The athletes named as Substitutes to the Short List will NOT be ranked at the time they are named as Substitutes to the Short List. The list will be approved and listed in alphabetical order using the name of the athlete.

C. Provided below is the comprehensive, step-by-step description of the method that explains how athletes will go through the selection process to become team nominees:

1. **CSIO/CSI Observation Events for the Short List:** The athletes and their horse(s) named to the Short List will compete at designated CSIO/CSI observation events. The Chef d'Equipe, in consultation with the Advisors, will recommend the athletes for each designated CSIO/CSI observation event, subject to the recommendation of the USEF Jumping Sport Committee or its designees and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors.

The designated CSIO/CSI observation events will be published on usequestrian.org/jumping no later than April 4, 2022.

To remain eligible for selection for the Event, the athletes and horse(s) named to the Short List are required to participate at their assigned CSIO/CSI observation event(s), except as noted below.

Subject to the approval of the Chef d'Equipe and USEF Jumping Sport Committee or its designees, an athlete and their horse(s) that is not able to compete a CSIO/CSI designated observation event(s) because of veterinary, medical, or family emergencies or for logistical reasons, may request special consideration for selection by submitting a written request to Lizzy Chesson, USEF Managing Director, Jumping Programs. The Chef d'Equipe will consult with the Advisors and will recommend to approve or disapprove the request based on the circumstances, facts, and, in the case of illness or injury to horse or athlete, documentation by the Team Veterinarian or a physician(s) approved by the USEF. In the event the Chef

d'Equipe disapproves the applicant's request, the athlete and their horse(s) must compete in the designated CSIO/CSI observation event(s) or they may no longer be considered for selection.

2. **Additions to the Short List:** Prior to submission of the FEI Definite Entries (TBD), the Chef d'Equipe, in consultation with the Advisors, may use discretion to recommend that up to one (1) additional horse may be named to the Short List with one (1) of the athletes originally named to the Short List on or about April 14, 2022. This recommendation is subject to the recommendation of the USEF Jumping Sport Committee or its designees and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors. The Chef d'Equipe and Advisors, when evaluating such horses, will take into account the criteria outlined in Section I.B.2.b.iii. Horses in consideration must meet the application requirements in Section I.A, except for the Application Deadline requirements.

In addition, prior to submission of the FEI Definite Entries (TBD), the Chef d'Equipe, in consultation with the Advisors, may use discretion to recommend that one (1) athlete/horse combination be named to the Short List who was not originally named to the Short List on or about April 14, 2022. This recommendation is subject to the recommendation of the USEF Jumping Sport Committee or its designees and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors. The Chef d'Equipe and Advisors, when evaluating such combinations will take into account the criteria outlined in Section I.B.2.b.iii. Athletes and horses in consideration must meet the application requirements in Section I.A, except for the Application Deadline requirements.

3. **DATE TBD, 2022: FEI Nominated Entries** –By no later than the closing date for the FEI Nominated Entries for the Event, TBD, 2022, the Chef d'Equipe, in consultation with the Advisors, will evaluate the athletes and horses named to the Short List and as Substitutes to the Short List and recommend a minimum of five (5) athletes and their horse(s) and up to the maximum number of athletes and horses permitted according to the FEI Rules [ten (10) athletes and twenty (20) horses] for the FEI Nominated Entries for the Event subject to the recommendation of the USEF Jumping Sport Committee or its designees, and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors.

The Chef d'Equipe and Advisors, when evaluating athletes and horses, will take into account the criteria outlined in Section I.B.2.b.iii. as well as the demonstrated ability of the athletes and horses at the designated CSIO/CSI observation events. Such list will be submitted to the FEI as the FEI Nominated Entries by no later than midnight CET, TBD, 2022.

The athletes named to the FEI Nominated Entries will NOT be ranked at the time they are named to the FEI Nominated Entries. The list will be approved and listed in alphabetical order using the name of the athlete.

4. **DATE TBD, 2022: FEI Definite Entries**– After submission of the FEI Nominated Entries, TBD, 2022, but by no later than the closing date for the FEI Definite Entries for the Event, TBD, 2022, the Chef d'Equipe, in consultation with the Advisors, will evaluate the athletes and horses submitted on the FEI Nominated Entries and recommend the “Squad,” which consists of up to the maximum of five (5) athletes and ten (10) horses, subject to the recommendation of the USEF Jumping Sport Committee or its designees, and the approval of the Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

The Chef d'Equipe and Advisors, when evaluating athletes and horses for the Squad will take into account the criteria outlined in Section I.B.2.b.iii., the demonstrated ability of the athletes and horses at the designated CSIO/CSI observation events as well as the willingness of the athlete to work within the confines of the FEI World Championship / FEI Accreditation allocations and restrictions. Such list will be submitted to the FEI as the FEI Definite Entries by no later than TBD, 2022.

