

## MEMORANDUM

**TO:** 2022 World Championship Show Jumping Applicants

**FROM:** Lizzy Chesson, USEF Jumping Managing Director

**DATE:** April 4, 2022

**RE:** Information on Designated Observation Events for 2022 World Championship Selection

---

It is intended that the Short List compete at designated CSIO/CSI events. Currently we have confirmed invitations from the following CSIOs:

- **CSIO5\* Rome** – May 25-29
- **CSIO5\* Aachen** – June 28-July 3
- **CSIO5\* Knokke** – July 6-10

We are looking at possibilities of other events; however, it is intended that Short List athletes and horses will compete at at least one of the above CSIO events in addition to other agreed upon CSI/CSIO events.

The Short List will be finalized no later than Thursday, April 14 and at that time the Observation event plans will be confirmed.

Please note that this memo does not replace the Selection Procedures and it is your responsibility to read and understand the World Championship Selection Procedures.

Do not hesitate to reach out to Robert or myself if you have any questions.

Best,
