

## MAKE YOUR COMPETITION RESULTS COUNT THIS YEAR!

Record your horse and start collecting points toward Year-End Awards and championship-qualifying.

You have probably heard your trainer, friends, or other equestrians talk about tracking points and winning year-end awards through the Horse of the Year Program. Some of the most prestigious shows and classes are offered only to recorded horses who qualify. Does your child have dreams of competing at US Pony Finals? Do you want to compete in US Equestrian/USDF qualifying classes to earn your spot at dressage championships? Your horse(s) and/or pony(ies) must be recorded to do so. Ensure your hard work and preparation pays off; your horse's show results only count toward year-end recognition if they are recorded prior to the start of competition.

- » The [Horse of the Year Program](#) is one of the oldest nationally recognized multi-breed awards programs in the country. National and regional/zone awards are presented in over 150 recognized divisions. Celebrating your horse's achievements from throughout the year, over 5,000 awards are presented with National Champions and Reserve Champions invited to be honored at the USEF Annual Meeting Gala. Annual and lifetime recordings are offered with discounts on lifetime recordings for foals, yearlings, and two-year-olds.
- » For more information and assistance recording your horse, contact one of our Customer Care agents who will be happy to assist you, call 859.258.2472, Monday through Friday, 8:30 a.m. – 5:00 p.m. ET.