5. **After acceptance of the FEI Definite Entries and until one hour before the First Horse Inspection –** After acceptance of the FEI Definite Entries and until one hour before the First Horse Inspection, the Squad will be the same as originally approved at the time of the FEI Definite Entries unless a Replacement is made. 6. **Date TBD, 2022 Declaration of Starters –** By no later than the assigned time for the declaration of starters, TBD, the Chef d’Equipe, will evaluate the horses and athletes on the Squad and will name the Team of four (4) athlete/horse combinations that will compete at the Event as well as the fifth athlete and/or horse that will serve as the Traveling Reserve. The Chef d’Equipe when evaluating athletes and horses on the Squad will base their evaluations on the factors outlined in Section I.C.2.c as well as the demonstrated ability of the athletes and horses at the designated CSIO/CSI observations events.

D. Provided below are the names of all committees/groups who oversee the selection process, including the name(s) and role(s) of their members: The USEF Show Jumping Chef d’Equipe, and USEF Show Jumping Sport Committee or its designees will oversee the selection process, which process shall be reviewed and approved by USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors (Attachment G for list of USEF committees, their roles, and list of members).

E. Other Considerations:

1. **Equine Drug Testing:** All applicant horses are subject to drug testing both in competition and out of competition.

In-Competition. All horses entered to compete in any FEI or USEF competition are subject to drug testing at any time from when the competition begins until the competition ends or beginning when the horse arrives for the competition until the competition ends, whichever beginning occurs first. Blood and/or urine samples may be collected and tested for substances prohibited or forbidden under the subject competition rules. National competitions may invoke GR 409 whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden substance, or a metabolite or marker, is detected in the sample collected in-competition, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or the Discipline Director for dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by a panel (“Selection Hearing Panel”) comprised at least one member of the USEF Show Jumping Sport Committee along with at least two members of the Hearing Committee, one of which must be an Eligible Athlete. The Chairman of the USEF Veterinarian Committee, or his designee, may serve Ex Officio and a member of the Veterinarian Panel selected for the Event may serve Ex Officio.

Out-of-Competition. Blood and/or urine samples may be collected out-of-competition at any time throughout the selection period, which is defined for equine drug testing as commencing on April 14, 2022 following notification to the applicant at least 24 hours prior to collection of samples. Samples collected from horses out-of-competition will be tested for the presence of substances prohibited by the FEI, including metabolites and markers. Failure to make the horse available for collection of samples may result in the elimination of the horse and/or athlete from the Selection Process. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

Positive Finding. At any time during the selection period that the presence of a prohibited or forbidden

substance, or a metabolite or marker, in the sample, the results, including the level detected for controlled medications, will be reported to the USEF Chief Executive Officer and General Counsel, who will notify the Director of Sport Programs or Discipline Director for dissemination of information as appropriate. In such instance, the positive finding may result in the elimination of the horse and/or athlete from the Selection Process unless the Veterinarian Panel appointed for selection of the Event certifies that the substance detected has been approved or is legitimate and appropriate under the circumstances. Before elimination occurs, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

This provision does not abrogate the enforcement of applicable equine anti-doping rules at Federation licensed competitions, including competitions where GR 409 is invoked whereby samples will be tested for FEI prohibited substances, including metabolites and markers.

Also see the section on Veterinarian Treatment, a violation of which may result in elimination under this provision. Before elimination occurs in either instance, the owner and athlete will be afforded a hearing by the Selection Hearing Panel.

USEF GR409.2 Equine Drugs and Medications, Prohibited Substance Provisions

No horse and/or pony competing in a Breed or Discipline designated as (or part of) a No Prohibited Substance Group is to be shown in any class at a competition licensed by the Federation if it has been administered in any manner or otherwise contained in its tissues, body fluids or excreta a prohibited substance as defined in the FEI Equine Anti-Doping and Controlled Medication Regulations, which can be found at www.fei.org.

