This material is needed in order to include the winnings of exhibitors in the Federation’s permanent records.
      2. The secretary of each Federation Licensed Competition must, within 10 calendar days of the competition, send to the Federation, either electronically or by mail with proof of delivery, a list of judges, stewards, technical delegates and competition officials, as well as the full results with all required fields.
      3. If the competition fails to file a full set of results postmarked within 10 calendar days of the closing of the competition, the Federation will levy a fine of $250. If the fine is not paid, future competition dates might be retracted or not awarded. The competition has the right to request a waiver of this fine, provided they can show good cause.
      4. If management disputes that the results were not timely filed or that the above fine is not properly owing, it may
request a procedural review of these issues before the Co-Chairs of the Hearing Committee or their designees, provided that the request is made within 30 days of management’s receipt of the Federation’s notice of fine, specifying the grounds for the appeal. The Co-Chairs of the Hearing Committee or their designees may waive a part or all of the fine upon a finding of good cause why the application was not timely filed and/or a finding that extreme hardship results from the automatic penalty.

5. Within 30 days of the deadline for filing any report or paperwork required under the Rules, the Federation must notify the Official Competition Contact responsible for filing such report or paperwork in the event that it has not been received.

6. The Federation must be notified of any retirement ceremony held at any Licensed Competition. See GR812.

SUBCHAPTER 12-E DUTIES CONCERNING FACILITIES

GR1215 Stabling

1. At Level 3, Level 4 and Level 5 Dressage Competitions, and competitions offering “A” rated hunter sections, overnight stabling, on the competition grounds, must be provided for any accepted and confirmed entry in a section held on multiple days that has requested and paid for the stall(s) by the closing date of entries.

2. Stalls provided must be of sturdy construction, in good condition and safe for horses and ponies. The recommended minimum dimensions for box stalls for horses are 9’ wide by 9’ deep by 7’ high or comparable square footage. It is essential that the covering over the stalls is weatherproof. Prize list must specify type of stabling and whether stall doors will be provided.

3. At competitions which offer overnight stabling, adequate lighting must be provided.

4. It is recommended that at Level 4 and Level 5 Dressage Competitions, and at competitions with an A rated division, provide, upon request of the official competition veterinarian, a suitable area, protected from the elements, secured from public view, adequately lighted, with adequate electrical supply and running water, to serve as a first aid station for the emergency treatment of ill and injured horses.

5. Additional stabling requirements for Dressage Competitions are listed in the Dressage Levels chart posted on the USEF website.

GR1216 Facilities

1. Convenient and ample water facilities must be provided.

2. Adequate and sanitary toilet facilities must be provided.

3. All competition grounds (where there are divisions that require measurement) must have a level surface area for measurement in accordance with GR507.

4. Food must be provided on the grounds.

5. A secretary’s office with adequate personnel and proper communication between secretary, announcer, in-gate, each ring and stables must be provided.

8. Directions to the competition grounds must be posted outside the competition office so that directions can be relayed to the EMS.

9. Before the first day of competition, competition management must post the name, address, and telephone number of the closest veterinary emergency and surgical facility. The competition management must have notified and obtained assurance that such facility can handle competition related emergencies. The name, address, and telephone number of this facility must be posted in the same location as the telephone and/or other emergency call priority system.

10. Lighting at sunrise and sunset that provides full and complete visibility is a requirement for the competition ring.
and schooling area. Horses may not be required to be exhibited in the competition ring or schooled in the designated warmup areas before the official hour of sunrise or after the official hour of sunset unless lighting is provided that assures full and complete visibility.

11. Competition management is required to make an effort to provide the best possible footing in competition and warm-up areas. Provisions must be made (by having on hand proper equipment and scheduling sufficient breaks in the schedule) to maintain the footing in those areas, e.g. by dragging, watering, and raking, if necessary, throughout the competition.

12. Additional requirements for Dressage Competitions regarding facilities, services and amenities are listed in the Dressage Levels chart posted on the USEF website.
