)*
E. Changing sides of arena to turn cow (1 point each time)
L. For each length horse runs past cow. A length by is 1 horse length of daylight between the cow’s head and the top of the horse’s tail.
S. Slipping a rein.
T. Turning cow before passing middle marker on first turn.

2-Point Penalties:
A. Going around the corner of the arena before turning the cow. *(When the cow’s head breaks the plane of the 2 point penalty marker.)*

3-Point Penalties:
B. Biting or striking the cow.
E. Exhausting or overworking the cow before circling.
H. Hanging up on the fence (refusing to turn).
K. Knocking down the cow without having a working advantage.

5-Point Penalties:
A. Not getting one turn each way (5 points each way).
B. Spurring or hitting in front of cinch.
C. Blatant disobedience including kicking, biting, bucking, rearing, and striking.

0- Score:
A. Turn tail.
B. Using 2 hands on the reins in a bridle or two-rein class.
C. Fingers between the reins in a bridle class, except the two-rein class.
D. BalkIng.
E. Out of control. (Any horse that is out of control while working the cow, thus endan-
ger ing the rider, i.e. crossing the path of the cow, shall be called off the cow.)
F. Bloody mouth. (inside)
G. Illegal equipment.
H. Leaving the work area before the pattern or work is complete.
I. Fall of horse or rider.
J. Schooling of the horse between the rein and cow work when the cow work immedi-
ately follows rein work.
K. Schooling of the horse between cows, if a new cow is awarded.

Note: A judge may blow his/her whistle at anytime to terminate the work. A score of zero
will be given if the work is not complete at that time. BOD 1/14/07 Effective 4/1/07

WS118 Receiving a New Cow.
1. Unless other provisions are made by the show committee (i.e., 20 second policy), it is
the sole responsibility of the judge to decide if any entry warrants a new cow. (Exception:
Exhibitors in classes held in the Arabian Division have 20 seconds after the close of the
gate to signal for a new cow, or shall work the assigned cow except if the judge decides the
exhibitor warrants a new cow as described herein.) Reasons for awarding a contestant a
new cow include, but are not limited to:
   a. The cow cannot or will not turn.
   b. The cow is unsound. (lame, sick, bad eye, etc.)
   c. The cow will not leave the end of the arena.
   d. The cow is blind or will not yield to the horse.
   e. The cow leaves the arena.
   f. Fall of cow that refuses to get up through no fault of the horse and/or rider.
2. If a contestant receives a new cow the work starts completely over. He/she does not
continue that same work where he/she left off with the previous cow.

WS119 Hackamore/Snaffle Bit Horses.
A Hackamore/Snaffle Bit horse is not more than five years old. Rider may use both hands.
Horses shall enter arena and work in the same manner as prescribed for bridle classes but
with less speed.

SUBCHAPTER WS-3. TRAIL HORSE SECTION.

WS123 Working.
1. Trail horses are required to work over and through obstacles. No horse may enter the trail course area until the course and the judge are ready. Riders will be permitted to inspect the course on foot during the Judge’s instructions prior to the start of the class. Tests which may be required are negotiating gate, carrying objects from one part of arena to another, riding through water, over logs or simulated brush, riding down into and up out of ditch without lunging or jumping, crossing a bridge, backing through obstacles, sidepassing, and performing over any reasonable conditions encountered along the trail. However, unnatural obstacles, such as fire extinguishers, perforated plywood in water boxes, exotic animals or unsafe elements such as hay bales, should be avoided. Course to include a minimum of six obstacles and a maximum of eight obstacles except in the case of damaged obstacles (See WS125.7). EXCEPTION: Classics or Stakes with purses of $1500 or more. Care in preparing the course should be exercised to prevent a direct advantage to either a small or large horse. Rider’s hands shall be clear of horse to avoid cueing. Horses to be penalized for any
unnecessary delay while approaching obstacle. Judges are encouraged to advance on to next obstacle any horse taking excessive time at an obstacle. Two or more horses may be entered by the same exhibitor and the same rider may elect to show more than one horse. Obvious unsoundness must be disqualified with no prize awarded. Rail work shall not be required.

**WS124 Green Trail Horse.**

A Green Trail Horse is a horse of any age that has not been shown in Trail Horse classes prior to December 1 of the previous year.