- 2. Soundness and Fitness:** Horses that are candidates for selection may be examined at any time during the selection process through the conclusion of the Event by the Team Veterinarian or a member of the Veterinary Panel. Horses found to be unsound and/or unfit by the Team Veterinarian or a member of the Veterinary Panel may be eliminated from the Selection Process but only with the recommendation of the Chef d'Equipe, USEF Jumping Sport Committee or its designees, and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors.

All horses named to the Short List may undergo a baseline exam with the Team Veterinarian and/or a member of the Veterinary Panel at any time between selection and departure for the Event. The Team Veterinarian and the athlete's veterinarian must be in communication regarding the soundness and preparation of the Short Listed horse(s).

- 3. Team Veterinarian Request:** Applicants, **at their own expense**, shall make available, upon the request of the Team Veterinarian, 24 months' worth of veterinary records of horses under consideration for selection. In addition, applicants, **at their own expense**, shall be responsible for supplying any follow-up diagnostic information requested by the Team Veterinarian for horses under consideration for selection. Applicants, **at their own expense**, shall complete any treatment prescribed by the Team Veterinarian, after consultation with the horse's treating veterinarian if such a consultation is requested by the athlete, for horses under consideration for selection. Failure to comply with any reasonable request of the Team Veterinarian may result in the removal of the horse and/or athlete from the selection process by the Chef d'Equipe and Advisors upon the recommendation of the Team Veterinarian and the USEF Jumping Sport Committee or its designees, and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.
- 4. Veterinary Treatment:** Once a horse(s) is named to the Short List, FEI Nominated Entries or FEI Definite Entries all selected athletes will be required to obtain written permission from the Team Veterinarian prior to their selected horses being treated by any person other than the Team Veterinarian. In addition, all veterinary treatments must be recorded and made available to the Team Veterinarian if requested. Failure to

adhere to this policy and/or the directives of the Team Veterinarian as outlined on the USEF Show Jumping Veterinary Treatment Request Form may result in the removal of horse and/or athlete from the selection process by the Chef d'Equipe and the Advisors upon the recommendation of the Team Veterinarian and the USEF Jumping Sport Committee or its designees, and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

5. **Medical Request:** In the event of illness or injury, applicants may be required to submit to a medical examination by physician(s) approved by the USEF at any time during the selection process for the purposes of determining the applicant's ability to compete at the Event. Failure to submit to such examination may result in the removal of the applicant from the selection process by the Chef d'Equipe and Advisors upon the recommendation of the USEF approved physicians(s) and USEF Jumping Sport Committee or its designees, and the approval of the Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. Following the examination, should the USEF approved physician(s) find the applicant to be unfit to compete, the applicant may be removed from the selection process pending the review of the USEF Jumping Sport Committee or its designees, and the approval of the Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors.

II. DISCRETIONARY SELECTION

A. Rationale for utilizing discretionary selection: Discretionary selection is used to field the best team possible for the Event.

B. Discretionary criteria and explain how it will be used: See Section I.C.

C. Discretionary Selection Committee:

1. **Names of the committee(s) that will be responsible for discretionary selection:**

- USEF Show Jumping Chef d'Equipe
- USEF Show Jumping Team Veterinarian
- USEF Show Jumping Veterinary Panel
- USEF Jumping Sport Committee or its designees
- USEF Board of Directors or Ad Hoc Selection Group

2. **Complete list of the members of the committee(s), their titles and their NGB role that qualifies them to serve in this capacity:** See Attachment G for list of USEF committees, their roles, and list of members.

Advisors: Three (3) individuals (the "Advisors") will be appointed by the USEF International Discipline Council upon the recommendation of the USEF Jumping Sport Committee. The Advisors are subject to the USEF Code of Conduct (Attachment C) and Code of Ethics and Conflict of Interest (Attachment I), the U.S. Center for SafeSport's Code, and the USEF Safe Sport policy (Attachment E). The Advisors are Senior Active Members in good standing of USEF, who are also members of the Show Jumping community and who are knowledgeable and experienced in Show Jumping at the international level.

The Advisors will serve in an advisory capacity to the Chef d'Equipe and the Chef d'Equipe will make recommendations to the USEF Jumping Sport Committee or its designees based on his consultation with the Advisors, the Team Veterinarian and when appropriate, the Veterinary Panel.

A minimum of two (2) Replacement Advisors may also be named. A Replacement Advisor will take the place of an Advisor who has a conflict of interest or a substantial appearance of a conflict of interest. There will be a minimum of 33.3% Eligible Athlete Representation on the panel of Advisors.

