Dear Steven:

Thank you for submitting your request for a Presidential Modification to the application of GR120.2.a on behalf of the Driving Sport Committee. A Presidential Modification is granted in cases of extraordinary, special circumstances. When measured against that criterion, it has been determined that your request meets the standard for a Presidential Modification and therefore is approved.

As a result, exhibition classes will be permitted to be utilized as qualifying competitions for the 2026 USEF Combined Driving Youth National Championship. All athletes competing in an exhibition class are subject to the USEF drugs and medications rules, testing, and penalty.

Please feel free to contact the Federation office if you need further assistance.

Sincerely,
