

GUIDE TO USING THE GR1033 SCHEDULE PLANNER

In order to help plan your future competitions, the Licensed Officials Department has launched a new planning tool for stewards and TDs.

- Stewards and TDs can enter future competitions into the planning tool.
- The tool will flag competitions in red that may result in a GR1033 rotation rule violation.
- Want to confirm the potential violation flag with USEF? Email the Licensed Officials Department at loinquiry@usef.org.

You can access the tool by following these steps:

1. Log in to your USEF account at usef.org
2. Click on the Licensed Officials Dashboard tile
3. Click on the GR1033 Schedule Planner tile
