B. Provided below is a comprehensive, step-by-step description of the method that explains how athletes will be selected.

Overview: Selection for Zone 10 will be a combination of two Methods:

- USEF NAJC and NAYC Standings for Zone 10; or
- Zone 10 Selection Trials for Junior and Young Rider.

These two Methods are explained in detail below in Section B1 and B2.

1. USEF NAYC Standing Method for Zone 10:

The two (2) highest ranked athlete/horse combinations on the applicable USEF NAYC Standings List for Zone 10 (NAJC and NAYRC) dated May 12, 2020 will be selected to each Team.

In addition, the third highest ranked athlete/horse combination on the applicable USEF NAYC Standings List for Zone 10 (NAJC and NAYRC) dated May 12, 2020 will be selected as the Traveling Reserve for each Team subject to the following:

This Traveling Reserve athlete/horse combination is eligible to earn a position on the Team through the Selection Trial Method. In the event that the Traveling Reserve is selected to the Team through the Selection Trials Method, the vacant Traveling Reserve position will be filled by the next highest ranked athlete/horse combination on the applicable USEF NAYC Standings List that has not already been selected to the Team.

Junior Team - Calculation of USEF Standings for the Zone 10

The USEF NAJC Standings for Zone 10 will be based on money won in the following classes held at 1.40m and above at USEF licensed competitions: Junior Jumper, Young Rider, U25, Open Jumper, as well as Jumper classes offering at least \$25,000 held at Regional Standard or above. Classes offering more than \$25,000 will be capped at 25,000 points, thus pointed the same as classes of \$25,000.

Ties: For the two (2) Junior team members and the Traveling Reserve, any ties will be decided by determining which athlete/horse combination won the most money in the classes specified above at the height of 1.40m and above, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.35m followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.30m so on until the tie is broken.

The Qualifying Period for the USEF NAJC Standings Method for Zone 10 is September 1, 2019 through April 20, 2020. The USEF NAJC Standings will be final on May 12, 2020.

It is the responsibility of the athlete to verify the accuracy of the NAYC Standings posted on the USEF website. USEF is not responsible for inaccurately reported results. If any errors are detected, athletes are encouraged to contact the USEF office immediately. Errors must be reported no less than five (5) business days prior to the NAYC nominated entry deadline

Young Rider Team - Calculation of USEF Standings for the Zone 10

The USEF NAYRC Standings for Zone 10 will be based on money won in the following classes held at 1.45m and above at USEF licensed competitions: Junior Jumper, Young Rider, Amateur Owner, Amateur Jumper, Open Jumper, U25, as well as Jumper classes offering at least \$25,000 held at American Standard or above. Classes offering more than \$25,000 will be capped at 25,000 points, thus pointed the same as classes of \$25,000.

Ties: For the two (2) Young Rider team members and the Traveling Reserve, any ties will be decided by determining which athlete/horse combination won the most money in the classes specified above at the height of 1.45m and above, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.40m, followed by which athlete/horse combination won the most money in the classes specified above at the height of 1.35m and so until the tie is broken.

The Qualifying Period for the USEF NAYRC Standings Method for Zone 10 is September 1, 2019 through April 20, 2020. The USEF NAYRC Standings will be final on May 12, 2020.

2. **Selection Trials Method:**

The two (2) highest placed athlete/horse combinations based on points earned in the Zone 10 Selection Trials will be selected for each team (NAJC and NAYRC). An athlete/horses' top three (3) Selection Trials class scores will count from the five (5) Selection Trials classes offered. Note: There are four (4) Selection Trials with a total of five (5) Selection Trial classes.

Athletes who choose to qualify through the Selection Trial Method must complete TWO applications as described in section I.A.3.i. See also section I.A.3.h for Certificates of Capability.

An athlete/horse combination may try out for the Junior and the Young Rider Team Selection Trials if they are eligible per the FEI Rules for Jumping 26th Edition, Annex IX, Chapter III, Article 15; however, should an athlete qualify for two teams from the Trials Method they must declare to the NAYC Zone 10 Coordinator on which team they will compete within 30 minutes following the fourth Junior and Young Rider Trial.