**WS125 Conduct.**

1. This class will be judged on the performance of the horse over obstacles, with emphasis on manners, response to the rider, and quality of movement. Credit will be given to horses negotiating the obstacles with style and efficiency, providing correctness is not sacrificed. Horses should receive credit for showing attentiveness to the obstacles and the capability of picking their own way through the course when obstacles warrant it, and willingly responding to the rider's cues on more difficult obstacles.
2. Horses shall be penalized for any unnecessary delay while approaching or negotiating the obstacles. Horses with artificial appearance over obstacles should be penalized.
3. Horses must not be required to work on the rail. The course must be designed, however, to require each horse to show the three gaits (walk, jog at least 30 feet, lope right and left lead) somewhere between and or over obstacles as a part of its work, and quality of movement and cadence should be considered as part of the maneuver score.
4. The course to be used must be posted at least one hour before scheduled starting time of the class.
5. Refer to WS129 for mandatory obstacle dimensions.
6. The judge may alter the course prior to the course walk.
7. If at any time the trail obstacle is found to be unsafe, it shall be repaired or removed from the course. If it cannot be repaired and horses have completed the course, the score for that obstacle shall be deducted. No horse shall be asked to repeat the course, except in the case of a tie.
8. All entered exhibitors will be allowed to walk and inspect the course with the judge and the course designer, if present, prior to the start of the class. In amateur and junior exhibitor classes, exhibitors may be accompanied by their trainer.
9. Recommended that a course should be no longer then 2 minutes per horse.
10. Recommended to have at least 30 feet between obstacles, when arena is big enough to permit it. Not recommended for walkovers/bridge/back through combinations.
11. No Time Outs will be allowed
12. Unacceptable obstacles
   a. Animals
   b. Hides
   c. PVC pipe
   d. Dismounting
   e. Rocking or moving bridges
   f. Water box with floating or moving parts
   g. Flames, dry ice, fire extinguisher, etc.
   h. Logs or poles elevated in a manner that permits such to roll

**WS126 Definitions.**

1. **KNOCKDOWN:** When any component, element, or portion of an obstacle is displaced from its original position by horse and rider.
2. **REFUSAL:** Any action taken by the horse to avoid performing an obstacle, part of a combination of obstacles or portion of a trail course. These actions may include, but are not limited to the following:
   a. Balking: Any action that results in a horse blatantly and continuously refusing a rider's command.
   b. Evading or running past an obstacle.
   c. Each complete loss of the gate.
   d. Any blatant action by the horse that demonstrates any unwillingness to approach, negotiate and/or complete an obstacle. When a judge deems (3) refusals have
occurred at an obstacle, the exhibitor will be instructed to proceed to the next obstacle. (In multi-judge systems, the call judge will determine when to instruct the exhibitor to proceed to the next obstacle). Negotiating an obstacle in a manner that does not constitute elimination, but is not in accordance with course directions.

3. OFF COURSE:
   a. Taking an obstacle in the wrong direction.
   b. Negotiating an obstacle from the wrong side.
   c. Skipping an obstacle unless directed by the Judge.
   d. Negotiating obstacles in the wrong sequence.

WS127 Scoring Procedures (This scoring system is optional).
1. The prescribed Score Sheet must be used. Obstacle scores and any penalties will be totaled to arrive at a final score.
2. Scores to be announced following the conclusion of each work and before the next horse begins the course.
3. Score Sheets must be posted.
4. For method of breaking ties, see AR199.3. In the event of a further tie, refer to the order of the judges cards (i.e. #1, #2, #3)
5. All horses enter the arena with a score of 70. With each obstacle, the judge will instruct a scribe to assign a score as well as any appropriate penalties if one or more occurs. At the end of the work, obstacle scores will be totaled. Any penalties will then be subtracted to arrive at a final score. All horses are judged from the time they enter the arena until the completion of the last obstacle.
6. Judge(s) may review official video on No Score, Zero, and 5 point penalties only. (Video Review is solely the judge(s) decision.)
7. Scoring will be on the basis of O-infinity, with 70 denoting an average performance. Each obstacle will receive an obstacle score that should be added or subtracted from 70 and is subject to a penalty that should be subtracted. Each obstacle will be scored on the following basis, ranging from plus 1 1/2 to minus 1 1/2: -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good, +1 1/2 excellent. **SUBCHAPTER WS-5. WESTERN RIDING HORSE SECTION.**

**WS133 Working.**
Western Riding is an event where the horse is judged on quality of gaits, lead changes at the lope, response to the rider, manners and disposition. The horse should perform with reasonable speed, and be sensible, well-mannered, free and easy moving.

**WS134 Credit.**
Credit shall be given for and emphasis placed on smoothness, even cadence of gaits, and the horse’s ability to change leads precisely and easily rear and front at the center point between markers. The horse should have a relaxed head carriage showing response to the rider’s hands, with a moderate flexion at the poll. Horses may be ridden with light contact or on a reasonably loose rein. The horse should cross the log at both the jog-trot and lope without breaking gait or radically changing stride.

**WS135 Patterns.**
1. The judge will select one of the four patterns to be performed. The judge is responsible for the pattern being correctly set.
2. On the pattern:
   a. The eight small circles represent pylon markers which are recommended. These should be separated by a uniform measured distance of not less than 30 feet nor more than 50 feet on the sides with 5 markers. In pattern one, the three markers on the opposite side should be set adjacent to the appropriate markers. It is recommended that markers be set a minimum of 15 feet from the fence and with 50 to 80 foot width in the pattern, as the arena permits.
   b. A solid log or pole should be used and be a minimum of 8 feet in length.
   c. The long serpentine line indicates the direction of travel and gaits at which the horse is to move. The shaded area represents the lead changing area between the markers. The dotted line (...) indicates walk, the dash line (—) jog, and the solid line (___) lope.