Veterinary Panel: A list of veterinarians approved by USEF.

Ad Hoc Selection Group: The Ad Hoc Selection Group will be approved by the Board of Directors.

3. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee.

Any member of the selection committee that has a possible conflict of interest must disclose it. If such conflict exists, the selection committee member must recuse him/herself from committee discussions and voting. Further, the committee member should not otherwise influence other members of the committee in the nomination process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, for example the Chef d'Equipe and/or Jumping Managing Director, may, if requested by the committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member who declared the conflict of interest does not vote toward the final decision.

III. REMOVAL OF ATHLETES

A. An athlete may be removed from the Short List and/or the FEI Nominated Entries for any of the following reasons, as determined by USEF and in accordance with these procedures:

- Voluntary withdrawal. An athlete must submit a written letter to the USEF CEO.

In these procedures, the removal of an athlete is closely related to the process by which they will be substituted/replaced. Therefore, the reasons for which an athlete may be removed are thoroughly addressed in Section IV. SUBSTITUTION/REPLACEMENT OF ATHLETE AND/OR HORSE.

An athlete removed from the Short List and/or FEI Nominated Entries pursuant to this provision has the right to a hearing per the USEF's Bylaws, Article 703 and USEF General Rules, Chapter 6, GR 605 or USOC Bylaws, Section 9, or if applicable the adjudication process will be managed through USADA or the Anti-Doping Organization responsible for results management, or in accordance with the U.S. Center for SafeSport's code.

IV. SUBSTITUTION/REPLACEMENT OF ATHLETES AND HORSES

B. Substitution/Replacement athletes and horses will be selected, should a vacancy occur, according to the following method:

- 1. Prior to acceptance of the FEI Nominated Entries:** Once the Short List for the Event has been named and prior to the submission of the FEI Nominated Entries (DATE TBD, 2022), USEF has the ability to substitute athletes and/or horses on the Short List for the reasons set forth in Section III. A.

To fill openings, if they occur, the Chef d'Equipe, in consultation with the Advisors, will evaluate the athletes and horses named to the Short List as well as Substitutes to the Short List and may recommend that a substitution be made. In addition, the Chef d'Equipe, in consultation with the Advisors, has the discretion to substitute athletes and/or horses between designated CSIO/CSI events or from the list of Substitutes to the Short List. The Chef d'Equipe and Advisors when evaluating athletes and horses will take into account the criteria outlined in Section I.B.2.b.iii.

Any substitution other than voluntary withdrawal must be upon the recommendation of the Chef d'Equipe, the USEF Jumping Sport Committee or its designees and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the USEF Board of Directors.

Any substitution for veterinary reasons other than voluntary withdrawal must have the approval of the Team Veterinarian and when appropriate the Veterinary Panel.

Any substitution for medical reasons other than voluntary withdrawal must be documented by a physician(s) who is approved by the USEF.

- 2. After submission of FEI Nominated Entries and prior to acceptance of the FEI Definite Entries:** After the FEI Nominated Entries (Date TBD, 2022) have been submitted and prior to acceptance of the FEI Definite Entries (Date TBD, 2022), substitutions will be done in accordance with the FEI Rules for Jumping Championships and Games [26th Edition, 1 January 2018 – updates effective 1 January 2021] Article 303 and the criteria outlined in IV.B.3) Article 303.

To fill openings, if they occur, the Chef d'Equipe, in consultation with the Advisors, will evaluate the athletes and horses named on the Short List as well as Substitutes to the Short List and may recommend that a substitution be made. These recommendations are subject to recommendation of the USEF Jumping Sport Committee or its designees, and the approval of the USEF Board of Directors or an Ad Hoc Selection Group approved by the Board of Directors. The Chef d'Equipe and Advisors when evaluating athletes and horses will take into account the criteria outlined in Section I.B.2.b.iii., the demonstrated ability of the athletes and horses at the designated CSIO/CSI observation events.

3. After acceptance of the FEI Definite Entries and until one (1) hour before the First Horse

The latter situation will almost certainly occur as a result of a veterinary problem which it may or may not be possible to define given the time/resources available at the time. Replacements may only be made by recommendation of the Chef d'Equipe, with approval of the Show Jumping Team Leader and U.S. Equestrian Chef de Mission, and in accordance with the FEI Rules for Jumping Championships and Games [26th Edition, 1 January 2018 – updates effective 1 January 2021] Article 304 or for reasons set forth in Section III.B.
